Chapter 1361: I Really Love This Bad Professor

Xi Xingyi was surprised when her maid said Xiao Tian was the one who sent her home last night.

She remembered the young man who tried to seduce her last night was not Xiao Tian.

‘Just what happened to me last night?’

She was drunk, so she could only remember the time when Weiming tried to seduce her.

After that, she remembered nothing. That was why she did not know how she met Xiao Tian last night.

‘I will go to his company to express my gratitude.’

Not only did Xiao Tian send her home, he even bought a hangover drink for her.

Xi Xingyi did not know what would happen to her if Xiao Tian had not appeared and helped her.

That was why she wanted to express her gratitude for saving her and sending her home.,

—

Xiao Tian’s Mansion, Su Ruanyi’s Room.

“Ah...Ah...Ah...” suppressed wails reverberated in her room.

Su Ruanyi was currently having sex with her former student or her young boyfriend, Xiao Tian.

Even though it was still 05:30 am, they decided to have sex in her room.

At first, they only talked and watched a movie, but one thing led to another, and they ended up having sex in her room.

“Ah...Ah...Ah...” Su Ruanyi could not hold back her cries anymore.

At this moment, both Xiao Tian and Su Ruanyi had reached their limit. Xiao Tian moved his waist faster while Su Ruanyi wrapped her legs around his butt.

‘I’m cumming....’

Both of them had an orgasm at the same time.

Like usual, Xiao Tian let out his white sperm deep inside Su Ruanyi’s pussy.

He immediately dropped his head between Su Ruanyi’s breasts after pulling his huge penis out of her pussy.

He really loved it because Su Ruanyi’s breasts were big and soft.

“It was amazing, student Xiao.” Su Ruanyi’s face broke into a smile as she gently caressed his hair.

Xiao Tian looked at Su Ruanyi and responded, “Yes. It was amazing. As I thought, having sex with my beautiful professor feels great.”

“Have you forgotten that I’m no longer your professor?” Su Ruanyi inquired.

“Then, why do you keep calling me student Xiao?” actually, Xiao Tian was also curious about this.

Sure, their relationship was that of a professor and a student in the past, but they were a couple now.

However, Su Ruanyi still called him student Xiao as if he was a college student.

“I’m used to calling you student Xiao, so it’s kind of hard to change it.” Su Ruanyi gave an honest answer.

“Why? Do you want me to call you honey?”

“Yes.” Xiao Tian nodded his head happily, hoping Su Ruanyi would agree to call him honey. “I would love it if you called me honey?”

“I don’t want too. Hehe.” After saying that, Su Ruanyi giggled.

“Bad professor!” Xiao Tian stated.

“But you love this bad professor, right?” even though Su Ruanyi already knew the answer, she still said that.

“Yes. I really love this bad professor.” Xiao Tian did love Su Ruanyi.

They began to talk about many things. Like before, Xiao Tian still rested his head on Su Ruanyi’s breasts.

Her breasts were big and soft, so he kept resting his head between her boobs. Of course, Xiao Tian also played with her breasts.

He even talked to her while looking at her breasts and playing with them. “Professor Su, let’s take a bath now.”

“Why don’t you take a shower alone? Or do you want to have sex with me in the bathroom?” Su Ruanyi’s lips curled into a smile as if she were seducing him.

Xiao Tian instantly got out of the bed and carried her. “I love that idea!”

“Kya...” Su Ruanyi was startled when Xiao Tian suddenly carried her. “You should tell me first before carrying me. You almost gave me a heart attack, you know?”

Even though she said something like that, but she was not angry at him; instead, she was happy and smiled softly.

“You are really beautiful, professor Su.” Xiao Tian could see her charming smile because they were facing each other.

“Thank you.” Although Xiao Tian had praised her beauty many times, but it never failed to please her.

“Alright. Let’s take a shower together. I will fulfill all your fantasies.”

“Then, itadakimasu!” Xiao Tian copied the words of Japanese people before they ate something.

There was one reason why he said something like that.

He wanted to eat Su Ruanyi again!

Even though they had just finished having sex, but Xiao Tian was ready to do it again.

“Ahhh...” Su Ruanyi was shocked and moaned instantly when Xiao Tian suddenly thrust his huge cock into her vagina. “Student Xiao, what are you doing? Didn’t you say we would do it in the bathroom? We are still in my room now.”

Actually, she loved it. That was why she did not tell him to pull his penis out of her pussy and only wrapped her arms around his neck.

Since she became his lover, she always had exciting sex adventures.

They even already had sex in many places such as on the yacht, swimming pool, car, bedroom, kitchen, bathroom, and backyard.

Su Ruanyi was always excited when she thought of the place where Xiao Tian would fuck her next.

Of course, she never told her imagination to him because she had to maintain her image.

When she was still with her ex-husband, they only had sex in the bedroom, so it really excited her when they did it outside.

“I want to keep connecting to you.” Xiao Tian lied to her.

He had done the same thing to three of his women; Shi Fei, Lin Xing Xue, and Ye Xueyin. He absolutely loved the feeling when he walked with his cock inside his woman’s pussy.

That was why he decided to thrust his penis into Su Ruanyi’s vagina because he wanted to feel that pleasure again.

“You are really a bad young man!” Su Ruanyi stated.

“Then I will keep behaving like a bad young man.” Like what he did to Shi Fei, Lin Xing Xue, and Ye Xueyin, he fucked Su Ruanyi for a few seconds every time he took three steps.

This was the reason why Su Ruanyi’s body turned frail when they reached the bathroom because Xiao Tian kept fucking her pussy.

Su Ruanyi instantly got into the bathtub and pointed her sexy ass at Xiao Tian. “Come here and eat me again, student Xiao.”

“My professor is so lewd.” Without waiting for another second, Xiao Tian placed his erect penis at Su Ruanyi’s vaginal opening.

“Ahhh...” Su Ruanyi cried out in delight when Xiao Tian thrust his cock into her pussy.

And soon, the bathroom was filled with her wails.

—

Star Group, Xiao Tian’s Office.

Xiao Tian went straight to Star Group after having breakfast with his women. As he was working hard, his subordinate informed him that Xi Xingyi was in the waiting room.

He was shocked.

‘Why did she come to my company?’

He suddenly remembered what had happened last night.

‘Does she want to express his gratitude to me?’

He immediately ordered his subordinate to bring Xi Xingyi to his office.

“Sorry for coming to your company without telling you.” Xi Xingyi spoke after entering Xiao Tian’s office.

Chapter 1362: Who the Fuck Is He?

Inside a big and luxurious office, two people were sitting on the couch; a young man and a mature lady.

The young man had a handsome face and a beautiful smile. Any woman who saw him would immediately praise his attractiveness and could not take their eyes off him.

His black hair coiffed to perfection, and the lineaments of his face were in perfect proportion to each other.

Not only that, but his black eyes also had the same startling clarity as morning dew.

Any woman who saw his beautiful black eyes would feel as if his eyes turned into tiny black holes and sucked their souls away.

Like the young man, the mature lady was also exceptional. Even though she was already forty-five years old, she still looked young.

Her pink lips and fine nose perfectly matched her pretty oval face. Coupled with her green eyes and long black hair made her look even more beautiful.

In other words, she had an appearance that neared perfection, as if she was the queen of elves.

These two people were none other than Xiao Tian and his new friend, Xi Xingyi.

“What brings you to my company, lady Xi?” Xiao Tian inquired.

“I want to express my gratitude for helping me and sending me home last night.” Xi Xingyi gave an honest answer. “I also want to thank you for giving me hangover drink.”

“It’s fine.” Like usual, Xiao Tian showed his charming smile.

‘It seems like her maid told her everything.’

