Chapter 1221: A Wild Girl Doesn't Mean Bad Girl

In the cave, two young people were sleeping on the leaves.

The young lady was sleeping on the left side of the young man with her head on the young man's left arm.

Their legs were intertwined, and their arms were around each other's waist.

Honeymoon hug sleeping position!

Yes, they were sleeping while hugging each other!

Even though they were sleeping like a couple, but they were only friends. Actually, they did not realize this because they were still sleeping.

They moved their bodies closer to each other last night because the air in the cave was colder than usual.

One thing led to another, and they ended up hugging each other tightly. These two people were none other than Xiao Tian and his friend, Crystal.

When the night time turned to morning, and the sun appeared in the beautiful sky, Xiao Tian and Crystal were still sleeping soundly in the cave.

Sure, they were sleeping in the cave, but they felt comfortable as if they were sleeping in the luxurious and cozy house.

However, the good moment instantly turned into an awkward situation when both of them woke up.

*Silence...

Both Xiao Tian and Crystal did not say anything and only looked at each other in the eyes.

'This is...'

They could not hide their surprised faces because they were facing each other.

*One second...Two seconds...Three seconds...

It had been five seconds, but none of them said a word, and they only looked at each other.

They believed that they slept next to each other last night. That was why they felt awkward when they realized their sleeping position.

"...Good morning, Crystal." Xiao Tian broke the silence as he smiled at Crystal.

"Good morning." Crystal also smiled at Xiao Tian.

Even though they still felt awkward, they tried their best to behave normally.

"Do you want to go to the elder's house now?" Xiao Tian stopped hugging her before finally sitting up.

Instead of answering his question, Crystal inquired, "How about we go to the cliff and enjoy the beautiful morning? I think it's too early to go to his house."

There was a cliff next to their cave, so Crystal thought it was a good idea to enjoy the beautiful morning on a cliff.

"Sure." Xiao Tian agreed instantly.

Without waiting for another second, Xiao Tian and Crystal went to the cliff. He carried Crystal on his back when she could not walk on the hard road.

"What a beautiful view!" Crystal, who was sitting on the ground, showed her soft smile.

"Yes." Xiao Tian could see a few mountains from the cliff.

As they enjoyed the beautiful view, they began to talk about many things. To their surprise, Xing Ranqing suddenly appeared.

"Oiii!" Xing Ranqing, who was standing at the foot of the cliff, shouted when she saw Xiao Tian and Crystal.

Of course, she was not alone. However, she did not bring all of her bodyguards. She only brought two of them.

Xiao Tian and Crystal turned their heads towards Xing Ranqing.

'It's her?'

They did not expect to meet her so early like that.

"Come here." Crystal smiled as she waved her right hand.

"I'm coming." Xing Ranqing shouted again.

"Young miss, please be careful." The female bodyguard said as she followed Xing Ranqing.

After climbing the cliff, Xing Ranqing sat on Crystal's left side. "Hmm? The view is good from here."

Unlike Xing Ranqing, her two bodyguards did not sit on the ground; instead, they were standing behind her.

"What are you doing here?" Xiao Tian thought Xing Ranqing was at her grandfather's house.

Her grandfather really loved her, and the forest was a dangerous place, so he did not expect that Xing Hanxian would let her take a walk without him.

"I was bored at his house, so I decided to take a walk." Xing Ranqing gave an honest answer.

"Does your grandpa know about this?" Xiao Tian inquired.

"Yes. That's why they are following me." Xing Ranqing said as she pointed her right index finger at her bodyguards. "I did not expect to meet you two in this place."

"It's because our cave is next to this cliff." Xiao Tian gave an honest answer.

“Really? Then, take me to your cave later.” Xing Ranqing had wanted to see their cave since yesterday.

“Sure.” Crystal replied as she nodded her head.

They began to chat as they enjoyed the beautiful morning. They talked for about forty minutes before finally going to Xiao Tian’s cave.

“So this is where you two live, huh?” Xing Ranqing felt sorry when she saw the place where Xiao Tian and Crystal lived.

She only saw two things in the cave.

The leaves and remains of the bonfire!

‘So they sleep on the leaves and warm themselves using a bonfire, huh?’

Xing Ranqing knew it was hard for Xiao Tian and Crystal to live in the cave.

Not only was the air cold at night, but they also only used leaves as bed. There was even a high chance that they could be attacked by wild beasts.

Xing Ranqing returned her attention to Xiao Tian and Crystal. “Why did you refuse to sleep at my grandpa’s house? After seeing your cave, I’m sure my grandpa’s house is one hundred percent better than this place.”

Xiao Tian and Crystal exchanged a glance with each other. They were startled, especially Xiao Tian.

Xing Ranqing suddenly attacked him when he teased her yesterday, so he knew that she was a wild girl.

‘Well, a wild girl doesn’t mean bad girl.’

Of course, Xiao Tian knew the reason why she behaved wildly like that.

First, she was from a rich family, and her family loved her so much. And second, she was still so young, so it was normal to have a wild personality like that.

“We have troubled your grandfather, so we don’t want to trouble him anymore.” Crystal gave an honest answer.

“Tch! What a stupid people!” Xing Ranqing turned around before finally walking out of the cave. “Let’s go to my grandpa’s house. I’m sure he is waiting for us now.”

Of course, she knew about it because her grandfather had told her everything. She even knew the reason why Xiao Tian and Crystal were in the forest.

Xiao Tian and the others immediately followed Xing Ranqing. Like yesterday, Xing Hanxian let Xiao Tian and Crystal eat first before working.

The atmosphere in Xing Hanxian’s house became more lively because his granddaughter was with them. They immediately made a bamboo fence again after eating breakfast.

“Elder, I will take the bamboo tree again because it’s not enough.” After saying that, Xiao Tian walked towards the bamboo tree.

“Alright.” Xing Hanxian responded.

“Xiao Tian, I will go with you.” Crystal wanted to help Xiao Tian, so she decided to go with him.

Xiao Tian stopped his footsteps and turned around. “...alright.”

Not long after that, they reached their destination. Xiao Tian and Crystal did not waste time and immediately cut down the bamboo tree.

At the same time, Fu Rou and twenty of Dragon gang members walked towards Xing Hanxian’s house.

“A house?” Fu Rou was startled when she saw a house in the forest.

Like Fu Rou, the Dragon gang members were also shocked.

“Let’s check that house.” Fu Rou uttered.

Chapter 1222: Fu Rou Meets Xing Hanxian

Fu Rou and twenty Dragon gang members walked towards Xing Hanxian’s house. Of course, they did not know that Xiao Tian and Crystal were not far from that house.

They just wanted to know the people who lived in that house because that house was located deep in the forest.

At this moment, Xiao Tian and Crystal were cutting down a bamboo tree. They had no idea that Fu Rou and Dragon gang members were walking towards Xing Hanxian’s house.

Coincidentally, Xing Hanxian walked to the front yard when Fu Rou and the Dragon gang members marched to his house.

Xing Hanxian immediately stopped his footsteps when he saw Fu Rou and the others.

‘Who are they? What are they doing here?’

He suddenly remembered something.

‘Wait! Are they members of the Dragon gang?’

Xiao Tian had told him how Xiao Tian and Crystal ended up in the forest.

Previously, Xiao Tian and Crystal told him they fought the Dragon gang members before finally running towards the forest.

Even though he met Fu Rou and twenty of the Dragon gang members, Xing Hanxian did not show the slightest fear in his eyes.

It was as if they were nothing in his eyes. He even behaved calmly as if everything was under his control.

Fu Rou and the others stopped in front of Xing Hanxian. Of course, they did not know who he was because he had been living in the forest for ten years.

