Chapter 1321: Beating Ye Hang and the Others

Ye Hang and the others got out of their cars.

They were furious!

They were enraged because Xiao Tian's underlings suddenly stopped their cars in front of theirs.

It was dangerous.

They could get into an accident if they did not stop the car on time. That was why they wanted to scold Xiao Tian's underlings.

Seven of Xiao Tian's underlings got out of their cars. They did not bring their weapons because they knew that Ye Hang and the others were not martial artists.

Actually, one or two people were enough to deal with Ye Hang and the others, but Xiao Tian ordered them to execute the plan with seven people.

Ye Hang and others were stunned when they saw Xiao Tian's underlings. Terror overtook their faces because they knew that Xiao Tian's underlings were bad people.

Xiao Tian's subordinates wore ninja clothes because he told them to hide their identities.

"Who...who are you?" Ye Hang suppressed his fear.

All of them were not martial artists, so they knew what would happen if they fought.

Houmei still had not returned to the Ye family, so no one could protect them. Of course, they still had no idea that Houmei had already been killed by the Silver Fox lady.

"We came to teach you a lesson." Mu Hou said what Xiao Tian told him to. "Your company has made our boss lose several million Yuan, so he wants to teach you a lesson."

Previously, Xiao Tian had told them what they had to do, so they knew what they should do.

"Your boss? Who is your boss?" Ye Bao knew there were several people who invested several million Yuan into his company, so he didn't know who their boss was.

All previous major shareholders invested more than two million Yuan, so there were more than five people who could be suspected.

"You don't need to know." Chun Hua responded coldly. "Beat them!"

"Aghh..."

"Aggh..."

"Agghh..."

Ye Hang and the others were not martial artists, so Xiao Tian's underlings could beat them easily.

It took them less than a minute to beat Ye Hang and the others.

Xiao Tian's underlings beat Ye Ming, Ye Hedong, and Ye Hang more than the others because Xiao Tian hated them so much.

"Look! They have a lot of money in the car." One of Xiao Tian's underlings pretended as if she did not know that Ye Ming and the others had money in their cars.

"There is also a lot of money in this car." Another member of the Blue Ice Lotus gang uttered.

"No! Don't take our money!" Ye Hang and the others tried to protect their money, but they got beaten up by Xiao Tian's underlings again.

However, they did not give up and still tried their best to protect their money. They had endured a humiliation to get that money, so they tried their best to protect it.

Bang!

Chun Hua kicked Ye Bao.

"Take all the money!" Mu Hou uttered, "We will give the money to our boss later."

"NO!" Ye Tong and the others shouted. "Don't take our money!"

"I will use this money as compensation." Of course, Mu Hou would not listen to their words.

After taking the money, they left.

Ye Hang and the others sat while looking at their cars.

Their hearts were filled with sadness.

They had endured a humiliation to get that money, but now, Mu Hou and the others snatched it from them.

"God, do you want my Ye family to disappear from this world?" Ye Hang said in sadness.

—

Xiao Tian's Mansion, Lin Xing Xue's Bedroom.

"Ah...Ah...Ah..." Lin Xing Xue's room was filled with her wails.

Sex!

Yes, she was currently having sex with Xiao Tian in her room.

Previously, Feng Yu's words caused him emotional damage, so he asked Lin Xing Xue to comfort him.

One thing led to another, and they ended up having sex in her room, or more precisely, they were having sex in the doggy style.

Of course, they did a lot of sex positions earlier, but they ended up in doggy style again.

Xiao Tian's hands were currently on Lin Xing Xue's slender waist. The flame of lust within him grew bigger when Lin Xing Xue's cries entered his ears.

As he was enjoying Lin Xing Xue's wet vagina, his smartphone suddenly rang.

'Hmm?'

Usually, he always ignored his smartphone when he was having sex with his women, but he decided to pick up the phone this time because he knew it was from his underling.

"Hmmm??" Lin Xing Xue turned her head to look at him.

Because Xiao Tian did not pull his penis out of her pussy, his penis moved in an unusual move when he picked up his smartphone.

'He is picking up the phone?!'

She was startled because he usually did not do that.

"Did the plan go smoothly?" Xiao Tian asked after picking up the phone.

Of course, he knew that Mu Hou wanted to give his report because he ordered Mu Hou and his underlings to take back his money from the Ye family earlier.

"Ah...Ah...Ah..." Lin Xing Xue had tried her best to hold back her cries, but she failed.

Xiao Tian was still sliding his huge penis in and out of her pussy continuously, so she let out countless seductive cries.

Black lines formed on Mu Hou's forehead when he heard Lin Xing Xue's cries through his smartphone.

'He is having sex?!'

He did not expect Xiao Tian to still pick up the phone when he was having sex with one of his women.

"Boss, we have taken back your money from the Ye family." Mu Hou tried his best to behave normally.

"Ah...Ah...Ah...Hmmm...Hmmm." Lin Xing Xue suddenly felt as if someone was watching them having sex.

That was why her body suddenly turned hotter, and she could not hold back her moan anymore.

Xiao Tian was startled.

'Hmm?'

Lin Xing Xue's pussy suddenly became much tighter.

His lips curled up into a grin. "Good! I will take back my money tomorrow because it is already late now."

Lin Xing Xue widened her eyes.

'Tian, you are so bad!'

She covered her mouth, hoping it could suppress her cries.

However, she failed to suppress her wails because Xiao Tian moved his waist faster. It was as if he wanted Mu Hou to hear her cries through his phone.

She did not know why Xiao Tian did something like that. He had never done it before, so she wanted to know the reason why he did something like this.

"Alright. We will keep the money safe." Mu Hou was afraid that he would get aroused if he kept hearing Lin Xing Xue's wails, so he wanted to end the call immediately.

"Alright." After saying that, Xiao Tian hung up the phone and threw it on the bed. "Little Xue, did that excite you?"

"Aren't you embarrassed?" Lin Xing Xue inquired, "I'm sure he could hear everything earlier."

"It's fine. Mu Hou won't tell anyone about it." He dared to do that because he believed Mu Hou would not spread it.

Lin Xing Xue sighed.

'Sometimes, he is so careless.'

Even though Xiao Tian always planned everything before doing something, but sometimes, he was so careless.

Xiao Tian pulled out his penis out of Lin Xing Xue's pussy and lay on his back. "Little Xue, get on top of me now."

Chapter 1322: Someone Stole My Laptop

Xiao Tian pulled his penis out of Lin Xing Xue's pussy and lay on his back. "Little Xue, get on top of me now."

Lin Xing Xue wasted no time and immediately positioned her pussy right above Xiao Tian's erect cock.

"Hmmm..." she shut her eyes when she lowered her body.

And then, her room was filled with her cries again.

"Today is a wonderful day!" Xiao Tian smiled from ear to ear.

He was thrilled because many good things had happened today. Due to how happy he was, he was paralyzed with happiness.

"Are you happy because we just had sex or because you could humiliate the Ye family earlier?" Lin Xing Xue asked curiously.

"Both of them! I'm thrilled because I could have sex with my gorgeous lover and also humiliate the Ye family." Xiao Tian gave an honest answer.

'It was a pity that my predecessor could not see how I humiliated the Ye family.'

He added in his head.

"Does that mean the Ye family endured the humiliation for nothing?" she knew that Xiao Tian had ordered his underlings to take back his money.

“That’s right. But they deserve it!” Xiao Tian did not feel sorry for tricking the Ye family because they did many cruel things to his predecessor.

Ling Xing Xue did not say anything because what Xiao Tian said was right.

