

Illicit 1441

Chapter 1441 I Also Hate Him

"Lady Jie?" Xiao Tian was startled when he saw Jie.

Jie was also shocked. "Xiao Tian, Mrs Xingyi?"

She knew Xi Xingyi because Xi Xingyi was Leng Nichang's boss. Not only that, but Xi Xingyi had helped them several times in the past as well.

"Are you alone?" Xi Xingyi inquired.

"Yes." Jie responded.

Xi Xingyi turned her head to look at Xiao Tian. "Xiao Tian, send her to the orphanage later."

"No. It's fine. I can go home alone." Jie did not want to trouble Xiao Tian, so she immediately refused.

"It's fine." Like usual, he responded as he showed his charming smile.

Jie was stunned by his charming smile.

'How could someone like him exist on this earth?'

She admitted that Xiao Tian was an attractive young man with a beautiful smile.

"It's fine. Let him send you to the orphanage." Xi Xingyi smiled.

"Thank you." Jie responded.

Xiao Tian drove his car to the Kindred Hearts Orphanage after dropping Xi Xingyi at her company.

Kindred Hearts Orphanage, Front Yard.

Xiao Tian and Jie were currently in the front yard of Kindred Hearts Orphanage. He did not leave immediately because he wanted to see the orphans first.

At the same time, Dali saw him with Jie.

'It's him again?!'

He clenched his fist.

He was furious.

He was enraged when he knew that Xiao Tian drove Jie to the orphanage.

'Damn it!'

He loved Jie, so he was angry and jealous when he saw Xiao Tian with Jie.

'Is this the reason why she refused to go with me earlier?'

Previously, he wanted to accompany her, but she refused, saying he should take care of the kids.

Of course, he did not know that they met by chance.

No, he was already blinded by anger, so he could not think straight!

He thought they had promised to meet somewhere.

'I have to teach him a lesson!'

He took his anger out on Xiao Tian because he could not be mad at Jie.

"Thank you for sending me home, Xiao Tian." Jie bowed her head slightly.

"Don't mind it." Xiao Tian responded as he smiled.

"Big brother, come and play with us again if you have free time." The kids said in unison.

"Sure." After saying that, he headed to his car.

'I will bring snacks and drinks when I visit this place again.'

He came empty-handed because he only drove Jie home.

'I suddenly miss my little angel.'

He went straight home because he wanted to spend time with Mu Ai, his little angel.

Dali immediately walked toward Jie after Xiao Tian left.

"Is this the reason why you refused to be accompanied by me earlier?" even though he had tried to hold back his anger, but his voice was still rough.

Jie turned her head to look at him. "I met him by chance earlier."

"Why do I feel like you are lying to me?" of course, he did not believe it because he was already blinded by his anger, so he could not think straight.

Jie looked at him for three seconds before finally entering the orphanage. She did not want to quarrel with him because they were in front of children.

Xiao Tian's Mansion, Backyard.

Xiao Tian was currently spending time in the backyard with Mu Ai. Both of them were happy, to the point that they often laughed together.

"Hehe." They laughed happily.

At the same time, Shi Fei walked toward them with a smile on her face. She was happy when she saw them laughing together like that.

When Mu Ai caught sight of Shi Fei, she immediately said, "Big brother, aunt Fei is wearing bikini again."

He turned his head toward Shi Fei.

Shi Fei placed her lemon juice on the table before lying on the pool lounge chair. "Little brother, am I sexy?"

Before he could answer her question, Mu Ai uttered, "Aunt Fei is a pervert!"

"Haha." Xiao Tian laughed. "Yes, yes. She is a pervert!"

Shi Fei was at a loss for words.

'Little brother, do you have the right to say that?'

He was a pervert king, so she wanted to pinch his cheeks after hearing his remarks.

"Little brother, be honest with me. You like what you see, right?" even though she already knew the answer, she still asked that question.

"I love it!" he gave a thumb up.

"Hehe." Shi Fei giggled. "Did you hear that, little Ai?"

"Big brother is also a pervert!" Mu Ai stated.

"No, no. Big brother is not a pervert." He tried to deny it because he was sitting next to Mu Ai. "Aunt Fei is the pervert one."

Mu Ai said she did not believe his words through her expression.

Xiao Tian turned his head to look at Shi Fei. "My sexy lover, I will punish you tonight!"

"Sure. I'm waiting." Shi Fei accepted it right away because she loved to be punished by him.

Dali strolled around the orphanage with an annoyed face.

He was still angry because Xiao Tian drove Jie to the orphanage earlier. He still couldn't shake off the jealousy in his heart because he loved her so much.

He had been chasing her for three years, so he was blinded by anger when Xiao Tian sent her home.

At this moment, Cao Song's subordinate informed Teng Qigang about what had happened to Dali.

Teng Qigang wasted no time and immediately left his office to meet Dali. This was a good opportunity to manipulate Dali, so he did not want to let the opportunity slip away.

Dali was currently sitting on a wooden bench in the park. He went for a walk to calm himself, but his efforts were in vain.

The anger within him grew bigger every second!

At this moment, Teng Qigang was walking toward him.

'There he is.'

Of course, he would pretend as if they met by chance because he had to hide the fact that his boss ordered someone to follow Dali in secret.

When he was close to Dali, he immediately said, "Hmm? Isn't this Dali? What are you doing here?"

Dali turned his head toward the source of the sound.

'It's him?!'

He knew who Teng Qigang was because he annoyed Jie a few times.

"What are you doing here? Are you trying to bribe me so you can buy our orphanage?" Dali asked in annoyance.

"Hey, don't put on a face like that? Look! I'm not wearing formal suit right now. I'm not working, so I won't ask you to sell the orphanage to me." Teng Qigang hid his intentions. "I came to this park because I wanted to calm myself down."

Dali did not tell Teng Qigang to leave when Teng Qigang suddenly sat next to him. "Calm yourself?"

"Yes." Teng Qigang nodded his head. "My job is so stressful, you know?"

Dali did not say anything and only stared at him.

"I really want to resign from my job since a few months ago. I'm already old, so I want to enjoy my old age." Teng Qigang began to carry out his plan. "Because of my job, many people dislike me. Sigh."

Like before, Dali did not say anything and only stared at him.

Teng Qigang then continued, "Actually, I don't want to make enemy, but My job often makes people dislike me. My boss will yell and angry at me if I fail to carry out his orders. I'm always in a difficult situation because of this."

He was pleased when Dali listened to him seriously because this was what he wanted.

"But lately, there is a young man who always makes me angry." Teng Qigang looked at the sky and sighed. "He is so cruel to me. Sigh."

"A young man? Who is he?" Dali asked curiously.

Teng Qigang's lips curled up into a grin.

'Got you!'

He was pleased when Dali fell into his trap.

"Xiao Tian." Teng Qigang responded, "His name is Xiao Tian. Do you know what he did to me? He humiliated me in front of many people because of my job. He even said I was like a dog."

"Xiao Tian?!" anger stirred within Dali. "I also hate him! I really hate him!"

"Oh?! You also hate him?! What did he do to you?" Teng Qigang pretended as if he knew nothing.

"He is trying to snatch Jie from me." Dali behaved as if Jie was already his lover.

"As I thought, he is indeed a bad young man!" Teng Qigang spoke, "Dali, how about we teach him a lesson together?"

Chapter 1442 Meeting Dali

7-8 minutes

Dali was taken aback by Teng Qigang's words.

'Beat Xiao Tian together?!'

He did not answer his question immediately because he was still in a state of shock.

"So, how is it? Do you want to teach him a lesson together with me?" Teng Qigang repeated his question.

"But he is from an upper-class family. It will be hard to teach him a lesson." Previously, Dali searched for information about Xiao Tian.

"Don't worry about it. I will ask my boss to help us." Teng Qigang also knew that Xiao Tian was from an upper-class family.

"Your boss?" Dali was unhappy after hearing his remarks.

