Chapter 1141 - They Are Only Clowns

*Click.

The sound of Feng Yu opening the door reverberated in Mu Ai's room.

Xiao Tian and Mu Ai instantly turned their heads towards the source of the sound. Xiao Tian was pleasantly surprised when he saw Feng Yu in front of the door.

Previously, she refused when he asked her to sleep with him. He just did not expect her to come to Mu Ai's room.

Feng Yu walked towards the bed after entering Mu Ai's room and closing the door. "Don't get me wrong. I only want to sleep with little Ai. I have no intention of hearing your bedtime story."

Even though Feng Yu said something like that, Xiao Tian still smiled happily.

"Big sister Yu, come here and lay next to me." Mu Ai was pleased because she would sleep with Feng Yu and Xiao Tian later.

Feng Yu instantly crawled onto the bed before finally lying on Mu Ai's right side.

Currently, Mu Ai was lying on the soft bed with Xiao Tian on her left side and Feng Yu on the other side.

"Big brother, continue again." Mu Ai uttered.

"Un." Xiao Tian began telling bedtime story again.

He was telling about a fairy tale story. Xiao Tian bought many bedtime stories book a few days ago because Mu Ai loved reading them.

"The little fairy bought a honey for her friends." Xiao Tian continued telling the fairy tale story.

He stole glances at Feng Yu many times as he was telling a bedtime story. He was delighted when Feng Yu was hearing his story seriously.

'Her mouth said no, but here, she is hearing my story seriously.'

Xiao Tian continued telling the story.

Feng Yu immediately turned her head to the other side when she realized that Xiao Tian often stole glances at her.

But even so, Feng Yu still focused on hearing Xiao Tian's story. She did not expect the story to be so amazing.

"Big sister Yu, are you sleepy?" Mu Ai asked when she saw Feng Yu turning her head to the other side.

Feng Yu instantly turned her head to look at Mu Ai. She stared at Xiao Tian for a second before returning her attention to Mu Ai again.

She did not answer Mu Ai's question; instead, she hugged Mu Ai. Of course, Mu Ai welcomed it happily.

Mu Ai then looked at Xiao Tian before speaking, "Big brother, why did you stop?"

"The little fairy then talked with her friends under a big tree." Xiao Tian was thrilled when he saw Feng Yu and Mu Ai like that.

Due to how good Xiao Tian was at telling a story, Mu Ai and Feng Yu fell asleep.

'Good night.'

Xiao Tian kissed their foreheads.

The following morning, Xiao Tian went to the Blue Ice Lotus gang headquarters to pick up Mu Huo, Chun Hua and Ren Aoxu.

After preparing everything, they went straight to Yun Xin Er's house. To their surprise, they saw Yun Xin Er's parents in her house.

But what surprised them most was that four people dressed in black were standing behind them.

'Hmm?'

From their appearance, Xiao Tian could tell that they were bodyguards.

'Are they bodyguards to protect big sister Yun?'

He suddenly suspected that these people were the bodyguards Yun Xin Er's parents had chosen to protect her.

Nalan Jiangge and Yun Wuya instantly shifted their gaze from Yun Xin Er to Xiao Tian and the others.

"Who are you? Xin Er, are they the bodyguards you are talking about?" because Xiao Tian and the others were wearing silicon head masks, Nalan Jiangge did not know who they were.

Her eyes were instantly filled with displeasure. Previously, she and her husband came to her daughter's house to recommend a few bodyguards for her.

They knew that Yun Xin Er's life was in danger. That was why they came to her house with four bodyguards.

However, Yun Xin Er's answer made them unhappy. Yes. Yun Xin Er refused to use the bodyguards they recommended.

This was the reason why Nalan Jiangge looked at Xiao Tian and the others with a displeased gaze.

Of course, Yun Xin Er did not tell them who Xiao Tian was because he told her to hide his identity yesterday.

She was also sure that her mother would kick him out if her mother knew who he was because her mother still disliked Xiao Tian.

"Yes. They are the bodyguards I chose." Yun Xin Er stated.

"They look weak. I'm sure they are weaker than the bodyguards we recommended to you." Nalan Jiangge believed that Xiao Tian and the others were weaker than the bodyguards she chose because these bodyguards were bigger than them.

Yun Xin Er stared at Xiao Tian and the others. She had no idea if they could beat these bodyguards or not because she did not know how strong they were.

At this moment, these bodyguards smirked at Xiao Tian and the others as if they looked down on Xiao Tian and the others.

Chun Hua and Ren Aoxu were displeased. Even though these bodyguards did not say anything, they could tell everything from their expressions.

As for Xiao Tian and Mu Huo, they behaved normally because they believed they could defeat these bodyguards.

Mu Huo was a powerful martial artist at the high-level master stage. Not only that, but he also had a lot of fighting experience.

As for Xiao Tian, he believed one hundred percent that he could defeat them in less than a minute.

'They are around twenty-seven to twenty-nine years old. At most, they are at the high-level master stage now.'

When he was still at the mid-level master stage, he never lost fighting against a martial artist at the high-level master stage.

Now that he had broken through to the high-level master stage, it would be effortless for him to defeat a martial artist at the high-level master stage.

There was even five percent of energy of heaven and earth in his martial arts points, so his strength, reflexes and speed were above the average martial artist at the high-level master stage.

Not only that, but he still had two more trump cards; battle instinct and secret techniques. No, Xiao Tian was sure that he did not need to use his trump cards to defeat them.

His fighting experience from two lives was more than enough to defeat them. That was why Xiao Tian behaved as if they were air.

Xiao Tian grabbed Ren Aoxu's right shoulder before speaking, "Don't lower yourself to their level. They are just clowns."

The anger within Ren Aoxu's body instantly disappeared.

'Senior brother is right. They are only clowns.'

He took a deep breath before exhaling it.

Xiao Tian was satisfied with Ren Aoxu's behavior.

'As expected of my junior brother.'

Even though Ren Aoxu was not as strong as these bodyguards, Xiao Tian believed that Ren Aoxu would be much stronger than them in the future.

These bodyguards exchanged a glance with each other before nodding their heads and grinning.

At this moment, the red-haired bodyguard suddenly spoke, "Madam Nalan, how about we spar with them now? With this, we will know who is better in martial arts between us."

"That's right." The green-haired bodyguard added. "And the winner will become Miss Yun's bodyguard later. Now I wonder if they dare to spar with us or not?"

All the bodyguards smirked again as they looked at Xiao Tian and the others.

Chapter 1142 - I Will Defeat You In Twenty Seconds

7-9 minutes

'Spar?'

Nalan Jiangge and Yun Wuya exchanged a glance with each other.

They thought it was a good way to choose who would become Yun Xin Er's bodyguards because, with this, they would know their skills later.

Nalan Jiangge shifted her gaze from her husband to Xiao Tian and the other.

"Are you willing to accept their challenge?" she inquired.

"We accept it." Xiao Tian replied instantly.

The bodyguards, who Nalan Jiangge recommended, smirked again.

'Fool!'

They believed that they could defeat Xiao Tian and the others later because Xiao Tian and the others looked weak.

"Xin Er, we will choose the winner to be your bodyguards later. Do you agree with this?" Yun Wuya inquired.

Yun Xin Er did not answer immediately and turned her head to look at Xiao Tian. She wanted Xiao Tian to be her bodyguard because, with this, she could spend time with him later.

And the bodyguards who her mother recommended did look strong, so she did not know if Xiao Tian and the others could defeat them or not later.

Xiao Tian instantly nodded his head. He decided to teach them a lesson because these bodyguards dared to challenge them.

When Yun Xin Er saw Xiao Tian nodding his head, she immediately agreed. "Alright. The winner will become my bodyguards later."

'Little brother, Do not disappoint me.'

She added in her head.

"Don't change your mind later." Nalan Jianged uttered.

