Chapter 1131 - I Want To Create Star Group

"Lady Lan, how much energy of heaven and earth can you use now?" Xiao Tian inquired.

Lan Ruoxi always refused to tell him how strong she was. That was why Xiao Tian asked this question.

After hearing her explanation about martial arts points, he could guess how strong she was if she answered his question.

"Secret!" like usual, Lan Ruoxi refused to answer his question and winked her left eye.

Of course, she knew what Xiao Tian had in mind. That was why she answered like that.

The corner of Xiao Tian's lips twitched.

'She refused to answer again!'

This was the seventh time she refused to tell him how strong she was.

Xiao Tian had no idea as to why Lan Ruoxi wanted to hide her level so badly like that. She was his future lover, so he would not do something bad to her.

After talking for several minutes, Xiao Tian traveled to the Blue Ice Lotus gang headquarters.

Blue Ice Lotus Gang Headquarters, Front Yard.

Currently, Xiao Tian and his underlings were in the front yard.

After arriving at the Blue Ice Lotus gang headquarters, he ordered all of his underlings to gather in the front yard.

He did this because he wanted to know the progress of their martial arts. He even ordered his underlings to spar with each other earlier.

'The progress is not bad!'

Xiao Tian nodded his head after hearing Mu Huo's words.

Previously, forty of his underlings were at the high-level apprentice stage. Fifty of them were at the low-level master stage, and twenty of them were at the mid-level master stage.

Only ten people were at the high-level master stage before, but now it was different. All of his underlings were at the master stage now.

Forty of them were at the low-level master stage now. Fifty of them were at the mid-level master stage, and thirty of them were at the high-level master stage.

This was the reason why Xiao Tian was pleased.

'They didn't let me down.'

He spent a lot of money to make them stronger, so he would be disappointed if they all failed to raise their level.

Xiao Tian then looked at Mu Huo and inquired, "What about you, Mu Huo?"

"I'm still at the high-level master stage, boss." Mu Huo gave an honest answer. "But I only need to increase my speed to break through to the grandmaster stage. You can say that I am almost invincible at the master stage."

[A/N= I changed Mu Huo's age. Now he is 29 years old, almost thirty. This is because I couldn't get him to break through to the grandmaster stage under the age of thirty. This would break Shi Fei's record and shake the whole of China. Only MC is allowed to break her record. I apologize for this note because most of you did not read the author's note.]

"I will increase your salary once you break through to the grandmaster stage." Xiao Tian stated.

Mu Huo's value would increase if he could break through to the grandmaster stage. That was why Xiao Tian said something like this.

"I will try my best, boss." Mu Huo was pleased after hearing Xiao Tian's words. "What about you, boss? Have you broken through to the high-level master stage?"

Xiao Tian smiled before answering, "Maybe I'm stronger than you now."

Previously, he was weaker than Mu Huo, but there was a high possibility that he could defeat Mu Huo now.

They were at the same level, and he could use the energy of heaven and earth, so the result might be different now.

Even though Xiao Tian did not answer his question directly, Mu Huo knew the meaning of Xiao Tian's words. "Congratulations, boss."

"Eh, leader, are you a martial artist at the high-level master stage now?" one of the Blue Ice Lotus gang members uttered.

"Yes." Xiao Tian gave an honest answer. "That's why I want you all to break through to the high-level master stage. At that time, we will rule Shanghai together."

"Whoa! Rule Shanghai?! I love that idea!"

"I suddenly want to beat the other gangs and all the martial arts schools now so that we can rule Shanghai immediately."

"I can't wait to see the time when we rule Shanghai together!"

One by one, Xiao Tian's underlings shouted happily after hearing his words.

Previously, they were the weakest gang, but they were the third strongest gang in Shanghai now.

All of this was because of one person.

Xiao Tian!

Yes. Since Xiao Tian became their leader, the Blue Ice Lotus gang changed completely.

"In the past, the founder managed to make our gang the strongest gang in Shanghai." Xiao Tian spoke and paused for a second before continuing, "In the future, I will make our gang the strongest gang in Shanghai as well."

Xiao Tian corrected his words. "No. We will beat the founder's record. In the future, we will become the strongest gang in the whole of China."

"Strongest gang in China."

"Strongest gang in China."

"Strongest gang in China."

"Strongest gang in China."

"Strongest gang in China."

Xiao Tian's underlings shouted, to the point their voices frightened the birds around them.

"Achoo." Shi Fei, who was watching a movie in the living room, sneezed. "Who is talking about me?"

Star Restaurant, Ye Xueyin's Office.

Xiao Tian, Ye Xueyin and Ye Qingyu were currently sitting on the couch.

After spending time with his underlings, Xiao Tian went to Star Restaurant to discuss something with his mother and aunt.

"Mother, how is your coffee shop?" Xiao Tian asked curiously.

It had been a long time since he had last heard of her coffee shop. He hadn't even been to her coffee shop since last year.

"It's doing good." Ye Xueyin gave an honest answer. "Why are you suddenly asking this question?"

Ye Xueyin was startled when Xiao Tian suddenly dragged her to Ye Qingyu's office. But what surprised her most was that he was suddenly curious about her coffee shop.

It had been a year since he asked this question. Previously, she thought he wanted to lovey-dovey with her and her younger sister, but she was wrong.

"Mother, I want to create Star Group.. How about we add your Star Coffee to my Star Group?" Xiao Tian inquired.

Chapter 1132 - Renting A Building For Star Group Company

9-11 minutes

Ye Xueyin and Ye Qingyu were startled. "Star Group?!"

"Yes. Star Group will become the parent company later. There will be Star Clothes, Star Film, and Star Restaurant under the Star Group. If you agree, I will add Star Coffee later." Xiao Tian replied, "In the future, I will make Star Hotel, Star Mall, Star Properties, Star Hospital, and many more."

One of the reasons why he wanted to create Star Group was that he did not want to travel from one company to another.

It was tiresome to go from Star Film company to Star Clothes company, or vice versa.

"Un. You can add Star Coffee to your Star Group." Ye Xueyin agreed.

"Good!" Xiao Tian answered happily, "First, we will make fifteen Star Coffee branches. After that, we will announce my Star Group to the public."

"Un." Ye Xueyin nodded her head again.

"We will discuss this with Fei and the others again later." Xiao Tian needed to restructure everything, so he wanted to discuss it with his other women and Liang Jun.

As usual, Xiao Tian decided to lovey-dovey with Ye Xueyin and Ye Qingyu before leaving. This time, they did not have sex because Xiao Tian wanted to work again.

At 04:00 pm, Xiao Tian called all of his women and Liang Jun. He told them to meet him at the Bamboo Restaurant to discuss their future business.

Liang Jun and the others were startled when Xiao Tian said he wanted to create Star Group.

As for Ye Qingyu and Ye Xueyin, they behaved normally because Xiao Tian had told them about this before.

"I want to restructure everything." Xiao Tian spoke abruptly.

Ye Qingyu and the others paid attention to Xiao Tian carefully.

Xiao Tian said he would let them oversee all of his business. Liang Jun would still take care of his Eternal beauty company.

Shi Fei would take care of Star Clothes company. Ye Qingyu would take care of Star Restaurant, and Ye Xueyin would take care of Star Coffee.

As for Liu Ning and Lin Xing Xue, they would take care of the Star Film company. Because Long Jingxian and Su Ruanyi did not want to resign from their jobs, Xiao Tian did not give them a position in his company.

Of course, they could help Shi Fei and the others later.

Actually, he wanted Su Ruanyi and Long Jingxian to help his mother or aunt but changed his mind because they did not want to resign from their jobs.

After discussing for about two hours, they decided to find a place for the Star Group Company tomorrow morning.

Xiao Tian's House, His Bedroom.

"Ah...Ah...Ah..." Ye Qingyu's little mouth opened, letting out seductive cries.

Currently, she was having sex with Xiao Tian in a missionary sex position. After arriving home, Xiao Tian and his women had a small party in the backyard.

They immediately headed to his room after eating together. One thing led to another, and they ended up having an orgy in his room.

