

Illicit 1121

Chapter 1121 - Ju Xing

"Why are you all in front of my house? Do you want to cause trouble for us again?" Qian Na's eyes were filled with coldness.

She still could not forgive them and would never forgive them. They were the reason why her husband was in prison for three days, so there was no way she could forgive them.

One of the demonstrators immediately said, "Mrs. Qian, we want to apo-"

But before he had finished his words, Qian Na interrupted him. "Get out of my sight or I will call the police now!"

She did not want to see them because the longer she was with them, the angrier she became.

Su Ruanyi and Su Guanyi did not say anything and only stared at them. Unlike Qian Na, even though they were furious, they could still control their anger.

The other demonstrator tried to explain again, "Mrs. Qian, we want t-"

Like before, Qian Na interrupted again. "I said get out of my sight! I will count to three. If you are still at my house, I will really call the police."

Qian Na immediately took her smartphone out of her pocket. She did this because she wanted them to know that she was serious with her words.

The demonstrators exchanged a glance with each other. Of course, they could understand her behavior because they did something cruel to them a few days ago.

They were even the reason why Su Guanyi was sent to prison. That was why they did not fight back even though Qian Na treated them coldly.

They decided to leave because they did not want to cause trouble again. They were afraid that Qian Na would call the police for real.

It would be complicated if the police came to them.

After the demonstrators left, Su Ruanyi and the others entered the house. However, someone suddenly knocked on the door when they were watching a movie in the living room.

Su Guanyu looked at Su Ruanyi before speaking, "Ruanyi, open the door."

"All right." Su Ruanyi replied as she nodded her head.

To her surprise, she saw a young woman about twenty-seven years old after opening the door.

Even though that woman was not as beautiful as Su Ruanyi, but her face was still included in the category of beautiful women.

"Xing?" Su Ruanyi was pleasantly surprised when she saw Ju Xing.

Ju Xing was her best friend before she left her hometown. They were so close to the point they saw each other as sisters.

"Ruanyi, I just heard about everything that happened to your family! How are you feeling?" Ju Xing inquired.

After Su Ruanyi left her hometown, she did the same thing. She returned to Luzi city last night, so she could not help Su family before.

"I'm fine." Su Ruanyi replied as she smiled, "Come in. My mother and father will be happy to see you again."

Su Ruanyi knew that Ju Xing was not in Luzi city when her family was facing a problem.

"Un." Ju Xing nodded her head.

Like Su Ruanyi, Qian Na and Su Guanyu were presently surprised when they saw Ju Xing.

After sitting on the sofa, Ju Xing looked at Qian Na and Su Guanyu. "Uncle, auntie, how are you feeling? I'm sorry for not being able to help you. If I returned faster, I would have helped you."

"It's fine. You don't need to feel sorry." Su Guanyu replied as he smiled.

"Yes. Everything is already fine now." Qian Na added. "When did you return?"

Su Guanyu and Qian Na were also close to Ju Xing because she often came to their house in the past.

Ju Xing's house was not far from theirs, so she always played with Su Ruanyi in the past.

"I returned last night." Ju Xing gave an honest answer. "I'm glad everything is already fine."

At this moment, Ju Xing realized that Xiao Tian was next to her.

'Isn't he...'

Ju Xing felt as if she had seen Xiao Tian before, but she could not remember it.

"Why do I feel like I have seen you before? Have we met before?" Ju Xing uttered.

"Hmm?" Xiao Tian believed that he had never met Ju Xing before.

'Wait! Has she met my predecessor before?'

Because he could not see all of his predecessor's memories, he had no idea whether she had met his predecessor or not.

"He is Xiao Tian." Su Ruanyi introduced Xiao Tian to Ju Xing. "In the past, he was interviewed by popular magazine and also invited by well-known TV show because he managed to become a successful person in a short amount of time. Maybe you saw him on TV or magazine before."

"Ah, you are right! I saw him on TV before." Ju Xing finally remembered who Xiao Tian was.

At this moment, Xiao Tian felt a little relieved. It would be awkward if Ju Xing were his predecessor's friend because he could not remember her.

"By the way, why is he here?" Ju Xing asked curiously.

Before Su Ruanyi could answer Ju Xing's question, Qian Na said something first. "He is Ruanyi's lover."

"What? Lover?!" Ju Xing said in surprise. "Auntie, isn't Ruanyi already married?"

She still did not know what happened between Su Ruanyi and Da Shan, so she was shocked after hearing Qian Na's words.

"I divorced Da Shan a few days ago." Su Ruanyi began to tell everything.

"I see." Ju Xing finally understood everything. "As expected of goddess Ruanyi, you are sure amazing. Not only do you have an attractive young boyfriend, but your lover is even a successful person."

Su Ruanyi glanced at Xiao Tian before speaking, "Stop praising him or else he will fly to the sky later."

"Haha." Su Guanyu and the others laughed after hearing Su Ruanyi's words.

The corner of Xiao Tian's lips twitched.

'It seems like I have to punish her later.'

He decided to punish Su Ruanyi when they were alone later.

After talking for about an hour, Ju Xing returned home. At 07:00 pm, Su Ruanyi brought Xiao Tian to the night market again.

As usual, they were happy at that time. They laughed and joked together. They decided to return home at 10:00 pm.

After arriving home, Xiao Tian immediately headed to his room because Su Ruanyi's parents were already asleep.

To his surprise, Su Ruanyi suddenly entered his room without knocking on the door.

Since the Su family faced a problem, Su Ruanyi never entered his room or gave him a blowjob again.

They had not even kissed since her father was sent to the police station. But what surprised him most was that Su Ruanyi was wearing lingerie.

Not only was her lingerie transparent, but her lingerie was also short, to the point it did not cover her panties fully.

Xiao Tian was startled. No. Xiao Tian was pleased. He was delighted because he would have a good time with her later.

However, he did not show it on his face and only smiled softly.

After locking the door, Su Ruanyi walked towards him and sat on the bed. "Thank you, student Xiao."

Su Ruanyi did not give Xiao Tian a warning and immediately kissed his lips. That night, she decided to reward him for helping her family.

The reward was something they loved so much.

Sex!

Chapter 1122 - Heart Lake

6-7 minutes

Inside a medium-sized bedroom, two people were doing adult things; an attractive young man and a gorgeous mature lady.

The mature lady was bending over towards the bed with her eyes filled with lust. Her right hand was on the soft bed while her other hand was covering her mouth.

Even though she was wearing lingerie, the young man could clearly see her perfect body because her lingerie was transparent.

Not only that, the young man was even able to see her breasts and nipples clearly, too.

Behind her, an attractive young man was sliding his huge cock in and out of the mature lady's wet vagina.

If anyone saw them, one word would appear in their minds instantly.

Sex!

Yes. The young man and the mature lady were currently having sex in his room.

After entering the young man's room, the mature lady locked the door and sat on the edge of the bed.

Not only that, but she immediately kissed the young man passionately and ran her left hand underneath his trousers.

Yes. The mature lady played with the young man's cock when she was kissing him hungrily.

Even though her parents were sleeping not far from them, the mature lady did not care about it; instead, she behaved wilder than usual.

The reason was simple.

It was because her parents had approved of their relationship!

This was the reason why the mature lady decided to have sex with the young man in his room.

She believed that her parents would not say anything or stop them because it was normal for lovers to have sex.

"Hm...Hm...Hm...." Like before, the mature lady still tried her best to hold back her cries because she did not want to wake her parents with her moans.

The young man moved his waist even faster when he knew the mature woman was trying her best to hold back her wail.

He did this because he wanted to tease her!

Yes. These two people were none other than Xiao Tian and his former professor, Su Ruanyi.

"Hm...Hm...Hm...." Even though Su Ruanyi noticed that Xiao Tian was moving his waist faster on purpose, she did not tell him to slow down.

She only tried her best to suppress her cries because the faster his movements, the greater the pleasure.

They kept enjoying the pleasure for several minutes before finally, they stopped. The reason why they suddenly stopped was that they wanted to change position.