"Yes. My boss, young master Cao Song. I saved his life once in the past, so he said he would grant any of my requests once." of course, Teng Qigang was lying because he just wanted to get Dali to meet Cao Song.

"I...will think about this." Dali could not give the answer immediately because it would be dangerous if the other orphanage caretakers found out that he agreed to cooperate with Teng Qigang.

"Sure. Think about it carefully." After saying that, Teng Qigang rose to his feet. "I will go for walk now. It will be bad for you if someone see us."

He pretended to care about Dali's reputation because he wanted to win Dali's heart slowly.

Dali did not say anything and only nodded his head.

'He is not as bad as we thought.'

He then went to the orphanage.

Xiao Tian's Mansion, Shi Fei's Bedroom.

Xiao Tian was currently having sex with Shi Fei in doggy style. He decided to punish her after eating dinner together.

Of course, Shi Fei accepted the punishment gladly because she loved being punished by Xiao Tian in bed.

"Ah...Ah...Ah..." She cried out in delight.

Xiao Tian felt like she was singing when her wails entered his ears.

He liked it.

He loved it when his women enjoyed having sex with him.

Xiao Tian grabbed Shi Fei's slender hips and moved his waist faster because he wanted to hear her wails more.

"Ah...Ah...Ah..." Shi Fei suddenly widened her eyes when Xiao Tian thrust his left index finger into her ass hole. "Hiii..."

She was startled, but she liked it.

She loved it when he fucked her pussy with his huge penis and played with her ass hole using his fingers.

"Ah...Ah...Ah..." Liu Ning and the others were in the backyard, so Shi Fei did not hold back her cries.

When he paid attention to her cute ass hole, a desire to fuck her butt hole suddenly arose within him.

It had been quite a while since the last time they had anal sex, so the desire within him grew bigger every second.

"Ah...Ah...Hmm..." Shi Fei was startled when he suddenly pulled his cock out of her vagina.

'Is he going to thrust his cock into my ass hole now?'

She suddenly suspected he wanted to have anal sex because he kept playing with her butt hole.

And what she had guessed was right because Xiao Tian thrust his huge penis into her ass hole.

"Hiii..." Shi Fei gritted her teeth and tilted her head back when he thrust his cock into her ass hole.

Of course, she did not stop him because she also loved anal sex. Be it anal sex or normal sex, she enjoyed both of them.

"Ohh..." he groaned because it had been quite a while since he felt her fantastic ass hole again. "I miss your ass hole, Fei."

"Yes. My ass hole also misses your huge penis, little brother...Ah...Ah..." she moaned as she responded.

Like before, he moved his waist fast, enjoying her ass hole.

'Her ass hole is as amazing as ever.'

He felt like he was under magic when he saw her sexy body while fucking her amazing ass hole.

"Ah...Ah...Ah..." Shi Fei's head was already on the pillow because her hands could no longer support her.

'Ah...Ah... I'm about to have an orgasm again.'

She moaned continuously.

Maybe because her ass hole was amazing or perhaps because they had not had anal sex for a while, but at that time, he reached his limit faster than usual.

"Fei, I'm cumming..." he moved his waist faster before letting out his sperm deep inside her ass hole.

"I'm cumming...." Shi Fei also had an orgasm when she felt his sperm deep inside her ass hole.

"Huft...Huft...Huft..." both of them breathed heavily.

He pulled his penis out of her ass hole before finally lying next to her. "It was amazing, Fei."

"Yes. Amazing!" her body was still weak, so she was still in the same position.

He smiled softly when he saw her fascinating expression.

"Come here and sleep in my arms." Shi Fei did nothing when he placed her on top of him.

"Good night, my sexy lover." After saying that, he grabbed the blanket and covered their bodies.

Shi Fei immediately shut her eyes.

Her body was still weak, and she was satisfied, so she decided to sleep.

The following morning, Xiao Tian went straight to his Star Group after having breakfast with his women.

He wasted no time and immediately worked because his desk was full of documents.

When it was lunch time, he went to Crystal's apartment to have lunch with her.

As Xiao Tian was eating lunch with Crystal, Dali chatted with Teng Qigang and Cao Song at Su café.

Previously, Cao Song and Teng Qigang met Dali when he was strolling around Su café. Of course, it was no coincidence because they ordered someone to follow him in secret.

Teng Qigang, who was sitting on the opposite side of Dali, uttered, "Let me introduce him to you. He is my boss, Cao Song."

Dali had never met Cao Song before, so he introduced him to Dali.

Cao Song, who was sitting on Teng Qigang's right side, smiled softly. "Hi, I'm Cao Song."

"I'm Dali." Dali was startled when he saw Cao Song's behavior because previously, he thought Cao Song would act arrogantly like many wealthy young masters. "So, why do you want to talk to me? Do you want to talk about Kindred Hearts Orphanage?"

"No, no." Cao Song lied to Dali. "Actually, Qigang asked for my help earlier. He said both of you had the same enemy, so we decided to meet you."

Dali shifted his gaze from Cao Song to Teng Qigang.

'Ah, so it's about Xiao Tian, huh? I thought he would talk about our orphanage.'

Xiao Tian was also Teng Qigang's enemy, so he believed Cao Song was talking about Xiao Tian.

"I heard Xiao Tian had a close relationship with your crush. Is that true?" Cao Song tried to make Dali filled with anger because, with this, he would not be able to think clearly later.

"Yes." A wave of anger suddenly appeared within him when Dali remembered Xiao Tian.

"I know someone who can beat Xiao Tian to death." Cao Song began to carry out his plans. "If you want, I can pay him to beat Xiao Tian later."

"Really?" Dali inquired.

"Yes." Cao Song responded, "But I want you to help me in return."

"Is it related to Kindred Hearts Orphanage?" Dali asked curiously.

"Yes." Cao Song gave an honest answer. "So, do you want to hear my condition?"

Chapter 1443 Dali, Watch Your Words!

6-8 minutes

'I should have guessed this!'

Dali refused to accept help from Cao Song because he did not want to make Jie sad. Even though he was disappointed with her, but he still loved her.

"That person is a martial arts expert, and I have to pay him dearly, so I can't help you for free." Cao Song spoke and paused for a second before he continued, "I can help Qigang because I owe him a favor, but I don't owe you anything, so I want something in return."

Dali rose to his feet and was about to leave.

However, Teng Qigang suddenly grabbed his right hand. "Why don't you hear his condition first?"

"I only want you to help me once. Whatever the outcome, I won't bother you anymore after this. I will also keep everything a secret so that your reputation won't be ruined." Cao Song tried his best to get Dali to agree to help him.

"Dali, you don't need to worry because no one will know about this later." Teng Qigang added. "No one will be suspicious of you."

"What is your plan?" Dali asked curiously.

"It's like this...." Cao Song gave a short explanation of his plans.

"I will think about it." After saying that, Dali left.

Teng Qigang turned his head to look at his young master. "Young master, are you sure you don't want to stop him? What if he told someone about your plans?"

"Don't worry. He won't tell anyone about my plans." Cao Song said confidently. "And it looks like we need a beautiful woman to make our plans go more smoothly."

"Who should we use later, young master?" Teng Qigang inquired.

"We will use Hualing." Cao Song believed Hualing could seduce Dali easily because she was a gorgeous young lady.

"Hualing?" Teng Qigang said in surprise.

He did not expect him to use his beautiful secretary to seduce Dali.

"Why? Are you jealous of him?" Cao Song asked after seeing Teng Qigang's expression.

"But isn't she your favorite toy? Are you sure you want to use her?" actually, Teng Qigang was jealous when he knew that Hualing would sleep with Dali later.

He did not deny that he also dreamed of sleeping with her because Hualing was a beautiful young woman.

"Qigang, do you want to sleep with her too?" Cao Song threw another question.

"No, no." Teng Qigang lied to Cao Song because he was afraid that his boss would be angry if he told the truth.

