

Illicit 1191

Chapter 1191: Come and Do It if You Dare

“But didn’t you say it was up to me?” Xiao Tian kept teasing Su Ruanyi and Long Jingxian. “So why did you refuse my idea?”

“Student Xiao, if you want to have sex with us, let’s just do it in your mansion.” Su Ruanyi replied, “Your house is huge and luxurious. Isn’t it better to have sex in a mansion than a love hotel?”

“Yes. It’s better to have sex in your house than a love hotel.” Long Jingxian agreed with Su Ruanyi’s words.

“If so, then let’s have sex again.” After saying that, Xiao Tian lay prone on top of Su Ruanyi’s body.

“What a beast! Hehe.” Instead of feeling afraid, Su Ruanyi only giggled. “Sure. I will satisfy you tonight.”

“We just finished having sex a few minutes ago. I did not expect that you want to do it again.” Long Jingxian was a little surprised when Xiao Tian wanted to have sex with Su Ruanyi again.

“It’s because my women are beautiful, so it’s normal.” After saying that, Xiao Tian thrust his huge cock into Su Ruanyi’s vagina.

“Ah...” Su Ruanyi’s little mouth opened, letting out a seductive moan.

Soon, Xiao Tian’s room was filled with Su Ruanyi and Long Jingxian’s cries again.

“You are a wild beast!” Su Ruanyi, who was lying prone on top of Xiao Tian’s body, uttered.

“I’m not a wild beast. I’m the king of wild beasts.” Xiao Tian behaved normally when Su Ruanyi said he was a wild beast. “Oh right, professor Su. You like yacht, right?”

“Yes.” Su Ruanyi did not know why Xiao Tian suddenly said something like that.

“Then, how about we rent a yacht tomorrow? We can spend the whole day on the yacht tomorrow.” Xiao Tian still remembered that Su Ruanyi loved the yacht so much.

“I would love to spend the whole day on the yacht, but we need to hear sister Jingxian’s opinion first.” After saying that, Su Ruanyi looked at Long Jingxian. “Sister Jingxian, do you agree with his idea?”

She could not be selfish because Long Jingxian was also Xiao Tian’s girlfriend and would go with them later.

“I agreed.” Long Jingxian thought it was a good idea.

“Good.” Xiao Tian replied. “Let’s rent a yacht tomorrow.”

“Let’s sleep now.” it was already 11:55 pm, so Su Ruanyi wanted to sleep.

“Professor Su, how about we have a passionate kiss before sleeping?” Xiao Tian suddenly wanted to have a deep kiss with Su Ruanyi again.

Sure, they had a lot of passionate kisses earlier, but the desire to have a hot kiss with her suddenly arose again.

“You are really a pervert young man.” After pinching his nose and smiling, Su Ruanyi kissed Xiao Tian’s lips.

Long Jingxian, who saw them having a passionate kiss, only smiled.

‘Sister Ruanyi is right, our young boyfriend is indeed a pervert young man, but he is also an amazing young man.’

Xiao Tian was a successful person, so he was an amazing young man in Long Jingxian’s eyes.

At this moment, Xiao Tian and Su Ruanyi were still having a deep kiss. They even behaved as if they were alone in his room.

*Three seconds...Five seconds...Seven seconds...

It was already seven seconds, but they showed no signs of stopping.

Long Jingxian giggled when Xiao Tian and Su Ruanyi kept kissing passionately.

‘They are like a young couple.’

Like before, Long Jingxian kept looking at Xiao Tian and Su Ruanyi as if she was waiting for her turn to have a passionate kiss with him.

Su Ruanyi showed her soft smile after breaking the kiss. “There! I have kissed you passionately. Let’s sleep now.”

“Un.” Xiao Tian nodded his head. “Good night, my beautiful professor.”

“Good night, student Xiao.” After saying that, Su Ruanyi placed her head on Xiao Tian’s chest again.

Xiao Tian then turned his head to look at Long Jingxian. “Come here and let me kiss your forehead before sleeping.”

Long Jingxian did what she was told without saying anything. She loved it when Xiao Tian kissed her forehead before sleeping.

After kissing Long Jingxian’s forehead, Xiao Tian’s face broke into a smile. “Good night, my beautiful lover.”

To his surprise, Long Jingxian suddenly cupped Xiao Tian’s face and gave him a peck on the lips. “Good night, my young lover.”

Long Jingxian immediately hugged Xiao Tian’s left arm because she could not sleep on top of his body.

That night, the three of them slept with a smile on their faces.

—

The following morning, Xiao Tian went out with Long Jingxian and Su Ruanyi after having breakfast.

Like what they had planned last night, they immediately rented a yacht.

“The sea is so beautiful!” Long Jingxian spoke abruptly.

Long Jingxian was currently on the yacht with Xiao Tian and Su Ruanyi. After the yacht stopped, she immediately headed to the bow cockpit and sat there.

Yes, there were four pool lounge chairs on the bow cockpit!

“You are right.” Su Ruanyi said after sitting on the chair next to Long Jingxian. “And the weather is also good today.”

Xiao Tian, who entered the bow cockpit, immediately sat on Long Jingxian’s pool lounge chair. “Hopefully it won’t rain later.”

“Xiao Tian, why are you sitting here? There are two empty chairs on my right side.” Even though Long Jingxian already knew the answer, she still asked it.

Xiao Tian immediately replied, “Of course, it’s be- “

Before Xiao Tian had finished his words, he was interrupted by Su Ruanyi. “Because you want to do lewd things to sister Jingxian, right?”

The corner of Xiao Tian’s lips twitched after hearing Su Ruanyi’s words. “Professor Su, how could you say something like that? I just want to sit with my beautiful lover, nothing more than that. Why do you always think I want to do lewd things?”

At this moment, Xiao Tian was telling the truth. He had no intention of doing lewd things to Long Jingxian.

He only wanted to sit on her pool lounge chair and lovey-dovey with her. He already had sex with Long Jingxian for more than an hour last night, so he did not have dirty thoughts.

Sure, he knew that he was a pervert young man, but that did not mean he would always do lewd things to his women.

Of course, it was a different story if they had started it first.

“Really?” Su Ruanyi did not believe Xiao Tian’s words. “You even took me to a bedroom and had your way with me the last time we were on the yacht.”

Yes, Xiao Tian immediately took her to the bedroom and had sex with her the last time they were on the yacht.

Of course, she also seduced him, but she would not admit it and shifted the blame to Xiao Tian.

“Really?” Long Jingxian said in surprise. “Have you done it on the yacht before?”

“Yes.” Su Ruanyi nodded her head. “He had his way with me on the yacht before.”

“Professor Su, please stop spreading lies.” After saying that, Xiao Tian looked at Long Jingxian. “My love, she is lying to you. She was the one who seduced me first. Professor Su, stop spreading lies or else I will really have my way with you later.”

Instead of feeling afraid, Su Ruanyi challenged him. “Come and do it if you dare.”

“Don’t blame me later.” after saying that, Xiao Tian walked towards Su Ruanyi.

Chapter 1192: I'm a Brave Young Man

Xiao Tian walked towards Su Ruanyi with the expression as if he wanted to eat her whole. Su Ruanyi challenged him to do lewd things to her, so he accepted it instantly.

When Su Ruanyi saw Xiao Tian walking towards her with a grin on his face, she immediately said, "Sister Jingxian, look! The wild beast wants to eat me again. He had eaten me for more than an hour last night, but it seemed like it was still not enough."

Of course, Su Ruanyi was not afraid. There were only Xiao Tian and Long Jingxian on the yacht, so she did not mind it if Xiao Tian really would do lewd things to her.

Yes, Xiao Tian ordered the helmsman not to come out of his room no matter what.

"He is a beast so of course, it's not enough." Like Su Ruanyi, Long Jingxian behaved normally.

"I will eat you now, bad woman!" after saying that, Xiao Tian sat on Su Ruanyi's pool lounge chair and kissed her left cheek.

"Eh! You only kissed me? Didn't you say you would eat me just now?" Su Ruanyi pretended to be shocked.

Before Xiao Tian could say something, Long Jingxian uttered, "Xiao Tian, eat her now! It seems like sister Ruanyi wants you to eat her."