At this moment, Shi Fei and the others were lying on the bed. After Xiao Tian made them have a massive orgasm, they could not move their bodies anymore.

Xiao Tian, who was sliding his cock in and out of Ye Qingyu's wet pussy, grabbed her legs and spread them wider.

"Ah...Ah...Ah..." Ye Qingyu's moans were getting faster and faster. "I'm cumming... I'm cumming... I'm cumming...."

"I'm cumming too." Xiao Tian kept moving his waist, sliding his huge cock in and out of Ye Qingyu's pussy.

Not long after that, both Xiao Tian and Ye Qingyu had an orgasm at the same time. "I'm cumming...."

*Spurt...

Xiao Tian let out his sperm deep inside Ye Qingyu's pussy.

"Huft...Huft...Huft..." Xiao Tian and Ye Qingyu breathed heavily.

A soft smile spread across their faces when they looked at each other. They were happy and satisfied because they could have an orgasm at the same time.

*Kiss...

Xiao Tian kissed Ye Qingyu's tender lips before finally lying down on her right side.

To his surprise, Ye Xueyin suddenly lay prone onto his body.

"Tian, are you satisfied now?" of course, Ye Xueyin was still naked because she did not bother putting on her clothes after having an orgasm earlier.

Xiao Tian smiled softly before caressing Ye Xueyin's hairs. "Un. I'm satisfied."

After chatting for about twenty minutes, they fell asleep. The following morning, they went out to look for the building for the Star Group company.

They spent the whole day looking for a good building, but they did not find an establishment that matched their criteria.

They searched for a suitable building again the next day, but the result was the same.

For this reason, they decided to look for some establishments for Star Coffee branches. Luckily, they found good buildings for Star Coffee branches.

Even though the buildings were not big, it was enough for several tens of people. Some buildings were even located in strategic places.

For this reason, Xiao Tian and the others returned home with happy faces.

Time went by quickly, and without realizing it, it had been a week since Xiao Tian had bought fifteen mid-sized buildings for the Star Coffee branches.

At this moment, Star Coffee branches were full of people, from young to adults. Many people came to Star Coffee branches because Xiao Tian and the others had promoted it.

Yes. They promoted the Star Coffee branches before it officially opened.

For this reason, many people came to Star Coffee branches after they opened it. Of course, it was because they knew that Star Coffee was one of Xiao Tian's businesses.

Even though Xiao Tian had opened Star Coffee branches, but he still had not found a suitable building for his Star Group company.

That was why he often sighed.

Red Flower Bar, Private Room.

"What's wrong, Xiao Tian?" Zhao Sheng inquired.

Zhao Shen was currently with Xiao Tian and Lan Ruoxi in a private room.

When he was working at Star Clothes company earlier, Zhao Sheng suddenly called him and told him to go to the Red Flower bar.

"I still haven't found a good building for my Star Group company." Xiao Tian gave an honest answer.

"What kind of building do you want?" Zhao Sheng knew that Xiao Tian wanted to create Star Group.

"Big, luxurious, and cheap." Xiao Tian answered instantly.

"Damn! There is no way a big and luxurious building is cheap!" Zhao Sheng answered in annoyance.

"Why don't you beat up one of the rich businessmen and take his building?"

"Hehe." Lan Ruoxi covered her mouth and giggled after hearing their words.

"Oh! That's actually a brilliant idea!" Xiao Tian pretended to agree with Zhao Sheng's words. "Zhao Sheng, do you have someone you dislike? If there is, why don't we beat up that person and take that person's building?"

The corner of Zhao Sheng's lips twitched.

'Damn! He is a lot crazier since the last time I met him.'

Even though he knew Xiao Tian's personality, he was still surprised.

"So, how is it, Zhao Sheng? Do you have someone you dislike?" Xiao Tian repeated his question.

"Yes, I have someone I really hate, and that person is you, bastard!" Zhao Sheng replied angrily as he pointed his right index finger at Xiao Tian.

"Haha." Xiao Tian laughed. "We haven't seen each other for over a month, but it seems your temper is getting worse."

"Damn! I don't want to help you again!" at first, Zhao Sheng wanted to help Xiao Tian find a good building, but he changed his mind after seeing Xiao Tian's behavior.

"It's fine because I still have lady Lan." After saying that, Xiao Tian shifted his gaze from Zhao Sheng to Lan Ruoxi. "You will help me right, lady Lan?"

"No." Lan Ruoxi answered instantly.

"Hahaha." Zhao Sheng laughed happily after hearing Lan Ruoxi's words. "Serves you right!"

The corner of Xiao Tian's lips twitched.

'Damn! She is bullying me!'

He decided to punish Lan Ruoxi when they were alone later.

After talking for several minutes, Zhao Sheng and Lan Ruoxi introduced someone to Xiao Tian.

That person had a building he wanted to sell. The building was huge and had six floors. It was also designed in a modern design.

Xiao Tian really loved the building. It matched his criteria for the building he wanted. At first, he wanted to buy the establishment immediately, but he suddenly changed his mind.

He had spent a lot of money lately. Sure, his money was enough to buy the building, but he would only have a little money left later.

For this reason, Xiao Tian decided to use the rent to owner system.

He would rent the building for two years, and if he could continue to pay the rent for two years, the building would be his later.

After that, Xiao Tian and the others returned to the Red Flower Bar. At night, Xiao Tian told his women that he had found a building for the Star Group company.

The following morning, they immediately went to the building that Xiao Tian chose.

"Whoa! What a huge building!" Shi Fei was amazed by the building. "And it also has six floors."

"Do you like it?" Xiao Tian inquired.

"I love it." Shi Fei answered instantly.

Liu Ning and the others also nodded their heads when Xiao Tian asked if they liked the building or not.

"The first floor is for the reception area. From the second floor to the fourth floor, that is where the employees will work later." Xiao Tian spoke and paused for a second before continuing, "Our offices will be on the highest floor, the sixth floor.. Let's take a look at our offices now."

Chapter 1133 - Xiao Tian's Birthday

9-11 minutes

Xiao Tian and the others immediately headed to the highest floor.

There were ten offices on the sixth floor with ten bathrooms and a large kitchen. One of the offices was much bigger than the other, and of course, it would be Xiao Tian's office later.

"There is nothing in the room." Liu Ning stated.

"It's fine because, with this, we can arrange our offices later." Xiao Tian did not mind it because he could arrange his office later.

Without waiting for another second, they brought all the furniture from their previous offices to their new offices.

Time went by quickly, and without realizing it, it was already 04:30 pm.

"Finished." Xiao Tian wiped the sweat off his forehead.

He placed his desk in front of the windows and also put a red sofa in front of his desk. Like his previous office, he also put a small tree on each corner of his office.

There was a huge glass cupboard next to the sofa and an air conditioner in front of it. In short, Xiao Tian's office had turned into a big and luxurious office.

Like Xiao Tian, Ye Xueyin and the others also finished arranging their offices. A happy smile appeared on their faces when they saw their new offices.

They were satisfied with how their offices turned out. But what made them happiest was that their offices were next to Xiao Tian's office.

With this, they could meet him and spend time with him whenever they wanted. They did not need to use a car or motorbike to meet him like before.

The next day at 09:00 am, Xiao Tian and Shi Fei gave an announcement to the public. He explained the reason why he created Star Group.

He also told the public that Star Clothes, Star Restaurant, Star Film, Star Coffee were under Star Group company.

Xiao Tian could not put Eternal Beauty company under Star Group because, in the eyes of the public, the owner of Eternal Beauty company was not Xiao Tian but Qing Feng.

The response of the public was good as usual. The news even spread so fast, like a world-shaking storm.

And news about Star Group also appeared in several TV news and newspapers.

Star Group Company, Xiao Tian's Office.

'My predecessor, are you proud of me? I'm about to achieve your dream, you know?'

Xiao Tian, who was sitting on the office chair, smiled proudly.

If it were another person who took over Xiao Tian's body, he believed that person would not be able to become a successful person quickly like him.

'As expected of the great me, I'm indeed an amazing young man!'

Xiao Tian kept praising himself.

