Chapter 1431 Going On A Date With Lan Ruoxi

When Xiao Tian saw Lan Ruoxi in front of him, he immediately sat next to her and embraced her.

Even though they only didn't see each other for three weeks, but he felt as if he hadn't seen her for a very long time.

This was one of the reasons why he was willing to wait three hours because he really missed her.

'I finally met her again.'

Even though he did not say anything, but he was happy.

Lan Ruoxi was startled.

She was shocked when he suddenly sat next to her and embraced her.

But even so, she did not do anything and let him do whatever he wanted. It was not his first-time hugging her, so she was fine with it.

"Young master Xiao, you just woke up and you already took advantage of me?! Do you really miss me?" she decided to tease him because he embraced her right after waking up.

"Lady Lan, you are so cruel! How could you make me wait for you for three hours?" even though he said something like that, he was not angry at her. "This is your punishment for making me wait three hours."

"Why didn't you just say you wanted to hug me? Are you Tsundere?" she kept teasing him.

He stopped hugging her and responded, "I only want to hug my future lover. Nothing is wrong with that, right?"

"Are you sure you can beat me in the future?" she asked as she giggled.

"Of course!" he said confidently as if he already knew the future. "By the way, lady Lan. How about we go on a date now?"

"Tell me why I should agree to go on a date with you." she wanted to hear his sweet words because usually, he would use his honey-tongued at a time like this.

"Because I can make today one of the best days of your life." He was confident that he could make her happy later.

"What if you fail to do that later?" she inquired.

"Then I will let you kiss me as the punishment." He responded instantly.

Her lips curled up into a smile after hearing his remarks. "Hmm? Aren't you the only one who will get the benefit?"

"Then how about I will let you do whatever you want to me if I fail to make you happy later?" he dared to say something like this because he knew she would never hurt him.

"Do whatever I want?" she uttered.

"Yes." He nodded his head. "Do whatever you want."

"Sure. Let's go on a date now." Lan Ruoxi agreed instantly, "I will beat you if you fail to make me happy today."

The corner of his lips twitched. "Please, only beat me on the bed."

"You wish!" after saying that, Lan Ruoxi headed to her room to change clothes.

After that, they went to many places. Of course, he managed to make her happy. Due to how happy she was, she even often smiled and giggled.

"Lady Lan, let's eat now." it was dinner time, so he wanted to take her to a restaurant.

"Alright." Lan Ruoxi agreed instantly.

At first, he wanted to take her to a famous and luxurious restaurant, but she refused, saying she wanted to eat at a cheap restaurant.

"This restaurant is not bad." Xiao Tian, who was sitting on the opposite side of her, uttered.

They were currently eating at Seafood Restaurant. Even though the restaurant was not big, but it was comfortable.

"Yes." Lan Ruoxi nodded her head.

They talked about many things as they ate. Like before, they teased each other.

After eating, Xiao Tian uttered, "Lady Lan, I will go to the restroom first."

Lan Ruoxi did not say anything, but she nodded her head.

He wasted no time and immediately headed to the washroom. To his surprise, several people recognized him and stopped him when he was on his way to his table.

"Xiao Tian!"

"Whoa! I finally can meet you, Xiao Tian."

"Xiao Tian, you are my idol."

Six people surrounded him and began to praise him. At this moment, he was like a celebrity.

Lan Ruoxi, who saw him being surrounded by six people, only smiled softly.

'He is already like a celebrity now.'

She was not jealous because she knew how famous he was.

"Hehe." Lan Ruoxi giggled when she saw his expression.

Xiao Tian wanted to spend time with Lan Ruoxi, but at the same time, he could not tell these people to stop bothering him, so he was in a difficult situation.

'Sometimes, being famous is not a good thing!'

He wanted to cry but had to tears.

At the same time, an old man, about forty years old, entered the restaurant. He was fat and only had a little hair.

If Jie saw that old man, she would know that old man right away because he was someone who wanted to buy her orphanage.

Teng Qigang!

Yes, he was Teng Qigang, an old man who came to Kindred Hearts Orphanage two days ago.

'Hmm?'

He stopped his footsteps when he caught sight of Lan Ruoxi.

'Oh! A beautiful lady with a sexy body?!'

His eyes turned into heart-shaped eyes when he saw Lan Ruoxi.

'10 out of 10! A perfect woman! I have to talk to her.'

Even though he was already in his forties, but his courage was still big.

The reason was simple.

He had a lot of money!

All women loved money, so there was a high possibility of him bedding Lan Ruoxi if he could show her how rich he was.

'It seems like she is destined to be mine!!'

He immediately walked toward Lan Ruoxi.

"I will go to the restroom first." She mused.

However, Teng Qigang stopped her after she rose from her chair.

Lan Ruoxi's face darkened.

She disliked it when he suddenly appeared in front of her and stopped her from going to the washroom.

'An old man who want to try his luck, huh?'

Of course, she knew what he wanted to do because something like this often happened to her.

At first, Lan Ruoxi wanted to ignore him and go to the washroom immediately, but she changed her mind when she remembered Xiao Tian.

Yes, she wanted to know Xiao Tian's reaction!

Xiao Tian was surrounded by his fans now, so she wanted to know what he would do if he saw Qigang trying to seduce her.

'Let's do that.'

With that idea in mind, she did not tell Teng Qigang to leave.

Teng Qigang was checking Lan Ruoxi's body from head to toe.

'Whoa! She is much more beautiful from up close!'

He gulped his saliva when he checked her body carefully.

'Tall, beautiful, and sexy. She even has big breasts. I have to get her!'

He wanted to bed her even more after checking her body.

Even though Lan Ruoxi was disgusted, she did nothing because it was part of her plan. She wanted to know if Xiao Tian would protect her or not.

"Beauty, are you alone?" Teng Qigang inquired.

"No. I'm with someone." Lan Ruoxi gave a short answer.

"Don't lie to me, beauty." Of course, he did not believe it. "You are alone, right? How about we have dinner together?"

"Everyone, can you please let me continue eating?" he inquired, "My partner is waiting for me right now."

'Hmm?'

He was unhappy when he saw Teng Qigang trying to seduce Lan Ruoxi.

'Don't you dare seduce her! She is mine!'

Chapter 1432 Quarreling With Teng Qigang

7-8 minutes

'I knew it! I should not have left her alone.'

Xiao Tian was unhappy when he saw Teng Qigang trying to seduce Lan Ruoxi.

"Everyone, I'm sorry. I have to return to my table now." he no longer cared about his image because Lan Ruoxi was important to him.

Actually, he had suspected that someone would try his luck if he did not return to his table immediately because Lan Ruoxi was a perfect woman.

At this moment, Teng Qigang was still trying his luck. "Beauty, why don't we eat together? Don't worry. You can buy anything you want because I have a lot of money."

He emphasized his words when he said he had a lot of money because normally, any woman would fall into his embrace right away after finding out how rich he was.

Like before, Lan Ruoxi ignored him.

'Oh! He is coming!'

She was excited when she saw Xiao Tian walking toward them.

"How is it, beauty?" Teng Qigang inquired, "If you want, we can go to luxurious restaurant now."

When Xiao Tian was next to Lan Ruoxi, he immediately pulled her into his embrace. "Sorry, but she is with me."

Lan Ruoxi did nothing when Xiao Tian suddenly pulled her into his embrace.

"As expected, he always tries to take advantage of the situation.'

She shifted her gaze from Xiao Tian to Teng Qigang.

Both Xiao Tian and Teng Qigang were shocked.

'It's him?!'

Even though they did not know each other, but they had met at the Kindred Hearts Orphanage before.

"It's you?!" Teng Qigang's face darkened.

He was unhappy when he saw Xiao Tian. When they met two days ago, Xiao Tian was on the orphanage's side, so they were enemies.

