

Illicit 1371

Chapter 1371: We Are Not Doing Anything Lewd

Xiao Tian instantly got out of his Lamborghini car and walked toward Xi Xingyi. "Lady Xi?"

Xi Xingyi turned her head toward the source of the sound.

'Xiao Tian?'

She was startled when she saw Xiao Tian.

When Xiao Tian was in front of her, he looked at her right ankle. "What happened to you?"

"Ah, this is...." Xi Xinyi was too shy to answer his question.

Previously, she walked while playing with her smartphone, so she did not know there were stairs in front of her.

As a result, she fell down the stairs. This was the reason why she did not want to tell the truth because it was embarrassing.

"Let me see your ankle." Xiao Tian knelt down on one knee before checking her right ankle. "It's quite serious."

"Yeah. It really hurts when I walk." Xi Xingyi responded.

This was the reason why she sat on the public seating because she could not endure the pain when she walked.

Xiao Tian lifted his head to look at her. "Let's go to the hospital so that we can treat your ankle immediately."

"Alright." Xi Xingyi agreed instantly. "Wait. Let me tell my subordinate to take my car home first."

After she called her subordinate, Xiao Tian helped her up. "Can you walk?"

"Maybe." Xi Xingyi responded.

"Be careful." Xiao Tian placed Xi Xingyi's right arm around his neck and helped her walk.

She gritted her teeth every time she took a step.

'It hurts!'

She tried her best to endure the pain.

Because of how painful it was, she couldn't endure it anymore. "Ouch!"

Xiao Tian instantly stopped his footsteps and turned his head to look at Xi Xingyi. "It seems like your sprain is quite serious."

"I think so too." Xi Xingyi responded, "It hurts so much every time I take a step."

Xiao Tian stood in front of her before finally bending his knees slightly. "Your sprain will only get worse if you keep walking. Come here. I will give you a piggyback ride."

Xi Xingyi was stunned.

'Piggyback ride?'

Happiness danced through her thoughts.

Twenty years!

It had been twenty years since the last time someone carried her on their backs.

Sure, she had a lover, but the way of dating couples over thirty years of age was different from that of couples in their teens or twenties.

This was the reason why her heart was filled with happiness.

'But...'

Xi Xingyi suddenly remembered Han Shutai.

Because Xi Xingyi only stared at him, Xiao Tian uttered, "Lady Xi?"

Like before, Xi Xingyi only looked at Xiao Tian's back.

'Should I take his offer?'

She could not make up her mind.

Of course, she wanted to be carried by Xiao Tian, but on the other hand, she didn't want to betray her lover.

'No. I'm not betraying him or cheating on him. I only want to be carried by Xiao Tian. I'm sure being carried by someone doesn't count as cheating.'

Because of how deep she wanted to be carried by someone, she almost could not suppress her desire.

'Yes. We are not doing anything lewd. He only wants to take me to the hospital. Shutai is also busy right now, so it can't be helped.'

p;

Previously, she called her lover, but Han Shutai said he was about to attend an important meeting, so he could not help her.

Of course, he lied to her because he was having sex with Hu Ling when she called him.

'Yes. We are not doing anything lewd. I will explain to Shutai later. I'm sure he will understand.'

Xiao Tian had good intentions, so she decided to accept his offer.

Xiao Tian turned around and instantly carried Xi Xingyi in a princess style. "I'm sorry for my rude behavior. This is for your own good."

He had no intention of seducing her. He just wanted to help her because she was a kind lady and Xi Ran's elder sister.

Of course, he knew that his action was rude. However, her sprain would only get worse if she continued walking.

That was why he apologized before carrying her.

"Kya!" Xi Xingyu let out a cute voice when Xiao Tian suddenly carried her in a princess style.

As Xiao Tian was carrying her and heading to his car, she looked at his face intently.

'He looks more attractive from up close.'

She did not realize what she was doing because she felt as if Xiao Tian's handsome face had hypnotized her.

'As I thought, having a good-looking face is a big plus.'

Actually, she did not see a man based on their appearance because, in her eyes, having a good heart was better than a handsome face.

Everyone would lose their good looks or beauty when they got old, and she was already forty-five years old, so she just wanted to be with someone she could feel comfortable with.

Of course, she preferred a good handsome young man over a good ugly young man because seeing attractive men were pleasing to the eye.

Xiao Tian still behaved normally when he noticed what she was doing, "Is there something on my face?"

"No. It's just your handsome face hypnotizes me." Xi Xingyi smiled as she gave an honest answer.

"Thank you." Xiao Tian showed his charming smile. "Hearing it from a gorgeous young lady makes me happy."

Xi Xingyi was stunned.

'He even has a beautiful smile. Isn't this cheating?'

Previously, she got hypnotized by his handsome face, but now she was stunned by his charming smile.

"You should stop smiling. At least, stop smiling at me." Xi Xingyi's heart beat for a second when she saw his charming smile.

"Why?" even though Xiao Tian had guessed the answer, he still asked that question because he wanted to hear the answer directly from her mouth.

"Because you can steal my heart with your charming smile. I already have a boyfriend, so your smile is dangerous for me. Do you want to seduce other man's lover?" even though she gave an honest answer, she was not shy.

"Then I should smile at you even more from now on." Xiao Tian joked around because he had no intention of seducing her.

"Hehe. You are indeed a playboy." Xi Xingyi knew that Xiao Tian was a playboy from Leng Nichang.

After Xiao Tian put her on a passenger seat, he got into his Lamborghini and went to the hospital.

After driving for about twenty minutes, they finally reached their destination.

When Xiao Tian opened her door, Xi Xingyi inquired, "Are you going to carry me again?"

"I intend to do that, but I won't force you if you don't want to." Xiao Tian responded instantly, "But from my point of view, it's better to be

carried by me because your sprain will only get worse if you force yourself to walk."

"But won't we become the center of attention if you carry me?" Xi Xingyi was sure everyone would look at them if Xiao Tian entered the hospital while carrying her.

"I think so too." Xiao Tian responded, "But wouldn't that be better than aggravating your sprain?"

Xi Xingyi touched her chin and began to think about it carefully.

Previously, she did not complain when Xiao Tian suddenly carried her because no one was around them.

"So, how is it? Do you want to walk alone or be carried by me?" Xiao Tian inquired.

Chapter 1372 Returning Good With Evil

After thinking for several seconds, Xi Xingyi agreed. "Alright. However, I want you to give me a piggyback ride."

"Piggyback?" Xiao Tian had no idea as to why she did not want to be carried in a princess style like before. "Why?"

"Because I want to." Xi Xingyi gave an honest answer. "It has been a long time since the last time someone gave me a piggyback ride, so I don't want to be carried in a princess style again."

"Eh! Your lover never gives you a piggyback ride?!" Xiao Tian said in surprise.

"No." Xi Xingyi responded as she shook her head. "He hasn't carried me since we became lovers."

Xiao Tian finally understood the reason why she suddenly wanted a piggyback ride. "Alright. I will give you a piggyback ride."

Xi Xingyi's face blossomed into a smile. The smile on her face grew bigger when Xiao Tian carried her on his back.

At that time, she suddenly felt as if she had returned to her twenties. Even though the one who carried her was not her lover, it still made her happy.

Like what they had guessed, they became the center of attention. Almost everyone turned their heads toward them after Xiao Tian stepped into the hospital.

At that time, they thought Xiao Tian was Xi Xingyi's lover. Even the doctor also thought they were a couple.

After the doctor gave her treatment, Xiao Tian drove her home. Like last time he sent her home, the maid was shocked and asked him to take Xi Xingyi to her room.

"Alright. I will go to my company now." Xiao Tian uttered.

"Thank you for driving me home." Xi Xingyi responded as she smiled.

