

Illicit 1341

Chapter 1341: Do You Want to Come With Us?

“What?! He is from the Qing family in Beijing?!” the expression of deep shock blossomed on Feng Zu’s face.

Of course, he knew how powerful the Qing family was because that family was as powerful as the Li or the Xiao families.

‘No wonder brother is afraid of him.’

He finally knew the reason why his brother was afraid of Qing Feng earlier.

Even though his family was powerful, but his family was nothing compared to the Qing family. He just did not expect Qing Feng to be from the Qing family in Beijing.

“Then what about my revenge?” Feng Zu did not know what to do now.

“Forget about your revenge!” Feng Weize responded, “Do you know why we suddenly lost five major shareholders?”

“Isn’t it because they need money?” Feng Zu did not know the real reason why those five major shareholders suddenly took back their shares.

“It’s because of that Qing Feng, you fool!” Feng Weize still thought that Xiao Tian was the one who did that.

“What?!” Feng Zu was shocked again.

“Do you realize how great the Qing family is now? Even one word from him could make five major shareholders took back their shares.” Feng Weize hoped his brother would not make the same mistake.

“Does that mean I can’t take revenge on Xiao Tian now?” Feng Zu inquired.

“I will kick you out of the Feng family if you do that. Do you want to destroy our Feng family?” Feng Weize had to threaten his brother because he did not want his brother to ruin the Feng family.

Feng Zu was sad when he knew he could not take revenge on Xiao Tian because he really hated Xiao Tian.

“Don’t worry. Mr. Qing said we could do whatever we wanted with the Ye family. We just don’t need to touch Xiao Tian and his family.” Feng Weize still remembered Xiao Tian’s words clearly.

Feng Zu’s lips curled up into a smirk.

‘Oh, so I can still sleep with these two beauties?!’

His mind was filled with bad ideas.

Xiao Tian was currently eating with his underlings at their base. Previously, he told his underlings to stop practicing martial arts and eat together.

“Boss, are you sure they won’t cause trouble for you later?” Mu Hou, who was sitting on Xiao Tian’s left side, inquired.

“Don’t worry. They are the type of people who bully the weak but fear the strong.” Xiao Tian was sure that Feng Zu would not dare to cause trouble for him later.

‘Well, maybe they will still cause trouble for the Ye family later.’

He did not care about the Ye family, so he was fine if the Feng family caused trouble for them.

No, he would love it if the Feng family did that because he also hated the Ye family.

He wanted all the Ye family members to suffer every day like what they had done to his predecessor and family.

As Xiao Tian was eating and chatting with his underlings, he suddenly got a message from Yun Xin Er.

‘Hmm? Big sister Yun?’

Without waiting for another second, Xiao Tian opened the message.

[Little brother, come to my house now. I’m alone and lonely.]

Yun Xin Er knew Xiao Tian’s personality.

She was sure that Xiao Tian would go to her house right away if she sent a message like that.

And what Yun Xin Er had guessed was right because Xiao Tian instantly traveled to her house.

However, something unexpected happened after he arrived at Yun Xin Er’s house.

He saw Nalan Jiangge!

The situation instantly turned awkward when they saw each other.

Previously, he thought he could lovey-dovey with Yun Xin Er, but it was impossible now because her mother was at her house.

Xiao Tian instantly shifted his gaze from Nalan Jiangge to Yun Xin Er.

‘Big sis, why didn’t you tell me about this?’

He said through his expression.

Yun Xin Er covered her mouth and giggled.

‘He is cute!’

Actually, her mother was not at her house when she sent a message to Xiao Tian.

“Xiao Tian, what are you doing here?” Nalan Jiangge broke out the silence.

“Big sister Yun told me to come to her house earlier.” Xiao Tian gave an honest answer.

Of course, Nalan Jiangge did not believe his words. This was the reason why she looked at her daughter.

"It's a lie, mother." Yun Xin Er responded, "I did not tell him to come to my house. He came to my place of his own volition."

Nalan Jiangge returned her attention to Xiao Tian. At this moment, she thought Xiao Tian was lying to her.

Xiao Tian took his smartphone out of his pocket and showed Yun Xin Er's message to Nalan Jiangge. "This is the proof. I'm not lying to you."

'Big sis, you are so cruel!'

He glanced at Yun Xin Er.

"Hehe." Yun Xin Er giggled.

The situation turned awkward again.

"Ah, well. Because big sister Yun is fine, then I will return to my company now." Xiao Tian tried to avoid Nalan Jiangge.

He was useless when he faced people like Nalan Jiangge and Feng Yu. That was why he chose to run away from her.

"Little brother, we are going to the Heart Lake. Do you want to come with us?" previously, Yun Xin Er agreed to travel to Heart Lake with her mother.

There was one reason why she invited Xiao Tian to come with them.

She wanted to improve his relationship with her mother!

Xiao Tian was startled.

'Heart Lake?'

Of course, he knew about the Heart Lake because he went to the Heart Lake with them a few months ago.

However, he was using his fake identity at that time, not his real identity. Nalan Jiangge almost drowned in the lake at that time, and he was the one who saved her.

Not only Xiao Tian but Nalan Jiangge was also shocked. She did not expect her daughter to invite Xiao Tian.

Unlike usual, Nalan Jiangge did not refuse her daughter's idea and only stared at Xiao Tian, waiting for his answer.

"So, how is it? Do you want to come with us?" Yun Xin Er inquired.

Chapter 1342: In My Eyes, He Is Shi Hao

Xiao Tian did not answer Yun Xin Er's question immediately and shifted his gaze from Yun Xin Er to her mother.

Of course, he would love to go to the Heart Lake with them, but he wanted to know about Nalan Jiangge's opinion first.

He was afraid that his relationship with her would worsen if he accepted it right away.

It was hard to improve his relationship with her, so he would avoid anything that could worsen their relationship.

Nalan Jiangge crossed her arms over her chest and turned her head to the other side. "If you want to come with us, just say it. Having you with us is also not a bad idea since you can protect Xin Er later."

She wanted to say, 'you can come with us.' However, she did not want to say it directly. That was why she said something like that.

Xiao Tian was a martial artist who could protect them, so from her point of view, letting him come with them was not a bad idea.

"That's right. You can also become our bodyguard like in the past later." Yun Xin Er giggled after saying that.

Actually, she was happy after hearing her mother's words. Of course, she knew what her mother had in mind because she knew her mother's personality well.

The corner of Xiao Tian's lips twitched.

'Bodyguard?'

He knew that he was their bodyguard at that time, but he was using his real identity this time.

Because Xiao Tian still did not say anything, Yun Xin Er rose to her feet and grabbed his right hand. "Let's go."

Nalan Jiangge instantly followed her daughter. As for Xiao Tian, he only looked at Yun Xin Er before shifting his gaze from her to her mother.

They went to Heart Lake using Yun Xin Er's car because Xiao Tian's vehicle only had two seats. They immediately looked for a good spot after arriving at their destination.

"No matter how many times I see this lake, it never fails to amaze me." Yun Xin Er stated.

They were currently sitting on the mat under a big tree. The lake was right before them, so they could see it clearly.

"Shi Hao, I heard you had a good relationship with Xing Hanxian. Is that true?" Nalan Jiangge was quite surprised when she found out about it.

She remembered that she only introduced him to Xing An Yu, but Xiao Tian could have a good relationship with the most important person in the Xing family.

When Yun Xin Er heard her mother's words, she immediately said, "Mother, his name is Xiao Tian, not Shi Hao. Shi Hao is only his fake name."

"I don't care. In my eyes, he is Shi Hao." Nalan Jiangge still could not accept Xiao Tian fully.

Xiao Tian touched Yun Xin Er's right shoulder before finally shaking his head, signaling her to let her mother call him Shi Hao.