He remembered that he did not introduce himself to the maid last night because he went straight home after putting her in her room.

“How about I invite you to have tea with me now?” Xi Xingyi spoke and paused for a second before she continued, “I want to show my gratitude by inviting you to have tea with me. You won’t refuse it, right?”

“Sure.” Xiao Tian accepted instantly.

--

Feng Juice Company, Han Shutai's Office.

Han Shutai worked at one of the Feng family companies, the Feng Juice company. His position in the company was good.

He was a marketing manager at Feng Juice company.

Han Shutai was currently sitting on his office chair.

Rage pulsed through his veins, and anger stirred within him when he saw Xiao Tian at Xi Xingyi's house last night.

'Who is that young man? Who the fuck is that young man?'

Han Shutai had put two mini cameras in Xi Xingyi's house; one was in the living room, and the other was in her bedroom.

Of course, he knew that his actions were wrong, but he did not care about it because with this, he could monitor his lover every day and whenever he wanted.

He was furious because Xi Xingyi didn't call him when she was drunk and needed help.

She was his lover, but she called another man when she was drunk. That man even entered her room.

Of course, he had no idea what had happened to Xi Xingyi last night and assumed that she called Xiao Tian and asked him to send her home.

But he could not get angry at Xi Xinyi because all his plans could fall apart later. That was why he shifted the blame to Xiao Tian.

'Wait! Why do I feel like I have seen him before?'

He felt as if he had seen Xiao Tian before, but he could not remember it clearly.

'Should I ask Xingyi about him? But how do I ask it?'

After thinking for several seconds, he decided to call Xi Xingyi.

"Hello, Shutai?" Xi Xingyi picked up the phone immediately.

At this moment, she was at Tea Café with Xiao Tian. Even though she was with another man, she still picked up the phone because she knew her lover would not be angry at her.

In her eyes, Han Shutai was a mature man and could control his emotion really well.

This was the reason why she never betrayed him because she did not want to disappoint him.

Han Shutai had put his trust in her, so she would never cheat on him. Actually, this was the reason why she fell in love with him.

Nowadays, almost all men were possessive as if women were their belongings. They were just lovers, yet they behaved as if they were already married.

“Xingyi, where are you right now?” Han Shutai kept his anger in check. “Do you want to drink tea with me?”

“Oh, I’m drinking tea with Xiao Tian right now.” Xi Xingyi gave an honest answer.

“Xiao Tian? Who is he? Is he your new friend?” Han Shutai suppressed his jealousy.

“Yes. He is my new friend.” Xi Xingyi responded, “He helped me last night, so I decided to return the favor by inviting him to have tea with me.”

“Last night?” at this moment, Han Shutai remembered something.

‘Ah, right! Xiao Tian! He is Xiao Tian!’

He finally knew the person who sent Xi Xingyi home last night.

‘No wonder I feel like I have seen him before. I’m sure I saw him on TV and magazines before.’

He clenched his fist.

“Yes. Do you want to join us?” Xi Xingyi wanted to introduce Xiao Tian to her lover because both of them were good people.

Of course, she had no idea that Xiao Tian and Han Shutai were not good people.

Xiao Tian was someone who would do anything as long as it could help him achieve his goals, while Han Shutai wanted her money.

In short, they were devils in disguise!

At this moment, Xiao Tian did not say anything and only drank his tea. Actually, he was shocked when Xi Xingyi did not lie to Han Shutai.

Not only that, she even invited her lover to drink tea with them.

‘I don’t know whether I should be happy or not about this.’

He just hoped her lover would not cause trouble for him later.

“Sure.” Han Shutai replied instantly. “Send me the location. I will go there now.”

“Alright.” Xi Xingyi responded.

Chapter 1363: Did You Come to This Place to Seduce a Woman?

“Lady Xi, are you sure your boyfriend won’t be angry later?” Xiao Tian did not want trouble to arise because he was tired of trouble.

Of course, he was not afraid of Han Shutai. He just did not want to have meaningless trouble.

“Don’t worry. My boyfriend is mature. He won’t be jealous or angry with you unless you fall in love with me and want to make me yours.” Xi Xingyi joked around.

The corner of Xiao Tian’s lips twitched after hearing her words.

'She looks the same as lady Xi Ran, but their personalities are completely different.'

He did not have special feelings for Xi Xingyi, so Xiao Tian behaved normally.

"By the way, Xiao Tian. How many girlfriends do you have now?" Xi Xingyi asked curiously.

Her words had taken him by surprise. "What do you mean by that, lady Xi? Do I look like a playboy in your eyes?"

"Yes." Xi Xingyi nodded her head. "You are handsome, young, rich and tall. People like you usually have more than one girlfriend. So, how many girlfriends do you have now?"

Before Xiao Tian could answer her question, Han Shutai's voice rang out. "What are you talking about? It seems like both of you are enjoying yourself."

Like a mature and kind man, he was not angry and behaved normally when he saw Xiao Tian and Xi Xingyi.

He even smiled at them as if he was not jealous and angry with Xiao Tian.

"Shutai, you have come?" Xi Xingyi smiled at her boyfriend. "Come here and let me introduce my new friend to you."

Han Shutai sat next to Xi Xingyi before finally asking, "Was he the one who helped you last night?"

"Yes." Xi Xingyi responded, "His name is Xiao Tian. I met him a few days ago when I went to Japan. Xiao Tian, he is my boyfriend, Han Shutai."

"Xiao Tian? Are you that Xiao Tian who got the title Miracle Young Man?" like before, Han Shutai still smiled at Xiao Tian.

"Yes. I'm that Xiao Tian." At this moment, Xiao Tian still did not realize that Han Shutai hated him to the bone.

His smile and tone of voice were like the behavior of a mature and kind man.

'It seems like I'm overthinking it.'

He was not God, so he could not see Han Shutai's real personality.

"I always wonder what kind of person you are because I have seen you in many magazines before." Han Shutai lied to Xiao Tian. "But after meeting you, I finally know that you are indeed an extraordinary young man. I suddenly feel ashamed of myself. Haha."

"I'm just lucky." Xiao Tian also smiled.

They began to talk about many things. During their conversation, Han Shutai did not show any displeased behavior.

He did not show any suspicious actions as if he was really a kind and mature man. Unlike usual, Xiao Tian's instinct did not work this time.

Yes, Han Shutai managed to fool Xiao Tian with his smile and nice behavior!

Xiao Tian just did not know that Han Shutai kept cursing him in his heart.

--

Xi Ran was currently in a café with Leng Nichang. Xi Xingyi ordered Leng Nichang to always be by Xi Ran's side because she did not want her daughter to meet Hu Yuming.

"Have you finished filming for today?" Leng Nichang inquired.

"Yes." Xi Ran replied without looking at Leng Nichang.

She was focused on her smartphone because she was trying to call Hu Yuming.

Yes, she wanted to meet him!

"Ran, how about we go to Shanghai River now? It has been quite a while since the last time we went to Shanghai River." Leng Nichang knew Xi Ran was trying to meet Hu Yuming, so she wanted to stop Xi Ran.

"Alright." Xi Ran agreed instantly. "But let me tell Yuming first. He said he wanted to meet me earlier."

"Can't we go just the two of us?" Leng Nichang kept trying to stop Xi Ran from meeting Hu Yuming.

Xi Ran did not answer immediately. "...I also want to meet him."

Of course, Leng Nichang did not give up and did her best to stop Xi Ran.

However, Xi Ran insisted on meeting Hu Yuming. She did not meet him for a long time, so she wanted to spend time with him.

Leng Nichang could only sigh.

She decided to give in because Xi Ran would not take no for an answer.

