

Illicit 1291

Chapter 1291: Bad Intentions.

“Young master Feng, this is a good chance to make your family more famous.” Ye Ming stated.

“That’s right, young master Feng.” Ye Hedong added. “This is an excellent opportunity to do that.”

The young man, who was walking between Ye Ming and Ye Hedong, did not say anything and only stared at them.

He was Feng Jingwen from the Feng family. Feng family was quite famous in Shanghai because Feng family was from an upper-class family.

Feng Jingwen was twenty-two years old and had green hair and eyes. Even though he was not in the category of a handsome man, but his body emitted an elegant aura.

There were two reasons why Ye Ming and Ye Hedong came to the Xing family’s event.

First, they tried to please Feng Jingwen or have a close relationship with him. When Xing An Yu asked them to return her money, they were depressed.

They had no choice but to sell their shares to the Feng family.

Now the Feng family was the biggest shareholder in the Ye family Watch company because they also invested seventy million Yuan.

It could be said that the Ye family company was under the Feng family’s control now. This was the reason why Ye Ming and Ye Hedong became Feng Jingwen’s followers.

Second, Ye Ming and Ye Hedong hoped that they could get new connections at the Xing family’s events because there were many rich people there.

Actually, the Xing family did not invite Ye Ming and Ye Hedong. The Xing family only invited Feng Jingwen.

However, the invited guests could bring two people with them. That was why Feng Jingwen brought Ye Ming and Ye Hedong with him.

Of course, Ye Ming and Ye Hedong begged Feng Jingwen to bring them with him, or else he would have come alone.

“Welcome, brother Feng.” Xing Juzong welcomed Feng Jingwen.

“Brother Xing...” Feng Jingwen smiled softly at Xing Juzong.

“Hello, Mr. Xing.” Ye Ming and Ye Hedong behaved as if they were his friends because they had met Xing Juzong before.

Xing Juzong did not say anything and only glanced at them before finally returning his attention to Feng Jingwen.

He was still furious because Ye Ming dared to trick his mother. If they had not come with Feng Jingwen, he would have kicked them out of the villa by now.

From his point of view, letting them enter the villa was already kind enough. That was why he ignored them.

Ye Ming and Ye Hedong clenched their fists. They were enraged when Xing Juzong ignored them.

However, they suppressed their anger because the Xing family was the host of the event.

'Damn it!'

Ye Ming and Ye Hedong would take revenge if they had a good chance.

Like before, they followed Feng Jingwen again. The expression of deep shock blossomed on their faces when they caught sight of Xiao Tian.

'Xiao Tian?'

They were startled because they had no idea that the Xing family also invited Xiao Tian.

'Brother, it's cousin Xiao.'

Ye Ming and Ye Hedong communicated through their eyes.

'Let's teach him a lesson later. Let's humiliate him in front of everything.'

Ye Ming said through his eyes.

And as if Ye Hedong could understand Ye Ming's words, he nodded his head.

At this moment, Xiao Tian still did not notice them because he was chatting with Xing Renqing and the others happily.

Ye Ming, Ye Hedong, and Feng Jingwen sat not far from Xiao Tian.

"Isn't he your cousin? Why don't you greet him?" of course, Feng Jingwen knew the relationship between Xiao Tian and the Ye family members.

"Hmf! He is unfilial cousin. We don't want to greet him." Ye Ming and Ye Hedong replied in unison.

They were furious because Xiao Tian still did not want to return to the Ye family. Because of this, their last company fell under the Feng family's control.

"Unfilial cousin? Why did you call him like that?" even though Feng Jingwen already knew the answer, he still asked that question.

"Because he did not want to help us." Ye Hedong told Feng Jingwen why he called Xiao Tian an unfilial cousin.

Feng Jingwen's lips curled into a grin. "Maybe I should thank him. After all, my family could become the biggest shareholder in your company because he did not want to help the Ye family."

He did not care about Ye Ming and Ye Hedong's feelings when he said it. In his eyes, they were only his followers, so he did not need to care about their feelings.

Even though Feng Jingwen's words were cruel, Ye Ming and Ye Hedong did not show any displeased expressions.

After all, Shijian Watch Company, or the Ye family's last company, was under the Feng family's control now.

At this moment, Feng Jingwen asked something shocking, "Do you want me to humiliate him later?"

Ye Ming and Ye Hedong exchanged a glance with each other.

'What?!'

They were startled by his words.

"Yes. Please humiliate him in front of everything." They said in unison.

Even though they had no idea why Feng Jingwen suddenly wanted to help them, they did not care about it and instantly accepted it.

Xiao Tian was their unfilial cousin. No, Xiao Tian was their enemy, so they wanted to see him get humiliated in front of everyone.

Xiao Tian had destroyed their plan before, causing Xing An Yu to take back her investment.

Feng Jingwen rose from his chair before finally speaking, "Follow me."

Without waiting for another second, Ye Ming and Ye Hedong followed him. They were curious about his plan to humiliate Xiao Tian.

Ten minutes later, Xiao Tian looked at Liang Jun, giving him a sign to follow him.

"Excuse me, I have to go to the toilet now." After saying that, Xiao Tian headed to the washroom.

Even though Xiao Tian did not say anything, but Liang Jun could understand it. For this reason, he immediately headed to the restroom.

Xiao Tian and Liang Jun entered the toilet and washed their hands.

"Remember, I'm your business partner, not your boss." Xiao Tian, who washed his hands, said in a small voice. "But you have to support me if I need something."

"Understood." Liang Jun, who also washed his hands, responded.

"I also want you to expand our connection. There are many rich and influential people in this villa, so don't let the opportunity to get more connection slip away." Xiao Tian could not help Liang Jun expand their connection because he was Xiao Tian now, not Qing Feng. "Oh, and establish good relationship with the Xing family."

Xing Hanxian was his savior, and he also had a good relationship with Xing Renqing and Xing Juzong, so he wanted the Xing family to have a good relationship with the Eternal Beauty company.

"I will introduce you to them later." Xiao Tian believed it would be best if he introduced Liang Jun to the Xing family members in person.

He had a good relationship with the Xing family members, so it could help Liang Jun establish a good relationship with the Xing family faster.

"Understood." Liang Jun responded.

Five minutes after Liang Jun left, Xiao Tian walked out of the restroom. He did this to avoid suspicion.

As Xiao Tian was on his way to his chair, something unexpected happened to him.

Chapter 1292: Someone Had Replaced Xiao Tian's Wallet

As Xiao Tian was on his way to his chair, something unexpected happened.

A young man about twenty-one years old suddenly bumped into him!

Not only that, but a young woman, who walked behind that young man, also bumped into them, causing the three of them to fall to the floor.

After apologizing, they headed to the toilet.

Xiao Tian did not realize that his wallet had been replaced with another wallet. Like before, he talked with Xing Renqing and the others after returning to his seat.

He could not introduce Liang Jun to them immediately because it was not the right time to do that.

Xing Juzong started the banquet when all the guests arrived at the villa. As usual, he could give a great opening speech.

The banquet went smoothly without a problem. When it was a break time, Xiao Tian introduced Liang Jun to Xing Renqing and the others.

Everything went well for Xiao Tian and Xing Juzong.

Not long after that, the banquet resumed. The feast finally reached the main event, a humanitarian event.

"Everyone, we have reached the main event now." Xing Juzong spoke and paused for a second before he continued, "There is one reason why my family decided to hold this event."

Xing Juzong told the guests the reason why his family decided to hold a humanitarian event. Even though there were many rich people in China, but there were also many orphans.

They decided to hold a humanitarian event because they wanted to help the orphans. They wanted the orphans to have a bright future.

They wanted to build orphanages and schools for them. With this, they could go to school for free and have a bright future.

"The Xing family invites you all to donate a little money to help the orphans." Xing Juzong uttered, "Let's create a better future for them. Let's create a bright future for China."

All the guests were moved when they listened to Xing Juzong's speech. What he said was right.