Lan Ruoxi looked at Xiao Tian and Teng Qigang with a puzzled face.

'Have they met each other before?'

That was the question that appeared in her mind.

"Beauty, are you sure you want to be with him? Look at him! I'm sure he is a poor young man!" Teng Qigang underestimated Xiao Tian because Xiao Tian was not wearing branded clothes.

Lan Ruoxi almost laughed after hearing his remarks. Even though she had never met Teng Qigang before, but she was sure Xiao Tian was wealthier than him.

"How can you think that I'm poor? I believe I'm much richer than you." Xiao Tian believed he was much richer than Teng Qigang.

"Haha." Teng Qigang laughed. "What?! You are richer than me?! Haha."

He still believed he was wealthier than Xiao Tian because Xiao Tian was not wearing branded clothes or accessories.

"Sigh! Another stupid person who judges people based on their clothes." Xiao Tian was in the same situation several times in the past because some people judged him based on his clothes.

"What do you mean by saying that? Are you saying I'm stupid?" Teng Qigang was unhappy with Xiao Tian's words.

"Who is that old man?"

"I don't know."

"Why is he quarreling with Xiao Tian?"

"Are they fighting over that woman?"

People, who previously surrounded Xiao Tian, walked toward them.

Teng Qigang was pleased when he saw them because, with this, he could humiliate Xiao Tian in front of many people.

"Everyone, look at him! He said he was richer than me. Isn't it funny?" Teng Qigang dragged everyone into their conversation because he wanted to humiliate Xiao Tian in front of them.

Xiao Tian still behaved calmly because he believed everything would be under his control later.

"I'm wearing branded clothes, while his outfits look like cheap ones." Teng Qigang spoke and paused for a second before he continued, "I believe his clothes are only worth 30 Yuan at most."

"What?!"

"Does this old man not know who Xiao Tian is?"

"How dare he say Xiao Tian is poor?"

"Does he live under stone all this time?"

"Wow! I'm speechless!"

They were shocked when Teng Qigang said he was wealthier than Xiao Tian.

They knew that Xiao Tian had raised his family status to the mid upper-class family, while they did not know who he was.

They were sure that Xiao Tian was much richer than Teng Qigang because they did not know who he was or had never seen him on TV or in magazines before.

Teng Qigang was stunned when everything did not go according to what he wanted.

'What is this? Why didn't they insult him?'

He believed anyone would know right away that his clothes were much more expensive than Xiao Tian's outfit.

"Haha." Xiao Tian laughed when he saw Teng Qigang's expression.

Lan Ruoxi, who was standing next to Xiao Tian, covered her mouth and giggled.

Xiao Tian looked at the people around them and inquired, "Everyone, do you know him?"

"No."

"I don't know him."

"Yeah. I also don't know him."

"I have never seen him before."

One by one, they said they did not know Teng Qigang.

"Then, do you know who I am?" Xiao Tian threw another question.

"Yes. We know. You are Xiao Tian, the owner of Star Group." They answered in unison.

The expression of deep shock blossomed on Teng Qigang's face.

'What?! Xiao Tian?! He is Xiao Tian?!'

Of course, he knew who Xiao Tian was because Xiao Tian was famous lately.

Xiao Tian even got the title of Miracle Young Man. Actually, he had seen Xiao Tian in the magazine before.

He saw Xiao Tian in the magazine three times, but he forgot about it because, in his eyes, Xiao Tian was not important.

'No wonder I feel like I have seen him before.'

Sure, he was rich, but his wealth was nothing compared to Xiao Tian's.

Xiao Tian was from mid upper-class family while he was from high middle-class family, so the difference between them was like heaven and earth.

Xiao Tian's lips curled up into a grin. "Why didn't you tell me I was poor again?"

Teng Qigang gritted his teeth.

,m He was furious.

He was enraged because everything was out of his control now.

Previously, he wanted to humiliate Xiao Tian in front of everyone. He did not expect that he was the one who was publicly humiliated.

"Even though I'm not wearing branded clothes, but I'm much richer than you." Xiao Tian uttered, "I even believe I can buy your pride."

"Haha." Everyone laughed after hearing Xiao Tian's words.

Lan Ruoxi giggled.

'He is indeed a bad young man!'

But even so, she did not feel sorry for Teng Qigang because he was the one who started it first.

Teng Qigang turned around and walked out of the restaurant. He did not want to stay in the restaurant anymore because Xiao Tian had humiliated him in front of many people.

"Hey, where are you going?" Xiao Tian still made fun of him. "Didn't you say you were rich? How about you treat us dinner?"

Of course, Teng Qigang ignored Xiao Tian.

'Just you wait. I will take revenge on you later.'

With the help of his boss, he believed he could teach Xiao Tian a lesson later.

Xiao Tian and Lan Ruoxi headed to his car shortly after that. Xiao Tian kept smiling because he was delighted.

"It seems like you are really happy." Lan Ruoxi uttered.

"Yes." He gave an honest answer. "By the way, lady Lan. How about we stay at a hotel tonight?"

Chapter 1433 She Is My Wife

6-8 minutes

"Lady Lan, how about we stay at the hotel tonight?" actually, Xiao Tian did not have a dirty mind.

He still wanted to be with her, so he did not want to part with her.

"Hmm?" Lan Ruoxi was shocked. "Why?"

"Because I know you still want to be with me." He behaved as if Lan Ruoxi did not want to be separated from him for even a second.

Lan Ruoxi's lips curled up into a smile. "Why didn't you just say you still wanted to be with me?"

"So, how is it?" he inquired.

"No." she refused instantly.

"Then, how about we go to a pub now. Let's drink a beer there." He used his backup plan.

"Are you trying to get me drunk so that you can take me to the hotel later?" she could see his intentions clearly.

"Yes." He gave an honest answer.

"Didn't you already take advantage of me many times today?" Xiao Tian had embraced her and held her hands, so in her view, he had taken advantage of her many times.

"Lady Lan, your words sound like I'm a bad person." He behaved as if he was a good person who had never done bad things in his life.

"But you are indeed a bad person." Lan Ruoxi stated.

"Because you said I'm a bad person, then I will do bad thing now." he uttered, "I will take you to the hotel now."

"Hehe." Lan Ruoxi was not afraid; instead, she giggled.

When they were near a famous hotel, he slowed down his car. "Lady Lan, we are close to the hotel now. Aren't you going to stop me?"

He slowed down his car on purpose because he wanted to give her time to stop him.

Even though he still wanted to spend time with her, but he wouldn't force her to stay in a hotel with him.

"Hmm? Didn't you say you would take me to a hotel?" like before, Lan Ruoxi behaved normally because she was stronger than him.

"Then you can't blame me later." He was pleasantly surprised after hearing her words.

After parking his car, he rushed toward her door. "Please be careful, beautiful lady."

"Aren't you a bad boy? Why are you behaving like my bodyguard now?" she asked as she got out of his car.

"Because I can become anything." After closing the door, he held her right hand.

"Are you acting like this because I agreed to spend the night at the hotel with you?" she inquired.

"No. It's because you are special to me." He did not forget to use his sweet words.

Lan Ruoxi's lips curled up into a soft smile.

'Well, I will grant all his wishes today because he makes me happy today.'

She was not worried even though she would spend the night in a hotel with him because she was stronger than him.

When they were in front of the receptionist, Xiao Tian immediately spoke, "One VIP room, please."

The female receptionist did not respond immediately and looked at Lan Ruoxi.

'Are they lovers?'

Even though she should not meddle with their customers' affairs, but she was suddenly curious about it.

Xiao Tian immediately pulled Lan Ruoxi into his arms. "She is my wife."

Lan Ruoxi was startled.

She lifted her head to look at his handsome face.

'Wife?'

She did not expect him to say something shocking like that.

