Chapter 1331: Conflict

"You!" Ye Houteng's eyes were bloodshot because the flames of fury had consumed his body.

He could no longer hold back his anger after hearing Ye Hang's words. His sister and wife were the most important things in this world, so he could not accept it.

"Lock Rou Bing and Fu Fu in the warehouse!" Ye Hang did not care about Ye Houteng's feelings because he put the Ye family first.

Of course, he knew that their actions were cruel, but for the sake of the Ye family, he did not care about it.

Ye Houteng roared in anger, and he decided to attack Ye Hang. "Die, bastard!"

Ye Ming and the others stopped Ye Houteng before he could hit Ye Hang's face. Ye Houteng could not do anything at this moment because he was not a martial artist like Xiao Tian.

"Beat him because he dares to betray the Ye family!" Ye Hang ordered Ye Bao and the others to beat Ye Houteng.

Of course, Ye Rou Bing and Fu Fu tried to help Ye Houteng, but they could not do anything because they were female.

They were powerless, and as a result, they could only see Ye Bao and the others beating Ye Houteng.

*Drip...

Ye Houteng's face was filled with bruises, and blood dripped down from the corners of his mouth.

"All of you are not human! You are a demon in disguise!" Ye Rou Bing and Fu Fu cried when they saw Ye Bao and the others beating Ye Houteng.

Even though Ye Bao, Ye Ming, Ye Tong, and Ye Hedong were not martial artists, but it was four against one.

"Put them in the warehouse now!" after saying that, Ye Hang shifted his gaze from Ye Rou Bing to Ye Houteng. "Throw him out!"

Ye Ming and Ye Bao locked Ye Rou Bing and Fu Fu in the warehouse while Ye Tong threw Ye Houteng out of the Ye family.

Blood still dripped down from the corner of Ye Houteng's lips. However, he did not care about his injuries because he only cared about his wife and younger sister.

He tried to enter the Ye family house many times, but his efforts were in vain because the fence was high.

He was saddened. Sadness, anger, despair, disappointment, regret: countless feelings filled his heart.

He finally understood what Ye Xueyin and Ye Qingyu felt when the Ye family expelled them.

No, he was sure what they felt was more than that.

'Ye family is indeed an evil family!'

He began to walk aimlessly.

*One hour...two hours...three hours.

Without realizing it, Ye Houteng had been walking for more than three kilometers.

He did not feel tired because his heart was filled with sadness, anger, etc. When he came to his senses, he was already in front of Xiao Tian's mansion.

He even did not know how he ended up in front of Xiao Tian's mansion. Previously, he kept walking aimlessly, thinking about his wife and younger sister.

Ye Houteng did not ring the bell or try to call Ye Xueyin. He just stared at the high iron fence with a sad face.

He stood and looked at Xiao Tian's mansion for about thirty minutes before finally turning around.

He knew that Ye Qingyu and the others would not help him because he knew what they had done to Ye Qingyu and the others.

Sure, he, his wife, and his younger sister were against it when Ye Hang wanted to kick Ye Xueyin and the others out of the Ye family.

However, they did nothing and only looked at Ye Xueyin and the others when Ye Hang kicked them out of the Ye family.

'Why has my family become like this? Why can't I have a happy family? I only want to live happily, nothing more than that.'

Ye Houteng shut his eyes for three seconds before finally opening it again.

*Vroom...

The sound of a luxurious car entered his ears when he walked away from Xiao Tian's mansion.

Even though Ye Houteng heard the sound of a car, he did not stop walking. He even did not look at the vehicle.

He did not help them when they needed him, so he suddenly felt ashamed of himself if he asked them for help.

Ye Xueyin instantly stopped her car when she caught sight of Ye Houteng.

'Houteng?'

She did not expect to see Ye Houteng in front of her house.

"Big sis, why did you suddenly stop the car?" Of course, Ye Qingyu also saw Ye Houteng, but she did not care about him.

Ye Xueyin instantly got out of the car and rushed toward Ye Houteng, "Houteng, wait!"

However, Ye Houteng ignored her words and kept walking. He was ashamed. He felt ashamed if he asked her for help.

In the past, he had a close relationship with Ye Xueyin and Ye Qingyu, but he did not help them during difficult times.

Ye Qingyu instantly got out of the car and followed her big sister. "Sigh. Why does she still care about him?"

Ye Xueyin's face turned worried when she saw Ye Houteng's condition, especially when she saw the bruises and injuries on his face.

"Houteng, what happened to you?" Ye Xueyin wanted to know what had happened to him.

"I'm fine, sister." Ye Houteng lied to her. "I'm sorry for coming to your house. I will leave now."

Ye Qingyu did not feel pity when she saw Ye Houteng's condition. She was only worried about her big sister's safety.

"Tell me, what happened to you? Where is your car?" of course, Ye Xueyin knew that Ye Houteng was lying to her.

Like before, Ye Houteng still did not tell the truth because he felt ashamed. "I walked earlier."

"What?! You walked to my house?!" Ye Xueyin knew how far the distance between her house and the Ye family's house was, so she was shocked after hearing his words.

"Big sis, ignore him! He is a bad person, so you don't have to pity him or help him." Ye Qingyu's disappointment in Ye Houteng was still great, so she did not want to help him.

"Qingyu!" Ye Xueyin disliked her younger sister's words.

"It's fine, sister. What sister Qingyu said is right. I'm indeed a bad person!" Ye Houteng admitted it. "Sorry for disturbing your time."

Even though his mouth said no, but deep in his heart, he hoped Ye Xueyin could save his wife and younger sister.

As long as they were willing to save his wife and younger sister, he would do anything. After all, they were very important to him.

Ye Xueyin grabbed Ye Houteng's right hand before finally speaking, "Let's get inside and talk in the living room."

"Sister..." tears fell down Ye Houteng's cheeks.

'You still haven't changed, sister. You are still as kind as ever.'

At this moment, several memories of when they were still young appeared in his head.

Ye Xueyin was famous for being kind and beautiful. She loved to help others even if they did not ask to.

Ye Qingyu could only sigh.

'Big sis is still the same!'

She had no idea whether she should be happy or sad.

After they sat on the couch, Ye Xueyin inquired. "Now tell me the truth. What happened to you?"

Chapter 1332: Get Out Now!

Ye Houteng began to explain everything to Ye Xueyin. He said the Feng family suddenly came to the Ye family's house and asked them to return Feng Weize's money.

The Ye family disagreed because they would have no money left later. Feng Weize was unhappy and said he would take the problem to court.

When they were in a hopeless situation, Feng Zu gave them a way to solve the problem. Feng Zu told the Ye family to give him Ye Rou Bing and Fu Fu.

They would forget the money and everything if the Ye family did that. Of course, Ye Houteng refused because his wife and younger sister were important to him.

However, the Ye family members beat him up when he wanted to leave the Ye family with his wife and younger sister.

This was the reason why his face was filled with injuries and bruises. "They are locked in the warehouse now and Ye Hang will give them to Feng Zu tomorrow."

He did not address Ye Hang as a family head anymore because Ye Hang did not deserve it.

Ye Qingyu, who was crossing his arms over her chest, responded, "I'm not surprised by their behavior. After all, the current Ye family is filled with bad people."

"So they are going to give Rou Bing and your wife to Feng Zu tomorrow?" Ye Xueyin finally understood everything.

"Yes. Sister, please help me save them. I will do whatever you want if you are willing to save them." Ye Houteng begged Ye Xueyin to help him.

"Don't worry. I will help you." Ye Xueyin agreed instantly.

"Big sis!" Ye Qingyu disagreed with Ye Xueyin's decision.

Ye Houteng did not help them when they were in a difficult situation. Ye Qingyu was a realistic person. She would treat everyone based on their behavior toward her.

"Qingyu, don't say anything. Houteng, Fu Fu, and Rou Bing are kind people. They just live in bad families." of course, Ye Xueyin understood Ye Qingyu's feelings.