After Xiao Tian pulled his cock out of her wet vagina, Su Ruanyi immediately lay on the bed.

She was currently lying on the edge of the bed with her legs in 'M' shape. Her blue eyes were still filled with lust, and love juices kept coming out of her vagina.

Even though Su Ruanyi did not say anything, Xiao Tian knew what she wanted because everything was written on her lewd face.

"Ah..." Su Ruanyi let out a soft moan when Xiao Tian's penis slowly entered her wet pussy.

Because Xiao Tian wanted to help her suppress her cries, he bent over before finally kissing her hungrily.

Of course, Su Ruanyi welcomed the kiss immediately because this was also what she wanted.

Not only could she suppress her cries, but she could feel more pleasure too. This was like killing two birds with one stone.

However, Su Ruanyi could not keep kissing him because his cock was so amazing, to the point she wanted to moan loudly.

For this reason, Xiao Tian's room was filled with her suppressed cries again.

Ten minutes...twenty minutes...thirty minutes....

They had been having sex for about thirty minutes, so Xiao Tian and Su Ruanyi finally reached their limit.

"Professor Su, I'm cumming..." like usual, Xiao Tian moved his waist faster and faster.

"Me too." Su Ruanyi stated.

Not long after that, both Xiao Tian and Su Ruanyi had an orgasm at the same time. "I'm cummingggg."

After having an orgasm, they looked at each other before finally a soft smile spread across their faces.

Like before, Xiao Tian brought his face closer towards hers before finally kissing her tender lips.

As usual, Su Ruanyi instantly welcomed the kiss. Not only that, but she also wrapped her long slender arms around his back when they had a deep kiss.

After breaking the kiss, Xiao Tian and Su Ruanyi continued having sex again.

Currently, Xiao Tian and Su Ruanyi were sleeping in his room. She was sleeping on his right side with her head on his right arm.

Like before, Xiao Tian was naked while she was still wearing her transparent lingerie.

After having sex for more than an hour, they decided to stop because they were already satisfied.

They were not afraid her parents would see them because Su Ruanyi had locked the door earlier.

Time went by quickly, and without realizing it, it was already 04:30 am.

Because Su Ruanyi wanted to help her mother cook breakfast, she immediately headed to her room to change her lingerie into normal clothes.

Like yesterday, Xiao Tian woke up at 05:45 am.

'Hmm? Is she helping her mother cook breakfast?'

When Xiao Tian did not see Su Ruanyi in his room, he immediately put on his clothes and headed to the backyard to enjoy the beautiful morning.

At 08:00 am, Su Ruanyi took Xiao Tian to a few good places again. They went to a few romantic places and had lunch at a romantic restaurant.

At 03:13 pm, Su Ruanyi brought Xiao Tian to Heart Lake. Heart Lake was an artificial lake with the shape of a heart.

Heart Lake was surrounded by many trees, from small trees to big trees. Because it was autumn season, the Heart Lake looked more beautiful than usual.

The color of leaves made the Heart Lake so beautiful, to the point it made many people come to the Heart Lake every day.

At this moment, Xiao Tian and Su Ruanyi were strolling while holding hands. A happy smile never left their faces as they enjoyed the beauty of Heart Lake.

As they were enjoying themselves, a voice suddenly rang out. "Ruanyi, Xiao Tian..."

Chapter 1123 - Meeting Ju Xing At Heart Lake

7-8 minutes

As Xiao Tian and Su Ruanyi were enjoying the beauty of Heart Lake, a voice suddenly rang out. "Ruanyi, Xiao Tian..."

Xiao Tian and Su Ruanyi instantly turned their heads towards the source of the sound.

"Xing?" Su Ruanyi did not expect to meet her best friend at Heart Lake.

Yes. The person who had just called them was Ju Xing, Su Ruanyi's best friend.

However, she was not alone because a young lady was on her right side while a young man was on her other side.

When Ju Xing was in front of Su Ruanyi, she immediately asked, "Are you on a date with your young lover?"

Su Ruanyi did not answer and only smiled.

"Not bad, Xiao Tian." Ju Xing laughed and hit Xiao Tian's chest gently.

Because Ju Xing wanted to chat with Su Ruanyi and Xiao Tian, they decided to look for an excellent place to talk.

Coincidentally, there was a good spot not far from them. That good location was under a big tree.

Without waiting for another second, Ju Xing spread out her mat and took out his snacks and drinks.

As they were talking happily, the wind blew against the surrounding trees, causing the trees to dance beautifully.

"Hmm? You want us to go camping with you?" Su Ruanyi was startled when Ju Xing suddenly invited her and Xiao Tian to go camping with her.

"Yes." Ju Xing nodded her head. "It has been a long time since we last went camping together. Let's go camping together again?"

Su Ruanyi looked at Xiao Tian because she wanted to know his opinion about this.

Even though Xiao Tian did not say anything, but he nodded his head, giving her a sign that he agreed to go camping with Ju Xing.

He had never gone camping in his current life, so in his view, it was not a bad idea to go camping with them.

And he would also go camping with Su Ruanyi, so he believed it would become a beautiful memory later.

"All right." When she saw Xiao Tian nodding his head, Su Ruanyi decided to agree.

Like Xiao Tian, she also believed it would become a beautiful memory later because she would go camping with the person she loved.

"When are we going to camp?" Xiao Tian inquired,

"Tomorrow." Ju Xing replied instantly.

Xiao Tian and Su Ruanyi exchanged a glance with each other before finally nodding their heads.

After talking for more than an hour, Xiao Tian and Su Ruanyi went home. Because they would go camping with Ju Xing later, Su Ruanyi told her parents about it.

Su Ruanyi's parents did not forbid them. They only asked the location of their camping and when they would return home.

After talking with Su Ruanyi's parents for about an hour, Xiao Tian headed to his room. Like last night, Su Ruanyi went to his room at 10:30 pm.

They had sex for about forty minutes before finally, they slept.

The following morning, Xiao Tian ordered his underlings to return to their base because the problem had been solved.

After that, Xiao Tian and Su Ruanyi traveled to the camping shop to buy camping equipment.

Of course, Xiao Tian bought a huge tent because he wanted to sleep with Su Ruanyi in the same tent later.

After buying the camping equipment, Xiao Tian and Su Ruanyi returned home. Coincidentally, Ju Xing and her friends arrived at her house after they finished preparing everything.

Ju Xing came with her younger brother and two of her female friends. The name of her younger brother was Ju Ding Huan, and he was nineteen years old.

As for her female friends, their names were Yu Nuying and Shao Ling.

After driving for about two hours, they finally arrived at their camping site. Their camping location was next to the waterfall.

It was about twenty meters from the waterfall, so they could see the waterfall clearly. They chose this place because it was easier for them to get water later.

They even could take a bath in the waterfall later. That was why they decided to camp near the waterfall.

Without waiting for another second, they immediately pitched their tents.

"Finished!" Ju Ding Huan said before finally sitting on the ground.

Because there were six people, they brought three tents. Ju Xing would sleep with her younger brother, and Yu Nuying would be in the same tent with Shao Ling.

As for Xiao Tian, of course, he would sleep with Su Ruanyi later because this was what he wanted.

Because they had finished preparing everything, they headed to the waterfall to play with the water.

The height of the waterfall was about four meters, with many rocks in front of it.

Because the waterfall was located in the forest, the water was so clean, to the point that they could see their reflection in the water.

Not only that, but there were also many pebbles at the edge of the water.

Ju Xing, Yu Nuying, and Shao Ling immediately walked towards the water. A happy smile appeared on their faces when they were in the water.

They were thrilled because the water was so clean and fresh, like mountain water.

At this moment, Xiao Tian, Su Ruanyi, and Ju Ding Huan were sitting on the stone and looking at them.

Ju Xing turned her head to look at Su Ruanyi. "Ruanyi, come here and play with us."

"Come here, sister Ruanyi!" Yu Nuying and Shao Ling said in unison.

Xiao Tian instantly looked at Su Ruanyi before speaking, "Go and play with them."

"All right." After saying that, Su Ruanyi walked towards Ju Xing and the others.

