Chapter 1451 I Want You To Beat Him To Death

"Yes. I like him! I really like him because he is not like you!" actually, Jie had no special feelings for Xiao Tian, but she still said something like this. "And he is much better than you!"

She was already tired of his immature behavior. She wanted him to act maturely because he was no longer a kid.

Dali gritted his teeth and was breathless with anger.

They had known each other for a long time, but she treated Xiao Tian better. He had been trying to win her heart for three years, but she still closed her heart for him.

Jie only knew Xiao Tian for a few days, but she said she had fallen for him. He could not accept it.

No, he did not want to accept it. He had known Jie longer, so she had to be his lover no matter what.

"No! You can't become his lover! I won't accept it because you only belong to me." He behaved as if Jie was an item, not a human being. "You only belong to me!"

"I'm not an item and I have the right to like whoever I want." Jie responded, "You can't control my life because we have no special relationship!"

At this moment, all the orphans wore terrifying faces. They were scared when they saw Dali quarrelling with Jie.

"Why are you quarrelling in front of kids?" Jie's mother asked angrily. "Jie, go to your room now. You too, Dali! Go to your room now!"

Dali headed to his bedroom with an annoyed face. He was still displeased because Xiao Tian ruined his relationship with Jie.

'I really want to kill that bastard Xiao Tian!'

He was currently lying on his bed, looking at the ceiling.

At this moment, Jie's words kept ringing in his mind.

"Yes. I like him! I really like him because he is not like you." Jie uttered, "And he is much better than you!"

'Tch!'

He gritted his teeth.

Xi Xingyi's House, Her Bedroom.

"Ah...Ah...Ah..." Xi Xingyi cried out in delight.

She was currently lying on the bed, facing down. Her head was on a pillow, and she raised her soft ass high.

Behind her, her young boyfriend was grabbing his slender waist and sliding his huge penis in and out of her ass hole.

Anal sex!

Yes, she was currently having anal sex with her young boyfriend, Xiao Tian.

Previously, her young boyfriend said he wanted to have anal sex with her. She decided to grant his wish because she really loved him.

Even though it was her first time having anal sex, but she really enjoyed it. She even had an orgasm once earlier.

Sure, it hurt in the beginning, but the pain slowly turned into pleasure when he kept sliding his penis in and out of her ass hole.

"Ah...Ah...Ah..." she did not regret having anal sex with him because it gave her immense pleasure.

No!

She believed it was because she had anal sex with her boyfriend. Otherwise, she would not enjoy it.

"Xingyi, I'm cumming!" he let out his sperm deep inside her ass hole.

*Spurt...Spurt...

Xi Xingyi gritted her teeth when she felt his sperm in her ass hole.

'I'm cumming again!'

She suddenly had another orgasm.

"Huft...Huft...Huft..." both of them breathed heavily.

Xiao Tian pulled his penis out of her ass hole and lay beside her. "It was amazing."

Even though Xi Xingyi also felt immense pleasure, she did not say anything because she was trying to catch her breath.

He placed her head on his left arm before finally kissing her forehead. "Thank you for granting my wish, my beautiful lover!"

Her face broke into a smile after hearing his remarks. "I have satisfied you in bed, so what is my reward?"

Instead of answering her question, he asked, "What do you want?"

"Ring or necklace!" she did not hide her intentions. "You still haven't given me anything since we became lovers, so I want a ring or necklace."

"Sure!" he agreed instantly. "I will give you a ring and a necklace later."

She gave him a peck on the lips. "You don't need to give me expensive ring or necklace. I want it because, with this, I will feel like you are always with me."

"Let's buy it now." he was satisfied with her words.

"Let's buy it later. My body is frail to the point that I can't lift my legs." Xiao Tian fucked her pussy and ass hole for several minutes, so it was normal if her body was frail.

"Then let's watch a movie again." After saying that, he took the TV remote.

They watched a movie for an hour before finally going out to buy her a ring and a necklace.

The next day at 09:00 am, Dali went out to meet Cao Song and Teng Qigang. He said he would only help them if they beat Xiao Tian first.

Cao Song agreed with his condition, so he brought him to meet Jun, someone who would beat Xiao Tian to death.

On their way to Jun's house, Cao Song told Dali who Jun was. He said Jun was an old man, about fifty-two years old.

He was already at the low-level grandmaster stage and famous in Shaaxi city. Jun had one disciple, and the name of his disciple was Dehui.

Dehui was a talented martial artist. He was only twenty-six years old but already at the high-level master stage.

Jun believed his disciple would become an influential and powerful martial artist. That was why he really liked his disciple.

After meeting Jun and Dehui, they headed to the living room.

"So, you want me to beat Xiao Tian to death?" Jun was a little surprised when he found out that his target was a famous person.

"Yes." Cao Song responded, "I want you to make him lie in bed forever."

"Haha. Easy! It's easy. I even can kill him if you want to." Jun behaved as if Xiao Tian's life was already in his hands.

"Good, good!" after saying that, Cao Song took the envelope from his pocket. "This is the down payment. I will give you the rest after you finish your task."

Jun took the envelope and looked at the money inside it.

"Haha." He was satisfied with the amount of money in the envelope. "Don't worry. I will beat him today."

"Then we will be waiting for good news." After saying that, Cao Song rose to his feet.

He and the others left shortly after because they no longer had any business at Jun's house.

On the way to Li café, Cao Song gave Dali a piece of advice. "Dali, go and apologize to Jie later."

"Why?" Dali did not get his words.

"It's like this...." Cao Song began explaining the reason why Dali had to apologize to her.

Dali loved Jie, so he should not quarrel with her because it would make her dislike him. Not only that, but it would also make her not suspicious of him later.

As long as he apologized and told her that he would change, Jie would think he had no relationship with Cao Song and the others.

"Do what I say and I believe you will win her heart slowly later." Cao Song uttered.

"Alright." Dali nodded his head.

Chapter 1452 Slapping Dehui's Face

7-8 minutes

After returning to the orphanage, Dali looked for Jie. There was a reason why he looked for her right after arriving at the orphanage.

It was because he wanted to apologize to her!

He wanted to know whether Cao Song's advice was right or not.

To his surprise, Cao Song was right.

Jie liked what he did!

Not only that, she even forgave all his mistakes when he said he would change and would not be blinded by jealousy again.

This was the reason why his face was full of smiles.

'Now, I only need to apologize to the kids.'

He yelled at them a few times in the past three days, so he wanted to regain his good image because his reputation was important to get Jie.

Like Jie, the kids accepted his apology. Even though he had yelled at them a few times, but they never hated him.

After apologizing to Jie and the kids, he went out to have sex with Hualing because they promised to have sex.

Tea Shop, Outside Area.

Xiao Tian was currently drinking green tea. He was alone this time because all his friends were busy.

'Life is so wonderful when there are no problems.'

He enjoyed his life because no one caused trouble for him since he had a war against the Dragon gang.

"Today is a beautiful day!" Xiao Tian, who was sitting on a wooden chair, shut his eyes and tilted his head back.

At the same time, a gorgeous mature lady walked not far from him. She immediately stopped her footsteps and approached him when she caught sight of him.

'Young master Xiao? Hmm? Why is he smiling like that?'

Her face blossomed into a smile when she saw him closing his eyes.

She brought her face closer toward his right ear and whispered, "It seems like you are enjoying yourself so much."

Xiao Tian instantly opened his eyes.

He was pleasantly surprised when a charming voice entered his ears.

Of course, he knew who she was.

Lan Ruoxi!

Yes, the one who had just spoken to him was Lan Ruoxi, the owner of Red Flower Bar.

The smile on his face grew bigger when he saw her pretty face. "Lady Lan?"

After sitting on the opposite side of him, she inquired, "Are you alone?"

"No. I'm with you now." he responded, "What are you doing in this place? Do you want to drink green tea too?"

