Chapter 1261: We Refused

"The head of the family wants you to return to the Ye family." Ye Rou Bing gave an honest answer.

The expression of deep shock blossomed on Ye Xueyin's face.

'They want us to return to the Ye family?!'

She found it hard to believe what she was hearing.

The head of the Ye family expelled them from the family a few years ago, but now he suddenly wanted them to return to the Ye family.

"We refused!" in Ye Qingyu's eyes, they were no longer part of the Ye family because they had kicked them out of the Ye family.

They expelled them from the Ye family when they faced a big problem. Because of this, their life was even more difficult in the past.

"I'm more certain they want something from us because they are like vampires who want to drink our blood." At this moment, Ye Qingyu realized something. "Wait! Could it be because of Tian? Did the Ye family want his company now?"

The news about Xiao Tian managed to raise his family status to an upper-class family spread on the TV, in newspapers, and internet, so many people knew about it.

Ye Qingyu was sure that the Ye family wanted Xiao Tian's company, or else there was no way the head of the Ye family suddenly wanted them to return to the Ye family.

After all, Xiao Tian's company net worth was 200,000,000 Yuan now. Xiao Tian was like a big gift now.

"Rou Bing, is that true?" Ye Xueyin wanted to know the reason why the head of the Ye family suddenly wanted them to return to the Ye family.

At this moment, Ye Rou Bing could not tell the truth because the head of the Ye family forbade her to do that.

Otherwise, Ye Xueyin and the others would refuse to return to the Ye family later.

"The head of the family said he made a big mistake in the past and wanted to strengthen our family ties." even though Ye Rou Bing did not want to lie, she had no choice but to do that.

"Lies! It's because of Tian's company, right?" of course, Ye Qingyu did not believe it because she knew the personality of the head of the Ye family.

He was someone who only thought about himself and money, so there was no way he wanted to mend family ties.

"Rou Bing, tell us the truth." Ye Xueyin also did not believe Ye Rou Bing's words. "Rou Bing, don't lie to us."

Ye Rou Bing was in a tight situation now.

Star Group, Xiao Tian's Bedroom.

"Ah...Ah...Ah..." Xiao Tian's bedroom was filled with Lin Xing Xue's cries.

After going on a date with Lin Xing Xue, they returned to his company. However, they only worked for about two hours before finally they stopped.

They were tired, so they stopped. Of course, they were tired because they had walked for several minutes earlier.

At first, they only took a break in his office, but Xiao Tian suddenly carried her to his room.

Although his actions had taken her by surprise, Lin Xing Xue only smiled and let him take her to his bedroom.

One thing led to another, and they ended up having sex in his room.

Actually, Xiao Tian had no intention of having sex with Lin Xing Xue, but he changed his mind when Lin Xing Xue suddenly unbuttoned the top three buttons of her white shirt before lying on the bed.

Even though Lin Xing Xue was already in her thirties and had a daughter, but she still had a perfect body.

This was the reason why her actions turned him on.

Lin Xing Xue had a pretty face, a nice body, and big breasts, so her actions made the flame of lust in his body suddenly lit up.

Xiao Tian also could see Lin Xing Xue's sexy black bra when she was lying on the bed because she had unbuttoned the top three buttons of her white shirt before lying on the bed earlier.

Lin Xing Xue was trying to seduce him!

These were the words that appeared in Xiao Tian's mind when he saw Lin Xing Xue lying on the bed.

This was the reason why Xiao Tian suddenly lay prone on top of her body.

He wanted her to take responsibility for awakening the wild beast inside him!

Even though Lin Xing Xue was startled by his actions, she did not push him away; instead, she smiled and wrapped her arms around his back.

Actually, she had suspected that something like this would happen. Xiao Tian suddenly carried her to his room, so she knew that he wanted to do one thing to her.

Sex!

Yes, she was sure that Xiao Tian wanted to have sex with her.

This was the reason why Lin Xing Xue did not push him away and only smiled when Xiao Tian suddenly lay prone on top of her.

She did not have sex with Xiao Tian for three days, and he also managed to make her happy earlier, so she did not mind having sex with him.

At first, they only had a normal kiss, but it only lasted for several seconds before the normal kiss turned into a passionate kiss where they moved their tongues lewdly.

“Ah...Ah...Ah...” Lin Xing Xue’s little mouth opened, letting out a seductive moan.

She was currently having sex with Xiao Tian in a lotus position.

Her soft hands were on Xiao Tian’s shoulders, and she tilted her head back, showing her slender and beautiful neck to him.

As for Xiao Tian, he paced his hands on Lin Xing Xue’s butt so that he could help her bounce her body continuously.

“Cumming...cumming... I’m cumming...” they had been having sex for more than twenty minutes, so they finally reached their limit.

‘I’m cumming....’

They had an orgasm at the same time.

Lin Xing Xue did not immediately take Xiao Tian’s cock out of her pussy; instead, she kissed him passionately.

Of course, Xiao Tian welcomed the kiss happily. He loved it because they did a deep kiss after having an orgasm at the same time.

After the long and hot kiss, they lay on the bed again. As usual, happy and satisfied smiles appeared on their faces.

“Thank you, my beautiful lover.” After saying that, Xiao Tian kissed Lin Xing Xue’s forehead.

“Why are you suddenly thanking me?” Lin Xing Xue inquired.

“Because you have satisfied me.” Xiao Tian gave an honest answer.

Lin Xing Xue smiled after hearing his words. “Do you want to go for another round?”

“Let’s do that later.” Xiao Tian responded, “I want to embrace you now.”

Lin Xing Xue immediately lay prone on top of Xiao Tian’s body after hearing his words. Not long after that, they fell asleep.

“Little brother, it’s time to go home. Let’s go home together.” Shi Fei said as she opened Xiao Tian’s office door. “Hmm? Where is he? Didn’t he say he’d be working all day today?”

Shi Fei thought Xiao Tian was in his office because he said he would be working for the whole day earlier, but she was wrong because she could not find him in his office.

‘Is he in his bedroom?’

Without waiting for another second, Shi Fei headed to Xiao Tian’s bedroom.

Chapter 1262: Shi Fei Is Lewd Lady

Shi Fei smiled after opening the door.

'Oh, so they had sex here just now. No wonder I could not find him in his office.'

She instantly closed the door.

Sure, the workplace of Xiao Tian's subordinates was on the lower floors, but she still closed the door because Xiao Tian and Lin Xing Xue were naked.

Yes, they were sleeping in their birthday suit!

They did not put on their clothes after having sex, so they were still naked.

Previously, Lin Xing Xue slept on top of Xiao Tian's body, but she slept on his right side now.

Shi Fei immediately walked towards the bed before finally standing next to them. "Little brother, Xue, it's time to go home."

Of course, Xiao Tian and Lin Xing Xue did not hear her because they were sleeping soundly.

"Hehe." Shi Fei covered her mouth and giggled when she caught sight of Xiao Tian's penis.

'His cock is as cute as ever.'

She crawled onto the bed before finally sitting between Xiao Tian's legs.

Like before, she kept paying attention to Xiao Tian's cock. However, she immediately shifted her gaze from Xiao Tian's cock to Lin Xing Xue's pussy not long after that.

'Little brother thrust his cock into this hole earlier.'

Shi Fei spread Lin Xing Xue's pussy using her right index and middle fingers.

'Did he cum inside her like usual?'

She spread Lin Xing Xue's pussy wider, checking whether Xiao Tian let out his sperm inside Lin Xing Xue's pussy or not.