Even though she was shocked, but she did not say anything and only stared at him. She also did not complain when Xiao Tian only wanted to take one room.

"Understood." After saying that, the female receptionist gave him a keycard.

Xiao Tian looked at Lan Ruoxi and spoke, "Wife, let's go to our room."

"Alright." Lan Ruoxi nodded her head.

They headed to the bedroom after entering the hotel room. Xiao Tian was currently lying on the bed while Lan Ruoxi was sitting on the edge of the bed.

"Since when did I become your wife?" Lan Ruoxi asked as she turned on the TV.

"Since we arrived at his hotel." He responded, "I will marry you in the future, so I have the right to call you wife."

Lan Ruoxi turned her head to look at him. "You will marry me?"

"Yes. I will marry you in the future." He really liked her, so he decided to marry her in the future.

'If you were not stronger than me, I would have made you mine by now.'

He added in his head.

"Then beat me in fight first." She did not forget the criteria to become her lover or husband.

The corner of his lips twitched.

'Damn! She is bullying me again!'

He was hopeless every time he heard these words.

"Hehe." Lan Ruoxi rose to her feet. "I will take a bath first."

"Why do you suddenly want to take a shower?" he inquired. "Are we going to have sex later?"

"Sure!" she answered without thinking twice.

He did not take her word seriously because he knew he would not be able to bed her before he could defeat her in a fight.

After taking a shower, Lan Ruoxi sat on the bed with her back leaning against the headboard.

When Xiao Tian wanted to take advantage of the situation, she suddenly said, "Go take a shower first."

"...Sure." He got out of bed and headed to the bathroom.

He sat next to her after taking a shower. Like before, he tried to take advantage of the situation again.

"Lady Lan, I have taken a shower. Shall we do it now?" even though he already knew the answer, he still asked that question.

"I changed my mind." Lan Ruoxi responded without caring about his feelings. "I'm not in the mood for sex right now."

"You are so cruel!" he wore a sad face. "Shouldn't a wife have to agree with her husband's desire to have sex with her?"

"But we are not a married couple." She answered, "Didn't you already take advantage of me many times today?"

"My body always wants to take advantage of you because you are so beautiful and sexy." He did not forget to praise her in his answer.

Lan Ruoxi's lips curled up into a smile. "Alright. How about we watch a movie while holding hands?"

Even though they had held hands many times, but he still took the offer.

*Pitter-patter.

Countless raindrops fell from the sky.

"Why does it always rain?" he inquired.

"Isn't that a good thing?" she uttered, "I like rainy days than sunny days because the rain can calm me down."

"And it can make the atmosphere more romantic for us." He added. "Maybe I will get something later."

Lan Ruoxi smiled after hearing his remarks.

'He still doesn't give up.'

She said in her mind.

They watched a movie as they chatted.

It was an action movie, but it had a good romance. The situation became even more romantic when a romance scene appeared.

They really enjoyed the movie. Xiao Tian even forgot to take advantage of the situation.

When the movie was over, Lan Ruoxi decided to lay on the bed. "That movie is good."

"Are you going to sleep?" it was still 09:30 pm, so he hoped she didn't go to sleep soon.

Instead of answering his question, she asked, "Why? Are you going to have your way with me now?"

Chapter 1434 Ten Out Of Ten!

7-9 minutes

"Why? Are you going to have your way with me now?" she inquired.

"Lady Lan, you are beautiful, and we are alone in this room, so don't challenge me to do something lewd to you." He was afraid he would be unable to hold back himself if she kept teasing him.

Lan Ruoxi's lips curled up into a smile. "I thought you would have your way with me no matter what. I did not expect the bad boy to become a coward."

A challenge!

Lan Ruoxi challenged Xiao Tian to do adult things to her indirectly.

Her words hurt his pride.

He was a bad boy, but not a coward.

For this reason, he accepted her challenge.

'Then don't blame me later.'

Without waiting for another second, he lay on top of her.

"Are you going to kiss me now?" she did not push him away when he suddenly lay on top of her.

He did not answer her question and pressed his lips against hers. He instantly tried to kiss her passionately because she challenged him to do adult things to her earlier.

To his surprise, Lan Ruoxi did not try to fight back; instead, she opened her mouth and moved her tongue lewdly as if she also desired to have a deep kiss with him.

Like usual, Lan Ruoxi felt pleasure when she had a passionate kiss with him.

'As usual, he is so good at deep kissing.'

One of the reasons why she never stopped him from kissing her passionately was that he was so good at deep kissing.

She always felt pleasure whenever she had a deep kiss with him, as if he knew what she wanted when they had a passionate kiss.

Lan Ruoxi slowly wrapped her long slender arms around his back and pulled his body towards hers, causing his body to press against hers.

"Huft...Huft...Huft..." she broke the kiss when she was out of breath. "As usual, I always lose every time we have a tongue fight."

Xiao Tian was pleased when he saw her fascinating expression. Even though she did not say it, he knew she loved it.

"You are so beautiful, lady Lan." He praised her beauty.

Lan Ruoxi's lips curled up into a smile. "Young master Xiao, you don't need to praise me if you want to kiss me again. I don't need it. I will give you privileges tonight."

"Then I will do what you say." because she said so, he stopped praising her.

She moved her hands from his back to his waist.

She thought he would kiss her deeply again, but she was wrong because he only kissed her forehead.

'Hmm?'

She was shocked.

She immediately closed her eyes when Xiao Tian brought his face closer to her left eye.

He kissed her forehead and left eye before making his way down to her neck. Sure, he wanted to kiss her passionately again, but her beautiful neck kept seducing him.

Like before, Lan Ruoxi let him do whatever he wanted. She even tilted her head back to make it easier for him to kiss her neck.

He was thrilled when she gave him the green light. However, he still kissed her gently because it could turn her on.

Lan Ruoxi's legs squirmed, and she shut her eyes again.

'He is indeed amazing at doing adult things.'

She tried her best not to moan because she was much older than him.

'Hmm?'

She instantly opened her eyes when he squeezed her breasts.

'Is he going to suck my breasts too?'

All this time, he had never sucked her breasts.

Normally, he only kissed her passionately or, at most, squeezed her breasts. But now, it seemed like he had the intention of sucking and licking her breasts.

'Should I stop him now?'

She wavered whether she should stop him or not.

At this moment, Xiao Tian was sitting on her waist and grabbing the hem of her white T-shirt, ready to take off her T-shirt.

He did not take off her T-shirt right away because he wanted to know whether she would stop him or not.

For this reason, he looked into her eyes and slowly pulled up her T-shirt, giving her time to stop him.

Lan Ruoxi was still wavering, so she did not stop him immediately.

'Should I let him do whatever he wants?'

She looked into his eyes.

Xiao Tian was pleased when Lan Ruoxi only stared at him because he thought he could do whatever he wanted.

'Oh, she is wearing purple bras.'

He could see her bras.

He could not help but gulp his saliva when he saw her beautiful cleavage. Sure, she was already in her thirties, but her body was still amazing.

No!

Her body was even much better than most women's bodies in their twenties, as if she took care of her body every day.

*Kiss...

Xiao Tian kissed her forehead again.

Lan Ruoxi had no idea what was going on. She felt as if she was under a magic spell after he kissed her forehead.

For this reason, she cooperated when he tried to take off her T-shirt.

'It's already too late now.'

Xiao Tian had taken off her T-shirt, so she thought it was already too late to stop him.

He was delighted.

Even though they had done many passionate kisses, but this was the first time he could take off her T-shirt.

All this time, she always stopped him whenever he tried to take off her clothes. That was why he could only kiss her and squeeze her breasts in the past.

He did not immediately take off her bra; instead, he kissed her passionately.

His intention was clear.

He wanted to get her even more aroused!

