### Chapter 1251: Xiao Tian's Film Has Finished Production

Star Group, Xiao Tian's Office.

Xiao Tian decided to work because he had fully recovered.

\*Click...

Liu Ning entered Xiao Tian's office after knocking on the door.

"Tian'er, they have finished making your movie." She told Xiao Tian the reason why she came to his office.

"Is that so?" Xiao Tian was pleased after hearing her words. "Tell them to send it to me later. I want to watch it first."

"I have saved it in my laptop." After saying that, Liu Ning sat on the couch and put her laptop on the table. "Come here. Let's watch together."

"Wait! How about we watch together with Fei and the others?" Xiao Tian wanted to watch his movie with all of his women.

"Good idea!" Liu Ning agreed with Xiao Tian's idea.

Without waiting for another second, Xiao Tian called all of his women. Coincidentally, Su Ruanyi and Long Jingxian were in his company, so he did not need to pick them up.

After Shi Fei and the others entered his office, they immediately watched his movie. The duration of the film was two and a half hours, including the opening and ending songs.

After watching the movie, Lin Xing Xue uttered, "What a good movie! Tian, did you really write this movie?"

"Of course! How is it? I'm a talented scriptwriter, right?" Xiao Tian could not tell them that he stole that movie from his previous life.

"Little brother, you are really amazing!" Shi Fei praised Xiao Tian.

Shi Fei and the others did not know that Xiao Tian stole that movie from his previous life because they had never seen a film similar to his movie before.

And what they loved the most about his movie was the romance between the male lead and the female lead.

Even though the male lead had more than one wife, but the romance was good.

"Let's call a few reporters tomorrow." Xiao Tian uttered, "Let's meet the producer and the others now. I want to say something to them."

"Alright." Lin Xing Xue and the others nodded their heads.

Time went by quickly, and without realizing it, Xiao Tian's film would be screened in several cinemas tomorrow.

Many people knew about Xiao Tian's movie because they had advertised it in many places, including in several newspapers and on television.

Of course, Yun Xin Er also helped him in promoting his movie because she had a lot of fans.

---

Xiao Tian's Mansion, His Bedroom.

Inside a big and luxurious bedroom, two young people were doing adult things on the bed.

At first, they still wore clothes, but it only lasted for five minutes before finally, they took off their clothes one by one.

The young man was lying on his back while the young lady was lying prone on top of him.

The young man was wrapping his arms around the young woman's back while the young woman was moving her waist up and down continuously.

Sex!

Yes, these two people were currently having sex in luxurious bedroom.

These two young people were none other than Xiao Tian and his gorgeous lover, Ye Qingyu.

As Ye Qingyu was moving her waist up and down continuously, she also explored every inch of Xiao Tian's mouth using her soft pink tongue.

\*Slick...Slick...Slick...

Lewd voices echoed in their ears.

When Ye Qingyu noticed that Xiao Tian had reached his limit, she moved her waist faster and faster because she was also about to have an orgasm.

'Cumming...Cumming...Cumming...'

Even though they had reached their limit, they did not break the kiss.

'I'm cumming....'

Both Xiao Tian and Ye Qingyu had an orgasm at the same time.

Of course, Xiao Tian let out his sperm deep inside Ye Xueyin's pussy because she did not stop moving her waist when he was about to have an orgasm.

Ye Qingyu behaved normally even though Xiao Tian let out his sperm deep inside her vagina because it was not the first time he had done it.

They also had many birth control pills, so she could still act normally. And Xiao Tian said he would take responsibility if she got pregnant, so she did not mind it.

“Huft...Huft...Huft...” they looked at each other in the eyes after breaking the kiss.

Due to how close their faces were, they could feel and smell each other’s breath. Their faces broke into a smile after looking at each other for several seconds.

They were pleased and satisfied at the same time.

“My beautiful aunt is so wild today!” Xiao Tian teased her.

Ye Qingyu did not pull Xiao Tian’s cock out of her pussy and immediately dropped her head to his chest. “You are not as good as usual today.”

Of course, Ye Qingyu was not serious when she said this. She said something cruel like this because Xiao Tian dared to tease her after having sex.

Ye Qingyu’s words hurt Xiao Tian’s pride. None of his women had said anything like that before, so Xiao Tian could not accept it.

For this reason, he turned their bodies around.

His intention was clear.

He wanted to have sex with her again!

“Kya!” Ye Qingyu was startled when Xiao Tian suddenly turned their bodies. “Tian, what are you doing?”

Actually, she had guessed what he would do because she realized what she had just said.

‘Don’t tell me....’

Ye Qingyu was currently lying on his back with Xiao Tian between her legs and staring at her beautiful face.

Yes, Xiao Tian decided to have sex with Ye Qingyu again because he could not accept her words.

He wanted to make her compliment him like usual!

“Because you said something like that, then I will make you can’t think of anything other than my cock.” after saying that, Xiao Tian moved his waist again.

Previously, Ye Qingyu did not pull his cock out of her vagina, so Xiao Tian instantly moved his waist.

“Ah...” Xiao Tian’s room was filled with Ye Qingyu’s cries again.

Xiao Tian fucked her for about an hour before finally, he stopped because Ye Qingyu already had multiple orgasms and her body was weak.

Ye Qingyu, who was lying on Xiao Tian’s right side, uttered, “You are so cruel! How could you do something like this to your aunt? It seems like aunt won’t be able to walk properly tomorrow.”

Even though she said something like that, Ye Qingyu was pleased because Xiao Tian could satisfy her.

She even had multiple orgasms. She did not care even if she could not walk properly tomorrow because she could take the day off.

Xiao Tian was the owner of the company, and she was his aunt, so she could do whatever she wanted in the company.

“So, how is it? Am I as amazing as usual?” Xiao Tian was pleased when he saw her fascinating expression.

“Yes. You are as good as usual.” At first, Ye Qingyu wanted to say the opposite, but she was afraid that Xiao Tian would fuck her again if she said it.

Her body was frail, and she also felt sore down there, so in her view, it was enough for today.

“Hehe.” Xiao Tian smiled happily before finally kissing her forehead. “Let’s sleep now.”

“Alright.” Ye Qingyu agreed instantly.

Not long after that, they fell asleep.

### **Chapter 1252: Xiao Tian Goes to the Gui Cinema to Watch the Premiere of His Film**

The following morning, Xiao Tian went to the Gui Cinema to watch the premiere of his film with the actresses and actors of the film.

Of course, Xiao Tian used his Lamborghini car because his BMW was still being repaired. Seven of his film actors and actresses were already at the Gui Cinema.

Some of them were currently being interviewed by a few reporters while the others were chatting happily with each other.

Actually, all the reporters were waiting for Xiao Tian’s arrival because they knew that he would come to the Gui Cinema to watch the premiere of his film with the actresses and actors of the film.

Xiao Tian was the owner of the Star Film company and also the scriptwriter, so they had a few questions for him.

They decided to interview the actors and actresses first because Xiao Tian still had not arrived at the Gui Cinema,

\*Vroom...

The sound of Xiao Tian’s Lamborghini reverberated in the entire area.

Everyone instantly stopped what they were doing and turned their heads towards the source of the sound.

At this moment, they still did not know that it was Xiao Tian’s Lamborghini because he often used his BMW car.

After Xiao Tian parked his Lamborghini and got out of his car, they finally knew the owner of that Lamborghini.

Some of the reporters, who had finished interviewing the actors and actresses, rushed towards Xiao Tian.

Xiao Tian, who was walking towards the entrance, smiled softly. He was not surprised because he had guessed something like this would happen.

'With this, I will become more popular.'