She did not feel shy because she had seen Lin Xing Xue's pussy many times. She even had licked and sucked Lin Xing Xue's pussy before.

Of course, she did it when they had a threesome with Xiao Tian.

'It seems like he let out his sperm inside her earlier.'

She saw a trace of Xiao Tian's sperm in Lin Xing Xue's pussy.

Shi Fei then stopped what she was doing and returned her attention to Xiao Tian's cock again.

'I'm sure this bad boy is already satisfied now.'

She touched the tip of Xiao Tian's cock using her right index finger.

'Xue had tasted you earlier. Now let me taste you too. After all, I'm also your girlfriend.'

With that idea in mind, Shi Fei grabbed Xiao Tian's cock before finally putting it into her little mouth.

Sure, Xiao Tian was still sleeping, but she still did it because she was sure that he would not get angry at her.

Xiao Tian loved her the most and always let her do whatever she wanted, so she decided to suck his cock despite knowing that he was still sleeping.

Of course, Lin Xing Xue also did not know what she was doing because Lin Xing Xue was also sleeping soundly.

Even though Xiao Tian was still sleeping, but his cock was immediately erect not long after Shi Fei started sucking it as if his cock had its own mind.

*Slurp...Slurp...Slurp...

The sound of her sucking Xiao Tian's cock hungrily reverberated in his bedroom.

At this moment, Xiao Tian still did not know what was going on. He was still living in his dream.

*Fifteen seconds...thirty seconds...forty seconds...

It had been more than forty seconds since Shi Fei started giving a blowjob.

Like before, Xiao Tian was still sleeping. However, he woke up not long after that because Shi Fei sucked his cock aggressively.

The expression of deep shock blossomed on Xiao Tian's face when he saw what Shi Fei was doing.

".....what are you doing?" even though Xiao Tian knew the answer, he still asked it.

"Good evening, little brother." Shi Fei stopped sucking his cock and replied, "I'm giving you a blowjob right now."

She sucked Xiao Tian's cock again after answering his question.

"I know that, but why did you suddenly suck my cock?" Xiao Tian knew that he was naked, but he just did not expect her to do something like that.

Of course, he did not hate it; instead, he loved it because this was one of the things that men love the most.

"Because I want to taste your cock too." like before, Shi Fei sucked Xiao Tian's cock again after giving an honest answer.

At this moment, Lin Xing Xue woke up and sat up.

'Hmm?'

She widened her eyes when she saw what Shi Fei was doing.

Like Xiao Tian, she was also startled. However, she did not say anything and turned her head to look at Xiao Tian.

Even though Lin Xing Xue did not say anything, but Xiao Tian knew what she had in mind. "I just woke up too. I was also startled earlier."

Even though he said something like that, Xiao Tian did not stop her. He was still lying on the bed like before.

Yes, he let Shi Fei suck his cock!

Even though Shi Fei knew that Lin Xing Xue was already awake, she did not stop what she was doing.

There were a few reasons for this. First, Lin Xing Xue had seen her sucking and licking Xiao Tian's cock many times.

Second, Xiao Tian's cock was already erect, so he would feel uncomfortable if she suddenly stopped.

She was the one who started it first, so she wanted to take responsibility because it was her duty as his lover.

And last, Xiao Tian almost reached his limit, so there was no way she would stop what she was doing because she desired to taste his white sperm.

Lin Xing Xue returned her attention to Shi Fei.

'She really has become a lewd lady.'

She could not blame Shi Fei because she also thought that she had become a lewd lady like Shi Fei.

Since she became Xiao Tian's lover, she loved sex more than ever. There were even times when she had sex with Xiao Tian more than twice a day.

Of course, it was because Xiao Tian always managed to satisfy her. This was the main reason why she became a lewd lady.

Even though she had become a lewd lady, Lin Xing Xue did not mind it because Xiao Tian said he was fine with it.

No, he said he loved it because he was also a perverted young man.

A lewd woman was the perfect match for a pervert young man like him. Not only that, but she was also sure that Xiao Tian's other women were also like her.

Yes, they turned into lewd ladies after becoming Xiao Tian's girlfriends.

*Slurp...Slurp...Slurp...

Like before, lewd noises reverberated in Xiao Tian's room as Shi Fei sucked Xiao Tian's cock hungrily.

'Hm?'

When Shi Fei noticed that Xiao Tian was about to have an orgasm, she moved her head up and down faster and faster.

'Little brother is about to cum. He is about to cum.'

She was pleased because this was what she wanted.

'Let it out, little brother. Let it out so that I can drink it. I want to drink your sperm, little brother.'

She was focused on Xiao Tian's cock.

Xiao Tian, who was lying on the bed, lifted his waist slightly.

'I'm cumming....'

He let out his sperm in Shi Fei's mouth.

*Gulp...Gulp...Gulp...

Shi Fei showed her happy smile after drinking Xiao Tian's sperm.

She was thrilled because she got what she wanted. "I have got what I want. Let's go home."

Chapter 1263: Hell No

"I have got what I want. Let's go home." After saying that, Shi Fei got out of bed.

She had no intention of having sex with Xiao Tian. She only wanted to taste his cock and drink his sperm, so she stopped after getting what she wanted.

"Hehe." Lin Xing Xue giggled.

The corner of Xiao Tian's lips twitched after hearing Shi Fei's words.

When Shi Fei saw Xiao Tian still lying on the bed, she said again, "What are you doing? Hurry up and put on your clothes. I want to go home immediately because I'm hungry."

Lin Xing Xue turned her head towards Xiao Tian. "Let's go home."

After sighing, Xiao Tian replied, "Both of you are so cruel!"

"Hehe." Shi Fei and Lin Xing Xue giggled.

After putting on their clothes, they went straight home.

--

Xiao Tian's Mansion, Dining Room.

"Where is my mother? Why doesn't she eat with us?" Xiao Tian did not see his mother in the dining room, so he wanted to know where she was.

"She is in the backyard." Ye Qingyu gave an honest answer.

"In the backyard? Why didn't she eat with us then?" Xiao Tian wanted to know the reason why his mother did not eat with them because usually, she always suggested eating together.

At this moment, Ye Qingyu did not know whether she should tell the truth or not. Of course, she knew the reason why Ye Xueyin was in the backyard alone.

Ye family!

Yes, it was because of the Ye family.

Previously, Ye Rou Bing met them and told them that the head of the Ye family wanted them to return to the Ye family.

"I'm going to the backyard." Because his aunt did not want to answer his question, Xiao Tian was sure that his mother was facing a problem.

Long Jingxian looked at Ye Qingyu before finally asking, "Sister Qingyu, can you tell us what is going on? We want to know what has happened to sister Xueyin."

"It's like this...." Ye Qingyu began to tell everything.

Xiao Tian immediately walked towards his mother when he saw her sitting on the pool lounge chair. "Mother, what are you doing here?"

Ye Xueyin instantly turned her head towards the source of the sound. "Tian?"

After sitting on the pool lounge chair next to her, Xiao Tian asked again. "Did something happen?"

At this moment, Ye Xueyin wavered whether she should tell the truth or not.

'Should I tell him about it?'

That was the question that appeared in her mind.

Because Ye Xueyin did not answer his question, Xiao Tian uttered, "Mother, didn't you say we shouldn't hide anything from each other?"

Ye Xueyin gritted her teeth before replying. "It's about Ye family."

*Thump...

Xiao Tian's heart suddenly beat hard.

