

## Illicit 1351

### Chapter 1351: You Are Indeed My Best Lover!

\*Cough...

Xiao Tian coughed after hearing Shi Fei's words.

"My sexy lover, I'm fine. You don't need to worry about me. Just go with them." Xiao Tian uttered, "We are in Japan now, so you should enjoy yourself."

"No. I want to accompany you." Actually, Shi Fei had no idea what Xiao Tian had in mind. "I don't want you to be lonely later."

"What do you mean by lonely? My mother and the others will go shopping, so you should go with them." Xiao Tian tried his best to get Shi Fei to go shopping with the others.

"That's right." Ye Xueyin added, "We have his credit card now, so let's go shopping."

"Yes. It's not every day we travel to Japan, so let's go buy clothes and other stuff." Like Ye Xueyin, Liu Ning could not wait to go shopping.

Shi Fei looked at Liu Ning before finally returning her attention to Xiao Tian. "But we should not leave him alone."

"It's fine. I'm already twenty-one years old, so you don't need to worry about me. I can protect myself." Xiao Tian was a martial artist and could speak Japanese, so he was not afraid even if he was alone.

"Alright." Shi Fei responded after five seconds.

Xiao Tian kissed Shi Fei's cheeks before smiling. "Good! Just enjoy yourself. You don't need to worry about money. Just buy whatever you want."

'Good! With this, I can go to maid café alone.'

He added in his mind.

At 8:00 am, Xiao Tian's women went shopping. He wasted no time and traveled to the maid café.

Coincidentally, the maid café was not far from Natsu hotel, so Xiao Tian decided to go on foot.

'It has been a long time since the last time I visited the maid café. I'm so happy right now.'

He walked with a smile on his face.

At this moment, he had no idea that Shi Fei was in front of him.

"Little brother..." Shi Fei shouted as she ran toward him.

Xiao Tian was startled.

'Fei?'

He believed that Shi Fei had gone shopping with his mother and the others earlier, so he was shocked when he saw her.

“Little brother...” Shi Fei jumped into his arms when she was close to him.

“Didn’t you go shopping with my mother and the others? Why are you here?” Xiao Tian inquired.

“I changed my mind. I don’t want you to be lonely, so I decided to accompany you. I’m a good lover, right?” even though Shi Fei loved shopping, but she preferred to spend time with Xiao Tian.

‘No! You are a bad lover!’

Xiao Tian shouted in his head.

At this moment, he did not know what to do. “You should go shopping with them. You don’t need to worry about me. After all, we don’t go to Japan every day.”

“Little brother, why do you keep telling me to go shopping? Are you hiding something from me?” Shi Fei suddenly suspected something because Xiao Tian’s behavior was a little strange.

Normally, Xiao Tian always wanted to be with his women, but he suddenly told them to go shopping.

“Well, it’s because I want you to be happy. Don’t all women love shopping?” Xiao Tian made an excuse.

“Suspicious! You are hiding something, right?” her intention told her that Xiao Tian was lying to her.

“Tell me, what are you hiding from me?”

“I’m not hiding anything.” Xiao Tian kept lying.

“Then let’s spend time together.” Shi Fei decided not to ask more questions because Xiao Tian did not want to tell it.

Xiao Tian kept walking.

Of course, he was still carrying Shi Fei.

Maybe because his mind kept thinking about the maid café, they ended up standing in front of the maid café.

However, Xiao Tian did not take her to the maid café; instead, they sat on the public seating right in front of the maid café.

After putting Shi Fei on the long stone chair, he sat next to her. “Let’s sit here.”

They began to talk about many things.

At this moment, Shi Fei noticed something.

Xiao Tian often glanced at the maid café!

“Little brother, do you want to enter that maid cafe?” Xiao Tian kept looking at the maid café, so Shi Fei suspected he wanted to enter the maid café.

Instead of answering her question, Xiao Tian inquired, “Why are you asking something like that?”

“Because you keep looking at it.” Shi Fei gave an honest answer.

“No.” Xiao Tian lied to her because he was shy to admit it. “I’m just curious because many people enter that café.”

Shi Fei glanced at Xiao Tian before smiling.

‘It seems like he wants to enter that café but he is shy to admit it.’

She knew Xiao Tian’s personality well, so she was sure that Xiao Tian was lying to her.

“If you are curious, why don’t we enter that maid café together?” as a good lover, Shi Fei wanted to support him in everything.

Xiao Tian’s eyes shone brightly, and he instantly cupped her face before finally pressing his lips against hers. “You are indeed my best lover!”

“Hehe.” Shi Fei giggled cutely.

‘I knew it! I knew it!’

Her intention was right.

They instantly rose to their feet before finally entering the maid café. Of course, they walked hand in hand.

“Welcome, master, madam.” A waitress dressed in a maid costume welcomed them.

Xiao Tian and Shi Fei immediately sat on the empty seats. At this moment, several waitresses, dressed in maid customs, were serving the customers.

They behaved as if they were maids serving their masters.

After skimming her surroundings, Shi Fei uttered, “It seems like this place is reserved for men.”

She suddenly understood everything.

She knew the reason why Xiao Tian told all his women to go shopping.

He wanted to go to the maid café alone!

“Little brother, you are indeed a bad young man!” Shi Fei stated. “You already have many women, but you still desire to come to this kind of café.”

Xiao Tian cleared his throat before replying, “Ehm! What are you saying, Fei? I just happened to stop in front of this cafe before.”

“Hehe. You don’t need to lie to me.” Shi Fei giggled. “If you like this kind of café, do you want us to behave like them later?”

“Great idea!” Xiao Tian corrected his words. “I mean, it’s up to you.”

“Hehe. You are cute, little brother.” Shi Fei stated.

Xiao Tian could not get special treatment because he came to the maid café with Shi Fei. They spent time at the maid café for about an hour before finally leaving.

After returning to the hotel, Xiao Tian and his women rented a yacht. As usual, they were thrilled.

Xiao Tian did not have sex with any of his women that day. He only spent time with them.

--

The following morning, Xiao Tian woke up early again. At first, he wanted to take a walk with Mu Ai, but she was still sleeping.

All of his women were still sleeping, so he decided to go for a walk alone.

'The air is so fresh!'

He shut his eyes to feel the fresh air.

The expression of deep shock blossomed on his face when he opened his eyes.

### **Chapter 1352: Xi Xingyi**

The expression of deep shock blossomed on his face.

'Lady Xi Ran?!'

He did not expect to meet Xi Ran near the Natsu hotel.

'Did she go to Japan with lady Leng?'

He met Leng Nichang yesterday, so he suspected that Xi Ran traveled to Japan with Leng Nichang.

'Let's talk to her.'

Without waiting for another second, Xiao Tian walked toward her.

"Lady Xi Ran?" Xiao Tian uttered.

The gorgeous lady instantly turned her head to look at Xiao Tian because she thought he was talking to her.

'Xi Ran? Who is he?'

She was not Xi Ran, so she did not know who Xiao Tian was.

"Lady Xi, what are you doing here?" Xiao Tian still thought she was Xi Ran.

Xi Ran should be shooting a movie right now. This was the reason why he was shocked when he saw her in Japan.

At this moment, that lady believed that Xiao Tian was Xi Ran's friend.

'How does Ran call him?'

She suddenly wanted to pretend to be Xi Ran because, in her eyes, it would be fun.

However, she changed her mind. "Sorry, I'm not Xi Ran. I'm her elder sister, Xi Lingxin."

"I'm sorry. I thought you were lady Xi Ran." Xiao Tian felt embarrassed. "Are you two twins?"

“We are not twins.” Xi Lingxin gave an honest answer. “I’m three years older than her, so I’m her elder sister.”

“You look so young, lady Xi Lingxin, so I thought you and lady Xi Ran were twins.” Xiao Tian used his sweet words without realizing it.

“I did not expect you to have honey-tongued.” Xi Lingxin was pleased after hearing Xiao Tian’s words.

