Chapter 1401 I Accept the Challenge

"So, what is it?" Xiao Tian asked curiously.

Xi Xingyi widened her eyes for a second when his cock was slowly erect.

'It seems like he is horny again. His cock is slowly erect again.'

She did not realize that she was the reason why his penis was slowly erect.

First, his penis was touching her body directly. Second, she was moving her waist lewdly. And last, they had a passionate kiss earlier.

Even though they had just finished having sex, it was normal for his penis to be erect again in such a situation.

She cupped his handsome face before answering, "Put your erect cock into my vagina first and I will tell you about it."

The expression of a deep shock blossomed on his face.

'What?!'

He was shocked by her words.

However, it only lasted for a few seconds before his surprised face turned into a grin. "Why didn't you just say you wanted to have sex with me again?"

"So, do you want to hear my answer or not?" Xi Xingyi did not deny it because she did want to have sex with him again.

"Sure." Xiao Tian agreed instantly.

'Since when did she become a lewd lady? Is it because of me?'

All of his women instantly loved sex after sleeping with him, so he suspected that he was the reason why she suddenly behaved lewdly like that.

She instantly unwrapped her legs and spread them widely.

Xiao Tian was still on top of her. He did not move from his position because he could thrust his penis into her vagina in that position.

"Ah...." Xi Xingyi let out a seductive moan when Xiao Tian thrust his erect penis into her wet pussy.

He did not move his waist because he wanted to hear her answer first. "So, what is it?"

"I have two purposes for coming to this place. First, I want to improve my relationship with my daughter." She spoke and paused for a second before she continued, "And do you know what the last one is?"

"No." Xiao Tian answered instantly.

Xi Xingyi brought her face closer to his right ear before answering, "It's to improve our relationship and have sex with you."

"To have sex with me?" Xiao Tian ignored the first part.

Xi Xingyi smiled and pinched his nose. "Why do you only say the sex part? What about the improving our relationship part?"

"Because sex can also improve our relationship." He did not hide his real personality because she already knew that he was a playboy and a pervert.

"Why didn't you just say you only wanted to have sex with me?" even though Xiao Tian said something like that, she was not disgusted by his words.

The reason was simple.

It was because he always managed to satisfy her whenever she had sex with him!

She did not have sex for so long, so she was instantly addicted when he could satisfy her in bed.

Not only was he skilled in bed, but he was also good-looking.

He was young, handsome, had a lot of stamina, and had a big cock. In her eyes, he was ten out of ten.

He was perfect!

Having sex with good-looking people could make their sex time hotter, especially if they had big cocks and were skilled in bed.

This was the reason why she got addicted to having sex with him because he was perfect for someone like her, someone who had been lonely for a long time.

"What are you talking about? I love both your body and heart, not only your body." He was serious when he said this because he felt comfortable when he was around her.

Sure, she was already forty-five years old, but she still looked young. And he also loved MILF, so he was fine with their relationship.

"Really?" her eyes shone brightly after hearing his words.

"Yes." Xiao Tian answered instantly.

"Then, how about we go on a date later?" they were in a new place, so she wanted to go on a date with him.

"Sure." He also wanted to go on a date with her, so he accepted instantly.

"Good. Now that we have decided what to do after this, move your waist and slide your penis in and out of my pussy. You have to make me orgasm again or else I won't have sex with me for two days." Her heart was filled with happiness.

And she wanted to vent her happiness by having sex with him. She wanted to share the happiness within her by having sex with him.

"I accept the challenge." After saying that, he started to move his waist.

And soon, suppressed wails reverberated in the secret room again.

At the same time, Xi Ran was talking with Leng Nichang.

"Where are my mother and Xiao Tian? Are they in the backyard?" Xi Ran asked curiously.

"Yes." Leng Nichang gave an honest answer.

"It seems like they really have a special relationship." Xi Ran uttered.

"Ran. If they have a special relationship, would you agree if they decided to become lovers?" Leng Nichang inquired.

Xi Ran did not answer and only stared at Leng Nichang.

'Would I agree to it?'

At this time, Xiao Tian and Xi Xingyi were walking around the villa.

Her face was full of smiles as she walked with him hand in hand. There was a reason why she walked with a smile on her face.

It was because both her heart and body were happy!

Her heart was delighted because she could spend time with him in a good place, and her body was thrilled because he had satisfied her in bed earlier.

She even had a massive orgasm earlier. That was why her face was full of smiles as she strolled around the villa.

"Hi, Mrs Xi."

"Hi, Mrs. Xi."

"Hi, Mrs. Xi."

Almost everyone who saw her, greeted her.

This greatly surprised Xiao Tian. "Xi, it seems like you are famous in this city."

"In the past, I visited this place and I helped them develop this city. That's why they know me." She gave an honest answer.

"As I thought, you are amazing, Xi." He finally knew the reason why many people greeted her.

"But I'm not as amazing as you. You even managed to raise your family status from lower-class family to an upper-class family in less than three years." She admitted she was not as amazing as Xiao Tian.

Sure, she was quite talented in business, but compared to him, she was nothing. She believed everyone agreed that Xiao Tian was an amazing young man.

This was one of the reasons why she was pleased because she could have a special relationship with him. "Not only that, but you are also a- "

Before she had finished her words, Xiao Tian uttered, "Amazing in bed, right?"

Xi Xingyi giggled. "Hehe. What I want to say is you are a pervert, a pervert young man."

Actually, his words were right, but she changed her mind after hearing his remarks.

"I'm indeed a pervert, a handsome pervert!" he did not deny it because he did pervert things to her earlier.

"Hehe." Xi Xingyi giggled happily.

'He is a cute young man.'

She added in her mind.

Chapter 1402 Will You Be My Boyfriend?

7-8 minutes

Xi Xingyi and Xiao Tian returned to the villa at 05:30 pm. Like before, their faces were full of smiles.

Even though they only strolled around the villa, but they were pleased. She even took a lot of photos before.

After arriving at the villa, they immediately took a shower.

At first, he wanted to take a bath with her, but he changed his mind when he remembered that Leng Nichang and Xi Ran were in the living room.

The four of them went out for dinner after bathing. Xi Xingyi was thrilled because she had managed to improve her relationship with her daughter.

They went straight to their room after arriving at the villa because it was already 09:30 pm.

Yes, they went somewhere after having dinner together!

At this moment, Xiao Tian was lying on the bed, calling his women. Even though he had fun with Xi Xingyi, he still missed his women.

He didn't go to sleep after calling his women; instead, he lay on the bed, staring at the ceiling.

To his surprise, someone suddenly opened his door.

'Hmm?'

He was startled because that person did not knock on the door; instead, she opened the door right away as if it was her room.

'Is it my new MILF?'

He suddenly guessed that person was Xi Xingyi because it was impossible for Leng Nichang and Xi Ran to open his door without knocking first.

And what he had guessed was right because he saw Xi Xingyi after she stepped into his room.

'Don't tell me....'

He was startled.

But what surprised him most was that she was wearing a sleeveless nightgown.

She wore a sexy black nightgown!

Her nightgown was short and only covered half of her thighs.

'Is she planning to seduce me?'

He suddenly thought Xi Xingyi wanted to seduce him because she came to his room wearing a sexy nightgown.

She closed the door carefully before finally crawling onto his bed. "Xiao Tian, let's sleep together tonight."

She lay on his right side with her head on his right arm. At first, she wanted to sleep in her room, but his face kept appearing in her mind every time she closed her eyes.