After that, Xiao Tian and the others headed to the backyard.

At first, she wanted to let them spar in the front yard, but she changed her mind because there were many beautiful flowers in the front yard.

After they were in the backyard, Yun Wuya spoke, "Since each group has four people, the first group to win three times is the winner."

Xiao Tian and the others agreed with Yun Wuya's idea.

'With this, I can protect junior brother later.'

Ren Aoxu was still a martial artist at the low-level master stage, so Xiao Tian knew that Ren Aoxu would not be able to defeat them because they were martial artists at the high-level master stage.

Xiao Tian then looked at Chun Hua and gave her the signal to become the first fighter. After that, he would order Mu Huo to become the next fighter.

He would fight on the third turn. With this, Ren Aoxu did not need to fight them.

Even though Xiao Tian did not say anything, Chun Hua understood what Xiao Tian wanted. For this reason, she immediately stepped forward.

The red-haired bodyguard immediately looked at the green-haired bodyguard. He could decide who would fight first since he was the leader of the group.

The green-haired bodyguard walked forward with a grin on his face. Chun Hua was a woman and looked like a weak martial artist, so he believed that he could defeat her easily later.

After Yun Wuya gave a sign to fight, the green-haired man dashed towards Chun Hua. Like before, the wide grin was still visible on his face.

'Don't blame me, woman!'

He threw out his right fist at Chun Hua's head.

Chun Hua was unhappy because the green-haired man kept underestimating her. For this reason, she decided to pit their strength.

*Boom.

Their fists met.

The green-haired man gritted his teeth.

'Hii!'

He felt pain in his right arm.

Previously, he thought of her as a fool. Sure, his strength was only at the high-level master sage.

However, Chun Hua was a woman and looked like a weak martial artist, so he thought of her as a fool when she wanted to pit their strength.

But he realized something now.

He underestimated her!

She even had more power than him.

Chun Hua did not feel pain.

'Tch! His strength is only at this level.'

Since she took a medicine bath every day and practiced martial arts under Mu Huo's guidance, her strength had greatly improved compared to before.

Her strength was already at the peak of the high-level master stage. This was the reason why she did not feel any pain.

"It seems like she will win later." Xiao Tian spoke abruptly.

"I will be disappointed if she loses to him." Mu Huo stated.

Chun Hua was the strongest martial artist after him, so he would be disappointed if she lost to her opponent because, in his eyes, his opponent was not a strong martial artist.

Chun Hua dashed towards the green-haired man's right side before kicking his lower back.

*Bang.

The green-haired man was thrown two meters from where he stood.

However, Chun Hua did not stop there. She immediately dashed towards the green-haired man again.

She wasted no time and immediately kicked his chin when she was in front of him.

"This is a one-sided fight." Xiao Tian looked at the red-haired bodyguard as he smirked.

The red-haired man gritted his teeth. He was furious because Xiao Tian dared to mock them.

'Damn it!'

He also did not expect Chun Hua to be so strong.

When the green-haired man was falling to the ground, Chun Hua raised her right leg high before finally kicking his mid-torso.

*Aukk...

Blood splashed out of the green-haired man's mouth before falling to the ground.

The green-haired man found it hard to believe what was happening. Not only did he lose a fight against a woman, but she also defeated him in less than a minute.

This was humiliating for him. However, he could not do anything and only stared at her because his whole body was in pain.

Chun Hua's lips curled up into a grin before walking towards Xiao Tian.

"Well done!" Xiao Tian stated.

The green-haired man clenched his left fist. Even though Chun Hua did not say anything, but her expression showed everything.

Chun Hua's grin and expression showed one thing.

Weak!

Yes. Chun Hua said he was weakling through her expression and grin.

He sat up and immediately hit the ground.

'Damn it!'

He did not expect something like this to happen.

Yun Wuya then announced the winner.

Yun Xin Er was pleased.

'Good!'

She said in her head.

The red-haired man immediately turned his head to the left. "You are next."

The yellow-haired man replied instantly. "Don't worry. I will defeat my opponent later."

Xiao Tian looked at Mu Huo and spoke, "Humiliate him!"

When he said this, what he meant was to defeat his opponent quickly. With this, Nalan Jiangge and the others would know the big gap between them.

"Understood." Even though Xiao Tian did not say what he wanted directly, Mu Huo could understand it.

And like what Xiao Tian expected, Mu Huo could defeat his opponent easily. He even defeated the yellow-haired man faster than Chun Hua beat the green-haired man.

This made Nalan Jiangge turn her head in annoyance.

'There are so weak! How dare they call themselves professional bodyguards?'

The bodyguards she recommended lost twice in a row, so she was annoyed because this made her look incompetent in choosing bodyguards.

Unlike her mother, Yun Xin Er was pleased because, with this, there was a high possibility that Xiao Tian would become her bodyguard later.

'Good! We just need one more win.'

Her face broke into a smile.

The red-haired bodyguard was unhappy.

'Tch! What a useless people!'

He immediately stepped forward to challenge Xiao Tian.

The red-haired man raised his right index and middle fingers before speaking, "Twenty seconds.. I will defeat you in twenty seconds."

Chapter 1143 - I Won't Attack You For Twenty Seconds

6-7 minutes

"Twenty seconds! I will defeat you in twenty seconds." The red-haired man stated.

He was the strongest in his group and had a lot of fighting experience. That was why he believed he could defeat Xiao Tian in twenty seconds.

Xiao Tian's lips curled up into a grin.

'Interesting!'

He wanted to humiliate the red-haired man even more because the red-haired man dared to say he would defeat him in twenty seconds.

'Wait!'

Xiao Tian suddenly remembered something.

'I think this is the best way to humiliate him.'

He decided to use the fourth secret technique.

At first, he did not want to use his secret move, but he changed his mind because he had never used it against his opponent since he mastered the fourth secret move.

That was why he thought it was a good idea to use it. Yes. He wanted to use the red-haired man as a guinea pig.

Sure, he had used the fourth secret move against his opponent in his previous life, but he had never used it in his current life.

*Srshh...

As Xiao Tian was walking forward, he took his special sword and extended it.

The red-haired man was startled when Xiao Tian suddenly took out his special sword. However, he did not say anything and only clenched his fist.

"Don't worry. I won't kill you. I will only use the backside of my sword, so you won't be killed later." Xiao Tian only wanted to humiliate the red-haired man, so he decided to use the backside of his special sword.

Yun Wuya and the others were relieved when Xiao Tian stated he would not kill his opponent later.

"The winner hasn't been decided yet, so why are you acting like you've already won in this spar?" even though Xiao Tian would use his special sword, the red-haired man did not show the slightest fear in his eyes.

He had fought many swordsmen before, so he behaved normally. He was only shocked earlier, not scared.

"You said you would defeat me in twenty seconds, right?" Xiao Tian uttered.

"That's right." The red-haired man replied instantly.

"Then, I won't attack you for twenty seconds." Xiao Tian spoke and paused for a second before he continued, "I want to know if you really can defeat me in twenty seconds or not."

Yun Wuya and Nalan Jiangge stared at Xiao Tian.

'He is arrogant!'

These were the words that appeared in their minds.

Yun Xin Er was startled after hearing Xiao Tian's words.

'Little brother, what are you saying?'

She believed it was not a good idea because he would be at a disadvantage later.

The red-haired man was about to explode with rage. This was the first time someone underestimated him like that since he became a martial artist.

Xiao Tian said he would not attack him for twenty seconds. The meaning of his words was clear.

Xiao Tian did not put him in his eyes!

Not only was Xiao Tian younger than him, but Xiao Tian underestimated him too.

'Damn it! This asshole is so arrogant!'

The red-haired man kept cursing in his heart.

Xiao Tian, who looked at the red-haired man, shook his head.

'I only said a few words, but his body has been consumed by anger. Are you sure you are a professional bodyguard?'