"I met him two months ago and we spent a lot of time together." Xiao Tian responded, "This is the reason why we have a good relationship."

"Where did you meet him?" Nalan Jiangge asked curiously.

"Forest." Xiao Tian gave an honest answer. "I met him in the forest."

He began to tell everything. He also said to her that he met Xing Ranqing in the forest. At that time, she was visiting her grandpa.

"I see." Nalan Jiangge said after hearing everything.

'No wonder Xing Ranqing knew him at that time.'

She added in mind.

Nalan Jiangge suddenly felt guilty. In the past, she also did many bad things to Xiao Tian. She even paid ten martial artists to beat Xiao Tian.

However, he never did bad things to her. He even saved his life twice. If it were not for Xiao Tian, she would have been dead by now.

This was what made her even feel guilty. "Shi Hao, are you still angry at me?"

"To be honest, I'm still angry at you because you did many bad things to me." Xiao Tian gave an honest answer. "But I don't want to make big sister Yun sad, so I hope we can start from a new relationship."

Yun Xin Er, who was looking at Xiao Tian, was touched by his words. At this moment, she could feel how deep his love was for her.

"It seems like you really love my daughter." Nalan Jiangge could tell everything from his words and actions.

Xiao Tian looked at Yun Xin Er before looking at her lovingly. "Yes. I do love her."

At this moment, Ye Rou Bing, Fu Fu, and Ye Houteng were discussing something important.

They were discussing whether they should find a new place for their shop or not!

Feng Zu and the others already knew the location of their shop, so they believed that Feng Zu would come to their shop again.

They already got many customers in that place, so they did not want to leave that place. However, they were afraid that Feng Zu and the others would cause trouble for them again later.

"So, what should we do now?" Ye Rou Bing inquired.

"This is difficult." Ye Houteng responded, "We need to start from beginning again if we move out to a new place and we don't know if we can have many customers again or not later."

“But what if that pervert comes again?” Fu Fu did not want to meet Feng Zu anymore because she really hated him.

Ye Houteng looked at his sister and wife before finally speaking, “I will let you two decide it.”

Ye Rou Bing and Fu Fu exchanged a glance with each other.

“How about we meet sister Xueyin and ask her opinion?” Ye Rou Bing gave a piece of advice.

“Good idea!” Ye Houteng and Fu Fu agreed instantly.

Feng Zu’s House, Family Room.

Feng Zu’s house was located two hundred meters from Feng Weize’s house. His house was huge and luxurious.

Not only that, but his house also had three floors. He spent several million Yuan when he built his luxurious house.

“I want you two to follow them.” He talked to his subordinates over the phone.

“Understood.” His subordinate responded.

Feng Zu’s lips curled up into a grin after hanging up the phone.

‘You won’t be able to escape from my palm.’

Chapter 1343: Run!

Like before, Xiao Tian was spending time with Yun Xin Er and her mother.

Yun Xin Er’s heart was filled with happiness when Xiao Tian expressed his love for her in front of her mother.

Xiao Tian had done many things for her. Not only did he save her mother twice, but he was also the one who made her get along with her mother again.

That was the reason why she wanted to improve his relationship with her mother.

‘I hope their relationship will get better after this.’

She prayed to God.

Nalan Jiangge did not answer immediately when Xiao Tian said he wanted to have a new relationship with her.

No, it was not because she refused his idea, but she did not know how to accept it.

She did not know how to put it in words!

At this moment, Xiao Tian got the wrong idea. He thought Nalan Jiangge refused his idea.

‘As I thought, it’s so hard to win her heart!’

He was not God, so he could not always read other people's minds.

"Little brother, my mother agreed to start anew with you. She just doesn't know how to put it in words." Yun Xin Er said in a low voice.

Even though Nalan Jiangge could hear her daughter's words, she did not say anything. After all, what her daughter said was right.

"Really?" happiness danced in Xiao Tian's mind after hearing Yun Xin Er's words.

Yun Xin Er turned her head to look at her mother, "Isn't that right, mother?"

Nalan Jiangge avoided their gaze and turned her head to the other side. "I can't give my answer now because I need to observe his behavior first."

"Hehe." Yun Xin Er giggled. "Little brother, my mother is a woman who you call...hmm. What was the name again? Tsundere? Trundare?"

"Tsundere?" Xiao Tian corrected her words.

"Yes! Tsundere." Yun Xin Er knew this nickname from her friends.

"I'm not Tsundere!" even though Nalan Jiangge had no idea what Tsundere was, she still stated that she was not a Tsundere.

"Hehe." Xiao Tian and Yun Xin Er chuckled.

They spent time about three hours before finally going home. That night, Xiao Tian had an orgy with his women in his room.

The following morning, Xiao Tian went to Eternal Beauty company to discuss his new company with Liang Jun.

He gave the proposal to Liang Jun and explained everything in detail.

—

Ye Family House, Living Room.

Ye Hang was currently talking with Feng Zu's subordinates.

Previously, two of Feng Zu's subordinates went to the Ye family to pass a message to Ye Hang and the others.

"Master Feng wants you to catch them today!" the red-haired man stated. "Failure is not an option."

"Alright. Let's go now." Ye Hang responded.

Ye Hang also brought Ye Tong and Ye Bao with him because he did not want to be alone with Feng Zu's subordinates.

Ye Rou Bing, Fu Fu and Ye Houteng had no idea that Ye Hang and the others were on their way to their house.

“Have you called sister Xueyin, sister?” Ye Houteng inquired.

“I’m about to call her now.” After saying that, Ye Rou Bing called Ye Xueyin.

“What’s wrong, Rou Bing?” Ye Xueyin asked after picking up the phone.

“Sister, can we meet now?” Ye Rou Bing inquired.

“Sure. Let’s meet at Bamboo Restaurant in an hour.” Ye Xueyin could not meet them right away because she had a meeting in ten minutes.

“Alright.” Ye Rou Bing informed her brother and Fu Fu after Ye Xueyin hung up the phone.

Time went by quickly, and without realizing it, it had been thirty minutes since Ye Rou Bing called Ye Xueyin.

At this moment, they were ready to go to Bamboo Restaurant. However, something unexpected happened.

They met Ye Hang and the others!

Their faces darkened.

“Why did you come to our house again?” Ye Houteng’s eyes were filled with anger.

“Leave!” Ye Rou Bing and Fu Fu said in unison.

“Rou Bing, Fu Fu, don’t fight back. Just come with us, or else something bad will happen to you.” Ye Hang warned Ye Rou Bing and the others.

They came with Feng Zu’s subordinates, so there was no way Ye Rou Bing and Fu Fu could escape this time.

“Sister, wife, run! I will stop them!” Ye Houteng knew that their goal was to kidnap his wife and younger sister.

Even though he would fight five people, he did not show the slightest fear in his eyes.

As long as his wife and younger sister were fine, he would do anything, including fighting five people.

“No! We should run together!” Ye Rou Bing and Fu Fu disagreed with his idea because they were worried about his safety.

“You three, stop him. We will catch these two women.” One of Feng Zu’s subordinates said before finally rushing toward Fu Fu and Ye Rou Bing.

Ye Hang, Ye Bao and Ye Tong instantly stopped Ye Houteng when he tried to save his wife and younger sister.

The trio would not let Ye Houteng save his wife and younger sister because Feng Zu said this was their last chance.

Of course, Ye Houteng did not give up and tried his best to save them.

'No! I have to save them quickly!'

He was not a martial artist, and his opponents were three people, so Ye Houteng still could not save his wife and younger sister.

"Let us go! Help! Help!" Ye Rou Bing and Fu Fu shouted, hoping someone would help them.

Both of them were ordinary women, so they could not do anything in front of Feng Zu's subordinates.

"Bastard, don't touch my wife and younger sister!" Ye Houteng roared angrily. "Let them go!"

