

Illicit 1391

Chapter 1391 Hurry Up and Kiss Me

Xiao Tian was startled.

'Suck and lick her breast?!'

He knew he had kissed her passionately, but he did not expect her to tell him to suck and lick her breasts.

"You can suck and lick my breasts if you still don't believe me." Due to how happy she was after getting praised by Xiao Tian continuously, she did not realize what she had just said.

"Then let me suck your breasts now." Of course, he did not let the opportunity slip away because only a fool would reject it.

The atmosphere and situation were good to do lewd things, and it was hard for anyone to see what they were doing, so he accepted the challenge instantly.

Like before, Xi Xingyi paid attention to him carefully. She even wanted him to suck her breasts immediately.

Her body suddenly became hotter, and her heart beat faster when she saw his face getting closer to her breasts.

'Xiao Tian is going to suck my breasts.'

At this moment, she forgot that they were only friends.

She should not let him suck her breasts because they had no special status binding them.

However, her rationalism disappeared when Xiao Tian continuously praised her.

"Hmmm..." She shut her eyes and tilted her head back when Xiao Tian licked and put her right nipple into his mouth.

'He is sucking my right nipple, and it feels good.'

The flames of lust had consumed her body, so she could not think straight now.

All she had in mind was only one thing.

Enjoy everything!

She did not have to worry either because she no longer had a boyfriend now.

She was a single woman now!

No, she was a single MILF, a beautiful MILF who needed physical comfort!

She bit her right index finger when Xiao Tian played with her right nipple. Even though the situation was perfect for doing lewd things, it was better safe than sorry.

'He is so skilled at sucking my breasts.'

Actually, she was not surprised because he was also skilled at deep kissing.

Xiao Tian had many girlfriends, so she was sure he kissed his women passionately and sucked their breasts every day.

Xi Xingyi's pretty face turned lewd, and her green eyes were filled with the flames of lust.

'Ah...It feels good!'

She did not expect to feel immense pleasure when Xiao Tian only sucked her breasts.

After sucking her right breast for several seconds, Xiao Tian stopped.

At first, he wanted to lick and suck her other breast, but he changed his mind after seeing her fascinating expression.

He desired to kiss her passionately again!

Xi Xingyi was startled when he suddenly stopped sucking her breasts.

'Why did he stop suc-'

The flames of lust within her instantly grew bigger when she saw his black eyes focused on her face.

'He really has beautiful eyes!'

She suddenly felt as if his black eyes were sucking her soul.

'Xiao Tian, hurry up and kiss me passionately again!'

Even though she wanted him to suck and lick her other breast, but she changed her mind after seeing his black eyes and handsome face.

'Xiao Tian, hurry up and kiss me passionately!'

She felt like he was torturing her when he only stared at her face.

She believed he knew what she wanted because he never failed to understand her. She even did not hide her lewd expression.

She did not know that Xiao Tian did not kiss her immediately on purpose. He knew what she wanted, but he chose to wait.

The longer she waited, the bigger the lust within her.

This was the reason why he did not kiss her immediately because he wanted to make the flames of lust within her grow bigger first.

And his action was right. Xi Xingyi suddenly felt her body itch when Xiao Tian only stared at her without doing anything.

Previously, he kissed her passionately and sucked her right breast, so the flames of lust within her was already big.

It was so big to the point she could not hold back herself anymore.

She wanted him.

She wanted to be kissed passionately by him.

She desired to do more lewd things with him.

She even had forgotten that they were in a public place because the flames of lust had consumed her body entirely now.

'Xiao Tian, are you planning to torture me right now? Why don't you kiss me right away?'

Because Xiao Tian still did nothing, she could not hold back herself anymore.

She cupped his face and instantly kissed him passionately.

She even acted more aggressive than him. She moved her tongue lewdly and sucked his tongue hungrily.

She was like a woman who had not had sex for a long time!

Xiao Tian let her lead the kiss. Of course, he did not stay still because he played with her beautiful and soft breasts.

"Hmm!" Xi Xingyi widened her eyes for a second and stopped moving her tongue when Xiao Tian suddenly pinched her nipples.

Of course, it only lasted for two seconds because she kissed him passionately again. She knew something like that would happen, so she was not surprised by his actions.

"Huft...Huft...Huft..." she did not kiss him again after stopping the kiss; instead, she looked at his face before shifting her gaze from his face to his hands.

At this moment, a wild idea suddenly came to her mind.

She wanted to touch and see his penis directly!

For this reason, she moved her hands from his shoulders to his trousers.

'He didn't stop me!'

She was happy and shocked at the same time when she rubbed his bulge.

*Gulp...

Even though she had seen a penis before, but her heart beat uncontrollably as if she had never seen a man's cock before.

'Will he stop me if I unzip his trousers?'

The desire to see and touch his penis grew bigger because Xiao Tian did not try to stop her.

Like before, Xiao Tian only looked at her face and played with her breasts. She had let him do whatever he wanted, so he decided not to stop her.

It would be unfair if he did that because she never stopped him.

'It's a pity that she is wearing jeans.'

He knew they would not be able to have sex because she was wearing jeans.

They could have sex in that place if she wore a skirt because they did not need to remove their clothes.

However, it was a different story if she wore jeans because they had to remove them. It would be dangerous if they were half-naked in that place because it was a public place.

*Gulp...

Xi Xingyi gulped her saliva again.

The longer she rubbed his bulge, the bigger the flames of lust within her.

'He did not stop me, so it means I can unzip his trouser, right?'

She looked at his face while breathing heavily.

*Zzzzz...

The sound of a zipper could be heard in her ears.

*Thump...Thump...Thump...

Her heart beat faster again.

'Why am I like this? This is not my first time seeing a penis.'

Her eyes widened for a second when she saw Xiao Tian's cock.

'So big!'

She shifted her gaze from his penis to his face. "You are amazing, Xiao Tian!"

Chapter 1392 Delicious!

Xiao Tian's lips curled up into a grin.

'She loves it!'

Of course, he was not surprised because every woman who saw his cock had the same expression as hers.

"Is my cock bigger than Han Shutai's dick?" he decided to tease her.

"I don't know." Xi Xingyi shook her head. "I have never seen his dick before. However, I have touched his bulge twice, and I'm sure his penis is smaller than yours."

"Eh! Really?" he was startled after hearing her words.

He thought they had already had sex many times because they were together for more than five months.

"Yes. He always stopped me and behaved like a saint whenever I tried to seduce him." She responded, "Sometimes, it annoyed me."

Xiao Tian did not know why he suddenly felt happy. "Isn't he stupid? If he were me, I would ha-"

Before he had finished his words, Xi Xingyi asked, "You would what?"

"Enjoy my time with you all the time." He lied to her.

"Do you mean enjoy my body all the time?" she did not know why she was not disgusted by his words. "It seems like you are a pervert young man."

"I often hear that from my women." He behaved as if the title of pervert was something to be proud of.

"But I'm glad I never slept with him." she said something like this because Han Shutai had bad intentions to her.

"Don't worry. You can play with my body if you want." He joked around.

"Really?" she was pleasantly surprised after hearing his words.

"Yes." He nodded his head.

"Then let me play with your huge penis." After saying that, Xi Xingyi caressed his penis.

'It's hot.'

She added in her head.

As she was playing with his penis, Xiao Tian squeezed her breasts again.

In short, they were enjoying each other's bodies!

Not long after she touched and caressed his cock, his penis was erect.

'It's getting bigger.'

She began to stroke his huge penis.

Her eyes were locked on his cock as she stroked his penis as if she was seeing the most delicious and amazing sausage in the world.