In his eyes, a professional bodyguard should not lose control like that.

They had to control their emotion because they would not be able to protect their client if they could not think straight.

Xiao Tian then turned his head to look at Mu Huo. "Luo Zhantian, I want you to count to twenty later."

"All right." Mu Huo replied as he nodded his head.

"You talk big! Let's fight now!" the red-haired man wanted to fight Xiao Tian immediately.

"Fine." Xiao Tian answered calmly.

After Yun Wuya gave a sign to fight, the red-haired man dashed towards Xiao Tian. He did not waste time because he wanted to beat Xiao Tian immediately.

Xiao Tian dared to underestimate him, so he wanted to teach Xiao Tian a lesson.

"One...two...three...four...." Mu Huo started counting.

Punch, kick, punch, kick. The red-haired man attacked Xiao Tian continuously. He also attacked Xiao Tian from all directions.

However, Xiao Tian was able to avoid or block all of his attacks. This was why he gritted his teeth as he attacked Xiao Tian.

Even though they were at the same level, but Xiao Tian was stronger than him.

Coupled with the five percent of the energy of heaven and earth in his martial arts points, the difference in their strength became even bigger.

This was the reason why Xiao Tian always managed to block or avoid the red-haired man's attacks.

"Eleven...twelve...thirteen...." Mu Huo counted out loud.

"Hmm? What's wrong? It's already thirteen seconds, you know? If this is the best you can do, then you won't be able to defeat me in twenty seconds." Xiao Tian did not forget to mock the red-haired man.

He really loved mocking his opponent because, with this, his opponent would not be able to think straight.

His master said a martial artist, who fought with anger, would not be able to think straight.

Not only that, but they would become impatient, and their attacks would be much easier to read too.

In other words, it would be easier to defeat an opponent who fought with anger because what they had in mind was only one thing.

Anger!

Yes. They would not bother to think of a way to defeat their opponent because their heads were filled with anger.

This was the reason why Xiao Tian loved mocking his opponent so much.

Like what Xiao Tian wanted, the anger within the red-haired man's heart grew bigger after hearing his words.

His attacks became much easier to read, and he also did not think of a way to defeat his opponent.

"My boss has always been good at making anyone lose control of themselves." Mu Huo mused.

"Hmm? What's wrong? You never land an attack on my body until now. Didn't you say you would defeat me in twenty seconds?" Xiao Tian mocked the red-haired man again.

"Sixteen...seventeen..." Mu Huo continued counting.

"Three more seconds." Xiao Tian stated as he dodged the red-haired man's attacks.

"Agggghhhhh.." The red-haired man shouted loudly before attacking Xiao Tian again.

Chapter 1144 - Fight Me Like A Man

7-8 minutes

"Aghhh..." The red-haired man cried out in anger.

At this moment, his attacks became much easier to read because all he had in mind was attack and attack.

Yes, he had lost himself in anger, so he could not think straight. He kept attacking Xiao Tian non-stop. He even made many useless moves and attacks.

For this reason, the red-haired man lost a lot of his stamina. "Stop running away and fight me like a man!"

"Nineteen...Twenty..." Mu Huo uttered, "It's already twenty seconds."

'As I thought, he failed to defeat my boss in twenty seconds.'

Of course, Mu Huo believed that Xiao Tian would not be defeated in twenty seconds.

No, he believed that the red-haired man would not be able to defeat his boss. That was why he found it funny when the red-haired man stated he would defeat Xiao Tian in twenty seconds.

"As I thought, you are just talking big. You said you would defeat me in twenty seconds earlier, but here, you even never landed an attack on my body." Xiao Tian did not forget to mock the red-haired man again.

Yun Xin Er had no idea as to why she suddenly felt relieved. Even though the winner had not been decided yet, but she was relieved for no reason.

The red-haired man gritted his teeth because Xiao Tian kept humiliating him.

'Damn it!'

He did not expect to fail to defeat Xiao Tian in twenty seconds.

"Hmf! All you did is run away." The red-haired man uttered, "Fight me like a man and don't keep running away like a woman."

"Sure." Xiao Tian instantly changed his position into lai Stance.

'Moon style sword of drawing techniques- fourth ceremony= Radiant Sword Wind.'

Like his previous plan, he decided to use the fourth secret move to finish the red-haired man.

The red-haired man had no idea as to why a deep feeling of fear suddenly arose within him.

For this reason, he did not attack Xiao Tian like before; instead, he decided to stay on the defensive this time.

*Shui...

Xiao Tian began to attack the red-haired man.

He moved in pentacle pattern before changing it into Yin-Yang pattern. His attacks were fast and aimed at the fatal areas too.

Head, arms, legs, chest; every part of the red-haired man's body was hit by Xiao Tian's deadly attacks.

Nalan Jiangge and Yun Wuya were startled. They didn't expect that the person they thought was weak turned out to be so strong.

The red-haired man even could not block or avoid all of Xiao Tian's attacks.

*Bruak...

The red-haired man fell to the ground, fainted.

*Silence...

The entire area turned into a dead silence.

All this time, Xiao Tian never attacked the red-haired man, but he immediately defeated the red-haired man as soon as he decided to attack the red-haired man.

They just did not expect that Xiao Tian would defeat the red-haired man so easily like that. It could not even be said to be a fight in their eyes.

Xiao Tian, who was standing behind the red-haired man with his back facing the red-haired man, shortened his sword.

'You are lucky!'

If he did not use the backside of his special sword, the red-haired man would have been died by now.

However, he could not kill the red-haired man in front of Yun Xin Er and the others.

The members of the red-haired man's group were trembling in fear. When Xiao Tian glanced at them, they felt as if a grim reaper was staring at them.

Yes, they felt as if a huge grim reaper suddenly appeared behind Xiao Tian and was ready to take their lives with his scythe.

'He...he is a demon!'

Unlike Yun Wuya, Yun Xin Er, and Nalan Jiangge, these bodyguards were martial artists, so their senses were sharper than Yun Wuya and the others.

These bodyguards trembled in fear because Xiao Tian let out his deadly aura when he stared at them.

"Do you still want to continue?" even though Xiao Tian already knew the answer, he still asked it.

Of course, he knew that they would refuse to continue the spar because they had already lost their fighting spirit.

And they had also won three times, so they were the winner in this spar based on the rules made up by Yun Wuya.

These bodyguards shook their heads instantly. Xiao Tian was like a demon in their eyes, so they did not dare to challenge him.

Yun Wuya and Nalan Jiangge agreed to let Xiao Tian and the others be Yun Xin Er's bodyguards because Xiao Tian's group won the fight.

At this moment, Yun Xin Er wanted to hug Xiao Tian immediately, but she decided against it because her mother would know who he was later.

These bodyguards immediately took the red-haired man and left.

After Yun Wuya and his wife left, Fu Rou came to Yun Xin Er's house. She told Yun Xin Er that the Rose TV show invited her to attend their show.

Of course, the Rose TV show gave Fu Rou a list of questions that would be asked when it aired.

After reading all the questions, Yun Xin Er decided to accept the invitation.

At 02:10 am, Yun Xin Er and the others went to the studio. The Rose TV show started fifteen minutes after they arrived at their destination.

The studio was designed like a luxurious living room. There was a red sofa in the middle of the studio with a wooden table in front of it.

There were also around fifty people sitting on their seats in front of the sofa. They were people who came to the studio to see Yun Xin Er and the other guest.

At this moment, Yun Xin Er was sitting on the couch with Jixi and Qing Mei. Jixi was the other guest of the Rose TV show, while Qing Mei was the host of the show.

As for Xiao Tian and the others, they were standing behind the camera operators.

'I can't let my guard down.'

Xiao Tian paid attention to Yun Xin Er and his surroundings carefully.

Not only Xiao Tian, but Mu Huo and the others also did the same thing. Previously, Xiao Tian ordered them to pay attention to their surroundings.

