

## Illicit 1301

### Chapter 1301: Sure

"How...how is my penis?" After pulling down his trousers and showing his erect cock to Shi Fei, Xiao Tian asked.

"Amazing!" after praising Xiao Tian's penis, Shi Fei brought her face closer to his cock. "Your cock is amazing! This is the penis every woman dreams of. It's a pity that you never use this amazing cock before."

Xiao Tian's expression turned happy. "Really? My cock is the penis every woman dreams of?"

Of course, he knew how amazing his penis was because he always managed to satisfy his partner.

Some of them even got addicted to his cock instantly. However, his role was a virgin, so he pretended as if he knew nothing.

"That's right." Shi Fei touched Xiao Tian's cock and paid attention to it carefully. "The color, the size and the length; everything is perfect! I give this cock a score of ninety."

"Ninety?" the corner of his lips twitched when Shi Fei did not give him a perfect score.

'Damn! I will punish you later.'

He added in his mind.

"Do you know why I only gave you a score of ninety?" after saying that, Shi Fei slid from the table and squatted down before Xiao Tian.

"No." Xiao Tian shook his head.

"It's because I haven't tasted your cock. Now stand up and let me taste your cock, so that I can give you a score again." After Xiao Tian rose to his feet, Shi Fei wasted no time and instantly kissed the tip of his cock.

Xiao Tian paid attention to Shi Fei's face carefully. He loved it when he saw a woman kissing, stroking or sucking his penis from above like that.

The sight of a woman's face in front of his penis was so amazing in his eyes.

At this moment, Shi Fei tried her best to hold back. Actually, she wanted to suck Xiao Tian's penis immediately, but she did not do that.

It did not fit her role if she did that, so she decided to keep teasing Xiao Tian.

As she kissed the tip of Xiao Tian's cock, Shi Fei looked at Xiao Tian's face before finally showing her soft smile.

She slowly opened her little mouth before finally putting Xiao Tian's huge penis into her mouth.

'Little brother's cock is as delicious as ever.'

She put Xiao Tian's cock deeper and deeper into her mouth.

At this moment, Shi Fei could no longer hold back the flame of lust within her, and as a result, she sucked Xiao Tian's penis faster and faster.

\*Slurp...Slurp...Slurp...

The sound of her sucking Xiao Tian's cock hungrily could be heard in their ears.

Like before, Xiao Tian still looked at her. He did nothing when Shi Fei moved her head faster and faster.

He loved it!

Yes, he loved it when Shi Fei gave him a fast blowjob.

\*Drip...Drip...

Even though Xiao Tian did not do anything, but Shi Fei's pussy got wetter and wetter, to the point her nectar kept coming out of her pussy.

'Ah...I can't hold back anymore.'

With that idea in mind, Shi Fei stopped sucking Xiao Tian's cock.

"I have tasted your cock." Shi Fei spoke and paused for a second before she continued, "The taste of your penis is also amazing, so I will give you a perfect score; one hundred."

"Thank you." Xiao Tian thanked her for praising his cock.

'This is how it should be.'

He added in her mind.

Shi Fei rose to her feet and sat on the edge of Xiao Tian's table again.

After lifting her skirt to her waist and spreading her legs widely, Shi Fei uttered, "Hehe. Your cock is throbbing non-stop. Do you want to taste my delicious pussy?"

She spread her pussy with her right hand before finally showing her seductive smile.

"Can I?" of course, Xiao Tian knew that something like this would happen.

"We have gone this far, so I will give you a special treatment today." Shi Fei responded, "I will let you know how amazing sex is. Come here and thrust your huge cock into my pussy."

Xiao Tian instantly grabbed his penis with his right hand before finally placing it in front of Shi Fei's pussy.

"You know where the hole is, right? After all, you said you had watched porn earlier." Shi Fei pretended as if Xiao Tian did not know where her vaginal opening was.

"I..I know." After saying that, Xiao Tian placed the tip of his cock at her vaginal opening.

"Yes. That's right. That is the right hole." Shi Fei uttered, "Now thrust your cock slowly."

Xiao Tian did what he was told and thrust his penis into Shi Fei's wet vagina slowly.

“Hmmm...” Shi Fei forgot her role and tilted her head back. “Congratulations. You are not virgin anymore. How is it? Does it feel amazing?”

“Yes.” Xiao Tian gave an honest answer. “It feels amazing.”

Of course, Xiao Tian knew that Shi Fei’s pussy felt amazing because he had had sex with her countless times.

It could be said that he had sex with her the most among his women. There were even times when they had sex more than twice a day.

“Are you feeling good too?” even though Xiao Tian knew the answer, he still asked that question.

“Of course because your cock is amazing!” Shi Fei gave an honest answer.

“Your...your pussy is also amazing!” Xiao Tian decided to praise Shi Fei’s vagina because she praised his cock.

“Hehe.” Shi Fei giggled after hearing his words. “You are so cute when you behave like this. A cute young man with an amazing cock. If every woman knew about this, I’m sure they would eat you up instantly.”

“Can I move now?” Xiao Tian wanted to move immediately because he wanted to hear her wails.

Like before, Shi Fei giggled again. “Hehe. Are you unable to hold back anymore?”

“Yes. It feels so good, to the point I want to move my waist immediately.” Xiao Tian gave an honest answer.

“Sure. You can move your waist if you want.” This was what she wanted, so she agreed instantly.

“Then, I will do that.” after saying that, Xiao Tian moved his waist back and forth, sliding his penis in and out of Shi Fei’s vagina.

### **Chapter 1302: Xiao Tian Gave In**

The huge and luxurious office was filled with a young lady’s cries.

But instead of trying to hold back her wails, the young lady kept moaning non-stop.

Sex!

Yes, the young lady was currently having sex with her lover in his office.

Her lover promised to have sex with her yesterday, but he broke his words. That was why she decided to have sex with him in his office.

At this moment, she was sitting on the edge of his desk with her legs spreading widely. Her black skirt was lifted to her waist, and her sexy panties were slid to the other side.

As for her lover, he was currently standing between her legs, sliding his huge penis in and out of her wet vagina.

His black eyes were focused on his lover’s lewd face while his firm hands were on her flawless thighs.

The longer he heard her seductive cries, the bigger the flame of lust within him. Those two people were none other than Xiao Tian and his sexy lover, Shi Fei.

Shi Fei instantly seduced her young lover after entering his office. She sat on his desk and lifted her skirt right in front of him.

This was the main reason why they ended up having sex in his office.

“Ah...Ah...Ah... little brother, you are supposed to be a virgin, so you should not make a move like this.” even though she said something like that, she was pleased because this was what she wanted.

“But you like this more, right?” Xiao Tian ignored her words and kept moving his waist.

Previously, they played some game where he had to pretend to be a virgin while her role was as an experienced mature lady.

He had played along with her role-playing game, so he stopped pretending after he thrust his penis into her lewd vagina.

“It’s true that I like this more, but didn’t you forget your role? After all, your role is as a virgin young man.” Shi Fei thought they would continue to play the role-playing game until the end.

Xiao Tian instantly stopped fucking her and pulled his penis out of her vagina.

He wanted to punish her!

Shi Fei instantly inquired, “Why did you stop and pull your cock out of my pussy?”

“Didn’t you say I should act based on my role?” Xiao Tian teased her.