“Forget about them.” Xiao Tian uttered, “Let’s sleep now.”

“Un.” Lin Xing Xue nodded her head.

Then they slept.

—

The following morning, Xiao Tian traveled to his gang after breakfast. There were two reasons why he went to his gang.

First, it was to take back his money, and last, he wanted to carry out his new plan.

“Mu Hou, Chun Hua, follow me.” Xiao Tian uttered, “Ah, bring your masks too. I want to go using my other identity.”

“Alright.” Mu Hou and Chun Hua replied in unison.

As usual, his subordinates greeted him when he arrived at his company. Xiao Tian immediately called Liang Jun after entering his office.

“Do you have any orders for me, sir?” Liang Jun did not know why Xiao Tian suddenly called him to his office.

“Liang Jun, let’s go to the Ye family company and buy their company.” Xiao Tian revealed his intention.

Liang Jun was surprised.

Not only Liang Jun but Mu Hou and Chun Hua were also startled because Xiao Tian did not say anything about it earlier.

“Let’s create Eternal Group.” Xiao Tian added. “I have created Star Group, now I want to make Eternal Group.”

He would not stop expanding his business until he became the wealthiest person in China. He would keep growing his business until China was filled with his company.

The Ye family’s business was on the verge of bankruptcy, so he could buy their business cheaply.

“Understood.” Liang Jun replied instantly.

Without waiting for another second, they traveled to the Ye family company.

—

Xiao Tian was currently in Ye Tong’s office. Ye Tong was pleasantly surprised when he knew the reason why Xiao Tian came to his company.

Due to how happy he was, he immediately called Ye Bao and the others. Of course, their faces were still filled with bruises.

“Mr. Ye, I’m sorry for being rude, but what happened to you and the other members of the Ye family? Your face is...” Xiao Tian did not finish his words on purpose.

Of course, he pretended to know nothing because it could raise suspicion. And he was Qing Feng now, not Xiao Tian.

“Ah, this? Well, seven robbers tried to steal something from our house last night, so we got these bruises because we fought them. Of course, we won and the robbers are in prison now.” Ye Tong decided to lie because he did not want the Ye family to lose face.

“That’s right.” Ye Bao added, “Even though they had seven people, but we managed to beat them.”

“Yes, yes.” Ye Hang nodded his head.

Xiao Tian, Chun Hua, and Mu Hou tried their best not to laugh.

Chun Hua and Mu Hou were the ones who beat them last night, but Ye Tong and the others dared to lie to them.

“I see.” Xiao Tian responded, “I know a good hospital in Beijing. If you want, I can recommend it later.”

“No, no. It’s fine.” Ye Tong and the others refused instantly.

They had no money, so they refused instantly. This was the reason why they did not go to the hospital.

“Mr. Qing, do you really want to buy our company?” even though Xiao Tian had stated the purpose of his coming to their company, Ye Hang still asked that question because he wanted to hear it again.

“Yes.” Xiao Tian nodded his head. “We can talk about the price later. I want to know about the company first.”

At this moment, Ye Hang and the others remembered something.

The Feng family wanted their company too!

“Mr. Qing, we are willing to sell our company to you, but....” Ye Hang did not know what to say.

This was a golden opportunity to get a lot of money, so he did not want to lose this chance. But, they had no idea what to do if the Feng family suddenly came to them later.

They were in a tight situation!

“What’s wrong, Mr. Ye?” Xiao Tian pretended as if he knew nothing.

‘Ah, so it’s about the Feng family, huh?’

Of course, he knew about it because he had investigated everything before.

“Mr. Qing, can you come again tomorrow? We need to prepare something if we want to sell our company to you.” Ye Hang spoke politely. “Ah, we don’t mind if you want to meet at your company.”

They knew that Qing Feng was the owner of the Eternal Beauty company because he was in the category of rich people in Shanghai.

"Alright." Xiao Tian agreed instantly. "I will come to your company again tomorrow."

"Thank you for understanding us, Mr. Qing." Ye Hang and the others bowed their heads to Xiao Tian.

After Xiao Tian left, Ye Hang and the others began to discuss their problem.

"Father, we should sell our company to Mr Qing, but what about the Feng family?" Ye Tong inquired.

Chapter 1323: Someone Stole My Laptop. Damn!

All the Ye family members were currently in Ye Tong's office. There was one reason why they suddenly gathered in Ye Tong's office.

They were discussing their family's future!

Previously, Xiao Tian came to their company, saying he wanted to buy their company.

Of course, they were willing to sell their company because they needed money. However, they had one problem.

The Feng family also wanted their company!

But unlike Xiao Tian, who would buy their company, the Feng family wanted to take their company without giving anything.

In short, the Feng family wanted to snatch their company.

If the Feng family were not rich and influential, they would have sold their company to Xiao Tian by now, but they could not do that.

"Father, what should we do now?" of course, Ye Tong would love to sell their company to Xiao Tian, but he needed their approval first.

"I want to sell our company to Mr. Qing, but what should we do about the Feng family?" Ye Hang also had the same thought as Ye Tong.

"Just sell the company to Mr. Qing." Ye Bao voiced out his opinion. "We would get a lot of money if we sold our company to Mr. Qing, but we would get nothing if we followed the Feng family's words. Even a child knows the answer."

"But what if the Feng family come to us later?" Ye Rou Bing inquired, "Even though we are the owner of the company, but our company is under the Feng family's control now."

*Silence...

The entire area dropped into a dead silence.

"Family head, how about we discuss this with Mr. Qing tomorrow? Maybe he can find a solution later." Ye Houteng gave a piece of advice.

“Father, just sell the company to Mr. Qing.” Ye Bao repeated his words. “We will regret it if we don’t do that. Remember, we only have a little savings now.”

What Ye Bao said was right. They even still had not investigated the people who attacked them and took their money last night.

“But what if the Feng family do something to us later?” Ye Hang inquired.

“We will fight them!” Ye Bao answered instantly. “We will starve to death if we give our company to the Feng family, so whatever we do the result will be the same.”

He continued, “I would rather die in fight than die in cowardice. Isn’t that right, brothers, sisters?”

Ye Bao said the right thing for the first time in a few days. Sure, they could die against the Feng family, but they would also die if they gave their company to the Feng family.

That was why selling their last company to Xiao Tian was better than giving their company to the Feng family.

“I agreed!” Ye Tong agreed with Ye Bao’s words.

The others also nodded their heads. Shijian company was their company, not the Feng family’s company.

“Alright. We will sell the company to Mr. Qing tomorrow.” Ye Hang decided to sell their company to Xiao Tian.

‘I hope I did not choose the wrong option.’

He added in his mind.

The next day at 09:00 am, Xiao Tian came to Shijian company again. Like yesterday, they discussed the price and etc.

At the same time, the Feng family was on their way to the Shijian company. They were enraged when they learned that Ye Hang wanted to sell the company to Xiao Tian.

In their eyes, the Shijian company had become the Feng family’s company. That was why they were furious at the Ye family.

“Mr. Ye, I am willing to buy Shijian company for 15,000,000 Yuan.” Xiao Tian stated.

“Mr. Qing, can you increase the price? Even though our company is in crisis, but this company is very big and already has a name in the past.” even though Ye Hang was delighted, but he did not show it on his face.

This was the rule in selling something!

Ye Tong and the others also asked Xiao Tian to raise the price.

Xiao Tian gave in. “Alright. 16,000,000 Yuan? How is it? This is the highest price I can offer.”

Actually, the value of Shijian company was more than 16,000,000 Yuan, but Xiao Tian said some things lacking about Shijian company, causing Ye family members to think it was already a high price.