"I just met my business partner. I saw you earlier, so I approached you." She gave an honest answer.

The duo began to chat. Of course, they were delighted because he could make the conversation interesting.

"Lady Lan, how about we go on a date now?" he inquired.

"Hmm? Aren't we already like we are on a date?" they chatted and joked together, so in her view, it was like they were already on a date. "Or do you want to take me to a hotel and have your way with me there?"

The corner of his lips twitched.

'This attractive lady is teasing me again, huh?'

He really wanted to punish her.

Lan Ruoxi's lips curled up into a smile. "Sure. Let's go on a date now."

Xiao Tian wasted no time and immediately grabbed her right hand. "Let's go on a date with my car. Tell your subordinate to take your car later."

"Sure." Lan Ruoxi agreed instantly.

The duo was currently walking near a park. There was no one in that area.

"Hehe." Lan Ruoxi giggled. "Young master Xiao, you should try to be a comedian. I'm sure you will be famous later."

"But I'm already famous." He said proudly. "I even got title Miracle Young Man."

"You are indeed famous, but not everyone knows you." Lan Ruoxi admitted that he was famous now. "And most of them only know your name because you rarely appear on TV."

"It was because I always refused whenever I was invited by TV show." he did not accept all invitations because he preferred spending time with his women or thinking about his companies.

"You should accep-" Lan Ruoxi stopped her words halfway when two people suddenly appeared in front of them.

"Lady Lan, are they your enemies?" Xiao Tian inquired.

Lan Ruoxi shook her head. "I'm sure they are your enemies!"

"My enemies? But I have never met them before. And I'm sure I have no enemy now." he still believed that he had no enemy.

The two people who approached them were Jun and his disciple, Dehui.

There was a reason why they appeared before Xiao Tian and Lan Ruoxi.

It was because they wanted to beat Xiao Tian to death!

Jun, who was holding Xiao Tian's photo, stopped in front of them. "Are you Xiao Tian?"

He kept looking at Xiao Tian and the photo in his right hand. He did not want to beat the wrong person, so he wanted to make sure first.

"Master, it's indeed him." Dehui spoke abruptly.

"I'm right, young master Xiao. They are your enemies." Lan Ruoxi giggled when she found out that her guess was right.

"Who are you? And why are you looking for me?" Xiao Tian believed he had never met them before, so he wanted to know why they were looking for him.

"You don't need to know." Of course, Jun would not reveal the truth.

"Master, let me test his strength first." After saying that, Dehui rushed toward Xiao Tian.

Bang!

Before Dehui could punch Xiao Tian's face, he was sent flying three meters back.

He was shocked.

Previously, he thought he would be able to beat Xiao Tian easily because he was already at the high-level master stage, but the reality slapped him in the face hard.

Not only did he fail to hit Xiao Tian's head, he even could not react to Xiao Tian's kick.

Yes, Xiao Tian's kick was too fast for him!

This was the reason why he could not defend or avoid Xiao Tian's kick.

'I still haven't lost yet.'

He rose to his feet and attacked Xiao Tian again.

However, the result was the same.

He was sent flying by Xiao Tian again!

He never managed to land an attack on Xiao Tian's body; instead, his face was full of bruises now.

Jun widened his eyes in surprise.

Even though his disciple was not a candidate to be the Ruler, but he was still an extraordinary martial artist.

He had brought his disciple to spar with many young martial artists, and until now, his disciple had never lost in those matches.

It could be said that his disciple was almost invincible at the same level or in the younger generation.

This was the reason why he found it hard to believe what he was seeing.

Xiao Tian was still young, so it was impossible for him to be a martial artist at the grandmaster stage.

'How?'

He still couldn't accept what was happening before his eyes

*Slap...Slap...Slap...

Xiao Tian kept slapping Dehui's face.

Dehui was currently lying on the ground with Xiao Tian grabbing his T-shirt and slapping his face.

"Hehe." Lan Ruoxi giggled when she saw what Xiao Tian was doing to Dehui.

'It seems like he is furious at that guy.'

In her eyes, Xiao Tian was torturing Dehui.

"I only want to go on a date with my crush, so why are you disturbing our time?" Xiao Tian did not stop slapping Dehui's face.

"Stop!" Jun shouted.

Chapter 1453 Fighting Jun And Dehui

6-8 minutes

"I only want to go on a date with my crush, so why are you disturbing our time?" like before, Xiao Tian did not stop slapping Dehui's face.

Lan Ruoxi was right.

He kept slapping Dehui's face because he was unhappy with Dehui's actions.

It was difficult to go on a date with Lan Ruoxi lately because she was busy, so he was furious when Dehui and Jun suddenly disturbed them.

At this moment, Dehui's face was filled with bruises, and blood kept dripping down from the corners of his mouth.

Dehui did nothing when Xiao Tian kept slapping his face.

No!

It was not like he did not want to stop Xiao Tian, but he could not move his body.

Xiao Tian had broken his arms, and his legs were injured, so he could not do anything when Xiao Tian kept slapping his face.

'How? How could something like this happen?'

He still could not believe what was happening.

He had never lost in a fight before, so his heart still could not accept it. Not only did he lose to Xiao Tian, but he lost to Xiao Tian in a short amount of time.

All this time, he believed he was undefeatable in the younger generation because he had never lost in a fight before.

He was always the one who laughed at the end, and he was always the one who stood at the end.

However, everything was different now. He was the one who lay on the ground now, and he was the one who got beaten up now.

He even could not defend himself when Xiao Tian slapped his face continuously.

Could it be called a fight between martial artists?

No!

It was not a fight!

It was a one-sided fight!

It could not be called a fight when his opponent destroyed him without getting any wound.

If it were in a war, it would be called a massacre!

Xiao Tian was too strong for him, so he suddenly regretted fighting against him.

'Master, save me.'

He shifted his gaze from Xiao Tian to his master.

He looked at his master without saying a single word because he could not move his mouth.

"Stop!" Jun shouted. "Release my disciple!"

However, Xiao Tian ignored him and kept slapping Dehui's face. Of course, he would also beat Jun, but he wanted to teach Dehui a lesson first.

"Hehe." Like before, Lan Ruoxi giggled happily.

'As I thought, he is a bad young man.'

Actually, she had guessed that Xiao Tian would ignore Jun's words.

Jun rushed toward Xiao Tian when Xiao Tian kept slapping his disciple's face. "Die!"

Xiao Tian turned his head to look at Jun before finally jumping back twice. "Hey, hey. What are you doing? I was disciplining him, so you should not stop me. After all, it's normal for me to discipline bad people."

He behaved as if he was from the righteous faction and tortured Dehui for the sake of his future.

Jun was even angrier after hearing Xiao Tian's joke. "I will kill you!"

Even though he was already at the low-level grandmaster stage, but he did not have the upper hand in the fight.

The reason was simple.

He was only an ordinary martial artist!

Xiao Tian had fifteen percent of the energy of heaven and earth in his martial arts points, so ordinary martial artist at the low-level grandmaster stage was not a big deal for him.

"You are like your disciple, weak!" after saying that, Xiao Tian kicked Jun's waist and head.

Bang!

He was sent flying by Xiao Tian's powerful kick.

Jun immediately rose to his feet.

'How? How can he be so strong?'

Xiao Tian was much younger than him, so he found it hard to believe what was going on.

He was already at the grandmaster stage, so Xiao Tian should not be able to fight back, but the reality was different.

Terror overtook Dehui's face when he saw the fight between his master and Xiao Tian.

'How?'

He could accept it if Xiao Tian was stronger than him because he got beaten up by Xiao Tian just now.

However, Xiao Tian should not be able to have the upper hand in his fight against his master because his master was already at the grandmaster stage and had a lot of fighting experience.

'How can someone like him exist in this world?'

He and his master did not have many connections, so they had no idea that Xiao Tian was a candidate to be the Ruler.

Jun shifted his gaze from Xiao Tian to Lan Ruoxi.