“I told you to act based on your role.” Shi Fei responded, “But I never told you to stop fucking me and pull your penis out of my pussy.”

“Fine.” Xiao Tian gave in.

‘Now, I will punish her.’

He put the tip of his penis on Shi Fei’s vagina lips, but he did something that made Shi Fei’s body itch continuously.

He pretended not to know where her vaginal opening was!

Yes, Xiao Tian decided to tease her.

“Eh! Where is it?” he failed to thrust his cock into Shi Fei’s vagina on purpose.

“Ah...Ah...Little brother, what are you doing? Hurry up and put your cock back into my pussy.” Shi Fei felt an itch deep in her vagina because Xiao Tian kept teasing her.

The flame of lust had consumed her body, so what Xiao Tian did was the same as torturing her.

“Didn’t you say I should act based on my role?” like before, Xiao Tian kept teasing Shi Fei with his erect cock.

“Ahh...Forget about the role now and fuck me hard like usual.” Shi Fei did not want to continue their role-playing game anymore because her pussy needed Xiao Tian’s cock so badly.

Xiao Tian’s lips curled up into a smile. “Then I will do that.”

“Ah...” Shi Fei moaned when Xiao Tian thrust his huge cock into her pussy in one go.

Unlike before, Xiao Tian fucked her fast like what she wanted. Shi Fei’s body turned frail, and as a result, her hands could not support her body anymore.

“Ah...Ah...Ah...” she was currently lying on Xiao Tian’s desk.

However, the desk was not big enough for her, and as a result, her head was hanging on the edge of the table.

Of course, she did not mind it because what she had in mind was only one thing.

Pleasure!

She only wanted Xiao Tian to keep fucking her because, with this, she would keep feeling pleasure.

At this moment, Shi Fei’s big breasts moved uncontrollably. It moved in rhythm with Xiao Tian’s movement.

The faster Xiao Tian moved his waist, the faster her breasts moved. It was as if Xiao Tian could control the movement of her breasts.

As Xiao Tian was moving his waist back and forth, he placed Shi Fei’s long legs on his shoulders.

At first, he only wrapped his arms around her thighs, but the sight of Shi Fei’s beautiful breasts caught his attention.

For this reason, Xiao Tian removed his hands from Shi Fei’s thighs before finally squeezing her breasts.

“Ah...Ah...Ah...” like before, Shi Fei cried out in delight.

‘Cumming...Cumming...Cumming...’

She had reached her limit, so she was about to have an orgasm.

At the same time, Xiao Tian also reached his limit. For this reason, he stopped playing with Shi Fei’s breasts and focused on fucking her.

“Cumming...Cumming...Cumming... I’m cumming....” Xiao Tian and Shi Fei had an orgasm at the same time.

Like usual, Xiao Tian let out his sperm deep inside her vagina.

“Huft...Huft...Huft...” they breathed heavily.

At this moment, Xiao Tian’s penis was still buried deep inside Shi Fei’s vagina because he did not pull his cock out of her pussy after having an orgasm.

He immediately sat on the chair after pulling out his penis. At this moment, he was still able to see Shi Fei's vagina because her pussy was right before his eyes.

Shi Fei's legs were in an 'M' shape as if she wanted to show her naked pussy to Xiao Tian.

\*Drip...

Xiao Tian's lips curled up into a smile when he saw his sperm coming out of Shi Fei's vagina.

'What a beautiful view!'

Even though it was not his first time seeing his sperm coming out of Shi Fei's vagina, it still gave him satisfaction.

Of course, Shi Fei knew that Xiao Tian was looking at her pussy because she was spreading her legs before him.

Xiao Tian had seen her pussy before. No, he had seen and tasted every inch of her body, so she behaved normally when Xiao Tian was staring at her lewd vagina.

At this moment, Xiao Tian brought his chair closer to her so that he could see her vagina up close.

'Her vagina becomes more beautiful with my sperm inside it.'

Xiao Tian spread Shi Fei's pussy using his thumbs.

His sperm came out even more when he spread Shi Fei's vagina. "Your vagina becomes more beautiful with my sperm, Fei."

"Is that so? Then please shoot your sperm into my pussy more often from now on." She did nothing when Xiao Tian suddenly spread her vagina.

She knew that Xiao Tian was a pervert, so he would do something lewd if there was a naked pussy before him.

"That's a great idea!" Xiao Tian responded.

'Hmm?'

As Xiao Tian was spreading Shi Fei's vagina, his cock was erect again.

There was only one meaning for this.

His cock wanted to taste Shi Fei's vagina again!

Xiao Tian gave in.

He instantly rose to his feet and placed the tip of his cock at her vaginal opening again.

Shi Fei was startled.

'Don't tell me....'

**Chapter 1303: It's Alright**

'Don't tell me....'

Shi Fei widened her eyes for a second when she felt the tip of Xiao Tian's cock at her vaginal opening.

Of course, she knew that having an orgasm once was not enough for Xiao Tian.

'It's alright, little brother. You can fuck me as long as you want. You can eat my pussy as much as you want.'

She did not stop him when Xiao Tian wanted to have sex with her again.

"Hmmm." Shi Fei instantly covered her mouth when Xiao Tian thrust his penis into her wet vagina in one go.

And like this, Xiao Tian's office was filled with Shi Fei's suppressed cries again.

After having sex for more than an hour, Xiao Tian stopped fucking Shi Fei. At this moment, he was sitting on the couch, half-naked.

He was only wearing a shirt because his trousers were on the floor.

As for Shi Fei, she was naked because Xiao Tian had removed her clothes earlier. Like before, she was still lying on Xiao Tian's desk.

"Are you going to keep lying on my table like that?" Xiao Tian inquired, "You even made my desk wet. How am I going to work now?"

"You were the one who made me like this, so you should not blame me." Shi Fei responded, "If you want to blame someone, you should blame yourself."

Xiao Tian could not talk back after hearing her words because what she said was right. "At least put your clothes on. What if someone sees your naked body?"

"Little brother, you are still half-naked, so why are you telling me to put on my clothes? You should put on your clothes first before telling me to do it." Shi Fei was still tired, so she did not want to put on her clothes immediately.

The corner of Xiao Tian's lips twitched.

'This bad lover!'

He did not expect her to talk back like that.

"You dare to talk back, huh?" of course, Xiao Tian was not angry at her. "If you don't do as I say, I will take a photo of you and spread it to the company."

Of course, he was joking around. There was no way he would do something like that because his women were only for him.

No one was allowed to see their naked bodies.

"Are you sure you want to let others see my naked sexy body?" of course, she knew that Xiao Tian was only joking around.

"I lost." Xiao Tian sighed. "Why are you so smart at a time like this?"

"Hehe." Shi Fei giggled. "Little brother, carry me and put me on the couch."

"Why don't you walk over to the sofa yourself? You have legs, right?" Xiao Tian was not surprised by Shi Fei's words.

Not only was she a pervert, but sometimes, she was also a spoiled lover like his mother.

"How cruel! You were the one who made me like this, so you have to take responsibility." Shi Fei still wanted Xiao Tian to carry her to the sofa. "Little brother, hurry up and carry me to the couch."

Xiao Tian sighed before finally walking toward her. "You are much older than me, but you always behave as if I'm the older one."

Shi Fei smiled happily when Xiao Tian carried her. Of course, she knew that he would carry her because he never refused her wish.