She stroked his penis faster and faster. The faster she stroked his cock, the faster her breath became.

It was as if she was a slut who had not had sex for a long time.

'His penis looks delicious! I want to taste it.'

Her last defense shattered to pieces when she saw the pre-cum on top of his penis.

She immediately stopped stroking his cock and looked at him. "Xiao Tian, I...want to lick your penis."

Xiao Tian stopped playing with her breasts and lifted his head to look at her.

Actually, he had guessed something like this would happen because it was written on her face when she looked at his cock.

Because Xiao Tian did not say anything, she asked again, "Can I?"

Of course, she realized that her wish was dangerous because they were in a public place, but she could no longer hold back her lust.

She wanted to suck and lick his penis so badly!

He wavered whether he should grant her wish or not because he did not have anything to cover them.

"But we have nothing to cover you." At this moment, he really hoped the rain would stop because, with this, they could go to a love hotel or his apartment.

Xi Xingyi skimmed her surroundings before returning her attention to him. "But no one is around us now, and it's raining heavily. I'm sure no one will come to this building."

Previously, she tried to stop him because they were in a public place, but now it was the opposite.

She wanted to do lewd things more than him!

She even desired to lick and suck his huge cock.

At this moment, Xiao Tian suddenly had a good idea. "Slide from my lap now, and let me turn around."

It would be safer to do lewd things if he turned around because, with this, no one could see what they would do.

All he needed to do was watch behind him because there was no wall behind him.

Xi Xingyi wasted no time and did what she was told. "Should I tidy up my clothes now?"

"Yes." After saying that, he turned around, facing the wooden wall.

At this moment, she wavered whether she should sit between his legs or pretend to sleep on his lap.

She knew it would be hard to suck his penis if she pretended to sleep on his lap, but it was safer than sitting between his legs.

'Should I pretend to sleep on his lap or sit between his legs?'

She desired to enjoy his huge penis, so she wanted to sit between his legs because with this, she could lick and suck his penis easily.

"Xiao Tian, what should I do now?" she decided to ask his opinion because she would suck his penis later.

"It's up to you." Xiao Tian responded, "I will pay attention to our surroundings later, so don't be too nervous."

"Really?" she asked happily.

"Yes." He nodded his head.

"Then I will sit between your legs." He said she could do whatever she wanted, so she decided to sit between his legs.

Xiao Tian spread his legs wider because, with this, she could lick and suck his penis easier.

'Look at her! It looks like she has never seen a penis before.'

He placed his hands behind his back to support his body.

After unbuckling his belt, Xi Xingyi wasted no time and immediately brought her face closer to his penis.

'This smell...I really miss this smell.'

She only smelled his penis, but her body suddenly became hotter.

Of course, she knew the reasons why her body reacted like that.

It was because she did not smell penis in a long time!

All this time, she only played with herself whenever she was horny because Han Shutai always behaved like a saint.

Xiao Tian did not say anything and only paid attention to her carefully.

'It seems like she misses a man's cock so badly.'

He could tell everything from her face.

Xi Xingyi felt as if lightning was spreading all over her body when her soft tongue came into contact with his cock.

At this moment, she suddenly wanted to suck his cock fast, but she tried her best to hold back herself.

She wanted to lick his amazing penis first before sucking it because it had been a long time since the last time she licked a man's cock.

She licked his testicles for several seconds before finally making her way up to the tip of his cock.

She immediately opened her little mouth when she saw the pre-cum on top of his penis.

'It's his pre-cum.'

She did not waste time and immediately sucked it.

'I can't hold back anymore. I want to suck his amazing cock.'

She decided to suck his penis after drinking his pre-cum.

*Slurp...Slurp...Slurp...

She let the lust control her body and sucked his penis fast.

'Delicious. His penis is really delicious.'

In a short time, she got addicted to his penis because his cock was huge, beautiful and delicious.

It really fit the criteria of a perfect penis in his eyes.

'I suddenly want to taste this penis every day.'

Chapter 1393 Going to Xi Xingyi's Apartment

Countless raindrops wet the ground, and the strong wind swayed the trees.

When everyone was sheltering from the rain, two people were doing something exciting in one of the resting buildings; an attractive young man and a beautiful MILF.

The young man sat on the wooden floor while the mature woman sat between his legs.

If anyone saw them, they would be surprised and jealous at the same time because the beautiful MILF was giving the young man something pleasurable on a rainy day.

Blowjob!

When everyone was sheltering from the rain, a gorgeous MILF was giving a young man a blowjob.

When everyone felt cold because of the rain, that young man felt immense pleasure because a mature lady was sucking and licking his penis.

In short, he did not feel what everyone else felt because a gorgeous MILF was currently giving him pleasure.

These two people were none other than Xiao Tian and his new friend, Xi Xingyi.

Like before, Xi Xingyi was still licking and sucking his huge penis. She even forgot that they were in a public place because what she had in mind was only one thing.

Xiao Tian's penis!

It had been a long time since the last time she could lick and suck a man's cock, so she could not control herself anymore.

And what made her horny the most was that his penis was amazing. It was the most fantastic cock she had ever seen in her life.

Not only was his cock huge, but it was also beautiful and delicious. His soft testicles and beautiful pink glans made her unable to control herself.

She even felt as if she was hypnotized by his penis.

Her pussy was twitching as her tongue licked his shaft, and her body was itching when she inhaled the scent of his penis.

She loved it!

Xiao Tian's penis was perfect in her eyes.

It was the best penis she had ever seen in her life.

She did not expect that she could still taste such an amazing penis in her old age. That was why she wanted to devour and enjoy his penis to the fullest.

She did not care about anything else.

She only wanted to enjoy Xiao Tian's amazing penis.

*Slurp...Slurp...Slurp...

It had been three minutes since she started sucking and licking his penis, but she showed no sign of stopping.

It was as if she was a kid who had just discovered how delicious candy was. She even forgot to maintain her image as a rich lady.

All she cared about was only licking and sucking Xiao Tian's big penis.

'I can't hold back myself anymore. I want to have sex with him now. I want to taste this amazing penis using my wet vagina. I want this huge and beautiful penis to mess up my pussy.'

She stopped sucking his penis and lifted her head to look at him.

Xiao Tian did not understand why she suddenly stopped giving a blowjob. Previously, he thought she would not stop until she drank his sperm, but he was wrong.

When he was about to say something, she suddenly did something shocking to him.

She sat on his lap and embraced him tightly!

Not only that, but she also hid her lustful face on his right neck.

"What's wrong, Xi? Why did you suddenly stop?" he inquired.

'Wait! Is she no longer able to bear the lust in her body?'

That was the question that appeared in his mind.

"Xiao Tian, I...I can't hold back myself anymore." Like before, she still hid her face on his right neck. "I want sex. I want to have sex with you right now."

She had given him a blowjob, so she did not hide what she wanted because, in her view, there was no point in doing that.

"But we can't have sex in this place." Of course, he also desired to have sex with her because he was also horny, but he could still think straight.

"I know. But I really want to do it with you." Xi Xingyi responded, "What should I do, Xiao Tian?"

It was still raining, so they could not go to their cars because the distance between the parking lot and the resting building was quite far.

"We can't have sex in this place because you are wearing jeans." He repeated his words. "It would be dangerous if we did more than blowjob in this place."

"But I'm horny and desire to have sex with you." Like before, she did not feel shy when she said what she wanted.

"I also want to have sex with you, Xi. But we can't do it here." Like her, he was also horny because they had done many lewd things earlier.

