

## **Illicit 1381**

Chapter 1381 Are You Going to Punish Me Again?

The following day at 11:00 am, Xi Xingyi called Han Shutai to invite him to lunch with her.

Of course, her real intention was to observe his behavior. However, she did not say it and only said she wanted to have lunch with him.

Even though she suspected him, she did not change her behavior because she was still not one hundred percent sure that Han Shutai was the one who put the mini camera in her house.

No, it was because her heart still could not accept it. This was the reason why she kept denying everything.

"Bamboo Restaurant? Sure. I will be there soon." Han Shutai responded as he smiled happily.

Of course, his face was still filled with bruises because Xiao Tian's underlings beat him yesterday.

At this moment, Xi Xingyi was already in the VIP area of the Bamboo Restaurant. She did not know why she was not as happy as she used to be.

Usually, happiness always blossomed in her heart whenever she wanted to meet him, but it was different this time.

She felt nothing!

She felt as if she was about to meet her friend, not her lover.

She was surprised by this sudden change in feelings. But what surprised her most was that Xiao Tian's handsome face kept appearing in her head.

'Why do I keep thinking about him?'

She was about to meet her lover, but here, another man kept appearing in her mind.

'Is it because of what we did yesterday?'

She did something inappropriate with him yesterday.

They had a deep kiss!

They even had a passionate kiss in a public place.

'Xiao Tian, please disappear from my head now.'

She was about to meet her lover, so she should not think about another man.

However, her efforts were in vain. The more she tried to get him out of her head, the harder it was to get him out of her mind.

Even his charming smile suddenly appeared in her mind, making her want to meet him even more.

'I will meet him after this.'

She gave in and decided to meet him because she could not get him out of her mind.

As she was deep in thought, Han Shutai's voice suddenly rang out. "Xingyi, you have arrived?"

Xi Xingyi instantly rose to her feet

'What happened to him?'

She was shocked when she saw his face.

"Shutai, what happened to you?" He did not tell her about the incident, so she did not know what had happened to him.

After sitting on the opposite side of her, Han Shutai responded, "It's like this."

He began to explain everything. He also used this opportunity to make her unsuspecting of him.

"I believe the person who ordered these ten people was the one who put the mini camera in your house." he tried to make Xiao Tian his scapegoat.

Of course, she did not believe his words easily. "Have you called the police?"

"No. I'm sure the police won't be able to catch them, so there is no point in reporting this to the police." Actually, there was another reason why he did not report the incident to the police.

He was afraid the police would know about his plan later!

He did not want his plan to be exposed, so he chose not to report the incident to the police.

"But wouldn't it be better to report it to the police?" of course, she still did not know the reason why he refused to report the incident to the police.

"It's fine." Han Shutai responded, "I will investigate this later."

During their conversation, he tried to convince her that the person who put the mini camera in her house was the same person who ordered these ten people to beat him.

But instead of believing his words, Xi Xingyi was even more suspicious of him. Of course, she still hid everything.

They talked for about an hour before Han Shutai finally left.

"His behavior is getting more and more suspicious." Xi Xingyi stated. "Alright, forget about him. I will call Xiao Tian now."

"Hello, Xi?" Xiao Tian had always called her name directly since yesterday.

"Xiao Tian, let's meet up now." Xi Xingyi went straight to the point.

"What is this? Do you want to do lewd things like yesterday?" he decided to tease her.

"We will see about it later." Xi Xingyi responded, "So, how is it? Do you want to meet me or not?"

"I have important work now, but it will be done in twenty minutes." Even though he wanted to meet her immediately, he decided to continue working.

"Then I will be waiting at Rainbow Garden. Call me after you arrive." She did not force him to meet her immediately because she understood his position.

"Rainbow Garden?" Xiao Tian was pleasantly surprised, "Sure. Let's meet at Rainbow Garden."

Xi Xingyi went straight to the Rainbow Garden after hanging up the phone. She decided to wait at Rainbow Garden because the scenery was breathtaking.

"This place is as beautiful as ever!" she was currently in one of the resting buildings.

She sat on the mat with her back leaning against the wooden wall. Her face was full of smiles because the scenery before her was beautiful.

'I hope Xiao Tian will arrive soon because this scene will be even more beautiful if a handsome young man is next to me.'

At this moment, she didn't realize she was thinking about Xiao Tian more often now.

And as if God had granted her wish, Xiao Tian arrived shortly after that. He didn't come empty-handed as he was holding a coconut in his hands.

"Xi, I bought coconut for us." Xiao Tian showed the coconut in his hands.

Xi Xingyi smiled softly when she saw him. "Why did you buy a coconut? You even only bought one. Do you want to drink the coconut alone?"

After sitting next to her, Xiao Tian responded, "We can drink this coconut together."

"Together? But there is only one drinking straw in your coconut?" she answered, "Why didn't you ask the seller to give you two straws earlier?"

"Oh, I forgot about it." Actually, he did not ask the seller to give him two straws on purpose because with this, he could lovey-dovey with her later. "It's fine. We can drink from the same straw."

"Suspicious." Xi Xingyi uttered, "Why do I feel like you are up to something?"

"What are you talking about? I'm no longer angry at you, so I won't punish you again." After saying that, Xiao Tian patted his thighs. "Come here and sit between my legs."

"Sit between your legs?" she was startled by his words, "Why do I need to sit between your legs?"

"Because with this, we can drink this coconut together." he lied to her. "Come here or else, I will punish you again."

Actually, Xi Xingyi was pleased deep inside her. Seeing an attractive young man like Xiao Tian wanting to be intimate with her made her feel young again.

After sitting between his legs, she inquired, "Xiao Tian, have you forgotten that I have a boyfriend?"

Xiao Tian gave the coconut to her before answering, "No. But I just want to lovey-dovey with you, nothing more than that."

"Lovey-dovey with me?" Xi Xingyi responded, "Do you mean you want punish me again? No, I mean, are you going to kiss me passionately again?"

Chapter 1382 Xiao Tian, Kiss Me Passionately

Xiao Tian was startled after hearing her words.

'Why did this woman always say something like that? It's as if she wants to have a deep kiss with me again.'

He wrapped his arms around her slender waist before gently kissing her hair.

Xi Xingyi, who was holding a coconut, smiled when she saw his hands around her waists.

'I wonder what his reaction would be if he knew my real age.'

She instantly shook her head.

'No, no. I should not tell him about my real age now.'

She was afraid his behavior would change after learning about her actual age.

"What's wrong, Xi?" he asked curiously when he saw her shaking her head.

"Nothing." she lied to her. "Xiao Tian, it seems like you are planning to snatch me from my boyfriend. Haven't you already had many girlfriends?"

"You can't blame me for this." he responded, "I just love beautiful woman."

"Does that mean I'm beautiful in your eyes?" she inquired.

Instead of answering her question, Xiao Tian asked, "Did someone never tell you about it?"

"They said I'm beautiful, but I don't know if you also think I'm pretty or not." Of course, she hoped he would say she was a gorgeous lady.

"Then they have good eyes like me." he gave his answer indirectly.

"What do you mean by that? Why didn't you just answer my question directly?" she pretended as if she did not get his words.

"This is my answer." After saying that, Xiao Tian kissed her right cheek.

Xi Xingyi was pleasantly surprised, but she chose to hide the happiness in her heart. "I don't get your answer. Does that mean you only see me as an easy woman?"

The corner of his lips twitched. "I mean, you are an attractive lady. I'm sure everyone agrees with my words."

"Xiao Tian, if I tell you I'm already forty-five years old, do you believe me?" Xi Xingyi inquired.

"No." Xiao Tian answered instantly. "You look like a woman in your twenties, so it's impossible for you to be forty-five years old."