"Thank you, sister. Thank you." Ye Houteng expressed his gratitude.

"Let's go now." Ye Xueyin uttered.

—

Even though it was already 07:00 pm, many people were still at the Blue Ice Lotus gang headquarters. All of them chatted happily because they had nothing to do at night.

“Now that we are the strongest gang in Shanghai, why don’t I feel something different?”

“Yes, me too. I also don’t feel something different.”

“Because this is only the beginning!”

“That’s right. We will spread our influence, to the point that every city in China knows us later.”

“Un. That’s a good ambition!”

As usual, they talked nonsense when they gathered together.

The red-haired woman instantly rose to her feet and spoke, “We will make all the gangs, martial arts schools, and organizations tremble before- Ehh! Big boss came! Everyone, stand up and greet our big boss.”

She was shocked when she caught sight of Ye Xueyin, Ye Qingyu, and Ye Houteng.

Everyone instantly stood up. “Welcome, big boss!”

Ye Houteng was shocked when he saw Xiao Tian’s underlings. Of course, he knew them because they were the ones who destroyed the Ye family house.

“Big boss, may I know the reason for your visit?” one of Xiao Tian’s underlings spoke politely.

Instead of answering her question, Ye Xueyin inquired, “Where is Mu Hou?”

Mu Hou was the strongest, so she wanted to take him with them. With his help, it would be much easier to save Ye Rou Bing and Fu Fu.

“Instructor is not here.” One of Xiao Tian’s underlings responded, “Should I call him now?”

“Yes, call him!” Ye Xueyin replied instantly.

“Big boss, why is he here?”

“Ah, maybe the big boss wants us to torture him!”

“Oh, torture him?!”

“Big boss, I’m an expert at torturing people. You don’t need to call the instructor.”

“I’m skilled too. I have talent at torturing people.”

“Me too.”

Xiao Tian’s underlings thought Ye Xueyin wanted to torture Ye Houteng because his face was filled with bruises and injuries.

Ye Houteng’s body trembled in fear. Previously, they were enemies, so he knew that they were serious.

“Stop it!” Ye Xueyin did not want Xiao Tian’s underlings to scare Ye Houteng anymore.

“Ah, well, I was joking around. A..ahaha.”

“Ye...yea. Me too. I was only joking!”

“Me too.”

They did not say cruel things anymore after hearing her words.

Not long after that, Mu Hou arrived at the Blue Ice Lotus gang headquarters. Like Xiao Tian’s underlings, he was startled when he saw Ye Xueyin and Ye Qingyu.

But what surprised him most was that he saw Ye Houteng standing next to them.

He remembered that Ye Houteng was Xiao Tian’s enemy, so he wanted to know why he was with them.

Mu Hou found it hard to believe what he was hearing when Ye Xueyin told him the reason why they came to their base.

Ye Houteng was Xiao Tian’s enemy, but Ye Xueyin wanted to help him save Ye Rou Bing and Fu Fu.

This made no sense!

However, he could not refuse her wish because she was Xiao Tian’s mother. For this reason, he agreed to help Ye Houteng.

Even though he was confident with his skills, he still brought ten people with him. Ye Xueyin and Ye Qingyu were with them, so he could not make a single mistake.

Xiao Tian would be furious if something bad happened to them. From his point of view, it was better safe than sorry.

At this moment, Ye Houteng’s heart was filled with happiness. He even forgot about his injuries.

With the help of Xiao Tian’s underlings, he was sure that he could save his wife and younger sister later.

‘Rou Bing, wife, I’m coming to save you.’

He promised himself he would never set foot in the Ye family’s house anymore after saving them.

From his point of view, it was better to stay away from the Ye family forever because it would put their lives in danger.

Not long after that, they arrived at the Ye family house.

“Ye Hang, get out now! Give me back my wife and younger sister!” Ye Houteng shouted.

Chapter 1333: Saving Ye Rou Bing And Fu Fu

Ye Hang and the others instantly walked out of their house after hearing Ye Houteng’s words.

Of course, they had no idea that Ye Houteng came with Ye Xueyin, Ye Qingyu and Xiao Tian’s underlings.

“Houteng, did yo-” Ye Hang stopped his words when he saw Xiao Tian’s underlings.

'Damn it!'

He did not expect Xiao Tian's underlings to help Ye Houteng.

Like Ye Hang, Ye Bao and the others were also stunned when they saw Ye Houteng, Ye Xueyin, Ye Qingyu and Xiao Tian's underlings.

"Ye Hang, release my wife and younger sister now!" Ye Houteng repeated his words.

"Feng Zu will come to pick them up tomorrow. Do you want to become the enemy of the Feng family?" Ye Hang tried to scare Ye Houteng by using the name of the Feng family.

He and the other members of the Ye family were not martial artists, so they could not defeat Xiao Tian's underlings.

All he could do was scare Ye Houteng, hoping he would be scared later.

Of course, Ye Houteng was not afraid. He was even willing to sacrifice himself to save his wife and younger sister.

"Ye Hang, you should stop doing bad things. You will get karma if you keep doing bad things." Ye Xueyin gave a piece of advice.

"Shut up! I don't want to hear a single word from someone like you." in Ye Hang's eyes, Ye Xueyin was a bad woman.

First, she did not want to help them. Things would have been different if she had agreed to return to the Ye family.

Ye family would not be in a mess like that. That was why he saw her as a bad woman because she was one of the reasons the Ye family faced a crisis.

And last, she did not stop Xiao Tian when he ordered his underlings to destroy their house.

"You will only waste your time if you try to talk to him." Ye Qingyu knew Ye Hang's personality because she had already known him for so many years.

Ye Xueyin shifted her gaze from Ye Hang to Mu Hou. "Mu Hou, help him free his wife and Rou Bing."

"Go and find them!" after saying that to Ye Houteng, Mu Hou looked at the Blue Ice Lotus gang members. "Help him."

Of course, he would stay with Ye Xueyin and Ye Qingyu because their safety was his priority. He did not care whether Ye Houteng would find Ye Rou Bing and Fu Fu or not.

He only cared about Ye Qingyu and Ye Xueyin's safety.

"You will regret it, Houteng!" Ye Hang did not try to stop them because he knew it would be a bad idea.

He did not want Xiao Tian's underlings to beat him. That was why he did nothing and only stared at him.

Ye Houteng did not care about it and started looking for his wife and younger sister. "Let's go to the warehouse."

Previously, Ye Hang ordered Ye Ming to put his wife and younger sister in the warehouse, so he wanted to check the warehouse first.

At the same time, Ye Rou Bing and Fu Fu were trying to free themselves. Of course, they had no idea that Ye Houteng was trying to save them.

They communicated through their eyes because their mouths were covered with tape. And as if they could communicate through their eyes, they instantly changed their position.

They immediately sat down with their backs facing each other. After that, they tried to untie the ropes binding their hands.

However, they still could not untie the ropes. First, they could not use their hands normally because their hands were tied behind their backs.

And last, Ye Ming and the others tied them hard, so it was normal if they could not untie the ropes immediately.

Bang!

The wooden door was thrown open.

Ye Rou Bing and Fu Fu instantly turned their heads toward the source of the sound.

“Hmm...hmmm...hmmm...” they could not speak because their mouths were covered with tape.

Ye Rou Bing and Fu Fu were thrilled when they saw Ye Houteng. Previously, they thought it was Ye Hang. They were glad it was Ye Houteng.

“Wife, sister!” Ye Hedong immediately untied them.

He instantly embraced them after releasing them. He felt glad because he could save his wife and younger sister.

“Brother!” Ye Rou Bing embraced Ye Houteng.

“Husband!” like Ye Rou Bing, Fu Fu also hugged him.

“Let’s leave this place!” Ye Houteng no longer wanted to stay at the Ye family house because it made him sick.

