

## Illicit 1161

### Chapter 1161 - Not Bad, Not Bad

"Shi Hao, what do your parents do for a living?" Nalan Jiangge asked this question to make Xiao Tian think about his future, not to look down on him or his family.

Even though she still judged other people based on their wealth, but she did not look down on Xiao Tian because he had saved her life twice.

She just wanted to help Xiao Tian create a better future for him.

At this moment, Xiao Tian did not know if he should tell the truth or not.

'Should I tell the truth?'

He was sure that Nalan Jiangge would not be suspicious of him even if he told the truth because there were many families in China.

However, he decided to lie because he did not want her to know how rich he was. "My mother is only a housewife."

"What about your father?" Nalan Jiangge inquired.

"He left my mother and me when I was still a kid and never met us until now." at first, Xiao Tian wanted to continue lying, but he changed his mind.

Nalan Jiangge did not know that Xiao Tian was from a broken family.

Even though she felt sorry for him, she did not show it on her face because Xiao Tian was a man and a man had to be strong. "Then, doesn't this make you have to open a business even more because your mother will be alone if you die?"

"I will think about it later." Xiao Tian replied.

"You should think about your future and family seriously." Nalan Jiangge stated.

After eating, they went home.

-----

Su Ruanyi called Xiao Tian not long after he arrived at Yun Xin Er's home. Previously, he asked her to investigate the identities of Duzi and Chenzui.

That was why she called him because she wanted to tell him what she found.

"So, they are wanted people?" Xiao Tian did not expect Duzi and Chenzui to be wanted people.

"Yes." Su Ruanyi replied instantly. "Previously, they were arrested because they tried to kill someone. However, they managed to escape from prison two months ago."

"I see. Thank you, professor Su." Xiao Tian uttered. "Oh right, I will go home today."

"Great! I will tell the others later." Su Ruanyi was pleased when she knew that Xiao Tian would go home later.

After Xiao Tian hung up the phone, he called Ren Aoxu. Even though his condition was much better now, but he still needed to rest.

For this reason, Xiao Tian told Ren Aoxu to keep resting.

-----

Time went by quickly, and without realizing it, it was already three days before Yun Xin Er's concert.

Xiao Tian and the others were currently in one of the most famous hotels in Beijing, Qing Hotel.

Yes, they went to Beijing because her concert was in Beijing!

All Yun Xin Er did was practice and practice after arriving in Beijing because she did not want to disappoint her fans.

She wanted to give the best for her fans because they were one of the reasons why she could become a famous singer.

Xiao Tian and the others were even amazed by her hard work. At that moment, they finally realized something.

Yun Xin Er was a talented and hardworking young woman!

It made sense that she could become a successful singer at such a young age because she practiced harder than most singers.

The day of her concert had finally come. At this moment, Xiao Tian and the others were on their way to Qiyou Concert Hall.

Yes, Yun Xin Er's concert would be held at Qiyou Concert Hall, one of the most concert halls in Beijing.

-----

Qiyou Concert Hall, Parking Area.

After getting out of the car, Xiao Tian and the others entered the concert hall.

'Whoa!'

Chun Hua was amazed by how amazing the concert hall was.

The concert hall was huge and had two floors. The location of the stage was in the center of the hall, with more than a thousand seats at the front, left, and right of the stage.

Not only that but there was also a door and a big screen behind the stage. It was the door that people used to walk onto the stage.

"Not bad, not bad." Xiao Tian nodded his head when he saw the huge and luxurious concert hall.

Even though the concert hall was amazing, but he had seen more amazing concert hall in his previous life.

Of course, the owner of that amazing concert hall was none other than his father. This was one of the reasons why he knew many famous singers and musicians in his previous life.

"Not bad?" Yun Xin Er was startled after hearing Xiao Tian's words. "Have you ever seen a concert hall more stunning than the Qiyou concert hall?"

"Yes." Xiao Tian gave an honest answer. "I have seen more amazing concert halls than this one before."

Yun Wuya and Nalan Jiangge stared at Xiao Tian.

'Is he telling the truth?'

Xiao Tian was only a bodyguard, so they did not believe his words easily.

'Has he been a bodyguard of famous people in the past?'

That was the question that suddenly appeared in their minds.

"What is the name of that concert hall?" Yun Xin Er wanted to know if Xiao Tian was telling the truth or not.

"Secret!" Xiao Tian winked his right eye.

He could not answer her question because they would consider him a liar if he answered her question.

"Hmph! I bet you just want to look cool, right?" at this moment, Yun Xin Er believed that Xiao Tian was lying to her.

The corner of Xiao Tian's lips twitched after hearing her words.

'Eh? They also think I'm lying?!'

Xiao Tian sighed when he saw the expressions of Yun Wuya and the others.

From their expressions, he could tell right away that they did not believe his words.

At this moment, Xiao Tian wanted to prove that he was not lying, but he had no idea how to do that.

"I'm telling the truth."

Yun Xin Er tapped Xiao Tian's right shoulder before giggling. "Hehe. Don't worry. I will take you to more amazing concert halls than this one in the future."

'Big sister Yun, stop giggling!'

He shouted in his head.

## **Chapter 1162 - Yun Xin Er's Concert**

6-7 minutes

---

Qiyou Concert Hall, Make-Up Room.

Xiao Tian and Yun Xin Er were currently in the make-up room. She looked more attractive after changing her clothes and putting on make-up.

At the same time, the hall was already filled with Yun Xin Er's fans, from young to adult.

Some of them brought cameras, while others just used their smartphones to record their happy moments.

In short, they were ready for Yun Xin Er's concert.

"Yun Xin Er."

"Yun Xin Er."

"Yun Xin Er."

"Yun Xin Er."

"Yun Xin Er."

The huge concert hall was filled with the screams of Yun Xin Er's fans calling out her name.

They were thrilled because they could see Yun Xin Er in person later. Some of them were even willing to save up for a few months just to come to Yun Xin Er's concert.

Young and old were no different. They were delighted and shouted Yun Xin Er's name continuously.

At this moment, Xiao Tian and Yun Xin Er were standing behind the stage.

"They are shouting your name continuously, to the point that I think this building will collapse because of their happy screams." Xiao Tian spoke abruptly.

"Hehe." Yun Xin Er giggled proudly. "How is it? Isn't this big sister amazing? All of them are this big sister's fans, you know?"

"Yes, yes. Big sister Yun is the most amazing woman in the world." Even though Yun Xin Er was not the most amazing woman in the world, but she was still amazing in Xiao Tian's eyes.

She was still young, but she had become one of the most famous singers in China. Not everyone could do like what she accomplished in this world.

That was why Yun Xin Er was an amazing young woman in Xiao Tian's eyes.

Not long after that, the concert started. Yun Xin Er's fans screamed even louder. They had become much crazier after Yun Xin Er stepped onto the stage.

Some of them even did not stop saying they loved her or they wanted to marry her. In the concert hall, Yun Xin Er was like a goddess; no one stood above her.

"Good morning, everyone." Yun Xin Er greeted her fans. "I'm glad to see you again at my concert."

"Yun Xin Er, marry me."

"Yun Xin Er, I love you."

"Yun Xin Er, you are my goddess. Please marry me."

"Yun Xin Er, you are my life."

One by one, Yun Xin Er's fans expressed their love to her.

Even though they had come to Yun Xin Er's concert several times, none of them felt bored; instead, they were happy, and their love for her grew bigger and bigger.

After giving small talk, it was time to start singing. "Alright, everyone. The first song is a song called I want to be with you forever. Please sing with me."

Soon the sound of music reverberated in the concert hall.

"Do you remember when we held hands for the first time?"

At that time, happiness trembled inside of me....

Do you remember when we first went on a date?

At that time, my heart told me that I had found my soulmate...."

Yun Xin Er began to sing.

Of course, her fans sang along with her. Not only did they love her, but this song was one of the best songs on her current album.