That was why she decided to sleep with him. Of course, she was aware of how dangerous her actions were.

Xiao Tian instantly turned his body and lay on top of hers. "Beautiful lady, you came to my room wearing a sexy nightgown. Are you planning to seduce me?"

Xi Xingyi wrapped her arms around his back when he suddenly lay on top of her. "I only want to sleep with you. I have no intention of seducing you."

"Then why are you wearing a sexy nightgown?" he threw another question, "You should know there is only one meaning when a woman comes into the men's room at night wearing a sexy nightgown."

Of course, she knew about it because she was not an innocent teenager. "I know, but I only want to sleep with you, nothing more than that."

"Really?" he inquired.

"Yes." She nodded her head.

"Then let me test you whether you are lying to me or not." After saying that, he brought his face closer to hers before finally kissing her passionately.

Like usual, Xi Xingyi welcomed the kiss instantly. Actually, she knew something like this would happen because she came to his room wearing a sexy nightgown.

After kissing her for several seconds, he stopped the kiss. "You are lying. If you were not planning to seduce me, you would have stopped me earlier."

"That's because I like kissing you." She gave an honest answer.

"Then, do you like having sex with me?" he decided to tease her after hearing her remarks.

But instead of answering his question, Xi Xingyi asked, "Are we going to have sex now?"

"That depends on your answer." Xiao Tian replied instantly. "If you say you like having sex with me, we will have sex now, but if you say you don't like it, then I won't make a move on you."

Xi Xingyi did not answer his question immediately and only stared at him.

"So, which one is it?" he inquired.

"I...love having sex with you." It took her five seconds to finish her words.

"Then, let's have sex now." Of course, he still remembered that Xi Ran and Leng Nichang were in their room.

However, the distance between their room was quite far, so he was sure they would not know anything later.

Xi Xingyi's heart beat fast after hearing his words. "Al...alright."

And soon, his room was filled with her suppressed moans.

*Sigh...

Xi Xingyi let out a sigh of relief.

She was currently lying on his right side with her head on his right arm. Of course, both of them were naked because they had just finished having sex.

"Why are you sighing?" Xiao Tian asked curiously.

"I'm relieved because it looks like my daughter and Nichang don't know what we just did." She gave an honest answer.

"It was because you always suppressed your moans earlier." He uttered, "Are you afraid your daughter will find out about this?"

"I just want to improve my relationship with her first before telling everything." She invited her daughter to go on a vacation with her because she wanted to improve their relationship.

She just did not expect that she would only have sex and spend time with him after arriving at the villa.

"I will try my best to help you later." He wanted to help her because, with this, he could make her happy.

Xi Xingyi kissed his right cheek before finally speaking, "Thank you, my young boyfriend."

"Hmm? Boyfriend?" he was startled by her words.

"What? You don't want to admit that we've become lovers?" she uttered, "We've been holding hands, hugging, going on dates, kissing and having sex. Aren't things like that only done by lovers?"

"You are right." He agreed with her words. "But we still haven't expressed our feelings for each other."

"What are you talking about? Didn't I tell you how I felt a few hours ago?" she expressed her feelings for him when they were in the backyard earlier.

Xiao Tian finally remembered it. "You are right. You did express your feelings for me earlier."

"And you still haven't answered my confession. So, how is it? Do you want to be my lov-" Xi Xingyi stopped her words halfway and corrected it. "Xiao Tian, there isn't a word big enough to describe what you mean to me."

She imitated the romantic words she had read on the internet before. "When you smile, my whole world lights up. When you hold my hands, I feel endless joy in my heart. This world always turns into a beautiful place whenever I'm with you."

Xiao Tian was startled by her sweet words. Usually, it was a man's job to say sweet things. He just didn't expect her to say sweet things to him.

'She is good at this!'

Of course, he loved it.

"Your smiles, your caring attitude, your loving gaze and your embrace; you always make me happy whenever I'm with you." She kept using her sweet words. "Xiao Tian, I love you. Will you be my boyfriend?"

Chapter 1403 Xiao Tian, I Love You

7-8 minutes

"Xiao Tian, I love you. Will you be my boyfriend?" Xi Xingyi expressed her feelings for him again.

"So sweet!" he stated. "My heart melts after hearing your sweet words."

"You should answer my question immediately." She forced him to answer her question right away.

"I will agree to be your boyfriend if you sleep in my arms tonight." As usual, he tried to take advantage of the situation.

Xi Xingyi wasted no time and instantly lay on top of his body, facing him. "Are we lovers now?"

"I will become your lover if we have sex again." Of course, he was joking around because he only wanted to tease her.

"...pervert!" she pouted her lips.

"Hehe." Xiao Tian found her expression funny. "My lover is so cute!"

Xi Xingyi's heart was filled with happiness after hearing his remarks. A soft smile spread across her face after placing her head on his chest.

'I have a new lover now. A devilishly handsome young man on top of that.'

She drew a circle on his chest using her left index finger.

'I'm sure every woman will die of jealousy if they find out that Xiao Tian is my boyfriend.'

She was pleased because she could have a boyfriend like him even though she was already forty-five years old.

After wrapping his arms around her back, he spoke in a soft and loving voice. "Good night, my love."

To his surprise, she suddenly kissed his lips. "Good night, my love."

The duo fell asleep not long after that.

The following morning, Xiao Tian and others went to tourist spots. They were pleased, especially Xi Xingyi.

Not only could she spend time with Xiao Tian, but she also managed to improve her relationship with her daughter.

This was the reason why her heart was filled with happiness. Due to how happy she was, she even did not stop smiling.

Xiao Tian and the others were currently in the villa. They decided to return to the villa after visiting a few tourist attractions.

They would spend a few days in Hazo city, so they did not force themselves to visit all the tourist spots in one day.

Xiao Tian and Xi Xingyi were currently in the living room, while Leng Nichang and Xi Ran were in their room, sleeping.

"Xi, let's go for a walk." It was 04:00 pm, so he wanted to stroll around the villa because the view around the villa was good.

Xi Xingyi, who was lying on the couch, responded, "I'm tired. I want to rest now."

He rose to his feet and spoke, "Then, I will take a walk around this villa alone."

"Have a good time." Even though she wanted to spend time with him, but she was tired, so she chose to rest in the villa.

'Hmm?'

She was startled when he suddenly stood next to her.

'Didn't he say he wanted to take a walk around the villa?'

She still did not know why he was standing next to her.

"What's wrong, Xia-" before she had finished her words, he did something shocking to her.

He kissed her lips!

Even though his actions greatly surprised her, but she loved it.

She instantly wrapped her long slender arms around his neck when their lips met. Not only that, but she also opened her mouth as if she was asking him to kiss her passionately.

And like what she wanted, Xiao Tian wasted no time and put his tongue into her little mouth.

The duo had a passionate kiss for several seconds before finally, they stopped.

"Pervert!" she smiled softly as she spoke.

Xiao Tian kissed her right cheek before walking out of the villa. "Then I will go for a walk now."

"Have a good time." She repeated her previous words.

Two hours after Xiao Tian left, five people came to Xi Xingyi's villa. They were going to have Eating Together Event in two days, so they wanted to invite her to join them.

The Eating Together Event was not really an official event because they would only cook and eat together.

In short, it was an event to have fun together!

They decided to invite Xi Xingyi because she had made a great contribution to the development of their city.

Xi Xingyi did not accept immediately because she needed to discuss it with her daughter and the others.

They could understand her position, so they only told her to tell them if she agreed to join the event.