“I’m just saying the truth.” Xiao Tian had no intention of seducing her because it was the truth.

Xi Lingxin did look like Xi Ran!

He would have thought of her as Xi Ran’s twins if he had not heard from her directly.

Then they sat on the public seating and began talking about many things. Xi Lingxin was an easy-going lady, so they could get along immediately.

Xiao Tian chatted with her for about an hour before finally returning to the hotel.

Xi Lingxin looked at Xiao Tian’s back before finally smiling.

‘What an interesting young man!’

She did not expect Xi Ran to have an interesting friend like Xiao Tian.

Not only that, but Xiao Tian was so attractive too. The way he talked and behaved was amazing.

Not long after that, Leng Nichang walked toward her. “Madam, why are you smiling like that?”

“I met an interesting young man.” The gorgeous lady gave an honest answer.

Yes, she lied to Xiao Tian!

Her name was not Xi Lingxin, and she was not Xi Ran’s elder sister. She was Xi Xingyi, Xi Ran’s mother.

She pretended to be Xi Ran’s elder sister because Xiao Tian thought she was Xi Ran’s twin.

She was already forty-five years old, but Xiao Tian thought she was a young lady in her twenties.

It was funny, but it also made her happy.

She suddenly thought that all her efforts to maintain her perfect body were not in vain.

“Interesting young man?” Leng Nichang did not get Xi Xingyi’s words.

“Yes.” Xi Xingyi nodded her head. “He is Ran’s friend.”

“Ran’s friend? Who is he?” Leng Nichang asked curiously.

Xi Xingyi began describing Xiao Tian’s appearance.

“Mr. Xiao Tian?” from Xi Xingyi’s description, Leng Nichang was sure he was Xiao Tian.

She also met Xiao Tian yesterday, so she believed he was Xiao Tian because he had mistaken Xi Xingyi for Xi Ran.

“Xiao Tian? That Xiao Tian who got the title as miracle young man?” previously, Xi Xingyi did not ask his name.

“Yes.” Leng Nichang nodded her head.

Xi Xingyi’s lips curled up into a smile. “Interesting.”

--

Xiao Tian was currently spending time with his women in the park. After arriving at the hotel, his women dragged him to a park not far from the Natsu Hotel.

That park was famous in Okinawa, so they wanted to visit it.

Of course, Xiao Tian granted their wish because the main reason why he took them to Japan was to make them happy.

They returned to the hotel at 04:00 pm. However, they only went back to take a shower because they instantly traveled to Tokyo.

Their intention was clear.

They wanted to visit Tokyo Tower!

Tokyo Tower was famous, so they wanted to visit it before returning to Shanghai.

Shi Fei and the others were thrilled when they were in Tokyo Tower because the night view from Tokyo Tower was so amazing.

“It’s beautiful!” Mu Ai stated. “Mother, I can see colorful lights from here.”

Long Jingxian carried her daughter before responding, “Un.”

That night, they did not return to the Natsu hotel because it took them five hours to go back to Okinawa.

That was why they decided to stay the night at a hotel near Tokyo Tower. The following morning, they returned to the Natsu hotel.

Like yesterday, they went to tourist attractions again. The next day at 07:00 am, they went back to Shanghai.

Their faces were filled with happy smiles on the way to Shanghai. They had good memories in Japan, so they were delighted.

At the same time, Leng Nichang and Xi Xingyi also arrived in Shanghai.

“You go and meet Ran now.” Xi Xingyi spoke abruptly.

“Understood, madam.” Leng Nichang responded instantly.

Xi Xingyi sighed. “Nichang, I have told you to call me aunt many times. Why do you keep calling me madam?”

Leng Nichang corrected her words immediately. "Understood, aunt."

"Alright. I'm going home now. I'm tired." After saying that, Xi Xingyi went home.

--

Xiao Tian's Mansion, Backyard.

Xiao Tian was currently spending time with Mu Ai in the backyard. Both of them were sitting on the pool lounge chair and drinking lemon juice.

"Huahh..." Xiao Tian put his lemon juice on the table next to him. "Spending time in the backyard is indeed the best."

"Un. I like this place too." Mu Ai stated.

"Ah, so you two are here?" Shi Fei walked toward Xiao Tian and Mu Ai.

She was currently wearing a swimsuit because she headed to the backyard to swim. Her flat stomach was visible, and her long legs moved seductively.

Xiao Tian nodded his head when he saw his sexy lover. No matter how many times he saw her body, it never failed to amaze him.

"Big brother, aunt Fei is wearing revealing clothes." Mu Ai stated.

"It's because she is a pervert." Xiao Tian joked around.

Shi Fei didn't jump into the pool right away; instead, she lay on the pool lounge chair next to Xiao Tian.

"Little brother, don't lie to me. You like what you see, right?"

"I love it!" Xiao Tian gave her a thumb up.

"Hehe." Shi Fei giggled. "Did you hear it, little Ai? Big brother is also a pervert."

Mu Ai turned her head to look at Xiao Tian. "Big brother, are you also a pervert?"

"Of course not!" Xiao Tian lied instantly.

"Little Ai, do you want to learn how to swim with aunt Fei?" Shi Fei inquired.

"No. I want to spend time with big brother." Mu Ai refused instantly.

"Then, I will swim alone." After saying that, Shi Fei jumped into the pool.

Like before, Xiao Tian talked with Mu Ai again. Without realizing it, it had been fifteen minutes since Shi Fei jumped into the pool.

At this moment, Shi Fei was floating on the water and inquired, "Little brother, do you want to do adult things in the water now?"

### **Chapter 1353: I Really Like Big Brother**

"Little brother, do you want to do adult things in the water again?" Shi Fei inquired.

Her intention was clear.

She asked him whether he wanted to have sex with her in the water or not!

They had done many adult things in the pool, so Shi Fei wanted to know if Xiao Tian desired to do it again or not.

“I have to refuse!” even though doing adult things with Shi Fei would give him happiness and pleasure, but Xiao Tian wanted to spend time with Mu Ai.

“Aunt Fei, big brother wants to spend time with me, so you can’t take him from me.” Mu Ai also did not want to be separated from Xiao Tian.

She even hugged Xiao Tian’s right arm, giving a sign that Shi Fei could not take him from her.

Sure, Mu Ai also had a close relationship with Shi Fei, but she preferred Xiao Tian over Shi Fei.

Shi Fei widened her eyes before finally giggling.

“It seems like you really like him.” Even though Shi Fei knew how close their relationship was, she did not expect their relationship to get closer and closer.

Yes, their relationship was already like a father and a daughter. Even some biological fathers and daughters did not have a close relationship like them.

“Un.” Mu Ai nodded her head cutely. “I really like big brother.”

Happiness danced inside Xiao Tian’s mind. “My little Ai is indeed the best.”

“Little brother, didn’t you say I’m the best?” Shi Fei pretended to be sad.

Xiao Tian and Mu Ai exchanged a glance with each other before finally laughing. “Hahaha.”

He then continued talking with Mu Ai and Shi Fei. When the sky grew dark, they went into their house.

That night, Shi Fei came to Xiao Tian’s room.

Her intention was clear.

She wanted to punish him for refusing to do adult things in the pool.

That night, she behaved wildly, but of course, she lost to Xiao Tian in the end. She even could not move her sexy body anymore.

---

The following morning, Xiao Tian traveled to Eternal Beauty company to work. He worked for about three hours before finally calling Liang Jun.

His heart leaped up for joy when Liang Jun told him about the progress of their new project.

Eternal Watch!

Liang Jun had hired skilled employees for his Eternal Watch company.

Xiao Tian had entrusted Eternal Beauty company and Eternal Watch company to him, so Liang Jun did his job seriously.

He did not want to let Xiao Tian down!

He would prove to Xiao Tian that he did not choose the wrong person to take care of his two companies.

After working for another two hours, Xiao Tian traveled to Star Group. His lips twitched when he saw the pile of papers on his desk.

That day Xiao Tian went home tired.

