Chapter 1421 Bamboo House

Xiao Tian and Xi Ran parked their bikes in the front yard of the bamboo house. They still had not inhaled the aphrodisiac scents because they were standing on the terrace.

Of course, they did not know that the inside of the bamboo house was filled with aphrodisiac scents.

"Let me inform the others first." He wanted to tell Xi Xingyi that he sheltered in the bamboo house with Xi Ran.

However, he realized something when he took his smartphone out of his pocket.

There was no signal!

"There is no signal." He still behaved normally because he did not realize they had taken the wrong direction earlier.

"Yes." Xi Ran uttered as she looked at her smartphone. "There is no signal here."

*Pitter-patter.

It suddenly rained heavily.

The duo felt cold.

Some parts of their clothes were wet, and it was raining heavily, so it was normal for them to feel cold.

"Lady Xi, how about we go inside?" he inquired. "This house looks like an abandoned house, so I don't think there is anyone in this house but us."

"Alright." She agreed instantly.

*Squeekie...

Xiao Tian pushed open the bamboo door.

He immediately closed the door after they stepped into the living room.

There were only three bamboo chairs and a bamboo table in the living room. One of the bamboo chairs was quite large, like a mini bed.

At first, they did not feel anything, but everything changed when they headed toward the bamboo chairs.

The flames of lust appeared within them, and their eyes suddenly turned heart-shaped. The lust within them grew bigger when they looked at each other in the eyes.

"Xiao Tian..." Xi Ran could no longer hold back the lust within her.

"Xi Ran..." like her, he also lost himself in lust.

The flames of lust within them were so big, to the point they could not do anything about it.

He approached her slowly.

His intention was clear.

He wanted to kiss her!

He was under the influence of an aphrodisiac, so he could not think straight.

Unlike usual, she didn't put on a poker face; instead, she wore a fascinating expression. She even did nothing when he suddenly held her hands and brought his face closer to hers.

Xi Ran only stared at him with her heart-shaped eyes as if she was waiting to be kissed by him.

And in less than three seconds, their lips met!

Normally, he would not immediately kiss her passionately, but it was different this time.

Xiao Tian tried to put his tongue into her little mouth shortly after he pressed his lips against hers.

Xi Ran was also under the influence of an aphrodisiac, so she opened her mouth when he tried to kiss her passionately.

And the normal kiss instantly turned into a lewd kiss where they moved their soft tongues wildly.

However, the kiss did not last long because he stopped the kiss shortly after that. There was a reason why he immediately stopped the kiss.

It was because he wanted to have sex with her as quickly as possible!

Xiao Tian pushed Xi Ran to the bamboo floor. Not only that, but he instantly took off her clothes.

He wanted to have sex with her as quickly as possible, so he decided to skip foreplay.

Xi Ran did nothing when Xiao Tian took off her clothes. Like him, she also wanted to have sex with him immediately.

At the same time, Leng Nichang was sheltering under a big tree with Xi Xingyi and the others.

"Madam Xi, where is Xiao Tian?" Leng Nichang asked curiously.

"I left him when he said he wanted to pee." Xi Xingyi gave an honest answer. "Where is my daughter? Weren't you with her earlier?"

"She told me to go first when she said she wanted to pee." Leng Nichang responded.

"Hehe." They giggled together.

Of course, they did not know what was going on with Xiao Tian and Xi Ran because they were far from each other.

"Ah...Ah...Ah..." Xi Ran cried in delight when Xiao Tian slid his huge penis in and out of her pussy.

She was currently having sex in doggy style with Xiao Tian in the living room. They did not go to the bedroom because they could not hold back the lust within them.

Unlike usual, he moved his waist using his lust this time. He did not care about her feeling and kept moving his waist fast.

He even did not do it gently despite knowing that Xi Ran was a virgin.

Yes, he immediately thrust his penis into his pussy without caring whether she would feel pain or not!

He was under the influence of an aphrodisiac, so he could not think straight.

What he had in mind was only one thing.

Have sex with Xi Ran!

He only wanted to taste her body.

He did not care about her feelings because the flames of lust had controlled his mind.

Of course, Xi Ran let him do whatever he wanted because she was also under the influence of an aphrodisiac.

She even did not feel pain when Xiao Tian broke her hymen as if she was not a virgin.

"Just where are they?" Leng Nichang threw another question.

"Maybe they are not far from us." Xi Xingyi had no idea that Xiao Tian and her daughter had taken the wrong direction earlier. "Sigh. Why does it have to rain when we're doing a bike event?"

"We have bad luck today." Leng Nichang stated.

Time went by quickly, and without realizing it, thirty minutes had passed since the rain had fallen.

Xi Xingyi and Leng Nichang were still sheltering under a big tree, while Xiao Tian and Xi Ran were having sex in a bamboo house.

"Ha...Ha...Ha..." countless seductive cries escaped from Xi Ran's mouth.

She was currently having sex with Xiao Tian in a cowgirl sex position. She wanted to ride him, so she pushed him to the bamboo floor and sat on his cock.

"I'm feeling cold." Xi Xingyi stated.

"The rain shows no sign of stopping." Leng Nichang also felt cold because they were under a big tree for thirty minutes.

Even though the tree was big, but it could not protect them from the rain completely, especially protecting them from the cold and wind.

Not only them, but the other participants were also unhappy. They kept sighing because they felt cold.

And as if God of Rain felt sorry for them, the rain suddenly stopped ten minutes after that.

The other participants pedaled their bicycles immediately because they wanted to reach the finish line as soon as possible.

No, they did not want to win the race.

They only wanted to change their wet clothes!

"Nichang, let's go." Xi Xingyi spoke abruptly.

"Madam Xi, I want to look for Ran and Xiao Tian first." Leng Nichang responded, "I'm afraid something bad has happened to them."

"Alright. Then I will go first." After saying that, Xi Xingyi pedaled her bike.

Leng Nichang pedaled his bicycle in the opposite direction because she wanted to find Xiao Tian and Xi Ran.

'Just where are they?'

She kept pedaling her bike.

'Don't tell me.'

She was surprised when she saw the direction pointing to the wrong side.

She kept pedaling her bike.

"These are their bikes."

She felt relieved when she saw their bikes in front of a bamboo house.

Without waiting for another second, she parked her bike and walked toward the bamboo door.

Chapter 1422 Do You Want To Make Us Your Women Too?

7-8 minutes

Leng Nichang felt relieved when she saw Xiao Tian and Xi Ran's bikes in front of a bamboo house.

She parked her bike next to theirs.

'I did not expect them to be so lucky.'

Previously, she sheltered under a big tree, so she was a little jealous because Xiao Tian and Xi Ran found an abandoned house.

'Well, let's just say Goddess of Luck is on their side.'

She walked toward the terrace.

The expression of deep shock blossomed on her pretty face when she stood in front of the door.

She heard Xi Ran's moans!

Xi Ran and Xiao Tian were currently having sex in the living room, so Leng Nichang could hear Xi Ran's wails.

'What?!'

She found it hard to believe what she was hearing.

'Are they having sex in this bamboo house?'

There were two reasons why she suddenly suspected that the people who had sex in the bamboo house were Xiao Tian and Xi Ran.

First, she saw their bikes in front of the bamboo house, and last, she was familiar with Xi Ran's voice.

'But since when did they have this kind of relationship?'

Sure, she knew Xiao Tian had a good relationship with Xi Ran because he had helped Xi Ran a few times.

However, she did not know that Xi Ran had a special relationship with Xiao Tian because she only knew that he only had a special relationship with Xi Xingyi.

'What should I do? Should I leave now? Or should I enter this house?'

She wavered whether she should leave or not.

"Ah...Ah...Ah..." Xi Ran cried out in delight.

She was currently having sex with Xiao Tian in the doggy style. Even though both of them had already had an orgasm, but they did not stop having sex.