Now he finally knew the reason why his mother suddenly skipped dinner and sat in the backyard alone.

Ye family was her family, but the Ye family kicked them out of their family when he was still little.

Xiao Tian immediately sat on his mother's pool lounge chair before asking, "What did they do to you?"

"They did not do anything." Ye Xueyin shook her head. "I met Ye Rou Bing earlier and she said the head of the Ye family wanted us to return to the Ye family."

"They kicked us out of the Ye family when I was kid, and they wanted us to return to the Ye family now? I'm sure they only want something from us." Like Ye Qingyu, he also hated the Ye family.

Sure, he was not the real Xiao Tian, but his heart was filled with anger after hearing his mother's words.

With this, he knew that his predecessor hated the Ye family as much as he hated the Xiao family.

After all, the Ye family expelled them shortly after the Xiao family kicked them out of the Xiao family.

The Ye family expelled them from their family when they were facing a big problem and in difficult situations.

And now, the Ye family suddenly wanted them to return to the Ye family.

'Are you fucking kidding me?'

Xiao Tian wanted to laugh loudly.

This was the funniest joke he had ever had in his life. "Mother, you refused it, right?"

He did not want to go back to the Ye family or Xiao family because his predecessor hated them to the bone.

"Mother did not answer her question earlier." Ye Xueyin did not answer Ye Rou Bing's question because she also hated Ye family.

However, Ye family was her father's family. There was Ye family blood running in her body. This was the reason why she had complicated feelings.

"You made the right decision, mother." Even though it would be better if Ye Xueyin refused their wish immediately, Xiao Tian was already satisfied with her decision.

Of course, he knew the reason why she could not make up her mind.

She grew up in the Ye family, but they kicked her out of her family when she needed shelter, so she had complicated feelings when the Ye family suddenly wanted her to return to the Ye family.

In short, she hated and missed the Ye family at the same time!

There were memories of her childhood in the Ye family, including the memories of her late parents.

Xiao Tian held his mother's hands again. "Let's forget about the Ye family for now. How about we go to your room and watch a movie together?"

"Un." Ye Xueyin nodded her head.

Xiao Tian instantly carried his mother and walked toward her room.

Ye Xueyin's expression instantly changed. If she wore a complicated face before, her face was beaming in happiness now.

They immediately watched a movie after stepping into her room.

--

Ye Family House, Family Room.

Ye Hang called all the Ye family members this time. Like yesterday, he wanted to discuss how to make Ye Xueyin and the others return to the Ye family.

“Rou Bing, what was their answer?” Ye Hang wanted to know if Ye Xueyin agreed to return to the Ye family or not.

“Sister Xueyin did not answer my question.” Ye Rou Bing gave an honest answer.

Chapter 1264: Tch!

“What?!” Ye Hang was furious because Ye Xueyin’s behavior showed like she had forgotten where she was raised and who her ancestors were.

Sure, he made a big mistake in the past, but Ye Xueyin should not act like that and forgive him immediately. After all, he was the head of the Ye family.

“Did she say he would give you an answer later?” Ye Hang asked again.

“No.” Ye Rou Bing shook her head. “She came with sister Qingyu, so I could not force her to give an answer immediately.”

Ye Qingyu kept yelling at her earlier, causing her to be unable to force Ye Xueyin to answer her question.

“That Qingyu still hasn’t changed!” Ye Hang knew Ye Qingyu’s personality well.

She was a woman who was not afraid of anything. She even slapped his face when he kicked them out of the Ye family, saying he and the others were assholes.

“Go and meet Xueyin again.” After saying that, Ye Hang turned his head towards Ye Tong and Ye Bao. “You two also come with her. Remember, don’t use violence or else they won’t return to the Ye family later.”

“Understood.” Ye Bao and Ye Tong replied in unison.

—

The following morning, Xiao Tian went to Star Group after having breakfast with his women.

‘Damn it! I can’t calm my mind.’

He could not focus on his work because he kept thinking about his mother and Ye family.

‘Damn it!’

He had been trying to work for three hours, but his efforts were in vain.

Yes, he could not finish a single work since three hours ago!

At this moment, Zhao Sheng suddenly called him.

“What is it, Zhao Sheng?” Xiao Tian said after picking up the phone.

“Hey, what’s wrong with your tone? Come to the Red Flower Bar now. I will be waiting for you here.” After saying that, Zhao Sheng hung up the phone.

Xiao Tian was annoyed.

‘This asshole always does whatever he wants.’

He rose to his feet and went straight to the Red Flower Bar.

--

Red Flower Bar, VIP Room.

Xiao Tian was currently sitting on the couch with Zhao Sheng and Lan Ruoxi; Zhao Sheng was on his right side while Lan Ruoxi was on the opposite side of him.

“Xiao Tian, why are you wearing an expression like that?” Zhao Sheng inquired, “Did one of your girlfriends dump you?”

“It’s about the Ye family.” Xiao Tian gave an honest answer.

“Ye family?” Zhao Sheng said in surprise, “Do you mean your mother’s family?”

“Yes.” Xiao Tian nodded his head. “One of the Ye family members met my mother and aunt yesterday and she said the head of the Ye family wanted us to return to the Ye family now.”

“Hahaha.” Zhao Sheng laughed after hearing Xiao Tian’s words. “They want your money and company.”

“Why did you say something like that?” Xiao Tian inquired.

“Xiao Tian, let me tell you about the Ye family.” Zhao Sheng began to tell Xiao Tian about the Ye family’s situation.

In the past, the Ye family was quite famous because a member of the Ye family married a member of the Xiao family.

Their family status rose from mid middle-class family to the mid upper-class family like a rocket.

Of course, it was because of the Xiao family’s help. However, they could not maintain their family status or wealth after the Xiao family decided to stop helping them.

Their family status went down from the mid upper-class family to the high middle-class family like a falling stone. And now, their family status was on the verge of collapse again.

Rumor had it that their family status would drop to the mid middle-class family in a few months if they could not save their business.

There was one reason why they failed to maintain their family status or wealth.

It was because none of the Ye family members was talented in business, especially in the younger generation!

“Xiao Tian, you just raised your family status to an upper-class family, while the Ye family status keep decreasing. In their eyes, you are like a winning lottery. They would get a lot of money as long as they got you. That’s why they want you to return to the Ye family.” Zhao Sheng was sure about this.

What Zhao Sheng said made sense.

The Ye family suddenly wanted him to return to the Ye family right after many people knew that he had raised his family status to an upper-class family.

“Are you going to go back to the Ye family?” Lan Ruoxi inquired.

“Hell no!” Xiao Tian replied instantly. “I work my ass off to be where I am today, and they want to take my money? Over my dead body!”

“Damn right, my friend!” Zhao Sheng agreed with Xiao Tian’s words.

Just because Xiao Tian’s mother was from the Ye family didn’t mean they could take his money.

“So, what are you going to do now?” Lan Ruoxi asked curiously.

Ye Tong, Ye Bao and Ye Rou Bing were currently in front of Xiao Tian’s mansion.

They couldn’t enter Xiao Tian’s front yard because the high iron fence was locked. To their surprise, they didn’t see the security guard at his house.

They were envious and amazed by Xiao Tian’s mansion because their house was not as big and luxurious as his mansion.

Actually, they had a big house in the past, but they had sold it because they needed money.

“Sister, we came to visit you.” Ye Tong shouted.

“Sister, we came to visit you.” Ye Bao uttered.

They tried to call Ye Xueyin, but no one replied. Of course, they had tried to reach her, but she did not pick up the phone.

