Chapter 1151 - Am I Going To Die?

Xiao Tian was currently chatting with Yun Xin Er under a big tree while Mu Huo and the others were sitting on the wooden bench not far from them.

Xiao Tian and Yun Xin Er were thrilled because they could spend time together in a beautiful place like Heart Lake.

"Big sister Yun, the shape of this lake describes my feelings for you very well." like usual, Xiao Tian wanted to use his sweet words.

"You want to say you really love me and I'm always in your heart, right?" of course, Yun Xin Er knew that Xiao Tian wanted to use his sweet words.

"You are wrong there. What I want to say is that my heart is filled with your name." actually, what Yun Xin Er said was right, but Xiao Tian did not want to admit it.

"You are lying, right? Because I can tell everything from your face." After pinching Xiao Tian's nose, Yun Xin Er leaned her head on his right shoulder.

"Eh, really? Then, can you read my mind too?" Xiao Tian inquired.

Yun Xin Er stared at Xiao Tian before replying, "Yes. I can read your mind too. Have you forgotten that I'm your goddess of luck?"

Xiao Tian held Yun Xin Er's left hand and spoke, "Of course, I still remember it clearly because you will always be my goddess of luck forever."

"Hehe." Yun Xin Er giggled happily.

Xiao Tian and Yun Xin Er chatted while holding hands. They talked about many things, including their future.

Yes, they also chatted about what they would do after her mother approved their relationship.

At the same time, Nalan Jiangge and Yun Wuya were sitting on the wooden bench while looking at the lake.

Like Xiao Tian and Yun Xin Er, they were chatting while holding hands. At this moment, they felt as if they went back to the time when they were still young.

"Wuya, I'm thirsty." Nalan Jiangge uttered,

"What would you like to drink?" Yun Wuya inquired.

"I want to drink mineral water." Even though Nalan Jiangge wanted to drink melon juice, she still chose mineral water because, in her view, it was better to drink mineral water than melon juice.

Yun Wuya instantly rose to his feet. "Wait here. I will be back soon."

"Un." Nalan Jiangge nodded her head.

After Yun Wuya left to buy mineral water, Nalan Jiangge walked towards the stainless steel railing.

The stainless steel railing was not high. It was only as high as her waist.

'This lake is so beautiful!'

She suddenly remembered the time when she went to a romantic place with Yun Wuya in the past.

At this moment, Nalan Jiangge did not know that someone was walking towards her with a sinister grin on his face.

Yes, that person was the middle-aged man who asked the red-haired kid to throw banana skin in front of her earlier.

He was someone who hated Yun family to the bone!

There was no one around Nalan Jiangge, so it was a good opportunity to carry out his plan. Of course, his plan was to kill Nalan Jiangge.

At first, he wanted to kill Yun Xin Er first, but he changed his mind after seeing four bodyguards always by her side.

Several meters from Nalan Jiangge, Xiao Tian was walking with a smile on his face. Previously, Yun Xin Er asked him to buy melon juice because she was thirsty.

The reason why he smiled happily was that Yun Xin Er promised to reward him after buying a melon juice for her.

'I will ask her to kiss me later.'

The smile on his face grew bigger when he imagined Yun Xin Er kissing his cheeks.

At this moment, the middle-aged man threw Nalan Jiangge into the lake.

*Burr...

The sound of her falling into the lake reverberated in the entire area.

That middle-aged man was a martial artist at the high-level master stage, so he could throw Nalan Jiangge into the lake easily.

'Now I will watch from the sidelines.'

He immediately walked away after throwing Nalan Jiangge into the lake.

*brurbru...

Nalan Jiangge tried to save herself and swim to the lakeside.

However, something unexpected happened when she tried to swim to the lakeside.

Her right leg was cramped!

Previously, she injured her right ankle when she fell to the ground after slipping on a banana peel.

For this reason, she could not swim like usual. "Help...Burpp...Help... Burpp...Help..."

*Gulp...Gulp...Gulp...

Nalan Jiangge was panicked, and as a result, she drank a lot of water.

Of course, she did not give up and tried her best to swim to the lakeside. However, her efforts were in vain because her right leg was cramped.

The middle-aged man, who threw Nalan Jiangge into the lake, smirked.

'Everything is according my plan.'

His grin grew bigger when he saw Nalan Jiangge drowning in the lake.

Yes, all of this was his plan. He asked the red-haired kid to throw a banana skin in front of Nalan Jiangge because he wanted to hurt her legs.

With this, she would not be able to use her legs normally when she was drowning in the lake.

"Hey, someone is drowning in the lake."

"Yes. Someone is drowning in the lake."

"Hurry up and help her."

"I can't swim."

"Hurry up and call the lifeguards."

Some of the visitors saw Nalan Jiangge drowning in the lake, but none of them tried to help her because they could not swim.

Xiao Tian, who was walking with a smile on his face, was stunned.

'Why are they gathering there?'

He still had no idea that Nalan Jiangge was drowning in the lake.

'Let me see it.'

Xiao Tian walked closer towards them.

He wasted no time and immediately jumped into the lake when he found out that Nalan Jiangge was drowning.

Sure, he still remembered that Nalan Jiangge had caused a lot of trouble to him, but he could not ignore her when he saw her drowning in the lake.

The reason was simple.

Yun Xin Er would be sad if her mother died!

That was why Xiao Tian immediately jumped into the lake to save Nalan Jiangge.

At this moment, Nalan Jiangge drowned deeper into the lake. She had drunk a lot of water, and her right leg was cramping, so she could not save her life.

'Am I going to die?'

She thought she was going to die because no one tried to save her.

*Burr....

Xiao Tian immediately dived when Nalan Jiangge drowned deeper into the lake.

'Hey, don't die on me or else big sister Yun will be sad later.'

He did his best to save Nalan Jiangge.

Even though she was drowning deeper into the lake, Nalan Jiangge was still conscious.

'Who is he? Does he want to save me?'

She was on the verge of consciousness and almost fainted, so she could not see clearly.

'Who is he?'

That was the last question before Nalan Jiangge fell unconscious.

Xiao Tian immediately grabbed Nalan Jiangge's right hand before finally pulling her up.

'She fell unconscious.'

He swam to the lakeside because he had to save Nalan Jiangge quickly.

"Good!"

"Thank god!"

"You are the best, young man."

The other visitors were happy when Xiao Tian managed to save Nalan Jiangge.

At this moment, Yun Wuya saw his wife's condition.

'Jiangge..'

He dashed towards his wife with a worried face.

Chapter 1152 - Saving Nalan Jiangge's Life

After putting Nalan Jiangge on the brick road, Xiao Tian immediately checked her condition.

'She is not breathing!'

Even though he did not want to do CPR, he had no choice but to do that.

Sure, he still disliked Nalan Jiangge, but he could not let her die because Yun Xin Er would be sad later.

"Wife...Wife..." Yun Wuya, who had just arrived, immediately squatted down next to his wife.

Even though he saw Xiao Tian doing CPR on his wife, he did not stop Xiao Tian because he knew Xiao Tian wanted to save Nalan Jiangge's life.

*Cough...cough...cough...

Water came out of Nalan Jiangge's mouth.

"Wife..." Yun Wuya immediately held Nalan Jiangge's hands after she regained consciousness.

"Wuya..." Nalan Jiangge was happy when she knew that she was still alive.

"Wife...Thank god." Tears flooded Yun Wuya's eyes.

Previously, he was worried that Nalan Jiangge would be gone forever. Sure, they often quarreled lately, but he still loved her.

Yes, he really loved her, to the point he did not know what would happen to him if she died.

Nalan Jiangge instantly turned her head towards Xiao Tian. She was shocked when she found out the person who had just saved her life was none other than Xiao Tian.

Nalan Jiangge always treated Xiao Tian coldly since he became Yun Xin Er's bodyguard because he defeated the bodyguard she recommended to her daughter.

At this moment, she had no idea what to say or do. She did not expect the person who saved her life to be someone she disliked.

It would be easier for her to express her gratitude if the person who saved her life was not Xiao Tian.

For this reason, Nalan Jiangge only stared at Xiao Tian without saying a single word.

Of course, Xiao Tian knew that something like this would happen because Nalan Jiangge disliked him.

Yes. Even though he was using another identity, Nalan Jiangge still disliked him. It was as if they were destined to hate each other forever.

Yun Wuya, who knew what Nalan Jiangge had in mind, immediately said, "Shi Hao, thank you for saving my wife."