Many people had forgotten about Xing Hanxian because he had been living in the forest for a long time.

“Old man, do you see a young man and a young woman around here?” Fu Rou did not show respect because she had no idea that Xing Hanxian was a martial arts expert.

Unlike Xiao Tian, who could clearly feel the energy and aura around Xing Hanxian’s body, Fu Rou and the others could not do that because they were not the candidates to be the Ruler.

Yes, they still had not mastered battle instinct!

For this reason, they thought Xing Hanxian was only an ordinary old man who lived in the forest.

At the same time, Xiao Tian and Crystal, who dragged several bamboo trees, stopped their footsteps and hid behind the trees.

They were currently hiding not far from Fu Rou and the others so they could see what was happening or hear them.

Xiao Tian instantly took out his special sword and extended it, ready to fight. Like Xiao Tian, Crystal also took out her daggers.

Sure, they had good moments with Xing Hanxian in the past few days, but they were not very close.

Xiao Tian and Crystal were not sure whether Xing Hanxian would sell them or not. That was why they took out their weapons and were ready to fight.

“Yes. Their names are Xiao Tian and Crystal. They are in their twenties.” One of the Dragon gang members spoke abruptly. “Did you see them, old man?”

“I don’t see them.” after thinking for several seconds, Xing Hanxian decided to lie.

He had good moments with Xiao Tian and Crystal, so he decided to help them. Of course, he would not get involved in their problems.

Xiao Tian and Crystal were touched by his actions. They suddenly thought that spending time with Xing Hanxian was worth it.

“Old man, why do I feel like you are lying to us? Answer us honestly, or else I will beat you later.” the blue-haired man decided to threaten Xing Hanxian because he did not want Xing Hanxian to lie to them.

Xing Hanxian was unhappy after hearing the blue-haired man’s words. “You asked a question, and I answered it. So, why are you threatening me? Didn’t your parents teach you manners to older people?”

“Shut up, old man!” the blue-haired man answered angrily. “Did you really not see them? Answer me honestly!”

“Who are you? How dare you talk rudely to my grandpa? Are you asking for a beating?” Xing Ranqing walked towards her grandfather, followed by her four bodyguards.

When she was eating baked sweet potato in the backyard, she heard noises from the front yard, so she wanted to check it.

She was furious when a few people dared to threaten his grandfather.

Of course, she knew that Fu Rou and the others were part of a gang, but she did not show the slightest care about it.

She believed that her bodyguards could defeat Fu Rou and the others because they were extraordinary martial artists, especially the old man who was on her right side.

He was a martial artist at the grandmaster stage and had gained insight into battle instinct, so his skills were unquestionable.

“Who is this little shit?” the green-haired man asked when he saw Xing Ranqing.

“You! What did you just say? I dare you to say it again!” Xing Ranqian was enraged after hearing the green-haired man’s words.

“I said you were a little shi-” the green-haired man wanted to repeat his words, but Fu Rou stopped him.

Fu Rou looked at the young lady carefully.

‘She has four bodyguards, and that old bodyguard seems like a martial arts expert. Who is she?’

She had the feeling that the young lady’s background was not ordinary.

Normally, anyone would be scared when they saw twenty-one delinquents, but the young lady and the old man did not show the slightest fear in their eyes.

Not only that, they even dared to behave rudely as if Fu Rou and the others were nothing in their eyes.

Fu Rou tried her best to find out who they were. She tried her best to remember all the powerful people in Shanghai.

They could not act recklessly because it could be fatal for them later. Sure, their gang was the strongest gang in Shanghai, but there were still many forces that could destroy them.

Until they could do whatever they wanted in Shanghai, they had to act carefully. Of course, Fu Rou believed that their gang could be undefeatable later.

In her eyes, it was only a matter of time.

‘Wait!’

When she became Yun Xin Er’s manager, she met many famous and influential people because Yun Xin Er was one of the most famous singers in China.

Actually, her leader also gave her another task when she became Yun Xin Er’s manager. And that task was to gather information about famous and influential people.

‘Is she Xing Ranqing?’

Fu Rou suddenly thought that the young lady in front of her was Xing Ranqing, a wild lady from a powerful family.

However, she was not sure about it. It could be said that Fu Rou was eighty percent certain that the young lady in front of her was Xing Ranqing because she had four bodyguards.

“Fu Rou, why did you stop me? This little shit is so annoying, so let me teach her a lesson!” The green-haired man did not know who she was.

*Bang!

Xing Ranqing’s old bodyguard hit the green-haired man’s face.

Due to how fast his attack was, Fu Rou and the others could not see it.

*Silence...

The entire area dropped into a dead silence when the green-haired man fell to the ground, faint.

The green haired-man was a martial artist at the high-level master stage, but that old bodyguard could defeat him easily.

One hit!

The old man only needed one hit to beat the green-haired man.

This only had one meaning.

That old man was a martial artist at the grandmaster stage!

Xing Ranqing’s lips curled up into a grin.

‘What are you going to do now?’

Chapter 1223: Xing Ranqing Is Humiliating the Dragon Gang Members

The expression of deep shock blossomed on Fu Rou and Dragon gang members’ faces.

The green-haired man was a martial artist at the high-level master stage, but that old bodyguard defeated him in one hit.

Sure, he was not an extraordinary martial artist, but defeating him in one hit was something hard to do.

‘A martial artist at the grandmaster stage!’

These were the words that appeared in their minds.

Actually, Fu Rou had suspected that the old bodyguard was a powerful martial artist, but he was more powerful than she thought.

Of course, Xing Ranqing’s bodyguards and her grandfather were not surprised by this because they knew how strong that old bodyguard was.

Sure, that old bodyguard was only a martial artist at the low-level grandmaster stage, but he was someone who had gained insight into battle instinct.

His strength, reflexes, and speed were above average. He even could defeat ordinary martial artists at the low-level grandmaster stage easily.

It could be said that he was almost undefeatable at his level.

The old man returned to his previous position after attacking the green-haired man.

“You! How dare you attack one of us!” anger welled up in the red-haired man’s chest because that old bodyguard dared to attack his friend.

Sure, he knew that the old bodyguard was a martial artist at the grandmaster stage, but they had twenty people with them.

He was sure they could defeat Xing Ranqing and the others if they fought. That was why he did not show the slightest fear in his eyes.

Xing Ranqing crossed her arms over her chest before finally replying. “He dared to behave rudely to me, so I had to teach him a lesson. Why? Are you asking for a beating too? I don’t mind beating you if you want.”

Like before, she behaved as if she was the Ruler in that place. Even though she could not defeat Fu Rou and the others, her bodyguards could do that.

Her grandfather was also with her. This made her even more fearless. As long as she was with her grandfather, she was sure that everything would be under her control later.

Fu Rou stopped the red-haired man when he was about to attack Xing Ranqing. “Let’s leave.”

“Why?” the red-haired man was unhappy with Fu Rou’s decision. “They have attacked one of us, so we have to take revenge.”

“That’s right. Let’s fight them.”

“Yes.”

“We are from the strongest gang. What would we say if someone found out about this?”

“He is right. Let’s fight them, or else people will call us cowards later.”

The other members of the Dragon gang had the same thought as the red-haired man.

They were from the Dragon gang, the strongest gang in Shanghai.

They had to take revenge if someone dared to attack their members, or else the other gangs would make fun of them later.

“Shut up! Let’s leave now!” Fu Rou had the feeling that they would lose if they fought Xing Ranqing and the others.

They still behaved calmly even though their opponents were twenty-one martial artists at the master stage.

There was only one meaning of this.

Xing Ranqing and the others were confident that they could beat them later!

“Tch! Coward! All of you are cowards!” Xing Ranqing decided to humiliate them.