"You should open the windows because fresh air is better than air conditioner." Xiao Tian gave a piece of advice.

"Can you please open the windows for me?" her right ankle sprained, so she could not walk for the time being. After saying that, Xiao Tian walked toward the windows.

'Hmm?'

He noticed something after opening the windows.

'What is it? Is it just my imagination?'

He saw something in the artificial flower next to the window.

"What's wrong, Xiao Tian?" Xi Xingyi was shocked when Xiao Tian suddenly walked toward her artificial flowers.

"Big sister Xi, look what I found in your artificial flowers." Xiao Tian uttered.

A mini camera!

He found a mini camera in her artificial flowers.

The expression of deep shock blossomed on Xi Xingyi's face.

'A mini camera?'

Her surprised face turned into anger.

"Let me see it." she wanted to see the mini camera.

Xiao Tian instantly gave it to her.

Xi Xingyi gritted her teeth after checking the mini camera.

There was only one meaning for this.

Someone was monitoring her every day!

"It seems like someone is monitoring you all this time." Xiao Tian also did not expect to find a mini camera in her room.

Xi Xingyi was about to explode with rage. She was furious because someone had been monitoring her daily life without permission.

"Do you know how many people have entered your room recently?" Xiao Tian inquired.

"Only three people." Xi Xingyi gave an honest answer. "Shutai, my maid and you."

Actually, Xiao Tian did not want to get involved in this matter because it would look like he tried to ruin her relationship with her maid or lover.

Xi Xingyi instantly called her maid and began interrogating her. She asked many questions to her maid.

She could barely even contain her emotions. "Are you sure you don't know anything about this? You're not lying to me, are you?"

Terror overtook her maid's face after hearing Xi Xingyi's words. "Madam, I'm not lying. I'm willing to be struck by lightning if I lie to you."

The maid tried her best to convince Xi Xingyi that she was not lying to her. She only cleaned Xi Xingyi's room, nothing more than that.

She even did not dare to enter Xi Xingyi's room without her permission. Xi Xingyi always treated her nicely, so there was no way she would do something like that.

pANDAN[OVE]L She was still self-aware not to return good with evil. She even did not want something bad to happen to Xi Xingyi.

Xiao Tian looked at Xi Xingyi before returning his attention to the maid.

'It seems like she is telling the truth.'

He had been paying attention to the maid since Xi Xingyi started interrogating her maid.

Xi Xingyi, who was sitting on the edge of the bed and crossing her arms over her chest, stared at her maid carefully.

Like Xiao Tian, she thought her maid was not the one who put the mini camera in her room.

'Then, is it Shutai? But...'

Of course, she did not want to suspect her lover.

From her point of view, there was no point for him to put a mini camera in her room because they were a couple.

Xi Xingyu shifted her gaze to Xiao Tian.

Yes, she suddenly suspected him!

Xiao Tian sighed when Xi Xingyi was looking at him.

'She is suspecting me. Why are you suspecting me?'

Even though she did not say anything and only stared at him, he could tell what she had in mind because it was written on her face.

'If I knew it would turn out like this, I would have pretended I had not seen the mini camera earlier. This is annoying!'

He regretted his actions.

*Bzzt...

His smartphone suddenly vibrated.

The maid and Xi Xingyi instantly turned their heads toward Xiao Tian.

"Hello, elder Xing Hanxian?" Xiao Tian instantly picked up the phone because they would suspect him if he picked it up outside the room.

'Xing Hanxian?'

Xi Xingyi was startled.

Of course, she knew who Xing Hanxian was because the Xing family was one of the most famous families in Shanghai.

After hanging up the phone, Xiao Tian looked at Xi Xingyi and spoke, "I have to leave now."

Xi Xingyi did not say anything and only nodded her head.

Xiao Tian sighed.

'Fuck!'

From his expression, anyone could tell he was disappointed with Xi Xingyi.

He was the one who found the mini camera, but she still suspected him. He felt as if she was repaying good with evil.

Xi Xingyi sighed after Xiao Tian left.

'Am I wrong suspecting him?'

Of course, she knew that Xiao Tian was disappointed with her because it was written on his face.

'I have to check every part of my house.'

She suspected that there was more than one mini camera in her house.

Shortly after that, fifteen of her trusted female subordinates arrived at her house. They wasted no time and began checking every single part of her house.

And like what she had guessed, they found another mini camera.

They found a mini camera in the living room!

Xi Xingyi trembled with rage.

She was enraged.

She was furious because someone had been monitoring her daily life.

'I have to find the person who put these mini cameras in my house!'

She would not forgive the one who put these mini cameras in her house because it was a big crime.

"What should we do now, boss?" one of her subordinates inquired.

Chapter 1373 Did You Take A Shower Before Meeting Me?

"What should we do, boss?" one of Xi Xingyi's subordinates inquired.

"You can return to the company now." Xi Xingyi replied, "I will call you again if I need your help."

"Understood." Xi Xingyi's subordinates left.

She sat on the couch before finally sighing again.

'There are only two suspects left now; Xiao Tian and my lover, Han Shutai.'

Actually, there was only one suspect, Han Shutai.

Xiao Tian was the one who found the mini camera, so the chances of him being the mastermind were slim.

However, she still could not accept the fact that Han Shutai was the one who put the mini camera in her house because she was his lover.

This was the reason why she also suspected Xiao Tian.

In other words, she did this to comfort herself.

'Shutai, this is not your doing, right?'

Han Shutai's House, Living Room.

Han Shutai was currently sitting on the sofa with his laptop on his lap. If anyone saw him, they would know right away that he was in a bad mood.

The reason was sim could not connect his laptop to the mini camera he had placed in Xi Xingyi's living room and bedroom!

'What's going on?'

Something like this had never happened before, so he wanted to know what was going on.

'Wait! Did she find my mini camera?'

He suddenly guessed that Xi Xingyi had found his mini camera.

'I have to check my camera later.'

He intended to go to Xi Xingyi's house to check his mini camera.

At the same time, his smartphone suddenly rang.

"Hello, Xingyi?" he instantly picked up the phone because the one who called him was his lover, Xi Xingyi.

"Shutai, let's have lunch together at Bamboo Restaurant." Xi Xingyi went straight to the point.

There was a reason why she suddenly invited him to have lunch with her.

She wanted to investigate him!

"Alright." Han Shutai agreed instantly.

Bamboo Restaurant, VIP Area.

Han Shutai and Xi Xingyi were currently sitting on the chairs, facing each other. Unlike usual, she was in a bad mood now.

The reason was simple.

Someone dared to monitor her daily life!

That person even placed two mini cameras in her house.

And what angered her most was that one of them was in her bedroom.

In other words, the one who put the mini camera in her house had seen her naked body many times!

That person knew what she had done in her bedroom all this time, including when she was masturbating.

Yes, Xi Xingyi was a normal woman, so it was not weird if she played with herself.

Sure, she was already forty-five years old, but she was a normal woman, and a normal woman needed physical comfort too.

'How do I tell him about the mini camera in my house?'

She did not know how to bring up that topic. She was afraid her relationship with Han Shutai would be fall apart later.

'What should I do?'

Her feelings triumphed over her rationality.

"What's wrong, Xingyi? It seems like you are in a bad mood now. Did something bad happen at the company?" actually, Han Shutai was not at ease when he saw her expression.

'I have bad feelings now.'

He was even more certain that she had found his mini camera.

"...I...found two mini cameras in my house. One of them was in my room, while the other was in the living room." After thinking for several seconds, Xi Xingyi decided to tell the truth.

She wanted to know his reaction after hearing it. Of course, she would not accuse him immediately because she wanted to investigate everything thoroughly later.

She hoped the one who put the mini camera in her house was not Han Shutai because he was her boyfriend and she loved him.