Xiao Tian did not say anything. He only shifted his gaze from Su Ruanyi to Long Jingxian before finally returning his attention to Su Ruanyi again.

"I dare you to eat me right now right here." Su Ruanyi challenged Xiao Tian to do lewd things to her again.

"I'm a brave young man, not a coward!" After saying that, Xiao Tian cupped Su Ruanyi's pretty face and kissed her passionately.

It would hurt his pride if he did nothing to her because she challenged him to do lewd things to her twice.

"Hehe." Long Jingxian giggled before looking at the sea again.

As usual, Su Ruanyi welcomed the kiss instantly. Her young lover was the one who kissed her, so of course, she would welcome it happily.

*Three seconds...Five seconds...seven seconds...

Like last night, even though they had been kissing passionately for seven seconds, they showed no signs of stopping.

It was as if the beautiful scenery around them was nothing compared to the pleasure of a deep kiss.

After breaking the kiss, Su Ruanyi spoke, "You have eaten me, so you are full now, right?"

"No." Xiao Tian replied instantly. "I'm still hungry."

Su Ruanyi looked at Long Jingxian before finally speaking, "Then, you should eat sister Jingxian now. She is as delicious as me, you know?"

Long Jingxian was startled. "Eh?! Sister Ruanyi, weren't you the one who challenged him to do lewd things to you earlier? Why did you tell him to eat me now?"

"Sister Jingxian, he is a wild beast so I can't handle him alone." after saying that, Su Ruanyi looked at Xiao Tian. "There. Eat her now."

"I don't want to." Xiao Tian refused instantly. "I still want to eat you."

"You are not allowed to eat me again." After saying that, Su Ruanyi walked towards the small pool.

Yes, there was a small swimming pool in front of them!

Xiao Tian was startled. But what surprised him most was that Su Ruanyi suddenly took off her T-shirt and skirt, leaving only her bra and panties on her body.

After entering the pool, Su Ruanyi looked at Long Jingxian. "Sister Jingxian, come here and let's play with water."

"Un." Long Jingxian walked towards the pool after nodding her head.

Like Su Ruanyi, she also took off her clothes, leaving only her bra and panties.

Xiao Tian nodded his head in satisfaction when he saw them. "What a beautiful view!"

Long Jingxian and Su Ruanyi exchanged a glance with each other.

"Pervert!" Jingxian and Su Ruanyi splashed water on Xiao Tian.

"Ladies, please don't splash water on me." Xiao Tian uttered, "I can't enjoy the beautiful scenery in front of me, you know?"

"Can't enjoy the beautiful view? You mean, you can't see our bodies clearly, right?" Long Jingxian splashed water on Xiao Tian again after saying that.

"No. What I meant was that I could not see the beauty of the sea." Xiao Tian did not admit it.

"Why don't you just admit it, student Xiao?" of course, Su Ruanyi knew that Xiao Tian was lying.

Not only Su Ruanyi, but Long Jingxian also knew that Xiao Tian was lying to them. He often made excuses, so they were not surprised by his words.

"Fine. I love seeing two gorgeous ladies in swimming pool." Xiao Tian decided to tell the truth.

"Hehe." Su Ruanyi and Long Jingxian giggled after hearing his words.

Then they began to talk while looking at the beauty of the sea. Due to how enjoyable their conversation was, they did not realize that they had been talking for about two hours.

"This scenery is indeed beautiful." Long Jingxian stated. "Lying on the yacht while looking at the blue sea and sky feels so good."

“You are right. This scenery is indeed beautiful. But it would be even more amazing if you both took off your bras and panties now.” Of course, Xiao Tian tried to take advantage of the situation.

Long Jingxian and Su Ruanyi were his women, so he did not need to hold back. That was why he said what he had in mind.

Long Jingxian and Su Ruanyi exchanged a glance with each other before finally looking at Xiao Tian.

‘Should we tease him?’

As if they could communicate through their eyes, Long Jingxian and Su Ruanyi nodded their heads at the same time.

*Click...

The sound of them unhooking their bras echoed in the bow cockpit.

Long Jingxian and Su Ruanyi wore front clasp bras, so it was effortless for them to unhook their bras.

Even though they unhooked their bras, they immediately covered their breasts with their arms, causing Xiao Tian to be unable to see their beautiful breasts.

“Student Xiao, we are not wearing bras right now.” after saying that, Su Ruanyi dropped her purple bras into the water.

“That’s right. We are not wearing bras right now.” like Su Ruanyi, Long Jingxian also dropped her black bras into the water.

Xiao Tian was startled. Actually, he was only joking around when he said he wanted to see them naked.

He just did not expect that they would take off their bras after hearing his words. Sure, they were still wearing their underwear, but that was enough to catch his attention.

“Why don’t you take your hands off your breasts now?” even though Xiao Tian had seen their breasts many times, he wanted to see it again.

Instead of answering his answer, Long Jingxian challenged him to take their arms off their breasts. “Why don’t you try to get our hands off our breasts?”

Su Ruanyi and Long Jingxian decided to keep teasing Xiao Tian because it was interesting to see his expression.

“That’s right.” Su Ruanyi added. “Take our hands off our breasts if you want to see them.”

“You have said it! Don’t blame me later.” after saying that, Xiao Tian walked towards the swimming pool.

His intention was clear.

He wanted to take their hands off their breasts!

With this, he would be able to see their beautiful breasts again later.

*One step...two steps...three steps...

Even though Xiao Tian really wanted to see their breasts, he walked towards them slowly.

In less than six seconds, Xiao Tian was already standing in front of Su Ruanyi and Long Jingxian.

Chapter 1193: What Are You Going to Do to Me Now?

The grin on Xiao Tian's face grew bigger when he was standing right in front of Su Ruanyi and Long Jingxian.

Previously, Su Ruanyi and Long Jingxian took off their bras in front of him. However, they immediately covered their breasts with their arms.

The reason why he was standing in front of Su Ruanyi and Long Jingxian was that he wanted to take their hands off their boobs so that he could see their beautiful breasts again.

However, something unexpected happened when Xiao Tian entered the swimming pool.

Long Jingxian got out of the pool and ran away from him!

Xiao Tian instantly looked at her and spoke, "Bad lady, why are you running away from me? Didn't you tell me to take your hands off your breasts earlier?"

"That's right. But I won't let you do it easily." Long Jingxian ran around the bow cockpit while covering her breasts with her right arm.

Xiao Tian immediately chased Long Jingxian because she dared to run away from him.

"It seems like I have to punish you now." Xiao Tian did not run; instead, he walked towards Long Jingxian leisurely.

Long Jingxian could only run around the bow cockpit, so he was sure that he could catch her later.

Su Ruanyi looked at Xiao Tian and Long Jingxian. "Sister Jingxian, run! Don't let the beast catch you."

Long Jingxian stopped running and stood close to the stainless steel railing. Of course, she knew that she would not be able to run away from Xiao Tian.

That was why she only looked at Xiao Tian while leaning her back against the stainless steel railing.

"Oh! You're not trying to run away from me again?" like before, Xiao Tian walked towards Long Jingxian leisurely.

"Sister Ruanyi, it seems like I will get eaten by a king beast again." At this moment, Su Ruanyi was still covering her breasts with her right arm.

Xiao Tian immediately grabbed Long Jingxian's left arm after he was in front of her. "I have caught you, bad girl."

"What are you going to do to me now?" Long Jingxian was not afraid because she believed Xiao Tian would not hurt her.

She was sure that Xiao Tian would only kiss her. And what she had guessed was right because Xiao Tian immediately kissed her.

He did not try to take her right hand off her breast and instantly kissed her.

“The beast is eating its pray.” At this moment, Su Ruanyi no longer covered her breasts with her hands.

At first, Xiao Tian only kissed Long Jingxian normally, but it only lasted for three seconds before finally, the normal kiss turned into a lewd kiss.

As Xiao Tian was kissing her hungrily, Long Jingxian wrapped her arms around his waist.

Yes, she did not cover her breasts anymore!

She even behaved wilder than Xiao Tian.