"Brother Xiao, I heard from my elder sister that you are a famous person and own two companies. Is that true?" Ju Ding Huan inquired.

"I'm just lucky!" as usual, Xiao Tian only said he was lucky.

"You are amazing, big brother. I hope I can be like you in the future." Ju Ding Huan also wanted to be a successful person because he wanted to make his elder sister and parents proud.

Xiao Tian tapped Ju Ding Huan's right shoulder before smiling, "Then you have to study hard."

"Yes. I will study hard from today onwards." Ju Ding Huan said with determination.

"Haha." Su Ruanyi and the others laughed happily as they played with water.

Xiao Tian and Ju Ding Huan returned their attention to them.

"It seems like they are enjoying themselves." Xiao Tian uttered.

"Yes." Ju Ding Huan replied as he nodded his head.

As Su Ruanyi and the others were playing with water, Xiao Tian and Ju Ding Huan chatted while looking at them.

Time went by quickly, and without realizing it, it was already 04:50 pm.

Because Su Ruanyi and the others wanted to take a bath in the waterfall, they told Xiao Tian and Ju Ding Huan to return to the tent.

At 06:00 pm, they made a bonfire to warm themselves. Of course, they also brought small lanterns and flashlights.

After eating dinner together, they chatted again. Like before, they talked happily. They also sang together.

Yes. Ju Ding Huan brought his guitar earlier because it could make their camping so much better.

After singing a few songs, they decided to stop. At this moment, Ju Xing asked something unexpected to Su Ruanyi.

"Ruanyi, can you tell me how you two ended up as lovers?" Ju Xing inquired, "I'm curious about this."

Chapter 1124 - Happiness In The Tent

7-8 minutes

Xiao Tian and Su Ruanyi did not expect Ju Xing to ask something like that. They immediately exchanged a glance with each other.

At this moment, Su Ruanyi did not know how to explain it because the beginning of her relationship with Xiao Tian was lewd and unique.

First, she saw him naked in her house. Second, she secretly sniffed his cock and underwear. And last, they were drunk before finally having sex in her room.

If she told the truth, she was sure Ju Xing and the others would see her as a lewd lady later. For this reason, Su Ruanyi looked at Xiao Tian, hoping he could help her.

Even though Su Ruanyi did not say anything and only stared at him, Xiao Tian knew what she had in mind.

That was why he decided to answer Ju Xing's question. "It's like this...."

He told them that Da Shan always ignored Su Ruanyi, did not care about her feelings, and never gave her happiness.

He even used violence when he could not control his emotion. Of course, Xiao Tian did not forget to tell them that Da Shan also cheated on Su Ruanyi.

Because Xiao Tian did not want Ju Xing and the others to think of Su Ruanyi as a bad lady, he also made up a story.

Yes. Xiao Tian made everything look like Da Shan's fault.

Even though Su Ruanyi knew that Xiao Tian added some lies to his story, she did not say anything because he did it for her.

"I see." Ju Xing said after hearing Xiao Tian's explanation. "You did the right thing, Ruanyi."

"That's right, sister Ruanyi." Yu Nuying added. "Someone like him doesn't deserve you."

"If I were you, I would have divorced him a long time ago. I would also slap his old face hard before divorcing him." Shao Ling was furious after hearing Xiao Tian's explanation because Da Shan did not treat Su Ruanyi well.

"It's fine. Alright. Let's not talk about this anymore." Su Ruanyi was amazed by Xiao Tian's skills in manipulating everyone.

Ju Xing and the others did not ask more questions because they thought Su Ruanyi did not want to remember it anymore.

Like before, they talked and sang again. At 10:20 pm, they headed to their tents.

Xiao Tian and Su Ruanyi immediately lay on the bedrolls after entering their tent. Because they were still not sleepy, they chatted in low voices.

To his surprise, Su Ruanyi suddenly lay prone on top of his body. But what surprised him most was that she suddenly kissed him passionately.

Actually, Xiao Tian had no intention of doing adult things with her because he only wanted to lovey-dovey with her in the tent.

However, because Su Ruanyi started it first, Xiao Tian welcomed the kiss immediately. Sure, Ju Xing and the others were sleeping not far from them, but he did not care about it.

As long as they could control their voices, he believed Ju Xing and the others would not know anything later.

At first, Su Ruanyi only wanted to give him a good night kiss. However, due to how skilled Xiao Tian was at a deep kiss, she suddenly wanted more.

She wanted to do something more than just kissing!

Sex!

For this reason, Su Ruanyi immediately sat on Xiao Tian's right side before finally taking off his trousers.

She wasted no time and immediately sucked Xiao Tian's huge penis.

*Slurp...Slurp...Slurp...

The sound of her sucking Xiao Tian's cock echoed in their tent.

Ju Xing and the others did not know what Xiao Tian and Su Ruanyi were doing because there was the sound of crickets.

After Xiao Tian's cock was fully erect, Su Ruanyi immediately removed her trousers.

She did not take off her T-shirt because she could cover her body easily if Ju Xing or the others suddenly came to her tent.

They only wanted to have sex, so taking off their trousers was enough. Because her pussy was already wet, she immediately positioned her vagina right above his cock.

At this moment, Xiao Tian thought Su Ruanyi would put his erect cock into her wet vagina and bounce her body immediately, but he was wrong.

He was utterly wrong because Su Ruanyi did not put his cock into her pussy; instead, she bent over and kissed him hungrily.

Actually, Su Ruanyi wanted to slide Xiao Tian's penis into her wet vagina because she wanted to have sex with him immediately.

However, she changed her mind when she saw his handsome face. For this reason, she only placed Xiao Tian's erect cock between her thighs before bending finally over and kissing him.

As Su Ruanyi's soft tongue danced in Xiao Tian's mouth, she moved her hips back and forth slowly, rubbing his erect cock against her wet vagina.

'It feels good!'

Even though she did not put Xiao Tian's cock into her pussy, Su Ruanyi still felt immense pleasure.

Xiao Tian's penis pressed against her vagina and their tongues danced lewdly, so the pleasure she felt was no less than having sex.

After kissing him for several seconds, Su Ruanyi broke the kiss and showed her charming smile.

She caressed Xiao Tian's cheeks and bangs before finally grabbing his penis with her right hand and placing it at her vaginal opening.

"Mmmmm...." Su Ruanyi bit her lower lip and half-closed her blue eyes when Xiao Tian's cock slowly slid into her pussy. "Student Xiao, your cock is in my pussy again."

At this moment, Su Ruanyi looked so sexy in Xiao Tian's eyes. Her expressions, words, and actions were like a seducer.

Like what she did earlier, Su Ruanyi kissed Xiao Tian passionately again. However, she also did lewd things as she intertwined her soft tongue with his.

She moved her hips up and down slowly!

Yes. She moved her hips up and down every three seconds. Of course, Su Ruanyi did not stop the kiss.

At first, she moved her hips every three seconds. Then it changed to every two seconds before finally, Su Ruanyi moved her hips every second.

As she moved her hips up and down faster, lewd voices began to ring in their ears. The faster she moved her hips, the louder the lewd voice became.

Because Su Ruanyi could not hold back herself anymore, she stopped the kiss and sat on Xiao Tian's cock.

"Mmm...Mmm...Mmm..." Su Ruanyi placed her hands on Xiao Tian's stomach before finally moving her hips up and down fast.

Like before, she shut her blue eyes and tilted her head back. She did this because she wanted to enjoy the feeling of Xiao Tian's penis sliding in and out of her pussy.

Cowgirl sex position!

Yes. They were currently having sex in a cowgirl sex position.

However, it only lasted for about five minutes because Su Ruanyi suddenly turned around. Of course, she did not take his cock out of her vagina.

She decided to have sex in reverse cowgirl because the sensation was different. "Mmm...Mm.."

At this moment, Xiao Tian did not do anything. All he did was watch his penis in and out of Su Ruanyi's vagina.

After having sex in a reverse cowgirl position, they changed position again. This time, they had sex in a missionary position.