—

The next day at 10:00 am, Xiao Tian went to his gang to check his underlings. Unexpected happiness consumed him when Mu Hou gave good news.

First, Mu Hou gained insight into battle instinct, and last, Ren Aoxu and several of his underlings broke through to the next level.

Fifteen of his underlings broke through from the low-level master stage to the mid-level master stage.

And ten of his underlings broke through from the mid-level master stage to the high-level master stage.

Xiao Tian's underlings were much stronger now.

Now he had twenty-five underlings at the low-level master stage, fifty-five underlings at the mid-level master stage, and forty underlings at the high-level master stage.

'They did not let me down.'

Of course, he told them to keep practicing martial arts because he wanted to have undefeatable underlings.

His dream was to become the wealthiest person in China, so he had to build invincible underlings because the road to becoming the richest man in China would be filled with problems.

'Now I will go and meet lady Lan. I really miss her.'

He did not meet Lan Ruoxi for more than a week, so he missed her.

However, the goddess of luck was not on his side because Lan Ruoxi was in Hong Kong, so he could not meet her.

—

Sun Auction House, Xi Xingyi's Office.

Inside a big and luxurious office, two women were looking at each other. The mature lady was sitting on her office chair while the other lady was standing before her.

These two women were none other than Xi Xingyi and her subordinate, Leng Nichang.

"So, how is it?" Xi Xingyi asked curiously.

“Ran refused to return home again.” Leng Nichang gave an honest answer.

Xi Xingyi sighed.

‘Is what she said true? But...’

She sighed again.

“You can return to your desk now.” Xi Xingyi’s head hurt whenever she thought of her daughter.

“Understood.” After saying that, Leng Nichang walked out of Xi Xingyi’s office.

Xi Xingyi looked at the sky through the windows.

‘Ran...’

She really missed her daughter, but her daughter always refused to meet her.

—

Star Group, Xiao Tian’s Office.

Xiao Tian was currently sleeping on the couch. Previously, he only wanted to lay down on the sofa.

But due to how tired he was, he fell asleep shortly after lying on the couch.

\*Knock...Knock...Knock.

Long Jingxian knocked on the door.

‘Hmm?’

She knocked on the door again.

‘Is he not in his office?’

She opened the door.

Her face blossomed into a smile when she saw Xiao Tian sleeping on the couch.

‘So, he is sleeping.’

She closed the door before finally walking toward him.

Long Jingxian looked at Xiao Tian’s handsome face after sitting on the sofa.

‘It seems like he is exhausted.’

She placed his head on her lap.

Like before, she looked at him while smiling. As she stroked his hair gently, Long Jingxian looked at Xiao Tian lovingly.

\*Three minutes...Seven minutes...Ten minutes...

It had been ten minutes since Long Jingxian placed Xiao Tian’s head on her lap.

Of course, Xiao Tian still had no idea what was going on because he was still sleeping. He was napping as if he knew he was sleeping on his lover's lap.

'Now no matter how many times I see his face, I'm always mesmerized by his good looks.'

Long Jingxian praised Xiao Tian's handsome face.

Not long after that, Xiao Tian finally woke up.

'My beautiful MILF?'

A soft smile spread across his face.

He was pleasantly surprised when he found out that Long Jingxian was in his office. But what made him happiest was that he could see her soft smile after waking up.

Xiao Tian even could feel her love in her gaze. "Good morning, my beautiful lover."

"This is already 04:00 pm." Long Jingxian responded.

"Do you want to go on a date?" Xiao Tian inquired.

"How about we do it tomorrow? I'm a little tired today." Unlike usual, Long Jingxian refused to go on a date this time.

Xiao Tian rose to his feet and spoke, "Then let's go home now."

"Un." Long Jingxian nodded her head.

That night, Xiao Tian had sex with Long Jingxian and Su Ruanyi. The following day at 09:00 am, Xiao Tian went to a green tea shop.

He was startled after he arrived at the green tea shop.

He saw Xi Ran's elder sister, Xi Lingxian!

No, not Xi Lingxian, but Xi Xingyi, Xi Ran's mother.

### **Chapter 1354: I Hope She Won't Regret Her Actions Later**

Like Xiao Tian, Xi Xingyi was also shocked when she saw him.

After ordering green tea, Xiao Tian walked toward Xi Xingyi. "Lady Xi Lingxian, we meet again."

Like when they were in Japan, he still didn't know that Xi Xingyi lied to him about her identity.

Xi Xingyi's lips curled up into a smile. "You are Xiao Tian, right? The one I met in Japan four days ago."

Of course, she still remembered Xiao Tian because he was an interesting young man in her eyes.

"Yes, that's me." Xiao Tian did not expect to meet Xi Xingyi so quickly like that. "Are you alone?"

"Yes." Xi Xingyi responded as she nodded her head. "I'm currently waiting for Nichang to arrive."

"Nichang? Do you mean lady Leng Nichang?" Xiao Tian asked curiously.

“Yes.” Like before, Xi Xingyi gave an honest answer again. “She is one of my subordinates.”

“I see.” Xiao Tian finally knew that the Sun Auction House belonged to the Xi family.

“Why are you still standing? Sit down and accompany me.” Xi Xingyi thought getting a companion was not a bad idea because it was boring waiting for Leng Nichang alone.

“Sure.” Actually, Xiao Tian only wanted to greet her and sit at another table, but he changed his mind after hearing her words.

“Do you often come to this shop?” Xi Xingyi asked curiously.

“This is my third time coming to this shop.” Xiao Tian gave an honest answer. “What about you, lady Xi? Do you often come to this shop?”

“This is my first time coming to this shop.” Xi Xingyi responded, “I happened to have some business around here, so I came to this shop.”

“I see.” Xiao Tian nodded his head.

Not long after that, Leng Nichang arrived.

She was shocked when she saw Xiao Tian sitting in front of Xi Xingyi.

‘Mr. Xiao? Did they meet by chance?’

That was the question that appeared in her mind.

Xiao Tian and Xi Xingyi turned their heads toward Leng Nichang when they caught sight of her.

“Here.” Xi Xingyi smiled as she waved her right hand.

Leng Nichang sat next to Xiao Tian before finally saying, “I did not expect to meet you in this place, Mr. Xiao.”

Like usual, Xiao Tian showed his charming smile, “I happened to meet big sister Xi Lingxian.”

“Big sister Xi Lingxian?” Leng Nichang was shocked.

‘Did madam Xi hide her identity to him? But what is this big sister thing?’

Of course, she knew that Xi Xingyi was a beauty, but calling her big sister was too much.

Xi Xingyi was already forty-five years old while Xiao Tian was still twenty-one, so calling her big sister was quite weird.

Leng Nichang shifted her gaze from Xiao Tian to Xi Xingyi when Xi Xingyi kicked her right leg.

‘Hmm?’

Even though Xi Xingyi did not say anything, but Leng Nichang knew what she had in mind.

Xi Xingyi wanted her not to reveal her real identity to Xiao Tian!

She decided not to reveal the truth because Xi Xingyi was her boss and Xi Ran’s mother.

"I see." Leng Nichang nodded her head.

Xi Xingyi smiled in satisfaction when Leng Nichang did not reveal the truth. There was one reason why she wanted to keep hiding her real identity.

She loved it when people saw her as a woman in her twenties!

She was already forty-five years old, so her heart was filled with happiness when Xiao Tian thought she was Xi Ran's elder sister.

That was the main reason why she wanted to keep hiding the truth. After all, it had been a long time since someone called her big sister.

And what made her happiest was that the one who called her big sister was an attractive young man like Xiao Tian.

Of course, she wanted to enjoy that happy feeling first. The trio began to talk.

However, Xiao Tian didn't stay long because Liang Jun asked him to sign important documents for his new company.

After Xiao Tian left, Leng Nichang looked at Xi Xingyi and inquired, "Madam, are you not afraid of the consequences? After all, it's impossible to hide the truth forever."