Happiness blossomed within her after hearing his words. "Xiao Tian, kiss me."

Xiao Tian was startled.

'Eh?!'

He had no idea why she suddenly asked for a kiss like that.

"Kiss me." Xi Xingyi repeated her words. "Kiss me passionately like what you did to me yesterday."

He was getting more and more surprised.

Sure, he just praised her beauty, but he didn't expect her to ask for a passionate kiss.

Usually, any woman would only feel happy and smile after being praised, but she was different.

She immediately asked for a passionate kiss after he praised her beauty!

Something like this had never happened before.

No, Shi Fei and Ye Xueyin also did the same thing whenever he praised them.

However, they would not ask him to kiss them; instead, they kissed him immediately. Sometimes, they even did more than just kiss.

"I would love to do that but it's hard to kiss you passionately in this position." she was sitting between his legs with her back facing him, so it was hard to kiss her passionately.

To his surprise, Xi Xingyi suddenly put the coconut on the floor and turned around. "Now you can kiss me passionately, right?"

Xiao Tian did not answer her question and placed his hands on her slender waist. He wasted no time and instantly kissed her hungrily.

Like yesterday, Xi Xingyi felt immense pleasure when he kissed her passionately. It was much different from when she did it with Han Shutai.

The pleasure instantly arose and spread throughout her body as fast as lightning when Xiao Tian kissed her hungrily.

His soft lips and the movement of his tongue made her body hotter and hotter. She did not know she could feel such great pleasure just from a hot kiss.

Of course, she knew having a passionate kiss felt great, but the pleasure she felt was on a different level when she had a deep kiss with Xiao Tian.

She even felt as if she was a kid who just realized how delicious candy could be.

'I know I should not do something like this with him because I have a lover, but I can't stop myself. It's as if my body is already his.'

She tried her best to keep up with Xiao Tian's tongue movement.

'But he is really good at deep kissing. Is it because he has many girlfriends?'

At this moment, her eyes were already filled with the flames of lust.

"Huft...huft...Huft..." she broke the kiss when she was out of breath. "Now I finally know the reason why you have many girlfriends."

Xiao Tian ignored her words and kissed her hungrily again. She was the one who started it, so he would not stop until he was satisfied.

Like before, Xi Xingyi welcomed the kiss instantly. She even moved her tongue lewder and sucked his tongue hungrily.

'I'm going to lose my mind now. How can he turn me on with just a kiss?'

Of course, she knew the reason why he could make her aroused like that.

Like before, she broke the kiss again when she was out of breath. "Xiao Tian, I can't continue anymore. I need to catch my breath. Let's stop here for now."

She then turned around and sat between his legs again.

'It was dangerous, but it felt great.'

She took the coconut and began drinking it.

When Xiao Tian saw her drinking a coconut, he immediately uttered, "Xi, don't drink it alone. I want to drink it too."

"But there is only one straw." She drank the coconut again.

"What's the problem? I can drink from that straw too." Xiao Tian did not mind drinking from the same straw.

"But I have used this straw? Do you still want to drink from this straw?" Xi Xingyi inquired.

"We just exchanged saliva, so what makes you think I wouldn't drink from that straw?" Xiao Tian did not ask the seller to give him two straws because he wanted them to use the same straw.

"We did not exchange saliva. We just had a passionate kiss." Xi Xingyi denied his words instantly.

"What's the difference? Didn't you know that we exchanged saliva when we had a deep kiss earlier?" he could taste her saliva when they had a passionate kiss because they could not stop their saliva from dripping down when they had a deep kiss.

"Makes senses." After thinking for several seconds, she agreed with his words. "We did exchange saliva when we had a deep kiss earlier."

"Then let me drink the coconut now." Xiao Tian uttered, "I also want to drink it."

"Here, drink it." Xi Xingyi placed the drinking straw in front of his face.

He drank the coconut with a happy face because his goal had been achieved.

"Oh right, Xiao Tian. I met my lover earlier." Xi Xingyi spoke and paused for a second before she continued, "I'm suspecting him even more now."

"Xi, he is not as good as on the surface." Xiao Tian stated, "You should not trust him blindly."

"How do you know about it?" Xi Xingyi inquired.

"Because he paid an assassin to beat me." he gave an honest answer.

"What?!" Xi Xingyi said in surprise.

Chapter 1383 Did I Get Another MILF?

"What did you just say? Shutai paid an assassin to beat you?!" Xi Xinyi found it hard to believe what she was hearing.

"Yes. He wants to beat me to death." He would still think of Han Shutai as a good person if Crystal did not tell him the truth and gave the evidence.

She turned around to face him. "You are not lying, right?"

"I'm not lying because that assassin is my friend." he gave an honest answer. "She told me everything yesterday."

He did not reveal Crystal's identity because it could cause trouble for her. He just said the assassin was his friend.

"But why? Don't you have a good relationship with him? Didn't you two laugh together last time?" like before, she still found it hard to believe everything.

She thought Xiao Tian and Han Shutai had become friends because they got along well the last time they met.

"I was also fooled by his acting." Xiao Tian hated it because his instinct did not work like usual. "Xi, your lover is not a good man and he also has bad intentions to you."

"He has bad intentions to me?" her pupils dilated. "But I'm his lover, so why does he have bad intentions towards me?"

"Because he wants your money and company." After saying that, he took his smartphone out of his pocket. "Here. You can hear their conversation. My friend recorded their conversation in secret when she was at his house."

"I want you to beat him to death because he always gets in the way of our plan." Han Shutai's voice sounded through Xiao Tian's phone.

"Yes. Beat him to death!" Hu Yuming added, "I hate him to the bone because he ruined my date with Ran."

"What is your plan?" Crystal asked curiously.

"Our plan is to seize Xi Xingyi's company!" Hu Yuming gave an honest answer.

Xi Xingyi trembled with rage.

In her eyes, Han Shutai was a kind and mature man.

He had never even been angry with her and always understood her. He also forgave her every time she made a mistake.

This was the reason why she did not want to suspect him as the one who put the camera in her house.

She still did not want to admit it, but the evidence was in her hands. Her feelings suddenly turned complicated, and she had no idea what to do.

'So, I was fooled by him all this time?!'

Her eyelashes quivered.

'And why was he with Hu Yuming?'

Of course, she was familiar with Hu Yuming's voice because she had met him many times before.

"Do you want to know why your lover is with Hu Yuming?" actually, he was also shocked after hearing the voice recording. "It's because they are partners in crime!"

"They are partners in crime?!" Xi Xingyi continued to put on a surprised face because Xiao Tian kept giving her shocking information.

"Oh right, your lover is cheating on you all this time. He has an affair with Hu Yuming's elder sister, Hu Ling." Xiao Tian decided to reveal everything because he hated Han Shutai now. "I knew about this because I met them when I went to the park."

He said Han Shutai had sex with Hu Ling in a public toilet a few days ago. Of course, he told her he knew about it purely by chance.

Xi Xingyi's body suddenly turned weak. First, she had been fooled by her lover all this time. Second, he had bad intentions toward her.

Third, he was from the same group as the person she disliked. And last, he had an affair with Hu Ling behind her back.

She got too much shocking information, causing her body to become weak instantly.

'No, I have to stay strong.'

She suddenly remembered her daughter.

'I have to tell Ran about this.'

She then asked Xiao Tian to send the voice recording to her.

After receiving the voice recording, she rose to her feet and rushed toward her car.

"Xi, where are you going?" Xiao Tian was startled when she suddenly rushed to the parking lot. "What about our date? I still want to lovey-dovey with you."

"Xiao Tian, I have to tell my daughter about this. We will lovey-dovey again next time." She forgot to hide her identity because her mind was in a mess.