Xiao Tian instantly shifted his gaze from Nalan Jiangge to Yun Wuya before finally smiling, "I'm glad I was able to save Madam Nalan in time."

"Let's go back now." Yun Wuya uttered,

"Un." Xiao Tian nodded his head.

Yun Wuya immediately helped his wife up and walking because her body was still weak, so she could not walk properly.

At this moment, the middle-aged man touched his chin.

'Oh! He managed to save her?!'

Previously, he thought Nalan Jiangge would die.

He just did not expect that Xiao Tian would manage to save Nalan Jiangge's life.

'Well, let's just say she was lucky earlier, but I will definitely kill her later.'

Of course, he still had many plans because his master had told him what to do.

Yes. He was one of Zhi Meirong' subordinates, someone who hated Yun family to the bone.

[A/N= Her previous name was Zhi Rou, but I decided to change it because there were too many Rou character names.]

"Father, what happened to mother?" Yun Xin Er immediately rose to her feet and wore a worried face.

Previously, she thought her parents were still lovey-dovey around the Heart Lake. She just did not expect that something would happen to her mother.

Yun Xin Er was even more curious when she saw Xiao Tian's wet body.

'Just what happened to them? Why are they soaking wet like that?'

Countless questions appeared in her head.

After sitting on the mat, Xiao Tian began to explain everything. "It's like this...."

He told her that he saw her mother drowning in the lake earlier, so he jumped into the lake to save her. This was the reason why he and her mother were soaking wet.

"Jiangge, how did you drown in the lake earlier?" Yun Wuya wanted to know the reason why she had drowned in the lake earlier.

"Someone suddenly threw me to the lake earlier." Nalan Jiangge gave an honest answer.

"What?!" Yun Wuya and the others were startled after hearing Nalan Jiangge's answer.

"But I don't know who it was because he suddenly threw me into the lake and left." The middle-aged man walked from behind her, so Nalan Jiangge could not see his face.

Xiao Tian suddenly suspected that the person who threw Nalan Jiangge into the lake was the same person who was always trying to hurt Yun Xin Er.

'Don't tell me. His target is not big sister Yun, but the Yun family.'

He was not one hundred percent sure, but there was a high possibility that the mastermind was the same person and his goal was to hurt the Yun family.

"Should we report this to the police?" Nalan Jiangge inquired.

"We can't report this to the police because we don't have any evidence." Xiao Tian replied instantly.

"And even though we report this to the police, I'm sure they won't investigate this incident later."

He was one hundred percent sure that the police would not investigate it because they did not have any evidence, so they would assume it as Nalan Jiangge's negligence.

"He is right." Yun Wuya had the same thought as Xiao Tian. "Let's buy new clothes first because you will catch a cold if you keep wearing wet clothes."

Nalan Jiangge and the others agreed with Yun Wuya's idea. For this reason, they immediately headed to a clothing store.

After arriving at the clothing store, Nalan Jiangge said something shocking to Xiao Tian. "Shi Hao, come with me and choose new clothes for you. I will pay for it later."

Xiao Tian was startled. He did not expect her to say something like that. He thought she would not care about him like usual because she disliked him.

But now he realized that he was wrong. He was utterly wrong because Nalan Jiangge had the intention of buying new clothes for him.

Like Xiao Tian, Yun Xin Er, and the others were also shocked. Of course, they were happy because this was what they wanted.

"Then we will wait here." Yun Wuya uttered.

"Un." Nalan Jiangge nodded her head before entering a clothing store.

Xiao Tian immediately followed her. At this moment, he walked behind her because his status was only as Yun Xin Er's bodyguard.

"Shi Hao, did you perform CPR on me earlier?" Nalan Jiangge felt like someone did CPR on her earlier, but she was not sure about it.

That was why she asked this question because Xiao Tian was the one who saved her life.

At this moment, Xiao Tian wavered whether he should tell the truth or not.

'Should I tell the truth?'

He decided to tell the truth when he remembered that Yun Wuya saw what he did to her earlier.

"Yes. I did CPR on you earlier." he gave an honest answer.

'Sigh. She will yell at me again.'

He added in his head.

To his surprise, Nalan Jiangge only stared at him without saying a single word. Actually, she had no idea what to say or do.

She hated the fact that Xiao Tian performed CPR on her earlier, but she knew the reason why he did something like that.

For this reason, Nalan Jiangge turned his gaze forwards, "Choose the clothes you want. You don't have to worry about the price because I will pay for it later."

"Un.." Xiao Tian nodded his head.

Chapter 1153 - Nalan Jiangge Said Something Shocking

7-8 minutes

At this moment, Xiao Tian and Nalan Jiangge were choosing attire.

'I will choose these clothes.'

Xiao Tian decided to choose a cheap outfit because Nalan Jiangge would have a bad impression on him if he chose expensive clothes.

He had many expensive attire at home, so he did not care about it. He only needed a new outfit to change his wet clothes, so he was fine with any attire.

After trying the clothes, Xiao Tian walked out of the fitting room. After that, he waited for Nalan Jiangge near the cashier.

"Have you chosen your clothes?" Nalan Jiangge asked when she saw Xiao Tian.

"Yes." Xiao Tian replied as he showed the attire he had chosen.

"Why didn't you choose better clothes?" Nalan Jiangge was a little shocked when she saw the price tag.

'Did he choose cheap attire on purpose?'

Previously, she thought Xiao Tian would choose expensive clothes, but she was wrong.

"I only need new outfit to change my wet clothes so I'm fine with any attire." Xiao Tian gave an honest answer.

"Choose better clothes now." Nalan Jiangge wanted Xiao Tian to choose better attire.

Xiao Tian did not answer and only stared at Nalan Jiangge.

"I won't repeat my words." Nalan Jiangge spoke and paused for a second before she continued, "I will tell my daughter to fire you if you don't choose better clothes now."

"...alright." Xiao Tian did what he was told because he had to continue being Yun Xin Er's bodyguard.

Xiao Tian chose better attire this time. Of course, he did not choose very expensive clothes because he owned a clothing company.

After paying for the attire, they headed to the washroom to change their clothes. At first, they wanted to change in the fitting room, but all the fitting rooms were occupied.

Like before, Nalan Jiangge walked slowly because her right ankle still hurt.

Nature Villa, Living Room.

After buying clothes, Nalan Jiangge and the others returned to the Nature Villa.

Like professional bodyguards, Xiao Tian, Ren Aoxu, Mu Huo, and Chun Hua were standing behind Yun Xin Er and her parents.

At this moment, a housemaid suddenly stepped into the living room. "Sir, Madam, lunch is ready."

"Un" after nodding his head, Yun Wuya looked at his wife and daughter. "Let's eat now."

"Alright." Yun Xin Er and Nalan Jiangge replied in unison.

As Yun Wuya, Nalan Jiangge, and Yun Xin Er were sitting on the chairs, Xiao Tian and the others were standing close to them.

Someone wanted to hurt them, so Xiao Tian and the others had to be by their side all the time.

"Shi Hao, you and your group can sit on the chairs and eat with us." Nalan Jiangge said something shocking.

*Silence...

The dining room turned into a dead silence.

Xiao Tian was stunned.

'What is this? Why is she behaving like this? Why did she suddenly say something like this? This is not like her at all.'

Countless questions emerged in his head.

'Is it because I saved her life earlier?'

He found it hard to believe what he was hearing.

Sure, he knew that he had saved her life earlier, but he did not expect her personality to change completely like that.

It was so unreal, to the point he found it hard to believe it. Xiao Tian knew that she was someone who saw people based on their wealth.

This was the reason why she did not approve his relationship with Yun Xin Er.

She even told him not to get close to her daughter if he could not raise his family status to the mid-upper class family.

Yun Xin Er and Yun Wuya exchanged a glance with each other. Like Xiao Tian, Nalan Jiangge's words had taken them by surprise.

'Is this because he saved her life earlier?'

They had the same question as Xiao Tian.

Because Xiao Tian was still standing, Nalan Jiangge spoke again, "What are you doing? Hurry up and sit on the chair."

Mu Huo, Ren Aoxu, and Chun Hua looked at Xiao Tian. Xiao Tian was the leader of the group, so they would follow his word.

Mu Huo and the others instantly sat on the chairs after Xiao Tian nodded his head.

Nalan Jiangge then turned her head to look at the housemaid. "Bring more plates for them."

"Understood, madam." The housemaid replied.

Even though Nalan Jiangge did not say anything during their lunch, but she often stole glances at Xiao Tian.