"What?! Two mini cameras?!" Han Shutai pretended to be shocked. "Have you reported this incident to the police?"

'Damn it! She really found my mini camera!'

He cursed venomously in his heart.

At this moment, Xi Xingyi paid attention to him carefully. "No. I still haven't reported this to the police. I want to investigate this by myself first."

"I will help you!" there were two reasons why Han Shutai wanted to help her.

First, it was to make her not suspect him. Second, it was to protect himself because he could erase all of his traces later.

He could even make someone his scapegoat. That was why he wanted to help her. Of course, he was aware of the consequences.

Xi Xingyi did not answer immediately because he was the one she suspected the most.

Han Shutai held her hands and looked at her in the eyes. "Xingyi, I'm your boyfriend, so let me help you. We have been together for six months, so you have to start depending on me."

Even though they were lovers, Xi Xingyi always depended on herself.

In short, she was an independent lady!

Sometimes, Han Shutai was annoyed with her independent personality because he could not control her completely.

She never told him about her problems and always solved them herself. Sometimes, he even felt as if they were not a couple.

"I will call you if I need your help." Of course, she had the intention to solve the problem alone.

Han Shutai cupped her face and looked at her lovingly. "Xingyi, you are no longer alone because you have me now. No matter what happens, I will always be there for you and support you."

'Fuck! Can't you just say yes?'

He suppressed his anger.

"Un." Xi Xingyi nodded her head.

They began to talk again. Han Shutai tried to be a good boyfriend and make her happy. He changed the topic of conversation so that she would not feel sad anymore.

However, his efforts were in vain because she was still in a bad mood. He wanted to yell at her because of this.

Of course, she was in a bad mood because someone violated her privacy rights, so her behavior was normal.

Everyone would do the same if they were in her position. After all, privacy was very important to everyone.

After talking for about forty minutes, they left. On the way to the parking lot, Xi Xingyi realized something.

Han Shutai's body had a soapy smell!

Not only that, but she could also smell the shampoo in his hair.

'Did he take a shower before meeting me? But why? It's 1:00 am now. Why did he take a bath before meeting me?'

She was currently hugging his right arm, so she could smell her body and hair.

'Didn't he say he was in his office earlier? So why did he take a shower before meeting me?'

Her imagination ran wild.

Han Shutai's office was huge and had an air conditioner, so she could not control her imagination when she knew that he took a shower before meeting her.

'Is he cheating on me?'

That was the question that appeared in her mind.

Usually, a husband would take a bath after sleeping with another woman because with this, he could remove the smell of his mistress on his body.

This was the main reason why her imagination suddenly went wild.

"What's wrong, Xingyi?" Han Shutai inquired.

"Shutai, did you take a shower before meeting me?" Xi Xingyi inquired.

Chapter 1374 I'm Still Not Ready To Get Married

"Shutai, did you take a shower before meeting me?" Xi Xingyi could not suppress the curiosity in her heart, so she decided to ask.

Her question had taken him by surprise. "Yes. I took a bath before meeting you. I was feeling hot earlier, so I took a shower."

Of course, he lied to her. There was a reason why he took a shower before meeting her.

It was because he had sex with Hu Ling before meeting her!

Previously, Hu Ling suddenly came to his office.

She asked about the progress of their plans. She also complained because she always failed to seduce Xiao Tian.

At first, he only chatted with her, but everything changed when she suddenly took off her clothes and showed her pussy to him.

This was the reason why he took a shower before meeting her because he wanted to get rid of Hu Ling's smell from his body.

"Feeling hot? Isn't there an air conditioner in your office?" Xi Xingyi threw another question.

"Oh, I met my business partner earlier. I also went somewhere, so it was normal to feel hot." He had prepared the answer before, so he was not panicked.

"I see." Even though Xi Xingyi was still suspicious of him, she did not ask more questions.

Han Shutai stood in front of her and held her shoulders. "Xingyi, my love for you is as deep as the ocean, so there is no way I will cheat on you. I'm serious with our relationship. I really hope we can get married quickly."

"I'm also serious with you, but I'm still not ready to get married." Xi Xingyi was not surprised because she had heard it many times.

Like before, Han Shutai suppressed his anger. She refused again!

He was unhappy with her answer.

Ten times!

She refused to get married to him ten times!

Sure, she said she was serious with him, but she always said she was not ready to get married.

This was the reason why he decided to use plan B.

'Damn it! If you were not rich, I would have slapped your face now.'

Of course, he did not show his anger on his face.

Han Shutai did not send Xi Xingyi to her company because she came to Bamboo Restaurant using her car earlier.

Xi Xingyi did not return to her company; instead, she traveled to Xiao Tian's company.

Her intention was clear.

She wanted to apologize to him!

She selfishly accused him of being the one who put the mini camera in her house.

If he did not find a mini camera in her room, she definitely would not know that someone was monitoring her private life every day.

But instead of thanking him, she returned good with evil. Of course, she knew that Xiao Tian was disappointed with her.

This was the main reason why she decided to travel to his company because she wanted to apologize to him.

After talking with her lover and paying attention to him, she suspected him even more. His behavior was even very suspicious earlier.

'Xiao Tian, I'm sorry.'

Xi Xingyi was currently in a café, drinking her lemon juice.

Previously, she traveled to Xiao Tian's company, but he was not in his company, so she decided to go to a café.

*Sigh...

She sighed because she did not know where Xiao Tian was.

'Wait! Why didn't I call him?'

She suddenly remembered that she did not have his number.

'Just where are you, Xiao Tian?'

She took her smartphone out of her back and called Leng Nichang.

"Hello, madam Xi?" at this time, Leng Nichang thought Xi Xingyi wanted to ask something related to Xi Ran.

"Nichang, do you have Xiao Tian's number?" Xi Xingyi went straight to the point.

Leng Nichang was shocked. "Xiao Tian's number?"

"Yes." Xi Xingyi responded, "Do you have his number?"

"Yes, I do. Why do you want his number?" Leng Nichang asked curiously.

"I have some business with him." Xi Xingyi did not tell Leng Nichang the reason why she wanted Xiao Tian's number. "Give me his number now."

"Alright." After hanging up the phone, Leng Nichang sent Xiao Tian's number to Xi Xingyi.

Xi Xingyi wasted no time and immediately called him.

At this moment, Xiao Tian was hanging out with Zhao Sheng, Xi Ranqing, and Xing Juzong at a cafe.

'Hmm? Unknown number?'

He did not pick up the phone immediately.

"Who is it, Xiao Tian?" Zhao Sheng asked curiously.

"I don't know." Xiao Tian shook his head. "It's an unknown number."

"Unknown number? Maybe it's your secret admirer, bro." Xing Ranqing said, "Why didn't you pick up the phone immediately?"

"Alright," Xiao Tian picked up the phone after saying that. "Hello, who is this?"

Xi Xingyi was pleased when Xiao Tian picked up the phone. "Xiao Tian, it's me, Xi Lingxin."

Of course, she used her fake name because he still did not know her real identity.

"I see." Xiao Tian's tone instantly changed.

Yes, he was still disappointed with her.

He had saved her life twice and informed her that there was a mini camera in her room. But instead of thanking him, she was suspicious of him.

In other words, she returned good with evil!

This was the reason why his tone instantly changed when he found out the one who called him was Xi Xingyi.

Xi Xingyi was not surprised by this.

'Sigh. He is still angry at me.'

She felt even more guilty.

"Can we meet now? I have something important to say to you." Xi Xingyi did not apologize over the phone because it was better to say it directly.

"Sorry, but I have to meet my business partner in ten minutes." he decided to lie because he did not want to meet her.

Zhao Sheng and the others were shocked.

'What business partner? Don't we have free time now?'

They did not expect him to lie like that.