At night, Xi Xingyi told Xiao Tian and the others about the Eating Together Event. She wanted to hear their opinion about it.

"I don't mind accepting the invitation." Xiao Tian uttered.

"Yes." Leng Nichang added, "Looks like it's going to be fun, so I also don't mind joining their event."

Xi Xingyi turned her head to look at her daughter. "What about you, Ran?"

"I also don't mind it." Xi Ran responded.

"Good. Then I will inform them tomorrow." Xi Xingyi said as she smiled.

Like yesterday, they watched a movie after eating dinner. Because they went to many places earlier, Leng Nichang and Xi Ran slept earlier than usual.

They slept at 09:00 pm!

Xiao Tian, who was lying on the bed, looked at the ceiling.

'When will she come to my room?'

He believed Xi Xingyi would come to his room later.

Xiao Tian was sure about this because he had experienced something like this several times in the past.

When he went to Long Jingxian and Su Ruanyi's parents, they came to his room every night.

Xi Xingyi showed the same behavior as them, so he was sure she would come to his room later.

And what he had guessed was right because she came to his bedroom shortly after that.

*Click...

She locked the door after entering his room because she did not want anyone to disturb their time.

She wanted to enjoy her time with him to the fullest.

Xiao Tian wasted no time and immediately took off his clothes because he knew what she wanted.

First, she came to his room at night. Second, she instantly locked the door after entering his room. And last, she wore sexy lingerie.

There was only one meaning for this.

Sex!

She wanted to have sex with him!

They hadn't had sex today because they went to tourist attractions after breakfast, so she was delighted when Xi Ran and Leng Nichang went to bed earlier than usual.

Xi Xingyi smiled softly and crawled onto the bed when she saw Xiao Tian's huge cock.

'I miss this penis.'

She grabbed his cock before finally putting it into her little mouth.

"Ahh..." she put his penis into her vagina shortly after that.

And soon, Xiao Tian's room was filled with her suppressed cries.

"Xi, when is your safe day?" Xiao Tian, who was lying on the bed, inquired. "I want to cum in your pussy."

Xi Xingyi, who was lying on his right side, responded, "In a few days. I will buy birth control pills if you want."

He kissed her left cheek and said happily, "You are indeed the best, Xi."

Her face broke into a smile after hearing his words.

'It seems like having a young boyfriend is troublesome. Well, at least, he loves both my heart and body.'

Not long after that, they fell asleep.

Chapter 1404 We Are Lovers Now

7-8 minutes

The following morning, Xiao Tian accompanied Xi Xingyi to buy birth control pills. Her face turned red when the female cashier looked at her intently.

The female cashier's gaze was mixed with jealousy because she also wanted a boyfriend as handsome as Xiao Tian.

"Haha." Xiao Tian laughed after they walked out of the clinic. "Did you see her gaze earlier?"

Xi Xingyi put the birth control pills into her bag before answering, "Yes."

'And you were the reason why she stared at me like that.'

She was sure he was the reason why the cashier stared at her intently earlier.

"She is jealous because you are so pretty." Of course, he knew the reason why the cashier looked at her intently, but he would not say it because it was better to praise her than tell the truth.

Even though she knew he was only using his sweet words, she was still happy. "It's because I bought birth control pills with you."

"Is that so? Then I will accompany you again on the next purchase." he would have a lot of sex with her from today onwards, so he knew they would buy birth control pills again in the future.

"I will order my subordinates next time." she could not order her subordinates because they were in Hazo city.

"So cruel!" Xiao Tian pretended to be sad. "Then I will lock my door tonight."

Xi Xingyi giggled and pinched his cheeks. "My young lover is so cute sometimes."

When she wanted to say he was also a pervert, he suddenly did something shocking.

He carried her in a princess style!

"Kya!" she was startled when he suddenly carried her in a princess style.

Of course, she loved it. Ever since she became his lover, she always felt young again.

He never treated her like an old lady, and their ways of dating were also like a couple in their teens or twenties.

It was so romantic, and she loved it!

"So, where are we going now, my love?" Xiao Tian, who was walking while carrying his MILF girlfriend, inquired.

"Let's go to Baito's house to tell him we will join the event tomorrow." Xi Xingyi had not informed him because she went straight to the clinic after breakfast.

Baito was an old man about forty-five years old. He was the chairman of the event committee.

"Sure." He agreed instantly.

"My young boyfriend, can you put me down now?" even though she loved being carried by him, but many people were staring at them.

"Why?" he pretended as if he knew nothing.

"Because many people are looking at us." she gave an honest answer.

"Then I will continue to carry you because I want them to know that this beautiful lady is my lover." He did not forget to praise her in his answer.

Like usual, sunshine flooded her soul after hearing his sweet words.

'He really knows how to make a woman happy.'

She kissed his right cheek.

"You can carry me again later, but put me down now." After saying that, she brought her face closer to his right ear and whispered, "If you listen to me, I will let you do whatever you want tonight."

"Really?" Xiao Tian's eyes shone brightly.

"Pervert!" she pinched his nose as she smiled softly.

"You can't break your word." After saying that, he put her down.

"No! I won't keep my promise. Hehe." She giggled after saying that.

"Hey! You can't break your word because you have said it." He shouted.

"Hehe." Xi Xingyi giggled happily.

A soft smile spread across her face as she looked at her surroundings. The gentle breeze, the beautiful view, the green trees, and the fresh air; everything was perfect.

Her young lover was even accompanying her on that beautiful morning, causing the happiness in her heart to grow bigger.

'Hmm?'

The smile on her face grew bigger when Xiao Tian suddenly held her right hand.

'He always makes me happy whenever I'm with him.'

She did nothing because walking hand in hand gave her happiness.

Xiao Tian and Xi Xingyi did not return to the villa immediately; instead, they decided to go for a walk.

The duo was currently sitting on a public seating under a big tree. Previously, they saw a small garden, so they decided to enjoy their time there.

Xiao Tian, who was sitting on her right side and holding her right hand, uttered, "Xi, don't yo-"

Before he had finished his words, Xi Xingyi uttered, "Xiao Tian, can you call me Xingyi from now on?"

Xi was her family name, so she wanted him to call her by her birth name because they were lovers now.

"How about I call you honey from now on?" of course, he was joking around.

He would feel cringe if he called her honey every time. This was the reason why he only called his women by their birth names.

Sure, he also called them love or honey, but he rarely did that. "How is it?"

"You can call me that if we are alone, but I think it's better to call me Xingyi in public." She would feel embarrassed if he called her honey in public.

"Good! Wait! Should I still call you Xingyi in front of your daughter and lady Leng?" he inquired.

Xi Xingyi touched her chin. "Hmm? How about calling me wife? Hehe."

She was joking around when she said this because she would only let him call her wife after they got married.

"I love that idea!" of course, he knew she was joking around.

The duo returned to the villa when the sky grew dark. They immediately had dinner after taking a shower.

After eating, Xi Xingyi uttered, "We will go to Gu Lake tomorrow after breakfast."

"Gu Lake? Is that the place where the event will be held?" Leng Nichang asked curiously.

"Yes." Xi Xingyi nodded her head. "Baito told me that we will be holding the event at the Gu Lake tomorrow."

"Xingyi, you forgot to tell them to bring clothes because we will be staying at Gu Lake for two to four days." Xiao Tian uttered.

Xi Ran was shocked after hearing his words.

'Xingyi?'

Usually, he always called her mother Xi, so she was surprised when he called her mother by her birth name.