“Un.” Ye Rou Bing and Fu Fu nodded their heads.

When Ye Hang and the others saw them, they gritted their teeth. Of course, they were unhappy because they would not be able to explain it to Feng Zu tomorrow.

Ye Rou Bing and Fu Fu had complicated feelings when they saw Ye Xueyin and Ye Qingyu.

“Thank God you two are fine.” Ye Xueyin uttered, “Alright, let’s leave!”

When Ye Hang saw Ye Houteng leaving, he immediately said, “Houteng, you will regret it later.”

Ye Houteng ignored Ye Hang’s words because there was no point in listening to them. After sending them home, Mu Hou and Xiao Tian’s underlings returned to their base.

Mu Hou only stayed at their base for thirty minutes before finally going home.

Xiao Tian's Mansion, Living Room.

Ye Xueyin was currently sitting on the couch with Ye Qingyu, Ye Rou Bing, Fu Fu and Ye Houteng.

Even though Ye Qingyu was unhappy with her older sister's decision, she did not say anything.

"Fu Fu, Houteng, Rou Bing, you three can stay here tonight. We have spare room." Ye Xueyin uttered, "We can find you a place to live tomorrow."

"I disagreed!" Ye Qingyu stated. "You three can't stay in my home. Go and find a hotel to stay at! We have helped you, so don't disturb us anymore."

"Qingyu, don't be cruel to them!" Ye Xueyin raised her voice.

Ye Rou Bing, Fu Fu and Ye Houteng were not surprised by Ye Qingyu's words because they knew that she really hated them now.

"I still disagreed! I don't want people like them to stay in my house." after saying that, Ye Qingyu took some money out of her wallet and threw it on the table. "Here, use this money to stay at the hotel."

"Qingyu!" Ye Xueyin was disappointed with Ye Qingyu's actions.

"Whatever happen, I don't want them to stay in my house!" unlike usual, where she always gave in to her elder sister, Ye Qingyu did not do that this time.

They had helped Ye Houteng save his wife and younger sister, so in her view, they were already kind enough to him.

She did not want the trio to keep in touch with them because she felt uncomfortable when they were around.

Yes, Ye Qingyu still could not forget everything and hated them to the bone!

"Sister, it's fine. We understand." Ye Qingyu and Ye Xueyin had helped him, so Ye Houteng did not want to disturb them anymore.

"Good if you understand!" Ye Qingyu did not care about his feelings.

At the same time, Xiao Tian arrived home.

'Hmm?'

He was shocked when he saw Ye Rou Bing, Fu Fu and Ye Houteng.

Chapter 1334: Thank You, Sister

Xiao Tian's smartphone died, so Mu Hou could not reach him. This was the reason why he did not know what had happened to Ye Houteng and the others.

“What are you doing in my house? Oh, by the way, you have an interesting face there!” Xiao Tian made fun of Ye Houteng when he saw Ye Houteng’s face was filled with injuries and bruises.

Even though he did not know what had happened to Ye Houteng, he did not care about it; instead, he was pleased because someone beat his enemy.

Yes, Xiao Tian still saw Ye Houteng as his enemy!

Not only Ye Houteng, but he also regarded Ye Rou Bing and Fu Fu as his enemies.

“Ehm! If you want, I can make your face more interesting now. How is it? Do you want it?” Xiao Tian kept making fun of Ye Houteng.

Even though Xiao Tian was humiliating him, Ye Houteng was not angry at Xiao Tian. Xiao Tian’s mother and underlings had helped him, so he did not take Xiao Tian’s words to heart.

He even smiled at Xiao Tian. “Yes. Ye Tong and the others were the ones who did this to me.”

“Oh! Why did they beat you up? Did you sleep with their wives?” Xiao Tian was enjoying this, to the point he did not want to stop it.

“Tian, stop it!” Ye Xueyin told Xiao Tian to stop making fun of Ye Houteng.

Xiao Tian sighed after hearing his mother’s words. “So, why did you come to my place?”

Ye Qingyu began explaining everything to Xiao Tian. She also said they went to the Ye family house with his underlings earlier.

Xiao Tian looked at his mother before sighing again.

‘She is too kind!’

He did not know whether he should be happy or not.

“Because your problem has been solved, you can leave now!” Xiao Tian did not feel pity.

“That’s right. You can leave now!” Ye Qingyu added.

Ye Houteng, Ye Rou Bing, and Fu Fu exchanged a glance with each other. The trio nodded their heads before replying, “Thank you for helping us!”

Ye Xueyin and the others had helped them, so the trio did not want to disturb them anymore. They also knew that Ye Qingyu and Xiao Tian felt uncomfortable when they were around.

When Ye Xueyin saw Ye Houteng and the others leaving, she immediately spoke, “Houteng, Rou B-“

But before she had finished her words, Xiao Tian dragged her to the family room. “Mother, let’s watch a movie together.”

“But they have no house!” Ye Xueyin felt sorry for them because they no longer had a home now.

“Well, it’s their problem.” After saying that, Xiao Tian looked at his aunt. “Aunt, please close and lock the door.”

“Alright.” Ye Qingyu nodded her head.

“Tian...” Ye Xueyin still wanted to help the trio.

Of course, Xiao Tian stopped her.

—

Ye Rou Bing, Fu Fu, and Ye Houteng were currently walking on the road.

“Husband, let’s go to the hospital first. We need to treat your injuries first.” Fu Fu’s heart ached every time she saw his injured face.

“That’s right, brother. We should treat your injuries first.” Ye Rou Bing added.

“It’s fine. We only have a little money now, so we have to spend it carefully.” Even though he was injured, but he didn’t want to use their money for treatment because they only had a little money now.

Previously, they did not take Ye Qingyu’s money. After all, they had helped them.

“No!” Fu Fu refused. “We have to treat your injuries first. We can go to clinic now. The cost for treatment is cheap there.”

“But we need money to rent two room later.” Ye Houteng still did not want to treat his injuries.

They had to rent two rooms later because they did not have a house. They also did not have a job, so every single cent was important to them.

“But...” Fu Fu still wanted her husband to treat his injuries first.

“Alright, alright. Let’s stop by the clinic and buy first aid.” His wife and younger sister would continue to worry if he didn’t treat his wound, so Ye Houteng decided to buy first aid later.

After buying the first aid, they looked for a cheap hotel.

—

Xiao Tian’s Mansion, Ye Xueyin’s Bedroom.

Ye Xueyin was still worried about the trio because they did not have a house and also only had a little money.

‘I will look for them tomorrow.’

If it were Ye Hang, she wouldn’t be worried like that.

However, she couldn’t help but worry about Ye Houteng, Ye Rou Bing, and Fu Fu. She knew that they were good people.

They were just helpless and lived in an evil family. This was the reason why she would look for them tomorrow.

Like what she had planned, she immediately looked for the trio after having breakfast with the others.

She did not tell Xiao Tian or Ye Qingyu because she knew that they would disagree with her decision.

After finding them, Ye Xueyin instantly helped them. "I have rented this house. You can use it for a year."

"Thank you, sister." Ye Houteng, Ye Rou Bing, and Fu Fu said in unison.

At this moment, they felt more and more guilty. When Ye Xueyin's life was difficult, they did not help her.

When Ye Hang kicked her out of the Ye family, they also did nothing. However, she still cared about them.

She still saw them as her family. She even helped them over and over again.

'Sister, I'm sorry!'

The trio apologized in their minds.

—

Ye Family House, Living Room.

Feng Zu and Feng Weize are currently sitting on the sofa with the Ye family members. Both of them were furious because the Ye family couldn't take care of Ye Rou Bing and Fu Fu.

"Because you failed to keep them, you have to return my brother's money now." Feng Zu stated.

"Mr. Feng, please give us one more chance." Ye Hang responded, "I promise we will find them quickly and give them to you."

Feng Zu raised his right index, ring, and middle fingers. "Because I'm a good person, I will give you another chance. Three days! I will give you three days."