Xi Xingyi told her to stay by Xi Ran's side if she failed to stop Xi Ran from meeting Hu Yuming.

At least Xi Ran would not meet him alone.

Yes, Xi Xingyi forbade her daughter to meet him alone.

She was afraid that Hu Yuming would do something bad to her daughter or take advantage of her.

This was the main reason why she ordered Leng Nichang to always be by Xi Ran's side.

It was to protect Xi Ran from Hu Yuming!

Leng Nichang and Xi Ran went straight to the Shanghai River. They met Hu Yuming at the entrance gate.

At the same time, Xiao Tian was strolling in the Shanghai River with Xing Rangqing.

"Bro, do you often come to this place?" Xing Rangqing inquired.

"I often came to this place in the past." Xiao Tian gave an honest answer. "But I rarely visit this place these days."

“Did you come to this place to seduce a woman?” Xing Ranqing threw another question.

Xiao Tian did not answer her question and flicked her forehead.

“Ouch!” Xing Ranqing touched her forehead. “Bro, don’t flick my forehead and answer my question honestly.”

Like before, Xiao Tian did not answer her question. “What is this? Do you want to bring a woman to this place and seduce her?”

“I’m a woman, so why should I seduce another woman?” Xing Ranqing didn’t say what she usually said this time.

“What? Didn’t you always say you were a man deep in your heart?” Xiao Tian thought Xing Ranqing would say something like that because she always said she was a man whenever someone asked if she was a female or a male.

“I’m actually wonder whether I’m a boy or a girl.” Even though Xing Ranqing knew she was a woman, but she loved the things boys liked.

She did not like dolls, flowers or anything feminine; instead, she loved football, basketball, badminton or billiards.

“Haha.” Xiao Tian laughed after hearing her words. “You have big breasts and don’t have a penis, so you are girl for sure.”

Xing Ranqing’s behavior was funny in his eyes. This was the reason why he loved hanging out with her.

Xing Ranqing looked at her breasts and squeezed them. “Yea. My breasts are big. Sometimes, my shoulders feel sore because of it.”

“You should be grateful because all women desire to have big breasts like yours.” Xiao Tian stated.

Xing Ranqing stopped squeezing her breasts. “Eh, bro. Isn’t she that sexy big sister?”

Xiao Tian looked in the direction Xing Ranking was pointing at.

‘Lady Leng and Lady Xi?’

He was also startled because he did not expect to meet them.

“Bro, let’s greet them.” After saying that, Xing Ranqing dragged Xiao Tian to Xi Ran and the others.

Chapter 1364: Bro, It’s Green Light

“Sexy big sister....” Xing Ranqing shouted while waving her left hand.

Leng Nichang instantly stopped her footsteps because she was familiar with the voice.

‘Hmm?’

Like Xiao Tian, Leng Nichang was shocked when she saw Xiao Tian and Xing Ranqing.

Of course, this made her happy because, with this, she could ruin Xi Ran’s date with Hu Yuming.

'What a great timing!'

She smiled at Xing Ranqing.

When she was in front of Leng Nichang, Xing Ranqing inquired, "Big sis, what are you doing here?"

Leng Nichang pointed her right index finger at Xi Ran. "I'm accompanying my friend."

Xing Ranqing shifted her gaze from Leng Nichang to Xi Ran before finally returning her attention to Leng Nichang. "Ah, so you are a third wheel, huh?"

Even though it was her first time seeing Xi Ran and Hu Yuming together, she was sure they had a special relationship.

Black lines formed on Leng Nichang's forehead. Even though what Xing Ranqing said was right, but she did not want to admit it.

"Mr. Xiao, did you come to this place with her?" Leng Nichang inquired.

"Yes. We decided to go to Shanghai River earlier." Xiao Tian gave an honest answer.

At this moment, Xi Ran and Hu Yuming stopped their footsteps and turned around.

'Fuck!'

Hu Yuming was unhappy when he saw Xing Ranqing and Xiao Tian.

Previously, he was thrilled when Xi Ran agreed to meet him at Shanghai River, but the happiness in his heart disappeared without a trace when he saw Leng Nichang.

Actually, he planned to bed Xi Ran after spending time together at the Shanghai River because he had not touched her body all this time.

However, he knew he could not do that because Leng Nichang was with them.

And now, Xiao Tian and Xing Ranqing suddenly appeared and disturbed them. This was the reason why he was about to explode with rage.

Of course, he kept his anger in check because it would ruin his image later.

Xi Ran immediately walked toward Xiao Tian and Xing Ranqing. She had met Xing Ranqing a few times before, and Xiao Tian was her big boss, so she wanted to greet them.

"I didn't expect to meet you in this place." Xi Ran spoke abruptly.

"Oh, we meet again, poker face big sister." As usual, Xing Ranqing did not filter her words.

Xiao Tian sighed after hearing Xing Ranqing's words. Even though what she said was right, but she should not say it.

'Oh, well. She is always like this.'

He did not mind it because her personality was unique.

Xi Ran behaved normally and nodded her head.

However, Hu Yuming was different. He was enraged because Xing Ranqing dared to insult Xi Ran.

'This kid! I really want to slap her so badly!'

Of course, he would not do that because he had to maintain his image.

"Let me introduce him to you. He is Hu Yuming. He is..." Xi Ran could not finish her words when she introduced Hu Yuming.

If it were in the past, she would have introduced him as her boyfriend, but she did not know why she could not do that now.

Sure, she still had feelings for him, but something was different in her heart, and she could not describe it in words.

'Why can't I introduce him as my boyfriend? Was it because he disappeared on me without a word several months ago?'

These were the questions that appeared in her head.

Leng Nichang was pleased when Xi Ran did not introduce Hu Yuming as her lover.

'This is a good sign!'

Xi Ran was her best friend and her boss's daughter, so she did not want something bad to happen to Xi Ran.

And in her eyes, Hu Yuming was not the right person for Xi Ran because he was a bad person.

This was the main reason why she had agreed to help Xi Xingyi separate Xi Ran from Hu Yuming.

"He is?" Xing Ranqing did not get Xi Ran's words.

Hu Yuming looked at Xi Ran.

'Ran, why? Why?'

He was disappointed because Xi Ran did not introduce him as her boyfriend.

Of course, he suppressed his disappointment because he had to maintain his image if he wanted to bed Xi Ran.

When Hu Yuming wanted to introduce himself as Xi Ran's boyfriend, Leng Nichang interrupted him. "He is our friend, or more precisely, he is Ran's ex-boyfriend."

Hu Yuming clenched his left fist.

'This slut!'

He was enraged because his status was Xi Ran's ex-boyfriend now.

Of course, he tried to clear up the misunderstanding. "Actually, Ran an--"

"Oh, so you are only her ex-boyfriend, huh?" Xing Ranqing looked at Xiao Tian after saying that. "Bro, take them and make them yours."

The corner of Xiao Tian's lips twitched.

"Hehe." Leng Nichang giggled after hearing Xing Ranqing's words.

At this moment, she realized something.

She could use Xiao Tian to ruin Xi Ran's date with Hu Yuming!

"Mr. Xiao, why don't you try to seduce us? Maybe you can get both of us later." Leng Nichang decided to use Xiao Tian because she had to protect Xi Ran from Hu Yuming.

"Bro, green light! It's a green light!" Xing Ranqing stated. "Hurry up and seduce them! You don't need to worry about him. He is only her ex-boyfriend, nothing to be afraid of."

Xi Ran did not say a single word and only shifted her gaze from Xiao Tian to Leng Nichang.

'Why did you say something like that?'

Actually, she was startled, but Leng Nichang and the others did not know about it because she wore a poker face.

Hu Yuming gritted his teeth.