Leng Nichang was still standing in front of the door.

'I will take a look for a second.'

She did not know why she suddenly wanted to peek at them.

*Squeaky...

She pushed open the door carefully because she did not want Xiao Tian and Xi Ran to know what she was doing.

However, something unexpected happened after opening the door.

Her eyes turned into heart-shaped eyes!

She inhaled aphrodisiac scents, causing her to be aroused instantly.

Leng Nichang entered the house and closed the door. She did not feel nervous or shy because the flames of lust had controlled her body.

She immediately took off her clothes when she saw Xiao Tian and Xi Ran having sex next to the bamboo chairs.

Her intention was clear.

She wanted to join them!

Leng Nichang kissed Xiao Tian passionately after removing her clothes.

And they finally had a threesome.

Haven Villa, Fuji Fountain.

Xi Xingyi was currently waiting for Leng Nichang, Xiao Tian, and her daughter.

She thought they would arrive soon, but she was wrong. It had been twenty minutes, but they still had not arrived at Haven Villa.

'Just where are they?'

She did not know that her young boyfriend was currently having sex with her daughter and subordinate.

Bamboo House, Living Room.

Xiao Tian, Xi Ran, and Leng Nichang were sitting on the bamboo chairs. Xi Ran was sitting on Leng Nichang's left side, while Xiao Tian was on the opposite side.

All of them were still naked because they thought there was no point in covering their bodies. After all, they had just finished having sex.

Xiao Tian looked at Xi Ran and Leng Nichang before finally sighing.

'This situation is awkward! I did not expect something like this to happen during our vacation.'

They saw him having sex with Xi Xingyi yesterday, and now, he had sex with them under the influence of an aphrodisiac.

There were so many unexpected things that happened to him lately, to the point he thought bad luck had become his shadow.

Like Xiao Tian, Xi Ran and Leng Nichang did not say anything and only stared at him.

They were no longer under the influence of an aphrodisiac because all the incense had burned out.

Xiao Tian was at a loss for words.

Two virgin girls!

He had just had sex with two virgin girls at the same time.

He would not have complicated feelings if they had sex of their own accord, but they did it under the control of the aphrodisiac.

In other words, he took their virginity under the influence of an aphrodisiac!

And what made his feelings even more complicated was that one of them was his girlfriend's daughter.

'I curse the person who lit aphrodisiac incense can't have sex for six months!'

Xiao Tian looked at the blood on the bamboo floor before sighing.

"It's already happened, so you don't have to feel guilty." Of course, Xi Ran knew what he had in mind because it was written on his face.

"Well, it's not your fault." Leng Nichang added.

They did not blame him because it was not his fault.

The bamboo house was already filled with aphrodisiac scents earlier, so it was normal for them to be aroused and unable to think straight.

Sure, they just lost their virginity, but they could not do anything about it. And it would be unfair to yell or get mad at him because he did not do anything wrong.

"Are you sure you don't want to blame me? After all, I took your virginity earlier." Previously, he thought they would blame him because they had lost their virginity to him.

"We can't turn back time, so we can't do anything about it." Xi Ran still behaved normally, as if her virginity was not important to her. "We just need to think about what we should do after this."

Xiao Tian was her mother's lover, so everything would get complicated if her mother found out what they had just done.

"I will explain everything to Xingyi later." He would take the blame if Xi Xingyi was angry at him later.

"You don't need to do that." Xi Ran did not know how to face her mother if Xiao Tian revealed the truth.

"Let's keep everything a secret for now."

"Yes. Let's keep everything a secret for now." Leng Nichang agreed with Xi Ran's idea. "Madam Xi won't know if we don't say anything, so let's just pretend as if nothing happened to us."

"Are you sure?" he inquired.

"Yes." Xi Ran responded as she nodded her head.

"Xiao Tian, we live in the modern era, so having sex is not something to always be held accountable for." Leng Nichang spoke and paused for a second before she continued, "You don't need to put on a face like that. Don't worry. We won't take advantage of you later."

"No, I mean, didn't you two say your virginity was important?" Leng Nichang and Xi Ran told him that they value their virginity so much.

They said they would only have sex with someone they really loved. This was the reason why he felt guilty because he believed they had no special feelings for him.

Xi Ran and Leng Nichang exchanged a glance with each other. What he said was right, but they could not blame him.

Xi Ran did not say anything, while Leng Nichang decided to tease him.

"What is this? Do you want to make us your women too?" Leng Nichang covered her mouth and giggled.

Chapter 1423 Do You Want To Make Us Your Women Too?

7-8 minutes

"What is this? Do you want to make us your women too?" Leng Nichang covered her mouth and giggled.

The corner of Xiao Tian's lips twitched after hearing her questions.

'How can she joke like that after losing something important to her? Doesn't she feel sad?'

Of course, he was pleased when Xi Ran and Leng Nichang did not blame him.

When he was about to say it was a good idea, Leng Nichang said again, "Xiao Tian, I'm amazed you look into our eyes when you talk to us."

"Hmm?" he tilted his head to the left, confused.

"We are naked and sitting in front of you, but you only look into our eyes when you talk to us." Leng Nichang uttered, "I thought you would only look at our bodies earlier. After all, Madam Xi said you were a pervert. Hehe."

Xiao Tian shifted his gaze from their faces to their breasts after hearing her words.

However, Xi Ran and Leng Nichang instantly covered their breasts and their vaginas using their hands.

Like Xiao Tian, they also shifted their gaze. He tried to look at their breasts and vaginas, so they shifted their gaze from his handsome face to his penis.

'Mmm?'

They were shocked when he did not try to cover his cock.

"Xiao Tian, why aren't you covering your little brother?" Leng Nichang asked curiously.

"I'm not a shy person." He gave an honest answer. "You two had seen my cock yesterday, so in my view, there is no point in doing that. And I'm also proud of my cock, so I will let you see my penis as long as you like."

Xi Ran and Leng Nichang returned their attention to his penis again.

'His penis is indeed huge and long! Was it the big cock that took my virginity before?'

That was the question that appeared in their minds.

Of course, Xiao Tian knew that they were looking at his penis. "Let's go to Fuji Fountain now. I'm sure Xingyi is waiting for us now."

"Alright." Xi Ran and Leng Nichang responded in unison.

They immediately put on their clothes and walked out of the bamboo house.

At that moment, Xi Ran and Xiao Tian finally knew they had taken the wrong direction earlier.

After pedaling their bikes for a few minutes, they finally arrived at the Fuji Fountain.

Xi Xingyi rushed toward them before finally asking, "What took you so long?"

"Xiao Tian and Ran took the wrong direction earlier." Leng Nichang began explaining the reason why it took them a long time to reach the Fuji Fountain.

Of course, she only gave Xi Xingyi a half-true excuse because they decided to hide what happened in the bamboo house.

"I see." Xi Xingyi was not suspicious of them and instantly believed Leng Nichang's words.

Not long after that, they ate together in the backyard of the Haven Villa. Xi Xingyi and the others arrived at her villa at 07:00 pm.

They immediately took a shower and watched a movie together in the family room. Time went by quickly, and without realizing it, it was already 09:00 pm.

When the movie was over, Xi Xingyi uttered, "Ran, Nichang, why don't you go to bed now?"

Xi Ran and Leng Nichang were shocked.

'Go to bed?'

One thing appeared in their minds after shifting their gaze from Xi Xingyi to Xiao Tian.

Sex!

Xi Xingyi desired to have with her lover!

Xi Ran and Leng Nichang exchanged a glance with each other before finally nodding their heads.

'Let's go to bed now.'

They did not try to stop her.

They immediately stood up before speaking in unison, "Alright. We will go to bed now."

"Madam Xi, please moan as low as possible. Hehe." Leng Nichang teased her boss before heading to her room.

"Alright." Xi Xingyi responded before looking at her young boyfriend. "Hmm? Why are you making such a face?"