“What did you just say?” the yellow-haired man was breathless with anger.

“You all are cowards.” Xing Ranqing repeated her words. “YOU.ALL.ARE.COWARDS!”

At this moment, Crystal, who was hiding behind a tree, covered her mouth and giggled.

As for Xiao Tian, he only smiled while shaking his head.

‘As I thought, she is a wild girl. She is fearless!’

He shortened his special sword before finally putting it into his pocket.

All of Dragon gang members clenched their fists. They were enraged, and their sharp eyes looked like they wanted to cut Xing Ranqing’s body into pieces.

“Hah! You are all only bark but no bite.” Xing Ranqing kept making fun of Dragon gang members because it was an excellent opportunity to humiliate them, so she did not let that chance slip away.

Xiao Tian and Crystal tried their best not to laugh when Xing Ranqing kept humiliating the Dragon gang members.

Xiao Tian instantly gave a thumb up to Xing Ranqing. Of course, she and the others could not see it.

‘Good! You are the best, wild girl. Ah, no. I mean, you are the best, young girl.’

Xiao Tian loved it when Xing Ranqing kept humiliating the Dragon gang members because they were his enemies.

If it weren’t for them, he wouldn’t be living in the forest.

“Ignore her! Let’s leave!” Fu Rou pressed down her anger.

‘I will remember this!’

Of course, Fu Rou would take revenge later, but not now.

“I will remember this humiliation!” one of the Dragon gang members uttered.

“Good! You can find me if you want to take revenge.” Xing Ranqing challenged them to take revenge on her. “But you will have to pay the price if you try to take revenge on me. It won’t end like this next time.”

After Fu Rou and the others left, Xing Hanxian uttered, “You can come out now!”

Yes, he knew that Xiao Tian and Crystal were hiding not far from them. He even knew the location of their hiding place.

Xiao Tian and Crystal exchanged a glance with each other before finally coming out of their hiding place.

Even though they were surprised, they did not show it on their faces because they had suspected that Xing Hanxian was an extraordinary martial artist.

“Oh! So you saw everything, huh?” unlike her grandfather, Xing Ranqing did not know that Xiao Tian and Crystal were hiding not far from her earlier.

“Thank you, elder.” Xiao Tian thanked Xing Hanxian for not revealing his hiding place.

“Thank you, elder.” Crystal added.

“Were they the ones who attacked you a few days ago?” Xing Hanxian asked curiously.

“Yes.” Xiao Tian gave an honest answer. “But not all of them came with her today because the number of people who attacked us was fifty-one.”

“What? You fought fifty-one people?” Xing Ranqing said in surprise. “Did you manage to beat them?”

“Eeee...No. I ran away....” Xiao Tian felt his heart bleed when he gave an honest answer.

“Tch! So you are a coward like them.” Xing Ranqing did not know how skilled the Dragon gang members were, so she called Xiao Tian a coward.

Xing Hanxian turned his head towards his granddaughter before finally speaking, “Can you fight fifty-one people at the same time? It’s hard to escape from fifty-one people, you know?”

Instead of answering her grandfather’s question, Xing Ranqing looked at her old bodyguard because he was her strongest bodyguard. “Can you fight and defeat fifty-one people?”

“Even though it’s hard, I’m sure I can defeat them.” the old bodyguard was sure that Fu Rou and the others were only martial artists at the master stage.

Most of them were only martial artists at the mid-level master stage, so he was sure that he could defeat them.

“My bodyguard can defeat them!” Xing Ranqing said after hearing her old bodyguard.

“I’m asking you, not your bodyguard!” Xing Hanxian pinched her cheeks.

“Grandpa, stop pinching my cheeks, or else I will have no more cheeks in the future.” She tried to remove her grandfather’s hands from her cheeks.

“Haha.” Xing Hanxian and the others laughed.

Chapter 1224: Important Task

Somewhere in the forest.

“Fu Rou, why didn’t we beat them up earlier?” one of the Dragon gang members inquired.

He and the other members were unhappy with Fu Rou’s decision, so they wanted to know why she told them to leave earlier.

“Use your head before asking a question.” Fu Rou replied angrily. “First, they still behaved calmly and dared to make fun of us even though they knew that their opponents were twenty-one people. Second, that old bodyguard is not an ordinary bodyguard. You saw his skills and power, right?”

She then continued, “Only influential and rich families can hire a powerful bodyguard like that old man, so I suspect that they are from a rich family. Remember our goal! We are still not undefeatable now, so we have to act carefully.”

“But are we going to leave it like this?” the blue-haired man could not accept it.

“Of course not!” Fu Rou replied instantly. “Don’t worry. I will investigate their family and talk to our leader later. We will attack them if our leader agrees. If he disagrees, we will forget it for now. For now, not forever!”

“Alright.” The other Dragon gang members replied in unison.

What Fu Rou said made sense, so they suppressed their anger. For now, they only needed to focus on their goal, and their goal was to control Shanghai.

Of course, they knew that their goal was not easy to achieve because they were many powerful families in Shanghai like Xiao and Li families.

Xing Hanxian’s house, Backyard.

Xiao Tian and the others were sitting on the ground. They decided to take a rest after working for more than two hours.

Yes, they had finished their tasks!

Xing Ranqing’s Bodyguards helped them, so they could finish it sooner than they had planned.

“So, when are you going back to the city?” Xing Hanxian asked curiously.

“Whenever Crystal is ready to leave the forest.” Xiao Tian would get out of the forest immediately after Crystal was ready to leave the forest.

Xing Hanxian shifted his gaze from Xiao Tian to Crystal. “When are you going to leave the forest?”

“Maybe tomorrow.” Crystal gave an honest answer.

“I see.” Xing Hanxian suddenly felt a little sad after hearing her words.

They always spent time together every day, so he felt down when he imagined Xiao Tian and Crystal leaving the forest.

And what saddened him even more was that his granddaughter would return to the city in a day or two.

“Grandpa, let’s return to the city. Aren’t you lonely living alone in this big forest?” Xing Ranqing tried to get her grandfather to live with her again.

“Elder, why don’t you go back to the city with us? With this, we can eat and talk together again later.” Xiao Tian also wanted to talk and spend time with Xing Hanxian again, so he tried to get Xing Hanxian out of the forest.

“That’s right, grandpa. Don’t you want to spend time with me every day?” She could not spend time with her grandfather every day if he kept living in the forest.

“I will think about it.” Xing Hanxian did not give his answer immediately.

“Huft! You are really annoying!” Xing Ranqing was unhappy with his reply because he always answered like that.

Yes, he always gave an answer like that since a few years ago, but he kept living in the forest!

For this reason, Xing Ranqing was unhappy because she was sure that her grandfather would continue living in the forest.

‘What is the pleasure of living in the forest? There are many wild beasts, and you will be alone later.’

She did not get it.

She did not understand the reason why her grandfather liked living in the forest. In her eyes, it was much better to live in the city than in the forest.

They could do anything in the city, including eating delicious food or hanging out with their friends.

Xing Hanxian could only rub his granddaughter’s hair when he saw her expression. Of course, he knew what she had in mind.

‘Should I return to the city now?’

He would think seriously about this later.

Shangbian City, Dragon Gang’s Headquarters.

Fu Rou was currently talking with her leader in the living room. After arriving at their base, she immediately told him what had happened to them earlier.

“She is from a powerful family, so let’s forget her for now.” the masked man uttered, “Our hands are full now, so let’s not make another enemy for now.”

“Alright.” Fu Rou agreed with his words.

“You also don’t have to look for Xiao Tian in the forest anymore from today onwards.” The masked man told Fu Rou to stop looking for Xiao Tian because there was no point in doing that now.