Yun Wuya and Yun Xin Er even chuckled after seeing her behavior.

'She just can't say express her gratitude for saving her life.'

They knew that Nalan Jiangge could not express her gratitude. That was why she allowed Xiao Tian and the others to have lunch with them.

After eating, Yun Wuya and Nalan Jiangge returned to the living room to watch TV. As for Xiao Tian and Yun Xin Er, they headed to the backyard after having lunch together.

"It seems like my mother has opened her heart to you." Yun Xin Er spoke abruptly. "Good job, little brother. Good job!"

Currently, Yun Xin Er was sitting on the wooden bench with Xiao Tian standing on her right side.

"I suddenly feel scared." Xiao Tian gave an honest answer.

"Scared? Why?" Yun Xin Er did not know why Xiao Tian suddenly felt afraid because, in her view, he should be happy right now.

If he could win her mother's heart, her mother would approve their relationship immediately, and he did not need to raise his family status to the mid-upper class family.

"What if she finds out who I am later? Will she still be nice to me later?" Xiao Tian was using a fake identity, not his real identity.

He was afraid that Nalan Jiangge would be disappointed if she found out who he was. There was even a possibility that she would hate him even more later.

He was sure that Nalan Jiangge would not believe his words if he told the truth.

She never approved their relationship until now, so she would think the reason why Xiao Tian hid his real identity and became Yun Xin Er's bodyguard was that he wanted to spend time with her daughter.

"Hmm?" Yun Xin Er touched her chin. "Yes. We don't know what my mother will do if she finds out who you are, but I hope she will stop hating you later."

Both Xiao Tian and her mother were important to her, so she really hoped that they could get along in the future.

"Do you know what you have to do if my mother finds out who you are later?" Yun Xin Er inquired.

"No." Xiao Tian never thought about this because Yun Xin Er's safety was the reason why he became her bodyguard.

"Then you should start thinking about it from now on." After saying that, Yun Xin Er rose to her feet.

"Little brother, let's take a walk around this villa. I heard there is a good place to relax nearby."

"All right." Of course, Xiao Tian agreed instantly because, with this, he could spend time alone with her.

After telling her parents that she would be strolling with Xiao Tian, they immediately left.

At this moment, a middle-aged man was spying on Nature Villa from away. From his expression, anyone could tell that he had bad intentions.

Yes.. That middle-aged man was the one who threw Nalan Jiangge into the lake.

Chapter 1154 - Bad Guy!

6-7 minutes

Xiao Tian and Yun Xin Er were currently strolling around the villa. They did not go far from the villa because her mother was not in good condition.

'Hmm?'

Yun Xin Er lowered her head to look at her right hand.

"Hihi." She giggled cutely when she saw Xiao Tian holding her right hand. "Little brother, why are you suddenly holding my hands like this? Have you forgotten you are my bodyguard now?"

"I know you want to walk hand in hand, so I decided to hold your hands." As usual, Xiao Tian made an excuse. "And who says bodyguards can't hold hands with their clients?"

"Tch, tch, tch. Why do you always make excuses and deny everything? Why don't you just admit it? Is it so hard to admit what you want?" Of course, Yun Xin Er knew that Xiao Tian only made an excuse.

"Ehm!" Xiao Tian cleared his throat before answering. "Since I was born, I neve-"

Yun Xin Er interrupted him before he had finished his words. "Hehe. You want to make another excuse, right?"

"Am I someone who always makes excuses in your eyes?" Xiao Tian wore a sad face. "You are hurting my feelings, you know?"

"Because you always make excuses." Like before, Yun Xin Er giggled after answering.

"Oh right, big sister Yun. I have found a good idea about what I should do if your mother finds out who I am later." Xiao Tian changed the topic.

"Hmm? What is your idea?" Yun Xin Er asked curiously.

"I will manipulate your mother's feelings later." Xiao Tian gave an honest answer.

He was a young man who had countless ideas, so it was not hard for him to manipulate Nalan Jiangge's feelings.

Yun Xin Er instantly pinched Xiao Tian's nose after hearing his answer, "Bad guy! You are not allowed to manipulate or do bad things to my mother. You have to find a way to win her heart, not use a dirty trick like that."

Their relationship would not be harmonious if Xiao Tian manipulated her mother. That was why Yun Xin Er did not want him to use a dirty method.

"Aghh...Big sister, stop it. You are hurting my nose, you now?" Xiao Tian cried out in pain.

Instead of removing her right hand from Xiao Tian's nose, Yun Xin Er pinched his nose harder. "This is your punishment for having bad intentions to my mother."

"Big sister, stop it. This little brother has learned his mistake, so please forgive him." Even though Xiao Tian could remove her right hand from his nose, he did not do that.

"Good!" Yun Xin Er removed her right hand from his nose. "You are not allowed to have bad intentions to this big sister's mother now or in the future."

"I will remember it." Xiao Tian replied instantly.

Nature Villa, Living Room.

Yun Wuya was currently in the living room with Mu Huo, Ren Aoxu, and Chun Hua.

Yun Wuya looked at Mu Huo before speaking, "Luo Zhantian, can you go to the pharmacy to buy sprain medicine for my wife?"

His wife's wound was getting worse, so he wanted Mu Huo to travel to the pharmacy to buy sprain medicine for his wife.

He could not keep watching his wife suffer from her sprain because she was really looking forward to this vacation.

"Alright." Mu Huo agreed instantly.

"Here is the money." Yun Wuya gave Mu Hou money for buying the sprain medicine.

Mu Huo immediately left after taking the money.

After Mu Huo left, Yun Wuya turned his head to look at Chun Hua and Ren Aoxu, "You two stay here and protect us."

"Understood." Chun Hua and Ren Aoxu replied in unison.

At this moment, the middle-aged man, who threw Nalan Jiangge into the lake, smirked when he saw Mu Huo leaving.

'Two of the bodyguards are not in the villa now.'

Even though it was a good idea to carry out his plan, he remained in his position because there were still two bodyguards protecting Yun Wuya and Nalan Jiangge.

He did not know how strong they were, so he could not act recklessly.

At this moment, a young man about twenty-nine years old approached the middle-aged man and spoke, "Duzi, I came to help you."

Duzi instantly turned his head towards the young man. "Chenzui? Did our master order you to help me?"

"Yes," Chenzui replied instantly. "How is the situation?"

"It's like this...." Duzi began to explain the situation.

He told Chenzui that Xiao Tian and Mu Huo were not in the Nature Villa. He also explained the reason why he still did not make a move.

"Our master said Shi Hao, Yue Xihan, and Luo Zhantian are martial artists at the high-level master stage." Chenzui spoke and paused for a second before he continued, "But our master doesn't know how strong Wang Yuan is. However, she believes that Wang Yuan is not a martial artist at the high-level master stage."

Chenzui then continued, "At most, Wang Yuan is a martial artist at the mid-level master stage. There is a high possibility that he is only at the low-level master stage."

"Really?" Duzi inquired.

"Yes," Chenzui replied instantly. "I will lure Yue Xihan out of the villa later, and you will take care of that Wang Yuan. You can do it, right?"

"If he is only at the low-level master stage or mid-level master stage, I can take care of him easily." Duzi was a martial artist at the high-level master stage, so defeating Ren Aoxu was easy for him.

"Good!" Chenzui also believed Duzi could defeat Ren Aoxu later because he knew that Duzi was a martial artist at the high-level master stage. "Let's go to the backyard now."

"All right." Duzi nodded his head.

After arriving at the backyard, they skimmed their surroundings.

'There is no one in the backyard. This is a good opportunity to carry out our plan.'

Duzi and Chenzui exchanged a glance with each other before finally nodding their heads.

Yes.. Chenzui and Duzi decided to carry out their plan, and their goal was to kill Yun Wuya and Nalan Jiangge.

Chapter 1155 - Hello, Madam Nalan. I'm Someone Who Will Send You To King Yama

7-9 minutes

"You still remember the plan, right?" Duzi inquired.

"Yes," Chenzui replied as he nodded his head.

Their plan was to kill Yun Wuya and Nalan Jiangge first. However, they would make it seem like Nalan Jiangge, and Yu Wuya died from the fire.

They actually wanted to kill Yun Wuya and Nalan Jiangge directly, but their master forbade them to do that because the Yun family was an influential family.

"I will make my move now." after saying that, Chenzui took out his daggers and walked out of his hiding place.

Chenzui entered the house after skimming his surroundings. Of course, he left the door open because, with this, it would be easier for him to run away later.