"It's fine. I will reveal the truth, but not now. It has been a long time since the last time someone called me big sister. I want to enjoy it first." Xi Xingyi knew that she would not be able to hide everything forever, so she would reveal the truth later.

She did not do anything bad to Xiao Tian, so she was sure that Xiao Tian would not be angry at her later.

Leng Nichang did not say anything because she could not force Xi Xingyi to reveal the truth.

'I hope she won't regret her actions later.'

She hoped Xi Xingyi would not regret her decision because they already had many problems.

After Xiao Tian signed all the necessary documents, he went straight to the Xing family restaurant because Xing Hanxian invited him to lunch.

At first, he thought he would have lunch with Xing Hanxian alone, but he was wrong.

He was utterly wrong because Xing Ranqing and Xing Juzong came with Xing Hanxian. Not only that but there was also Zhao Sheng in the Xing family restaurant.

"Where have you been, bro? I haven't seen you lately." Xing Ranqing spoke abruptly.

"I went to Japan with my family and women for several days." Xiao Tian gave an honest answer. "I always work hard, so I want to reward myself."

"Work hard my ass!" Zhao Sheng stated. "I remember that you always spent time with us or your women."

Xiao Tian's company was already able to run on its own, so Zhao Sheng did not believe it when Xiao Tian said he had been working really hard lately.

"Brother Xiao, brother Zhao, do you want to see the progress of our humanitarian event?" Xing Juzong inquired.

Xiao Tian and Zhao Sheng exchanged a glance with each other before finally nodding their heads. "Yes."

They went straight to the orphanage to meet the orphans. Even though Xiao Tian was not a saint, but his heart still melted when he saw their happy faces.

The orphans were thrilled and expressed their gratitude to Xiao Tian and the others. Not only would they have new orphanages, but they would also have a school.

The Xing family had helped them in achieving two of their dreams. That was why they were pleased when they met Xing Juzong and the others.

Xing Juzong and the others also checked the progress of the orphanages. They wanted to make sure everything went according to the plan.

Xing Juzong and the others nodded their heads after checking everything.

Xing Ranqing looked at his brother and inquired, "Brother, how about we buy snacks and cake and eat with the orphans?"

"Good idea!" Xing Hanxian nodded his head.

Xing Juzong looked at Xiao Tian and Zhao Sheng. "What do you think, brother Xiao, brother Zhao?"

"Un. Good idea." Xiao Tian and Zhao Sheng also agreed with Xing Ranqing's idea.

—

Xi Ran finally decided to meet her mother after not seeing her for several months.

Of course, she was still unwilling to forgive her mother because her mother had done some cruel things to her.

### **Chapter 1355: You Should Open Your Eyes**

Inside the VIP room of a famous restaurant, two women were sitting on the couch and looking at each other.

Both of them were attractive and had many resemblances. Their eyes, hair, noses, chins and lips; everything looked the same.

If anyone did not know who they were, they would think these two women were twins because they looked the same.

Even the size of their breasts was the same!

These two women were none other than Xi Ran and her mother, Xi Xingyi.

Actually, Xi Xingyi was surprised when Xi Ran agreed to meet her. All this time, Xi Ran always refused to meet her and avoided her.

Xi Ran even never returned home since they quarreled a few months ago.

“Ran, can we make up now? How long will you be angry with me? Can’t we end this drama now?” Xi Xingyi begged her daughter to forgive her and go home with her.

Previously, they had a good relationship. They were even close to each other, but everything changed a few months ago.

“You still want me to go home after what you have done to me?” Xi Ran responded, “Why don’t you try destroying my career again like what you did before?”

In the past, her mother used her connections to ruin Xi Ran’s career in the entertainment industry.

Actually, Xi Xingyi did not want to do bad things to her daughter.

She was just desperate!

She did something cruel to her daughter because she wanted Xi Ran to return home. If Xi Ran did not have a job and money, she would have no choice but to go home.

But she failed!

Even though Xi Ran’s name in the entertainment industry had been ruined, she still got a job.

Of course, her job was not as good as before. However, her income was still enough to meet her daily needs.

“Not only did you separate me from my boyfriend, you even ruined my reputation in the entertainment industry. And you still dare asking me to go home? Is your head empty?” Xi Ran was still furious at her mother because her mother did many cruel things to her.

Her mother had destroyed her happiness and career!

“I’m sorry for ruining your career.” Xi Xingyi apologized to her daughter. “But your boyfriend is a bad person. He has bad intentions to you. That was why I decided to separate you from him.”

“What? He is a bad person?!” Xi Ran found it hard to believe what she was hearing. “He is a good person! You are the one who thinks he is a bad person!”

“I’m not lying to you. He is a bad person.” Xi Xingyi had investigated Hu Yuming and found out that he had bad intentions to her daughter.

This was the reason why she decided to separate him from her daughter because she did not want something bad to happen to her daughter.

“No! Hu Yuming is a good person. It’s your boyfriend who is a bad person.” Xiao Ran was sure that Hu Yuming was a good person.

He was even willing to leave her without saying a single word because he did not want to ruin her relationship with her mother.

This was the reason why she believed Hu Yuming was a good person. After all, only good people were willing to give in.

“No! Han Shutai is a good person.” Like Xi Ran, Xi Xingyi also believed that her boyfriend was a good person.

Han Shutai had never met another girl behind her back. Not only that, but he was also mature and always there for her.

Han Shutai was never jealous when she met her business partners or friends. This was the reason why she was loyal to him.

“Good person! You should open your eyes!” in the past, Xi Ran also considered Han Shutai a good person.

However, she accidentally knew his real personality several months ago.

She had repeatedly given her mother warnings, but her mother always defended him, saying he was a good person.

Since then, their relationship started to deteriorate. One thing led to another, and Xi Ran finally decided to leave home.

They were firm in their stance!

They believed that their boyfriends were good people.

As usual, their meeting was deadlocked again. Xi Ran decided to leave because there was no point in continuing to talk to her mother.

Xi Xingyi sighed again.

—

“Grandpa, here.” Xing Ranqing spoke, “Pass the ball to me.”

“Here.” Xing Hanxian passed the ball to Xing Ranqing.

Xiao Tian and the others were currently playing futsal with the orphans.

Bang!

Xing Ranqing kicked the ball.

“Goal!” she shouted happily. “Bro Zhao, your team lost.”

Xing Ranqing was on the same team as her brother and grandfather, while Xiao Tian was on the same team as Zhao Sheng.

Zhao Sheng sat on the ground and spoke, “Let’s stop here. Xiao Tian is really bad at playing futsal.”

“Said the person who always fails to score” Xiao Tian believed that they would win the game if Zhao Sheng never failed to score.

“Haha.” Xing Ranqing laughed happily. “You don’t need to blame each other. It’s normal for you to lose. After all, your opponent is me.”

Zhao Sheng shifted his gaze from Xiao Tian to Xing Ranqing, “I didn’t expect you to be so good at futsal.”

“Of course.” Xing Ranqing said proudly. “Futsal, basketball, golf, badminton; I’m good at all sports.”

She wasn’t bluffing this time because she was really good at sports.

Xing Juzong nodded in agreement because he knew how good his younger sister was at sports.

Xing Ranqing turned her head to look at the orphans. “It was a good game! You all played well.”

“Big sister, you are amazing!”

“Yes. You looked like a professional player earlier.”

“Yes. That’s right.”

“You were so cool when you scored earlier.”

“Yes. You are like a professional futsal player, Da Guiming.”

“Hey! Da Guiming is a male. Big sister is a female. How could you say something like that?”

“Ah, sorry!”

“Hahaha.”

The orphans were pleased and laughed happily.

“Hahaha. It’s fine.” Xing Ranqing was not angry. “Even though I’m female, but I’m male deep in my heart.”

Bang!

Xing Hanxian hit her daughter’s head after hearing her words.

“Ouch!” Xing Ranqing cried out in pain. “Grandpa, why did you hit my head? What if I become stupid later?”