Someone attacked Yun Xin Er when she was in the studio before, so he did not want the same thing to happen again.

"Miss Yun, what do you do in your free time?" Qing Mei inquired.

"I only stay at home or go to a good place to relax my mind if I have free time." Yun Xin Er could answer the question easily because she had read it before.

No, she was sure that she could still answer it even if she did not read the question because it was an easy question.

Like before, Qing Mei asked Yun Xin Er questions again. She also did not forget to include the audience to make the atmosphere lovely.

Qing Mei was a professional in her work. She knew when to joke, ask, and include the audience in their conversation.

"Miss Yun, there is a rumor about you and a successful young businessman Xiao Tian since a few months ago.." Qing Mei uttered, "Rumor says you have a special relationship with him. Is that true?"

Chapter 1145 - Incident In The Studio

8-10 minutes

Yun Xin Er was startled by Qing Mei's question because this question was not on the list given to her.

'Should I give an honest answer or not?'

She believed there would be more rumors if she admitted it.

However, she was afraid that she would hurt Xiao Tian's feelings if she denied it because he was standing not far from her.

Xiao Tian instantly turned his head towards Yun Xin Er.

'???'

He clenched his right fist.

He knew that question was not on the list given to her because she let him see the list of the questions before.

At this moment, Xiao Tian understood Yun Xin Er's feelings because he had experienced this situation before.

Fu Rou immediately walked towards the producer. This question could affect Yun Xin Er's career, so she wanted to complain.

Yun Xin Er had a concert in a few days, so there should not be more rumors about her, or else it could ruin everything later.

The producer instantly stared at Qing Mei with a terrifying look.

Yun Xin Er was a famous singer and had a close relationship with the young miss of the Li family, so they could not afford to offend her.

Qing Mei knew what she had to do when the producer stared at her.

"Miss Yun, you can ignore my question if you don't want to answer it." Even though she was terrified, Qing Mei still acted normally because she had to maintain her image. "I'm only curious about that rumor. Haha."

She just did not expect the producer to stare at her with a terrifying look as if the producer wanted to kill her.

"The answer is...secret." after saying that, Yun Xin Er winked her left eye.

Even though she was unhappy, she did not show it on her face and behaved normally. She was a famous person, so she had to act in front of the public.

Not long after that, the show was over. However, something unexpected happened as soon as the show was over.

The lights in the studio suddenly went out!

Xiao Tian instantly took his smartphone out of his pocket and turned on the flashlight.

'Danger!'

Without waiting for another second, he dashed towards Yun Xin Er.

He had to be by Yun Xin Er's side at this moment because someone wanted to hurt her.

'I have to protect big sister.'

He said in his head.

It was a good opportunity to hurt Yun Xin Er because the lights went out.

All the audiences were startled when the lights suddenly went out.

"I'm here." Xiao Tian said after he stood next to Yun Xin Er.

'Why do I have an uneasy feeling like this?'

He instantly skimmed his surroundings.

Like Xiao Tian, Mu Huo, and the others also rushed towards Yun Xin Er. They also thought someone turned off the lights on purpose.

And what they had guessed was right because the wooden pole that was used as a display suddenly fell towards Yun Xin Er.

The wooden pole was quite big, so it could injure Yun Xin Er if it fell on her.

"Danger!" Xiao Tian grabbed Yun Xin Er's slender waist and took two steps back to avoid it.

*Bang!

The sound of a wooden pole falling onto the table reverberated in the studio.

"Xin Er, where are you? Xin Er, answer me." Fu Rou said worriedly.

"Aghhh..."

"Aaaa"

"Aaaa"

"Aaaa"

Some of the audience screamed in terror after hearing the sound of a wooden pole falling onto the table.

"Everyone, please calm down. We will take care of this quickly." The producer tried to calm down the audience.

'Damn it! What the fuck are they doing?'

He was furious at the crew in charge of the lights.

It would affect the rating of their show if this incident hurt someone.

And what he was most afraid of in this incident was that one of their guests was injured due to this incident.

*Tar....

The sound of lights breaking echoed in the studio.

Xiao Tian, Mu Huo, Chun Hua, and Ren Aoxu instantly protected Yun Xin Er.

"Are you alright?" Xiao Tian inquired.

"I'm fine." Yun Xin Er replied instantly.

As Xiao Tian was protecting Yun Xin Er, he used the flashlight of his cell phone to look at his surroundings.

However, he could not find any suspicious person because it was hard to see in the dark room.

First, there were many people in the studio, and second, the studio was very dark. He was only using the flashlight of his cell phone so what he could see was limited.

*Clikk...

The lights were on.

At this moment, they saw something shocking.

Jixi, the other guest, was unconscious with blood in her head!

From her condition, the wooden pole fell on her head before she was unconscious.

The producer rushed towards Jixi and shouted, "Medical team, come here quickly!"

He was furious. He was enraged because one of their guests was injured in their show.

'Damn it!'

He kept cursing non-stop.

The producer immediately called all the crew and yelled at them. He also told them to investigate everything quickly.

"Xin Er, are you alright?" Fu Rou dashed towards Yun Xin Er with a worried face.

"I'm fine." Yun Xin Er replied instantly.

Fu Rou was relieved when she knew that Yun Xin Er was fine.

Xiao Tian, Mu Huo, Chun Hua, and Ren Aoxu instantly paid attention to their surroundings. They believed that this incident was meant to hurt Yun Xin Er.

The producer walked towards Yun Xin Er and inquired, "Miss Yun, are you alright?"

"I'm fine." Yun Xin Er replied instantly.

"I'm sorry for this incident." The producer apologized to Yun Xin Er. "We are investigating everything now and will give you an explanation later."

"Un." Yun Xin Er nodded her head.

They immediately brought Jixi to the hospital.

"Let's go to the waiting room." Xiao Tian thought the waiting room was a safer place for Yun Xin Er.

"Un." Yun Xin Er agreed with his idea.

Yun Xin Er and the others were in the waiting room for about an hour.

They did not say anything and just stared at each other when the producer told them it was just an incident.

Not long after that, several news reporters came to the studio to interview Yun Xin Er and some audiences.

The director could only clench his fists because he could not stop all the reporters. He was furious because it would affect the rating of their show later.

Luckily, Yun Xin Er refused to be interviewed.

Bamboo Restaurant, VIP Area.

Yun Xin Er and the others were currently sitting on the chairs. Previously, they went straight to the Bamboo Restaurant after leaving the studio.

Her parents also called her because the incident was already aired on several TV news.

"Was it really a pure incident?" Yun Xin Er inquired.

"I believe you are the target of this incident. The female guest was sitting next to you earlier, so the wooden pole fell on her head after I saved you." Xiao Tian was sure the wooden pole would hit Yun Xin Er if he did not save her in time.

"I also thought this was not a pure incident." Mu Huo and the others also thought the target of the incident was Yun Xin Er.

"We need to be more careful from now on." Fu Rou stated.

They talked for about an hour before finally going to Dufi studio for an advertisement. Unlike before, nothing happened this time.

Yes. Yun Xin Er could finish the advertisement smoothly without any incident.

"It's already 06:00 pm. Let's go to the restaurant to eat." Yun Xin Er wanted to eat because she was hungry.

"Un." Xiao Tian and the others nodded their head.

Without waiting for another second, they headed to the parking lot. It was an outdoor parking lot.

Yun Xin Er suddenly remembered something when she was about to open the car door. "I forgot to bring the bag the sponsor gave me. You all wait here. I'm going to take it now."

At first, Yun Xin Er did not want to take it, but she changed her mind when she remembered it was a luxurious bag.

"Wait! Let me accompany you." Xiao Tian could not let her alone because someone wanted to hurt her.

Yun Xin Er had walked towards the studio, so the distance between her and Xiao Tian was about five meters.

*Vroom...