She looked at him in the eyes before finally speaking, "Xiao Tian, let's just leave this place. I have an apartment near here. We can have sex in my apartment later."

"Are you sure?" he inquired, "We will get wet later."

"It's fine." She nodded her head.

After thinking for several seconds, he granted her wish. "Alright. Let's go to the parking lot now."

They went straight to her apartment after entering his car. Her apartment was like his, huge and luxurious.

Both Xiao Tian and Xi Xingyi wasted no time and instantly took off their clothes after entering her apartment.

They even did not put their clothes neatly; instead, they just dropped their clothes on the floor.

The flames of lust had consumed their bodies, so it was normal to do something like that because what they had in mind was only one thing.

Sex!

Yes, they wanted to have sex as quickly as possible.

They could not hold back themselves anymore because they had done many lewd things at Rainbow Garden earlier.

She even sucked his penis on their way to her apartment.

"Xiao Tian, come here and put your amazing penis into my pussy." Xi Xingyi, who was lying on the bed, said with lustful eyes.

He crawled onto the bed before finally sitting between her legs and positioning his erect penis at her vagina entrance.

"I'm going to put it in, Xi." Xiao Tian skipped the foreplay because he could not wait to taste her wet vagina.

He was sure Xi Xingyi wanted the same because it was written on her face.

"Un. You can put it in now." Xi Xingyi's heart beat faster when the tip of his penis came in contact with her vaginal opening.

Even though her pussy was already wet, he did not thrust his penis into her vagina in one go; instead, he did it slowly.

"Ahhh..." she did not hold back her moan when Xiao Tian thrust his penis into her vagina. "Ah...So big..."

Her inside suddenly felt full. She did not hate it; instead, she loved it.

After putting his huge penis into her wet vagina, Xiao Tian did not move his waist immediately.

He brought his face closer to hers because he wanted to kiss her before moving his waist.

And like before, she welcomed the kiss instantly.

However, it did not last long because she broke the kiss shortly after that. "Xiao Tian, move your waist now. I can't hold back anymore."

"Alright." After saying that, he began moving his waist.

Chapter 1394 Talking To Xi Xingyi

"Ah...Ah...Ah..." Xi Xingyi's room was filled with her moans.

She was currently having sex with Xiao Tian in a missionary style. Previously, they did a lot of lewd things in Rainbow Garden.

They decided to travel to her apartment because they could not hold back their lust anymore.

They even skipped the foreplay because they wanted to have sex as quickly as possible.

"Ah...Ah...Ah..." the faster he moved his waist, the faster she moaned.

'His penis is amazing. It feels good.'

Sure, it was not her first time having sex with someone, but it was her first time feeling immense pleasure like that.

She even felt as if she was a teenager who had just discovered how pleasurable sex was.

He suddenly stopped moving his waist and turned her body.

The reason was simple.

He wanted to have sex in doggy style!

He wanted to fuck her from behind!

Of course, Xi Xingyi cooperated with him because she would let him do whatever he wanted.

He only needed to give her immense pleasure, and she would give her perfect body to him. It was a fair Barter system.

She let him fuck her pussy, and he gave her immense pleasure.

"Ah...Ah...Ah..." seductive moan came out of her little mouth every time Xiao Tian's waist hit her soft ass.

'It feels good! I really love this!'

She always played with herself whenever she was horny, and the difference between masturbating and having sex was like heaven and earth.

Sure, masturbation also felt great, but it could not be compared to how amazing sex was.

This was the reason why she could not stop moaning.

No, she even did not try to hold back her moan because they were in her apartment.

"Ah...Ah...Ah..." she cried out in delight. "Xiao Tian, I want a kiss. I want a kiss."

He granted her wish.

He turned her body to kiss her passionately.

Like before, they were having sex in missionary style again because she asked for a kiss earlier.

"Em...Em...Em..." she wrapped her legs around his ass and kissed him hungrily.

There was a reason why she asked for a kiss.

She was about to have an orgasm!

She did not have sex for more than six months, so her body could not hold back the immense pleasure for too long.

Actually, there was another reason why she reached her limit faster than usual.

It was because of his penis!

Not only was his cock big, but it was also long and hard.

In other words, his penis was perfect for her lewd pussy.

He also knew how to use his huge penis and had unlimited stamina. He had not stopped moving his waist ever since they started having sex.

This was one of the reasons why she reached her limit faster than usual. Of course, Xi Xingyi was happy about this.

It was her first sex in a long time, so she was thrilled when Xiao Tian could make her have an orgasm.

She did not regret it.

She was glad she decided to have sex with him or else she would not feel immense pleasure like that.

"Ah...Ah...Ah..." even though she had stopped the kiss, but she was still wrapping her arms around his back as if she wanted to keep him close to her. "I'm cumming... I'm cumming...."

Xiao Tian was startled.

'What?'

Of course, he did not stop sliding his huge penis in and out of her vagina.

"Xiao Tian, I'm cumming..." she hugged him tightly when she had an orgasm.

*Sprut...

She had a massive orgasm, causing the bedsheets wet from her love juices.

"Huft...Huft...Huft..." she stopped the huge and looked at his handsome face.

She was delighted because she finally could have a massive orgasm after so long. She even forgot that she was having sex with someone who was half her age.

Xiao Tian was surprised when Xi Xingyi suddenly kissed him passionately after having a massive orgasm.

But what surprised him most was that she did not stop kissing him.

'She keeps kissing me!'

At first, he wanted to stop the kiss because he still had not had an orgasm.

However, he changed his mind and let her do whatever she wanted because they could still have sex while kissing.

"Hmmm..." Xi Xingyi widened her eyes for a second when Xiao Tian suddenly slid his penis in and out of her wet vagina again.

Sure, she knew that they would continue to have sex because he still had not had an orgasm, but she did not expect that he would not give her time to rest.

She had just had a massive orgasm, so he should know that her body was still weak and sensitive.

Of course, she did not tell him to stop. She finally had a massive orgasm after so long, so she would let him do whatever he wanted.

Yes, she would let him fuck her as long as he wanted!

She would let him enjoy her body to the fullest.

Xiao Tian had given her immense pleasure and let her feel the pleasure of having a massive orgasm again, so she would use her nice body to give him the same thing.

"Ah...Ah...Ah..." her cries started to echo in her room again.

Like before, he did not stop sliding his huge cock in and out of her vagina. They had sex in many sex positions, from cowgirl style to spoon position.

"Xi, I'm cumming..." he moved his waist faster and faster.

Unlike what he usually did to his women, he instantly pulled his cock out of her vagina when he was about to have an orgasm.

*Sprut...

He let out his white sperm on her flat stomach.

Xi Xingyi's eyes locked on his penis when he let out his sperm on her stomach.

'His sperm looks delicious.'

When she saw his white sperm, she suddenly wanted to drink it.

However, she did not do that and only played with his sperm using her left index finger.

"Hehe. So gentle." She giggled when Xiao Tian suddenly wiped his sperm from her body with some tissue.

Xiao Tian, who was sitting between her legs, bent over.

His intention was clear.

He wanted to kiss her passionately again!

Like before, Xi Xingyi welcomed the kiss instantly.

If they fought with their bodies earlier, now they fought with their tongues. They even kept the kiss going as if it was their final battle to determine who would win the fight.

After having a deep kiss for almost a minute, she broke the kiss. "It felt good, Xiao Tian."

"Yes. It felt amazing." he also felt immense pleasure because her vagina was amazing. "But we're not done yet."

"Eh?!" she was startled. "You still wan-Ah...."

She could not finish her words because Xiao Tian suddenly thrust his huge penis into her vagina again.