“Think about it yourself.” Xing Hanxian did not tell her the reason why he suddenly hit her head.

“Haha.” Zhao Sheng laughed.

Xiao Tian and the others also laughed.

Not long after that, they went home. All the orphans wore sad faces when they said they wanted to go home.

Xiao Tian and the others gave them a lot of happiness that day, so the orphans still wanted to be with them.

For this reason, Xing Ranqing said they would visit them again in a few days.

That night, Xiao Tian had an orgy with his women. They even had sex for more than two hours.

The next day at 10:00 am, Xiao Tian went to Autumn Restaurant to meet his business partners.

However, he had bad luck because his car suddenly broke down when he was on his way back to his company.

### **Chapter 1356: I'm Huang Chen**

Xiao Tian sighed.

He was annoyed because his car suddenly broke down.

He knew nothing about the car, so he did not know how to repair his vehicle.

\*Sigh...

He got out of his car with an annoyed face.

'I will call tow truck now.'

He sat on his car's hood.

To his surprise, a blue car suddenly stopped in front of him.

'Hmm? Whose car is that?'

He did not know the owner of that blue car.

\*Click...

A beautiful and sexy young lady suddenly got out of the car.

Her purple midi dress fit her sexy body perfectly and black kitten heels shoes wrapped around her smooth feet.

Anyone who had ever come to the Sun Auction House would know right away if they saw that young woman.

Leng Nichang!

Yes, the one who just got out of the car was none other than Leng Nichang, the top auctioneer of the Sun Auction House.

As Leng Nichang was walking toward Xiao Tian, she showed her charming smile. "What's wrong with your car, Mr. Xiao? Has your car broken down?"

Xiao Tian rose to his feet and replied, "Yes. My car suddenly broke down."

"Have you called a tow truck?" Leng Nichang threw another question.

"I'm about to do that." After saying that, Xiao Tian called a tow truck.

"Where do you want to go? I can take you to your destination if you want." Leng Nichang had nothing to do, so she was willing to help him.

“Actually, I have nothing to do now because I just finished my work.” Previously, Xiao Tian met his business partners, so he had finished his work for today.

Twenty minutes later, the tow truck arrived. Because Xiao Tian and Leng Nichang had free time, they decided to go to a café.

Of course, they used her car because his car broke down.

--

Shaaxi City, Hiju Café.

Hiju café was one of the most famous cafés in Shaaxi city. They decided to go to Hiju café because it was a good place to chat and relax.

“So, you just met your business partners, huh?” Leng Nichang, who was sitting on the opposite side of Xiao Tian, uttered.

“Yes.” Xiao Tian responded, “I just didn’t expect my car to suddenly break down like that.”

“It seems like luck isn’t always on your side.” Like before, Leng Nichang’s lips curled up into a smile.

Xiao Tian got the title of Miracle Young Man and had achieved many things at such a young age, so she thought luck always followed him like his shadow.

“If I can, I want to always have luck on my side, but I’m a human being, not God or God’s son.” Of course, Xiao Tian would love to always have luck on his side, but something like that was impossible.

Even though he often had good luck, bad luck also approached him. For example, he had so many troubles in less than three years.

“Oh! I thought you were a God’s son because you could achieve so many things at such a young age.” Leng Nichang joked around.

“Ehm!” Xiao Tian cleared his throat. “Lady Leng, let me tell you the truth. Actually, I’m the son of Goddess of luck, but she suddenly threw me into this world, saying a man should live independently.”

He continued, “And I’m not Xiao Tian, I’m Huang Chen, who took over this body. In other words, I descended from the highest heaven.”

Even though it was half-true, he was sure that Leng Nichang would not believe it.

Sure, Xiao Tian wore a serious face when he said this, but Leng Nichang was not three years old girl.

This world was not a world in novels where they could reincarnate or revive the dead, so Leng Nichang would not believe his words.

Something like that only happened in novels, comics, or movies. There was no way it would happen in real world.

And what Xiao Tian had guessed was right because Leng Nichang giggled after hearing his words.

“Because you are the son of Goddess of Luck, can you ask your mother to give me her blessing? I really need it.” Leng Nichang played along with his joke.

Xiao Tian pointed his right index finger at the sky. “I can’t do that because my mother is in heaven right now.”

“What a pity.” Leng Nichang pretended to be sad. “Then how about you take me to the heaven someday?”

“Sure. I will take you to heaven and meet my mother someday.” Xiao Tian behaved as if he could go to heaven.

“Hehe.” Like before, Leng Nichang giggled.

‘Madam Xingyi is right. Mr. Xiao is indeed an interesting young man.’

She added in her mind.

Due to how interesting their conversation was, they did not realize that they had been chatting for more than thirty minutes.

“Oh right, Mr Xiao. Do yo-” Leng Nichang stopped her words halfway when her smartphone suddenly rang.

‘Ran?’

She could see the one who called her because she put her smartphone on the table earlier.

“Hello, Ran?” Leng Nichang picked up the phone when she knew the one who called her was her friend, Xi Ran.

“Where are you right now?” Xi Ran inquired.

“I’m at Hiju Café.” Leng Nichang gave an honest answer. “What’s wrong?”

“Send me the location. I will be there soon.” Xi Ran was bored in her apartment, so she wanted to hang out with Leng Nichang.

Of course, she still had no idea that Xiao Tian was with Leng Nichang. She thought Leng Nichang was alone.

“Alright.” After hanging up the phone, Leng Nichang sent her location. “Mr Xiao, Ran will be here in a few minutes.”

“Un.” Xiao Tian nodded his head.

Like before, Xiao Tian and Leng Nichang began to chat again. Fifteen minutes later, Xi Ran arrived at Hiju café.

Even though Xi Ran still wore her usual poker face, but she was shocked when she saw Xiao Tian.

Xiao Tian turned his head to look at Xi Ran and waved his hand. “Hi, lady Xi.”

Xi Ran nodded her head at Xiao Tian before finally saying. “I did not expect you to be with Nichang.”

"I met lady Leng when my car broke down." Xiao Tian gave an honest answer.

When Xiao Tian saw Xi Ran, he suddenly remembered her mother because they were similar to each other. "Oh right, lady Xi. I met your elder sister yesterday."

"Elder sister?" Xi Ran was surprised.

She had no elder sister because she was the only child. This was the reason why she was shocked after hearing Xiao Tian's words.

"Yes. I met her a few times. The first time I met your elder sister was when I went to Japan." Xiao Tian still thought Xi Xingyi was Xi Ran's elder sister.

Xi Ran was sure Xiao Tian misrecognized people. "Xiao Tian, I don't ha-

Before Xi Ran had finished her words, she was interrupted by Leng Nichang. "Ran, why don't you order your tea first?"

She tried to stop Xi Ran from revealing the truth!

"...Alright." Xi Ran was not suspicious of Leng Nichang.

After ordering tea, the trio began to talk again. Like before, Leng Nichang always interrupted them whenever it was related to Xi Ran's mother.

As they were talking happily, a voice suddenly rang out. "Ran, is that you?"

### **Chapter 1357: Are You and Leng Nichang a Couple?**

"Ran, is that you?" a voice rang out from behind Xi Ran.

Xi Ran and the others instantly turned their heads toward the source of the sound. Xi Ran widened her eyes for a second before finally rushing toward that person.

Hu Yuming!

The person who had just spoken was Hu Yuming, Xi Ran's ex-boyfriend.

Hu Yuming was a young man about twenty-four years old. He was quite tall and had blue hair and red eyes.

Even though he was not as handsome as Xiao Tian, but he was still in the category of the attractive man.

Leng Nichang and Xiao Tian did not say anything and only stared at them.

Of course, Leng Nichang knew who Hu Yuming was.

'Why did he reappear in Ran's life? I have to report this to madam Xi later.'

Even though she disliked Hu Yuming, she did not show it on her face.

Xi Ran lifted her head to look at Hu Yuming, "Yuming, where have you been all this time? Why did you suddenly disappear on me?"