"How could you say something like that?" he told her the reason why he was shocked.

"Because we haven't had sex today." she told her daughter and Leng Nichang to go to bed early because she wanted to have sex with him.

They had sex every day since they arrived at her villa, so a day without having sex with him was like a tree without fruit, incomplete.

Xiao Tian pinched her nose gently before smiling, "Pervert! My MILF is a pervert!"

"I'm not a pervert, you are." She did not want to admit that she was a pervert.

Xiao Tian rose to his feet and carried her. "Let's go to my room now."

Xi Xingyi cupped his handsome face before finally giving him a peck on the lips. "You have to move your waist slowly later because Nichang told me to moan as low as possible earlier."

He could see her pretty face because they were facing each other. "Then I will move my waist as fast as I can later. Hehe."

"Bully!" Xi Xingyi stated.

The duo instantly had wild sex after stepping into his bedroom.

The following morning, Xi Xingyi talked with her daughter after breakfast.

There was a reason why she had asked Xiao Tian and Leng Nichang to go out for a walk before talking to her daughter.

She wanted to ask her daughter to return home!

The duo was currently sitting on the couch in the living room.

Xi Xingyi's heart beat fast as she waited for her daughter's answer, as if she was waiting for an answer related to her future.

To her surprise, Xi Ran agreed instantly. "Alright. I will return home after leaving this city."

Hu Yuming was the reason why they always quarreled, so she decided to forgive her mother because her mother was the most important person in her life.

"Really?" Xi Xingyi's eyes shone brightly.

"Yes." Xi Ran nodded her head.

Xi Xingyi instantly hugged her daughter. "I love you, Ran!"

Happiness glowed inside her because she would live with her daughter every day again later.

That night, Xi Xingyi did not come to Xiao Tian's room; instead, she came to her daughter's bedroom.

She decided to go to her daughter's bedroom because her daughter agreed to live with her again.

The following morning, they returned to Shanghai. Xiao Tian introduced Xi Xingyi to his women.

They instantly got along well, as if they were sisters since a long time ago. At that time, he was happy and sad at the same time.

He was happy because his women could accept Xi Xingyi instantly, but he was sad because she refused to live with him.

Xiao Tian's Mansion, His Bedroom.

Xiao Tian was currently lying on his bed with his beautiful mother in his arms.

Of course, they were naked because they had just finished having sex. Ye Xueyin did not see him for several days, so she instantly asked for sex after Xi Xingyi went home.

Not long after that, Long Jingxian and the others came to his room.

Their intention was clear.

They wanted to sleep with him!

That night, Xiao Tian slept with his women in his room.

Time went by quickly, and without realizing it, it had been five days since Xiao Tian returned home.

Xiao Tian was currently talking with Liang Jun in his office.

"Liang Jun, I don't want a single mistake in our first product launch tomorrow." Xiao Tian stated.

"Understood." Liang Jun replied.

Chapter 1424 Eternal Watch First Product

8-10 minutes

The following morning, Xiao Tian's Eternal Watch company launched its first product.

This shocked the public greatly because Liang Jun sealed all the information before the product launch.

Of course, his product got a good response from the public because his Eternal Beauty company was famous and already had many loyal customers.

No!

Even though his Eternal Beauty company helped the sales, but it was purely because they loved the first product of his Eternal Watch company.

Be it the design or the price, everything was perfect.

They loved it!

They really loved it because the designs of his watches were unique and modern, especially the most expensive ones.

Even though the watches for the upper-class families had the best quality, but the watches for middle-class and lower-class families were also amazing.

They would not feel embarrassed if they wore watches from his company at the banquet because the designs were much better than other watches of the same price.

Ten days later, the public got another shocking news.

Qing Feng, the owner of Eternal Group, had become an upper-class family!

Of course, they still had no idea that Qing Feng was Xiao Tian, or else they would drop their jaws in surprise.

Xiao Tian, who was sitting on his office chair, smiled happily.

'If I add all the money from my Star Group and Eternal Group, I now have more than one billion Yuan.'

His heart was filled with happiness because he managed to raise his family status to a high upper-class family.

'I will celebrate this with my women.'

With that idea in mind, he immediately called all his women.

Xiao Tian's Mansion, Backyard.

Xiao Tian and the others were currently having a small party in the backyard.

Previously, he wanted to take them to a luxurious place, but Shi Fei and the others refused, saying they wanted to have a party in the backyard.

"Do you really have more than one billion Yuan now?" Ye Qingyi asked curiously.

"What is it, aunt? You don't believe me?! Haven't you read a magazine about my other identity?" he threw several questions at once.

"I just find it hard to believe it." Ye Qingyu still found it hard to believe everything.

Normally, it would take anyone more than twenty years to have more than a billion Yuan.

There were even many people who would never have so much money in their lives, but her nephew could achieve it in a short amount of time.

Three years!

He only needed three years to have more than one billion Yuan, as if earning money was as easy as picking up a leaf on the ground.

'Were our ancestors a God or a Goddess?'

Ye Qingyu suddenly thought their ancestors were Gods or Goddesses because Xiao Tian was like a God's son.

He could do difficult things as easy as turning his palm. His ideas were always brilliant. His plans always had a high chance of success.

He even could achieve something almost impossible to achieve. It was as if the world was made for him alone.

Ye Xueyin, who was sitting between Xiao Tian's legs, uttered, "Why are you saying something like that, Qingyu? My son is the best man in the world, so something like this is normal."

"Un, un." Xiao Tian nodded when his mother praised him as if he was indeed the best man in the world.

"And the most pervert man in the world." Shi Fei added.

Xiao Tian turned his head to look at Shi Fei. "My sexy lover, it seems like you want to be punished by me."

Shi Fei instantly sat on his right side after hearing his remarks. "Here. You can punish me now."

He instantly gave her a peck on the lips. "This is enough for now. I will punish you again tonight."

"Sure!" of course, Shi Fei knew the meaning of his words. "By the way, where is sister Xingyi? Why didn't she come to our house?"

"She said she would come after the meeting." Previously, he called her, but she said she had an important meeting, so she could not come to his house immediately.

"I see." Shi Fei responded. "Then what is your next plan?"

"I'm waiting for Jingxian to resign from her job." After saying that, Xiao Tian turned his head to look at Long Jingxian.

Actually, he wanted to ask when she would resign from her job, but he decided not to do that and only stared at her.

When Long Jingxian was about to say something, Xi Xingyi arrived. "Everyone, I'm sorry for coming late."

The next day at 09:00 am, Xiao Tian and Xing Ranqing went to a park in Shaaxi city.

Previously, Zhao Sheng said he wanted to tag along, but something unexpected happened, causing him to be unable to go to Shaaxi city with them.

"Bro, have you managed to seduce that poker face big sister and that sexy big sister?" what Xing Ranqing meant was Xi Ran and Leng Nichang because Xi Ran always wore a poker face while Leng Nichang had a sexy body.

Instead of answering her question, he inquired, "Why are you asking something like that?"

"I'm just curious about it." She gave an honest answer. "So, how is it? Did you manage to seduce them?"

Before he could say something, a young boy about fifteen years old, walked toward them.

"Big sister, big brother, do you want to buy a snack?" the kid was carrying a basket full of snacks.

Instead of answering his question, Xing Ranqing asked, "Where are your parents? Why are you selling snacks?"

"I don't have parents." The kid responded, "I'm selling snacks to help auntie Jie."

"Auntie Jie?" Xing Ranqing suddenly wanted to know who auntie Jie was.

"Auntie Jie is an orphan keeper." The boy gave an honest answer again.

"Are you from the orphanage? What is your name?" Xing Ranqing was a little shocked when she found out that he was an orphan.

"Yes. I'm from the orphanage, and my name is Zhan." Zhan introduced himself.

"I see. Then I will buy all your snacks." Xing Ranqing decided to buy all his snacks because he was an orphan.