'I will use her to defeat him!'

He decided to use a dirty method because he did not have the confidence to defeat Xiao Tian in a fair fight.

Xiao Tian also rushed toward Lan Ruoxi.

'Damn it! He wants to take her as a hostage.'

Even though he was faster than Jun, but he could not stop Jun because the distance between him and Lan Ruoxi was quite far.

Bang!

Jun managed to kick Xiao Tian's face when Xiao Tian tried to save Lan Ruoxi.

"Haha." Jun laughed happily when he managed to take Lan Ruoxi as his hostage.

Xiao Tian removed the blood on the corner of his mouth with his right thumb. "Hey, we are martial artists. Can't we have a fair fight? You look like a loser, you know? Don't you feel ashamed to take a hostage like this?"

Of course, Jun refused instantly. Even though he knew his actions were cowardly, but he did not care about it.

What he had in mind was only one thing.

Beat Xiao Tian to death!

As long as he could beat Xiao Tian to death, he would do anything, including using dirty methods.

And Xiao Tian also tortured his disciple just now, so he wanted to take revenge for his disciple too.

"Haha." Jun laughed. "Do you think I'm stupid? This is a street fight, so any method is fine."

Xiao Tian sighed.

'He really has no dignity as a martial artist!'

He shifted his gaze from Jun to Lan Ruoxi.

He was not surprised when Lan Ruoxi did nothing because she always pretended to be a weak lady whenever she was with him.

"Lady Lan, are you fine with this? He is taking advantage of you, you know? Why don't you beat him now?" he tried to make Lan Ruoxi beat Jun.

Lan Ruoxi was stronger than him, so he believed she could defeat Jun easily because Jun was weaker than him.

"Haha. What?! You want her to beat me?! What can a weak woman do to me? Haha." Jun laughed again because Xiao Tian's words were funny in his eyes.

Sure, Lan Ruoxi was pretty and had a sexy lady, but she did not look like a martial artist.

"Did you hear it? He is making fun of you, you know? Shouldn't you teach him a lesson now?" like before, Xiao Tian tried to make Lan Ruoxi beat Jun.

"Boy, stop talking nonsense!" Jun still did not believe that Lan Ruoxi was stronger than him. "Now break your arms and legs, or else I will kill your lover now."

Xiao Tian sighed again.

He wanted to throw Dish Powder or a poison needle at Jun, but Lan Ruoxi was in Jun's hands.

"Fine. I will free myself from him now." After saying that, Lan Ruoxi's eyes turned frightening for a moment.

Chapter 1454 Dali Is Happy

7-8 minutes

Jun laughed when Lan Ruoxi said she would free herself from him because, in his eyes, she was only a weak woman.

However, he regretted underestimating her because he was sent flying by her before he could do anything.

'What?! How did she do that?'

Jun immediately did a backflip before finally landing on the ground safely.

"Then it's my turn now." Xiao Tian rushed toward Jun.

He wasted no time and attacked Jun continuously because he did not want Jun to use a dirty method again.

Bang!

Bang!

Bang!

Jun was only an ordinary martial artist at the low-level grandmaster stage, and he did not have the energy of heaven and earth in his martial arts points, so he was at a disadvantage when Xiao Tian attacked him seriously.

"I'm a martial artist at the grandmaster stage. I should not lose to you." After shouting these words, Jun tried to fight back.

However, the result was the same.

He got beaten up by Xiao Tian!

His screams did not help him beat Xiao Tian.

It was meaningless screams!

Dehui widened his eyes.

'Master...master...'

He wanted to help his master when he saw Xiao Tian beating up his master continuously, but he could not do that because he could no longer move his body.

Bang!

Bang!

Bang!

Bang!

Xiao Tian kept beating Jun.

Lan Ruoxi walked toward Xiao Tian leisurely. "Young master Xiao, I think you should stop now or else he will die later. Shouldn't you start interrogating him now?"

Xiao Tian stopped beating Jun after hearing her words. "Tell me, who paid you to do this?"

At this moment, one of Cao Song's subordinates took a gun from the holster. Her boss told her to kill them if Jun and Dehui could not beat Xiao Tian.

Bang!

The sound of a gun reverberated in the entire area.

Lan Ruoxi immediately grabbed Xiao Tian's clothes and jumped back, avoiding the bullet.

Bang!

Bang!

Cao Song's subordinate shot Jun and Dehui when she failed to kill Xiao Tian.

The reason was simple.

It was to protect Cao Song's image!

With this, Xiao Tian would not know who the mastermind was.

Xiao Tian and Lan Ruoxi immediately hid behind a tree. They could not catch Cao Song's subordinate because she left after killing Jun and Dehui.

Xiao Tian was unhappy when he found out that Jun and Dehui were dead because he still didn't get any information from them.

"Tch!" Xiao Tian took a body-melting powder from his pocket and poured it on their corpses.

'Just who is my enemy this time?'

He still did not know who his enemy was.

He was enraged because someone caused trouble for him again. Not only that, but he almost died just now.

Of course, Lan Ruoxi knew what he had in mind because it was written on his face. "I'm sure you will know who the mastermind is later. But you better be careful from now on."

His expression softened after hearing her words. "I make the mastermind regret later."

"Do you still want to continue our date?" She inquired.

He held her right hand and responded, "Of course. Let's go."

Cao Family's Villa, Bedroom.

Cao Song was currently in his bedroom with Hualing, naked. He immediately took her to his villa after giving her a limited edition bag.

Of course, Hualing served him in bed happily because she already got what she wanted. She even let him do whatever he wanted with her body earlier.

The duo was currently watching a movie together. Cao Song was delighted because Hualing had satisfied him in bed just now.

"Young master Cao, can you tell Dali not to have sex with me every day?" Hualing inquired. "I don't want to do it with him every day."

Sure, she was fine having sex with him, but she did not want to do it every day. After all, he was not her type and ugly in her eyes.

"Sure. I will tell him not to ha-" he stopped his words halfway when his smartphone suddenly rang.

'Hmm?'

He immediately picked up the phone when he knew the one who called him was his subordinate.

"How is it?" he inquired.

"Boss, they failed to beat him, so I killed them." His subordinate went straight to the point.

"What?!" Cao Song said in surprise.

Xiao Tian was only a martial artist at the master stage, so he thought Jun would be able to beat Xiao Tian easily because Jun was a martial artist at the grandmaster stage.

"They are so weak!" His subordinate also told him that Jun and Dehui were not Xiao Tian's opponents because they got beaten up by Xiao Tian easily. "What should we do now, boss? Should I look for another assassin to beat Xiao Tian?"

"No. Just monitor Dali for now." Cao Song did not want to spend any more money because Dali still had not helped him.

There was still a possibility that his plans would fail, so spending any more money to help Dali was not a good decision.

"Understood." His subordinate responded.

Cao Song immediately called Teng Qigang after hanging up the phone. He told Teng Qigang to find someone who was good at photo editing.

Yes, he wanted to pretend as if they had managed to beat Xiao Tian!

Teng Qigang returned to the company because there was someone who was good at photo editing in the company.

Kindred Hearts Orphanage, Front Yard.

Dali was currently spending time with the kids. He wanted to improve his relationship with them because he wanted to let Jie know that he was a good man.

He wanted to let her know that he had changed, and he wanted to let her know that he deserved to be her lover.

"Uncle Dali, let's play football." One of the orphans uttered.

"Sure." Dali agreed instantly.

As he was playing football with the kids, his smartphone suddenly vibrated, indicating that he had received a message.

A happy smile appeared on his face when he saw the photo of Xiao Tian's battered face. Of course, he did not know it was an edited picture.

'Haha.'

He laughed happily in his mind.

Not long after that, he got another message from Cao Song.

[Dali, we failed to beat him to death because the citizens suddenly appeared and helped him, so Jun and his disciple had to leave.]