"Thank you, Mr Feng." Ye Hang was relieved. "We will inform you immediately after finding them."

"Remember your promise!" Feng Zu spoke and paused for a second before he continued, "This is your last chance, so don't make another mistake."

Feng Zu and Feng Weize immediately left.

Without waiting for another second, the Ye family members began to look for Ye Rou Bing and Fu Fu.

Their family's future was at stake, so they could not waste time. They even forgot about their plan to open a restaurant.

At that time, what they had in mind was only one thing.

Find Ye Rou Bing and Fu Fu!

At the same time, Ye Rou Bing, Fu Fu, and Ye Houteng were planning their future.

"Let's open a noodle shop." Ye Rou Bing spoke abruptly. "No one sells noodles around here, so this is a good opportunity."

Ye Houteng and Fu Fu exchanged a glance with each other before finally nodding their heads.

“Alright, let’s open a noodle shop.” They said in unison.

The trio decided to open a small noodle shop and start a new life.

Chapter 1335: Ye Rou Bing and the Others Are Happy

There was another reason why Ye Rou Bing suggested opening a noodle shop.

She was good at making noodles!

In other words, she could make a delicious noodle.

Of course, Fu Fu and Ye Houteng knew about it. This was the main reason why they agreed with her idea without thinking twice.

They wasted no time and prepared everything. The following morning, they officially opened their small noodle shop.

Unlike usual, the goddess of luck was on their side this time. Even though their noodle shop was not crowded with visitors, they were satisfied.

The profit they earned was enough for them to eat for a day, so the trio was thrilled. It was a good start because it was the first day.

The next day, the trio opened their noodle store with a smile on their faces. Like yesterday, they had many customers again.

People, who came to their stop yesterday, even came again. There was only one meaning for this.

They liked Ye Rou Bing’s noodles!

They were addicted to her noodles.

That was the reason why the customers came to their noodle shop again.

“Sister, three more noodles please.” Ye Houteng shouted happily.

“Alright.” Like Ye Houteng, Ye Rou Bing was also pleased.

Ye Houteng, Ye Rou Bing and Fu Fu were thrilled because they got more customers today.

When they were running the Ye family business, they had always failed at everything, but now it was different.

It was as if their bad luck disappeared when they left the Ye family.

Time went by quickly, and without realizing it, it was already 07:30 pm. Even though they worked all day, but none of them felt tired.

It was as if the customers, who came to their noodle shop, kept giving them energy.

‘Thank you, God.’

Ye Houteng’s face broke into a smile when he saw many customers eating their noodles.

Because they had more customers today, their small shop could not accommodate all the customers.

They had to put some tables outside their shop.

Yes, many of their customers were eating outside.

An hour later, all the customers left. Of course, they left with a happy smile on their faces because Ye Rou Bing's noodles were delicious.

"Wife, sister, let's close the shop now." Ye Houteng spoke abruptly.

"Alright." Ye Rou Bing and Fu Fu agreed instantly.

Their eyes shone in happiness when they saw the money they earned.

"We got more money today!" they said in unison.

"Okay. I will put the table inside now." After saying that, Ye Houteng walked toward the table.

"We will help too." Ye Rou Bing and Fu Fu said in unison.

As the trio was putting the tables inside, Ye Tong saw them.

'I have found you!'

Ye Tong, who was in his car, took a picture of them.

'I will inform Mr. Feng later.'

He then left.

Xiao Tian's Mansion, Ye Xueyin's Room.

Ye Xueyin was currently talking with Ye Rou Bing, Fu Fu and Ye Houteng over the phone.

"Really?" Ye Xueyin asked happily.

"Yes, sister." Ye Rou Bing responded, "We got more customers today. We are so happy right now."

Ye Rou Bing put her smartphone on speaker mode, so Ye Houteng and Fu Fu could hear and talk with Ye Xueyin too.

"I know you all can live well without the Ye family." Ye Xueyin suddenly wanted to taste Ye Rou Bing's noodles. "I will come to your shop if I have free time."

"Come here, sister. I will make jumbo-size noodles for you." they would not be able to open a noodle shop if it were not for Ye Xueyin, so Ye Rou Bing would treat her sister special.

"I don't want jumbo size! What if I get fat later?" Ye Xueyin was someone who always paid attention to her body, so she very rarely ate much, especially fatty foods.

"Hehe." Ye Rou Bing giggled after hearing her words.

“You don’t need to worry about it, sister.” Ye Houteng uttered, “You are an attractive lady, so you will always look beautiful.”

“He is right, sister Xueyin.” Fu Fu added, “Not only are you gorgeous, you even still look young, like a woman in their early twenties.”

“That’s right.” Ye Rou Bing stated.

“Hehe.” Ye Xueyin giggled happily after hearing their words.

At the same time, Xiao Tian was standing in front of his mother’s door. Of course, she did not know about it.

‘She is talking with them again.’

He could hear their conversation.

*Sigh...

Xiao Tian sighed before finally walking toward his room.

He had told his mother to stop getting in touch with them, but she never listened to him. Of course, he was disappointed, but he could not do anything.

‘You rented a house for them and also gave them money to start a business. You are really too kind, mother.’

He knew everything.

He even knew that his mother used his money to help them.

When Ye Qingyu saw Xiao Tian heading to his room while sighing, she inquired, “What’s wrong, Tian?”

Xiao Tian sighed before answering, “Mother is too kind!”

“Did big sis help Houteng, Fu Fu and Rou Bing again?” Ye Qingyu inquired.

“Yes.” Xiao Tian gave an honest answer. “She even used my money to help them. Sigh.”

Ye Qingyu also sighed. “It’s hard to stop her, so let’s just hope the trio won’t give big sis a problem later.”

“I hope so.” Xiao Tian uttered.

—

Ye Family House, Living Room.

He Tong instantly told the other members of the Ye family the location of Ye Rou Bing’s shop.

“What?! They open a noodle shop?!” Ye Bao said in surprise. “Where did they get money to open a noodle shop?”

“I’m sure Xueyin gave them money!” Ye Tong was sure that Ye Xueyin had given Ye Rou Bing and the others money, or else it would be impossible for the trio to open a noodle store.

After all, they had no money. They even left the Ye family without bringing anything.

“Let’s inform Feng Zu now.” Ye Hang spoke abruptly.

“Alright.” Ye Bao and the others responded in unison.

Chapter 1336: She Is So Beautiful

Inside one of the room in a seven-star hotel, an old man was lying on the bed with a pretty lady, naked.

If anyone saw them, they would know right away that they had just finished having sex. They even did not bother to cover their naked bodies.

These two people were none other than Feng Zu and Hijin.

Hijin was an attractive lady about twenty-three years old. She decided to use her body when she learned that Feng Zu was from a rich and influential family.

She did not care even if Feng Zu only wanted her body. After all, she only wanted his money, nothing more than that.

She even did not mind if Feng Zu had more women. As long as she kept getting money from him, she would not care about it.

Feng Zu looked at Hijin before finally squeezing her breasts and pinching her nipples.

“Ahhh...” Hijin’s little mouth opened, letting out a seductive wail.

Feng Zu’s lips curled up into a smirk. Of course, he kept playing with Hijin’s breasts.

‘As I thought, I can get anything with money.’

Previously, he met Hijin at a restaurant.

With the power of money, he managed to get her attention. Not only that, but he even could bed her in the next two hours.

This was the reason why he believed that he could also sleep with Ye Rou Bing and Fu Fu later.

When Feng Zu did not stop playing with her breasts, Hijin uttered, “Mr. Feng, it seems like you really like my breasts.”

“I love your breasts.” Feng Zu gave an honest answer. “Your breasts are big and beautiful.”

“You can do whatever you want, you know? But don’t forget your promise.” Previously, Hijin asked Feng Zu to give her a luxurious and expensive bag, and he agreed instantly.