“Ran, your mother disliked me, so I had no choice but to leave you.” Hu Yuming spoke and paused for a second before he continued, “I didn’t want you to keep quarreling with your mother, so I chose to leave. I’m sorry Ran.”

“Are you going to leave me again?” Xi Ran inquired.

“No.” Hu Yuming shook his head. “Ran, I realize that I can’t live without you, so I won’t repeat the same mistake.”

Xi Ran’s heart was filled with happiness after hearing his words.

Xiao Tian turned his head to look at Leng Nichang. “Is he lady Xi’s boyfriend?”

“Her ex-boyfriend.” Leng Nichang gave an honest answer.

Hu Yuming shifted his gaze from Xi Ran to Xiao Tian. “You are Xiao Tian, right? That Xiao Tian who got title as Miracle Young Man.”

He already knew about Leng Nichang and was aware of how close her relationship was with Xi Ran, so he was not surprised when he saw her.

“Yes. I’m that Xiao Tian.” Xiao Tian gave an honest answer.

“Are you and Leng Nichang a couple?” Hu Yuming threw a random question.

He did this because he hoped Xiao Tian had no special relationship with Xi Ran. That was why he asked something like that, hoping Xiao Tian was Leng Nichang’s boyfriend.

“We are friends.” Xiao Tian did not have a special relationship with Leng Nichang and could not joke around about this matter.

“Then...are you Ran’s lover?” at this moment, Hu Yuming hoped Xiao Tian would say no.

“It’s a bit complicated to answer your question.” Xiao Tian was Xi Ran’s friend and also her big boss.

“A...a bit complicated?” Hu Yuming’s heart was suddenly filled with sadness.

Leng Nichang giggled after seeing Hu Yuming’s expression.

‘Mr Xiao is toying with Hu Yuming.’

She loved it when Xiao Tian toyed with Hu Yuming’s heart.

When Xiao Tian saw Hu Yuming’s face, he suddenly thought Hu Yuming was an innocent young man.

“How should I put our relationship in words. We are...”

Xi Ran instantly cleared the misunderstanding. “He is my boss. He hired me to be an actress in his film.”

Hu Yuming let out a sigh of relief. “Thank God! Brother Xiao, please don’t take Ran from me. If you are single and want a girlfriend, why don’t you make Leng Nichang your lover? She is a gorgeous and amazing woman.”

“Hu Yuming, Mr. Xiao is not like you.” Leng Nichang responded, “With his handsome face and wealth, he is never short of women. He doesn’t know what being single is. There is no word ‘single’ in his dictionary.”

“He has many women.” Xi Ran added.

Both Xi Ran and Leng Nichang knew that Xiao Tian had many women because Xing Ranqing had told them everything.

“Pl...playboy?” black lines formed on Hu Yuming’s forehead.

The corner of Xiao Tian’s lips twitched.

‘Why do I feel like they see me as a bad young man?’

--

Blue Ice Lotus Gang Headquarters, Front Yard.

Xiao Tian was currently sitting on the ground with his underlings. He went straight to his gang after talking with Xi Ran and the others.

“Mu Hou, Chun Hua, should we recruit more people?” Xiao Tian threw a random question.

Mu Hou and Chun Hua were startled by his question.

“You are the boss, so everything is up to you.” Mu Hou did not mind even if he had to train more people because Xiao Tian paid him to train his underlings.

“Yes.” Chun Hua added.

Xiao Tian turned his head to the left side. “What do you think, junior brother?”

“It’s up to you, senior brother.” Ren Aoxu responded, “But if you want to recruit more underlings, I think it’s better to put a bottom level, like at least they are low-level master stage.”

There was a reason why Ren Aoxu suggested that Xiao Tian did not recruit martial artists at the apprentice stage.

It was because they were weak!

From his point of view, it was better to have a few strong underlings than many weak subordinates.

“That makes senses.” Xiao Tian agreed with Ren Aoxu’s idea.

At this moment, one of Xiao Tian’s underlings spoke something shocking. “Leader, why don’t we use your previous method?”

“My previous method?” Xiao Tian did not get her words.

“Yes.” She responded, “Beat them and force them to be your underlings. No, no, I mean, beat them and force them to be your slave!”

“That’s right, leader. I agree with her idea.” Another Blue Ice Lotus gang member added.

“Damn! You are all crazy people!” Xiao Tian stated.

“Eh! Does that mean you are a crazy too? After all, you are our leader.” One of the Blue Ice Lotus gang members spoke,

The corner of Xiao Tian’s lips twitched.

“Haha.” Xiao Tian’s underlings laughed.

—

Sun Auction House, Xi Xingyi’s Office.

Inside a big and luxurious office, two people were sitting on the couch. The mature lady was about forty-five years old, while the grown-up man was thirty-three.

Even though the mature lady was already forty-five years old, but she still looked young, as if she was in her twenties.

These two people were none other than Xi Xingyi and her boyfriend, Han Shutai.

Han Shutai, who was sitting on the opposite side of Xi Xingyi, inquired, “Xingyi, how about we have dinner at Autumn Restaurant later?”

“Alright.” Xi Xingyi agreed instantly.

As they were chatting happily, someone suddenly knocked on the door. Han Shutai smiled at Leng Nichang after she entered Xi Xingyi’s office.

“What’s wrong, Nichang?” Xi Xingyi inquired.

Leng Nichang did not answer immediately and stared at Han Shutai.

“It’s fine. You can tell me now.” Of course, Xi Xingyi knew what Leng Nichang had in mind.

“Hu Yuming appeared again and he met Ran earlier.” Leng Nichang told Xi Xingyi what had happened earlier.

“What? Didn’t he agree to disappear?” Xi Xingyi was enraged because Hu Yuming broke his promise.

“He broke his promise.” Leng Nichang responded, “He even said he would never leave Ran anymore. He wants to be with Ran forever.”

At this moment, Han Shutai clenched his right fist.

‘That fool! Does he want to ruin our plans?’

He was unhappy because Hu Yuming could ruin their plans later.

### **Chapter 1358: Everything Was Fake**

Inside one of the room of the modest house, a brother and his elder sister were doing adult things.

The young man was about twenty-four years old, while the young woman was about thirty.

Anyone who saw them would widen their eyes immediately because what they did was taboo.

Incest!

Yes, they were doing forbidden things!

However, they did not care about it and kept enjoying themselves.

These two people were none other than Hu Yuming and his elder sister, Hu Ling. Even though Hu Yuming and Hu Ling were blood-related siblings, they still had sex.

They even often had sex and Hu Yuming had been fucking her elder sister for three years.

“Ah...Ah...Ah...” Hu Ling’s cries reverberated in her room.

At this moment, they were having sex in a doggy style. Of course, both of them really enjoyed their hot time because Hu Yuming had a big cock and was skilled in bed.

“Sister, your pussy feels great!” Hu Yuming stated as he kept fucking his elder sister from behind.

‘Fucking my beautiful sister is indeed amazing!’

He added in his mind.

“Ah...Ah...Ah...” Hu Ling did not say anything and kept wailing.

As the duo was enjoying their forbidden sex, a mature man suddenly entered Hu Ling’s room.

If Xi Xingyi saw that grown-up man, she would know him right away because he was her lover.

Han Shutai!

Yes, the person who had just entered Hu Ling’s room was none other than Han Shutai.

“Brother Shutai, you came?” even though Han Shuitai was right before him, Hu Yuming did not stop fucking his elder sister.

“Darling, come here and join us.” Hu Ling tried her best to hold back her cries.

Yes, Han Shutai was her lover!

Even though Han Shutai saw her having sex with her younger brother, she behaved normally because he was the one who made them have sex in the past.

“So, you two are having sex, huh?” after saying that, Han Shutai took off his clothes and crawled onto the bed.

His intention was clear.

He wanted to join them!

When Han Shutai was in front of her, Hu Ling instantly grabbed his cock and began giving him a blowjob.

It was not their first time having a threesome, so she knew what to do.