“There are CCTV cameras above the fence.” Ye Rou Bing pointed her right index finger at the CCTV camera. “Let’s try talking and standing in front of that CCTV camera.”

They did as she suggested, but still, no one answered.

Coincidentally, Ye Xueyin and Ye Qingyu arrived home.

“They again?!” Ye Qingyu, who drove her car, was unhappy when she saw Ye Tong and the others.

Of course, she knew what they wanted because Ye Rou Bing had told her about their intentions yesterday.

Ye Rou Bing and the others turned around when they heard a car’s sound from behind them.

‘Audi R8 Coupe?!’

They suddenly missed the luxury cars they sold three years ago.

Audi R8 Coupe was the car that Xiao Tian bought for his mother two years ago. The color of the vehicle was the same as Xiao Tian’s BMW car.

Grey!

Yes, the color of Ye Xueyin’s car was grey.

Ye Rou Bing walked towards the driver's seat before finally speaking, "Sister, we came to visit you."

Ye Qingyu lowered the car window before answering, "What are you doing here? You are not welcome in my house."

She was furious when she saw Ye Rou Bing, and she got angrier when she caught sight of Ye Bao and Ye Tong.

"Qingyu, don't say that to her!" even though Ye Xueyin could understand Ye Qingyu's feelings, but she disliked her younger sister's behavior.

"Tch! Come in." after saying that, Ye Qingyu opened the fence using the remote.

'I dislike this side of my big sis.'

She added in her mind.

Chapter 1265: Ye Family Members Come to Xiao Tian House

Xiao Tian was currently still in the VIP room with Zhao Sheng and Lan Ruoxi.

However, he immediately left when he remembered that he needed to prepare materials for his speech tomorrow.

At first, he wanted to look for materials in his office, but he changed his mind.

From his point of view, it was better to do that in his backyard because the scenery in his backyard was better than in his office.

He could also spend time and lovey-dovey with his women if he did that in his backyard. For this reason, he went straight home.

—

Xiao Tian's Mansion, Front Yard.

*Vroom...

The sound of Xiao Tian's Lamborghini car reverberated in the front yard.

After parking his vehicle, Xiao Tian entered his house.

He instantly stopped his footsteps when he saw a few guests in the living room. Of course, he still did not know who they were.

'Oh, we have guests?!'

It was rare for them to have guests like that, so Xiao Tian was startled.

*Silence...

When Xiao Tian entered his house, the living room dropped into a dead silence.

'Hm?'

Xiao Tian had no idea as to why they suddenly stopped talking.

Ye Tong, Ye Bao and Ye Rou Bing turned their heads towards Xiao Tian. Even though they did not want to admit it, but Xiao Tian had grown into an attractive young man.

Xiao Tian felt uneasy when he caught sight of his aunt.

‘Why is she putting a face like that?’

He wanted to know why his aunt put on a displeased face.

‘Did they do something to her or my mother?’

He returned his attention to the guests again.

Ye Tong rose to his feet and smiled, “Nephew Tian has grown into a fine young man. I still remember how adorable you were when you were little. Time sure went by quickly.”

He wore a friendly face as if they had a close relationship. Of course, he had to do this because they wanted his money and company.

They wanted Xiao Tian to help them out of the trouble they were in.

“That’s right. I did not expect that shy kid to grow up to be such a fine young man.” Like his brother, Ye Bao also praised Xiao Tian.

They needed to make Xiao Tian happy before finally asking him to return to the Ye family.

Xiao Tian was shocked again.

‘Nephew? Don’t tell me....’

At this moment, he suddenly had an idea who their guests were.

Ye family members!

He was even more certain that they were from the Ye family when he saw his aunt’s expression.

Even though Xiao Tian was furious, but he kept his anger in check.

Yes, he pressed down his anger!

In order to make sure that they were really members of the Ye family, Xiao Tian looked at his mother and aunt. “They are??”

“They are your uncles and aunt.” Ye Xueyin gave an honest answer.

“They are strangers who wants your money.” Ye Qingyu answered at the same time as Ye Xueyin.

She did not care about their feelings because their intention was indeed to steal Xiao Tian’s money.

She did not want Xiao Tian to be fooled by their fake expressions because they were like vampires, wanting to suck Xiao Tian’s blood away.

Ye Tong and Ye Bao were unhappy after hearing Ye Qingyu’s words, but they pressed down their anger.

'She is still as annoying as ever!'

Their father told them to always be patient in dealing with them because things would fall apart if they got angry at Ye Xueyin and the others.

Even though what Ye Qingyu said was right, but they had to hide it for now. They needed to show sincerity that they wanted Xiao Tian and the others to return to the Ye family.

"Ah, so they were the ones who kicked us out of the Ye family, huh? So, what brings you to my place?" Xiao Tian did not show respect to them.

Sure, they were his uncles and aunt, but they made his life more difficult in the past. No, they made his predecessor's life much more difficult in the past.

"Nephew Xiao, we came to your house because we wanted to rebuild our family bond from scratch again. We are from the same family so we shouldn't hate each other." Even though Xiao Tian showed him disrespect, Ye Bao still smiled.

"That's right." Ye Bao added, "The head of the family made a mistake a few years ago, so he wanted to make amends by asking you to return to the Ye family again. He wants to start over."

"Pfftt!" a peal of suppressed laughter burst out. Ye Qingyu found it funny after hearing their words. "What?! He wants to make amends and start over? Did I hear it right? Don't you mean that the Yang family wants Tian's money and company?"

"Sister Qingyu, why do you always think bad about us? We know that we made big mistakes in the past, but we want to make up for our mistakes now." like before, Ye Tong pressed down his anger. "We really want to start over."

'If your nephew wasn't rich, I would have slapped you in the face by now.'

He added in his mind.

"That's right." Ye Bao added. "We really don't have any bad intentions."

At this moment, Ye Rou Bing only stared at them. She did not say a single word since Xiao Tian arrived home.

"I'm tired of hearing your lies. Get out of my house or else I will call police now." Ye Qingyu did not want to hear their lies anymore, so she threatened to call the police.

Ye Bao and Ye Tong looked at Xiao Tian before finally shifting their gaze to Ye Qingyu. "Alright, alright. We will leave now."

Ye Rou Bing immediately stood up.

'As I thought, we would fail again.'

She knew that their efforts would be in vain because they had made a big mistake in the past.

Ye Bao and the others left in annoyance. They had no choice but to leave because it would be troublesome if the police were involved.

Xiao Tian was startled when they left without fighting back. Previously, he thought they would force them to return to the Ye family, but he was wrong.

However, he was sure that they would return again because Zhao Sheng said they really needed money.

“Let’s forget about them.” Xiao Tian uttered, “How about we go to the backyard and spend time together there?”

Ye Xueyin and Ye Qingyu agreed instantly.

Like what he had planned before, Xiao Tian wrote down what he should say in his speech tomorrow. Of course, he only wrote the important points.

“What are you doing?” Ye Qingyu, who was sitting on the pool lounge chair, asked curiously.

“I was invited by Inspiration TV Show, so I need to prepare materials for my speech tomorrow.” Xiao Tian gave an honest answer.

“I see.” Of course, Ye Qingyu knew about the Inspiration TV Show because it was a popular TV Show where successful people gave motivational speeches to the audiences.

“Tian, you are amazing!” Ye Xueyin praised her son.

“Of course!” Xiao Tian was pleased after hearing her mother’s words.