Ye Hang and the others exchanged a glance.

'Let's take it. 16,000,000 Yuan is already good and we can start a new life with this money.'

They communicated through their eyes.

Ye Hang returned his attention to Xiao Tian again, "We ag-"

Bang!

The door was flung open before Ye Hang could finish his words.

Xiao Tian and the others instantly turned their heads toward the source of the sound.

Feng family!

The one who kicked the door was none other than Feng Weize, the head of the Feng family.

Of course, he did not come alone. There were Feng family members on both sides of him; Feng Jingwen, Yi Hualing, and Feng Niu.

The feeling of deep fear suddenly arose within the hearts of the Ye family members.

'Feng family?!'

They instantly surpassed their fear because their family's future was at stake.

"Ye family, what the fuck are you doing?" Feng Weize roared angrily at the Ye family members.

Unlike the Ye family members, Xiao Tian still behaved normally. Even though the Feng family was from an upper-class family, he was not afraid of them.

"Boss, should I beat them now?" Mu Hou, who was standing behind Xiao Tian, asked in a low voice.

Xiao Tian did not answer Mu Hou's question, but he gave a sign to stay still. It was not the right time to get involved, so he wanted to see it first.

"How dare they behave like that in front of us?" Chun Hua mused angrily.

As for Liang Jun, he only looked at the Ye family and Feng family, like Xiao Tian. He needed to observe the situation first before making a move.

"Why do you want to sell my company to that person?" like before, Feng Weize asked angrily. "Explain it to me now!"

Chapter 1324: Tch!

Ye Tong rose to his feet and spoke, "What do you mean by that? Shijian company is our company, not the Feng family's company."

"That's right. Shijian company is our company! It's the Ye family's company." Ye Bao added.

“Now you dare to talk back, huh?” their words made Fang Weize even angrier.

Xiao Tian’s lips curled up into a smile.

‘What an amazing sight!’

He loved it when his two enemies fought each other.

He saw the Feng family as his enemy because Feng Jingwen was from the Feng family. Of course, he still had no intention of destroying the Feng family.

However, he would teach Feng Jingwen a lesson if the opportunity arose.

Feng Weize turned his head to look at Xiao Tian. “You, if you want to buy this company, you need to buy it through me.”

“Don’t hear him, Mr. Qing.” Ye Tong and Ye Bao spoke in unison. “We are the owner of this company. We even have ownership documents.”

“You’re not afraid of me anymore, huh? Aren’t you afraid of what will happen to your Ye family?” Feng Weize threatened Ye Hang and the others.

“Shijian company is our last company, so don’t even think about taking it from us.” Ye Bao was not afraid of Feng Weize’s threat.

“I would rather die than give our company to you.” Ye Tong was not afraid of dying because they would also end up dying if they gave their last company to the Feng family.

“Good! Good!” Feng Weize did not expect the Ye family to act bravely like that. “You, do you still want to buy Shijian company from them?”

“Why not?” Xiao Tian replied instantly. “I will buy Shijian company from the owner, not someone else.”

“Are you not afraid of my Feng family?” Feng Weize tried to scare Xiao Tian.

“What is this? Are you threatening me? Do you think I’m afraid of your Feng family? Wait! Are you thinking the Feng family is unrivaled in China?” Xiao Tian wanted to laugh when Feng Weize tried to scare him.

“You! How dare you behave like that in front of us, the Feng family?” Feng Jingwen was unhappy with Xiao Tian’s behavior. “Don’t you know our family?”

“Sorry, but I don’t know about the Feng family. I only know Li family, and Xiao family. Is your family equal to these two families?” Xiao Tian made fun of Feng Jingwen and the Feng family.

“You! You!” Feng Jingwen looked at his father. “Father, teach him a lesson! He dares to look down on our Feng family!”

“Young master Feng, I have a piece of advice to you.” Xiao Tian spoke and paused for a second before he continued, “Just because your family is an upper class family doesn’t mean your family is unrivaled!”

He then continued, “There are many more powerful families than your Feng family in China, like my Qing family. Or does your Feng family want to try my Qing family’s strength?”

*Silence...

The entire area dropped into silence.

Qing family!

If Shanghai had Li and Xiao families, Beijing had the Qing family.

Even though Feng Jingwen and the others had no idea whether Xiao Tian was from the powerful Qing family in Beijing or not, but his words indicated that he was from a powerful family.

Since Xiao Tian always wore a mask whenever he pretended to be Qing Feng, no one knew his real identity until now.

There were so many rumors about him because of this. And one of the rumors was that he was Qing Feng, the young master of the powerful Qing family from Beijing.

Two of Xiao Tian's bodyguards also seemed like very powerful martial artists, especially his male bodyguard.

His male bodyguard gave off an aura as if he was a lion who was silent and waiting for his owner's orders.

Not all families could recruit strong bodyguards, especially a strong bodyguard like Mu Hou.

And based on Xiao Tian's actions, words and behavior, there was a high possibility that he was from the powerful Qing family in Beijing.

Xiao Tian's words even seemed like he did not put the Feng family in his eyes.

Sure, the Feng family was powerful and influential, but they were nothing compared to the Qing family from Beijing.

Only families like the Xiao family and the Li family could stand on an equal footing with the Qing family.

Liang Jun immediately praised Xiao Tian after seeing the expressions of the Feng family members.

'As expected of my boss! Just a few words from him can instantly make the powerful Feng family act like rabbits. My boss is indeed a predator!'

He suddenly felt proud because his boss was an amazing young man.

The Ye family members became even bolder when they saw Xiao Tian's mighty and arrogant behavior.

Previously, they were worried that Xiao Tian would be afraid of the Feng family. They were relieved that Xiao Tian was such a brave young man.

'It seems like he is from a powerful family.'

The Ye family members suddenly wanted to be friends with Xiao Tian because, with this, they would have a strong friend.

"Mr. Qing, please forgive my brother's behavior." Feng Niu broke out the silence. "He did not mean to offend or challenge you. It's just that he is facing a trouble right now, so he can't control his emotions."

She continued, "He is also not very good with words, so I hope young master Qing will forgive his behavior."

Feng Niu was an intelligent lady, so she knew how to act based on the situation. Sure, she knew that her family was powerful, but she also knew that her family was not invincible.

Feng Weize only gritted his teeth.

'I have to investigate him later.'

Even though he knew that many people had tried to investigate Xiao Tian and failed to get his real identity, but he would still order his subordinates to investigate Xiao Tian later.

If he were not from a powerful family, he would teach Xiao Tian a lesson because Xiao Tian dared to humiliate his family.

"Because the young lady of the Feng family said so, then I will forgive him." Xiao Tian praised Feng Niu's intelligence because she could read the situation and could act based on that.

Feng Jingwen turned his head to look at his younger sister.

He was annoyed.

He was unhappy with her words.

Both of them were fighting for the position of head of the family, so her words didn't help him; instead, her words seemed like insults.

Her words seemed like he was a fool who could not control his emotions!

This was the reason why he was unhappy with his sister's words.

'Damn it! She takes advantage of the situation again.'

This was not the first time Feng Niu had taken advantage of the situation to insult him.

Of course, Feng Niu knew what Feng Jingwen had in mind when he stared at her.

'Don't blame me for taking advantage of the situation. It's because you are stupid and endanger our family.'

She said through her eyes.

"Tch! Let's leave!" Feng Weize did not want to be in the same room as Xiao Tian anymore.

Chapter 1325: Shut Up!

After the Feng family left, the Ye family instantly sold their last company to Xiao Tian. Happy smiles appeared on their faces after Xiao Tian signed the purchase documents.