However, something unexpected happened when they were having sex in a missionary position.

Chapter 1125 - Why Is Your Face Red?

7-8 minutes

Currently, Xiao Tian and Su Ruanyi were having sex in a missionary position. Even though they had been having sex for about twenty minutes, they still had not reached their limit.

Both Xiao Tian and Su Ruanyi were enjoying themselves so much, to the point they forgot that Ju Xing and the others were sleeping not far from them.

"Ah...Ah...Ah..." Su Ruanyi suppressed her cries as low as she could.

Her pretty face had turned into a lewd look, and her blue eyes were filled with lust.

Every time Xiao Tian moved his waist, a seductive wail escaped from her little mouth.

At this moment, Su Ruanyi looked so seductive. Her cries, expression, gaze; everything seemed so alluring.

If any man saw her, most of them would go crazy immediately because she really looked so seductive.

This was the reason why Xiao Tian suddenly kissed her tender lips again. Sure, he already had sex with her many times, but her fascinating expression still made him hornier.

As Xiao Tian and Su Ruanyi were enjoying their sex, Ju Xing suddenly appeared in front of their tent.

"Ruanyi, are you still awake?" Ju Xing inquired, "Can you accompany me to pee? I'm afraid."

Previously, Ju Xing had come to Yu Nuying's tent. However, Yu Nuying and Shao Ling were sleeping soundly.

She had tried to wake them up, but her efforts were in vain. That was why she immediately headed to Su Ruanyi's tent.

Xiao Tian instantly broke the kiss and stopped moving his waist. He was startled when he heard Ju Xing's voice.

Like Xiao Tian, Su Ruanyi was also surprised. She did not expect Ju Xing to come to her tent in the middle of the night.

Xiao Tian and Su Ruanyi looked at each other as if they were communicating through their eyes about what they should do.

At this moment, Xiao Tian suddenly widened his black eyes.

He was shocked when Su Ruanyi's pussy suddenly squeezed his cock very hard.

Of course, Xiao Tian knew the reason why Su Ruanyi's pussy suddenly squeezed his cock hard like that.

Ju Xing!

Yes, Xiao Tian believed it was because Ju Xing was in front of their tent.

Sure, her vagina was still tight, but it became much tighter when Ju Xing suddenly appeared in front of their tent and asked her to accompany her to pee.

At this moment, Su Ruanyi still had not said anything and only stared at Xiao Tian. She wavered whether she should pretend to be asleep or not.

"Ruanyi, are you already asleep?" Ju Xing repeated her question.

Even though she was holding a lantern in her right hand, she was still afraid because they were in the forest.

Su Ruanyi suddenly felt pity for Ju Xing. Ju Xing was her best friend, so she wanted to help Ju Xing.

However, Xiao Tian did something unexpected when she was about to answer Ju Xing's question.

He moved his waist again!

Yes. Xiao Tian slid his cock in and out of her pussy again!

Su Ruanyi widened her eyes and instantly covered her mouth with her hands.

Ju Xing was standing in front of their tent, so Ju Xing would know right away if she let out a lewd moan.

As she tried her best to suppress her wails, she stared at Xiao Tian's handsome face. She did not ask him to stop. She only stared at him. It was as if she did not care about Ju Xing.

"Ruanyi...Ruanyi..." Ju Xing kept calling Su Ruanyi's name.

Like before, Xiao Tian kept moving his waist slowly. He knew that he could not move his waist fast because Ju Xing would know what they were doing later.

Even though he could only move his waist slowly, he still felt immense pleasure because Su Ruanyi's pussy was much tighter than usual.

He even felt as if Su Ruanyi's vagina turned into countless tiny tentacles and squeezed his cock wildly.

"Ruanyi, are you there?" Ju Xing asked again. "If you are still awake, please accompany me to pee. I almost can't hold back anymore now."

Su Ruanyi came to her senses. She immediately gave Xiao Tian a sign to pull his cock out of her pussy because she wanted to accompany Ju Xing.

Even though Xiao Tian was shocked by her decision, he did what she wanted.

After Xiao Tian pulled his cock out of her wet pussy, Su Ruanyi immediately said, "Xing, wait a minute!"

Sure, she was still horny, but she could not ignore her best friend. And she could have sex with Xiao Tian again after accompanying Ju Xing.

Ju Xing was pleased after hearing Su Ruanyi's answer. "Please hurry up."

After putting on her trousers, Su Ruanyi gave Xiao Tian a peck on the lips. "Wait for me. We will continue again later."

'Luckily, I only took off my trousers earlier.'

She added in her mind.

Xiao Tian nodded his head. Because Su Ruanyi said they would have sex again later, he did not put on his trousers and only hid under the blanket.

After getting out of the tent, Su Ruanyi uttered, "Let's go."

"Why is your face red?" Ju Xing inquired.

"My face is not red. It's the effect of your lantern." Su Ruanyi denied shamelessly.

As they were walking towards the waterfall, Su Ruanyi often squirmed her legs. Her body was still hot, and she was also horny, so her legs squirmed on its own.

'I want to have sex with student Xiao again!'

The pleasure she felt earlier suddenly appeared in her mind.

This made her legs squirm more often. Sometimes, she even placed her hands on her thighs or covered her pussy.

Because Ju Xing was next to her, she noticed it.

'What's wrong with her?'

At this moment, she still did not know that Su Ruanyi had sex with Xiao Tian in their tent earlier.

"Ruanyi, why are you squirming your legs like that?" Ju Xing asked curiously.

"It's cold!" luckily, Su Ruanyi found a good excuse.

Because Su Ruanyi's answer made sense, Ju Xing was not suspicious of her. Ju Xing peed near the waterfall.

At this moment, Su Ruanyi suddenly remembered the time when she had sex with Xiao Tian in their tent.

For this reason, she squirmed her legs again. However, Ju Xing did not know about it because Su Ruanyi was standing behind her.

After peeing, Ju Xing looked at Su Ruanyi before speaking, "Let's go back."

"Un." Su Ruanyi was pleased because, with this, she could have sex with Xiao Tian again.

"Luckily, you were still awake earlier or else, I did not know what would happen." Ju Xing uttered.

Sure, she could pee next to their tent, but she did not want to do that because it was dirty and bad manners.

"Let's go back quickly. It's cold." Actually, she said this because she wanted to have sex with Xiao Tian immediately.

"All right." Ju Xing nodded her head.

After Su Ruanyi entered her tent, she wasted no time and immediately took off her trousers.

Like before, she did not remove her T-shirt because they could still have sex while wearing T-shirt.

After taking off her trousers, Su Ruanyi got on all fours and spoke, "Student Xiao, come here.. Let's continue what we did earlier."

Chapter 1126 - Honeymoon?

8-10 minutes

"Mmmm...Mmm...Mmm..." Su Ruanyi's suppressed cries echoed in her tent.

Currently, she was having sex with Xiao Tian in a missionary style.

After returning to her tent, Su Ruanyi immediately took off her trousers and pointed her naked ass at Xiao Tian.

She was really horny because they stopped in the middle of sex earlier. That was why she asked him to thrust his cock into her vagina immediately.

"Mmm...Mmmm...Mmmm..." Su Ruanyi's blue eyes were filled with lust, and her pretty face had turned into a lewd look.

It had been twenty minutes since they started having sex again. They had sex in many positions in these twenty minutes, from doggy style to missionary.

In total, they already had sex in seven positions in twenty minutes. Previously, they had sex in a lap dance position, but Su Ruanyi suddenly asked him to change into a missionary position.

The reason was simple.

She was about to have an orgasm!

Su Ruanyi wanted to see Xiao Tian's handsome face when she had an orgasm. That was why she asked him to fuck her in a missionary position.

"I'm cumming... I'm cumming... I'm cumming...." Su Ruanyi said in a low voice.

"I'm cumming too." because Xiao Tian had reached his limit, he moved his waist faster and faster.

Su Ruanyi was not surprised when Xiao Tian moved his waist faster because she knew that he had reached his limit too.

'Ah...Ah...Ah...'