Even though Xiao Tian was not in his company, he still wore a formal dress because it was the premiere of his film.

"Mr Xiao, your movie will be showing in many cinemas soon. How do you feel about this?"

"Mr Xiao, do you think your movie will be a hit later?"

"Mr Xiao, can you give us a little description about your movie?"

Several reporters asked questions at the same time.

Like before, Xiao Tian showed his charming smile and tried his best to answer all of their questions.

'Why do I feel like he is more popular than us?'

These were the words that came to the minds of actors and actresses.

After Xiao Tian answered all their questions, they entered the Gui Cinema to watch his movie.

The Ruler!

Yes, the title of his movie was The Ruler.

It was not written in Chinese, but it was written in English.

Like before, the reporters interviewed Xiao Tian, the actors, and actresses again after watching his movie.

They asked the actors and actresses how they felt when they saw their acting in the film. Their answers were varied, from satisfied, nervous, and others.

After all the reporters finished interviewing them, Xiao Tian looked at the actresses and actors before finally speaking, "Let's have a small party tonight."

The actors and actresses were pleasantly surprised by his words. Of course, they accepted it immediately because Xiao Tian was the owner of the company.

At this moment, one of the reporters walked toward Xiao Tian and inquired, "Mr Xiao, can we come to your party tonight?"

They could get more materials for their articles if they could come to Xiao Tian's party, so they would not let this opportunity slip by.

"Sure. But in exchange, you can only write nice things about us. Haha." Xiao Tian laughed after saying that.

"Sure." the reporter responded, "Consider it done."

Not long after that, they left.

---

Xiao Tian decided to have a small party in the open area because, with this, they could enjoy a beautiful night.

Of course, Xiao Tian did not buy food and drink because he had ordered his waitresses and waiters to bring food and drink from his restaurant to the party venue.

Xiao Tian was an intelligent person.

With this, not only could he keep the cost of the party down, but he could also promote his food because there would be several reporters at the party later.

At this moment, All the waitresses and waiters were preparing the food and drinks. They were people who worked at Star Restaurant.

“Amazing! This place becomes beautiful!” one of the actors who had just arrived stated.

Several round tables were neatly placed on the ground floor, and each table had six to eight chairs.

And what made it beautiful were the many lights scattered around the area.

Yes, the party venue was almost like a romantic place.

Of course, it was not a romantic place because Xiao Tian only wanted everyone to feel comfortable later.

One by one, the actresses and actors arrived at the party venue. All of them wore suitable outfits, and they looked attractive.

At this moment, Xi Ran was walking with Leng Nichang. Previously, Xi Ran had asked permission to take Leng Nichang to the party venue, and Xiao Tian agreed, so she came with Leng Nichang.

\*Vroom...

Xiao Tian parked his Lamborghini.

Xiao Tian did not come alone because he came with Liu Ning.

Liu Ning was the one who took care of his Star Film company, so he decided to take her with him.

“Mr. Xiao, Mrs Liu.”

“Mr. Xiao, Mrs Liu.”

“Mr. Xiao, Mrs Liu.”

One by one, everyone greeted Xiao Tian and Liu Ning.

Of course, they knew who Liu Ning was because she had visited the shooting locations a few times in the past.

When Xiao Tian was close to her, Leng Nichang uttered, “Mr Xiao, thank you for allowing me to come to your party.”

Xiao Tian stopped his footsteps and smiled, "Don't mind it. I hope you enjoy yourself later."

They chatted for a few seconds before finally, Xiao Tian talked with the other actresses and actors. Not long after that, the party started.

Xiao Tian, who was sitting on the chair, rose to his feet and raised his glass. "Our film has successfully launched today, so I want to thank you for your hard work. Let's have fun tonight. Cheers!"

"Cheers!" everyone raised their glasses.

Soon, a peal of happy laughter and chatter reverberated in the entire area. That night, all of them were happy.

### **Chapter 1253: Xiao Tian's Movie Did Well**

Xiao Tian's Mansion, Liu Ning's Room.

After having a party with the actors and actresses, Xiao Tian and Liu Ning went straight home.

He followed her to her room because he could not spend time with her at the party venue earlier. Of course, Liu Ning did not stop him; instead, she was pleased.

She even smiled softly when Xiao Tian followed her to her room because she also desired to lovey-dovey with him.

"Tian'er, what is your plan after this?" Liu Ning, who was lying on the bed next to Xiao Tian, inquired.

Of course, she knew what his dreams were. That was why she wanted to know what his next plan was.

"I want to build an herb garden and hospital." Xiao Tian gave an honest answer.

"Who will take care of the hospital later?" Liu Ning asked curiously.

"I will ask Jingxian to resign from her work and take care of the hospital later." Xiao Tian was joking around when he said this.

Sure, Long Jingxian was his lover, but he would not interfere with her work life. He would give her the freedom to decide what she wanted to do with her life.

"What if she refuses later?" Long Jingxian refused when Xiao Tian asked her to work in his company, so Liu Ning was unsure if Long Jingxian would accept it.

"Then I will spank her butt later." Xiao Tian said as he demonstrated it.

"Hehe." Liu Ning giggled.

"Let's talk about this again after I build it. Oh right. How about we go to Japan after I finish all my work?" they never went overseas, so Xiao Tian wanted to take them to Japan.

"Yes. Let's go to Japan." Liu Ning was pleased after hearing Xiao Tian's words because they had never been abroad together before.

"Good! Let's inform the others tomorrow morning." Xiao Tian responded, "Let's sleep now."

“Eh! You don’t want to have sex with me before sleeping?” Liu Ning was only teasing Xiao Tian when she said this.

Xiao Tian was taken back by her words. “Of course, I do. Let’s have sex now.”

“Kya! Tian’er, I was joking around. Hehe. Stop it! Hehe.” Liu Ning removed Xiao Tian’s hands from her clothes.

At this moment, she thought he wanted to take off her clothes, but she was wrong because Xiao Tian only put her on top of his body.

After wrapping his arms around her back, Xiao Tian uttered, “Good night, my Ning’er.”

To his surprise, Liu Ning suddenly gave him a peck on the lips before finally smiling, “Good night, Tian’er.”

Not long after that, they fell asleep.

—

The following morning, Xiao Tian told Shi Fei and the others that he would take them to Japan after he finished all of his work.

Like Liu Ning, they were pleasantly surprised after hearing his words. Of course, they agreed instantly.

They immediately went to the Star Group to work after having breakfast together. A few hours after Xiao Tian worked in his office, Liu Ning suddenly came to his office.

There was one reason why she suddenly came to his office.

Good news!

Yes, she had good news for Xiao Tian.

After entering Xiao Tian’s office and sitting on the couch, Liu Ning uttered, “Tian’er, I have good news for you.”

“What is it? Did you get pregnant?” all Xiao Tian did was work, so he did not know the news about his film.

“I would have been pregnant by now if you had told me to stop taking birth control pills.” Of course, Liu Ning knew that Xiao Tian was only joking around.

Xiao Tian then walked towards her and sat on her right side. “Hehe. Don’t worry. I will give you many children in the future.”

“I don’t want it.” Liu Ning refused instantly. “I only want two children. At most, three children.”

“Alright, alright, let’s have three children in the future. So what is the good news?” Xiao Tian asked curiously.

Liu Ning started to tell him that his film had sold many copies on the first day.

From the sales data on the first day, there was a high probability that his film would sell more than twenty million copies later.

Not only that, but the ending soundtrack of his movie ranked first in the Chinese Song Lists, overtaking Yun Xin Er's song.