'This slut is so annoying!'

Rage nearly consumed him.

'No, no. I have to maintain my image. I have to maintain my image. I have to maintain my image.'

He kept repeating the same words as if he were chanting a magic spell.

Leng Nichang glanced at Hu Yuming before a tiny smile appeared on her pretty face.

'Well done, girl. Well done.'

She believed she could ruin Xi Ran's date with Hu Yuming if he could get Xiao Tian and Xing Ranqing to join them.

Xiao Tian shook his head. "You should filter your words next time."

"Why should I do that?" after saying that, Xing Ranqing looked at Hu Yuming. "Hey, are you angry at me?"

"Why should I be mad at you?" like before, Hu Yuming smiled softly as if he was not angry at her. "I know you're joking, so there's no need to take those words to heart."

"But I'm not joking around. I'm serious." Xing Ranqing was not afraid of Hu Yuming.

She also believed Hu Yuming would not dare to do something to her. After all, she had a powerful background.

Not only that, but she was also a martial artist. Even though she was only at the apprentice stage, but she believed she could defeat him.

Hu Yuming clenched his fist. "Alright. Let's stop this joke. Ran, how about we go for a walk again?"

Xi Ran nodded her head. "Alright."

Hu Yuming returned his attention to Xiao Tian and Xing Ranqing. "Sorry, but we have to go now."

To his surprise, Leng Nichang suddenly said something shocking. "Mr. Xiao, little sister Xing, do you two want to join us?"

Chapter 1365: How About I Seduce Xiao Tian?

Xiao Tian and Xing Ranqing were startled.

They did not expect Leng Nichang to invite them to join them.

Like before, Xi Ran did not say anything and only stared at her friend, Leng Nichang. Of course, she wanted to be alone with Hu Yuming, but she did not know what to say.

Unlike Xi Ran, Hu Yuming was enraged.

'This slut!'

He was angry at Leng Nichang.

Not only did she get in his way to bed Xi Ran, she even invited Xiao Tian and Xing Ranqing to join them.

However, he could not yell at Leng Nichang directly because Xi Ran was next to them. He knew how close her relationship was with Leng Nichang, so he suppressed his anger.

Of course, he would try to talk with Xi Ran later. He would ask her not to bring Leng Nichang on their next date.

He would not be able to achieve his goals if Leng Nichang was always by her side because she always disturbed their time.

"Sure!" Xing Ranqing accepted the offer without thinking twice.

"Brother Xiao Tian, little sister Xing, don't you two have something to do? I'm sure you two have a reason why you two came to this place. Let's go off separately here and spend time together next time." Hu Yuming tried his best to make Xiao Tian and Xing Ranqing leave.

"What are you talking about?" Xing Ranqing responded, "We came to this place because we have nothing to do."

Leng Nichang grabbed Xing Ranqing's hands while smiling, "Come here. This big sister will tell you something interesting."

"Oh, what is it?" Xing Ranqing's eyes shone brightly.

Hu Yuming was unhappy and gave Xi Ran a signal to tell Xiao Tian and Xing Ranqing to leave.

However, Xi Ran did not say anything and only stared at him. Of course, she knew what he had in mind.

Hu Yuming was disappointed with Xi Ran.

'Ran, you have changed!'

Xi Ran would immediately grant his wish if it were in the past.

'Is it because I disappeared on her without telling a single word?'

In the past, he disappeared without telling a single thing.

Of course, he did it because it was part of their plan. Otherwise, he would always be by her side.

At that time, his anger at Xiao Tian and Xing Ranqing grew bigger every second. He even wanted to beat them to death.

Hu Ling's House, Living Room.

Hu Ling was currently sitting on the couch alone. She owned a convenience store, so she always had free time.

Of course, she was able to own a corner store because Han Shutai gave her money or else there was no way she could own a convenience store.

'I hope our plan will go smoothly because I want to be a rich woman.'

She, Han Shutai and her younger brother were from the same group.

The trio had been carrying out their plan for about six months now. This was the reason why Han Shutai was able to give her money to build a convenience store.

It could be said that Xing Xinyi took part in his promotion to marketing manager because she gave him many big projects and helped him deal with clients.

She was from an upper-class family and had several businesses, so it was not hard to help him.

This was the main reason he could rise to the position of manager.

*Click...

The sound of someone opening the door echoed in the house.

Hu Yuming instantly sat on the couch next to his elder sister. Like before, he still wore a displeased face.

He was enraged because Leng Nichang had ruined his date with Xi Ran. He even failed to bed her because of her.

"What's wrong, Yuming?" Hu Ling asked curiously. "Why are you making such a face?"

"It's like this." Hu Yuming began to tell everything.

He told her that Xiao Tian and the others had ruined his date with Xi Ran. He even could not lovey-dovey with her.

"Xiao Tian? Do you mean that famous Xiao Tian?" of course, Hu Ling knew about Xiao Tian because he was so attractive and successful person.

She even bought a magazine about him in the past. She just did not expect her younger brother to meet Xiao Tian when he was on a date with Xi Ran.

“Yes. That Xiao Tian!” Hu Yuming retorted. “I’m furious at him. I’m enraged!”

“You can get angry at him, but you can’t act recklessly because you can ruin our plan later.” Hu Ling warned her younger brother not to act recklessly.

“I know. This is why I’m furious!” he hated Xiao Tian to the bone, but he could not do anything to Xiao Tian.

“Do you want your elder sister to comfort you now?” when Hu Ling asked this question, what she meant was to do something taboo.

Sex!

She asked him whether he wanted to have sex with her or not.

Hu Yuming loved having sex with her elder sister. That was why she asked something like that because he always wanted to have sex whenever he was angry.

Before Hu Yuming could answer her question, Han Shutai entered their house. Like Hu Yuming, he came to their home with an annoyed face.

“Shutai, what’s wrong? Did she know our plan?” Hu Ling inquired.

“No! I’m angry at someone else. I’m furious at Xiao Tian!” Han Shutai voiced out his annoyance.

Hu Ling was startled.

‘Xiao Tian again?!’

Previously, her younger brother said he was furious at Xiao Tian, and now, Han Shutai stated he was angry at Xiao Tian.

“Brother, I also hate Xiao Tian!” Hu Yuming explained the reason why he hated Xiao Tian.

“What? He did that?!” Han Shutai said in surprise. “It seems like we have to teach him a lesson.”

“That’s right, brother.” Hu Yuming agreed with Han Shutai’s words. “I’m sure he would ruin our plan if we did not do something to him.”

“But what should we do? If we threaten him using our real identities, Xingyi will know everything later.” Han Shutai had no idea what to do.

At this moment, Hu Ling suddenly said something shocking, “How about I seduce Xiao Tian?”

Chapter 1366: Plan

Han Shutai and Hu Yuming were startled. “What?!”

They found it hard to believe what they were hearing. They did not expect Hu Ling to have a crazy idea like that.

“We will get more money if I can become his girlfriend or mistress. After all, he is rich now.” Actually, Hu Ling hid her real intention.

Xiao Tian was young, handsome and rich, so she was interested in him. She also wondered what it felt like to have sex with someone like Xiao Tian.

That was why she voiced out her crazy idea to them. However, she covered up her true intentions by saying she wanted to help them deal with Xiao Tian.

Han Shutai and Hu Yuming exchanged a glance with each other. They wavered whether they should agree with her idea or not.

‘Should we agree to her idea?’

They did not know if her idea was good or bad.

“Ling, how are you going to seduce him later?” Han Shutai asked curiously.

Even though his lover wanted to seduce another man, he behaved normally as if Hu Ling was not his girlfriend.