Of course, Feng Zu's subordinates did not listen to his words because they had to carry out their mission.

Ye Houteng was furious.

He was enraged. But what angered him most was that Ye Hang, Ye Bao and Ye Tong always stopped him from saving his wife and younger sister.

He swept his gaze around.

He skimmed his surroundings to look for something that could be used as a tool to save his wife and younger sister.

Coincidentally, he saw a steel iron rod close to him. Without waiting for another second, he grabbed the iron rod and attacked Ye Hang, Ye Bao and Ye Tong.

"Aghhh." Ye Hang, Ye Bao and Ye Tong cried out in pain when Ye Houteng attacked them using an iron rod.

The trio did not dare to stop Ye Houteng anymore because he was holding a steel iron rod.

'Bastard!'

Their eyes were filled with anger.

Their bodies hurt so much because Ye Houteng hit them using the iron rod.

"Sister, wife!" Ye Houteng rushed toward them after hitting Ye Bao, Ye Hang and Ye Tong.

Feng Zu's subordinates turned around and looked at Ye Houteng. Even though he was holding an iron rod, they did not show the slightest fear in their eyes.

They knew that Ye Houteng was not a martial artist, so he was nothing in his eyes.

"Let go of my wife and younger sister!" Ye Houteng raised his iron rod, intending to hit Feng Zu's subordinates.

Bang!

Ye Houteng was thrown three meters from where he was.

"Fool!" Feng Zu's subordinates stated.

"Husband!" Fu Fu shouted.

“Brother! Ye Rou Bing spoke.

Chapter 1344: Ye Houteng Fell Unconscious

The iron rod slipped from Ye Houteng’s right hand when one of Feng Zu’s subordinates kicked him.

Ye Bao rushed toward Ye Houteng. He did not attack Ye Houteng immediately; instead, he took the iron rod.

“Die! Die! Die! Die! Die!” Ye Bao attacked Ye Houteng using the iron rod.

The flame of anger had consumed his body, so Ye Bao could not control his emotion.

“Ye Bao, stop!” Ye Rou Bing and Fu Fu shouted in unison when they saw Ye Bao beating Ye Houteng using the iron rod.

Ye Houteng could not protect himself when Ye Bao attacked him. First, his body felt immense pain when one of Feng Zu’s subordinates kicked him hard.

He was not a martial artist, so his body was not strong. And last, Ye Bao kept attacking him using the iron rod.

‘Sister, wife, I’m sorry. I failed to protect you.’

Blood came out of his mouth when Ye Bao hit his head using the iron rod.

“No!” Ye Rou Bing and Fu Fu cried out when Ye Houteng suddenly fell unconscious.

“Ye Bao, stop! What are you doing?” Ye Tong and Ye Hang tried to stop Ye Bao.

Ye Bao came to his senses and dropped the iron rod. “No! I did not mean it. I...I did not mean it.”

Previously, his mind was filled with anger, so what he had in mind was only one thing.

Beat Ye Houteng!

Now that he had seen Ye Houteng passed out with blood all over his body, he suddenly regretted his actions.

“Ye Bao!” Fu Fu and Ye Rou Bing could not control their anger.

“Let’s leave this place now.” One of Feng Zu’s subordinates uttered.

But when they were about to leave, something unexpected happened.

Ten locals ran towards them!

They could hear Ye Rou Bing’s cry for help, so they came to help her.

“Hey, what are you doing?” all of them rushed toward Ye Rou Bing and the others.

“Tch!” Feng Zu’s subordinates were unhappy because the situation was out of control now.

“Hey, let them go!”

“Bastard, release them now!”

“Call the police!”

“Call ambulance too!”

Even though they did not know what was happening, they knew one thing.

Ye Hang and the others were bad people!

“Let’s leave!” Feng Zu’s subordinates uttered.

They immediately released Fu Fu and Ye Rou Bing because they could not run away if they took the duo with them.

Ye Rou Bing and Fu Fu dashed towards Ye Houteng.

“Brother!”

“Husband!”

Ye Rou Bing and Fu Fu’s hearts were filled with sadness and anger.

They were sad when they saw Ye Houteng’s condition. Not only did he pass out, but blood kept coming out of his head.

And they were furious at Ye Tong and the others because they were the reason why Ye Houteng got injured and fell unconscious.

Bamboo Restaurant, VIP Area.

Ye Xueyin was currently waiting for Ye Rou Bing, Fu Fu, and Ye Houteng. The trio said they wanted to meet her at Bamboo Restaurant, but they still had not arrived.

‘Just where are they?’

She took her smartphone out of her bag and called Ye Rou Bing.

Of course, she had no idea what was going on because Ye Rou Bing and Fu Fu still had not informed her about the incident.

Ye Xueyin was shocked when she heard Ye Rou Bing crying over the phone. “Rou Bing, what’s wrong? Why are you crying?”

“Sister Xueyin...” Ye Rou Bing tried her best not to cry but failed. “My brother is...my brother is....”

“What happened to Houteng? Where are you now?” Ye Xueyin threw two questions at once.

“We are in the hospital.” Ye Rou Bing began to tell everything.

She said Ye Hang and the others came to their house when they were about to go to Bamboo Restaurant.

She also said Ye Bao hit Ye Houteng using a steel iron rod, and now, her brother was in a coma at Fu hospital.

“What?! I will go there now.” Ye Xueyin wasted no time and went straight to Fu Hospital.

—

Fu Hospital, Ye Houteng’s Room.

Ye Rou Bing and Fu Fu were currently sitting on the chairs next to Ye Houteng. Like before, sadness still filled their hearts because the doctor said Ye Houteng was in a coma.

*Click...

Ye Xueyin entered Ye Houteng’s patient room.

“Sister!” Ye Rou Bing and Fu Fu instantly hugged Ye Xueyin.

Ye Xueyin was sad when she saw Ye Houteng’s condition. “Houteng...”

Ye Rou Bing stopped the hug and looked at Ye Xueyin. “Sister, please help me take revenge. I want to seek revenge!”

“Yes. I also want to take revenge.” Fu Fu’s eyes were filled with coldness. “I want Ye Hang and the others to feel the same. I want to beat them to death!”

They no longer cared about Ye Hang and the others. Sure, they were from the same family, but they still wanted to seek revenge.

Ye Hang and the others had beaten Ye Houteng until he fell into a coma, so they could not forgive them.

Blood for blood!

Of course, they knew that they could not seek revenge alone. That was why they asked Ye Xueyin for help.

Ye Xueyin did not say anything and stared at them. Of course, she understood their feelings because Ye Houteng was her family too.

‘What should I do?’

—

At the same time, Feng Zu yelled at Ye Hang and the others. He was enraged because they failed to kidnap Ye Rou Bing and Fu Fu again.

Three times!

Ye Hang and the others had failed three times!

Feng Zu could not forgive them anymore.

He had sent two of his subordinates to help them, but they still failed. This was the reason why he told his brother to take his money from the Ye family.

Ye Hang and the others were panicked.

They would have nothing if the Feng family took back their money.

However, they could not stop Feng Weize this time because he came to the Ye family with Feng Zu and his lawyer.

Feng Weize and Feng Zu took everything!

Yes, they took everything that the Ye family had.

They left nothing for the Ye family.

In other words, Ye Hang and the others would sleep on the street from today onwards.

They were doomed!

--

Blue Ice Lotus Gang Headquarters, Front Yard.

Ye Xueyin, Fu Fu, and Ye Rou Bing came to Xiao Tian's gang again. Their presence greatly shocked Xiao Tian's underlings.

"Hey, big boss came again."

"Hurry up and greet her, idiot!"

"Yes, let's greet her."

One by one, Xiao Tian's underlings walked toward Ye Xueyin and the others.