Dali immediately replied.

[It's fine. I'm already satisfied with this. I hope we can kill him next time.]

Dali's mood brightened because he managed to teach Xiao Tian a lesson. With this, he believed Xiao Tian would not dare to seduce Jie anymore.

"Uncle Dali, why are you playing with your smartphone? Let's play again." The kids uttered in unison.

"I'm coming." Dali said happily.

At the same time, Cao Song was sitting on the couch with Teng Qigang in his office.

"How is it, young master Cao? Did he believe it?" Teng Qigang asked curiously.

"He is a fool, so of course, he believes it immediately." Cao Song responded, "I will ask him to fulfil his promise tomorrow."

"Tomorrow? Why don't we do it today?" Teng Qigang inquired.

"I have important meeting today." After saying that, Cao Song rose to his feet. "Follow me."

Teng Qigang followed him without asking a single question.

Chapter 1455 Cao Song's Plan

7-8 minutes

Xiao Tian was currently in the backyard with his women. He decided to spend time with them after going on a date with Lan Ruoxi.

Like usual, they had a good time in the backyard. They chatted until 08:00 pm before finally heading to the living room to watch a movie.

That night, Xiao Tian had sex with Shi Fei and Liu Ning. His other women were busy watching a movie, so he only had sex with Shi Fei and Liu Ning.

The next day at 09:00 am, Cao Song and Teng Qigang went to a café to meet Dali. There was a reason why they decided to meet him.

They wanted him to fulfil his promise!

Dali agreed to fulfil his promise because Jun had beaten up Xiao Tian yesterday.

They discussed their plans for about two hours before finally Dali returned to the Kindred Hearts Orphanage.

Kindred Hearts Orphanage, Backyard.

Dali was currently sitting on a wooden bench alone.

'In order to make them not suspicious of me, I have to do it at the right time.'

He decided to carry out Cao Song's plan when Jie asked him to buy something.

Coincidentally, Jie asked him to buy two folding beds shortly after that. Dali agreed instantly because he thought this was a good opportunity to carry out Cao Song's plan.

"Let's go buy folding bed now." Jie uttered.

"Jie, you don't need to accompany me. I can buy it alone." he decided to buy two folding beds alone because she would know their plan if she accompanied him.

Jie was startled.

Previously, she thought he would smile happily because he always wanted to be alone with her, but she was wrong.

'It seems like he really has changed.'

She was pleased because he kept his promise to be a better man.

"Then I will prepare lunch for us now." she responded, "Be careful."

"Un." After nodding his head, he left.

Time went by quickly, and without realizing it, it had been two hours since Dali had gone to buy two folding beds.

At this moment, Jie and the others were in the dining room, ready to have lunch together.

'Why hasn't he come back yet?'

"Jie, where is Dali?" Jie's mother, Hanying, asked when she did not see Dali in the dining room.

"I asked him to buy two folding beds earlier. I don't know why he hasn't come back until now." Jie also wanted to know why Dali still had not returned yet.

"Why don't you call him now?" Hanying inquired.

"Alright." After saying that, Jie took her smartphone out of her pocket.

To her surprise, Dali called her right after she took her smartphone out of her pocket.

"Mother, it's him." After saying that, Jie picked up the phone. "Dali, where are you right now? Why haven't you returned to the orphanage yet? Did something happen to you?"

She put it on speaker mode so that her mother could hear Dali's voice too.

"Jie, I...I...." Dali pretended to panic. "I'm in the hospital right now."

"What?! Hospital? What happened?" Jie was shocked.

"Dali, what happened to you?" Hanying asked worriedly.

"Grandma Hanying, I...I had a car accident." Dali responded, "I hit a car and a motorbike too."

"Send me your location. We will go there now." Jie was worried about his condition, so she wanted to visit him immediately.

"Alright." Dali responded.

Jie and her mother went to visit Dali after receiving his location. They told the other caretakers to have lunch with the kids.

Shaaxi City, Lou Hospital.

Dali was currently in the patient room alone. Actually, he did not need to go to the hospital because he only had a minor injury on his right arm and leg.

Of course, he was the one who injured himself because he wanted everything to look real.

Yes, all of this was Cao Song's plan!

He agreed to injure himself because Cao Song said he would give him money as compensation.

Not long after that, Jie and her mother arrived at the hospital. They wasted no time and immediately headed to Dali's patient room.

*Click...

Jie opened the door.

"Dali!" even though she had no feelings for him, but Jie was still worried about his condition.

Dali turned his head toward the door. "Jie, grandma Hanying!"

Jie and Hanying immediately checked his body. They were relieved because he only had minor injuries.

"Dali, how did you end up like this?" Hanying wanted to know everything in detail.

"It's like this...." Dali began explaining everything.

He said a sheep suddenly crossed the road, and his car hit a motorbike and a car after avoiding the sheep.

The motorbike rider was currently unconscious in the patient room next to his, while the car driver was being examined by a doctor.

Of course, the car driver and the motorbike rider were Cao Song's people because all of this was part of his plan.

"Grandma Hanying, Jie, I'm sorry for causing trouble." Dali wore a sad face and apologized to them.

"It's fine. Don't blame yourself. We only need to think of a way to solve this problem." Jie and her mother were not angry at him.

At the same time, a gorgeous young lady suddenly opened the door and entered his patient room.

Her eyes were filled with fury, and she smoldered with resentment. That beautiful young lady was none other than Hualing, Cao Song's secretary.

"You! You have to take responsibility and compensate for the damage to my car! You had hit my car and got me injured." Hualing retorted as she touched the bandage on her head with her right index finger.

Dali and the others turned their heads toward Hualing.

"Miss, I'm sorry. I promise I will take responsibility later." Dali pretended as if he had never met Hualing before.

Jie walked toward Hualing and uttered, "Miss, please calm down. We will take responsibility and compensate for the damage to your car later."

"Give me 300,000 Yuan for compensation for the damage to my car and 10,000 Yuan for my injuries!" Hualing asked them to compensate her immediately.

Jie and her mother were shocked.

'300,000 Yuan for the damage to her car and 10,000 Yuan for her injuries?!'

They did not expect her to ask for a lot of money as compensation.

"Miss, isn't that too much?" Jie inquired.

"I can't meet my business partner because of him, so I want him to compensate me 10,000 for my injury and ruining my meeting with my business partner." Hualing replied, "And 300,000 Yuan for my car compensation is normal because my car is a luxury car."

"Jie, grandma Hanying, her car is a luxurious car. It's Lamborghini car." Dali said after seeing their expressions.

"What?!" Jie and Hanying finally knew why Hualing asked for a lot of money as compensation.

Of course, they did not know that the Lamborghini was Cao Song's car.

"Now do you still think that's too much? I will report him to the police if he doesn't want to compensate me now." Hualing tried to scare them.

Dali lowered his head when Jie and Hanying looked at him. Even though they did not say anything, he knew what they had in mind.

"I'm sorry." Dali apologized again.

"I will give you two choices now!" Hualing spoke, "Compensate me now, or I will take him to the police."

Chapter 1456 It Seems Like You Are Interested In Him Too

7-8 minutes

Even though Jie was panicked, she did not show it on her face. "Miss, please calm down. We will compensate you later."

"Yes. We will compensate you later." Hanying added.

They could not just ignore Dali because he was a part of Kindred Hearts Orphanage. Not only that, but he had a car accident because he wanted to buy a folding bed for them.

"Good! Give me the money now!" Hualing forced them to compensate her immediately.

"Miss, can you give us a few days to compensate you? 310,000 Yuan is a lot of money for us, so we can't compensate you immediately." Even though Jie had some savings, it was less than 310,000 Yuan.

And the orphanage's savings were also less than 100,000 Yuan, so it was impossible for them to compensate her immediately.

"No! I want it now!" Hualing refused.

"Young lady, we will pay for your treatment, but please give us a few days to compensate you." Hanying knew that her orphanage did not have much money.