"You don't need to lie to me. If you want, I can let you have sex with her later." Hualing was his toy, so Cao Song did not care about her.

He was from an upper-class family, so it was easy for him to get another toy. He even believed he could get a woman prettier than Hualing.

"Really?" Teng Qigang's eyes shone brightly.

He forgot to control himself after hearing his boss' words because he wanted to have sex with Hualing so badly.

"I will let you have sex with her after you can buy that orphanage." Cao Song responded, "I even will let you sleep with a woman prettier than her in the future."

"I will follow you forever, young master Cao." Teng Qigang was pleased because he loved beautiful women.

"Haha." Cao Song laughed. "Alright, let's return to the company now."

Kindred Hearts Orphanage, Dali's Bedroom.

Dali was currently lying on the bed, thinking about Cao Song's offer.

'Should I accept it?'

He wanted to beat Xiao Tian to death, but at the same time, he did not want to help Cao Song to get their orphanage because it would make Jie sad and hate him.

'Jie, why can't you just accept my love?'

He really loved Jie to the point that he could not control his emotion whenever he saw her with another man.

'I will check the kids now.'

With that idea in mind, he got out of bed and headed to the front yard.

At the same time, Xiao Tian was chatting with Xing Ranqing and Zhao Sheng at a famous café.

"Damn you, Xiao Tian!" Zhao Sheng cursed venomously. "You are more famous than me now. Damn it!"

"And I'm richer than you too." Xiao Tian laughed happily.

"Bro Zhao, it seems like bro Xiao is better than you." Xing Ranqing spoke abruptly.

"Damn right!" Xiao Tian agreed instantly.

"What are you saying, wild girl? It's because my family always get in my way." Zhao Sheng blamed his family for everything. "I would have become much richer and more famous than him if my family did not get in my way. Damn!"

"Then go home and scold your family." Xing Ranqing gave a bad idea.

"Do you want me to die?" Zhao Sheng believed his grandpa would kill him if he did something crazy like that.

"Haha." Xiao Tian and Xing Ranqing laughed.

The trio chatted about many things. Not long after that, they left.

'Should I go to Red Flower bar?'

He suddenly desired to spend time with Lan Ruoxi.

To his surprise, he saw Jie sitting on a public seating, rubbing her right ankle.

'Isn't she Jie?'

He immediately slowed down his car.

Jie stopped rubbing her right ankle when a Lamborghini suddenly stopped in front of her.

'A luxurious car? Is it Mrs. Xi Xingyi?'

She suddenly thought the owner of that Lamborghini was Xi Xingyi because she was rich.

'Xiao Tian?'

She was startled when she saw an attractive young man getting out of a luxurious car and walking toward her.

'Ah, right. He is also rich.'

She forgot that Xiao Tian was also rich like Xi Xingyi, so it was normal if he had a Lamborghini.

When Xiao Tian was in front of her, he inquired, "What's wrong? Did you sprain your right ankle?"

"Yes. I didn't pay attention to the road earlier." Jie gave an honest answer.

He squatted down in front of her before checking her right ankle. "It's quite serious. Let's go to the hospital to treat it."

"It's fine." She did not want to trouble him, so she refused.

"Lady Jie, you are lady Leng's friend, so you are also my friend. As your friend, I don't want to see you hurt like this, so let me help you." Xiao Tian was not trying to seduce her, but he really wanted to help her because she was Leng Nichang's friend.

"Alright." Jie accepted the offer.

Xiao Tian carried her in a princess style because she could not walk properly. He immediately sent her to the orphanage after treating her right ankle.

"Be careful." Xiao Tan helped Jie walk.

Jie walked with the help of crutches because she sprained her right ankle.

"Jie, what happened to you?!" Dali rushed toward her when he saw her walking with the help of crutches.

Xiao Tian and Jie turned their heads toward him.

"Xiao Tian, what did you do to her?" Dali asked angrily because he thought Xiao Tian was the one who injured her.

"Dali, watch your words!" Jie was angry. "He was the one who helped me."

Dali gritted his teeth because she defended Xiao Tian.

'Damn it!'

She only knew Xiao Tian for a few days, but she already chose Xiao Tian over him.

'Fuck this Xiao Tian! I have to beat him to death!'

Chapter 1444 Why?

7-8 minutes

Dali looked at Xiao Tian with an annoyed face.

He was worried about her, but here, she defended Xiao Tian and yelled at him.

'Why does she always protect him? Do they have a special relationship?'

He clenched his fists as he stared at Xiao Tian.

Xiao Tian ignored Dali because, in his eyes, Dali was not important. He was only a side character.

After sitting on the couch, Jie smiled softly. "Thank you, Xiao Tian."

Dali was breathless with anger.

He was even more certain that they had a special relationship because Jie treated Xiao Tian special.

"Then I will return to my company now." after saying that, Xiao Tian left.

"Jie, what is your relationship with him?" Dali started interrogating her because he wanted to know about her relationship with Xiao Tian.

Jie turned her head to look at Dali.

'He is jealous again!'

She knew what he had in mind because it was written on his face.

Actually, this was one of the reasons why she never accepted his love because he was always angry and jealous whenever she was with another man.

They were not lovers, yet he had already behaved as if she was his girlfriend. She did not want to imagine what he would do if she agreed to be his lover.

Dali was unhappy when Jie only stared at him without answering his question. "Why are not you answering my question? What is your relationship with him?"

"It's none of your business!" Jie started to get angry. "We are not lovers, so I have no obligation to explain everything to you."

"Tch!" He did not hide his annoyed face. "You have only known him for a few days, but you have treated him special, while we have known each other for a long time, yet you have never treated me the way you treated him."

"Why? Is it because he is handsome? Or is it because he is rich?" he smoldered with resentment.

"Dali, watch your words!" Jie raised her voice. "I never treat him special. I treat him like the way I treat you."

"Lies!" Dali raised his voice too. "You treat him better. Why? Why?"

At this moment, the other orphanage caretakers and Jie's mother came to the living room.

"What's going on? Why are you screaming like that? Have you forgotten that they are kids here?" Jie's mother was unhappy with their behavior.

Dali gritted his teeth before heading to his bedroom. He could not scold Jie anymore because her mother and the other caretakers were in the living room.

Jie's mother sat on the sofa and inquired, "Jie, what's going on?"

"It's like this...." Jie began explaining everything.

"Sigh." Jie's mother sighed. "Alright, alright. You go to your room now."

"Alright." Jie nodded her head.

The next day at 08:30 am, Xiao Tian went to Du café to meet Xing Ranqing.

To his surprise, he saw Leng Nichang drinking lemon juice alone. He wasted no time and walked toward her.

"I didn't expect to meet you in this place, lady Leng." he uttered.

Leng Nichang was startled when she saw him.

Of course, she did not show it on her face and only smiled. "Yes. I just met my business partner. What are you doing here?"

"Ranqing and I decided to meet in this place." He gave an honest answer. "I'm waiting for her now."

"I see. Why don't you chat with me while waiting for her to come?" she thought it was better to sit down with him because, with this, she had someone to talk to.

"Sure." He sat on the opposite side of her.

Not long after that, Xing Ranqing arrived at Du café. She was startled when she saw Leng Nichang because she thought he would only hang out with Xiao Tian.

The trio talked for about forty minutes before finally going to the Kindred Hearts Orphanage.

Kindred Hearts Orphanage, Front Yard.

Xiao Tian, Xing Ranqing and Leng Nichang were currently in the front yard of the Kindred Hearts Orphanage.

The orphans immediately surrounded them when they caught sight of them.

They were happy when they saw Xiao Tian and the others. The smile on their faces grew bigger when Xiao Tian gave them many snacks and drinks.

Leng Nichang's face turned worried when she saw Jie's condition. "Big sister Jie, you should rest more."

"It's fine." Even though Jie's condition had improved, she was still using a crutch.