"I've only had an orgasm once, so I'm still not satisfied." He spoke and paused for a second before he continued, "At least, let's do three more rounds."

"Pervert!" Xi Xingyi stated. "Alright. You can use my body again. I will let you enjoy my body as long as you want."

"Then, I will take the offer." After saying that, he moved his body.

Soon, her room was filled with her moans again.

Chapter 1395 Xiao Tian, You Are So Cruel!

Two people were lying on the bed naked.

Their faces were full of smiles, and their hearts were filled with happiness.

If anyone saw them, they would know right away that these two people had just finished having wild sex because the evidence could be seen.

Some part of the bedsheet was wet!

Not only that but the huge and luxurious room was also filled with sex smell.

However, the duo did not care about it because they really enjoyed their sex time.

They even smiled happily as if they had just experienced the most pleasant thing in the world.

These two people were none other than Xiao Tian and his friend, Xi Xingyi.

"Xiao Tian, you are so cruel! I can't walk now, you know?" Even though she said something like this, she did not hate it.

She loved it because she could finally have fantastic sex after so long. She finally could satisfy her body after so long, and she felt alive again after so long.

She had been pleasuring herself for a long time, so she was thrilled when Xiao Tian could satisfy her and make her orgasm many times.

Xiao Tian, who was lying on her right side, responded, "You should not blame me. You should blame yourself for keeping me horny."

"Hehe." She giggled happily. "Xiao Tian, how does it feel to have sex with a woman in her mid-forties?"

"It felt amazing! I even want to have sex with you again now." Even though he had just had sex with a woman in her mid-forties, he felt as if he had sex with a woman in her twenties.

Her face turned worried. "Xiao Tian, let's stop here for today. I can no longer walk now, so what will happen to me if we have sex again? If you want to have sex with me again, let's do it tomorrow."

"Does that mean I can have sex with you again after today?" Actually, he already knew the answer, but he still asked that question.

"Yes. You can have sex with me again after today." There were three reasons why she would let him fuck her again.

First, Xiao Tian treated her well and had helped her many times. A pervert would have enjoyed her body if it were not for him.

Not only that, but she would never have known about Han Shutai's evil plans if it were not for him.

Second, she had special feelings for him, but she decided to hide it for now. And last, having sex with him felt great.

She had never felt immense pleasure during sex before. Sure, Xiao Tian was not her first partner, but he was the first to give her immense pleasure.

His huge, long, and hard penis was perfect for her vagina. She loved everything about him, including his personality and penis.

This was the reason why she would agree right away if he said he wanted to have sex with her again.

He kissed her lips before finally smiling, "I love these words!"

She placed her head on his right arm and touched his chest.

'I didn't expect to feel this kind of happiness at my old age. If only I were still young.'

She was happy and sad at the same time.

She was pleased because she finally found someone like Xiao Tian, but she was sad because she found him when she was already forty-five years old.

'Well, even though it's late, at least I have found my happiness.'

She shut her eyes because she wanted to sleep.

A soft smile spread across his face when he saw her closing her eyes.

'Have a good dream.'

He kissed her forehead before closing his eyes too.

Xiao Tian's Mansion, Family Room.

Xiao Tian was currently spending time with Mu Ai. After sleeping at Xi Xingyi's apartment for about two hours, he went straight home.

Like usual, Mu Ai sat on his lap. "Big brother, can we go to Shanghai Aquarium and Life Waterfall tomorrow?"

"Sure." He agreed instantly.

"Yay! Big brother is the best." Mu Ai said happily.

"Big brother is indeed the best man in the world." As usual, he did not forget to praise himself.

Long Jingxian, who stepped into the family room, uttered, "What are you talking about?"

"I asked big brother to take me to Shanghai Aquarium and Life Waterfall tomorrow, and he agreed." Mu Ai gave an honest answer.

"Don't you have work tomorrow?" Long Jingxian inquired.

"Work is not important, little Ai is important." He responded instantly.

Mu Ai instantly kissed his cheeks after hearing his words. "Big brother is indeed the best. I love big brother so much."

"Big brother also loves little Ai so much." Like what she did, he also kissed her cheeks.

"You are spoiling her too much." Even though she said something like this, Long Jingxian was pleased deep in her heart.

Her heart always melted whenever she saw how close he was to her daughter.

They then watched a movie together. As usual, they were pleased. Mu Ai even fell asleep on his lap.

After taking her daughter to her room, Long Jingxian returned to the family room.

To her surprise, Xiao Tian suddenly carried her in a princess style when she was about to sit on the couch.

"My Jingxian, how about we lovey-dovey in your room?" even though he had already had sex with Xi Xingyi, but he still wanted to have sex again.

"But we have to stop at 11:00 pm because I have an important job tomorrow." Of course, she knew what he had in mind because he was a pervert, a handsome pervert.

"Then we can't waste time because we only have an hour and a half." After saying that, he carried her to her room.

They wasted no time and immediately had wild sex. As usual, they were satisfied.

Long Jingxian, who was lying on his right side, uttered, "I will sleep now."

He kissed her cheeks before finally speaking, "Good night, my love."

She opened her eyes and smiled, "Good night, my young boyfriend."

The duo fell asleep shortly after that.

The following day at 08:00 am, Xiao Tian took Mu Ai to Shanghai Aquarium and Life Waterfall.

After spending time with Mu Ai, he went to Red Flower Bar because Lan Ruoxi had returned to Shanghai.

He did not meet her for a month, so he wanted to spend time with her.

'I can't wait to meet her.'

He was currently sitting on the couch in a private room, waiting for Lan Ruoxi.

*Tak...Tak...Tak...

The sound of sling-back open-toed shoes hitting the floor reverberated in a private room.

Xiao Tian's face broke into a smile when he saw a beautiful and sexy lady stepping into the private room.

The mature lady wore blue Cheongsam Qipao Short-sleeved with a folding fan in her left hand.

Her pretty face could steal everyone's attention, and her sexy body could make any man horny.

Her smile could light up the bad mood of all men, and her charming voice could calm any man's heart.

Even though she was an ordinary human like the others, but she had a special charm that could not be resisted by all men, as if God created her to be a special woman.

That mature lady was none other than the owner of Red Flower Bar, Lan Ruoxi.

Chapter 1396 Then I Will Attack You Now

Xiao Tian instantly rose to his feet and walked toward her.

'I finally meet you again, lady Lan.'

He embraced her without giving a warning.

It had been one month since the last time he met her.

He missed her.

He really missed her.

Sure, he met many new people during this month, but he felt something was missing because he did not meet her during this one month.

Even though Lan Ruoxi had guessed that he would hug her, she was still startled when he suddenly embraced her tightly like that.

"It seems like young master Xiao misses me so much." She did nothing when he embraced her.

"Yes. I really miss you." He gave an honest answer.

*Three seconds...five seconds...seven seconds...

It had been seven seconds, but he still hugged her.

"Young master Xiao, how long are you going to embrace me?" she inquired.

He stopped the hug and smiled, "Then let's talk on the sofa."

After sitting on the couch, she asked, "So did you get a new girlfriend during my business trip."

The corner of his mouth twitched. "Why are you asking something like that?"

"I just want to know if your skill in seducing women has improved or not." she replied instantly, "Young master Xiao, tell me honestly. How many women do you plan to have in the future?"

Instead of answering her question, he inquired, "Lady Lan, did you miss me during your business trip to Beijing?"

"Are you trying to avoid my question?" she did not expect him to answer her question with a question.

"Well, because I don't know how to answer your question." He responded, "I mean, I have no intention of adding more harem members. It just happened by itself."