She instantly shut her blue eyes and covered her mouth with her hands.

'I'm cumming....'

Su Ruanyi and Xiao Tian had an orgasm at the same time.

She still closed her eyes when Xiao Tian let out his white sperm deep inside her lewd vagina.

'Ahh. Student Xiao let out his sperm in my vagina again.'

When Su Ruanyi opened her blue eyes, what welcomed her was Xiao Tian's gentle smile.

'He is so attractive!'

Her heart was filled with happiness when she saw his gentle smile.

Not only did she have an orgasm, but she was also welcomed with Xiao Tian's gentle smile when she opened her eyes.

For this reason, Su Ruanyi cupped Xiao Tian's face before finally smiling softly.

"It was amazing, professor Su." After saying that, Xiao Tian kissed her forehead.

Like before, Su Ruanyi smiled as she nodded her head.

After pulling his cock out of her pussy, Xiao Tian instantly dropped his head onto Su Ruanyi's breasts.

It felt great to rest onto Su Ruanyi's breasts because her boobs were soft.

Su Ruanyi caressed Xiao Tian's black hair as she smiled softly. "Are you sleepy?"

Xiao Tian lifted his head to look at her. "Professor Su, I want to sleep in your arms tonight."

Usually, she was the one who always slept in his embrace. That was why he wanted to sleep in her arms.

Su Ruanyi immediately grabbed the blanket and pulled it over his back. "Good night."

That night, both Xiao Tian and Su Ruanyi smiled in their sleep. Not only that, that night became one of the best nights of their lives.

The following morning, Xiao Tian woke up earlier than Su Ruanyi. Because he wanted to enjoy the beautiful morning and feel the fresh air, he immediately got out of his tent.

'What a beautiful view!'

Xiao Tian stretched out his arms before taking a deep breath.

'And fresh air!'

Even though it was still 05:30 am, but the sun was already up. After enjoying the beautiful morning for about ten minutes, he decided to lay on the hammock.

At first, he wanted to call his women, but he could not do that because there was no signal.

'Oh right. We are in the forest right now.'

Because he could not call his women, Xiao Tian decided to continue enjoying the beautiful morning.

To his surprise, Su Ruanyi suddenly walked towards him and lay on his hammock. "Good morning, my young lover."

Xiao Tian smiled before answering, "I'm glad it's not 'good morning, my young sex friend.' This makes me happy."

"Mm? Do you want our relationship to go back to how it used to be?" Su Ruanyi asked as she smiled.

Previously, their relationship was only as sex friends, but they were lovers now. That was why she asked that question.

The corner of Xiao Tian's lips twitched after hearing her question. "Bad lover! You are teasing me again!"

Su Ruanyi smiled softly before finally pinching Xiao Tian's checks. Then they enjoyed the beautiful morning together.

Not long after that, Ju Xing and the others woke up. Like yesterday, they immediately played in the waterfall after eating breakfast.

At night, Xiao Tian had sex with Su Ruanyi again. If previously they had normal sex, they had anal sex this time.

They had sex for about forty minutes before finally, they slept. The following morning, Su Ruanyi and the others played in the waterfall after eating breakfast.

At 02:00 pm, they decided to go home. Actually, they wanted to go home at 04:00 pm, but the clouds suddenly darkened.

Since they did not want to get caught in the rain, they decided to go home earlier than planned.

Su Ruanyi's House, Xiao Tian's room.

After arriving at Su Ruanyi's house, Xiao Tian immediately took a shower and rested in his room.

At 07:00 pm, Su Ruanyi made a bonfire in the front yard. Xiao Tian and Su Ruanyi's parents immediately headed to the front yard to enjoy the night with her.

That night, Su Ruanyi's parents asked him to treat her well because they did not want Su Ruanyi to be sad again.

Of course, Xiao Tian immediately promised to treat her well and protect her because he loved her dearly.

"So, when are you going to marry my daughter?" Qian Na asked jokingly.

Su Ruanyi instantly looked at Xiao Tian because she also wanted to know the answer.

"I can't do that now but I will marry her in the future." Even though he loved Su Ruanyi, Xiao Tian did not want to get married so quickly.

Happiness glowed inside Su Ruanyi because Xiao Tian had the intention to marry her in the future.

"Good! Good!" Su Guanyu tapped Xiao Tian's right shoulder while laughing happily.

He was satisfied with Xiao Tian's answer because Xiao Tian had the intention of marrying his daughter in the future.

Xiao Tian was still twenty years old, so Su Guanyu understood the reason why he did not want to get married so quickly.

They began to talk again. That night Xiao Tian told them that he would go home tomorrow morning.

Su Guanyu and Qian Na were shocked and sad at the same time. They were startled because they thought he would stay in their house for another one or two days.

And the reason why they were sad was that they already saw him as their family because he had helped them many times, from increasing the sales of their corner shop to solving their problem.

However, they could not do anything because Xiao Tian had to work too.

The following morning, Xiao Tian and Su Ruanyi returned home. Of course, Xiao Tian gave his number to Su Guanyu.

He also told Su Guanyu to call him immediately if they faced a complex problem again.

"It seems like my parents already see you as my husband." Su Ruanyi stated.

Currently, Xiao Tian and Su Ruanyi were on the way to his apartment.

"Is that so?" Xiao Tian replied, "Then you can't refuse when I propose to you in the future."

"We will see it in the future." After saying that, Su Ruanyi winked her left eye.

Actually, she also wanted to be his wife. Her parents had approved their relationship, so nothing would stop their relationship anymore.

The corner of Xiao Tian's lips twitched.

"Professor Su, I love you so much. I think I can't live without you anymore. Will you marry me?" Of course, Xiao Tian knew that he should not joke about this because it was sacred.

"Un. I will marry you." because Su Ruanyi knew that Xiao Tian only joked around, she decided to play along.

"Yay! Because we are husband and wife now, how about we do our honeymoon now?" Xiao Tian decided to tease her.

"Honeymoon? Do you mean you want to have sex with me in the car?" Su Ruanyi inquired.

"Yes." Xiao Tian gave an honest answer.

"Pervert!" Su Ruanyi pinched Xiao Tian's left cheek.

"Haha." Xiao Tian laughed.. "Oh right, professor Su. When are you going to meet my other women?"

Chapter 1127 - Meeting Lan Ruoxi Again

9-11 minutes

"When are you going to meet my other women?" Xiao Tian inquired.

He had asked this question a few days ago, but she refused to meet his other women because her status was still as Da Shan's wife at that time.

That was why Xiao Tian asked this question again because she was no longer Da Shan's wife now.

"Tomorrow." Su Ruanyi decided to meet Xiao Tian's women tomorrow.

"Good!" Xiao Tian was pleased after hearing her words.

Not long after that, they arrived at his apartment. Because Xiao Tian was tired, he decided to rest in his apartment first.

"I'm going to sleep." After saying that, Xiao Tian headed to his room to rest.

To his surprise, Su Ruanyi suddenly hugged his right arm and followed him. Like Xiao Tian, Su Ruanyi also wanted to rest. That was why she headed to his room too.

Time went by quickly, and without realizing it, it was already 04:00 pm. Because Xiao Tian wanted to meet Shi Fei and the others so badly, he immediately went home after waking up and taking a shower.

"I'm home." Xiao Tian said after entering his house.

To his surprise, Mu Ai dashed towards him while spreading her arms. "Big brother...."

Xiao Tian immediately carried her before finally walking towards the family room. "Do you miss big brother?"

"Un. I miss big brother so much." Mu Ai replied cutely.

After stepping into the family room, Xiao Tian saw Shi Fei and the others watching TV.

At first, Ye Xueyin wanted to jump into his arms, but she did not do that because he was carrying Mu Ai.

Shi Fei and the others were happy when they saw Xiao Tian. But what made them happiest was that Su Ruanyi would meet them tomorrow morning.

They were thrilled, especially Long Jingxian and Mu Ai. Su Ruanyi was like her because her husband did not treat her well.

That was why Long Jingxian was pleased when she learned that Su Ruanyi would join Xiao Tian's harem.