"Really?" Zhan's eyes shone brightly.

"Yes." Xing Ranqing nodded her head. "How much do all your snacks cost?"

"20 Yuan." Zhan's heart was filled with happiness because Xing Ranqing wanted to buy all the snacks.

Xiao Tian shifted his gaze from Zhan to Xing Ranqing.

'Oh! I didn't expect her to be so nice to him.'

He praised Xing Ranqing for her good intention.

However, something unexpected happened when she opened her wallet.

She had no money in her wallet!

There were only three credit cards in her wallet, and she could not use them because Zhan did not have point of sale (POS) terminal.

For this reason, she whispered to Xiao Tian, "Bro, I have no money in my wallet. Lend me 50 Yuan. I will return it later."

"Pffft!" a suppressed peal of laughter burst out.

"Bro, don't laugh!" after saying that, Xing Ranqing turned her head to look at Zhan. "Little brother, I forgot to take money from a cash machine, so this big brother will buy all your snacks."

Zhan shifted his gaze from Xing Ranqing to Xiao Tian. "Really?"

"Sure." After saying that, Xiao Tian took 100 Yuan from his wallet. "Here."

Zhan was shocked when he saw Xiao Tian's money. "Big brother, I don't ha-"

Before Zhan had finished his words, Xiao Tian uttered, "You can keep the change."

"Really?" Zhan uttered.

"Yes." Xiao Tian answered instantly.

"Little brother, it's fine. Just take the money." Xing Ranqing told Zhan to keep the change.

When Zhan wanted to give them all the snacks, Xiao Tian stopped him and only took two snacks. "Two snacks are enough for us. You can sell the rest to other people."

"Thank you, big brother." At this moment, Xiao Tian was like an angel without wings in Zhan's eyes.

At the same time, two delinquents were looking at Zhan. Their lips curled up into a smirk when they saw Zhan receiving 100 Yuan from Xiao Tian.

100 Yuan was a lot of money, so they suddenly had an idea to snatch it from Zhan.

"Bro, let's take that money and buy beer after that." The red-haired delinquent spoke abruptly.

"Sure." Blue-haired delinquent agreed with his brother's idea.

Then these two delinquents started following Zhan. Of course, he did not know about it because he was still a kid.

Chapter 1425 Zhan

7-9 minutes

'That big sister and big brother are like angels. They are so kind to me.'

There were several reasons why Zhan's face was full of smiles.

First, he got 100 Yuan from Xiao Tian. Second, Xiao Tian only took two snacks from his basket.

Third, Xiao Tian told him to keep the change. And last, there were still eight snacks in his basket.

'If I can sell these snacks, I will get another 15 Yuan. Then I will return to the orphanage with 115 in my hands.'

The smile on his face grew bigger when he imagined Auntie Jie's happy face.

'God, please give big brother and big sister happiness every day.'

He prayed to God, hoping God would give Xiao Tian and Xing Ranqing happiness every day.

'I'm glad I can help auntie Jie.'

Like before, he walked with a smile on his face.

However, the smile on his face instantly disappeared when two delinquents suddenly appeared and stopped him.

"What...what do you want?" Zhan held his money tightly, trying to protect his money.

"Brother Gu, how about we take the snacks too?" the red-haired delinquent inquired.

"Oh! That's a brilliant idea, brother Tan." The blue-haired delinquent agreed with his brother's idea because he was also starving.

Zhan wasted no time and turned around.

'I have to run to big brother now.'

He immediately ran toward Xiao Tian, hoping Xiao Tian would help him.

"Help! Help!" Zhan ran as he asked for help.

Xing Ranqing and Xiao Tian were currently eating a snack.

"This snack is delicious!" she stated.

"Un, un." Xiao Tian nodded his head.

"Help! Help! Bad people want to take my money!" Zhan ran as fast as he could.

Xiao Tian and Xing Ranqing turned their heads toward the source of the sound. They instantly rose to their feet when they saw two delinquents chasing Zhan.

"Aaa..." Zhan fell to the ground because it was hard to run while carrying a basket full of snacks.

"Haha." Gu and Tan laughed when they saw Zhan falling to the ground.

"Kid! That's what you get for running from us." Gu uttered, "Just give us your money. Don't worry. We won't hurt you later."

"That's right." Tan added. "Oh! Give these snacks too because I'm hungry."

Zhan crawled back, trying to protect his money and snacks.

Even though his right hand and left leg were injured, he did not feel any pain because he was thinking of a way to run away from these two delinquents.

"Help! Help!" Zhan shouted as he tried to run again.

However, Tan and Gu instantly stopped and kicked him, causing him to fall to the ground again.

At the same time, Xiao Tian and Xing Ranqing were already behind them. They did not say anything and immediately kicked Tan and Gu's back.

Bang!

Gu and Tan were thrown three meters from where they were.

They were furious.

They were enraged because someone dared to attack them from behind.

They instantly rose to their feet and spoke angrily. "Who are you?"

Xing Ranqing helped Zhan up. "Little brother, are you alright?"

She stopped her words when she saw the wounds on his right arm and left leg. Sure, it was only minor injuries, but she could not forgive these two delinquents.

Zhan was still fifteen years old, so they should not hurt him. For this reason, she told Xiao Tian to beat Tan and Gu. "Bro, beat them!"

Xiao Tian nodded his head before rushing toward Tan and Gu.

Bang!

Bang!

Bang!

Xiao Tian beat them in less than ten seconds.

At this moment, Tan and Gu were lying on the ground. Their faces were full of bruises, and blood could be seen on the corners of their lips.

"Big brother, please stop. We are wrong. Please forgive us." Even though they were older than Xiao Tian, they still addressed him as a big brother because he was stronger than them.

Of course, Xiao Tian would not forgive them easily because they had bullied a kid. Even though he was a bad young man, but he had never done something like that.

However, something unexpected happened when he was about to beat them again.

Zhan stopped him!

Zhan asked Xiao Tian to stop beating them because they were already heavily injured.

"Big brother, please stop hitting them." Zhan did not want Xiao Tian to kill them because they were human beings.

"Little brother, please forgive us. We are wrong." Tan and Gu felt relieved when Zhan asked Xiao Tian to stop beating them because they believed they would die if Xiao Tian did not stop beating them.

Xiao Tian and Xing Ranqing turned their heads toward Zhan.

They sighed.

They still wanted to beat Tan and Gu, but they could not do it now because Zhan had asked him to stop beating them.

Xiao Tian returned his attention to Tan and Gu. "Leave!"

"Ye...yes. We will leave immediately." Tan and Gu wasted no time and instantly left because they were afraid Xiao Tian would change his mind.

When Xiao Tian noticed the wound on Zhan's right arm and left leg, he uttered, "Let's go to the hospital to treat your injuries."

"It's fine." Zhan did not want to treat his injuries because it was only minor injuries. "Thank you for helping me, big sister, big brother."

"Little brother, how about we send you to the orphanage now?" Xing Ranqing did not want something bad to happen to Zhan again.

"Yes." Xiao Tian agreed with her idea. "Let us send you to the orphanage now."

"I want to sell these snacks first." Zhan shook his head as he responded.

Xiao Tian and Xing Ranqing exchanged a glance with each other before finally nodding their heads.

'Let's do that.'

They decided to help Zhan again.

With Xiao Tian's handsome face and beautiful smile, they managed to sell all the snacks in no time.

Zhan was pleasantly surprised by this. "Big brother, you are amazing!"

He praised Xiao Tian continuously because Xiao Tian managed to sell all the snacks in no time.

And what amazed him most was that Xiao Tian was selling snacks at high prices, but they still bought them.

At this moment, Zhan realized something.

Having a handsome face could make life easier!

"Alright, let's go to your orphanage." Xiao Tian stated.

"Un." Zhan nodded his head.