Like before, Lan Ruoxi's legs squirmed when he kissed her passionately again. Ever since he took off her T-shirt, she felt that her body had become more sensitive than usual.

She even felt as if her body was made for him because her body responded to whatever he did to her body.

'Is it because he made me happy today?'

She did nothing and only looked at him when he tried to unhook her bras.

*Click...

She was wearing front-closure bras, so it was effortless for him to unhook her bras.

"Beautiful!" Xiao Tian stated.

Even though he had guessed that her breasts were beautiful, but seeing it directly still amazed him.

The softness of her breasts, the color of her nipples, and the shape of her breasts; everything was perfect.

Ten out of ten!

Xiao Tian could only say that she had beautiful breasts because he did not know how to describe her breasts other than using those words.

Even though his women's breasts were also beautiful, only Shi Fei's breasts could rival Lan Ruoxi's boobs.

Of course, he behaved normally and only smiled softly because he was a playboy, so he had to maintain his image.

She covered her breasts with her right arm and spoke, "Alright. Let's stop here, young master Xiao."

She wanted to know what he would do after hearing her words because she could tell he wanted to lick and suck her breasts.

Xiao Tian brought his face closer to hers and kissed her soft lips again.

'I have to make her hornier.'

He kissed her again because he wanted to remove her right arm from her breasts.

Lan Ruoxi did not fight back when he tried to remove her right arm from her beautiful breasts.

His kiss made her drown in a sea of pleasure.

No!

Actually, she did not realize it when he removed her right arm from her breasts because her mind was on cloud nine when he kissed her passionately.

"Huft...Huft...Huft..." Lan Ruoxi breathed heavily after stopping the kiss because she was out of breath. "I suddenly suspect that you are God of Sex's son because you are so amazing at doing adult things."

"Because I'm indeed God of Sex's son." He behaved as if he was God of Sex's son. "Actually, I descended from the highest heaven with one mission and that is to give all beautiful women happiness and pleasure."

He kissed her passionately again.

Like before, he kissed her lips and neck before making his way down to her breasts. At this moment, his face was so close to her nipples.

Lan Ruoxi did not cover her breasts because the flames of lust had consumed her body.

Xiao Tian looked at her before he finally opened his mouth, ready to lick and suck her breasts.

Chapter 1435 It's Cute Like Its Owner

6-8 minutes

Inside a luxurious hotel room, two young people were doing adult things; a young man and a young woman.

The young woman was half-naked and lying on the bed. Her pretty face had turned into a lewd face, and her legs squirmed continuously.

Above her, a handsome young man was squeezing and licking her breasts skillfully.

A suppressed moan escaped from the young woman's mouth every time he bit her nipples gently as if he could control her body through his mouth.

Even though they were not lovers, they still did adult things in a luxurious hotel room. These two young people were none other than Xiao Tian and his special friend, Lan Ruoxi.

Previously, he took her to a hotel after a date. At first, she refused, but she changed her mind after he used his sweet words.

One thing led to another, and they ended up doing adult things in a hotel room.

"Hmmm..." Lan Ruoxi widened her eyes when Xiao Tian bit her right nipple gently. "Young master Xiao..."

'He is also skilled in this.'

Actually, she had guessed it because he was skilled at deep kissing.

She just did not expect him to be much more skilled than she thought. She even felt as if he knew every inch of her breasts.

'It's his first time doing this to me, but he already knows all my sensitive areas.'

Her legs kept squirming.

Xiao Tian stopped licking her nipples and kissed her passionately again.

Like before, Lan Ruoxi welcomed the kiss. Actually, she wanted to ask for a kiss, but she did not say it.

That was why she welcomed the kiss right away when he pressed his lips against hers because this was what she wanted.

"Huft...Huft...Huft..." Lan Ruoxi broke the kiss when she was out of breath.

Xiao Tian was pleased when everything was under his control.

'Good!'

Even though Lan Ruoxi was stronger than him, but she was under his control now.

He then made her sit on the bed.

His intention was clear.

He wanted to kiss her and play with her pussy!

Sure, he was able to do that in their previous position, but in his view, it was better to do it while sitting on the bed.

"Huft...Huft...Huft..." Lan Ruoxi stared at him while breathing heavily.

At that moment, she was like a succubus queen. Her eyes were filled with lust, and she wore a fascinating face.

In short, she was much more seductive than usual!

For this reason, Xiao Tian kissed her passionately again. Sure, he had kissed her passionately many times, but he still did that again because her fascinating face was so seductive.

He was sure any man would do the same if they were in his shoes because, at that time, Lan Ruoxi was like a succubus queen.

However, the deep kiss did not last long because Xiao Tian wanted to taste other parts of her body.

Her neck!

Her slender and beautiful neck was so alluring, causing him to want to suck it.

*Kiss...kiss...kiss...

Like before, he kissed her beautiful neck gently.

Even though he only kissed her neck gently, but Lan Ruoxi still felt pleasure.

No!

In her view, he made the right decision because she loved it when he did that.

"Hmmm..." she tilted her head back so that he could kiss her neck easily.

Actually, she wanted to return the favor, but her body refused to move as if her body only wanted to enjoy the pleasure.

"Ahhh...." She failed to hold back her moan when Xiao Tian suddenly gave her a hickey on her neck.

He stopped the kiss after giving her a hickey.

'Beautiful!'

He smiled with satisfaction when he saw the hickey on Lan Ruoxi's beautiful neck.

It was his first time giving her a hickey, so he was pleased. All this time, he always failed to give her a hickey because she stopped him whenever he wanted to do that.

Lan Ruoxi looked at him and spoke, "Young master Xiao, did you gi-"

Before she had finished her words, Xiao Tian kissed her passionately again. Of course, she welcomed the kiss immediately because having a deep kiss with him felt great.

Like before, he kissed her neck after devouring her pink and soft lips.

Two hickeys!

Three hickeys!

He gave her three hickeys on her beautiful neck, and they were all in a place where everyone could see them.

Lan Ruoxi's lips curled up into a smile. "What is this? Do you want to let others know through this hickey that I'm yours?"

"Yes." He gave an honest answer. "I want everyone to know that you are mine, mine alone."

"Cute! Alright, let's sleep now." Lan Ruoxi said something cruel without caring about his feelings.

"But I still haven't seen your pussy and played with it." Actually, he had guessed something like this would happen because he still remembered the criteria to be her lover.

"Do you still remember the condition to be my lover?" she inquired.

"Yes." Of course, he remembered it because she always stopped him using that criteria as an excuse.

"For now, my breasts are the limit for you." She spoke and paused for a second before she continued, "I will give you my body after you defeat me in fight."

"Then what about my cock?" he asked as he pointed his right index finger at his shorts.

Lan Ruoxi shifted her gaze from his handsome face to his shorts. "Do you want me to give you a handjob?"

"How about blowjob?" he tried his luck.

"Handjob or sleep? Choose one!" it was not like she did not want to give him a blowjob, but it was off-limits for now.

"Lady Lan, you are so cruel! You keep bullying me." He disliked it because she kept bullying him when they were together.

'This world is so unfair!'

She was the one person who kept bullying him, but he could not do anything to her because she was stronger than him.

"You only need to be stronger than me if you don't want to be bullied by me." She giggled after saying that.

"I will spank your buttocks after defeating you." He promised himself that he would spank her ass right after beating her.

"You can even press me under your body after defeating me." She gave him the motivation to defeat her.

"I love that idea!" his mood instantly improved.

"So, what is it? Do you choose a handjob or sleep?" she repeated her question.

"Of course, handjob." He answered without thinking twice.

He believed every man dreamed of getting a handjob from her because she was a perfect woman.

'Even though I can't have sex with her, but I'm fine with it.'

He had licked and sucked her breasts earlier.

Not only that, but she would also give him a handjob, so he was fine with it.