The expression of deep shock blossomed on Xiao Tian's face.

'What?! Daughter?! She is a mother?! Did I get another MILF?'

Of course, he still did not know that Xi Ran was her daughter.

Xi Xingyi wasted no time and went straight to Xi Ran's apartment. Coincidentally, Xi Ran had just finished filming for today, so she was at her apartment with Leng Nichang.

"Ran, open the door!" Xi Xingyi knocked on the door. "I have something important to tell you."

Xi Ran and Leng Nichang, who watched a movie in the living room, exchanged a glance with each other.

"Ran, open the door. It's your mother." Leng Nichang spoke abruptly.

"Ran, open the door!" Xi Xingyi knocked on the door again.

Xi Ran decided to open the door.

Actually, she did not want to meet her mother because they always ended up quarreling every time they met.

At this moment, they were sitting on the sofa in the living room.

"Ran, Hu Yuming is a bad person!" Xi Xingyi stated.

Xi Ran was unhappy with her mother's words. "Is this the reason why you came to my apartment?"

"Not only him, but Han Shutai is also a bad person." Xi Xingyi added, "You are right, Ran. You are right."

"Madam Xi, how do you know about this?" Leng Nichang asked curiously.

Xi Xingyi took her smartphone out of her bag. "Hear this."

Xi Ran's pupil dilated. "No! This is not real! This is not real!"

She did not want to accept the truth because Hu Yuming was a good person in her eyes.

"I got this voice recording from Xiao Tian." Xi Xingyi began explaining everything.

She said Han Shutai and Hu Yuming paid an assassin to beat Xiao Tian to death. However, that assassin was his friend, so she told him about Han Shutai's bad intentions.

"What?! They are partners in crime and want to snatch your company?!" Leng Nichang was enraged after learning the truth.

Xi Ran's body turned frail.

She loved Hu Yuming, but instead of trying to get her mother to agree to their relationship, he had bad intentions toward her and her mother.

'Yuming, is everything fake?'

She did not expect him to be so cruel like that.

Xi Xingyi embraced his daughter. "Ran, stay strong. I understand your feelings but you have to stay strong."

Xi Ran hugged her mother for the first time in several months. She needed her mother's embrace because her heart was broken.

"They are evil!" Leng Nichang stated. "We have to report this to the police so that they will get the consequences of their actions."

"Yes. We will teach them a lesson later!" Xi Xingyi would not forgive them because they had bad intentions toward her and her daughter.

----

Han Shutai's House, Living Room.

Han Shutai was currently sitting on the couch with Hu Yuming and Crystal. They called her because they wanted to know the progress of her mission.

"So, how is it? Have you beaten up him to the death?" Han Shutai asked curiously.

Chapter 1384 I Will Take Your Money as Compensation

"I still haven't managed to beat him to death." Crystal lied to them. "He is a martial artist and a powerful one on top of that."

"Fool!" Han Shutai roared angrily. "We paid you dearly but you still haven't completed your mission?! So, what have you been doing all this time?"

"Useless!" Hu Yuming added.

Crystal's eyes gleamed with terrifying light as she stared at them. "Then why don't you beat him yourself?"

She really wanted to beat them, but she could not do that because they were her clients. She could lose her job if she beat them and anyone knew about it.

"Useless bitch, we paid you to beat him to death, so why are you asking us to do that?" Hu Yuming could not suppress his anger.

He hated Xiao Tian to the bone and wanted to see him lying on the patient's bed, but she still did not manage to complete her mission.

"Now I'm starting to doubt your reputation. How could a useless assassin have such a good reputation?" Hu Yuming kept yelling at her.

Crystal was furious.

She had tried her best to suppress her anger, but Hu Yuming kept yelling and insulting her.

She strangled his neck and said coldly, "Do you think you can say whatever you want just because you have paid me?"

She was currently standing in front of Han Shutai with her right hand on Hu Yuming's neck.

Even though she was a female, but she was a martial artist at the high-level master stage, so lifting Hu Yuming with one hand was not difficult for her.

"Let...let go of me." Hu Yuming's face turned blue because he could not breathe.

He tried his best to remove her hand from his neck, but all of his efforts were in vain. He was not a martial artist, so his strength was nothing in front of her.

"What are you doing?" Han Shutai shouted, "Hurry up and let him go!"

She shifted her gaze from Hu Yuming to Han Shutai. "I need to teach him a lesson so that he filters his words before speaking in the future."

"I don't care! I know he has insulted you, but we are your clients, so let go of him now!" Han Shutai was also unhappy with her behavior. "Is this how you treat your clients?"

Crystal threw Hu Yuming to the floor. "I would not have treated him like this if he had not insulted me."

"Cough...cough...cough...." Hu Yuming was enraged, but he did not dare to voice out his annoyance because he was afraid that she would strangle his neck again.

"Our agreement is void now! I don't want to continue this mission anymore." After saying that, Crystal walked out of his house.

"Then return our money!" Han Shutai wanted his money back because she did not want to continue her mission.

Crystal stopped her footsteps and turned around. "I fought Xiao Tian three times and you both insulted me before, so I will take your money as compensation."

They were Xiao Tian's enemies, so she did not need to treat them nicely.

"Brother, beat her!" Hu Yuming wanted Han Shutai to beat Crystal because she did not want to return their money.

Han Shutai was a martial artist at the mid-level master stage, so he believed his brother could defeat Crystal.

Han Shutai nodded his head before rushing toward Crystal, intending to beat her.

"Die!" Han Shutai shouted as he raised his right fist high.

However, he underestimated her too much. Sure, she was a female, but she was much stronger than him.

For this reason, she could counterattack easily.

Bang!

Han Shutai was thrown against the wall before finally falling to the floor.

Previously, Crystal kicked his chin before he could hit her face. Not only that, but she also kicked him again when he was thrown into the air.

In short, she landed two strikes on his body in no time!

"You bitc- cough...cough...." Han Shutai coughed up blood before he could finish his words.

"Brother..." Hu Yuming rushed toward Han Shutai before helping him up.

"Don't contact me anymore." After saying that, Crystal left.

Actually, she wanted to keep beating them, but she changed her mind because Xiao Tian would do that later.

Hu Yuming helped Han Shutai sit on the couch before finally asking, "What should we do now, brother?"

"Let's act according to the plan." Han Shutai responded, "Let's focus on our plan for now. We will deal with Xiao Tian later."

"Alright." Even though Hu Yuming still wanted to beat Xiao Tian, but he could suppress his anger this time.

At this moment, Han Shutai's smartphone suddenly rang.

'Xingyi?'

He immediately picked up the phone.

"Shutai, can we meet now?" Xi Xingyi went straight to the point.

"Sure." he still had no idea that she already knew everything.

"Let's meet at Shanghai River in thirty minutes." Xi Xingyi uttered.

"Alright." Han Shutai agreed instantly

----

Blue Ice Lotus Gang Headquarters, Front Yard.

Xiao Tian was currently practicing the sixth secret technique. He had been continuously practicing this technique for ten days.

It could be said he had mastered the sixth secret move eighty percent now.

He only lacked one thing.

Speed!

'I will take a rest now.'

He sat on the ground.

Mu Hou walked toward him before finally saying, "Boss, we brought thirty candidates to be your underlings and all of them are at the master stage."

Xiao Tian was stunned.

He remembered saying he wanted to recruit several martial artists to be his underlings, but he was not serious because he already had more than one hundred underlings.

He just did not expect Mu Hou to take his words seriously. "They are not spies, right?"

"Chun Hua, Ren Aoxu, Mizu and I have investigated them." Mu Hou responded, "We are one hundred percent sure they are not spies."