She knew how much his love for her!

"Hehe. You are my boyfriend, so you should understand it. Don't be sad. Here, I will reward you for carrying me to the sofa. Mmmmcchhh." After saying that, Shi Fei cupped Xiao Tian's face before finally kissing his lips. "There! I have rewarded you."

Even though Xiao Tian was happy with the reward, he did not show it on his face.

"What? You are not happy with the reward?" at this moment, Shi Fei thought Xiao Tian was not happy with the reward. "Do you want me to give you a blowjob as a reward? Or do you want to suck my pussy as the reward? I'm fine with any of it."

"Let's forget about the reward." it was not like he did not want it, but they had done many lewd things since earlier.

It was enough for today!

"Hmm? Why?" previously, Shi Fei thought Xiao Tian would choose one of the rewards, but she was wrong.

"Because we will end up having sex again later." Xiao Tian told her the reason why he refused it. "The working hours are almost over, so let's stop doing adult things for now."

"Hehe." Shi Fei giggled after hearing his answer. "I'm fine if you want to have sex with me again. You even can keep fucking me until I can't walk anymore."

"You are indeed a lewd lady!" Xiao Tian stated.

"And you are the one who made me like this." Shi Fei told him that he was the reason why she became a lewd lady.

After putting her on the sofa, Xiao Tian sat next to him.

"Little brother, are you sure you don't want to get a reward from me?" Shi Fei inquired.

“No.” Xiao Tian responded instantly.

“Little brother, did you forget that you only let out your sperm in my vagina? You still haven’t let your white sperm into my mouth and ass hole, you know? How about you do it now?” Shi Fei kept teasing Xiao Tian because it was fun.

Xiao Tian instantly pinched Shi Fei’s cheeks. “Pervert lover, stop saying lewd things for now. You can do it again after arriving home.”

Shi Fei smiled happily. “Good! I will keep saying lewd things after arriving home.”

Not long after that, they went home. Like what she had planned, Shi Fei seduced Xiao Tian and spoke lewd things again.

Xiao Tian was unhappy and decided to punish him. He fucked her non-stop and did not let her rest.

Her mouth, her pussy, and her ass hole; Xiao Tian fucked all of her holes. For this reason, Shi Fei could not move her body anymore and kept lying on her bed until morning.

#### **Chapter 1304: Bad Idea**

Xiao Tian’s Mansion, Shi Fei’s Room.

It was already 06:00 am, but Shi Fei was still lying on the bed, naked. There was one reason why she kept lying on the bed.

Xiao Tian punished her last night!

He punished her for being a bad lady.

He fucked her continuously and filled all of her holes with his sperm.

Xiao Tian even did not let her take a rest, and for this reason, Shi Fei could not move her body last night.

\*Click...

Xiao Tian entered her room without knocking on the door.

“Hmm? You are still lying on the bed?” previously, he thought Shi Fei was in the kitchen like usual, but he could not find her there.

That was why he went to her room because he thought she was still in her room. And what he had guessed was right because Shi Fei was still lying on her bed.

Shi Fei looked at Xiao Tian before finally responding, “Little brother, you are so cruel!”

“It’s your punishment for being a bad lady.” Xiao Tian blamed her for what he had done to her.

“But I loved it.” Shi Fei’s mind was on cloud nine last night, so she was not angry at him.

Her mind was even still on cloud nine when Xiao Tian returned to his room because he fucked her for more than an hour last night.

The corner of his lips twitched after hearing her words. "Get up and put on your clothes. Let's have breakfast together."

"My body is still frail, so I will skip breakfast." Shi Fei was lying when she said her body was still weak. She did not want to move from her position, so she decided to skip breakfast.

Xiao Tian tried to get her to eat breakfast with them, but she still refused. For this reason, he returned to the dining room alone.

Because Xiao Tian really loved Shi Fei, he brought breakfast meal to her room after eating with the others.

Shi Fei's face blossomed into a smile when she saw Xiao Tian entering her room with breakfast meal in his hands.

"Little brother, is that for me?" even though Shi Fei already knew the answer, she still asked that question.

"Breakfast is important for your body, so you can't skip it." Xiao Tian did not want Shi Fei to skip breakfast because it was bad for her body.

"It seems like you really love me." Shi Fei loved his caring attitude.

"Of course, because I love you the most." after saying that, Xiao Tian helped her sit up. "Eat first. After that, you should take a shower. You can sleep again if you want."

Shi Fei consumed breakfast with a happy smile on her face. The delicious breakfast became even tastier because of Xiao Tian.

Sure, he was not the one who cooked breakfast, but his caring attitude, handsome face, and soft smile made the meal much tastier.

After eating, Shi Fei put the plate on the table next to her bed. "I'm full!"

After talking for about ten minutes, Xiao Tian uttered, "Let's take a shower now."

"Eh, we are going to have sex in the bathroom now? But my pussy is still sore." Shi Fei thought Xiao Tian wanted to have sex with her because they always ended up having sex every time they took a shower together.

Xiao Tian flicked her forehead before finally speaking, "Why are you always thinking about lewd things? I have no intention of doing that, so don't worry."

"I see. I thought you wanted to have sex with me again." Shi Fei spoke and paused for a second before she continued, "Little brother, carry me to the bathroom."

"You have legs, so walk to the washroom by yourself." Xiao Tian did not expect Shi Fei to want him to carry her to the bathroom.

"My body is still frail and you are the one who caused this, so you have to take responsibility." Shi Fei made an excuse so that Xiao Tian would carry her to the bathroom.

Xiao Tian sighed. "Come here."

Shi Fei smiled happily before jumping into Xiao Tian's arms. "Mmmmuucch! There! I have kissed you as a reward."

---

Ye Family House, Meeting Room.

The meeting room was long, with wooden furniture adorning the room. The long wooden table was placed in the middle of the room with twelve chairs around it.

At this moment, all of the Ye family members were sitting on the chairs. Previously, Ye Hang called all of them because he wanted to discuss something with them.

"So, do you all agree with their idea?" Ye Hang inquired.

Previously, Ye Tong and Ye Bao gave an idea, and their idea was to kidnap Ye Xueyin and Ye Qingyu.

Of course, they would not hurt them. They just wanted to use them to make Xiao Tian agree to return to the Ye family.

The Ye Family was in a very crisis situation, so they could not wait anymore. They had to make Xiao Tian return to the Ye family as quickly as possible.

Actually, this idea was from Ye Ming and Ye Hedong. Of course, the one who came up with this idea was Feng Jingwen because he wanted to use the Ye family to cause trouble for Xiao Tian.

"Family head, I think this is not a good idea." Ye Rou Bing voiced her opinion. "We made a big mistake in the past, and this was the reason why nephew Xiao refused to return to the Ye family."

She then continued, "If we kidnaped his mother and aunt, wouldn't this make him hate the Ye family even more?"

"What sister Bing said is right." Ye Houteng agreed with Ye Rou Bing's opinion. "If we did that, nephew Xiao would not want to return to the Ye family even more. From my point of view, we have to find other idea."

"We had used many methods, but he still refused to return to the Ye family, so we should use this idea." Ye Tong disagreed with their opinion. "Our family is facing a big problem and we have to solve it immediately, or else we will lose everything, including our family."

"That's right." Ye Bao added. "Even though we will kidnap them, but we won't hurt them, so this should be fine. We have no choice but to use this dirty method because normal methods is useless."