'And I have given her three hickeys earlier, so it's still my win.'

He stared at her neck as he smiled.

Xiao Tian put his shorts on the bed. Like Lan Ruoxi, he was half-naked now. The difference was he took off his shorts while she removed her T-shirts.

Lan Ruoxi shifted her gaze from his handsome face to his cock.

'It's cute like its owner.'

Chapter 1436 What?!

7-8 minutes

Xiao Tian behaved normally when Lan Ruoxi looked at his cock. Even though they were only friends, but she had seen his penis a few times.

First, when they went to Beijing for the first time. Second, when they were at her master's house. Third, when they went to Beijing for the second time.

So, this was the fourth time she saw his penis. That was why Lan Ruoxi could behave normally like that.

'Cute, but it's huge and...long.'

His penis was beautiful in her eyes.

The size, the length, and the color were perfect in her eyes.

'What a beautiful cock!'

She kept looking at his pink glans.

Xiao Tian cupped her pretty face and devoured her pink lips again. Even though he would not be able to have sex with her, but he wanted to enjoy her lips and breasts.

Yes, he also squeezed her breasts as he kissed her passionately!

Lan Ruoxi slowly moved her right hand closer to his penis. She had promised to give him a handjob, so she moved her right hand and placed it on his penis.

Maybe because she was having a passionate kiss with him, or perhaps because the flames of lust had consumed her body, but the moment her right hand came in contact with his penis, she felt electricity running through her body.

Xiao Tian was already horny and kissing her passionately, so his penis was slowly erect when she held his cock.

Lan Ruoxi could not focus on the kiss when she felt his penis was slowly erect.

'It's hot!'

She slowly moved her right hand up and down, stroking his penis.

The lewder their kiss, the faster she moved her right hand. Her face turned lewd again because she was giving him a handjob when he kissed her passionately.

Like before, Xiao Tian kissed her neck after she broke the kiss. He no longer squeezed her breasts because he wanted to focus on her neck.

Lan Ruoxi tilted her head back when he started kissing her neck. Of course, she did not stop giving him a blowjob.

'Four, five, six, seven.'

She did not expect him to keep giving hickeys.

'Eight, nine...'

At this moment, her neck was already full of hickeys.

He could not have sex with her, so he let out his lust by giving her many hickeys on her beautiful neck.

No!

Not only did he give her many hickeys on her neck, but he also on her shoulders and breasts.

There were two reasons why she let him do whatever he wanted.

First, it was a sign of her apologies for refusing to have sex with him, and lastly, she could cover it up with make-up.

'Ah...'

She moved her right hand up and down faster.

Since it was his first time getting a handjob from Lan Ruoxi, Xiao Tian reached his limit faster than usual. Lan Ruoxi knew he was about to have an orgasm because he stopped kissing her and his penis suddenly became much harder.

'He is about to have an orgasm.'

Actually, she wanted to get a tissue, but the tissue was quite far from her, so she could not reach it.

At this moment, Xiao Tian's hands were already behind him, supporting his body. His waist moved up and down continuously because he was about to have an orgasm.

"Lady Lan, I'm cumming..." he lifted his waist slightly as he shot his sperm into mid-air.

Her sperm flew into the air before finally falling onto her breasts.

"It felt good." After saying that, he dropped his body onto the bed.

Lan Ruoxi lowered her head to look at his sperm that was on her right breast. She kept shifting her gaze from her breasts to his penis.

When she noticed a little sperm left on the tip of his cock, she immediately took some tissues and cleaned his penis.

Xiao Tian was pleasantly surprised by her actions.

'What a good woman!'

He smiled happily as he saw her cleaning his penis with some tissues.

After cleaning his penis, she looked at his sperm that was on her right breast. At that moment, a desire to taste his sperm suddenly arose within her.

Of course, she did not drink his sperm immediately; instead, she looked at Xiao Tian's handsome face.

'I wonder what his sperm tastes like.'

The color of his sperm was white, so it looked so delicious in her eyes.

When Xiao Tian was closing his eyes, she took his sperm that was on her right breast using her left index finger.

*Gulp...

She felt electricity running through her body.

'Delicious!'

She looked at him after drinking his white sperm.

Xiao Tian opened his eyes.

'Today, she gave me a handjob. Someday, I will get a blowjob from her.'

He was satisfied with the progress of their relationship.

Sure, the progress of their relationship was slow, but he did not mind it; instead, he was excited because there was a goal to be achieved.

As Xiao Tian was deep in thought, Lan Ruoxi did something shocking to him.

She lay on top of him and kissed him passionately!

Xiao Tian was shocked.

Of course, he welcomed the kiss instantly.

'Why did she suddenly kiss me?'

He did not know what she had in mind.

Actually, it was because she drank his sperm earlier, but he did not know about this because he closed his eyes earlier.

After breaking the kiss, Lan Ruoxi inquired, "Young master Xiao, are you satisfied now?"

"Not yet." He responded, "I still want to give you a hickey."

"You have given me many hickeys and you still want to give me more?" her breasts, shoulders, and neck were already filled with his hickeys, so she was a little surprised when he said he still wanted to give her a hickey.

"I still haven't given you a hickey on your stomach." Even though he behaved like a pervert, he did not care about it because he was indeed a pervert.

Lan Ruoxi lay on the bed with her head on the pillow. "Alright. You can do it now. Let's sleep after you give me a hickey."

Xiao Tian was startled.

Previously, he thought she would tell him to stop or make an excuse, but he was wrong.

'Why doesn't she tease me like she usually does?'

He wasted no time and immediately sat up.

'What a beautiful stomach!'

He was amazed by her beautiful stomach.

Her stomach was flat and flawless. Her slim waist also made her stomach even more beautiful.

'As I thought, only my sexy lover can rival her sexiness.'

Of course, Shi Fei was sexier than Lan Ruoxi, but Lan Ruoxi was prettier than her.

It could be said they each had their own advantages and disadvantages. But if it was about love, he loved Shi Fei more than Lan Ruoxi.

Lan Ruoxi bit her lower lip when he started giving her a hickey on her stomach.

'One, two, three, four, five.'

She didn't expect him to give her five more hickeys.

'Twenty-three. He gave me twenty-three hickeys in total.'

At this moment, Xiao Tian's nickname changed from pervert to wild beast because he gave her a lot of hickeys.

After giving her five hickeys, he lay next to her. "Lady Lan, can you do one thing for me before sleeping?"

"What is it?" she asked curiously.

"Can you say goodnight my husband and kiss my lips after that?" he responded.

"Hmm?" Lan Ruoxi was stunned.

Chapter 1437 Fine, You Win.

7-8 minutes

Lan Ruoxi was stunned after hearing his request.

Sure, he told the female receptionist that she was his wife, but she did not expect him to make a request like that.

"Young master Xiao, did you say something?" she pretended as if she did not hear anything.

The corner of his lips twitched.

'Bad lady! She is a bad, sexy lady! But I still love her!'

Of course, he knew she was just pretending she did not hear anything.

He kissed her forehead and spoke, "Good night, my beautiful wife."

"Good night!" after saying that, she turned off the light.

Both of them were still half-naked, but they did not care about it and decided to sleep immediately.

The following morning, Lan Ruoxi took a shower after waking up.

'He is still sleeping.'

She was currently sitting in front of the mirror, checking all the hickeys on her body.

'My body is full of hickeys!'

She turned her head to look at Xiao Tian.

'He took advantage of me many times yesterday.'

She looked at the mirror and checked her body again.

At the same time, Xiao Tian woke up.

'Hmm? She is already awake?'

He got out of bed and walked toward her.

He stood behind her before finally kissing her back gently. "Good morning, my beautiful wife."

"Good morning." She behaved normally when he suddenly kissed her back.