*Three seconds...five seconds... seven seconds...

It had been seven seconds since they started kissing passionately, but they showed no signs of stopping.

As Xiao Tian was enjoying the kiss, Long Jingxian did something unexpected.

She slid her hands underneath Xiao Tian’s shorts and grabbed his penis!

Xiao Tian was shocked.

Actually, he only wanted to kiss her passionately before stopping, but he changed his mind now.

But what surprised him most was that Long Jingxian suddenly pulled his shorts down.

“Huft...Huft...Huft...” Long Jingxian looked at Xiao Tian in the eyes after stopping the kiss.

Like before, she was still playing with his cock as if she wanted to make his cock erect.

“Oh! It seems like the prey is eating the predator.” Su Ruanyi said after seeing what Long Jingxian was doing.

At this moment, Xiao Tian and Long Jingxian were looking at each other. Even though she was playing with his penis, Xiao Tian did nothing to her.

His penis was slowly erect because Long Jingxian kept playing with his shaft and the tip of his cock.

*Kiss...

Long Jingxian kissed Xiao Tian again.

Like before, she was still playing with his penis. She kissed him hungrily while also stroking his huge cock.

*Wet...

Even though Xiao Tian did not play with her pussy, Long Jingxian’s vagina was wet.

Her love juices started coming out of her pussy. Sure, Xiao Tian did nothing to her, but kissing him hungrily and playing with his huge penis was enough to get her aroused.

Long Jingxian positioned Xiao Tian’s penis horizontally before finally moving her right hand back and forth continuously.

The flames of lust inside them grew bigger. The longer they did lewd things, the bigger the lust within them.

At the same time, Su Ruanyi was squeezing her breasts while looking at Xiao Tian and Long Jingxian.

Masturbate!

Yes, she was currently masturbating while looking at Xiao Tian and Long Jingxian.

She squeezed her breasts and pinched her nipples continuously. It was as if she was masturbating while looking at porn.

She did not disturb Xiao Tian and Long Jingxian because she knew that her turn would come later.

Yes, she was sure they would have sex on the bow cockpit later!

Xiao Tian and Long Jingxian had gone too far, so there was no way they would stop halfway later.

Like before, Xiao Tian and Long Jingxian had a deep kiss again. Of course, Long Jingxian was still stroking Xiao Tian's huge penis.

Sometimes, she stroked Xiao Tian's penis fast, and sometimes, she did it slowly. She had had sex with Xiao Tian many times, so she knew how to give him pleasure.

She knew when she had to caress the tip of his penis or when she had to stroke his penis fast and slow.

"Huft...Huft...Huft..." like before, Xiao Tian and Long Jingxian looked at each other after stopping the kiss.

At this moment, there was one thing that crossed their mind.

Sex!

Yes, they wanted to have sex on the bow cockpit!

Xiao Tian and Long Jingxian had never had sex on the yacht or in the middle of the sea before so, so they were extremely excited.

After looking at each other for several seconds, Long Jingxian nodded her head, giving him a sign that she was ready to have sex with him on the yacht.

Xiao Tian immediately lifted her right leg. He decided to have sex on the bow cockpit because there was stainless steel railing protecting them.

*Slide...

Xiao Tian slid Long Jingxian's panties to the other side.

He was not surprised when he saw her wet vagina because they did lewd things several minutes earlier.

*Gulp...

Long Jingxian gulped her saliva when she saw Xiao Tian sliding her panties to the other side.

'Is it because we are going to have sex on the yacht for the first time? Or is it because we are going to have sex in the middle of sea?'

Unlike usual, Long Jingxian suddenly felt a little nervous.

Su Ruanyi, who was masturbating while looking at Xiao Tian and Long Jingxian, slid her panties to the other side.

'They are going to have sex. Student Xiao's huge penis is about to enter sister Jingxian's pussy.'

She began playing with her pussy now.

"I will put it in." Xiao Tian said after placing the tip of his penis at Long Jingxian's vagina entrance.

"Un." Long Jingxian nodded her head. "I'm ready."

Chapter 1194: I Lost

On the bow cockpit of a yacht, two people were doing adult things; a handsome young man and a gorgeous MILF.

The hot MILF was standing on the bow cockpit with her back leaning against the stainless steel railing.

Her right leg was hanging on the young man's left arm, and seductive cries were coming out of her little mouth continuously.

Sex!

Yes, these two people were currently having sex on a yacht.

Usually, people would enjoy the beauty of the sea when they were on the yacht, but these people were different.

They were having sex on the yacht!

Of course, what they did was not wrong because there were no rules against having sex on yachts.

These two people were none other than Xiao Tian and his MILF lover, Long Jingxian.

Previously, they only enjoyed themselves on the yacht while looking at the sea. But one thing led to another, and they ended up having sex on the yacht.

Of course, they really enjoyed it because it was their first time having sex on the yacht or in the middle of the sea.

Anyone, who saw them, would be surprised and envious because Xiao Tian could have sex with a gorgeous MILF on the yacht.

Having sex with a beautiful MILF on a yacht was one of many young men's dreams, so any man who saw them would be filled with envy.

However, what would surprise them most was that a gorgeous professor was masturbating while watching them.

Su Ruanyi!

Yes, the name of a gorgeous professor who was watching Xiao Tian and Long Jingxian having sex on the yacht was none other than Su Ruanyi.

Even though she was watching her boyfriend having sex with another woman, she was not angry at him because Long Jingxian was also his girlfriend.

“Ah...Ah...Ah...” Long Jingxian, who was grabbing Xiao Tian’s shoulders and looking at his handsome face, cried out in pleasure.

Maybe because it was their first time having sex on the yacht, or perhaps because they were having sex in the middle of the sea, but at that time, she could not describe the pleasure she felt in words.

*Slick...Slick...Slick...

The sound of Xiao Tian’s penis sliding in and out of Long Jingxian’s pussy could be heard in their ears.

Long Jingxian loved it so much. Having sex with Xiao Tian always felt amazing and full of excitement.

Not only that, but she even felt as if she was on a sex adventure with Xiao Tian.

Yes, she had already had sex with him in many places since they became lovers!

First, it was in his apartment. Second, it was in her parents’ house when her parents were sleeping not far from them.

Third, it was at the waterfall. Fourth, it was in the backyard of his mansion. Fifth, it was in his car. Sixth, it was in his huge and luxurious room. Seventh, it was in his office.

And now, they were having sex on a yacht and in the middle of the sea. She did not expect that she would go on a sex adventure like this.

When she was still Mu Cheng’s wife, she always had sex with him in the house. She had never had such adventurous sex like this.

This was the reason why Long Jingxian’s heart was filled with excitement. Not only was Xiao Tian skilled in sex, but they also had sex in many different places.

*Kiss...

Long Jingxian kissed Xiao Tian again.

She decided to kiss Xiao Tian because she had reached her limit.

Yes, she was about to have an orgasm!

Xiao Tian moved his waist faster when he realized that Long Jingxian was about to have an orgasm.

“Hmm...Hm...Hm...” Long Jingxian could not moan clearly because she was having a deep kiss with Xiao Tian.

‘I’m cumming....’

Long Jingxian had an orgasm.

Even though she had stopped moving her tongue, but she was still kissing him.

“Huft...Huft...Huft....” Long Jingxian broke the kiss and looked at Xiao Tian in the eyes.

She was pleased. First, she could have sex with Xiao Tian on a yacht. And last, she could have an orgasm.

It was one of the best sex she had had in her life. “Xiao Tian, let me rest a little. You can go to sister Ruanyi now.”

“Ah...Ah...Ah...” Su Ruanyi was still masturbating at this moment.

She was sliding her right middle finger in and out of her wet vagina. Even though she only watched Xiao Tian having sex with Long Jingxian, she still felt pleasure.

Xiao Tian nodded his head before finally taking his penis out of Long Jingxian’s pussy.

He was not surprised when he saw Su Ruanyi masturbating in the pool because he could hear her cries since earlier.

When Su Ruanyi saw Xiao Tian walking towards her, she knew it was her turn to have sex with him.

She was pleased because she finally could have sex with Xiao Tian again. Sure, they had a lot of sex last night, but she wanted to do it again.