They talked until 09:30 pm before Ye Xueyin, and Shi Fei finally dragged Xiao Tian to his room.

They only had one intention.

Sex!

Yes, they wanted to have sex with Xiao Tian!

At first, Xiao Tian only had sex with Ye Xueyin and Shi Fei. However, Liu Ning and the others joined them not long after that.

After they were satisfied, they immediately slept. Of course, they slept naked because they did not bother putting on their clothes.

The following morning, Xiao Tian went to his apartment after having breakfast with Shi Fei and the others.

Like Lin Xing Xue and Long Jingxian, Su Ruanyi's heart beat fast when she was on her way to his house.

She was nervous because Xiao Tian would introduce her as his lover later.

However, her nervous feeling instantly turned into happiness when Long Jingxian and the others welcomed her with a smile on their faces.

Su Ruanyi was pleased. Sure, Xiao Tian had told her that his women had already accepted her. She just did not expect them to welcome her like that.

Like Long Jingxian and Lin Xing Xue, she was surprised when Xiao Tian revealed his relationship with his aunt and mother.

However, she accepted their relationship immediately because Shi Fei and the others could accept it too.

"Professor Su, when are you going to live with us?" because Xiao Tian had introduced Su Ruanyi to his other women, his next goal was to get her to live together with them.

Currently, Xiao Tian and the others were in the backyard. After talking for several minutes in the living room, they brought Su Ruanyi to the backyard to relax.

"Tomorrow." Su Ruanyi also wanted to live with him immediately.

Not only could she spend time with Xiao Tian every day, but she also would not be lonely because she would live with Shi Fei and the others.

"Sister Ruanyi, do you still remember your promise?" Shi Fei asked abruptly. "How about we have sex with little brother here?"

The corner of Xiao Tian's lips twitched. When he had sex with Su Ruanyi in his apartment, Shi Fei asked this question too.

He just did not expect her to remember it so quickly.

'What a perverted lady!'

He then shifted his gaze from Shi Fei to Su Ruanyi.

"Fei, what promise?" Ye Xueyin asked curiously.

"Sister Xueyin, it's like this." Shi Fei began explaining everything.

After hearing Shi Fei's explanation, Ye Xueyin did something unexpected.

She suddenly took off her clothes!

Lin Xing Xue, Liu Ning, and Long Jingxian were startled by her action while Shi Fei only giggled cutely.

As for Ye Qingyu, she only sighed and shook her head. She knew her big sister's personality, so she could not stop her.

"Tian, let's have sex now." after taking off her clothes, Ye Xueyin walked closer towards him.

Black lines formed on Xiao Tian's forehead.

Because Ye Xueyin would not take no for an answer, she grabbed Xiao Tian's shorts and pulled it down.

Soon, the backyard was filled with the moans of mature ladies.

The next day at noon, Xiao Tian went to the shooting locations to see the progress of the movie.

The director said it would take three to four months to finish the film. Because Xiao Tian wanted to see his underlings, he traveled to the Blue Ice Lotus gang headquarters.

"Boss, I have something I want to say to you." Mu Huo spoke abruptly.

Currently, Xiao Tian and his underlings were sitting on the ground in the front yard.

"What is it?" Xiao Tian replied,

"We still don't have the equipment to test our speed, strength, and reflexes, so we can't test our level right now." Mu Huo uttered, "Can you buy these tools later? From my point of view, these tools are important because, with this, we will know the progress of our training."

"Ah!" Xiao Tian finally remembered that they still did not have the equipment to test their level.

"Alright. You go with Chun Hua to buy it now."

"All right." After saying that, Mu Huo and Chun Hua left.

'I also want to test my strength. It seems like I'm about to break through to the high-level master stage soon.'

Xiao Tian could feel that his strength had increased drastically.

'Sigh! I really miss Crystal and lady Lan.'

Previously, Xiao Tian called them again, but none of them picked up the phone.

It had been more than a month since the last time he met them, so Xiao Tian really missed them and wanted to spend time with them.

However, he could not do that because he had no idea where they were.

'I hope they will return soon.'

As Xiao Tian was thinking about Lan Ruoxi and Crystal, something unexpected happened.

Lan Ruoxi called him!

With a happy face, Xiao Tian instantly picked up the phone. "Hello, lady Lan?"

"Young master Xiao, do you really miss me? I saw ten missed calls from you just now." Lan Ruoxi's charming voice rang through his smartphone.

"I was only worried about you because there was no news from you." Xiao Tian denied shamelessly.

"Hehe." Seductive giggles echoed from Xiao Tian's smartphone. "I have just returned home. You can come to my place if you miss me."

"I will be there soon." without waiting for another second, Xiao Tian headed to his car.

"Hehe." Like before, Lan Ruoxi giggled seductively. "Alright. I will be waiting in my place."

Red Flower Bar, Private Room.

After arriving at Red Flower Bar, one of Lan Ruoxi's underlings brought Xiao Tian to a private room.

Even though he was alone in the private room, happiness danced through his thoughts. Of course, Xiao Tian still behaved normally because he had to maintain his image.

*Tak...Tak...Tak...Tak....

The sound of high-heels slamming against the floor reverberated in a private room.

When Xiao Tian turned his head towards the source of the sound, he saw an attractive mature lady in a red cheongsam dress walking towards him.

She walked a straight line, and her hips moved seductively every time she took a step as if she was a supermodel who was walking on a runway.

'Why do I find her more attractive now? Is it because I haven't seen her in over a month?'

Xiao Tian knew that Lan Ruoxi was a gorgeous mature lady, but at that time, she looked more attractive in his eyes.

'Damn! I forgot to maintain my image.'

He immediately behaved as if he was not stunned by her beauty.

After sitting on the opposite side of him, Lan Ruoxi's lips curved up into a seductive smile. "It seems like young master Xiao really misses me."

"Are you sure you are not talking about yourself?" unlike usual, Xiao Tian did not want to admit it this time.

"Hehe. What about your martial arts? Have you made any progress since the last time we met?" Because Xiao Tian often said he would defeat her, she wanted to know the progress of his martial arts.

"I think I will break through to the high-level master stage in a few days." Xiao Tian gave an honest answer because he was talking with Lan Ruoxi.

His speed and reflexes were already in the category of the high-level master stage, and he also felt that his strength had increased drastically.

That was why he believed that he could break through to the high-level master stage in a few days. "I'm one step closer to defeating you, lady Lan."

Lan Ruoxi's seductive giggle reverberated in a private area. She was not surprised by his words because she knew that he wanted to defeat her in the future.

"Lady Lan, how about we go on a date now?" Xiao Tian inquired.

Chapter 1128 - Martial Arts Points

7-8 minutes

Lan Ruoxi's lips curved up into a seductive smile. "It seems like young master Xiao really misses me. You even ask me to go on a date with you immediately."

Like before, Lan Ruoxi decided to tease Xiao Tian because it had been more than three weeks since the last time she teased him.

Sure, she was shocked, but she did not show it on her pretty face; instead, she showed her seductive smile.

"I knew you wanted to go on a date with me, so I decided to say it first because you would not say it." Xiao Tian denied shamelessly. "So, how is it? Do you want to go on a date with me?"

It had been more than three weeks since the last time he could spend time with her, so he suddenly wanted to go on a date with her.

"I have to meet my business partner in twenty minutes, so I can't go on a date with you." Lan Ruoxi had promised to meet her business partner, so she refused him immediately because it would ruin her reputation if she broke her word.

The corner of Xiao Tian's lips twitched. Previously, he thought he could go on a date with her, but he was wrong.

'Well, it can't be helped.'

He did not mind it since he could ask her out on a date with him another day.

"Why don't you go on a date with your women?" Lan Ruoxi suggested him to go on a date with his women.

"Good idea!" Xiao Tian stated. "How about we go on a date together later? You, my women and me. I'm sure it will become a good memory later."

Like before, Lan Ruoxi only smiled seductively after hearing Xiao Tian's words. She knew Xiao Tian's personality, so she was not surprised by his words.