After talking with Jie for a few minutes, Leng Nichang spent time with Xiao Tian. They were currently sitting on the swings, chatting happily.

Xing Ranqing was playing with orphans not far from them. She did not chat with them because she wanted to play with orphans.

"It seems like she really likes playing with orphans." Leng Nichang suddenly wanted to play with orphans too.

However, something unexpected happened when she walked toward them.

She slipped!

"Lady Lan!" he rushed toward them.

Because the distance between them was close, he was able to catch her before she fell to the ground.

His right hand was on her slender waist while his other hand was holding hers. Their position was romantic, like a scene on TV.

Something like this had happened a few times to him. The last time was when he helped Xi Ran from two delinquents.

"Nice move, bro!" Xing Ranqing, who saw them, gave a thumb up.

Xiao Tian immediately pulled her up.

Leng Nichang behaved normally because he only wanted to save her. She would have fallen to the ground if he had not caught her.

"Big sister Nichang, are you and big brother a couple?" one of the orphans asked innocently.

Xiao Tian and Leng Nichang were startled.

Before Leng Nichang could answer his question, Xing Ranqing uttered, "She is not his girlfriend for now, but she will be his lover in the future."

The corner of his lips twitched.

Dali, who was sitting next to Jie, uttered, "Jie, look at him! He is a playboy! As I thought, he is not a good young man."

He decided to speak ill of Xiao Tian because, in his view, it was a good opportunity to ruin Xiao Tian's reputation.

However, his words disappointed Jie. "Why are you saying something like that? Nichang would have fallen to the ground if he had not caught her. He is a good person, but bad person."

Dali clenched his fist.

'Damn it!'

He was furious because she defended Xiao Tian again.

When Xiao Tian and Leng Nichang chatted with Jie, Jie's face was full of smiles. She was happy because chatting with them was enjoyable.

Dali was blinded by anger again.

'Fuck!'

He rose to his feet and entered the orphanage because he did not want to see Xiao Tian.

No!

He did not want to see Jie's happy face when she talked with them.

At this moment, he suddenly wanted to accept Cao Song's offer because he had no money to pay someone to beat Xiao Tian.

'I'm going for a walk to cool off.'

With that idea in mind, he went out to calm himself.

At the same time, Cao Song's subordinate, who always followed Dali in secret, informed Cao Song.

Cao Song thought it was a good opportunity to trap Dali, so he left his office with his beautiful secretary to meet Dali.

Chapter 1445 Seducing Dali

7-8 minutes

Li Café, Private Room.

Dali was currently with Cao Song and Hualing in a private room of Li café. Previously, they met Dali when he was strolling around the Li café.

Of course, they met not by chance because Cao Song knew where Dali was from his subordinate.

And there was a reason why he came with Hualing this time.

He wanted to carry out his next plan!

And his next plan was to get Hualing to seduce Dali.

This was the reason why Hualing wore sexy outfits.

Even though her boss told her to seduce Dali and have sex with him, Hualing agreed immediately because her boss would reward her later.

Limited edition bag!

Yes, her boss would give her limited edition bag!

Hualing had already had sex with many men before, so she was fine with Cao Song's crazy idea.

At this moment, Cao Song and Hualing were sitting on the opposite side of Dali. They did this because they wanted Dali to see Hualing's sexy body.

Dali loved beautiful women and always chased them before becoming one of Kindred Hearts Orphanage's caretakers, so it was not hard to seduce him.

And Hualing was a beautiful young lady, so it was normal if he could not take his eyes off her nice body.

'She is so beautiful and sexy.'

Dali stole glances at Hualing's body many times.

Hualing wore a short black skirt, and she also unbuttoned three of her white blouses.

Of course, Cao Song and Hualing knew what he was doing, but they pretended as if they knew nothing.

"Dali, what's wrong? Why are you wearing an annoyed face like that?" Cao Song inquired.

Dali stole a glance at Hualing's body before replying. "It's because of Xiao Tian!"

"Xiao Tian again?!" Cao Song pretended to be shocked. "Is he causing trouble for you again? Or did he come to your orphanage and try to seduce your crush?"

"Yes. He is seducing Jie again. He is still in our orphanage now." Dali responded, "He is a bad person, but why does everyone think otherwise? Jie even keeps defending him. This makes me furious."

Cao Song's lips curled up into a grin. "Why don't you accept my offer? Qigang doesn't make a move on Xiao Tian because he is waiting for your cooperation."

Hualing rose to her feet and sat next to Dali. "That's right, mr. Dali. Just accept young master Chao's offer."

She grabbed his right arm and pressed it against her big, soft breasts. She had agreed to help her boss, so she decided to seduce Dali immediately.

Dali turned his head to look at her pretty face when he felt the softness of her breasts.

*Gulp

He could not help but gulp his saliva when he saw her sexy cleavage.

Hualing unbuttoned three of her white blouses, and she was next to him, so he could see her cleavage clearly.

"Hey Hualing, what are you doing?" Cao Song inquired. "Are you interested in him?"

She stopped hugging Dali's right arm. "I'm sorry, young master Chao. Mr. Dali is my ideal man, so I can't control myself."

Of course, she was lying because Dali was not her type at all. Dali was fat, had no money, and was not handsome.

She would not want to talk to him if it were not for Cao Song's plans because she only loved rich men.

This was the reason why she became Cao Song's toy because he was from a rich family and always gave her what she wanted.

Dali felt a glimmer of happiness after hearing her words.

'Her ideal man?!'

He felt like his feet barely touched the ground.

Hualing was prettier than Jie, so he was delighted after hearing her words. Of course, he would still choose Jie because he loved her.

However, he would be happy if he could have sex with her once. "Miss Hualing, you can call me Dali. You don't need to speak formally too."

"Alright." Hualing agreed instantly. "You can call me Hualing. Let's speak comfortably."

Cao Song's lips curled up into a grin.

'Everything is going according to my plan.'

He believed Dali would help them later.

Hualing placed Dali's right hand on her thighs before finally speaking, "Dali, you are my ideal man. Even though you already have someone in your heart, but I'm fine with it. I just want to have special relationship with you. Don't worry. I won't cause trouble for you later."

*Thump-thump

Dali's heart beat fast.

It had been a long time since he felt the softness of a woman's body again.

'Her thighs are soft and flawless.'

Even though he was not a virgin, he still got aroused easily when he felt the softness of her thighs because he lost his virginity to a prostitute.

Yes, he paid a prostitute in the past because he wanted to have sex so badly!

He had two ex-girlfriends, but they had never had sex before because he was too innocent at that time.

At this moment, Cao Song's smartphone suddenly rang.

"Hello?" he picked up the phone.

Actually, the one who called him was Teng Qigang. Dali would be suspicious if he suddenly left, so he ordered Teng Qigang to call him.

"Alright." After hanging up the phone, Cao Song rose to his feet. "Dali, my business partner wants to discuss our project with me now. He is in this café too. I have to go see him first. You can talk with my secretary now."

"Alright." Even though he did not show it on his face, Dali was pleased because, with this, he could spend time with Hualing alone in a private room.

He was already blinded by his lust, so he could not think straight. He did not know that he had fallen into their trap.

After Cao Song left, Hualing returned her attention to Dali and spoke, "Dali, we are alone now."

Dali's heart beat even faster.

It was as if she gave him a green signal through her words.

'Does she want to do adult things with me in this place?'

He was not Xiao Tian, so he still had not made a move on her.

He even could not move his right hand.

No!

It was not because he could not move his right hand but because he was nervous.

His right hand was still on her soft and flawless thighs, but he did not rub her soft thighs because he still could not overcome his nervousness.

"Why do I feel a little hot?" after saying that, she unbuttoned one of her white blouses.

Now her sexy blue bra was visible to his eyes. Of course, she did not care about it because this was what she wanted.

She had to have sex with him, so she began showing her sexy cleavage. She had beautiful breasts, so she believed she could seduce him using her sexy cleavage easily.