"Are you sure they are marital artists at the master stage?" Xiao Tian inquired.

"We tested their strength yesterday." Mu Hou answered, "Fifteen of them are at the low-level master stage, and ten people are at the mid-level master stage. There are only five people who are at the high-level master stage."

Xiao Tian was pleasantly surprised.

'They are not bad!'

He did not expect Mu Hou and the others to get five people at the high-level master stage.

Sure, none of them were at the grandmaster stage, but they were still powerful martial artists.

"Bring them to me now." Xiao Tian suddenly wanted to see them.

"Understood." After saying that, Mu Hou headed to the parking lot.

Xiao Tian's underlings were startled when they saw new people.

"Leader, who are they?" one of his underlings inquired.

"They are candidates to be my underlings?" he gave an honest answer.

"Candidates to be your underlings? Does that mean they are our juniors?"

"Fool! They are still not our juniors."

"Leader, can you let me play with them later? As their senior, I need to beat, no, I mean, I need to test their strength first."

"Me too. Leader, let me test their strength later."

"Let me spar with them, leader."

"I want to spar with them too."

The corner of Xiao Tian's lips twitched when he saw their grin.

'They want to beat their juniors!'

He shouted in his head.

Chapter 1385 I'm Indeed a Devil

Mu Hou brought all the candidates to Xiao Tian. The group of candidates was shocked when they saw their future leader.

'Isn't he Xiao Tian?'

They did not expect their future leader to be the famous Xiao Tian, someone who got the title of Miracle Young Man.

Previously, they did not check who the leader of the Blue Ice Lotus was because they only wanted to join the strongest gang in Shanghai.

Xiao Tian rose to his feet and spoke, "I will test you before deciding whether you can join my gang or not."

All the candidates were not surprised because they knew joining the strongest gang was challenging.

"First, I want to test your strength." Xiao Tian spoke and paused for a second before he continued, "The first test is simple. I want you to spar with my underlings."

All of his underlings smirked after hearing his words. They were pleased because he had granted their wish.

"Mu Hou, you will be the referee." Xiao Tian uttered, "Don't worry. You will only be fighting against someone on your level."

All the candidates let out a sigh of relief after hearing his words.

Previously, they were worried because they thought they would be sparring against someone stronger than them.

If they only needed to fight someone of the same level, all the candidates were confident they would not lose to their seniors.

"Ah! I forgot to say this." Xiao Tian uttered, "I don't want cowardly people to join my gang, so you should leave this place if you are cowardly."

"We are not cowards!" all the candidates responded in unison.

"Good! I like your answer." Xiao Tian stated.

"Alright. The test will begin now." Mu Hou stated.

----

Nanli District, Shanghai River.

Leng Nichang, Xi Xingyi, and two of their bodyguards were currently waiting for Han Shutai at Shanghai River.

They sat on the public seating with displeased faces. They were still angry because Han Shutai and the others were toying with their feelings.

Han Shutai even wanted to snatch Xi Xingyi's company. This was the main reason why they were enraged.

At this moment, Han Shutai was walking toward Xi Xingyi with a smile on his face. Of course, he still did not know anything, or else he would not have smiled like that.

'Hmm?'

He was shocked when he saw Xi Xingyi's bodyguards.

Usually, she never brought her bodyguards whenever she wanted to meet him.

'What's going on? Why did she bring her bodyguards with her?'

He suddenly had bad feelings.

"Sorry, I'm late." Han Shutai said as he smiled.

Xi Xingyi and Leng Nichang looked at him with annoyance. They could not hide their anger because they were furious at him, especially Xi Xingyi.

She had done many things for him, including helping him become a manager at the Feng family company.

However, he returned good with evil. He even wanted to snatch her company despite everything she had done to him.

Xi Xingyi's bodyguards stopped him when Han Shutai wanted to hug her. "Xingyi, what is the meaning of this?"

He still did not know anything.

Not only did she bring her bodyguards with her, her bodyguards even stopped him when he wanted to embrace her.

"Shutai, tell me the truth. Do you really want to snatch my company?" Xi Xingyi's eyes were filled with the flames of fury.

"Snatch your company? What are you talking about?" of course, he did not admit it.

'Fuck! Did she know everything?'

He cursed venomously in his heart.

"Just answer her question honestly." Leng Nichang added, "You want to snatch madam Xi's company, right?"

"Xingyi, what's going on? Why are you accusing me like this? You are my lover, so there is no way I will do something bad to you like that." Like before, he still did not admit it.

"You don't need to lie to me because I already know everything." Xi Xingyi responded, "I've also fired your niece before."

Han Shutai's face darkened.

'I see.'

He finally understood why she brought her bodyguards with her.

Leng Nichang turned her head to look at Xi Xingyi. "Madam, let him hear the evidence. I'm sure he will continue to deny everything if we don't show him the evidence."

Xi Xingyi agreed with Leng Nichang's words. After taking her smartphone out of her pocket, she played a recording of his conversation with Crystal.

Han Shutai's face turned ugly.

'How can she have this voice recording?'

At this moment, he finally realized everything.

Crystal recorded their previous conversation and gave it to Xi Xingyi!

"Hahaha." Han Shutai laughed loudly.

He could not hide his plan anymore because she had found out everything.

"Shutai, why are you planning to do evil things to me?" Xi Xingyi tried her best to suppress her anger.

"I will tell you the truth because I can't hide my plan anymore now." He spoke and paused for a second before he continued. "It's because I want your money. I'm tired of living with little money, so I want to have lots of money."

Xi Xingyi gritted her teeth. "Did you seduce me for my money too?"

"That's right." He answered. "Otherwise, why would I want to seduce an old lady like you?"

Xi Xingyi was breathless with anger.

He always praised her beauty before she found out about his plan, but now he said she was an old lady.

Sure, she was already forty-five years old, but she still looked young.

'I'm really blind. Why did I agree to be his girlfriend in the past?'

She began to regret everything.

Xiao Tian was right. Han Shutai was only good on the surface. She just did not expect that she had been fooled by him for such a long time.

Six months!

She had been fooled by him for six months!

"Madam, let's just report him to the police." Leng Nichang hated Han Shutai even more now.

He should be happy because he could become Xi Xingyi's lover. But instead of cherishing her and treating her well, he had bad intentions toward her.

Devil in disguise!

These were the right words to describe him.

He was only good on the surface, but his heart was rotten like a devil.

"You will regret it if you report this to the police." Han Shutai threatened them.

He didn't panic because everything was still under his control. He was even sure that Xi Xingyi would do whatever he wanted later.

"Why would we regret it?" Leng Nichang found it funny.

Of course, she still did not know that Han Shutai had a card up his sleeve. That was why she found his behavior funny.

Han Shutai shifted his gaze from Leng Nichang to Xi Xingyi. "Xingyi, do you want your nude photos and videos to spread on the internet?"

Leng Nichang and the others were shocked by his words.

"My naked photos and videos?!" Xi Xingyi was sure that she had never sent her nude photos and videos to him before.

Her eyes suddenly widened.

'Don't tell me.'

She remembered the mini camera that Xiao Tian found in her room.

"Were you the one who put the mini camera in my room?" Xi Xingyi inquired.

"Bingo!" Han Shutai decided to give an honest answer. "I was indeed the one who put the mini camera in your room."

At this moment, Xi Xingyi's bodyguards wanted to beat Han Shutai because he had made their boss angry.

"Stop your bodyguards, or else I will spread your naked photos and videos on the internet later." He was not afraid of Xi Xingyi because her future was in his hands.

He believed her image and business would be ruined instantly if he posted her nude photos and videos on the internet.

"Stop!" Xi Xingyi stopped her bodyguards from hitting Han Shutai.