"Big boss, may I know what brings you to our base?" one of Xiao Tian's underlings inquired.

The last time she came to the Blue Ice Lotus gang headquarters was to ask them to save Ye Rou Bing and Fu Fu.

Now they were curious about what she would say. But what surprised them most was that Ye Rou Bing and Fu Fu came with her.

Mu Hou and Chun Hua exchanged a glance with each other before finally returning their attention to Ye Xueyin.

"I want you to beat someone for me." Ye Xueyin went straight to the point.

Chapter 1345: Hey, Don't Steal My Invention!

"I want you to beat a few people for me." Ye Xueyin went straight to the point.

Yes, she decided to help Ye Rou Bing and Fu Fu.

Actually, she did not want to beat Ye Hang and the others, but she changed her mind after hearing the doctor's words.

The doctor said Ye Houteng's injuries were severe, and he did not know whether Ye Houteng could be saved or not.

He told Ye Rou Bing and Fu Fu to pray to God because he was only a doctor.

That was why she decided to help Ye Rou Bing and Fu Fu because Ye Hang and the others had crossed the line.

Not only did they beat Ye Houteng until he fell into a coma, they even did it for the sake of an outsider.

Ye Houteng was their brother, but they still had the heart to do that.

"What?! Beating a few people?" Xiao Tian's underlings were startled.

However, their surprised faces instantly turned into smiles.

The reason was simple.

They loved beating people!

"Big boss, choose me! I'm good at beating people!"

"No, choose me! I'm the best at beating people!"

"What the hell are you talking about? I'm the best at this. Big boss, choose me. You won't regret it."

"Big boss, my talent in martial arts is maybe average, but my talent at beating people is superb."

"Me too! I'm talented at beating people. I even got a golden award in the beating competition."

"Beating competition? Golden award? What the hell is that?"

"Yes. There is no such thing as a beating competition."

"Of course, there is a beating competition. Your knowledge is shallow!"

"Big boss, I also have golden award in beating competition."

"Me too. I have five golden awards in beating competition."

"Hey, don't steal my invention!"

"There! You finally admit it!"

"As I thought there was no such thing as a beating competition."

"I don't care! I only want to beat some people!"

Xiao Tian's underlings loved beating and torturing people, so they wanted to get chosen.

They even did not ask who Ye Xueyin's enemies were.

[A/N= I love how crazy Xiao Tian's underlings are.]

Mu Hou looked at Mizu and spoke, "Mizu, inform your leader about this."

“Alright.” Mizu then walked to a quiet place to call Xiao Tian.

“Ten people come with me.” Ye Xueyin stated.

Mu Hou immediately walked toward her. His intention was not to beat her enemies but to protect her.

—

At this moment, Ye Hang and the others were sitting on the ground.

They had lost everything!

In other words, the Ye family was over.

The Feng family took everything they had!

“Ancestors, please forgive me.” Ye Hang’s heart was filled with sadness because the Ye family ended in his hands.

Ye Bao and Ye Tong looked at the sky without saying anything. Their gaze was empty. Not only that but their sons and wives were also depressed.

Previously, they could start a new life, but now they could not do that because the Feng family had taken everything.

They even did not have a place to stay.

“Hahaha.” Ye Hang laughed at their fate. “God, why? What did I do wrong? WHAT DID I DO WRONG?”

Everything had fallen apart ever since the Xiao family severed their relationship with them.

First, Xiao Tian refused to return to the Ye family, and last, the Feng family took everything they had.

“Father, where should we live from today onwards?” even though Ye Ming knew the answer, but he hoped his father would give a different reply.

“Family head, are we going to sleep on the street from today onwards?” Ye Hedong’s eyes were filled with tears.

Ye Hang and Ye Tong did not answer their questions. No, they even did not pay attention to their sons.

They could not stay in the company like before because they had sold it to Xiao Tian. As their hearts were filled with sadness, Ye Xueyin and the others appeared before them.

Ye Hang and the others turned their heads towards Ye Xueyin. At this moment, they had the same thought.

They wanted to ask Ye Xueyin for help!

Ye Xueyin was a kind girl, so they believed they could gain her sympathy if they used the right words.

“Xueyin, our family is over.” Ye Hang uttered, “The Feng family took everything from us. We have nothing now. Please help us.”

“Sister, please help us!” Ye Tong and the others also pleaded with Ye Xueyin, hoping that she would help them.

However, Ye Xueyin did not say anything and only stared at them.

Even though she was sad but she was still angry at them because they beat Ye Houteng until he fell into a coma.

Ye Rou Bing and Fu Fu did not feel sorry; instead, their hearts were filled with anger. They could not forgive Ye Hang and the others because they had beaten up Ye Houteng.

“Xueyin, please help us.” Ye Hang begged again, “Otherwise, the Ye family will disappear later. You don’t want your father family to disappear, right?”

At this moment, Xiao Tian was looking at them from afar. He immediately followed his mother after Mizu informed him of everything.

‘What will you do, mother?’

Of course, he hoped his mother would refuse their wish.

Ye Xueyin did not say anything and shifted her gaze from Ye Hang to Ye Rou Bing. She did not want to do bad things to Ye Hang and the others, but they had crossed the line.

“I will wait in the car.” After saying that, Ye Xueyin headed to her car.

Of course, Mu Hou followed her because he had to protect her.

“No! Xueyin, please don’t leave! Please help us! Please.” Ye Hang and the others panicked when they saw Ye Xueyin heading to her car.

She was their only hope, so they were sad when Ye Xueyin refused to help them.

‘Why? Why?’

Usually, Ye Xueyin would think carefully if it was related to the Ye family because it was her father’s family, but it was different now.

She even headed to her car without caring about their feelings or looking back.

“Oh, so it’s them again!”

“I’m trembling in happiness now.”

“Finally! I finally can beat them!”

“My heart is filled with happiness now because I really hate them, especially that old man.”

“Can I beat them now? My hands are already itching now.”

“I could not beat them last time, but now....Hehe.”

“What are we waiting for? Let’s beat them now!”

“Yes, let’s beat them.”

“Let’s beat them!”

Xiao Tian’s underlings were pleased when they found out the people they had to beat were Ye Hang and the others.

When Ye Hang caused trouble for their leader, Xiao Tian only ordered them to destroy their house, but it was different now.

Terror overtook their faces after hearing it. Previously, the Feng family had taken everything they had, and now, Xiao Tian’s underlings were about to beat them.

“Rou Bing, Fu Fu, please forgive us. Please forgive us.” Ye Hang and the others begged for forgiveness. “We were wrong, so please forgive us.”

Of course, Ye Rou Bing and Fu Fu refused. “Please beat them to death now.”

Xiao Tian’s underlings smirked before finally hitting Ye Hang and the others.

“No!” Ye Hang and the others shouted in unison.

Chapter 1346: Sad Day

Xiao Tian’s underlings were currently beating Ye Hang and the others. They even smiled happily as they beat the Ye family members.

They were pleased because they finally could beat Ye Hang and the others.

Xiao Tian, who saw them from afar, smirked.

‘What a beautiful sight! I love this kind of sight.’

Like his underlings, he was thrilled when he saw his underlings beating Ye Hang and the others.

‘My predecessor, did you see this? My underlings are beating your enemies right now.’

He was glad because his mother refused to help Ye Hang.

Previously, he was worried because he thought his mother would fall into their sweet words again, like when they came to his house.

‘The Feng family has taken everything from them, so with this, the Ye family is really over now.’

He immediately left.

Ye Rou Bing and Fu Fu did not say a single word and kept looking at them.

Their eyes were filled with coldness, and no sympathy could be seen in their eyes when they saw Xiao Tian’s underlings beating Ye Hang and the others.

“Aghh.”

“Aggh.”

“Aghh.”