His heart beat even faster to the point that he could hear his heartbeat.

'She is seducing me. Yes. She is seducing me.'

His right hand trembled.

At this moment, the flames of lust had consumed his body.

"Hualing!" he pushed her onto the couch.

He could not hold back his lust anymore because she was so attractive.

"Kya! Dali, what are you doing? Bad boy!" she let out a cute voice.

'Got you!'

She added in her mind.

Chapter 1446 I Can Lend You My Boyfriend If You Want

7-8 minutes

Li Café, VIP Room.

Cao Song was currently sitting on the couch and watching Dali and Hualing through his laptop.

He was not alone because Teng Qigang and two attractive ladies were with him.

Previously, they placed a camera in Dali's private room because they wanted to record what he was going to do to Hualing and use it as a backup plan.

They had bribed the employees before, so he was allowed to do that. Of course, the owner of this café was not the influential and famous Li family.

Unlike the Xiao family, there were many Li families in Shanghai. The owner of this café was a family from a high middle-class family.

"Haha." Cao Song laughed happily when he saw what Dali was doing to Hualing. "He has become a wild beast! As I thought, she can seduce him easily!"

Teng Qigang, who sat next to him, nodded his head. "It seems like our plans will go smoothly, young master."

"Of course!" after saying that, Cao Song kissed the attractive young woman on his left side passionately and squeezed her breasts.

"Kya!" the young woman hit his chest gently. "Young master Cao is a bad boy!"

She was Nuan, one of Cao Song's toys. Previously, he called her and told her to come to the Li café because he also wanted to do adult things in the café.

Nuan did not come alone because her friend, Shufen, also came with her.

Of course, Shufen knew what they would do in a private room, but she was fine with this because Nuan said they would get a lot of money later.

Like Hualing, they had already had sex with many men. As long as they could get a lot of money, they were even willing to have sex with an old man like Teng Qigang.

In their eyes, money was everything, so they would do anything for money.

"He has been controlled by his lust!" Teng Qigang said as he saw Dali through the laptop.

'What a lucky bastard!'

He added in his mind.

At the same time, Dali was having sex with Hualing in the VIP room next to them.

"Ah...Ah...Ah..." Hualing's wails reverberated in a private room.

She was currently bending over in front of a couch half naked. Her long arms were on the sofa, and her black skirt was lifted to her waist.

Behind her, Dali was grabbing her slender waist while thrusting his penis in and out of her wet vagina.

Like Hualing, he was also half naked. His blue jeans were on the floor while his jacket was on the sofa.

He kept looking at his penis, which was continuously in and out of Hualing's pussy. Actually, he still could not believe what he was doing with Hualing.

Previously, he went for a walk to cool off, but he did not expect that he would have sex with a young woman in a private room.

Not only that, but his partner was also beautiful. This was the reason why he felt like he was dreaming.

'I'm having sex with a gorgeous lady in a private room.'

He had only had sex with prostitutes before, so having sex with a woman other than prostitutes made him happy.

'Her pussy is tighter than those bitches. It feels amazing!'

His face turned lewder when he saw her soft ass.

"Ah...Ah...Ah..." Hualing kept moaning.

At the same time, Nuan was having sex with Cao Song in a lap dance sex position while Shufen was having sex with Teng Qigang in a standing sex position.

"Ha...Ha...Ha..." Shufen and Nuan cried out in delight.

And the private room was filled with their suppressed cries.

Xi Xingyi's House, Backyard.

Xiao Tian was currently with Xi Xingyi in the backyard. He went straight to her house after leaving the Kindred Hearts Orphanage.

At first, he wanted to spend time with Yun Xin Er, but she was busy, so he decided to go to Xi Xingyi's house.

"I see. So, you went to the Kindred Hearts Orphanage with Xing Ranqing and Leng Nichang, huh?" Xi Xingyi was currently standing next to the swimming pool.

She was wearing a bikini because she was about to swim when Xiao Tian suddenly arrived at her house.

Xiao Tian, who was sitting on a long wooden chair, responded, "Yes. We spent time with orphans for two hours earlier."

Xi Xingyi walked toward him before finally sitting on his lap, facing him. "It seems like Nichang will become my sister later."

When Xiao Tian was about to say something, she cupped his handsome face and kissed him passionately.

Actually, he had guessed something like this would happen after she sat on his lap because she loved doing adult things now.

As they were having a deep kiss, he wrapped his arms around his slender waist.

'I suddenly want to have sex with this MILF.'

But even so, he suppressed his lust.

After stopping the kiss, she touched his nose and lips.

'Hmm?'

Her lips curled up into a smile when she noticed his bulge.

'I will make him hornier.'

With that idea in mind, she kissed him passionately again.

As they were drowning in their kiss, Xi Ran walked toward them.

'Hmm?'

She did not stop them when she saw what they were doing.

'They are doing adult things again!'

Since they returned from their vacation, her mother had become lewder and braver.

'It's true that I have seen them having sex before, but don't they do adult things too much?'

She saw her mother having sex with Xiao Tian when they were on vacation.

Not only that, but she also saw her mother come out of his room wearing sexy lingerie before.

Xi Ran kept walking and pretended as if she did not see anything. Her mother was already old, so she would let her mother do whatever she wanted.

Xi Xingyi stopped the kiss when she noticed her daughter. "Ran, you had woken up from your nap?"

Xi Ran lay on the pool lounge chair not far from them. "Yes. Mother, why do you always do adult things whenever you are with him?"

"Ran, I'm no longer young, so you should understand me." Xi Xingyi responded, "And we are lovers, so it's normal to do it. Do you want to do adult things with him too? I can lend you my boyfriend if you want."

The corner of his lips twitched.

'Xi, I'm not an item. I'm your boyfriend!'

He really wanted to punish his MILF lover, but he could not do it immediately because Xi Ran was next to them.

Even though Xi Ran was taken aback by her mother's question, but she did not show it on her pretty face.

She also did not answer her mother's question and immediately shut her eyes, enjoying the atmosphere in the backyard.

Xi Xingyi returned her attention to her young boyfriend. "My daughter refused to do adult things with you, Xiao Tian. But don't be sad because you can do it with me again."

Xiao Tian glanced at Xi Ran when Xi Xingyi kissed him passionately again.

'My MILF lover has become lewder.'

Because Xi Ran was closing her eyes, he started moving his tongue lewdly, looking for Xi Xingyi's tongue.

At the same time, Leng Nichang appeared in the backyard.

She was shocked when she saw what was going on. "I didn't expect to see an interesting thing in this place."

Chapter 1447 Shall We Have A Deep Kiss Now?

6-8 minutes

'Hmnm? They are having a passionate kiss in the backyard?'

Leng Nichang found it hard to believe what she was seeing.

When the maid said they were in the backyard, she thought Xiao Tian was chatting with Xi Xingyi and Xi Ran, but she was wrong.

She was utterly wrong because he had a passionate kiss with his MILF lover next to the swimming pool.

But what surprised her most was that they had a deep kiss not far from Xi Ran, Xi Xingyi's daughter.

Something like this had never happened before!

Sure, many things had happened during their vacation, and they already knew what Xiao Tian and Xi Xingyi had been doing all along.

But she did not expect their courage to be so much higher than she thought. It was so high to the point that she was at a loss for words.

'Ran, do you know what they are doing next to you? Are you closing your eyes on purpose?'

She shifted her gaze from the lewd couple to Xi Ran.

Xi Xingyi broke the kiss when she noticed Leng Nichang. "Nichang? Did you come to meet my daughter?"

She knew Leng Nichang saw what they had just done, but she did not try to explain everything as if it was normal for them to kiss passionately.

Xi Ran opened her eyes and looked at Leng Nichang after hearing her mother's words.

"Yes. I came to meet Ran." After saying that, Leng Nichang lay on the pool lounge chair next to Xi Ran.

"Then you can talk with my daughter now." like before, Xi Xingyi kissed her young boyfriend passionately again.