“Yuming, why did you meet Xi Ran earlier?” actually, this was the reason why Han Shutai came to Hu Yuming’s house. “Did you know your actions could ruin our plans?”

“Brother, it’s not fair. You can still meet that Xingyi while I can’t meet Ran. I even haven’t tasted her body. It’s not fair for me.” Hu Yuming told Han Shutai the reason why he decided to meet Xi Ran.

“You can do it with your elder sister if you only want to have sex.” Han Shutai thought Hu Yuming only wanted to have sex with Xi Ran. “Why did you have to meet her?”

Hu Ling pulled Han Shutai’s cock out of her mouth. “That’s right, Yuming. If you only want to have sex, you can just fuck me, but don’t ruin our plans. You can even have sex with me whenever and wherever you want.”

“That’s not it, sister.” Hu Yuming responded, “I really want to taste Ran’s body. I desire to bed her.”

“Yuming, you can do that in the future, but be patient for now.” Han Shutai uttered, “After I get married with Xingyi, you can do whatever you want to Xi Ran.”

“But...” of course, Hu Yuming knew about their plans.

“Yuming, I can understand your feelings because I’m in the same position as you. I also haven’t tasted Xingyi’s body until now because I want her to see me as a man who loves her from the heart.” Actually, Han Shutai really wanted to bed Xi Xingyi, but he always held back his lust.

He even had to pretend to be a mature man in front of Xi Xingyi because she was much older than him.

Twelve years!

He was twelve years younger than Xi Xingyi, so it was hard to pretend to be a mature man in front of her.

He even had to suppress his jealousy whenever Xi Xingyi met someone or her business partners because it could ruin his plan.

In other words, his mature personality was fake!

Everything was fake!

That was why he did not want his hard work to be ruined by Hu Yuming.

Hu Yuming stopped moving his waist and apologized, “I’m sorry.”

Han Shutai sighed when he saw Hu Yuming’s expression. “Alright. You can meet her but you have to limit it. And be careful of her mother too.”

“Thank you, brother.” Hu Yuming’s eyes shone brightly.

“Let’s switch positions because I want to fuck your elder sister too.” Even though Hu Ling was skilled at giving a blowjob, but Han Shutai wanted to fuck her pussy too.

After her younger brother pulled his cock out of her vagina, Hu Ling uttered, “How about both of you fuck me at the same time? I have three holes, so I can serve you two at once.”

Hu Yuming and Han Shutai exchanged a glance with each other. Of course, they understood the meaning of her words because they often did it.

Hu Ling wanted them to fuck her vagina and ass hole at the same time!

Hu Ling shifted her gaze from Han Shutai to her younger brother. "You have fucked my vagina, so let Shutai get a taste of my pussy now. You can thrust your penis into my ass hole later."

"Alright." Hu Yuming agreed instantly.

Han Shutai instantly lay on the bed. "I'm ready, my love."

Hu Ling wasted no time and immediately positioned her pussy above Han Shutai's cock.

"Ahhh...." Hu Ling's little mouth opened, letting out a seductive moan.

At the same time, her younger brother also placed his cock at her ass hole. She moaned loudly when she had two cocks in her.

Soon, her cries echoed in her room again.

--

Xi Ran's Apartment, Living Room.

Xi Ran was currently sitting on the sofa with her mother. Like usual, she put on a displeased face because she did not like her mother.

"Ran, you should avoid him. He is a bad person. He only wants to take advantage of you." Xi Xingyi went to Xi Ran's apartment right away after dealing with her work.

She wanted to warn her daughter not to meet Hu Yuming because he was a bad person. Of course, she still had no idea that her lover and Hu Yuming were from the same group.

"I have told you many times that he is a good person." Xi Ran still saw Hu Yuming as a good person. "And can't you stop interfering with my life?"

"No! He is only pretending to be a good person. Why can't you believe me, Ran? I'm your mother. I only want the best for you." Xi Xingyi said the truth.

Her love for her daughter was so deep. He would not have separated Xi Ran from Hu Yuming if he were a good person.

"No! He is a good person!" Xi Ran rose to her feet. "Get out of my apartment now."

"Ran...I only wan-" before Xi Xingyi had finished her words, her daughter kicked her out of her apartment.

Xi Xingyi's heart was filled with sadness and she headed to the parking lot with a sad face.

### **Chapter 1359: Meeting Xi Xingyi at the Bar**

Xiao Tian was currently in the VIP room of a famous bar. He went to a pub because his business partners invited him to drink with them.

'Huft! They finally left.'

At first, he wanted to go home immediately, but he changed his mind and decided to rest a little longer.

At the same time, Xi Xingyi was drinking alone. After leaving Xi Ran's apartment, she decided to go to the pub because she wanted to calm her mind.

Of course, she knew that bar was not the right place to calm her mind, but drinking alcohol could help her forget everything quickly.

This was the reason why she decided to go to the pub alone.

'Ran...'

She kept drinking her beer, thinking about her daughter.

At this moment, a young man about twenty-two years old caught sight of Xi Xingyi. His lips curled into a grin when he found out that she was drinking alone.

'What a beautiful woman! It seems like I will have a companion tonight.'

Xi Xingyi was already drunk, so he was sure he could bed her later.

'The heavens have helped me, so I, Weiming, won't let this opportunity slip away.'

With that idea in mind, she walked toward Xi Xingyi.

Xi Xingyi instantly looked at Weiming when he suddenly sat next to her. "What are you doing here? Leave! I want to drink alone."

"Lady, it's not fun drinking alone, so let me accompany you." Of course, Weiming ignored her words because whatever happened, he had to bed her.

'She is prettier up close. Not only that, but she also has a nice body. I suddenly wonder what it feels like to have sex with her.'

Of course, he had no idea how old Xi Xingyi was because she looked like a woman in her twenties.

If he had known her actual age, he would have coughed up blood because she was the same age as his mother.

Xi Xingyi glanced at Weiming before drinking her beer again. "Are you hitting on me?"

"What are you talking about, lady? I only want to accompany you. Don't worry. I don't have bad intentions to you." After saying that, Weiming poured beer into Xi Xingyi's glass.

His intention was clear.

He wanted to make her even more drunk!

With that, it would be much easier for him to bed her.

Xi Xingyi instantly drank the beer. She was already drunk, and her mind was filled with her daughter, so she only wanted to drink her beer.

Of course, she kept telling Weiming to leave her alone, but she always drank it every time he filled her glass with beer.

Twenty minutes passed in the blink of an eye, and at this moment, Xi Xingyi could no longer drink her beer.

She was totally wasted.

She was even too wasted to open her eyes.

\*Gulp...

Weiming gulped his saliva when he saw Xi Xingyi's beautiful neck.

'Her neck is slender and beautiful. Not only that, but her breasts are also big and her long legs are flawless.'

The flame of lust appeared within him when he observed Xi Xingyi's body from head to toe.

'It seems like I can carry out my next plan now.'

He wanted to bed her even more after checking her body.

"Lady, how about we drink somewhere else?" Weiming carried out his next plan. "I know a good place. I'm sure you will like it later."

"No." Xi Xingyi refused without thinking twice. "I want to go home now."

She took her smartphone out of her bag, but Weiming always stopped her whenever she tried to call someone.

Of course, he would not let her call someone because his efforts would be in vain if her friend came to take her home.

Xi Xingyi was too wasted to protect herself, so she finally fell into his trap. She did nothing when he tried to take her somewhere.

At this moment, Xiao Tian was walking toward the exit.

'Oh, he is taking advantage of that woman.'

Even though he saw them, he still had no idea who she was because he could not see her face clearly.

Weiming smiled lustfully as he helped Xi Xingyi walk towards the exit.

'Hehe. I have got a gorgeous woman tonight!'

Of course, he would take her to the nearest hotel because he could not wait to taste Xi Xingyi's lovely body.

Like before, Xiao Tian still did not suspect Weiming.

'Wait!'

He stopped his footsteps after he walked past them.