All the orphans had miserable life. They had no parents. They had no brother or sister. They could not experience what normal people experienced.

They could not feel the warmth of parental love. They could not laugh with their parents. They could not joke with their parents.

They had lost the most beautiful thing in the world; parental love. It could be said that they had lost more than half of the happiness in the world.

All of this was because of one thing.

Their parents had passed away!

Their parents had left them. Their parents could not help them, and their parents also could not protect them anymore.

The Xing family could hear their cries. The Xing family could feel their sadness, and the Xing family could see their longing for parental love.

These were the reasons why the Xing family wanted to help them. The Xing family desired to make them happy, and the Xing family wanted to create a better future for them.

"Everyone, let's make them happy and create a better future for them." Xing Juzong repeated his words.

Not long after that, a beautiful woman walked to each table carrying a small circular machine.

That small circular machine was a payment method created by the Xing family. This payment machine was popular in China.

They only needed to put their credit cards on the machine for two seconds.

After that, the machine would identify their credit cards and scan their faces using infrared to get the ID.

If they were not the owner of the credit card, the process could not continue.

If the criteria were met, they could send money by telling the machine the amount of money they would send.

One by one, all the guests started donating their money. At least they donated five hundred Yuan.

At this moment, Xiao Tian realized something.

The wallet in his pocket was not his!

Not only that but the wallet was only filled with small papers.

'Who did this?'

He believed someone had replaced his wallet because he had checked everything before going to Green Villa.

It would ruin his reputation if he did not donate because everyone did it.

'Damn it!'

At this moment, Xiao Tian remembered something.

'Don't tell me....'

Two people bumped into him after walking out of the washroom earlier.

Xiao Tian clenched his fist.

There were seventy people in the villa, and all of them were either rich or influential people.

The consequence would be fatal if he did not donate. Not only that but his friendship with the Xing family could be ruined too.

When Xing Renqing saw Xiao Tian's expression, she inquired, "Bro, what's wrong?"

"Someone replaced my wallet." Xiao Tian gave an honest answer.

"What? How could such a thing happen?" Xing Renqing asked in surprise.

"I'm sure it was one of them, or maybe it was both of them." Xiao Tian told her that two people had bumped into him earlier.

"What's wrong, Xiao Tian?" Zhao Sheng asked curiously.

Xiao Tian told Zhao Sheng that someone had replaced his wallet.

Zhao Sheng and the others were shocked after hearing his words. They could not help them because the Xing family did not accept cash.

Xiao Tian clenched his fist.

"Don't worry, Xiao Tian. I will order my subordinates to investigate it." Xing Hanxian spoke and paused for a second before he continued, "Don't worry. No one can leave this place without our permission."

There were twenty of the Xing family's subordinates in the Green villa. Six of them started to investigate it immediately.

At this moment, one of the Xing family's subordinates walked toward Xing Juzong.

"Young master, someone replaced Mr. Xiao's wallet." The subordinate whispered, "His wallet had been replaced with a wallet filled with small papers."

"Investigate it immediately and don't let anyone leave this villa without my permission." Xing Juzong was unhappy because someone dared to cause trouble in his place.

He had the intention of establishing a good relationship with Xiao Tian, so he ordered his subordinates to investigate it immediately.

His father told him that Xiao Tian would become an influential person in the future. Not only that, but Xiao Tian also had a close relationship with Zhao Sheng and Lan Ruoxi.

However, he could not help Xiao Tian directly because he was the host of the event.

At this moment, Ye Ming and Ye Hedong smirked. They knew that Xiao Tian was facing a problem based on his expression.

'Young master Feng's plan went smoothly.'

Of course, they knew Feng Jingwen was the mastermind of everything.

"Xiao Tian, we can't help you because the Xing family doesn't accept cash." Zhao Sheng stated.

Xiao Tian then turned his head to look at Liang Jun.

'I need your help.'

He did not say anything and only looked at Liang Jun.

Even though Xiao Tian did not say anything, Liang Jun knew about it.

'It seems like someone is causing a trouble for him again.'

Liang Jun nodded his head.

Luckily, Xiao Tian was smart, so he could find a way to solve his problem. Of course, he knew that many people would oppose his idea, but he did not care about it.

The most important thing in this event was only one thing.

Donation!

As long as he donated money, any method was fine.

At this moment, the gorgeous lady, who was holding the payment machine, finally stood in front of him.

Chapter 1293: Hahaha

Ye Ming and Ye Hedong smirked when they saw Xiao Tian's expression.

'This is the price for your arrogance.'

They almost laughed when they imagined everything was laughing at Xiao Tian.

'Young master Feng's idea is indeed great.'

They praised Feng Jingwen.

"Mr. Xiao, please put your credit card on this machine." The gorgeous lady knew his name because she had remembered all of the names of the guests.

Because Xiao Tian lost his wallet, he could not put his credit card on the machine.

After all, his credit card was in his wallet. "Lady, can I use a different method?"

"I'm sorry, Mr Xiao. We don't accept cash." The lady thought Xiao Tian wanted to donate using cash.

“Oh, isn’t this our cousin Xiao?” Ye Ming tried to get everyone’s attention because he wanted to humiliate Xiao Tian in front of everyone.

“You are right, brother. It’s our cousin.” Ye Hedong added. “Hmm? Cousin Xiao, why don’t you put your credit card on the payment machine? You will donate, right? After all, you are so rich now.”

Actually, no one paid attention to Xiao Tian earlier, but everything changed after their words reverberated in the hall.

They spoke loudly on purpose because they wanted everyone to pay attention to Xiao Tian.

One by one, all the guests turned their heads towards Xiao Tian. He was famous now, so they wanted to know what was going on.

“What’s going on?”

“I don’t know?”

“Why are these two people talking so loudly? Do they think this is a forest?”

“My ears hurt because of them. Damn!”

Some of them wanted to know why Ye Ming and Ye Hedong suddenly talked loudly like that.

Xiao Tian turned his head towards Ye Ming and Ye Hedong.

‘The bastards from the Ye family?!’

Previously, he was busy chatting with Xing Renqing and the others, so he did not notice them.

“Damn! It’s these bastards again!” Xing Renqing was unhappy when she saw Ye Ming and Ye Hedong.

“Grandpa, why did we invite them to our event?”

Xing Hanxian, who was sitting on Xing Renqing’s right side, uttered, “I believed we did not invite them.”

He had read all the guest names, so he was sure they did not invite Ye Ming and Ye Hedong to their event.

“Then why are they here?” Xing Renqing could not cause trouble because her family was the host of the event, or else she would have beaten them by now.

“It seems like that Feng Jingwen brought them with him.” Xing Hanxian said this because Feng Jingwen was sitting between Ye Ming and Ye Hedong.

“What are you doing, cousin Xiao? Hurry up and donate your money. You have a lot of money, right?” Ye Ming tried to anger Xiao Tian.

Xiao Tian would not be able to think straight if the flame of fury consumed his body. His good reputation would also break into pieces.

“Hey, what are you doing? Hurry up and donate your money.” Ye Hedong said the same words.

Xiao Tian skimmed his surroundings. When he noticed everyone was paying attention to him, he was furious.

Of course, he kept his anger in check because he knew what the consequence would be if he lost himself in anger.

“Mr. Xiao, can you donate now?” the lady asked again.

“I’m sorry, lady. Someone replaced my wallet.” Xiao Tian showed the wallet that was filled with small papers.

“What?! Someone had replaced your wallet?! Is that an excuse?” Ye Ming uttered, “Cousin Xiao, you are joking right? We are in the Xing family’s event, so who dare to cause trouble in this place?”

“That’s right.” Ye Hedong added. “Cousin Xiao, if you don’t want to donate your money, just say it. You don’t need to make an excuse.”

“Xiao Tian is not willing to donate?”

“Did someone really replace his wallet?”

“I don’t believe it. After all, we are in the Xing family’s event.”