The whole of China was currently in an uproar because of this. Even though they knew that all of Xiao Tian's songs were amazing, but this time, his song was astonishing and unique.

Like the title of the movie, the title of the ending soundtrack was also The Ruler. It was a classic song about a martial artist who dreamed of becoming the strongest in the world.

"I also love this song!" Liu Ning stated. "But why do I feel like this song is about you?"

"Because I'm the composer of the song." Xiao Tian knew that the lyric of the song was like his life.

At this moment, Xiao Tian's smartphone suddenly rang.

Xiao Tian and Liu Ning were startled!

"Who is it?" Liu Ning asked curiously.

"Oh, it's big sister Yun!" Xiao Tian wanted to know why Yun Xin Er suddenly called him.

'Is it because of my song?'

He suddenly suspected that Yun Xin Er wanted to complain to him because his song overtook her song and took first place.

"Hehe. It seems like she is angry at you because your song is ranked one." Liu Ning covered her mouth and giggled.

Xiao Tian put on the speaker mode so that Liu Ning could hear Yun Xin Er's voice too. "Hello, big sister Yun?"

And what Liu Ning had guessed was right because Yun Xin Er immediately grimaced. "Hmf! Little brother, I hate you!"

The corner of Xiao Tian's lips twitched. "Eh! What did I do?"

'As I thought, she is angry at me because my song is ranked first!'

He added in his mind.

"Hehe." Liu Ning kept giggling because what she had guessed was right.

"I'm angry at you. My song is in second place now because your song overtook mine." Of course, Yun Xin Er was not serious when she said she hated and was angry at Xiao Tian. "Oh, by the way, congratulations on the success of your film. I heard the premiere of your film went really well."

"Thank you, big sister Yun." Xiao Tian smiled happily.

"But I'm still angry at you." Yun Xin Er pretended to be angry again. "You have to do something for me today because your song has caused emotion damage to me."

“Miss Yun, you can hit him if you want.” Liu Ning spoke abruptly.

“Oh, Mrs Liu, you are with him?” Yun Xin Er was startled after hearing Liu Ning’s words. “Then can you hit him for me?”

“Sure. I will do that.” after saying that, Liu Ning hit Xiao Tian’s chest.

Of course, she did it gently because she did not want to injure Xiao Tian. Xiao Tian was her lover, so she did not want something bad to happen to him.

“Ning’er, please don’t hit me.” Xiao Tian protected his chest.

“Miss Yun, I have hit him.” Liu Ning told Yun Xin Er that she had hit Xiao Tian.

“Good!” even though Yun Xin Er could not see it, but she believed Liu Ning’s words. “Now pinch his cheeks hard for me.”

Before Liu Ning could pinch Xiao Tian’s cheeks, he immediately said, “Big sister Yun, please don’t ask my Ning’er to hurt me, or else I will punish you later.”

“Come and do it if you dare.” Instead of feeling afraid, Yun Xin Er challenged Xiao Tian to punish her.

“Then let’s meet at Rainbow Garden now so that I can punish you.” Xiao Tian wanted to meet Yun Xin Er at Rainbow Garden.

“Alright. Let’s meet at 04:00 pm because this big sister still has work now.” Yun Xin Er responded, “Mrs. Liu, you also come with him. Let’s bully him together later.”

“Sure.” Liu Ning accepted instantly.

“Oh, so you two want to gang up on me, huh? Sure. I’m not afraid.” Of course, Xiao Tian was not afraid because he was sure that they would not hurt him later.

“Don’t go back on your word.” after saying that, Yun Xin Er hung up the phone because she had to work.

Xiao Tian then turned his head to look at Liu Ning, “Ning’er, I need to punish you now because you joined hands with big sister earlier.”

“Kya!” Liu Ning let out a cute voice.

### **Chapter 1254: Happy Moment**

Inside a big and luxurious office, two young people were doing adult things.

The young man was sitting on the couch while the young woman was sitting on his lap, facing him.

The young man’s hands were locked around the young woman’s waist while the young woman’s hands were wrapped around the young man’s neck.

Deep kiss!

Yes, they were currently having a deep kiss in the young man’s luxurious and big office.

Even though the door was not locked, they were not worried and kept on having a passionate kiss.

The young man was the owner of the company, so no one dared to enter his office without knocking on the door except his women.

At this moment, both of them tilted their heads to the left and right as their tongues intertwined in the young woman's mouth.

Even though saliva dripped down from the corners of their mouths, both of them paid no attention to it.

They had lost themselves in their lust, so what they had in mind was only one thing.

Enjoy the pleasure of a deep kiss!

The young man and young woman kept moving their tongues lewdly as if they had just discovered the pleasure of a deep kiss.

These two young people were none other than Xiao Tian and his gorgeous lover, Liu Ning.

"Huft...Huft...Huft..." they stopped the kiss and stared at each other in the eyes.

"Do you love your punishment?" Xiao Tian inquired.

Liu Ning did not answer, but she nodded her head, giving a sign that she loved her punishment.

Xiao Tian immediately put her on the couch and rose to his feet. "Let's have lunch."

"Un." Liu Ning agreed instantly because she was also hungry.

After eating together, they returned to the company to work. They went to the Rainbow Garden at 04:00 pm because they had made a promise with Yun Xin Er to meet there.

They traveled to Rainbow Garden at 03:30 pm because it only took them twenty minutes to reach the Rainbow Garden.

Xiao Tian did not want to be late because Yun Xin Er would hit him later. Coincidentally, they arrived at the Rainbow Garden at the same time.

Yun Xin Er immediately walked towards Xiao Tian's car and spoke, "You are lucky not to be late."

Previously, she planned to hit his chest if he arrived at the Rainbow Garden after 04:00 pm.

The corner of Xiao Tian's lips twitched.

'She really planned to do something to me if I came late.'

Of course, Xiao Tian knew that Yun Xin Er would only hit his chest or pinch his cheeks.

Yun Xin Er then held Liu Ning's right hand. "Mrs Liu, let's go."

Liu Ning looked at Xiao Tian before finally walking with Yun Xin Er. She only giggled when Yun Xin Er wanted to leave him alone in the parking lot.

"Wait for me, ladies." Xiao Tian chased them before finally separating their hands and standing between them.

A happy smile appeared on his face after he held their hands. He was pleased because he could hold Yun Xin Er and Liu Ning's hands.

"Little brother, I'm still angry at you." Yun Xin Er tried to remove Xiao Tian's hands.

'Cute! I want him to keep doing this.'

She added in her mind.

Xiao Tian then stopped holding their hands and stood in front of Yun Xin Er.

"Then I will do this." after saying that, Xiao Tian put his hands on Yun Xin Er's butt before finally lifting her body.

Yes, he decided to carry her!

Yun Xin Er loved being carried by him, so he decided to carry her.

"What are you doing? Your lover is standing next to you, so why are you carrying me? You should carry her, not me." even though Yun Xin Er said something like this, she was pleased because she loved being carried by Xiao Tian.

Xiao Tian looked at Liu Ning before replying, "My Ning'er is not childish. She is an understanding person."

"What do you mean by that? Do you mean I'm childish? Hmf! This big sister is angry at you again!" Yun Xin Er turned her head to the other side.

Instead of answering her questions, Xiao Tian said something that made Yun Xin Er even angrier.

"Actually, I'm wondering on something. You two are of the same age, but why can't you act mature like my Ning'er?"

Yun Xin Er looked at Liu Ning before speaking, "Mrs Ning, your lover is a bad person! He doesn't understand a woman's heart. You should get angry at him because he dares to carry another woman in front of you."

"Hehe." Liu Ning giggled after seeing their behavior.

'They are cute!'