Ye Hang and the others cried out in pain because Xiao Tian's underlings did not stop beating them.

At this moment, their bodies were filled with blood. Not only that but their hands and legs were also broken.

In short, Xiao Tian's underlings were torturing them!

Even though Ye Hang was already old, Xiao Tian's underlings did not take pity on him; instead, they kept beating him because they hated him the most.

He was the head of the Ye family, so they had to beat him more severely than the others.

"Rou Bing, Fu Fu, please stop them." Ye Hang felt immense pain.

"Please tell them to stop." Ye Tong and the others said in unison.

Like before, Ye Rou Bing and Fu Fu did not say anything and only stared at them.

They were the reason why Ye Houteng was coma in the hospital, so they wanted Ye Hang and the others to feel what they had done to Ye Houteng.

No, they wanted Ye Hang and the others to feel more pain!

First, Ye Hang and the others wanted to give them to a pervert Feng Zu. Second, they beat Ye Houteng to the point he was coma in the hospital.

And last, Ye Hang and the others almost ruined their business. Their sins were enough to put them on death row.

These were the main reasons why Ye Rou Bing and Fu Fu did not ask Xiao Tian's underlings to stop beating them.

At this moment, they could not move their bodies anymore because their hands and legs were broken.

One of Xiao Tian's underlings suddenly had a wild idea. "How about we take them to the forest to be used as food for wild animals?"

"Oh! That's actually a brilliant idea!"

"Yes. I fucking love that idea!"

One by one, Xiao Tian's underlings agreed with her idea.

Fu Fu and Ye Rou Bing exchanged a glance with each other. They were startled after hearing it, but they also thought it was not a bad idea.

One of Xiao Tian's underlings turned around to look at Fu Fu and Ye Rou Bing. "Hey, do you agree with our idea?"

"Sure. You can do that." Ye Rou Bing and Fu Fu agreed instantly after remembering what Ye Hang and the others did to them all this time.

They wasted no time and brought Ye Hang and the others to the forest.

Ye Hang and the others begged for forgiveness when Xiao Tian's underlings tied them to a huge tree.

However, no one listened to their plea. Xiao Tian's underlings even hit their faces before leaving.

Ye Xueyin and the others did not return to the hospital immediately; instead, they went straight to the Feng family company.

Their intention was clear.

They wanted to warn Feng Zu not to bother Ye Rou Bing and Fu Fu again!

At this moment, all of Xiao Tian's underlings were in front of the Feng family company. Xiao Tian was worried about his mother's safety, so he brought all of his underlings with him.

At first, Feng Zu was angry at Ye Xueyin and wanted to slap her face, but Feng Weize stopped him.

Qing Feng had warned them not to touch Xiao Tian's family, so they had no choice but to agree with her words.

Ye Xueyin and the others went straight to the hospital because they no longer had any business in the Feng family company.

"So, what will you do now?" Ye Xueyin inquired.

She was currently sitting in front of Ye Houteng's patient room with Ye Rou Bing and Fu Fu.

"We don't know." Ye Rou Bing and Fu Fu answered in unison.

They did not care about anything else because what they had in mind was only one thing.

Ye Houteng!

Yes, they kept thinking about him because he was still in a coma right now.

Ye Xueyin rose to her feet and said, "I have to return to the company now. Just call me if you need my help."

"Thank you, sister." Ye Rou Bing and Fu Fu answered in unison.

They kept watching over Ye Houteng, hoping he would regain consciousness. However, God did not answer their prayers.

God decided to take Ye Houteng's life!

Tears of sadness fell down their soft cheeks.

They did not expect Ye Houteng to leave them forever.

Ye Rou Bing and Fu Fu did not inform Ye Xueyin immediately; instead, they went to the forest.

Ye Houteng had passed away, so they wanted to kill Ye Hang and the others because they were the reason why Ye Houteng left them forever.

"Rou Bing, Fu Fu, have you finally forgiven us?" Ye Hang inquired.

“Rou Bing, Fu Fu, we were wrong.” Ye Tong added, “Please forgive us and let us go.”

Their legs and hands were broken, so they had been in pain since Xiao Tian’s underlings beat them up.

Not only that but they were also tied to a tree, causing them to feel scared. They were in the forest, so they were afraid that wild beasts would come and eat them.

Of course, they had no idea that Ye Houteng had passed away. Otherwise, they would not dare to ask for forgiveness.

“Do you know what happened to my brother?” Ye Rou Bing threw a question as she tried her best not to cry.

“Rou Bing, I’m sorry for what I have done to brother Houteng. I was controlled by my anger back then.” Ye Bao responded, “I will kneel in front of him and apologize once he regains consciousness.”

“Apologize after he regains consciousness? My husband passed away a few minutes ago!” Fu Fu shouted at Ye Bao.

“What?” Ye Bao and the others said in surprise.

“But I still want you to kneel before my husband and ask for forgiveness.” After saying that, Fu Fu took out a knife and walked toward Ye Bao.

“Fu Fu, what...what are you going to do? Please, please don’t do that.” terror overtook Ye Bao’s face when he saw Fu Fu holding a knife and walking toward him.

Fu Fu’s mind was in a mess, so she could not think straight. “Remember to kneel before my husband and apologize to him later.”

“No! Please, no!” Ye Bao shouted when Fu Fu was about to stab him with a knife.

Chapter 1347: Thank You and Goodbye

Fu Fu’s mind was in a mess, so she killed Ye Bao without thinking twice. Not only that, but Ye Rou Bing also killed Ye Hang.

No, both of them killed Ye Hang and the others. They killed Ye Hang and the others so that they could apologize to Ye Houteng after they died.

They no longer cared about the consequences because they wanted Ye Hang and the others to feel what they had done to Ye Houteng.

Of course, Ye Hang and the others begged for forgiveness, but Fu Fu and Ye Rou Bing did not listen to their plea.

In less than five minutes, Ye Hang and the others died.

“Husband!” Fu Fu fell to her knees and cried loudly.

Like Fu Fu, Ye Rou Bing also cried.

‘Brother...’

She stared at the blue sky with tears in her eyes.

Not long after that, they returned to the hospital to bury Ye Houteng. They also informed Ye Xueyin that Ye Houteng had passed away.

Ye Xueyin was also sad when she found out that Ye Houteng had passed away because, in her eyes, he was a good person who lived in a bad family.

After burying him, the trio did not leave immediately; instead, they kept standing in front of Ye Houteng's grave.

They stayed in the graveyard for about thirty minutes before finally going to Ye Rou Bing's house.

"What are you going to do now?" Ye Xueyin inquired.

"We will think about it later." Ye Rou Bing and Fu Fu answered in unison.

Their minds were still in a mess, so they did not want to think about it for now.

—

Star Group, Xiao Tian's Office.

Xiao Tian's lips curled up into a grin when one of his underlings informed him what had happened to Ye Hang and the others.

'Hahaha.'

He was thrilled because he could take revenge on the Ye family without doing anything.

'Now I only need an opportunity to teach the Xiao family a lesson.'

Unlike the Ye family, he could not touch the Xiao family for now.

First, they were rich. Second, they were not stupid like the Ye family. And last, they had a hidden force.

One of the instructors of the Moon Sword Martial Arts School even suspected that the Xiao family was the one who destroyed them.

Xiao Tian could not play with the Xiao family like what he did with the Ye family. After all, the difference between the Xiao family and the Ye family was like heaven and earth.

Not only did he need power, but he also needed connections if he wanted to teach the Xiao family a lesson.

That was why he would not do anything to the Xiao family for now because he knew his limit.

'Well, waiting ten years for revenge is not a problem for me.'

He was still twenty-one years old, so he had plenty of time.

'I will go to Eternal Watch now.'

He wanted to know the progress of his new company.

Blue Ice Lotus Gang Headquarters, Front Yard.