“Hehe.” Ye Xueyin and Ye Qingyu giggled.

Chapter 1266: Self-discipline

After Xiao Tian practiced giving a speech, he spent time with his mother and aunt in the backyard.

That night, he did not have sex with any of his women; instead, he practiced giving a speech again.

It would be his first time giving a motivational speech, so he did not want to make a single mistake.

He wanted to make a perfect motivational speech!

With this, more people would be amazed by his skills and achievements.

The following morning, Xiao Tian woke up earlier than usual. He took a warm bath before finally choosing the best clothes to wear.

After that, he went to the studio with Lin Xing Xue.

He saw a lot of audiences when he arrived at the studio. Not only that, but the viewer of the show also rose significantly.

Of course, the Inspiration TV Show crews were thrilled by this. Their hearts leaped up for joy because their efforts were not in vain.

Yes, they put a lot of advertisements on TV, internet, and banners because Xiao Tian had accepted their invitation.

Xiao Tian's popularity rose significantly when the Chinese Magazine stated he had raised his family status from a middle-class family to an upper-class family.

That was why they did not let the opportunity to make their show more famous slip away.

They were going to pay Xiao Tian dearly, so it was normal if they took advantage of his popularity to make their show more famous.

As usual, the host of the Inspiration TV Show could make the atmosphere lively.

Yes, she was an expert at creating the atmosphere!

Like the last time he was invited by a TV Show, Xiao Tian was warmly greeted by the audience when he entered the studio.

The studio was huge, with many audiences sitting in front of him. Even though they already knew his name, the host still asked him to introduce himself.

Xiao Tian rose from his seat and began to give a motivational speech after introducing himself. "Before I tell you about my experience in the business field, I want to ask you all one question."

The audience paid attention to Xiao Tian carefully.

"What is the main ingredient to be a successful person?" Xiao Tian threw a question to the audience.

"Never give up?" one of the audiences replied.

"Keep learning?" another audience said.

One by one, the audience started to respond to Xiao Tian's question.

They gave various replies. Even though all of their answers were right, but from his point of view, it was not the main ingredient to be a successful person.

"Anyone wants to try to answer again?" Xiao Tian inquired.

"Discipline?" a red-haired young man replied.

"Correct!" Xiao Tian responded, "The main ingredient to be a successful person is discipline. We need to have self-discipline if we want to be successful people."

A few audiences started to write down what Xiao Tian said because what he said was right.

Self-discipline was important!

Xiao Tian began to explain why they needed self-discipline if they wanted to be a successful person.

Without self-discipline, no one would be able to make use of time to the fullest. Without self-discipline, success was not possible, period.

People who did not have self-discipline would live their lives like flowing water. People who did not have self-discipline would always waste their time on unimportant things like social media.

They always said I would only open Facebook for five minutes, but two hours later, they were still playing Facebook.

They always said I would only watch YouTube for ten minutes, but three hours later, they were still watching YouTube.

“People who don’t have self-discipline always waste their time on unimportant things until they start whining and complaining about their lack of success.” Xiao Tian uttered, “whining and complaining about their lack of progress, whining and complaining about their life until finally, they start blaming the world for everything.”

Xiao Tian continued, “They blame the world for not giving them a chance. They blame the world for their failure. They don’t realize that they are the source of the problem.”

The audience could not take their eyes off Xiao Tian. His speech hit them hard. His speech was like an arrow hitting the target.

“Don’t blame the world for your failure. Don’t blame the world for your setback. Don’t blame the world for the lack of success you are achieving.” Xiao Tian uttered, “Change yourself! Don’t waste your time on unimportant things.”

At this moment, Xiao Tian’s women were watching him on the TV.

Previously, they walked out of their offices and headed to Xiao Tian’s bedroom because they wanted to watch his speech together.

“Tian’er is amazing!” Liu Ning stated.

“I did not expect that a pervert person like him could give a wonderful speech like this.” Ye Qingyu was startled after hearing Xiao Tian’s speech on the TV.

“Sister Qingyu, I never heard you praise him. Why don’t you ever compliment him? Didn’t he make great achievements?” Long Jingxian asked curiously.

“Because he would fly to the sky if I praised him.” Ye Qingyu gave the reason why she never praised Xiao Tian.

“That right.” Su Ruanyi and the others replied in unison.

At this moment, almost all of the audience in the studio wrote down what Xiao Tian said. They did not want to forget what Xiao Tian said because it was an important thing.

“Self-discipline!” Xiao Tian uttered, “You can become great leaders with self-discipline. You can become a successful businessman with self-discipline. You can achieve anything with self-discipline because self-discipline is the bridge between goals and accomplishment.”

Xiao Tian also said everything depended on them. Were they willing to sacrifice their time for their future?

Were they willing to study when others were hanging out with their friends? Were they willing to study when others were sleeping?

“All great people always have self-discipline.” Xiao Tian uttered, “They have self-discipline because they understand that self-discipline is about controlling their desires and impulses while staying focused on what needs to get done to achieve their goals.”

They were amazed. Now they finally knew why Xiao Tian could become a successful person at a young age.

They finally knew why Xiao Tian could become a successful person in a short amount of time.

They finally knew the reason why Xiao Tian could raise his family status from a lower-class family to an upper-class family in less than three years.

Self-discipline!

It was because Xiao Tian had self-discipline.

He kept everything on track. He used his time wisely. He knew when to work or when to hang out with friends.

Now they finally understood the reason why Chinese Magazine gave him a nickname as Miracle Young Man.

All the audience felt glad that they decided to come to the studio to hear Xiao Tian’s speech directly.

‘Now that I know his cheat to be a successful person, I will become a successful person like him in the future.’

These were the words that appeared in their minds.

Of course, they knew that self-discipline was challenging. Not everyone could do that, but they believed that they could do it.

If Xiao Tian could do it, then they could also do it because they were the same, human beings.

Because the time was up, Xiao Tian ended his speech. “You only have two options; suffer the pain of discipline or suffer the pain of regret. The choice is yours.”

Chapter 1267: Amazing

Xiao Tian ended his speech because the time was up.

Actually, most of the audience still desired to hear his motivational speech because they wanted to keep learning from Xiao Tian.

Xiao Tian’s speech was great, and he also proved himself to be a successful person.

However, they knew that they could not force him to keep giving a speech because they were not the ones who paid him.

Lin Xing Xue, who was watching from outside of the studio, was also amazed.

‘He is indeed a great man! I did not choose the wrong person.’

Xiao Tian was young, handsome, and successful, so she felt proud to be his girlfriend.

After he walked out of the studio, he immediately met his gorgeous lover, Lin Xing Xue. He could not take her with him earlier, so he wanted to bring her to a romantic place.

The payment had been transferred, so Xiao Tian no longer had business there. "Let's go."

"Un." Lin Xing Xue smiled softly when Xiao Tian held her right hand.

They immediately headed to the parking lot.

"My love, how about we go on a date now?" Xiao Tian inquired.

"Un." Lin Xing Xue agreed instantly because she also loved spending time with her young boyfriend.

To their surprise, a young girl's voice suddenly rang out.

"Bro Xiao..." her voice reverberated in the parking lot.

Xiao Tian and Lin Xing Xue turned around.

Xiao Tian was startled.

But what surprised him most was that he saw an old man who he had met in the forest a few days ago.

Xing Hanxian!

Yes, he saw Xing Hanxian.

And the person who had just called his name was Xing Hanxian's granddaughter, Xing Ranqing.