They wasted no time and went straight to the orphanage. Zhan said the name of their orphanage was Kindred Hearts Orphanage.

Kindred Hearts Orphanage was located not far from the park. It only took ten minutes by car.

"This is our orphanage." Zhan said after getting out of Xiao Tian's car.

Zhan and the others were currently in front of Kindred Hearts Orphanage. Kindred Hearts Orphanage was quite big and enclosed by a high iron fence.

At this moment, all orphans were playing in the front yard. They rushed toward Zhan when they saw him.

"Zhan!" they surrounded him while smiling at him.

At the same time, a woman about thirty-three years old, walked toward Zhan. "Zhan..."

Zhan turned his head toward the source of the sound. "Auntie Jie..."

Jie's face turned worried when she saw the wounds on Zhan's right arm and left leg. "Zhan, what happened to you?"

"It's like this...." Zhan began explaining everything.

After hearing his explanation, Jie bowed her head to Xiao Tian and Xing Ranqing. "Thank you for helping Zhan."

"It's fine." Xing Ranqing smiled.

At the same time, a car stopped in front of the Orphanage. Shortly after that, a beautiful lady came out of the vehicle.

Chapter 1426 Kindred Hearts Orphanage

7-9 minutes

Xiao Tian turned his head toward the source of the sound.

'A BMW car?'

He suddenly felt that he had seen that white car before.

To his surprise, all orphans suddenly rushed toward that BMW car as if they knew who the person in the car was. "Big sister..."

A lady in her twenties got out of her car. She had a beautiful face and a sexy body.

Anyone who saw her would not be able to take their eyes off her immediately because she looked like an angel who descended from heaven.

That young woman was none other than Xi Ran's best friend, Leng Nichang.

Xiao Tian was startled.

'Lady Leng?'

He did not expect to meet Leng Nichang in the orphanage.

Xing Ranqing shifted her gaze from Leng Nichang to Xiao Tian. "Bro, it's that sexy big sister. It seems like heaven help you to get her."

The corner of his lips twitched after hearing her words.

Leng Nichang smiled softly when she saw all the orphans. "Big sister has snacks and cakes in the car. Share it with everyone."

All the orphans' eyes shone brightly. They wasted no time and instantly took the snacks and cakes.

Leng Nichang immediately took two bags full of clothes from the passenger seat.

Yes, those were clothes for all orphans!

Even though she gave them new clothes last month, she decided to give them new clothes again.

'Hmmm?'

Leng Nichang was startled when she stepped into the front yard.

'Xiao Tian and Ranqing?'

She did not expect to meet them at the orphanage.

"Sexy big sister, I didn't expect to meet you in this place." Xing Ranqing waved her right hand.

"Xiao Tian, Ranqing." Leng Nichang smiled at them.

"Do you two know each other?" Jie asked curiously.

"We are friends." Leng Nichang gave an honest answer. "What are you doing here?"

"It's like this...." Xing Ranqing began explaining everything.

"What?! Zhan, come here." Leng Nichang's face turned worried after hearing Xing Ranqing's explanation.

Zhan ran toward Leng Nichang and asked, "What's wrong, big sister?"

Leng Nichang instantly squatted down and checked his body.

"It's fine. It's just a minor injury." Zhan finally understood the reason why Leng Nichang suddenly called him.

Leng Nichang rose to her feet and thanked Xiao Tian and Xing Ranqing. They then headed to the living room.

"Big sister Jie, where is mother Hanying?" Leng Nichang inquired.

Mother Hanying was the orphan keeper when she was little. Now the orphan keeper was Hanying's daughter, Jie.

"My mother is sleeping now." Jie responded, "Maybe she will wake up soon."

They began to talk again. During their conversation, Xiao Tian and Xing Ranqing learned a piece of shocking information.

Leng Nichang grew up in the Kindred Hearts Orphanage!

And the one who took care of her was Jie's mother, Hanying.

She said her parents died when she was little, and Hanying took her to the Kindred Hearts Orphanage.

That was why she often came to Kindred Hearts Orphanage because she grew up there.

In her eyes, Kindred Hearts Orphanage was her other home, and everyone in the orphanage was her family.

Not long after that, Hanying woke up and talked with them. Leng Nichang was pleased when she saw Hanying.

If anyone did not know about their relationship, they would think of them as a birth mother and daughter.

Xiao Tian even could tell how close they were from their behavior.

After talking for about an hour, Leng Nichang, Xiao Tian and Xing Ranqing headed to the front yard before finally sitting on the swing.

"Sexy big sister, I didn't expect you to grow up in this place." Xing Ranqing spoke abruptly.

"My parents passed away when I was little." Leng Nichang's face turned sad when she remembered her parents.

"I'm sorry." Xing Ranqing suddenly felt guilty after seeing Leng Nichang's expression.

"It's fine." Leng Nichang smiled. "By the way, do you two often go out together?"

"Quite often!" Xiao Tian gave an honest answer.

"Don't tell me. You two are lovers now. Hehe." Leng Nichang decided to tease them.

"Why are you saying something like that? Ranqing is a male." Xiao Tian was startled by Leng Nichang's words.

"That's right." Xing Ranqing added, "I'm a male deep in my heart."

Leng Nichang turned her head to look at Xing Ranqing, "Little sister Ranqing, you should stop saying that. You are female, not a male. And I'm sure you will become a beautiful woman if you grow your hair long."

"Having a long hair is troublesome, especially when I take a shower, so I won't let my hair grow long." Xing Ranqing disliked long hair because it was troublesome.

Black lines formed on Leng Nichang's forehead.

"Hehe." Xiao Tian laughed.

When they were chatting happily, a luxurious car suddenly stopped in front of the orphanage.

Everyone instantly turned their heads toward that luxurious car, including Xiao Tian.

"Who is it?" curiosity arose in Xiao Tian's heart when he saw a man in his forties getting off the luxury car.

That man was fat and only had a little hair. His hair was so little to the point everyone could see his scalp clearly.

"I don't know." Leng Nichang had never seen that man before, so she did not know who he was.

When the old man stepped into the front yard, all the orphans put on displeased faces.

'Hmm?'

Xiao Tian, Xing Ranqing and Leng Nichang were shocked.

'Why do they look displeased like that?'

That was the question that appeared in their minds.

When Jie caught sight of that mature man, she shouted, "Teng Qigang, leave! We won't sell our orphanage! Never!"

Xiao Tian, Leng Nichang and Xing Ranqing immediately walked toward Jie after hearing her words.

"Mrs. Jie, everyone has sold their property to me." Teng Qigang suppressed his anger. "Why are you still not willing to sell this orphanage to me? I believe the price I offered is high enough for this orphanage."

He was even more unhappy when he saw Xiao Tian, Xing Ranqing and Leng Nichang.

'Who are they?'

Of course, he didn't show his displeasure on his face.

"Big sister Jie, what's going on?" Leng Nichang asked curiously.

"He wants to buy our orphanage to build a mall and park." There was a reason why Jie did not want to sell the orphanage.

There were so many memories in their orphanage!

Like Leng Nichang, she also grew up in the Kindred Hearts Orphanage because she was already born when her mother became the orphan keeper.

There were many good memories in their orphanage, including memories with her parents and all the orphans.

That was why she always refused to sell their orphanage because she did not want to lose these good memories.

Leng Nichang, Xiao Tian and Xing Ranqing finally understood the reason why Jie disliked Teng Qigang.

"Leave! We will never sell this orphanage!" of course, Leng Nichang also refused to sell their orphanage because she grew up in Kindred Hearts Orphanage.

'I didn't know something like this was happening!'

She had only visited the orphanage six times in the past two months because she was very busy.

"Tch!" Teng Qigang clenched his fist.

Six times!

Jie had refused to sell the orphanage to him six times!

He almost could not hold back his rage anymore because the others had sold their property to him.

'Should I pay an assassin to kill her?'