Xiao Tian's Mansion, Backyard.

"The day after tomorrow is Tian's birthday. Should we throw a party for him?" Ye Xueyin inquired.

"I think we don't need to throw a party for him." Shi Fei spoke abruptly. "All we need to do is get naked and wrap ourselves in red ribbons. I'm sure he would be happy if we presented ourselves like that."

"Sister Fei is right." Long Jingxian agreed with Shi Fei's idea. "Xiao Tian told me that he wanted something like that when we were at my parents' home."

"Really?" Liu Ning and the others looked at Long Jingxian.

"Un." Long Jingxian nodded her head.

"Of course, he will like it. Did you forget he is a pervert?" Ye Qingyu uttered.

"Yes. Tian is a pervert." Lin Xing Xue stated.

"Yes. A pervert young man." Su Ruanyi uttered.

"But we have to celebrate his birthday." Ye Xueyin wanted to throw a party for Xiao Tian.

Shi Fei suddenly found a good idea. "How about we throw a party for him in the afternoon and present ourselves to him at night?"

"I agree." Ye Xueyin agreed instantly.

Liu Ning and the others rolled their eyes.

After a long discussion, they decided to rent a villa for Xiao Tian's birthday.

Star Group Company, Xiao Tian's Office.

'Sigh. Where are you, Crystal?'

It had been more than a month since he last heard the news about Crystal and Yu Shi.

'Wait! Nothing bad happened to them, right?'

Xiao Tian suddenly thought something bad had happened to Crystal and Yu Shi because they did not give him any news about them for more than a month.

'No, no, no. They are fine. I'm sure they are only busy.'

Because Xiao Tian did not want something bad to happen to them, he threw away his bad thoughts.

After Xiao Tian arrived home, he talked with his women for about an hour before finally taking Feng Yu and Mu Ai somewhere.

He rarely spent time with them. That was why he wanted to make them happy, hoping he could make their relationship closer than before.

Even though Feng Yu kept wearing a poker face, but she was happy deep inside her. They spent time together until 10:00 pm before finally, they returned home.

Unlike usual, Xiao Tian slept with Mu Ai and Feng Yu this time.

The next day, Xiao Tian went to Star Group company to work. He worked until 02:00 pm before finally traveling to the Blue Ice Lotus gang headquarters.

At 05:00 pm, Xiao Tian decided to go home. Like usual, Xiao Tian spent time with his women after arriving home.

However, they did something unexpected that night.

They kept forbidding him to sleep!

Xiao Tian was annoyed. He was sleepy, but his women kept forbidding him to sleep. But what surprised him most was that they suddenly tied his eyes with a black ribbon.

"What are you doing?" Xiao Tian tried to remove the ribbon from his eyes.

Currently, Xiao Tian was sitting on a small chair next to his bed. There was a small plastic table in front of him.

Of course, he had no idea about this because Ye Xueyin tied his eyes with a black ribbon.

"Tian, stay still and don't try to remove the ribbon." Ye Xueyin forbid Xiao Tian from removing the ribbon.

Xiao Tian was shocked again.

'What are they going to do to me? They won't torture me, right?'

He still did not realize everything.

*Tick-tock...Tick-tock...Tick-tock...

The sound of the clock reverberated in his room.

Shi Fei and Liu Ning walked out of his room to take the birthday cake. Shi Fei and the others bought a birthday cake in secret earlier.

Actually, they wanted to make a birthday cake, but they changed their minds because they were really busy earlier.

That was why they decided to buy a birthday cake. From their point of view, what was important was not the cake but their good intentions.

*Tick-tock...Tick-tock...Tick-tock...

Ye Qingyu and the other kept looking at the clock.

'Six...five...four...three....'

Su Ruanyi and the others counted down together.

'Two...one...'

Ye Xueyin immediately removed the black ribbon from Xiao Tian's eyes.

"Happy birthday, Tian!" Lin Xing Xue and the others said in unison.

Xiao Tian was pleasantly surprised. His face broke into a smile when he saw a birthday cake in front of him.

It was a layer cake with frosting served with small lit candles on top representing his age.

21th!

Yes. Xiao Tian was twenty-one years old now.

'Oh! I forgot today is my birthday.'

Because he was Huang Chen, he forgot about his predecessor's birthday.

"Tian, hurry up and make a wish." Ye Xueyin stated.

"Un." After nodding his head, Xiao Tian made silent wishes before blowing out the candles.

"Happy birthday, Tian'er." Liu Ning kissed Xiao Tian's cheeks.

Xiao Tian was surprised by her action. But what surprised him most was that Long Jingxian and the others also kissed him.

They immediately ate the cake after that. Of course, they fed each other too.

"Tian, what wish did you make earlier?" Ye Xueyin asked curiously.

"Big sis, you should not ask this question." Ye Qingyu uttered.

"But I want to know about it." After saying that, Ye Xueyin returned her attention to Xiao Tian again.

"So, what wish did you make earlier?"

The corner of Xiao Tian's lips twitched. Because he knew that he could not avoid it, he decided to answer her question.

"I wish I could become the richest person in China, and we could spend time together until we die." Xiao Tian gave an honest answer.

He made these wishes because of two people. These people were his predecessor and himself.

"Tian...." Ye Xueyin instantly embraced and kissed him again.

She was pleased. She did not expect him to make wishes like that. He even still remembered about her and the others when he made a wish.

This was the reason why she decided to kiss and hug him.

Like Ye Xueyin, Su Ruanyi and the others were pleased after hearing his words. This made them understand that Xiao Tian really wanted to live with them forever.

"So, is there another surprise for me?" when he asked this question, he hoped they had another surprise for him.

Ye Xueyin and the others exchanged a glance with each other.

'Let's hide it for now.'

Ye Qingyu and the others nodded their heads.

"No." Liu Ning and the others answered in unison.

"... I see." Xiao Tian was a little disappointed after hearing their words.

'Well, at least they remember my birthday.'

He decided to hide his disappointment because he did not want to ruin the mood.

Even though Xiao Tian had tried his best to hide his disappointment, Lin Xing Xue and the others still could see it.

'He is disappointed. Cute!'

Ye Xueyin and the others tried their best not to laugh.

"Now that we have celebrated my birthday, how about we have sex now?" Xiao Tian decided to tease them.

Chapter 1134 - Aunt, You Are So Cruel

7-8 minutes

"Now that we have celebrated my birthday, how about we have sex now?" Xiao Tian decided to tease his women.

Liu Ning and the others exchanged a glance with each other. At this moment, they had no idea that Xiao Tian was only joking around.

They thought Xiao Tian was serious when he said he wanted to have sex with them because Xiao Tian was a pervert young man,

"No." Lin Xing Xue and the others answered in unison.

"Then let's sleep now because it's almost 01:00 am." Xiao Tian only wanted to tease his women, so he did not mind it when they refused to have sex with him.

Shi Fei and the others were startled. They thought he would try his best to get them to agree to have sex with him, but they were wrong.

"Un." Su Ruanyi and the others nodded their heads.

Without waiting for another second, they crawled onto the bed. Xiao Tian kissed their foreheads before lying on the bed.

Long Jingxian and the others fell asleep shortly after lying on the bed because it was almost 01:00 am.

A soft smile spread across his face when Xiao Tian saw Shi Fei and the others.

'Thank you.'

He was pleased with their surprise.

'And...happy birthday Xiao Tian.'

He gave birthday greetings to his predecessor.

The following morning, Xiao Tian had a birthday party in the villa with his women, Feng Yu, Mu Ai, Zhao Sheng, Yun Xin Er, Mu Huo, Ren Auxi, Lan Ruoxi, and his underlings.

He could not reach Crystal, so he could not invite her to his birthday party. This was why he was a little sad because Crystal was also important to him.

They spent time together in the villa for five hours. After that, Xiao Tian and his women rested in their house before finally he brought them somewhere again.

Xiao Tian's House, His Bedroom.

After spending time with his women for several hours in a romantic place, they decided to go home.

'Hmm? Where are Feng Yu and little Ai?'