“That’s right.”

“He is rich, but he is still not willing to donate his money to the orphans. Tch, tch, tch!”

One by one, all the guests started bad-mouthing Xiao Tian.

All of them knew that Xiao Tian was rich now. After all, he had raised his family’s status to an upper-class family.

“Pffft!” a peal of suppressed laughter burst out.

Zhao Sheng found it funny when people like Ye Ming and Ye Hedong could make fun of Xiao Tian.

It should be the other way around because they were not as good as Xiao Tian. That was why Zhao Sheng found it funny when Ye Ming and Ye Hedong humiliated Xiao Tian.

“Xiao Tian, just say it if you need my help.” Zhao Sheng tried his best not to laugh.

Xiao Tian still kept his anger in check. “Everyone, I’m not lying to you. Someone did replace my wallet.”

He showed everyone the wallet in his hand. The wallet was only filled with small papers.

At this moment, Feng Jingwen wanted to add fuel to the fire. “Brother Xiao, we are from upper class-families, so you can ask me for help if you want. Don’t worry. I will help you. After all, it would be a shame for people like us not to donate.”

“Cousin Xiao, you should not in the same table as the Xing family and the Zhao family if you are not willing to donate. It’s a disgrace for them.” after saying that, Ye Ming turned his head towards Ye Hedong. “Isn’t that right, brother?”

“That’s right.” Ye Hedong responded, “It’s a disgrace! Maybe you should get out of this villa now.”

They were pleased because they could humiliate Xiao Tian. All this time, Xiao Tian always behaved mightily and arrogantly toward them or the Ye family.

He even refused to return to the Ye family. That was why they were delighted when they could humiliate Xiao Tian.

But what made them happiest was that everyone started bad-mouthing Xiao Tian.

Even though Xiao Tian was angry at Ye Ming and Ye Hedong, he ignored them for now. Of course, he would remember this humiliation.

When the opportunity arose, he would return the humiliation one hundred-fold. "Brother Xing, can I use another way to donate?"

"Other method?" Xing Juzong did not get Xiao Tian's words. "What do you mean by that?"

At this moment, Zhao Sheng and the others were startled by Xiao Tian's words.

'Other method? What method?'

Like Xing Juzong, they still did not get Xiao Tian's words.

Xiao Tian was someone whose thoughts were difficult to predict because he often had crazy ideas.

Xiao Tian then raised the wallet high and spoke, "I will auction this wallet. I will donate the money from the sale of this wallet to the orphans. Who is willing to buy this wallet? The bottom price for this wallet is one million Yuan."

"Hahaha." Ye Ming and Ye Hedong laughed loudly.

They found it funny. It was a humanitarian event, but here, Xiao Tian wanted to auction his wallet.

And the funniest thing was that the bottom price of his wallet was one million Yuan.

It was too much!

The wallet looked like a cheap wallet, but he wanted to sell it at a high price.

Only fool people would buy it.

At this moment, he was sure that no one would buy it.

However, they were wrong because Liang Jun immediately spoke, "I want to buy it. I will buy it at two million Yuan."

Chapter 1294: You Are Amazing, Bro

"Haha." Some of the guests laughed when Xiao Tian suddenly auctioned his wallet.

Like Ye Ming and Ye Hedong, they also found it funny because they were not in the auction house.

Zhao Sheng and the others were startled.

'He is crazy!'

These were the words that appeared in their minds.

"Damn! Bro Xiao is as crazy as me." Xing Renqing finally admitted that she was a crazy girl.

At this moment, they believed that no one would buy Xiao Tian's wallet because he wanted to sell it at a high price.

Sure, there were expensive wallets in China, but the wallet in Xiao Tian's hand did not look like an expensive one.

They were even sure it was a cheap wallet!

Of course, they did not know that Xiao Tian had a backer.

Liang Jun!

"I will buy your wallet. I will buy it for two million Yuan." Xiao Tian had given him a sign to buy his wallet for two million Yuan, so Liang Jun did what he wanted.

*Silence...

The entire area turned into dead silence.

They found it hard to believe what they were hearing.

Not only did he want to buy Xiao Tian's wallet, but Liang Jun even would buy it for two million Yuan.

Of course, none of them knew that Xiao Tian was Liang Jun's boss. What they knew was that Qing Feng was the owner of the Eternal Beauty company, not Xiao Tian.

"Mr. Liang, why do you want to buy his wallet?" Ye Ming was furious when Liang Jun wanted to buy Xiao Tian's wallet.

He could humiliate Xiao Tian even more if no one wanted to buy Xiao Tian's wallet.

This was not like what they thought.

"That's right." Ye Hedong added. "You are even willing to buy it for two million Yuan. Look at his wallet! It's a cheap wallet! I'm sure the price of his wallet is only five Yuan."

"I'm sure everyone is curious as to why I'm willing to buy Mr. Xiao's wallet at a high price." Liang Jun spoke and paused for a second before finally, he continued, "What I see is not his wallet, but his good intentions."

He then continued, "Mr Xiao will donate the money from the sale of this wallet to this humanitarian event, so I'm willing to buy his wallet."

Xiao Tian was satisfied with Liang Jun's words.

'I raised a good subordinate.'

He loved Liang Jun's words.

All the guests started to think about Liang Jun's words. What he said was right. What they should see was Xiao Tian's good intentions, not his cheap wallet.

After all, The Xing family decided to hold an event to help the orphans.

In other words, all of this was for the orphans!

Xiao Tian walked to Liang Jun to give him his wallet. "Mr. Liang, thank you for buying my wallet. Please also send my money when you send your money to this event account."

"I understand." Liang Jun replied as he took the wallet.

Ye Ming and Ye Hedong gritted their teeth.

'Damn it!'

They were furious.

Xiao Tian then looked at Xing Juzong before finally speaking, "Brother Juzong, this is acceptable, right?"

"Yes." Xing Juzong responded as he nodded his head. "We can accept it."

'No wonder grandfather told me to befriend him. He is smart and has many ideas.'

He was sure if other people were in Xiao Tian's shoes, they would have panicked.

However, Xiao Tian was still able to behave calmly. He even could think of an idea to solve his problem in a short amount of time.

Only people who were smart and had many ideas could do something like this.

Like Xing Juzong, Xing Hanxian and the others were also praised Xiao Tian's method.

'His intelligence saved him.'

These were the words that appeared in their minds.

"You are amazing, bro." Xing Renqing hit Xiao Tian's right shoulder.

"As I thought, you are as smart and amazing as me." Zhao Sheng did not forget to praise himself.

"Your method is not bad, Xiao Tian." Zhao Chen stated.

"Yes. Not bad at all." Xing Hanxian nodded his head.

At the same time, two of the Xing family's subordinates walked toward the people who bumped into Xiao Tian.

The Xing family's subordinates made them kneel before Xiao Tian.

"What is this?"

"What's going on?"

"Why? Did they do something?"

"Why would the Xing family's subordinates make them kneel in front of Xiao Tian?"

Countless questions appeared in the minds of the guests.

They wanted to know why the Xing family's subordinates dragged two people before Xiao Tian.

“Mr Xiao, we have investigated it.” One of the Xing family’s subordinates uttered, “They were the ones who replaced your wallet.”

“What?! So, Xiao Tian is not lying to us?! Someone really did replace his wallet?!”

“I thought he was lying earlier.”

“I also thought he was lying to us.”

“These two people are really something! They dared to cause trouble at Xing family’s event. I’m amazed by their courage.”

All the guests finally knew the truth.

They finally knew that Xiao Tian was not lying to them.

Xing Juzong headed towards Xiao Tian. “Brother Xiao, they were the ones who replaced your wallet. Their names are Rani and Gogo.”

Xiao Tian remembered Rani and Gogo. They were the ones who bumped into him earlier.

“Where is my wallet?” Xiao Tian inquired.

Xing Juzong whispered something to Xiao Tian. “I will tell you about their families.”