16,000,000 Yuan!

They would receive 16,000,000 Yuan from Xiao Tian tomorrow.

Even though they would no longer own the company, they could make a better future with 16,000,000 Yuan.

They laughed happily after Xiao Tian left. They expressed their happiness by dancing like crazy people.

Feng Family House, Living Room.

Feng Weize and the others were currently sitting on the couch. Like before, they still wore displeased expressions.

They were furious.

They were enraged because unpleasant things had happened to them many times today.

First, they failed to get the Ye family's company. The Ye family members were no longer even afraid of them.

Second, the Ye family sold their company to Xiao Tian. The Ye family dared to sell their company to Xiao Tian even after they came to Shijian company.

And last, Xiao Tian did not put the Feng family in his eyes. He even dared to challenge the Feng family.

And what annoyed him most was that they had no idea who Qing Feng was. All this time, many people tried to investigate him, but they always failed.

It was as if someone was always cutting off the information.

Whenever they were close to obtaining Qing Feng's identity, the information was always cut off, or they were suddenly killed by someone.

"Father, are we going to let him insult our family?" Feng Jingwen was still furious because Xiao Tian dared to look down on his family.

Sure, they were not the strongest family in Shanghai, but they were still a powerful and influential family.

Unlike Feng Jingwen, Feng Niu could control her emotion. "Father, we can't act recklessly before we know who our enemy is because one mistake can end our family."

"That's right." Yi Hualing added, "I agree with Niu. We have to investigate his identity first before making our move."

"Mother, why are you saying like that? Isn't that an act of cowardice?" Feng Jingwen disagreed with his mother because, in his eyes, they had to beat people who insulted or looked down on their family.

Feng Weize glanced at his son.

'As I thought, my daughter is better than my son.'

He always observed his daughter and son.

Actually, he wanted to pass down his position to his son because he was the oldest and also a male.

His daughter was younger than his son and also a female, so it was not a good idea to make her the head of the family.

In the Feng family, the head of the family was always a male, not a female!

However, he began to waver about his decision after observing them for several years.

Unlike his son, who always failed to control his emotion, his daughter always acted based on the situation.

She was also not a reckless person. She always investigated everything and made a plan before doing something.

Sometimes, he hoped that Feng Jingwen was like Feng Niu.

'Should I break the family tradition?'

He sighed.

"Let's investigate that Qing Feng's identity first before making our move. If he is from the Qing family in Beijing, we should forget everything because we can't touch the Qing family members."

Feng Jingwen gritted his teeth after hearing his father's words.

At this moment, Xiao Tian and Liang Jun were eating in the VIP area of the Bamboo Restaurant.

Mu Hou and Chun Hua were not with them because Xiao Tian had ordered them to return to their base.

"Sir, what should we do next? When are we going to start hiring people?" Liang Jun inquired.

"We will start hiring people tomorrow, and I will leave everything to you." Xiao Tian was busy, so he could not help Liang Jun.

"Don't worry, sir. I won't let you down." Liang Jun was pleased when Xiao Tian believed in him so much.

"I will give you the proposal for our first project. I already have everything in mind, including the designs." Of course, Xiao Tian would use the popular designs from his previous life.

The expression of deep shock blossomed on Liang Jun's face after hearing Xiao Tian's words.

'What? He already has everything in mind?'

Previously, he thought Xiao Tian wanted to buy Shijian company because it was a cheap company, but now, he knew that he was wrong.

He already had everything in mind!

He had it all planned beforehand!

His every action was pre-calculated. It was not a random act.

"Why do you put on such an expression?" of course, Xiao Tian had no idea that Liang Jun was praising himself in his mind.

“Sir, are you the son of God?” Liang Jun asked an unbelievable question.

“Son of God? What are you saying? I’m like you, a human being.” Xiao Tian still did not know why Liang Jun asked that kind of question.

“After all, you can do everything.” Liang Jun told Xiao Tian the reason why he asked if Xiao Tian was the son of God or not.

“It’s because I always study.” Xiao Tian lied to Liang Jun. “You can also do what I can do if you always study. Ah, talking about study, how is your younger sister?”

“Thanks to you I can give her a better life, sir. I can send her to a good University and no one look down on her anymore.” Liang Jun suddenly remembered the first time he met Xiao Tian.

At that time, his former boss tried to rape his younger sister. That incident always remained in his heart because he was useless and powerless at that time.

Even though Xiao Tian saved them by accident, but he was still glad that Xiao Tian was there because he did not know what would happen to them if Xiao Tian did not appear.

“Good! If you want, I can let her work in my company after she graduates later.” even though Xiao Tian did not know if Liang Jun’s younger sister was smart or not, but he would let her work in his company because Liang Jun had contributed a lot to his company.

“Really?” Liang Jun was pleasantly surprised after hearing his words.

“Yes. I think it’s a good idea to let her work in my company because with this, you can always protect her later.” Xiao Tian did not want something bad to happen to Liang Jun’s sister because she only had Liang Jun in Shanghai.

“Thank you, sir.” Liang Jun responded happily. “Don’t worry, sir. I will tell my sister to study harder from today onwards.”

“Hey, don’t let her study all the time. After all, she is still young.” Xiao Tian suddenly remembered Feng Yu because she always studied all the time.

He was even worried about her life because what she had in mind was only two things.

Her mother and study!

Even though he said he would give her a high position in his company in the future, but she kept studying.

“I understand.” Liang Jun also agreed with Xiao Tian’s words.

Of course, he would still tell his sister to study harder because he did not want to disappoint Xiao Tian.

As Xiao Tian was chatting with Liang Jun, a young lady who had the appearance of an angel walked toward them.

Qing Xiulan!

Yes, that young lady was Qing Xiulan, the daughter of the Qing family in Beijing.

Chapter 1326: Meeting Qing Xiulan Again

“Oh, I did not expect to meet you here.” A voice rang out.

Xiao Tian and Liang Jun turned their heads toward the source of the sound.

They were shocked, especially Xiao Tian.

He believed that he had caused trouble for her a few months ago, but Qing Xiulan behaved as if they were good friends.

When Xiao Tian saw Liang Jun’s face, he said in a low voice. “Liang Jun, manage your eyes and behavior. Don’t embarrass me!”

“I... I’m sorry, sir.” Liang Jun had never seen someone as beautiful as Qing Xiulan, so he could not control his eyes and behavior when he saw the gorgeous lady in front of him.

‘An angel!’

Due to how beautiful she was, Liang Jun saw her as an angel who descended from the highest heaven.

Of course, Xiao Tian could understand Liang Jun’s feelings because he was also hypnotized by her beauty when he saw Qing Xiulan for the first time.

‘What is she doing here?’

He did not expect to meet her at Bamboo Restaurant.

Qing Xiulan sat on the opposite side of Xiao Tian without asking for permission. “It has been quite a while since the last time we met. How are you?”

Of course, she knew that Qing Feng was Xiao Tian because Xiao Tian’s father and Silver Fox lady had admitted it.

They decided to tell the Qing family because many people thought of him as a member of the Qing family.

Xiao Tian did not answer her question immediately and looked at the old man who was standing behind her.

‘A martial artist at the grandmaster stage?’

He then returned his attention to Qing Xiulan.

“He is my new bodyguard. After all, you beat my former bodyguards and they can’t become martial artists anymore now.” Qing Xiulan knew what Xiao Tian had in mind.

Liang Jun widened his eyes before finally looking at his young boss.

‘What? My boss beat the Qing family’s bodyguards?!’