And what made her curious the most was that Xi Xingyi was behaving normally as if it was normal for him to call her by her birth name.

The atmosphere instantly turned awkward when Xi Ran looked at Xiao Tian and Xi Xingyi intently.

"Xiao Tian, mother, tell me honestly. How close are you guys now? Are you two lovers now?" even though she knew that Xiao Tian had a close relationship with her mother, but she had no idea how close they were.

Xi Xingyi could not answer her daughter's question right away.

'Should I reveal the truth now?'

Actually, she knew her daughter would ask this question sooner or later because she had always spent time with Xiao Tian lately.

Xiao Tian turned his head to look at Xi Xingyi.

'Should I answer her question?'

He thought Xi Xingyi could not answer Xi Ran's question because she only looked at her daughter without saying a single word.

Because Xi Xingyi only stared at her daughter, Xiao Tian decided to answer Xi Ran's question. "We are lovers now."

Chapter 1405 What Did She Say To You?

7-8 minutes

"We are lovers now." Xiao Tian decided to answer Xi Ran's question because Xi Xingyi showed no signs of answering Xi Ran's question.

At first, he did not want to reveal the truth, but he changed his mind.

From his point of view, it was better to reveal the truth because sooner or later, Xi Ran would know everything.

He believed she would be disappointed and angry if they hid the truth because she was Xi Xingyi's daughter.

Xi Xingyi instantly turned her head to look at him. Even though she was startled by his words, but she was not angry at him.

She also believed her daughter would know everything sooner or later. "Yes. We are lovers now. I confessed my love for him yesterday."

"What?!" Xi Ran found it hard to believe what she was hearing.

Leng Nichang was not surprised because she was with them when Xi Xingyi confessed her love for him indirectly.

Xi Ran did not know anything because Xi Xingyi ordered Leng Nichang not to tell Xi Ran about her relationship with Xiao Tian.

"Yes." Xi Xingyi nodded her head. "I asked him to be my boyfriend yesterday."

Xi Ran shifted her gaze from her mother to Xiao Tian. "Xiao Tian, why did you accept her love? You know she is already forty-five years old, right?"

"I know about it. I agreed to be her lover because I'm happy when I'm with her." Of course, he knew how old Xi Xingyi was because they immediately had sex after she revealed her real identity.

Xi Xingyi smiled softly when he dared to express his feelings in front of her daughter.

Xi Ran suddenly had complicated feelings. She never forbade her mother to find a new lover, but she should not find a young boyfriend.

Her mother's new boyfriend was even three years younger than her. It would be weird to call someone younger than her a father.

Xi Ran rose to her feet before finally speaking, "Mother, follow me. I want to talk to you alone."

"Alright." Xi Xingyi agreed instantly.

Xiao Tian was currently lying on his bed alone. He went straight to his room after having dinner with Xi Xingyi and the others.

Even though it was already 10:00 pm, he had no intention of sleeping.

The reason was simple.

He was waiting for Xi Xingyi to come to his room!

Actually, there was another reason why he was waiting for Xi Xingyi to come to his bedroom.

He wanted to know about her conversation with her daughter!

And like what he had guessed, Xi Xingyi came to his room shortly after that.

Like yesterday, she wore a sexy nightgown as if nothing had happened between her and her daughter earlier.

After entering his room and locking the door, Xi Xingyi lay on his right side. "Have you been waiting long?"

"Yes." He gave an honest answer. "What did she say to you?"

"He just told me to control myself in public." He replied, "She gave her blessing to our relationship."

"Really?" Xiao Tian was pleasantly surprised.

"Yes." She nodded her head.

He immediately lay on top of her and spoke, "Then we have to celebrate this now."

"Yes. We should celebrate this now." she was also delighted because her daughter could understand her feelings.

Xi Xingyi spread her arms widely as if she was asking for a hug. "Xiao Tian, kiss me passionately. Let's enjoy tonight like yesterday."

Xiao Tian granted her wish instantly. However, he only kissed her for ten seconds because he wanted to lick and suck her pussy.

He did not take off her sexy nightgown. He only removed her sexy panties before finally spreading her legs widely.

"Ah..." a seductive wail escaped from Xi Xingyi's little mouth when Xiao Tian started licking her vagina.

Her body instantly turned hot when Xiao Tian thrust his tongue into her vaginal opening.

'It feels good! It feels good!'

She pulled his head to her pussy as if she was telling him to put his tongue deeper into her pussy.

*Drip...

Her love juices came out of her pussy like flowing water.

Her slender waist even moved on its own as if Xiao Tian's tongue could control her body completely.

"Xiao Tian, I can't hold back anymore. Put your penis into my pussy now. Put it in now." she told him to stop licking her vagina because she wanted to have sex with him immediately.

Like before, Xiao Tian granted her wish. He was also horny, so he instantly positioned the tip of his penis at her vaginal opening after taking off his clothes.

"Ahhhhh..." a long moan escaped from her little mouth when he thrust his huge penis into her wet pussy slowly.

And soon, his room was filled with her suppressed cries.

"Xingyi, you were so wild earlier." Xiao Tian stated.

He was currently lying on his back with Xi Xingyi in his arms. Previously, they had sex for about an hour and a half before finally stopping.

Of course, Xiao Tian managed to satisfy her. She even had a massive orgasm earlier. He was sure she did not regret having sex with him.

"It's because you are so good at sex." She did not deny it because she did behave wildly earlier.

He kissed her forehead before finally speaking, "Let's sleep now."

"Un." She nodded her head.

They fell asleep shortly after that. However, they only slept for four hours because they woke up at 04:00 am.

At first, they only watched a movie without sound, but one thing led to another, and they ended up having sex again.

They only had quick sex this time because she had to return to her room.

"I didn't expect to have sex with you so early in the morning." Xi Xingyi, who was lying on his right side, uttered.

"But isn't that exciting?" Xiao Tian responded, "After all, we bathed in pleasure while the others were sleeping."

"You are really a wild beast! Luckily you had many women, or else I would be lying on the bed every day." She was sure she could not handle his sex drive because he had unlimited stamina.

"This is the reason why I have more than one girlfriend." He uttered, "Because one woman is not enough to handle my sex drive."

"Pervert!" she stated.

"Hehe." He chuckled.

She shifted her gaze from Xiao Tian to the clock.

'It's already 05:05 am. I should return to my room now.'

She came to his room wearing a sexy nightgown, so she had to return to her room before her daughter, and Leng Nichang woke up.

When he saw her getting out of the bed and putting on her clothes, Xiao Tian inquired, "Are you going back to your room now?"

"Yes." She answered as she put on her sexy nightgown.

"I'm sad because I can't lovey-dovey with you now." he put on a sad face.

Xi Xingyi bent over before finally giving him a peck on the lips. "Don't be sad. We will lovey-dovey again if the opportunity arises."

"Good!" he spoke happily.

Xi Xingyi came out of his room because she didn't want her daughter to see her come out of Xiao Tian's room wearing a sexy transparent nightgown.

However, goddess of luck was not on her side because her daughter saw her shortly after she came out of Xiao Tian's bedroom.

Chapter 1406 Just Answer My Question

7-8 minutes

In front of a luxurious bedroom, two women were staring at each other; a young woman and a mature lady.

The young lady wore white clothes, while the mature woman wore a sexy nightgown.

If anyone saw them for the first time, they would think of these two women as twins because they resembled each other.

Lips, nose, eyes, and face; almost everything was the same. However, these two ladies were not twins.