At this moment, Xiao Tian, Chun Hua, and Mu Hou were standing next to the stage. Not only that but there were also a lot of cops in the concert hall.

Some of them were standing on the other side of the stage, while the others were standing amongst Yun Xin Er's fans.

Li Wen did not want something bad to happen to Yun Xin Er during her concert, so he ordered his subordinate to add more police to guard the concert.

Time went by quickly, and without realizing it, it had been two hours since the concert started.

"Everyone, this will be the last song at this concert." Yun Xin Er spoke, "The song's title is you are safe in my arms. Let's sing together again."

At this moment, something unexpected happened.

The guitarist suddenly fell to the floor, fainted!

\*Silence...

The entire area dropped into a dead silence.

Like her fans, Yun Xin Er was also startled. Previously, she was about to sing a song called 'you are safe in my arms,' but she did not expect that the guitarist would suddenly faint like that.

The medical team rushed to the guitarist. They immediately took the guitarist off the stage to check his condition.

At this moment, Yun Xin Er talked to her fans because she didn't want the incident to make the atmosphere tense.

She could not sing the last song because the role of the guitar was very important in the last song.

Not long after that, one of the concert organizers told Yun Xin Er that the guitarist had fallen unconscious due to illness.

For this reason, Yun Xin Er left the stage to talk to the rest of the concert organizers and her family.

"What should we do now?" Yun Xin Er inquired.

All the concert organizers exchanged a glance with each other. All of them did not know how to play the guitar because all they did was work and work.

If they forced themselves to play the guitar, it would ruin Yun Xin Er's concert later. They did not want to do that because Yun Xin Er would get bad rumors later.

Not only that, they were even sure that Li Wen would get angry at them later.

"Will the concert continue or not?"

"I don't know."

"Isn't that just the guitarist? I'm sure they can still do concerts without a guitarist."

"You are right."

"Yes, I think so too."

It had been five minutes since the guitarist suddenly fell unconscious, so Yun Xin Er's fans started to lose their temper.

They also believed that they could still continue the concert without a guitarist because, in their eyes, the guitarist was not important.

At this moment, Yun Xin Er and the concert organizers were still discussing what they should do.

Xiao Tian, who was standing next to Yun Xin Er, suddenly said something shocking, "How about I become the guitarist?"

### **Chapter 1163 - Because I'm The Composer Of The Song**

6-8 minutes

---

"How about I become the guitarist?" Xiao Tian knew the song called 'you are safe in my arms'.

Of course, he knew about this song because he was the composer.

Yes, the song called 'you are safe in my arms' was Xiao Tian's song!

After Yun Xin Er bought his song called illusion, he gave her three more songs.

Actually, he did not want to give her more songs, but Yun Xin Er kept seducing him, saying she would reward him or something like that.

After seducing Xiao Tian for several days, he finally gave in and composed three songs for Yun Xin Er.

Like his song called illusion, these three songs immediately became hit songs.

At that time, Li Wen even invited him to have dinner with him because Xiao Tian's song helped the sales of Yun Xin Er's album.

Yun Xin Er and the others instantly turned their heads towards Xiao Tian.

They were startled.

They did not expect Xiao Tian to offer himself to be the guitarist.

"Shi Hao, can you play the guitar?" Nalan Jiangge wanted to know if Xiao Tian could play the guitar or not.

"Shi Hao, this concert is important, so..." Yun Wuya could not finish his words.

He wanted to say that Xiao Tian should not act recklessly because it would ruin Yun Xin Er's reputation if Xiao Tian messed up her concert.

However, he could not finish his words because he did not want to hurt Xiao Tian's feelings.

At this moment, Yun Xin Er remembered something important.

She remembered that Xiao Tian was the composer of the song!

"Alright. You will be the guitarist." Yun Xin Er agreed with Xiao Tian's idea.

Xiao Tian was the composer of the song, so of course, he knew what he had to do.

Yun Xin Er's words had taken everyone by surprise.

'What?'

They did not expect Yun Xin Er to agree easily like that.

"Miss Yun, I think this is not a good idea." One of the concert organizers stated.

The other concert organizers instantly nodded their heads. They agreed that letting Xiao Tian be the guitarist was not a good idea.

There were a few reasons why they disagreed with Yun Xin Er's decision. First, Yun Xin Er's concert was important for her and Li Entertainment.

Second, Xiao Tian was her bodyguard. It would create bad rumors if a bodyguard suddenly became the guitarist in her concert.

The public would think that Li Entertainment was not serious in holding Yun Xin Er's concert.

Yun Xin Er was a famous singer, and Li Entertainment was a big company. A small rumor like this could affect their reputation if someone took advantage of it.

Third, they were afraid that Xiao Tian would mess up Yun Xin Er's concert later. Actually, this was the main reason why they disagreed with Yun Xin Er's decision.

"Xin Er, please think about this carefully." Fu Rou also disagreed with Yun Xin Er's decision.

Like the others, she had no idea that Xiao Tian was the composer of the song because Li Wen did not tell anyone about it.

"How about we call director Li and let him decide this?" Yun Xin Er had to resort to this method because she could not convince all the concert organizers and her parents.

All the concert organizers exchanged a glance with each other before finally nodding their heads.

"All right." They agreed with Yun Xin Er's idea because with this, Li Wen could not blame them for what would happen later.

Without waiting for another second, Yun Xin Er called Li Wen and put it in speaker mode so that everyone could hear his voice.

"Hello, Xin Er?" Li Wen said after picking up the phone.

"Director Li, it's like this...." Yun Xin Er began explaining their situation.

Of course, she did not tell Li Wen that Shi Hao was Xiao Tian. Her parents were in front of her, so she could not do that.

"Xin Er, how about you continue the concert without a guitarist?" Li Wen refused her idea because he did not know that Shi Hao was Xiao Tian.

Xiao Tian disagreed with Li Wen's decision. It would ruin his song if they did not use the guitarist because the guitar was the main role in this song.

'Should I reveal my identity to director Li?'

Xiao Tian was sure that Li Wen would let him become the guitarist if Li Wen knew his real identity.

"Director Li, believe me. He can play the guitar well later." Yun Xin Er tried to convince Li Wen that Xiao Tian would not make a single mistake later.

"Xin Er, what if he messes up everything later?" Li Wen did not expect that Yun Xin Er really wanted to let Xiao Tian be the guitarist.

'Are they really close now?'

He knew how close Yun Xin Er was to her new bodyguards.

However, he did not expect that Yun Xin Er would let one of her bodyguards be the guitarist at her concert.

"Miss Yun, director Li doesn't agree with your decision. How about we continue the concert without the guitarist?" one of the concert organizers spoke.

Like before, the other concert organizers nodded their heads. Li Wen had refused Yun Xin Er's idea, so they thought they should continue the concert without a guitarist.

At this moment, Xiao Tian was still thinking if he should reveal his identity to Li Wen or not.

'Damn it! I can't accept it if they want to ruin my masterpiece song. I can't accept it.'

He was the song's composer, so Xiao Tian did not want the concert organizers to ruin his masterpiece song.

'Yes, I can ask director Li not to reveal my identity later.'

Xiao Tian had a good relationship with Li Wen, and Yun Xin Er was the ace of Li Entertainment, so he believed that Li Wen would not reveal his identity to the public later.

With this idea, Xiao Tian immediately said, "Director Li, can we talk alone?"

"You are?" Li Wen did not know who Xiao Tian was because they were talking over the phone.

"I'm Shi Hao." Xiao Tian used his fake identity.

"Alright." Li Wen agreed instantly.

After Yun Xin Er gave her smartphone to him, Xiao Tian walked into a deserted place, a place where no one was around.

"Shi Hao, what do you want to say to me?" Li Wen asked curiously.

"Director Li, can you let me be the guitarist?" Xiao Tian replied instantly. "Guitar is the main role in this song, so it will ruin the song if the concert continues without guitarist."