“We will think about it later, but you need to introduce me to him first.” Hu Ling still did not know how to seduce Xiao Tian.

If Xiao Tian were an ordinary young man, it would be easy for her to seduce him. She only needed to take off her clothes, and she was sure everything would be under her control.

After all, she was a gorgeous lady. Her long purple hair and green eyes were so beautiful, to the point it could mesmerize people.

Coupled with her nice body and big breasts, it made her look even more attractive. This was the reason why she had never failed to seduce any man.

However, Xiao Tian was an extraordinary young man. With his good looks and wealth, she was sure that he was never short of women.

For this reason, she believed ordinary methods would be useless in seducing Xiao Tian.

“...Alright.” Hu Yuming and Han Shutai agreed with her idea.

At this moment, Hu Yuming suddenly did something shocking.

He took off his trousers!

Even though Hu Ling was started, she instantly smiled lewdly.

Of course, she knew what her younger brother wanted.

Sex!

She was sure that her younger brother wanted to have sex with her because he decided to take off his trousers.

“Big sis, we are sad now, so can you comfort us?” Hu Yuming did not hide his intentions.

Like Hu Yuming, Han Shutai also removed his jeans.

At this moment, both of them were standing before Hu Ling, showing their penises.

Hu Ling licked her lips before replying, "Sure."

She grabbed their penises before finally sucking them.

'It seems like all of my holes will be filled with their sperm again.'

Her vagina instantly became wet when she imagined Hu Yuming and Han Shutai fucking her at the same time.

Soon, her house was filled with her cries.

--

The following morning, Han Shutai went to Xi Xing's company headquarters. Unlike usual, he came with a young woman this time.

That young woman was Han Yunyu, his niece.

Han Yunyu was a young woman about twenty-six years old. She had just finished his Master degree in the United States, so she decided to return to China.

His intention was clear.

He wanted to ask Xi Xingyi to give his niece a job!

Actually, he could give his niece a job at the Feng family company, but he did not do that because this was part of their plan.

He wanted to control Xi Xingyi's company from the inside!

He wanted to spread his people in her company so that he could snatch her company in the future.

"So, how is it, Xingyi?" Han Shutai inquired. "My niece is good, right?"

Han Shutai, Han Yunyu and Xi Xingyi were currently in her office. Xi Xingyi was sitting on her chair while Han Shutai was standing in front of her.

As for Han Yunyu, she was sitting on the couch. Previously, Han Shutai told her to leave everything to him.

Xi Xingyi, who saw documents about Han Yunyu, nodded her head. "Alright. I will give her a job."

Han Yunyu graduated from a prestigious university and was also smart, so Xi Xingyi accepted it immediately because Han Yunyu was talented.

Han Shutai was thrilled.

'Good! With this, I'm one step closer to my goal.'

Even though he knew Xi Xingyi would not refuse his wish, but hearing it directly from her mouth still made him happy.

“Coincidentally, the position of sales manager is empty. I will give this position to her.” After seeing Han Yunyu’s achievements, Xi Xingyi decided to give the position of sales manager to Han Yunyu.

Han Shutai looked at his niece and spoke, “Yunyu, hurry up and thank Xingyi.”

Han Yunyu rose to her feet and bowed her head slightly. “Thank you, madam.”

“Yunyu, you have to work hard. Don’t embarrass me later.” If his niece could become an influential person in Xi Xingyi’s company, it would be much easier for him to achieve his goal.

“Don’t worry, uncle. I will work hard.” Han Yunyu replied instantly.

Xi Xingyi then introduced Han Yunyu to her subordinates.

—

Xiao Tian was currently checking his new company with Liang Jun. He could not launch his new project immediately because watchmaking took quite a long time.

“Master, we have accomplished thirty percent of the project.” Liang Jun stated. “But it will still be a few months before we can finally launch our Watches to the market.”

“It’s fine.” Xiao Tian responded, “Remember, I don’t want a single mistake to happen later.”

“Don’t worry, sir. I will make sure there won’t be any mistakes later.” Liang Jun always took the time to check their projects because Xiao Tian had entrusted his new company to him.

He made a huge mistake in the past, so he did not want the same thing to happen again.

“Alright. I will leave everything to you.” Xiao Tian tapped Liang Jun’s shoulders. “I will go to my other company now.”

—

Hu Ling’s House, Living Room.

Hu Ling was currently talking with Hu Yuming, Han Shutai and Han Yunyu.

“Yunyu, you must make achievements as quickly as possible. With this, we can achieve our goals faster.” Han Shutai told his niece to make a big contribution to Xi Xingyi’s company as quickly as possible.

Han Yunyu was an intelligent woman, so she was sure she could do that in a short amount of time.

“Don’t worry, uncle. I will do my best.” Han Yunyun knew her role in their plan.

“Good!” Han Shutai was happy with her answer. “We can put more people in Xingyi’s company after you become an influential person. When her company is filled with our people, we can carry out our next plan.”

Even though it would take a long time for them to achieve their goal, but they were willing to wait.

Xi Xingyi was from an upper-class family and had a few businesses, so they knew it was hard to control her and her companies.

Yes, they wanted to control her companies before taking them!

“Then, when will you introduce me to Xiao Tian?” Hu Ling inquired.

Chapter 1367: I Want to Bed Him So Badly

Han Shutai and the others turned their heads toward Hu Ling.

“We need to do it at the right time, or else he will get suspicious later.” Of course, Han Shutai also wanted to introduce his lover to Xiao Tian.

Even though Xiao Tian was a genius in business, he was still a young lad and very green in his eyes.

He believed he could control Xiao Tian if the opportunity arose. All they needed was only one thing.

Opportunity!

As long as they got the opportunity, they were sure they could control everyone.

However, he could not introduce Hu Ling to Xiao Tian directly because Xi Xingyi did not know about his relationship with Hu Ling and Hu Yuming.

“Don’t worry, sis. I will introduce you to him later.” Hu Yuming really wanted to introduce his elder sister to Xiao Tian because, with this, Xiao Tian would no longer be able to disturb his time with Xi Ran.

“Alright. But you better introduce me to him quickly.” Hu Ling responded.

And as if the goddess of luck was on their side, they managed to introduce Hu Ling to Xiao Tian in the following day.

Like yesterday, Xiao Tian was with Xing Ranqing. They accidentally ran into Xi Ran and Leng Nichang again.

Hu Yuming and Han Shutai thought it was a perfect time to introduce Hu Ling to Xiao Tian.

Of course, Han Shutai did not appear before Xiao Tian because he had to keep his relationship with Hu Ling and Hu Yuming a secret.

They were currently sitting on wooden chairs.

Xing Ranqing and Hu Yuming were sitting on Xiao Tian’s left side, while Xi Ran, Leng Nichang, and Hu Ling were on the opposite side of him.

“You are much more handsome than the one in the magazine, Xiao Tian.” Hu Ling, who was sitting before Xiao Tian, uttered, “I suddenly feel lucky to meet someone as handsome and famous as you.”

“I’m just ordinary young man.” At this moment, Xiao Tian still did not know about their plan.

He thought Hu Ling was just hypnotized by his good looks. He always got the same treatment every time he met a new woman, so he was not suspicious of her.

“No. I’m sure you are an extraordinary man. After all, you have everything now. You even managed to raise your family status from lower-class to an upper-class in less than three years.” Hu Ling kept praising Xiao Tian.

'Ahh. He is so perfect. How could someone as perfect as him exist on this world?'

She only loved two things in this world.

Money and good-looking men!

Xiao Tian fit perfectly into her ideal boyfriend criteria because he was attractive and wealthy.

He was even only twenty-one years old.

'Ah, I suddenly want to sleep with him right now. I really want to know what it feels like to have sex with someone as perfect as him.'