Actually, he wanted to play with Mu Ai and Feng Yu after arriving home, but he could not find them.

He had no idea that Feng Yu and Mu Ai were in Long Jingxian's secret room. Previously, Lin Xing Xue and the others asked Feng Yu to take Mu Ai to Long Jingxian's secret room.

They did this because they wanted to give Xiao Tian another surprise. Yes. They wanted to give a special birthday present to Xiao Tian.

'I will watch TV in the living room.'

With that idea in mind, Xiao Tian headed to the living room.

'Where are Fei and the others?'

Previously, he thought Shi Fei and the others were in the living room, but he was wrong.

'Just where is everybody?'

Xiao Tian turned on the TV.

To his surprise, Long Jingxian and the others suddenly entered the living room together. But what surprised him most was that all of them were wearing sexy lingerie.

Not only that, but their lingerie was transparent and short, to the point he could see their breasts and pussies effortlessly.

Yes. Su Ruanyi and the others wore nothing under their lingerie!

Xiao Tian was stunned. No, he was pleased when he saw his women in sexy lingerie.

'Is this their special gift for me?'

Xiao Tian suddenly thought it was their special gift for him because it was his birthday.

He instantly rose to his feet before finally speaking, "My ladies, how about we go to my room now?"

Liu Ning and the others exchanged a glance with each other before finally giggling.

'Look at his face! It seems like he really likes our gift.'

These were the words that appeared in their minds when they saw Xiao Tian's expression.

"Come with me, my ladies." Xiao Tian's mind instantly went dirty.

After stepping into his room, Xiao Tian did not have sex with them immediately; instead, he closed the door and took his smartphone out of his pocket.

Ye Qingyu and the others were startled.

'Does he want to take a picture of us?'

Shi Fei and the others suddenly thought Xiao Tian wanted to take their photo when they saw him taking his smartphone out of his pocket.

"Ehm!" Xiao Tian pretended to clear his throat. "All of you look so attractive right now, so how about we take a picture first?"

Like before, Ye Xueyin and the others exchanged a glance with each other again.

'Let him do whatever he wants.'

They decided to let Xiao Tian do whatever he wanted because it was his special gift.

Xiao Tian's lips curled up into a smile when he saw them nodding their heads. "I will take a picture now. One...two...three..."

*Click...

The sound of the camera reverberated in his room.

"Good!" Xiao Tian was satisfied with the result.

All of his women were showing their charming smiles in the photo. They were gorgeous and sexy ladies, so the result was amazing.

Of course, Xiao Tian was not satisfied with just one photo. That was why he took another picture.

In total, he took twenty pictures from many angles. Like before, the results were amazing.

"This will be the last photo." Even though Xiao Tian would love to take more pictures, he needed to stop because he desired to lovey-dovey with them.

Lin Xing Xue and the others nodded their heads at the same time as if they had agreed on something.

Xiao Tian was ready to take the last picture. "One...two...three."

To his surprise, Lin Xing Xue and the others did something unexpected before Xiao Tian took their picture.

They grabbed the hem of their lingerie and lifted it, showing their beautiful pussies!

Not only that, but Shi Fei, Long Jingxian, and Ye Xueyin also showed their left breasts to the camera.

As for Lin Xing Xue, Ye Qingyu, Liu Ning, and Su Ruanyi, they showed their right breasts.

Xiao Tian was stunned. No, he was thrilled, to the point he kept looking at the photo on his phone.

Not only that, but he kept shifting his gaze between the photo on his phone and his women.

'Amazing! My girlfriends are indeed the best. They understand me very well.'

Their actions much surprised him and of course, it also made him happy.

Ye Xueyin and the others giggled again.

'He loves it!'

Even though Xiao Tian did not say anything, they knew that Xiao Tian liked what they had just done for him because it was written on his face.

Actually, this was not what they had planned because, in their plan, they would only wear sexy lingerie and have sex with him.

"Little brother, how is it? Do you like it?" Shi Fei asked before covering her mouth and giggling.

She decided to tease him when she saw his happy face.

Xiao Tian cleared his throat before answering Shi Fei's question. "Ehm! Not bad, not bad."

In order to maintain his image, Xiao Tian immediately hid his happiness and behaved normally.

"Tian'er, you don't have to hide it because we know you like what we just did." Liu Ning said after seeing Xiao Tian's expression.

"Yes. You don't need to hide it because we all know you are a pervert young man." Ye Qingyu added.

The corner of Xiao Tian's lips twitched.

'Aunt, you are so cruel!'

He shouted in his head.

Chapter 1135 - Mastering The Fourth Secret Move

7-8 minutes

Inside a big and luxurious bedroom, eight people were lying on the bed; seven women and one young man.

The women were wearing short transparent lingerie while the young man was naked.

Anyone could tell right away that they had just finished doing something pleasurable because it was written on their faces.

Sex!

Yes. These people had sex in a luxurious bedroom earlier.

Even though the young man had sex with seven women, he was still able to satisfy them as if he was the god of sex.

These eight people were none other than Xiao Tian and his women.

After taking several pictures of his women in lingerie, Xiao Tian dragged them to the bed. He wasted no time and immediately had sex with them.

They had sex for more than an hour before finally, they decided to stop. Of course, all of them had an orgasm earlier because Xiao Tian was skilled in sex.

"This is the best gift in my life." Xiao Tian stated.

'I mean in my second life.'

He added in his head.

His father also gave him a gorgeous lady on his birthday in his previous life.

At that time, he was even still in junior high school, but his father still gave him a mature lady to have sex with him.

This was the beginning of his playboy life because he started to seduce all the beautiful women after experiencing the pleasures of sex.

"Of course, you love it because not everyone can get a gift like this on their birthday." Ye Qingyu uttered.

"How about we have sex while cosplaying next time? Like all of you wear maid, nurse or doctor outfit." he had sex in cosplay clothes several times in his previous life.

That was why he wanted to do it again because he had never done it in his current life.

"Good idea!" as usual, Ye Xueyin and Shi Fei agreed with his idea instantly.

From their point of view, it would be interesting to have sex while cosplaying because they had never done it before.

"Good!" Xiao Tian was pleased. "Please surprise me with a cosplay outfit next time."

After talking for several minutes, they decided to sleep.

The following morning, Xiao Tian practiced martial arts after taking a medicine bath.

*Shui...Shui...Shui...

Xiao Tian swung his wooden sword continuously.

Each of his swings was fast and powerful. If he used a real sword and someone was hit by it, that person would definitely die instantly.

"Huft...Huft..." Xiao Tian tried to catch his breath.

'Success! I have finally mastered the fourth secret technique.'

Happiness shimmered inside him after he mastered the fourth secret technique.

He broke through to the high-level master stage a few days ago, so it made him happier when he could master the fourth secret move.

'There is five percent of the energy of heaven and earth in my martial arts points now, and I can increase it to ten percent with the help of battle instinct. With this, I can fight a martial artist at the low-level grandmaster stage on par now.'

The rules of martial artists did not apply to him.

Usually, it would be impossible for a martial artist at the master stage to fight on par with a martial artist at the grandmaster stage.

However, this rule did not apply to Xiao Tian. No, this rule did not apply to the candidates to be the Ruler like Xiao Tian, Zhao Sheng or Shi Fei.

They were people who were loved by heaven, so normal rules did not apply to them because they were destined to be extraordinary martial artists and stand at the top.

'Wait! I think I can defeat a weak martial artist at the low-level grandmaster stage now.'

With the help of the fourth secret technique and the energy of heaven and earth, Xiao Tian was sure that he could defeat a weak martial artist at the low-level grandmaster stage.

Of course, it would be a different story if he fought a strong martial artist at the low-level grandmaster stage. At most, he could only fight them on an equal footing.

'Lady Lan said there is only one thing I need to do to become stronger. Store the energy of heaven and earth in my martial arts points as much as possible. But I have to make my body stronger first to do that because it will be useless if my body is weak.'

Lan Ruoxi said the amount of energy of heaven and earth in his martial arts points would not be able to increase if his body had reached its limit.

'Then I should understand more about battle instinct and make my body stronger first.'