“Don’t worry. I will buy that bag for you today.” money was not a problem for him, so Feng Zu would give what she wanted.

He did not mind spending money on her as long as he could play with her lovely body. After all, he only cared about women.

When Feng Zu was sucking Hijin’s right breast, his smartphone rang.

'Who is calling me at a time like this?'

At first, he did not want to pick up the phone because he was busy sucking Hijin's big and beautiful breasts.

However, he changed his mind when he knew the one who called him was Ye Tong.

"What is it, Ye Tong?" like before, he did not stop playing with Hijin's breasts.

He even sucked her nipples sometimes. Even though he was talking with Ye Tong over the phone, he did not care about it.

Hijin also did nothing when Feng Zu kept playing and sucking her breasts. He had promised to give her a luxurious and expensive bag, so she would let him do whatever he wanted.

"Mr. Feng, we have found them." Ye Tong went straight to the point. "We already know where they are."

"Good!" Feng Zu said happily. "Let's go to her place tomorrow."

"Alright." Ye Tong responded.

"If you don't have anything to say anymore, I will hang up the phone. I'm busy right now." Feng Zu wanted to enjoy his time with Hijin, so he tried to end the call quickly.

"Alright." Ye Tong uttered.

"I will go to your house tomorrow morning." After saying that, Feng Zu hung up the phone.

'I can't wait to bed them. Haha.'

He added in his mind.

"Mr. Feng, you can't forget me after getting them." Hijin was not angry when Feng Zu wanted to get more women.

"Don't worry. I won't forget you. After all, you are pretty and have nice body." Hijin was a beauty, so Feng Zu would keep playing with her. "Hijin, how about we go for another round now?"

"Hehe." Hijin giggled. "Mr. Feng, you are such a pervert!"

"Because you said something like that, then I will eat you now." After saying that, Feng Zu ate Hijin again.

And soon, Hijin's wails echoed in the hotel room again.

—

At this moment, Qing Xiulan was sitting on the sofa at Li Restaurant. She decided to meet Xiao Tian before returning to Beijing because she wanted to improve her friendship with him.

As usual, she was accompanied by her bodyguard. Her bodyguard was standing behind her, paying attention to their surroundings.

“Hey, do you know her?”

“I don’t know.”

“She is so pretty!”

“You are right. She is like an angel who descended from the highest heaven.”

“Is she a model?”

“Maybe. After all, she is so beautiful.”

“Do you want to try talking to her?”

“Hey, look at her bodyguard! Do you want to get beaten up by her bodyguard?”

“But isn’t her bodyguard already old?”

“Why don’t you try hitting on her? I’m sure you will get beaten up later.”

“I also believe her bodyguard is a martial artist at the grandmaster stage.”

“I think so too.”

“But isn’t that a waste if we don’t try our luck?”

Almost all men at Li Restaurant stared at Qing Xiulan.

She was an attractive young lady, so their behavior was normal. Some of them even often stole glances even though they were with their girlfriends.

This was normal!

Even Xiao Tian, who had seen many beautiful women, admitted that Qing Xiulan was the most beautiful woman in his second life.

Mei Xing was the only one who could rival Qing Xiulan’s beauty. However, Mei Xing lived in his previous life, so he could not meet her anymore.

Qing Xiulan behaved normally because she was used to it.

Yes, whenever or wherever she went somewhere, many men always stole glances at her or tried their luck.

This was one of the reasons why she always brought her bodyguard with her because her bodyguard could protect her from them.

At this moment, three men wanted to try their luck, but they instantly returned to their seats when Qing Xiulan’s bodyguard stopped them and released a terrifying aura.

The other men instantly threw their stupid ideas when they saw Qing Xiulan’s bodyguard.

Sure, she was the prettiest woman they had ever seen, but their lives were more important than a woman.

Qing Xiulan's face blossomed into a smile when she caught sight of Xiao Tian. This made all men look at Xiao Tian.

"Who is he?"

"I don't know."

"Eh, isn't he the miracle young man?"

"Miracle young man? Do you mean Xiao Tian? That Xiao Tian who managed to raise his family status from a lower-class family to an upper-class family in less than three years?"

"Yes, that Xiao Tian!"

They started to feel envious of Xiao Tian.

As men, they dreamed to be like Xiao Tian because he was young, handsome, tall, and rich.

After Xiao Tian sat on the opposite side of Qing Xiulan, he inquired, "I thought you were already in Beijing."

"I will return to Beijing tomorrow morning." a sweet and pleasant voice came out of Qing Xiulan's little mouth. "That was why I decided to invite you to dinner."

All the men, who were interested in her, felt as if they were in the beautiful garden when they heard Qing Xiulan's sweet and pleasant voice.

"Young master Xiao, do you want to come with me and meet my family?" Qing Xiulan asked something shocking to Xiao Tian.

Chapter 1337: Idiot!

Xiao Tian was startled.

Of course, he did not show it on his face.

Like Xiao Tian, all men who were interested in Qing Xiulan were also shocked.

'What?'

They suddenly wanted to switch places with Xiao Tian.

Not only could he have dinner with a pretty lady, she even invited him to meet her parents.

There was only one meaning for this!

Qing Xiulan was interested in Xiao Tian!

Of course, it was just their guess because they had no idea about Xiao Tian's relationship with Qing Xiulan.

"My father also wants to meet you, so I'm sure he will be happy if you come with me." At this moment, Qing Xiulan was only half-serious.

“Sorry, but I have to refuse because I’m very busy right now.” Xiao Tian refused her wish without a second thought because he did not want to meet Qing Xiulan’s parents.

He had caused trouble for the Qing family in the past, so he did not know how to face them.

He even beat up Qing Xiulan’s bodyguards to the point they could not become bodyguards anymore.

“What a pity!” even though Qing Xiulan did not care about it, but she wore a sad face as if she was saddened by his words.

All men who were interested in Qing Xiulan had one word for Xiao Tian.

Fool!

Yes, they saw him as a fool.

If they were in his position, they would agree instantly.

They even would do anything to marry her because she was so beautiful, like an angel. They believed they would become the happiest man in the world if they could marry her.

However, Xiao Tian was not like them. Their way of thinking was different. He was different from them because he had a lot of things he needed to think about and take care of.

As Xiao Tian was chatting with Qing Xiulan, an old man walked not far from them. His eyes turned lustful when he caught sight of her.

‘Oh! An angel! I’m seeing an angel right now!’

He wasted no time and immediately rushed towards Qing Xiulan.

If the Ye family saw that old man, they would recognize him right away because he was a pervert from the Feng family.

Feng Zu!

Yes, the name of that old man was Feng Zu, Feng Weize’s younger brother.

Of course, Feng Zu still did not know who Qing Xiulan was. Sure, the Qing family was famous, but not everyone knew all the members of the Qing family.

Qing Xiulan’s bodyguard instantly stood in front of Feng Zu when he was close to her.

“Old man, Leave! I want to talk to my angel!” Feng Zu was annoyed when her bodyguard stopped him.

Xiao Tian and Qing Xiulan turned their heads towards Feng Zu.

‘Who is he?’

None of them knew who Feng Zu was because they had never seen him before.

Of course, Qing Xiulan’s bodyguard did not let Feng Zu go near her because he knew that Feng Zu had bad intentions.

Feng Zu could not suppress his anger because the old bodyguard kept stopping him. "Old man, I said lea-"
"

However, something unexpected happened before he had finished his words.

The old bodyguard grabbed his neck and lifted his body using one hand!

Everyone in the restaurant was stunned!

Even though some of them had guessed that he was a martial artist at the grandmaster stage, but they were still amazed by his strength.

He was already old, but he could still lift Feng Zu's body easily. He even only needed one hand to do that.

Feng Zu was a fat old man, so he was heavy. This was the reason why they were amazed by the strength of Qing Xiulan's bodyguard.

'Fool! He is fool!'