"Then how about we meet after you finish your work?" Xi Xingyi didn't give up and tried her best to get to meet Xiao Tian.

"I have a date with my lover after that." Xiao Tian kept lying to her. "If you have nothing else to say, I will hang up the phone now."

"Then how about tomorrow?" Xi Xingyi inquired.

"I can't meet you again tomorrow." Xiao Tian responded, "I have a date with my lover for a whole day tomorrow."

Zhao Sheng and the others stared at Xiao Tian. They did not know why he behaved like that.

"Date again?" Xi Xingyi was even more certain that Xiao Tian was furious with her.

"I have seven women, so I have to go on dates with them in turn." Xiao Tian did not want to meet her, so he used his women as an excuse.

And there was another reason why he said something like that.

He wanted to let her know that he did not lack women!

Sure, Xi Xingyi was a gorgeous lady, but all of his women were attractive.

"If you have nothing else to say, I will hang up the phone now." He repeated his previous words.

"Wait! Xia-" before she had finished her words, Xiao Tian hung up the phone.

Chapter 1375 How About You Go To His House Later?

Xi Xingyi sighed.

Even though she was unhappy with Xiao Tian's behavior, she could not blame him because she was the reason why he changed completely like that.

If she did not return good with evil, he would not behave coldly.

'I'm sorry, Xiao Tian.'

Just because she did not want to admit the truth, so decided to suspect him.

She sighed again.

"Who is it, Xiao Tian?" Zhao Sheng asked curiously.

"I don't want to talk about it!" Xiao Tian responded instantly.

"Hey, tell me. Who is that person?" Zhao Sheng repeated his question.

"Stop asking!" Xiao Tian could not forgive Xi Xingyi easily because she had done something cruel to him.

Just because she did not want to suspect her lover, she chose to suspect him.

He was annoyed!

Sometimes, he even regretted saving her twice!

After all, she returned good with evil. was sure everyone would do the same if they were in his shoes.

Sure, she was an attractive lady, but he did not lack a woman. He even could have sex with many women at the same time.

"It seems like you really dislike that person." Zhao Sheng could see everything from Xiao Tian's expression. "How about we beat that person today?"

"That's right, bro." Xing Rangqing added, "Let's teach that person a lesson."

Xing Juzong only shook his head after hearing Xing Rangqing's words.

'Here we go again.'

He was not surprised by her words because she had beaten up many people until now.

"I don't want to do that. Let's just forget it." Even though Xiao Tian disliked Xi Xingyi's behavior, but it could ruin his relationship with Xi Ran and Leng Nichang if he agreed with Zhao Sheng's idea.

Zhao Sheng was dumbfounded.

'Weird! It's weird.'

He found it hard to believe what he was hearing.

"Bro Xiao, why did you reject our great idea?" Xing Ranqing inquired, "Let's just beat that person. Don't worry. We will help you later."

Xing Juzong instantly flicked his younger sister's forehead.

"Ouch!" Xing Ranqing touched her forehead. "Brother, why did you flick my forehead? I did not do anything wrong this time."

The corner of Xing Juzong's lips twitched.

'What do you mean by that? You are suggesting something bad, you know?'

pANDAN[OVE]L He did not want to bother answering her question.

"I can't do that for a certain reason." Xiao Tian gave an honest answer.

Xing Ranqing and Zhao Sheng exchanged a glance with each other.

'It's weird! He is acting weird!'

These were the words that appeared in their minds.

Hu Yuming's House, Living Room.

Hu Yuming was currently sitting on the couch with Hu Ling and Han Shutai. Han Shutai went straight to their house after finishing his job.

His reason was simple.

He wanted to discuss their plans with them!

No, he wanted to tell them bad news!

"What?! So, she found all the mini cameras in her house?" Hu Ling said in surprise.

"Yes." Han Shutai nodded his head. "She also said she wanted to investigate everything later."

"How did she find the mini camera?" Hu Ling asked curiously.

"Xiao Tian was the one who found the camera. After that, she ordered her subordinates to check every part of her house and found the other camera." Han Shutai knew about this from Xi Xingyi's maid.

Previously, he called her maid and asked about what happened at her house. The maid told him everything because he was Xi Xingyi's lover.

"It's Xiao Tian again!" Hu Yuming could not hold back his anger after hearing Xiao Tian's name.

There were three reasons why he hated Xiao Tian to the bone. First, Xiao Tian ruined his date with Xi Ran more than once.

Second, he suddenly had a good relationship with Xi Xingyi. And last, he almost ruined their plans.

"Brother, how about we teach him a lesson?" Hu Yuming wanted to beat Xiao Tian so badly.

Han Shutai did not answer immediately and shifted his gaze from Hu Yuming to Hu Ling. "What do you think?"

"Up to you." Hu Ling responded instantly. "I've always failed to seduce him, so I'm giving up on that idea now."

Han Shutai touched his chin and began to think about it carefully. It was related to their plans, so he had to do everything carefully.

"Brother, if you're afraid of being exposed, how about we pay an assassin to beat him to death?" Hu Yuming gave a piece of advice. "Or we can hide our identity later like covering our faces and wearing black clothes. I mean like a ninja costume."

Of course, they did not know anything about Xiao Tian, or else they would definitely not dare to have such a wild idea.

Xiao Tian was a candidate to be the Ruler and had more than one hundred underlings, so attacking him was the same as suicide.

"Let's pay an assassin to beat him up." After thinking for several seconds, Han Shutai agreed with Hu Yuming's idea.

"Good!" Hu Yuming's eyes shone brightly because he really wanted to beat Xiao Tian.

Sure, he would not be the one to beat up Xiao Tian, but it was all the same because they were the ones who would pay the assassin.

"Brother, I know a skilled and famous assassin. Her name is Flower. Let's meet her later." Hu Yuming stated.

"Alright." Han Shutai agreed instantly.

They had no idea that the assassin they were about to meet was Xiao Tian's friend. Flower was her fake identity, and her real name was Crystal.

Sun Auction House, Xi Xingyi's Office.

Inside a big and luxurious office, two gorgeous ladies were sitting on the couch.

Both of them had beautiful faces and nice bodies as if God created them to be special humans on earth.

These two people were none other than Xi Xingyi and her subordinate, Leng Nichang.

"It's normal for him to be angry with you because you have done something cruel to him." Leng Nichang finally knew the reason why Xi Xingyi suddenly asked Xiao Tian's number earlier.

"Sigh!" of course, Xi Xingyi knew what she had done to him.

That was why she wanted to meet him and apologize. However, there was a big problem.

He refused to meet her!

'I didn't know why I was so immature yesterday.'

She really regretted her behavior.

If he hadn't found the mini camera, she wouldn't have known about it until now.

'Why did I do that?'

If she were in his shoes, she would also feel disappointed.

'And Shutai is also suspicious.'

She was even more suspicious of Han Shutai now.

She believed he was hiding something from her. But what annoyed her most was that he took a shower before meeting her.

Even though he stated that he did not have an affair with another woman, but her instincts said the opposite.

After all, bathing could be used as a way to get rid of women's body scents.

"Do you have any suggestions in mind?" Xi Xingyi inquired.

"Apologize to him as soon as possible." Leng Nichang responded instantly.

"But he refuses to meet me." Xi Xingyi also wanted to do that because he always refused to meet her.

"How about you go to his house later?" Leng Nichang gave a piece of advice.

Chapter 1376 Going to Xiao Tian's House

"Going to his house?" Xi Xingyi said in surprise.

"Yes." Leng Nichang responded, "With this, you can meet him for sure."

"Why didn't I think of this before? Alright, I will go to his house later." Xi Xingyi thought it was a good idea, so she agreed instantly.

"Then, I will go to meet Ran now." Leng Nichang had finished her work, so she wanted to meet Xi Ran.