She added in her mind.

Liu Ning knew what kind of relationship they had. This was also not the first time she saw their cute behavior.

Yun Xin Er wrapped her arms around Xiao Tian's neck before finally speaking, "You are really a bad person, someone who always take advantage of the situation. Isn't that right, Mrs Liu?"

"Because you said so, then I will do a bad thing now." after saying that, Xiao Tian spanked Yun Xin Er's butts.

"Kya!" Yun Xin Er was startled when Xiao Tian suddenly spanked her butts. "Mrs Liu, your lover spanked my butts."

Like before, Liu Ning only giggled.

“Little brother, put me down or else I will bite your earlobes later.” after saying that, Yun Xin Er put Xiao Tian’s right earlobe into her mouth.

“Big sister, don’t do that!” at this moment, Xiao Tian was afraid that Yun Xin Er would really bite his earlobes.

She was a woman who often did what she said, so there was a possibility that she would really bite his earlobes. For this reason, Xiao Tian put her down.

“Mrs. Liu, let’s enjoy ourselves in this beautiful garden.” After saying that, Yun Xin Er grabbed Liu Ning’s right hand and ran towards the beautiful flowers in front of her.

“Hey, don’t take my lover away from me because I want to lovey-dovey with her.” actually, Xiao Tian wanted to carry Liu Ning after putting Yun Xin Er down, but he could not do that now because Yun Xin Er dragged Liu Ning to the flowers in the garden.

A soft smile spread across his face when Xiao Tian saw Liu Ning and Yun Xin Er playing with flowers happily.

He was pleased when Yun Xin Er and Liu Ning could laugh together like that. But what made him happiest was that he could spend time with them in a beautiful place.

“Little brother, come here.” Yun Xin Er called Xiao Tian to join them.

Xiao Tian joined them. They talked, joked and laughed together. Unlike usual, they did not rest in the resting building; instead, they went to the Shanghai River.

They spent forty minutes on the Shanghai River before finally having dinner at Star Hill.

‘It has been a long time since the last time I came to this place.’

Xiao Tian was currently sitting on a long wooden chair, looking at the beautiful night city with two gorgeous ladies.

Liu Ning was sitting on his right side while Yun Xin Er was on his other side. Like before, Xiao Tian held their hands.

It was a perfect time to lovey-dovey with them, so he did not let the opportunity slip away.

“Big sister Yun, I have something important to ask you.” Xiao Tian uttered.

### **Chapter 1255: Miracle Young Man**

“What is it?” Yun Xin Er asked curiously.

“Can you call Ning’er as sister Ning? I think it’s better to call her sister Ning than Mrs Ning. After all, you two are at the same age.” Liu Ning and Yun Xin Er had a close relationship now, so in his view, it was better to call each other as sisters.

“What is this? Do you want me to call her like how your women call each other?” Yun Xin Er replied as she giggled. “I will do all your requests once we become lovers, but not now. After all, we are only friends now.”

“Then let’s become a couple now?” even though Liu Ning was sitting next to them, Xiao Tian still said it without feeling afraid.

“Then let’s meet my mother after this.” Yun Xin Er challenged Xiao Tian to meet her mother.

“Then let’s stay as friends for now.” it was not like he was afraid of Yun Xin Er’s mother, but he had a complicated relationship with her mother because her mother found out his fake identity when he became her bodyguard.

“Hehe, coward!” Yun Xin Er made fun of Xiao Tian.

“Hey, I’m not a coward!” Xiao Tian defended himself. “You know I have complicated relationship with your mother, right? I’m not a coward.”

“Yes, I know. I know you have complicated relationship with my mother, Shi Hao. Hehe.” Yun Xin Er giggled after saying that.

The corner of Xiao Tian’s lips twitched.

Not long after that, they went home.

---

Time went by quickly, and without realizing it, it had been a week since Xiao Tian’s film, *The Ruler*, premiered in the cinemas.

His company made a lot of profit because his movie was a big hit. Not only that, but the soundtracks of the movie were also a big hit, especially the ending soundtrack.

Xiao Tian was thrilled.

He smiled from ear to ear because he was more famous now.

‘Haha. As expected of the great me, I’m indeed an amazing young man!’

He immediately walked out of his room and headed to the living room to spend time with his women.

After Xiao Tian was in front of his women, he stopped his footsteps and acted politely like a royal family member. “Ladies, how are you today?”

Lin Xing Xue and the others were stunned.

‘What’s wrong with him? Did he hit something on the head?’

They exchanged a glance with each other.

They did not know why Xiao Tian suddenly behaved weirdly like that. He was not from a royal family, so they did not know why he acted like that.

“Big brother, you are funny!” Mu Ai spoke abruptly.

“And weird too.” Shi Fei added.

Long Jingxian and the others nodded their heads, giving a sign that they agreed with Shi Fei and Mu Ai’s words.

Xiao Tian immediately sat on the couch and put Mu Ai on his lap. “Little Ai, how could you say something like that? You are so cruel.”

“But you did something funny just now.” Xiao Tian’s previous behavior was funny in Mu Ai’s eyes.

“Tian’er, a child always tells the truth.” Liu Ning added, “Your action was indeed funny earlier.”

“Hehe.” Long Jingxian giggled. “Little Ai, hurry up and kiss big brother’s cheeks. He is sad because of your words, you know?”

“Eh, really?” of course, Mu Ai still did not understand Xiao Tian’s feelings.

“Un.” Xiao Tian put on a sad face as he nodded his head.

“Mmmuch....” Mu Ai kissed Xiao Tian’s cheeks. “Don’t be sad again, big brother. Your previous behavior was not funny. I was only joking.”

“Little Ai is really the best!” After saying that, Xiao Tian kissed Mu Ai’s cheeks.

“You are really close to little Ai.” Su Ruanyi uttered, “It’s like a father and a daughter. Isn’t that right, sister Jingxian?”

“Yes.” of course, Long Jingxian loved it when she saw Xiao Tian and her daughter getting along like that.

“Now he only needs to think of a way to improve his relationship with little Yu.” Ye Qingyu knew that Xiao Tian still did not have a close relationship with Feng Yu.

Of course, she knew that he had been trying to deepen their relationship, but she also knew that all of his efforts were in vain.

When Xiao Tian looked at her, Feng Yu immediately said, “I’m not interested in something like that.”

Xiao Tian could only sigh after hearing her words. He was used to her cold behavior, so he wasn’t as sad as he used to be.

“Little Yu, you should start treating him nicely.” Lin Xing Xue really wanted Xiao Tian and her daughter to get along like his relationship with Mu Ai.

Feng Yu did not answer and only looked at Xiao Tian before finally returning her attention to the TV again.

Xiao Tian sighed again.

“Tian, you can do it!” Ye Xueyin cheered him up.

When all of them returned their attention to the TV again, they saw shocking news about Xiao Tian.

Chinese Magazine wrote an article about Xiao Tian!

Chinese Magazine was a magazine that discussed the wealthy and successful people in China.

It was one of the most popular magazines in China because it always wrote articles about rich and talented people.

Chinese magazine also had several teams that calculated people's wealth.

Rumor had it that people would know all the rich and talented people in China if they read all the Chinese Magazines.

And this time, they wrote an article about Xiao Tian!

They said Xiao Tian's net worth was now around 200,000,000 Yuan.

That meant Xiao Tian had managed to raise his family status again from a middle-class family to an upper-class family.

Two years and five months!

Xiao Tian was able to raise his family status from a lower-class family to an upper-class family in less than three years.

This kind of thing was very, very rare in Chinese history!

This was the reason why China Magazine wrote such a great title for Xiao Tian's article.