After talking for about fifteen minutes, Xiao Tian went to Star Clothes company to work.

She helped Su Ruanyi move her things to his house at 03:30 pm because she would live with him from today onwards.

Shanbei City, Xiao Tian's House.

"Finished!" Xiao Tian dropped his body on the soft bed.

Currently, Xiao Tian and Su Ruanyi were in her room.

Su Ruanyi walked closer towards him before finally sitting on the bed. "Thank you for helping me, student Xiao."

Xiao Tian's heart was filled with happiness when he saw her smile.

'I did not expect that my former professor would become one of my women.'

He had never had any relationship with his professor in his previous life because all of his female professors were old and not pretty like Su Ruanyi.

Xiao Tian sat up and spoke, "I want to take a shower first. My body is full of sweat now."

He felt uncomfortable with his sweaty body. That was why he decided to take a bath. However, Su Ruanyi suddenly said something shocking when he was about to open the door.

"Do you want to take a bath with me?" Su Ruanyi inquired.

Xiao Tian instantly stopped his footsteps and turned around.

'Take a bath with her?'

Xiao Tian's lips curled up into a smile.

Without waiting for another second, he carried Su Ruanyi to the bathroom. "Sure. Let's take a shower together."

"Pervert!" Su Ruanyi smiled softly.

Of course, she knew that they would end up having sex in the bathroom later. And what she had guessed was right because they did it in the shower room not long after that.

After taking a bath, they immediately headed to the family room to spend time with Shi Fei and the others.

That night, Xiao Tian slept with all of his women in his room like usual.

The following morning, Xiao Tian immediately practiced martial arts in the backyard after taking a medicine bath.

*Bang...Bang...Bang...Bang...

The sound of him kicking and punching a wooden pole reverberated in the backyard.

Shi Fei, who was lying on the pool lounge chair and watching him, touched her chin.

'Hmm? It seems like little brother has broken through to the high-level master stage.'

She knew that Xiao Tian's speed and reflexes were already in the category of the high-level master stage.

That was why she suddenly thought that Xiao Tian had broken through to the high-level master stage because his strength seemed like the strength of these martial artists at the high-level master stage.

'As expected of my lover, he is amazing.'

Shi Fei praised her young lover.

*Bang!

Xiao Tian punched the wooden pole before looking at his right hand.

'It seems like I'm officially a martial artist at the high-level master stage now.'

He knew that his strength had increased a lot compared to before.

'And why do I feel my body is filled with power? It feels like my body is different than before. Is this the strength of a martial artist at the high-level master stage?'

He then demonstrated the third secret move to test his strength and speed.

'No! What is this? Why do I feel like my reflexes and speed have also increased?'

Xiao Tian was getting more and more clueless about what had happened to his body.

First, he suddenly felt his body was filled with power. And now, his speed and reflexes had increased too.

This did not make sense since he had only focused on his strength since a few months ago.

'What's wrong with my body?'

He did a high kick and straight punch.

Xiao Tian instantly sat in a lotus position and felt the energy in his body.

'What?'

He instantly opened his eyes in surprise.

'This is...'

He was not in the battle instinct mode, but he felt as if there was small energy of heaven and earth within him.

'It is a good thing that my speed and reflexes have also improved, but will there be any side effects to this sudden increase?'

Because he was still unfamiliar with how martial arts worked in his current world, he still did not know what had happened to him.

Not only had his speed, reflexes, and strength improved, but he also felt that his senses were sharper than before.

Shi Fei, who was looking at Xiao Tian, widened her eyes.

'Don't tell me. He has opened his martial arts points?!'

Shi Fei knew about this because she had experienced it before.

Yes. Shi Fei was also one of the candidates to become Ruler.

She was also the only woman who could shake the whole of Shanghai alone. Not only that, she was the first person to reach the grandmaster stage under the age of thirty.

At this moment, Shi Fei knew that Xiao Tian had no idea what had happened to his body.

'What should I do?'

She wanted to help Xiao Tian understand everything, but she could not do that because, in his eyes, she was only an ordinary lady, not a martial artist.

'Should I ask Bi Yu and Fu Jiyi to explain it to him?'

She immediately shook her head.

'No, no, no. They also have no idea what martial arts points are.'

At this moment, Shi Fei suddenly felt like a bad lover because she could not help Xiao Tian.

'What should I do?'

Shi Fei suddenly remembered someone.

Lan Ruoxi!

'Yes. I have to suggest him to meet Lan Ruoxi.'

With that idea in mind, Shi Fei rose to her feet and walked closer towards Xiao Tian.

Chapter 1129 - He Is As Amazing As Me

6-7 minutes

"What's wrong, little brother?" Shi Fei pretended as if she did not know anything. "You look confused about something. Tell me what it is. Maybe I can help you later."

'I'm sorry, little brother. I'm sorry I can't help you directly.'

She added in her head.

It would be complicated if Shi Fei knew about what had happened to Xiao Tian's body because, in his eyes, she was not a martial artist.

Xiao Tian instantly turned his head towards her. "My body is suddenly filled with power and it feels like my body is different than before. It's as if I have been reborn now."

He then continued, "It's as if there is a small of energy of heaven and earth within me. This is what confuses me the most since I'm not in battle instinct mode right now."

Even though Shi Fei would not be able to help him understand about what was happening to his body, he still gave an honest answer.

She was the woman he loved the most, so she deserved to know everything.

No. Xiao Tian had promised not to hide anything from his women, so he would still give an honest answer if Liu Ning or his other women asked the same question.

"Filled with power? Energy of heaven and earth? What is it?" Shi Fei touched her chin and tilted her head to the left.

Shi Fei pretended as if she knew nothing.

'As I thought, it's because of that! My lover is amazing! He is as amazing as me!'

Like usual, Shi Fei did not forget to praise Xiao Tian.

"Why don't you go to Lan Ruoxi's place and ask her about this? Maybe she can help you understand everything later." Shi Fei gave a suggestion.

Shi Fei knew that Lan Ruoxi was one of the candidates to be the Ruler.

That was why she gave the suggestion to see Lan Ruoxi because Lan Ruoxi could help him understand everything later.

Xiao Tian finally remembered Lan Ruoxi.

'That's right. I'm sure lady Lan can help me understand everything later.'

Previously, he forgot about Lan Ruoxi because he was focused on the changes happening in his body.

"Thank you, Fei!" after saying that, Xiao Tian lifted Shi Fei's body before spinning her.

"Little brother, stop it. Your body is full of sweat." Shi Fei said as she hit Xiao Tian's shoulders.

"So cruel!" Xiao Tian stopped spinning her body and put her down.

Shi Fei pinched his nose before speaking, "Go to the bathroom and take a shower now. After that, you can do whatever you want to my body later."

Even though she would love to lovey-dovey with him, but doing it with a body full of sweat would feel a little uncomfortable. That was why she wanted him to take a shower first.

"I love that words!" after saying that, Xiao Tian kissed her right cheek before heading to the bathroom.

After taking a shower, Xiao Tian dragged Shi Fei to the living room.

"Oh right, little brother. It has been two years since you have a close relationship with Lan Ruoxi and Yun Xin Er. When will you make them your women too?" Shi Fei asked curiously.

"Well, I don't know." Xiao Tian gave an honest answer.

"What do you mean by that?" Shi Fei inquired.

"Lady Lan will only accept me if I can beat her in a fight, and as for big sister Yun, her mother wants me to raise my family status to a mid-upper class family first." As before, Xiao Tian again gave an honest answer.

"I see." Shi Fei finally understood the reason why Lan Ruoxi and Yun Xin Er were still not his women.

"Let's not talk about them now because I want to enjoy our time." Xiao Tian uttered.

"Un." Shi Fei kissed Xiao Tian's cheeks after nodding her head.

After spending time with her for about an hour, Xiao Tian went to Red Flower bar.

Red Flower Bar, Secret Training Room.

*Bang!

Xiao Tian hit the strength test tool.

*Beep!

Not long after that, Xiao Tian's strength score appeared on the monitor.

'195!'