"I agreed." Ye Ming uttered, "Xiao Tian is unfilial person, so he will continue to refuse if we don't use dirty method. We can blame him if he is angry because he keeps refusing our wish."

Ye Rou Bing and Ye Houteng exchanged a glance with each other.

'This is a bad idea!'

They believed it was not a good idea to kidnap Ye Xueyin and Ye Qingyu.

Of course, they had no idea that Xiao Tian had more than one hundred underlings. This was the reason why they dared to have a wild idea like this.

“Family head, you should think about this carefully. Don’t make any more mistakes that you will regret later.” Ye Houteng gave a piece of advice.

Even though Ye Hang knew it was not the best idea, but they had to make Xiao Tian return to the Ye family quickly because they needed his money so badly.

‘Should we do this idea or not?’

### **Chapter 1305: I’m Excited**

When Ye Ming saw Ye Hang’s expression, he immediately uttered, “Family head, young master Feng said he would send ten people to help us if we used this method. One of them is a martial artist at the low-level grandmaster stage while the others are at the high-level master stage.”

“That’s right, family head.” Ye Hedong added. “He also said he would help us if the police got involved later. Your bodyguard is also a martial artist at the grandmaster stage, so with this, there will be two martial artists at the grandmaster stage on our side.”

He continued, “With two martial artists at the grandmaster stage, I’m sure everything will be under our control, so you don’t need to be afraid.”

Ye Hang had a bodyguard at the low-level grandmaster stage. He got that bodyguard from the Xiao family, or else it would be impossible for him to get a powerful bodyguard.

Of course, there was a reason why the Xiao family was willing to give one of their best subordinates to Ye Hang, but they did not reveal it.

They only said that the bodyguard was their farewell gift to the Ye family.

Ye Hang touched his chin.

‘What they said is right. Even though we will kidnap them, we won’t hurt them, so he won’t be angry at us.’

The Ye family was facing a crisis now, so he had to make up his mind quickly.

They had to make Xiao Tian return to the Ye family as quickly as possible!

Unlike the Xiao family, the Ye family was filled with stupid people. This was the reason why they could not maintain their wealth and kept failing in everything.

“Alright. Let’s use this plan.” Ye Hang decided to use their idea. “But remember, we can’t hurt them because it will make Xiao Tian angry later.”

“Understood.” Ye Tong and Ye Bao replied in unison.

At this moment, Ye Ming and Ye Hedong were pleased because, with this, they could take revenge on Xiao Tian later.

They would try to take advantage of the situation to beat Xiao Tian later because he had humiliated them in front of many people.

Ye Rou Bing, Ye Houteng, and Fu Fu sighed after hearing Ye Hang's words.

'The future of the Ye family has been ruined!'

They believed it was not a good idea to kidnap Ye Xueyin and Ye Qingyu because Xiao Tian was their only hope.

Instead of winning his heart, they even wanted to do bad things to his family again. Even a child knew what would happen later.

---

Xiao Tian's Mansion, Backyard.

Xiao Tian was currently sitting on the ground with a big smile on his handsome face.

He was delighted.

He was thrilled because he had finally mastered the fifth secret move.

With the help of the fifth secret move and battle instinct, it could be said that he could defeat almost all martial artists at the low-level grandmaster stage, including those who had gained insight into battle instinct.

'Should I practice the sixth secret technique now?'

After thinking for several seconds, Xiao Tian decided to end his practice because he wanted to work.

Xiao Tian worked hard that day, to the point he returned home at 08:30 pm.

---

The following morning, Xiao Tian went to Crystal's apartment because he wanted to chat and spend time with her.

It was Sunday now, so he did not go to work. However, she was not at her apartment; she went to one of the villages in Wanhui district with Yu Shi.

Xiao Tian instantly went to her place after she sent her location to him.

Crystal was currently training martial arts under Yu Shi's guidance. Sure, Yu Shi was no longer a martial artist, but her experience was wide and deep.

After all, she had become an assassin for almost forty years.

"Good, good!" Yu Shi, who was guiding Crystal, nodded her head in satisfaction.

They were currently in the front yard of a bamboo house. Even though the house was small, but the front yard was huge.

Not only that but there were two huge trees in the front yard. For this reason, the air and the atmosphere in the front yard felt good and fresh.

\*Shui...Shui...Shui...

Crystal's movements were fast, and her attacks were deadly.

At the same time, Xiao Tian arrived and parked his BMW car not far from them.

He did not head toward them immediately after getting out of his car; instead, he stood next to his car and watched Crystal practicing martial arts.

'Her movements are fast, and her attacks are aimed at the fatal areas.'

He never doubted Crystal's skills in martial arts.

If she had trained with someone of the same level, her opponent would have been beaten up by her.

Crystal instantly stopped practicing martial arts when she caught sight of Xiao Tian.

'He has arrived?!'

She smiled at Xiao Tian.

Like Crystal, Yu Shi also looked at Xiao Tian. Of course, she knew that Xiao Tian would come because she was next to Crystal when Xiao Tian called her.

Xiao Tian walked toward Crystal as he spoke, "It seems like you are stronger now."

They then sat on a long wooden chair.

"What about you, Xiao Tian?" Yu Shi inquired, "Did you make progress in martial arts?"

"Yes." Xiao Tian gave an honest answer. "I have also mastered the fifth secret move. Now, I can confidently say I can defeat almost all martial artists at the low-level grandmaster stage."

Crystal and Yu Shi were stunned!

'He made a huge progress again!'

Even though they knew that Xiao Tian was genius, but they were still shocked.

'It's as if he is God's son and destined to rule the world.'

Xiao Tian was also talented in almost everything.

Be it martial arts or business, he could achieve everything with a little effort.

Normally, it would be impossible for a martial artist at the master stage to defeat a martial artist at the grandmaster stage, but Xiao Tian could do that.

Sure, they knew that he was a candidate to be the Ruler, but his progress in martial arts was way too fast.

Not only that, but he also practiced ancient martial arts, which had eight secret moves.

Yu Shi instantly looked at Crystal and said something shocking, "Crystal, hurry up and get married to him."

### **Chapter 1306: Ye Family Made Another Big Mistake**

Yu Shi instantly looked at Crystal and said something shocking, "Crystal, hurry up and get married with him!"

She wanted Crystal to get married to Xiao Tian even more after hearing his words. Xiao Tian was way too amazing, so they had to get him quickly.

Business, martial arts, appearance, wealth; Xiao Tian had everything.

Even most people in China acknowledged it. If someone asked whether Xiao Tian was an amazing young man or not, nine out of ten people would say he was an amazing young man.

After all, he had achieved many things at such a young age. It wasn't easy to find someone like him in China. No, it was hard to find someone like him in the world.

The corner of Xiao Tian's lips twitched after hearing Yu Shi's words. It was not his first time hearing it, so he was not surprised.

'Hey, I'm not a goods, you know?'

He shouted in his head.

Then they began to chat.

--

Somewhere near Li Mall.

Ye Xueyin was currently walking on the street with a big smile on her face. It had been quite a while since the last time she went shopping, so she was delighted.

'I bought sexy lingerie earlier. I suddenly want to know what his reaction would be after seeing it later.'

She wanted to wear that sexy lingerie and immediately show it to Xiao Tian.

At this moment, something unexpected happened.