He told Xiao Tian about their families because it could be used to threaten Gogo and Rani later.

Xing Renqing stood in front of Gogo and Riri before finally placing her hands on her waist. “You are really something for daring to cause trouble in my place. Give bro Xiao’s wallet now! Don’t you dare to lie or make an excuse. Otherwise, you two will regret it later.”

Ye Ming and Ye Hedong were stunned. However, their expression instantly turned into terror.

‘This is dangerous!’

They were afraid that everyone would know the truth later.

Unlike Ye Ming and Ye Hedong, Feng Jingwen still had a calm face. He did not feel worried at all because he knew nothing bad would happen to him.

Gogo and Riri exchanged a glance before finally returning Xiao Tian’s wallet to him. They did not dare to lie because everyone was paying attention to them.

“Bro, check your wallet first.” Xing Renqing told Xiao Tian to check his wallet because she was afraid that they had stolen something from his wallet.

“Un.” After nodding his head, Xiao Tian began to check his wallet.

‘Credit cards, money, driver license....’

He checked his wallet carefully because he did not want to lose something.

‘Hmm? They did not steal anything?!’

Xiao Tian was happy and curious at the same time because he did not lose anything.

“How is it, Xiao Tian? Did they steal something from your wallet?” Zhao Sheng asked curiously.

“They did not steal anything.” Xiao Tian gave an honest answer.

At this moment, he realized something.

Someone must have ordered them to replace his wallet!

If someone had not ordered them, they would have stolen something from his wallet. After all, he had a lot of money in his wallet.

Xiao Tian looked at Gogo and Riri. “Since you didn’t steal anything, I’m sure someone ordered you to replace my wallet. Tell me, who is it?”

Chapter 1295: Who Are You?

“Tell me who ordered you to replace my wallet?” Xiao Tian’s eyes gleamed with terrifying sharpness as he looked at Gogo and Riri.

Everyone was paying attention to Gogo and Riri because they also wanted to know their answer.

They wanted to know who dared to cause trouble at the Xing family’s event!

Gogo and Riri did not answer immediately because they had no idea what to say.

Because they still did not answer his question, Xiao Tian squatted down and whispered to Gogo. “I heard your wife just got discharged from Duli hospital. Ah, how is your son? I heard that he studied at Xuxu middle school. Are they doing well?”

After threatening Gogo, Xiao Tian also did the same thing to Riri.

He threatened her using her family!

Terror overtook their faces.

Riri and Gogo were terrified.

‘What should we do?’

They were scared of Xiao Tian, but they were also afraid of Feng Jingwen.

Like before, Feng Jingwen still behaved calmly. He even crossed his arms over his chest because he knew that Riri and Gogo would not dare to reveal the truth.

Riri and Gogo exchanged a glance again before finally nodding their heads.

‘Let’s make them the scapegoats.’

They did not dare to make Feng Jingwen angry, so they decided to make Ye Ming and Ye Hedong the scapegoats.

“It’s them!” Riri and Gogo replied in unison as they pointed their hands at Ye Ming and Ye Hedong.

“They were the ones who ordered us to replace your wallet.”

Everyone instantly turned their heads towards Ye Hedong and Ye Ming.

“They are the masterminds?!” all the guests believed their words immediately.

Feng Jingwen’s lips curled up into a grin.

‘What a good dog!’

He knew that something like this would happen.

Ye Ming and Ye Hedong were stunned. “What the fuck are you saying? Don’t slander us! We are not the masterminds!”

Of course, they did not want to admit it because they were not the real masterminds.

Feng Jingwen!

Yes, Feng Jingwen was the real mastermind, not them.

“It’s you!” Xing Renqing was enraged when she knew that Ye Ming and Ye Hedong were the masterminds. “We did not do anything when you tricked my mother and here, you dared to cause another trouble? Are you tired of living?”

Like his sister, Xing Juzong was also furious. However, he did not say anything and only stared at Ye Ming and Ye Hedong.

Everyone in the hall believed Riri and Gogo’s words because Ye Ming and Ye Hedong kept trying to humiliate Xiao Tian earlier.

“Haha.” Unlike the others, Zhao Sheng laughed. “Xiao Tian, it seems like your mother’s family hate you so much. They even dare to cause problems for you at an important event.”

“Bastard! Why are you slandering us? Tell them the truth!” Ye Ming and Ye Hedong rushed towards Gogo and Riri.

They wanted to beat Gogo and Riri!

However, the Xing family’s subordinates stopped them.

Because Riri and Gogo still did not want to reveal the truth, they rushed toward Feng Jingwen. “Young master Feng, help us.”

Xiao Tian walked toward Ye Ming and Ye Hedong. “I did not teach you a lesson for often disturbing my mother and aunt, and here, you dared to cause trouble for me. It seems like I have to teach you a lesson now.”

“Bastard! How dare you speak like that to your older brothers?” Ye Ming was not afraid of Xiao Tian. “Did you forget that we are your brothers?”

“That’s right.” Ye Hedong added. “We are your brothers, so you should not behave like that to us.”

Xiao Tian wanted to laugh.

He found it funny when he heard their words.

First, they caused trouble for him. Second, the Ye family always bothered his mother and aunt. And last, the Ye family expelled them when he was little.

The head of the Ye family even said they were no longer part of the Ye family's tree. But here, Ye Ming and Ye Hedong wanted him to treat them as his brothers.

Did they use their heads before saying that?

*Bang!

Xiao Tian hit their faces, causing them to fall to the floor.

*Silence...

The entire area dropped into a dead silence.

They were shocked when Xiao Tian suddenly hit Ye Ming and Ye Hedong's faces. They were at the Xing family's event, so they thought Xiao Tian would not do that.

However, they were wrong. They were utterly wrong because Xiao Tian hit Ye Ming and Ye Hedong's faces without thinking twice.

"Beat them to death, bro." Xing Renqing was pleased when Xiao Tian hit their faces.

"You are lucky because we are at the Xing family's event." Xiao Tian did hold back because they were at the Xing family's event.

If they were outside, he would have beaten them to death.

"You! How dare you hit us!" Ye Ming could not accept it because Xiao Tian dared to hit their faces.

Like Ye Ming, Ye Hedong also could not accept it. They instantly rose to their feet and attacked Xiao Tian.

However, the results were different from what they thought.

They got beaten up by Xiao Tian again!

They were not martial artists, so they were not Xiao Tian's opponents.

*Uak...

They fell to the floor again.

"Young master Feng, please help us." Ye Ming and Ye Hedong asked Feng Jingwen for help because they knew they could not beat Xiao Tian.

Even though Feng Jingwen did not care about Ye Ming and Ye Hedong's feelings, but they came to the Green Villa with him, so he decided to help them. "Brother Xiao, can you give me face and forgive them? I know that they are wrong, but you already hit them twice, so let's forget everything now."

Ye Ming and Ye Hedong were pleased when Feng Jingwen decided to help them. At this moment, they believed that Xiao Tian would forgive them immediately.

However, they underestimated him.

“Who are you? Do I know you?” of course, Xiao Tian would not forgive them easily. “Do you think I will forgive them just because you ask me to?”

Feng Jingwen was unhappy with Xiao Tian’s response. Sure, Xiao Tian was from an upper-class family, but he was also from an upper-class family.

In his eyes, Xiao Tian’s family was not as great as his family, so he was shocked when Xiao Tian still dared to behave arrogantly in front of him.

‘Does he not know my family?’

Previously, he thought Xiao Tian knew about the Feng family.

“Haha. Oi, Feng Jingwen. It would be useless to threaten Xiao Tian with your family. He is a fearless person, so he is not afraid of your family.” Zhao Sheng knew Xiao Tian’s personality well. “There is only one way to make him listen to your words.”

He then continued, “You have to beat him in fight! If you can do that, he will listen to you. However, you have to be careful of him. After all, he is as strong as me.”

“Bro Xiao, beat them to death!” Xing Renqing shouted.