Xiao Tian walked towards Su Ruanyi. He did not drown when he walked into the pool because the swimming pool was not deep.

Su Ruanyi immediately turned her body when Xiao Tian was already close to her.

Doggy style!

Yes, she wanted to have sex with him in doggy style!

Xiao Tian stood on his knees when he was behind Su Ruanyi. He immediately slid his huge penis into Su Ruanyi’s vagina because her pussy was already wet.

At first, he wanted to take off Su Ruanyi’s panties, but he changed his mind because he could still fuck her even though she was wearing panties.

Su Ruanyi had slid her panties to the other side, and her vagina was already wet, so all he needed to do was only thrust his penis into her pussy.

“Ah...” Su Ruanyi’s little mouth opened, letting out a seductive wail.

At this moment, Long Jingxian was sitting in the cockpit while watching Xiao Tian and Su Ruanyi because her body was still frail.

“Ah...Ah...Ah...” Su Ruanyi cried out in delight.

Sure, it was not the first time she had sex with Xiao Tian on a yacht, but the pleasure she felt was still incredible.

*Slick...Slick...Slick...

Xiao Tian kept sliding his penis in and out of Su Ruanyi's vagina.

He knew that she had been waiting for this, so he did not want to disappoint her.

He wanted to give her immense pleasure!

For this reason, Xiao Tian kept fucking Su Ruanyi's wet pussy.

Of course, Xiao Tian did not forget to play with Su Ruanyi's beautiful breasts because he loved her boobs.

"Ah...Ah...Ah...Ah..." Su Ruanyi placed her hands on the edge of the pool as she cried out in pleasure.

Even though she was looking at pool lounge chairs, her mind was already on cloud nine. Not long after that, Su Ruanyi and Xiao Tian reached their limit.

"I'm cumming... I'm cumming... I'm cumming..." Xiao Tian and Su Ruanyi had an orgasm at the same time.

Unlike usual, Xiao Tian let out his sperm on Su Ruanyi's ass this time.

"Huft...Huft..." Su Ruanyi's body turned frail, and she also breathed heavily.

"It was amazing, professor Su." After saying that, Xiao Tian sat by the pool with his feet in the water.

Even though he had just had an orgasm, Xiao Tian's penis was still erect because he only had an orgasm once.

At this moment, something unexpected happened!

Chapter 1195: Going to Leaf Villa

After Xiao Tian had an orgasm, he immediately sat by the pool with his feet in the water.

'It was amazing! As usual, having sex with my women felt amazing.'

At this moment, his penis was still erect because he only had an orgasm once.

Su Ruanyi was still in the same position. She just had an orgasm, so her body was still frail.

'It was great!'

Like Xiao Tian, she felt immense pleasure earlier.

Long Jingxian, who had already regained her strength, walked towards Xiao Tian.

Her intention was clear.

She wanted to have sex with Xiao Tian again!

Long Jingxian knew that Xiao Tian could still have sex with them because his huge penis was still erect.

That was why she decided to have sex with Xiao Tian again because she was still not satisfied.

Sure, she had an orgasm earlier, but it was still not enough. She wanted to feel immense pleasure and have an orgasm again.

It was not every day that they could have sex on a yacht or in the middle of the sea like that, so she wanted to enjoy it to the fullest.

At this moment, Xiao Tian thought Long Jingxian wanted to sit next to him.

‘It seems like my gorgeous lover wants to sit and lovey-dovey with me.’

Like before, Xiao Tian was still sitting by the pool with his feet in the water.

He was slightly bending his body back. He did not fall to the floor because his hands were supporting his body.

To his surprise, Long Jingxian suddenly squatted on his lap.

But what surprised him most was that she suddenly grabbed his erect cock with her right hand and positioned her pussy right above his penis.

‘Don’t tell me....’

At this moment, Xiao Tian thought Long Jingxian wanted to have sex with him again.

And what he had guessed was right because Long Jingxian immediately lowered her body, sliding his erect penis into her pussy.

“Ah....” Long Jingxian let out a seductive wail when Xiao Tian’s penis slowly entered her vagina.

Su Ruanyi was startled and immediately turned her head to look at Long Jingxian.

Previously, she thought Long Jingxian would not have sex with Xiao Tian again for today, but she was wrong.

She was utterly wrong because Long Jingxian immediately had sex with Xiao Tian after she stopped having sex with him.

Of course, she knew the reason why Long Jingxian desired to have sex with Xiao Tian again.

Pleasure!

Yes, it was because having sex with Xiao Tian felt amazing!

‘Hehe. Sister Jingxian can’t hold back herself again.’

Su Ruanyi giggled when she saw Long Jingxian bouncing her perfect body on Xiao Tian’s erect penis.

“Ah...Ah...Ah...” Long Jingxian grabbed Xiao Tian’s shoulders and bounced her body continuously.

At this moment, Xiao Tian did not do anything and only looked at Long Jingxian’s fascinating expression.

He let Long Jingxian take the lead and only enjoyed the feeling of his penis being squeezed by her pussy!

And like this, the bow cockpit was filled with Long Jingxian’s cries again.

—
“It was amazing, Xiao Tian.” Long Jingxian stated.

She was currently sitting on Xiao Tian’s lap. Of course, Xiao Tian’s penis was still deep inside her vagina.

When they had an orgasm at the same time, Long Jingxian did not pull Xiao Tian’s penis out of her pussy, and as a result, he let out his sperm deep inside her vagina.

“My MILF is so wild today!” Xiao Tian looked at Long Jingxian while showing his soft smile.

Long Jingxian immediately wrapped her long slender arms around Xiao Tian’s back before finally leaning her head on his right shoulder. “It was because you were so amazing.”

“Sister Jingxian is right. You are indeed amazing, student Xiao.” Su Ruanyi added. “Look! Sister Jingxian doesn’t even want to part with you and continues to hug you.”

Like before, Xiao Tian only smiled.

‘Well, I’m glad I can satisfy my women.’

Xiao Tian caressed Long Jingxian’s hair gently.

“Let’s put on our clothes now.” Xiao Tian uttered.

“Let’s stay like this for another five minutes.” Long Jingxian still wanted to hug Xiao Tian, so she did not want to put on her clothes immediately.

“All right.” Xiao Tian could not refuse his lover’s wish, so he agreed instantly.

In these five minutes, Long Jingxian kept hugging Xiao Tian and leaning her head on his right shoulder as if they would be separated for a long time later.

They immediately put on their clothes after Long Jingxian stopped the hug. Like before, they talked in the bow cockpit again.

They went home at 08:00 pm.

—
Xiao Tian’s Mansion, Family Room.

Xiao Tian saw his mother and the others watching TV after stepping into the family room. As usual, he immediately sat next to his mother before finally kissing her cheeks.

“I’m home.” After kissing his mother, he also kissed his other women.

At this moment, Feng Yu and Mu Ai were in their room. That was why Xiao Tian decided to do whatever he wanted.

“Where did you go earlier?” Shi Fei inquired.

“We rented a yacht earlier and spent the whole day on the yacht.” Xiao Tian gave an honest answer.

“Tian, tomorrow is mother and Qingyu’s turn, right?” Ye Xueyin spoke abruptly.

Yesterday was Liu Ning and Lin Xing Xue's turn and today was Su Ruanyi and Long Jingxian's turn, so it was Ye Qingyu and her turn tomorrow.

"Yes." Xiao Tian promised to go on dates with his women in turn.

"Good!" Ye Xueyin said happily.

They watched TV until 10:00 pm before finally, they headed to their room. Xiao Tian decided to sleep with his mother and aunt this time.

Xiao Tian's House, His Bedroom.

"Where should we go tomorrow?" Xiao Tian inquired.

He was currently lying on the bed with his mother on his right side and his aunt on the other side.

"Leaf Villa." Ye Xueyin had booked Leaf Villa for three days earlier because she wanted to spend time with Xiao Tian at the villa.

"Leaf Villa?" Xiao Tian did not know where Leaf Villa was.

"Yes." Ye Xueyin nodded her head cutely. "We will stay in the Leaf Villa for three days later. Mother has booked the villa earlier."