He then continued, "It can be described like this. I suddenly met a new girl, I happened to help her solve her problem, she fell in love with me, I fell in love with her, we had sex and she became my new lover."

"So smooth!" She stated. "It's as if you are the main character in this world."

"What do you mean by saying I'm the main character in this world? If I were the main character in this world, you would have become my lover by now." He did not see himself as the main character because the main character always got everything easily and got help from heaven.

"It's because you are weaker than me." Lan Ruoxi stated.

"Lady Lan, how about we spar now?" he challenged her to spar with him.

"Sure." She accepted instantly.

They headed to the secret training ground immediately. And like usual, Xiao Tian lost the fight. For this reason, he returned to the private room with an unhappy expression.

They immediately sat on the couch after stepping into the private room. But he did not sit in front of her like before; instead, he sat next to her.

He sighed before speaking, "See! If I were the main character in this world, I would have won the fight."

Lan Ruoxi's lips curled up into a smile. "It seems like you are right. If you were the main character in this world, you would not lose every time we had a match."

He turned his body to face her. "It's true that I've never won in a sparring against you, but I'm sure I won't lose in a tongue fight."

"Tongue fight?" she said in surprise. "What makes you so sure you can win a tongue fight against me?"

"I admit you are better at martial arts, but I'm sure I won't lose in a tongue fight." He kissed his women passionately every day, so he was sure he would not lose in a tongue fight.

"Sure. I accept your challenge." Of course, she knew he was skilled in deep kissing because they had done many passionate kisses in the past.

"Then I will attack you now." After saying that, he pressed his lips against hers before finally kissing her deeply.

She instantly shut her eyes and welcomed the kiss as if she had been waiting for him to kiss her.

*Ten seconds...fifteen seconds...twenty seconds...

It had been twenty seconds since they started kissing passionately, but they showed no sign of stopping.

If previously they sat on the sofa, it was different now.

Lan Ruoxi was now lying on her back because Xiao Tian pushed her onto the sofa earlier. Her long slender arms wrapped around his back, and the flames of lust appeared in her eyes.

As for Xiao Tian, he was lying on top of her and kissing her passionately. He used all of his skills because he did not want to lose again.

She broke the kiss when she was out of breath. "I lost. I can't defeat you in a tongue fight. You are indeed the main character in a tongue battle."

"The winner gets a reward, right? Then, I will take my reward now." After saying that, he kissed her passionately again.

Lan Ruoxi welcomed the kiss instantly.

She even moved her tongue lewdly and tilted her head to the left and right as if she tried her best to win the tongue fight.

'It feels good.'

She hugged him tighter.

Like before, she lost the tongue battle again and stopped the kiss.

'How can he be so good at deep kissing?'

She was breathing heavily because she was out of breath.

When Xiao Tian wanted to kiss her again, she instantly stopped him. "Young master Xiao, let me catch my breath first."

Xiao Tian smiled softly.

*Kiss...

He did not kiss her lips; instead, he kissed her forehead.

After helping her sit on the sofa, he uttered, "How about we go on a date now?"

"I have to meet my business partner in thirty minutes." although she had just returned to Shanghai, but she still did not have much free time.

Xiao Tian sighed.

He did not meet her for a whole month, so he wanted to spend time with her so badly.

But even so, he did not force her to go on a date with him because he understood her position.

"You've kissed me passionately so, isn't that enough to dispel the longing in your heart?" his expression was funny in her eyes. "Why don't you go home and have sex with one of your girlfriends?"

"Why don't I just have sex with you, lady Lan?" Xiao Tian responded, "You are next to me and we are in your place, so isn't this a good idea?"

"You want to have sex with me?" Lan Ruoxi pretended to be shocked.

"Yes. Let's go to your room and have sex there." Of course, he knew what would happen later.

"Sure." Lan Ruoxi agreed instantly. "Let's go to my room now. I think thirty minutes is enough for quick sex."

"You are right." He did not have a high hope because he was sure her subordinate would stop them later.

And what he had guessed was right because one of her subordinates said she had an important guest after they walked out of the private room.

Lan Ruoxi's lips curled up into a smile. "It seems like we can't have sex again, young master Xiao. Hehe."

The corner of his lips twitched after hearing her words.

' This lady is so evil! She keeps bullying me. Just you wait. I will spank your butt until you beg for forgiveness after I become stronger than you.'

Chapter 1397 Because You Can Help and Protect Me Later

Xiao Tian went to his company after leaving the Red Flower Bar.

However, he only worked for about thirty minutes because Xi Xingyi suddenly called him and said she wanted to meet him.

Both of them were currently at Rainbow Garden, or more precisely, they were in one of the resting buildings.

Previously, she wanted to meet him at Shanghai River, but she changed her mind because she thought meeting at Rainbow Garden was better than at Shanghai River.

Like lovers who fell in love deeply with each other, they behaved like a couple.

Xiao Tian sat on the floor with his back leaning against the wooden wall, while Xi Xingyi lay on the floor with her head on his lap.

Her heart pounded with happiness because she felt like she was young again.

She had never felt like that when she was with Han Shutai because he always treated her like a mature lady.

Sure, she was already forty-five years old, but she also wanted to be pampered and treated like a young lady.

"As I thought, Rainbow Garden is better than Shanghai River." She loved it when she could sleep on his lap while looking at the beautiful scenery.

"Why don't we go somewhere else after this? Aren't you tired of coming to this place often?" there were many beautiful places in Shanghai, so Xiao Tian wanted to visit other sites too.

"It's hard to lovey-dovey in other places." She responded instantly, "Isn't this what you wanted?"

"Yes." He gave in.

"Oh right, Xiao Tian. My problem with Shutai is over now, but I still have one big problem." She spoke and paused for a second before she continued, "Can you help me again?"

"What is it?" he asked curiously.

"It's like this." she started talking about her problems with her daughter.

She said Han Shutai and Hu Yuming were the masterminds of her problems with her daughter. They were the reason why she always quarreled with her daughter.

"So, you want to make up with your daughter but you don't know how to do it?" he was not surprised when she said Xi Ran was her daughter because she had revealed everything.

"Yes." She nodded her head. "Do you have any idea how I can make up with my daughter?"

"Why don't you two go on vacation together?" He was sure they could make up if they always spent time together.

"Good idea!" she agreed instantly. "Xiao Tian, let's go on vacation with my daughter and Nichang."

Xiao Tian was startled, "Why do I need to go with you? Wouldn't it be better to just go with the three of you?"

"Because you can help and protect me later." She gave an honest answer.

"Let me tell my women first." He responded.

"Un." She nodded her head.

The duo spent time at Rainbow Garden for about two hours before finally going to his apartment.

They had sex right away after entering his apartment. Actually, this was one of the reasons why she wanted to meet him.

Not only was he able to make her happy and feel young again, but having sex with him felt great, to the point she got addicted to it.

Like before, Xi Xingyi put her head on Xiao Tian's lap again. But the difference was that both of them were naked this time.

They did not bother putting on their clothes after having sex because they were the only ones in his apartment.

"Hehe." She giggled cutely.

Both Xiao Tian and Xi Xingyi were currently watching a comedy movie in the living room.

"Xi, I'm thirsty. I want to drink first." He immediately headed to the dining room after she slid her head from his lap.

When he returned to the living room, the flames of lust suddenly emerged within him.

The reason was simple.

Xi Xingyi was lying on the sofa in a seductive position!

She lay on the couch with her head on the arm part of the sofa.

The flames of lust appeared within him because she was spreading her legs widely, showing her beautiful vagina.