Miracle Young Man!

Yes, the title of his article was miracle young man.

They called Xiao Tian as miracle young man because he could achieve something almost impossible to achieve.

"Tian, that is news about you." Ye Xueyin's eyes shone brightly when she saw good news about Xiao Tian on TV.

He also caused an uproar when he managed to raise his family status from a lower-class family to a middle-class family.

At that time, he also got interviewed by one of the most famous magazines in China. Not only that but he was also invited by a famous TV Show.

She just didn't expect him to cause another uproar. Of course, she was pleased because Xiao Tian was one step closer to his dream now.

"Little brother, you are amazing!" Shi Fei stated.

"Student Xiao, I know you are a clever young man, but it seems like I still underestimate you." even though Su Ruanyi knew that Xiao Tian was an intelligent person, she was still shocked.

"Miracle Young Man? Wasn't that title too good for him? After all, he is only a pervert who always takes advantage of the situation." Even though Ye Qingyu said something like this, she was thrilled deep inside her.

“Aunt, you are so cruel to me!” Xiao Tian put on a sad face. “I’m indeed a miracle young man, you know?”

‘Un, un. That title is not bad! It fits me really well.’

He was satisfied with his new nickname.

“Why are you making a face like that? Did I say something wrong? That’s the truth, isn’t it?” like before, Ye Qingyu did not praise Xiao Tian.

“That’s right. Tian’er is indeed a pervert young man.” Liu Ning played along with Ye Qingyu’s joke.

Xiao Tian instantly turned his head to look at Liu Ning. “Ning’er, not you too.”

“Mmuch...” Mu Ai kissed Xiao Tian’s cheeks again. “Big brother, don’t be sad anymore.”

Xiao Tian immediately kissed Mu Ai’s hair. “As I thought, only little Ai can understand big brother’s feelings in this house.”

Lin Xing Xue and Long Jingxian giggled when they saw them.

At this moment, most people in China knew that there was one more person who had succeeded in raising his family status to an upper-class family.

Xiao Tian!

Yes, the name of the person who managed to raise his family status from a lower-class family to an upper-class family in less than three years was Xiao Tian.

From that day onwards, Xiao Tian got another nickname.

People started to call him a miracle young man.

[End of season two. Next season is the last season: the truth.]

## **Chapter 1256: Ye Family**

Red Flower Bar, Lan Ruoxi’s Bedroom.

‘Miracle young man?’

Lan Ruoxi, who was sitting on the bed and watching the news on TV, was startled.

‘As expected of young master Xiao, you always manage to surprise everyone with your actions or achievements.’

Lan Ruoxi’s lips curled up into a smile.

—

Crystal’s Apartment, Living Room.

“Look, Crystal! Isn’t he a perfect candidate to be your husband?” Yu Shi stated, “Not only is he talented in martial arts, but he is also a successful young man. It’s hard to find someone like him in this world.”

Crystal did not say anything and only paid attention to Xiao Tian. Actually, what Yu Shi said was right.

It was hard to find someone like Xiao Tian in this world because he was talented in martial arts and also a successful person.

He was even still twenty-one years old.

'You are amazing, Xiao Tian.'

A soft smile spread across her face.

---

Zhao Family, Zhao Sheng's Room.

"Damn! Xiao Tian is more famous than me now. If my family did not prevent me from being a successful businessman, I believe I would be the richest person in China by now." Zhao Sheng blamed his family for everything.

They always forced him to practice martial arts, causing him to be unable to take care of his company every day.

---

Chao Yang Sheng's House, His Bedroom.

'Mrs. Xiao is indeed an amazing person!'

Chao Yang Sheng was amazed by Xiao Tian's achievements.

Since they cooperated on several projects, his relationship with Xiao Tian was closer now. Not only that, but he also made a big profit from their projects.

That was why he always maintained their good relationship.

'Should we throw a small party later?'

He asked in his head.

---

Yun Xin Er's House, Her Bedroom.

Yun Xin Er was currently sitting on the bed alone. Her face blossomed into a smile after watching the news about Xiao Tian.

Happiness welled up inside her like a burst of fireworks.

Her mother gave Xiao Tian a condition to date her last year.

Her mother said Xiao Tian had to raise his family status to the mid-upper class family if he wanted her to accept their relationship.

Now that Xiao Tian had raised his family status to the low upper-class family, they were one step closer to being a couple.

'It seems like you kept your promise.'

Xiao Tian promised her something last year.

He said he would raise his family status to an upper-class family later. She just did not expect him to do it so quickly like that.

---

Yun House, Living Room.

Nalan Jiangge was currently in the living room with her husband. Like the others, they were shocked after watching the news about Xiao Tian.

Previously, they watched a movie. They accidentally watched the news about Xiao Tian when they changed the TV channel.

"Miracle young man?" Yun Wuya was startled by Xiao Tian's nickname.

Xiao Tian's nickname was so mighty as if he was the chosen one or the son of God.

At this moment, Nalan Jiangge did not say anything and kept watching the news. Of course, she still remembered her promise to Xiao Tian.

'I didn't expect him to raise his family status so quickly like that.'

She was shocked because Xiao Tian could quickly raise his family status to an upper-class family.

'Why it has to be you, Xiao Tian?'

Nalan Jiangge still could not forget the moment when Xiao Tian saved her life twice.

---

In the northern part of the Wanhui district, there was a famous city called Xuhui city.

This city was filled with tall buildings, restaurants, and hotels. This city was also a place where Ye Xueyin's family lived.

Ye Family!

Yes, this city was the residence of all members of the Ye family.

At this moment, six of the Ye family members were gathered in the family room.

The family room was quite large, with lots of traditional furniture decorating the room. Not only that but there were also four mountain paintings hanging on the wall.

Ye Hong, the head of the family, immediately called the members of the Ye family after watching the news about Xiao Tian.

He wanted to discuss Xiao Tian's achievements and take advantage of him!

At this moment, there were five people in the family room. Four of them were male, while the other was female.

“What do you think about it?” Ye Hang, an old man around sixty-six years old, spoke abruptly.

“Father, are you thinking of accepting them into the family again?” Ye Tong, a red-haired man who was around forty-five years old, uttered.

“Father, we kicked them out of our family a few years ago, so we would lose face if we asked them to come back now.” Ye Bao, a green-haired man who was around forty-four years old, spoke.

Ye Ruo Bing and Ye Houteng exchanged a glance with each other.

“Family head, I don’t want to admit it but his achievement is indeed amazing.” Ye Houteng, who was thirty-seven years old, said. “He is like his father, a genius in business.”

“Yes. Like father like son, a genius father would not give birth to a stupid child.” Ye Ruo Bing, a gorgeous woman in her mid-thirties, added.

Ye Houteng and Ye Ruo Bing did not call Ye Hang father because they were not his children.

The name of their father was Ye Yu, Ye Hang’s younger brother. However, their father and mother had passed away, so they could not attend the family meeting.

“Aish. He even managed to raise his family status from lower-class family to an upper-class family in less than three-years.” Ye Hang uttered, “If he agrees to return to our Ye family, our family would become an upper-class family again.”

Yes, Ye family was an upper-class family a few years ago.

Actually, they could become an upper-class family because Ye Xueyin married a member of the Xiao family.

The Xiao family helped them raise their family status from a middle-class family to an upper-class family.

However, they could not maintain their wealth and status, especially since Ye Xueyin and Xiao Tian’s father were divorced.

The Xiao family did not want to help them anymore because the head of the Xiao family was someone who disliked Xiao Tian’s father.

They saw Xiao Tian’s family as an eyesore. That was why they did not help the Ye family when they faced big trouble.