"Eh? Three days?" Xiao Tian said in surprise.

"Why? You don't want to go to the Leaf Villa with us?" Ye Xueyin's happy face turned sad.

"It's not like that, but staying for three days in the villa would be unfair to the others." Xiao Tian only spent a day with his other women.

"Don't worry. They can come to the villa and stay with us tomorrow." Ye Xueyin had the intention of telling Shi Fei and the others about this later.

"All right." Xiao Tian replied. "Let's sleep now."

"Un." Ye Xueyin and Ye Qingyu nodded their heads.

The following morning, they went straight to Leaf Villa after having breakfast. Leaf Villa was located in Shuji City, one of the cities in the Jiazuo district.

It took them three hours to reach Leaf Villa because the distance between Leaf Villa and their house was far.

"We have arrived!" Xiao Tian said after parking his car in front of the villa.

"Let's enter the villa." Ye Qingyu uttered.

Xiao Tian and Ye Xueyin nodded their heads before getting out of the car.

Chapter 1196: Biking

Leaf Villa was huge and luxurious. There was even a fountain in the front yard of the villa.

Yes, the front yard was designed with a luxurious and modern theme!

Anyone who saw the front yard of the villa would know immediately that Leaf Villa was a luxurious villa.

After entering the villa, they immediately headed to the living room and sat on the purple couch.

The living room was huge, with a purple sofa in the middle of the room. There was a huge TV in front of the couch and a few paintings hanging on the wall.

“This villa is not bad.” Xiao Tian stated.

“Why do you always say no bad for luxurious houses and amazing things?” Ye Qingyu knew that Xiao Tian was rich now, but his words seemed like he was super-rich.

Sometimes, she even could not believe his words. It was as if Xiao Tian had seen many luxurious things before.

Xiao Tian could not answer her question immediately. “Well, it’s....”

He could not say that he was the son of the richest man in Beijing in his previous life.

Yes, his father was very rich, to the point that his father was probably even wealthier than the Xiao and Li families!

There was even a time when he ate in a different country in a day. At that time, his father was bored and took him to America for breakfast.

Not only that, but his father also took him to Korea for lunch and Japan for dinner. His father was so wealthy, to the point that he did not know how to spend all his money.

“It’s because I have seen more luxurious and better houses or villas before.” Xiao Tian lied to his aunt.

“Tian, you are rich now, but you should not spend your money carelessly.” Ye Xueyin did not want Xiao Tian to spend his money on useless things.

“But mother, didn’t you also spend a lot of money on useless things? You even rented a huge and luxurious villa like this?” Xiao Tian tried to defend himself.

“Mother did not spend money to rent this villa because mother used your credit card yesterday.” Ye Xueyin gave an honest answer.

Yes, Xiao Tian gave his mother and aunt a credit card. He always transferred money to these credit cards every month.

This was one of his predecessor’s dreams, so he immediately gave his mother and aunt a credit card after he had a lot of money.

The corner of Xiao Tian’s lips twitched after hearing his mother’s words.

Ye Xueyin then grabbed Xiao Tian’s right hand and wore a sad face. “Tian, you are not angry at your mother, right?”

Xiao Tian caressed Ye Xueyin's hair before replying. "Of course, I'm not angry. Didn't I say you can spend all the money on that credit card?"

Ye Xueyin's worried face instantly turned into a happy expression. "You are indeed the best, Tian."

Ye Qingyu only sighed.

'They are really a mother and a son because both of them love spending money on useless things.'

Ye Qingyu did not say anything and only shook her head.

Xiao Tian and others went cycling at 02:30 pm. They did not feel hot because there were many trees on both sides of the road, so the sunlight was blocked by the trees.

And there were rarely cars and motorbikes on the road, so it made the atmosphere more pleasant for them.

"Hahaha." Ye Xueyin laughed happily because it had been a long time since she had last cycled.

Xiao Tian and Ye Qingyu were also thrilled. Biking together on the road that had fresh air and beautiful scenery felt amazing.

They kept cycling with happy faces. Due to how enjoyable it was, they even did not realize that they had been biking for about fifty minutes.

Xiao Tian looked at his mother and aunt before speaking, "Mother, aunt, let's take a break and buy some drinks."

There were many street vendors on both sides of the road, so Xiao Tian suddenly wanted to rest and buy some drinks.

He believed it was a good idea to buy a drink while looking at the beautiful scenery around them.

"All right." Ye Qingyu and Ye Xueyin agreed instantly.

They stopped at coconut street vendor.

"It's beautiful!" Ye Xueyin said as she looked at the forest and mountains in front of her.

She was currently sitting on a long wooden chair right behind the coconut street vendor.

At this moment, Ye Xueyin suddenly wanted to sit between Xiao Tian's legs. "Tian, moth--"

However, before Ye Xueyin had finished her words, Xiao Tian instantly stopped her by placing his right index finger on her lips. "Please refer yourself as I."

He knew that Ye Xueyin wanted to lovey-dovey with him, so he forbade her to call herself mother like usual.

"Un." Ye Xueyin agreed instantly.

Xiao Tian tapped his thighs before finally speaking and smiling, "Come here."

Ye Xueyin wasted no time and instantly sat between Xiao Tian's legs. The smile on her pretty face grew bigger when she sat between Xiao Tian's legs.

The beautiful scenery, coupled with the warmth of Xiao Tian's embrace, made Ye Xueyin's heart dance in happiness.

"Mm...Mm...Mm...Mmm..." Ye Xueyin was singing in tune only.

Not only did she swing her body left and right, but she also swung her legs back and forth.

They were sitting on a long wooden chair, so she could swing her legs back and forth as she pleased.

"Are you singing right now?" Xiao Tian inquired.

"Yes. I sang your song earlier. What was the name again?" Ye Xueyin touched her lips using her right index finger. "Ah! The title of the song is I love you."

"I love you too." after saying that, Xiao Tian kissed Ye Xueyin's left cheek.

"Me too. I really really really really really love you." like what Xiao Tian did, Ye Xueyin also kissed him, but she kissed his lips, not his cheeks.

Xiao Tian then turned his head to look at Ye Qingyu.

"I love you too." after saying that, Xiao Tian kissed Ye Qingyu's cheeks.

He dared to kiss them because no one was paying attention to them.

Even though she had heard it many times, but it still made Ye Qingyu happy. For this reason, Ye Qingyu leaned her head on Xiao Tian's left shoulder.

After resting for about forty minutes, Xiao Tian and the others continued biking again. They decided to return to the villa when it was already 05:00 pm.

Of course, they took many pictures earlier. It had been a long time since they last cycled together, so they wanted to capture the beautiful moment in photos.

They had sex in his room at 09:30 pm. Of course, they had a threesome. As usual, they were satisfied and had an orgasm several times.

—

The following morning, Shi Fei called Ye Xueyin and said they would arrive at the villa at 04:00 pm.

They could not come to the villa in the morning because they had something important they had to do.

For this reason, Ye Qingyu decided to cycle with Xiao Tian and Ye Xueyin again. To their surprise, she suddenly saw something unexpected when they were biking.

Chapter 1197: We Are Happy

When Ye Xueyin was biking with Xiao Tian and Ye Qingyu, she saw something unexpected not far from the villa.

Waterfall!

Yes, she saw a beautiful waterfall not far from the Leaf Villa.

Ye Xueyin instantly stopped her bike and pointed her right index finger at the waterfall. "Tian, Qingyu, let's go to the waterfall."

Xiao Tian and Ye Qingyu stopped their bikes and looked in the direction Ye Xueyin was pointing.

'Waterfall?'

They were startled when they saw a waterfall.

Ye Qingyu and Xiao Tian exchanged a glance with each other before finally nodding their heads.

"All right." Xiao Tian and Ye Qingyu agreed to go to the waterfall because it was a good idea to spend time at the waterfall.

After they arrived at the waterfall, they immediately sat on a flat rock and swung their legs in the water.

Even though the waterfall was not as beautiful as Life Waterfall, but it was still breathtaking.

It was a small waterfall with countless trees surrounding it.

*Splash...Splash...Splash...