They had done many lewd things last night, so she did not mind it because what they did last night was much lewder.

"You look more beautiful with these hickeys on your body, my wife." He was pleased when he saw many hickeys on her body.

"And look like a pervert too." she uttered, "You really gave me many hickeys last night."

"Because I could not have sex with you, I let out my lust by giving you many hickeys." He gave an honest answer.

She took her make-up out of her bag and began covering the hickeys on her body.

'Good!'

She was satisfied after covering all the hickeys on her neck.

But Xiao Tian suddenly stopped her when she was about to cover all the hickeys on her shoulders.

"What are you doing, young master Xiao?" she inquired.

"My wife, can you not cover all the hickeys on your shoulders, breasts and stomach? I'm sure no one will know about it after you put on your clothes." He did not want her to cover all the hickeys.

"You know it can ruin my reputation if someone see these hickeys, right?" even though what he said was right, but she did not want to take the risk because it was related to her reputation.

"Alright. You can cover all the hickeys on your shoulders, but can you not cover the hickeys on your breasts and stomach?" he was still trying his best to keep her from covering all the hickeys on her body.

Lan Ruoxi looked at him through the mirror. "What will I get if I grant your wish?"

He always took advantage of her since yesterday, so she tried to do the same. It was a perfect chance to take advantage of the situation, so she did not let it slip away.

"How about bouquet of roses?" he responded, "Or how about I take you to a romantic place later?"

"How about Lamborghini car?" she said jokingly.

The corner of his lips twitched. "My wife, isn't that too much? I will grant your wish if you agree to be my wife today? So how is it?"

He knew she was trying to take advantage of the situation, so he decided to say something like that.

"Look! Your breasts are even more beautiful with these hickeys." In his eyes, her breasts were even more beautiful with these hickeys.

However, Lan Ruoxi disagreed with his words. "No. I ha-"

Before she finished her words, Xiao Tian stood beside her and kissed her passionately.

Like last night, she welcomed the kiss immediately.

'He is taking advantage of me again.'

But even so, she moved her tongue wildly and lewdly.

After stopping the kiss, Xiao Tian asked again, "So do you agree not to cover these hickeys?"

"No. I have to cover these hickeys." She refused again. "I don't wan-"

He kissed her soft lips again before she could finish her words. He did this because she refused to grant his wish.

He asked the same question after stopping the kiss. "So do you agree not to cover these hickeys?"

However, Lan Ruoxi did not change her mind and still refused to grant his wish. "No. I ha-"

He kissed her longer than before. "So?"

"No!" she gave the same answer.

He kissed her hungrily again.

"Huft...Huft...Huft..." Lan Ruoxi stopped the kiss when she was out of breath. "Are you going to keep kissing me?"

"Yes. I will stop kissing you if you agree to grant my wish." of course, he knew he was selfish, but he still wanted her not to cover all the hickeys on her body.

"Fine. You win." Lan Ruoxi gave in.

Xiao Tian smiled happily. "You are indeed the best, wife!"

Lan Ruoxi smiled softly. "Go take a shower now. We will have breakfast after that."

"Sure." After kissing her checks, he headed to the bathroom.

Unlike yesterday, they ate at a luxurious restaurant this time. After talking for about an hour, he sent her home.

Xiao Tian's Mansion, Living Room.

Xiao Tian was currently watching a movie in the living room alone. All of his women were in the backyard.

'Where are little Ai and Feng Yu?'

He suddenly wanted to spend time with his future daughters.

To his surprise, Ye Xueyin appeared and rushed toward him. "Tian..."

He turned his head toward the source of the sound.

'Mother?'

He was a little surprised because he thought she would spend time with the others in the backyard.

She did not give him a warning and immediately sat on his lap. "Tian, what are you doing here? Why didn't you go to the backyard and spend time with us?"

Instead of answering her questions, he asked, "What are you doing in the backyard?"

"Chatting!" after saying that, she kissed his neck. "Tian, mother wants to have sex with you. Let's do it now."

He carried her to her room. "Sure. Let's do it in your room."

"Yay!" her eyes shone brightly.

Cao Family Company, Cao Song's Office.

Cao Song was currently sitting on the couch. His black eyes were focused on the document in his hands.

"Qigang, let's carry out my plan tomorrow." He spoke after thinking carefully.

Teng Qigang, who was standing in front of Cao Song, responded, "Understood. Young master Cao, can you help me with something later?"

"What is it?" Cao Song asked curiously.

"It's like this." Teng Qigang began telling Cao Song about what Xiao Tian did to him.

"So, you want to teach him a lesson?" Cao Song finally understood everything.

"Yes." Teng Qigang gave an honest answer.

"Sure. I will help you later." Cao Song was not afraid of Xiao Tian because Xiao Tian had no powerful background.

"Thank you, young master Cao." Teng Qigang said happily.

'Just you wait, Xiao Tian. I will make you kneel before me and apologize to me.'

He wanted to beat Xiao Tian before making him kneel in front of him.

Chapter 1438 I Can't Do That

7-8 minutes

Red Flower Bar, Lan Ruoxi's Bedroom.

Lan Ruoxi was currently sitting in front of a make-up table. She was naked because she had just finished taking a shower.

'Maybe I should not let him give me a hickey last night.'

She suddenly remembered what she had done with Xiao Tian in the hotel room last night when she saw many hickeys on her body.

'It seems like he has become a pervert king now.'

She started covering the hickeys on her neck and shoulders.

Xiao Tian's Mansion, Ye Xueyin's Bedroom.

"Ah...Ah...Ah..." Ye Xueyin cried out in delight.

She was currently having sex with Xiao Tian in missionary style. They immediately had sex after stepping into her room because she did not have sex with him for two days.

Xiao Tian moved his waist faster when he noticed that her beautiful face had turned lewd.

"Ah...Ah...Ah..." the faster he moved his waist, the faster she moaned.

"I'm cumming..." like usual, he let out his white sperm deep inside her vagina.

Ye Xueyin lifted her waist slightly when he shot his sperm deep inside her.

'I'm cumming again....'

She also had an orgasm when his sperm hit her womb.

"Huft...Huft...Huft..." both of them breathed heavily.

Satisfied smiles appeared on their faces.

They were thrilled because they could have an orgasm at the same time.

Xiao Tian lay on her right side before finally speaking, "It was amazing!"

To his surprise, Xueyin suddenly lay on top of him. She did not clean her pussy immediately, causing his sperm to fall onto the bedsheets.

"Hehe." She giggled happily because he could satisfy her again. "Tian, mother wants to sleep now."

Even though it was still at 01:30 pm, she wanted to sleep because she was tired.

"Have a nice dream, my beautiful mother." He responded.

In front of a convenience store, a young man about twenty-seven years old, carrying two bags full of daily necessities.

He was fat and wore glasses. Her blue hair danced gently when a gentle breeze brushed against his body.

That young man was none other than Dali, one of the caretakers at Kindred Hearts Orphanage.

'I hope I can spend time with Jie later.'

A happy smile appeared on his face when he imagined spending time with Jie.

But when he was in the parking lot, something unexpected happened.

A mature man suddenly appeared and stopped him!

Of course, he knew who that mature man was because he had met that mature man before.

Teng Qigang!

Yes, the one who stopped him was none other than Teng Qigang, someone who wanted to buy Kindred Hearts Orphanage since last month.

"What do you want?" Dali was unhappy when he saw Teng Qigang.

"Young friend, you don't need to put on an expression like that." Teng Qigang spoke as he smiled, "I have no bad intentions towards you. I just want to give you an opportunity to be rich and get what you want."

Dali did not say anything and skimmed his surroundings.

"My young master wants to meet you. He wants to discuss business with you." Even though Teng Qigang was unhappy with Dali's behavior, he still smiled at him.