Of course, she wanted to beat him too. However, her nude photos and videos were in his hands, so she could not do anything to him now.

"Haha." Han Shutai laughed happily.

Sure, Xi Xingyi and the others had found out about his plan, but he could still control her.

"As I thought, you are really evil." Leng Nichang stated. "Devil in disguise!"

"That's right. I'm indeed a devil." Han Shutai responded, "I believe everyone can become a devil if they need money, including myself."

Xi Xingyi clenched her fists.

She was about to explode with rage.

She was disappointed with herself because she loved someone like him before.

"Xingyi, I will give you two choices now." Han Shutai spoke and paused for a moment before continuing, "Give me a hundred million Yuan or half of your company. The choice is yours."

Chapter 1386 Do I Like Xiao Tian?

'I'm indeed stupid!'

Xi Xingyi regretted everything.

She regretted loving Han Shutai, and she regretted helping him get a promotion. She even regretted accepting his love.

She had done many things for him, and here, he was threatening her. He even said he would spread her naked photos and videos on the internet if she refused his wish.

"Haha. I will give you one day to prepare everything. If you don't give me what I want tomorrow, get ready to be famous on the internet. Haha." After saying that, Han Shutai left.

Xi Xingyi could not do anything and only gritted her teeth. The consequences would be fatal for her and her company if he really spread her naked photos and videos on the internet.

"Madam, let's go back first to come up with a plan to deal with this matter." Of course, Leng Nichang could understand Xi Xingyi's feelings.

"Un." Xi Xingyi nodded her head.

----

Xi Company, Xi Xingyi's Office.

Xi Xingyi was currently in her office with Leng Nichang. Her two bodyguards were standing behind her because she needed protection.

The duo was currently discussing ways to deal with Han Shutai. To their surprise, Xi Ran suddenly entered Xi Xingyi's office.

Xi Xingyi was pleased because it was her daughter's first visit to her office in six months.

"How is it?" Xi Ran inquired.

"It's like this." Leng Nichang explained everything in detail.

Xi Ran looked at her mother before finally sitting next to her. She blamed her mother for not listening to her, but she did not have the heart to say it.

She only sat next to her mother without saying anything.

"Ran..." Xi Xingyi embraced her daughter.

Actually, she was a strong woman. She did something like this because she wanted to take advantage of the situation.

In short, she wanted to take this opportunity to improve her relationship with her daughter!

Xi Ran hugged her mother too. "I'm sure we can handle this problem."

To their surprise, Xi Xingyi's smartphone suddenly rang.

'Xiao Tian?'

She was startled.

She picked up the phone and said, "Hello, Xiao Tian?"

Xi Ran was surprised when she found out that Xiao Tian had her mother's number. After all, she did not know about her mother's relationship with him.

"Xi, how is it?" he wanted to know what had happened to them.

"He threatened me." Xi Xingyi gave an honest answer.

"Threatening you?" he still did not get her words.

"Xiao Tian, you are right. Shutai was the one who put the mini camera in my house." Xi Xingyi responded, "He threatened me using it earlier, saying he would spread my naked photos and videos on the internet if I refused to give what he wanted."

"What?!" Xiao Tian said in surprise. "What does he want from you?"

"He wants one hundred million Yuan or half of my companies." Xi Xingyi could not hold back her anger when she remembered Han Shutai's words.

"Where are you right now?" He wanted to meet her because talking face to face was better than talking over the phone.

"I'm at my company." Xi Xingyi responded, "I will send my location to you."

"I will be right there." After saying that, Xiao Tian hung up the phone and traveled to her company.

Xi Xingyi put her smartphone on the table before finally speaking, "Xiao Tian will be here in a few minutes."

"What is your relationship with him?" Xi Ran asked curiously.

"Our relationship is...." Xi Xingyi could not answer her daughter's question immediately.

She did not have a special relationship with him, but they had done passionate kiss more than three times.

'Is it a friend with benefits?'

She asked in her head.

"Ran, your mother introduced herself as your older sister so he still doesn't know the truth until now." Leng Nichang began explaining everything.

She said Xi Xingyi met Xiao Tian in Japan. At that time, he mistook her for Xi Ran. This was the reason why Xi Xingyi pretended to be Xi Ran's elder sister.

"You are pretending to be my elder sister?" Xi Ran found it hard to believe what she was hearing.

Sure, her mother still looked young, but she was already forty-five years old. Her mother should not pretend to be her elder sister because she was already old.

"Ran, it has been a while since someone called me big sister and thought of me as a woman in my twenties. Can you please pretend to be my younger sister later?" of course, Xi Xingyi realized that her wish was absurd.

However, she still wanted to pretend to be Xi Ran's elder sister because she felt happy whenever Xiao Tian saw her as a young lady.

"How long are you going to lie to him? You know you can't lie to him forever, right?" Xi Ran was sure Xiao Tian would be disappointed if her mother kept lying to him.

Maybe he would get angry at her because the feeling of being lied to was not good, especially from close friends.

"I will reveal everything after we solve this problem." Xi Xingyi had the intention of revealing her true identity because she was aware of the consequences if she continued to lie to him. "Ran, please pretend to be my younger sister later. Don't you want to make your mother happy?"

"What is this? Do you like him?" Xi Ran inquired.

Xi Xingyi was startled by her daughter's question.

Like Xi Xingyi, Leng Nichang was also shocked. She looked at Xi Xingyi because she wanted to hear the answer.

Actually, she wanted to ask this question since a few days ago, but she did not dare to bring it up.

"Madam Xi, do you like Xiao Tian?" Leng Nichang asked curiously.

Xi Xingyi looked at her daughter and Leng Nichang.

'Do I like Xiao Tian?'

That was the question that appeared in her mind.

[A/N: I made a mistake in the previous chap. Xi Ran didn't go to the Shanghai River with Xi Xingyi. I forgot to delete her name. I'm sorry for this.]

Chapter 1387 Lady Leng, How About You Join My Harem Too?

Leng Nichang and Xi Ran were staring at Xi Xingyi, waiting for her answer.

Like before, Xi Xingyi still had not answered their question.

'Do I love him?'

Sure, she had been thinking about him a lot lately, but she was still unsure whether she loved him or not.

However, she did not deny that spending time with him made her comfortable and happy.

She even felt like she was back in her twenties again because he always treated her like a young lady.

"Well, spending time with him alwa-" before Xi Xingyi had finished her words, her subordinate knocked on the door.

"Mrs Xi, Mr. Xiao wants to meet you." Her subordinate's voice rang out from the opposite side of the door.

"Bring him in." Xi Xingyi responded instantly.

"Xi, are you al-" Xiao Tian stopped his words halfway when he saw Leng Nichang and Xi Ran. "Hi, ladies. We meet again."

"Mr. Xiao, you look worried. Are you worried about your future lover?" Leng Nichang joked around.

Xiao Tian and Xi Xingyi exchanged a glance with each other. Sure, they had kissed passionately more than three times, but their status was still unclear.

He suddenly remembered that Xi Xingyi was a mother. "What are you talking about, lady Leng? She is already married, so you should not say something like that."

"My husband passed away three years ago." Xi Xingyi didn't know why she suddenly explained it to him.

"Eh?!" Xiao Tian and the others were startled.

They did not expect her to tell him about it.

Leng Nichang's lips curled up into a smile. "Mr. Xiao, it seems like you will get another MILF soon."

Xi Ran did not say anything and only stared at her mother and Xiao Tian.

The corner of his lips twitched. "Lady Leng, how about you join my harem too?"

Of course, he was joking around because he had no special feelings for her.

"Can you handle multiple women and afford my daily needs?" Leng Nichang knew that he was only joking around, so she played along with his joke.