Even though Fu Rou still wanted to find Xiao Tian and Crystal, she did not say anything because he was their leader.

“I have an important task for you now. This task will help us in destroying Xiao Tian and his gang.” after saying that, the masked man told Fu Rou what her task was.

“I understand.” Fu Rou rose to her feet before finally leaving.

Forest, Cliff.

Xiao Tian was currently sitting on the cliff with Crystal.

After making a fence and talking with Xing Hanxian and the others, they immediately headed to the cliff.

“Xiao Tian, let’s go back to the city tomorrow,” Crystal spoke abruptly.

“Are you sure?” Xiao Tian inquired.

“Yes.” Crystal replied as she nodded her head.

“Alright. Let’s meet them before leaving tomorrow.” Xiao Tian agreed instantly because Crystal was the reason why they were still in the forest.

‘I can finally meet them tomorrow.’

He was sure his mother and the others were worried about him because he didn’t give any news for a few days.

After talking for about an hour, Xiao Tian and Crystal returned to the cave.

Forest, Cave.

As usual, Xiao Tian and Crystal sat on the leaves near the bonfire. They talked about what they should do after getting out of the forest later.

At this moment, Xiao Tian had a wild idea.

He suddenly had an idea to attack other gangs and force them to become his slaves!

Yes, he would force them to help him fight the Dragon gang.

Sure, it was cruel, but he did not care about it. They needed more people to fight the Dragon gang because they had more members than his gang.

This was a world where the strong rule the weak, so Xiao Tian did not feel sorry for them because he would do anything to achieve his goals.

Crystal did not say anything about his idea because she knew how cruel this world was. She also wanted to destroy the Dragon gang, so having more people were better.

After talking for a few hours, they slept. The following morning, they went to Xing Hanxian’s house after waking up.

They did not make a fence again because they had finished making it yesterday. As usual, they talked in the backyard.

Because they would get out of the forest later, Xiao Tian decided to inform Xing Hanxian because Xing Hanxian had helped him. “Elder, Crystal and I will get out of the forest later.”

“Hmm?” Xing Hanxian was startled by Xiao Tian’s words.

Chapter 1225: Xiao Tian Arrived Home

Xing Hanxian was surprised when Xiao Tian said Crystal, and he would leave the forest later.

Sure, Xiao Tian had told him about this yesterday, but he did not expect it to be so quickly like that.

He thought they would leave the forest tomorrow or the day after tomorrow.

“When are you going to leave this forest?” of course, Xing Hanxian would not stop them because he could understand their feelings.

“This afternoon.” Xiao Tian gave an honest answer.

“I see.” Xing Hanxian felt a little sad because he would not be able to chat with Xiao Tian and Crystal again from tomorrow onwards.

“Grandpa, just go back to the city with us.” Xing Ranqing spoke abruptly. “With this, you can spend time with them again later.”

“That’s right, elder. Why don’t you leave the forest with us later?” Xiao Tian added.

“I will think about that.” Xing Hanxian gave an ambiguous answer.

Xiao Tian and Crystal decided to get out of the forest at 11:40 am. It took them more than an hour to get out of the forest because they had to pay attention to their surroundings.

They could get out of the forest easily because they knew the way out of the forest. To their surprise, they saw Xiao Tian’s BMW car.

Even though they found his car, they could not use it. First, the tires of the car were flat, and lastly, the car was destroyed.

Yes, almost every part of his car was hit by something hard, like a steel bat or something like that.

Luckily, there was a taxi not long after that. For this reason, they went to Crystal’s apartment using a taxi.

Xiao Tian decided to go to her apartment first because he wanted to help her explain everything to Yu Shi.

Yu Shi was relieved when she saw Crystal. Previously, she was worried because Crystal suddenly disappeared without saying anything.

After explaining everything to Yu Shi, Xiao Tian went straight home.

—

Shangbian City, Xiao Tian’s Mansion.

Liu Ning and the others were currently in the family room. Their faces were filled with worry because there was no news about Xiao Tian for more than six days.

Usually, Xiao Tian would inform them if he did not return home, but he did not do that this time.

This was the reason why they were worried because they knew that many people often caused trouble to him.

They did not know why but many people seemed to hate Xiao Tian. They even still caused trouble to him when he did nothing to them.

‘Tian, where are you now?’

That was the question that appeared in their minds.

At the same time, Xiao Tian was standing right in front of his house.

*Inhale...

He took a deep breath before finally entering his house.

"I'm home." Xiao Tian said after stepping into the living room.

Ye Xueyin and the others instantly rose to their feet and rushed towards the living room.

'It's Tian!'

At this moment, they felt as if the distance between the family room and living room was so far because they could not reach the living room immediately.

Unlike usual, this time, they immediately stopped their footsteps when they stood in front of each other.

Liu Ning and the others knew that something bad had happened to him when they saw Xiao Tian's clothes.

Xiao Tian showed his soft smile before saying, "I'm home."

"Tian..." Ye Xueyin and the others walked towards him again.

Like usual, Ye Xueyin cried when she embraced Xiao Tian. As his mother, she was worried about his safety.

They immediately headed to the family room. After that, Xiao Tian began to tell everything to them.

Su Ruanyi and the others were sad and happy when they heard his story. They were sad because Xiao Tian had almost lost his life.

And they were happy because Xiao Tian was still alive. They just did not expect that Fu Rou was the real mastermind.

Xiao Tian immediately took a bath after telling everything because he had not taken a proper shower since several days ago.

To his surprise, he saw many missed calls from Yun Xin Er after taking a bath. Without waiting for another second, Xiao Tian called her and explained everything.

Xiao Tian hid the fact that Fu Rou was the one who caused trouble to him because he did not want to make Yun Xin Er feel guilty.

After Yun Xin Er hung up the phone, Xiao Tian called someone to take his BMW car and repair it.

Xiao Tian's Mansion, Backyard.

Xiao Tian was currently sitting on the mat with his women. However, something unexpected happened after sitting on the mat.

Ye Xueyin suddenly sat on his lap and embraced him!

Not only that, but she immediately locked her legs around his waist and wrapped her arms around his back.

Xiao Tian could not see her face because she placed her head on his right shoulder.

'It seems like she really misses me.'

Xiao Tian then straightened his legs.

"Sister Xueyin is like a kid." Shi Fei teased Ye Xueyin. "She doesn't want to be separated from little brother for even a second."

Xiao Tian only smiled while rubbing Ye Xueyin's soft and long hair.

As for Ye Xueyin, she ignored Shi Fei's words and kept hugging Xiao Tian. She did not care about everything and only wanted to hug Xiao Tian.

They did not see each other for several days, so she wanted to keep feeling the warmth of his body.

Time went by quickly, and without realizing it, they had been in the backyard for about two hours.

At this moment, Ye Xueyin was still sitting on Xiao Tian's lap.

Yes, she kept sitting on his lap and hugging him as if Xiao Tian would leave her again if she did not do that. They decided to go into the house because it was already dark.

"Mother, can you stop this? We will go into the house now." Xiao Tian spoke as he tapped Ye Xueyin's back gently.

Shi Fei, who was sitting on Xiao Tian's right side, uttered, "Little brother, sister Xueyin is sleeping right now."

"Hmm?" Xiao Tian did not know about this because Ye Xueyin put her head on his right shoulder.

'It seems like I have to carry her.'

With that idea in mind, Xiao Tian placed his left hand on Ye Xueyin's butt and his other hand on her back.

When Xiao Tian was climbing the stairs, Ye Xueyin woke up and looked at Xiao Tian. "Tian, where are we going?"

"I'll walk you to your room." Xiao Tian gave an honest answer.

"No. Mother wants to sleep in your room. Mother wants to sleep with you." she did not spend time with Xiao Tian for several days, so she wanted to sleep with him.