"What are you doing here, bro Xiao?" Xing Ranqing did not expect to meet Xiao Tian in the parking lot.

"I was invited by Inspiration TV Show and had just finished giving a speech." Xiao Tian gave an honest answer.

"Tian, they are?" Lin Xing Xue did not know who Xing Ranqing and Xing Hanxian were.

Of course, he had told her everything about what had happened in the forest. Lin Xing Xue also knew that Xing Hanxian helped Xiao Tian when they were in the forest.

However, she only knew the old man's name, not his appearance. That was why she did not know that the old man who helped Xiao Tian was right in front of her.

Xiao Tian began to tell her who they were.

"Hello, elder. I'm Lin Xing Xue, Tian's lover." Lin Xing Xue introduced herself. "Thank you for helping him."

"Don't mind it." After saying that, Xing Hanxian shifted his gaze to Xiao Tian. "You have a beautiful girlfriend."

"I agreed. My lover is indeed attractive." Xiao Tian praised Lin Xing Xue in front of Xing Hanxian and his granddaughter. "By the way, when did you leave the forest, elder?"

"Last week." Xing Hanxian gave an honest answer.

“He can no longer live without me. Hehe.” Xing Ranqing was pleased because she could live with her grandfather again. “Bro Xiao, come with us. We want to go to the nearest café now.”

“Let’s chat in the café.” Xing Hanxian added.

Xiao Tian did not answer immediately; instead, he looked at Lin Xing Xue. Previously, he wanted to take her to a romantic place, so he would let her decide it.

Even though Xiao Tian did not say anything, Lin Xing Xue knew what he had in mind. She immediately nodded her head, giving a sign that she accepted Xing Ranqing’s invitation.

“Alright.” Because Lin Xing Xue nodded her head, Xiao Tian accepted the invitation.

Without waiting for another second, they went to the nearest café. The café was huge with many chairs and wooden tables neatly arranged.

They also played relaxing music in the café. The music wasn’t loud, so it didn’t disturb the customer’s conversation.

Xiao Tian and the others headed to the empty seats after ordering some drinks. Not long after that, the waitress brought their orders.

“I saw the news about you yesterday.” Xing Hanxian spoke and paused for a second before he continued, “You got an interesting nickname there.”

“Oh, that nickname? I also did not expect them to give me such a nickname.” Of course, Xiao Tian knew the meaning of Xing Hanxian’s words.

“Your nickname is not bad, bro Xiao. Hmm? Maybe I should go to Chinese Magazine headquarters and ask them to give me a nickname too later.” Xing Ranqing was a little envious after finding out about Xiao Tian’s nickname.

Miracle Young Man!

His nickname was so cool, to the point she also wanted it.

Of course, she wanted to have it so that she could show off to her friends later.

“Even if you go to their headquarters, I’m sure they won’t give you a nickname because you don’t have any achievements. Wait!” Xing Hanxian corrected his words. “If you ask them to give you a nickname, I’m sure they will give you funny nicknames such as Tomboy Girl or Wild Girl.”

“I actually don’t mind it.” Xing Ranqing crossed her arms over her chest and nodded her head. “At least many people will know me later.”

“Aren’t you already popular? I’m sure many people already know you. After all, there is only one wild person in the Xing family.” Xing Hanxian teased his granddaughter.

“Grandpa!” Xing Ranqing hit her grandfather.

“Haha.” Xing Hanxian laughed.

Xiao Tian and Lin Xing Xue also laughed.

'It seems like they have a close relationship.'

These were the words that appeared in their minds.

Su Bar, VIP Room.

Inside the VIP room of Fu bar, two young men were sitting on the couch. One of them had black hair and blue eyes, while the other had brown hair and black eyes.

The name of the black-haired man was Ye Ming, while the brown-haired man's name was Ye Hedong.

Yes, both of them were members of the Ye family.

Ye Ming was Ye Tong's son while Ye Hedong was Ye Bao's son. Ye Ming was twenty-four years old, while Ye Hedong was twenty-two years old.

"Brother, what should we do now?" Ye Hedong inquired, "If Xiao Tian returns to our family, then he will take all the inheritance."

"You are right." Ye Ming also had the same thought as Ye Hedong. "We have to do something to secure our positions in the family."

"But what is it?" Ye Hedong did not have any idea how to secure their positions in the Ye family.

"We need to get a big investor!" Ye Ming had an excellent idea. "With this, we can save our family from the crisis. I'm sure everyone will praise us if we can get a big investor later."

"But isn't it hard to get a big investor?" Ye Hedong knew how hard it was to get an investor, especially a big investor.

"Don't worry. I have a good idea of how to get a big investor." Ye Ming responded, "Let's find information about the rich people and big investors in Shanghai after this."

"Why don't we do it now?" Ye Hedong inquired.

"Because we need to make our souls happy first." Ye Ming answered.

"What do you mean by that?" Ye Hedong did not get Ye Ming's words.

*Click...

At the same time, two gorgeous ladies entered the VIP room, and all of them wore sexy clothes.

After seeing these two gorgeous ladies, Ye Ming uttered, "This is what I meant."

Chapter 1268: Meeting Nalan Jiangge

Xiao Tian's Mansion, Family Room.

Su Ruanyi was currently watching a movie with Mu Ai. Both of them got along so well because they were neighbors before moving out to Xiao Tian's mansion.

"Hehe." Both of them laughed happily.

At this moment, Ye Qingyu entered the family room.

She had one intention.

She wanted to ask Su Ruanyi for help!

She desired to know what had happened to the Ye family.

Of course, she did not care about the Ye family. She just wanted to know why they suddenly wanted her to return to the Ye family.

She had been trying to find information about them on the internet, but she only found a little information.

Su Ruanyi was skilled in computers, so she was sure that Su Ruanyi could help her.

Ye Qingyu stopped her footsteps.

'It seems like I'm disturbing them.'

When she saw Mu Ai and Su Ruanyi enjoying themselves, Ye Qingyu suddenly felt like she would disturb their time.

'I will ask her for help later.'

Ye Qingyu turned around.

However, when she was about to head to her room, Su Ruanyi called her.

"Sister Qingyu, come here and watch a movie with us." Of course, Su Ruanyi still did not know Ye Qingyu's intention.

Ye Qingyu turned around again before finally nodding her head.

"Un." Ye Qingyu sat on Mu Ai's left side.

After the movie was over, Ye Qingyu told Su Ruanyi about her intention. Of course, Su Ruanyi accepted it instantly.

After taking her laptop and returning to the family room, Su Ruanyi began to look for information about the Ye family.

In the past, the Ye family had six businesses, but they only had one now. There were several reasons why five of their businesses were closed.

First, they could not compete with the newcomers. Second, they did not have good management.

Third, they often made wrong decisions. Forth, they could not adapt to the time. And there were still a few reasons why five of their businesses were closed.

They also always failed to get big investors. For these reasons, the Ye family was in crisis now because the Xiao family did not want to help them anymore.

“As I thought, they wanted Tian’s money and companies.” Ye Qingyu had suspected this because the Ye family wanted them to return to the Ye family after Xiao Tian managed to raise his family status to an upper-class family.

They never contacted them when Xiao Tian was not rich. This was the reason why Ye Qingyu was even more disgusted with them because what they had in mind was only one thing.

Money!

They did not care about family, they only cared about money.

“So, what are you going to do, sister Qingyu?” Su Ruanyi inquired, “I’m sure they will keep trying to take student Xiao’s money and company.”