They were not siblings either because they were a mother and a daughter. Even though the mother was already forty-five years old, but she still looked young.

Anyone would think of her as a woman in her twenties if they did not know who she was because she did look like a woman in her twenties.

Of course, she still looked young because she always took care of her body, or else it would be impossible for her to still look young and beautiful.

These two people were none other than Xi Ran and her mother, Xi Xingyi.

At this moment, both Xi Ran and Xi Xingyi did not say a single word and only stared at each other as if they were statues.

They were shocked especially Xi Ran.

Previously, Xi Ran wanted to go to the dining room to drink, but she stopped her footsteps when she saw her mother.

She was startled when she saw her mother because it was still 05:05 am. But what surprised her most was that her mother came out of Xiao Tian's bedroom.

"Ra...Ran you are already awake?" Xi Xingyi broke the silence.

Even though she tried her best to behave normally, but she was still nervous.

The reason was simple.

Her daughter saw her coming out of a young man's bedroom wearing a sexy nightgown in the early hours of the morning!

She would not feel nervous if she was not wearing a sexy transparent nightgown because she could make excuses.

However, she could not make an excuse because anyone would know immediately what she had done in Xiao Tian's room after seeing her sexy transparent nightgown.

Sex!

They believed Xi Xingyi had sex with Xiao Tian earlier or last night.

No one would believe it if she said she did not do anything with him because she was wearing a sexy transparent nightgown.

There was only one meaning when a woman walked into a men's room wearing a sexy nightgown.

She wanted to have sex with that man!

Only a kid would believe an excuse.

Xi Ran was not a kid, so Xi Xingyi knew that she could not lie to her.

Xi Ran shifted her gaze from Xi Xingyi's face to her sexy transparent nightgown. "Did you sleep in his room?"

"Ah...Well... it's...Mm...Well...Yes. I slept in his room." Xi Xingyi knew she could not lie to her daughter, so she decided to tell the truth.

At this moment, Xiao Tian had no idea what was going on because he was sleeping.

He had used a lot of stamina since yesterday and only slept four hours, so he went back to sleep after Xi Xingyi walked out of his room.

Otherwise, he would have already helped Xi Xingyi in explaining everything.

"Did you have sex with him?" Even though Xi Ran had guessed the answer, she still asked this question because she wanted to hear the answer from her mother's mouth directly.

Xi Xingyi was taken aback by her daughter's question. "Ran, why are you asking a question like that?"

"Just answer my question." Xi Ran responded, "Did you have sex with him?"

Xi Xingyi turned her head to the other side and responded, "I...I don't want to answer your question."

At this moment, Xi Ran suddenly did something shocking.

She walked closer to her mother before sniffing her mother's body!

Xi Xingyi was shocked and took one step back in reflex.

"What...what are you doing, Ran?" Xi Xingyi did not expect her daughter to do something like that.

"As I thought, you did have sex with him earlier because I could still smell his fragrance on your body." Xi Ran was not surprised because she had guessed this before.

"He is my boyfriend, so what's wrong with having sex with him?" Xi Xingyi tried to defend herself. "Isn't it normal for lovers to have sex? I'm sure you have had sex with Hu Yuming before."

"No. I have never had sex with him." Even though she loved him in the past, but Xi Ran had never had sex with him before.

"Really?" Xi Xingyi thought her daughter had already had sex with Hu Yuming.

Of course, she was thrilled after hearing her daughter's remarks because Hu Yuming was a bastard in her eyes.

Not only did he ruin her relationship with her daughter, he even wanted to snatch her company.

"Yes." After saying that, Xi Ran turned around. "Alright. I'm going to go to my room now."

"What?! You are not going to ask more questions?" Xi Xingyi was startled because she thought her daughter would keep throwing questions.

"No. I was only curious earlier. Like you said, it's normal for lovers to have sex, so I won't forbid you from having sex with him. Just control yourself and don't do it outdoor." After saying that, Xi Ran headed to the dining room.

"Ran, I love you!" Xi Xingyi shouted happily.

Xi Ran did not say anything but a tiny smile appeared on her pretty face.

Xi Xingyi headed to her room with a smile on her face. She was pleased because her daughter supported her relationship with Xiao Tian.

Her daughter even was not angry when she found out that she had sex with Xiao Tian earlier.

If previously she met her daughter, she met Leng Nichang this time.

Like Xi Ran, Leng Nichang was shocked when she saw Xi Xingyi. "Madam Xi, why are you wearing a sexy nightgown?"

'Her nightgown is even transparent.'

She added in her mind.

"I'm from Xiao Tian's room." Xi Xingyi did not answer Leng Nichang's question directly, but she was sure Leng Nichang could understand the meaning of her words.

Leng Nichang touched her chin.

'She is from Mr. Xiao's room?'

She observed Xi Xingyi from head to toe.

'Don't tell me....'

She finally thought of something; something lovers often did when they were alone.

Sex!

Yes, she suddenly thought Xi Xingyi had sex with Xiao Tian earlier.

"What you have in mind is right. I had sex with Xiao Tian earlier." Her daughter had found out about it, so Xi Xingyi decided to tell the truth.

Black lines formed on Leng Nichang's forehead.

'She admitted it!'

Previously, she thought Xi Xingyi would try to deny it, but she was wrong.

She was utterly wrong because Xi Xingyi revealed the truth even before she asked any question.

"Madam Xi, hurry up and go to your room. It will be dangerous if Ran sees you." Leng Nichang thought Xi Ran still did not know anything.

That was why she told Xi Xingyi to go to her room immediately.

"It's fine. Ran already knew about this because she saw me coming out of Xiao Tian's room earlier." Xi Xingyi responded instantly, "Ran is also fine with it because it's normal for lovers to have sex. Don't you think so too?"

"What?!" Leng Nichang said in surprise.

Chapter 1407 Well, It Can't Be Helped

6-8 minutes

Leng Nichang was startled. "What?! Ran already knew about this?!"

"Yes." Xi Xingyi nodded her head. "She saw me coming out of Xiao Tian's room earlier."

"Then, what did she say?" Leng Nichang asked curiously. "Was she angry at you? Did she forbid you from having sex with him?"

"She was not angry at me and did not forbid me from having sex with him. She only said I should control myself and could not have sex with him outdoor." Xi Xingyi kept giving an honest answer.

She was delighted because her daughter understood her. That was why she felt as if the heavy burden had been lifted off her shoulders.

"Congratulation, madam Xi." Leng Nichang responded.

"Alright. I will go to my room now. I'm still sleepy." after saying that, Xi Xingyi headed to her room with a smile on her face.

Leng Nichang's face broke into a smile when she saw Xi Xingyi.

'It has been a long time since the last time I saw her happy like this.'

She then headed to her room.

Xiao Tian and the others went straight to Gu Lake after breakfast. The distance between Gu Lake and Xi Xingyi's villa was quite far.

It took them an hour to reach their destination by car.

"This place is beautiful!" Xi Xingyi stated.

The lake was huge and surrounded by trees and two small mountains. The water was so clear to the point they could see their reflection.

There were already around sixty people when they reached Gu Lake. Some of them were cooking, and others were cutting vegetables and meat.

All of them instantly stopped what they were doing when they caught sight of Xiao Tian, Xi Xingyi, Leng Nichang, and Xi Ran.

Xiao Tian was an attractive young man, while Xi Ran, Leng Nichang, and Xi Xingyi were gorgeous ladies, so they instantly became the center of attention.