Mini Van car suddenly stopped next to her!

Two people suddenly covered her mouth with a handkerchief and dragged her into the Van before Ye Xueyin could do anything.

She instantly fell unconscious because there was dope in the handkerchief.

At this moment, two of Xiao Tian's underlings wanted to save Ye Xueyin, but an old man suddenly appeared behind them and hit the backside of their heads.

That old man was a martial artist at the grandmaster stage, and he also attacked them in surprise, so it was normal if Xiao Tian's underlings could not do anything to him.

After all, ordinary martial artists at the master stage would not be able to defeat a martial artist at the grandmaster stage.

Of course, it was a different story for someone like Xiao Tian because he was a candidate to be the Ruler. Only candidates to be the Ruler could do impossible things like that.

They wasted no time and immediately brought Ye Xueyin to the Ye family house.

—

Ye Qingyu was currently drinking green tea in the outside area.

‘Hmm?’

She stopped drinking her tea when two people walked toward her.

The red-haired guy suddenly sat on the opposite side of her and showed a photo of the unconscious Ye Xueyin. “Follow us if you don’t want something bad to happen to your big sister.”

Ye Qingyu pressed down her anger when she saw the photo of her big sister in the car. “Take me to my big sis.”

“Good!” the red-haired man was happy with Ye Qingyu’s decision. “You are indeed a smart woman like the rumors.”

At this moment, two of Xiao Tian’s underlings suddenly appeared in front of them. They knew that these two people wanted to do bad things to Ye Qingyu, so they decided to save her.

“Move!” the blue-haired man ordered Xiao Tian’s underlings not to interfere.

Xiao Tian’s underlings wasted no time and instantly attacked these two men.

Even though all of them were martial artists at the high-level master stage, but Xiao Tian’s underlings had the upper hand in the fight.

At this moment, Ye Qingyu took the opportunity to send her location to Xiao Tian because she saw three more people coming toward her.

From their expressions, she knew that they were on the same side as these two bad people.

‘I hope he will understand later.’

She then put her smartphone into her bag.

When these three people joined the fight, Xiao Tian’s underlings were instantly at a disadvantage because one of them was a martial artist at the grandmaster stage.

None of Xiao Tian’s underlings was a candidate to be the Ruler, so the result of the fight had been set in stone when these three people joined the fight.

Even though they failed to protect Ye Qingyu, but they managed to injure three of their enemies.

They even managed to injure that old man, a martial artist at the grandmaster stage.

The green-haired old man looked at Xiao Tian's underlings, who were lying on the ground. "You two are not bad!"

Xiao Tian's underlings could not stand up anymore and could only grit their teeth.

"Take her to the Van." the old man uttered.

— —

At the same time, Xiao Tian was still chatting with Crystal and Yu Shi.

'Hmm?'

Xiao Tian was startled when his aunt suddenly sent her location to him.

'Why did she send her location to me?'

Of course, he still did not know what was going on because he was with Crystal and Yu Shi.

"What's wrong, Xiao Tian?" Crystal asked curiously.

"My aunt suddenly sent her location to me. I have no idea why she did this." Xiao Tian gave an honest answer.

At the same time, one of Xiao Tian's underlings who was given the task of protecting Yu Qingyu called him, "Leader, we failed in our task. We can't protect your aunt."

Xiao Tian's heart beat fast for a second. "Tell me, what's going on?"

She began to explain everything in detail. "It's like that. And it seems like the other group also failed to protect your mother because they did not answer my call."

At this moment, Xiao Tian realized something. He finally knew why his aunt suddenly sent her location to him.

Someone had kidnapped his aunt and mother!

Xiao Tian's eyes gleamed with terrifying sharpness.

'Who is it? Who kidnaped my aunt and mother? Is it them?'

He remembered Ye Ming, Ye Hedong and Feng Jingwen because he had humiliated them at the Xing family's banquet.

Xiao Tian instantly rose to his feet and spoke, "I have to go now."

He did not wait for their answer and instantly rushed toward his car. Every second was important because someone had kidnapped his mother and aunt.

"Xiao Tian, what's wrong? Why did you suddenly leave like this?" Crystal was startled when Xiao Tian suddenly left like that.

"Crystal, go with him. I'm sure something bad had happened to his company or family." this was a good chance to win Xiao Tian's heart, so Yu Shi told Crystal to help him.

“Alright.” After saying that, Crystal rushed toward Xiao Tian. “Xiao Tian, wait. I will come with you.”

She got into Xiao Tian’s car and instantly sat on the passenger seat.

At this moment, she was still holding her daggers.

“What’s going on?” Crystal repeated her question.

“Someone kidnapped my mother and aunt.” Xiao Tian gave an honest answer.

“What?! Someone kidnaped them?” Crystal said in surprise.

“My aunt has sent her location to me, so we can find them.” Xiao Tian felt glad to have an intelligent aunt like Ye Qingyu.

At this moment, Xiao Tian called Chun Hua and ordered her to follow him. He also ordered her to bring all of his underlings with her.

Someone dared to kidnap his mother and aunt, so he wanted to teach that person a lesson.

He wanted to show them what hell was!

### **Chapter 1307: Going to the Ye Family House**

Ye Family House, Front Yard.

High walls enclosed the front yard of the Ye family house.

The height of the wall was about seven meters, so it was extremely difficult to enter the Ye family home without using the front and back entrances.

At this moment, Ye Xueyin was being tied to a wooden chair in the front yard. All of the Ye family members were standing on her right and left sides.

Like before, she was still unconscious, so she still did not know what was going on.

At this moment, a mini Van entered the front yard of the Ye family house. It was the Van that kidnapped Ye Qingyu.

Feng Jingwen’s subordinates did not dope her because she was cooperative.

Yes, Ye Qingyu did not fight back since they met her!

After they parked the Van, they got out of the car.

Ye Qingyu’s eyes were filled with the flame of fury when she saw her big sister passed out and being tied to a chair.

She shifted her gaze from her big sister to all of the Ye family members.

‘I did not expect to return to this disgusting place again.’

She would not have come to the Ye family house if they had not kidnapped her big sister because she found the Ye family residence disgusting.

Ye Rou Bing, Ye Houteng and Fu Fu lowered their heads when Ye Qingyu glanced at them.

“So, you are finally using a dirty method, huh?” Ye Qingyu’s eyes were filled with coldness, and every single one of her words was filled with hate.

“We would not have kidnapped you two if you agreed to return to the Ye family.” Ye Hang uttered, “I just want to reunite all the Ye family members, so why did you refuse to go back to the Ye family?”

“Reunite all the Ye family members? How laughable!” Ye Qingyu found it funny because she knew their real intention. “Why don’t you just say that you want Tian’s money and company? I’m sure that’s your goal, right?”

“Sister Qingyu, you got it wrong.” Ye Bao added. “The family head really wants to reunite all the Ye family members, so why didn’t you believe it? He realized his mistake and wanted to make amends by uniting all the family members.”

“Don’t call me sister! I don’t want someone like you to call me sister.” In her eyes, Ye Hang and the others had died, so they were no longer her family.

Ye Bao gritted his teeth, but he did not voice out his annoyance because Ye Hang told him to keep his anger in check.

“Qingyu, we don’t have bad intentions. Look! We did not do anything to you two.” Ye Hang spoke and paused for a second before he continued, “As long as you promise to return to the Ye family, we will let you go immediately.”