After great efforts, Hualing agreed to give them three days to compensate her. Not long after that, the motorbike rider regained consciousness.

Like Hualing, he also asked them to compensate him. He asked them to pay him 100,000 Yuan because his motorbike was badly damaged.

Kindred Hearts Orphanage, Living Room.

Jie was currently in the living room with her mother and Dali. Dali was allowed to go home because he only had minor injuries.

"What should we do now? Where can we get that much money?" Jie was down when she remembered they had to compensate them 410,00 Yuan.

"Maybe we can sell some stuff at our orphanage tomorrow." Hanying gave an idea.

They could ask Leng Nichang for help, but they felt bad doing that. Sure, she grew up in their orphanage, but she had helped them many times.

It could be said Leng Nichang was the main reason why their orphanage could survive until now because she often gave them money and brought in donors.

This was the main reason why they did not want to bother her because she had done many things for their orphanage.

Dali rose to his feet and spoke, "Jie, grandma Hanying, I will try to borrow money from my friends."

"Be careful!" Jie uttered.

"Un." After nodding his head, Dali left.

Xiao Tian was currently in his car with Leng Nichang, Xi Xingyi and Xi Ran. They decided to go to Kindred Hearts Orphanage after eating in the restaurant.

Of course, they did not know what was going on. They decided to go to the Kindred Hearts Orphanage because Leng Nichang wanted to meet the orphans and the others.

Like usual, Jie and the others welcomed them with smiles on their faces. They were pleased, especially the kids.

Jie and her mother did not bring up the topic of the car incident when Leng Nichang and the others were at the orphanage.

They behaved as if nothing had happened to them. They even could smile happily.

Leng Nichang, who was sitting next to Hanying, inquired, "Mother Hanying, does the orphanage need anything?"

"No. We don't need anything." Hanying lied to Leng Nichang. "Nichang, do you have a lover now?"

She decided to change the topic of conversation because she wanted to hide their problem.

"Mother, why are you asking something like that?" Leng Nichang was taken aback by Hanying's question. "I want to focus on my career first so that I can help our orphanage more."

"Nichang, you have grown up now. Isn't it time for you to find a boyfriend? How about you make him your lover?" Hanying looked at Xiao Tian as she said this. "It seems like he is a good young man. He is also attractive. In my view, he is suitable to be your lover."

"Haha." At this moment, Xiao Tian was playing with the kids.

They laughed happily as they played football.

Leng Nichang did not expect Hanying to suggest her to be Xiao Tian's lover.

'A good young man? He is a pervert who always take advantage of the situation.'

She giggled when Hanying said Xiao Tian was a good young man.

"See! You are even giggling happily." Hanying uttered, "It seems like you are interested in him too."

"Mother, stop teasing me. I will find a lover after sister Jie gets a boyfriend." Leng Nichang made an excuse.

"Then I will force her to find a boyfriend immediately." Hanying responded.

"Hehe." The duo giggled happily.

At this moment, Dali was with Hualing in a hotel room. Of course, both of them were naked because they had just finished having sex earlier.

"Dali, do you think they will get the money to compensate me later?" Hualing inquired.

"I don't know." Dali responded, "But I know our orphanage doesn't have much money. If they don't borrow money from someone, they won't be able to compensate you later."

"Good!" Hualing was happy after hearing his words because, with this, she would get another reward from her boss later. "Young master Cao said he would reward you if he managed to buy their orphanage."

"Hualing, can we continue our special relationship after he buy the Kindred Hearts Orphanage?" he suddenly did not want to end his relationship with her.

There were four reasons for this. First, Hualing was a gorgeous lady with a nice body.

Second, having sex with her felt good. Third, she was prettier than Jie. And last, he began to have special feelings for her.

In other words, special feelings blossomed within him because they often had sex.

Yes, sex was the reason why he began to have special feelings for her!

"Sure!" Hualing lied to him.

'As if I would have sex with you after we got what we wanted.'

She added in her mind.

"Good!" after saying that, he kissed her passionately.

She was pretending to like him, so she welcomed the kiss immediately. "Bad boy! You take advantage of the situation again!"

"Hualing, let's do it again." He suddenly wanted to have sex with her again after seeing her naked body.

"Pervert!" she stated.

And soon, the hotel room was filled with her cries again.

Dali returned to the orphanage when the sky grew dark.

Jie and her mother were down when he said he failed to borrow money from his friends. Of course, they did not know what he had done earlier.

Time went by quickly, and without realizing it, three days had passed since the car incident.

Hualing and Luo were currently on their way to the Kindred Hearts Orphanage.

Their intention was clear.

They wanted to ask Dali and the others to compensate them!

Yes, Luo was the other victim!

Of course, he was Cao Song's subordinate.

Hualing parked her Lamborghini car in front of the orphanage.

'Let's do it!'

They nodded their heads before getting out of her car.

All the kids looked at them when they were in the front yard. They immediately knew that Hualing and Luo were bad people because they wore scary faces.

"Dali, where are you?" Hualing shouted. "I came with Luo to collect the compensation money. Dali, come out now!"

"Yes. We came to collect the compensation money." Luo added, "Come out now!"

Chapter 1457 Jie, How About We Ask Nichang For Help?

7-8 minutes

Jie and her mother headed to the terrace after hearing Luo and Hualing's voices. Dali also followed them to the terrace.

Hualing instantly yelled at Dali when she saw him. "Give us the compensation money now!"

"Yes. Today is the day you promised to compensate us." Luo added.

Jie, her mother and Dali were panicked because they still did not have enough money to compensate them.

"Miss Hualing, Mister Luo, we still don't have enough money to compensate both of you." Dali pretended to be afraid of them.

"Miss Hualing, Mister Luo, can you give us a few more days?" Jie told them that they only had 150,000 Yuan.

They could only get 150,000 Yuan from selling some of the furniture and their savings.

She also told them they had tried to borrow money from their friends, but they only got a little money from them.

Of course, Hualing and Luo refused because this was what they wanted.

They wanted Jie and the others to be unable to compensate them, so that they would sell their orphanage to Teng Qigang to get more money.

Yes, this was what Cao Song had planned!

At this moment, some of the orphans were terrified, while others were angry. For this reason, Jie's mother told them to enter the orphanage.

Like before, Jie still asked Hualing and Luo to give them a few more days to compensate them.

"Miss, please give us three more days. We promise to compensate you later." Dali uttered.

"I've already given you three days and you still want me to give you three more days?" Hualing raised her voice. "I'm sure you will repeat the same thing if I agree to your request."

"That's right!" Luo added.

At the same time, the sound of a car reverberated in the entire area. Jie and the others turned their heads toward the source of the sound.

*Thud...

After closing his car door, an old man walked toward the front yard of the Kindred Hearts Orphanage.

That old man was fat and had little hair. But even so, he walked confidently as if he was a good-looking man.

That man was none other than Cao Song's subordinate, Teng Qigang.

He decided to come to the orphanage again because he knew that Jie and the others needed money.

"Oh, you have two guests, Mrs Jie?" Teng Qigang pretended as if he did not know who Hualing and Luo were.

"Who are you? And why did you come to this place?" Luo asked in annoyance.

"Mister, did I annoy you? Why does it sound like you are angry at me? I'm sure this is our first meeting." Teng Qigang was not surprised by Luo's behavior because that was his role. "Oh, I came to this orphanage because I want to buy this place."

Luo shifted his gaze from Teng Qigang to Jie and the others. "There! Just sell this orphanage to him so that you will have enough money to compensate us."

"That's right. Just sell this orphanage to him!" Hualing added.

"No!" Jie and her mother responded in unison.

"Can someone tell me what's going on?" like before, Teng Qigang pretended as if he did not know anything.

Hualing pointed her right index finger at Dali. "He did not want to compensate us!"

She explained everything to Teng Qigang as if he were a police officer who wanted to interrogate the car accident.