"Of course, because I'm super strong and rich." He did not forget to praise himself.

Leng Nichang covered her mouth and giggled, "Hehe."

"Alright, let's stop the joke now." After saying that, Xiao Tian looked at Xi Xingyi, "So, what is your plan?"

Xi Xingyi shook her head. "We still haven't found any good plan."

He suddenly remembered his beautiful professor, Su Ruanyi.

'Yes. I'm sure she can help us solve this problem.'

She was skilled in computers, so it should not be hard for her to hack Han Shutai's laptop and accounts.

"I know how to solve this problem." Xiao Tian stated.

Xi Xingyi and the others paid attention to him carefully.

He started telling them about Su Ruanyi's skills in hacking. He would ask her to hack Han Shutai's laptop and account.

After that, he would send several people to Han Shutai's house to destroy his laptop and other file storage.

"I have a friend who can order the Feng family to fire him. His name is Qing Feng." Xiao Tian did not tell them who Qing Feng was because they were not his women.

Xi Xinyi, Leng Nichang, and Xi Ran exchanged a glance with each other before finally nodding their heads.

'His idea is not bad.'

They agreed to use his idea.

Xiao Tian and Xi Xingyi went to see Su Ruanyi. Leng Nichang and Xi Ran did not go with them because they had important work that needed to be done quickly.

Su Ruanyi wasted no time and tried to hack Han Shutai's account. She used the Phishing method to get his sensitive information.

After that, Xiao Tian ordered Chun Hua and Mizu to go to Han Shutai's house and destroy his laptop.

And as if the Goddess of luck was on her side, Han Shutai took the bait shortly after that.

Su Ruanyi instantly deleted Xi Xingyi's naked videos and photos. Not only that, but she also sent a lot of viruses to his laptop as a backup plan.

"Alright. I will tell my friend to go to the Feng family company now." Xiao Tian uttered, "I will make him get fired today!"

"I'm counting on you, Xiao Tian." Xi Xingyi stated.

Xiao Tian nodded his head before going to his gang base. He wanted to take Mu Hou and Chun Hua with him because, with this, his safety would be guaranteed.

The Feng family was stunned when they saw Xiao Tian.

They believed they did nothing to him or Xiao Tian, so they did not know why he came to their company.

"Alright. I will go straight to the point." Xiao Tian spoke and paused for a second before he continued, "I want you to fire Han Shutai now."

Xiao Tian and the others were currently in Feng Weize's office. As usual, Chun Hua and Mu Hou were standing behind him, pretending to be his bodyguards.

"May I know what he did to you, Mr. Qing?" Feng Weize asked curiously.

"He is threatening my friend." Xiao Tian started to tell what Han Shutai had done to Xi Xingyi.

"Don't worry, Mr Qing. I will fire him after this." Feng Weize knew what to do after hearing Xiao Tian's words.

Xiao Tian rose to his feet and walked out of his office. "I think you should choose your successor carefully. You don't want your family to fall apart, do you?"

Feng Weize's pupil dilated.

What Xiao Tian said was right, but Feng Niu was a female.

'Maybe I should break my family tradition.'

He said in his head.

'I will fire Han Shutai now.'

With that idea in mind, he called Han Shutai to his office.

"Do you have any orders for me, sir?" Han Shutai did not know why Feng Weize suddenly called him.

"You are fired!" Feng Weize went straight to the point.

"What?!" Han Shutai found it hard to believe what he was hearing. "Why? I haven't done anything wrong lately, so why did you decide to fire me?"

At this moment, Feng Weize wavered whether he should tell the truth or not.

'Should I tell the truth?'

He didn't know whether Xiao Tian would be angry or not if he told the truth.

For this reason, he decided not to reveal the truth. "You have offended someone with a powerful background. My company will be affected if I don't fire you."

Han Shutai wanted to know the one who ordered Feng Weize to fire him.

'Who is it? Is it Xingyi?'

He knew she was from an upper-class family, but she was only from a low upper-class family, so the Feng family should not be afraid of her since their families were equal in every way.

'Is it Xiao Tian?'

After thinking for several seconds, he believed it was not Xiao Tian because Xiao Tian did not have a powerful background.

Sure, Xiao Tian was famous and managed to raise his family status to an upper-class family in a short amount of time, but he shouldn't be someone the Feng family needs to be afraid of.

'Who is it?'

He believed he had no other enemies except Xiao Tian and Xi Xingyi.

'Did Xingyi ask someone to help her?'

She was from an upper-class family, so she had many connections and friends.

Because he could not hold back the curiosity in his heart, he asked again, "Mr. Feng, can you tell me who ordered you to fire me?"

Chapter 1388 I'm Still Not Satisfied

"That person is someone you should never mess with." Like before, Feng Weize did not reveal Xiao Tian's identity. "Even the Xiao and Li families need to think twice before causing trouble to him."

Han Shutai's pupil dilated.

'What?!'

He found it hard to believe what he was hearing.

He knew how powerful and influential the Xiao and Li families were, so he was shocked after hearing Feng Weize's words.

'Just who is that person?'

He was even more certain that Xi Xingyi's friend was the one who ordered Feng Weize to fire him.

'Damn it!'

He clenched his right fist.

'I need to teach that slut a lesson later.'

He dared to say something like that because he thought everything was still under his control.

"Alright. Pack your belongings and leave my company now." Feng Weize no longer wanted to see Han Shutai because he did not want to get involved in his problem.

Qing Feng was someone he could not mess with, so he wanted Han Shutai to leave his company as quickly as possible.

Han Shutai gritted his teeth before walking out of his office.

----

Hu Ling's House, Living Room.

Han Shutai was currently in the living room with Hu Ling and Hu Yuming. He went straight to their house after leaving the Feng company.

"What?! You got fired?!" Hu Ling and Hu Yuming said in surprise.

"I'm sure it's because of that slut, Xingyi." Han Shutai did not call his lover by her name because he was furious at her.

"Then what should we do now, brother?" Hu Yuming inquired.

"Don't worry. We still have her naked photos and videos. We can threaten her using it later." Of course, Han Shutai did not know that Su Ruanyi had deleted Xi Xingyi's naked photos and videos.

He did not even know that his house was in a mess because he had not returned home since yesterday.

Yes, he slept in Hu Ling's house last night!

He did not return home because he had sex with Hu Ling for several minutes before finally falling asleep.

"I will call that slut now. Let's get a lot of money from her today." Han Shutai still thought he could control her.

"Good idea!" Hu Ling and Hu Yuming agreed with his idea.

Han Shutai wasted no time and immediately called Xi Xingyi.

"What is it?" Xi Xingyi's tone was cold because she knew what he wanted.

"Give me money now." Han Shutai went straight to the point. "You know I was fired, right?"

"Alright. Let's meet up now. Where do you want to meet?" Xi Xingyi agreed instantly because she had prepared everything.

Han Shutai and the others were pleasantly surprised.

Hu Ling and Hu Yuming could hear Xi Xingyi's voice clearly because Han Shutai turned on the speaker mode.

Hu Ling and Hu Yuming's eyes shone brightly because they would get a lot of money from Xi Xingyi later.

"Let's meet at Suzo park." Han Shutai responded, "Remember, I only want to meet you alone. Don't bring your bodyguards with you."

"Alright." After saying that, Xi Xingyi hung up the phone.

"Let's end this matter once and for all." Xiao Tian, who was sitting next to her, uttered.

"Un." Xi Xingyi nodded her head.

----

Xufang City, Suzo Park.

Hu Yuming, Hu Ling, and Han Shutai were currently sitting on the wooden bench. Their faces were full of smiles.

The reason was simple.

They would get a lot of money from Xi Xingyi later!

Of course, they did not know what would happen to them, or else they would have panicked by now.