'Isn't she lady Xi Lingxian?'

He turned around to check it again.

'She is indeed lady Xi Lingxian!'

Xiao Tian did not help Xi Xingyi immediately because he wanted to know who Weiming was.

It would be awkward if Weiming were her boyfriend because he would only disturb their time.

Xiao Tian followed them in secret and paid attention to Weiming because he wanted to know who Weiming was.

If Weiming were her lover, he would not do anything, but if Weiming were a stranger who tried to take advantage of the situation, he would save her.

Xi Xingyi was Xi Ran's elder sister, so he would not let anything bad happen to her.

Of course, Weiming did not realize that Xiao Tian was following them in secret. He was focused on Xi Xingyi, so he did not care about anything else.

'Hehe.'

He smiled lustfully when he saw Xi Xingyi's full breasts.

'Her breasts are big and beautiful. I'm sure it will feel great to play and suck her boobs.'

At this moment, they were already out of the bar.

They did not head to the parking lot because Weiming had no car. That was why he tried to find a taxi.

Xiao Tian rushed towards them.

His intention was clear.

He wanted to save Xi Xingyi!

After paying attention to Weiming, he was sure that Weiming was a stranger who tried to take advantage of Xi Xingyi.

When Weiming wanted to stop a taxi, Xiao Tian grabbed his shoulder and inquired, "Where do you want to take her?"

### **Chapter 1360: Saving Xi Xingyi**

Weiming turned his head to look at Xiao Tian.

His lustful face instantly turned into anger because Xiao Tian dared to interrupt his time with Xi Xingyi.

"It's none of your business." Weiming retorted. "Leave! Don't interrupt us."

Of course, Xiao Tian ignored Weiming's words because he intended to save Xi Xingyi from Weiming. "Leave that woman alone!"

“I said don’t interrupt us! She is my lover, and who are you to say that to me?” Weiming pretended to be Xi Xingyi’s boyfriend because, with this, he had the right to take her somewhere.

“Do you think I’m three years old kid? You want to take advantage of her, right?” Xiao Tian did not believe Weiming’s words because he had observed Weiming’s behavior earlier.

“What do you mean by taking advantage of her? She is my lover and I want to send her home.” Like before, Weiming still pretended to be Xi Xingyi’s boyfriend. “You are the one who should leave.”

He then continued, “Wait! I see, I see. I understand it now. You told me to leave my lover alone because you want to take advantage of her, right?”

“She is my friend’s older sister.” Xiao Tian stated.

“Don’t lie to me!” of course, Weiming did not believe Xiao Tian’s words because he thought Xiao Tian wanted to take advantage of Xi Xingyi too.

“So, you don’t believe me, huh?” Xiao Tian took his smartphone out of his pocket after saying that. “If so, then I will call her younger sister now.”

Xiao Tian had Xi Ran’s number, so he could call her. Not only that, he even had Leng Nichang’s number, so he could call her if Xi Ran did not pick up the phone.

Weiming began to panic.

‘Does he really know this woman?’

It would be troublesome if Xiao Tian called Xi Xingyi’s family.

“Brother, I’m actually not her lover.” Weiming’s behavior changed drastically. “I only want to send her home, nothing more than that.”

“Then leave her alone! I will send her home.” Unlike Weiming, Xiao Tian really had no bad intentions toward Xi Xingyi.

“Brother, how about we go to hotel and enjoy her body together? Look at her! She is a gorgeous and has a nice body. I’m sure it would feel great to fuck her. How is it?” Weiming still tried his luck, hoping Xiao Tian would agree with his idea.

Of course, Xiao Tian refused Weiming’s idea and snatched Xi Xingyi from him. “Leave!”

Weiming was unhappy.

He had put in a lot of effort to get Xi Xingyi drunk, so he did not want his efforts to be in vain.

“Give her back to me!” Weiming raised his right arm, intending to hit Xiao Tian’s face.

However, things didn’t go the way he wanted because Xiao Tian kicked his mid-torso before he could hit him.

Weiming was not a martial artist, so his attack speed was so slow in Xiao Tian’s eyes.

‘Fuck!’

He attacked Xiao Tian again.

\*Uakk...

He was thrown into the air when Xiao Tian kicked him in the chin.

“This is a lesson for you!” before Weiming’s body hit the ground, Xiao Tian kicked him again.

Bang!

Weiming was thrown three meters from where he was.

His eyes were filled with the flame of fury, but he did not dare to attack Xiao Tian again because he would not be able to defeat Xiao Tian.

‘I didn’t expect him to be a martial artist.’

From Xiao Tian’s power, he was sure that Xiao Tian was a martial artist.

Xiao Tian looked at Weiming one last time before finally bringing Xi Xingyi to his car.

After they got into his car, he realized something.

He did not know where her house was!

“Lady Xi, where is your house?” Xiao Tian gently tapped Xi Xingyi’s shoulders, hoping she would answer his question.

“Hmm? My house? It’s near Shenro Fountain.” Xi Xingyi told Xiao Tian where her house was.

Even though she was already drunk, but she still remembered where her house was. Of course, she answered his question while still closing her eyes.

Xiao Tian wasted no time and instantly sent her home. After driving for about forty minutes, they finally arrived at Xi Xingyi’s house.

\*Knock...Knock...Knock...

Xiao Tian knocked on the door while holding Xi Xingyi with his left hand.

Not long after that, an old woman, in a maid costume opened the door. She was shocked when she saw Xi Xingyi.

Xiao Tian told the maid what had happened to Xi Xingyi when he met her. “Alright. I will leave now.”

“Can you please take her to her room?” the old maid inquired.

“Alright.” Xiao Tian agreed instantly.

After putting Xi Xingyi on the bed, Xiao Tian placed the hangover drink on the table next to the bed.

The old maid smiled softly when she saw the hangover drink.

‘What a good young man!’

She did not expect Xiao Tian to buy a hangover drink on the way to Xi Xingyi's house.

With this, she knew that Xiao Tian really cared about Xi Xingyi. Of course, she knew that they had no special relationship.

First, Xi Xingyi already had a lover, and last, Xiao Tian was as young as Xi Xingyi's daughter. No, he was even younger than Xi Ran.

That was why the maid thought Xiao Tian was Xi Ran's good friend.

Xiao Tian went straight home after putting Xi Xingyi on the bed because he wanted to spend time with his women.

--

The following morning, Xi Xingyi woke up at 06:00 am.

'Aghh. My head hurt so much.'

She drank a lot of beer last night, so it was normal if her head hurt after waking up.

'Hmm?'

She was surprised when she caught sight of a hangover drink.

'Hangover drink?'

Without waiting for another second, she drank the hangover drink.

She thought her maid was the one who prepared the hangover drink because she did not remember anything.

Yes, she had no idea how she could return home!

After drinking it, she got out of bed and headed to the living room.

When she saw the maid, she immediately said, "Thank you for preparing the hangover drink."

The maid was shocked. "Madam, it was not me who prepared the hangover drink."

"Really?" Xi Xingyi was startled. "Then who is it?"

"Last night, a handsome young man sent you home. He was the one who bought the hangover drink." The maid forgot to ask Xiao Tian's name, so she did not know who he was.

"A handsome young man?" Xi Xingyi was drunk, so she could not remember anything. "What does he look like?"

"A very handsome young man." The maid stated. "He is even more attractive than actors and models I have seen all this time."

Xi Xingyi touched her chin.

'A very handsome young man?'

She knew many people, so she still couldn't guess it.

The maid started to describe Xiao Tian's appearance. "He is tall and has black eyes and hair. Oh! He also has a beautiful smile."

Xi Xingyi tried to remember all the young men she knew.

At that moment, the maid suddenly remembered something. "He is the one who is famous recently. The one who got title as Miracle...miracle...."

"Miracle Young Man?" Xi Xingyi uttered.

"Yes. He is that miracle young man." The maid responded.

Xi Xingyi widened her eyes.

'Xiao Tian?'