"Please protect my daughter, Nichang." Xi Xingyi responded.

"Understood." After saying that, Leng Nichang went to Xi Ran's apartment.

Han Shutai's House, Living Room.

Han Shutai was currently in the living room with Crystal and Hu Yuming.

Of course, they did not know her real identity because she used her fake name and covered her face with a black veil.

"Do you mean that famous Xiao Tian?" Crystal inquired.

"Yes. That famous Xiao Tian, the owner of Star Group." Han Shutai repeated his words. "Xiao Tian will ruin our plan if we don't do something to him, so I want you to teach him a lesson."

"That's right. He even ruined my date with Ran earlier." Hu Yuming added. "I want you to beat him to death."

Crystal looked at Hu Yuming before returning her attention to Han Shutai. "Your plan? What plan? Can you tell me what your plan is?"

Usually, she would not care about other people's business, but it was different this time because it was related to Xiao Tian.

Han Shutai did not answer her question because it was dangerous to reveal their plan to other people.

However, Hu Yuming answered her question honestly. "Our plan to snatch Xi Xingyi's company!"

Han Shutai instantly looked at Hu Yuming. "Yuming!"

'This fool!'

He suddenly wanted to slap Hu Yuming's face.

Sure, Crystal was an assassin they paid to beat up Xiao Tian, but revealing their plans to her was still dangerous.

"I'm sorry, brother." Hu Yuming realized his mistake.

Actually, he only slipped his tongue earlier because he could not control his emotion when he remembered Xiao Tian.

"Don't worry. I won't tell anyone about it. I only want to know the reason why you want to teach Xiao Tian a lesson." Of course, Crystal lied to them because she would tell Xiao Tian about it later.

Hu Yuming and Han Shutai let out a sigh of relief after hearing her words.

"I will inform you about the progress of my mission later." After saying that, Crystal left.

"Yuming, why did you answer her question earlier?" Han Shutai was still unhappy with Hu Yuming's behavior.

"I'm sorry, brother." Hu Yuming apologized again. "I slipped my tongue."

"You should be more careful next time." Han Shutai uttered, "Let's go and meet your elder sister now."

"Alright." Hu Yuming nodded his head.

At this moment, Crystal was on her way to Xiao Tian's company.

Her intention was clear.

She wanted to tell him about Han Shutai's plan!

However, she could not meet him because he was not in his company.

She even could not reach him because his smartphone died. For this reason, she decided to send him a message, saying she wanted to tell him something important.

Xiao Tian's Mansion, Kitchen.

Ye Xueyin was currently washing vegetables in the kitchen. Even though she was alone, but a happy smile could be seen on her pretty face.

Not only that, she even sang Xiao Tian's song as she washed vegetables. Everything was normal except for one thing.

She wore sexy transparent lingerie as she washed vegetables!

She even behaved normally, as if it was normal to wear sexy lingerie in the kitchen. No, it was as if she wanted to show off her perfect body to the world.

She wanted the world to know that she still had a perfect body even though she was already in her mid-thirties.

"I've come to love you...

To give you happiness...

To give you the best thing in the world...

So, let me be your lover and protect you...."

She sang Xiao Tian's song with a smile on her pretty face.

As she was singing happily, someone suddenly squeezed her big breasts from behind. "Kya."

"Why are you wearing sexy lingerie in the kitchen?" like before, Xiao Tian was still squeezing her breasts.

"Because there is only sister Ning at home." she would not wear sexy lingerie if Feng Yu and Mu Ai were at home.

"Where are the others?" he kissed her neck after throwing a question.

"Ah... They went to the night-market." even though he only kissed her neck gently, but it was enough to make her body quiver.

"I see." his hands went under her sexy lingerie and played with her breasts directly.

"Hmmm..." Ye Xueyin shut her eyes and tilted her head back.

Her legs began squirming, and the flames of lust started to consume her body.

'Tian is going to eat me again.'

Her heart was filled with happiness.

Like before, a seductive moan came out of her little mouth when Xiao Tian kissed her body gently.

She then turned her head to the right, asking for a kiss.

Even though she did not say anything, Xiao Tian knew what she wanted. For this reason, he brought his face closer to hers before finally devouring her soft pink lips.

Of course, he did not stop squeezing her breasts because it felt good kissing her while playing with her breasts.

The kiss only lasted for five seconds before Xiao Tian broke the kiss. There was a reason why he suddenly stopped the kiss.

He wanted to taste her lovely vagina!

As usual, he was not in a hurry in everything.

He kissed her neck and shoulders before finally making his way down to her slender waist.

Ye Xueyin cooperated immediately when Xiao Tian tried to take off her black underwear because she knew something like this would happen.

Xiao Tian's lips curled up into a grin after spreading her legs.

'As I thought, her pussy is already wet.'

He wasted no time and immediately licked her vagina.

"Ahh..." Ye Xueyin moaned loudly when Xiao Tian's tongue came in contact with her wet vagina.

Liu Ning, who was watching TV in the family room, shook her head.

'It seems like they are having sex in the kitchen again.'

The kitchen location was next to the family room, so she could hear Ye Xueyin's wail because she moaned loudly.

At the same time, Xi Xingyi was on her way to Xiao Tian's house.

'I hope he is at home now.'

She went straight to his house after finishing her work.

Her intention was clear.

She wanted to apologize to Xiao Tian!

She ruined their friendship because of her selfishness, so she wanted to apologize to him.

"The male lead in this movie is like Tian'er, a pervert!" Like before, Liu Ning was still watching a movie.

She did not join Xiao Tian and Ye Xueyin because the movie piqued her interest.

*Ding...Dong...

The sound of the doorbell echoed in Xiao Tian's house.

Of course, Xiao Tian ignored the doorbell and kept licking Ye Xueyin's wet vagina. He was enjoying his lover's pussy, so he did not care about anything else.

"Who is coming to our house?" Liu Ning rose to her feet when someone pressed the doorbell again.

Chapter 1377 Xiao Tian, I'm Pregnant And You Are The Father!

Liu Ning was shocked when she saw Xi Xingyi.

'Who is she? Is she Tian'er friend or his new lover?'

She had never met Xi Xingyi before, so she had no idea who Xi Xingyi was.

Like Liu Ning, Xi Xingyi was also shocked when she saw a gorgeous lady opening the door.

Even though all of Xiao Tian's women were attractive, but Liu Ning and Ye Qingyu were the most beautiful ones.

'His lover is so beautiful!'

Sure, she was also a gorgeous lady, but she was still stunned when she saw how beautiful Liu Ning was.

"Hello, I'm Xiao Tian's friend." Xi Xingyi spoke as she smiled, "I have something important to tell him. Is he home?"

"He is not at home right now. If you want, I can deliver your message to him later." There was a reason why Liu Ning decided to lie.

Xiao Tian was currently having sex with his mother!

Sure, it was normal for lovers to have sex, but what they did was taboo.

It would cause trouble if someone learned about his taboo relationship with his mother. That was why she decided to lie.

"I see." Xi Xingyi's face turned sad. "Do you know when he will return home?"

"I don't know." Liu Ning kept lying.

Xi Xingyi had no idea that Xiao Tian was currently sliding his penis in and out of Ye Xueyin's wet pussy.

She did not know about it because she could not hear Ye Xueyin's moans from the terrace, or else she would have been greatly surprised by what they were doing in the kitchen. I will leave now." Xi Xingyi wanted to apologize to him, so it was better to do it directly.

"Alright." After Xi Xingyi left, Liu Ning closed the door.

She immediately returned to the family room because she wanted to continue watching the movie.

"Ah...Ah...Ah..." Ye Xueyin's lovely cries entered her ears when Liu Ning stepped into the family room.

Like before, she behaved normally and watched the movie.