At the same time, a blue car was speeding towards Yun Xin Er.

Xiao Tian, who realized it, immediately dashed towards Yun Xin Er.

'Danger!'

Chapter 1146 - She Is An Angel

7-8 minutes

Yun Xin Er was shocked when she saw a car speeding towards her. For this reason, she remained in her position and only stared at the vehicle.

*Vroom...

The driver's lips curled up into a smirk when he was about to hit Yun Xin Er.

Yes. He wanted to hit Yun Xin Er with his vehicle. He was not the mastermind, but he was the mastermind's follower.

And his task was only one thing.

Hit Yun Xin Er with his car!

However, he failed to hit Yun Xin Er with his vehicle because Xiao Tian managed to save her.

The distance between Xiao Tian and Yun Xin Er was only five meters, and he had a good speed, so he managed to save her before she was hit by the car.

After saving Yun Xin Er, Xiao Tian looked at the vehicle. He was displeased when he saw the car's license plate number covered with something.

The driver was annoyed when he failed to carry out his task. He kept driving his vehicle because it would be dangerous if he stopped the car.

Fu Rou and the others immediately rushed towards Xiao Tian and Yun Xin Er.

"Are you two alright?" Fu Rou inquired.

"We are fine." Yun Xin Er replied instantly.

"We can't investigate the owner of the car because the number plate is covered in something." Mu Huo also looked at the vehicle earlier, so he knew that the car's license plate number was covered with something.

Xiao Tian was annoyed. But what annoyed him most was that they could not see the characteristics of the vehicle clearly because the car was speeding earlier.

Two incidents in a day, and they found no clue at all.

'Sigh. It seems like it will be hard to catch the mastermind.'

At this moment, Xiao Tian felt like a useless person.

When Yun Xin Er saw Xiao Tian's expression, she immediately said, "It's fine. At least, nothing bad happened to me. We will catch the mastermind sooner or later."

She could understand what Xiao Tian had in mind because it was written on his face.

"Let me accompany you to take the bag." Xiao Tian uttered.

"Un." Yun Xin Er nodded her head.

After taking the bag, Xiao Tian and the others went to a restaurant to eat dinner together. They did not go to a luxurious restaurant because they were starving.

"This restaurant is amazing!" Yun Xin Er stated.

She was currently sitting on the chair with Xiao Tian and the others. Even though it was not a luxurious restaurant, but the room was huge.

There were many wooden tables in the room, and each table had two long wooden chairs facing each other.

They also could see the trees around them or the night sky because that room did not have walls.

Even though the building was built using wood, it still looked beautiful and comfortable.

Coupled with lanterns hanging on each wooden pole, made the atmosphere around the room more relaxed and pleasant.

"Yes. This restaurant is good." Xiao Tian said as he looked at the small garden on his right side.

Yes. Not only was the room beautiful and comfortable, but there was also a small garden next to the building.

There was even a pond with many kinds of fish. The pond looked amazing because all the fish had different colors, from red to white.

At this moment, a middle-aged man was looking at Xiao Tian and the others from away.

'Hehe. Good! Good!'

His lips curled up into a grin when he saw two waiters walking towards Xiao Tian and the others with food and drinks in their hands.

He had put poison in the drink earlier, so he was pleased. Actually, he also wanted to put poison in the food, but someone suddenly entered the kitchen earlier.

That was why he could only put poison in the drink. But even so, he was still happy because he was sure that Xiao Tian and the others would drink it later.

And as if God wanted to protect Yun Xin Er and the others, a kid suddenly ran towards the waiters before finally bumping into their legs, causing the waiters to fall to the floor along with the food and drink.

*Tar....

The sound of glasses and plates breaking into pieces reverberated in the entire area.

Everyone instantly turned their heads towards the source of the sound.

"What happened?"

"Did that kid bump into them?"

"It seems so."

All customers wanted to know what had just happened.

The waiters instantly looked at the kid. They were furious because the kid caused big trouble, but they did not know what to do.

Should they be mad at the kid? Or should they let it go? They had no idea what to do. If they yelled at the kid, it would ruin the reputation of the restaurant.

Not only that, but their manager would also get angry at them, and there was a high possibility that their manager would fire them.

But it would look like they were the wrong ones if they did nothing to the kid. For this reason, the waiters could only exchange a glance with each other.

"I'm sorry for what my son has done." A young woman about twenty-seven years old rushed towards the waiters and apologized.

She immediately grabbed her son's right hand. Previously, she was having dinner with her son, but he suddenly ran without saying anything.

Like before, the waiters could only exchange a glance with each other.

"What's going on here?" a middle-aged man around forty years old suddenly spoke.

The waiters instantly turned their heads towards the middle-aged man.

"Manager, this is..." One of the waiters explained what had just happened.

Like before, the mother of the kid apologized again. She knew that her son was the wrong one, so she apologized to the manager too.

Yun Xin Er and the others also looked at them. She could tell that the food and drinks that fell on the floor were her orders.

"Whose order is that?" the manager inquired.

"From table number four." One of the waiters replied instantly.

The manager was shocked when he saw Yun Xin Er sitting at table number four.

'Miss Yun?'

It would not be complicated if it were the order from an ordinary person, but Yun Xin Er was one of the most famous singers in China.

If she gave a bad review about the restaurant and spread it on the internet, the restaurant would lose a lot of customers later.

'What...what should I do?'

He had to think of the best way to solve the problem because Yun Xin Er was a famous person.

'I should apologize to her first. Yes. I can order the chef to make her order again later.'

With that idea in mind, he decided to apologize to Yun Xin Er first.

To his surprise, Yun Xin Er suddenly walked towards them and looked at the waiters and the kid, "Are you alright?"

Yes. Yun Xin Er was not angry at them because it was only food and drinks.

"We...we are fine." The waiters were startled by Yun Xin Er's actions.

Previously, they thought Yun Xin Er would be angry at them, but they were wrong. Not only was she not mad, she even asked if they were alright or not.

'An angel! She is an angel.'

These were the words that appeared in their minds.

Chapter 1147 - Singing A Romantic Song For Yun Xin Er

6-8 minutes

"Miss Yun, I'm sorry for this incident. I will immediately ask the chef to make your order again." the manager apologized to Yun Xin Er.

Like the waiters, he was startled by Yun Xin Er's actions, but he did not show it on his face.

"It's fine." Yun Xin Er replied as she showed her soft smile.

The mother of the kid apologized to Yun Xin Er too. After they left, Yun Xin Er returned to her seat.

At this moment, the middle-aged man, who put poison in their drink, grinned.

'Oh! they are so lucky.'

Previously, he thought he would succeed in poisoning Yun Xin Er and the others.

He just did not expect that his plan would be ruined by a kid. At that time, he wanted to beat that kid so badly, but he could not do that.

The middle-aged man decided to leave because he could not find the time to put poison again because there were so many people in the kitchen.

After eating dinner together, Yun Xin Er and the others went home.

Xiao Tian went home and spent time with his women for about two hours before finally traveling to Yun Xin Er's house.

At this moment, Mu Huo, Chun Hua and Ren Aoxu were in the living room.

The housemaids did not say anything when they saw Mu Ho and the others because they knew that Mu Huo and the others were Yun Xin Er's bodyguards.

And they were also the new housemaids that Yun Xin Er had personally hired. She fired the previous housemaids because they always reported everything to her mother.

Even though her current housemaids were already old, they did a good job taking care of her and the house.

Xiao Tian, who was on his way to Yun Xin Er's house, smiled happily.

'I can spend the night with big sister Yun again later.'

He was pleased because it had been a long time since the last time they spent the night together.

No, he did not have dirty thoughts. He also had no intention of having sex with her or seducing her.

He only desired to chat with her before sleeping together. As Xiao Tian was smiling happily, something unexpected happened.

It suddenly rained!

Xiao Tian was startled.