He would not have believed it if he had not heard it from Qing Xiulan herself.

“What are you doing here?” Xiao Tian’s tone was not friendly because they were not friends or had a good relationship.

“I came to Shanghai to discuss business with the Li family.” Qing Xiulan gave an honest answer. “Can you not be cold to me? Or are you still angry at me?”

“Aren’t you angry at me? After all, I beat your former bodyguards in the past. They even can’t become martial artists anymore now.” Xiao Tian thought Qing Xiulan hated him because he beat up her bodyguards in the past.

That was why he was shocked when she still acted friendly to him. She should be angry with him because he had tarnished the reputation of the Qing family.

“I’m not angry at you. I realized it was my mistake because I did not investigate everything first.” Qing Xiulan’s father even scolded her for her stupid actions. “That’s why I hope you won’t angry at me anymore.”

“...Sure.” From his point of view, it was better to have a good relationship with the Qing family, so Xiao Tian decided to forget their previous problem.

Not long after that, two subordinates of the Feng family peeked at them. Of course, they could not hear their conversation.

“Isn’t she Qing Xiulan, the daughter of the Qing family in Beijing?” the brown-haired man said in a low voice.

“So, it’s true that Qing Feng is from the Qing family?!” the yellow-haired man uttered, “Let’s take a picture of them and send it to our boss.”

“Yes.” the brown-haired guy replied.

Qing Xiulan’s bodyguard noticed them when the Feng family’s subordinates took a picture of them.

“Miss, there are two rats here.” The old bodyguard said in a low voice.

“Do you know them?” Qing Xiulan inquired.

“It seems like they are his enemies.” The old bodyguard was sure they were Xiao Tian’s enemies.

Xiao Tian did not make a suspicious move when he heard Qing Xiulan’s conversation with her bodyguard.

‘Are they from the Feng family?’

It was almost impossible for the Ye family to send someone to follow him, so Xiao Tian suspected they were from the Feng family.

“As a token of our friendship, I will solve one of your problems.” Qing Xiulan was sure that she could solve the problem quickly.

The Feng family’s subordinates instantly left when they felt their whereabouts had been discovered.

—

Feng Family House, Family Room.

Feng Weize was currently sitting on the couch with Yi Hualing, Feng Niu, and his son, Feng Jingwen.

They were surprised when they saw the photo sent by one of their subordinates.

Xiao Tian was with Qing Xiulan!

“Is he really from the Qing family in Beijing?” the feeling of fear began to appear in Feng Jingwen’s heart when he saw the photo.

Even though many rumors stated Xiao Tian was from the Qing family, but he still did not want to admit it.

If Xiao Tian was from a powerful family, why did he hide his identity? Why did he always wear a mask?

Wasn’t it better to use his real identity? After all, the Qing family was famous in China.

“Luckily, I stopped you earlier.” Feng Niu spoke abruptly. “But we have offended him earlier, so let’s hope he won’t do anything to us later.”

Feng Jingwen gritted his teeth because his younger sister blamed him again as if all he had been doing all this time was causing a problem.

Feng Weize clenched his fist.

‘How could this be?’

He still did not want to admit it.

As he was looking at the picture, his smartphone suddenly rang.

“What’s wrong?” Feng Weize immediately picked up the phone because it was from his secretary.

“Mr. Feng, we have bad news.” The secretary said in a panicked voice.

“What’s wrong? Tell me in detail!” Feng Weize inquired.

“The five major shareholders suddenly took back their shares.” The secretary gave an honest answer.

“What?!” Feng Weize said in surprise. “Why did they suddenly want to take back their investment? Did something happen to my company?”

“They said someone asked them to do that.” the secretary responded.

“I will be there soon.” After saying that, Feng Weize hung up the phone.

“What’s wrong, honey?” Yi Hualing asked curiously.

Like Yi Hualing, Feng Jingwen and Feng Niu also wanted to know what was happening.

“Five major shareholders suddenly took back their investment.” Feng Weize gave an honest answer.

“They said someone asked them to do that.”

“Someone ordered them to do that?! Why did they do that?” Feng Jingwen did not get it because his family’s company was amazing.

“It must be someone from a powerful family. That person’s background is so powerful, to the point they could not help but to do that.” Feng Niu suddenly realized something, “Father, don’t tell me. It’s Qing Feng’s actions!”

Previously, they offended Xiao Tian when they were at the Ye family company. They yelled and behaved rudely toward him. They even looked down on him, treating him like nobody.

“Qing Feng’s actions?” Feng Weize widened his eyes.

‘Is it really because of him?’

Of course, he still remembered how he treated Xiao Tian earlier.

“Honey, how about you call one of them now?” Yi Hualing suggested that Feng Weize called one of the major shareholders who took back his investment because with this, they would know the reason why they suddenly took back their investment.

It was weird!

After all, their company was not facing any problems.

“Alright.” Without waiting for another second, he called one of the shareholders who took back his investment.

“Why are you calling me, Mr Feng? If you want to change my mind, I suggest you to forget it.” Dudu, one of the major shareholders, said after picking up the phone.

“Mr. Dudu, can you tell me why you suddenly took back your investment? I’m sure my company is not facing any problem, so why?” Feng Weize inquired.

At this moment, his smartphone was in speaker mode, so everyone could hear Dudu’s voice.

“Mr. Feng, I can understand your feelings but I won’t change my mind.” Dudu did not answer Feng Weize’s question. “You have made a big mistake, Mr. Feng. You have made a big mistake.”

“What mistake? Can you explain it to me?” Feng Weize still did not get Dudu’s words.

Instead of answering Feng Weize’s question, Dudu asked, “Have you offended someone recently?”

At this moment, Feng Wuize had one person in mind.

Xiao Tian!

Dudu then continued, “That person’s background is so powerful. Even the Li family and Xiao family will think twice before causing a trouble for them. I will give you a piece of advice, Mr. Feng. Go and apologize to that person because that person can destroy your Feng family if he wants to.”

Actually, the person who ordered him to take back his investment was Qing Xiulan.

However, Dudu did not reveal it immediately because he believed the Feng family knew about it.

The Feng family members trembled in fear after hearing Dudu's words.

'He can destroy our family!'

He did not expect Qing Feng's background to be so powerful like that.

"I still have something to do, so I will hang up the phone now." Dudu did not wait for their reply and immediately hung up the phone.

The Feng family members were still in shock. Dudu's words were still ringing in their heads.

'We should apologize to him! We have to do that now!'

These were the words that appeared in their minds.

They immediately rose to their feet and traveled to the Eternal Beauty Company.

Their intention was clear.

They wanted to apologize to Xiao Tian!

Chapter 1327: Eternal Watch

Eternal Beauty Company, Xiao Tian's Office.

Xiao Tian was currently sitting on his office chair with Liang Jun standing before him. A happy smile could be seen on Liang Jun's face as he looked at Xiao Tian respectfully.

Promotion!

Yes, Liang Jun got another promotion!

Xiao Tian decided to let Liang Jun take care of the Eternal Beauty company and Eternal Watch.

Yes, he had decided the name for his new company.

Eternal Watch!

There was a reason why he named his new company Eternal Watch.

It was because he wanted to create the Eternal Group.

He already had Star Group under his real name, so he wanted to create Eternal Group under Qing Feng's name.

After all, Qing Feng was one of his trump cards.

"You won't let me down, will you?" Xiao Tian inquired.

"Don't worry, sir. I will try my best not to disappoint you. I will work harder from today onwards." Happiness still danced inside Liang Jun's mind.

At the same time, one of Xiao Tian's subordinates knocked on the door. "Sir, the Feng family request to meet you."