These were the words that appeared in their minds.

At this moment, Xiao Tian had the same thought as them. Feng Zu was an idiot in his eyes because he dared to disturb Qing Xiulan, someone who had a powerful bodyguard.

"Let me go! Let me go, bastard!" Feng Zu's face turned blue as it was difficult for him to breathe.

No, he even felt as if he would fall unconscious soon because the old man kept grabbing his neck.

He only wanted to talk to a gorgeous lady, but what greeted him was violence.

*Aukk...

Qing Xiulan's bodyguard threw Feng Zu to the floor.

"Hehe." Almost everyone chuckled at his stupidity.

Feng Zu rose to his feet and skimmed his surroundings. "Stop chuckling! I'm from the powerful and influential Feng family! Do you want to be my enemy?"

He decided to threaten everyone using his family name because his family was from an upper-class family.

Some of them instantly stopped chuckling when they found out that Feng Zu was from the Feng family.

"Idiot!" Xiao Tian stated.

Feng Zu instantly turned his head to look at Xiao Tian. "You! What did you just say?"

Even though Xiao Tian did not say it loudly, he could still hear it because he was not far from Xiao Tian.

"What?! Do you want to hear it again?" Xiao Tian was not afraid of the Feng family. "Then I will gladly repeat my word. I-d-i-o-t!"

“You! Do you want to be my enemy? Are you not afraid of my Feng family?” Feng Zu hated Xiao Tian even more because he was at the same table as Qing Xiulan.

No!

Actually, he was jealous of Xiao Tian because Xiao Tian could have dinner with an attractive lady like Qing Xiulan.

His jealousy turned into a wave of anger after hearing Xiao Tian’s words. He could not blame everyone or Qing Xiulan, so he decided to shift the blame to Xiao Tian.

“Feng family? Is the Feng family a powerful family?” Xiao Tian looked down on Feng Zu because he only used his family name to threaten others.

“You!” when Feng Zu wanted to attack Xiao Tian, Qing Xiulan’s bodyguard stopped him again.

“Leave!” Qing Xiulan’s bodyguard released his terrifying aura, causing Feng Zu to be scared.

He decided to protect Xiao Tian because Xiao Tian was Qing Xiulan’s important guest. As her bodyguard, he needed to protect her and her important guest.

“You! I will remember you!” Feng Zu wanted to teach Xiao Tian a lesson.

He decided to leave the restaurant because he had lost face. He would be embarrassed if he stayed in the restaurant.

“Young master Xiao, it seems like he will cause trouble for you later.” Qing Xiulan was sure that Feng Zu would cause trouble for Xiao Tian later because he threatened Xiao Tian before leaving. “Do you want me to solve this problem for you?”

“I’s fine. I can take care of it myself.” Xiao Tian knew how to solve the problem.

—

Feng Zu was heading toward the parking lot with an annoyed face.

‘Just you wait. I will teach you a lesson later.’

He took his smartphone out of his pocket and ordered his subordinate to investigate Xiao Tian.

Even though Xiao Tian did not do anything to him, he still blamed Xiao Tian for everything because Xiao Tian was with his angel.

Actually, the main reason for his hatred was jealousy. He was jealous because Xiao Tian could have dinner with a gorgeous lady like Qing Xiulan.

‘But why do I feel like I have seen her before?’

He decided to investigate Qing Xiulan’s identity too.

Chapter 1338: Going to Ye Rou Bing’s Noodle Shop

Feng Zu’s House, His Bedroom.

Feng Zu had no wife, but he never lacked a woman.

He could always get a companion because he was from a rich and influential family. He even had slept with many actresses or female models.

Actually, he did not want to have a wife. He preferred to be single because, with this, he could sleep with any woman.

At this moment, he was on the bed, naked. Of course, there was a gorgeous lady next to him because he let out his anger by having sex with one of his mistresses.

'I knew it!'

He finally knew who Qing Xiulan was.

'No wonder I feel like I have seen her before. I'm sure I saw her on TV before.'

Because he could not lay his hand on Qing Xiulan, he decided to teach Xiao Tian a lesson because his subordinate said Xiao Tian had no background.

'Just you wait, Xiao Tian!'

His lips curled up into a smirk.

The following morning, he traveled to the Ye family house.

His intention was clear.

He wanted to meet Ye Rou Bing and Fu Fu!

Of course, the main reason was to bed them.

He had been wanting to bed them, so he did not give up and kept trying to sleep with them. He did not care if he had to use dirty methods or not.

As long as he could bed them, he would do anything.

—

At the same time, Ye Rou Bing was opening her noodle shop. As for Ye Houteng and Fu Fu, they arranged the tables neatly.

Like yesterday, happiness welled up inside their hearts. They got a lot of money yesterday, so there was a high possibility that they would get a lot of money again today.

Of course, they had no idea that the Ye family already knew the location of their shop. They thought they managed to escape from the Ye family's net.

"Let's work hard again!" Ye Rou Bing said with a smile on her face.

"Un." Ye Houteng and his wife nodded their heads.

The smile on their faces grew bigger when a few customers came to their shop.

"Welcome!" they greeted the customers with a smile.

At the same time, Feng Zu's car stopped not far from Ye Rou Bing's noodle shop.

'Is that their shop?'

He was shocked when he saw a few customers consuming noodles happily.

He knew that none of the Ye family members were talented in business, so he was surprised when he saw a few customers.

Ye Tong immediately walked toward Feng Zu after getting out of the car. "Mr Feng, it's their shop."

"Let's go." Feng Zu walked with a smile on his face.

He walked to Ye Rou Bing's shop with Ye Tong, Ye Bao, and Ye Hedong. At this moment, no one suspected them.

"This noodle is really delicious!"

"Yes. It's so tasty!"

"I'm sure this noodle will be more delicious at night because we can see beautiful sky at night."

"Yes, you are right. I came to this shop last night and the noodle did become more delicious because of the beautiful night."

"Maybe I should come again tonight."

"I have the intention of coming again tonight."

The customers did not suspect Feng Zu and the others because they thought Feng Zu also wanted to buy Ye Rou Bing's noodles, but they were wrong.

They were utterly wrong because Ye Houteng, who was serving the customer, instantly yelled at Feng Zu and the others. "What are you doing here? Leave! You are not welcome here!"

All the customers were shocked and instantly looked at Feng Zu and the others.

Ye Houteng always behaved nicely and smiled at the customer, so they were shocked when he suddenly yelled like that.

"What's going on?"

"I don't know."

"Why did Mr. Ye suddenly yell like that? And how are they?"

All the customers suddenly wanted to know what was going on.

Ye Rou Bing and Fu Fu instantly walked toward Ye Houteng. "What's going on?"

They instantly stopped their footsteps and gritted their teeth when they caught sight of Ye Hang and the others.

"Leave! You are not welcome here!" like Ye Houteng, they also told Feng Zu and the others to leave.

Of course, Feng Zu did not listen to their words and walked toward Ye Rou Bing and Fu Fu. "Beauty, we meet again. You look much prettier than the last time I saw you."

Even though there were many people around them, he did not care and behaved like usual. He even did not try to hide his lustful expression.

Ye Houteng instantly stood in front of his wife and younger sister. "Leave!"

He had to protect them because their lives would be full of misery if they fell into Feng Zu's hands.

"Yes, leave!" Ye Rou Bing and Fu Fu added.

"Hey, don't be so cruel like that. You make me sad, you know?" Feng Zu pretended to be hurt by their words. "We haven't seen each other for a few days. Don't you miss me?"

At the same time, Xiao Tian and his mother were on their way to Ye Rou Bing's shop. She instantly dragged him to her car after entering his office.

Of course, she did not tell him their destination because she knew he would ask her to turn around later.

Ye Rou Bing, Fu Fu, and Ye Houteng were good people, so she wanted to improve their relationship with Xiao Tian.