His main purpose was to lure Chun Hua out of the villa, so he had no intention of fighting her in the Nature Villa.

He would lure her to a faraway place so that Duzi could carry out his task.

'It's her!'

Coincidentally he saw Chun Hua in the kitchen with Ren Aoxu.

He waited patiently because Ren Aoxu was standing next to Chun Hua.

His plan could fail if Ren Aoxu also chased him later because he had no confidence in defeating them at the same time.

He was only a martial artist at the high-level master stage, so he could not act recklessly because Chun Hua was also a martial artist at the high-level master stage.

Sure, Ren Aoxu was not a martial artist at the high-level master stage, but a little help could change the whole fight.

"I need to go to the restroom now." after saying that, Ren Aoxu headed to the toilet.

Chenzui immediately made his move because it was a good opportunity to lure Chun Hua out of the villa.

Of course, he pretended as if he did not know that Chun Hua was in the kitchen.

*Shui...

He pretended to walk in secret.

Chun Hua could see him easily because Chenzui's intention was to lure her out of the villa.

"Stop!" Chun Hua shouted and ran after Chenzui.

Ren Aoxu was started.

'An enemy?'

He immediately returned to the kitchen.

When he saw Chun Hua chasing Chenzui, he also ran after Chenzui. "Stop!"

Duzi, who was hiding in plants, smirked when he saw Chun Hua, Ren Aoxu, and Chenzui in the backyard.

'Good!'

He remained in his position because it was not the right time to make his move.

Chun Hua turned her head to look at Ren Aoxu before speaking, "You stay here and protect miss Yun's parents. I will chase him alone."

She forbade Ren Aoxu to follow her because there would be no one who would protect Yun Xin Er's parents if he also chased Chenzui.

"Alright." Ren Aoxu stopped chasing Chenzui because what Chun Hua said made sense.

Chenzui's lips curled up into a smirk.

'Good! Everything is according to the plan.'

He kept running.

Duzi was currently paying attention to Ren Aoxu carefully. He did not make his move yet, because Chun Hua was still close to them.

'I will count to ten before attacking that kid.'

Duzi began to count to ten.

'Eight...Nine...Ten.'

He immediately came out of his hiding place.

Ren Aoxu instantly turned around when he heard someone coming out of the plants. However, what welcomed him was three poisonous needles.

*Shui...Shui...Shui...

The poisonous needles flew towards Ren Aoxu.

Ren Aoxu did not have time to dodge these poisonous needles because Duzi made a surprise attack.

*Pierce

Three poisonous needles landed on Ren Aoxi's body; one on the neck and two on the chest.

"These needles has poi-" Ren Aoxu fainted before he could finish his words.

Yes, not only were these needles poisonous, but it could also knock out the target instantly.

"So easy!" Duzi stated.

'Now, it's time to take the next step.'

He added in his head.

To his surprise, the housemaid suddenly appeared in front of him.

"Who are you?" she was shocked when she saw Ren Aoxu.

"Oh, I was careless again!" Duzi dashed towards the housemaid before finally hitting the backside of her neck.

"You ar- " the maid fell to the ground, fainted.

She was not a martial artist, so she could not defend herself when Duzi attacked her. That was why Duzi could knock her out so easily.

"You two sleep well here. Hehe." Duzi's lips curled up into a grin.

After taking all jerry cans filled with gasoline that had been prepared beforehand, he entered the villa calmly because no one was protecting Yun Wuya and Nalan Jiangge.

'Are they in the living room?'

Duzi decided to go to the living room because he thought Yun Wuya and Nalan Jiangge were in the living room.

Yun Wuya, who was sitting on the couch and watching TV in the living room, rose to his feet when he saw Duzi.

"Who are you? Wang Yuan... Yue Xihan..." Yun Wuya immediately called Chun Hua and Ren Aoxu because Duzi was carrying gasoline with a grin on his face.

Like before, Duzi still behaved normally. "Hehe. Stop shouting because no one will save you this time. Hehe."

Yun Wuya skimmed his surroundings to find something to protect himself or attack Duzi.

When he saw a glass flower pot on the table in front of him, he immediately grabbed it and threw it at Duzi.

Of course, Duzi could avoid it easily because he was a martial artist at the high-level master stage. "Ops! It's quite dangerous. Hehe. Old man, you are already old, but you are so fierce."

Yun Wuya immediately looked for something to attack Duzi again.

"Even though I want to play with you longer, I can't do that because I have to carry out my task immediately." After saying that, Duzi dashed towards Yun Wuya before finally hitting the backside of his neck, causing Yun Wuya to faint instantly.

Duzi immediately made Yun Wuya sit on the couch because he could not kill Yun Wuya directly.

'Old man, give my regards to King Yama.'

He started spreading gasoline all over the house.

'Where is that old woman?'

He did not see Nalan Jiangge in the living room, dining room, or kitchen.

'Is she in her room?'

Duzi immediately headed to her room.

'There she is!'

He grinned again when he saw Nalan Jiangge sleeping soundly.

Without waiting for another second, Duzi started sprinkling gasoline in her room.

Nalan Jiangge woke up because her room was filled with the smell of gasoline. "Cough, cough, cough. Who are you?"

"Oh, you are already awake?" Duzi immediately put down the jerry cans and politely introduced himself.

"Hello, Madam Nalan. I'm someone who will send you to King Yama. Hahaha."

Nalan Jiangge immediately tried to run away because she knew that Duzi was a dangerous person.

However, she was welcomed with a hit on her chest.

Yes, Duzi immediately hit her chest when she tried to run away!

*Auakkk...

Blood splashed out of Nalan Jiangge's mouth before falling to the floor.

She was not a martial artist and was already old, so she could not defend herself. That was why she could not do anything when Duzi suddenly hit her.

His main goal was to get her killed in the fire, so there was no way he would let her go. "Stay here, old woman! Haha."

He dropped his lighter before walking out of her room.

He hit Nalan Jiangge's chest hard, and her right ankle also hurt, so Duzi was sure that Nalan Jiangge would not be able to save herself.

"Hahaha.." Duzi left the villa while laughing.

Chapter 1156 - Is There A Rule Like That?

7-9 minutes

"I have got the sprain medicine." Mu Huo, who was looking at the sprain medicine in his right hand, walked out of the pharmacy with a smile on his face.

Previously, he went to the pharmacy on foot because the distance between Nature Villa and the pharmacy was not far.

*Phwwwwwhht.

Mu Huo whistled as he walked.

Like before, a happy smile still graced his face.

'I did not expect my life would be filled with adventures like this.'

In the past, he thought his life would be boring until he died, but he was wrong.

First, he came to Shanghai to teach Xiao Tian's underlings martial arts, but now, he became Yun Xin Er's bodyguard with Xiao Tian.

It never crossed his mind that he would become a bodyguard someday. Of course, he did not hate it; instead, he loved it because it was fun to be a bodyguard.

'All of this is because of my boss.'

His life was full of adventure ever since he worked under Xiao Tian.

He was sure that he would still be unemployed if he had not met Xiao Tian in Beijing a few months ago.

'I suddenly wonder what we will do in the future? Even though I don't know about it now, but I'm sure it will be an interesting adventure.'

At this moment, Mu Huo was not aware of what was happening in Nature Villa. That was why he was walking leisurely.

Qiyu Park, Fountain.

Xiao Tian was currently sitting on the park bench with Yun Xin Er. A peal of happy laughter escaped from their mouths as they talked.

Of course, they held hands as they chatted. It was as if they had just become a couple.

Like Mu Huo, they did not know what was happening in the Nature Villa because the distance between Qiyu Park and Nature Villa was quite far.

"You really know how to make a woman happy." happiness welled up inside Yun Xin Er like a burst of fireworks.

She was delighted whenever she chatted with Xiao Tian because he knew how to make her happy.

"Is that so? Maybe it's because I'm with a gorgeous lady. That's why my brain work very well." after saying that, Xiao Tian cupped Yun Xin Er's pretty face, "And I'm glad I can make you happy."

He brought his face closer to hers.

Kiss!

Yes, Xiao Tian wanted to kiss Yun Xin Er's lips.

It was a good moment to kiss, so he suddenly desired to kiss her.

However, Yun Xin Er did something unexpected when Xiao Tian was about to kiss her tender lips.

She stopped him!

Yes, Yun Xin Er did stop him when he was about to kiss her.

She stopped him by placing her right index finger on his lips. "Little brother, have you forgotten that you are my bodyguard right now?"