“Xiao Tian, you can beat them, but don’t kill anyone in my place.” Xing Hanxian did not want someone to die in his event because it would ruin his family’s reputation.

“Don’t worry, elder. I have no intention of killing them. I only want to teach them a lesson.” After saying that, he walked toward Ye Ming and Ye Hedong again.

Chapter 1296: There Are So Many Stupid Youngsters Nowadays

Feng Jingwen’s eyes were filled with coldness because Xiao Tian treated him like air.

‘Should I beat him?’

He was a martial artist, so he suddenly thought of beating Xiao Tian.

Even though Zhao Sheng said Xiao Tian was a powerful martial artist, but he was a martial artist at the high-level master stage, so he was sure that he could defeat Xiao Tian.

Of course, he had no idea that Xiao Tian was a candidate to be the Ruler. Otherwise, he would not dare to think like that. After all, he was only an ordinary martial artist.

“Are you really not going to give me face?” Feng Jingwen asked again.

“You have to stop me if you want to help them.” like before, Xiao Tian walked towards Ye Ming and Ye Hedong again.

*Ripped...

Xiao Tian tore off Ye Ming and Ye Hedong’s shirts, exposing their upper bodies.

He had promised not to kill them, so he wanted to humiliate them. Previously, they humiliated him, so he decided to return the humiliation.

This was the reason why he tore off their shirts because, with this, many people could see their upper bodies.

Of course, Xiao Tian wanted to humiliate them even more.

Yes, he planned to rip off their jeans too!

With this, they would no longer have the face to appear at formal events.

“Haha.” Almost all the guests laughed when Xiao Tian ripped off Ye Ming and Ye Hedong’s shirts.

They began to make fun of Ye Ming and Ye Hedong. Being half-naked at a formal event was humiliating.

That was why they started bad-mouthing Ye Ming and Ye Hedong.

When Xiao Tian wanted to rip off Ye Ming and Ye Hedong’s jeans, Feng Jingwen uttered, “Enough!”

“What is this? Do you want to get involved in this matter?” Xiao Tian was not afraid of Feng Jingwen, so he did not care about his words.

“Young master, please save us?” Ye Ming and Ye Hedong begged Feng Jingwen to save them.

When Feng Jingwen noticed that Xiao Tian wanted to do something to Ye Ming and Ye Hedong again, he rushed toward Xiao Tian and raised his right arm.

“Enough is enough!” Feng Jingwen threw out his fist at Xiao Tian.

“Idiot!” Zhao Sheng stated when he saw Feng Jingwen attacking Xiao Tian.

Xiao Tian instantly turned around and threw out his fist too.

Boom!

Their fists met.

Feng Jingwen was forced to move back three steps after their fists met.

His right arm trembled, and he also felt immense pain. He did not expect to lose to Xiao Tian in terms of strength.

‘His power is stronger than mine.’

Of course, he tried his best to hide the pain because he was in front of everyone.

At this moment, he had no idea that Xiao Tian still did not use his full power. Even though he also did not use his full power, but Feng Jingwen used ninety percent of his strength.

Feng Jingwen could be said to be a strong martial artist at the same level. That was why he thought Xiao Tian was not his opponent.

However, what he had guessed was wrong because Xiao Tian had greater strength than him.

Sure, Xiao Tian was also a martial artist at the high-level master stage like Feng Jingwen, but he was different from him.

Even though Xiao Tian was still at the master stage, but his strength, reflexes, and speed had already surpassed the master stage.

Even ordinary martial artists at the low-level grandmaster stage were no longer his opponent now.

There was one reason why his strength, reflexes and speed had surpassed the master stage.

He had ten percent of the energy of heaven and earth in his martial arts points!

At the same level, only candidates to be the Ruler could fight him on an equal footing.

Feng Jingwen gritted his teeth.

‘Tch!’

He was unhappy when he found out that Xiao Tian had greater strength.

Ye Ming and Ye Hedong widened their eyes in surprise.

‘What? What had just happened?’

They knew that Feng Jingwen was a powerful martial artist, so he was stunned when Xiao Tian had greater power than Feng Jingwen.

In the huge hall, only three people knew about Xiao Tian.

These people were none other than Zhao Sheng, Zhao Chen and Xing Hanxian.

Zhao Sheng and Zhao Chen had seen Xiao Tian’s power with their own eyes. As for Xing Hanxian, Crystal subconsciously told him that Xiao Tian was a candidate to be the Ruler.

Xing Hanxian was also a martial artist, so he knew the meaning of a candidate to become a Ruler.

Xiao Tian’s gaze fell on Feng Jingwen. “So, you decided to get involved, huh?”

Feng Jingwen shifted his gaze from Xiao Tian to Xing Juzong. “I’m disappointed with the Xing family. Xiao Tian hit Ye Meng and Ye Hedong in your place, but the Xing family did nothing to him. The Xing family even did not try to stop him. I’m disappointed.”

In his eyes, the Xing family should have stopped Xiao Tian because Xiao Tian dared to hit Ye Ming and Ye Hedong.

However, the Xing family did nothing. They only watched when Xiao Tian beat Ye Ming and Ye Hedong.

This was the reason why Feng Jingwen was disappointed with the Xing family. “The Xing family was holding a humanitarian event, but they didn’t do anything when they saw violence. This is funny. This is very funny!”

“Bastard, they were the ones who caused trouble first. If they had not done anything, bro Xiao would not have beaten them up. Why are you blaming my family for their actions? Are you asking for a

beating?” of course, Xing Renqing could not accept it when Feng Jingwen blamed her family for everything.

Ye Ming and Ye Hedong were the ones who caused trouble for Xiao Tian, so he should blame them, not her family.

She could not accept it!

Sure, Feng Jingwen was from a rich and influential family, but she was not afraid.

Actually, Xing Hanxian was enraged when Feng Jingwen blamed his family.

‘There are so many stupid youngsters nowadays.’

Feng Jingwen was from a younger generation, so he would let his grandson and granddaughter solve the problem.

“What my sister said is right. Brother Feng, you should blame them, not us. I’m sure everyone here knows who’s wrong and who’s right.” Even though Xing Juzong was angry, but he suppressed his anger.

Everyone was paying attention to them, so he had to keep a cool head. Sure, the Xing family was not the wrong one, but all the guests did not care about it.

They only wanted to know how Xing Juzong solved the problem!

Xing Juzong turned around to look at Xiao Tian. “Brother Xiao, you have hit them, so can you stop here?”

“Alright.” Xiao Tian had to give Xing Juzong face. “Because brother Xing said so, I will stop now.”

Ye Ming and Ye Hedong could not accept it because Xiao Tian had humiliated them.

They wanted Xiao Tian to be humiliated too!

However, they did not know how to do that.

Feng Jingwen looked at Ye Ming and Ye Hedong, “Let’s leave. This event is not worth attending.”

Chapter 1297: You Are Really Useless

“Let’s leave. This event is not worth attending.” Feng Jingwen no longer wanted to stay in the Green Villa because the Xing family did not listen to his words.

Ye Ming and Ye Hedong came with him, so he had lost face because Xiao Tian beat them just now.

“Just go! We won’t stop you.” Xing Renqing uttered, “This is not an airport where you have to announce everything. Just leave if you want to leave. No one will stop you.”

“Tch!” Feng Jingwen turned around before finally walking out of the Green Villa.

Ye Ming and Ye Hedong looked at Xiao Tian for the last time before finally following Feng Jingwen.

After Feng Jingwen and the others left, Xing Juzong looked at the guests. “Everyone, I’m sorry for this problem. Let’s continue the banquet.”

After Xiao Tian returned to his seat, Zhao Sheng uttered, "Congratulations, Xiao Tian. You got a new enemy now. Haha."

He was sure that Feng Jingwen would take revenge on Xiao Tian later. After all, Xiao Tian had humiliated him.