Sure, the energy of heaven and earth within him would increase to ten percent if he was in the battle instinct mode, but it would instantly return to five percent after he was no longer in battle instinct mode.

'I wonder, how strong is lady Lan?'

At this moment, his goal was to defeat Lan Ruoxi.

However, he would not be able to achieve his goal easily because Lan Ruoxi was also like him, a candidate to be the Ruler.

The difference between them was that Xiao Tian gained insight into battle instinct and opened the martial arts points much faster than her.

He was far superior in this matter than Lan Ruoxi, but she practiced martial arts much earlier than him.

'Damn you, my predecessor!'

He blamed his predecessor again.

He was sure that he could defeat Lan Ruoxi if they practiced martial arts at the same time.

'Sigh!'

He sighed because he could not do anything about it.

'Well, I just need to practice martial arts harder later.'

By becoming a powerful martial artist, not only could he defeat Lan Ruoxi, but he could protect his women and family as well.

Shi Fei, who was lying on the pool lounge chair, inquired, "What are you thinking about, little brother?"

At this moment, Shi Fei was wearing a black swimsuit. Because her body was so sexy, she looked so seductive in her swimsuit.

"Nothing." Xiao Tian put his wooden sword on the table and walked towards her with a smile on his face.

'What a sexy lady!'

No matter how many times he looked at Shi Fei's body, it never failed to amaze him.

Shi Fei was the sexiest lady he had ever seen in his second life.

Sure, he had seen several women who were prettier than her, but he had never seen a woman who was sexier than her.

There was only one woman who was as sexy as her, but he would not be able to meet that lady anymore because that person lived in his previous life.

The name of that lady was Mei Xing, a married woman he managed to seduce before he died in a car accident.

Xiao Tian decided to stop practicing martial arts because he had mastered the fourth secret move.

His sexy lover was lying next to him, so there was no way he could ignore her.

When Shi Fei saw Xiao Tian walking towards her, she suddenly suspected what he wanted to do to her.

Like before, Xiao Tian was still showing his soft smile as he walked towards her. "My sexy lover, how about-"

However, Shi Fei suddenly did something unexpected before he had finished his words.

Chapter 1136 - Meeting Crystal Again

7-8 minutes

Shi Fei did something unexpected to him when Xiao Tian wanted to lay on her pool lounge chair.

She pushed him away!

Yes. Shi Fei pushed him away when Xiao Tian was about to lay on her pool lounge chair.

Usually, Shi Fei always welcomed him whenever he wanted to lovey-dovey with her, but this time was different.

The reason was simple.

It was because his body was full of sweat!

Xiao Tian was stunned. He did not expect her to do such a thing to him.

"Bad lover! How could you push away your lover when he wanted to lovey-dovey with you?" Of course, Xiao Tian was not angry at her.

However, he decided to punish her because he dared to push him away when he wanted to lovey-dovey with her.

'I will punish my bad lover now.'

With that idea in mind, Xiao Tian carried Shi Fei in a princess style and jumped into the pool.

*Burr....

The sound of them jumping into the water reverberated in the backyard.

"Your body was full of sweat, so you should take a shower instead of jumping into the pool like this." Shi Fei pinched Xiao Tian's cheeks. "You even dragged me into this."

"This is your punishment for pushing me away earlier." Xiao Tian gave an honest answer.

Because they were already in the pool, they decided to swim. One thing led to another, and they ended up having sex in the water.

They had sex in the pool for about forty minutes before finally stopping. Like before, Shi Fei was still wearing her sexy black swimsuit while Xiao Tian was naked.

Previously, he wanted to take off her swimsuit, but he changed his mind. That was why he only removed his clothes before having sex with her in the pool.

"Huft...Huft...Huft..." Shi Fei and Xiao Tian looked at each other while breathing heavily.

Shi Fei was currently standing in the water with her back leaning against the pool wall. Both of her hands were on Xiao Tian's shoulders, and her left leg was hanging on his right arm.

Of course, Xiao Tian's cock was still in her pussy because he did not pull his penis out of her vagina when he had an orgasm earlier.

Yes. Xiao Tian let out his sperm deep inside her pussy like usual!

"It was amazing." Shi Fei stated.

"Un." After nodding his head, Xiao Tian brought his face closer towards hers before finally kissing her soft lips again.

Like before, Shi Fei welcomed the kiss instantly. As they were having a deep kiss, Shi Fei moved her hands from his shoulders to his back.

They had a passionate kiss for about twenty seconds before finally, they stopped.

"How about we go on a date now?" it was Sunday, so they did not need to go to work.

"Good idea!" Shi Fei answered happily.

Xiao Tian smiled softly before taking his cock out of her pussy.

"Ahhh...." Shi Fei let out a seductive moan.

"Bad lover! Are you trying to seduce me again? Why did you let out a seductive wail again?" Xiao Tian suddenly wanted to fuck her again after hearing her seductive moan.

But he suppressed his lust because he wanted to go on a date with his sexy lover. They just finished having sex, so in his view, it was enough for today.

He had to make her happy because she just satisfied him with her sexy body and tight pussy.

"Hehe." Shi Fei giggled cutely. "Let's take a bath first before going on a date."

"Un." Xiao Tian nodded his head.

After taking a shower, they went to a romantic place. Shi Fei was delighted because Xiao Tian treated her like a queen.

He never refused all of her wishes when they were on a date. That was why her love for him grew bigger again.

Even though he already had sex with Shi Fei in the morning, Xiao Tian did it with her again at night.

They even had sex for about two hours, causing her to nearly pass out from having sex. The following morning, Crystal called him when he was on his way to Star Group company.

He immediately turned around after finding out that she was in her apartment.

Crystal's Apartment, Living Room.

Crystal was currently in the living room with Yu Shi, her martial arts teacher. They immediately went home after finishing their job.

"It has been more than a month since the last time we met Xiao Tian. It seems like you really miss him. You even immediately called him after arriving home." Yu Shi teased her disciple.

"I never picked up his call, so I just wanted to tell him that I'm fine." Crystal lied to Yu Shi.

Actually, she missed Xiao Tian, but she did not want her master to know about it because her master would ask her to marry Xiao Tian immediately like usual.

'Ah, right. Speaking of getting married, does master remember what I said last month?'

Crystal said she would have sex with Xiao Tian after she recovered from her injury last month.

That was why she wondered whether her master still remembered it or not because it had been more than a month since she said that.

Not long after that, Xiao Tian arrived at Crystal's apartment.

*Click...

Crystal opened the door.

"Come in." Crystal said as she smiled softly.

Even though Xiao Tian behaved normally, but he was pleased.

'Is it because we haven't seen each other for over a month?'

When he saw Crystal's smile, Xiao Tian's heart beat hard for a second.

Sure, he knew that Crystal had a captivating smile, but at that time, her smile was more charming than usual.

'Oh, she is here?'

Actually, he hoped he could be alone with Crystal, but he could not do anything because he knew the relationship between Crystal and Yu Shi.

After Xiao Tian sat on the couch, Yu Shi immediately uttered, "Xiao Tian, you did not meet Crystal for more than a month. How is it? Are you happy to see her again?"

The corner of Xiao Tian's lips twitched.

'Her mouth is as dangerous as ever.'

He did not expect Yu Shi to ask that question as soon as they met.

Because Crystal did not want Xiao Tian to feel uncomfortable with her master's question, she immediately said, "Xiao Tian, I'm sorry for not picking up your phone. It was because I was so busy."

"It's fine." Even though he said this, he still hoped she would give him news.

'Forget it, forget it.'

Xiao Tian decided to forget it because he could quarrel with Crystal if he brought up the topic.

"Oh right. I heard you created Star Group company now." Crystal suddenly got news about him creating Star Group a few days ago.

"Yes. It was annoying to go from one company to another so I decided to create Star Group." Xiao Tian gave an honest answer.

Yu Shi and Crystal were startled.

'First, he bought a Lamborghini just because he saw someone reviewing it on YouTube. And now, he's creating Star Group just because it's annoying going from one company to another.'

Yu Shi and Crystal were at a loss for words.