"I see." Teng Qigang nodded his head. "Mrs. Jie, how about you sell this orphanage to me? With this, you can compensate them and solve this problem immediately."

"No!" Jie refused instantly because she did not want to lose her orphanage.

"Just sell this orphanage to him and compensate us using that money!" Luo forced Jie and the others to sell their orphanage.

Not long after that, Jie's neighbors came to the orphanage. They wanted to know why there was a commotion in the orphanage.

Hualing and Luo were at a disadvantage when her neighbors came to the orphanage. For this reason, they decided to leave.

Of course, they did not forget to threaten Jie and the others. They said they would come with the police if they did not compensate them tomorrow.

Teng Qigang also left shortly after that because it was no longer a safe place for him. He was afraid something bad would happen to him if he stayed at the orphanage.

Li Café, VIP Room.

Cao Song was currently in the VIP room with Teng Qigang, Luo and Hualing. The trio told him what had happened at the orphanage earlier.

"I see." Even though Cao Song was unhappy but he kept his anger in check.

"What should we do now, young master Cao?" Luo inquired.

Instead of answering Luo's question, Cao Song looked at Hualing and inquired, "Hualing, did Dalil give you any information about their financial condition?"

"Dali said they would not be able to compensate us later." Hualing responded, "He also told me that he would keep me updated later."

"Alright. We will only monitor them for now. Of course, we will stop them from getting more money." After saying that, Cao Song looked at Teng Qigang. "Qigang, you go to the orphanage again tomorrow. They are in tight situation, so there is a possibility that they will sell the orphanage later."

"Understood, young master." Teng Qigang responded.

Kindred Hearts Orphanage, Living Room.

Jie was currently in the living room with her mother and the other caretakers. In total, they had ten caretakers, including Dali.

They were discussing how to get more money to compensate Luo and Hualing because they did not want to sell their orphanage to Teng Qigang.

"Jie, how about we ask Nichang for help?" one of the caretakers inquired.

Leng Nichang was their only hope now, so she suggested they ask Leng Nichang for help.

"But she has helped us many times. I don't want to trouble her again." Actually, Jie also wanted to ask Leng Nichang for help, but she felt bad if they kept asking for her help.

"Nichang is our only hope now." the red-haired female caretaker uttered, "She also grew up in this place, so I'm sure she doesn't want to lose this orphanage too."

"That's right." Another caretaker added.

Jie looked at her mother and inquired, "Mother, what do you think of their idea?"

It took Jie's mother several seconds before she could answer her daughter's question. "Let's inform Nichang about this."

"I will call her now." after saying that, Jie rose to her feet and headed to her bedroom to take her smartphone.

Leng Nichang was currently in a café with Xi Ran. They decided to go to a cafe after Xi Ran finished filming the movie.

As they were chatting, Leng Nichang's smartphone suddenly rang. She immediately picked up the phone when she knew the one who called her was Jie.

"What?!" Leng Nichang was shocked after Jie told her that the orphanage was facing a huge problem. "I will prepare the money and immediately go to the orphanage."

After Leng Nichang hung up the phone, Xi Ran inquired, "What's wrong?"

"It's like this...." Leng Nichang gave a short explanation. "Ran, let's go to the bank now."

"Alright." Xi Ran agreed.

At the same time, Dali called Cao Song and informed him that Jie would ask Leng Nichang for help.

Chapter 1458 Kidnapping Leng Nichang And Xi Ran

7-8 minutes

Cao Family Villa, Bedroom.

Inside a big and luxurious bedroom, two young people were doing adult things on the bed: a young man and a young lady.

The young man was lying on his back, and his black eyes were locked on the young lady's lovely body.

Above him, a gorgeous young lady was riding his huge penis while squeezing her big breasts gently.

Sex!

Yes, they were currently having sex in a cowgirl sex position.

These two young people were none other than Cao Song and his secretary, Hualing.

After talking with Teng Qigang, Cao Song brought Hualing to one of his family villas because he was suddenly horny.

Of course, Hualing served him in bed happily because she would get whatever she wanted if she could satisfy him.

"Ah...Ah...Ah..." his bedroom was filled with her cries.

Hualing did not stop moving her body up and down because she wanted to satisfy him.

She wanted to make him have an orgasm!

Unlike Hualing, Cao Song did nothing.

He did not move his waist in sync with her movements because he wanted to enjoy the sensation of his penis being squeezed by her wet vagina.

"Ah...Ah...Ah..." Hualing tried to make him hornier by moaning continuously.

Cao Song loved it!

He loved it when he saw her fascinating face. He loved it when he saw her breasts moving uncontrollably, and he loved it when he saw his penis sliding in and out of her pussy.

'I love this sight and feeling!'

But something unexpected happened when he was enjoying his sex with his beautiful secretary.

His smartphone suddenly rang!

Cao Song instantly took his phone.

'Dali?'

He was startled when he knew the one who called him was Dali.

"What's wrong, Dali?" he asked after picking up the phone.

Even though he was having sex with his beautiful secretary, he still picked up the phone because he wanted to know why Dali suddenly called him.

Hualing did not stop moving her body up and down despite knowing her boss was on phone, but she tried her best to hold back her moan because she did not want to disturb him.

"Cao Song, they are asking Leng Nichang for help." Dali went straight to the point.

"Leng Nichang?" of course, Cao Song knew who she was because she grew up in Kindred Hearts Orphanage.

"Yes." Dali then told Cao Song that his plan would be ruined if he did not stop Leng Nichang because she had a close relationship with her boss and had a few connections.

'Damn! Is he having sex with a woman right now?'

Even though Hualing had tried her best not to moan, but he was still able to hear her suppressed cries.

Of course, he did not know that Cao Song was having sex with Hualing because she suppressed her wails.

"Alright. I will stop her from helping them later." After saying that, Cao Song hung up the phone.

Hualing stopped moving her body up and down after he hung up the phone. "What's wrong, young master Cao?"

"There is a little problem." he gave an honest answer.

"Should we stop now?" she inquired.

"What are you saying? I still haven't had an orgasm, so there is no way I will stop having sex with you. I will order my subordinates to take care of this problem." Cao Song would order his subordinates to kidnap Leng Nichang because, with this, they could stop her from helping Jie and the others.

"I love that idea!" Hualing also did not want to stop because she still had not had an orgasm and wanted to keep feeling immense pleasure.

Then they continued having sex after he ordered his subordinates to kidnap Leng Nichang.

Leng Nichang was currently in the bank with Xi Ran. They did not realize that two of Cao Song's subordinates were waiting for them near the bank.

"Let's go to the orphanage now." Leng Nichang uttered.

She and Xi Ran immediately got into her car. They wasted no time and immediately traveled to Kindred Hearts Orphanage.

Of course, they still did not know that Cao Song's subordinates were following them.

"Let's kidnap them in a quiet place." The red-haired man, who sat on a passenger seat, uttered.

"Alright." Blue-haired man who drove the car, nodded his head.

When they were in a quiet place, they immediately stopped their car in front of Leng Nichang's vehicle.

Xi Ran and Leng Nichang tried to fight back when Cao Song's subordinates tried to kidnap them, but they failed to escape from Cao Song's subordinates.

Cao Song's subordinates wasted no time and brought them to an abandoned factory. Of course, they did not know that Xi Ran had sent a message to her mother before.

Xiao Tian was currently at Rainbow Garden with his MILF lover, Xi Xingyi. After spending time with his women, he went to her company.

"Hehe." Both of them chuckled happily.

They were currently in the resting building. He sat on the wooden floor with his back leaning against the wooden walls.

His MILF lover was lying on the floor with her head on his lap. "Xiao Tian, how about we go to my apartment after this?"

The corner of his lips twitched.

Of course, he knew the meaning of her words.

Sex!

Yes, she said she wanted to have sex with him indirectly.