"I'm cumming..." Ye Xueyin gritted her teeth and tilted her head back.

*Drip...

She had just had a massive orgasm, so the floor was wet from her love juices.

"It felt great, Tian." A happy smile appeared on her pretty face. "Let's continue in your room."

He still had not had an orgasm, so she knew he was still not satisfied. That was why she suggested that they continue in his room.

"Sure." he lifted her body before finally placing both of his hands on her soft ass.

"Ahh..." a seductive moan came out of Ye Xueyin's little mouth because his cock was still in her vagina.

Xiao Tian was currently carrying his mother. He could see her fascinating expression because they were facing each other.

"I knew you would do something like this." Ye Xueyin was not surprised by his actions because he had done it many times.

"But you love it, right?" Xiao Tian did not pull his cock out of her vagina because he still wanted to feel her amazing pussy.

Ye Xueyin did not answer and only giggled. "Hehe."

She even knew that he would fuck her on the way to his room. Of course, she would let him do whatever he wanted because it was exciting.

And like what she had guessed, Xiao Tian fucked her wet vagina every five steps. Her love juices even did not stop dripping onto the floor, drawing a straight line.

When they were in front of Liu Ning, Xiao Tian stopped his footsteps. "Ning'er, do you want to join us?"

"Sister Ning, let's have a threesome." Ye Xueyin added, "I won't be able to walk tomorrow if I handle him alone. Look! He even doesn't pull his penis out of my pussy when he is carrying me."

p、 and a-n、 o、 vel Liu Ning shifted her gaze from Ye Xueyin's face to her ass because she wanted to know if Ye Xueyin was telling the truth or not.

"Ah...Ah..." Ye Xueyin suddenly cried out in delight.

When he realized what Liu Ning was doing, Xiao Tian immediately moved his waist back and forth, sliding his huge penis in and out of Ye Xueyin's vagina.

There was a reason why he suddenly moved his waist like that.

He wanted to prove that his mother was telling the truth!

"See! Join us, sister Ning." Ye Xueyin asked Liu Ning to join them again.

Liu Ning immediately turned off the TV and rose to her feet. "Alright."

Xiao Tian and Ye Xueyin smiled happily after hearing Liu Ning's words. And soon, his room was filled with seductive moans.

The following morning, Xiao Tian went to Bamboo Restaurant to meet Crystal. He was shocked when she said she had something important to tell him.

"What is it, Crystal?" he asked curiously.

Xiao Tian was currently in the VIP Area of the Bamboo Restaurant with Crystal.

"It's like this." Crystal, who was sitting on the opposite side of him, explained everything.

"What?!" Anger stirred within him after hearing her explanation.

'I didn't expect to get fooled by them.'

He clenched his right fist.

She took her smartphone out of her pocket and uttered, "Here is the proof."

She recorded her conversation with Han Shutai and Hu Yuming because, with this, Xiao Tian would not take her words as a joke.

Of course, Han Shutai and Hu Yuming did not know anything about this or else they would have been looking for her by now.

The anger in his heart grew bigger, and his eyes gleamed with terrifying sharpness. "Please send this voice recording to me."

After sending the voice recording to him, Crystal inquired, "What are you going to do?"

"I will teach them a lesson!" even though Han Shutai and Hu Yuming still had not done anything to him, but they had bad intentions to him, so he would teach them a lesson.

Crystal was not surprised by his words because she knew his personality. "I know where his house is."

"Please tell me where their houses are and send me the pictures of them." he would order his underlings to beat them later.

He would not kill them instantly because he wanted to torture them slowly. After that, Xiao Tian went to his gang to order his underlings to beat Hu Yuming and Han Shutai.

Blue Ice Lotus Gang Headquarters, Front Yard.

"Fuck! Leader, let me beat them!"

"Leader, choose me. I will beat them to death!"

"I really want to skin them alive!"

All of his underlings were furious when they learned everything.

Xiao Tian looked at Mizu before finally speaking, "Mizu, take nine people with you and beat them. You don't need to kill them, just beat them."

"Understood, leader." Mizu responded.

Shaaxi City, Zu Café.

Xiao Tian was currently drinking lemon juice in Zu café alone. He went straight to Zu café after ordering his underlings to beat Han Shutai and Hu Yuming.

At the same time, Xi Xingyi stepped into the Zu café.

'Xiao Tian?'

She did not expect to meet him in Zu café.

'This is a good opportunity to make up with him.'

With that idea in mind, she walked toward him.

Xiao Tian instantly rose to his feet and wanted to leave the Zu café when he caught sight of her.

The reason was simple.

He was still angry at her!

He did not want to quarrel with her because she was Xi Ran's elder sister.

For this reason, he decided to leave.

When he was in front of her, Xi Xingyi immediately said, "Xiao Tian...."

However, Xiao Tian ignored her and walked past her.

Yes, he behaved as if he did not see her!

Xi Xingyi instantly turned around and grabbed Xiao Tian's right arm. "Xiao Tian, I want to talk to you."

"I'm very busy right now." Xiao Tian lied to her. "Let's talk another day."

She tried to stop him, but he always ignored her. At this moment, everyone in the café was looking at them.

"What is this?"

"It looks like a quarrel between a couple."

"I think so too."

Like before, Xiao Tian ignored Xi Xingyi. He did something like this because he did not want the anger within him to grow bigger.

Xi Xingyi gritted her teeth.

However, she had to make up with him today as she was also uncomfortable with their relationship.

When Xiao Tian was about to walk out of the café, Xi Xingyi shouted, "Xiao Tian, I'm pregnant and you are the father!"

Chapter 1378 How About We Get Married Today?

*Silence...

The entire area dropped into a dead silence.

Xi Xingyi's words had taken them by surprise.

"What?!"

"So that guy doesn't want to take responsibility?!"

"What an irresponsible man!"

"What kind of man is he?! I'm disappointed."

"Me too. He only has a handsome face, but his personality is terrible."

"As I thought, most good-looking men are bad people!"

Everyone got the wrong idea because Xi Xingyi said something shocking like that.

She ignored the chatter and looked at Xiao Tian. She used this method because he always refused to talk to her.

Xiao Tian instantly stopped his footsteps and turned around.

'I see. So, you want to play around, huh? Then don't blame me for taking advantage of the situation.'

With that idea in mind, he walked toward her with a soft smile on his handsome face.

Xi Xingyi was stunned when she saw his soft smile.

'What?! Why is he smiling at me? Is he not angry with my actions?'

Previously, she thought Xiao Tian would yell at her, but she was wrong.

"Kya!" she was shocked when he suddenly carried her.

But what surprised her most was that Xiao Tian suddenly kissed her lips.

'He kissed me!'

She knew she had just said something that could ruin their image.

However, she did not expect him to kiss her. He even kissed her lips. He should have known she had a lover because she had introduced her lover to him a few days ago.

Xiao Tian could see her surprised face because they were facing each other.

'This is just a small punishment. If you were not lady Xi Ran's older sister, I wouldn't want to meet you. I even did nothing when you suspected me after helping you.'

Of course, he had no idea that he had just kissed a woman in her mid-forties.

No, he would not care even if he knew about it because he loved MILF, especially a MILF like her.

Even though Xiao Tian suddenly carried her, Xi Xingyi did nothing. She even wrapped her legs around his waist and put her hands on his shoulders.

All she did was only stare at Xiao Tian's handsome face because he did many shocking things to her.

"Xi, I'm sorry for trying to avoid you. It's because your mother told me to disappear from your life. I didn't want to ruin your relationship with your mother, so I decided to grant her wish." Xiao Tian made an excuse so the onlookers would not think of him as a bad person.

And his method worked very well.

"I see."

"So, it's because of her mother."

"I suddenly feel sorry for him."

"Her mother should not have tried to separate them because I could see they loved each other from their faces."