"Shi Hao, you have no idea how scary the public is. I can cover everything if we continue the concert without a guitarist because we have valid evidence." Li Wen still did not agree to let Xiao Tian be the guitarist.

"Don't worry. I promise I won't ruin the concert later." Xiao Tian tried to convince Li Wen that he would not mess up everything later.

"Give me a good reason why I should agree with your idea?" Li Wen tried to give Xiao Tian a chance to be the guitarist.

"Because I'm the composer of the song.." Xiao Tian gave a solid reason.

### **Chapter 1164 - Young Xiao, Is That You?**

7-8 minutes

---

"Because I'm the composer of the song." Even though Xiao Tian did not reveal his real identity directly, he was sure that Li Wen understood the meaning of his words.

"Shi Hao, the composer of this song is a young man calle-" Li Wen stopped his words halfway when he realized something.

'Wait!'

Li Wen was an intelligent middle-aged man, so he immediately realized everything.

First, Yun Xin Er had a close relationship with her bodyguards, which had never happened before.

Second, she insisted on letting Shi Hao become the guitarist. Third, Shi Hao said he was the composer of the song.

Li Wen knew the composer of the song was Xiao Tian.

'Don't tell me....'

After gathering all the information, Li Wen knew that Shi Hao was Xiao Tian.

Everything made sense. There were only two people who knew the composer of the song in this world.

These people were none other than Yun Xin Er and himself.

'I see. I get it now.'

Li Wen nodded his head after understanding everything.

If Shi Hao were Xiao Tian, it would make sense that Yun Xin Er dared to say that Shi Hao would not make any mistakes later.

Xiao Tian was the composer of the song, so he knew everyone about the song.

"Young Xiao, is that you?" Li Wen wanted to hear it directly from Xiao Tian's mouth.

"Yes, director Li. It's me." Xiao Tian gave an honest answer.

"Haha." Li Wen could not help but laugh. "I see, I see. No wonder Xin Er has a close relationship with her bodyguard. It turns out that you are her bodyguard."

"It's because big sister Yun's life is in danger, so in order to protect her all the time, I have no choice but to be her bodyguard." Xiao Tian told Li Wen the reason why he became Yun Xin Er's bodyguard.

"It seems like young Xiao really likes Xin Er." Like before, Li Wen laughed again. "You are even willing to be her bodyguard."

"Director Li, please don't tell anyone about this." Xiao Tian wanted Li Wen not to reveal his identity to anyone.

"Alright, alright. Don't worry. I won't tell a single soul about this." Li Wen had no intention of revealing Xiao Tian's identity because Yun Xin Er would be angry at him later.

And he also wanted to have a good relationship with Xiao Tian because Xiao Tian's future was bright.

"Thank you, director Li." Xiao Tian replied. "So, how is it? Can I become the guitarist?"

"Of course." Li Wen agreed instantly because he already knew that Shi Hao was Xiao Tian's other identity. "You go back to where everyone was. I will tell them about this."

"Alright." After saying that, Xiao Tian returned to where everyone was.

At this moment, Yun Xin Er and the others were waiting for Xiao Tian.

When Yun Xin Er saw Xiao Tian, she immediately ran towards him and spoke in a low voice, "How is it? Did you manage to persuade director Li to make you the guitarist?"

Xiao Tian did not answer her question, but he nodded his head.

"Good!" Yun Xin Er smiled happily because with this, she could sing together with Xiao Tian later.

When Xiao Tian was in front of everyone, he immediately spoke, "Everyone, director Li wants to say something to all of you."

Of course, Xiao Tian had turned it into speaker mode because they would not be able to hear Li Wen's voice if he did not turn it into speaker mode.

"Everyone, I have changed my mind. I will allow Shi Hao be the guitarist." Li Wen went straight to the point.

All the concert organizers only exchanged a glance with each other. Li Wen had decided it, so their opinion was useless.

"I still have a lot of work to do, so I will end the call now." after saying that, Li Wen hung up the phone.

"Shi Hao, wear this." Yun Xin Er gave a silver mask to Xiao Tian. "You are my bodyguard and many people has seen you earlier, so you have to hide your face."

Previously, Xiao Tian stood next to the stage, so many people had seen his face. This was the reason why Yun Xin Er told him to wear a mask.

"All right." Xiao Tian thought it was a good idea to wear a mask.

"Alright. Let's go to make-up room now." Yun Xin Er grabbed Xiao Tian's right hand and dragged him to the make-up room.

Xiao Tian needed to change his clothes because he could not stand on the stage in a bodyguard suit.

Xiao Tian wore his silver mask before entering the make-up room.

The fashion stylist recommended Xiao Tian to wear a black T-shirt, white trucker jacket, white jeans, and black huaraches shoes.

Yes, the fashion stylist was sure this fashion suit would suit Xiao Tian perfectly!

And what she had guessed was right because Xiao Tian did look amazing in these clothes.

Yun Xin Er and the fashion stylist were even stunned by Xiao Tian's attractiveness, to the point they felt as if his body was emitting a sexy and mysterious aura.

Yes, his body emitted a mysterious aura because he was still wearing a silver mask!

"As I thought, you would look good in these clothes." After saying that, the fashion stylist took a silver necklace and put it around his neck. "Perfect!"

Xiao Tian unbuttoned his white trucker jacket because it made him look more attractive.

Yun Xin Er touched her chin and nodded her head as she stared at Xiao Tian.

'It seems like any outfit will always look good on him.'

Of course, Yun Xin Er knew that Xiao Tian was a good-looking young man with an attractive body because she had seen everything more than once.

Yes, Yun Xin Er had seen Xiao Tian's naked body a few times!

Yun Xin Er walked closer towards Xiao Tian before finally whispering in his right ear, "It's a pity that you are hiding your handsome face, or else, the fashion stylist would have fallen for you by now."

"Maybe I should seduce the fashion stylist later." Xiao Tian whispered too.

"Playboy!" after saying that, Yun Xin Er grabbed Xiao Tian's right hands and dragged him out of the make-up room. "Let's show your new look to my parents."

Xiao Tian did not say anything and only followed her.

"Everyone, how is his new appearance?" Yun Xin Er inquired.

\*Silence...

The entire area turned into a dead silence.

They were startled at how attractive Xiao Tian was, especially Yun Wuya and Nalan Jiangge.

Yun Wuya and Nalan Jiangge exchanged a glance with each other.

'He has a good body.'

They had no idea that Xiao Tian had an amazing body because he always wore a bodyguard suit.

"Doesn't he look attractive and mysterious now?" Yun Xin Er asked again.

All the concert organizers and Yun Xin Er's parents nodded their heads subconsciously because Xiao Tian did look great in their eyes.

At this moment, Xiao Tian behaved normally because he was used to such reactions.

First, he was a good-looking young man in his previous life, and his predecessor's body was also attractive, so it was normal to get that kind of reaction.

"Alright. Let's return to the stage now.." Yun Xin Er stated.

**Chapter 1165 - I'm Attractive, Young, Kind, Tall, Rich, Handsome, Genius, Good Listener, Clever And Humorous**

7-8 minutes

---

"When will the concert start again?"

"Yes. I also want the concert to start again quickly. It has been fifteen minutes since the concert suddenly stopped."

"Well, it can't be helped."

"But at least, they should not have let us wait like this."

"Sigh. I'm starting to lose my patient now."

"Me too."

"At least, they should explain to us, not let us wait like this without explanation."

"I'm disappointed."

"Should we ask for refund later?"

Some of Yun Xin Er's fans were annoyed and furious because they had been waiting for fifteen minutes, but there was no news about the concert from the concert organizer.

At the same time, Yun Xin Er and Xiao Tian stepped onto the stage.

Almost all of Yun Xin Er's fans were shocked when they saw her and Xiao Tian stepping onto the stage together.

Sure, they knew that Yun Xin Er would return to the stage, but they did not expect her to return to the stage with Xiao Tian.

But what surprised them most was that Yun Xin Er was with an attractive young man.