"Big sis, you are like a spoiled kid right now." Ye Qingyu, who was on Xiao Tian's left side, spoke abruptly.

"I don't care. I only want to sleep with Tian." of course, Ye Xueyin knew that she behaved like a spoiled kid, but she did not care about it.

"Alright, alright. We will sleep together tonight." Xiao Tian also wanted to sleep with Ye Xueyin.

"Yay!" Ye Xueyin smiled happily before giving him a peck on the lips.

Chapter 1226: How Could You Be So Cruel Like This to Me, Lady Lan?

After stepping into Xiao Tian's room, they immediately lay on the bed.

Xiao Tian's bed was huge, so they could lay on his bed together. They did not eat dinner or have sex that night because they fell asleep when they watched a movie in his room.

The following morning, Xiao Tian went to the Blue Ice Lotus gang headquarters after having breakfast with his women. His underlings asked him many questions when they saw him.

Xiao Tian always visited them if he did not go on a business trip, so they wanted to know why he did not visit them for several days.

Their eyes were filled with fury when Xiao Tian told them the reason why he did not visit them for several days.

"Mu Hou, Chun Hua, I want you two to investigate the Dragon gang." Xiao Tian spoke and paused for a second before he continued, "Take a few people with you. Remember, be careful."

"Understood." Mu Hou and Chun Hua replied in unison.

Xiao Tian then turned his head towards Ren Aoxu. "Junior brother, how is the progress of your martial arts?"

"I'm still at the low-level master stage." Ren Aoxu wore a sad face when he answered Xiao Tian's question.

Xiao Tian tapped Ren Aoxu's shoulders before speaking, "Don't worry. I'm sure you will break through to the mid-level master stage soon."

Xiao Tian had to cheer Ren Aoxu because emotion could affect Ren Aoxu's training and heart.

If Ren Aoxu's heart were filled with negative emotion, it would be tough for him to make progress in martial arts.

"Un." Ren Aoxu nodded his head.

"Have you mastered the second secret technique?" Ren Aoxu still had not mastered the second secret move before Fu Rou attacked him, so he wanted to know about it.

Ren Aoxu did not answer Xiao Tian's question, and he wore a sad expression again. Xiao Tian had helped him and provided him with facilities for practice, but he did not give good results.

"Alright. From today onwards, I will guide you in your practice until you master the second secret move." Xiao Tian had promised to help Ren Aoxu master the second secret technique, so he decided to do that.

Ren Aoxu was his junior brother, so he would try his best to make Ren Aoxu stronger. With this, not only could Ren Aoxu protect himself, but he could keep his promise to Ren Aoxu's master.

"Really?" Ren Aoxu asked happily.

He made a lot of progress when Xiao Tian helped him in the past.

That was why he was pleased because he believed that he could master the second secret move much faster with Xiao Tian's guidance.

"Yes." Xiao Tian nodded his head. "I have to go to Red Flower bar after this. I will guide you in your practice after finishing my business at Red Flower bar."

"Alright." Like before, Ren Aoxu replied happily.

Xiao Tian then looked at his underlings before finally speaking, "We will attack the Dragon gang in a few days, so I want you all to practice hard. If we can defeat the Dragon gang and become the strongest gang in Shanghai, we will be one step closer to our goal."

"Ooooo!" his underlings shouted happily.

Xiao Tian then looked at Mizu and spoke, "Mizu, I have important task for you."

Mizu, who was in control of the Shadow gang, replied, "What is it, leader?"

"I want you to investigate all the mid-sized and big gangs in Jiazuo district." Xiao Tian thought it was better to start conquering the weakest district first. "Investigate all the important martial arts schools as well."

"Understood." Mizu replied as he bowed slightly.

After that, Xiao Tian went to Red Flower bar to meet Lan Ruoxi.

Red Flower Bar, Private Room.

Xiao Tian was currently sitting on the couch alone. Lan Ruoxi discussed important business with her partners, so she could not meet him immediately.

*Five minutes...Ten minutes...Fifteen minutes...

It had been fifteen minutes since Xiao Tian was in the private room, but Lan Ruoxi still had not met him.

'Sigh! Should I go back now?'

Xiao Tian suddenly wanted to return to his gang because Lan Ruoxi seemed busy.

Rather than waiting for her, he thought it would be better to teach Ren Aoxu the second secret technique since he could meet her later.

*Tak...Tak...Tak...

The sound of high heels slamming against the floor reverberated in the private room.

Xiao Tian instantly turned his head toward the source of the sound.

'Oh, she is here.'

He smiled softly when he saw Lan Ruoxi.

Lan Ruoxi was wearing a purple cheongsam with a blue folding fan in her right hand. Like Xiao Tian, she also smiled when she saw him.

"Young master Xiao, it has been a while since the last time we met. Did you come to my place because you missed me?" Lan Ruoxi immediately teased Xiao Tian after sitting on the opposite side of him.

"You are right." Xiao Tian played along with her tease. "Lady Lan, we haven't seen each other for a few days, but you have gotten prettier again. It makes me want to make you mine even more now."

Lan Ruoxi knew that Xiao Tian would say something like this, so she was not surprised by his words.

"Alright, let's stop the joke. What brings you to my place?"

"Lady Lan, I haven't seen you for more than a week, so I want to hang out with you." Xiao Tian lied to her. "How about we go on a date now?"

At this moment, Lan Ruoxi was sure that Xiao Tian was only joking around. "What brings you to my place?"

The corner of Xiao Tian's lips twitched when she repeated her question. "Lady Lan, I have answered your question, so why are you asking the same question again?"

"Ah, I see. Then I won't help you if you need my help." of course, Lan Ruoxi was not serious when she said this.

"How could you be so cruel like this to me, lady Lan? You were not like this before." Xiao Tian pretended to be sad.

"Hehe." Lan Ruoxi's lips curled up into a smile. "So, what is it?"

Xiao Tian began explaining the reason why he came to her place. He asked whether she knew someone who could make special clothes or not.

What he meant by special clothing was clothing that could protect the wearer much better than ordinary clothes or jackets.

Xiao Tian wanted these special clothes because it could better protect himself and his underlings.

"You mean clothes like army combat uniforms or anti-weapon clothing?" even though Lan Ruoxi was a little surprised by his words, she did not show it on her pretty face.

"Yes. Something like that." Xiao Tian responded as he nodded his head. "I need it to protect myself and my underlings. With this, I will get one step closer to one of my goals, creating undefeatable underlings."

Sure, he knew that he had to spend a lot of money to make special clothes like that, but he was fine with it because his underlings were his important asset.

His underlings were his backer, so the stronger his underlings were, the easier it would be for him to achieve his dream.

That was why he was willing to spend a lot of money for his underlings.

Lan Ruoxi touched her chin. "I think I know someone who can help you in this."

"Who is it?" Xiao Tian asked with sparkling eyes.

Chapter 1227: Is This His Secret Technique?

"I only know three families that can help you in this matter." Lan Ruoxi spoke and paused for a second before she continued, "Li family and Qing family."

Xiao Tian touched his chin with his right hand. "Li family and Qing family?"

A few months ago, he had a conflict with Qing Xiulan, so he was sure that the Qing family would not help him.

'Even though I have a good relationship with Li Wen, but I'm not sure if he is willing to help me in this matter.'

His relationship with Li Wen was only limited to business relationships, and it was because of Yun Xin Er.

"Lady Lan, you said three families, right? So, who is the last family that can help me in this matter?" Lan Ruoxi only told him two out of three families, so Xiao Tian wanted to know the last family that could help him.