"I don't want to meet him." Dali refused instantly because he thought they would kidnap him and make him a hostage later. "Leave! I want to go back to the orphanage now."

Teng Qigang did not stop him because his young master said he could not use violence or make him angry.

"Remember! You won't regret it if you do business with my young master." Teng Qigang shouted.

Dali ignored him and rode his motorbike.

Kindred Hearts Orphanage, Front Yard.

Dali was currently in the front yard with Jie. His face was full of smiles because he was with her.

"Jie, how about we go on a date tomorrow?" Dali liked Jie since a few years ago, so he always tried to win her heart.

"Dali, we are the caretakers of this orphanage, so we should take care of them every day." Jie used the orphans as an excuse because she did not have the heart to refuse his wishes openly.

Of course, she knew that he had feelings for her, but she always pretended to know nothing because she only saw him as her younger brother, nothing more than that.

"But we always look after them every day. I don't think they would be mad at us if we took a day off to make ourselves happy." He tried his best to change her mind.

"Maybe next time, Dali." She still refused because she had no feelings for him.

She did not want to give him false hope because it would hurt him even more. That was why she chose to refuse his wish.

"Jie, you always say next time, next time and next time." Dali suddenly lost control. "I have heard these words more than forty times now. Why don't you just agree to go on a date with me?"

"Dali, control yourself! We are in front of children!" she raised her voice because she didn't want him to get angry in front of the kids.

Dali clenched his fist before finally entering the orphanage.

Jie sighed hopelessly.

'I'm sorry, Dali. I have tried to open my heart for you, but I still can't accept you.'

Xiao Tian was currently with Zhao Sheng and Xing Ranqing at a café. Their faces were full of smiles because they enjoyed their time so much.

However, Xing Ranqing and Zhao Sheng suddenly left him alone, saying they had important business.

"Sigh! They are so cruel!" he signed helplessly.

To his surprise, Xi Xingyi suddenly called him, saying she missed him. He wasted no time and went straight to her home.

After opening the door, the maid immediately headed to the kitchen because she knew about his relationship with Xi Xingyi.

When he saw a gorgeous lady standing alone in the family room, he immediately hugged her from behind and kissed her left cheek. "My love, I came to meet you."

Her body tightened.

She was startled when someone suddenly hugged her from behind.

But what surprised her most was that he suddenly kissed her cheeks.

'Xiao Tian?!'

She knew he was Xiao Tian from his voice.

"Did he mistake me for my mother again?"

Yes, Xiao Tian was not hugging his lover, but her lover's daughter, Xi Ran.

He stopped the hug and stood in front of her. "Xingyi, why don't you say something to me? Didn't you say you missed me before?"

'What is this? Is she angry at me?'

He was confused.

'I'm sure I didn't do anything bad to her, so why?'

He still did not know the person standing before him was not his lover but her lover's daughter.

"Xingyi, what happened to you?" he asked curiously.

Xi Ran sighed.

'I knew it. He mistook me for my mother again.'

Xiao Tian did something shocking when she was about to tell him who she was.

He embraced her again!

Her body tightened.

She was shocked.

She was stunned.

But what surprised her most was that he kissed her lips after breaking the hug.

"I've hugged and kissed you, so let's make up now." After saying that, he cupped her pretty face and kissed her lips again.

A voice suddenly rang out when he pressed his lips against hers. "Xiao Tian, what are you doing to my daughter?"

Chapter 1439 Do You Like My Daughter?

7-8 minutes

A voice suddenly rang out when he pressed his lips against hers. "Xiao Tian, what are you doing to my daughter?"

Previously, she was with her daughter, but she went to the dining room to drink water after calling him.

She just did not expect to see him kissing her daughter right after returning to the family room.

'Did he mistake my daughter for me?'

Of course, she was not angry at him.

She even did not mind if Xiao Tian and her daughter became lovers too.

No!

Actually, she hoped her daughter could also become his girlfriend because, with this, they would love the same man.

The expression of deep shock blossomed on his face.

'Xingyi's voice? But isn't she standing before me?'

He instantly broke the kiss and turned his head toward the source of the sound.

'Xingyi? Then the one I kissed just now is....'

He returned his attention to the beautiful young lady in front of him.

"La...lady Xi Ran? Are you lady Xi Ran?" he suddenly felt awkward.

"Yes. I'm Xi Ran." Xi Ran still behaved normally. "You mistook me for my mother earlier."

She had already had sex with him, so she did not mind it. She even lost her virginity to him, so kissing meant nothing to her.

He finally understood everything.

'No wonder her personality is different. I should have guessed this earlier!'

Previously, he thought his MILF lover was angry at him, but he was wrong.

He was utterly wrong because the person he kissed and hugged just now was not his lover but his girlfriend's daughter.

'What is she doing here?'

He believed Xi Ran didn't live with her mother.

'Ah, shit! I forgot about it!'

He forgot that Xi Xingyi had made up with her daughter and her daughter agreed to live together with her again.

Xi Xingyi walked toward them while giggling. "Xiao Tian, did you mistake my daughter for me?"

"Ah, that is..." he felt awkward again, especially when he remembered what he had just done to Xi Ran.

"You have to be careful next time because my daughter lives with me now." Xi Xingyi was pleased when he mistook her daughter for her because there was only one meaning for this.

She was still young in his eyes!

She suddenly felt happy for taking care of her body every day.

"Did you kiss my daughter's lips earlier?" even though she already knew the answer, Xi Xingyi still asked it.

Xi Ran shifted her gaze from her mother to Xiao Tian, waiting for his answer.

"Yes." He was a real man, so he admitted what he had done to Xi Ran. "My love, let's go to the backyard and talk there."

He dragged his MILF lover to the backyard because he wanted to avoid awkward situations.

Xi Ran looked at them before finally sitting on the couch. She did not go to the backyard because she wanted to watch a movie.

'It seems like they will do lewd things in the backyard.'

She then watched a movie.

Kindred Hearts Orphanage, Dali's Bedroom.

Dali was currently lying on his bed. He felt about to burst from rage because Jie refused to go on a date with him.

Three years!

He had been trying to win her heart for three years, but his efforts were in vain.

She always refused to be his girlfriend!

She even refused to go on a date with him.

This was the reason why he was enraged.

'Damn it!'

He gritted his teeth.

'Forget it. I take a nap first.'

He decided to sleep to calm the anger inside him.

Xi Xingyi's House, Family Room.

Xi Ran was currently watching a movie with Leng Nichang. She came to her house shortly after Xiao Tian dragged Xi Xingyi to the backyard.

"So, he mistook you for your mother again?" Leng Nichang was a little surprised after hearing it. "And he also hugged and kissed you?!"

"Yes." Xi Ran responded while still watching a movie.

"So, were you angry at him earlier?" Leng Nichang threw another question.

"We lost our virginity to him, so why should I get angry at him?" Xi Ran knew Xiao Tian did not do it on purpose.

"You are right." Leng Nichang suddenly remembered what they had done in the abandoned house.

'Well, we lost our virginity to him, so it's normal if she is not angry at him.'

She turned her head to watch a movie.

Cao Family's Company, Cao Song's Office.

Cao Song was currently sitting on his office chair. There was a pile of papers on his desk, indicating that he was a busy person.

"So, he refused to meet me, huh?" Cao Song was not annoyed when Dali refused to meet him.

Teng Qigang, who was standing in front of Cao Song, uttered, "Should I meet him again, young master?"

"No. Just order someone to follow him in secret." Cao Song thought it was not a good idea to meet Dali immediately.

Teng Qigang was shocked.

Previously, he thought Cao Song would order him to meet Dali because Dali was quite important in their plans.

"Oh! I found a new idea to get him to help us." Cao Song stated.

"New idea?!" Teng Qigang was shocked. "Can you tell me what it is, young master?"