Xiao Tian and Liang Jun were startled.

'Feng family?'

They did not know why the Feng family suddenly came to Eternal Beauty company.

"Sir, let me take care of this." Liang Jun would not let the Feng family cause trouble in their place because it would ruin their reputation later.

Even though the Feng family was from an upper-class family, but Eternal Beauty company was not a place where they could do whatever they wanted.

When he saw Liang Jun was about to walk out of his office, Xiao Tian uttered, "Wait! Let's see what they want first."

"Understood." Liang Jun responded.

Not long after Xiao Tian gave permission, Feng Weize and the others entered his office.

"What brings you to my company, Feng family?" Xiao Tian still behaved normally.

Even though Liang Jun had suppressed his anger, but he still looked at the Feng family with coldness.

He was still furious because the Feng family dared to look down on Xiao Tian and talked rudely to him last time.

'I won't let you come out safely if you dare to look down on us again.'

They were in the Eternal Beauty company, so he was sure that everything would be under their control.

The Feng family members exchanged a glance with each other before saying in unison. "Mr. Qing, please forgive us for our rude behavior earlier."

Xiao Tian and Liang Jun were dumbfounded.

'Eh?!'

They did not expect the Feng family to come to the Eternal Beauty company to apologize to Xiao Tian.

They behaved arrogantly when they were in Eternal Watch company earlier, but they suddenly apologized to Xiao Tian now.

At this moment, Xiao Tian suddenly remembered Qing Xiulan's words. "What is this? Why don't you behave arrogantly again?"

'Let's play with them for a little longer.'

Xiao Tian wanted to make fun of them.

Feng Weize bowed his head lower.

"We are sorry for offending you, Mr. Qing. We hope you have a big heart to forgive us." After saying that, Feng Weize forced his son to bow lower.

“I’m sorry for my previous actions, young master Qing.” Feng Jingwen did nothing when his father forced him to bow lower.

“I’m willing to forgive you, but you have to compensate me. After all, you have caused emotional damage to me.” Like usual, Xiao Tian tried to take advantage of the situation.

“What can we do for you, Mr Qing?” Feng Niu inquired.

“Give me twenty million Yuan!” Xiao Tian revealed his real intention.

Feng Weize and the others widened their eyes.

‘What? Twenty million Yuan?’

Even though they had a lot of money, but twenty million Yuan was still a lot of money.

Because Feng Weize did not say anything, Xiao Tian uttered, “What? You are not willing to give me twenty million Yuan?”

“No, we will prepare the money quickly.” The Feng family members had no choice but to accept it because their family’s future was at stake.

They were afraid that Xiao Tian would attack their company again if they refused his wish.

“I want the money today.” Xiao Tian stated. “Alright. You can leave now. Don’t worry. I will forget your previous actions.”

“Thank you, Mr. Qing.” The Feng family responded in unison before leaving.

“You are amazing, Sir!” Liang Jun praised Xiao Tian.

“As a man, we should take all the opportunities in front of us.” Xiao Tian responded, “Use the money for our new company.”

“Understood.” Liang Jun responded.

Xiao Tian smiled happily.

Previously, he spent 16,000,000 Yuan buying a Shijian company, but now, he got 20,000,000 Yuan from the Feng family.

In other words, he did not use a single cent of his money and still got the Ye family company. He even still had 4,000,000 Yuan left after that.

‘Haha. Today is a good day! Now I just need to think of a way to take all the Ye family’s money. Well, I will let them happy for now.’

Of course, he would take back his money because he wanted the Ye family to live with misery, like what they had done to him in the past.

The Ye family immediately bought a mid-sized house after getting the money from Xiao Tian.

At first, they wanted to buy a small house, but they changed their mind because their family members were ten people.

Their house was still located in Shuuxi city, but it was far from their previous home. They were currently in the living room, discussing their future.

“We should use this money wisely.” Ye Hang stated. “This money is our last hope, so we can’t use it carelessly.”

“Father, how about we open a small restaurant?” Ye Tong gave a piece of advice.

“Father, how about we open hang out place?” Ye Bao also voice out his idea.

The Ye family discussed their future seriously.

Feng Family House, Living Room.

The Feng family members were currently sitting on the sofa. Even though they had solved their problem with Xiao Tian, they still wore angry faces.

There were two reasons for this. First, they lost five of their major shareholders. And last, they just lost twenty million Yuan.

“Damn it!” Feng Weize roared angrily. “All of this is because of the Ye family! We have to teach the Ye family a lesson!”

He shifted the blame to the Ye family because he did not dare to do anything to Xiao Tian.

“That’s right, father. We have to teach the Ye family a lesson.” Feng Jingwen agreed with his father. “All of this is because of them.”

“Ye family! I will teach you a lesson!” Feng Weize roared.

Xiao Tian’s Mansion, Backyard.

Xiao Tian was currently swimming alone. After leaving the Eternal Beauty company, he decided to spend time in his backyard.

“But what should I do to take all the Ye family’s money?” he was currently floating on the pool, looking at the blue sky.

‘Wait! Why don’t I make the Feng family do it for me? I’m sure the Feng family hates the Ye family now.’

He suddenly had the thought of using the Feng family to destroy the Ye family.

‘I will order my underlings to monitor them later. I will make my move based on the situation.’

He decided to make his move based on the situation because he could not find a good idea.

“Student Xiao?” Su Ruanyi walked toward Xiao Tian with a soft smile on her pretty face.

Chapter 1328: I'm Super-Rich

Xiao Tian instantly turned his head toward the source of the sound.

'Professor Su?'

A soft smile spread across his face when he saw his gorgeous former professor.

"Come here and swim with me." Xiao Tian told Su Ruanyi to swim with him.

"I don't want to. I just want to relax and enjoy my lemon juice." After saying that, Su Ruanyi lay on the pool lounge chair.

Xiao Tian got out of the pool and dried himself.

Su Ruanyi glanced at Xiao Tian when he was drying himself.

'It never fails to amaze me every time I see his body.'

She shifted her gaze from Xiao Tian's body to his shorts.

'He even has an amazing cock too.'

She did not realize that she behaved like a pervert.

At first, Xiao Tian did not know what she was doing because he was busy drying his hair, but he realized it when he looked at her eyes.

'She is checking my body, huh?'

He walked closer to her before finally sitting on the pool lounge chair next to hers.

"How is it, professor Su? Is my body good?" he decided to tease her. "I don't mind if you want to touch my body. You don't need to steal a glance like that, you know? After all, we are a couple."

Su Ruanyi kept drinking her lemon juice. "Your body shape is not bad."

"Not bad?" the corner of Xiao Tian's lips twitched. "Ehm! Professor Su, because you have seen my body, Isn't it time for me to take a look at your body too? Let me check your body too."

"You want to check my body?" Su Ruanyi inquired, "Didn't you already see my body? I'm sure you have seen every inch of my body many times."

They had had sex many times since they became lovers. They even already had sex several times when she was still not divorced from her ex-husband.

Xiao Tian then lay on her pool lounge chair. "Because you refused my wish, then you have to lovey-dovey with me."

Su Ruanyi instantly put her lemon juice on the table next to her. She looked at Xiao Tian's face before finally staring at his attractive stomach and touching it with her left hand.

In her eyes, Xiao Tian was an amazing young man. He was tall, young, handsome, rich and had an amazing body.

'He would be a perfect young man if he wasn't a pervert. Oh, well. There is no perfect human in this world.'

Even though Xiao Tian was a pervert, but he really cared about his girlfriends.