Yes, Xiao Tian's attractiveness almost shocked all of Yun Xin Er's fans, especially her female fans!

Sure, they could only see Xiao Tian's lips and chin because he was wearing a silver mask, but the shape of his body was more than enough to charm them.

Coupled with matching branded clothes he was wearing, it made him look more attractive.

"Hey, who is that person?"

"I also want to know who he is."

"Kya. He is so attractive!"

"Whoa! Look at his perfect body! He is so attractive!"

"Is he a model?"

"But why is he wearing a mask?"

"Maybe he wants to look mysterious."

"Wait! Is it because he is ugly?"

"No way! Look at his perfect body! There is no way someone with a perfect body like that has an ugly face."

"Then, why is he wearing a mask? Isn't it to hide his ugly face?"

"Watch your mouth, girl! I'm sure it's because he wants to look mysterious. Yes, I'm sure about it."

"I suddenly want to see his face now."

"Met too."

"That silver mask is so annoying!"

"I... I think I know him."

"Hmm?"

"Who is he?"

"He is my soulmate who always appears in my dreams."

"Hey, wake up, girl!"

"Yes, wake up, girl. He is not your soulmate. He is the mysterious masked man who helped me last night and is destined to be my future husband."

"You too, wake up!"

Many Yun Xin Er fans were surprised by Xiao Tian's appearance on stage, especially her female fans.

Even though Xiao Tian was hiding his face behind his silver mask, but most women were still charmed by him.

Xiao Tian was tall and had white skin. Coupled with matching clothes, it was normal if he could charm many women without doing anything.

Even though Yun Xin Er knew that Xiao Tian's appearance would surprise her fans, she did not expect that they would get hypnotized by Xiao Tian's charm instantly.

'Now I wonder, what would happen if they saw his handsome face?'

She had no idea if she should feel proud, happy, or sad.

"But why is he standing on the same stage as our idol?"

"That's what I want to know since earlier."

"Did our idol bring him for decoration?"

"Maybe."

The expression of deep shock blossomed on everyone's faces when Xiao Tian suddenly took a guitar.

"What? Are my eyes playing tricks on me?"

"Why is he holding a guitar?"

"Is he a substitute guitarist?"

"Is this the reason why they made us wait a few minutes earlier?"

"Whoa! An attractive young man will play the guitar! I love it!"

"Yes, I love it too."

They found it hard to believe what they were seeing.

They thought the concert would continue without a guitarist, but they were wrong. They were utterly wrong because Xiao Tian suddenly grabbed an electric guitar.

Yun Xin Er immediately took a microphone and spoke, "Everyone, I apologize for making all of you wait earlier. Previously we were looking for a substitute guitarist because the role of the guitar in the last song was very important."

She then continued, "The song will be messed up if we don't use a guitarist. That was why we had no choice but to look for a substitute guitarist. Luckily, we found a good substitute guitarist at the last minute."

"Xin Er, can you tell us who he is?" one of Yun Xin Er's fans inquired.

"Yes, we want to know who he is." Another fan added.

"He is a mysterious masked man." After saying that, Yun Xin Er winked her right eye.

There was no way she would reveal Xiao Tian's identity because it would ruin his reputation later.

"It's unfair!"

"Yes, it's unfair!"

"Xin Er, tell us who he is. We are curious about him."

Previously, they hoped Yun Xin Er would tell them who Xiao Tian was.

That was why some of them were disappointed when Yun Xin Er did not want to reveal Xiao Tian's identity.

At the same time, the concert organizers and Yun Xin Er's parents, who watched everything from the monitor, twitched their lips.

'How can he shock everyone to this extent?'

They knew that Xiao Tian was attractive, but they did not expect that Xiao Tian would shock many of Yun Xin Er's fans.

Some of them even asked Yun Xin Er who Xiao Tian was. In the past, they changed the guitarist in the middle of the concert a few times, but something like this had never happened before.

It was as if Xiao Tian was God who descended to earth to surprise everyone in the concert hall.

Xiao Tian also did not expect that his appearance would shock many people like that.

Sure, he knew that he was attractive, young, kind, tall, rich, handsome, genius, good listener, clever and humorous.

He just did not expect that his charm was so great, to the point he could still charm many women even when he was hiding his handsome face.

'Un, un. They have good eyes. They really know which people are attractive and not.'

Xiao Tian nodded his head.

Black lines formed on Yun Xin Er's forehead.

'He is praising himself again.'

Even though Xiao Tian only nodded his head, Yun Xin Er knew that Xiao Tian was praising himself in his head.

She knew about it because she was familiar with his personality, and Xiao Tian often praised himself since they knew each other.

That was why she found it funny when she saw Xiao Tian praising himself.

Yun Xin Er brought her face closer towards Xiao Tian's right ear and whispered, "Does it feel good to be desired by many women at the same time?"

"Not bad, not bad." Like before, Xiao Tian nodded his head again.

Even though he was often praised by women, that feeling never bore him.

Yes, he was a human being, so it was normal if he loved to be praised, especially if beautiful women were praising him.

Sure, he often did not show his happiness on his face, but he was thrilled deep inside him.

Because she had to continue the concert immediately, Yun Xin Er uttered, "Alright, everyone.. Let's continue the concert."

## **Chapter 1166 - I Have Come To Love You**

7-8 minutes

---

"Let's sing together again." Yun Xin Er shouted.

"Let's sing together again." Yun Xin Er's fans shouted in unison.

\*Jreng...jreng...jreng...

The sound of guitar reverberated in the concert hall.

At this moment, the other band members still had not played their instruments. It was only Xiao Tian who played his guitar.

This was the reason why Xiao Tian refused their idea when they wanted to continue the concert without a guitarist because the role of the guitar was vital in this song.

There were some parts of the song where only the guitar was played. If they did not use a guitarist, the song's charm would get destroyed as soon as the song started.

Yes, the guitar sound was quite prominent in this song!

And it could also be said that the guitar sound was the charm of this song.

\*Jreng...jreng...jreng...

Like before, Xiao Tian kept playing his guitar.

Of course, he did not make a single mistake because he was the composer of the song.

He was the creator of the song, so he remembered everything vividly in his head. He even could play the other instruments too.

Like before, Yun Xin Er's fans also sang along with her. They were pleased because they could sing together with their idol.

\*Dung...Dung...

The other instruments began playing.

"You are always in my heart, and it will never change...

Your smile is like sunshine...

I really want to be with you...."

Yun Xin Er sang with her fans.

Even though there was no one to guide them, they could sing with Yun Xin Er perfectly as if they had practiced together before.

When it was the refrain part of the song, Yun Xin Er walked closer towards Xiao Tian.

"Your smile is like sunshine...

I really want to be with you...."

Yun Xin Er sang the song before placing the microphone in front of Xiao Tian's mouth.

Her intention was clear.

She wanted Xiao Tian to sing with her!

Even though Xiao Tian was startled, he did not show it on his face. He immediately sang the next line of the song.

"I have come to love you...

To give you happiness...

To give you the best things in the world...

So let me be your lover...

And protect your heart...."

The lyric was perfect for his relationship with Yun Xin Er.

This was the reason why Yun Xin Er let him sing the next line of the song.

As Xiao Tian was singing, he paid attention to Yun Xin Er carefully as if he was using the song to express his love for her.

Yun Xin Er, who was standing next to him and looking at him, was thrilled. First, she could sing together with Xiao Tian.

Second, she could stand on the same stage as him. And last, Xiao Tian was very soulful when he sang his song.

She would have embraced him or teased him if they were not on the stage.

Of course, it became one of the most beautiful memories in her life because she could sing together with Xiao Tian on the same stage.

Some of Yun Xin Er's fans were stunned. They were stunned because Xiao Tian had a good voice.

His voice was even better than some famous singers. This made Xiao Tian look more attractive in their eyes.

"Let me be your lover...."

Don't worry. You are safe in my arms...."

Xiao Tian and Yun Xin Er sang together.