The sound of Ye Xueyin kicking the water reverberated in the waterfall.

A happy smile could be seen on her face as she kicked the water. She was pleased because she could spend time with Xiao Tian and Ye Qingyu in a beautiful place.

She even jumped into the water and played with the water as if she was a kid who had never been to a waterfall before.

Xiao Tian and Ye Qingyu smiled softly when they saw Ye Xueyin.

*Shui...

The sound of trees swaying in the wind could be heard in their ears.

Their hair danced beautifully, and their clothes swayed in the wind.

Xiao Tian suddenly dropped his body on the flat stone, causing him to lie on his back on the rock. "If only we could enjoy ourselves every day like this."

"You can do that if you want because you are rich now." Ye Qingyu knew how rich Xiao Tian was because he had told her everything. "I'm sure your wealth is enough for one or two generation, so you can enjoy yourself every day if you want."

Yes, Ye Qingyu knew that Xiao Tian had raised their family status to the mid upper-class family.

And with how fast his Star Group company was growing, she believed that he could raise their family status to the high upper-class family in less than five years.

“No. I will keep working until I become the richest person in China.” He had promised his predecessor that he would become the richest man in China later, so he would keep his word.

Ye Qingyu looked at Xiao Tian before finally shifting her gaze from Xiao Tian to the sky. “Your dream is so big, but aunt will help you achieve your dream.”

Xiao Tian raised his right arm to the sky before finally speaking, “I’m sure I can become the richest person in China later.”

Ye Qingyu looked at Xiao Tian again.

‘And I will be the woman who will help you achieve all your dreams.’

Even though she had no idea what would happen to them in the future, but she would always be by Xiao Tian’s side and support him.

Ye Xueyin, who was playing with water, suddenly spoke, “Tian, let’s play with water together.”

Xiao Tian instantly sat up and jumped into the water. “Let’s have water fight.”

“I will join too.” Ye Qingyu added.

— —

Leaf Villa, Terrace.

Xiao Tian and the others were currently sitting on the wooden chairs.

After playing at the waterfall for about an hour, they went straight home because Shi Fei and the others would arrive at Leaf Villa soon.

Not long after that, Shi Fei and the others arrived at Leaf Villa.

“Big brother....” Mu Ai shouted as she ran towards Xiao Tian.

“Little Ai...” Xiao Tian instantly squatted down and was ready to carry Mu Ai.

“Big brother, I miss you.” Mu Ai jumped into Xiao Tian’s arms when she was in front of him.

“Big brother also misses you.” Xiao Tian instantly rose to his feet.

“Little brother, carry me too.” actually, Shi Fei wanted to jump into Xiao Tian’s arms earlier, but Mu Ai was faster than her.

“Aunt Fei, big brother is carrying me now.” Mu Ai wanted Xiao Tian to keep carrying her.

Shi Fei pinched Mu Ai’s soft cheeks and spoke, “Alright, alright. Big brother is yours.”

“Aunt Fei, you pinched my cheeks too hard. My cheeks hurt now.” After saying that, Mu Ai turned her head to look at Xiao Tian. “Big brother, aunt Fei pinched my cheeks too hard.”

“Hehe.” Long Jingxian and the others giggled when they saw Mu Ai snitching to Xiao Tian.

“Don’t worry. Big brother will punish aunt Fei later.” Xiao Tian spoke and paused for a second before he continued, “Big brother will pinch her cheeks hard and spank her butt later.”

“So cruel! Little Ai is so cruel.” Shi Fei pretended to be sad. “Aunt Fei won’t give you ice cream anymore from today onwards.”

Mu Ai instantly looked at Xiao Tian after hearing Shi Fei’s words. “Big brother, my cheeks don’t hurt anymore, so you don’t need to punish aunt Fei.”

“Hehe.” Long Jingxian and the others giggled again.

At this moment, Xiao Tian also chuckled because Mu Ai was so cute in his eyes.

‘My little Ai is so cute.’

He then kissed Mu Ai’s cheeks.

“Alright, alright. Let’s enter the villa now.” Xiao Tian uttered.

They then entered the villa and headed to the living room. They did not go to tourist attractions because Shi Fei and the others were still tired.

They went to a famous restaurant when it was dinner time. They went straight home after eating because it rained.

The following morning, they went to tourist attractions. They were happy and often laughed.

Of course, they did not forget to take a picture.

Yes, they took a lot of pictures!

They returned to the villa after they went to many places. They only rested for about two hours before finally going home.

—

Xiao Tian’s Mansion, His Bedroom.

Inside a big and luxurious bedroom, two young people were doing adult things; a young man and a young woman.

The young man was lying on the bed while the young woman was bouncing her body continuously.

Sex!

Yes, they were currently having sex in a cowgirl position.

These two young people were none other than Xiao Tian and his lover, Ye Qingyu.

“I’m cumming...” Xiao Tian and Ye Qingyu had an orgasm at the same time.

Ye Qingyu immediately dropped her body onto Xiao Tian’s body after having an orgasm.

“Huft...Huft...Huft...” Ye Qingyu was breathing heavily.

Like usual, Xiao Tian wrapped his arms around her slender waist after turning on the TV.

Yes, he wanted to watch TV!

“Tian, how is the progress of your movie?” Ye Qingyu inquired.

“It will still take three months for them to finish making it.” Xiao Tian gave an honest answer. “Do you want to go to the shooting location together tomorrow?”

“Sure.” Ye Qingyu agreed instantly.

Not long after that, they slept.

The following morning, Xiao Tian went to the shooting location with Ye Qingyu. They spent time at the shooting location for about an hour before finally going to Star Group company.

When it was time for lunch, Xiao Tian went to Crystal’s apartment because he wanted to have lunch with her.

Chapter 1198: What Do You Want?

Autumn Restaurant, VIP Area.

Xiao Tian was currently eating with Crystal at Autumn Restaurant, one of the most famous restaurants in Shanghai.

It had been a long time since the last time he went to Autumn Restaurant, so he decided to take Crystal to the Autumn Restaurant.

The last time he went to Autumn Restaurant was about eight months ago. At that time, he went to Autumn Restaurant with Lan Ruoxi.

“Why did you bring me to a luxurious restaurant like this?” Crystal, who was sitting on the opposite side of Xiao Tian, uttered.

The price of food and drinks at Autumn Restaurant was costly. This was the reason why only a few people could eat at Autumn Restaurant.

“Because I have never taken you to this restaurant before.” Xiao Tian gave an honest answer. “Isn’t the scenery from this restaurant amazing? We even can see the beauty of Shanghai from here.”

One of the reasons why Autumn Restaurant was so famous was that customers could see the beauty of Shanghai from Autumn Restaurant.

Not only that but there was also a professional pianist who played the piano when the customers were eating.

What Xiao Tian said was right, but in Crystal’s point of view, it was a bad decision to waste money like that.

Even though Crystal only stared at him, Xiao Tian knew what she had in mind. “It’s fine. Isn’t it good to reward ourselves after working hard?”

Crystal immediately changed the topic after hearing Xiao Tian’s words. What he said was right.

They had to reward themselves after working hard.

They spent time at Autumn Restaurant for about an hour before finally leaving.

Star Group Company, Xiao Tian's Office.

After sending Crystal home, Xiao Tian went straight to Star Group company to work.

'I will work hard today. Let's make a lot of money later.'

To his surprise, his smartphone suddenly rang.

'Big sister Yun?'

When Xiao Tian knew the person who was calling him, he immediately picked up the phone.

"Hello, big sister Yun?" Xiao Tian wanted to know the reason why Yun Xin Er suddenly called him.

'Does she miss me and want to go on a date with me? Hehe.'

He asked in his head.

"Little brother, did you get an invite from the Rose TV show?" Yun Xin Er asked curiously.

"Yes. They invited me to their talk show." Xiao Tian gave an honest answer.

'Sigh! I thought she wanted to go on a date with me.'

Previously, Shi Fei told him that Rose TV Show invited him to their show. However, he still had not decided whether he would accept it or not.

"They also invited me to their TV Show." Yun Xin Er replied, "It seems like they want to ask about our relationship later."

The news about them became a hot topic these days.