“I won’t let them do that.” Xiao Tian was the one who worked hard, so Ye Qingyu would not let the Ye family take his companies.

‘But I’m worried about big sister. She is too soft to them.’

She was afraid that her big sister would agree to their wish later.

“It states that they only have one business now, Shijian Watch.” Su Ruanyi read the information about the Ye family. “And they are currently looking for big investors for their new project.”

The Ye family wanted to launch their water-resistant watch. The watch would stay alive in the water for thirty minutes.

They had everything ready. All they needed was only big investors. It could be said that this water-resistant watch would determine everything.

If it were successful in the market, the Ye family would be able to save their last business from bankruptcy, but they would lose everything if they failed.

“I really hope they won’t disturb us anymore because we can live happily without them.” Ye Qingyu stated.

—

Shijian Watch Company.

Inside a small office, two people were talking seriously. If anyone saw their expressions, they would know right away that they were facing a big problem.

These two people were none other than Ye Tong and Ye Bao.

“I failed to get big investor again.” Ye Bao stated.

“Me too.” Ye Tong uttered, “Mr Ju refused to invest in our company because he said our project was not good.”

“How dare he say such a thing?!” Ye Bao smoldered with resentment.

“Forget him. We must focus on finding big investors. We will show him that our project is amazing.” Even though Ye Tong was also furious, but he pressed down his anger.

“Should we go to the Xiao family and ask them for help?” of course, Ye Bao remembered what the head of the Xiao family said a few years ago.

However, they were in a crisis situation. If they failed to get big investors for the next five months, they had to close their last business.

“Have you forgotten what he told us a few years ago?” Ye Tong didn’t want to ask them for help because they would humiliate them again later.

Since the head of the Xiao family changed, the Ye family was an eyesore in their eyes.

They even never regarded the Ye family as part of their family because the Ye family did not deserve it.

“Of course, I still remember it.” Ye Bao responded, “But we are in a crisis situation. At least, we should try first.”

“Do it alone.” Ye Tong stated.

—

After Xiao Tian talked with Xing Renqing and her grandfather, he went on a date with Lin Xing Xue.

They went to many places, and as usual, he managed to make her happy. That night, he did not have sex with any of his women, he was only lovey-dovey with them.

The following morning, Xiao Tian went straight to Star Group to work after having breakfast with his women.

He worked hard because he had a lot of work.

“It’s already 02:30 pm.” Xiao Tian stretched out his arms.

He did not realize it was already 02:30 pm because he was focused on his work.

‘I will eat now.’

He decided to eat because he could not focus on his work if he was starving.

‘They are so cruel to me!’

Previously, he asked all of his women to have lunch with him, but they refused because they had eaten earlier.

They even told him to eat alone because they wanted to work again. For this reason, Xiao Tian headed to the parking lot with a sad face.

‘Where should I eat now?’

He was currently driving his Lamborghini.

Even though he had a restaurant, he did not want to eat there. Of course, it was not like the food and drink in his restaurant were bad.

He just did not know why he preferred to eat at another restaurant.

‘What should I eat?’

To his surprise, Xiao Tian suddenly saw Nalan Jiangge standing next to her car.

‘Eh? Isn’t she Nalan Jiangge? Looks like her car broke down.’

At this moment, Xiao Tian wavered whether he should help Nalan Jiangge or not.

He had never met Nalan Jiangge since he was discharged from the hospital. Xiao Tian did not know what to do because they still had complicated relationships.

He was afraid that he would annoy her if he offered help. However, he did not know why he suddenly stopped his car and walked toward her.

‘Xiao Tian, what are you doing?’

He shouted in his head.

Chapter 1269: Cloud Restaurant

Nalan Jiangge was about to meet her business partner. It was her important business partner, so she was annoyed when her car suddenly broke down.

Of course, she had tried to call her husband, but he was currently attending an important meeting, so he could not help her.

Yun Xin Er was also attending a live TV Show, and her assistant took a day off because her mother had an incident.

‘It would be bad if I’m late because we are about to discuss important project.’

Nalan Jiangge turned her head when a Lamborghini car suddenly stopped.

‘Why did that car stop?’

She still had no idea that Xiao Tian was the owner of the Lamborghini.

Nalan Jiangge was startled when she saw Xiao Tian getting out of his car.

‘Xiao Tian?’

She did not expect to meet him in that place.

Xiao Tian, who was walking towards Nalan Jiangge, kept asking in his head.

‘Oi, Xiao Tian. What are you doing? What if she yells at you like usual? What if she gets upset later? You still remember your relationship with her, right?’

The closer he was to Nalan Jiangge, the muddled his mind was.

Xiao Tian stopped his footsteps when he was in front of Nalan Jiangge.

*Silence...

They only looked at each other without saying a single word.

*One second...Two seconds...Three seconds...

After looking at each other for several seconds, Nalan Jiangge broke out of the silence. "Xiao Tian, what are you doing here?"

"It seems like your car broke down, so I want to offer some help. But I will leave immediately if you don't need my help." Xiao Tian felt awkward.

Nalan Jiangge was startled.

Sure, they had quite a good relationship when he pretended to be Yun Xin Er's bodyguard, but she had caused a lot of trouble for him.

She did not answer immediately and shifted her gaze from Xiao Tian to her car.

She had to meet her business partner immediately, so Xiao Tian's offer would solve her problem.

Xiao Tian felt even more awkward when Nalan Jiangge did not say a word and only looked at him.

'Damn it, Xiao Tian! You should have guessed it! She doesn't like you being close to her daughter, so your good intentions are useless. It seems like you are trying to win her heart to get her daughter.'

At this moment, he thought Nalan Jiangge would refuse his offer.

To his surprise, she walked towards his car.

'Hm?'

Xiao Tian was startled.

He did not know why Nalan Jiangge suddenly walked towards his car.

But what surprised him most was that Nalan Jiangge immediately opened the car door before finally getting into his car.

When Nalan Jiangge saw Xiao Tian did not move from his place, she immediately said, "Shi Hao, what are you doing there? Didn't you say you wanted to help me?"

Even though she had a complicated relationship with Xiao Tian, she accepted his offer because she needed it.

Xiao Tian tilted his head to the left.

'Shi Hao?'

He did not understand why Nalan Jiangge didn't call him by his real name.

Shi Hao was his fake name when he pretended to be Yun Xin Er's bodyguard. He never used it again after that.

He just did not expect her to call him using his fake name.

'Well, Shi Hao is also my name.'

He immediately got into his car.

"Where do you want to go?" Xiao Tian inquired.

"Cloud Restaurant." Nalan Jiangge responded, "I have appointment with my business partner at Cloud Restaurant."

"Alright." Even though Xiao Tian never went to Cloud Restaurant, but he knew where the Cloud Restaurant was.

Cloud Restaurant was like Autumn Restaurant. It was a restaurant for rich people because the price of food and drink at Cloud Restaurant was costly.

Of course, the price was commensurate with the luxury of the restaurant and the taste of the food.

After driving for about forty-five minutes, they finally arrived at Cloud Restaurant.

"We have arrived." Xiao Tian did not know how to address Nalan Jiangge.

When he pretended to be Yun Xin Er's bodyguard, he called her madam Nalan. However, he was Xiao Tian now, so he did not know how to call her.

Nalan Jiangge instantly got out of the car.

"Then I will leave now." Xiao Tian wanted to leave because he was hungry.

Sure, they were in front of the restaurant, but he did not want to eat there because he would feel awkward later.