Chapter 1427 Buying Two Cars

7-8 minutes

'Should I pay an assassin to kill her?'

Teng Qigang suddenly had a wild idea because Jie always refused to sell their orphanage to him.

He believed she would never sell their orphanage if he did not use a dirty method.

'I will talk to young master about this later.'

He decided to leave because he did not come with his bodyguard earlier.

"You will regret it later!" of course, he did not forget to threaten her because he wanted to make her feel anxious.

Xiao Tian and the others returned to the living room again. Jie began to tell them about Teng Qigang.

She said Teng Qigang came to the orphanage last month, saying he wanted to buy their orphanage.

She also told them that the others had sold their property to him.

Even though he would buy their orphanage for a reasonable price, she did not want to sell it because there were many memories in their orphanage, and she did not want to lose it.

Leng Nichang and the others agreed with her decision because, from their point of view, her decision was correct.

That was why they said they would support her.

A flock of black birds flew over the tall buildings, and the sun hid behind the gray clouds.

When many people were working hard, two attractive young people about twenty-five years old were doing adult things in a luxurious office.

The young man was sitting on the couch while the young woman was kneeling between his legs.

Even though the young man was half-naked, he was not worried; instead, he wore a fascinating expression.

The reason was simple.

The young woman was giving him a blowjob!

The young woman was sucking and licking his penis hungrily as if she was tasting the most delicious candy in the world.

These two attractive young people were none other than Cao Song and his subordinate, Hualing.

Both of them dared to do adult things in his office because they were in his company.

No!

They were in his parents' company, so they were not afraid because he could control everything.

"Hualing, it feels good!" Cao Song stated.

Hualing looked at him before licking and sucking his penis again.

She was pleased.

She was happy because her boss enjoyed her blowjob.

When she was sucking her boss' penis hungrily, someone suddenly knocked on the door.

'Hmm?'

She did not panic and kept licking and sucking Cao Song's penis as if she did not hear anything.

"Young master, it's me, Teng Qigang." Teng Qigang's voice rang out from the opposite side of the door.

"Come in." Cao Song did not tell Hualing to stop giving him a blowjob because Teng Qigang was also his loyal subordinate.

No, Teng Qigang was one of his dogs, someone who would obey him without saying a single word.

Teng Qigang immediately closed the door after stepping into Cao Song's office.

'Hualing?'

He behaved normally when he saw Hualing licking and sucking Cao Song's penis.

Like Teng Qigang, Hualing also acted normally. She only looked at Teng Qigang for two seconds before returning her attention to Cao Song's penis.

"Young master, she refused to sell their orphanage again." Teng Qigang went straight to the point.

"I see." Cao Song did not show the slightest bit of displeasure on his face because he already suspected it would happen. "Then she only gives us one choice now."

"Should I pay an assassin to kill her?" Teng Qigang inquired.

"No. We don't need to kill her because everything will be complicated later." Cao Song responded, "I have a good idea to get that orphanage."

"Can you tell me about it, young master?" Teng Qigang asked curiously.

"I will tell you about it later. Now give me all the information about the orphanage's caretaker and the people who help her." Cao Song did not tell Teng Qigang about his plan immediately because Teng Qigang would know about it later.

"I will give you all the information in fifteen minutes, young master." Actually, Teng Qigang already had information about Kindred Hearts Orphanage because he gathered all the information before going to their orphanage last month.

"Alright. You can leave now." Cao Song uttered.

"Understood, young master." After saying that, Teng Qigang walked out of his office.

*Slurp...Slurp...Slurp...

The sound of Hualing sucking Cao Song's penis hungrily echoed in the office.

Now that Teng Qigang had left his office, Cao Song paid attention to a gorgeous lady, who was sucking and licking his penis hungrily.

'What a beautiful sight!'

He loved it when he saw a beautiful lady sucking and licking his huge penis hungrily.

"Hualing, I'm cumming!" Cao Song grabbed Hualing's head and shot his white sperm in her little mouth.
"Ah... it feels good!"

After Cao Song removed his hands from her head, Hualing lifted her head and opened her mouth, showing his white sperm that was on her pink tongue.

"Oh! I cummed a lot this time." he said as he looked at his sperm in her mouth.

*Gulp...

She drank his sperm before finally smiling happily as if she had just swallowed the most delicious drink in the world.

"Delicious!" she stated.

"Now, take off your clothes and let me eat your pussy." He could no longer hold back and wanted to have sex with her.

"Sure." After saying that, Hualing removed her clothes.

And soon, his office was filled with her suppressed moans.

Xiao Tian's Mansion, Living Room.

Xiao Tian and his women were currently in the living room. He told them to stop working because he wanted to spend time with them.

"Haha." They laughed happily as they watched a comedy movie.

Not long after that, he was informed that the two cars he had bought earlier were almost at his house.

"Ladies, let's head to the terrace." He spoke abruptly.

"Why?" Ye Qingyu inquired.

Xiao Tian did not answer her question and dragged them to the terrace. The expression of deep shock blossomed on their faces when they saw two car carriers.

After signing the proof of a delivery document, these two car carriers immediately left.

BMW i8 and Mustang Shelby GT500!

He bought two new cars before going home earlier.

Now he had five cars and one motorbike!

"Xiao Tian, did you buy two new cars?" even though Long Jingxian had already known the answer, she still asked it.

"Yes." he responded, "I bought it before going home."

"Why did you do it?" Su Ruanyi inquired.

"Tian, we know you have a lot of money now, but you should not waste your money like this." Ye Qingyui gave him a piece of advice.

"I'm not wasting my money." He uttered, "We have seven adults in this house and only have five cars, so I decided to buy two more."

Lin Xing Xue and the others finally understood everything.

He bought two new cars for the sake of them!

There were seven cars in her house now, including his mother's and aunt's.

"Little brother, does that mean these two cars are for us?" Shi Fei inquired.

"All the cars are still under my name, but you can use them whenever you want." After saying that, he cleared his throat. "Ehm! You can have all my cars after we get married."

"Then how about we get married tomorrow?" Liu Ning inquired.

Chapter 1428 Meeting Yun Xin Er

6-8 minutes

"Then how about we get married tomorrow?" Liu Ning was joking around when she said this.

"I agreed!" Ye Xueyin stated.

"Sure. But how about we go on our honeymoon now?" like usual, he tried to take advantage of the situation.

Shi Fei and the others exchanged a glance before finally nodding their heads.

"Sure!" they dragged him to his room.

And soon, they had an orgy in his room.

The next day at 08:30 am, Yun Xin Er called him, saying she was angry at him.

Of course, Xiao Tian knew she was lying because she always said something like that whenever she wanted to spend time with him.

For this reason, he went straight to her house to spend time with her.

Yun Xin Er's House, Her Bedroom.

Xiao Tian and Yun Xin Er were currently lying on the bed, watching a movie. Previously, she dragged him to her room after he arrived at her house.

There was a reason why she suddenly dragged him to her room.

She wanted lovey-dovey with him!

They did not meet for more than two weeks, so she missed him.

She missed him to the point that she often thought of him when she was doing a tour concert.

Xiao Tian, who was lying on her right side, inquired, "When did you return to China, big sister Yun?"

He was pleasantly surprised when he found out she had returned to China.

When she said she was going on a concert tour to Japan, he was sad because they would not be able to meet for more than two weeks.

"Last night." She gave an honest answer. "Little brother, do you miss this big sister?"

"I miss you so much, to the point that I thought I would die from missing you." he behaved as if he could not live without her. "What about you, big sister Yun? Do you miss me?"

"No!" she lied to him. "Why should I miss a bad boy like you? It's wasting my time. Hehe."

He instantly lay on top of her and spoke, "You dare to bully me, huh? Aren't you afraid I will do something to you now?"

"Are you going to do bad things to me now?" she did nothing when he suddenly lay on top of her; instead, she wrapped her long slender arms around his back.