However, he did not mind it because he was using his car.

After arriving at Yun Xin Er's house, he immediately headed to the living room to chat with Mu Huo and the others.

But he could only chat with them for about twenty minutes because Yun Xin Er suddenly called him and told him to come to her room.

Xiao Tian headed to her room with a smile on his face because this was what he wanted.

*Click...

Xiao Tian opened the door.

To his surprise, he saw Yun Xin Er sitting on the floor next to her bed. But what surprised him most was that she was holding a guitar.

'Guitar?'

At this moment, Xiao Tian suddenly thought Yun Xin Er wanted him to play the guitar for her.

And what he had guessed was right because Yun Xin Er immediately asked him to play the guitar for her.

"Little brother, it's raining now. Isn't this a good opportunity to seduce this big sister? This big sister even brings a guitar to help you seduce her." Yun Xin Er knew that Xiao Tian could play the guitar because she had seen him play the guitar in the past.

Xiao Tian closed the door before finally walking towards her with a smile on his face.

"Here." Yun Xin Er immediately gave the guitar after Xiao Tian sat next to her.

"What song do you want to hear?" Xiao Tian inquired.

"Up to you." even though she said something like this, Yun Xin Er hoped he would sing a romantic song.

Of course, Xiao Tian knew what she had in mind because he knew what to do at this moment.

However, he decided to tease her. "Then I will sing a song called I hate you very much."

Yun Xin Er immediately hit Xiao Tian's right shoulder. "Little brother, I hate you!"

"Pfff." A peal of suppressed laughter burst out.

'Cute!'

He found her behavior cute.

"You are going to play the guitar for a gorgeous and famous lady, so why did you choose to sing a bad song like that?" although Yun Xin Er did not know the lyric, she could tell from the title of the song that it was not a romantic song.

"Didn't you say it was up to me?" Xiao Tian kept teasing her.

"Hmf!" Yun Xin Er grimaced and turned her head to the other side.

Xiao Tian smiled softly before pinching her left cheek. "Alright, alright. I will sing a romantic song now."

Yun Xin Er instantly turned her head towards him. "Good!"

*Jreng....

The sound of guitar reverberated in her room.

"Your presence changed my life...." Xiao Tian began to sing a famous song from his previous life.

At this moment, he had taken off his silicon head mask because he was alone with Yun Xin Er.

The title of the song was I LOVE YOU.

It was one of the most famous songs in his previous life. He even sang this song in front of women several times because this song was good for seducing a woman.

This song told the story about the presence of a young woman who changed the life of a young man.

The young man's life turned colorful since the presence of the young lady. Her caring behavior melted all of his problems, and her smile always brought happiness.

His life changed 180 degrees since the presence of the young lady, and he also felt as if he was the happiest man in the world.

Xiao Tian was really soulful when he was singing this song, as if he was expressing his feelings through the song.

Yun Xin Er, who heard Xiao Tian sing a romantic song, paid attention to him carefully. At this moment, she was drowned in his singing.

She knew that Xiao Tian was good at singing, but she felt as if she was hypnotized by him at that time.

"I just want to tell you one thing....

I love you...."

The song ended.

*Silence...

The huge and luxurious bedroom turned into a dead silence after the song ended.

At this moment, Xiao Tian and Yun Xin Er were looking at each other.

*Two seconds...Four seconds... six seconds...

After staring at each other for six seconds, Yun Xin Er broke the silence, "Do you love me?"

Sure, she had asked this question a few times, and Xiao Tian also had given the answer, but she asked this question again.

Xiao Tian held Yun Xin Er's hands before replying, "I love you, Xin Er."

He did not ask the same question to her because he already knew the answer.

However, he knew that they could not be together because her mother had not yet approved their relationship.

Yun Xin Er's face blossomed into a smile.

Sure, Xiao Tian had confessed his feelings a few times, but it still gave her happiness whenever she heard it.

Like before, they stared at each other again.

*One second...two seconds...three seconds...

At the fourth second, both Xiao Tian and Yun Xin Er brought their faces closer to each other.

*Kiss...

Their lips met.

Chapter 1148 - Let's Go On Vacation

6-8 minutes

The autumn rain was wetting the earth, and the trees were swaying in the wind.

When everyone was spending time together with their families on a rainy day, two young people were enjoying themselves in a big bedroom.

If anyone saw these people, they would be shocked at their attractiveness. But what would surprise them most was that these people were doing an adult thing in the bedroom.

Kiss!

Yes, these people were currently kissing in a huge bedroom.

The young man was holding the young woman's hands while the young lady was closing her beautiful eyes.

They seemed to really enjoy the kiss because none of them broke the kiss. These two people were none other than Xiao Tian and a famous female singer, Yun Xin Er.

After pressing their lips against each other for several seconds, they stopped the kiss. Like before, Xiao Tian sang a romantic song again.

This time, Xiao Tian sang a song about a couple who fell in love and promised to live together forever.

Yun Xin Er paid attention to Xiao Tian carefully again. Like before, she was drowned in his singing.

He did not sing anymore after the song ended; instead, he kept holding Yun Xin Er's left hand.

Currently, Yun Xin Er was sitting on the floor with her head leaning on Xiao Tian's right shoulder.

They talked about many things while looking at the rain through the window. At 09:00 pm, Xiao Tian carried her and put her on the bed.

However, she suddenly did something unexpected when Xiao Tian was about to get out of bed.

She stopped him!

Yes, Yun Xin Er grabbed Xiao Tian's right hand when he was about to get out of bed.

"Little brother, sleep with me tonight." Yun Xin Er said as she looked at his face.

"All right." After saying that, Xiao Tian lay on her left side.

To his surprise, Yun Xin Er suddenly hugged his right arm. Of course, Xiao Tian let her do whatever she wanted.

Xiao Tian kissed her forehead before speaking, "Good night, Xin Er."

"Good night, Tian." after saying that, Yun Xin Er closed her eyes.

That night, both of them slept with a smile on their faces.

The following morning, they immediately went to Li Entertainment to prepare for her next concert.

To their surprise, they met Li Wen after Yun Xin Er practiced singing with the others.

"Xin Er, are they your new bodyguards?" at this moment, Li Wen did not know who Xiao Tian and the others were because they were wearing silicon head masks.

"Yes. They are my new bodyguards. I can even order them to do embarrassing things. Hehe." Yun Xin Er emphasized her words when she said Xiao Tian and the others were her bodyguards.

At this moment, she covered her mouth and tried her best not to laugh.

Li Wen was startled after seeing her behavior.

'It seems like she is close to her bodyguards.'

He had seen how Yun Xin Er acted to her previous bodyguards, but this was the first time he had seen her being casual to her bodyguards.

It was as if she was with her friends, not her bodyguards.

The corner of Xiao Tian's lips twitched.

'Bad big sister!'

He wanted to pinch Yun Xin Er's cheeks for saying that, but he could not do that because Li Wen was in front of them.

"I see." Li Wen replied before looking at Xiao Tian and the others, "Please protect Xin Er. Don't let anything bad happen to her."

Actually, he wanted to recommend some bodyguards to her, but he changed his mind after seeing how close Yun Xin Er was to her bodyguards.

In his view, it was not a bad idea to have a good relationship with her bodyguards because, with this, they could cheer her up any time.

Li Wen immediately headed to his office because he still had a lot of work that needed to be done.

Yun Xin Er and the others decided to go home because she did not have more schedule for today.

To their surprise, they saw Yun Xin Er's parents sitting on the couch in the living room.

When Yun Wuya saw his daughter, he immediately spoke, "Come here, Xin Er."

After sitting next to her father, Yun Xin Er uttered, "Father, do you have something you want to say to me?"

Yun Wuya stared at his wife before returning his attention to his daughter again. "Xin Er, it has been a long time since the last time we spent time together, so how about we go on vacation tomorrow?"