At this moment, Yu Shi suddenly remembered something. "Crystal, do you still remember your promise last month?"

Chapter 1137 - Where Am I?

7-8 minutes

"Crystal, do you still remember your promise last month?" Yu Shi inquired.

Even though Yu Shi was already old, she still remembered Crystal's promise before they went out of town to do their work.

She even wrote Crystal's promise in her book so that she would not forget it later. She did not want to forget it because it was related to Crystal's future.

If everything went smoothly, Crystal's future would be bright. Not only that, there was even a high possibility that she would have a grandson before she died.

Crystal did not answer Yu Shi's question immediately. She shifted her gaze from Yu Shi to Xiao Tian before finally returning her attention to Yu Shi again.

'She remember it.'

She hoped that Yu Shi would not remember her promise a few minutes ago.

Xiao Tian turned his head towards Crystal. Of course, he remembered Crystal's promise because she said something shocking at that time.

Sex!

Yes. Crystal promised to have sex with him last month.

Because Xiao Tian wanted to help Crystal avoid her promise, he immediately said, "Oh right. I forgot I have to accom-"

However, something unexpected happened before he had finished his words.

Yun Xin Er called him!

Xiao Tian was surprised. Not only Xiao Tian but Crystal and Yu Shi were also startled.

Without waiting for another second, Xiao Tian took his smartphone out of his pocket.

'Big sister Yun?'

He wasted no time and immediately picked up the phone.

"Hello, big sister Yun?" Xiao Tian said after picking up the phone. "What's wrong?"

However, the person who answered him was not Yun Xin Er but her manager, Fu Rou. "Xiao Tian, can you come to the Life Hospital now?"

"What's wrong with big sister Yun? Did something bad happen to her?" Yun Xin Er was also hospitalized the last time Fu Ruo used Yun Xin Er's phone to call him.

That was why Xiao Tian was suddenly worried. Of course, he managed to control his emotion because he was with Crystal and Yu Shi.

"I can't explain it over phone." Fu Rou replied instantly. "Come to the Life hospital after you have free time. I will explain it later."

It was a complicated problem, so she could not explain it over the phone.

"I will be there soon." from Fu Ruo's voice, it seemed to be related to Yun Xin Er's life, so Xiao Tian didn't want to waste time.

"All right. I will be waiting in the hospital." After saying that, Fu Rou hung up the phone.

Xiao Tian instantly looked at Crystal and spoke, "Crystal, I have to go to the Life Hospital now."

"What's wrong?" Crystal asked curiously.

"Big sister Yun is being treated at the Life hospital right now." Xiao Tian gave an honest answer. "And it seems like her life is in danger."

"All right." Crystal could not stop him because she knew the relationship between Xiao Tian and Yun Xin Er.

Life Hospital, Yun Xin Er's Patient Room.

"Don't worry. She is fine." Long Jingxian, who was standing on Yun Xin Er's right side, spoke abruptly.

Long Jingxian worked at Life Hospital, so she immediately headed to Yun Xin Er's room because she knew the relationship between Xiao Tian and Yun Xin Er.

"Thank you, doctor." Fu Rou felt relieved after hearing Long Jingxian's words.

*Click...

Xiao Tian entered Yun Xin Er's room without knocking on the door.

He was startled when he saw Long Jingxian.

'Jingxian?'

He did not expect it was Long Jingxian who treated Yun Xin Er.

"Jingxian, how is her condition?" he behaved normally because Long Jingxian already knew his relationship with Yun Xin Er.

"Don't worry. She is fine." Long Jingxian replied instantly.

Xiao Tian then shifted his gaze from Long Jingxian to Fu Rou. "How did she end up like this? What happened to her?"

"It's like this." Fu Rou began to tell everything.

She told him that Yun Xin Er's life had been in danger since four days ago, such as a flower pot suddenly falling from above her, someone pushing her in secret, or almost getting hit by a motorbike.

Of course, they had hired a few bodyguards to protect her, but all of them resigned shortly or could no longer be her bodyguards.

Yes. They stated they could not protect her anymore. Five of them were seriously injured, and seven of them were poisoned.

At this moment, Xiao Tian finally understood that someone wanted to hurt or kill Yun Xin Er. He also asked Fu Rou if Yun Xin Er had any enemy or not lately.

Fu Rou's answer greatly surprised Xiao Tian. She said Yun Xin Er had many enemies because she could become one of the most famous singers at a young age.

Yun Xin Er was famous, so many people were jealous or disliked her. There were even several people who disliked her at Li Entertainment.

Sure, they smiled and behaved nicely in front of her, but their behavior was fake. Some of them even did not bother to hide their hatred.

Xiao Tian suddenly felt sorry for Yun Xin Er. He always took advantage of her all this time, but he did not carefully pay attention to her life.

After telling everything, Fu Rou left to rearrange Yun Xin Er's schedule.

She was really busy since someone wanted to hurt Yun Xin Er because this thing messed up Yun Xin Er's schedule.

Fu Rou even had not eaten anything since morning and could only drink mineral water. That was why she asked Xiao Tian to take care of Yun Xin Er.

After Fu Rou left, Long Jingxian headed to another patient room. She was a doctor, so she was really busy.

'I did not know your life was so hard, big sister Yun.'

Xiao Tian, who was sitting on the chair next to Yun Xin Er, kept staring at her.

All this time, Yun Xin Er always behaved cheerfully whenever she was with him. She even never complained about her job.

At most, she only said she was tired, or she wanted to sleep in his arms. He just did not expect her life to be so hard like that.

Not only that, but even her mother wanted to use her to make more money. If his life was difficult since he transmigrated to the current world, then Yun Xin Er's life was the same as his.

It was just that her life was difficult from another point of view.

And unlike him, who had knowledge from his previous life and mastered martial arts, Yun Xin Er did not have that privilege.

That was why Xiao Tian was amazed by Yun Xin Er's resoluteness.

'The taller the tree, the stronger the wind.'

This was an appropriate proverb to describe Yun Xin Er's life.

If she was only an ordinary singer and was not famous, Xiao Tian was sure her life would be much easier.

*Sigh....

Xiao Tian sighed.

"Big sister Yun, I will pay more attention to you from now on." Xiao Tian held Yun Xin Er's right hand and looked at her with a sad face.

At this moment, Yun Xin Er finally regained consciousness.

'Where am I?'

She was startled when she saw Xiao Tian sitting next to her after regaining consciousness. "Little brother?"

Chapter 1138 - Xiao Tian's Crazy Idea

7-8 minutes

Yun Xin Er was pleasantly surprised when she saw Xiao Tian after regaining consciousness. Of course, she knew the reason why she was being treated in the hospital.

'He is here. He has been taking care of me since I was unconscious.'

Her face blossomed into a smile when he saw Xiao Tian.

She just did not expect to see Xiao Tian after regaining consciousness. "Little brother?"

"Big sister Yun, wait here. I will call the doctor now." after saying that, Xiao Tian walked out of the patient room.

Yun Xin Er had just regained consciousness, so they needed to check her condition immediately.

At first, Xiao Tian wanted Long Jingxian to check Yun Xin Er's condition, but she was busy and could not be disturbed.

That was why another doctor was the one who checked Yun Xin Er's condition. After checking her condition, the doctor told them the result.

He said she was fine now, but she had to rest in the hospital because they needed to check her condition again in five hours.

After the doctor left, Xiao Tian immediately spoke, "Why didn't you tell me that someone wanted to hurt you?"

"Hehe." Yun Xin Er giggled. "Why? Are you worried about me? It seems like you can't live without me. Look! You are even wearing that kind of expression now. Hehe."

As usual, Yun Xin Er decided to tease Xiao Tian because this was an excellent opportunity to do that.

Xiao Tian did not say anything and only stared at her. He was not in the mood to joke around because it was related to her life.

'How can you still giggle like this when your life is in danger?'

At this moment, Xiao Tian was a little sad because Yun Xin Er did not share her problems with him.

After sighing, Xiao Tian replied, "Big sister Yun, why didn't you tell anyth-"

However, before Xiao Tian had finished his words, Yun Xin Er interrupted him. "Little brother, come here and lie next to me."