The strength of martial artists at the high-level master stage was between 170-200, so Xiao Tian was officially a martial artist at the high-level master stage now.

*Clap...Clap...Clap...

Lan Ruoxi clapped her hands after seeing the score. "Congratulation, young master Xiao. You are officially a martial artist at the high-level master stage now."

'The speed of his progress is terrifying!'

Even though she was shocked, Lan Ruoxi still behaved normally.

Xiao Tian only practiced martial arts for two years, but he still managed to break through to the high-level master stage.

Lan Ruoxi was sure that his progress in martial arts was the fastest until now because she had never heard of any martial artist who could reach the high-level master stage in two years.

If the public knew the speed of his progress in martial arts, the whole of China would be in an uproar, just like how Shi Fei became the first person to reach the grandmaster stage under the age of thirty.

"Thank you." at this moment, Xiao Tian remembered what had happened to his body. "Oh right, lady Lan. I have some questions I want to ask you."

"What is it?" Lan Ruoxi asked curiously.

Xiao Tian began to explain everything. He told her that his body was suddenly filled with power since he broke through to the high-level master stage.

Not only that, but he also felt there was a small energy of heaven and earth within him. But what confused him most was that his speed and reflexes suddenly increased too.

He was confused. He was not in the battle instinct mode, so why did he feel the energy of heaven and earth within him?

This did not make sense because the energy of heaven and earth could only be used when a martial artist was in battle instinct mode.

However, it was different this time. He felt like the energy of heaven and earth had always been in his body.

Lan Ruoxi uttered, "Congratulations, young master Xiao. You have opened your martial arts points."

"Martial arts points?" Xiao Tian had no idea what martial arts points were. "What are martial arts points?"

Chapter 1130 - What Are Martial Arts Points?

8-10 minutes

"What are martial arts points?" Xiao Tian asked curiously.

This was the first time he had heard of martial arts points in his second life. He also believed that there were no such thing as martial arts points in his previous life.

There was only inner energy and Ki in his previous life. That was why he still did not get her words.

"Before I explain what martial arts points are. I will explain what a martial artist is first." Lan Ruoxi began to explain it.

Martial artists were people who surpassed normal humans.

They were faster and stronger than ordinary people. Not only that but their reflexes and senses were also much better.

And there was one important thing that differentiated between ordinary and expert martial artists.

Martial arts points!

The shape of the martial arts points was round like a ball and located in the martial artist's body.

However, martial arts points would only be formed after the martial artist managed to break through to the low-level master stage.

There were five martial arts points in total; one on each leg, one on each arm and one on the head.

Two martial arts points on the legs represented speed, and the two martial arts points on the arms represented strength.

As for the martial arts point located on the head, it represented for the reflexes. Martial arts points were vital to martial artists because it could decide their future.

And the main use of martial arts points was as a vessel to store the energy of the heaven and the earth.

"As a vessel to store the energy of heaven and earth?" Xiao Tian understood a little about martial arts points now.

"Yes," Lan Ruoxi answered instantly. "But only the candidates to become the Ruler can use martial arts points."

Xiao Tian was startled.

'What? Only the candidates to be the Ruler can use martial arts points? Isn't this unfair for ordinary martial artists?'

He found it hard to believe what he was hearing.

First, Xiao Tian did not know that they could store the energy of heaven and earth within their bodies.

And now, Lan Ruoxi said only the candidates to be the Ruler could use martial arts points.

Lan Ruoxi began explaining again. "The martial arts points formed within the body are still in a closed state. If we want to use it, we have to open it first, or we won't be able to use it later."

"How to open it?" Xiao Tian asked curiously.

"Using the energy of heaven and earth." Lan Ruoxi gave an honest answer. "And the martial arts points must be opened before breaking through to the grandmaster stage, or else, it will be closed forever."

Xiao Tian touched his chin.

'We have to open martial arts points before breaking through to the grandmaster stage, and we need the energy of heaven and earth to open it. Wait!'

He suddenly remembered something.

'In order to use the energy of heaven and earth, we have to gain insight about battle instinct first or else we won't be able to use it.'

Xiao Tian finally understood why Lan Ruoxi said only the candidates to be the Ruler could use martial arts points.

It was because they already could use the energy of heaven and earth when they were still at the master stage.

As for ordinary martial artists, they could only use it after they broke through to the grandmaster stage.

However, everything was already too late for them at this point because they could not open martial arts points after breaking through to the grandmaster stage.

'I see. So this is the reason why only the candidates to be the Ruler can use martial arts point.'

Xiao Tian nodded his head.

Lan Ruoxi was startled after seeing his expression.

'It seems like he understands everything. Explaining to smart people is much easier.'

Previously, she thought she needed to explain it again, but she was wrong.

"So this is the reason why the candidates to be the Ruler are said as people who are loved by heaven." Xiao Tian uttered.

"That's right." Lan Ruoxi replied.

Lan Ruoxi also said that ordinary martial artists would not be able to use the energy of heaven and earth to the fullest.

The reason was only one thing.

They failed to open the martial arts points!

Because they failed to open the martial arts points, they would not be able to store the energy of heaven and earth within their bodies.

When ordinary martial artists were in battle instinct mode, the energy of heaven and earth could not enter the martial arts points and was only stored in their bodies for a few seconds.

After they were no longer in the battle instinct mode, the energy of heaven and earth would disappear from their bodies immediately.

Unlike ordinary martial artists, the candidates to be the Ruler would store the energy of heaven and earth in their martial arts points every day, even if they were not in the battle instinct mode.

However, how much they could store the energy of heaven and earth depended on how strong their bodies were and how deep their understanding of the energy of heaven and earth was.

"Because ordinary martial artists can't use martial arts points, they can't use the energy of heaven and earth to the fullest." Lan Ruoxi uttered, "Ordinary martial artists at the low-level grandmaster stage can only use up to 15% of the energy of heaven and earth."

She then continued, "As for the mid-level grandmaster stage, they can use it up to 40%. For the high-level grandmaster stage, they can only use it up to 75%. It all depends on how strong their bodies are and how deep their understanding of the energy of heaven and earth is."

However, it was a different story for the candidates to be the Ruler.

If an ordinary martial artist at the low-level grandmaster stage could only use up to 15% of the energy of heaven and earth, the candidate to be the Ruler could use it up to 30%.

After the candidates to be the Ruler were not in the battle instinct mode, their bodies would use the heaven and earth energy stored in their martial arts points.

This was the reason why Xiao Tian felt the energy of heaven and earth in his body, or why he felt his body was filled with power because it was the power from the energy of heaven and earth.

For the candidates to be the Ruler at the mid-level grandmaster stage, they could use up to 60%, and for the high-level grandmaster stage, they could use it to the fullest.

In other words, they could use the energy of heaven and earth up to 100%. This stage was critical for the candidates to be the Ruler because, in this stage, the Ruler would be born.

The Ruler was someone who filled all of their martial arts points with the energy of heaven and earth.

At this stage, they would be in the battle instinct mode twenty-four hours per day and seven days per week.

Of course, there would be no side effects because the Ruler's body had already gotten used to the energy of heaven and earth.

And mystically speaking, the candidates to be the Ruler would no longer be able to add more energy of heaven and earth in their martial arts point once a Ruler was born.

This was the reason why there was only one Ruler in each generation. People said it was a rule set from heaven.

Until now, this rule was still a mystery, and no one could solve it. Of course, the energy of heaven and earth stored in the martial arts points would remain forever.

This was the reason why the candidates to be the Ruler would remain at the top.

Sure, they would not be able to become the Ruler, but they would be at the top of the martial artist hierarchy because it was their destiny to be at the top.

"So, in other words, I have opened up my martial arts points, and there is already energy of heaven and earth in my martial arts points?" Xiao Tian uttered.

"Yes." Lan Ruoxi replied. "Because you are not a martial artist at the mid-level grandmaster stage, you can only use the energy of heaven and earth up to 30%. This is the limit of your body for now."

"Lady Lan, how much energy of heaven and earth energy can you use now?" Xiao Tian asked this because he wanted to know how strong she was.