"Pervert!" he chuckled as he pinched her nose gently.

"I know you are happy deep inside you because you love having sex with me too." she did not feel shy because she was with her young lover. "So, how is it?"

"Sure." He agreed instantly.

"Hehe." She giggled after hearing his answer. "See! You are also a pervert!"

"My beautiful lover wants to do it with me, so of course I will grant her wish because I really love her." He made an excuse.

As they were chatting happily, Xi Xingyi's smartphone suddenly vibrated, indicating that she had received a message.

'Hmm?'

She immediately took her smartphone out of her pocket.

'Ran?'

She opened the message.

Xi Xingyi immediately sat up, and her face turned worried after reading the message. "Xiao Tian, my daughter is in danger!"

Xiao Tian was shocked and read the message.

[Save us.]

That was the content of Xi Ran's message.

"Call her now!" Xiao Tian told Xi Xingyi to call her daughter.

She was even more worried when she could not reach her daughter. At this moment, she believed something had happened to her daughter.

"Try calling lady Leng? Maybe she knows something." He told her to call Leng Nichang when she could not reach her daughter.

Xi Xingyi called Leng Nichang, but she also could not reach her. Both Leng Nichang and her daughter's phones were off.

He suddenly suspected that something had happened to Xi Ran and Leng Nichang because the content of Xi Ran's message was 'save us', not save me.

She ordered her subordinates to find her daughter and Leng Nichang. Xiao Tian also ordered his underling to look for them.

The duo immediately went to Kindred Hearts Orphanage, hoping they would get a clue about them later.

Kindred Hearts Orphanage, Living Room.

Jie was currently in the living room was Xiao Tian and the others. The duo told them the reason why they suddenly came to the orphanage.

"What?!" Jie and the other caretakers said in surprise.

Chapter 1459 Saving Leng Nichang And Xi Ran

7-9 minutes

Jie and the others were shocked when Xi Xingyi told them the reason why she came to the orphanage with Xiao Tian.

They were even more worried when she said there was a high possibility that something had happened to Leng Nichang too.

There were two reasons why Xi Xingyi dared to say something like that. First, Leng Nichang was with her daughter earlier and last, she could not reach her.

"Lady Jie, did they come to this orphanage earlier?" Xiao Tian inquired.

"No, but I could call Nichang earlier." Jie began telling them the reason why she called Leng Nichang earlier.

Xiao Tian and Xi Xingyi finally learned that Jie and the others were facing a big problem.

After hearing her words, Xiao Tian suddenly suspected everything was related to Hualing and Luo.

They suddenly lost contact with Leng Nichang and Xi Ran shortly after Jie called Leng Nichang. He suspected that Hualing and Luo did not want her to help Jie.

Their target was Leng Nichang, but they also did something to Xi Ran because she was with Leng Nichang.

"It's only my guess, but I think everything is related to Hualing and Luo." Xiao Tian began explaining the reason why he said something like that.

Xi Xingyi and the others also thought that his guess made sense because Xi Ran and Leng Nichang disappeared shortly after Jie called Leng Nichang.

Of course, they did not know that his guess was not completely right because the real mastermind was Cao Song, not Hualing and Luo.

"Jie, do you know where their houses are?" Xi Xingyi inquired.

"I don't know." Jie never asked where they lived, so she did not know where their houses were.

As they were looking for a clue, one of Xiao Tian's underlings called him.

"How is it?" he inquired.

"Leader, we found them." His underling responded, "I will send you the location now."

"Alright." After hanging up the phone, Xiao Tian looked at Xi Xingyi. "Xingyi, my underlings have found them. I will go there now."

"I will go with you." Xi Xingyi also wanted to save her daughter.

"No. You wait here." He would go to a dangerous place, so he told her to wait in the orphanage with Jie and the others.

"But..." Xi Xingyi still wanted to go with him.

Xiao Tian held her hands and spoke, "Xingyi, I promise to save them, so wait here with others."

"Xiao Tian is right, Mrs Xi." Jie added. "Leave it to him. I believe he can save them."

Xi Xingyi looked at Jie before returning her attention to Xiao Tian. "Please save them."

"I promise." After saying that, Xiao Tian left.

Shaaxi City, Abandoned Factory.

Xi Ran and Leng Nichang were currently being tied to chairs. They were still unconscious, so they did not know where they were.

At the same time, fifteen of Xiao Tian's underlings were hiding around the abandoned factory.

They did not make their move because they were waiting for their leader to arrive first.

Xiao Tian stopped his car not far from the abandoned factory. "Are they in the abandoned factory?"

"Yes, leader." One of his underlings responded.

"Let's save lady Xi and lady Leng now!" after saying that, Xiao Tian headed to the abandoned factory.

There are ten subordinates of Cao Song in the abandoned factory. They kept an eye on Leng Nichang and Xi Ran to keep them from running away.

"I don't know why we need ten people to keep an eye on them." One of Cao Song's subordinates uttered.

"Stop asking! We only need to do what we are told to." The red-haired man responded.

"It's not like they can escape from this abandoned factory because they are on-" before the blue-haired man had finished his words, he was sent flying by Xiao Tian's kick.

"Don't kill them because I want to interrogate them later." Xiao Tian said coldly.

Bang!

Bang!

Bang!

Bang!

In a short amount of time, his underlings managed to beat Cao Song's subordinates.

However, something unexpected happened after his underlings beat Cao Song's subordinates.

They killed themselves!

Yes, they drank poison hidden in their teeth!

There were three reasons why they decided to commit suicide.

First, it was to protect Cao Song's identity because, with this, Xiao Tian would not know who the mastermind was.

Second, they knew they would not be able to defeat Xiao Tian's underlings.

And last, it was to protect them from torment. They believed Xiao Tian would torture them if they did not commit suicide because he needed information from them.

"Tch!" Xiao Tian was annoyed when he saw their corpses.

However, he could not do anything about it because they had already died. He did not expect them to commit suicide after being beaten by his underlings.

"You all can go back to our base now." after putting Leng Nichang and Xi Ran into his car, he traveled to the Kindred Hearts Orphanage.

Li Café, VIP Room.

Cao Song was currently with Dali and Hualing. Dali had been with them since three hours ago, so he did not know that Xiao Tian was in Kindred Hearts Orphanage.

"Haha." Cao Song laughed happily.

However, the smile on his face faded when one of his subordinates told him that someone had saved Leng Nichang and Xi Ran.

"What?!" he was enraged because it could ruin his plans. "Find out who save them now!"

"Understood." His subordinate responded.

"What's wrong, young master Cao?" Hualing inquired.

"Someone saved Xi Ran and Leng Nichang!" Cao Song gave an honest answer.

"What?!" Hualing and Dali were shocked.

"I will return to the orphanage now." Dali spoke abruptly. "Maybe they are in Kindred Hearts Orphanage now."

"Alright." Cao Song responded.

Kindred Hearts Orphanage, Living Room.

Xiao Tian was currently with Jie and the others. He did not take Leng Nichang, and Xi Ran to the hospital because Cao Song's subordinates did not hurt them.

Xi Xingyi and the others were relieved when they saw Xi Ran and Leng Nichang. Previously, they were worried because they thought the kidnapper would hurt them.

"Ran, Nichang, do you know who kidnapped both of you?" Xi Xingyi inquired.

"I don't know." Leng Nichang began explaining what had happened to them earlier.

She said two people suddenly stopped her car and kidnapped them. They wore masks so Xi Ran and Leng Nichang could not see their faces.

Xi Xingyi turned her head to look at Xiao Tian. "Xiao Tian, who are they?"

"I also don't know." Xiao Tian responded, "They committed suicide right after being beaten up by us earlier. But I still suspect Hualing and Luo because everything is related to them."

Xi Xingyi could only sigh. "At least, Ran and Nichang are fine now."

"Oh right, mother Hanying. This is the money to compensate them." Leng Nichang gave her money to compensate Hualing and Luo.