"Is there something wrong with it?" previously, he thought Yun Xin Er would welcome the kiss like usual because it was a good moment to kiss.

Yun Xin Er then rose to her feet before answering, "Of course. A bodyguard is not allowed to kiss their clients, you know? Have you forgotten about this rule?"

Actually, there was no such rule. Sure, it was a good moment to kiss, but several people were around them.

That was why she stopped him from kissing her.

Xiao Tian stood up before speaking, "Is there a rule like that?"

'I believe there is no rule like that.'

He added in his head.

"Of course, because I just created it. Hehe." Yun Xin Er giggled after saying that.

The corner of Xiao Tian's lips twitched.

"Hehe." Yun Xin Er could not help but burst into waves of laughter after seeing his expression. "Let's return to the villa now."

"Alright." Xiao Tian agreed instantly.

Even though Mu Huo, Ren Aoxu and Chun Hua were protecting her parents, he could not leave them alone for long.

At this moment, Xiao Tian's sixth sense was not working. Even though something bad was happening to Yun Xin Er's parents, he did not have the usual bad feeling.

Nature Villa, Front Yard.

"Flush more water."

"Hurry up and flush more water."

"Has someone called the fire department?"

"Yes. I have called the fire department."

"Good! You work fast. I will hire you to work in my company after we put out this fire."

"What do you mean by hiring me to work for your company? You don't have a company and are unemployed like me. Stop talking bullshit!"

"Eh, you don't know about my company? The name of my company is Happy company. It's a big company in Shanghai."

"I'm sure there isn't a big company called Happy company in Shanghai."

"There isn't a big company called Happy company now, but I will build it in the future."

"Damn! Build your company first before hiring people!"

"Hahaha."

"Hahaha. They are funny!"

"You both have to register to be a comedian because both of you are funny. Haha."

"Haha."

The tense atmosphere had melted away after hearing the conversation of two unemployed people.

*Phwwwwhht.

Like before, Mu Huo whistled as he walked.

He gritted his teeth when he saw many people in the front yard of the Nature Villa.

'How could this happen?'

He instantly ran towards the villa.

He found it hard to believe what he was seeing.

Fire!

Yes, he saw Nature Villa being devoured by fire.

Mu Huo's face turned worried, and his heart was filled with anxiety.

'Where are Ren Aoxu, Chun Hua and miss Yun's parents?'

He skimmed his surroundings, but he could not find them.

All he saw were people trying to put out the fire.

'Where are they?'

He knew that Xiao Tian and Yun Xin Er were not in the villa because they went out for a walk before he went to the pharmacy.

He ran to the left and right to find Yun Xin Er's parents and the others, but the results were the same; he could not find them.

For this reason, he ran towards an old man and inquired, "Uncle, where are the people who rented this villa? Where are they?"

"What?! There are people in that villa?!" the old man said in surprise. "Didn't they go to tourist attractions?"

They did not see anyone, so they thought there was no one in the villa. They also saw a car from Nature Villa earlier, so they thought Yun Xin Er and the others went to tourist attractions.

Mu Huo became even worried.

'Don't tell me.'

He suddenly suspected that Yun Wuya and the others were trapped in the villa.

Xiao Tian had trusted him to protect Yun Wuya and his wife, so Mu Huo immediately headed to the villa.

His intention was clear.

He wanted to check if Yun Wuya and his wife were in the villa or not!

Sure, he knew it was dangerous, but he had to do that.

"Hey! What are you doing? Come back here. It's dangerous." The old man shouted when he saw Mu Huo running towards the villa.

"Young man, what are you doing?"

"Hey, come back here!"

"Hey, what do you want to do? Came back here!"

"What the hell is he doing?"

"Is he crazy?"

"Does he want to kill himself?"

"What should we do?"

Everyone shouted one by one when they saw Mu Huo running towards the villa.

Mu Huo entered the villa with caution. Even though it was dangerous, he kept looking for Yun Wuya and his wife.

At this moment, Yun Wuya did not know anything because he was unconscious.

Yes, he was still unconscious in a sitting position!

Previously, Duzi brought Yun Wuya to the family room after hitting the backside of his neck.

He also made Yun Wuya sit on the wooden sofa because he wanted to make Yun Wuya look like he died in the fire.

Even though there was a fire in some parts of the sofa, the fire did not touch Yun Wuya as if God was protecting him from the fire.

Like before, Mu Huo walked with caution.

'Where are they?'

Mu Huo skimmed his surroundings.

*Tar...

A wood filled with fire fell right in front of him.

'I have to find them quickly.'

The villa was built with wood, so it was easy to burn.

That was why he had to find Yun Wuya and the others quickly.

At the same time, Xiao Tian and Yun Xin We almost arrived at the Nature Villa. Of course, they still did not know anything.

That was why they could still smile happily.

Chapter 1157 - Saving Nalan Jiangge Again

8-9 minutes

When Mu Huo saw Yun Wuya in the family room, he immediately walked closer to Yun Wuya.

'He is...'

The expression of deep shock blossomed on his face when he saw Yun Wuya sitting on the wooden sofa with his eyes closed.

'Did something happen to him before?'

Even though he wanted to check Yun Wuya's condition, he did not do that because they had to get out of the villa quickly or else Yun Wuya's condition would get worse.

'Hang in there, sir. I will take you out of this villa now.'

Without waiting for another second, he carried Yun Wuya on his back before walking out of the villa.

Nature Villa, Front Yard.

"Where the hell is the fire department? Why haven't they arrived yet?"

"Did you really call the fire department? Are you sure you didn't make wrong call?"

"Damn it! It's true I'm still unemployed now, but I still remember the fire department's number."

"Tch! It seems like I will also have to build a fire department company in the future."

"Damn! You are still talking bullshit at this moment?!"

"Hey! Don't curse your future boss, or else I will change my mind later. Do you want to be unemployed forever?"

"Fuck! I don't want to hear your bullshit anymore."

"Alright, alright. Stop joking around. Let's focus on putting out the fire now."

"Yes. Let's focus on putting out the fire now. You can joke again later."

"Get more water and put out the fire."

"Hurry up and bring more water."

Like before, everyone tried to put off the fire. Some of them were annoyed because the fire department still had not arrived yet.

The fire was getting bigger, and soon they would not be able to do anything.

At the same time, Xiao Tian and Yun Xin Er were walking not far from the villa. Happiness swelled within them as they walked together.

However, their happiness did not last long because they saw something shocking after arriving at the Nature Villa.

Fire!

Yes, they saw Nature Villa being devoured by fire.

Yun Xin Er immediately ran towards the villa and shouted, "Father, mother. Father, mother."

Her parents were in the villa before she went out for a walk with Xiao Tian, so her heart was filled with anxiety.

The villa was being devoured by fire, so she wanted to know the condition of her parents.

Xiao Tian suppressed his shock and followed Yun Xin Er. He had to protect her because, at this moment, Yun Xin Er could not think straight.

He had to stay by her side to prevent her from doing something stupid.

'I hope they are fine.'

He did not want something bad to happen to Yun Wuya and Nalan Jiangge because it would make Yun Xin Er sad.

Of course, he was also worried about the safety of Mu Huo and the others. That was why he wanted to know the situation quickly.

"Father...Mother..." Yun Xin Er failed to control her emotion as she ran towards the villa.

Everyone instantly turned their heads towards Yun Xin Er.

"What?! Are her parents still in the villa?"

"I don't know. But didn't they go to tourist attractions earlier?"

"I thought there was no one in the villa."

"Hey, let's search around the villa."

"Alright."

"Yes. Let's search around the villa. Maybe they are in the backyard now."

Previously, they believed someone said there was no one in the villa.

The old man, who talked with Mu Huo earlier, walked closer to Yun Xin Er and spoke, "Young girl, one of your bodyguards has entered the villa to check if your parents are in the villa or not."

Xiao Tian also wanted to know about Mu Huo and the others. "Elder, what about the other bodyguards?"

"Other bodyguards? I did not see them. I only saw one bodyguard and he had entered the villa earlier." the elder gave an honest answer.

"Father...mother..." tears ran down Yun Xin Er's pretty face.

She could not find her parents around her, so she became even more worried.

For this reason, Yun Xin Er wanted to enter the villa to look for her mother and father.

"Father...Mother..."

Luckily, Xiao Tian's speed and reflexes were good, so he could stop her before she entered the villa.

"Little brother, let me go! I want to look for my parents. Maybe they are still in the villa now. I have to save them." Yun Xin Er tried to break free from Xiao Tian's grasp.