Mu Hou was currently sitting in a lotus position.

Something big had happened to him today.

He could feel the energy of heaven and earth!

Even though he was not a candidate to be the Ruler, but he was a talented and skilled martial artist.

Of course, he knew about the energy of heaven and earth because his late father had told him many things in the past.

The good thing did not only happen to Mu Hou but to Ren Aoxu and Crystal too.

Ren Aoxu broke through to the mid-level master stage while Crystal ascended to the high-level master stage!

It was a pity that the duo still could not feel the energy of heaven and earth. Of course, they were still happy because they were stronger now.

Ye Rou Bing and Fu Fu were discussing their future in their house. They were currently sitting on the couch in the living room.

“What should we do now?” Ye Rou Bing asked with a sad face.

Both of them were still down. They still found it hard to believe that Ye Houteng had left them forever.

“Sister, how about we go to my hometown and start a new life there?” Fu Fu responded, “I... I can't live in Shanghai anymore because....”

She could not finish her words. She had so many bad memories in Shanghai.

She was sure that her mind would not be at ease if they remained in Shanghai because her husband had left them forever.

Ye Rou Bing did not answer immediately. Of course, she knew where Fu Fu's hometown was.

Fu Fu's hometown was in Beijing, or more precisely, in one of the small cities in Beijing.

Ye Rou Bing returned her attention to Fu Fu. “Alright. Let's inform sister Xueyin and sister Qingyu tomorrow. Let's say goodbye to them before leaving.”

“Alright.” Fu Fu nodded her head.

The next day at 08:00 am, Ye Rou Bing called Ye Xueyin and said she wanted to meet Ye Xueyin, Xiao Tian, and Ye Qingyu before leaving Shanghai.

At first, Ye Qingyu and Xiao Tian did not want to meet them, but they changed their minds because Ye Xueyin forced them to meet Ye Rou Bing and Fu Fu.

They decided to meet at Bamboo Restaurant.

“So, you two want to leave Shanghai tomorrow?” Ye Xueyin was sad when Ye Rou Bing and Fu Fu decided to leave Shanghai. “Why don’t you stay in Shanghai? With this, it won’t be difficult for us to meet.”

“We can’t do that, sister.” Ye Rou Bing responded as she shook her head. “We can’t start a new life if we remain in Shanghai because there are so many bad memories in this city.”

“That’s right, sister.” Fu Fu added.

“I can’t force you to stay in Shanghai if you have decided it.” Ye Xueyin understood their feelings. “I hope you can live well there.”

“Sister Xueyin, thank you for helping us all this time.” Ye Rou Bing and Fu Fu said in unison. “And we apologize for causing trouble to the three of you. I hope you all can forgive us.”

Xiao Tian and Ye Qingyu did not say anything and only looked at them.

“We’ve forgiven you, so you don’t have to feel guilty.” Ye Xueyin responded, “Don’t forget to call us after you arrive in Beijing.”

“Alright.” Ye Rou Bing and Fu Fu nodded their heads.

“And if you need help, just call me.” Ye Rou Bing was her younger sister, and Fu Fu was Ye Houteng’s wife, so Ye Xueyin did not want them to suffer later.

Like before, Xiao Tian and Ye Qingyu did not say anything. Not long after that, they left. The next day at 08:30 am, Ye Xueyin dragged Xiao Tian and Ye Qingyu to the airport.

Her intention was clear.

She wanted to meet Ye Rou Bing and Fu Fu for the last time!

Ye Rou Bing, Ye Xueyin, and Fu Fu cried. As for Xiao Tian and Ye Qingyu, they did not feel sad at all.

“Sister...” Ye Rou Bing and Fu Fu embraced Ye Xueyin tightly.

Xiao Tian sighed when he saw them.

‘Hey, stop crying! Even though the distance between Beijing and Shanghai is far, it only takes two and a half hours by plane.’

He kept standing next to his mother.

Ye Rou Bing and Fu Fu apologized and thanked them one last time before heading to the plane.

‘Thank you and goodbye.’

Chapter 1348: Going to Japan

After bidding farewell to Fu Fu and Ye Rou Bing, Xiao Tian and the others went straight home. It was Sunday, so they did not go to work.

At this moment, everyone was in the family room, watching TV. As usual, Mu Ai sat on Xiao Tian's lap. Coincidentally, the movie scene took place in Japan.

'Wait!'

Xiao Tian suddenly remembered something.

He remembered his promise a few days ago!

"How about we go to Japan the day after tomorrow?" Xiao Tian inquired.

Everyone instantly turned their heads toward him.

"Yes. Let's go to Japan!" Ye Xueyin agreed instantly.

"I agreed, little brother." Shi Fei responded.

Lin Xing Xue and the others nodded their heads, giving a sign that they also agreed with his idea.

"Good! Let's prepare everything later." Xiao Tian stated.

"Yay, we will go to Japan!" Even though Mu Ai had no idea what Japan was, she still said it happily.

Xiao Tian's face broke into a smile when he saw their happy faces.

--

Time went by quickly, and without realizing it, it was already the day when Xiao Tian and the others would go to Japan.

They were currently in the airport waiting room, waiting for their plane to arrive.

Their waiting area was different from the economic class's because Xiao Tian bought first-class tickets.

The waiting area was huge and luxurious, like a five-star restaurant. Not only that but there were many kinds of food and drink in the waiting area.

They could drink and eat without having to pay because it was their privilege to have purchased a first-class seat.

Xiao Tian was currently drinking lemon juice with Mu Ai. As for Shi Fei and the others, they consumed snacks and chatted happily.

This would be their first time going overseas together, so their hearts were filled with happiness.

As Xiao Tian was chatting happily with Mu Ai, Shi Fei suddenly sat next to him and inquired, "Little brother, how about we rent a yacht later?"

"Yacht?" Xiao Tian was startled by her words.

He then looked at Lin Xing Xue and the others. The corner of his lips twitched when he saw Su Ruanyi.

Su Ruanyi's eyes shone brightly as she looked at Xiao Tian. She really loved the yacht, so she liked the idea of renting a yacht.

Xiao Tian knew that he could not refuse when he saw their expressions. "Alright. Let's rent a yacht later."

"You are the best, little brother." After saying that, Shi Fei kissed Xiao Tian's cheeks.

Not long after that, their plane arrived. They spent eight hours on the plane before finally arriving at one of the airports in Okinawa.

—

Okinawa, Natsu Hotel.

Natsu hotel was located close to the beach. It was a five-star hotel, one of the best hotels in Okinawa.

Xiao Tian decided to book the Natsu hotel because he loved the view from Natsu hotel. First, the scenery from the hotel was amazing.

And last, they could see the sunset from the hotel. The hotel also built a special place behind the building.

The name of that place was Natsu Mini Park. It was a specially built place for guests to enjoy the beauty of the sea and the sunset.

'What an amazing scenery! It worth the price.'

Xiao Tian and the others were currently at Natsu Mini Park.

They did not go to tourist attractions immediately because they were tired. They sat on the plane for eight hours, so they wanted to relax around the hotel.

Xiao Tian instantly sat on the stone chair. "Little Ai, come here and sit with big brother."

All tables and chairs were made of stone. Not only that but it was also carved in a beautiful design, especially the table.

Mu Ai rushed toward Xiao Tian after hearing his words. "Big brother, the sea is beautiful!"

"Do you like this beach?" Xiao Tian inquired.

"Un." Mu Ai nodded her head cutely. "The beach is wonderful, the water is beautiful and the scenery is also stunning. I like this beach."

"Then how about kissing your big brother on the cheek as a sign of gratitude?" Xiao Tian inquired.

"Mmmuuccchh." Mu Ai kissed Xiao Tian's cheeks without thinking twice.

Long Jingxian and the others giggled after hearing his words.