"It's your father's family, the Xiao family." Lan Ruoxi did not tell him immediately because she knew the relationship between Xiao Tian and the Xiao family.

She was sure that Xiao Tian would not ask the Xiao family to help him because he hated the Xiao family to the bone.

They kicked him and his family out of the Xiao family a few years ago. For this reason, his mother and aunt had a hard time in the past.

And what Lan Ruoxi had guessed was right because Xiao Tian instantly said he would not ask the Xiao family to help him.

*Sigh...

Xiao Tian could only sigh when Lan Ruoxi only gave him the choices he could not take.

"I will put this idea on hold for now." Xiao Tian decided to put his idea on hold because no one could help him for now.

After talking with Lan Ruoxi for several minutes, Xiao Tian returned to the Blue Ice Lotus gang headquarters because he wanted to guide Ren Aoxu to practice the second secret technique.

—

Blue Ice Lotus Gang Headquarters, Front Yard.

Xiao Tian was currently guiding Ren Aoxu in mastering the second secret move.

“Junior brother, you did it wrong. Watch my footsteps and hands carefully.” After saying that, Xiao Tian began to demonstrate the second secret technique.

Ren Aoxu paid attention to Xiao Tian carefully. However, he still could not understand it well because he could not look at Xiao Tian’s footsteps and hand at the same time.

When Xiao Tian saw Ren Aoxu’s expression, he knew that Ren Aoxu still did not get it, so he decided to demonstrate the second secret technique again and slow down his movements.

Ren Aoxu followed Xiao Tian’s movements from behind. Even though Xiao Tian had slowed down his movements, but it was still too fast for Ren Aoxu.

Ren Aoxu kept failing to synchronize his footsteps and attacks.

At this moment, a few of Xiao Tian’s underlings stood not far from them because they were interested in what Xiao Tian was doing.

“Whoa, so cool!”

“As expected of our leader, he is really strong.”

“Is this his secret technique?”

“Ah! I have seen this move a few times before!”

Xiao Tian had used his secret technique a few times in front of his underlings, so all of them knew about it.

“Leader, can you also teach us this secret move?” one of his underlings inquired.

He was also a swordsman, so he wanted to learn Xiao Tian’s secret technique too.

“I want to learn it too.”

“Me too.”

“Leader, please teach us too.”

“Yes, leader. Please teach us too.”

One by one, Xiao Tian’s underlings, who used swords or blades, asked him to teach them too.

Xiao Tian instantly turned around and replied, “No!”

“Why? Why did you refuse to teach us?” they were sad when Xiao Tian refused their wish without thinking twice.

“Because you are my underlings, not the disciples of my martial arts school.” Xiao Tian told them the reason why he refused to teach them his secret techniques.

“Then, I want to be the disciple of your martial arts school, leader.” One of his underlings responded instantly.

“Me too. I want to become the disciple of your martial arts school.”

“I want to join too.”

“Me too.”

“Met too.”

They wanted to be the disciple of Moon Sword Martial Arts School for the sake of learning their secret techniques.

They even did not realize that Xiao Tian was disappointed by their words.

“Oh! So you want to betray me, huh?” Xiao Tian took his wooden sword before swinging it a few times.

“Are you asking for a beating?”

“Leader, what do you mean by that? We only want to learn your secret moves, not betray you.” one of his underlings responded instantly.

“She is right. We only want to learn your secret moves.” Another member added.

“Is that so? Then I will give you one chance.” Xiao Tian spoke and paused for a second before he continued, “If you can defeat me, I will teach you my secret techniques.”

There were ten people who wanted to learn his secret techniques.

Three of them were martial artists at the high-level master stage, while the others were martial artists at the mid-level master stage.

Xiao Tian’s underlings exchanged a glance with each other.

‘We have to beat him?’

They knew how strong Xiao Tian was, so they were not sure if they could defeat him or not.

When Xiao Tian saw their expressions, he said again, “So how is it? I don’t mind if all of you attack me at the same time.”

These ten people nodded their heads before finally answering, “We agreed.”

Xiao Tian’s lips curled up into a grin. He was in his prime condition, so he was sure that he could defeat them later.

He was even sure that he could defeat an ordinary martial artist at the low-level grandmaster stage at his prime condition.

“Hey, look! Our leader is going to spar with them.”

“Whoa! One versus ten?!”

“How long do you think it will take for him to beat them?”

“Six minutes!”

“Five minutes!”

“Three minutes.”

“I bet, two minutes! Who dares to bet with me?”

“Sure. I will bet with you.”

“Me too.”

Of course, Xiao Tian’s underlings were sure he would win the fight later because they knew how strong he was.

When he became their leader, he was only at the low-level master stage, but he had broken through to the high-level master stage in just two years.

They had never heard of anyone progressing so quickly in martial arts like their leader.

This was the reason why they believed that they could become the strongest gang in Shanghai later because their leader was an extraordinary martial artist.

Not only that, but their leader also treated them well. He was even willing to spend a lot of his money for the sake of making them stronger.

With an amazing leader like Xiao Tian, it was only a matter of time before they would become the strongest gang in Shanghai.

No, there was even a probability that they would become the strongest gang in China in the future.

“I won’t show mercy this time, so don’t blame me later.” Xiao Tian swung his wooden sword before finally walking closer to them.

“We also have no intention of holding back, so don’t blame us if we injure you later.” one of his underlings uttered.

“Sure.” Xiao Tian responded, “Alright. Let’s start this.”

Chapter 1228: Ouch, My Legs!

“Leader, please stop. We lost, we lost.”

“Leader, please stop beating us.”

“My hands hurt like hell.”

“Ouch, my legs!”

“Leader, show mercy. Ouch, my arms! Leader, please stop beating up.”

“Leader, we won’t do it again. Please stop.”

“Yes, leader. We won’t do it again.”

Ten of Xiao Tian’s underlings were lying on the ground.

Previously, they sparred with Xiao Tian. Even though they knew that Xiao Tian was a powerful martial artist, they did not expect that they would lose easily.

No, it could not even be called a fight or spar because Xiao Tian always had the upper hand since the beginning.

One-sided fight!

Yes, these were the right words to describe it.

Previously, Xiao Tian fought his underlings seriously because he wanted to defeat them as quickly as possible.

With this, his other underlings would know that their leader was an extraordinary martial artist because he could defeat ten martial artists quickly.

“One minute and ten seconds. Damn! It’s faster than we thought.”

“Oh shit! I bet for two minutes earlier.”

“If I knew something like this would happen, I would not have chosen three minutes earlier. Damn!”

“So, who won the bet since we all guessed wrong?”

“I’m the winner because one minute and ten seconds are closer to two minutes than three minutes.”

“No! It’s one minute and ten seconds, not two minutes. You are not the winner.”

“Yes. I can’t accept it.”

“That’s right. It doesn’t count.”

“What the fuck are you saying? Hurry up and give me your money!”

“No. I refuse to accept this.”

Xiao Tian’s underlings started arguing about who won the bet.

Xiao Tian, who heard their conversation, turned around to look at them. “So, you made a bet, huh? Why don’t you spar with me too? Don’t worry. I will show mercy later.”

“No, we did not make a bet. Isn’t that right?”

“Yes. That’s right.”

“Leader, you heard it wrong.”

“That’s right. How could we do something like that to our leader?”

Xiao Tian’s underlings denied it instantly.

Even though Xiao Tian was smiling, but his smile was so scary, to the point they felt as if the devil king was smiling at them.

“Leader, we want to practice martial arts first. We will talk to you again later.”

“Yes. We will practice martial arts first.”

“Leader, I want to be a powerful martial artist, so I have to practice martial arts diligently. I can’t keep talking to you.”

In order to avoid punishment or sparring with Xiao Tian, they decided to practice martial arts.