“Dream on!” Ye Qingyu was sure that they would snatch Xiao Tian’s money and company if they returned to the Ye family.

“Are you sure? Do you want us to hurt your older sister?” Ye Hang threatened Ye Qingyu.

Ye Qingyu was about to explode with rage. However, she knew that she could not do anything because she was alone.

She only hoped that Xiao Tian would come and save them immediately.

At this moment, Ye Xueyin regained consciousness. “Eh, Qingyu, you are here too? Where are we?”

She had just regained consciousness, so she still did not know what was happening.

‘This is...’

She finally knew everything when she saw a familiar house and front yard.

She was in the front yard of the Ye family house!

She then turned her head to the left and right, skimming her surroundings.

“Rou Bing, Houteng?” she tried to free herself, but her efforts were in vain because she was being tied to a chair and could not use her hands. “Qingyu, help me.”

Ye Qingyu instantly rushed towards Ye Xueyin and wanted to free her. However, Feng Jingwen’s subordinates stopped her and grabbed her hands.

“Xueyin, don’t worry. We won’t hurt both of you.” Ye Hang uttered, “As long as you agree to return to the Ye family, we will let you go immediately. So, how is it?”

“Big sis, it’s a trap! They only want Tian’s money and company.” Ye Qingyu warned her older sister to reject Ye Hang’s condition.

“Ye Hang, let us go and I will forget all of this.” of course, Ye Xueyin also knew their real intention.

“You have to promise to return to the Ye family first? Otherwise, we can’t let you go.” Ye Hang would not let them go if they did not promise to return to the Ye family.

“Dream on!” Ye Qingyu shouted. “You kicked us out of the Ye family a few years ago and now you want us to return to the Ye family? Are you kidding me?”

“I was too impulsive in the past and now I have realized my mistake.” Ye Hang responded, “I’m willing to apologize if you promise to return to the Ye family and help us solve our problem.”

“There! You finally reveal your real intention.” Ye Qingyu tried to free herself, but two of Feng Jingswen’s subordinates grabbed her hands harder.

“Ye Hang, let us go now.” Ye Xueyin repeated her words. “Tian would be angry if he knew about this. Let’s go now before it’s too late.”

Ye Xueyin knew about the strength of Xiao Tian’s underlings because she had checked it with Ye Qingyu a few days ago.

“Too late? What do you mean by that?” Ye Ming found it funny.

They had two martial artists at the grandmaster stage and nine people at the high-level master stage.

He was sure that they could deal with Xiao Tian instantly. He even thought that dealing with Xiao Tian was as easy as turning his palm.

At this moment, Xiao Tian and Crystal arrived at the Ye family house.

\*Sring...

He extended his special sword.

Like Xiao Tian, Crystal also wielded her daggers.

At the same time, all of Xiao Tian’s underlings almost arrived at the Ye family house. They all held their weapons as if they were about to have a war.

### **Chapter 1308: They Are So Disgusting!**

Ye Hang and the others instantly turned their heads when Xiao Tian and Crystal walked toward them.

“Tian...” Ye Xueyin shouted.

“Tian...” Ye Qingyu tried to free herself again, but her efforts were in vain.

Xiao Tian’s black eyes were like an abyss when he saw what was happening to his mother and aunt.

The aura of anger danced uncontrollably, and his eyes were filled with killing intent.

Ye Ming and Ye Hedong were trembling in happiness.

'He came, he came, he came, he came, he came!'

Instead of feeling terrified, they were delighted when they saw Xiao Tian.

With two martial artists at the grandmaster stage and nine martial artists at the master stage on their side, he believed nothing bad would happen to them.

From their point of view, Xiao Tian had entered Lion's den. Even though they knew that Xiao Tian was a martial artist, they were sure that he would not be able to defeat them.

Xiao Tian was still young, so it was impossible for him to be a martial artist at the grandmaster stage.

Of course, they had no idea that Xiao Tian was a candidate to be the Ruler. No, all of the Ye family members did not know anything about Xiao Tian except for his wealth.

Xiao Tian skimmed his surroundings, inspecting his enemies.

'There are eleven martial artists and two of them are strong.'

He used the energy of heaven and earth to check the aura of his enemies.

The energy of heaven and earth was scattered in every inch of the world. In short, the world was filled with the energy of heaven and earth.

He used this energy to feel the strength of his opponents. The stronger they were, the bigger and thicker their energies were.

"Ye family, you have managed to make me angry today." Xiao Tian's words were filled with coldness.

"So what if we managed to piss you off today? Remember, your mother and aunt are in our hands now." even though Xiao Tian looked scary, but Ye Ming was not afraid of him.

Xiao Tian shifted his gaze from Ye Hang to Ye Ming.

'Then I will make you pay the price now.'

He rushed towards Ye Ming.

His intention was clear.

He wanted to kill Ye Ming!

Everyone was shocked when Xiao Tian suddenly attacked Ye Ming.

They thought everything was under their control, and Xiao Tian would not dare to do anything, but they were wrong.

They were utterly wrong because Xiao Tian dared to attack Ye Ming. There was even a killing intent in his eyes.

"Help me!" terror overtook Ye Ming's face when he saw Xiao Tian rushing towards him.

Touhai, one of the two martial artists at the grandmaster stage who was dispatched by Feng Jingwen, dashed towards Ye Ming.

'Fast!'

He was sure that Xiao Tian was a martial artist at the master stage.

That was why he was shocked when he found out that Xiao Tian's speed was already on par with those of martial artists at the grandmaster stage.

At this moment, Xiao Tian was already close to Ye Ming, but he failed to slice Ye Ming's neck because Touhai grabbed Ye Ming's shirt collar and pulled him back.

\*Slash...

Xiao Tian changed his attack pattern, injuring Ye Ming's left arm.

\*Drip...

Blood oozed from his wound, causing the color of his right sleeve to turn red.

"Agghhhh." Ye Ming cried out in pain when he saw blood on his right arm.

Touhai was shocked when Xiao Tian still managed to injure Ye Ming.

'He changed the direction of his attack?!'

Previously, he believed that nothing bad would happen to Ye Ming, but he was wrong.

'How could he change the direction of his attack so quickly like this? Isn't he only at master stage?'

It was his first time seeing a martial artist at the master stage so fast, like Xiao Tian.

"Ming..." Ye Tong and Ziya rushed toward their son.

Ye Ming pointed his left index finger at Xiao Tian. "I want him dead! I want him dead!"

At the same time, Crystal tried to save Ye Qingyu, but she failed because four people stopped her.

"Stop!" Ye Hang was furious because Xiao Tian and Crystal dared to behave rudely in front of him. "Did you forget we have hostages?"

"You are lucky!" Xiao Tian stated.

"Father, he dared to injure my son. I want him dead now." Ye Tong's body had been consumed by anger, so he forgot their intention.

Ye Ming would have died if Touhai had not saved him, so he wanted to kill Xiao Tian.

"Shut up!" Of course, Ye Hang disagreed because it was different from their intention. "Xiao Tian, I will release them on one condition."

"Tian, you must refuse it!" Ye Qingyu was afraid that Xiao Tian would agree with Ye Hang's condition.

"You want me to go back to the Ye family, right?" of course, Xiao Tian knew their intention.