"Thank you, Nichang." Even though Hanying felt bad for bothering her, but she still took the money.

Xiao Tian touched his chin.

'Why do I suddenly suspect Dali?'

After thinking carefully, he suddenly suspected Dali.

Of course, he would not tell them about it because he still did not have any evidence.

Dali was one of the caretakers, so they would defend Dali if he said something without evidence.

Not long after that, Dali arrived at the orphanage. The expression of deep shock blossomed on his face when he saw Xiao Tian.

'Xiao Tian?!'

Chapter 1460 My Guess Is Right

8-10 minutes

Dali was shocked and annoyed when he saw Xiao Tian in the living room of the Kindred Hearts Orphanage.

'Xiao Tian?!'

Cao Song said Jun and his disciple had beaten up Xiao Tian, so he thought Xiao Tian would not dare to come to the Kindred Hearts Orphanage again, but he was wrong.

He clenched his fist as he looked at Xiao Tian in annoyance.

'Wait? Does that mean the one who saved them was him?'

He shifted his gaze from Xiao Tian to Xi Ran and Leng Nichang.

'I will ask them what is going on.'

Dali pretended as if he did not know that someone had kidnapped Leng Nichang and Xi Ran because he did not want them to be suspicious of him.

However, his acting was not perfect.

Yes, he made a few mistakes when he asked them what was going on!

Xiao Tian was getting more and more suspicious of Dali when Dali was acting strangely. Of course, he did not say anything about it and only paid attention to him.

Not long after that, Xiao Tian and the others left.

Xi Xingyi's House, Living Room.

Xi Xingyi was currently in the living room with Xiao Tian, Xi Ran, and Leng Nichang. He did not send Leng Nichang home because she would sleep at Xi Xingyi's house.

Xi Xingyi was afraid that something bad would happen to Leng Nichang again. That was why she told Leng Nichang to stay the night at her house.

"What makes you think Dali is involved in this?" Xi Xingyi asked curiously.

"I'm still not one hundred percent sure, but his previous behavior was suspicious." He told them the reason why he was suspicious of Dali.

He also suspected that Dali was related to Jun and Dehui because he could feel hatred in Dali's eyes when Dali saw him.

Xiao Tian had mastered the energy of heaven and earth, so he could feel everyone's aura easily.

"So, what are we going to do now?" Leng Nichang inquired.

"I will order my underlings to follow him in secret tomorrow. With this, we will know if my guess is right or not." He believed Dali would meet Hualing or the mastermind if he was involved in the kidnapping case of Leng Nichang and Xi Ran.

"Can you order five of your underlings to protect the orphanage tomorrow?" Leng Nichang asked, "I'm worried about their safety now."

Even though they were not related by blood, but she considered Jie and the others as her family because she grew up in Kindred Hearts Orphanage and she knew them since she was little.

"Sure." he agreed instantly because he could understand her feeling.

After talking for several minutes, Xiao Tian went home.

The next day at 09:00 am, Dali went to Li café to meet Cao Song and Teng Qigang. Of course, he did not know that he was followed by three of Xiao Tian's underlings.

"What?! Xiao Tian?!" Cao Song was shocked and angry at the same time. "You are not lying to me, right?"

"I'm not lying to you." Dali responded, "I met him at our orphanage yesterday. He brought Nichang and Xi Ran to our orphanage after saving them."

He also made up a story to make Cao Song hate Xiao Tian even more because he wanted Xiao Tian to get beaten up again.

Xiao Tian still dared to come to Kindred Hearts Orphanage, so he wanted Xiao Tian to get beaten up again.

Even though Cao Song was affected by Dali's words, but he could still control his emotion.

'It seems like my plan will be ruined by him later!'

He was unhappy because he still could not buy Kindred Hearts Orphanage until now.

Not long after that, they left. Xiao Tian's underlings immediately took their photos when Dali walked next to Teng Qigang and Cao Song.

At the same time, Hualing and Luo came to the Kindred Hearts Orphanage again.

However, everything was out of their control because Leng Nichang, Xi Ran, and Xi Xingyi helped Jie solve the problem.

For this reason, they left with annoyed faces because they could not threaten Jie after Xi Xingyi revealed her identity.

Sure, Cao Song was from an upper-class family, but Xi Xingyi's family was not weaker than Cao Song's family.

Xi Xingyi's House, Living Room.

Xi Xingyi was currently with Xiao Tian, Leng Nichang, and Xi Ran. He went straight to her house after receiving a few photos from his underlings.

His intention was clear.

He wanted to show them the evidence!

"My guess is right! Dali is related to them!" he showed them a few photos.

Previously, his underling sent him seven photos. It was photos of Dali with Cao Song, Teng Qigang, and Hualing.

Solid evidence!

That was solid proof that Dali was related to them.

"So, all this time, he was helping outsiders to get the Kindred Hearts Orphanage, huh?" even though Xi Xingyi did not know who Cao Song and Teng Qigang were, but she knew who Hualing was because she met Hualing at the orphanage earlier.

Xi Ran shifted her gaze from the evidence to Leng Nichang. She was sure that Leng Nichang was furious because Kindred Hearts Orphanage was very important to her.

And what she had guessed was right because Leng Nichang clenched her fists and gritted her teeth as she saw these photos.

Leng Nichang rose to her feet and spoke, "I will go to the orphanage now!"

"Nichang, we will go with you." Xi Xingyi uttered.

"Alright." Leng Nichang responded.

And they finally went to Kindred Hearts Orphanage.

Kindred Hearts Orphanage, Living Room.

Leng Nichang was currently with Jie and the others. She immediately showed all the photos to Jie and the others after arriving at the orphanage.

Dali was not at the orphanage, so he still did not know what was going on.

"Dali?!" Jie and her mother widened their eyes in surprise.

They did not want to accept the truth, but the evidence was in front of their eyes.

If Dali had not been involved in everything, there would not have been photos of him with Hualing, Teng Qigang, and Cao Song.

"Does that mean the car incident was their plan too?" one of the caretakers inquired.

"Based on these photos, there is a high possibility that the car incident was their plan." Xiao Tian suspected the car incident was also their plan.

"But he was injured because of it." The other caretaker uttered, "Does that mean he injured himself?"

"All of them only had minor injuries, so I'm sure they injured themselves." Xiao Tian responded, "And I suspect Dali is related to the two people who wanted to kill me a few days ago."

"What?! You were attacked by two people a few days ago?!" Jie and the others said in surprise.

"Yes. I had no enemy, but two people suddenly appeared and wanted to kill me. Isn't it weird?" Xiao Tian began telling them what had happened to him when he was on a date with Lan Ruoxi.

Jie suddenly remembered Dali's behavior before he said he would change to be a better man.

'Is it because of me?'

She suddenly suspected Dali paid someone to kill Xiao Tian because he was jealous of her relationship with Xiao Tian.

He even spoke ill of Xiao Tian whenever he saw him. She could tell that he really hated Xiao Tian from his eyes.

'Dali, are your words empty words?'

She suspected that Dali was just pretending to be a better man.

"Where is he now?" Leng Nichang could not suppress her anger because she grew up in the Kindred Hearts Orphanage, so this orphanage was really special to her.

Even though she had known Dali for a long time, but she could not forgive him because his actions almost made them lose their orphanage.

"He went out to meet his friends." One of the caretakers responded.

"Maybe, my underlings know where he is right now." after saying that, Xiao Tian called his underling, who was following Dali in secret.

His underling immediately picked up the phone. "Hello, leader?"

"Where is Dali?" he put it on speaker mode so that everyone could hear his underling's voice.

"He is at a love hotel with that woman." His underling responded, "What was her name again? Huling? Haling?"

"Hualing?" Xiao Tian corrected her.

"Yes. He is at a love hotel with that Hualing." His underling responded.

"What?!" Jie and the other caretakers said in surprise.