"You said Dali never had a girlfriend, right?" Cao Song suddenly wanted to use a beautiful woman to get Dali to help them.

"Yes. Do you want to use a beautiful woman, young master?" Teng Qigang could understand Cao Song's intentions after hearing his words.

"Yes." Cao Song took the documents about Dali. "I'm sure it will be easy to seduce him using a beautiful woman."

There was complete information about Dali in the documents. It was stated that Dali had never had a girlfriend before.

Not only that, but he always chased beautiful women before becoming one of the orphanage caretakers.

'Jie has always rejected his love, so it would be easy for us to trap him.'

His lips curled up into a grin.

"Find the right time to meet him again." Cao Song spoke and paused for a second before he continued, "Remember. No matter what happens, don't ever use violence to him."

"Understood, young master." After saying that, Teng Qigang walked out of his office.

Cao Song took the phone from his desk and called his secretary.

"Do you need anything, young master Cao?" Hualing asked after picking up the phone.

"Come to my office now. I want to have sex with you." Cao Song went straight to the point.

"Understood." After hanging up the phone, Hualing headed to Cao Song's office.

Cao Song was already half-naked when Hualing entered his office. Not only that, but his penis was already erect too.

He was currently sitting on the couch, ready to have sex with her. "Lock the door."

After locking the door, Hualing started removing her clothes. And soon, his office was filled with her suppressed wails.

Xi Xingyi's House, Backyard.

Xiao Tian and Xi Xingyi were currently sitting on a wooden bench. She was sitting on his left side with her head on his left shoulder.

"I saw you hugging and kissing my daughter earlier. Hehe." Xi Xingyi giggled after saying that.

The corner of his lips twitched. "That's because you two are like twins."

"Thank you, Xiao Tian." Xi Xingyi kissed his cheeks after hearing his sweet words. "By the way, do you like my daughter?"

Chapter 1440 A Challenge From Xi Xingyi

6-8 minutes

"By the way, do you like my daughter?" Xi Xingyi wanted to know if Xiao Tian liked her daughter or not.

She did not mind if he liked her daughter.

No!

Actually, she hoped he liked her daughter because, with this, they would have the same boyfriend and would not quarrel over a man again.

This was the reason why she behaved normally when she saw him hugging and kissing her daughter earlier.

Of course, she knew how crazy her idea was, but she did not care about it because he met the criteria to be her daughter's lover.

He was taken aback by her question.

He did not expect her to ask a shocking question like that. "Lady Xi Ran is a good woman, but I don't have special feelings for her."

Even though he had already had sex with her, but he still did not have special feelings for Xi Ran because they did it under the influence of an aphrodisiac.

"I see." She could not force him to like her daughter.

'Well, I hope he will become my daughter's lover in the future.'

She added in her mind.

Xiao Tian went to the Red Flower bar after leaving Xi Xingyi's house.

He did not go straight home after leaving Red Flower bar because he traveled to Yun Xin Er's house and Crystal's apartment.

"Hehe." Xiao Tian and Liu Ning chuckled happily.

They were currently watching a movie in her room. After arriving home, he headed to her bedroom because he wanted to spend time with her.

After the movie was over, she spoke, "Tian'er, I'm sleepy. Let's sleep now."

"Un." He was also sleepy, so he agreed instantly.

Liu Ning kissed his cheeks before finally speaking, "Goodnight, Tian'er."

He kissed her forehead. "Goodnight, Ning'er."

They fell asleep shortly after that.

The following morning, he went on a date with his women after having breakfast.

At first, he wanted to spend time with them for the whole day, but he suddenly had an important job, so he went to his company at 01: 30 pm.

Xufang City, Shenro Fountain.

Xiao Tian was currently at Shenro Fountain with Xi Xingyi. He decided to go on a date with her because Lin Xing Xue and the others went shopping.

They were currently sitting in public seating while holding hands. "Hehe."

"Xiao Tian, I have a challenge for you. Do you dare to do it?" Xi Xingyi spoke abruptly.

"Challenge? What is it?" he asked curiously.

"I challenge you to kiss my lips in this place. How is it? Do you dare to do it?" actually, she just wanted to kiss him in all the places they visited because she wanted to make lots of memories with him.

To her surprise, Xiao Tian suddenly made her sit on his lap, facing him.

"Kya." A cute voice came out of her little mouth. "Xiao Tian, you almost gave me a heart attack, you know?"

"Are you sure you want to challenge me to kiss you in this place?" he inquired.

"Yes. How is it? Do you dare to kiss my lips in this place?" she knew how crazy her challenge was, but she did not care about it because, at that time, almost everyone at the Shenro Fountain was a couple.

All guys only cared about their girlfriends, so she was sure no one would pay attention to them.

No!

Even if they saw him kissing her, they would not do anything because it was normal for lovers to kiss each other.

As long as they did not do a passionate kiss, it would be fine.

'I'm excited.'

Actually, there was another reason why she challenged him to kiss her lips in a public place.

It was because she felt young again!

She always felt young whenever she was with him, so she always wanted to do what young couples do.

Of course, Xiao Tian accepted her challenge immediately.

He was a bad boy, not a coward!

And he had done it many times with his other women.

First, it was with Shi Fei. Second, it was with Lin Xing Xue. Third, it was with his aunt and last, it was with his mother.

It could be said he kissed his women in all the places they visited. He did something like that because he wanted to create a beautiful memory with them in many places.

"How is it, my young boyfriend?" Xi Xingyi inquired.

He did not answer her question; instead, he cupped her pretty face and pressed his lips against hers.

Even though Xi Xingyi knew he would accept her challenge, but she still widened her eyes when he pressed his lips against hers.

Xiao Tian did not kiss her passionately because he knew the limit. However, he teased her by kissing her continuously.

Yes, he stopped the kiss, but he immediately kissed her again.

He repeated the same process several times, to the point Xi Xingyi could not hold back anymore.

"Xiao Tian, I want a passionate kiss." She voiced out her feelings.

He smiled softly because this was what he wanted. Without giving her a warning, he rose to his feet.

"Kya!" Xi Xingyi instantly held his shoulders and wrapped her legs around his waist.

'He is really bad boy!'

He often did something surprising, so he was a bad boy in her eyes.

Of course, he was a handsome bad boy. "You are a bad boy!"

"Then this bad boy will find a quiet place to do bad things to you." After saying that, he looked for a quiet place to grant her wish.

"Xiao Tian, how about we do it in your car?" she gave a great idea.

"Do it? Do you mean you want to have sex with me in my car?" of course, he knew what she had in mind.

He said something like that because he wanted to tease her.

Yes, he wanted to tease his MILF lover!

"I mean passionate kiss, not sex." Actually, she did not mind it if he wanted to have sex with her in his car, but she would not say it.

"Parking lot is quite far from here, so I have to refuse." He knew that place very well because he had visited Shenro Fountain many times.

Not long after that, they reached a quiet place. He immediately sat on a wooden bench under a tree.

,m Of course, Xi Xingyi was on his lap. "We can do it here."

To his surprise, Xi Xingyi immediately kissed her passionately. They had a lot of passionate kisses in that place.

"Huft...Huft...Huft..." Xi Xingyi placed her head on his left shoulder as she breathed heavily.

'He is so skilled at deep kissing. It was amazing!'

She said in her head.

"I'm much older than you, so I don't want to lose to you." After saying that, she kissed him passionately again.

However, something unexpected happened when they had a passionate kiss.

Her smartphone suddenly rang!

Xi Xingyi immediately broke the kiss.

"Hello?" she picked up the phone.

Of course, she was still breathing heavily because she had just finished having a deep kiss.

"Alright." After hanging up the phone, she uttered, "Xiao Tian, I have to go to my company now."

"I will send you now." he replied.

To their surprise, they met Jie when they were heading to the parking lot.