Not long after that, the song ended. At this moment, some reporters found great topics for their articles.

Mysterious masked man!

Yes, they would write about Xiao Tian in their articles later.

After the concert ended, Yun Xin Er and the others walked off the stage.

Yun Xin Er, who was walking next to Xiao Tian, tapped his right shoulder. "Good job! You did a good job earlier."

Even though she knew that Xiao Tian would not let her down, but his performance was better than she thought.

When Yun Wuya saw Xiao Tian, he immediately spoke, "Good job, Shi Hao. You looked like a celebrity earlier."

Nalan Jiangge did not say anything, but she nodded her head, giving a sign that she agreed with her husband's words.

The concert organizers were delighted because Xiao Tian did a good job earlier. After that, Xiao Tian and the others went to Qing Hotel.

----

Qing Hotel, Restaurant Room.

Yun Xin Er and the others were currently eating in the restaurant room of the Qing Hotel.

Yes, there was a restaurant room in the Qing Hotel!

The restaurant room was located on the second floor.

Xiao Tian and the others were allowed to eat with Yun Xin Er and her parents because they did a good job earlier.

At 03:00 pm, they went to Qing Playground. It was a place where they could play many games with friends, family, or lovers.

There were many games at Qing Playground, from games for children to adults.

Xiao Tian and the others played several games together. To their surprise, Fu Rou was good at almost all the games, especially shooting games.

This much surprised Xiao Tian and the others. At 07:00 pm, they went to a famous restaurant to eat dinner together.

They did not return to the hotel after eating together; instead, they went to a famous sightseeing place.

Even though the mastermind's people tried to hurt the Yun family, but Xiao Tian and the others managed to protect them.

At 11:00 pm, they returned to the hotel.

-----

The following morning, Xiao Tian and the others returned to Shanghai.

At the same time, something big happened.

Xiao Tian's fake identity became famous!

Yes, some reporters made articles about him.

These articles were about how well Xiao Tian played guitar at Yun Xin Er's concert or how amazing his body was.

Because of how amazing the reporters wrote their articles, Xiao Tian became famous again, and many people wanted to know his identity.

Even a famous magazine also wrote an article about Xiao Tian. Of course, they did not forget to write something about Yun Xin Er too.

At this moment, Xiao Tian still did not know about it. No, even Yun Xin Er and the others were still not aware of this because they immediately rested after arriving at her house.

----

Yun Xin Er's House, Backyard.

Xiao Tian was currently sitting on the wooden bench alone. He was not with Yun Xin Er or her parents because they immediately slept after arriving home.

'Why doesn't the mastermind make a move anymore?'

He was currently thinking about the reason why the mastermind did not try to kill the Yun family again.

Even though he was happy with this, he could not help but keep thinking about this because he had had an uneasy feeling since yesterday.

Xiao Tian knew that something bad would happen to him or his loved ones because he always had this kind of feeling before something big happened.

This was the reason why he ordered Mizu to send people to protect his women, Feng Yu and Mu Ai.

\*Sigh...

Xiao Tian sighed.

Yun Xin Er, who was walking from behind him, immediately said, "Why are you sighing like that?"

Xiao Tian instantly turned his head towards the source of the sound.

'Big sister Yun?'

He was startled because he thought Yun Xin Er was still sleeping.

"Nothing." Xiao Tian lied to her.

"My parents are looking for you." Yun Xin Er uttered, "Let's go to the family room now."

"Alright.." Xiao Tian nodded his head.

### **Chapter 1167 - Shi Hao Appears In Several Magazines**

7-8 minutes

---

Yun Xin Er's House, Family Room.

Yun Wuya was currently sitting on the sofa with his wife, Nalan Jiangge.

The reason why he asked Yun Xin Er to bring Xiao Tian to the family room was that he had a piece of shocking news for Xiao Tian.

Xiao Tian appeared in a magazine and newspaper!

Previously, he ordered Mu Hou to buy a magazine and newspaper.

The expression of deep shock blossomed on their faces when they read an article about Xiao Tian.

Yes, it was about him when he became a substitute guitarist at Yun Xin Er's concert yesterday!

What surprised them the most was that the articles about him were not only in one magazine and newspaper, but more than two magazines and newspapers.

Of course, they knew that Xiao Tian did an excellent job in becoming the guitarist because he played the guitar very well.

After Xiao Tian and Yun Xin Er stepped into the family room, she immediately said, "Father, mother, Shi Hao is here."

"Shi Hao, sit first." Yun Wuya uttered. "I want to show you something now."

After sitting on the sofa, Xiao Tian inquired, "Sir, do you have something I must do?"

At this moment, Xiao Tian still had no idea that his other identity was already famous.

"Here, read this." Yun Wuya gave Xiao Tian a magazine.

Xiao Tian took the magazine immediately.

'Why did he suddenly give me a magazine? Wait! Did they find any clues about the mastermind?'

He thought Yun Wuya and his wife had found any clues about the mastermind.

To his surprise, he saw himself in the magazine after opening it.

'This is....me?'

The corner of Xiao Tian's lips twitched when he saw a photo of him in the magazine.

Yes, there was a photo of him when he became the guitarist at Yun Xin Er's concert in the magazine!

'Is this the reason why they suddenly called me?'

Xiao Tian did not expect his other identity to become famous like that.

There were only two reasons why he decided to become the guitarist at Yun Xin Er's concert.

First, he wanted to help Yun Xin Er. Second, he did not want the concert organizers to destroy his masterpiece song.

Mu Huo, who was standing behind Yun Xin Er's parents, was shocked.

'My boss is amazing!'

Mu Hou praised Xiao Tian.

Like Mu Hou, Xiao Tian's underlings also praised him.

'As expected of our leader, he is sure amazing! No one is as amazing as him in this world!'

They were amazed because Xiao Tian only wanted to help Yun Xin Er, but he ended up becoming a famous person.

There were many people who tried their best to become famous people, but most of their efforts were in vain, and here, Xiao Tian could become a famous person without putting any effort at all.

It was as if whatever Xiao Tian did would shock everyone or make them praise him.

"Now that you are famous, you won't stop being our bodyguard, right?" actually, this was the reason why Yun Wuya called Xiao Tian.

Usually, people like Xiao Tian would try their luck in the entertainment industry. That was why Yun Wuya wanted to hear Xiao Tian's opinion about this.

"No. I will continue to be the bodyguard of the Yun family." Xiao Tian replied instantly.

'This popularity is nothing compared to the popularity of my real identity.'

He added in his head.

Sure, his fake identity was famous now, but it was nothing compared to his real identity because his fake identity had nothing.

Unlike his fake identity, his real identity had a huge company and several subsidiaries.

Even his other identity Qing Feng was more impressive because he owned Eternal Beauty Company with this identity.

"I'm glad to hear this." Yun Wuya let out a sigh of relief. "I don't underestimate your ability, but surviving in the entertainment industry is hard. Usually, someone who rises fast will also fall quickly."

There were several people who became famous very quickly in the past, but all of them disappeared without a trace now as if they had been eaten by the earth.

Yun Wuya did not want Xiao Tian to end up like them. That was why he let out a sigh of relief when Xiao Tian said he would continue to be their bodyguard.

Of course, he would allow Xiao Tian if Xiao Tian wanted to try his luck in the entertainment industry.

As Xiao Tian was talking with Yun Xin Er's parents, her smartphone suddenly rang.

'Director Li?'

Yun Xin Er immediately picked up the phone when she knew the person who was calling her.

"Hello, director Li?" Yun Xin Er said after picking up the phone.

"Xin Er, can you come to Li restaurant with Shi Hao now?" Li Wen inquired.

"What's wrong, director Li?" Yun Xin Er was curious why Li Wen suddenly wanted to meet them.

"No. I just want to chat with you two." Li Wen gave an honest answer.

"Alright." Yun Xin Er agreed.

"Then, I will be waiting at Li restaurant." After saying that, Li Wen hung up the phone.