She was amazed by Xiao Tian's attractiveness.

His black hair that coiffed to perfection and his eyes that were as beautiful as the night sky made her heart beat faster and faster.

She had never met someone as handsome as Xiao Tian before. This was the main reason why she desired to have sex with him.

She suddenly wanted to see his cook!

'What should I do to sleep with him today?'

Even though it was the first time they met, but Hu Ling already wanted to sleep with Xiao Tian.

'Even though this is for our plan, but I will enjoy it to the fullest.'

Normally, any man would become her slave instantly after having sex with her because she was skilled in bed.

That was why she wanted to have sex with Xiao Tian so badly because, with this, he would be under her control later.

"Oh, you want to seduce bro Xiao too?!" like Xiao Tian, Xing Ranqing still had no idea about their plan.

"I just want to know him on a deeper level?" Hu Ling tried her best to hide her real intentions.

Xing Ranqing turned her head to look at Xiao Tian. "Bro, why don't you go to love hotel with her now? She said she wanted to know you on a deeper level. Isn't having sex the best way to get to know each other faster?"

Everyone was startled after hearing Xing Ranqing's words.

"Shall we go to love hotel now, Xiao Tian? Hehe." Hu Ling was half-serious when she said this.

She would take him to the hotel immediately if he agreed, but if he refused, she would say she was joking.

"Bro, she is challenging you." Xing Ranqing stated.

The corner of Xiao Tian's lips twitched.

'Damn! This woman is so pervert!'

Of course, he was aware of how handsome he was, but he didn't expect her to try to have sex with him on their first meeting.

'Should I enjoy her body with Zhao Sheng?'

He suddenly got a wild idea in his mind.

"Big sis, I know brother Xiao is attractive, but do you realize that you are behaving like a pervert?" even though Hu Yuming agreed with his elder sister's actions, he did not show it on his face.

"Hehe." Hu Ling giggled. "Xiao Tian is so handsome, so I forgot to control myself. Isn't that right, sister Xi Ran, sister Leng Nichang?"

Even though Xi Ran and Leng Nichang had met countless men, but they admitted that Xiao Tian was the most handsome man they had ever met.

They agreed that Xiao Tian was attractive. They just didn't expect Hu Ling to seduce him so openly.

"Mr. Xiao is indeed an attractive young man." Leng Nichang stated.

Xi Ran did not say anything and only stared at Xiao Tian.

They began to talk again. During their conversation, Hu Ling tried to seduce Xiao Tian many times.

But what surprised him most was that she also rubbed his legs using hers. Xi Ran and the others did not know about it because their legs were under the table.

Of course, Xiao Tian knew the meaning of her actions. He was a playboy, so he could immediately understand a woman's actions.

As they were chatting, Shi Fei suddenly called Xiao Tian. She said he had to sign important documents, so she asked him to return to the company immediately.

Xing Ranqing also left not long after that.

—

Star Group, Xiao Tian's Company.

Xiao Tian was currently working hard in his office. He even ignored his sexy lover, who was sleeping on the couch.

At that time, what he had in mind was only one thing.

Get the job done as fast as possible!

Time went by quickly, and without realizing it, it was already 03:00 pm.

"Little brother, let's go on a date now." Xiao Tian had finished his work, so Shi Fei wanted to go on a date with him.

"Sure." Like usual, Xiao Tian agreed instantly.

Xiao Tian and Shi Fei decided to go to Shenro Fountain. Like usual, happy smiles could be seen on their faces.

They chatted happily while walking hand in hand. They were so happy at the time, to the point happy smiles never left their faces.

As Xiao Tian was enjoying his time with Shi Fei, a voice suddenly rang out. "Xiao Tian, I did not expect to meet you in this place."

That person was Hu Ling, the woman he met a few hours ago.

Chapter 1368: I'm His Lover

Xiao Tian and Shi Fei, who walked hand in hand, turned their heads toward the source of the sound.

He was startled when he saw Hu Ling. "Lady Hu?"

Shi Fei looked at Hu Ling before finally returning her attention to Xiao Tian. "Little brother, do you know her?"

"Yes." Xiao Tian gave an honest answer. "She is lady Hu Ling. I met her a few hours ago."

Shi Fei then turned her head to look at Hu Ling. "Hello, I'm Shi Fei."

Like Shi Fei, Hu Ling also smiled. "Hello, I'm Hu Ling. Are you Xiao Tian's lover?"

"Yes. I'm his lover." Shi Fei gave an honest answer.

Even though Hu Ling had guessed that Shi Fei was Xiao Tian's lover, but hearing it directly from Shi Fei's mouth irritated her.

'Even though I'm not as sexy as her, but I'm prettier than her.'

It annoyed her because someone like Shi Fei could become Xiao Tian's lover.

Hu Ling was sure she was better than Shi Fei in everything. She was also tall and had flawless skin like Shi Fei.

She also believed that she was more skilled in bed. "I'm sure Xiao Tian is happy to have you as his lover."

Shi Fei instantly hugged Xiao Tian's right arm. "Yes. He is delighted. He really loves me too. Isn't that right, little brother?"

Xiao Tian smiled softly before pinching Shi Fei's nose. "How can you be so sure about it?"

"Because you often said it to me." Shi Fei answered proudly.

Xiao Tian often said he loved her the most among his women. Second place went to Liu Ning.

Both Shi Fei and Liu Ning did not leave him when he was down and facing many problems.

They were always by his side and never left him. That was why Shi Fei and Liu Ning were so special to Xiao Tian.

Even though Hu Ling was jealous, she did not show it on her face. "It seems like both of you really love each other."

Xiao Tian and Shi Fei smiled after hearing her words because they did love each other.

"Alright, lady Hu, let's talk again some other time. I want to continue my date with my sexy lover." Xiao Tian wanted to enjoy his time with his sexy lover alone.

"Let's talk again some other time." Shi Fei added.

When Xiao Tian and Shi Fei were about to leave, Hu Ling said something shocking, "Can I tag along?"

Xiao Tian and Shi Fei were shocked.

Hu Ling should know that they wanted to enjoy their time together, so she should not say something like that because she would only disturb them.

Xiao Tian and Shi Fei exchanged a glance with each other.

"Lady Hu, we want to continue our date, so I think it's not a good idea to join us." Xiao Tian refused her wish subtly.

"Don't worry. I won't disturb you. I just want to know you on a deeper level." Hu Ling still wanted to join them.

Xiao Tian was unhappy.

'This woman is annoying!'

He hated it when someone disturbed his time with his women.

"Sister Shi Fei, you don't mind, right?" Hu Ling behaved as if she was Shi Fei's close friend.

"Sure." Even though Shi Fei wanted to be alone with Xiao Tian, she did not refuse Hu Ling's wish.

Xiao Tian instantly looked at his sexy lover.

'Fei!'

He disagreed with her decision.

However, he did not voice it out because his sexy lover had agreed with Hu Ling's wish.

Xiao Tian was about to explode with rage because he could not lovey-dovey with his sexy lover.

He even wanted to slap Hu Ling because she always got in their way. That day, Xiao Tian returned home in a rage.

Normally, his face would be full of smiles whenever he went on a date with his women, but this time was different.

—

Hu Ling's House, Living Room.

Hu Ling was currently sitting on the couch with her younger brother, Hu Yuming. Of course, they were naked because they had just finished having sex.

“So, you met Xiao Tian, huh?” Hu Yuming uttered.

“Yes.” Hu Ling responded, “I also met his lover earlier.”

“His lover?” Hu Yuming had no idea who Xiao Tian’s lover was.

“Yes.” Hu Ling nodded her head. “Even though she is sexier than me, but I’m more beautiful than her.”