All men looked at Xi Xingyi, Leng Nichang, and Xi Ran while the women stared at Xiao Tian with shiny eyes.

'This event is going to be awesome!'

These were the words that appeared in their minds.

Baito immediately welcomed them.

He also told them what their duties were. Of course, he only gave them an easy task because Xi Xingyi was an important person in their city.

At this moment, Xi Xingyi and the others were washing and cutting vegetables. As Xiao Tian was cutting meat, a gorgeous young lady walked toward him.

Her intention was clear.

She wanted to try her luck!

Like the other women, that young lady was charmed by his handsome face. Sure, she had seen many good-looking men, but they were not as handsome as him.

This was the reason why she wanted to try her luck.

When she was in front of him, she introduced herself, "Hi. I'm Zhelan. What is your name?"

Zhelan was about twenty years old. She had blue eyes and purple hair. Even though she was not as pretty as Liu Ning, but she was in the category of a beautiful woman.

"I'm Xiao Tian." As usual, Xiao Tian showed his charming smile after answering her question.

Zhelan's heart beat fast when she saw his charming smile.

'Oh my god! Not only is he handsome, but he also has a beautiful smile! Wait!'

She realized something.

'Did he just say his name was Xiao Tian?'

She suddenly remembered the famous Xiao Tian, who got the title of Miracle Young Man.

Because she could not hold back the curiosity she had in her heart, she decided to ask. "Are you that famous Xiao Tian? Xiao Tian, who got the title of Miracle Young Man?"

"Yes. That's me." At first, he wanted to lie, but he changed his mind.

"Really?!" even though she had never met him before, but she knew he was a good-looking young man.

'He is more handsome than the one in the magazines and TV.'

She had seen him in magazines and on TV several times because it could be said he was the idol of the younger generation.

Not only was he handsome and young, but he also managed to become a successful person in a short amount of time.

"Can we take a photo now?" she suddenly wanted to take a picture with him because, with this, she could show off to her friends later, saying she had met Xiao Tian in person.

"Sure. But just once because I have to finish cutting his meat." He responded.

"Un!" after nodding her head, she took her smartphone out of her pocket.

"Madam Xi, look at him! A young woman is already trying her luck." Leng Nichang, who washed vegetables, uttered. "He always becomes the center of attention wherever he is."

"Well, it can't be helped." Xi Xingyi responded, "After all, he is an attractive young man, so I can understand it. I'm sure a guy will try hitting on us soon."

And what she had guessed was right because a young man, about twenty years old, walked toward them shortly after that.

He was Jian, a successful young man in Hazo city. "Let me help you, ladies."

Xi Xingyi and Leng Nichang turned their heads towards him.

'He is hitting on us!'

Of course, they knew what he wanted because it was written on his face.

"It's fine. We can do this by ourselves." Leng Nichang refused instantly because she did not want to be disturbed.

He did not give up and kept trying his luck. "I have finished my task, so I have free time now."

"If you are trying to hit on us, you should be at least half as good as him." Xi Xingyi spoke as she pointed her right index finger at Xiao Tian.

"That's right." Leng Nichang added.

There was a reason why they were so cruel to him.

It was because they did not want to be disturbed!

"Him?" Jian looked at the direction Xi Xingyi was pointing at. "Who is he?"

'Why do I feel like I have seen him before? Where did I see him?'

He added in his mind.

"He is Xiao Tian, the owner of Star Group." Xi Xingyi responded, "Do you think you are as good as him?"

"Xiao Tian?" of course, he knew who Xiao Tian was because Xiao Tian was famous in China now.

Even though there were still many people who had not seen his face, but almost everyone had heard of his name and achievements.

"So, do you still want to try hitting on us?" Leng Nichang inquired.

"Wel...well, I seem to have forgotten that I have other tasks to do." After saying that, Jian walked away.

Sure, he was a successful person in Hazo city, but he was nothing compared to Xiao Tian.

Xiao Tian even got the title of Miracle Young Man because he could achieve something almost impossible to achieve.

"Hehe." Leng Nichang and Xi Xingyi giggled.

Xiao Tian walked toward Xi Xingyi and Leng Nichang after finishing his task because he wanted to spend time with them.

"Ladies, why are you giggling like that? Is there something funny?" he inquired.

"Mr. Xiao, you are indeed amazing." Leng Nichang responded, "Your name even can drive someone away."

"Huh?!" Xiao Tian tilted his head to the left.

"Hehe." Leng Nichang and Xi Ran giggled.

Chapter 1408 I Will Punish You In A Quiet Place

7-8 minutes

Xiao Tian still did not understand anything because Leng Nichang and Xi Xingyi only giggled.

'Hey, can't you just tell me about it? That's is unfair, you know?'

He became even more curious when he saw their expressions.

After sitting on the opposite side of them, he inquired, "Xingyi, tell me about it, or else I will punish you tonight."

"Punish me? I didn't do anything wrong, so why do you want to punish me?" at this moment, Xi Xingyi thought what he wanted to do was something they loved, something that could give them pleasure.

Sex!

She thought he would have his way with her if she refused to tell him about it.

This was the reason why she was not afraid of him because she loved sex now. She even enjoyed sex more than before because Xiao Tian always managed to satisfy her.

"Because you giggled earlier." He made a bad excuse.

"Nichang also giggled earlier, so you should punish her too." Xi Xingyi dragged Leng Nichang into their conversation.

Leng Nichang's lips curled up into a smile. "Mr. Xiao, are you going to punish me? But I'm not your lover, so you can't punish me."

She had the same thought as Xi Xingyi. She thought the punishment was to have sex with him.

"Who said you have to be my lover before I can punish you?" of course, he had no intention of punishing Leng Nichang because they had no special relationship. "I can punish anyone, you know?"

"Xiao Tian, just drag her to a quiet place and punish her there." Xi Xingyi wanted him to punish Leng Nichang even more after hearing his remarks.

Black lines formed on Leng Nichang's forehead.

'Madam Xi, he is your boyfriend, you know? How could you say something like that?'

She did not expect Xi Xingyi to say something like that.

Xiao Tian was also startled by Xi Xingyi's words.

'Xingyi, I only want to punish you, not her.'

He suddenly felt like Xi Xingyi wanted to avoid his punishment and make Leng Nichang her replacement.

Xi Xingyi touched Leng Nichang's right shoulder before saying, "Nichang, don't worry. He knows when to stop. He also won't do something that will hurt your body. At most, you only won't be able to walk for a whole day."

He was at a loss for words.

'My MILF girlfriend is indeed a bad woman!'

He would have punished her if they were alone.

Sure, she did not say it directly, but anyone would understand her words right away if they were not innocent people.

Leng Nichang turned her head to look at him. "My boss has said it, Mr. Xiao. Let's go somewhere quiet now. You can punish me there later. But I hope you won't punish me hard because I want to stroll around this lake tomorrow."

If Xiao Tian were another man, he would have gone crazy after hearing her remarks because her words seemed like she would agree if he wanted to have sex with her.

Of course, Xiao Tian knew she was only joking around. She had told him her life principle yesterday.

She said she would only have sex with someone she loved, so he knew that she would not do it with him.

"You heard it, Xiao Tian. Hurry up and take her to a quiet place. Don't worry. I can finish this task alone." anyone would be surprised if they knew that Xi Xingyi was Xiao Tian's lover because she told him to spend time with another woman.

Xiao Tian held Leng Nichang's right hand before finally speaking, "Let's go to a quiet place now, beautiful lady. I will punish you there."