At this moment, Yun Xin Er thought Xiao Tian would refuse like usual. To her surprise, he immediately lay on her bed after hearing her words.

'Hmm?'

His actions much surprised her.

Of course, this made her happy because this was what she wanted.

"Hehe." Like before, Yun Xin Er giggled again. "What is this? Why didn't you refuse like usual?"

Like before, Xiao Tian did not tease her back like usual. He only held her right hand and stared at her pretty face.

'Big sister Yun, you are a strong and an amazing young woman.'

These were the words that appeared in his head.

At that time, Yun Xin Er kept teasing Xiao Tian. She was pleased because Xiao Tian did not tease her back.

He decided to let her do whatever she pleased because he wanted to make her happy. At least, he wanted to make her forget her problems at that time.

The next day, something bad happened to Yun Xin Er again. Someone suddenly pushed her when she was in a crowded place, causing a minor injury to her right leg.

Not only that, but she suddenly got a scary message, saying she would die soon. Xiao Tian asked Su Ruanyi to investigate the number that sent the message to Yun Xin Er.

However, it was an invalid number because the owner immediately destroyed the SIM card after sending a message to Yun Xin Er.

They still had not found the mastermind because the mastermind was intelligent and knew when to act.

It was as if the mastermind was spying on Yun Xin Er twenty-four hours per day.

Xiao Tian's Mansion, Backyard.

Xiao Tian was currently training martial arts in the backyard. He had been swinging his wooden sword vertically for about fifteen minutes.

Even though he was practicing martial arts, but his mind was on something else.

Yun Xin Er!

Yes. Xiao Tian thought of Yun Xin Er when he was practicing martial arts, or more precisely, he was thinking about her safety.

Yun Xin Er's life was in danger since a few days ago, so his mind could not be at ease. That was why he could not focus on practicing martial arts.

"What's wrong, Tian'er?" Liu Ning, who was walking towards the pool lounge chair and holding orange juice, uttered.

Even though she was not a martial artist, she could tell right away that Xiao Tian was unable to focus on practicing martial arts.

Xiao Tian stopped practicing martial arts and walked closer towards her.

"I can't stop thinking about the safety of big sister Yun." Xiao Tian gave an honest answer.

"I see." Liu Ning knew about what had happened to Yun Xin Er because Xiao Tian had told her and the others about it yesterday.

"Why don't you order your underling to protect her?" Lin Xing Xue, who was walking towards them, spoke abruptly.

"I have the intention to do that." Xiao Tian replied, "I was thinking about how to find the mastermind earlier."

"Haven't you always thought of yourself as a young man with lots of ideas?" Lin Xing Xue teased him.

The corner of his lips twitched.

'When did I ever say something like that?'

Xiao Tian was sure that he had never said something like that before.

"Tian'er, I'm sure you will know the mastermind if you are always by her side." Liu Ning believed the mastermind was often near Yun Xin Er.

Xiao Tian suddenly got an idea.

'Wait! if I want to always be by her side, wouldn't the best way to do that be by being her bodyguard? But my reputation will be ruined if the public finds out about it later.'

Sure, Yun Xin Er was important to him, but he could not risk his companies because he had promised his predecessor to be a successful person before.

If the public knew about it, it would affect his companies, and he was sure the sales of his companies would drop drastically later.

'Hmm?'

Xiao Tian suddenly found an excellent idea.

'Yes. I can wear a silicon head mask. With this, no one will know who I am later.'

He loved his idea.

If he wore a silicon head mask and changed his name, no one would know anything about him later.

With this, not only could he protect Yun Xin Er, but he was also able to spend time with her later.

It was like killing two birds with one stone. Xiao Tian smiled happily. He was pleased with his excellent idea.

Liu Ning and Lin Xing Xue exchanged a glance with each other.

'Did he find a way to find the mastermind?'

That was the question that appeared in their minds.

Because Liu Ning wanted to know about Xiao Tian's plan, she immediately asked, "Tian'er, did you find a way to find the mastermind?"

At this moment, Lin Xing Xue paid attention to Xiao Tian carefully because she also wanted to know the answer.

"No." Xiao Tian gave an honest answer. "But I have found a way to protect big sister Yun."

"What's it?" Lin Xing Xue asked curiously.

"I will become her bodyguard." Xiao Tian replied instantly.

"What?! Become her bodyguard?!" Lin Xing Xue and Liu Ning said in unison.

Chapter 1139 - What?

6-8 minutes

"What?! Become her bodyguard?!" Lin Xing Xue and Liu Ning said in unison.

They found it hard to believe what they were hearing. Xiao Tian owned three companies, so his business would be ruined if the public found out that he became a bodyguard.

"Tian'er, isn't that a bad idea?" Liu Ning did not want Xiao Tian to ruin everything he had built up until now, so he tried to change his mind.

Of course, Xiao Tian knew what they had in mind. "Don't worry. I will wear a silicon head mask later, so no one will know who I am later."

Liu Ning and Lin Xing Xue exchanged a glance with each other again.

'Silicon head mask?'

Sure, they also thought wearing a silicon head mask could hide his identity, but what if someone found out his real identity later?

"Tian'er, I thin-" Liu Ning stopped her words halfway when he saw Xiao Tian's expression.

'We can't change his mind anymore.'

Liu Ning knew that Xiao Tian had made up his mind from his expression.

"Just be careful, ok?" Liu Ning could only hope that no one would know his real identity later, or else it would ruin everything he had built up until now.

"Un." Xiao Tian nodded his head.

After taking a shower, Xiao Tian spent time with Liu Ning and Lin Xing Xue in the living room.

Blue Ice Lotus Gang Headquarters, Living Room.

Xiao Tian was currently with his underlings in the living room.

After spending time with Lin Xing Xue and Liu Ning for two hours, he traveled to his gang headquarters because he wanted to order his underlings to protect Yun Xin Er with him.

"Mu Huo, Chun Hua, you two will protect big sister Yun with me later." after thinking for several minutes, Xiao Tian decided to bring Mu Huo and Chun Hua because they were the most skilled martial artists besides him.

"Then, who will train your underlings?" Mu Huo would not be able to train Xiao Tian's underlings if he became Yun Xin Er's bodyguard.

Xiao Tian touched his chin. He wanted to build invincible underlings, so he did not want his underlings to skip training martial arts even for a day.

"How about you make a schedule for them?" Xiao Tian uttered, "They will train on their own based on that schedule later. I will ask big sister Yun to let you check on them one to two hours per day later."

"That's a good idea." Mu Huo thought Xiao Tian's idea was great.

"Alright. Let's do that." Xiao Tian did not try to come up with other ideas because Mu Huo agreed with his opinion.

"What about me, senior brother?" Ren Aoxu, who was sitting on Xiao Tian's right side, uttered.

"It's up to you. I'm fine if you want to follow me, but I won't force you if you want to practice martial arts here." Xiao Tian did not want to force Ren Aoxu to follow him because he had promised Ren Aoxu's master to protect him.

"I will follow you." Ren Aoxu stated.

Xiao Tian was startled. He did not expect Ren Aoxu to make up his mind so quickly like that.

"Oh right, junior brother. Have you mastered the second secret move?" Xiao Tian asked curiously.

"I haven't mastered it." Ren Aoxu replied with a sad expression.

He had tried his best to master the second secret technique, but his efforts were in vain. He still failed to synchronize his movements with his attacks.

"I will tell you how to master the second secret move quickly if I have free time." Xiao Tian did not look down on Ren Aoxu because mastering the secret move was indeed challenging.

Ren Aoxu did not have an instructor to guide him because Mu Huo could not teach him the secret technique of the Moon Sword Martial Arts School.

Of course, it was a different story for him because he had mastered it in his previous life.

Ren Aoxu's eyes shone brightly. "Really?"

"Yes." Ren Aoxu was his junior martial brother, so Xiao Tian would help him.

"What about you, senior brother? Have you mastered the fourth secret move?" Ren Aoxu asked curiously.

"Yes. I have mastered it a few days ago." Xiao Tian gave an honest answer.