"It's fine. I already have many enemies, so adding one more enemy is not a problem." Xiao Tian did not mind it because he was used to it.

"You are so cool, bro!" Xing Renqing stated after hearing Xiao Tian's words. "Don't worry. I also have many enemies, but here, I'm still kicking."

"Wild girl, you have a powerful background, so it's not the same." Zhao Sheng responded, "After all, Xiao Tian doesn't have a powerful background like you."

"It's the same." Xing Renqing stated, "Because we have many enemies."

"Haha." They laughed after hearing Xing Renqing's words.

—

Ye Ming, Ye Hedong and Feng Jingwen were currently in the car.

They were furious. They were enraged because Xiao Tian humiliated them earlier. At this moment, what they had in mind was only one thing.

Revenge!

Yes, they wanted to take revenge on Xiao Tian.

They wanted to humiliate Xiao Tian like what he had done to them earlier.

No, they wanted to return the humiliation one hundred-fold.

"Ye Ming, why don't you advise your family head to kidnap Xiao Tian's mother or aunt?" Ye Ming gave a piece of advice. "He always refused to return to the Ye family, right? You can force him to return to the Ye family after kidnaping them."

He told them that they needed to use violence or dirty methods if they wanted Xiao Tian to return to the Ye family.

Ye Ming and Ye Hedong exchanged a glance with each other.

'What he said made sense.'

They also thought Xiao Tian would keep refusing if they did not use a dirty method.

"We will talk with our family head later." Ye Ming uttered.

Feng Jingwen's lips curled up into a grin.

'They are indeed my dogs.'

Of course, he wanted to use them to take revenge on Xiao Tian.

Xiao Tian's Mansion, His Bedroom.

Xiao Tian was currently lying on the bed, watching TV.

After the banquet was over, he went straight home. He thought of a way to cause trouble for the Ye family.

*Click...

The sound of someone opening the door echoed in his room.

Xiao Tian instantly turned his head towards the source of the sound.

"Come here." His face broke into a smile when he saw his mother and aunt.

After lying on the bed, Ye Xueyin inquired, "Tian, how was the banquet?"

"Ye Ming and Ye Hedong caused trouble for me at the Xing family's banquet earlier." Xiao Tian gave an honest answer.

"What did they do?" Ye Qingyu, who was lying on Xiao Tian's left side, asked curiously.

"It's like this." Xiao Tian began to tell everything.

He did not hide a single thing from them. He told them what they did to him and what he did to them, including beating them at the banquet.

"You did the right thing!" Of course, Ye Qingyu liked what Xiao Tian did to Ye Ming and Ye Hedong because she hated all members of the Ye family.

"Tian, what if they cause trouble for you again?" Ye Xueyin was worried that something bad would happen to Xiao Tian later.

"Don't worry. Nothing bad will happen to me." Xiao Tian believed that he could protect himself.

'Instead, I'm worried about you two.'

He added in his mind.

Ye Xueyin and Ye Qingyu exchanged a glance with each other. They did not say anything after hearing Xiao Tian's words.

Ye Family House, Living Room.

All the members of the Ye family were currently in the living room. At this moment, the head of the Ye family was punishing Ye Ming and Ye Hedong.

He caught wind of what had happened at the Xing family's banquet.

Yes, he knew what Xiao Tian did to them at the Xing family's banquet!

This was the reason why he decided to punish them because they had made the Ye family lose face.

Now it would be more difficult for them to get investors because they had lost face at the Xing family banquet.

Xiao Tian even ripped off their shirts, causing them to be half-naked at the banquet.

“You two are really fool!” Ye Hang was breathless with anger. “Do you know what you have done? You made us lose face, you know?”

He did not say anything when he found out that Ye Ming and Ye Hedong were not talented in the business.

He said nothing when they failed to get investors. He said nothing in almost everything. But now, it was different because Ye Ming and Ye Hedong had made them lose face.

Ye Ming and Ye Hedong were currently kneeling in front of Ye Hang.

Even though Ye Tong and Ye Bao wanted to help their sons, but they did not say anything because they were afraid that their father would get angrier later.

“Grandpa, it was because of Xiao Tian!” Ye Ming blamed Xiao Tian for everything.

“Yes. It was because of him.” Ye Hedong added.

“Shut up!” Ye Hang raised his tone. “You two were the ones who started it, so you had to take responsibility.”

“But...” Ye Ming tried to defend himself.

“I said shut up!” Ye Hang was about to explode with rage. “If you want to do something, make sure no one will find out! First, it was with the Xing family, and now it was with Xiao Tian. You two are really useless!”

At this moment, Ye Ming and Ye Hedong wanted to blame Feng Jingwen, but they did not dare to do that.

They also knew that Ye Hang would still blame them even if they revealed the truth. After all, he did not dare to offend the Feng family.

“Father, calm down. Don’t be angry again. It will be bad for your health.” Ye Tong tried to protect his son.

“That’s right, father. You have to take care of your health.” Like Ye Tong, He Bao also tried to protect his son.

At this moment, Ye Rou Bing and Ye Houteng did not say anything. Of course, they were also disappointed with Ye Ming and Ye Hedong because they had made the Ye family lose face.

“All this because you couldn’t educate your son properly.” Ye Hang blamed Ye Tong and Ye Bao.

‘If only they are as good as Xiao Tian, I’m sure we won’t face a big problem like this.’

He regretted his decision now.

Chapter 1298: I'm a Man Deep in My Heart

Ye Hang regretted it.

If he had not kicked Xiao Tian out of the Ye family a few years ago, he was sure the Ye family would have become one of the most influential and wealthiest families in Shanghai.

The Xiao family no longer wanted to help them, and Xiao Tian refused to return to the Ye family.

Their last business even fell under the Feng family's control. All of this would not have happened if he did not make a mistake a few years ago.

'If only...'

Ye Hang really hoped that Xiao Tian would return to the Ye family because he was the only one who could save them now.

He could not depend on the other members of the Ye family because none of them were talented in business, especially the younger generation.

'If only I did not do that....'

He really wanted to turn back time, but he was not God, so he could not do that.

There was also no pill for regret in this world.

Ye Ming and Ye Hedong were useless people. There was no hope for them. Sure, they always tried to help their family, but they always ended up causing trouble for them.

In short, the Ye family was in crisis, and their future was in danger.

Ye Hang sat on the sofa before sighing. "If only I did not kick Xiao Tian out of our family..."

Xiao Tian could raise his family's status from a lower-class family to an upper-class family in less than three years.

He even started his business from scratch.

If he were born from a middle-class family or given a large amount of capital for business, he would have raised his family status to a high upper-class family.

*Sigh...

Ye Hang sighed.

If he did not kick Xiao Tian out of the family, the Ye family would have an equal footing with the Xiao family and the Li family.

No one could step on their pride, and everyone would respect them.

However, he did not take the opportunity God gave him.

He was sure it was only a matter of time before Xiao Tian finally raised his family status to a high upper-class family.

He had lost a genius descendant due to his mistakes and selfishness.

God had given the Ye family a chance to become a rich and influential family, but he did not take that opportunity; instead, he threw away that golden opportunity.

The feeling of regret in his heart was deep.

“Now think of a way to get Xiao Tian to agree to return to the Ye family.” Ye Hang spoke and paused for a second before he continued, “He is our only hope now. If he refuses to return to our family, there will be no Ye family in Shanghai.”

Whatever happened, they had to get Xiao Tian to return to the Ye family because he was their only hope now.

Ye Tong and the others began to think of a way to get Xiao Tian to return to the Ye family.

At this moment, Ye Ming and Ye Hedong gave a piece of shocking advice. “Family head, how about we kidnap aunt Ye Xueyin and Ye Qingyu? After that, we can force Xiao Tian to return to our family.”

—

Xiao Tian was currently with Xing Juzong, Xing Renqing, and Zhao Sheng at one of the Xing family restaurants.

The Xing family restaurant was huge and had two floors. Xiao Tian and the others were currently on the second floor, or more precisely, they were on the balcony.