Yun Xin Er immediately looked at Xiao Tian before speaking, "Shi Hao, let's go to Li restaurant now. Director Li wants to meet us."

Xiao Tian was startled.

'Director Li?'

Even though he was shocked, he did not show it on his face.

"Alright." He agreed instantly because he also had something he wanted to say to Li Wen.

After Yun Xin Er changed her clothes, they traveled to Li restaurant.

-----

Li Restaurant, Private Room.

Xiao Tian was currently in a private room with Li Wen and Yun Xin Er.

Previously, one of the waiters guided them to a private room after they arrived at Li restaurant.

The private room was huge, with lots of luxurious furniture adorning the room. There was a round wooden table with eight chairs in the middle of the room.

Currently, Xiao Tian was sitting on Yun Xin Er's right side while Li Wen was sitting on the opposite side of them.

"Haha. Young Xiao, you are indeed an amazing young man. Even your fake identity is famous now." like Yun Xin Er's parents, Li Wen was also surprised when he read an article about Xiao Tian in the magazine and newspaper earlier.

"A...hahaha." Xiao Tian laughed awkwardly.

"Director Li, stop praising him, or else he will fly to the sky later. Hehe." Yun Xin Er giggled cutely.

"Ehm!" Xiao Tian cleared his throat. "Director Li, you don't reveal my identity to a single soul, right?"

"Don't worry. I will keep my word." Li Wen knew the reason why Xiao Tian said something like that.

They talked for about thirty minutes before finally, Yun Xin Er decided to go home. To their surprise, they met her parents at Li restaurant.

For this reason, Xiao Tian and Yun Xin Er decided to wait for her parents to finish their business because she wanted to go home together with them.

Currently, Yun Xin Er and the others were on their way to her house.

Yun Xin Er, Xiao Tian, and Mu Hou were in her car, while her parents and Xiao Tian's underlings were in Yun Wuya's car.

Yun Wuya's car was behind Yun Xin Er's car. At this moment, Xiao Tian and Yun Xin Er sat in the back while Mu Hou was the driver.

As they were on their way to her home, something unexpected happened.

A white car was speeding towards Yun Xin Er's car!

### **Chapter 1168 - Boom!**

8-10 minutes

---

When Mu Hou saw a white car speeding towards their vehicle, he immediately shouted, "Jump out of the car now!"

He could not avoid the collision because it was already too late. That was why he told Xiao Tian and Yun Xin Er to jump out of their vehicle.

Xiao Tian, who was sitting on Yun Xin Er's left side, immediately grabbed her and opened the vehicle door.

He dragged her out of the vehicle from the left door car!

\*Boom...

The sound of their cars crashing reverberated in the entire area.

Mu Hou had jumped out of the car before the collision, so he only got minor injuries. Like Mu Hou, Xiao Tian and Yun Xin Er managed to jump out of the vehicle before the collision.

However, something unexpected happened when Xiao Tian and Yun Xin Er were rolling on the asphalt.

Xiao Tian's head hit a huge stone!

Yes, Xiao Tian sacrificed himself to save Yun Xin Er.

When they were rolling on the asphalt, Xiao Tian realized that they were rolling towards a big rock.

In order to protect Yun Xin Er, Xiao Tian pushed her away before they hit the big stone. For this reason, he failed to save himself, causing his head to hit a big stone.

\*Bang...

Xiao Tian instantly fell unconscious, and blood dripped down from his head.

"Little brother...." Yun Xin Er rushed towards Xiao Tian when she saw blood on his head.

Yun Wuya and his wife immediately dashed towards Xiao Tian and Yun Xin Er. Yes, Chun Hua managed to stop the car on time earlier.

As for Chun Hua, she immediately ran towards Mu Hou because she thought Xiao Tian could save himself earlier. "Instructor, are you alright?"

"I'm fine." Mu Hou rose to his feet. "Let's check the driver first."

\*Fall...

Tears fell down Yun Xin Er's soft cheeks.

She was sad when she saw Xiao Tian's condition. She was sure that Xiao Tian could save himself if he ignored her.

However, Xiao Tian did the opposite.

He chose to sacrifice himself in order to protect her!

Nalan Jiangge, who was standing next to Xiao Tian, noticed something.

'What is this?'

She touched Xiao Tian's silicone head mask, which was slightly crushed by asphalt and stone.

'Don't... don't tell me....'

Nalan Jiangge's eyes widened in surprise.

"Jiangge, what are you doing?" Yun Wuya was startled when Nalan Jiangge suddenly touched and checked Xiao Tian's face.

\*Srkk...

Nalan Jiangge took off Xiao Tian's silicone head mask.

Mu Hou and Chun Hua could not stop Nalan Jiangge because they were checking the white car driver.

As for Yun Xin Er, she was drowned in sadness, so she did nothing when her mother suddenly took off Xiao Tian's silicon head mask.

"He has died." Mu Hou said after checking the white car driver. "Let's check our boss' condition now."

"Un." Chun Hua nodded her head.

Mu Hou and Chun Hua stopped their footsteps when they saw Xiao Tian's silicon head mask in Nalan Jiangge's right hand.

They clenched their fists as they stared at Nalan Jiangge.

'If only I could stop her earlier.'

Both Chun Hua and Mu Hou blamed themselves.

The expression of deep shock blossomed on the faces of Nalan Jiangge and Yun Wuya when they saw Xiao Tian's real face.

'Xiao Tian?!'

They did not expect that Shi Hao was Xiao Tian.

Yun Wuya could accept it easily.

However, it was a different story for Nalan Jiangge.

She suddenly had complicated feelings. Nalan Jiangge did not know how to express her feelings when she found out that Shi Hao was Xiao Tian.

In her eyes, Shi Hao was a good and interesting young man. Not only that, but Shi Hao also had saved her life twice and always made the atmosphere lively.

From her point of view, Shi Hao's personality was the opposite of Xiao Tian's personality. Xiao Tian was a loud, rude and impolite person.

Xiao Tian was even on the list of people she hated the most in her life. That was why she had complicated feelings when she found out that Shi Hao was Xiao Tian.

It was impossible for a rude, loud and impolite person like Xiao Tian to be someone as caring and kind as Shi Hao.

Yun Wuya held Nalan Jiangge's right hand and looked at her. "It's not the right time to be angry at him. Remember, he has saved your life twice."

Of course, Yun Wuya understood Nalan Jiangge's feelings.

She often told him that Shi Hao was a good young man, so he could understand her feelings when she found out that the person she thought as a good young man was none other than the person she hated the most.

However, it was not the right time to be angry at Xiao Tian because his condition was critical.

Xiao Tian would have bled to death if they did not take him to the hospital quickly. That was why Yun Wuya wanted his wife to understand Xiao Tian's condition.

Nalan Jiangge did not say anything and only stared at Yun Wuya before returning her attention to Xiao Tian again.

She still found it hard to believe what she was seeing. No, she did not want to believe what she was seeing because Xiao Tian did not deserve to be Shi Hao.

In her eyes, the difference between Xiao Tian and Shi Hao was like heaven and earth. She also did not expect that a rude and harsh person could behave so differently.

Yun Wuya then looked at Mu Hou and spoke, "Take Xiao Tian and put him in my car. We have to bring him to the hospital immediately."

"All right." After saying that, Mu Hou put Xiao Tian into Yun Wuya's car.

----

Xiao Tian's Mansion, Kitchen.

Ye Xueyin, who was cooking noodles, suddenly felt uneasy.

'Tian...'

She had no idea as to why she suddenly felt uneasy like that.

After turning off the gas stove, she rushed towards the living room and sat next to Ye Qingyu. "Qingyu, I'm feeling uneasy right now. It's as if something bad has happened to Tian."

Ye Qingyu, who was watching TV, turned her head towards her big sister. "It's only your feeling. Don't worry. Nothing bad will happen to him."

Actually, she also felt uneasy, but she chose to hide it because she did not want to make Ye Xueyin worry even more.