"Yes. I can see it too."

"Look at them. It seems like they love each other deeply."

One by one, the customers began to feel sorry for Xiao Tian.

"How about we get married today? I will show you how deep my love is for you." After saying that, Xiao Tian turned around and walked out of the café.

'Luckily, no customer is aware of my real identity.'

He did not want to be in the café anymore because it could ruin his image.

At this moment, Xi Xingyi still did not say anything and only stared at Xiao Tian's handsome face. She even forgot to apologize to him.

Xiao Tian stopped his footsteps after walking out of the café. "What's wrong, love? Are you still angry at me? Here, I will kiss you again, so please don't be angry at me anymore."

Like before, he kissed her again. He even kissed her on the lips as if they were lovers who had kissed many times before.

Xi Xingyi finally came to her senses after feeling his lips on hers.

'He kissed my lips again!'

Even though Xiao Tian had kissed her lips twice, she did not yell at him.

'Wait! This is a good opportunity to apologize to him.'

Even though they were in an inappropriate position, she still wanted to apologize because he always refused to talk to her.

"Xiao Tian, I'm sorry. I'm sorry for behaving immaturely." She apologized to him.

"Why are you apologizing to me, Xi? It's not your fault." he still behaved as if they were lovers who did not get the blessing from her mother.

'It's a good place to talk.'

He immediately sat on the empty public seating.

At this moment, Xi Xingyi was sitting on his lap, facing him. "Even though your mother doesn't give her blessing for our relationship, but you don't need to worry about it because I won't leave you again. I will always be by your side."

She did not expect him to continue his acting. "Xiao Tian, I'm serious. Can we make up now?"

"Sure. I also don't want to quarrel with you anymore because you are the woman I love the most in this world." Of course, he knew what she wanted, but he did not stop his acting and pretended as if he knew nothing.

"Xiao Tian, I'm serious. Can we go back to how we used to be?" she wanted to make up with him so badly because she felt bad and uncomfortable whenever she remembered her immature behavior.

She realized how stupid she was to suspect someone who always helped her and was there for her.

She regretted it!

She regretted it!

This was the main reason why she wanted to make up with him so badly.

"Go back to the way we used to be? What do you mean by that? Do you want to break up with me?" Xiao Tian pretended to be sad. "Xi, you're not thinking of breaking up with me, are you?"

Xi Xingyi sighed when Xiao Tian did not stop his acting.

'He is still angry.'

She suddenly guessed that he was still angry at her because he always changed the topic of conversation.

"I may be poor now, but I'm not a useless person." He spoke and paused for a second before he continued, "I will prove to your mother that I can become the richest man in China."

He pretended money was the reason why her mother disapproved of their relationship.

"Yes. I believe in you." Xi Xingyi gave in and decided to play along with his acting.

Xiao Tian's face broke into a smile. "So, you won't break up with me, right?"

"No." Xi Xingyi shook her head. "I will still be your lover, forever."

'I hope he can forgive me after this.'

She added in her mind.

"You are indeed the best woman, Xi. I really love you." Even though Xiao Tian was no longer angry with her, but he still couldn't forgive her completely.

"I love you too, Xiao Tian." Xi Xingyi looked at him lovingly as if she really loved him.

Of course, she still remembered Han Shutai, but she did not care about him at this moment.

His behavior was suspicious, and she suspected that he was the one who put the mini camera in her house.

At this moment, Xiao Tian suddenly asked her to do something shocking. "To celebrate this special day, how about you kiss me on the lip now?"

Chapter 1379 Are You Going to Snatch Me From My Boyfriend?

Xi Xingyi's pupils dilated.

'What?'

Sure, Xiao Tian had kissed her lips twice, but he was the one who kissed her, not the other way around.

This was the reason why she was shocked when he asked her to kiss him. He even asked her to kiss him on the lips.

'How long are you going to take advantage of me?'

That was the question that appeared in her mind.

"What's wrong, Xi?" Xiao Tian inquired.

Of course, he knew that his wish was absurd. However, he did not care about it because she had tried to ruin his image earlier.

Whatever happened, he would take advantage of the situation until he was satisfied. This was her punishment for trying to ruin his image.

"Xiao Tian, your wish is..." she could not finish her words.

"Is my wish too much for you? But haven't we kissed a lot in the past? We even kissed twice in the café earlier." he did not give up and tried to make her kiss him.

Of course, he did not forget about Han Shutai. If Han Shutai wanted to blame someone, he should blame her because she was the one who started it.

She was at a loss for words.

'When do we kiss other than earlier?'

She did not expect him to say something like that.

'It seems like he wants to keep taking advantage of me. Was it because I said I was pregnant earlier? What should I do now? Should I do what he wants?'

She could not make up her mind.

'No. I can't grant his wish because it's the same as I'm cheating on my lover.'

When she recalled Han Shutai, she remembered his suspicious behavior.

'But Shutai's behavior is suspicious. I also suspect he is having an affair with another woman behind my back.'

She suddenly remembered when Han Shutai took a bath before meeting her as if he wanted to remove the scent of a woman from his body.

When she was in deep thought, Xiao Tian did something shocking.

He cupped her face and kissed her lips!

Of course, he knew his action was bad.

Actually, he did not want to do this, but he had to punish her so that she filtered her words in the future because the consequences could be fatal.

This was also the first time he had done something like this to a woman without confirming her feelings first.

Normally, he would first confirm the women's feelings for him before doing anything to them because he did not want his actions to backfire on him.

However, he did not do that this time because he had to teach her a lesson. Of course, he would only kiss her, nothing more than that.

Xi Xingyi widened her eyes.

'He kissed my lips again!'

She was startled.

But what surprised her most was that a soft thing suddenly tried to enter her mouth.

Of course, she knew what it was because she was not an innocent teenager.

Tongue!

It was Xiao Tian's tongue!

'Does he want to kiss me passionately?'

She did not open her mouth and only stared at his black eyes.

'Xiao Tian, did you forget that I already have a boyfriend?'

But even so, she slowly opened her mouth, giving way for his tongue to enter her mouth.

'Why? Why did open my mouth?'

She still did not understand what she was doing.

Of course, she did not forget about her lover, but she still opened her mouth as if her mouth had its own thought.

'His black eyes are so beautiful.'

She looked at Xiao Tian's black eyes as she opened her mouth slowly.

'It feels good! He is so skilled in deep kissing.'

She slowly welcomed the kiss.

Their tongues danced softly in her mouth, and the flames of lust began to appear within them.

They even forgot that they were in a public place because what they had in mind was only one thing.

Enjoy the kiss!

Both Xiao Tian and Xi Xingyi tilted their faces to the left and right as they had a hot kiss.

*One second...two seconds...three seconds...

It had been more than five seconds since they started having a deep kiss, but none of them showed any sign of stopping.

It was as if they were lovers who had been separated for a long time. Coincidentally, there was no one around them at the time.

Xi Xingyi immediately broke the kiss when she was out of breath. "Xiao Tian, I already have a boyfriend? Why did you kiss me?"

Actually, she had guessed the answer. She was sure Xiao Tian kissed her because he wanted to punish her. After all, she said something inappropriate earlier.

"Are you going to snatch me from my boyfriend? Are you going to make me yours?" she asked many questions.

Instead of answering all of her questions, Xiao Tian kissed her again.

Like before, Xi Xingyi welcomed the kiss instantly as if she was addicted to his kisses.

'Ahh. He is ignoring my questions and kissing me again. I should stop him now, or else it will be dangerous for me.'

She forgot to stop him when she saw his beautiful black eyes and felt the pleasure of his kiss.

'I will let him kiss me a little longer before stopping him.'

She suddenly changed her mind.

'Yes. This is my punishment. I will let him punish me for now.'