However, her efforts were in vain because she was only an ordinary woman, not a martial artist like Xiao Tian.

"Big sister, calm down. I will look for them now. You stay here and wait for me." usually, Xiao Tian always let her do whatever she wanted, but it was different this time.

It was related to her safety, so he could not let her enter the villa because he did not want something bad to happen to her.

"Little brother, let me go." Yun Xin Er's eyes were flooded with tears.

"Young girl, it's dangerous." Of course, the old man understood Yun Xin Er's feelings.

At the same time, Mu Huo walked out of the villa with Yun Wuya on his back.

"Father...." Yun Xin Er immediately ran towards her father after Xiao Tian released her.

"What? So, there really is someone in the villa."

"I thought there was no one in the villa."

"Hurry up and call ambulance."

"Call ambulance."

"Call ambulance."

Everyone was shocked when they saw Mu Huo carrying Yun Wuya on his back.

"Father..." Yun Xin Er held her father's hands.

At this moment, Yun Wuya was still unconscious, so he did not know what was happening.

"Mu Huo, what exactly happened?" Xiao Tian inquired.

"I don't know." Mu Huo replied instantly. "Previously I was asked to buy sprain medicine at the pharmacy. The villa was already on fire when I came back here."

"What about the others?" Xiao Tian asked again.

"I don't know where they are right now." Mu Huo shook his head.

At this moment, two people carried Ren Aoxu and the housemaid. "We found two people in the backyard. They are unconscious now."

Xiao Tian clenched his right fist when he saw Ren Aoxu and the housemaid.

"My mother... where is my mother?" Yun Xin Er asked when she did not see her mother.

Sure, her mother always tried to use her to get more money, and they always quarreled every time they met, but she did not want something bad to happen to her mother.

Whatever happened, Nalan Jiangge was still her mother, the one who brought her into this world.

"I think madam Nalan is still in the villa." Mu Huo replied instantly.

"Moher..." like before, Yun Xin Er tried to enter the villa again.

Xiao Tian grabbed her right hand before speaking, "Wait here. I will look for your mother now."

"I will do it. Cough...cough..." Mu Huo coughed.

Xiao Tian shifted his gaze from Yun Xin Er to Mu Huo. "No. You stay here."

Mu Huo just came out of the villa, and his condition was not good, so it was not a good idea to let him enter the villa again.

When Mu Huo saw Xiao Tian walking towards the villa, he immediately said, "I think she is in her room."

Xiao Tian looked at Mu Huo before nodding his head.

Nature Villa, Nalan Jiange's Room.

"Help...Help me..." Nalan Jiange tried to walk out of her room, but her efforts were in vain.

First, her right ankle still hurt and second, Duzi hit her chest very hard earlier. Coupled with the fire all around her, it made her unable to walk.

"Help... cough, cough. Help." Nalan Jiange was currently creeping on the floor.

She could not breathe normally, and her body had turned frail. She felt as if she was going to faint any time soon.

However, she still tried her best to stay conscious and creep on the floor because she did not want to die.

*Bang...

Her body was so weak, causing her head to fall to the floor.

She could no longer move her body. She felt as if there was a mountain on her back. She even could not open her eyes normally.

'Am I going to die today?'

She suddenly thought that she was going to die because she could no longer move her body and the fire in her room was getting bigger and bigger.

At this moment, Xiao Tian suddenly appeared in front of her. "Madam Nalan..."

Nalan Jiange looked at Xiao Tian. "Shi Hao?"

Chapter 1158 - Chun Hua Vs Duzi

7-8 minutes

"Shi Hao?" even though Nalan Jiange's sight was already blurry, she was still able to recognize Xiao Tian.

This made Nalan Jiange a little relieved because, with this, there was a possibility that she would survive later.

Previously, she thought she would die because she could no longer move every part of her body.

That was why Xiao Tian's appearance gave her hope. "Shi Hao...cough...cough...."

Nalan Jiange kept coughing because she had been breathing bad air since a few minutes ago.

"Madam Nalan, I will take you out of the villa now." after saying that, Xiao Tian carried Nalan Jiangge on his back.

Like before, Xiao Tian walked with caution because the villa was full of fire. It would be fatal if he made the wrong move because he was carrying Nalan Jiangge on his back.

"Cough...cough...cough...." Nalan Jiangge kept coughing.

At this moment, she almost fell unconscious because she needed some fresh air so badly.

"Hang in there, madam Nalan. We will get out of the villa immediately." Of course, Xiao Tian knew how bad her condition was.

However, he could not make such a reckless move because it could cost them their lives later.

*Bruakk...

Wood filled with fire fell from above them.

Luckily, Xiao Tian could avoid it, or else it would fall on them.

Like before, Xiao Tian walked with caution.

Nature Villa, Front Yard.

Yun Xin Er was currently sitting down with both legs set at about a 180-degree angle and both femurs on both lower legs.

Yes, she sat in the formal way of sitting down based on ancient Japanese standards!

There was an old man's head on her lap, but he did not know about it because he had been unconscious since several minutes ago.

That old man was none other than Yun Wuya, Yun Xin Er's father.

At this moment, Yun Xin Er still wore a worried face. Even though they managed to save her father, but her mother was still trapped in the villa.

And what worried her most was that the fire was getting bigger every second because the fire department still had not arrived yet.

'Mother....'

Yun Xin Er really hoped that Xiao Tian could save her mother because she did not want something bad to happen to her mother.

'God, please help little brother save my mother.'

Yun Xin Er kept praying to god.

Not long after that, Xiao Tian walked out of the villa with Nalan Jiangge on his back.

"Mother..." Yun Xin Er wanted to rush towards Xiao Tian, but she could not do that because her father's head was on her lap. "Thank god."

Tears of happiness fell down her soft cheeks. She was relieved when she saw Xiao Tian carrying her mother on his back.

Xiao Tian then put down Nalan Jiangge next to Yun Xin Er.

"Mother..." Yun Xin Er held her mother's hands and looked at her.

"Cough...Cough... Xin Er, how is your father?" Nalan Jiangge wanted to know her husband's condition.

"Father is still unconscious, but nothing bad happened to him." Yun Xin Er had checked her father's condition earlier.

"Thank god." Nalan Jiangge felt relieved after hearing her daughter's words.

Not long after that, the fire department and the ambulance arrived.

Xiao Tian and the others immediately went to the hospital because they had to treat Nalan Jiangge, Yun Wuya, Ren Aoxu and the housemaid.

At this moment, Chun Hua was dragging Chenzui's corpse.

Chenzui committed suicide after Chun Hua defeated him because he knew that she would interrogate him and torture him to get information from him.

That was why he committed suicide earlier. He committed suicide by drinking the poison hidden in his teeth.

This was the reason why Chun Hua wore a displeased face. She was annoyed because her effort was in vain.

'I did not know there was a poison hidden in his teeth.'

Previously, she did not kill Chenzui on purpose because she wanted to interrogate him.

She just did not expect that he would commit suicide when he knew that he would not be able to run away from her.

'I hope we can find information about him or the mastermind later.'

She dragged Chenzui's corpse because she wanted to give his corpse to Xiao Tian.

Su Ruanyi was skilled in computers, so she believed that Su Ruanyi would be able to get information about Chenzui later.

To her surprise, Chun Hua met Duzi when she was heading to the Nature Villa.

*Silence...

Chun Hua and Duzi stopped their footsteps and stared at each other.

The expression of deep shock blossomed on Duzi's face when he saw Chenzui's corpse.

Previously, he believed that Chenzui could defeat Chun Hua because he was a strong martial artist.

He just did not expect that he was wrong. Not only that, but Chun Hua seemed to be fine as if she had not fought Chenzui before.

Chun Hua's lips curled into a grin.

'I got another prey!'

From Duzi's expression, Chun Hua could tell right away that Duzi was Chenzui's friend.

*Drop...

Chun Hua instantly dropped Chenzui's corpse and fixed her Zuxi gloves, ready to fight Duzi.

'I won't make the same mistake again.'

She would not let Duzi kill himself like Chenzui.

*Shui....

Chun Hua was already very close to Duzi in less than two seconds.

Duzi immediately took a step back.

'So fast!'

He was a martial artist at the high-level master stage like Chun Hua, but her speed was faster than his.

Chun Hua took this opportunity to throw the Lushi bomb at Duzi's face. The shape of the Lushi bomb was round like a ball, and it was a little bigger than marbles.