This was the main reason why the Ye family’s status went down from an upper-class family to a high middle-class family.

Of course, they tried to raise their family status again, but their wealth decreased and dwindled instead of rising.

Even though their family status was still at the high middle-class family, but it would go down to the mid middle-class family in a few months.

This was the reason why Ye Hang suddenly thought of asking Xiao Tian to return to the Ye family.

Of course, he still remembered that he was the one who kicked them out of the Ye family, but for the sake of the Ye family, they had to bring back Xiao Tian to the Ye family.

Xiao Tian was like a winning lottery in Ye Hang's eyes!

Everything was for the sake of the Ye family.

"I want to bring them back to the family." Ye Hang stated.

### **Chapter 1257: Going to Duzio Beach Again**

Ye Tong and the others exchanged a glance with each other.

"Father, you can't do that!" Ye Tong stated.

"Yes, father." Ye Bao added. "You kicked them out of our family a few years ago, so won't you lose face if you do that?"

Of course, Ye Tong and Ye Bao disagreed with their father's idea because, with this, their sons could not become the family head later.

They were afraid that Xiao Tian would snatch the position of the family head from their sons later.

As for Ye Houteng and Ye Ruo Bing, they let Ye Hang decide everything.

Ye Houteng could not have a child, while Ye Rou Bing's son, daughter and husband had passed away in a car incident three years ago.

"Tong, Bao, you should understand this." Ye Hang spoke and paused for a second before he continued, "Xiao Tian is our winning lottery, so we have to get him."

He began to tell them about the benefit if Xiao Tian returned to the Ye family.

First, the Ye family status would instantly rise to an upper-class family because Xiao Tian's family was an upper-class family now.

Last, they could save their business and get Xiao Tian's company. Ye family blood ran in Xiao Tian's body, so he should remember his ancestor.

Xiao Tian had the responsibility to help them and share his company with the Ye family members because he was also a part of the Ye family.

Ye Tong and Ye Bao could not disagree anymore because what their father said was true.

They needed Xiao Tian to raise their family status to an upper-class family!

"But will he agree to return to the Ye family?" Ye Rou Bing believed that Xiao Tian would refuse to return to Ye family because they did something cruel to them a few years ago.

They immediately expelled Xiao Tian and his family shortly after the Xiao family kicked them out of their family.

Ye Hang even said they were no longer part of the Ye family in the past.

“We will talk to his mother and aunt first.” Ye Hang uttered, “I’m sure he would agree if his mother and aunt decided to return to the Ye family.”

Yes, he was sure that Xiao Tian would follow his mother and aunt. That was why he suggested talking to Ye Xueyin and Ye Qingyu first.

“Ruo Bing, your relationship with them is better than our relationship with them, so can you meet and talk to them later?” Ye Hang was sure that Ye Xueyin and Ye Qingyu did not want to talk to him because he was the one who kicked them out of the Ye family.

Among all of the Ye family members, only Ye Ruo Bing had a good relationship with them. This was the reason why he asked Ye Ruo Bing to meet and talk with Ye Xueyin and Ye Qingyu.

Ye Tong, Ye Bao and Ye Houteng looked at Ye Ruo Bing, waiting for her reply.

“Alright. I will meet them tomorrow.” At first, she wanted to refuse because she was sure that Ye Qingyu and Ye Xueyin did not want to meet her.

Sure, she had a good relationship with them in the past, but she was sure that Ye Xueyin and Ye Qingyu hated her now.

Ye Ruo Bing did nothing and only watched them when Ye Hang kicked them out of the Ye family in the past.

Actually, she wanted to help them, but her father forbade it. They said they would also kick her out of the Ye family if she helped them.

She was still young at that time, so she wouldn’t be able to survive without the Ye family. This was the reason why she did not help them in the past.

“Good!” Ye Hang said happily. “Do anything if it’s necessary. I will reward you handsomely after Xiao Tian return to the Ye family.”

--

Xiao Tian, his women, Feng Yu and Mu Ai, were currently on the beach.

Duzio Beach!

Yes, they were currently on Duzio Beach.

They visited Duzio Beach once in the past. It was also the time when he had sex with Liu Ning on the beach for the first time.

At first, they wanted to visit Yonhan beach, but they changed their minds because there were many people on the Yonhan beach.

They wanted a quiet place for themselves, so they decided to go to Duzio Beach.

Sure, the view at Duzio Beach was not as beautiful as at Yonhan Beach, but it was still breathtaking.

Xiao Tian and the others were currently sitting on the mat under a big tree.

Previously, they played in the water for a few minutes, but they stopped immediately because it was time for lunch.

As usual, they talked, joked and laughed as they ate.

“Feng Yu, try this chicken wing. It’s delicious!” Of course, Xiao Tian tried to improve his relationship with Feng Yu.

Feng Yu looked at Xiao Tian for a few seconds before finally consuming the chicken wing.

Happiness danced through Xiao Tian’s thoughts.

‘She accepted it!’

Due to how happy he was, he felt like crying.

‘I can’t let this good opportunity slip away.’

With that idea in mind, Xiao Tian took another food.

“Feng Yu, try this too. This one too. And this one. Oh, this one is also delicious. I love this the most.” Xiao Tian put a lot of food on Feng Yu’s plate.

“Xiao Tian, stop it!” Xiao Tian did not realize that his actions irritated Feng Yu. “I’m still a kid. I can’t eat it all. How can you be so stupid like this? Didn’t they say you were smart and talented? You even got a nickname as miracle young man.”

Xiao Tian was so stupid when it came to children. Sometimes, she even wondered how he could get along with Mu Ai so well.

Xiao Tian immediately embraced Lin Xing Xue, who was sitting on his right side, “Little Xue, my future daughter is angry at me again. She even said I’m stupid.”

Previously, Xiao Tian’s heart was filled with happiness, but now it had changed. In short, Feng Yu brought him into the sky before finally dropping him to the earth.

“Don’t cry, don’t cry.” Lin Xing Xue tapped Xiao Tian’s back before stopping the hug. “How about you eat with me?”

“I love that idea!” Xiao Tian’s eyes shone happily again.

Feng Yu, who saw Xiao Tian, shook her head.

‘He is really a simple person.’

She said that because it was so easy to make Xiao Tian happy.

“Big brother, I want to eat with you too.” after saying that, Mu Ai slid from her mother’s lap and walked towards Xiao Tian.

She held a spoon in her right hand, ready to eat together with Xiao Tian and Lin Xing Xue.

Then Xiao Tian, Lin Xing Xue and Mu Ai ate on the same plate. This was not the first time they had done something like this, so they behaved normally.

They even laughed and joked as they ate. Of course, Xiao Tian also chatted with his other women.

They did not play in the water again after eating because the weather was hot. That was why they kept sitting under the tree.

### **Chapter 1258: What a Big Crab!**

Not long after that, the weather was no longer hot.

“Feng Yu, let’s play in the water again.” Xiao Tian wanted to play with Feng Yu because this could help him improve his relationship with her.

However, the Goddess of luck was not on his side because Feng Yu instantly refused.

“I want to spend time with my mother.” Feng Yu refused without caring about Xiao Tian’s feelings.

Xiao Tian put on a sad face again.

‘How can I improve our relationship if she always refuses to spend time with me?’

One of the reasons why they still did not have a close relationship was that Feng Yu always refused to spend time with him.

In her eyes, her mother was everything, so she always put her mother first.

Sure, she knew that Xiao Tian had good intentions, but she would rather spend time with her mother than with Xiao Tian.

After all, they rarely saw each other when she lived with her father. She wanted to make up for all the time she couldn’t spend with her mother.