Ren Aoxu clenched his right fist before speaking, "I hope I can master the second secret move quickly later."

"Don't worry. You will master it soon." Xiao Tian believed he could help Ren Aoxu master the second secret move faster because he knew one trick to do that.

"I will do my best." Ren Aoxu said with eyes filled with determination.

Xiao Tian then shifted his gaze from Ren Aoxu to Chun Hua and Mu Huo. "Let's tell the others about what we just discussed."

"All right." Mu Huo and Chun Hua replied in unison.

Xiao Tian then told his underlings that they would practice martial arts on their own later. He also said he would punish anyone who skipped practicing martial arts.

He wanted to create undefeatable underlings so they could not skip practicing martial arts. Of course, Xiao Tian did not tell his underlings that he would become a bodyguard later.

In his view, the less who knew about his plan, the better. That was why he said he would go on a mission with Chun Hua, Ren Aoxu, and Mu Huo.

He also ordered Mizu to pretend to be him when he was not around because it would be dangerous if other gangs learned that Chun Hua, Mu Huo, and he were not around every day.

After that, Xiao Tian called Yun Xin Er and asked her to meet him at Bamboo Restaurant. He also told her to bring Fu Rou with her.

Because Xiao Tian still had not said anything about his idea, Yun Xin Er was curious as to why he wanted her to bring her manager along as well.

However, she decided not to ask more questions because Xiao Tian said he would tell everything later.

Bamboo Restaurant, VIP Area.

Xiao Tian was currently in the Bamboo Restaurant with Yun Xin Er and Fu Rou.

Fu Rou was sitting on Yun Xin Er's right side while Xiao Tian was sitting on the opposite side of them.

Previously, Xiao Tian wanted to bring Mu Huo and Chun Hua, but he changed his mind because he had a task for them.

At this moment, Fu Rou was looking at Xiao Tian with a confused face. She was shocked when she found out that Xiao Tian wanted to meet her too.

Usually, Xiao Tian and Yun Xin Er never invited her whenever they wanted to meet somewhere because they were always lovey-dovey every time they met.

Of course, she had asked Yun Xin Er about this question. However, Yun Xin Er could not answer her questions because Xiao Tian did not tell her anything earlier.

"Now that we are at Bamboo Restaurant, can you tell me why you want to meet us here?" Yun Xin Er asked curiously.

Like Fu Rou, Yun Xin Er was curious too. She even kept thinking about it because it looked like Xiao Tian wanted to say something important.

Fu Rou paid attention to Xiao Tian carefully because she wanted to hear the answer too.

Chapter 1140 - Don't Be Sad, Big Brother

6-7 minutes

"Big sister Yun, I will become your bodyguard from tomorrow until we catch the mastermind." Xiao Tian went straight to the point.

"What?!" Yun Xin Er and Fu Rou said in unison.

They found it hard to believe what they were hearing.

Sure, they had told Xiao Tian that someone wanted to hurt or kill Yun Xin Er, but they did not expect that he wanted to be her bodyguard.

"Why?" Yun Xin Er inquired.

"Because with this, I can protect you every day." Xiao Tian gave an honest answer.

Yun Xin Er and Fu Rou exchanged a glance with each other. At this moment, Yun Xin Er was even more sure that she was really important to Xiao Tian.

He was even willing to be her bodyguard in order to protect her. "But, isn't this dangerous for you and your business? What if the public finds out who you are later?"

"Yes." Fu Rou added. "It will ruin your reputation and future, you know? Have you forgotten that you are a famous person too?"

"Don't worry. I will wear a silicon head mask later." Xiao Tian replied. "With this, no one will know who I am later."

Yun Xin Er and Fu Rou exchanged a glance with each other again.

"I will also bring my underlings with me later so that we can protect you better." Xiao Tian said he would bring Chun Hua, Mu Huo and Ren Aoxu later.

"Little brother, are you not afraid of dying?" even though she needed protection, she did not want Xiao Tian to be her bodyguard because she did not want something bad to happen to him.

All of her previous bodyguards ended up in the hospital, so she was afraid that Xiao Tian would also get injured later.

"Xiao Tian, we know you are a martial artist, but it's dangerous to be Xin Er's bodyguard." Fu Rou added. "You know what happened to her previous bodyguards, right?"

Of course, Xiao Tian knew what had happened to her previous bodyguards because Yun Xin Er had told him everything yesterday.

However, his mind could not be at ease if he let other people protect Yun Xin Er again. Mu Huo and Chun Hua were skilled in martial arts.

Coupled with him and Ren Aoxu, he believed they could protect her later.

He even believed that they could defeat a powerful martial artist at the low-level grandmaster stage because Long Jingxian had given him many powders and poisons.

No, Xiao Tian was even sure they could fight on par with the weak martial artist at the mid-level grandmaster stage because he had broken through to the high-level master stage and mastered the fourth secret move.

Even though they could not defeat a martial artist at the mid-level grandmaster stage, but he believed that they could run away without a problem later.

Because Xiao Tian insisted on becoming Yun Xin Er's bodyguard, Fu Rou and Yun Xin Er decided to agree.

After that, Xiao Tian returned to the Blue Ice Lotus gang headquarters.

Blue Ice Lotus Gang Headquarters, Living Room.

"Boss, this is your mask." Mu Huo gave a silicon head mask to Xiao Tian.

Previously, Xiao Tian ordered him to get four silicon head masks because they had to hide their identities.

After taking the silicon head mask, Xiao Tian replied, "All of you can choose your fake name now."

They could not use their real names because it could reveal everything later.

After thinking for several minutes, Chun Hua chose Yue Xihan as her fake name. Mu Huo decided to use Luo Zhantian as his name, and Ren Aoxu used Wang Yuan as his alias.

As for Xiao Tian, he chose Shi Hao as his fake name.

'I hope we can catch the mastermind quickly later.'

Xiao Tian clenched his right fist.

Xiao Tian's House, Backyard.

"Haha." The sound of laughter reverberated in the backyard.

After taking care of everything, Xiao Tian went straight home. He decided to spend time with his women, Mu Ai and Feng Yu, because he would be very busy from tomorrow.

Of course, Xiao Tian's women knew about it because he had told them everything.

"Big brother, here eat this." Mu Ai, who was sitting on Xiao Tian's lap, fed him chicken wing.

"Delicious!" after consuming the chicken wing, Xiao Tian turned his head to the left. "Feng Yu, how about you also feed me a chicken wing now?"

Feng Yu turned her head towards Xiao Tian. As usual, she wore a poker face.

At this moment, Xiao Tian thought Feng Yu would not feed him. To his surprise, she suddenly took a chicken wing and fed Xiao Tian.

"Here, eat this." Feng Yu uttered.

Xiao Tian was startled. No, he was thrilled because this was huge progress for them.

"Delicious!" Xiao Tian wore a happy face.

Lin Xing Xue and the others were pleased too. They knew that Feng Yu closed her heart to Xiao Tian since they met.

No, she did not close her heart to Xiao Tian. It was just she did not want anyone besides her mother and Mu Ai. That was why she never cared about anyone except them.

This was the reason why Xiao Tian always failed to win her heart until now.

"Feng Yu, how about we sleep together later?" Xiao Tian uttered, "I will tell you a good story before sleeping later."

"I don't want to sleep with you." Feng Yu refused without caring about Xiao Tian's feelings. "And I'm not a child."

The corner of Xiao Tian's lips twitched.

'But you are only thirteen years old.'

He said in his head.

"Big sister Yu, you should not say something like that. You are hurting big brother's feelings, you know?" after saying that, Mu Ai kissed Xiao Tian's right cheek. "Mmmmuchh! Don't be sad, big brother. I will sleep with you tonight."

Xiao Tian immediately embraced Mu Ai. "Only little Ai treats big brother well. Big brother will tell you an amazing story later."

"Un." Mu Ai nodded her head cutely.

After talking for several hours, Xiao Tian carried Mu Ai to her room because he would sleep with her tonight.

To his surprise, Feng Yu suddenly entered Mu Ai's room.