The Lushi bomb was like a flash bomb. The primary use of the Lushi bomb was to make people unable to see anything for six to twelve seconds.

That was why Chun Hua threw the Lushi bomb at Duzi's face.

Yes, since Long Jingxian became one of Xiao Tian's women, the fighting style of his underling changed completely.

They always fought fairly in the past, but it was different now. Long Jingxian had created a lot of poison and powder to help them defeat their enemies more easily.

She even created body-melting powder to help them remove their traces after killing their enemies.

*Burst...

Duzi's face was filled with purple gas after the Lushi bomb hit his face.

Not only was he unable to see anything, but his eyes also hurt. At that moment, he felt as if someone was spraying chili at his eyes.

Chun Hua did not waste time and immediately attacked Duzi continuously and mercilessly.

Head, chest, arms, legs; every part of Duzi's body was hit by Chun Hua's attacks. She did not show mercy because he was her enemy.

*Auakk...

Blood splashed out of his mouth as he crashed to the ground.

"You used dirty method?!" Duzi did not expect Chun Hua to use the dirty method. "Is this the reason why you can defeat Chenzui?"

"Old man, this is a street fight, so the most important thing is how to defeat your enemy. Shouldn't you already know this rule?" Chun Hua found it funny when Duzi was annoyed because she used a dirty method.

Yes, she could defeat Chenzui easily because she used a dirty method too.

"Do you dare to fight me fairly?" Duzi inquired.

Chapter 1159 - I Don't Have Much Time, Old Man!

7-9 minutes

"Do you dare to fight me fairly?" Duzi believed that he could fight Chun Hua on an equal footing if she did not use dirty methods.

There was a fifty percent chance he could win the fight if they fought fairly. That was why he challenged her in a fair fight.

"Haha." Like before, Chun Hua found it funny when he wanted to challenge her in a fair fight.

They were on the street, so they only needed to think of ways to defeat their opponent.

Just because she used a dirty method did not mean she was a coward; instead, she thought of Duzi as a fool because there was no referee around them.

"As I thought, you are a coward!" Duzi tried to make Chun Hua lose her temper. "I'm sure you can't defeat me if we fight fairly."

At this moment, he hoped he managed to make Chun Hua lose her temper because, with this, there was a high possibility that he could defeat her or run away from her later.

However, Duzi underestimated Chun Hua. Yes, Chun Hua knew what Duzi had in mind. That was why she still behaved normally.

Chun Hua knew Duzi's intentions because Xiao Tian always mocked his enemy every time he fought against his enemy.

And Duzi's skill in mocking his enemy was nothing compared to Xiao Tian.

"I don't have much time, old man!" after saying that, Chun Hua hit Duzi's head, causing him to fall to the ground and faint.

She did not want to make the same mistake. That was why she decided to knock him out because, with this, he would not be able to commit suicide later.

Chun Hua then grabbed Duzi and Chenzui's hair before dragging them to the villa.

Gu Hospital, Nalan Jiangge's Patient Room.

Currently, Xiao Tian and Mu Huo were sitting on the chairs in front of Nalan Jiangge's patient room.

Like before, they still did not know where Chun Hua was.

"Just where is she right now?" Xiao Tian inquired.

"She still hasn't given any news until now." Mu Huo replied.

Coincidentally, Xiao Tian's smartphone suddenly rang.

He immediately picked up the phone when he knew the person who called him was Chun Hua. "Where are you right now?"

"Sir, I caught two people. They are the ones who burned down the villa." Previously, Chun Hua was shocked when she saw the villa on fire.

That was why she decided to hide in the backyard because she was with Duzi and Chenzui. It would be complicated if someone saw her because they would report her to the police later.

Xiao Tian instantly rose to his feet. "Send me your location. I will be there soon."

"All right." Chun Hua replied before hanging up the phone.

"Boss, where do you want to go?" Mu Huo asked curiously.

"Yue Xihan caught the people who burned down the villa." Xiao Tian gave an honest answer. "Let's go."

"All right." Mu Huo replied instantly.

Nature Villa, Backyard.

Chun Hua was currently standing in the backyard of the villa. However, anyone would be hard to see her because she was surrounded by many trees.

Not long after that, Xiao Tian and Mu Huo arrived.

"Were they the ones who burned down the villa?" Xiao Tian asked as he looked at Duzi and Chenzui.

"Yes. That person committed suicide before I could ask him anything, but this person is only unconscious." Chun Hua pointed her right index finger at Chenzui before shifting it to Duzi.

She started to explain everything, from the moment Chenzui entered the villa to how she defeated Duzi.

"So they were the ones who burned down the villa, huh?" after saying that, Xiao Tian slapped Duzi's face continuously.

The reason why he kept slapping Duzi's face was that Xiao Tian wanted to make Duzi regain consciousness.

Duzi was his enemy, so Xiao Tian used violent means to wake up Duzi.

*Slap...Slap...Slap...

The sound of him slapping Duzi's face reverberated in the backyard.

Due to how hard Xiao Tian's slaps were, Duzi regained consciousness in no time.

"Hey, who ordered you to burn down the villa?" Xiao Tian's eyes were filled with coldness as he stared at Duzi.

Instead of feeling afraid, Duzi laughed loudly. "Haha. Do you think I will reveal everything?"

"So you choose to be tortured, huh?" after saying that, Xiao Tian took out Guzu Powder.

This was the powder he used when Han Zhi caused trouble to Su Ruanyi's parents. This powder would make the target feel immense pain in their whole bodies.

However, something unexpected happened before Xiao Tian could do anything to Duzi.

There was a sniper!

"Watch out!" Mu Huo jumped towards Xiao Tian and Chun Hua, causing them to fall to the ground.

They immediately hid behind trees because the sniper could kill them easily if they did not hide behind the trees.

To their surprise, the sniper stopped shooting and left. Xiao Tian and the others were annoyed when they found out that Duzi had died.

At this moment, they realized something. The sniper's target was not them but Duzi.

Xiao Tian then asked Su Ruanyi to find any information about Duzi and Chenzui. After that, he poured body-melting powder into their corpses.

"Let's return to the hospital." Xiao Tian uttered.

"Alright." Mu Huo and Chun Hua replied in unison.

Gu Hospital, Nalan Jiangge's Patient Room.

Xiao Tian was currently in Nalan Jiangge's patient room with Yun Xin Er. The patient room was huge and luxurious because they chose the VIP patient room earlier.

"Shi Hao, you saved my life again." Nalan Jiangge did not expect that she almost died twice in a day.

Luckily, Xiao Tian was there for her, or else she would have been died by now. That was why she did not know how to express her gratitude to him.

"But we still don't know who the mastermind is." Xiao Tian could only sigh because the sniper killed Duzi earlier.

"It's fine. We will report this incident to the police later." Nalan Jiangge knew it was hard to catch the mastermind, so she did not blame Xiao Tian.

After that, Xiao Tian visited Yun Wuya and Ren Aoxu. Yun Wuya's condition had already returned to normal as he had not suffered any severe injuries.

As for Ren Aoxu, his condition worsened because he was exposed to a deadly poison.

For this reason, Xiao Tian ordered Chun Hua to take him to their base so that Long Jingxian could check his condition later.

Xiao Tian was sure that Long Jingxian could save Ren Aoxu because Ru Gou had given her many books about poisons, medicines, and many more.

The next day, Xiao Tian and the others returned to Yun Xin Er's house. Yun Wuya and Nalan Jiangge did not go home; instead, they stayed at Yun Xin Er's house.

For this reason, Xiao Tian could not lovey-dovey with Yun Xin Er like before they went to Fuzio city.

Of course, Xiao Tian did not mind it because his relationship with Nalan Jiangge was closer than before.

Even though Nalan Jiangge never expressed her gratitude to him, but she always treated him well.

"How is Wang Yuan's condition?" Nalan Jiangge inquired.

Currently, Xiao Tian and the others were in the living room, watching TV. Of course, Xiao Tian was standing behind them.

"His condition is getting better." Xiao Tian replied.

Nalan Jiangge suddenly remembered something.. "Shi Hao, I have to meet my business partner tomorrow, and I want you to accompany me later."

Chapter 1160 - Nalan Jiangge Gives Advice To Xiao Tian

10-12 minutes

The expression of deep shock blossomed on Xiao Tian's face.

'What?! She wants me to accompany her to meet her business partner?! Did I hear it right?'

He found it hard to believe what he was hearing.

Sure, he saved her life twice, but she knew that he was Yun Xin Er's bodyguard. Yun Xin Er's life was also in danger, so Nalan Jiangge should not ask him to be her bodyguard.