“Then, did you manage to seduce him?” Hu Yuming asked curiously.

“No.” Hu Ling answered in annoyance. “But I won’t give up. I’m sure I can seduce him later.”

She was prettier than Shi Fei, so she was sure that Xiao Tian would fall into her embrace later.

Of course, she still had no idea that Xiao Tian had more than one girlfriend.

If she had known how beautiful his other women were, she would not have dared to say she was prettier than them.

“I believe in you, elder sister.” Hu Yuming also believed that his elder sister would be able to seduce Xiao Tian because she was a gorgeous woman.

—

Xiao Tian’s Mansion, His Bedroom.

Xiao Tian was currently lying on his back with Shi Fei on top of him. Both of them were naked because they had just finished having wild sex.

“Are you still angry at her?” Shi Fei inquired.

“Yes.” Xiao Tian gave an honest answer. “I’m furious because she ruined our date earlier.”

“It seems like she is interested in you. Why don’t you make her yours?” Shi Fei still did not know about Hu Ling’s bad intentions, or else she would not say something like this.

“I don’t want to.” Xiao Tian refused instantly. “I have a feeling that she is not a good woman.”

When Long Jingxian and Su Ruanyi were still not his girlfriends, they did not behave like Hu Ling.

They had always maintained their demeanor and never disturbed him when he was with Shi Fei or his other women.

Hu Ling was very aggressive, to the point it made him feel uncomfortable being around her.

“Actually, I also feel like she has ulterior motives towards you.” when they were at Shenro Fountain, Shi Fei also paid attention to Hu Ling.

Xiao Tian wrapped his arms around Shi Fei’s slender waist and spoke, “Then why do you want me to make her my lover?”

“I won’t stop you if you like her.” Shi Fei responded, “Whether it’s business and women, I will always support you.”

“You are indeed the best, Fei.” Xiao Tian stated. “This is one of the reasons why I love you the most.”

“Hehe.” Shi Fei giggled happily.

“Alright. Let’s forget about that woman now.” Xiao Tian did not want to talk about Hu Ling anymore. “How about we go for another round?”

“Another round?” after saying that, Shi Fei giggled again. “Hehe. Pervert!”

Xiao Tian turned his body, causing him to be on top of her. “Then this pervert young man will do pervert things to you now.”

“I’m always ready.” Shi Fei stated.

Soon Xiao Tian’s room was filled with Shi Fei’s moans again.

—

The following day at 10:00 pm, Xiao Tian went to a café with Zhao Sheng. As he was joking around with Zhao Sheng, a young woman suddenly walked toward them.

That young woman was none other than Hu Ling.

Chapter 1369: Faster

Hu Ling’s lips curled up into a grin when she saw Xiao Tian.

‘There he is.’

Of course, she knew where Xiao Tian was because she had followed him secretly.

“Xiao Tian, we meet again.” Hu Ling instantly sat next to Xiao Tian as if she was his close friend or had a special relationship with him.

Xiao Tian was startled and turned his head toward Hu Ling.

‘Damn! It’s this annoying woman again.’

He did not expect to meet Hu Ling again.

“Oh, who is this, Xiao Tian?” Zhao Sheng inquired.

Hu Ling turned her head to look at Zhao Sheng.

‘Whoa! Another handsome young man!’

Her eyes shone brightly.

Previously, she was focused on Xiao Tian, so she did not pay attention to Zhao Sheng.

“I’m Hu Ling.” Hu Ling introduced herself. “What is your name, handsome boy?”

“I’m Zhao Sheng.” Zhao Sheng responded as he smiled.

“Zhao Sheng?” Hu Ling suddenly remembered something. “Are you the young master of the famous Zhao family?”

“That’s right. I’m from that famous Zhao family.” At first, Zhao Sheng wanted to lie, but he changed his mind.

Hu Ling was startled.

‘Zhao Family!’

Of course, she knew about the Zhao family because it was a well-known family in China.

‘Who should I choose now? Xiao Tian or Zhao Sheng?’

She behaved as if Xiao Tian and Zhao Sheng were interested in her.

Xiao Tian and Zhao Sheng were attractive and wealthy, so they were her ideal boyfriend.

‘Who should I choose?’

After thinking for several seconds, she chose Xiao Tian.

Zhao Sheng had a strong background. It would be hard to fool him since they would also have to deal with his family.

It was the same as digging their own graves if they caused trouble for the Zhao family.

Even the Xiao and Li families had to think twice if they wanted to cause trouble for the Zhao family.

This was the reason why she chose Xiao Tian because he had no powerful background.

Hu Ling then returned her attention to Xiao Tian. “I did not expect to meet you here, Xiao Tian. It seems like we are destined to be together. Hehe.”

Xiao Tian did not say anything and looked at Hu Ling’s hands.

‘This woman is trying to seduce me again.’

Hu Ling’s right hand was currently rubbing his thighs.

She even moved her right hand closer to his penis as if she wanted to check his cock.

Of course, Zhao Sheng still did not know about this because the wooden table was as high as their chest.

If it were in his previous life, Xiao Tian would have brought Hu Ling to a love hotel and fucked her there.

However, he would not do that this time. Even though he was a playboy, but he didn’t make just any woman his girlfriend.

He had standards and criteria!

Even though Hu Ling was in the category of a beautiful woman, she didn't meet the criteria to be his girlfriend.

He was still angry because she ruined his date with Shi Fei yesterday. That was why he did not do anything to her.

Hu Ling was unhappy when Xiao Tian only stared at her. She was pretty and had a nice body, but Xiao Tian still did nothing to her.

She even had given him the green light.

'Hey, I'm giving you the green light, you know?'

She kept rubbing Xiao Tian's thighs.

Xiao Tian removed Hu Ling's hands from his thighs. "Yeah. It seems like we are fated to be friends."

"Friends? What if I want us to be more than just friends?" If previously Hu Ling had touched Xiao Tian's thighs, this time she was trying to feel his cock.

'It's huge!'

Even though she could only feel his penis for a second, she could tell that Xiao Tian had a huge cock.

'As I thought, Xiao Tian is a perfect young man!'

She was getting more and more interested in Xiao Tian.

First, Xiao Tian was rich. Second, he was still young. Third, he had a handsome face and a perfect body. And last, he had a beautiful smile.

10 out of 10!

In other words, Xiao Tian was a perfect young man!

Her eyes were filled with lust as she stared at Xiao Tian's handsome face.

She loved it!

After living for thirty years, she finally found a perfect man.

'I want to have sex with him even more now.'

Her younger brother and boyfriend never satisfied her, so she wanted to try having sex with Xiao Tian.

'Whatever happens, I have to get him!'

She was determined to make Xiao Tian her lover.

They talked for about thirty minutes before finally, they left.

--

Star Group, Xiao Tian's Office.

Xiao Tian was currently talking with Zhao Sheng over the phone.

"I see." Zhao Sheng finally understood everything.

Previously, he was startled when Xiao Tian did nothing to Hu Ling. Hu Ling dared to seduce Xiao Tian openly, but he always stopped her.

"And she is also annoying!" Xiao Tian stated.

"But she is still a pretty woman, you know?" Zhao Sheng suddenly had a wild idea. "Xiao Tian, do you want to fuck her together?"

--

Hu Ling's House, Her Bedroom.

"Ahh...Ahh...Ahh..." Hu Ling's little mouth opened, letting out seductive moans.

Threesome!

She was currently having sex with two men.

Her lover was fucking her wet vagina while her younger brother was sliding his cock in and out of her ass hole.

Han Shutai was currently lying on his back with Hu Ling on top of him. As for Hu Yuming, he was above them, sliding his penis in and out of his elder sister's ass hole.