After eating, they talked for a few minutes before finally heading to the balcony.

Xiao Tian was the first to walk to the balcony because the scenery from the balcony was so amazing.

They could see the beautiful garden from the balcony. Even though it was nighttime, but the beauty of the garden had not diminished in the slightest; instead, it became even more beautiful.

*Shui...

A gentle breeze hit their bodies, causing their hair to dance softly.

“The gentle breeze feels amazing.” Zhao Sheng spoke abruptly.

“You are right.” Xiao Tian agreed with Zhao Sheng’s words. “And the scenery from here is also breathtaking, making the night even more beautiful.”

“It’s a pity that we are all male here.” Zhao Sheng sighed after saying that.

“Yes, yes. It’s a pity that we are all male.” As usual, Xing Renqing forgot that she was a female.

Black lines formed on Xing Juzong’s forehead. “Sister, you are female, not male.”

“Bro, I have told you many time. I’m a man deep in my heart.” Xing Renqing still thought of herself as male, not female.

“Hehe.” Xiao Tian and Zhao Sheng chuckled.

“Brother Xing, it seems like having a younger sister like her is quite draining your patience.” Xiao Tian was not surprised by Xing Renqing’s words because this was not his first time hearing it.

“You are right.” Xing Juzong sighed. “She was so adorable when she was little, but now...sigh.”

“Brother, you are my family, so you have to accept me completely.” Xing Renqing spoke and paused for a second before she continued, “Oh right, bro Xiao, bro Zhao. How about we play football tomorrow?”

“Football?” Xiao Tian and Zhao Sheng were startled by Xing Renqing’s words.

Xing Juzong flicked his sister’s forehead, “Did you forget that you have to attend a banquet with mother tomorrow?”

“Bro, I don’t want to go to that kind of event. It’s boring!” Xing Renqing didn’t like attending banquets because it was boring in her eyes.

“This banquet is important for mother, so you can’t refuse.” Xing Juzong responded, “Do you want to make our mother angry?”

“Agggghh.” Xing Renqing expressed her annoyance with a loud sigh.

“Haha.” Zhao Sheng laughed. “Don’t worry. We can play football next time.”

“Really?” Xing Renqing inquired.

“Of course.” Zhao Sheng responded, “You can bring your bodyguards and I will bring my subordinates. We can have a match later.”

“Good. Let’s do that.” Xing Renqing agreed with Zhao Sheng’s idea instantly.

As Xiao Tian was talking with Xing Juzong and the others, two gorgeous women walked past them.

‘Hmm?’

Leng Nichang stopped her footsteps when she noticed Xiao Tian on the balcony.

Xi Ran instantly stopped her footsteps too. “What are you doing? Didn’t you say you were starving?”

At this moment, she still did not notice Xiao Tian. That was why she had no idea as to why Leng Nichang suddenly stopped her footsteps like that.

Instead of answering Xi Ran’s questions, Leng Nichang walked closer to Xiao Tian. “Mr. Xiao?”

Xiao Tian instantly turned his head towards the source of the sound.

‘Isn’t she Leng Nichang?’

He was startled when he saw Leng Nichang.

“Oh, Xiao Tian?!” Xi Ran finally knew the reason why Leng Nichang suddenly stopped her footsteps.

“Hmm?” Xiao Tian shifted his gaze from Leng Nichang to Xi Ran.

'Ah, so she is with Xi Ran, huh?'

He was not surprised because he knew that Xi Ran had a close relationship with Leng Nichang.

"We meet again, lady Xi, lady Leng." Like usual, Xiao Tian showed his soft smile.

"Bro, who are they? Are they also your women?" Xing Renqing knew that Xiao Tian had more than one girlfriend because Zhao Sheng had told her about it.

Chapter 1299: I Can't See It

"Bro, are they also your women?" Xing Renqing inquired.

The corner of Xiao Tian's lips twitched.

'This wild girl!'

He suddenly remembered Lan Ruoxi because she often teased him using the same question.

Before Xiao Tian could answer Xing Renqing's words, Xing Juzong uttered, "Isn't this lady Xi Ran and lady Leng Nichang?"

Xing Renqing instantly looked at her brother, "Eh, brother. You know them?!"

"We met a few times before." Xing Juzong responded, "Renqing, did you forget lady Leng? Didn't you praise her sexiness when we were at Sun Auction House?"

"Oh! You are that sexy big sis?!" after saying that, Xing Renqing observed Leng Nichang's body from head to toe. "You are still as sexy and beautiful as ever. If I were man, I would have seduced you now."

"Hehe." Leng Nichang giggled after hearing Xing Renqing's words.

"Wild girl, didn't you say you were male deep inside your heart?" Zhao Sheng inquired, "Why don't you seduce her now?"

"I would have seduced them if they were not bro Xiao's girlfriends." Even though she said something like this, she had never seduced a woman before.

"What makes you think they are my girlfriends?" Xiao Tian wanted to know why Xing Renqing assumed that Xi Ran and Leng Nichang were his women.

"Because you are like bro Zhao, a playboy." Xing Renqing gave an honest answer.

"Hehe." Leng Nichang and Xing Juzong chuckled after hearing her words.

"They are my friends." Xiao Tian did not deny when Xing Renqing said he was a playboy because it was the truth.

"Then, you should make them yours quickly, or else bro Zhao will take them later." Xing Renqing uttered.

The corner of Xiao Tian's lips twitched.

"Haha." They laughed again.

After leaving the Xing family restaurant, Xiao Tian went straight home.

Actually, he promised to have sex with Shi Fei, but Xiao Tian forgot about it and ended up having sex with Long Jingxian and Su Ruanyi.

Of course, Shi Fei was not angry because they were also his women. Because Xiao Tian broke his promise, she decided to have sex with him in his office tomorrow.

Like usual, Xiao Tian traveled to his company after eating. He did not waste time and immediately worked because he had a lot of work.

Time went by quickly, and without realizing it, he had been working for about six hours. He even forgot to eat lunch.

"I only need to read this proposal and I can take a rest after that." Xiao Tian stretched his hands.

To his surprise, Shi Fei suddenly entered his office. As usual, she entered his office without knocking on the door first, as if it was her office.

"Aaahh, I'm tired, little brother." After saying that, Shi Fei lay on the couch. "Have you finished your work?"

"I only need to read this proposal." Xiao Tian gave an honest answer.

'You should go to my bedroom if you are tired. Why did you come to my office?'

He added in his head.

Shi Fei's lips curled up into a smile.

'This is a good chance to do that.'

With that idea in mind, Shi Fei walked toward Xiao Tian.

At this moment, Xiao Tian thought Shi Fei wanted to lovey-dovey and sit between his legs, but he was wrong.

He was utterly wrong because she did something shocking.

She sat on the edge of the table, facing him!

Xiao Tian was shocked.

'Why is she sitting on my desk?'

He had no idea as to why Shi Fei suddenly sat on his desk.

He instantly lifted his head before finally asking, "My sexy lover, what are you doing?"

Instead of answering his question, Shi Fei gave him a peck on the lips. "Nothing. You can continue reading the proposal. Don't mind me."

"Alright." After Xiao Tian leaned his back on his chair, he continued reading the proposal again.

Shi Fei placed her high heels on the armrest of Xiao Tian's office chair. "Little brother..."

Even though Shi Fei was not skilled at seduction, she still tried her best to seduce her young lover.

Xiao Tian shifted his gaze from the proposal to Shi Fei before finally returning his attention to the proposal again.

'She is trying to seduce me, huh?'

He decided to ignore her because he wanted to see her plan.

"Little brother, guess! Am I wearing panties or not right now?" Shi Fei grabbed the hem of her skirt before finally lifting it little by little.

Xiao Tian stopped reading the proposal and looked at Shi Fei again. He looked at her face before his gaze finally fell on her skirt.