"Little brother, both of you already look like a father and a daughter." Shi Fei said when she saw how close Xiao Tian was to Mu Ai.

"Of course, because I'm her father." After saying that, Xiao Tian looked at Long Jingxian, "Isn't that right, my Jingxian?"

“You have to marry me first if you want to be her father.” Long Jingxian’s face blossomed into a smile.

She loved it whenever Xiao Tian said he was Mu Ai’s father. Sometimes, she even hoped Xiao Tian to marry her immediately.

Xiao Tian looked at Feng Yu and wanted to say the same thing. He wanted to say that she was his future daughter.

However, Feng Yu broke his heart in a second. “You are not my father.”

Xiao Tian almost caught up blood.

He looked at Ling Xing Xue with a sad face.

Ling Xing Xue could only sigh after hearing Feng Yu’s words. “Yu’er, you should treat him nicely.”

Feng Yu turned her head to the other side. She did not say anything because she still had not accepted Xiao Tian fully.

They began to talk again. When the sun was setting, a soft smile appeared on their faces.

‘Beautiful!’

That was the word that appeared in their minds.

Of course, they did not forget to take pictures together. First, they were in Japan, or more precisely, they were in Okinawa.

And last, it was a good moment to take a picture because the scenery was so amazing. With that, they could recall the good memories in the future.

Not long after that, they returned to the hotel because it was already dark.

That night, Xiao Tian did not have sex with any of his women; instead, they went to a beautiful place around the hotel.

The following morning, they went to tourist attractions after having breakfast.

However, they returned to the hotel at 03:30 pm because they wanted to spend time on the beach.

Okinawa was famous for its beaches, so they wanted to experience it. As usual, they became the center of attention.

Xiao Tian’s women were attractive, so it was normal if they became the center of attention.

“Hahaha.” Xiao Tian was currently playing with water.

Of course, he was not alone because Mu Ai and the others also played with him.

“Little brother, let’s have water fight.” After saying that, Shi Fei splashed water on Xiao Tian’s face.

Of course, Xiao Tian instantly fought back, but he lost the water fight because his women ganged up on him.

They stopped playing with water when the sun was setting.

--

Natsu Hotel, Xiao Tian's Room.

Xiao Tian was currently lying on the bed, alone.

'Today is a beautiful day!'

A soft smile spread across his face.

'Let's sleep now because we will go to tourist attractions again tomorrow.'

It was already 11:00 pm, so Xiao Tian decided to sleep.

However, something unexpected happened.

Su Ruanyi and Long Jingxian suddenly entered his room!

Not only that, but they instantly locked the door after entering his room.

Their intention was clear.

They wanted to do adult things with him.

In other words, they wanted to have sex with him!

Chapter 1349: Let's Just Walk Aimlessly

The beautiful moon hid behind the grey clouds, and the beach waves scraped the reef.

When everyone was sleeping soundly in their room, three people were doing adult things in one of a luxurious hotel room; two mature ladies and one young man.

One of the mature ladies was lying on her back while the other was on top of her, facing her.

Their eyes were filled with the flame of lust, while suppressed wails kept coming out of their mouths.

These two mature ladies were none other than Long Jingxian and her sister, Su Ruanyi.

Both of them were currently having sex with their young boyfriend. Previously, the duo came to Xiao Tian's room when the others were sleeping.

They did not have sex with Xiao Tian for a week, so they decided to seduce him. Of course, they still remembered that they were in a hotel, but they did not care about it.

First, they were in Japan. Second, they were VIP customers and last, there were only a few rooms around Xiao Tian's bedroom.

They believed that no one would stop them. This was the reason why they took off their clothes instantly after entering his room and locking the door.

It only took Xiao Tian less than five minutes to get aroused. There were three reasons for this.

First, they were his women. Second, they were pretty and had amazing bodies. And last, he was a pervert.

Even though Xiao Tian had had sex with them many times, but they were still able to seduce him easily.

Long Jingxian and Su Ruanyi giggled happily when Xiao Tian instantly removed his clothes after seeing their naked bodies.

Their naked bodies never failed to seduce him!

As usual, they did foreplay before having the main course. Long Jingxian kissed him hungrily while Su Ruanyi sucked his huge penis.

Previously, they ganged up on him when they had a water fight, and now, they also ganged up on him when they did adult things.

However, Xiao Tian liked it!

He loved it when his women ganged up on him like that!

It didn't take long for his penis to get erect because Long Jingxian and Su Ruanyi gave him pleasure at the same time.

At first, Su Ruanyi wanted to keep giving a blowjob, but she suddenly could not hold back the flame of lust within her when she caught sight of Xiao Tian's erect penis.

For this reason, Su Ruanyi pushed Xiao Tian onto the bed and positioned her pussy right above his penis.

Long Jingxian also stopped kissing him because it was hard to kiss him when he was lying on the bed.

That was why she placed her wet vagina above Xiao Tian's mouth.

Her intention was clear.

She wanted Xiao Tian to lick and suck her pussy!

Even though she wanted to taste his penis, she had to wait her turn because Su Ruanyi was currently using his cock.

Seconds turned into minutes, and without realizing it, they had been having sex for about forty minutes.

Su Ruanyi and Long Jingxian lay on the bed side by side after having an orgasm. Previously, they thought they would stop, but they were wrong.

They were utterly wrong because Xiao Tian suddenly sat between Long Jingxian's legs and positioned his erect cock at her vaginal opening.

Even though Long Jingxian's body was still sensitive, she did not stop him.

She knew that Xiao Tian would fuck her again because having an orgasm once was not enough for him.

As Xiao Tian was fucking Long Jingxian, Su Ruanyi did something unexpected.

She lay on top of Long Jingxian, facing her!

Not only that, but she suddenly kissed Long Jingxian passionately as if she wanted to help Long Jingxian suppress her moans.

“Hmm...Hm...Hm...” Long Jingxian could not moan normally because Su Ruanyi was kissing her passionately.

Of course, she did not refuse; instead, she welcomed the kiss instantly. It was not their first time kissing, so she was behaving normally.

As Long Jingxian was moving her soft tongue lewdly, she wrapped her long and slender arms around Su Ruanyi's back.

*Drip...

Love juices dripped from Su Ruanyi's pussy, falling onto Xiao Tian's cock and Long Jingxian's vagina.

Even though Xiao Tian did not thrust his huge penis into her pussy, Su Ruanyi was still able to feel the pleasure.

“Hmmm?” Su Ruanyi widened her eyes when Xiao Tian suddenly put his left middle and index fingers into her vagina.

“Ah...Ah...Ah...Ah...” both Su Ruanyi and Long Jingxian cried out in delight when they broke the kiss.

Not only did he thrust his cock into Long Jingxian's pussy, but he also put his penis in Su Ruanyi's vagina.

He slid his penis in and out of Long Jingxian's pussy several times before finally fucking Su Ruanyi for a few seconds.

‘It's a pity that I have no dildo right now.’

It would be easier to please them if Xiao Tian had a dildo in his hands.

However, a real man could still satisfy his woman with or without a dildo. Like before, Xiao Tian played with Su Ruanyi's pussy when he fucked Long Jingxian.

Unlike usual, where he always let out his sperm inside his women, he did not do that this time.

When Xiao Tian almost reached his limit, he immediately pulled his cock out of Long Jingxian's wet vagina.

“Ahhh...” Su Ruanyi and Long Jingxian wailed again.

Previously, they wanted to ask why he suddenly stopped. They were pleasantly surprised when Xiao Tian's cock was moving between their pussies.

He decided to do this because, with this, both Su Ruanyi and Long Jingxian could feel his cock.

Not long after that, they had an orgasm. “I'm cumming....”

Xiao Tian instantly lay on the bed while Su Ruanyi was still on top of Long Jingxian.