Han Shutai could not have sex with Xi Xingyi, while Hu Yuming always failed to bed Xi Ran, so they fucked Hu Ling whenever they were horny.

Of course, Hu Ling never refused whenever they wanted to have sex with her because she loved sex.

She really loved sex, especially when two men fucked her at the same time.

In short, she was addicted to it.

"Ah...Ah...Ah..." Hu Ling cried out in delight. "Faster. Fuck me faster! Yuming, Shutai, move your waist faster."

Hu Yuming and Han Shutai moved their waists faster after hearing her words.

"Yes...Yes..." love juices kept dripping down from Hu Ling's vagina.

The flames of lust had consumed her body because Hu Yuming and Han Shutai fucked her at the same time.

At this moment, Han Shutai and Hu Yuming finally reached their limit.

They moved their waists faster before finally speaking in unison. "I'm cumming..."

"Hii..." Hu Ling gritted and tilted her head back when Han Shutai and Hu Yuming let out their sperm inside her.

Hu Yuming immediately pulled his penis out of her elder sister's ass hole before lying on the bed.

At this moment, Hu Ling was still on top of Han Shutai.

'Even though having sex with them feels amazing, they never satisfy me.'

Xiao Tian and Zhao Sheng suddenly appeared in her mind.

'I wonder what it feels like to have sex with these two handsome men.'

She licked her lips.

"Oh right, big sister. Have you made progress with Xiao Tian?" Hu Yuming, who was lying next to them, inquired.

Chapter 1370: I Should Have Guessed It!

"No progress." Hu Ling said in annoyance. "I had given him a lot of green lights but he did nothing to me."

She tried to seduce Xiao Tian many times when they were in a café earlier. First, she rubbed his thighs. Second, she touched his bulge. Third, she raised her skirt a few times so that he could see her flawless thighs.

And last, she placed his left hand on her thighs. However, Xiao Tian still did nothing to her.

She was annoyed!

She was pretty and had a nice body, but Xiao Tian was not interested in her.

Sure, he was an extraordinary man, but at least he should respond to her actions. It was as if he was gay.

"Really?" Hu Yuming said in surprise. "I heard he was a playboy, so I thought it would not be hard to seduce him."

"But I won't give up. I will keep seducing him until he falls into my embrace." Hu Ling said with determination.

Xiao Tian was handsome and had a big cock, so she wanted to bed him so badly. She wanted to know what it felt like to have sex with someone as perfect as Xiao Tian.

"What about our plans, Shutai?" Hu Ling inquired.

"Don't worry. Everything is going smoothly." Han Shutai responded, "But I still have to carry out our plans carefully. I don't want our efforts over the past six months to go to waste."

"Yes. Let's do it carefully." Hu Ling also agreed with his words.

"You can stop seducing Xiao Tian if he keeps ignoring you." Han Shutai stated.

"No! I will keep seducing him." there was no way Hu Ling would stop seducing Xiao Tian after finding out how big his cock was.

She had only had sex with Han Shutai and Hu Yuming in the past year, so she wanted to taste a new cock.

“Well, I won’t stop you then.” Han Shutai responded, “Just be careful and don’t let your actions ruin our plans.”

“Don’t worry. I know what to do.” Hu Ling stated.

—

Xufang city, Suzo park.

Xiao Tian was currently in Suzo park with Long Jingxian. Previously, she came to his office and said she wanted to go on a date with him.

At first, Xiao Tian wanted to take her to Rainbow Garden, but he changed his mind because he suddenly desired to spend time with her at the park.

This was the second time he had gone to Suzo park. The first was when he visited Suzo park with Liu Ning.

Yes, it was the time when he tried to manipulate Liu Ning’s mind.

At that time, Xiao Tian did not dare to reveal his taboo relationship to Liu Ning.

That was why he tried to manipulate her mind so that she could accept his forbidden relationship with his mother and aunt.

It had been forty minutes since they arrived at Suzo park. As usual, both of them chatted happily while holding hands.

Xiao Tian suddenly stopped holding Long Jingxian’s right hand before finally speaking, “Wait here. I want to go to the toilet first.”

“Un.” Long Jingxian nodded her head.

At first, he went to the nearest toilet, but it was full. There were even five people waiting in line.

For this reason, he decided to look for another restroom.

‘Hmm? There is a washroom in this place?!’

He was shocked when he saw a public toilet in a quiet place.

The bathroom was surrounded by many trees, so it was hard to find it.

Actually, he also found the toilet by chance.

‘Well, at least, I don’t need to wait in line.’

He rushed toward the washroom.

However, something unexpected happened when he stepped into the toilet.

He heard a woman’s moan!

The corner of his lips twitched.

'I should have guessed it!'

The toilet was hidden among the trees and hard to find, so it was normal if the washroom became a sex place.

'What should I do now?'

He wavered whether he should use the toilet or not.

'I will look for another washroom.'

He did not want to disturb their hot time, so he chose to leave.

"Ah...Ah...Ah... Shutai, faster, faster. Fuck me faster." A young woman's cries reverberated in the toilet.

Xiao Tian instantly stopped his footsteps when he heard the woman's moans.

'Why do I feel familiar with her voice?'

He widened his eyes.

'Yes. It's her. I'm sure it must be her voice!'

He believed it was Hu Ling's voice.

Even though he had only met Hu Ling a few times, he remembered her voice well because she was an annoying woman in his eyes.

Not only did she always take advantage of him, she even ruined his date with Shi Fei two days ago.

"Ling, lower your voice." A mature man's voice rang out. "What if someone hears your moans?"

"What are you afraid of? No one will come to this toilet because this restroom is hard to find." The female's voice echoed in the toilet.

Yes, these two people were none other than Han Shutai and his lover, Hu Ling.

They were currently having sex in one of the cubicle toilets. Hu Ling was half-naked and holding the toilet tank.

Behind her, Han Shutai was sliding his cock in and out of Hu Ling's wet vagina. Like Hu Ling, he was also half-naked.

At this moment, they did not realize that Xiao Tian was next to them.

'They are so wild!'

He didn't expect them to like adventures like him.

"Han Shutai, don't you like things like this too?" Hu Ling inquired, "Stop complaining and fuck me hard and fast. Show me how manly you are."

“Because you said so, I will show you how manly I am.” Han Shutai moved his waist faster, causing Hu Ling to cry louder and louder.

Xiao Tian shook his head and walked out of the toilet.

‘So, they have this kind of relationship, huh? Well, it’s none of my business. I will look for another washroom.’

There were two reasons why Xiao Tian didn’t do anything even though he knew that Han Shutai had an affair with Hu Ling.

First, he also had more than one girlfriend. If he told Xi Xingyi what he knew, she would definitely think that he wanted to destroy their relationship.

It could be said that he was the same as Han Shutai because he was also a playboy, someone who had more than one girlfriend.

And last, Han Shutai treated him nicely. Of course, Xiao Tian still did not know Han Shutai’s real personality or else he would have recorded them.

After using the toilet, Xiao Tian returned to where his MILF was.

“What took you so long?” Long Jingxian asked when he saw Xiao Tian.

“Long queue.” Xiao Tian lied to

her. “Let’s go for a walk now.”

“Un.” Long Jingxian nodded her head.

They returned home after spending time at Suzo park for about three hours. That night, Xiao Tian had sex with Long Jingxian for an hour before finally, they slept.

The following morning, Xiao Tian went to the Bamboo Restaurant to meet his business partner after breakfast.

On his way to his company, he saw Xi Xingyi sitting on a public seating while looking at her right leg.

From her expression, he knew that something bad had happened to her. That was why he stopped his car not far from her.