This was the reason why she decided to take him to Ye Rou Bing's noodle shop. She believed he would not do anything because he always listened to her.

"Mother, just where are we going?" Xiao Tian wanted to know where they were going because she always refused to tell him about it.

Ye Xueyin, who was driving her car, responded, "You will know it later. We are almost there. Be patient."

Xiao Tian sighed.

'Why do I have bad feeling like this?'

This was the reason why he wanted to know their destination because he kept getting bad feelings.

"Beauty, how about you follow me to my house?" Feng Zu inquired, "Don't worry. I will buy a huge building for you to open a noodle shop later. As long as you follow me, I will make you happy."

Of course, Ye Rou Bing and Fu Fu refused because they already knew his real intention. "I don't want to. Leave!"

Feng Zu began to lose control because they kept refusing his wish. "Follow me now!"

He grabbed Ye Rou Bing and Fu Fu's hands.

Yes, he would not take no for an answer!

Ye Houteng wanted to release Feng Zu's hands from Ye Rou Bing and Fu Fu.

Of course, Ye Hang, Ye Bao, and Ye Tong helped Feng Zu because they could solve their problem if Ye Rou Bing and Fu Fu followed Feng Zu.

At this moment, the customers still did nothing. Some of them had no idea what to do, while the others were afraid to help Ye Rou Bing and Fu Fu.

Ye Tong and Ye Bao instantly grabbed Ye Houteng's hands because they had to help Feng Zu.

"Bao, Tong, let me go!" Ye Houteng roared angrily.

"Hehe, beauty, let's have some fun later." Feng Zu was dragging Ye Rou Bing and Fu Fu to his car.

"Stop!" Ye Xueyin's voice reverberated in the entire area.

Chapter 1339: Indirectly Saving Ye Rou Bing and the Others

"Stop!" Ye Xueyin was shocked when she saw what was going on.

She came to Ye Rou Bing's noodle shop for two reasons.

First, she wanted to improve Xiao Tian's relationship with Ye Rou Bing, Fu Fu and Ye Houteng because the trio was actually good people.

And last, she wanted to taste Ye Rou Bing's noodles. However, what greeted her upon arriving at Ye Rou Bing's shop was something that angered her.

Feng Zu was dragging Ye Rou Bing and Fu Fu to his car!

She was furious.

But what angered her most was that Ye Tong, Ye Bao and Ye Hang helped Feng Zu.

Yes, they stopped Ye Houteng from saving his wife and younger sister.

Ye Houteng was their brother, but instead of helping their brother, they were helping an outsider.

These were the reasons why she was furious and disappointed at Ye Hang, Ye Bao and Ye Tong.

Everyone instantly turned their heads toward the source of the sound.

Feng Zu smiled lustfully when he saw Ye Xueyin.

'Oh! Another beauty?!'

Ye Xueyin was more beautiful than Fu Fu or Ye Rou Bing, so he was instantly interested in her.

At this moment, he did not notice Xiao Tian because his eyes were focused on Ye Xueyin. She was his type, so he did not care about anyone but her.

Feng Zu removed his hands from Fu Fu and Ye Rou Bing. "Beauty, how about you follow me too? Don't worry, I will make you happy later."

When he was about to grab Ye Xueyin's hands, Xiao Tian caught his hand and looked at him coldly.

"I don't care what you want to do to the Ye family members, but don't even think about having bad ideas for my mother." Xiao Tian's eyes gleamed with terrifying sharpness as he stared at Feng Zu.

"It's you again?!" Feng Zu finally noticed Xiao Tian. "Let go of my hands!"

His lustful face turned into anger. He was enraged because Xiao Tian got in his way again.

“Yes, get out of this place!”

“Yes, leave this place!”

“You are not welcome here!”

“Leave this place before I call police!”

“You are disturbing us. Leave!”

One by one, the customers told Feng Zu and the others to leave.

Previously, none of them tried to help Ye Rou Bing and the others, but it was different now because Ye Xueyin dared to help the trio.

Feng Zu gritted his teeth and swept his gaze around.

‘Damn it!’

Everything was out of control now.

“Alright, alright, you win! I will leave now.” Feng Zu knew what to do when everything was out of control. “Let go of my hand now! I will leave!”

Ye Tong disagreed with Feng Zu’s decision. “Mr Feng, why d-“

Before he had finished his words, Feng Zu shouted, “Shut up!”

He was also furious at the Ye family members because they were useless. They could not help him control the situation.

“Leave now!” there were two reasons why Xiao Tian did nothing to Feng Zu.

First, Feng Zu still had not done anything to his mother, and last, he did not want to do bad things in front of his mother.

After Feng Zu and the others left, Ye Xueyin rushed toward Ye Rou Bing and Fu Fu. “Are you alright?”

Xiao Tian remained in his position and crossed his arms over his chest.

‘I want to leave now!’

He only stared at the trio because he did not care about them.

Ye Houteng rushed towards Ye Xueyin before finally speaking, “Thank you for saving my wife and younger sister, sister Xueyin.”

Ye Rou Bing and Fu Fu also expressed their gratitude. “Thank you for saving us, sister.”

The trio instantly looked at Xiao Tian and bowed their heads. “Thank you for saving us, nephew Xiao.”

“Hmf!” Xiao Tian turned his head to the other side.

“Tian!” Ye Xueyin was unhappy with his behavior.

“Tch!” Xiao Tian always gave in whenever it was related to his mother. “Pay me!”

“Can we pay you with noodles?” Ye Rou Bing inquired.

Fu Fu and her husband instantly nodded their heads. “Yes. Can we pay you with noodles?”

“You want to pay me with noodles? Are you kidding me?” Xiao Tian found it funny. “One million Yuan. Give me one million Yuan.”

Ye Rou Bing, Fu Fu and Ye Houteng did not know what to say after hearing Xiao Tian’s words.

Sure, their business sales were good, but they did not have a million yuan.

“Of course, you can pay us with noodles.” Ye Xueyin accepted it instantly because this was one of the reasons why she came to their shop. “Don’t listen to him. He was only joking around.”

“Tch!” Xiao Tian was unhappy when his mother stared at him.

The trio immediately brought Xiao Tian and Ye Xueyin to the empty table.

“Please wait here, sister Xueyin, nephew Xiao.” Ye Rou Bing smiled softly.

Ye Rou Bing, Fu Fu and Ye Houteng behaved as if nothing bad had happened to them.

At this moment, all the customers ate their noodles again. Like the trio, they also behaved as if nothing had happened.

“Mother, why are you always treating them nicely?” even though Xiao Tian already knew the answer, he still asked that question.

“Because they are my family.” Ye Xueyin gave an honest answer. “And they are actually good people. They only lived in evil family in the past.”

“Good people my ass!” Xiao Tian did not believe it.

“You will know about it after spending more time with them.” Ye Xueyin was sure that Xiao Tian would think of them differently if they spent more time together.

“I’m sorry, but I have to refuse!” Xiao Tian refused instantly.

Ye Xueyin did not say anything because she knew it was not easy to improve Xiao Tian’s relationship with the trio.

Feng Zu was currently in his office. Like before, he was still furious, especially with Xiao Tian.

It could be said Xiao Tian was the reason why everything was out of control earlier. If Xiao Tian had not appeared, he believed everything would have gone smoothly.

“That bastard is so annoying!” Feng Zhu expressed his annoyance. “I can’t let this happen again. I have to teach him a lesson today!”

'And his mother is so hot! Wait!'

His lips curled up into a grin when he found a great idea to teach Xiao Tian a lesson.

'This is a good idea!'

He suddenly wanted to kidnap Xiao Tian's mother and rape her.

Of course, he knew it was immoral, but he did not care about it.

It was like killing two birds with one stone if he could rape Ye Xueyin because he could taste her body and teach Xiao Tian a lesson at the same time.

However, when he was about to call his subordinate, Feng Weize entered his office.

"Zu, have you found the investor yet?" Feng Weize went straight to the point.