It was as if she wanted to welcome him with her pussy. Of course, she had no intention of seducing him because she was watching a movie.

She spread her legs because it was a comfortable position. She did not know that her position could seduce him easily.

Sure, he had already had sex with her a few minutes ago, but a desire to do it again suddenly appeared when he saw her vagina.

He was a pervert, so it was not hard to get him aroused, especially if he saw a beautiful naked lady.

At this moment, Xi Xingyi was focused on the TV. She had no idea what he had in mind.

"Hehe." She giggled when she saw a funny scene on TV.

'This movie is so funny. It's a good movie to brighten my mood.'

She added in her mind.

As she was watching a movie, Xiao Tian did something lewd to her.

He licked and sucked her vagina!

She was startled by his sudden actions.

"Ahh..." a seductive moan came out of her little mouth.

Even though Xiao Tian suddenly licked her vagina, she did not stop him; instead, she spread her legs wider as if she wanted to make him lick and suck her pussy easier.

"Ah...Ah...Ah...Ah..." she no longer watched the movie because Xiao Tian was licking her vagina. "Ah...."

She wailed louder when Xiao Tian put his tongue into her vaginal opening. At this moment, the flames of lust had consumed her body.

First, Xiao Tian was skilled at licking and sucking her vagina, and last, she suddenly remembered the time when they had sex a few minutes ago.

That was why the flames of lust could consume her body easily. "Ah...Ah...Ah..."

Like Xi Xingyi, Xiao Tian also could not hold back himself anymore. Licking her wet pussy and hearing her moans made him want to have sex with her even more.

For this reason, Xiao Tian stopped licking her pussy and put his erect penis at her vaginal opening.

Xi Xingyi looked at his handsome face before shifting her gaze to his erect penis.

'Young people are indeed amazing!'

She did not expect him to fuck her again.

Of course, she did not hate it because having sex with him felt great. That was why she did not stop him earlier.

"Ahhh..." Xi Xingyi's little mouth opened, letting out a seductive moan.

And soon, the living room was filled with her cries again.

"Young people really have a lot of stamina." She stated.

"Well, it's normal because we are still young." He responded.

He was currently lying on the couch with Xi Xingyi in his arms. Like before, both of them were naked because they did not bother putting on their clothes.

"How can I meet my daughter now? My body is weak because of you. I even don't have strength to walk now." Even though she said something like this, but she did not regret it.

"Just meet her when your body is no longer weak." He responded, "Don't worry. I will accompany you later."

"Really?" she asked happily.

"Yes." He nodded his head.

"Good!" she was pleased because he could help her later.

Chapter 1398 Have You Two Kissed Before?

Xiao Tian, Xi Xingyi, Leng Nichang and Xi Ran were at Li Café. Xi Xingyi immediately called her daughter after her body was no longer weak.

They were currently sitting on the couch. Xiao Tian was sitting on Xi Xingyi's left side, while Leng Nichang and Xi Ran were on the opposite side of him.

Leng Nichang and Xi Ran kept looking at him because they did not expect Xi Xingyi to come with him.

'It seems like their relationship have gotten much closer than before.'

They still did not know that Xiao Tian had already had sex with Xi Xingyi.

They just thought she had a close relationship with him and the chances of them becoming lovers were very high.

"So, you want us to go on vacation together the day after tomorrow?" Xi Ran was startled when her mother told her the reason why she suddenly wanted to meet her.

"Yes." Xi Xingyi responded, "It has been a long time since the last time we spent time together, so I want us to go on a vacation together. Xiao Tian will also go with us later."

Both Xi Ran and Leng Nichang were stunned.

They were already shocked when he accompanied Xi Xingyi.

But what surprised them most was that Xi Xingyi said he would go on vacation with them.

As usual, Xi Ran did not say anything and only stared at him. She suddenly wanted to know how close his relationship with his mother was.

Xiao Tian suddenly felt awkward when Xi Ran and Leng Nichang stared at him intently.

Leng Nichang shifted her gaze from Xiao Tian to Xi Xingyi before asking curiously, "Madam, how close are you to him? Have you two kissed before?"

Xiao Tian and Xi Xingyi exchanged a glance with each other. Even though he wanted to tell the truth, but he did not say anything.

He would let Xi Xingyi answer Leng Nichang's question because he did not want his answer to cause trouble for them later.

"Well, I..." Xi Xingyi could not answer Leng Nichang's question immediately. "I...do have a close relationship with him."

"Have you kissed before?" Leng Nichang repeated her question, "Or don't tell me. You already had sex with him before."

Xiao Tian almost coughed after hearing her words.

'Her instincts are too good!'

He didn't expect her to have such good instincts.

"So, do you agree to go on vacation with us?" Xi Xingyi did not answer Leng Nichang's question.

"Madam, why didn't you answer my question? Suspicious!" Leng Nichang suddenly thought Xi Xingyi had already done many things with Xiao Tian because Xi Xingyi did not want to answer her question.

Like what she did before, Xi Ran did not answer and only looked at her mother and Xiao Tian.

"Ran, let's go on a vacation together." Leng Nichang decided to help Xi Xingyi because she wanted to see Xi Ran and Xi Xingyi have a good relationship like they used to.

"Alright." After thinking for several seconds, Xi Ran agreed.

"Good!" Xi Xingyi said happily.

Not long after that, they left.

Xiao Tian immediately spent time with his women after leaving the Li café because he would go on a vacation with Xi Xingyi in two days.

He took them to a romantic place before finally having a small party in the backyard.

"Hehe." Ye Xueyin laughed happily.

As usual, she sat between his legs as she consumed a chicken wing.

"Little brother, eat this." Shi Fei put a sausage in her mouth after saying that.

Her intention was clear.

She wanted to feed him a sausage from mouth to mouth!

No, she wanted to have a passionate kiss with him after feeling him a sausage.

Xiao Tian turned his head to the left before finally eating the sausage. Of course, he knew what she had in mind because he often used the same trick.

And their lips finally met!

They instantly had a passionate kiss after consuming the sausage. Mu Ai and Feng Yu were already asleep, so they didn't need to control themselves.

At this moment, Xiao Tian was still embracing his mother. His hands were still on her slender waist.

Even though Ye Xueyin knew what they were doing, she did not care about it and kept eating her chicken wing because Xiao Tian was still hugging her from behind.

"Kya!" Ye Xueyin was surprised when he suddenly squeezed her breasts.

He had a deep kiss with Shi Fei, so she thought he would only hug her, but she was wrong.

"Tian, why are you squeezing your mother's breasts?" even though she questioned his actions, but she did not hate it; instead, she liked it.

He did not answer her question because he was busy devouring his sexy lover. All of them were his women, so he did whatever he wanted without thinking twice.

Long Jingxian and the others ignored them and chatted happily. They knew their boyfriend was a pervert, so they were not surprised by his actions.

They even believed he would do lewd things to them later because, in their eyes, he was a handsome beast.

"Huft...As usual, I can't beat you in a tongue fight." Shi Fei said after breaking the kiss.

Because Shi Fei had stopped the kiss, Ye Xueyin instantly turned around. She wasted no time and kissed him hungrily.

Xiao Tian fell onto the mat because his mother pushed him as she kissed him hungrily.

Of course, he let her do whatever she wanted because he knew something like this would happen to him.

*Pak...

The sound of him spanking his mother's butt reverberated in the backyard.

She moved her tongue lewdly and acted wildly, so he decided to spank her butt as a punishment.

"Kya!" Ye Xueyin instantly stopped the kiss and let out a cute voice when he suddenly slapped her butt.