Yun Xin Er was startled. "Hmm? Vacation?"

"Yes." Yun Wuya nodded his head.

"But I have a concert in two weeks." Yun Xin Er had a concert in two weeks, so she thought it was not a good idea to go on vacation.

Sure, she would love to go on vacation with her parents, but she could not postpone her concert.

"Are your parents less important than your concert?" Nalan Jiangge asked in a displeased tone.

Yun Wuya instantly looked at his wife and held her hands. Even though he did not say anything, but his gaze told her to remain silent.

Yun Wuya did not want his wife to quarrel with his daughter again. Actually, he was the one who suggested going on vacation together.

His intention was only one thing.

He wanted his wife and daughter to make up!

He was tired of seeing them quarrel every time they met. He wanted them to have a harmonious relationship like before.

Yun Wuya returned his attention to Yun Xin Er again, "Xin Er, it's just a two day and one night vacation. Can't you spare your time for us?"

"I will call director Li and my manager first." Yun Xin Er could not refuse her father's wish because she really loved her father.

Yes, she loved her father more than her mother. That was why she agreed to go on vacation with them.

"Good!" Yun Wuya smiled softly.

"But I want my bodyguards to come with us too." Yun Xin Er wanted Xiao Tian and the others to come with them because with this, she could spend time with them too.

Nalan Niangge, who crossed her arms over her chest, looked at Xiao Tian and the others before finally turning her head to the other side.

"All right." Yun Wuya agreed instantly.

He also had the intention of bringing Xiao Tian and the others because he knew that Yun Xin Er's life was in danger.

Yun Xin Er was relieved when her parents agreed instantly. She then took her smartphone out of her bag and called Li Wen and her manager.

Even though Li Wen and Fu Rou were startled, they still let her go on vacation with her parents.

They knew that Yun Xin Er needed vacation to calm herself. That was why they agreed without a second thought.

Sure, they knew that Yun Xin Er had a concert in two weeks, but going on vacation for two days and one night was not a problem.

"I have called them, and they agreed to let me have a vacation." Yun Xin Er uttered, "Father, where are we going tomorrow?"

Chapter 1149 - Going To Fuzio City

8-10 minutes

"Fuzio city." Yun Wuya gave an honest answer.

Xiao Tian was startled.

'Fuzio city? Isn't that the small city where the Life Waterfall is located?'

Xiao Tian went to Fuzio city several times last month because it was the city where the Life Waterfall was located.

"Don't worry. I have prepared everything." Yun Wuya stated.

"...Alright." Yun Xin Er replied.

After that, Yun Wuya and his wife went home. It had been three hours since Yun Wuya and his wife left.

Yun Xin Er was currently in the living room with Chun Hua and Mu Huo. Their relationship was closer than before since they became her bodyguards.

"Where is little brother?" Yun Xin Er inquired.

"He is teaching Ren Aoxu the secret moves of their martial arts school in the backyard." Mu Huo gave an honest answer.

Yun Xin Er rose to her feet before speaking, "I'm going to the backyard."

Yun Xin Er's House, Backyard.

"Huft...Huft...Huft..." Ren Aoxu was breathing heavily.

It had been forty minutes since Xiao Tian started teaching Ren Aoxu how to master the second secret move quickly.

Due to how good Xiao Tian was at teaching him, Ren Aoxu made huge progress in learning to master the second secret move.

Sure, he still had not mastered it, but he was close to mastering it.

"In order to master our secret moves, you have to make your body remember all the movements." Xiao Tian stated. "You also have to synchronize your movements with your attacks, or else you won't be able to master them quickly."

"Understand." Ren Aoxu nodded his head.

Yun Xin Er, who was walking towards them, immediately said, "There you are!"

Xiao Tian and Ren Aoxu instantly turned their heads towards the source of the sound.

"Little brother, you look like a martial arts expert right now." Yun Xin Er teased Xiao Tian.

"It's because senior brother is indeed a martial arts expert." Ren Aoxu stated.

Ren Aoxu had never seen Xiao Tian lose a fight against his opponent. Xiao Tian could even defeat a martial artist who was one level above his.

Only a martial arts expert could do something like this. That was why Ren Aoxu thought of Xiao Tian as a martial arts expert.

Yun Xin Er touched her chin with her right hand. "Hmm? Is that so? Then I will punish you if you fail to protect me later."

The corner of Xiao Tian's lips twitched.

'Bad big sister!'

Of course, he would do his best to protect Yun Xin Er later.

Not long after that, Mu Huo and Chun Hua also headed to the backyard. They chatted for about an hour before finally, they went to the dining room to eat dinner together.

The following morning, Yun Wuya and the others went to Fuzio city for a vacation. They finally reached their destination after driving for several hours.

"What a beautiful villa!" Xiao Tian stated.

Even though the villa was built with wood, but still looked luxurious. It was as if the architecture knew how to make a wooden villa look elegant and majestic.

There were also words 'Nature Villa' above the gate. Of course, it was also written in wood.

"That is the villa I rented yesterday." Yun Wuya really liked the villa, so he decided to choose it. "Let's come in."

"Un." Yun Xin Er nodded her head.

They were welcomed by a housemaid after entering the villa. Yun Wuya decided to hire a maid to help them during their stay at the villa.

Without waiting for another second, they headed to the living room. The living room was quite big with a wooden sofa in the middle of it.

There was also a huge TV in front of the sofa with some wooden furniture adorning the surroundings.

Yun Yuwa and the others decided to rest in the living room for a few hours. Unfortunately, it suddenly rained when they were about to go to a tourist attraction.

They kept waiting for the rain to stop, but it did not stop; instead, the rain became heavier. For this reason, they could only sigh and stay in the villa.

The following morning, they immediately went to the tourist attraction after eating breakfast.

They decided to go to Heart Lake because it was one of the most famous tourist attractions in Fuzio City.

Yes, the name of the lake was the same as the famous lake in Su Runyi's hometown. The difference was that the Heart Lake in Fuzio city was located in the forest.

Not only that, but they had to pay for the tickets and go down a lot of stairs to get to the Heart Lake.

"We are almost there!" Yun Wuya looked at the Heart Lake from above.

They could only see some part of the lake because it was surrounded by trees. But even so, they were still able to see the beauty of the Heart Lake from above.

"Let's go down." Nalan Jiangge spoke abruptly.

Xiao Tian and the others immediately walked down the stairs. The width of the stairs was about four meters, with an iron stair railing on the left side.

There was no stair railing on the right side because a stone wall protected the visitors from falling.

It took them about fifteen minutes to reach Heart Lake because there were many people on the stairs.

However, something unexpected happened after Nalan Jiangge walked down the stairs.

She slipped!

Yes, a kid suddenly threw a banana skin in front of her, causing her to slip.

"Aaa..." Nalan Jiangge fell to the ground.

'It hurt!'

She instantly looked at her right ankle.

"Are you alright?" Yun Wuya immediately helped his wife up.

"Hii." Nalan Jiangge gritted her teeth and looked at the kid with a displeased look.

The red-haired kid, who was about nine years old, immediately lowered his head. He was frightened because Nalan Jiangge looked so terrifying in his eyes.

Yun Xin Er immediately stood next to the kid, trying to protect him from her mother. "He is still a kid."

"Hey, stop it. Don't look at him like that. Remember, he is still a kid." Yun Wuya did not want his wife to hurt the kid.

Like before, the red-haired kid kept lowering his head.

"Hmf!" Nalan Jiangge walked past the kid in annoyance.

Of course, she was furious, but she could not do anything to him. First, he was still a kid.

Second, they were many people around her, so it would ruin her family's reputation if she did something to that kid.

Yun Xin Er was relieved when her mother did not yell at the kid. Previously, she thought her mother would scold that kid because her mother's eyes were filled with anger.

'Thank god.'

Yun Xin Er then squatted down in front of the kid.