If they managed to invite Xiao Tian and Yun Xin Er, their TV show would have more viewers, and there was a high possibility that the rating of their show would go up later.

However, the payment for attending their invitation was also high. Rose TV Show was willing to pay them 10,000,000 Yuan for thirty minutes.

The Rose TV Show was a big, well-known show and had several sponsors, so they could spend 10,000,000 Yuan easily.

In China, 20 Yuan was enough for a day's meal. Of course, it was not a luxury meal.

Yes, 3 Yuan was enough to buy one fruit!

The price of some fruits was even only 1 Yuan.

China's smallest currency was 1 Yuan, and the biggest was 100 Yuan, so 10,000,000 Yuan was a lot of money.

10,000,000 Yuan was enough to put a family into a mid-middle class family.

The Rose TV Show was willing to spend a lot of money to invite them because Yun Xin Er was one of the most famous singers in China and Xiao Tian was a rising star business.

It was normal that they were willing to spend a lot of money just to invite Xiao Tian and Yun Xin Er to their TV Show because Xiao Tian and Yun Xin Er would make their show get more viewers later.

“You are right. I’m sure they will ask about our relationship later.” Xiao Tian was sure this was the reason why they decided to invite him.

“Little brother, let’s accept their invitation.” The reason why Yun Xin Er suddenly called Xiao Tian was that she wanted to tell him to accept the invitation.

“You want us to accept their invitation?” Xiao Tian said in surprise.

Previously, he thought Yun Xin Er would ask him not to accept their invitation because she already knew their intention, but he was wrong.

He was utterly wrong because Yun Xin Er asked him to do the opposite.

“Yes.” Yun Xin Er replied instantly. “We only need to attend their show for thirty minutes and we will earn 10,000,000 Yuan later, so from my point of view, it’s not a bad deal.”

“What if they ask about our relationship later?” Xiao Tian inquired.

“Didn’t you already answer the same question two days ago?” Yun Xin Er responded, “Just give them the same answer if they ask about our relationship later.”

Xiao Tian had answered the question about their relationship two days ago, so they did not have to be afraid of the same question.

And in her eyes, it was an excellent chance to earn 10,000,000 Yuan without working hard.

“Alright. I will tell my subordinate to accept their invitation later.” Xiao Tian decided to accept it because Yun Xin Er said so.

“Good! You are indeed my good younger brother.” Yun Xin Er was pleased when Xiao Tian listened to her words.

“Will you give me a reward later?” Xiao Tian did not forget to take advantage of the situation.

“Sure. I will treat you to dinner later.” Yun Xin Er answered instantly.

“No, no. I want another reward.” Of course, Xiao Tian refused that kind of reward because he wanted a special reward.

“What do you want?” Yun Xin Er inquired.

“I want you to kiss and hug me later.” Xiao Tian gave an honest answer. “It will be better if you kiss me passionately later.”

They had done a lot of passionate kisses, so Xiao Tian did not hide his intention. He was talking to Yun Xin Er, so he said what he had in mind.

“What? Little brother, what did you say? Sorry my signal is bad. Little brother, what did you sa-” Yun Xin Er hung up the phone before she finished her words.

She did this because she wanted to avoid Xiao Tian’s wish.

The corner of Xiao Tian’s lips twitched when Yun Xin Er suddenly hung up the phone.

‘This bad big sister!’

Of course, he knew that Yun Xin Er hung up the phone on purpose.

He even knew that Yun Xin Er tried to avoid his wish. When Xiao Tian was about to work again, his smartphone suddenly vibrated.

‘A message from big sister Yun?’

Without waiting for another second, Xiao Tian opened the message.

[Let’s meet at Bamboo Restaurant after they send the list of questions later.]

After Xiao Tian replied to her message, he ordered his subordinates to accept the invitation from the Rose TV Show.

Chapter 1199: Thank You, Big Brother

Bamboo Restaurant, VIP Area.

Xiao Tian was currently sitting on the opposite side of Yun Xin Er. They immediately traveled to Bamboo Restaurant after getting a list of questions from the Rose TV Show.

“As I thought, they will ask about our relationship later.” Xiao Tian looked at the list of questions in his right hand. “Not only that, but they also want us to sing together later.”

Yes, Rose TV Show wanted Xiao Tian and Yun Xin Er to sing together later. Of course, they would sing one of Xiao Tian’s songs later.

“But it’s it easy for us?” Yun Xin Er was sure that they could answer all the questions later.

“Super easy, especially if you give me a reward later.” Xiao Tian did not give up and still hoped that Yun Xin Er would reward him later.

“Did you say something just now?” like before, Yun Xin Er pretended as if she did not hear his words.

“I said it would be easier if you gave me a reward later.” Xiao Tian repeated his words.

“What is it, little brother? Your voice is too small. I can’t hear it.” Yun Xin Er still pretended as if she could not hear his words.

“I said big sister Yun is a bad lady and a liar.” Xiao Tian decided to tease Yun Xin Er because she kept pretending as if she did not hear his words.

“Little brother, I hate you. Hmf!” Yun Xin Er crossed her arms over her chest and turned her head to the other side.

“Hehe.” Xiao Tian chuckled.

After that, they went to Li Entertainment to practice singing together. They would be singing tomorrow, so they had to prepare well.

They did not want to make a single mistake because it could become a bad rumor later.

Xiao Tian’s Mansion, Family Room.

Xiao Tian was currently watching a movie with his women. After he practiced singing together with Yun Xin Er, he went straight home because it was already 05:00 pm.

Yes, he wanted to spend time with his women!

Mu Ai, who was sitting on Xiao Tian’s lap and watching a movie, uttered, “Whoa! That angel doll is beautiful!”

“Do you like it, little Ai?” Xiao Tian inquired.

“Un. I like it.” Mu Ai nodded her head cutely.

“Then big brother will buy an angel doll for you tomorrow.” Xiao Tian would buy an angel doll for Mu Ai tomorrow because she seemed to like it a lot.

“Thank you, big brother.” After saying that, Mu Ai kissed Xiao Tian’s cheeks. “Big brother is the best.”

“Of course, big brother is the best. Big brother is the best in the world.” Xiao Tian did not forget to praise himself.

“Hehe.” Long Jingxian and the others giggled after hearing his words.

“As usual, he doesn’t forget to praise himself.” Ye Qingyu spoke abruptly. “It seems like we should stop praising him from today onwards.”

“You are right, sister Qingyu.” Shi Fei added. “He will fly to the sky if we keep praising him.”

The corner of Xiao Tian’s lips twitched after hearing their words.

‘It seems like I have to punish them later.’

Xiao Tian decided to punish Ye Qingyu and Shi Fei later.

Of course, he would punish them on the bed. “Feng Yu, do you want an angel doll too?”

“I’m not a kid.” Feng Yu replied in a monotone voice.

‘No. You are a kid!’

Xiao Tian shouted in his head.

He decided to buy two angel dolls tomorrow; one for Mu Ai and one for Feng Yu.

After Feng Yu and Mu Ai slept, Xiao Tian took Shi Fei and Ye Qingyu to his room.

His intention was clear.

He wanted to punish them!

Of course, his punishment would only give them pleasure.

Sex!

Yes, his punishment was to have sex with him.

Like Xiao Tian had guessed, Shi Fei and Ye Qingyu accepted their punishment happily.

They even took off their clothes immediately after they stepped into his room because they knew that Xiao Tian wanted to have sex with them.

They had sex for about an hour before finally they stopped and slept.

— —

The following morning, Xiao Tian went to Yun Xin Er's house to pick her up. They would go to Rose TV Show, so he wanted to go together with her.

Not long after they arrived at the studio, the show started. Leila, the new host, was an expert at creating the atmosphere.

She could make the audiences laugh or be curious at the same time. It could be said the atmosphere within the studio was kept at a climax with her words.

Leila then rose to her feet and spoke, "Let's welcome our guests; Mr. Xiao Tian and Miss Yun Xin Er."

Xiao Tian and Yun Xin Er immediately entered the studio. They were welcomed with applause from the host and audiences when they entered the studio.