Xiao Tian did not answer her question and immediately kissed her lips.

'Hmm?'

He was startled when Yun Xin Er tried to put her tongue into his mouth.

Actually, he only wanted to press his lips against hers, but he changed his mind because she wanted to have a passionate kiss with him.

And the normal kiss instantly turned into a lewd kiss where they moved their tongues lewdly and wildly.

*Three seconds...five seconds...seven seconds...

They had a passionate kiss for about ten seconds before finally, she stopped the kiss.

Like before, she did not push him away. She even cupped his handsome face and looked at him lovingly as if she was telling him through her expression that she missed and loved him.

Xiao Tian let her do whatever she wanted and only looked at her in the eyes.

'She really misses me!'

He could tell that she really missed him from her expression.

At first, Yun Xin Er looked at his beautiful black eyes, but her gaze slowly fell to his soft lips.

'These lips.'

She rubbed his lower lip with her right thumb while looking at it intently.

*One second...two seconds...three seconds...

It had been three seconds since she rubbed his lower lip, but she showed no sign of stopping.

At this moment, she remembered their first kiss.

'Little brother....'

She slowly pulled his face to hers before finally kissing him again.

Even though he had suspected that she would do something like that, he was still shocked when she kissed him again.

But what surprised him most was that she kissed him passionately and moved her soft tongue wildly as if she was under the influence of an aphrodisiac.

After breaking the kiss, Yun Xin Er uttered, "Little brother, let's go to the Rainbow Garden."

"Sure." He knew why Yun Xin Er suddenly wanted to go to Rainbow Garden.

It was because they had many good memories there!

Yun Xin Er smiled happily when Xiao Tian agreed without thinking twice. "Let's go now."

"Un." He nodded.

They wasted no time and went straight to the Rainbow Garden. They spent time at Rainbow Garden for about three hours before finally going to a café.

"Little brother, are you happy to be able to spend time with a famous and beautiful singer like me?" Yun Xin Er asked as she smiled at him.

They were currently sitting on the couch next to the window. She did not sit next to him, but she sat on the opposite side of him.

"I'm so happy to the point I feel like my feet barely touched the ground." in order to make her happy, he decided to say what she wanted to hear.

"Good! I like your answer." Yun Xin Er was satisfied with his answer. "I will give you a reward later."

"Really?" he was pleasantly surprised.

"Hehe." She giggled after seeing his expression.

'He is happy right after knowing that he will get a reward.'

She added in her mind.

"So, what will I get later?" he asked curiously.

"Secret!" she winked her left eye.

The corner of his lips twitched.

'I will punish you if you lie to me.'

He would spank her buttocks if she did not reward him later.

After spending time at the cafe for about an hour, he sent her home. Of course, Xiao Tian did not forget about his reward.

However, his reward was not something he expected because Yun Xin Er only gave him a small reward.

She kissed his forehead!

Not only that, but she giggled and instantly entered her house after kissing his forehead as if she knew that he would ask for another reward if she didn't enter her home immediately.

[Little brother, come to my house again tomorrow. I will give you another reward if you come to my house tomorrow.]

After reading her message, Xiao Tian got into his car and left. When he was on his way to his house, he suddenly remembered Crystal.

He also did not meet her for many days, so he decided to go to her apartment.

*Ding-dong...

He pressed the door bell and waited patiently.

"Xiao Tian?" Crystal was startled when she saw Xiao Tian. "Come in."

To her surprise, Xiao Tian suddenly embraced her tightly.

'Hmm?'

Her body stiffened when he suddenly hugged her.

"I miss you, Crystal." He did not stop the hug; instead, he embraced her tighter.

She was still in a state of shock, so she did not do anything. She was surprised because he had never done something like this before.

At the same time, Yu Shi saw what he was doing.

'Hehe. As I thought, he has special feelings for my disciple.'

She was pleased when she saw Xiao Tian hugging Crystal.

"Xiao Tian, take her to her room and do it there." As usual, Yu Shi tried to match her disciple with him.

"Don't worry. I will pretend I hear nothing later."

Chapter 1429 Going To The Hotel With Crystal

7-8 minutes

Unlike usual, Xiao Tian did not stop hugging Crystal even after hearing Yu Shi's words.

Even though he did not show it on his face, he hoped Yu Shi was not in Crystal's apartment because he wanted to be alone with Crystal.

Crystal was startled when he kept embracing her because usually, he would stop the hug instantly.

Yu Shi smiled happily.

'Even though the progress of their relationship is slow, but I'm satisfied with it.'

Of course, she would be happy if they became lovers sooner.

"Xiao Tian, take her to her room and do it there!" she told Xiao Tian to have sex with her disciple.

He stopped the hug and looked at Crystal.

He missed her.

He still missed her.

Even though she was in front of him, but that feeling still did not disappear.

Crystal smiled at him before finally speaking, "Come in."

They immediately headed to the living room. As usual, Yu Shi tried to get them to have sex during their conversation.

"Crystal, do you want to go somewhere with me?" he inquired.

"Hmm?" Crystal was surprised because she thought he only wanted to meet her.

"Oh, a date?!" Yu Shi's eyes shone brightly. "Crystal. Go on a date with him. Don't worry about me. I will be waiting here."

'What a good progress!'

It was his first-time asking Crystal to go on a date with him openly like that, so Yu Shi approved his idea immediately.

Crystal looked at her master before returning her attention to Xiao Tian. "Alright."

Xiao Tian and Crystal went to a few romantic places after that. Even though Yu Shi stayed in Crystal's apartment, but she was happy.

She even hoped something happened to them.

No, she did not want something bad to happen to them.

She just hoped they would do something only lovers do, like sex or something like that.

And as if the Goddess of luck was on her side, Xiao Tian's car broke down on the way to Crystal's apartment.

It was raining heavily, so everything became even more complicated for them. Luckily, his car broke down right in front of a hotel.

"Crystal, how about we stay the night at that hotel?" it was already 08:30 pm, and they were still far from her apartment or his house, so he suggested they spend the night at the hotel.

"Alright." Crystal agreed instantly.

However, something unexpected happened when he wanted to book two rooms.

The receptionist said there was only one room left!

Xiao Tian and Crystal exchange a glance with each other. They did not expect something like this to happen to them.

After discussing it for about three minutes, they decided to take the room because it was raining heavily outside, and the car broke down too.

*Click...

Xiao Tian and Crystal headed to the bedroom after entering the hotel room.

The bedroom was quite big with a huge bed in it. There was also a huge TV in front of the bed with an air conditioner above the TV.

A door leading to the private bathroom was located on the right side of the bed, while two windows were placed on the other side.

Xiao Tian and Crystal were currently sitting on the edge of the bed. They immediately headed to the bedroom because it was the best place to relax.

"I want to take a bath first." After saying that, she headed to the private bathroom.

He did not say anything and only stared at her back.

'Why do you suddenly want to take a shower? Why do I feel like we are going to have sex later?'

There were two reasons why he suddenly had a dirty mind like that.

First, they were alone in the hotel, and last, she suddenly wanted to take a bath. Sometimes, women would take a shower before having sex in the hotel.

That was why he suddenly had a dirty mind because, in his previous life, most women always took a shower first before having sex with him in the hotel.

'I should stop thinking about dirty things.'

He lay on the bed and turned on the TV.

Twenty minutes after that, Crystal came out of the bathroom. "Do you want to take a bath too?"

"Alright." After saying that, he headed to the bathroom.

Crystal was lying on the bed and watching a movie when he came out of the bathroom. "Come here. Let's watch a movie together."

"Sure." He lay on her right side.

Even though their status was only friends, they looked like a young couple enjoying themselves at that time.

They chatted, laughed, joked, and watched a movie together. Anyone would think they were lovers if they did not know who they were because they did look like a couple.

"Hehe." Xiao Tian and Crystal sat on the bed with their backs leaning against the headboard.