"Little brother, you shouldn't throw banana peels on the street like that because it will put everyone in danger later." Yun Xin Er uttered, "Where are your parents?"

The red-haired kid immediately pointed his right index finger at two people who were sitting on the wooden bench next to the tree.

"All right. Go to your parents now." Yun Xin Er did not want something bad to happen to the red-haired kid, so she told him to return to his parents.

"Un." The red-haired kid nodded his head before leaving.

Yun Xin Er immediately took the banana peel and threw it in the trash can.

'With this, no one will slip again.'

She then walked towards Xiao Tian and the others.

"Let's go." Yun Xin Er stated.

As Yun Xin Er and the others were heading towards the Heart Lake, the red-haired kid ran towards a middle-aged man. "Uncle, I did as you told me. Where is my chocolate and ice cream?"

The middle-aged man smiled before taking a chocolate and ice cream. "Good! Here is your chocolate and ice cream."

"Hehe." The red-haired kid smiled happily when he saw chocolate and ice cream in his hands. "Thank you, uncle."

After the red-haired kid returned to his parents, the middle-aged man looked at Xiao Tian and the others.

'The first step went smoothly.'

His lips curled up into a grin.

Yes, that middle-aged man was the one who asked the red-haired kid to throw a banana skin in front of Nalan Jiangge.

He was also the one who put poison in the drink when Yun Xin Er and the others were in the restaurant.

His purpose was only one thing.

It was to kill the Yun family!

Chapter 1150 - Now No One Will Disturb Us Anymore

Nalan Jiangge felt pain when she walked.

'My right ankle hurt!'

She endured the pain as she walked.

Of course, she knew the reason why her right ankle hurt like that.

Red-haired kid!

Yes, it was because the red-haired kid threw a banana skin in front of her earlier, causing her to slip and fall to the ground.

This was the main reason why she was still annoyed at the red-haired kid.

"Are you alright?" Yun Wuya inquired.

"My right ankle hurt a little, but I can still endure it." Nalan Jiangge gave an honest answer.

When Yun Wuya saw a good spot to rest, he immediately said, "Let's rest under that tree."

"All right." Nalan Jiangge nodded her head.

They immediately rented a mat to sit under a tree. Yes, there were people who provided mat rental services there.

"What a beautiful view!" Yun Wuya stated. "It's more beautiful than the photos on the site."

Like the Heart Lake in Su Ruanyi's hometown, the shape of the lake in Fuzio city was also heart-shaped.

The Heart Lake looked much more beautiful because it was surrounded by colorful trees. It was the autumn season, so the leaves of the trees had many colors.

The water in the Heart Lake was also clear, to the point anyone would be able to see their reflection in the water.

Of course, there was stainless steel railing surrounding the lake because they had to protect the visitors from falling into the lake.

Even though the height of the stainless steel railing was only one meter, it was enough to protect the visitors.

Like professional bodyguards, Xiao Tian and the others were standing behind Yun Xin Er and her parents.

Xiao Tian could not behave casually because they were with her parents. Her parents would be suspicious of him if he acted casually.

That was why he had no choice but to keep standing behind Yun Xin Er and her parents.

Yun Xin Er stole a glance at Xiao Tian before finally giggling. "Hehe."

She found it funny when she saw Xiao Tian trying his best to look like a professional bodyguard.

"Is there something funny?" Yun Wuya wanted to know why Yun Xin Er suddenly giggled like that.

Xiao Tian, who was standing behind Yun Xin Er, shook his head.

'It seems like she is making fun of me right now.'

He could not pinch Yun Xin Er's cheeks for making fun of him because they were with her parents.

That was why Xiao Tian did not say anything and only shook his head.

"Nothing. These people did something funny earlier." Yun Xin Er lied as she pointed her right index finger at random people.

"Xin Er, don't point your finger at people." It was a bad act to point the finger at someone, so Yun Wuya did not want his daughter to do that.

"Sorry." Of course, Yun Xin Er knew about it.

They talked for several minutes before finally, Nalan Jiangge wanted to stroll.

"Wuya, I want to stroll." Nalan Jiangge did not want to continue sitting on the mat because they came to Heart Lake to enjoy the atmosphere and see beautiful scenery.

"But isn't your right ankle still hurt?" actually, Yun Wuya also wanted to stroll the Heart Lake like other visitors, but he changed his mind because Nalan Jiangge's right ankle hurt.

From his point of view, enjoying the beauty of the Heart Lake while sitting on the mat was not bad too.

"It's fine. I can still walk." even though her right ankle still hurt, Nalan Jiangge was sure that she could still walk.

"...Alright." After saying that, Yun Wuya helped his wife up. "Xin Er, do you want to stroll with us?"

"I still want to sit here. You two can stroll together if you want." there were two reasons why Yun Xin Er did not want to stroll with her parents.

First, she wanted to give her parents time alone together. And second, she wanted to spend time with Xiao Tian.

She would not be able to enjoy her time with Xiao Tian if she strolled with her parents. That was why she chose not to stroll with them.

"All right." Yun Wuya did not force his daughter to stroll with them. "Let's go."

Yun Wuya held Nalan Jiangge's right hand as they walked. He did this because Nalan Jiangge's right ankle hurt.

She was his wife, so he did not want something bad to happen to her again.

The feeling of love in Nalan Jiangge's heart blossomed. She was touched by her husband's actions.

At this moment, she suddenly remembered the time when they were still lovers. "Husband..."

Nalan Jiangge had many beautiful memories with her husband, and all of them were still vivid in her head until now.

Sure, they were already old, but she never forgot these beautiful memories because these memories were important to her.

Yun Wuya smiled softly. "Let's walk slowly."

"Un." Nalan Jiangge nodded her head.

Xiao Tian instantly sat on the mat because Yun Wuya and Nalan Jiangge did not pay attention to him. "Your parents look like a young couple. At this moment, your mother doesn't look like a scary woman at all."

Yun Xin Er instantly pinched Xiao Tian's cheeks. "How dare you speak ill of my mother? Do you want to be punished?"

"I'm sowwy." Xiao Tian could not say 'I'm sorry' clearly because Yun Xin Er was pinching his cheeks.

"Hehe." Yun Xin Er giggled happily after seeing Xiao Tian's funny face.

"Um. Boss, can I take a walk too?" Mu Huo did not want to disturb their time, so he wanted to stroll too.

Xiao Tian instantly turned his head towards Mu Huo and the others, "Alright. The three of you can have fun now but don't go too far."

They were in a crowded place, and he was with Yun Xin Er, so he believed that the mastermind would not dare to do anything to her.

"Thank you, boss." Mu Huo and the others decided to stroll not far from Xiao Tian and Yun Xin Er.

After Mu Huo and the others left, Xiao Tian returned his attention to Yun Xin Er. "Now no one will disturb us anymore."

Xiao Tian was pleased because he could spend time with Yun Xin Er in a beautiful place like Heart Lake.

"Maybe I should call my parents and ask them to come back now." like usual, Yun Xin Er teased Xiao Tian.

The corner of Xiao Tian's lips twitched.

"Haha." Yun Xin Er could not help but burst into waves of laughter after seeing his expression.

"Bad big sister! I will punish you now." after saying that, Xiao Tian pinched Yun Xin Er's nose.

On the other side of the lake, Nalan Jiangge and Yun Wuya were walking with a smile on their faces.

Like other visitors, they were amazed by the beauty of Heart Lake. The beautiful lake and trees filled their hearts with happiness.

"This lake is so beautiful!" Nalan Jiangge stated.

"Yes. It's beautiful." Yun Wuya uttered.

At this moment, they did not realize that someone was following them. From his expression and behavior, anyone could tell that he had bad intentions towards them.

That person was none other than the middle-aged man who asked the red-haired kid to throw banana skin in front of Nalan Jiangge earlier.

Someone who wanted to hurt the Yun family!