At this moment, Long Jingxian and Lin Xing Xue entered the living room.

"Sister Xueyin, why are you wearing an expression like that?" Lin Xing Xue wanted to know why did Ye Xueyin put on such a worried expression.

"Sister Xueyin, did something happens to you?" Long Jingxian inquired.

"I'm feeling uneasy right now, as if something bad has happened to Tian." Ye Xueyin gave an honest answer.

Lin Xing Xue and Long Jingxian exchanged a glance with each other.

They knew that a mother's feelings and instincts towards their child were very strong because they were both mothers too.

'Don't tell me....'

Long Jingxian and Lin Xing Xue instantly got rid of their bad thoughts because they did not want something bad to happen to Xiao Tian.

After Lin Xing Xue sat next to Ye Xueyin, she immediately said, "I'm sure it's only your feelings."

"That's right." Long Jingxian added. "I'm sure Xiao Tian is fine right now."

Ye Xueyin looked at Long Jingxian and Lin Xing Xue before nodding her head. "Un. I hope nothing bad happens to Tian."

-----

Li Mall, Second Floor.

Shi Fei was currently at the mall alone. She decided to go to Li Mall because she wanted to buy a shoes.

Previously, she invited Ye Qingyu and the others to go shopping with her, but they refused. That was why she went to Li mall alone.

As Shi Fei was walking happily, her smartphone suddenly rang. "Bi Yu, why are you calling me?"

"Leader, something bad has happened to Xiao Tian. He is currently in the hospital right now." Bi Yu went straight to the point.

"What?" Shi Fei said in surprise.

-----

Sky University, Su Ruanyi's Office.

Su Ruanyi was currently sitting on her office chair.

'I want to spend time with student Xiao.'

She really wanted to spend time with Xiao Tian, but she knew he could not do that.

'I will spend time with sister Qingyu and the others.'

With that idea in mind, Su Ruanyi decided to go home.

-----

Liu Ning was currently on her way home. She kept calling Xiao Tian, but he did not pick up the phone.

'Tian'er...'

Like Ye Xueyin, Liu Ning also had uneasy feelings.

"Tian'er, I hope nothing bad happens to you.." she mused.

### **Chapter 1169 - Xiao Tian Is An A Coma**

7-8 minutes

---

Life Hospital, Xiao Tian's Patient Room.

Xiao Tian was currently lying on the patient's bed. The doctor said he was in a coma due to a heavy impact on his head.

The doctor also told Yun Xin Er and the others that he did not know when Xiao Tian would regain consciousness.

He said he would check Xiao Tian's condition again in a few hours, hoping his condition would get better later.

At this moment, Yun Xin Er and the others were sitting on the chairs next to him. Like before, Yun Xin Er cried non-stop.

She was afraid because the doctor said there was a possibility that Xiao Tian would lose his memory later.

As Yun Xin Er was drowning in sadness, Nalan Jiangge had complicated feelings as she stared at Xiao Tian.

She had no idea what to do. She was furious because Xiao Tian lied to her this entire time, but some part of her heart could not be angry at him.

At this moment, the memories of him saving her life appeared in her mind. This made her unable to hate Xiao Tian even more.

Yun Wuya held Nalan Jiangge's right hand before speaking, "I'm sure he has no intention of lying to us. You know he has two companies, right?"

"But..." Of course, Nalan Jiangge knew that Xiao Tian had two companies.

"Xiao Tian has a close relationship with our daughter, so he wants to protect her when he learns that her life is in danger." Yun Wuya spoke and paused for a second before he continued, "I'm sure this is the reason why he decided to be Xin Er's bodyguard."

He then continued, "However, he can't use his real identity because it can ruin his company if the public finds out that he becomes a bodyguard. I believe this is the reason why he hides his real identity."

What Yun Wuya said made sense. Nalan Jiangge also thought like this, but she still felt cheated by Xiao Tian.

Previously, she thought they could become friends because Xiao Tian was not a bad young man in her eyes.

\*Sigh...

Nalan Jiangge sighed.

----

Xiao Tian's Mansion, Living Room.

Ye Xueyin was currently in the living room with Ye Qingyu, Liu Ning, Lin Xing Xue, Long Jingxian, Su Ruanyi, Mu Ai, and Feng Yu.

After Shi Fei arrived home, she immediately got out of her car. However, she did not know what to say to Ye Xueyin and the others.

She was sure that they would be sad and worried if they knew what had happened to Xiao Tian.

'How should I explain this to them?'

She had no idea what to say to Ye Xueyin and the others.

\*Exhale...

After exhaling, Shi Fei entered the house.

'I hope they can control their emotions later.'

When Shi Fei was standing next to Ye Xueyin and the others, she immediately said, "Sisters, I... I have bad news."

Ye Xueyin and the others instantly turned their heads towards Shi Fei.

"Is...is it about Tian?" Ye Xueyin's heart was filled with worry again.

Shi Fei nodded her head. "Yes. It's about little brother."

At this moment, Shi Fei suddenly did not know what to say again. Previously, she had prepared herself, but she suddenly had no idea what to say or do when she saw their expressions.

Ye Xueyin instantly dashed towards Shi Fei and grabbed her shoulders hard. "Fei, what happened to Tian? Where is he right now?"

"Sister Xueyin, please calm down first." Of course, Shi Fei understood Ye Xueyin's feelings because she also felt the same.

Ye Qingyu immediately walked closer towards Ye Xueyin before speaking, "Big sis, calm down."

"What happened to Tian'er?" Liu Ning inquired.

"He is being treated at Life hospital and.....in a coma right now." Shi Fei gave an honest answer.

\*Fall...

Ye Xueyin dropped to her knees...

Tears fell down her soft cheeks when she found out that Xiao Tian was being treated at Life Hospital.

Previously, she kept having an uneasy feeling. She even prayed to God to protect Xiao Tian because she did not want something bad to happen to him.

"Sniff...sniff... Boohoo..." Ye Xueyin started crying.

Lin Xing Xue and the others were also sad when they learned that Xiao Tian was in a coma in a hospital.

Even though Feng Yu kept wearing a poker face, she was still sad. As for Mu Ai, she had no idea what was going on.

"Big sister Fei, tell me in detail." Liu Ning suppressed the sadness in her heart.

"I don't know the detail." Shi Fei shook her head. "Let's go to the hospital now."

-----

Life Hospital, Xiao Tian's Patient Room.

Mu Hou, Chun Hua, and three of the Blue Ice Lotus gang members were currently sitting on the chairs in front of Xiao Tian's patient room.

Previously, three police officers came to the hospital to ask some questions. However, the ones answering their questions were Yue Wuya and Nalan Jiangge.

At this moment, Yun Xin Er was sitting on a chair next to Xiao Tian. Her beautiful eyes were swollen because she had cried a lot earlier.

'Little brother, please wake up.'

She stared at Xiao Tian with a sad face.

Her heart was filled with sadness because the person she loved was in a coma.

\*Click...

The sound of someone opening the door reverberated in the patient room.

Yun Xin Er ignored it and kept looking at Xiao Tian. At this moment, everyone was not important in her eyes.

"Tian...." Ye Xueyin cried again when she saw Xiao Tian in a coma.

Yes, the people who entered the patient room were Xiao Tian's women, Feng Yu and Mu Ai!

Like Ye Xueyin, Lin Xing Xue and the others were sad, but they tried their best to control their emotions.

Yun Xin Er immediately turned her head to look at the people around her. She finally knew the people who had just entered the patient room.

Yun Xin Er lowered her head and apologized, "I'm sorry."

She blamed herself again. She believed that everything was because of her. Xiao Tian wouldn't have been in a coma if he hadn't tried to protect her.

Liu Ning and the others only looked at Yun Xin Er. They could not blame her because Xiao Tian was the one who desired to protect her.

They also believed that Xiao Tian did not want them to blame Yun Xin Er because he only tried to protect the person he loved.

"How is his condition?" Liu Ning inquired.