She behaved as if her daughter and Leng Nichang were air.

No!

She behaved as if they were Xiao Tian's girlfriends.

This was the reason why she did not stop kissing her lover.

Leng Nichang was shocked again.

'What?! They are doing it again?! Are we invisible in their eyes?'

Previously, she thought they would stop, but she was wrong.

She turned her head to look at Xi Ran and said in a low voice. "Ran, they are having a passionate kiss again."

"They have been doing it since a few minutes ago." Xi Ran behaved normally.

"Don't you want to stop them? They are doing it next to us, you know?" like before, Leng Nichang kept stealing glances at Xiao Tian and Xi Xingyi.

"Let them be." Xi Ran did not care about it. "My mother is already old, so let her do whatever she wants."

Xi Ran did not lower her voice, so her mother could hear her remarks. "Ran, I'm not old. I'm still young. A lot of people also think I'm in my twenties, you know?"

Xi Ran looked at her mother before finally closing her eyes. She did not want to discuss it, so she ignored her mother.

Xi Xingyi shifted her gaze from her daughter to Leng Nichang. "Nichang, do you want to have a passionate kiss with my young lover? I'm fine if you want to."

Black lines formed on his forehead.

'There we go again!'

Now he had two girlfriends who always wanted to set him up with other women.

Did he hate it?

Of course, not!

"Are you sure madam Xi? Are you sure you won't get jealous later?" at this moment, Leng Nichang was only joking around.

However, her joke backfired on her because Xi Xingyi suddenly slid from Xiao Tian's lap and dragged her to him.

The expression of deep shock blossomed on Leng Nichang's face when Xi Xingyi made her sit on Xiao Tian's lap.

Leng Nichang was wearing jeans, so she could sit on his lap without any problem.

'I underestimated Madam Xi's courage!'

She did not expect Xi Xingyi to take her joke seriously.

Xi Ran opened her eyes.

'Hmm?'

Even though she did not say anything, she was shocked when she saw Leng Nichang sitting on Xiao Tian's lap.

'My mother is really something!'

Of course, she knew what her mother did to Leng Nichang just now.

Xi Xingyi lay on a pool lounge chair next to her daughter. "Having a passionate kiss with him made me thirsty. You can take my place now."

After saying that, she took her lemon juice and drank it. Previously, she brought lemon juice for her and Xiao Tian, but she had no chance to drink it.

At this moment, Xiao Tian and Leng Nichang were looking at each other in the eyes. His hands were on her slender waist while her hands were on his shoulders.

Even though both of them felt a little awkward, they did not show it on their faces because they had to maintain their image.

Yes, he had to maintain his image as a playboy while she had to maintain her image as someone who often teased him.

"Why are you only looking at each other?" Xi Xingyi inquired, "Hurry up and do it."

Xi Ran no longer closed her eyes. She kept looking at them because she wanted to know whether they would really have a passionate kiss or not.

Of course, she would not stop them because she and Leng Nichang had lost their virginity to him.

Compared to virginity, a passionate kiss was nothing. This was the reason why she only stared at them without saying a single word.

In order to hide her nervousness, Leng Nichang teased him again. "Shall we have a deep kiss now?"

Green light!

Even though he knew she was only joking around, but he was a bad boy.

He was a bad boy who always took advantage of the situation, so of course, he would not let the opportunity to kiss a gorgeous lady slip away.

'Blame yourself for teasing me at a time like this.'

With that idea in mind, he pressed his lips against hers.

Leng Nichang was startled.

She widened her eyes when he pressed his lips against hers.

This was not like what she had imagined.

'I forgot about his personality. I made a huge mistake.'

When they were on vacation, he also took advantage of the situation.

Xi Xingyi did not say anything and kept drinking her lemon juice when she saw her young boyfriend kissing her subordinate.

Like her mother, Xi Ran also did not say anything and kept looking at them.

'He is indeed a bad boy!'

She looked at her mother before finally returning her attention to Xiao Tian and Leng Nichang again.

At this moment, Leng Nichang still had not opened her mouth.

She was still in a state of shock. Sure, they had already had sex before, but they had never had a passionate kiss before.

She could not blame him or get angry at him because she had teased him earlier.

'Should I open my mouth?'

She glanced at Xi Xingyi and Xi Ran.

She did not know what was going on or what had happened to her.

Maybe because Xi Xingyi always praised his skills at deep kissing, or perhaps because she was curious about his skills, but at that time, she slowly opened her little mouth, giving his tongue a way to enter her mouth.

Xiao Tian wasted no time and immediately put his tongue into her mouth.

Xi Xingyi giggled. "Hehe."

'It seems like my subordinate will become my sister later.'

She added in her mind.

Chapter 1448 Madam Xi Is Right

6-8 minutes

Two young people were having a passionate kiss in a huge backyard. Even though they were not alone, but they behaved as if no one was around them.

No!

They did not stop kissing passionately because the flames of lust had consumed their bodies.

The flames of lust within them had caused them not to care about anything but kissing.

This was the reason why they ignored people around them because what they had in mind was only one thing.

Kiss!

Yes, they only thought about a deep kiss.

They only wanted to have a hot kiss because it gave them immense pleasure.

They only wanted to have a passionate kiss because they felt like they were eating the most delicious food in the world.

And they only wanted to have a deep kiss because they felt as if their souls were dancing in a beautiful garden.

Even though it was their first passionate kiss, but they were able to synchronize their tongues movements very well as if they had done it countless times.

These two young people were none other than Xiao Tian and one of his female friends, Leng Nichang.

At this moment, Leng Nichang's pretty face had turned lewd. The way Xiao Tian moved his tongue was so amazing, to the point that she forgot they were not alone in the backyard.

She even forgot that her boss and best friend were looking at her.

'Madam Xi is right. He is indeed amazing at deep kissing.'

She forgot one of the principles of her life.

When they were on vacation, she said she would only kiss someone she loved, but here, she had a hot kiss with Xiao Tian.

'I have lost my virginity to him, so having a hot kiss with him is nothing.'

She made an excuse so that she had a reason to keep having a hot kiss with him.

Xi Ran was still looking at the duo. Previously, she thought Leng Nichang would not have a passionate kiss with Xiao Tian.

'She keeps having a passionate kiss with him. Is he really good at deep kissing?'

She was suddenly curious about his skills at deep kissing.

When Xi Xingyi saw her daughter's expression, she immediately asked, "Do you also want to have a deep kiss with him, Ran?"

Xi Ran looked at her mother before closing her eyes. It was a lie if she said she did not want to try it because Leng Nichang seemed to enjoy it so much.

However, she could not tell the truth because she was a lady. That was why she decided not to answer her mother's question and shut her eyes.

"Just tell me the truth. Don't worry. I won't be angry at you because I want you and Nichang to be his girlfriends too." Xi Xingyi said something shocking with a straight face. "With this, we will love the same man."

She giggled happily when her daughter ignored her words.

'She didn't dare to tell the truth.'

She was Xi Ran's mother, so she could read Xi Ran's mind.

At this moment, Xiao Tian and Leng Nichang tilted their heads to the left and right. They did this to make their kisses hotter.

After kissing passionately for several seconds, Leng Nichang stopped the kiss. "Huft...Huft..."

"Ran, they have stopped the kiss. You can switch places with Nichang now." Xi Xingyi kept telling her daughter to have a deep kiss with her young lover.

Xiao Tian and Leng Nichang turned their heads toward Xi Ran.

Leng Nichang immediately slid from Xiao Tian's lap and lay on the pool lounge chair next to Xi Ran.

"Ran, it's your turn now." Xi Xingyi uttered, "Nichang is no longer in his lap now."

Xiao Tian rose to his feet and carried Xi Xingyi in a princess style. "My love, it seems like I have to punish you now."

"Kya!" Xi Xingyu let out a cute voice.

"Let's go to your room. I will punish you there." Xiao Tian no longer hid his intentions because there was no point in doing that now.