"Tian, why did you spank your mother's butt?"

"I have to punish you because you are too lewd now." After saying that, he spanked her soft ass again.

"Hehe." Shi Fei giggled cutely when she saw him spanking Ye Xueyin's butt.

"But you didn't spank Fei's butt earlier. You shou-kya." She could not finish her words because he spanked her butt again.

Xiao Tian tried his best not to laugh when he saw her pouting lips.

'She is too cute!'

He decided to slap her butt again when he saw her expression.

Ye Xueyin was unhappy and decided to kiss him as a punishment. She did whatever she wanted because he kept spanking her butt.

That night, Xiao Tian had an orgy with all of his women.

Two days passed in the blink of an eye. Xiao Tian, Xi Xingyi, Xi Ran and Leng Nichang were currently in Hazo city, one of the cities in Sichuan.

They decided to go to Sichuan because Xi Xingyi had a villa in Hazo city.

They did not go to tourist attractions because they were tired. It took them five hours by plane to get to Sichuan, so they were exhausted.

Xiao Tian was currently in the backyard, while Leng Nichang, Xi Xingyi and Xi Ran were in the living room. He did not want to disturb their time, so he headed to the backyard to enjoy himself.

'This villa is good. The backyard even has a beautiful view.'

The backyard was huge with a fountain and swimming pool.

There was also a square-shaped relaxing area next to the pool with a red couch and wooden table within it.

He even could see a mountain from the backyard. And because it was already 03:40 pm, the scenery was so beautiful in the backyard.

'It would be better if a beautiful woman was next to me.'

And as if God had granted his wish, an attractive lady walked toward him shortly after that.

"There you are." a charming voice rang out in the backyard.

Xiao Tian's face blossomed into a smile. "Xi, what are you doing here? Why don't you talk to your daughter and lady Leng?"

He was pleasantly surprised when he saw Xi Xingyi because he needed a beautiful companion like her.

"I have talked with them for several minutes, so it's time to chat with you." She immediately sat next to him.

The duo began to talk.

Their faces were full of smiles as they chatted because their conversation was interesting, and they also talked in a good place.

"Hehe." The duo chuckled.

"This place is good!" he stated.

As he was looking at the mountain, Xi Xingyi suddenly did something shocking to him.

Chapter 1399 Xi Xingyi Tells Leng Nichang to Have Passionate Kiss With Xiao Tian

As they talked, Xi Xingyi did something shocking to Xiao Tian.

She cupped his face and kissed his lips!

He was startled.

Sure, they had done many passionate kisses, but they were in the backyard now.

He thought she would not do any adult thing because the chances of them being caught by Leng Nicang and Xi Ran were high.

'Isn't she afraid of being caught by lady Xi and lady Leng?'

That was the question that appeared in his mind.

But what surprised him most was that she suddenly tried to put her soft tongue into his mouth.

There was only one meaning for her actions.

She wanted to kiss him passionately!

It took him two seconds to respond to her kiss because he had underestimated her courage earlier.

And then the normal kiss instantly turned into a lewd kiss where they moved their tongues lewdly and tilted their heads to the left and right.

As usual, his hands did not stay still and instantly squeezed her breasts as they kissed hungrily.

Xi Xingyi instantly stopped the kiss and stared at him.

She was shocked.

Even though it was not his first time squeezing her breasts, but they were currently in the backyard.

"Why did you suddenly stop the kiss?" Xiao Tian pretended as if he knew nothing.

Of course, he was still squeezing her breasts because she did not stop him. And from her expression, he could tell she loved his actions.

She looked at his hands before finally shifting her gaze to his handsome face. "Xiao Tian, are we going to have sex here?"

He stopped squeezing her breasts and responded, "What are you saying? Even though I'm a playboy and pervert, but I'm not a crazy person."

He then continued, "If I wanted to have sex with you, I would have taken you somewhere quiet by now."

Xi Xingyi was trying to make up with her daughter, so he would not do something that could make the situation awkward for them.

"Good if you think like that." She was pleased after hearing it. "Now let's continue what we were doing before."

The corner of his lips twitched. "Continue what we were doing? Are you not afraid of being caught by lady Leng or your daughter?"

She ignored his question and kissed him passionately again. Like before, they moved their tongues lewdly.

At the same time, Leng Nichang was walking toward them. However, the duo did not realize it because they were busy enjoying their deep kiss.

"As I thought, you two already have this kind of relationship." Leng Nichang spoke when she was close to them.

Xiao Tian and Xi Xingyi stopped the kiss and turned their heads toward the source of the sound.

Even though they were shocked, they still behaved normally.

After sitting on the opposite side of them, Leng Nichang threw another question, "Madam, since when did you have this kind of relationship with him? Why didn't you answer my question honestly two days ago?"

But instead of answering Leng Nichang's question, Xi Xingyi said something shocking. "Nichang, he is really good at deep kissing. Why don't you have a passionate kiss with him now?"

Xiao Tian instantly shifted his gaze from Leng Nichang to Xi Xingyi.

'Xi, what are you saying?'

He did not expect her to say something like that.

She was still not his lover, but she already behaved like Shi Fei.

If Shi Fei were the one who said it, he would not be surprised because she always tried to match him with another woman.

Even though Leng Nichang was shocked, she only smiled. "Mr. Xiao, are you really skilled at deep kissing?"

"Are you doubting my words? I have tested his skills, you know? I even tested his skill just now." Xi Xingyi did not feel shy when she said something like this.

Of course, it would be different if Leng Nichang were her daughter.

Leng Nichang had followed her since she was young and already knew everything about her, so she still behaved normally.

She was sure Leng Nichang would not tell her daughter about it because Leng Nichang was a young lady who knew what she should not do.

Leng Nichang's lips curled up into a smile. "It seems like you are really good at deep kissing. Even madam Xi keeps praising you. Shall we have a passionate kiss, Mr. Xiao?"

Of course, she was joking around. Even though Xiao Tian was the most attractive young man she had ever seen, but she was not crazy enough to do that.

She had principles, and one of them was that she would only kiss men or have sex with the men she loved.

For now, she had no special feelings for Xiao Tian. She also believed he did not have special feelings for her.

"What will you do, Xiao Tan?" Xi Xingyi inquired.

"Xi, she is joking around. Can't you tell by looking at her expression?" he thought Xi Xingyi knew that Leng Nichang was not serious with her words.

Leng Nichang shifted her gaze from Xiao Tian to Xi Xingyi. "Madam Xi, I only kiss someone I love."

"I also only kiss someone I love. I'm not an easy girl, you know?" at this moment, Xi Xingyi still had not realized what she had just said.

Yes, she said she loved Xiao Tian indirectly!

"Congratulation, Mr. Xiao. You got another MILF." Actually, Leng Nichang had suspected this because Xi Xingyi often spent time with Xiao Tian lately.

Xi Xingyi finally realized what she had just said after hearing Leng Nichang's words.

'Did I just confess my love to him?'

She slowly turned her head to look at him because she wanted to see his expression.

She did not deny it because she had special feelings for him. She just hoped he would not be disgusted because a woman of forty-five had just confessed her feelings for him.

Xiao Tian smiled softly when Xi Xingyi was looking at him. Even though she was already forty-five years old, but she still looked young.

She even had a better body than most women in their twenties. This was one of the reasons why he would accept her love.

Xiao Tian did not say anything, but he answered her feelings with his actions.

He held her hands and smiled softly at her!

From his expression, anyone could tell what his answer was.

Happiness blossomed in Xi Xingyi's heart.