Like before, they watched a movie together. Time went by quickly, and without realizing it, it was already 11:30 pm.

At this moment, Crystal had fallen asleep. She was still sitting on the bed, but her head was on Xiao Tian's left shoulder.

'Her neck and body will hurt if it continues like this.'

With that idea in mind, he made her lie on the bed next to him.

'I should sleep too.'

It was late at night, so he decided to sleep too.

After turning off the TV, Xiao Tian spoke softly. "Good night, Crystal."

Even though he slept with a beautiful young woman in the same bed, he did nothing to her.

It was not because he was not interested in her.

It was because she was so important to him!

That was why he only slept next to her because he didn't want to do anything that could disappoint her.

Time went by quickly, and without realizing it, it was already 05:00 am. At this moment, Crystal was already awake.

'It's still raining.'

She could hear the sound of countless raindrops falling on the buildings or trees.

'He is still sleeping.'

She looked at his sleeping face for several seconds before finally shifting her gaze to the window.

'I will go back to sleep.'

When she was about to close her eyes, something unexpected happened.

Xiao Tian suddenly grabbed her body and put her on top of him.

'Hmm?'

She was startled.

But what surprised her most was that he instantly wrapped his arms around her back, causing her to be unable to move her body.

"Xiao Tian, what are you doing?" she tried to free herself.

"I really miss you." At this moment, he was half-asleep, so he did not know what he had just done. "I really miss you."

Crystal stopped trying to break free and stared at him.

'Sleep talking? Or is he half-asleep?'

Actually, this was the second time Xiao Tian had done something like that.

The first time was when they slept in a cave. But even so, his actions still greatly surprised her.

'It seems like he really misses me.'

She decided to sleep in his arms.

'Good night, Xiao Tian.'

After placing her head on his chest, she closed her eyes.

Thirty minutes after she fell asleep, Xiao Tian woke up. The expression of deep shock blossomed on his face when he saw Crystal in his arms.

'What happened? Why is she in my arms?'

Chapter 1430 Good Morning, Young Master Xiao

6-8 minutes

'What happened? How did she end up in my arms?'

Xiao Tian was stunned when he saw Crystal sleeping in his arms.

He believed they slept next to each other last night. This was the reason why he was shocked after waking up.

'Did I put her on top of me earlier?'

He still did not know what he had done a few minutes ago because he was half-asleep earlier.

'Just what did I do earlier?'

When he was looking at her sleeping face, something unexpected happened.

His heart suddenly beat fast!

*Thump...Thump...

The longer he looked at her sleeping face, the faster his heart beat.

'My heart beat fast?!'

He was shocked.

'Calm down, Xiao Tian, calm down.'

After taking a deep breath, he finally could calm himself.

However, he could not take his eyes off her sleeping face as if there was a magnet between her face and his eyes.

"She is so beautiful.'

He subconsciously smiled gently when he saw her sleeping face.

Happiness glowed inside him when he saw her sleeping face because he could tell that she was sleeping soundly from her face.

'Crystal...'

He slowly caressed her hair gently.

"You are already awake, Xiao Tian?" Crystal woke up not long after he stroked her hair.

He stopped caressing her hair and smiled softly. "Yes. I woke up a few minutes ago."

"What time is it?" she inquired.

"It's still 05:40 am." He responded.

"It's still raining. I want to sleep again." She placed her head on his chest and closed her eyes again.

She fell asleep shortly after that as if her body knew she was in the arms of someone who cared about her.

Like before, Xiao Tian caressed her hair gently. He loved it when she could sleep soundly in his arms.

Crystal's Apartment, Living Room.

Yu Shi was currently watching a movie in the living room alone. Previously, she thought Crystal had returned home, but she was wrong.

She was utterly wrong because she could not find Crystal in her apartment.

'Are they at the hotel now?'

Her lips curled up into a smile.

'I really want to know what they did last night.'

Of course, she hoped Xiao Tian had sex with Crystal last night because, with this, Crystal could officially become his lover.

'I will ask them about it later.'

Her mood became better when she thought about what they had done last night.

At the same time, Xiao Tian and Crystal were watching a movie together. It was still raining heavily, so they did not go home immediately because his car had broken down.

"Hehe." Both of them laughed happily.

They were currently sitting on the bed with their backs leaning against a headboard.

There were a few snacks between them because Xiao Tian asked the employee to send breakfast and snacks earlier.

"I did not know you could make a comedic movie like this." She was startled when he said it was his movie.

"I was also surprised by the result." Of course, he lied to her because he stole that movie from his previous life.

"How about you make a movie about an angel and a devil who fall in love with each other next time?" she uttered, "I think it will be an interesting film because they have to face both angels and devils to keep their love."

"Oh, that's actually a brilliant idea!" he suddenly remembered a movie about an angel and a devil. "I will think about it later."

They chatted again as they watched a movie. Xiao Tian immediately called a taxi after the rain stopped.

Xiao Tian and Crystal were currently in front of her apartment.

And as if Yu Shi knew they had returned home, she rushed toward the door. "Oh, you two have returned? I thought you guys would not come home again today."

"My car broke down yesterday, so we stayed the night at hotel last night." He gave an honest answer.

"Did both of you sleep in the same room?" Yu Shi threw another question.

Xiao Tian and Crystal were taken aback by her question.

'How did she know about it?!'

Of course, they did not show it on their faces.

Yu Shi immediately assumed that they slept in the same room last night. "I see. Did you two do it last night?"

"Crystal, I will go home now. I will come again tomorrow." He did not want to answer Yu Shi's question, so he tried to avoid it.

"Alright." Crystal nodded her head.

"Tch!" Yu Shi crossed her arms over her chest.

'Coward!'

She said in her mind.

Xiao Tian's Mansion, Family Room.

Xiao Tian was currently in the family room with his women. It was Sunday, so they had free time.

Mu Ai, who was sitting on his lap, suddenly spoke, "Big brother, I want to go to Shanghai River."

"Why do you want to go to Shanghai River?" he inquired.

"Because I want to." Mu Ai answered instantly. "Can we go to Shanghai River now?"

"Sure!" he agreed instantly.

"Yay!" Mu Ai said happily.

They then went to the Shanghai River together. Of course, they did not forget to take a picture together.

That night, Xiao Tian wanted to have sex with all of his women, but he changed his mind when Mu Ai said she wanted to sleep with him.

The following morning, he went to Yun Xin Er's house. He spent time with her for three hours before finally going to Red Flower Bar to meet Lan Ruoxi.

He did not meet her for several days, so he wanted to spend time with her.

However, he could not meet her right away because she was with her business partners.

*Tick...Tock...Tick...Tock...

The sound of the clock reverberated in the private room.

Xiao Tian was currently lying on the red couch, waiting for Lan Ruoxi. It had been two hours, but she still had not come to see him.

Seconds turned into minutes, and minutes became hours. Without realizing it, it had been three hours since Xiao Tian arrived at Red Flower Bar.

He was currently sleeping on the couch because he fell asleep when he was waiting for Lan Ruoxi to come to see him.

When Xiao Tian was immersed in his dream, a gorgeous mature lady entered the private room.

A soft smile spread across her face when she saw him sleeping on the sofa.

She did not wake him up; instead, she sat in front of him. "I didn't expect he would continue to wait for me here."

'But why did he come to my place? Does he want to take advantage of me again?'

Like before, Lan Ruoxi did not wake him up and only stared at him.

'He looks like a good young man when he is sleeping like this.'

Her face blossomed into a smile as she looked at his sleeping face.

And as if Xiao Tian knew that Lan Ruoxi was in front of him, he suddenly woke up. "Hmm?"

"Good morning, young master Xiao." She greeted him with her soft smile.

Even though it was already 02:30 pm, she still said good morning because she wanted to tease him.

Xiao Tian sat up and said, "You are already here, lady Lan?"