"Ran, Nichang, we have to stop here for now. I have to satisfy my young boyfriend in bed now." after saying that, Xi Xingyi returned her attention to Xiao Tian. "Let's go."

Xi Ran and Leng Nichang only looked at them without saying a single word. Of course, they knew what the lewd couple would do in Xi Xingyi's bedroom.

Sex!

Yes, they believed Xiao Tian and Xi Xingyi would have sex in her room later.

The duo did not stop them because they had seen them having sex before, so they only looked at them.

No!

The duo did not stop them because it was normal for lovers to have sex.

Xi Ran turned her head to look at Leng Nichang. "Is he good at deep kissing?"

She decided to ask this question because Leng Nichang seemed to enjoy it when she had a passionate kiss with Xiao Tian.

Leng Nichang's lips curled up into a smile. "Why didn't you have a passionate kiss with him earlier? Oh! You can do it after he has sex with your mother if you are still curious."

"Just answer my question." Xi Ren forced Leng Nichang to answer her question.

"Yes. He is amazing at deep kissing. Now I know why madam Xi keeps praising him." Leng Nichang gave an honest answer. "If we were alone in a room earlier, I believe I would have been naked by now."

She was not lying when she said this because she almost could not control her lust earlier.

Xi Ran shifted her gaze from Leng Nichang to the swimming pool in front of her.

'It seems like he is indeed skilled at deep kissing.'

She drank her lemon juice again.

At the same time, Xiao Tian and Xi Xingyi were already in her room. He immediately put her on a bed and took off his clothes.

He did not remove her bikini because it was exciting to have sex in a bikini. "My love, I'm going to punish you now."

"I'm ready." After saying that, she slid her underwear to the other side, showing her beautiful vagina to his young lover. "Come here and eat me."

"What a beautiful pussy!" he wasted no time and immediately licked and sucked her lovely vagina.

And soon, her room was filled with her suppressed cries.

Li café, VIP Room.

Dali was still having sex with Hualing. They were having sex in the doggy style. Even though he had already had orgasms twice, but he did not stop fucking Hualing.

The reason was simple.

It was his first time fucking a woman other than a prostitute!

Dali wanted to enjoy her body to the fullest.

He wanted to let out all his sperm in his balls, and he wanted to make her body always remember his cock.

That was why he tried his best to satisfy her.

"Ah...Ah...Ah..." Hualing cried out in delight.

Previously, they were half-naked, but now they were completely naked. They forgot that they were in the VIP room of Li café, not a motel.

No!

Hualing still remembered it.

She let him do whatever he wanted because it was part of her boss's plan.

As he was enjoying Hualing's wet vagina, Cao Song suddenly entered the VIP room.

Chapter 1449 Plan A

7-8 minutes

Dali and Hualing turned their heads toward the door.

The expression of deep shock blossomed on their faces when they saw Cao Song walking toward them.

Of course, Hualing only pretended to be shocked because she knew something like this would happen.

Cao Song stopped his footsteps and wore a surprised face. "What are you doing?"

Dali's cock was still buried deep inside Hualing's pussy, so Hualing and he could not make an excuse.

'Cao Song?'

He stood on his knees like a statue.

"Young master, this is...." Hualing pretended to be panicked. "This is..."

Cao Song sat on the couch next to them. "Sigh! Hualing, you came with me as my assistant. Do you know that your actions can ruin my reputation?"

"I'm sorry, boss." Hualing apologized to Cao Song. "It's because Dali is my ideal man, so I can't control myself."

"Oaahh..." Dali groaned when Hualing's vaginal muscles squeezed his penis hard.

At this moment, he wanted to move his waist again, but he wavered whether he should do that or not because Cao Song was next to them.

Actually, Hualing squeezed his penis on purpose because she had to tease him in front of her boss.

"Ahhh... Dali, your cock is getting harder again." She moved her waist back and forth twice, sliding Dali's penis in and out of her wet vagina.

The wild beast within him appeared again. Dali's body was already filled with flames of lust, so her sudden movements made him lose control.

He grabbed her hips and moved his waist back and forth continuously.

Of course, he still remembered that Cao Song was next to them, but at that time, he was already blinded by his lust.

"Ah...Ah...Ah..." Hualing began moaning again.

"Hey, what are you doing? Am I invisible to you?" Cao Song pretended to be annoyed.

'Good! Everything went according to my plan.'

He was happy when he saw Dali fucking Hualing again.

Dali ignored Cao Song and kept sliding his penis in and out of Hualing's vagina. Her pussy felt great, so he did not want to stop.

"Hualing, if you don't stop him, I will fire you now." Cao Song began using his plan A.

His plan A was to use Hualing's body to get Dali to agree to help him. If Dali still refused to help him, he would use his plan B.

And his plan B was to threaten Dali using the videotape. He would tell everyone that Dali raped his secretary and spread the video on the internet.

He was sure his plan B would not fail because it could ruin Dali's image and the reputation of Kindred Hearts Orphanage.

But after seeing Dali's behavior, Cao Song believed he did not need to use his plan B because Dali could not resist Hualing's body and charm.

After hearing Cao Song's words, Hualing immediately pushed Dali, causing Dali's penis to come out of her vagina.

"Young master Cao, please don't fire me. I will stop now." she wore a frightened expression as if Cao Song would fire her for real.

Dali fell on his ass.

Of course, he was still on the couch because the sofa was quite big.

'Cao Song!'

He turned his head to look at Cao Song.

He was unhappy because Cao Song had disturbed his hot time with Hualing. He grabbed Hualing's thighs and turned her, causing her to lay on her back.

However, she immediately covered her pussy with her hands when Dali wanted to thrust his penis into her vagina again.

"Dali, we can't continue having sex or else young master Cao will fire me." She was pleased when she saw his lustful face. "Dali, I can understand it. I also want to keep having sex with you, but I can't do it now."

She continued lying. "I have younger brother. Our lives will be ruined if young master Cao fire me, so please understand me."

Dali turned his head to look at Cao Song. "Cao Song, can't you just let us finish it first?"

Cao Song's lips curled up into a grin. "Dali, this café is not mine. It can ruin my reputation if someone see what you two are doing, so both of you have to stop now."

"Young master Cao, can't you let us finish it first?" Hualing behaved as if she was addicted to having sex with Dali. "I will do whatever you want later. I promise."

"What is this? Do you really like having sex with him?" Cao Song inquired.

Dali returned his attention to Hualing, waiting for her answer.

Hualing looked at Dali before shifting her gaze to Cao Song. "Ye...yes."

Dali's heart pounded with happiness.

He was thrilled because Hualing enjoyed having sex with him. He immediately rubbed his erect penis against her wet vagina.

He could not thrust his cock into her pussy because she covered her vaginal opening with her right hand.

"Ah..." Hualing's little mouth opened, letting out a seductive moan. "Dali, stop it. Ah...Ah..."

She tried to seduce Dali using her wails. Actually, she only covered her vaginal opening on purpose because, with this, Dali could rub his penis against her pussy.

The longer he rubbed his penis against her pussy, the bigger the flames of lust within him.

'I want to have sex with her again.'

He kept saying the same words as if he was chanting a magic spell.

Because he could not hold back his lust anymore, Dali immediately said, "Cao Song, can you let us finish this first? I will do anything for you later."

"Anything?" Cao Song hid the happiness within him.

'Got you!'

He added in his mind.

"Yes." Dali could not think straight because the flames of lust had controlled his body.

"Then how about you help me once?" Cao Song spoke and paused for a second before he continued, "If you agree to help me, not only will I let you continue having sex with my secretary, but I will also let you have sex with her again."

"Ah...Dali...Ah...Ah...Dali...Ah..." Hualing moaned so that Dali would not refuse Cao Song's request again.

"Look! It seems like my secretary can't wait to have sex with you again. So, how is it, Dali? Do you agree to help me?" Cao Song inquired.