After they sat on the sofa, Leila uttered, "Welcome to the Rose TV Show, Miss Yun Xin Er and Mr. Xiao Tian."

"I did not expect to come to this TV show again so soon." Yun Xin Er was a guest of the Rose TV Show a few days ago.

At that time, Xiao Tian pretended to be her bodyguard, not a guest like this time.

"We all love Miss Yun, so we decided to invite Miss Yun again." Of course, Leila knew about this, but she was not the host of the Rose TV Show at the time. "Isn't that right, audiences?"

"Yes." The audiences replied in unison.

"So, what's keeping you busy these days?" Leila inquired, "Who will answer first? Miss Yun or Mr. Xiao?"

Leila asked the opening question because she could not throw the main question immediately.

Because Laila wanted to know the opinion of the audiences, she immediately looked at them. "Who should answer first? Miss Yun, or Mr Xiao?"

"Miss Yun." Like before, the audiences replied in unison.

Yun Xin Er immediately replied because the audiences wanted to hear her answer first. "Well, I was busy finding a new manager and rearranging my schedule."

"I see. We hope you will find a capable and kind manager later." of course, Leila knew what had happened to Yun Xin Er because the news about her had appeared in many newspapers and TV.

Everyone was shocked when they learned that one of the people who wanted to kill Yun Xin Er was none other than her manager, Fu Rou.

At first, they could not believe it, but the police made Fu Rou a fugitive, so they ended up believing everything.

Leila then turned her head to look at Xiao Tian. "What about you, Mr Xiao?"

At this moment, Xiao Tian realized something.

It was an excellent opportunity to promote his film!

With that idea in mind, Xiao Tian immediately said, "I'm busy managing my new company. Well, we are making a movie and it will most likely be finished in three months, so I'm pretty busy right now."

Xiao Tian was someone who never let a good opportunity slip away, so he promoted his movie without feeling shy.

His father told him to seize every opportunity, so he always took it whenever the opportunity arose.

"Oh a movie?" Leila said in surprise.

Chapter 1200: How Is It?

"Yes, a movie." Xiao Tian replied as he nodded his head. "Actually, I wrote a novel when I was still in university. Coincidentally, I bought a film company a few months ago, so I decided to turn my novel into a film."

"Oh! So you are the scriptwriter?" Leila said in surprise.

"Yes." Xiao Tian gave an honest answer.

"You are a genius in business and have composed a few masterpiece songs, so I suddenly look forward to it." After saying that, Leila looked at the audiences. "Are you looking forward it too?"

"Yes." The audiences replied in unison.

Xiao Tian smiled softly.

'Great! I managed to promote my movie even before I finished making it.'

He was thrilled because, with this, many people would know about his movie later.

Yun Xin Er covered her mouth and giggled.

'He really never let a single opportunity slip away.'

Of course, she knew about Xiao Tian's personality because she had known him for two years.

Leila then asked more questions to Xiao Tian and Yun Xin Er. She also did not forget to involve the audiences in their conversation.

Due to how skilled she was at creating an atmosphere, they did not realize they had been talking for about twenty minutes.

At this moment, Leila knew it was time to ask the main question because the show was almost over.

“Mr Xiao, Miss Yun, I heard some rumors about you in the newspapers or TV before.” Leila spoke and paused for a second before continuing, “Is it true that you two have a special relationship?”

At this moment, the audiences paid attention to Xiao Tian and Yun Xin Er carefully because they wanted to hear it too.

Yun Xin Er and Xiao Tian exchanged a glance with each other.

“Yes. We have a special relationship.” Yun Xin Er gave an honest answer.

“Are you two a couple now?” Leila asked curiously.

“We are not a couple yet.” Like Yun Xin Er, Xiao Tian also gave an honest answer.

“Yet? Does that mean you two will become lovers in the future?” Leila was not surprised by Xiao Tian’s answer because she had heard it on TV before.

“Yes. She will be mine in the future.” Xiao Tian replied confidently, as if he already knew the future.

“Oh! It seems like Mr Xiao already knows the future. Hehe.” After saying that, Leila turned her head to look at Yun Xin Er. “Miss Yun, what is your opinion about his answer? Will you agree to be his girlfriend in the future?”

“I would agree to be his girlfriend if he could stand on the water.” Yun Xin Er replied jokingly.

“Hahaha.” Leila and the audiences laughed after hearing Yun Xin Er’s words.

Of course, they knew that Yun Xin Er was only joking around. She loved joking around when she was on TV, so they were not surprised by her words.

The corner of Xiao Tian’s lips twitched.

‘What a bad big sister!’

If they were not on the live TV show, he would have pinched her cheeks.

“By the way, can you tell me how you two met each other?” Leila inquired.

Most people had no idea how Xiao Tian and Yun Xin Er met each other, so it was a good question.

“At that time, I was one of the judges in the piano competition and he was one of the contestants.” Yun Xin Er suddenly remembered the time when she met Xiao Tian for the first time.

She explained everything in detail. She also said Xiao Tian got first place in the piano competition and asked her to wear his clothing design at her live concert.

Xiao Tian told Leila that he built his company using the money he got from the piano competition.

The audiences and Laila were even more impressed with Xiao Tian because he built his business with his own money.

Not only could he become a successful person at a young age, but he also built his company using his money.

“You are really amazing, Mr Xiao.” Leila praised Xiao Tian again. “No wonder you are labeled as a genius businessman.”

“Mr. Leila, stop praising him or else he will fly to the sky later.” Yun Xin Er joked around.

“Big sister Yun, stop embarrassing me.” Xiao Tian replied instantly.

“Haha.” Leila and the audiences laughed after hearing Yun Xin Er’s words.

From their behavior, Leila and the audience knew that Xiao Tian and Yun Xin Er had a close relationship.

They even thought that Xiao Tian and Yun Xin Er would become a couple in the future because it was shown from their behavior.

Leila asked Xiao Tian and Yun Xin Er to sing together because the show was almost over.

Of course, Xiao Tian and Yun Xin Er accepted it immediately because they knew that something like this would happen.

They sang a song called ‘you are save in my arms.’

Yes, it was the song they sang together at her concert a few days ago.

Leila instantly rose to her feet when Xiao Tian and Yun Xin Er began to sing.

“You are always in my heart, and it will never change...

Your smile is like a ray of sunshine...

I really want to be with you....”

Xiao Tian and Yun Xin Er sang together.

They looked very soulful when they sang together, as if they were expressing their feelings through the song.

At this moment, Yun Xin Er suddenly stopped singing and only looked at Xiao Tian.

“I have come to love you...

To give you happiness...

To give you the best things in the world...

So let me be your lover...

And protect your heart...

Don't worry. You are safe in my arms...."

Xiao Tian sang as he stared at Yun Xin Er.

After Xiao Tian and Yun Xin Er sang together, the show was over.

Xiao Tian and Yun Xin Er immediately went to Rainbow Garden to spend time together alone.

Rainbow Garden, Resting Building.

Xiao Tian and Yun Xin Er were currently sitting on the mat.

After enjoying the beautiful flowers for several minutes, they decided to rest in the resting building.

"Little brother, why did you take me to this place?" Yun Xin Er inquired, "Do you want to lovey-dovey with me?"

"Not only that, but I also want my reward now." after saying that, Xiao Tian grabbed Yun Xin Er's face by her chin before finally pressing his lips against hers.

They had done it many times, so he did not ask her permission because he was sure that she would not mind it.

And what he had guessed was right because Yun Xin Er instantly shut her eyes when Xiao Tian suddenly kissed her tender lips.

She did not try to stop him and immediately welcomed the kiss. Actually, she knew that Xiao Tian would kiss her because he always kissed her whenever they went to Rainbow Garden.

*One second...two seconds...three seconds...

Xiao Tian pressed his lips against hers for three seconds before finally, he broke the kiss.

"How is it? What do you feel after kissing the lips of pretty and famous singer?" Yun Xin Er asked as she smiled.

"Amazing! It felt great!" Xiao Tian gave an honest answer.

It did feel great kissing Yun Xin Er's lips. That was why he always kissed her whenever they met.

When Yun Xin Er was about to say something to him, Xiao Tian suddenly did something unexpected.