Mu Ai immediately walked toward Xiao Tian and held his right hand. “Big brother, how about you play with me?”

Xiao Tian’s eyes shone happily again. “Yes. Let’s play in the water together.”

Without waiting for another second, they rushed towards the water. They immediately played with water while laughing happily.

At this moment, Liu Ning and the others were still sitting on the mat. As they talked happily, they also looked at Xiao Tian and Mu Ai.

“Hahaha.” They could hear the laughter of Xiao Tian and Mu Ai.

“They seem to be really enjoying themselves.” After saying that, Shi Fei rose to her feet and dashed towards them. “I want to join them.”

Even though she had played in the water earlier, she wanted to do it again after seeing Xiao Tian and Mu Ai.

“Haha.” Like before, Xiao Tian and Mu Ai laughed happily as they played in the water.

“Big brother, the waves are coming again.” Mu Ai said while pointing her right index finger towards the shore waves. “Run!”

Even though it was only a small shore wave, both Xiao Tian and Mu Ai ran away from it. Of course, the shore wave still hit their feet.

“Hahaha.” They laughed again when the wave hit their feet.

“Big brother, we are too slow.” Mu Ai stated. “The wave hit our feet again. Haha.”

“Haha.” Xiao Tian laughed. “The wave is too fast.”

At this moment, Shi Fei was still running towards Xiao Tian. “Little brother...”

Xiao Tian instantly turned around after hearing Shi Fei’s voice. To his surprise, Shi Fei jumped into his arms without giving a warning.

At the same time, a wave also hit Xiao Tian’s feet, causing him to lose his balance.

\*Briur...

Both Xiao Tian and Shi Fei fell to the water.

“Aunt Fei, you are a bad person! You made big brother fall to the water.” Of course, Mu Ai was not angry at Shi Fei.

Actually, she had a close relationship with Shi Fei because Shi Fei often gave her ice cream.

“Hehe. You should blame him because he is weak.” Shi Fei blamed Xiao Tian for everything.

“Little Ai, you are right. She is a bad lady!” after saying that, Xiao Tian rose to his feet. “Let’s splash water at her face.”

“Un.” Mu Ai nodded her head cutely before finally splashing water on Shi Fei’s face.

\*Splash...

Of course, Shi Fei fought back.

Xiao Tian held Mu Ai’s right hand before finally speaking, “Mu Ai, let’s run. We can’t beat her.”

Shi Fei immediately chased them. “Hey, don’t run!”

Mu Ai suddenly stopped running when she saw a big crab. “Big brother, there is a big crab.”

Like Mu Ai, Xiao Tian also stopped running. “Whoa, what a big crab!”

“I caught you.” after saying that, Shi Fei jumped into Xiao Tian’s back.

Xiao Tian grabbed Shi Fei’s thighs in reflex. He did this because he did not want her to fall to the sand.

“What are you doing?” Shi Fei did not know why Xiao Tian and Mu Ai suddenly stopped running.

Mu Ai pointed her right index finger at the big crab before replying, “There is a big crab!”

“Whoa, what a big crab!” Shi Fei was startled. “Look! There is another big crab over there.”

Xiao Tian and Mu Ai immediately looked in the direction Shi Fei was pointing at.

Mu Ai ran towards it. "Yes. There is another big crab."

Xiao Tian walked closer to the crab. As for Shi Fei, she did nothing because Xiao Tian was carrying her on his back.

"Big brother, let's play with water again." Mu Ai uttered.

"Un." Xiao Tian agreed instantly.

After they were satisfied playing in the water, they returned to where Long Jingxian and the others were.

Not long after that, they went home.

—

Xiao Tian's Mansion, Family Room.

Xiao Tian was currently in the family room with his women and Mu Ai.

"Where is Feng Yu?" he did not see Feng Yu in the family room, so he wanted to know where she was.

"She is in her room." Lin Xing Xue gave an honest answer.

"In her room? What is she doing?" Xiao Tian asked curiously.

"I don't know." Lin Xing Xue did not know what her daughter was doing in her room.

However, she suspected that her daughter was studying because she always spent her days studying.

Xiao Tian rose to his feet before finally walking towards Feng Yu's room. "I want to check her."

"Big brother, I'm coming along." Mu Ai said as she ran after him.

After they arrived at Feng Yi's room, Xiao Tian immediately knocked on the door. "Feng Yu, are you inside?"

"What is it?" Feng Yu replied from the opposite side of the door.

"Can I enter your room?" Xiao Tian inquired.

He did not enter her room as he pleased because he was afraid that she would get angry at him later.

Sure, Feng Yu lived in his house, but it was her room, not his.

"The door isn't locked." Feng Yu did not know why Xiao Tian suddenly wanted to enter her room.

Xiao Tian was startled after opening the door.

### **Chapter 1259: Inspiration TV Show**

\*Click...

Xiao Tian opened the door.

'Hmm?'

He was startled after opening the door.

After he and Mu Ai entered Feng Yu's room, they immediately sat on the edge of the bed.

"Feng Yu, I know studying is important, but you should not study all the time. You should enjoy your life too. After all, we only live once." Even though Xiao Tian loved it when Feng Yu studied, but he did not want her to study all the time.

She was still a kid, so she should enjoy her childhood life. After all, her childhood life only came once in her life.

"I need to study to become a successful person." Feng Yu told Xiao Tian the reason why she studied hard.

"Hey, your future father is rich, you know?" Xiao Tian praised himself. "You can depend on me later. Don't worry. I will keep my promise and give you the position of vice president in my company after you grow up."

Feng Yu was clever, so Xiao Tian would give her a high position in his company later. With how smart she was, he was sure that she could handle everything later.

Feng Yu did not reply and only stared at Xiao Tian before finally returning her attention to the book in front of her again.

"How about we watch a movie together now? I heard there was a good movie that just released. What was it again? If my memory isn't playing tricks on me, it's called a little angel and her friends." Even though it was a movie for a kid, Xiao Tian did not mind it.

After all, his main purpose was to improve his relationship with Feng Yu.

"I'm busy studying." As usual, Feng Yu refused without caring about Xiao Tian's feelings.

Xiao Tian sighed.

'Oh God, please help me.'

He almost gave up on improving his relationship with her because Feng Yu always behaved coldly toward him.

When Mu Ai saw Xiao Tian's expression, she immediately walked toward Feng Yu before finally grabbing the hem of Feng Yu's T-Shirt.

"Big sister Yu, let's watch that movie together." Mu Ai decided to help Xiao Tian.

Feng Yu sighed before replying, "I'm studying now."

"You can study again later. Let's watch that movie first, big sister Yu." Mu Ai put on a pleading face.

But even so, her pleading face was so cute, to the point Feng Yu could not refuse her wish.

Feng Yu then closed her book and responded, "Alright. Let's watch that movie now."

“Yay!” Mu Ai’s eyes shone happily before finally walking towards Xiao Tian. “Big brother, let’s watch that movie together.”

“Un.” Xiao Tian nodded his head happily.

‘Little Ai, you are indeed my little angel.’

He didn’t regret taking Mu Ai with him.

They watched a movie in Feng Yu’s room because there was a huge TV in her room, or more precisely, in front of her bed.

As usual, Mu Ai was sitting between Xiao Tian and Mu Ai. That night, Xiao Tian slept in Feng Yu’s room with Mu Ai and her.

---

The following morning, Xiao Tian went to the Blue Ice Lotus gang headquarters after having breakfast with his women.

He had a lot of money now, so he wanted to build herb garden in his gang base. He did this for two reasons.