“You are right.” Ye Hang responded, “There is Ye family blood running in your body, so it’s normal if you return to the Ye family. How is it? Do you agree to go back to the Ye family?”

Instead of answering Ye Hang’s questions, Xiao Tian inquired, “Before I answer your question, I want to ask you something.”

“What is it?” Ye Hang inquired.

“What is my name?” Xiao Tian asked.

“Your name? Why are you asking a question like that? I’m sure everyone here already knows your name.” Ye Hang did not know why Xiao Tian asked a stupid question like that.

“Just answer my question.” Xiao Tian did not tell Ye Hang the reason why he asked an easy question like that.

“Your name is Xiao Tian, right? Or am I wrong?” Ye Hang was sure that his name was Xiao Tian.

“That’s right. My name is Xiao Tian, not Ye Tian. So, why are you acting like I’m part of your Ye family?” Xiao Tian responded, “Isn’t it funny to ask me to return to the Ye family? After all, I’m from the Xiao family, not Ye family.”

“Your mother is from the Ye family and there is Ye family blood in your body, so how dare you say something like that? Are you not afraid of karma?” Ye Hang was enraged when Xiao Tian was unwilling to acknowledge his ancestor.

“Family head, I have told you many times that he is unfilial person.” Ye Ming took advantage of the situation to teach Xiao Tian a lesson. “Just kill him! After that, we can think of a way to take his companies later.”

He did not realize what he had just said.

Yes, Ye Ming just revealed their real intention!

Everything instantly looked at Ye Ming.

‘This stupid person!’

They did not expect him to reveal their real intentions so openly.

“All of you are indeed vampires!” Ye Qingyu shouted after hearing Ye Ming’s words.

Even though she already knew their intention, but it made her angrier after hearing it directly from Ye Ming’s mouth.

Because Xiao Tian still did not want to listen to his words, Ye Hang decided to use their second plan.

“Ye Hang...” Ye Qingyu shouted angrily when a knife was placed on Ye Xueyin’s neck.

Not only on Ye Xueyin’s neck, but they also put a knife on her neck.

‘They are so disgusting!’

She suddenly felt sad because she was from an evil family, like the Ye family.

## Chapter 1309: Fighting Against a Martial Artist at the Grandmaster Stage

Rage pulsed through his veins, but Xiao Tian kept his anger in check. He was at a disadvantage because his mother and aunt were in their hands.

“Xiao Tian, I’m sure your underlings almost arrive by now, so let’s just keep buying time.” Crystal said in a low voice.

“How about we have a fight?” Xiao Tian tried to buy time. “I would agree to go back to the Ye family if you can defeat me. However, you have to free my mother and aunt if I win.”

Ye Hang was pleased after hearing Xiao Tian’s words. “I agreed. If you win, I will release your aunt. You need to win twice if you want to save your mother and aunt.”

‘He fell into our trap.’

He was sure everything was under their control now.

First, they had eleven martial artists on their side. Two of them were even martial artists at the grandmaster stage. And last, Xiao Tian only brought one person with him.

They were also at the Ye family house, so he believed everything would go like what they planned.

Ye Ming and the others smirked.

‘Fool!’

That was the word that appeared in their minds.

“Tian, don’t do that!” Ye Xueyin did not want to see her son get injured.

“Tian, what are you doing? You should not do that!” Ye Qingyu did not know why Xiao Tian took a risky bet.

Even though they were not martial artists, but they knew that the two of them were strong because they were the ones who defeated Xiao Tian’s underlings.

“Sure.” Xiao Tian agreed instantly.

Even though two of his enemies were martial artists at the low-level grandmaster stage, he was not afraid.

Sure, he still did not have the ability to fight two martial artists at the grandmaster stage at the same time, but he believed everything would be under his control because it was one on one fight.

“Let me fight him.” Touhai believed he could defeat Xiao Tian because he was already at the grandmaster stage.

“Alright.” Ye Hang agreed instantly.

‘It seems like we can save our family today.’

Like Touhai, he was also sure that Touhai could defeat Xiao Tian later.

"I was surprised with your speed earlier, so let me test your speed again." After saying that, Touhai rushed toward Xiao Tian.

He did a front kick when he was close to Xiao Tian. He did not give Xiao Tian a chance to fight back.

He instantly did a spinning hook kick when Xiao Tian dodged his first kick. Even though Xiao Tian was at the master stage, but he did not underestimate Xiao Tian.

'What?!'

He found it hard to believe what was happening.

He kept attacking Xiao Tian and did not give him a chance to counterattack. However, he never landed an attack on Xiao Tian's body.

Yes, Xiao Tian always managed to dodge or block his attacks!

Not only Touhai, but everyone also found it hard to believe what was happening.

Previously, they thought it would be over quickly, but they were wrong. They were utterly wrong because Touhai still could not defeat Xiao Tian.

Of course, they believed it was because Touhai was playing around with Xiao Tian.

Even though Touhai kept attacking him, Xiao Tian was still calm.

'I should not end this fight quickly.'

Actually, he did not attack Touhai on purpose because his main purpose was to buy time.

He was waiting for his underlings to arrive at the Ye family house because he believed the Ye family would not keep their promise later.

There was no way an evil family like the Ye family would keep their promise, especially if their family head were someone like Ye Hang.

"What is this? Is running the only thing you can do?" Ye Hedong made fun of Xiao Tian because Xiao Tian kept running away from Touhai.

"Elder Touhai, stop playing around and finish him quickly!" Ye Tong uttered, "Show him how strong a martial artist at the grandmaster stage is."

At this moment, they had no idea that Xiao Tian was buying time. They thought Xiao Tian was much weaker than Touhai.

That was why Xiao Tian kept running away from Touhai.

"Tian..." Ye Xueyin and Ye Qingyu's expressions turned worried when they saw the fight.

They thought Xiao Tian would lose the fight because he could not fight back and kept at a disadvantage.

'This is dangerous!'

Xiao Tian would lose all of his money and companies once they returned to the Ye family.

“Finish him! Kill him!” Ye Ming shouted.

At this moment, Crystal still acted calmly. Sure, she knew that Xiao Tian was at a disadvantage, but she believed Xiao Tian would not lose to Touhai.

She had seen how powerful Xiao Tian was, so she knew that Xiao Tian was not fighting Touhai seriously.

“You are really fast.” Touhai stated. “But you won’t be able to win the fight if you keep running away like this.”

He believed that he would defeat Xiao Tian sooner or later. After all, Xiao Tian could only run away from him.

“Is that so?” Xiao Tian kicked Touhai before finally taking three steps back.

‘Then, I will finish you now.’

He changed his position into an lai stance.

‘Moon style sword of drawing techniques- fifth form: one hundred deadly slashes.’

He decided to use the secret move he mastered a few days ago.

After blocking Xiao Tian’s kick, Touhai uttered, “What is this? Is that some kind of secret move?”

Xiao Tian rushed towards Touhai.

\*Slash...Slash...Slash...

He began to attack Touhai.

His attacks were fast and aimed at the fatal areas.

Even though Touhai was a martial artist at the grandmaster stage, but he could not block or dodge all of Xiao Tian’s attacks.

Xiao Tian’s attacks were too fast for him!

Head, arms, stomach, legs; blood began to come out of Touhai’s body.

Ye Hang and the others were stunned.

‘What is this? What’s going on? What’s happening? How could something like this happen?’

They found it hard to believe what they were seeing.