"I will know the answer if you lift your skirt higher." Xiao Tian continued reading the proposal again.

'Her method is not bad.'

He added in his head.

"Here, I will lift my skirt higher." After saying that, Shi Fei lifted her grey skirt higher.

Her skirt was currently half her thighs high.

'This is exciting!'

She kept lifting her skirt when she got Xiao Tian's attention.

However, she stopped what she was doing when her panties were almost visible to Xiao Tian's eyes.

"I still can't see it." Even though Xiao Tian could see some part of her panties, he did not tell her about it. "Why don't you lift your skirt higher again?"

Instead of lifting her skirt again, Shi Fei placed her hands behind her, supporting her body. "If you are curious, why don't you check it yourself?"

In order to get Xiao Tian aroused, Shi Fei spread her legs wider on purpose. Of course, his feet were still on the armrests of his chair.

At this moment, Xiao Tian decided to play along with her game. "Sure. I will check it myself."

He did not lift her skirt or open it instantly; instead, he lifted her skirt little by little like what Shi Fei did earlier.

Shi Fei's lips curled up into a smile when everything was going the way she wanted.

'I got his attention now.'

She kept paying attention to Xiao Tian's face, his hands, and her skirts.

'He almost can see my panties now.'

She said in her head.

'This is exacting!'

Chapter 1300: Can I?

Even though Xiao Tian had seen and tasted every inch of Shi Fei's sexy body, he pretended as if they had never done any adult things before because he wanted to play along with her game.

"Oh, you are wearing panties." Xiao Tian could see Shi Fei's blue panties because he was lifting her skirt. "And a sexy one on top of that."

"How is it? Do you like it?" Shi Fei corrected her question. "No, I mean, do you like what you see?"

"I love it." Xiao Tian gave an honest answer. "It's sexy and beautiful!"

"Now that you have seen my panties, aren't you curious about the thing hidden underneath it? Do you also want to see the thing hidden underneath it?" Shi Fei carried out her next plan. "You can see it if you want, you know?"

Xiao Tian looked at Shi Fei's face before finally returning his attention to her panties again.

When he was about to say something, Shi Fei uttered, "Little brother, let's do co-workers role-playing. I'm a sexy employee, and you are my innocent and virgin subordinate."

"Innocent and virgin subordinate?" Xiao Tian was startled by her words.

Sure, they had done many role-playing before, such as doctor and patient, boss and his secretary, boss and his sexy driver, etc.

"You can't refuse!" Shi Fei would not take no for an answer. "You have to agree with my idea."

"...a...alright." Xiao Tian did not expect the time he would have to pretend to be a virgin would finally come.

After all, he had already had sex with many women until now. However, he could not refuse his sexy lover's wish.

'I hope no one will know about this later.'

It would ruin his reputation as a playboy if someone knew about it later.

That was why he hoped no one would know about it later. After all, it was related to one of his dreams.

"Good!" Shi Fei was pleased by his answer. "Let's continue again."

As long as she was happy, Xiao Tian would do anything.

'Do I love her too much?'

That was the question that appeared in his head.

"Why are you looking at my panties intently like that? Do you want to see the thing hidden underneath it?" Shi Fei behaved like an experienced woman who was trying to seduce a virgin.

“Can...can I see it?” Xiao Tian felt like crying when he pretended to be a virgin.

Shi Fei’s lips curled up into a seductive smile. “I can let you see it, but you have to do one thing for me.”

“What...what is it?” Xiao Tian inquired.

“I want you to give me a bouquet of roses every day. Can you do it?” at this moment, Shi Fei was amazed by Xiao Tian’s acting.

‘He should try to be an actor.’

She added in her mind.

‘No, a businessman is much better than an actor.’

Like Xiao Tian, Shi Fei also thought a businessman was better than an actor. After all, all the riches people in the world were businessmen.

“I can do that.” Xiao Tian behaved as if he had never seen Shi Fei’s pussy before. “I will give you a bouquet of roses every day.”

“Hehe.” Shi Fei’s lips curled up into a seductive smile again. “Are you a virgin? Because your behavior is like someone who has never seen a pussy before.”

Xiao Tian wanted to cry after hearing Shi Fei’s words.

‘Fei, this is too much for me. It’s the same as torturing me.’

He could not stop it because he had promised to play along with her game.

“Ye...yes.” Xiao Tian replied in shyness. “But I have seen a woman’s secret place before...in the adult video.”

“Adult video? Do you mean porn?” Shi Fei inquired.

Xiao Tian nodded his head. “Yes.”

“I see. And it’s not a woman’s secret place.” After saying that, Shi Fei brought her face closer to Xiao Tian’s right ear and whispered. “It’s pussy. P-U-S-S-Y. pussy.”

Xiao Tian did not say it immediately and only stared at Shi Fei.

“Say it? Say pussy!” Shi Fei ordered Xiao Tian to say pussy.

“Pu...pussy.” Xiao Tian did what he was told.

‘God, please kill me again!’

He shouted in his head.

“That’s right. It’s pussy, not a woman’s secret place.” Shi Fei spoke and paused for a second before she continued, “Do you want to see my pussy?”

“Yes.” Xiao Tian nodded his head. “I want to see it.”

“Then, slide my panties to the other side so that you can see my pussy.” Shi Fei loved this kind of role-playing game.

Xiao Tian shifted his gaze from Shi Fei’s face to her panties before finally sliding her panties to the other side.

“How is it? Is it beautiful?” Shi Fei inquired.

“It’s beautiful!” Xiao Tian stated.

“Is it more beautiful than the one you saw in porn?” Shi Fei threw another question.

“Yes. Your secret place is much more beautiful.” Xiao Tian responded instantly.

“No, no, no. Have you forgotten what I just taught you?” Shi Fei corrected Xiao Tian’s words. “It’s...?”

“Pu...pussy.” Xiao Tian responded.

“That’s right. Pussy!” Shi Fei responded, “You have to remember it. Understand?”

“Un.” Xiao Tian nodded his head.

“Do you want to touch my pussy?” Shi Fei inquired.

Instead of answering her question, Xiao Tian asked, “Can...can I?”

Shi Fei grabbed Xiao Tian’s right hand before finally placing it on her pussy. “How is it?”

“It’s soft!” Xiao Tian pressed Shi Fei’s pussy with his right index and middle fingers. “It’s so soft.”

Shi Fei smiled in satisfaction when she saw Xiao Tian’s reaction.

‘Little brother is indeed talented in everything.’

If she were not his lover, she would really think of him as a virgin because his acting was superb.

“What are you doing?” Shi Fei asked when Xiao Tian suddenly spread her vagina.

“Ah, I’m sorry.” Xiao Tian removed his hands from Shi Fei’s pussy. “In the adult video I saw, they....”

He could not finish his words because he was shy to say it. Shi Fei told him to behave like a virgin, so he did what he was told.

Shi Fei’s lips curled up into a smile. “It’s fine. You can spread my pussy again if you want. After all, this is your first time seeing a real pussy, so I know your feelings.”

“Re...really?” Xiao Tian inquired.

Instead of answering his answer, Shi Fei spread her pussy widely. “Here. You can look at my pussy as long as you want. You can even touch my vagina.”

‘Ah... I’m already horny...this is so exciting.’

At this moment, love juices came out of Shi Fei’s vagina.

“Water! Water is coming out of your pussy.” Xiao Tian said when he saw Shi Fei’s nectar.

“It’s not water.” Shi Fei’s corrected Xiao Tian’s words again. “It’s vaginal fluid or nectar. When nectar comes out of a woman’s vagina, it means she wants to have sex.”

“Does that mean you want to have sex now?” Xiao Tian pretended as if he knew nothing.

“That’s right. Now that you have seen my pussy, pull down your trousers. I want to see your virgin cock.”
Actually, Shi Fei had wanted to see Xiao Tian’s penis since a few minutes ago.

Xiao Tian did what he was told and instantly pulled down his trousers. “How...how is my penis?”