Xiao Tian’s other underlings, who saw them, laughed happily because, in their eyes, these people’s behaviors were funny.

Xiao Tian then looked at his underlings, who had just got beaten up by him. “Go treat your injuries now. You don’t need to practice martial arts today. Just get some rest.”

Their eyes instantly shone happily after hearing his words. “Leader, we love you.”

Xiao Tian immediately stopped them when they wanted to hug him. “Alright, alright. Stop it!”

After they entered their base to treat their injuries, Xiao Tian guided Ren Aoxu in mastering the second secret technique again.

Seconds turned into minutes, and minutes became hours. Without realizing it, it had been three hours since Xiao Tian guided Ren Aoxu in mastering the second secret move.

Ren Aoxu made a lot of progress with Xiao Tian’s guidance. This made him happy because he almost did not make progress when he practiced alone.

—

Xiao Tian’s Mansion, Family Room.

After helping Ren Aoxu in mastering the second secret technique, Xiao Tian went straight home and took a shower.

He immediately spent time with his women in the family room after having dinner together.

Unlike usual, he spent most of his time with Mu Ai and Feng Yu this time. Even though Feng Yu always gave a short answer, but she never ignored Xiao Tian.

As for Mu Ai, she chatted with Xiao Tian happily. They even seemed like a father and a daughter at that time.

Xiao Tian did not have sex with his women again because he decided to sleep with Mu Ai and Feng Yu.

Mu Ai was thrilled because it had been quite a while since the last time they slept together.

—

The following morning, Xiao Tian played with Mu Ai in the family room after having breakfast.

He did not go to work because it was Sunday. “Little Ai, jump, jump!”

Yes, Xiao Tian was currently playing a video game with Mu Ai. Previously, he wanted to take her somewhere, but she said she desired to play a video game with him.

“Big brother, save me.” Mu Ai’s eyes were focused on the video game.

Previously, Xiao Tian asked Feng Yu to play with them, but she refused and said she only wanted to look at them while studying.

“Ah, we have died!” Xiao Tian’s character died.

“Hehe. We are dead again.” Instead of feeling sad, Mu Ai giggled happily when both of their characters died.

“Let’s play again.” Xiao Tian uttered.

“Un.” Mu Ai nodded her head cutely.

After playing a video game with Mu Ai for about two hours, Xiao Tian traveled to the Blue Ice Lotus gang headquarters because he had to teach Ren Aoxu the second secret move.

This time, his underlings practiced martial arts by themselves because Mu Hou was on a mission.

As everyone was practicing martial arts in the front yard, Ren Aoxu only stood while clenching his fists.

Happiness swelled within him, and a happy smile could be seen on his face. There was one thing that made him happy like that.

He finally mastered the second secret technique!

With Xiao Tian’s guidance, Ren Aoxu finally mastered the second secret move.

Even though he was still a martial artist at the low-level master stage, but he could defeat a martial artist at the mid-level master stage easily now because he had mastered the second secret move.

A soft smile spread across Xiao Tian’s face when he saw Ren Aoxu’s expression.

‘It seems like he is very happy right now.’

Of course, Xiao Tian was also pleased because Ren Aoxu was his junior martial brother.

At this moment, Chun Hua, Mizu, Mu Hou, and the others arrived at the Blue Ice Lotus gang headquarters.

They want to give their reports.

Chapter 1229: Discussing Plan

Xiao Tian, Mu Hou, Chun Hua, and Mizu immediately headed to the living room to discuss their plan.

“Let’s get straight to the point. First, I want to know the number of Dragon gang members. Second, I want to know how strong they are.” Xiao Tian wanted to know the strength of the Dragon gang first because it was the most important thing in the war.

They had to know their opponent’s power if they wanted to win the war. This was an absolute rule in a war.

“Dragon gang has three hundred and fifteen members, including their leader, Fu Rou, and the leader’s butler.” Chun Hua began to tell Xiao Tian how skilled they were in martial arts.

Eighty-five of their members were martial artists at the high-level apprentice stage, and one hundred and twenty-five of them were martial artists at the low-level master stage.

They had sixty people at the mid-level master stage and forty-three people at the high-level master stage.

Their leader was a martial artist at the high-level master stage. But even so, he was an extraordinary martial artist.

As for the leader's butler, he was a martial artist at the low-level grandmaster stage.

Xiao Tian touched his chin.

'The difference between our strengths is not big. They just have more members.'

His underlings were almost as strong as the Dragon gang members.

"Do you have any information about their leader and his butler?" Xiao Tian was interested in these two people because he was sure that they were the core force of the Dragon gang.

"Actually, we only have a little information about them." Mu Hou gave an honest answer.

Three people suddenly came to the Dragon gang base and challenged them when the Dragon gang was still weak and unknown.

These three people managed to defeat them and kill the leader of the Dragon gang. Since then, these three people had taken control of the Dragon gang until now.

These three people were none other than Fu Rou, the masked man, and his butler!

Although they were part of the Dragon gang, but they never revealed any information about themselves or their past.

Even the members of the Dragon gang never saw their leader's face because he always wore a mask.

Only Fu Rou and the butler, who had seen his face but they always refused to tell anyone about it.

Actually, the Dragon gang members forced them to reveal their identities and asked their leader to take off his mask a few times, but they always got beaten up every time they asked that.

For this reason, they stopped caring about it and became the masked man's followers because he had proved his capability.

Yes, the Dragon gang grew significantly under his command, to the point they became the strongest gang in Shanghai since three years ago.

"I see." Xiao Tian did not expect the Dragon gang leader to be so mysterious. "How about their base?"

Chun Hua and Mu Hou did not answer immediately and only exchanged a glance with each other.

"What's wrong?" Xiao Tian inquired.

"Boss, their base is quite unique!" Mu Hou gave an honest answer.

“What do you mean by that?” Xiao Tian asked curiously.

“Fortress.” Chun Hua responded. “Their base is a fortress.”

“What?!” Xiao Tian found it hard to believe what he was hearing.

They were in a modern era, so he was shocked when he learned that the Dragon gang base was a fortress.

“Their base is also heavily guarded.” Chun Hua then put the map she drew on the table and started explaining the Dragon gang headquarters.

The Dragon gang headquarters was surrounded by many trees, and not only that, but the fortress’ walls were also high, around eight meters.

“Their base also has four towers, two in front of their base while the others are behind their base.” Mu Hou spoke and paused for a second before he continued, “And not only that but around thirty people are patrolling above the walls every day.”

“That’s right.” Chun Hua added. “And all of them are equipped with bows or rifles.”

He also said there was only one way to get into their base, and that was through a large iron door.

Xiao Tian finally understood everything.

‘Bow? Rifle? I did not expect their base to be so amazing like that!’

This was not like what he previously thought.

‘It will be easy to destroy their base if we have something like a boom, bazooka, or tank.’

Of course, Xiao Tian knew only the military had something like that.

‘Since there is only one way to enter their base, we have no choice but to open the door forcefully. However...’

If they tried to open the door, the Dragon gang members would attack them from above the walls.

This would put them at a disadvantage because they would lose many people before they could destroy the iron door and enter their base.

‘No wonder they are the strongest gang since three years ago. It’s even hard to get into their base.’

Even though he hated to admit it, but the Dragon gang base was much better than his.

“Can we destroy the iron door using our truck? I mean, like we hit the door with our truck.” Xiao Tian suddenly had this wild idea.

“I think we can destroy the iron door if we use two trucks side by side, but I’m not certain of this.” Mu Hou had seen how huge the iron door was.

It was so big to the point it could fit two trucks side by side. Previously, he was also shocked when he saw it.