With that idea in mind, she moved her tongue lewdly.

Actually, Xiao Tian had no intention of kissing her passionately. He only tried to put his tongue into her mouth because she let him kiss her lips.

In other words, he only tried his luck earlier!

He just did not expect her to open her mouth shortly after that.

Not only that, she even welcomed the kiss and intertwined her tongue with his. This was the reason why he decided to kiss her passionately again.

He wanted to punish her again!

Like before, Xi Xingyi stopped the kiss when she was out of breath.

"Xiao Tian, tell me. Why did you kiss me? Are you going to snatch me from my boyfriend?" She repeated her questions.

Chapter 1380 Loser!

Like before, Xiao Tian did not answer her question because he only wanted to punish her for saying inappropriate things.

When he wanted to kiss her lips again, Xi Xingyi put her right index finger on his lips. "You should answer my question first before kissing me again."

The meaning of her words was clear.

He could kiss her passionately again!

However, he had to answer her question first before kissing her hungrily again.

Actually, these questions were simple, and Xiao Tian could lie to her, but he only stared at her.

"Does that mean I can kiss you passionately again after answering all of your questions?" Xiao Tian inquired.

Xi Xingyi finally realized what she had just said, "I will think about it after hearing your answer."

"Because that's your punishment." Xiao Tian gave an honest answer.

"Punishment?" even though she had guessed it, she was still sad after hearing it from him.

"Yes. Punishment." he repeated his words. "This is your punishment for saying inappropriate things and returning good with evil."

She suddenly remembered the time when she suspected him. "Xiao Tian, I'm sorry. I behaved immaturely that day. I did not know why I acted like that. Maybe it was because I did not want to suspect my lover."

"Yeah. I was disappointed with you at that time." he did not hide his disappointment.

"You have punished me, so we can go back to how we used to be, right?" she hoped he would say yes.

"But I'm still not satisfied." Xiao Tian joked around. "I still want to punish you."

"What are you going to do this time? Can't you forgive me already? Or do you want to rape me?" actually, she could run away from him, but she did not do that and stayed on his lap.

"Pfftt!" a suppressed peal of laughter burst out. He didn't expect her to say something like that. "Xi, I'm a playboy, not a rapist. Why do you think I will rape you?"

"Because you are a bad young man." she gave an honest answer.

"Well, I'm indeed a bad young man." he didn't deny her words.

"See! You even admitted it." Xi Xingyi thought he would deny it earlier.

"But your lover is also a bad man." Xiao Tian stated.

"Why did you say something like that?" she wanted to know why he said Han Shutai was a bad man.

She believed Xiao Tian had only met Han Shutai less than five times, so she wanted to know why he said such a thing.

"Of course, I know beca-" Xiao Tian stopped his words halfway because his smartphone suddenly rang.

"Is it one of your girlfriends?" Xi Xingyi asked curiously.

"Yes." After saying that, Xiao Tian picked up the phone. "Hello, Fei?"

"Little brother, come to the company right now. I need you to sign important documents." Shi Fei went straight to the point.

"Alright. I will be there soon." Xiao Tian hung up the phone. "Xi, I have to return to the company now."

"Alright." Xi Xingyi nodded her head.

Hu Yuming's House, Living Room.

Two men were sitting on the couch with displeased faces. Their faces were filled with bruises, and blood could be seen on their clothes.

Cursing words kept coming out of their mouths, and their eyes were filled with the flames of fury.

These two men were none other than Han Shutai and Hu Yuming

Han Shutai and Hu Yuming were furious because ten people suddenly appeared and beat them without explaining anything.

Of course, they tried to defend themselves and fight back, but their enemies were powerful martial artists.

For this reason, they got beaten up by these unknown people.

"Just who are they?" Hu Yuming could not control his anger because unknown people suddenly beat him.

"They wore veils before, so it's hard to know their identities." like Hu Yuming, Han Shutai was also annoyed. "Have you had any enemies recently?"

"I'm sure I don't have any enemies since I've only interacted with you, big sister and Ran lately. What about you, brother Shutai?" Hu Yuming believed he did not have any enemies because he never left the house if it wasn't important.

"I believe I have a good relationship with everyone I know." Han Shutai always treated people he knew well because he had to maintain his image.

"Then, who is the mastermind?" Hu Yuming was sure that someone ordered these ten people to beat them.

"I don't know." Han Shutai shook his head. "But I will investigate this later."

They still had no idea that Xiao Tian's underlings were the ones who beat them. They even did not know that Crystal was Xiao Tian's friend.

"I'm home!" Hu Ling entered her house with a smile on her face.

She was delighted because she had just bought new clothes. However, her happy face instantly turned worried when she saw Han Shutai and Hu Yuming.

"Shutai, Yuming, what happened to you two?" She said worriedly.

"It's like this, sister." Hu Yuming began to explain everything.

Previously, they went to a nearby cafe, but ten people suddenly appeared when they were in the parking lot.

These ten people did not say anything and suddenly beat them. They could not defend themselves because these ten people were powerful martial artists.

"Wait here. I will take first-aid." After saying that, Hu Ling took first aid to treat them.

"Ouch!" Hu Yuming cried out in pain when his elder sister was treating his injuries. "Sis, please be gentle."

"I'm treating your injuries gently." she responded, "Endure it. You are a man, so you should not cry over something like this."

"But it hurts!" Hu Yuming defended himself. "Ouch!"

"Stop moving your head! Or do you want to treat your injuries by yourself?" Hu Ling could not treat his injuries because Hu Yuming always moved his head or body. "You always try to act like a real man every time we have sex, so stop acting like a woman."

"But I'm indeed a real man!" Hu Yuming stated.

"Say that after you can satisfy me in bed." he had never satisfied her whenever she had sex with him.

Sure, he managed to make her orgasm, but it was only when Han Shutai joined them.

In other words, Han Shutai and Hu Yuming never satisfied her if they didn't have a threesome.

This was the reason why she wanted to have sex with Xiao Tian so badly. However, she never had the chance to do that because she always failed to seduce him.

Hu Yuming gritted his teeth because her words hurt his pride. "Let's have sex right now. I will prove to you that I'm a real man."

Hu Ling was startled. "What?! You want to have sex with me? Aren't you injured right now?"

"My face and legs are indeed injured, but my cock is still fine." Hu Yuming could not accept it and wanted to prove to her that he was a real man.

Han Shutai only shook his head after hearing Hu Yuming's words.

"Sure." Hu Ling agreed instantly. "But I will call you a loser if you fail to satisfy me."

"I will make you unable to stop moaning later!" after saying that, Hu Yuming removed his trousers.

Then Hu Ling and Hu Yuming had sex in the living room for several minutes.

"Loser!" Hu Ling stated.

She was currently sitting on the couch, naked. Previously, she had sex with her younger brother because he wanted to prove to her that he was a real man, but he failed.

He even had an orgasm three times, while she did not have an orgasm even once. That was why she said he was a loser.

"Sis, please don't say a cruel thing to me. Have you forgotten that I'm your younger brother?" Hu Yuming wanted to defend himself, but he did not know what to say.

"Loser!" she ignored his feelings and called him a loser again.

Hu Yuming suddenly wanted to cry. Previously, ten people suddenly beat him, and now, his elder sister saw him as a loser.

'This world is so cruel to me.'

He shouted in his head.

Xi Xingyi's House, Her Bedroom.

Xi Xingyi was currently lying on the bed, alone. She couldn't sleep because she kept remembering Xiao Tian's words.

'Oh right, why did Xiao Tian say Shutai is a bad person? What did he want to say before returning to his company earlier? Didn't they only meet less than five times? Did something happen between them?'

Countless questions appeared in her mind.

'It seems like I have to meet them tomorrow.'

It was already night, so she decided to sleep.
