

ILLICIT RELATIONSHIP

Chapter 13 - Now I'm Happy

Ye Qingyu remembered that he couldn't play the piano, so she was wondering why he wanted to participate in the piano competition. Wasn't it just throwing money away at someone else?

"Why do you want to participate in the piano competition? You don't even know how to play the piano." Ye Qingyu asked curiously

The corner of his lips twitched after hearing her remarks. Xiao Tian didn't expect his aunt to say such a thing with a straight face. "Who says I don't know how to play the piano? I even believe that at least I can be in the top three in this piano competition."

'So she didn't know that my predecessor could play the piano.'

Xiao Tian said in his head

"What?! I've never seen you play the piano before, and you dare say you could be in the top three ?!" Ye Qingyu snorted, "I don't believe it!"

He didn't like her response and uttered, "Aunt, just because you've never seen me play the piano doesn't mean I can't play the piano."

"Fine. Let's say you can play the piano, so why don't you have money right now? Didn't you tell me that you work part-time near your university?" Ye Qingyu asked as she looked at him

"Well, I had quit my part-time job before the summer holidays started, and I had spent all my money buying books." at this time, Xiao Tian blamed his predecessor for spending all his money on buying books. If his predecessor didn't do that, he wouldn't be in this embarrassing situation.

"Let's go to the piano rent tomorrow. If aunt sees that you're good enough to participate in the piano competition, aunt will lend you some money." Ye Qingyu didn't want him to waste money, so she wanted to ensure his ability to play the piano first before lending him money

Upon hearing her words, Xiao Tian shook his head and answered, "That won't do, because tomorrow is the last day of registration. I'm sure a lot of people want to participate in this competition, so if we go to the piano rental first, I'm afraid I won't be able to register on time."

'Aunt, I will definitely return your money, so I won't take no for an answer because this money will help me make my predecessor's dream come true.

I want to open a clothing design shop with prize money. With my knowledge from my past life, I'm sure I can become a successful person later. I also have a lot of clothing designs that are great for men or women. If you know how to do it, business is the easiest way to get rich.

I want to make you and mother live in luxury life, so you and mother don't need to work anymore.'

With this idea in mind, Xiao Tian decided to squeeze her breasts.

"Ah.... Tian, not again. Aunt can't do it again today." Ye Qingyu's little mouth opened, letting out a seductive moan.

"Aunt, I'll win this competition and return your money as soon as the competition is over." of course, Xiao Tian ignored her words and kept squeezing her breasts as if he heard nothing.

Even though Xiao Tian knew that his method of getting money from his aunt was immoral, he had no choice but to do so because he really needed money.

"Tian...Ahh... Wait...Aunt...Ah.." before Ye Qingyu had finished her words, Xiao Tian kissed her lips.

When Xiao Tian was kissing her, Ye Qingyu tried to push him away, but after several seconds, she lost herself in lust and kissed him back.

Her long slender arms wrapped around his back as they exchanged hot kisses, and saliva began dripping down from the corners of their mouths.

Because Xiao Tian was on top of Ye Qingyu, some of his saliva fell into her little mouth, and of course, she had no choice but to drink it.

After feeling something hard between her thighs, Ye Qingyu broke the kiss and uttered, "Tian, not again! Aunt can't do it again. Aunt has to go to work tomorrow. After work, we can have sex again. If we have sex again right now, aunt won't be able to go to work tomorrow. Tomorrow is Aunt's first day at the company. Please understand."

"Will you lend me money or not?" Xiao Tian rubbed his cock between her thighs. At that time, he was able to feel the softness of her vagina, causing his cock to suddenly become hard.

"Oh..... Yes...Ah.. aunt will lend you some money. Ah..." because her pussy was still swollen from their wild sex in the morning, Ye Qingyu felt pleasure and pain at the same time.

"Good!" because his goal had been achieved, Xiao Tian stopped teasing her.

However, because the flames of lust had consumed her body, Ye Qingyu looked at him with a fascinating expression before finally kissing him.

As they were kissing passionately, Ye Qingyu embraced him tightly and tilted her head left and right to make the kiss even hotter and hotter.

They had an intense kiss for about five minutes before finally Xiao Tian broke the kiss and laid down on her left side. "Don't worry aunt. I'll return your money."

She hugged his right arm tightly and kissed his right cheek. "Stupid! Aunt never cares about money. Aunt just doesn't want you to spend money on useless things. That's why aunt wants to make sure that you can play the piano before lending you some money."

He looked at her and responded, "Don't worry. I will try my best to win first place in this piano competition."

Upon hearing his answer, Ye Qingyu smiled. "You don't have to be a champion, you know? Just do your best. It's fine if you can't win in this competition. Just think of it as gaining experience."

How could I do that? This will be my first step to becoming a successful man. Xiao Tian thought to himself.

But of course, Xiao Tian didn't say it and only nodded his head because the words had no meaning; you needed to prove it.

"Seeing the sky together like this is kind of romantic. Holding hands, lying together on a mat with electric lamps around us, looking at the beautiful stars and the moon, all of it makes this night the perfect night. Aunt is happy now." after saying that, Ye Qingyu's face blossomed into a smile.

"But I'm not happy!" suddenly a voice rang out, "How could you forget me!"

Xiao Tian and Ye Qingyu turned their heads towards the source of the sound.

"Mother?"

"Big Sis?"

After lying down on Xiao Tian's left side, Ye Xueyin hugged his left arm tightly.

"Now, I'm happy."

At that night, the three of them were enjoying the night together, and it had become one of the best memories for them. They decided to take several pictures so that they could remember it again in the future.