Touhai was a martial artist at the grandmaster stage, so they thought it would be impossible for Xiao Tian to defeat Touhai.

Touhai was also dumbfounded.

‘How? How could he do something like this?’

Previously, he had the upper hand in the fight, but now the tables had turned.

All Xiao Tian did was run away from him earlier. Xiao Tian could only dodge or block his attack, but now everything had changed.

Xiao Tian had the upper hand now!

In short, they switched positions.

No, it could not be said they switched positions because he even could not dodge or block Xiao Tian's attacks.

'This is dangerous!'

He would lose the fight if he could not stop Xiao Tian's attacks.

\*Slash...Slash...Slash...

However, Xiao Tian's attacks were too fast.

"Touhai, what are you doing?" Ye Hang was panicked. "Stop playing around and finish him quickly."

He still believed that Touhai was not fighting Xiao Tian seriously. After all, Touhai was a martial artist at the grandmaster stage while Xiao Tian was at the master stage.

\*Slash...Slash...Slash...

Touhai tried his best to block, dodge or stop Xiao Tian's attacks.

He put himself on the line!

'Impossible! This is impossi-'

Touhai fell to the ground and died.

### **Chapter 1310: Killing Touhai**

The expression of deep shock blossomed on everyone's faces.

They found it hard to believe what was happening. They thought their eyes were playing tricks on them.

They rubbed their eyes, but what they saw was the same.

Touhai was killed by Xiao Tian!

A martial artist at the master stage defeated a martial artist at the grandmaster stage.

They had never heard something like this before.

It should be impossible for a martial artist at the master stage to defeat a martial artist at the grandmaster stage.

After all, the difference between them was like heaven and earth!

Many martial artists were stuck at the high-level master stage their entire lives because breaking through to the grandmaster stage was so difficult.

This was the reason why a martial artist at the grandmaster stage was different from a martial artist at the master stage.

However, Xiao Tian did something impossible once again.

He defeated a martial artist at the grandmaster stage!

“Impossible! This is impossible!” Ye Ming still did not want to admit it. “Elder Touhai, get up. Stop pretending and kill that unfilial person immediately.”

Of course, Touhai did not respond to Ye Ming’s words. After all, Xiao Tian had killed him.

Ye Hang’s expression darkened.

‘How? Is he a martial artist at the grandmaster stage?’

He suddenly suspected that Xiao Tian was a martial artist at the grandmaster stage.

“What do you think, Houmei?” Ye Hang wanted to hear his bodyguard’s opinion.

Houmei was like Touhai, a martial artist at the grandmaster stage. However, he was not from the Feng family like Touhai.

He was from the Xiao family!

In short, the Xiao family lent him to the Ye family.

Of course, there were a few reasons why the Xiao family lent Houmei to the Ye family.

“I also find it hard to believe what is happening. I will investigate it later.” even though Houmei was a martial artist at the grandmaster stage, but he was only an ordinary martial artist.

Yes, he did not have insight into battle instinct!

He belonged to the lowest group of the Xiao family force, so he needed to report this to the Xiao family first.

This was one of the reasons why the Xiao family decided to lend him to the Ye family. After all, they had to keep all the strong martial artists to themselves.

“Can you defeat him?” Ye Hang threw another question.

Xiao Tian had defeated Touhei, so he was worried that he could defeat Houmei. That was why he wanted to know Houmei’s opinion first.

“I’m not sure.” Houmei gave an honest answer. “But his previous move consumed a lot of his stamina, so I have a high possibility to defeat him.”

“Alright. I will leave it to you.” Ye Hang decided to rely on Houmei because he was the strongest among them.

‘I will order everyone to attack him if Houmei can’t defeat him.’

Of course, Ye Hang would not let Xiao Tian win another fight because it would ruin everything.

"I won!" Xiao Tian stated. "Now release my aunt."

Ye Hang looked at Feng Jingxian's subordinates before finally speaking, "Release her."

"Father!" Ye Bao and Ye Tong shouted in unison.

Ye Hang stopped them when they wanted to say something. Of course, he knew what they wanted to say.

Xiao Tian was startled.

Previously, he thought Ye Hang would break his word, but he was wrong.

But, he did not let his guard down because he knew that the Ye family members were cunning and wanted his money and companies.

Ye Qingyu instantly rushed toward Xiao Tian. "Tian..."

Xiao Tian then looked at Crystal. "Crystal, please protect my aunt."

"Alright," Crystal responded as she nodded her head.

Xiao Tian returned his attention to Ye Hang. "Who is my next opponent?"

"I will be your opponent," Houmei said as he walked toward Xiao Tian.

"Tian, be careful!" Ye Qingyu uttered.

"Don't worry." Xiao Tian smiled before shifting his gaze from his aunt to Houmei. "I'm ready."

At this moment, a young woman who wore a silver fox mask, stood on the wall fence, looking at them from afar.

She did not help Xiao Tian immediately because Xiao Tian needed this obstacle to get stronger. Of course, she would help him if Xiao Tian's life was in danger.

\*Shui...

Houmei rushed toward Xiao Tian and began to attack him.

Xiao Tian had used a lot of his stamina when he fought Touhai, so he wanted to take advantage of the situation.

Houmei was stronger than Touhai, and Xiao Tian had used a lot of his stamina, so he instantly had the upper hand.

However, he still could not defeat Xiao Tian. Sure, he managed to land attacks on Xiao Tian's body a few times, but Xiao Tian was still standing.

"Tian..." Ye Xueyin was worried when Houmei managed to kick and hit Xiao Tian.

At this moment, Xiao Tian wavered.

'What should I do?'

He had used half of his stamina when he fought Touhai because he used his secret move.

Houmei was stronger than Touhai, so he knew that he would not be able to defeat Houmei without using battle instinct.

However, he would not have stamina left after using it. He was afraid that the Ye family would take advantage of the situation later.

They still had nine martial artists on their side, so everything would be under their control if he could not fight anymore.

Sure, Crystal could help him, but she would not be able to defeat nine martial artists at the high-level master stage.

This was the reason why he did not know what to do.

'If only I bring poison needles and Xushi poison with me.'

Unlike usual, he did not bring anything with him.

If he brought poison needles or Xushi poison with him, he could take care of Houmei easily.

'Let's do that.'

Xiao Tian decided to use the second secret move because he had used a lot of his stamina.

He knew that the second secret move would not be able to defeat Houmei because Houmei was a martial artist at the grandmaster stage.

The first secret move to the third secret move was useless against martial artists at the grandmaster stage.

He needed to use at least the fourth secret move if he wanted to defeat a martial artist at the grandmaster stage.

However, his stamina was not enough to use the fourth secret move or the fifth secret move.

Even though the second secret move would not be able to defeat Houmei, but it could injure him.

At least he could buy time if he managed to injure Houmei.

'Alright, let's do that.'

Xiao Tian took three steps back and changed his position into an lai stance.

"As if I would let you use that move again!" Houmei had seen how terrifying Xiao Tian's secret technique was, so he would not let Xiao Tian use it again, or else he would end up like Touhai.

"Stop him! Don't let him use that technique again!" Ye Hang decided to interfere with the fight because he feared that Xiao Tian would kill Houmei again.

Eight people rushed toward Xiao Tian, and they were ready to attack him.

\*Vroom...

At the same time, Xiao Tian's underlings arrived at the Ye family.