"Both of you need to hide now." Han Shutai spoke abruptly. The latest episodes are on the FREE WEB NOVEL.COM. website.

"Eh, why?" Hu Yuming did not know why Han Shutai told them to hide.

He believed Xi Xingyi already knew everything, so he thought there was no point in doing that.

"Stop asking and let's hide now." Even though Hu Ling did not want to hide, but she still did what she was told.

"Ling, let's have a lot of sex at a famous hotel after this." Han Shutai wanted to have sex with Hu Ling at a famous hotel after getting money from Xi Xingyi because they always had sex in her house or his.

Hu Ling licked her lips. "Sure. I will satisfy you today."

"Sister, let me join too." Hu Yuming wanted to join them because he also loved sex.

"Sure. But you can only fuck my ass hole later because my vagina is only for Shutai today." She would treat her lover special today because he would give them a lot of money later.

"I'm fine with it because your ass hole feels great too." Hu Yuming already had anal sex with his elder sister, so he knew how amazing her ass hole was.

"Alright. Stop talking and hide now." Han Shutai uttered.

Hu Ling and Hu Yuming nodded their heads before finally hiding not far from him.

Xi Xingyi arrived at Suzo park shortly after that. She was walking alone and holding a suitcase in her right hand.

Of course, her bodyguards were following her in secret. Not only that, even Xiao Tian was following her in secret.

Han Shutai smiled happily when he caught sight of her.

'Oh, my money has come!'

He was pleased when he saw Xi Xingyi walking alone.

He rose to his feet and walked toward her with a smile on his face. "Xingyi my love, I have been waiting for you."

Of course, he did not care about her because he only cared about her money.

'Now give me your money.'

His eyes were locked on the suitcase in her right hand.

However, something unexpected happened when he was about to take the suitcase.

Two policemen, who wore ordinary clothes, suddenly grabbed his hands and handcuffed him!

Han Shutai was enraged. "Xingyi, what is the meaning of this?"

One of the police officers showed his identity. "You are arrested for committing acts of extortion, threats, and violating human rights."

Han Shutai was furious because she did not keep her promise. Previously, he told her to come alone.

Not only did she lie to him, she even brought two police officers with her. "Xingyi, are you not afraid of the consequences of your actions?"

He threatened her again.

He didn't care even though there were two cops around him because this was the only way to save himself.

Xi Xingyi did not say anything because Su Ruanyi had deleted all of her naked photos and videos.

No, she kept one photo and video as proof of his crime. Of course, she only showed it to policewomen because she did not want the policemen to see it.

At the same time, Hu Ling and Hu Yuming were panicked. They didn't expect things to turn out the way they wanted.

'We have to leave this place now!'

They did not want to get arrested, so they wanted to leave immediately.

However, Xi Xingyi's bodyguards caught them before they could run away. Then they were sent to the police station.

Xiao Tian got out of his hiding place and walked toward Xi Xingyi. "Everything is over now."

Xi Xingyi looked at him before finally saying, "No. I'm still not satisfied."

"Then, what do you want to do?" Xiao Tian inquired.

Chapter 1389 How Are You Going to Test Me?

"I will go to the police station now." Xi Xingyi responded, "Do you want to come with me?"

"Alright." Xiao Tian responded.

After answering all police questions, the duo left. The next day at 09:00 am, she went to the police station again.

She did not come to the police station to visit Han Shutai, but she wanted to meet the strongest prisoner.

Yes, she was still not satisfied and wanted to teach Han Shutai a lesson again!

Han Shutai and the others had caused many troubles for her and her daughter. The trio even had broken their hearts.

She had helped him many times, but instead of thanking her, he had bad intentions to her.

That was why she wanted to teach them a lesson again because she wanted him to feel the consequences of his actions.

"So, you want me to beat them every day?" a bald man whose body was full of tattoos uttered, "What do I get in return?"

"Yes. I want you to beat them every day. You don't need to do it yourself. I only want them to get beaten up every day." Xi Xingyi responded, "If you do that, I will release you in two months. So, how is it?"

"Deal!" the bald man agreed instantly.

Xi Xingyi gave him a smartphone. "Send the pictures of them being beaten up every day, so that I know you're not lying to me."

"Oh, smartphone?" the bald man took the smartphone immediately. "I'm waiting for you to release me in two months."

Xi Xingyi immediately left.

'This is what you get for doing cruel things to us!'

She knew what she did was cruel, but she did not care about it because Han Shutai and the others had done the same things to her.

And since that day, Han Shutai, Hu Yuming, and Hu Ling felt like they lived in hell.

----

Rainbow Garden, Resting Building.

Xiao Tian and Xi Xingyi were currently in the resting building. They sat on the mat with their backs leaning against the wooden wall.

Previously, she called him when he was working. She said she had something important to tell him.

That was why Xiao Tian went straight to the Rainbow Garden to meet her. "So, your real name is Xi Xingyi and you are not Xi Ran's elder sister?"

"Yes." she admitted it. "Xiao Tian, I'm sorry for lying to you. It's because I'm old, so I'm happy when you mistake me for Ran."

She told him the reason why she pretended to be Xi Ran's elder sister. She did not hide anything this time and revealed everything.

"What? You are already forty-five years old? You are joking around, right?" of course, Xiao Tian could not believe her words easily because she looked so young.

He was sure everyone would believe it if she said she was in her twenties because she looked so young.

"I'm not lying. I'm indeed forty-five years old." Xi Xingyi responded, "You can ask Ran if you don't believe me."

He paid attention to her carefully because he wanted to make sure she was telling the truth.

'It seems like she is telling the truth. But still...'

He still found it hard to believe it.

"Are you denying it because you don't want to admit that you have kissed a woman in her mid-forties passionately?" even though she was joking around, she hoped he would say he did not regret it.

Actually, she already had special feelings for him because he was always there for her. Of course, she still did not realize it because she had faced many troubles lately.

"I want to test you first before deciding whether I will believe your words or not." there was a reason why he said something like this.

He wanted to take advantage of the situation again!

"How are you going to test me?" she asked curiously.

"I will kiss you passionately because with this, I will know whether you are lying to me or not." he did not hide his real intention because they had kissed passionately three times.

She was stunned after hearing his words.

'Kiss me passionately?'

Her surprised face turned into a giggle.

'He wants to take advantage of me again!'

She instantly knew what he had in mind.

Xi Xingyi did nothing when Xiao Tian suddenly put her on his lap.

All she did was only stare at his handsome face and open her mouth slightly as if she was ready to be kissed by him.

"Now, let me test if you are lying or not." after saying that, he instantly kissed her lips.

Unlike usual, she opened her mouth right away after their lips met as if she told him to kiss her deeply.

Not only that, she even intertwined her tongue with his lewdly when his tongue entered her little mouth.

'This is the fourth time he kissed me passionately.'

She did not close her eyes as they kissed hungrily.

'It feels great!'

Like usual, his kisses managed to give her pleasure.

She was even a little disappointed when Xiao Tian suddenly stopped the kiss because she wanted to keep feeling that pleasure.

"You are lying to me." Xiao Tian stated, "It felt as if I kissed a woman in her twenties when I was kissing you passionately."

"But I'm not lying to you." happiness blossomed within her because he kept praising her.

"Then I have to test you again." like before, he tried to take advantage of the situation again.

"What are you going to do this time?" she asked curiously.

"Let me check your breasts this time because, with this, I will know if you are lying to me or not. Hehe." he was joking around when he said this.

However, she thought he was serious.

'What? He wants to check my breasts?'

The expression of deep shock blossomed on her pretty face.

Xiao Tian knew what she had in mind because it was written on her face.

'What! She is taking my words seriously?!'