Like Xiao Tian, Yun Wuya, and the others were also shocked.

"This is..." Xiao Tian did not know what to say at this moment.

"Shi Hao, Xin Er has no schedule tomorrow, so she will only stay at home with her father." Of course, Nalan Jiangge knew that she had just said something shocking.

She then continued, "Oh right. How about this? We will hire more bodyguards from your agency, but we have to add your duties later. Instead of only protecting Xin Er, you have to protect us too. So, how about this?"

"This is a good idea because their target is not only Xin Er but all of us." Yun Wuya agreed with Nalan Jiangge's idea because the mastermind's target was the Yun family members.

Xiao Tian shifted his gaze from Yun Wuya to Yun Xin Er. Actually, he disagreed with their idea because, with this, it would be hard for him to lovey-dovey with Yun Xin Er later.

He became a bodyguard because he wanted to protect Yun Xin Er and lovey-dovey with her, not to protect her parents.

He saved Nalan Jiangge's life because he happened to be there when she was in trouble.

Xiao Tian looked at Yun Xin Er because he wanted to know her opinion. Yes, he would let her decide it.

Of course, he hoped she would refuse her parents' idea.

"I'm fine with it." Yun Xin Er agreed with her parents' idea because, with this, there was a high possibility that her mother would approve her relationship with Xiao Tian later.

"Good!" Yun Wuya said happily.

"You won't refuse, right?" Nalan Jiangge hoped Xiao Tian would agree because she felt safe with him around her.

"Alright." Xiao Tian replied as he nodded his head.

Even though Xiao Tian was a little disappointed with Yun Xin Er's decision, he did not show it on his face because Yun Xin Er's parents were next to him.

"Then we will hire three more bodyguards, and we want the most powerful ones." Yun Wuya wanted strong bodyguards because they would not be able to protect them if these bodyguards were weak.

"All right." Xiao Tian had a few underlings who were at the high-level master stage, so he agreed instantly.

Not long after that, Chun Hua and Mu Huo went to the Blue Ice Lotus gang headquarters to choose three people to become Yun family bodyguards.

Yun Xin Er's House, Backyard.

Xiao Tian was currently sitting on the wooden bench with Yun Xin Er. Her parents were in the living room, watching TV.

They kept staying at Yun Xin Er's house since they knew that their lives were also in danger.

*Sigh...

Xiao Tian sighed.

"Hmm? What's wrong?" Yun Xin Er asked curiously.

"Now that your parents are staying at your house, it will be hard for us to lovey-dovey later." Xiao Tian gave an honest answer.

"Have you forgotten who you are? You are my bodyguard, so why do you want to lovey-dovey with me? You should focus on protecting me, not seducing me." Even though Yun Xin Er said something like this, she was also a little sad.

However, she could not do anything about it because her parents were also in danger.

She did not want something bad to happen to her parents just because of her selfishness. That was why she agreed to her parents' idea earlier.

"Isn't this situation like torturing us continuously? We are together all the time, but we can't enjoy our time or lovey-dovey. Isn't this the same as torturing us?" Xiao Tian expressed the sadness in his heart.

At this moment, he suddenly regretted his previous decision, but he could not change it now because it was already too late.

"I never feel that way because I never want to lovey-dovey with you." of course, Yun Xin Er lied when she said this because she only wanted to tease him.

Xiao Tian instantly pinched Yun Xin Er's cheeks before speaking, "Bad big sister! Do you want to be punished?"

"You are my bodyguard, so I should be the one to punish you, not the other way around." Yun Xin Er also pinched Xiao Tian's cheeks. "Your face is funny when I'm pinching your cheeks like this."

"Yours too." Xiao Tian replied.

"Hehe." Xiao Tian and Yun Xin Er laughed happily.

As Xiao Tian and Yun Xin Er were enjoying themselves in the backyard, her parents were watching a movie with happy expressions in the living room.

Not long after that, Chun Hua and Mu Huo came with three of Xiao Tian's underlings. All of them were martial artists at the high-level master stage.

Of course, they also wore silicon head masks because they had to hide their identities. At 07:20 pm, they made a bonfire in the backyard.

Yes, Yun Xin Er dragged everyone to the backyard after eating dinner. That night, everyone was delighted, especially Yun Wuya and Xiao Tian.

Yun Wuya was thrilled because Yun Xin Er was closer to her mother now. As for Xiao Tian, he was pleased because he could spend time with Yun Xin Er.

Not only that, but his relationship with her parents were also closer than before. That night, they chatted in the backyard until 10:00 pm before finally, they slept.

Unknown House.

Inside a big living room, two young ladies were sitting on the couch with serious faces.

One of them had a beautiful appearance like an angel, while the other one had a sexy body like a model.

From their expression, anyone could tell right away that they were discussing something important. They were the masterminds of what had happened to the Yun family.

These people were none other than Zhi Meirong and her slave, Han Xia.

Actually, they wanted to kill the Yun family members and Xiao Tian last month, but they could not do that because they had important business in Beijing.

"Master, what should we do next? Chenzui and Duzi are dead, so we don't have anyone who will help us now." Han Xia knew that Chenzhui and Duzi had already died because she was the one who killed Duzi.

Yes, she was the sniper who killed Duzi yesterday!

She decided to kill him because she did not want Xiao Tian to get any information from Duzi.

"Find out their schedule and give it to me." Zhi Meirong replied, "We will act according to their schedule later."

"Understood." Han Xia replied instantly.

The following morning, Xiao Tian accompanied Nalan Jiangge to meet her business partner. They met at a luxurious Hotel and chatted for about two hours.

At 04:00 pm, Nalan Jiangge took Xiao Tian to a small restaurant to eat lunch together.

At first, they wanted to eat in the indoor area, but they changed their minds when they saw the outdoor area.

At this moment, something unexpected happened not far from them.

Two old people were kneeling in front of a young woman!

Xiao Tian was surprised. But what surprised him most was that the young lady also stepped onto their heads.

Everyone, who saw them, did not do anything and only stared at them as if they saw nothing.

Even though Xiao Tian felt sorry for these old people, he stayed where he was because he did not want to get involved.

He was already facing a lot of trouble, so he did not want to add any unnecessary trouble.

"Shi Hao, look at these old people!" Nalan Jiangge spoke abruptly. "That is what happens to people who have no money. Their pride will be trampled on by the rich."

She then continued, "There are no more rules like respecting elders. Nowadays, money rules everything, even our self-esteem. As long as you have money, you can do whatever you want in this world, and nothing can stop you."

The reason why she said something like this was that she wanted to teach Xiao Tian how important money was or how the world works nowadays.

Previously, these two old people accidentally bumped into the young woman, causing her to fall to the floor and damage her expensive smartphone.

The young woman was furious at these people and asked them to compensate for it.

These two old people immediately apologized and begged the young woman to forgive them when they learned how expensive her smartphone was.

They were from a lower-class family, so they could not compensate her smartphone because the price of her smartphone was equal to six months of their salary.

They would die from starving if the young lady insisted on asking them to compensate her smartphone.

For this reason, they did not do anything when the young lady stepped onto their heads.

Sure, they knew that many people were looking at them, but they did not care about it. As long as the young lady could forgive them, they would let her do whatever she wanted.

Previously, they came to the restaurant to ask if they were looking for employees or not. They just did not expect that something like that would happen to them.

Of course, Xiao Tian knew that money ruled everything. In his previous life, he could do whatever he wanted because his father was the richest person in Beijing.

However, he did not agree with her completely. Unlike Nalan Jiangge, even though he knew how important money was, he would not sell his family for money.

Sure, money could bring happiness, but in his view, the most important thing in the world was family.

"Shi Hao, you should start building a business because everyone will look down on you if you keep becoming a bodyguard." Nalan Jiangge gave more advices. "You can start with a small business, like open a ramen shop or something like that."

Nalan Jiangge continued, "Being a bodyguard is dangerous because you can get killed anytime and anywhere. What if your son is born without a father in the future? What will happen to your future

wife? You are still young. If you start a business now, you don't need to be a bodyguard anymore in five or ten years and can spend all your time with your family too."

Like before, Xiao Tian was startled.

'Why is she suddenly giving me advice like this?'

Of course, he knew that Nalan Jiangge had good intentions.

He just did not expect her to keep giving him advice. It was as if Nalan Jiangge was worried about his future or future family.

"Shi Hao, what do your parents do for a living?" Nalan Jiangge inquired.