Xiao Tian looked at Su Ruanyi's hands before returning his attention to her face. "Professor Su, it seems like you really like my body."

To his surprise, Su Ruanyi suddenly cupped his face and kissed him hungrily. Even though Xiao Tian was startled, but he instantly welcomed the kiss.

After breaking the kiss, Su Ruanyi uttered, "Stop teasing me. Isn't this what you want? If you want to do lewd things to me, just do it."

The corner of Xiao Tian's lips twitched.

'Professor Su, I only want to lovey-dovey with you. I have no intention of doing adult things.'

Ye Rou Bing and Fu Fu were currently drinking lemon juice at Huji. Huji was one of the most famous hangout places in Shaaxi city.

Previously, they spent several hours looking for a good place for their restaurant.

Yes, the Ye family decided to open a restaurant!

In their view, the restaurant had the highest probability of success.

They were assigned to find a good spot in the west area of Shaaxi city. Ye Ming and Ye Tong went to the eastern area of Shaaxi city.

Every member of the Ye family had their own tasks. They worked hard because it could be said that this was their last chance to survive.

Sure, they just got 16,000,000 Yuan from Xiao Tian, but it would not be able to meet their daily needs forever.

They had to work or earn to survive in the cruel city.

Fu Fu, who was sitting on the opposite side of Ye Rou Bing, uttered, "Sister, I think that place is good. Not only that, but it's also close to University."

"I think so too." Ye Rou Bing agreed. "We have taken pictures of that building earlier, so we'll just have to tell the others later."

"Un." Fu Fu nodded her head.

At this moment, a fat old man about forty years old saw Ye Rou Bing and Fu Fu. That old man only had little hair, to the point that everyone could see his scalp.

No, there was almost no hair on his head. His hair was only on the right and left sides of his head.

'Hmm?'

He was immediately attracted to Ye Rou Bing and Fu Fu.

Even though Ye Rou Bing and Fu Fu were already in their thirties, but they still had amazing bodies.

They even had big and beautiful breasts, causing their bodies to look sexier. Although they were not as beautiful as Ye Qingyu or Ye Xueyin, but they were still pretty.

'Whoa! They are gorgeous! And has a perfect body on top of that.'

His eyes were immediately filled with lust upon seeing Ye Rou Bing and Fu Fu.

He wasted no time and walked toward them. "Ladies, may I sit here?"

Even though he was old and had an average face, he had high self-confidence. The reason was simple.

Money!

Yes, he had a lot of money.

He knew that all women loved money, so he believed that they would fall into his embrace later.

Ye Rou Bing and Fu Fu turned their heads toward the old man.

'Tch!'

They looked at the old man in disgust.

He did not hide his intention, so Ye Rou Bing and Fu Fu knew what he had in mind.

"Go away! You are not welcome here." Ye Rou Bing refused because she did not want to sit in the same place as the perverted old man.

However, the old man did not listen to her words and immediately sat next to her. "Sexy lady, don't be so cruel like that. I just want to be friends with you two."

"Leave! There are many empty sofas in this place, so why are you sitting here?" Fu Fu hated him even more.

Like before, he did not listen to their words; instead, he threw his car keys on the table. "Ladies, my luxury car has empty seats today. Do you want to go to interesting place with me?"

Even though it was not a good pick-up line, but he never failed before. After all, he was indirectly saying he was super-rich.

'Hehe. I'm sure they will fall into my embrace after learning that I'm rich.'

All the women he had met until now changed their behavior instantly after finding out that he was rich.

After all, money was everything.

He could do everything with money, and everyone in the world also loved money.

This was the main reason why everyone worked their ass off to get rich because they would get privilege after getting rich.

However, Ye Rou Bing and Fu Fu were not interested in his money. "Leave!"

That old man ignored their words once again. Not only that, but he also did something to Ye Rou Bing.

Chapter 1329: We Meet Again, Ladies.

That old man suddenly placed his right hand on Ye Rou Bing's thighs before finally rubbing it.

'So smooth! I love it!'

Even though he was doing sexual harassment, he did not care about it.

After all, he was rich and wealthy people could do whatever they wanted. It was their privilege as rich people.

"Leave, asshole!" Ye Rou Bing raised her right hand, intending to slap that old man's face.

However, he could catch Ye Rou Bing's right hand in time. Like before, he still had a smile on his face even when Ye Rou Bing tried to slap his face.

"Mmm. I love your fragrance!" he immediately smelled Ye Rou Bing's right hand. "I'm interested in you even more now."

Fu Fu instantly shouted, "Pervert! There is a pervert here. He is harassing us."

Everyone instantly turned their heads toward the source of the sound.

"What?! A pervert!"

"There is a pervert in this place?!"

"Damn! Look at that old man! He even only has a little hair."

"Hehe. He only has a little hair."

One by one, everyone spoke-ill of that old man.

When the old man realized that everyone was looking at him, he did not panic. "Everyone, don't get me wrong. She is only joking around. We are friends, good friends."

Like before, he still had a smile on his face. He also loved a wild girl because it felt great fucking a wild woman.

One of the waiters immediately walked towards Ye Rou Bing and the others. Their reputation was on strike, so they had to solve it immediately.

"Sir, please don't do bad thing in this place, or else we have no choice but to call the police later." The waiter threatened that old man.

"Young man, I'm not doing bad thing. She was only joking around." After saying that, he looked at Ye Rou Bing and Fu Fu. "We will meet again, ladies."

He decided to leave because there was no need to rush everything. He believed that they would fall into his embrace later.

'I, Feng Zu, will make you mine, ladies.'

Feng Zu left with a smile on his face.

After Feng Zu left, the waiter immediately looked at Ye Rou Bing and Fu Fu. "Ladies, we are sorry for this."

"It's fine." Ye Rou Bing did not blame the waiter because Feng Zu had left.

Not long after the waiter returned to work, Ye Rou Bing and Fu Fu left.

Feng Zu ordered one of his subordinates to investigate Fu Fu and Ye Rou Bing after arriving at his company.

He was interested in Fu Fu and Ye Rou Bing, especially Ye Rou Bing. That was why he wanted to get their information.

He did not care even if they were married because he was already interested in them.

When he knew the names of these two beautiful ladies, he immediately remembered his brother because his brother had a problem with the Ye family.

Yes, Feng Zu was Feng Weize's younger brother!

Even though they did not live under the same roof, but they were siblings, and he knew that his brother always helped him.

'It seems like heaven is on my side.'

With that idea in mind, he headed to his brother's office.

"Brother, I need your help." Feng Zu said after entering Feng Weize's office.

"You are already old, so do it yourself." Feng Weize was in a bad mood, so he did not want to help his brother.

"Aish, brother. You should help me, your brother." Feng Zu began to tell his brother what he wanted.

"Ye Rou Bing and Fu Fu?" Feng Weize was startled after hearing. "You want them?!"

There were many beautiful young women in Shanghai, so he was shocked when his brother was interested in Ye Rou Bing and Fu Fu.

Sure, they were pretty, but they were already in their thirties. In his eyes, it was better to look for women in their twenties.

"Brother, they still haven't returned your money, so let me take them as an exchange for your money." Of course, Feng Zu knew about his brother's relationship with the Ye family.

Yes, he knew everything!

This was the reason why he went to his brother's office because he could get Ye Rou Bing and Fu Fu with his brother's help.

“Alright. I will help you, but you have to find big investors for our company after that.” Feng Weize agreed to help his brother.

“Leave it to me. I already have someone in mind.” even though Feng Zu was a pervert, but he was quite talented in business, especially in finding investors.

“Good! Let’s go now.” Feng Weize did not doubt his brother’s skills because he already knew his abilities.