When Xiao Tian was about to leave, Nalan Jiangge uttered, "Why do you want to leave immediately? Follow me. This is a good chance for you to expand your connection."

Even though Nalan Jiangge disliked Xiao Tian, but he was currently Shi Hao, not Xiao Tian. That was why she wanted to help him expand his connection.

Xiao Tian, no, Shi Hao had helped her, so she wanted to return the favor.

At first, Xiao Tian wanted to refuse, but he changed his mind because this was an excellent opportunity to get closer to Nalan Jiangge and get a connection with a rich person.

Then Xiao Tian and Nalan Jiangge headed to the VIP room. The VIP room was located on the highest floor, the third floor.

The VIP room was like the dining room of a mansion, huge and decorated with luxurious furniture.

There was a round table in the middle of the room with ten chairs surrounding it.

And as if the decorator wanted to make the room look even more luxurious, he placed a crystal led ceiling chandelier right above the table.

Not only that but there was also a red couch behind the round table as if the decorator prepared that sofa for customers who wanted to relax on the couch.

Of course, there were fancy lamps on each side of the sofa.

'This room is not bad.'

Xiao Tian nodded his head in satisfaction.

The VIP room was only for one family or group, so they could keep their privacy.

'Did she order in advance?'

Xiao Tian looked at Nalan Jiangge before returning his attention to the table again.

There was red wine and many kinds of food on the table. If anyone saw it, they would know immediately that these foods were very expensive.

Instead of sitting on the couch or chair, Xiao Tian walked towards the big window.

'I can see many buildings from here.'

He was sure the view would be better at night.

Unlike Xiao Tian, Nalan Jiangge sat on the couch. "Shi Hao, I heard you managed to raise your family status to an upper-class family. Tell me, how can you raise your family status so quickly like that?"

Xiao Tian turned around.

He showed his charming smile before finally replying, "I'm just lucky."

"Lucky, huh?" at this moment, Nalan Jiangge thought Xiao Tian did not want to tell her about it.

*Silence...

The VIP room turned into a dead silence.

Both Xiao Tian and Nalan Jiangge did not know what to say.

Of course, he wanted to break out of the silence, but he did not know what to say. He could not think anything whenever he was with Nalan Jiangge.

'Sigh. Maybe it's because our complicated relationship.'

Xiao Tian was still standing behind the window.

At this moment, Nalan Jiangge's business partner entered the VIP room.

'Hmm?'

Xiao Tian was startled when he saw Nalan Jiangge's business partner.

Chapter 1270: Brother, You Are Crazy!

*Click...

Two women entered the VIP room.

If anyone saw them, they would know right away that they were a pair of mother and daughter.

Xiao Tian was startled when he saw Nalan Jiangge's business partner.

'Xing Ranqing?'

He did not expect to meet her in the VIP room.

Of course, Xiao Tian knew the person next to Xing Ranqing was her mother because they had similar faces.

Sure, Xing Ranqing's mother had long brown hair, but everything was similar. She even had big breasts like Xing Ranqing.

She was so similar to Xing Ranqing, especially her beautiful red eyes, white skin, an oval face, and red lips.

But unlike her, her mother looked so mature and elegant. Even though she was already forty-five years old, but she still looked young.

Of course, Xiao Tian knew the reason why she still looked young. She was from a wealthy family, so he was sure that she took care of her body every day.

Like Xiao Tian, Xing Ranqing and her mother were startled when they saw him.

Xing Ranqing immediately walked towards Xiao Tian before finally tapping his shoulders, "Bro Xiao, I did not expect to meet you here. It seems like this meeting won't be as boring as usual."

Actually, she did not want to come to Cloud Restaurant, but her mother forced her to tag along.

"Oh! Aren't you the Miracle Young Man?" Xing Ranqing's mother put on a surprised face. "Mrs. Nalan, I did not expect you to bring him with you today."

Nalan Jiangge rose from the couch before replying, "My car broke down and we met on the road earlier, so he sent me to this place because my husband was busy."

"I see." Xing Ranqing's mother finally knew the reason why Xiao Tian was in the VIP room.

Nalan Jiangge then looked at Xiao Tian, "Shi Hao, she is Mrs. Xing An Yu, my friend and business partner."

"Shi Hao?" Xing An Yu did not understand why Nalan Jiangge called Xiao Tian as Shi Hao. "Why did she call you Shi Hao?"

She was sure he was Xiao Tian. Her daughter even called him bro Xiao just now.

"Well, it's a long story." Xiao Tian could not explain it because it was a long story.

Then Nalan Jiangge and Xing An Yu began to discuss their business.

Two young men were sitting on a wooden bench in a vast park.

Even though they were in the park, but they wore formal clothes. One of them wore a blue shirt while the other wore a white shirt.

These two young men were none other than Ye Ming and Ye Hedong.

“How is it, brother?” Ye Hedong inquired, “Who is our target?”

“I have decided it. Our target is this woman, Xing An Yu.” Ye Ming began to tell his brother the reason why he chose Xing An Yu as their target.

Xing An Yu was from an upper-class family, or more precisely, she was from the mid upper-class family.

Even though she was from mid upper-class family, many rumors were saying that the Xing family would raise their family status to a high upper-class family in less than a year.

Xing An Yu was someone who was rarely accompanied by a bodyguard, so she was an easier target for them.

As long as they carried out their plan carefully, he believed that his plan would not fail.

“When are we going to carry out our plan?” Ye Hedong inquired.

“This afternoon or tomorrow. We need to see the situation first.” Ye Ming responded, “But the sooner the better.”

“But are you sure you want to use this plan? Isn’t this plan dangerous for you?” Ye Hedong did not know why Ye Ming wanted to use a dangerous plan.

“This is a perfect plan.” Ye Ming stated.

“Well, it’s up to you then.” Ye Hedong uttered.

—

At this moment, Xiao Tian was talking with Xing Ranqing and her mother. He did not say anything when Nalan Jiangge discussed business with Xing An Yu earlier.

Not long after that, Yun Wuya arrived. He was surprised and happy at the same time when he saw Xiao Tian, especially after hearing the reason why he was in the VIP room.

After eating, they left.

At first, Xiao Tian wanted to go to his company, but he changed his mind after his mechanic informed him that his BMW had been repaired.

He was pleased. After doing the test drive, Xiao Tian was satisfied with the result and told them to send his BMW car to his house.

—

Somewhere on the road.

Xing An Yu was walking on the road alone. Xing Ranqing immediately went home after leaving the Cloud Restaurant.

Xing An Yu was currently holding a bag. Previously, she saw good shoes, so she decided to buy them.

*Vroom...

A blue motorcycle was speeding towards Xing An Yu from behind.

She did not know that a motorbike was about to hit her from behind. At that time, there were only a few people around her, and all of them were focused on what they were doing.

“Missus, watch out!” a young man rushed toward Xing An Yu.

He was wearing a formal dress and holding a document in his right hand.

Xing An Yu turned around. At this moment, she finally knew that a motorcycle was going to hit her.

“Aaa...” instead of avoiding the motorcycle, she screamed and shut her eyes.

Bang!

The young man pushed Xing An Yu.

Even though he managed to save her, but the motorcycle hit him, causing him to be thrown two meters from where he was.

*Oak...

Blood splashed out of the young man’s mouth before finally falling to the ground and falling unconscious.

The motorbike did not stop. The driver only looked at the young man for a second before finally he focused on the road again.

‘Brother, you are crazy!’

He did not expect his brother’s plan was so crazy like that.