First, there was a vast empty area in the backyard of his base. Not only that but there were still many empty areas around his base.

And the last, his underlings could protect the herb if he built it in the backyard of his base.

“All of you don’t need to practice martial arts today. I want you all to build herb garden in our base.” Xiao Tian ordered his underlings to build herb garden.

Xiao Tian took some of his subordinates to buy the herb. As for Xiao Tian’s other underlings, their task was to build a garden for herbs.

It took them two days to finish making the herb garden. After that, Xiao Tian ordered his underlings to take care of the herb in turn every day.

---

Star Group, Xiao Tian’s Office.

Xiao Tian was currently sitting on the office chair.

‘Wow! There are so many work! It seems like I’ll be going home tired today.’

There were piles of papers on Xiao Tian’s desk.

There were so many documents that required his approval or signature. For this reason, he could not spend time with his women and kept working in his office.

To his surprise, Lin Xing Xue suddenly entered his office.

“Tian, I have an invitation letter for you.” after saying that, Lin Xing Xue sat on the sofa. “Hehe. I can’t see your face. It seems like you will be very busy for a few days.”

Because of how high the piles of papers on Xiao Tian's desk were, Lin Xing Xue was unable to see Xiao Tian's face.

Xiao Tian immediately walked towards her before finally sitting on her right side. "Invitation letter?"

"Yes." Lin Xing Xue gave the invitation letter to Xiao Tian. "It's from Inspiration TV Show. They want you to give an inspirational speech at their Show."

Xiao Tian took the letter. Of course, he knew the Inspiration TV Show because he had seen it before.

Inspiration TV Show was a show where they invited successful people to give speeches to audiences at home or in the studio.

Successful people would tell them how to be like them. In short, they would give speeches about how to be a successful person.

Inspiration TV Show decided to invite Xiao Tian because he was a successful person.

He even managed to raise his family status from a lower-class family to an upper-class family in less than three years.

They were sure that they would get many viewers if they managed to invite Xiao Tian to their TV Show.

'1,000,000 Yuan for thirty minutes? The deal is not bad.'

Even though Xiao Tian was rich now, but he still checked the payment.

After all, money was money in his eyes. "Little Xue, what do you think about this invitation? Should I accept it or not?"

### **Chapter 1260: Meeting Ye Rou Bing**

Instead of answering Xiao Tian's question, Lin Xing Xue uttered, "Let me see the contents of the letter first."

She needed to see the contents of the letter before giving her answer. After all, it would be bad if she suggested something without knowing the letter's contents.

After reading the contents of the letter, Lin Xing Xue gave her opinion. "I think you should accept it because they only want you to give a motivational speech for twenty minutes. The event is still two days from now, so you still have time to prepare yourself."

"Alright. Then I will accept it." Because Lin Xing Xue said so, Xiao Tian decided to accept it.

"Eh, you accepted it because I said so?" Lin Xing Xue was startled.

"Of course, because my gorgeous lover told me to accept it." Xiao Tian gave an honest answer. "But you have to accompany me later. Deal?"

"Deal!" Lin Xing Xue replied as she smiled.

Xiao Tian rose to his feet and grabbed Lin Xing Xue's right hand. "Little Xue, how about we go on a date now?"

“But don’t you have a lot of work to do?” after saying that, Lin Xing Xue pointed her left index finger at the mountains of papers on Xiao Tian’s desk. “Look! You have piles of papers on your desk.”

“I know, but I need to refresh my mind, or else I won’t be able to work.” Xiao Tian made an excuse. “I will work again after that.”

“Promise?” Lin Xing Xue raised her right little finger.

“I promise.” Xiao Tian intertwined his right little finger with hers.

“Where do you want to go?” Lin Xing Xue asked curiously.

“Secret.” Xiao Tian winked his right eye.

—

Bamboo Restaurant, VIP Area.

Three women were sitting on the chairs in the VIP area of the Bamboo Restaurant. One of them had a complicated feeling while the others looked at her carefully.

These three women were none other than Ye Xueyin, Ye Qingyu, and Ye Rou Bing.

Previously, Ye Qingyu discussed business with Ye Xueyin in her office. As they talked seriously, something unexpected happened.

Ye Rou Bing suddenly called Ye Xueyin!

Ye Xueyin and Ye Qingyu were startled.

After all, Ye family members never contacted them since the Ye family kicked them out of their family.

But what surprised them most was that Ye Rou Bing suddenly wanted to meet them. At first, Ye Qingyu told her big sister to refuse Ye Rou Bing’s wish.

She was still angry at the Ye family members, so she did not want to meet any of them anymore.

However, Ye Xueyin had a different thought.

She agreed to meet Ye Rou Bing!

Previously, Ye Xueyin wanted to meet Ye Rou Bing alone because she knew that Ye Qingyu was still angry at the Ye family members.

Sure, she was also still furious at the Ye family, but she was willing to meet Ye Rou Bing because they had a good relationship in the past.

This was the reason why Ye Qingyu changed her mind.

She decided to tag along because she was worried that the Ye family would do something bad to her big sister.

“So why did you suddenly want to meet us?” Ye Qingyu put on an unfriendly face because she was still angry at Ye Rou Bing.

She was furious because Ye Ruo Bing did not try to help them when the Ye family kicked them out of their family.

Previously, they had a good relationship, but it was in the past. Ye Ruo Bing also stopped contacting them since the Ye family kicked them out of the Ye family.

That was why Ye Qingyu was curious as to why Ye Rou Bing suddenly wanted to meet her and her big sister.

“Qingyu, don’t treat her like that.” even though Ye Xueyin was disappointed with Ye Rou Bing’s actions, but she could understand Ye Ruo Bing’s position.

She was sure that the Ye family forbade Ye Rou Bing to help them because she knew that Ye Rou Bing had a close relationship with them and was kind.

“Big sis, you are too kind to her.” Ye Qingyu was different from Ye Xueyin. “I’m sure she wants something from us.”

Ye Rou Bing looked at Ye Qingyu before finally speaking, “Sister Qingyu, actu-“

Before Ye Rou Bing had finished her words, Ye Qingyu interrupted her. “Don’t call me, sister. I’m no longer your sister. Did you forget it?”

The Ye family had kicked them out of the Ye family, so Ye Qigyu no longer wanted to have anything to do with them.

After the Xiao family expelled them, the Ye family was their only place to stay.

They thought the Ye family would accept them again because the Ye family were their family, but they were wrong.

They were utterly wrong because the Ye family did the same thing; they also kicked them out of the Ye family.

This was the reason why Ye Qingyu was enraged. In her eyes, she was no longer from the Ye family or the Xiao family.

“Qingyu, stop it!” Ye Xueyin then returned her attention to Ye Rou Bing. “Rou Bing, why did you suddenly want to meet us? Did the Ye family members also do something to you?”

“No. They did not do anything to me, but....” Ye Rou Bing did not know how to start it.

“I’m sure she or the Ye family wants something from us.” Ye Qingyu was sure that they wanted something. “Otherwise, there is no way she suddenly wants to meet us. Isn’t that right?”

“Yes.” Ye Rou Bing gave an honest answer.

“As I thought, they wanted something from us!” Ye Qingyu said in annoyance. “What is the Ye family want from us?”

At this moment, Ye Xueyin was disappointed. Actually, she really hoped that the reason Ye Rou Bing wanted to meet them was that she wanted to know their condition.

However, she did not show her disappointment on her face and kept looking at Ye Rou Bing.

“Rou Bing, what did they want from us?” Ye Xueyin asked the same question.

After taking a deep breath, Ye Rou Bing replied, “They want you to return to the Ye family.”