—

Shaaxi City, Ye Family House.

All the members of the Ye family were currently in the living room. They were discussing their future business.

“Well done, Rou Bing, Fu Fu.” Ye Hang praised Ye Rou Bing and Fu Fu because they found such a good area for their restaurant. “We will go to that place tomorrow and rent it for a year.”

Ye Tong and the others also agreed with Ye Hang’s words.

As they were discussing their future business, Feng Weize and Feng Zu arrived at their house.

“Ye family, I came to get my money!” Feng Weize entered the Ye family house without knocking on the door as if it was his house.

Ye Hang and the others instantly rose to their feet. They were furious because Feng Weize and Feng Zu acted as if they were in their place.

They were at the Ye family house, so they had to respect the Ye family!

Feng Weize sat on the couch and spoke, “I heard you managed to sell your company, so I want my money now. Give it to me now!”

“Hay ladies, we meet again!” Feng Zu waved his hand when he saw Ye Rou Bing and Fu Fu.

Ye Rou Bing and Fu Fu gritted their teeth when they saw Feng Zu. They did not expect the pervert they met earlier was from the Feng family.

‘I will make you mine soon!’

Feng Zu’s lips curled up into a smirk.

Chapter 1330: Give Them To Me

The Ye family members were unhappy when Feng Weize suddenly came to their house and asked them to return his money.

Of course, they remembered that they still had not returned his money, but they would have no more money if they returned Feng Weize’s money.

“We refuse to return you money!” Ye Bao stated.

“Hoh? Then I will take this matter to court.” Feng Weize threatened the Ye family members.

The feeling of deep fear emerged in the hearts of the Ye family members. If Feng Weize brought the problem to the court, they were bound to lose.

“Aish, brother, don’t be so cruel like that.” Feng Zu spoke abruptly. “We’ve known the Ye family for quite a while, so don’t be so cruel to them.”

Ye Hang, Ye Bao, and Ye Tong nodded their heads instantly. “Yes, yes.”

They thought Feng Zu wanted to help them, but they did not know that he had ulterior motives.

Feng Zu’s lips curled up into a grin. “My brother can forget everything, but on one condition.”

“What is it?” Ye Hang saw a ray of hope.

Feng Zu shifted his gaze from Ye Hang to Ye Rou Bing and Fu Fu. “I want them. Give them to me and my brother won’t ask you to return his money.”

“What?!” Ye Rou Bing and Fu Fu said in surprise.

“Bastard! I will kill you!” Ye Houteng was enraged because Feng Zu humiliated him indirectly.

He could not accept it.

He wanted to beat Feng Zu. Fu Fu was his wife, so there was no way he would give her to Feng Zu.

Not only that, but Feng Zu also wanted his younger sister. He was not a fool, so he would not agree to Feng Zu’s condition.

“Stop!” Ye Bao and Ye Tong stopped Ye Houteng when he wanted to hit Feng Zu.

“Brother, what are you doing?” Ye Bao was surprised when Ye Houteng suddenly wanted to attack Feng Zu.

“Let me go! I want to beat this asshole!” Ye Houteng no longer cared whether Feng Zu was from the Feng family or not.

“Tch!” Feng Zu was unhappy with Ye Houteng’s words and behavior. “You should be happy because you don’t need to return my brother’s money later. Now let me ask you a question. Do you have money to return my brother’s money?”

Ye Family members fell into silence.

It was true that they had no money to return Feng Weize’s money. This was the reason why they did not want to return his money.

Ye Bao, Ye Hang, and Ye Tong exchanged a glance with each other.

‘Should we give them to him?’

They suddenly had the thought of giving Ye Rou Bing and Fu Fu to Feng Zu because, with this, they could solve the problem instantly.

“Don’t even think about accepting that!” Ye Houteng was enraged when he saw their expressions.

Even though the trio did not say a single word, but he could understand what they had in mind because it was written on their faces.

Not only did they want to give his wife to Feng Zu, they even tried to give him his younger sister too.

There was no way he would accept that because Ye Rou Bing and Fu Fu were more important than his family in his eyes.

“Mr. Feng, can you give us some time to think about it?” Ye Hang had the thought of giving Ye Rou Bing and Fu Fu to Feng Zu.

“Ye Hang, what do you mean by that? Are you thinking of giving my wife and sister to him?” Ye Houteng did not call Ye Hang as family head at this time because Ye Hang’s words were so cruel.

“Sure.” Feng Weize agreed instantly.

Feng Zu spoke before leaving, “Think about it carefully, the head of the Ye family. Haha.”

After Feng Weize and Feng Zu left, Ye Bao uttered, “Brother Houteng, calm down.”

“Calm down my ass!” Of course, Ye Houteng could not calm down. “If he wants your wife, can you still calm down?”

Even though Ye Rou Bing and Fu Fu did not say anything and only stared at Ye Hang and the others, but deep inside their hearts, they were disappointed with Ye Hang and the others.

‘Sister Qingyu is right. Ye family is an evil family!’

Actually, they had realized this but they did not want to admit it all this time.

Ye Hang and others often let them down and made wrong decisions. They also disagreed with Ye Hang’s decision to kidnap Ye Xueyin and Ye Qingyu a few days ago.

However, Ye Hang was the head of the Ye family, so they could not do anything about it.

Ye Bao could not answer Ye Houteng’s question because he would not give his wife if Feng Zu wanted his wife.

But, Ye Houteng should also think about the Ye family. In his eyes, it was worth it because, with this, they could save the Ye family.

“No matter what, I will not give my wife and younger sister to a pervert like Feng Zu.” Ye Houteng corrected his words. “No, I won’t give them to anyone in this world!”

“But you should also think about our Ye family!” Ye Tong uttered, “Do you know what will happen to our Ye family if we refuse their wish? Do you know it?”

“Fuck the Ye family!” Ye Houteng could not control his emotion after hearing Ye Tong’s words because his wife and Ye Rou Bing were more important than the Ye family.

*Slap...

Ye Hang slapped Ye Houteng in the face.

“How dare you say something like that?” Ye Hang said furiously. “Have you forgotten that your father is part of the Ye family? My brother will be disappointed if he hears your words.”

“No! I’m sure my father will agree with me! He is someone who will never sell his family for anything. You guys are the only ones who will do that.” Ye Houteng was furious when they put his father on the same level as them.

His father was a kind and upright person. If his father were still alive, the Ye family would not have fallen like that.

Rage pulsed through their veins when Ye Rou Bing and Fu Fu saw what Ye Hang did to Ye Houteng.

“Brother, let’s leave this place! I don’t want to be in this place anymore!” Ye Rou Bing knew that their safety would be in danger if they remained in the Ye family house.

“That’s right, husband. Let’s leave this place!” Fu Fu also agreed with Ye Rou Bing’s words.

“Do you want to be like Qingyu and Xueyin? Do you want to betray the Ye family too?” rage flowed through him like lava when Ye Hang heard their words.

“We don’t want to live under the same roof as you anymore!” Ye Rou Bing stated.

“Stop them! Don’t let them leave this place!” Ye Hang ordered Ye Bao and the others to stop Ye Houteng, Ye Rou Bing, and Fu Fu.

Ye Tong, Ye Bao, Ye Ming, and Ye Hedong instantly stopped them. Ye Rou Bing and Fu Fu were the keys to solving the problem, so they would not let them leave.

“Because you want to betray our family, then I don’t need to think about your feelings anymore.” Ye Hang uttered, “Let’s give Rou Bing and Fu Fu to that Feng Zu tomorrow.”