'Did I just get a new lover? A young and handsome man on top of that.'

She looked at his hands before shifting her gaze to his face.

She could hardly contain her happiness because she got a new lover like him. Not only was he attractive, but he was still young too.

"Mr. Xiao, look at Madam Xi's face! I'm sure her heart is throbbing with happiness right now." Leng Nichang decided to tease Xi Xingyi after seeing her face.

Xi Xingyi ignored Leng Nichang's words and kept smiling at Xiao Tian.

"Now that you two have become lovers, are you planning to have sex in this place?" like before, Leng Nichang was joking around.

'Hmm?!'

Xiao Tian and Xi Xingyi looked at her in surprise.

"Wait! Don't tell me. You two already had sex before. Tel me. Have you had sex before?" Leng Nichang threw another question.

Chapter 1400 Answer My Question Honestly

Xiao Tian and Xi Xingyi were shocked by Leng Nichang's bold question.

They did not answer her question immediately and only exchanged a glance with each other.

"Just answer my question honestly. I saw you two kissing passionately earlier, so you don't need to lie to me. Don't worry. I'm good at keeping secrets." After saying that, she winked her left eye.

Instead of answering Leng Nichang's question, Xi Xingyi looked at Xiao Tian and asked, "Xiao Tian, have we had sex before?"

She would let him answer Leng Nichang's question because she did not know how to answer Leng Nichang's question.

"Yes. We've had sex twice." He gave an honest answer. "The first was in my apartment, and the second was in hers."

"Really? You two have had sex twice?" even though Leng Nichang had guessed it, she was still shocked after hearing his words.

Xi Xingyi was stunned.

She did not expect him to answer like that.

Of course, she was not angry at him because what he said was right. They indeed had already had sex twice.

Leng Nichang shifted her gaze from Xiao Tian to Xi Xingyi. "Madam Xi, is he telling the truth?"

He looked at Xi Xingyi without saying a single word. He would be disappointed if she denied his words because that meant she did not want to admit the time they spent together.

Xi Xingyi kept looking at Leng Nichang to Xiao Tian.

'Should I admit it?'

Of course, she knew he would be disappointed if she denied his words because he was telling the truth.

"Ah, well, we..." unlike Xiao Tian, Xi Xingyi could not answer the question quickly.

*Sigh...

He sighed and turned his head to the other side.

Even though he was not angry, but a spark of disappointment appeared in his heart because she looked like she was trying to deny everything.

'I should not have said that earlier.'

Of course, he understood her position.

Xi Xingyi was panicked when she saw Xiao Tian sighing and turning his head to the other side.

'Is he disappointed with me?'

Her heart suddenly felt uneasy and unsettled after seeing his expression.

"Madam Xi, it seems like he is disappointed with you." Leng Nichang spoke and paused for a second before she continued, "Is he telling the truth? It seems like he is disappointed because you don't dare to answer my question honestly."

"Yes. I've had sex with him twice." Xi Xingyi decided to tell the truth because she did not want to disappoint Xiao Tian even more.

He was young, handsome, and rich. She was sure many women desired to be his lover or mistress.

She even believed every woman would love to have a one-night stand with him, but here, she tried to deny everything they had done until now.

She was already forty-five years old, but Xiao Tian did not feel shy when he revealed the truth, so she could understand why he was disappointed.

"Really? You have had sex with him twice? I didn't expect your relationship with him already that far." Leng Nichang wanted to dig into their relationship more now. "Madam Xi, did he seduce you first? And is he good in bed?"

She suddenly behaved as if she was a police officer who was interrogating a criminal. There was a reason why she threw many questions at once.

It was because she was curious about their relationship!

Xi Xingyi never had sex with Han Shutai when they were lovers, but here, she already had sex with Xiao Tian twice even before they became a couple.

This was what piqued her curiosity because she wanted to know what Xiao Tian did to make Xi Xingyi agree to have sex with him.

"Nichang, can you leave us alone now?" Xi Xingyi wanted to say something to Xiao Tian.

"Sure." Even though Leng Nichang still wanted to ask many questions, but she agreed instantly.

'Well, I can ask them about it later.'

She added in her mind.

"And please prevent Ran from coming here." Xi Xingyi did not want her daughter to come to the backyard because everything would be awkward later.

"Leave it to me." After saying that, Leng Nichang entered the villa.

Xi Xingyi wasted no time and instantly sat on Xiao Tian's lap, facing him.

"Are you disappointed with me?" she threw a question to him.

"No." he lied to her. "It's my fault for answering her question honestly. I should not have done that."

"Let's have a passionate kiss and make up after that." She still did not realize what she had just said.

Usually, everyone would only say 'let's make up now,' but she said 'let's have a passionate kiss and make up after that', as if she wanted to have a deep kiss with him.

"Haha." Xiao Tian could not help but burst into waves of laughter. "Xi, do you realize what you just said?"

"I said let's have a passionate kiss and ma-"she finally realized what she had just said.

"Haha." Her words and behavior made Xiao Tian forget her previous mistake. "Cute. You are so cute, Xi."

"Cute? You are calling forty-five years old woman cute?" even though she found it hard to believe what she was hearing, but she was pleased deep inside her.

"Why? There's no rule I can't call mature women cute, right?" he was sure there was no rule that said he could not call mature women cute.

Sure, cute was not the most appropriate word to say to a mature woman like her, but her expression and behavior were really cute in his eyes.

"You are treating me like a young woman, huh?" she spoke and paused for a second before she continued, "It looks like I have to show you who the senior among us is."

She wasted no time and instantly kissed him passionately. Her previous words were just her excuse because all she wanted to do was kiss him deeply.

As usual, Xiao Tian welcomed the kiss instantly. He led her to take the lead this time because he wanted to enjoy her kiss.

They had a passionate kiss for several seconds before finally, she stopped the kiss. "We just kissed passionately, so now we've made up, right?"

"No. You need to have sex with me first if you want to make up with me." Of course, he was only joking around because he wanted to tease her.

However, she had a different thought.

She thought he was serious.

For this reason, she slid from his lap and dragged him out of the relaxing area.

Xiao Tian was startled by her actions. "Xi, where are we going?"

"We are going somewhere safe to have sex." She gave an honest answer.

"What? Xi, I was only joking around." He did not expect her to take his words seriously.

"Real men take their words seriously, so follow me and let's have sex in a safe place." She would not take no for an answer because he kept teasing her.

Xiao Tian was shocked when he found out there was a secret room in the backyard. The secret room was located not far from the swimming pool, and it was an underground room.

The secret room was as big and comfortable as her family room.

After dragging him to the bedroom, Xi Xingyi took off her clothes. "Let's do it now."

And soon, her seductive cries reverberated in the secret room.

"You were so wild, Xi." Xiao Tian stated.

'But it felt good!'

He added in his head.

He was currently lying on the bed with Xi Xingyi, naked.

"Because I have two purposes in coming to this city." She behaved normally because she was also aware of her wild actions.

"Oh, what is it?" he asked curiously.

To his surprise, she gave a shocking answer. "Kiss me passionate first and I will tell you about it later."

She was addicted to passionate kissing because she was very good at kissing. She didn't even notice that she had become a pervert now.

"Sure." After saying that, he lay on top of her and kissed her hungrily.

Xi Xingyi instantly wrapped her long slender arms around his back. The flames of lust suddenly appeared when Xiao Tian's soft penis touched her body.

She instantly locked her legs around his waist. She did not know why she was like this. They had just finished having sex, but her body suddenly became hot again.

After stopping the kiss, Xiao Tian asked again, "So, what is it?"