Previously, he thought she would know that he was just joking.

At this moment, both of them did not say anything and only stared at each other in the eyes.

\*Pitter-patter.

As they were looking at each other, it suddenly rained heavily.

Like before, they still did not say anything and only stared at each other. She was shocked by his words, while he was startled because she took his words seriously.

She suddenly turned her head to the left and right, skimming her surroundings.

'It's raining heavily and no one is around us right now. The distance between each resting building is also quite far. Maybe it's safe to le-'

She was shocked after realizing what she had just said in mind.

"What is this? Why am I suddenly thinking like this?'

She could not understand it.

When she was Han Shutai's lover, she did not let him touch her in their first month of being lovers.

But now, she suddenly had the idea of letting Xiao Tian check her breasts. Not only were they in a public place, but they were not even a couple.

'Why do I always let him do whatever he wants?'

That was the question that appeared in her mind.

Xiao Tian wanted to try his luck because Xi Xingyi thought he wanted to check her breasts for real.

For this reason, he grabbed her blue shirt and unbuttoned her top button.

'Hmm? She didn't try to stop me?!'

Chapter 1390 I'm Indeed Forty-Five Years Old

Xiao Tian was startled when Xi Xingyi did not stop him. Previously, he thought she would stop him and say something to him, but he was wrong.

He was utterly wrong because she only looked at his face and his hands as if she told him to do whatever he wanted through her actions.

'Since you don't stop me, then don't blame me later.'

With that idea in mind, he continued unbuttoning her blue shirt.

Xi Xingyi shifted her gaze from his hands to his face.

'He continues unbuttoning my shirt?! Does he really want to check my breasts?'

Even though he had unbuttoned the top of her shirt, she remained in her position.

Yes, she still sat on his lap, facing him!

At this moment, she skimmed her surroundings again.

'There is a wooden wall in front of me, my left side and my right side, so no one will be able to see what he is doing, but....'

There was no wall behind her, so anyone could see them.

'No, they won't be able to see my breasts because they will only see my back. And it's raining heavily now, so no one will come to this resting building.'

She was sure Xiao Tian would not take off her shirt and only unbuttoned her shirt.

'Wait! Why am I letting him do whatever he wants? Aren't we just friends?'

She still had no idea why she did not stop him.

'But we already had passionate kiss a few times, so letting him see my breasts sh-'

She could not believe what she was thinking.

"Xiao Tian, are you really going to check my breasts?" she threw this question because he had unbuttoned half of the buttons on her shirt.

He shifted his gaze from her blue shirt to her pretty face. "I need to check your boobs to confirm if you are lying to me or not."

"But should you really check my breasts? Why don't you just kiss me passionately again? I'm sure you will know the answer by kissing me deeply." She did not realize what she had just said.

Actually, Xi Xingyi could stop him by removing his hands from her shirt, but she did not do that.

She even did not really try to stop him because she only asked whether he really wanted to check her breasts or not.

"Xi, I kissed you passionately earlier and your mouth was like the mouth of a woman in her twenties. That's why I have to check your breasts now because with this I will know whether you are lying to me or not." Actually, Xiao Tian would stop what he was doing if she removed his hands from her shirt, but she did not do that.

For this reason, he kept unbuttoning her shirt because, from his point of view, she had given him the green light.

"But isn't this dangerous because we are in a public area right now? How about we go to hotel or a private area?" even though she said something like this, a feeling of excitement suddenly rose within her.

It would be her first time doing something lewd in a public place, so her heart suddenly beat in excitement.

Of course, she was excited because it was pretty safe to do lewd things in that place, or else she would have stopped him.

Xiao Tian became even bolder after hearing her remarks.

'Hotel? Private area?'

He didn't expect her to say something like that.

The meaning of her words was clear.

He could see her breasts!

'As I thought, she has given me a green light.'

He added in his head.

"Don't worry. This place is quite safe. I have done many lewd things in this place before." he responded, "And it's raining heavily right now, so no one will come to this place."

Xi Xingyi skimmed her surroundings again.

'Yes. What he said is right. This place is quite safe to do lewd things.'

She did not realize that her mind had been manipulated by him.

Xiao Tian looked at her face after seeing her purple bra. "Sexy!"

\*Thump...Thump...

Her heart suddenly beat faster.

'He can see my bras now.'

Like before, she did not do anything.

She only looked at his hands before returning her attention to his face again.

'Is he going to unhook my bras now?'

Her heart beat even faster when she imagined Xiao Tian seeing her bare breasts.

\*Click...

It was front closure bras, so Xiao Tian could unhook her bras easily.

\*Thump...Thump...

Due to how fast and hard her heartbeat was, she could hear it clearly.

At this moment, all the feelings suddenly became one. She was nervous, worried, and excited at the same time.

She was nervous because she was afraid Xiao Tian would be disappointed after seeing her breasts.

She was worried because they were doing inappropriate things in a public place. Even though it was pouring, but there was still a possibility of being caught by other people.

And she was excited because she had never done something like this before. This was a new experience for her, so her heart beat in excitement.

Xi Xingyi paid attention to him carefully, waiting for his comment.

'Does he like my breasts? Are my breasts beautiful in his eyes?'

These were the questions that appeared in her mind.

She was not confident with the shape of her breasts because she was already forty-five years old.

Even though she always took care of her body, but her breasts were not as good as in the past.

And Xiao Tian's women were also young and had beautiful breasts, especially Shi Fei and Liu Ning.

This was the reason why she was afraid to disappoint him with the shape of her breasts.

However, it was all just her anxiety. She was only overthinking because her breasts were beautiful in his eyes.

'Beautiful! Is she really forty-five years old?'

He started doubting her age again after seeing her breasts.

Even though her breasts were not as beautiful as Shi Fei's boobs, but it was still in the category of beautiful breasts.

Her breasts were even more beautiful than most of the female breasts he had seen in his previous life.

Of course, he knew that she always took care of her body because he could see it from her face and perfect body.

She had a glowing and clean face without a single pimple, and her body was perfect, like a female model's body.

He believed she had spent a lot of money to take care of her body because it could be seen from her perfect body.

"Beautiful!" Xiao Tian stated.

She felt a glimmer of happiness after hearing his remarks. "Really? My breasts are beautiful? You are not lying to me, right?"

"I'm telling the truth." He responded instantly. "The shape of your breasts and the color of your nipples are perfect in my eyes. Your breasts are even more beautiful than most of female boobs I have seen until now."

"More beautiful than most women's breasts you have seen until now?" her heart trembled in happiness.

'Thank God, he isn't disappointed with my breasts.'

She suddenly felt glad deciding to take care of her body until now.

"Xi, are you sure you are forty-five years old?" Xiao Tian inquired, "No matter how many times I observe your breasts, it looks like the women's breasts in their twenties."

Xi Xingyi's smiled happily before finally nodding her head. "Yes. I'm indeed forty-five years old."

"Really?" without asking for her permission, Xiao Tian squeezed her breasts gently.

The desire to squeeze her breasts suddenly appeared within him, so he squeezed her breasts without asking for her permission because she did not stop him from seeing her breasts.

Due to how happy she was, she did nothing when he suddenly squeezed her breasts. "Yes. I'm indeed forty-five years old."

"I still find it hard to believe it." even though Lin Xing Xue, his mother, Su Ruanyi, and Long Jingxian were MILF like her, but they were only in their thirties.

It was not good to compare them to her because she was already forty-five years old.

Like before, she still smiled happily. His words made her happy, to the point she could not stop smiling.

As Xiao Tian was looking at her breasts, Xi Xingyi suddenly said something shocking, "If you still don't believe my words, why don't you lick and suck my breasts? With this, you will know for sure later."