“It was good!” Long Jingxian stated.

To her surprise, Su Ruanyi suddenly kissed her passionately.

Long jingxian widened her eyes for a second. Normally, Su Ruanyi never kissed her after they finished having sex.

She only did it when they had sex with Xiao Tian or when they had a threesome.

Of course, Long Jingxian welcomed the kiss immediately. They had done it several times, so she was fine with it.

Like Long Jingxian, Xiao Tian was startled.

'Eh?'

However, he did not stop them; instead, he smiled at them.

"So lewd!" Xiao Tian stated. "You two are so lewd!"

Su Ruanyi and Long Jingxian stopped the kiss and stared at Xiao Tian.

"You don't mind it, right?" Su Ruanyi inquired.

"Of course, I'm fine with it!" Xiao Tian had seen his women kissing each other many times, so he was fine with it.

"Sister Jingxian, our boyfriend said he did not mind it, so let's continue." After saying that, Su Ruanyi kissed Long Jingxian passionately again.

That night, Su Ruanyi slept in Xiao Tian's embrace.

--

The following morning, Xiao Tian took Mu Ai for a walk around the hotel. His women refused to stroll with them because they were busy chatting.

"Big brother, where are we going?" Mu Ai, who was walking while holding Xiao Tian's right hand, inquired.

"I don't know. Let's just walk aimlessly." Xiao Tian responded.

"Alright." Mu Ai nodded her head cutely.

As Xiao Tian was walking with Mu Ai, he suddenly saw someone familiar.

Chapter 1350: Meeting Leng Nichang in Japan

'Lady Leng?'

Xiao Tian was startled when he saw Leng Nichang.

'Wait! Is she really lady Leng or someone who look like her?'

He decided to walk closer to that lady because he wanted to make sure whether she was Leng Nichang or not.

"Hmm? Mr. Xiao?" Leng Nichang was shocked when she saw Xiao Tian in Japan.

“Lady Leng?” now Xiao Tian was sure she was Leng Nichang. “I thought you were someone else before.”

“I had some business, so I went to Japan.” Leng Nichang gave an honest answer. “What are you doing here? Is it for business too?”

“No. I promised my girlfriend and family to take them to Japan, so I just kept my promise.” Xiao Tian responded, “And taking several days off work is not bad idea too.”

“I see.” After saying that, Leng Nichang squatted down in front of Mu Ai. “Who is this adorable little sister?”

“Mu Ai. My name is Mu Ai.” Mu Ai introduced herself cutely. “Big sister, you are so pretty.”

Leng Nichang’s face broke into a soft smile. “Thank you. I’m sure you will also become a beautiful girl when you grow up.”

Xiao Tian nodded in agreement.

Long Jingxian was a beautiful MILF, and Mu Ai was a mini version of her, so he believed that Mu Ai would become an attractive woman in the future.

Leng Nichang rose to her feet and inquired, “So, where do you stay?”

“At Natsu hotel.” Xiao Tian gave an honest answer.

When Xiao Tian was about to ask the same question, something unexpected happened.

A wooden stick flew toward Leng Nichang!

Of course, Leng Nichang had no idea about it because the wooden stick flew from behind her.

“Danger!” Xiao Tian grabbed Leng Nichang before finally kicking the wooden stick.

His right hand was currently on Leng Nichang’s back while his other hand was holding hers.

If it was in the movie, this scene was where the male lead met the female lead for the first time or where they fell in love with each other.

What happened to them was exactly like the scene in the movies.

Even the atmosphere was also the same because a gentle breeze hit their bodies, causing their clothes and hair to dance beautifully.

Not only that, but countless leaves even fell from trees, surrounding them. Leng Nichang and Xiao Tian were looking at each other in the eyes.

Leng Nichang’s lips curled up into a smile. “Is this how you seduce all of your women?”

Xiao Tian pulled her up and responded, “No. I seduced them using different methods.”

At this moment, a young mother and her son walked toward them and apologized. The mother was around twenty-five years old, while her son was seven years old.

“I’m sorry. I’m sorry.” The mother apologized and forced her son to bow his head.

Leng Nichang looked at them and smiled. "It's fine. The wooden stick also did not hit me, so you can stop apologizing now."

Xiao Tian shifted his gaze from the kid to Leng Nichang.

'Oh, so she can speak Japanese too.'

He was shocked.

But what surprised him most was that Leng Nichang was so fluent in Japanese as if she was not Chinese but Japanese.

Of course, Xiao Tian also could speak Japanese because he often went to Japan in his previous life.

Even though it was only basic Japanese, but it was enough for daily conversation.

The mother and her son immediately left after apologizing to Leng Nichang. They were relieved because Leng Nichang did not blame her son.

At this moment, Mu Ai asked something shocking to Xiao Tian. "Big brother, is this big sister going to be my aunt too?"

--

Shi Fei and the others were currently at Natsu Mini Park.

"Just where is little brother and little Ai?" Shi Fei thought Xiao Tian would return to the hotel soon, but she was wrong. "He even did not bring his smartphone with him."

Previously, Shi Fei and the others wanted to visit tourist attractions, but they changed their minds because Xiao Tian and Mu Ai still had not returned to the hotel.

"Well, we can't reach them, so we can only wait for them to come back." Long Jingxian was not worried because she believed that Xiao Tian could protect himself and her daughter.

"That's right." Lin Xing Xue added. "I'm sure nothing bad will happen to them. He also can speak Japanese, so let's just believe in him."

"By the way, I did not expect that little brother could speak Japanese." Shi Fei was startled when she found out that Xiao Tian could speak Japanese.

"I was shocked too." Liu Ning was also startled.

Unlike the others, Su Ruanyi behaved normally because she knew that Xiao Tian was a smart young man.

She even suspected that Xiao Tian could speak other languages too. After all, he was famous as the prince of Sky University, a prince who could do anything.

At the same time, Xiao Tian and Mu Ai arrived at the hotel.

"Where are they?" Xiao Tian could not find his women.

“Big brother, maybe they are in the park behind the hotel.” Mu Ai suspected that her mother and the others were in the Natsu Mini Park.

“Let’s go there.” After saying that, Xiao Tian carried Mu Ai and headed to the Natsu Mini Park.

They talked in the park for about thirty minutes before finally going to the tourist attractions.

They went to a few places. Like what they had planned, they rented a yacht and spent a few hours on the yacht.

Of course, they did not forget to take pictures together. That night, Xiao Tian did not have sex with any of his women.

The following morning, Xiao Tian woke up early. When he watched TV, he saw a maid café advertisement.

‘Maid café?’

He suddenly wanted to go to the maid café.

In his previous life, he went to a maid café several times because his father also liked a maid café.

‘I have to go to the maid café today!’

He had never gone to the maid café in his second life, so Xiao Tian wanted to go to the maid café.

After breakfast, Xiao Tian suddenly spoke, “Ladies, we are in Japan now. Why don’t you all go shopping today?”

Shi Fei and the others exchange a glance.

He took one of his credit cards. “Here, I will give you my credit card. You can buy whatever you want later.”

It was better to go to the maid café alone, so Xiao Tian told his women to go shopping because, with this, he could travel to the maid café alone.

Ye Xueyin wasted no time and instantly took Xiao Tian’s credit card. “Sisters, let’s go shopping after this.”

“Un.” Lin Xing Xue and the others nodded their heads.

Xiao Tian smiled in satisfaction because everything was under his control.

‘Good, good, good!’

They always spent more than two hours every time they went shopping, so he could spend a lot of time at the maid cafe later.

Of course, they had no idea what he had in mind. They thought Xiao Tian only wanted to make them happy.

However, Shi Fei suddenly said something unexpected. “Sisters, I won’t go shopping with you today. I want to accompany little brother. He will be lonely if he is alone.”