"Investors? Ah. Don't worry, brother. I have taken care of it." Even though Feng Zu's mind was filled with beautiful women, but he did not forget about his job.

"Good!" Feng Weize was happy after hearing it. "Why are you making a face like that?"

"It's because of Xiao Tian!" Feng Zu gave an honest answer. "I really hate him!"

"Xiao Tian? Who is this Xiao Tian you are talking about?" Feng Weize inquired.

At the same time, Xiao Tian was on his way to the Feng family company. Of course, he was not alone because Mu Hou and Chun Hua were with him.

Chapter 1340: Going to the Feng Family's Company

Xiao Tian decided to go to the Feng family's company because he believed that Feng Zu wanted to cause trouble for him.

He did not want something bad to happen to his family or his women, so he tried to solve the problem quickly.

Of course, he brought Chun Hua and Mu Hou with him because they were his right and left hands.

Xiao Tian did not use his real identity this time; instead, he used his other identity.

Qing Feng!

He decided to travel to their company as Qing Feng.

The Feng family thought he was from the Qing family in Beijing, so he wanted to use the Qing family name to scare the Feng family members.

The Feng Family was a bully to weak people but afraid of someone from a strong family.

This was the reason why he came to the Feng family's company as Qing Feng because the Qing family was more powerful than the Feng family.

Only families like the Xiao and Li families could stand on an equal footing with the Qing family.

Of course, it was not because Xiao Tian was afraid of the Feng family. Why should he choose the hard way if he could solve problems easily?

At the same time, Feng Zu told his brother the reason why he hated Xiao Tian so much.

“Hmm? So, you want to teach him a lesson and rape his mother?” even though Feng Weize knew his brother’s personality, but he did not expect him to be so crazy like that.

“Yes.” Feng Zu gave an honest answer. “That Xiao Tian got in my way twice, so I want to teach him a lesson, a lesson he will never forget for the rest of his life.”

Feng Weize sighed, but he did not try to stop his brother.

“Follow me to my office now. I will help you, but you have to help me solve our company’s problems.” Feng Weize wanted to show Feng Zu something.

Even though Feng Zu was curious, he did not say anything and followed his brother to his office.

However, one of his subordinates knocked on the door before Feng Weize could show it to his brother.

“Come in.” Feng Weize’s voice echoed from the opposite side of the door.

The expression of deep shock blossomed on his face when he found out that Xiao Tian had come to his company and was in the waiting room.

“What?! Qing Feng?” Feng Weize said in surprise.

“Yes, sir. Mr. Qing said he wanted to say something to you.” His subordinate responded.

“Who is this Qing Feng, brother?” Feng Zu did not know why his brother behaved like that.

“Important person!” after saying that, Feng Weize looked at his subordinate. “Bring him in.”

Not long after that, Xiao Tian entered Feng Weize’s office. Mu Hou and Chun Hua walked behind him as if they were his bodyguards.

Feng Weize rose to his feet and spoke politely, “What brings you to my company, Mr Qing? Do you need my help?”

Feng Zu was shocked when he saw his brother’s behavior.

‘Why is he behaving like that? Just who is this person?’

He was unhappy with Xiao Tian because he dared to come to his company while wearing a mask.

‘Even his bodyguards are also wearing masks? Do you think this is a mask party?’

In his eyes, Xiao Tian did not have a good attitude.

“Mr. Feng Weize, your brother is so brave! I’m amazed by his braveness.” Xiao Tian did not go straight to the point.

“My brother?” Feng Weize turned his head to look at his brother. “Zu, what did you do to Mr. Qing?”

“What do you mean by that, brother? I’ve never even met him before.” Feng Zu was sure that he had never met Qing Feng before.

Feng Weize returned his attention to Xiao Tian. “Mr. Qing, can you tell me what brother did to you?”

“No, not to me, but to my brother.” he could not tell Feng Weize that Xiao Tian was his real identity.

“Your brother?” Feng Weize looked at his brother again. “Zu, tell me what have you been doing lately? Do not lie to me!”

“Brother, I did not do anything to him. Why are you afraid of him? He is only a young man wearing a mask. There is nothing to be afraid of.” Feng Zu was unhappy because Feng Weize acted like a rabbit in front of Xiao Tian.

Usually, his brother acted like a predator, but this time was different. That was why he had no idea what was going on.

“Mr. Feng Zu, you are like how my brother describes you.” Xiao Tian uttered, “By the way, my brother’s name is Xiao Tian. Do you remember him now?”

*Silence...

The entire area dropped into a dead silence.

‘Xiao Tian?!’

Feng Zu and Feng Weize did not expect that Qing Feng’s brother was Xiao Tian.

Of course, they had no idea that Qing Feng was Xiao Tian because they still did not know the real identity of Qing Feng.

They immediately exchanged a glance with each other. Previously, Feng Zu told his brother he wanted to teach Xiao Tian a lesson.

Not only that, he even wanted to kidnap and rape Ye Xueyin.

“Mr Qing, is it related to the Ye family?” Feng Weize inquired.

“I don’t care about the Ye family members.” Xiao Tian spoke and paused for a second before he continued, “You can do whatever you want to them, but causing trouble to my brother is the same as causing trouble to me.”

Feng Weize clenched his fist.

He was angry at Xiao Tian, but he did not dare to voice it out. Previously, five major shareholders suddenly took back their shares because he looked down on Xiao Tian.

One word from Xiao Tian could make five major shareholders take back their shares. There was only one meaning for this.

Xiao Tian could destroy the Feng family easily!

Of course, he did not know that Qing Xiulan was the one who did it.

“So, your brother is Xiao Tian, huh? That’s right. I hate Xiao Tian so much. I even want to teach him a lesson.” Feng Zu was not afraid of Xiao Tian. “Brother, why are you behaving like this? Are you afra-

Slap!

The sound of Feng Weize slapping Feng Zu’s cheeks echoed in his office.

“Brother, why did you slap me?” Feng Zu did not know why his brother suddenly slapped his face.

“Shut up!” after saying that, Feng Weize forced his brother to bow his head. “Mr. Qing, please forgive my brother. You don’t need to worry. My brother won’t cause trouble for Xiao Tian anymore from today onwards.”

Feng Zu removed his brother’s right hand from his head. “No! I still want to teach Xiao Tian a lesson. He got in my way twice, so I won’t forgive him!”

Bang!

Previously, Feng Weize only slapped his brother’s face, but it was different this time.

He punched his brother in the face!

“Brother! Why did you hit me?!” Feng Zu roared in anger. “Why are you afraid of him? Our family is powerful, so why ar-

Feng Weize punched his brother’s face again, causing Feng Zu to fall to the floor.

“Mr Qing, you don’t need to worry. I will make sure my brother won’t cause a trouble to Xiao Tian.” Feng Weize repeated his words.

Xiao Tian’s lips curled up into a smirk when he saw Feng Zu. He was pleased when he saw Feng Weize beating his brother, Feng Zu.

“Mr. Feng Weize, I will believe your words this time. Do not disappoint me!” after saying that, Xiao Tian turned around before finally walking out of Feng Weize’s office.

“Rest assured, Mr Qing. I won’t disappoint you.” Feng Weize was relieved when Xiao Tian left without threatening them.

“Brother, why are you so afraid of him?” Feng Zu inquired.

“He is from the Qing family, you fool!” at this moment, Feng Weize wanted to slap his brother again.

“Qing family? What’s so great about the Qing family?” Feng Zu was sure there was no great Qing family in Shanghai.

“What’s so great about the Qing family?! It’s the powerful and influential Qing family from Beijing, you fool!” Feng Weize could not hold back his anger, and as a result, he hit his brother again.

“What?! Qing family from Beijing?!” terror overtook Feng Zu’s face.

He finally understood why his brother was afraid of Xiao Tian.

Xiao Tian was a terrifying young man with a powerful background!