Leng Nichang's lips curled up into a smile. "Sure."

When they were about to leave, Xi Xingyi said something shocking, "Xiao Tian, you have to punish her gently because she is still virgin."

Xiao Tian and Leng Nichang instantly stopped their footsteps. They did not expect her to say something like that.

But they only exchanged a glance with each other before finally walking again. Of course, he was still holding her right hand.

If anyone did not know anything about their relationship, they would think of them as lovers who fell in love with each other deeply.

Even though he was really curious about whether she was still a virgin or not, Xiao Tian did not say anything related to it.

He was a young man with a lot of experience, so he knew what he should not ask to women.

"Hehe." Xiao Tian and Leng Nichang chuckled.

"Oh, right. Are you really not going to ask whether I'm virgin or not?" actually, Leng Nichang was curious why Xiao Tian did not say anything related to it.

Previously, she thought he would ask it, but she was wrong. She was utterly wrong because he only asked about her job or how she met Xi Xingyi.

"I won't ask about it because it's your privacy." He responded, "And from my point of view, it's not important because what's important is our hearts."

He was not lying when he said this.

He indeed never cared about it!

If he loved a woman, he would accept her unconditionally even if she was no longer a virgin.

If he only accepted virgin women, then he would only have one girlfriend now because, among eight of his women, seven of them had lost their virginity before becoming his women.

And if he only accepted unsullied women, he would not have amazing women like Shi Fei and Liu Ning, the women he loved the most.

This was the reason why he only saw women based on their hearts.

No, he saw women based on their hearts and appearances!

He was not a hypocrite.

He did see women based on their bodies too.

If a man said he only saw women based on their hearts alone, he was lying.

It was bullshit!

It was a big lie!

If women saw men based on their wealth, men saw women based on their bodies.

This was the absolute truth!

This was the reason why many rich old men had beautiful young mistresses or why many young women had old boyfriends.

"Really?" Leng Nichang inquired.

"Yes." Xiao Tian nodded his head.

"I didn't expect Mr. Xiao to value women's privacy so much." Leng Nichang uttered, "But this is what makes you even more charming in the eyes of women."

"Lady Leng, can you just call me Xiao Tian? Calling me Mr. Xiao is too formal. We are friends so you should not call me like that." He did not want her to keep calling him Mr. Xiao because they were friends.

"Why didn't you ask me to call you honey?" she decided to tease him. "Wouldn't that be better than calling you Xiao Tian?"

"That's actually a good idea! You can call me honey and I will address you little Nichang." He played along with her tease.

"I'm older than you, so why do you want to call me little Nichang? Isn't it weird?" she inquired.

"Because I'm a man." he responded instantly.

"Just because of that?" she asked.

"Yes." He nodded his head.

"Hehe." Leng Nichang giggled because she found it funny.

Xiao Tian also chuckled.

At this moment, Baito and the other four men saw them.

"Xiao Tian, Miss Leng, where are you going?" Baito asked curiously.

Before Xiao Tian could answer Baito's question, Leng Nichang said something shocking.

Chapter 1409 Kissing Leng Nichang

7-8 minutes

"Xiao Tian, Miss Leng, where do you want to go?" Baito inquired.

Before Xiao Tian could answer Baito's question, Leng Nichang said something shocking.

"Xiao Tian said he wanted to punish me, so we are looking for a quiet place now." she did not feel shy when she said this; instead, she covered her mouth and giggled.

Of course, she knew that her words could cause misunderstanding, but she did not care about it.

The corner of Xiao Tian's lips twitched.

"Aren't you ashamed to say such a thing?"

He still had no idea as to why she said something like that.

Baito and the other four men were shocked.

'Going to a quiet place? Punishment?'

One thing appeared in their minds.

Sex!

Xiao Tian and Leng Nichang were adults, so they misunderstood her words.

'So envious!'

The four men were jealous of Xiao Tian.

Leng Nichang was young, pretty and had a sexy body. In other words, she was the ideal girlfriend for many men.

Knowing that she would have sex with a young man made them jealous.

'If only Xiao Tian were me.'

They wanted to cry but had no tears.

Baito cleared his throat before finally speaking, "Ehm! Please do it away from this place because I don't want other people to be disturbed later."

Xiao Tian and Leng Nichang walked toward the opposite side of the lake.

'The view in this place is great!'

The duo was currently sitting on a flat stone, looking at the beautiful lake.

Xiao Tian, who was sitting on Leng Nichang's left side, inquired, "Lady Leng, why did you say something like that? I'm sure they have misunderstood your words by now."

Instead of answering his question, she asked, "Why? Are you ashamed that I said such a thing?"

"No. You are young, beautiful and sexy. I'm sure most men would like to have a girlfriend like you." He was sure all the men agreed with his words.

Baito and the others even showed jealousy when she said he wanted to punish her in a quiet place.

"Then let them think what they want." She did not care about their opinion because she was sure she would not meet them again after leaving Hazo city. "By the way Xiao Tian, tell me about you and madam Xi."

"About us? Why do you want to know about it?" he inquired.

"I just want to know about your relationship with her." She gave an honest answer. "Can you tell me about it?"

"Why don't you ask her about it later?" she was close to Xi Xingyi, so he thought it was better to ask her about their relationship.

"Madam Xi is not with us now, so I decide to ask you." She would have asked Xi Xingyi if Xi Xingyi were with them.

"What will I get after telling you about our relationship?" like usual, he tried to take advantage of the situation.

"I will tell everyone that you are handsome, kind, gentleman, cool, popular, and smart." She knew that he tried to take advantage of the situation.

"But am I not what you describe me to be?" he did not feel shy when he said this because he also loved praising himself.

"No. You are not like what I describe you to be. You are a pervert. Even madam Xi agrees with this. Hehe." She giggled after saying that.

The corner of his lips twitched.

'This young lady is bullying me, huh?'

Of course, he was not angry at her because it was the truth.

He did not deny it.

He was indeed a pervert!

All of his women even agreed with this.

"Can you tell me about you and madam Xi now?" she repeated her question.

"Sure." He agreed because Leng Nichang was no stranger to him or Xi Xingyi. "As you knew, I met her in Japan."

He told her that he met Xi Xingyi a few times after that. He also helped her when she sprained her right leg and when she was drunk.

"So, special feelings blossomed after you helped her twice?" she threw another question.

"Of course not." She responded, "Special feelings began to appear when we often spent time together. Our feelings grew bigger after we solved her problem with her ex-boyfriend."

"When did you two kisses? Who kissed who? Tell me in detail." She suddenly wanted to know everything in detail because she was interested in his relationship with her boss.

He was startled.

Xiao Tian suddenly remembered the first time he kissed Xi Xingyi.

At that time, she pretended to be pregnant with his baby. She even said she was pregnant with his baby in front of many people.

It was the first time he had kissed her.

It was not a romantic kiss like what he did with his other women.

He decided to kiss her because he wanted to teach her a lesson for saying inappropriate things in front of many people.

In other words, it was a punishment kiss!

He even kissed her in front of a café.

Not only did he kiss her lips, he even kissed her passionately.

It was the beginning of everything because they started kissing each other since then.

Of course, Xiao Tian would not say it. Not only was it not romantic, but it could ruin his image too.

'Wait!'

A wild idea suddenly emerged in his mind.

Leng Nichang always teased him since a few days ago, and he never did anything to her, so he thought it was a good opportunity to punish her.

"Do you really want to know everything in detail?" he inquired.