"His head hit a huge rock when he tried to save me. Doctor said..." Yun Xin Er began explaining everything.

She repeated what the doctor said to her because she wanted Liu Ning and the others to know everything.

She also said her parents were in the police station, explaining everything to the police officers.

Tears fell down her soft cheeks when Yun Xin Er was explaining the incident of how Xiao Tian ended up in a coma.

At this moment, Yun Xin Er looked like a different woman, and her usual behavior was nowhere to be seen.

She was sad because Xiao Tian was in a coma. But what saddest her most was that the doctor said there was a possibility that Xiao Tian would lose his memory later.

She did not want Xiao Tian to forget her because he was important to her.

As Xiao Tian was in a coma, something big happened on the internet.

Someone revealed Xiao Tian's identity and posted it on the internet!

### **Chapter 1170 - Xiao Tian's Company Is Facing Big Trouble Again**

8-10 minutes

---

"What?! The mysterious masked man is Xiao Tian?! That Xiao Tian who has Star Group company? Are you sure?"

"What is this? Are my eyes playing tricks on me? Is this for real?"

"I still find it hard to believe what I'm seeing."

"But why did he become a guitarist at Yun Xin Er's concert? And why did he become her bodyguard too?"

"I also want to know about this."

"Did his company go bankrupt?"

"Maybe."

"But isn't his company very big? How could his company go bankrupt so easily? And didn't he buy a company a few months ago? This doesn't make sense."

"I also never heard of his company being in big trouble."

"Maybe these photos were edited by someone."

"Maybe."

"But still, seeing him become a guitarist and bodyguard shocked me greatly."

"Yes. I was also shocked earlier!"

Several photos of Xiao Tian were scattered on the internet.

Many people finally knew that the mysterious masked man, who appeared and became the guitarist at Yun Xin Er's concert, was none other than Xiao Tian.

But what surprised them most was that Xiao Tian also became Yun Xin Er's bodyguard.

Yes, there were some pictures of him when he got into an accident yesterday!

There was even a video of Nalan Jiangge taking off Xiao Tian's silicon head mask.

This was the reason why the internet was in an uproar because the rising businessman Xiao Tian suddenly became a guitarist and a bodyguard.

Xiao Tian had just created Star Group company with several subsidiaries, so the news about him being a bodyguard and a guitarist immediately became a hot topic on the internet.

Yes, the news spread on the internet very fast like a world-shaking storm!

At first, there were no bad rumors about him, but it only lasted for two hours because finally a few bad rumors suddenly appeared on the internet.

The rumors became bigger and spread faster when several people and businessmen, who were envious of Xiao Tian's success, added fuel to the fire.

The rumors spread so fast on the internet, to the point it started to affect Xiao Tian's Star Group company.

Some business partners even started to rethink their cooperation contracts with Star Group company.

With how big the rumors were, they were afraid they would lose if they did not terminate the contract.

At this moment, Xiao Tian's women did not know anything about the rumors because they were still in the hospital.

Of course, Xiao Tian also had no idea about it because he was still in a coma.

-----

Yun Xin Er's House, Living Room.

Currently, Yun Xin Er was sitting on the couch with her parents.

Only Mu Hou and four of Xiao Tian's underlings were protecting them because Xiao Tian was still in a coma in the hospital.

Chun Hua and five of Xiao Tian's underlings were sitting on the chairs in front of Xiao Tian's patient room.

They had to protect Xiao Tian because, at this moment, he was defenseless. Even a kid could kill Xiao Tian at this moment.

Of course, there were several members of the Blue Ice Lotus gang and Shadow gang around the hospital.

They could not wait in front of Xiao Tian's patient room like Chun Hua because it would cause trouble later.

"Xin Er, don't worry. I'm sure Xiao Tian will be fine later." Yun Wuya tried to calm down his daughter.

Yun Xin Er only stared at her father before returning her attention to TV again. Even though her eyes were focused on TV, but her mind kept thinking about Xiao Tian.

At this moment, they suddenly saw something shocking on the TV.

There was news about Xiao Tian becoming a guitarist and bodyguard on TV!

Yun Xin Er and the others were shocked.

They believed that they did not tell a single soul about Xiao Tian's identity.

However, what surprised them most was that there was a video of Nalan Jiangge taking off Xiao Tian's silicon head mask.

This shocked them greatly.

Yun Xin Er and Yun Wuya instantly looked at Nalan Jiangge. '

Of course, Nalan Jiangge knew what they had in mind. "It was not me. I only took off his silicon head mask. I never recorded it. Both of you were next to me, so you would know if I recorded it."

"Then who did it?" Yun Wuya inquired.

"I don't know." Nalan Jiangge shook her head.

Not long after that, there was news about Xiao Tian again. This time, it was about his Star Group company.

The news reported that the sales of Xiao Tian's company had dropped quite a bit since the bad rumors about him spread on the internet.

Some business partners even terminated or cancelled their contracts. At this moment, Yun Xin Er blamed herself even more.

In order to protect her, not only did Xiao Tian get into an accident, but his company's sales fell quite a big, and some business partners even terminated or canceled their contracts with his company.

In the past, his company also faced a huge problem because of her. She did not expect that she would cause huge trouble to his company again.

\*Fall...

Tears fell down Yun Xin Er's cheeks.

She did not know what to do to help Xiao Tian's company.

Yun Wuya held Yun Xin Er's right shoulder before speaking, "Xin Er, don't cry again. We will investigate this later."

However, Yun Wuya's efforts were in vain as Yun Xin Er was still crying.

Xiao Tian's Mansion, Living Room.

Like Yun Xin Er and her parents, Xiao Tian's women also saw the news about Xiao Tian on TV.

They were furious because some people took advantage of the situation to attack his company when Xiao Tian was still in a coma.

Su Ruanyi was enraged, so she took her laptop and began to investigate everything. She wanted to know the ones who spread bad rumors about Xiao Tian.

Of course, Shi Fei ordered Bi Yu and Fu Jiyi to investigate everything too.

----

The following morning, Shi Fei and the others were welcomed with many troubles after they arrived at the company.

Of course, Shi Fei and the others already knew that this would happen to them because they had seen the news last night.

However, it still irritated them. They hated it so much that many people tried to destroy Xiao Tian's company using dirty methods.

Blue Ice Lotus Gang Headquarters, Front Yard.

"Damn! Who dares to cause trouble with our leader?"

"I really want to skin them alive!"

"These trash people really disgust me!"

"Let's investigate this."

"Yes. Let's investigate this because I want to beat them so badly."

"Instructor, you won't stop us, right?"

Xiao Tian's underlings were enraged when they read bad rumors about Xiao Tian on the internet.

They could not accept it when several people spoke ill of their leader. They wanted to beat these people so badly so that they would not dare to act arrogantly again on the internet.

Yes, Xiao Tian's underlings believed that these people were cowards in the real world!

They dared to say harsh words about Xiao Tian because they were behind their computer.

They were sure that these people would not dare to say such harsh words in front of their leader.

In their eyes, these people were nothing compared to their leader, and the difference between Xiao Tian and these people was like heaven and earth.

No, it was an insult to compare Xiao Tian with these people because these people did not even deserve to carry his shoes.

Unlike Xiao Tian, who had accomplished a lot at such a young age, Xiao Tian's underlings believed that those people could only say bad things on the internet and never achieve anything in the real world.

In other words, these people were trash who could not and would never achieve anything in their life.

This was the reason why Xiao Tian's underlings desired to beat them.

Yes, they could not accept that trash people dared to speak ill of their leader!

"I won't stop you. I also want to know who spread these bad rumors." Like Xiao Tian's underlings, Mu Hou was also furious.

Xiao Tian was his boss and always treated him well, so Mu Hou could not accept it when several people caused trouble to Xiao Tian.

"Good! I will start investigating now."

"Count me in!"

"Me too."

"Me too."

Xiao Tian's underlings began to investigate these trash people.