Dali looked at Cao Song before shifting his gaze to Hualing's delicious pussy.

'What should I do?'

He asked in his head.

Xi Xingyi's House, Her Bedroom.

Xiao Tian was currently lying on the bed with Xi Xingyi, naked. Previously, they had wild sex after entering her bedroom.

They immediately stopped having sex after they were satisfied.

"Hehe." Both Xiao Tian and Xi Xingyi chuckled happily.

They were currently watching a movie in her room. It was a comedic movie, so they often laughed happily.

"As I thought, watching a movie together after sex is not bad." Xi Xingyi spoke abruptly.

The corner of his lips twitched. "Xi, you are really a pervert!"

"Aren't we meant to be together then? After all, you are also a pervert." She believed all his women would agree if she said he was a pervert.

"Bad lover!" he pinched her cheeks gently because he could not make an excuse.

'I blame my father for my pervert behavior!'

He added in his mind.

"Oh right, Xiao Tian. You had a passionate kiss with Nichang earlier. How is it? Was it amazing?" she asked.

Chapter 1450 He Is Not A Bad Person

7-9 minutes

Xiao Tian was taken aback by her question. "Weren't you the one who made us kiss passionately? Why are you asking this question now?"

"Just answer my question." Xi Xingyi forced him to answer her question.

"It felt good, but lady Leng needs to learn passionate kissing more." In his eyes, Leng Nichang were not skilled at deep kissing.

However, she was still in the category of talented people because she could mimic his tongue movements earlier.

He believed she would become a good kisser if they had a passionate kiss more often.

"Hehe. Am I more skilled than Nichang?" she threw another question.

"Yes. You are more skilled than her." he gave an honest answer.

Xi Xingyi had more experience than Leng Nichang in adult things, so it was normal if she was more skilled than Leng Nichang.

Happiness swelled within her.

Due to how happy she was, she immediately lay on top of him and kissed him passionately.

After stopping the kiss, she uttered, "Nichang is still virgin, so it's normal if I'm more skilled than her. By the way, I can help you get her if you want."

"Xingyi, you should not use your power and status to force her to like me. It's not good for her." Even though he was a playboy, but he never forced someone to like him.

"I won't force her to like you." She responded, "I will only help you create a good moment with her. Nichang is a good woman, so I want her to be your girlfriend."

Xiao Tian's eyes shone happily. "Does that mean I'm a good young man?"

"Of course, not! You are a bad boy. I'm sure everyone agrees with me on this." Xi Xingyi said something cruel without thinking twice.

Black lines formed on Xiao Tian's forehead after hearing her remarks.

"But you have bright future and treat me very well. I believe you can make us happy." She spoke and paused for a second before she continued, "Xiao Tian, I want you to take her virginity. Oh! I want you to take my daughter's virginity too."

"You are really a bad mother!" Xiao Tian pinched her cheeks gently.

He suddenly wanted to know what her reaction would be if she knew Leng Nichang and her daughter had lost their virginity to him.

"So, how is it?" she inquired.

"I refuse!" he answered instantly.

"Then how about I help you have a passionate kiss with my daughter?" like before, she said something surprising with a straight face.

She knew her daughter was curious about his skills at deep kissing. That was why she dared to say something like that.

*Slap...

Instead of answering her question, he slapped her soft ass.

"Kya!" she let out a cute voice. "Why did you slap my ass?"

"Because you are a bad mother, so I decide to punish you in your daughter's place." He gave an honest answer.

*Slap...

He slapped her soft ass again.

"Why did you slap my ass again? I didn't say anything this time." Her expression was so cute when she pouted.

"I just want to punish you." After saying that, he slapped his ass again.

"What is this? Are you horny again?" she decided to tease him because he kept slapping her ass.

At this moment, a wild idea appeared in his mind. "Xingyi, can I punish your ass hole this time?"

They had never had anal sex until now, so he wanted to try it. Of course, he would not force her if she did not want to.

Xi Xingyi was shocked.

'Anal sex? He wants to have anal sex with me?!

She had never thought about this before because she thought they would only have normal sex.

Even though she was a little afraid, she decided to grant his wish because she really loved him.

"Sure, but you need to do it gently because I have never had anal sex before." She had lost her virginity before becoming his lover, so she decided to give her anal virginity.

"You agreed?!" he was shocked when she agreed without thinking twice.

Of course, he was happy with this. And what made him happiest was that he would take her anal virginity.

"Yes." After saying that, she lay on the bed, facing down. She raised her ass high and spread her butt hole with her fingers. "Come here, my young pervert boyfriend. I will let you take my anal virginity now."

Xiao Tian wasted no time and immediately sat up. Not only that, but his penis was instantly erect, as if she could control his cock.

"What a lovely ass hole! I love it!" He said before finally doing pervert things to her again.

Li Café, VIP Room.

Dali was currently sitting on the couch with Hualing and Cao Song. He no longer had sex with her because they were already satisfied.

Now they were discussing their plans because Dali agreed to help Cao Song.

Yes, for the sake of having sex with Hualing, he agreed to help Cao Song!

"Are you sure no one will be suspicious of me later?" Dali kept asking the same question because he was worried that Jie and the others would know everything later.

"As long as you do what I say, no one will be suspicious of you." Cao Song responded, "Oh, I will also pay someone to beat Xiao Tian to death later."

"Yes. Beat him to death!" of course, Dali still had not forgotten his hatred for Xiao Tian because Xiao Tian had tried to seduce Jie many times.

"I will send a battered photo of him later." Cao Song behaved as if Xiao Tian would get beaten up later.

"Yes. Send it to me." Dali agreed instantly.

When Cao Song noticed that Dali kept glancing at Hualing, he inquired, "What is this? Do you want to have sex with my secretary again?"

Hualing shifted her gaze from Cao Song to Dali. "Dali, do you still want to do it with me?"

Dali nodded his head. "Can we do it again after this?"

"Dali, my pussy is sore right now. Can we do it tomorrow?" Hualing lied to him.

"Alright." Dali agreed immediately.

After discussing their plans, Dali returned to the orphanage.

Hualing immediately sat next to Cao Song and hugged his right arm. "Young master Cao, when will I get my reward?"

"You will get that limited edition bag tomorrow." Cao Song responded, "I will give you more reward after we manage to buy that orphanage."

"You are the best, young master Cao." Hualing said happily.

Kindred Hearts Orphanage, Front Yard.

Dali rushed toward Jie when he caught sight of her.

"Jie!" his face was full of smiles as he dashed toward her.

Jie turned her head toward the source of the sound. "Dali?"

"Aunt Jie, will big brother come again tomorrow?" one of the orphans inquired.

"Big brother? Do you mean Xiao Tian?" Jie still did not understand his words.

"Yes." the red-haired orphan responded, "We want to play with him again."

"Why do you want to play with him again? He is a bad person, so you should not talk to him." Dali was unhappy when the orphans liked Xiao Tian.

"He is not a bad person."

"Yes, he is not a bad person."

"Big brother is a good person."

One by one, the orphans defended Xiao Tian.

"You are still kids, so you don't know his real personality." Dali raised his voice. "He is devil in disguise."

"Dali, stop it!" Jie was unhappy when he yelled at the orphans.

"Why do you always defend him? Why?" Dali kept yelling. "You should open your eyes so that you won't be fooled by him too."

"Dali, what did he do to you? Why do you hate him so much? And why do you keep slandering him?" Jie threw many questions at once.

"It's because of you." Dali responded, "It's because you treat him special."

Jie finally understood everything. "So, you mean all of this because of your jealousy? You keep slandering him and speaking ill of him because of your jealousy? Dali, I'm disappointed with you!"

"Look! You are still defending him! Do you like him so much?" Dali forgot that he was in front of kids.

Jie clenched her fists.

She could not endure it anymore.

Dali always behaved immaturely whenever she was with another man, and this made her sick. "Yes. I like him! I really like him because he is not like you!"