"Yes. Tell me everything in detail." Of course, she did not know what he had in mind because Xiao Tian still behaved normally despite having a wild idea in his head.

"We were at Rainbow Garden when we first kissed." He lied to her. "At that time, I cupped her pretty face before finally bringing my face closer to hers and kissing her soft lips."

He demonstrated what he had just said. He cupped Leng Nichang's pretty face before finally bringing his face closer to hers.

Leng Nichang was startled.

'Why is he cupping my face?'

But when she was about to stop him, something unexpected happened.

Her heart suddenly beat fast!

'Hmm?! What is this? Why is my heart suddenly beating fast like this?'

She was sure she had no special feelings for him, so she did not know why her heart suddenly beat fast like that.

But what surprised her most was that she suddenly felt as if she was hypnotized when she saw his beautiful black eyes.

'His eyes are so beautiful!'

She praised his beautiful black eyes.

*Thump...Thump...Thump...

The closer his face was to hers, the faster her heart beat. She even could hear how loud her heart was beating.

When Leng Nichang was deep in thought, Xiao Tian was shocked.

'Hmm?! She is not stopping me?!'

Actually, he brought his face closer toward hers slowly on purpose because he wanted to give her time to stop him.

However, what happened was something he had never thought of before.

She did nothing!

She did not even try to stop him and only stared at him.

Xiao Tian was not a coward!

He continued what he was doing because she did not try to stop him.

And their lips finally met!

Chapter 1410: Your Boyfriend Is a Bad Young Man

The white clouds scattered in the blue sky, and strong wind swayed the green trees.

When many people were chatting happily with their friends, two young people were kissing by the lakeshore.

The young man had a handsome face while the young lady had a pretty face. If anyone saw them, they would think these two people were a couple made in heaven.

However, they would be surprised if they knew the truth.

These two people were not lovers. They were not a married couple too.

They were just friends!

They had no special status binding them.

They were just attractive people who spent time at Gu Lake.

These two young people were none other than Xiao Tian and his friend, Leng Nichang.

Previously, Leng Nichang asked about his relationship with Xi Xingyi. She also asked him to tell everything in detail.

One thing led to another, and they ended up kissing by the lakeshore.

No, he kissed her!

Leng Nichang widened her eyes for a second when she felt his lips on hers.

'He is kissing me?!'

Due to how surprised she was, she did not move her body as if she was a statue.

'Why am I not angry at him?'

She was confused with herself.

She would have slapped his face if he were another man, but she did not do that. She even was not angry at him as if they were lovers.

After stopping the kiss, Xiao Tian uttered, "That was how I kissed Xingyi's lips. Lady Leng, do you also want to know how I kissed her passionately for the first time?"

At this moment, Leng Nichang did not hear his words because her mind was still filled with what had just happened to her.

She was still thinking about what he had done to her just now!

"Lady Leng, do you also want to know how I kissed Xingyi passionately for the first time?" he repeated his question.

'That seems to have really surprised her.'

Of course, he knew what she had in mind because it was written on her face.

Leng Nichang finally came to her senses when Xiao Tian tapped her right shoulder gently. "Xiao Tian, did you just take advantage of the situation?"

"You asked me to tell you in detail, so I did that." He made a bad excuse.

"I only asked you to tell me in detail, but I never told you to demonstrate it. Is it because you are charmed by my beauty? Hehe." she decided to forgive him because she did not want to ruin their friendship.

It already happened, so she could not change anything because she was not God.

Instead of answering her question, he asked, "Lady Leng, do you have a mirror in your house?"

"I do." she did not get his words.

'Why is he asking something like that?'

She added in her mind.

“Do you use that mirror?” he threw another question.

“Yes. I always use it after taking a shower.” She still did not get his words.

“Then you should know how attractive you are because you see yourself in the mirror every day.” Like before, he did not answer her question directly.

Leng Nichang finally understood his words.

The meaning of his words was one thing.

She was an attractive lady!

“Why didn’t you just say I was attractive?” she would not need to use her brain if he went straight to the point.

“I thought you already knew about it.” He responded, “By the way, do you also want to know how I kissed Xingyi passionately for the first time?”

Leng Nichang’s lips curled up into a smile. “Do you want to take advantage of the situation again?”

Previously, he told her about how he kissed Xi Xingyi for the first time. However, he demonstrated it as he told her about it.

She believed he would kiss her passionately if she said yes to his question.

“What do you mean by that, lady Leng? Have I ever taken advantage of you before?” he did not admit it.

“Hehe.” Leng Nichang giggled.

“So, what is it? Do you also want to know how I kissed Xingyi passionately for the first time?” he repeated his question.

“I will listen to it next time.” She answered.

Xiao Tian was shocked.

‘Does that mean I can kiss her passionately one day?’

That was the question that appeared in his mind.

The duo began to talk about many things. Due to how interesting their conversation was, they did not realize that they had been talking for an hour.

They decided to go back because they needed to help everyone.

When Xi Xingyi saw them, she walked toward them and asked curiously, “Nichang, what did he do to you earlier?”

Leng Nichang’s lips curled up into a smirk. “Madam Xi, your boyfriend is a bad young man. He immediately pressed me under his body the moment we were alone.”

Xi Xingyi was startled, “Really?”

Like Xi Xingyi, Xiao Tian was also shocked.

'What?! Hey, I only kissed your lips, nothing more than that. What do you mean by saying I pressed you under me?'

He shifted his gaze from Leng Nichang to Xi Xingyi.

'Xingyi, why are you making such an expression? Can't you tell she is lying to you?'

He did not expect Xi Xingyi to believe Leng Nichang's words so easily like that.

"Yes." Leng Nichang kept lying to Xi Xingyi. "I'm no longer virgin now because Xiao Tian had his way with me earlier."

"Xiao Tian?!" Xi Xingyi was stunned because all this time, Leng Nichang always called him Mr Xiao, not Xiao Tian.

"Yes. He told me to call him Xiao Tian after he had his way with me. I'm still feelings sore down there. It hurts whenever I walk." Leng Nichang wanted to laugh when she saw Xiao Tian's expressions.

'He is cute when he is shocked like that.'

She added in her mind.

"Didn't he let you rest earlier?" Xi Xingyi threw another question.

"No. It was my first time, but he did not let me rest, saying my pussy was great or he could not stop himself from moving his waist." Leng Nichang continued to lie to Xi Xingyi without being afraid of Xiao Tian.

"It's weird. He never did that to me until now." After saying that, Xi Xingyi turned her head to look at Xiao Tian. "Xiao Tian, you are so cruel! Didn't I say she was virgin before? How could you do something like that?"

Xiao Tian was at a loss for words.

'Xingyi, she is lying to you!'

He wanted to cry but had no tears.

When Xiao Tian wanted to clear the misunderstanding, Leng Nichang uttered, "Madam Xi, can we find a place to sit now? It hurts when I'm standing."

"Alright." Xi Xingyi responded.

They immediately sat on the mat.

At this moment, Xi Ran walked toward them. "Nichang, what's wrong with you?"

Xiao Tian and the others instantly turned their heads toward the source of the sound.

'Xi Ran?'

They saw Xi Ran walking toward them.

At this moment, Leng Nichang wavered whether she should continue lying or not.

Because Leng Nichang could not answer Xi Ran's question, Xi Xingyi uttered, "It's like this."

She told her daughter what Leng Nichang said to her.

"What?" Xi Ran said in surprise. "Did you really do it with him earlier? Does that mean you are also his girlfriend now?"