“Alright. Let’s just say we manage to destroy their iron door but aren’t we at a disadvantage after getting into their base?” there were two reasons why Xiao Tian said something like this.

First, their enemies, who were above the fortress, could attack them immediately using their bows or rifles.

And lastly, their enemies, who were above the fortress, would notice them immediately before they could destroy the iron door.

He was sure that they would alarm the other members immediately.

This would put them at a disadvantage as they would be welcomed by their enemies upon entering their base.

“We have to take care of the people who are above walls first.” Xiao Tian thought they needed to kill these people first because these people could change the result of the war later.

“Yes.” Mu Hou agreed with Xiao Tian’s idea. “But we need a bow or a gun to kill these people. It would be better if we use a gun because it is much better than a bow.”

They could kill their enemies instantly if they used a gun. Sure, they also could kill their enemies instantly using a bow, but it was much harder to do that.

The probability of killing their enemies would be higher if they used a gun. However, they had one problem.

None of them had a gun!

All this time, they only fought their enemies using weapons, like a sword, spear, or something like that.

“Boss, why don’t you ask young master Zhao for help in this matter?” Mu Hou was sure that Zhao Sheng could help them because he was from an influential family.

Even though Zhao Sheng’s family was a martial arts family, but he was sure that they had a gun.

“Or you can ask lady Lan for help.” Mu Hou uttered.

Chapter 1230: What a Cruel Idea!

“Alright, I will meet them later.” After saying that, Xiao Tian looked at Mizu. “Mizu, give me your report now.”

Mizu began to give his report. “There are seventy martial arts schools and one hundred gangs in Jiazu district.”

“Forget about martial arts schools for now. Just give me the report about the gangs in Jiazu district.”

Xiao Tian thought it was better to make other gangs his slaves than the martial arts schools as his slaves because the media would know if he made martial arts schools as his slaves.

“Alright.” Mizu continued giving his report.

There were five big gangs among these one hundred gangs, and all of these big gangs had members between sixty to ninety.

However, they were weak. They only had numbers but no strength.

Even though they had a lot of members, but most of them were martial artists at the apprentice stage.

They only had about twenty martial artists at the low-level master stage and ten martial artists at the mid-level master stage in each gang.

As for a martial artist at the high-level master stage, they only had two in each gang, and they were the gang leader and vice gang leader.

Unlike the Dragon gang base, their headquarters were ordinary. Some of them even used an abandoned factory as their base.

Mizu said all the powerful martial artists were from martial arts schools.

In the past, there were a few powerful gangs in the Jiazuo district, but they suddenly moved to Nanli district or Wanhui district.

Jiazuo district was filled with poor people. It was a place where poor people lived. Not only that, but most of the area was still forest.

One of the reasons why these powerful gangs decided to move was that they could not make a lot of money in the Jiazuo district.

“Leader, when are we going to attack them?” Mizu inquired.

“We need to prepare everything first.” Xiao Tian responded, “Even though they are weak, we should not underestimate them. Let’s attack them the day after tomorrow.”

“Alright.” Mizu and the others replied in unison.

After that, Xiao Tian traveled to Crystal’s apartment to give her all the information. Like Xiao Tian, she was shocked after hearing everything.

After telling Crystal everything, Xiao Tian went to the Red Flower bar to meet Zhao Sheng and Lan Ruoxi.

--

Red Flower Bar, VIP Room.

Xiao Tian was currently in the VIP room with Zhao Sheng and Lan Ruoxi. Lan Ruoxi was sitting on the opposite side of him, while Zhao Sheng was on his right side.

“What?! A few guns?” Zhao Sheng said in surprise.

Not only Zhao Sheng, but Lan Ruoxi was also startled by Xiao Tian’s words.

Sure, she knew that Xiao Tian would go on a war against the Dragon gang, but she did not expect that he wanted to use a gun in the war.

“It’s like this...” Xiao Tian began explaining the reason why he needed a few guns.

“I see.” Zhao Sheng and Lan Ruoxi finally understood the reason why Xiao Tian needed a few guns.

“Can you two help me in this matter?” Xiao Tian inquired.

“Xiao Tian, it’s hard to get a gun, you know? You even want more than one gun.” Zhao Sheng responded, “But I will try to get you a gun later.”

“Yes. We need time.” Lan Ruoxi added.

“Alright.” Xiao Tian was pleased after hearing their words.

After talking for several minutes, Xiao Tian went home.

Xiao Tian’s Mansion, Long Jingxian’s Room.

Xiao Tian and Long Jingxian were currently lying on the bed while watching a movie. They were naked this time because they had just finished having sex.

Yes, they immediately had sex after he arrived home!

At first, they only chatted in her room. But one thing led to another, and they ended up having sex in her room.

Long Jingxian, who was lying on Xiao Tian’s left side, uttered, “You have to be careful this time.”

Xiao Tian was about to go on a war against the Dragon gang, so Long Jingxian was worried about his safety.

War was more dangerous than fighting delinquents one on one. Sure, she knew that Xiao Tian was skilled in martial arts, but she was still worried.

“Don’t worry.” Xiao Tian smiled softly before finally kissing Long Jingxian’s forehead. “We are still not married, so I have no intention of dying. No, I have no intention of dying before I can achieve all my dreams and we grow old.”

“Yes. You can’t die before we grow old because you have promised to stay with me until we grow old.” Long Jingxian really hoped they could stay together forever.

“Don’t worry. I will keep my promise because I’m a man of my word.” Xiao Tian also wanted to be with her until they grew old.

No, not only with Long Jingxian, but with his other women too. He wanted to be with them forever.

“My beautiful doctor, how about we do it again?” Xiao Tian wanted to have sex with Long Jingxian again because they only had an orgasm once before stopping.

“You are indeed a wild beast.” Long Jingxian smiled after hearing his words.

Of course, she would not refuse his wish because she also loved sex. No, she loved sex because she did it with Xiao Tian.

“Then, this wild beast will eat you now.” after saying that, Xiao Tian licked Long Jingxian’s breasts and played with her vagina.

“Ahhh...” Long Jingxian’s mouth opened, letting out a seductive moan.

Soon, her room was filled with her wails again.

— —

The following morning, Xiao Tian went straight to the Blue Ice Lotus gang headquarters after breakfast.

To his surprise, he saw Crystal and Zhao Sheng in his base. Sure, he could understand why Crystal was at his base, but he did not know why Zhao Sheng came to his base.

“Yo, Xiao Tian!” Zhao Sheng walked toward Xiao Tian when he saw Xiao Tian.

“What are you doing here?” Xiao Tian inquired. “How about the gun?”

“Damn! You only care about the gun! You are hurting my heart, you know?” Zhao Sheng pretended to be sad. “When are you going to attack the Dragon gang?”

“I need to prepare everything first because they have more people.” Xiao Tian gave an honest answer.

“Preparation? What kind of preparation?” Zhao Sheng asked curiously.

“I want to conquer all the big gangs in Jiazuo district and make them my slaves. I want to use them as meat shields later.” Xiao Tian was talking to Zhao Sheng, so he did not hide his plan.

“Oh! What a cruel idea! But I like it.” Zhao Sheng knew Xiao Tian’s personality, so he could still behave calmly after hearing Xiao Tian’s words. “Hehe. Xiao Tian, just tell me if you need my help.”

“Really? You can help me again?” Xiao Tian said in surprise.

“Just give me three million Yuan, and I will help you. I will even bring my people later.” Zhao Sheng was joking around when he said this.

“Forget it! I don’t need your help.” Xiao Tian refused instantly. “Crystal, Mu Hou, Chun Hua, junior brother and Mizu, let’s go discuss our plan again.”

When they left him in the front yard, Zhao Sheng ran after them. “Hey, let me join in too.”
