

Illicit 1471

Chapter 1471 Jie's Plans

The next day at 07:00 pm, Xiao Tian and Leng Nichang went to the orphanage. The duo was pleasantly surprised when Jie invited them to their thanksgiving party.

Yes, Jie and the others held a small thanksgiving party at Kindred Hearts Orphanage!

She told them she wanted to hold a small party because they managed to protect Kindred Hearts Orphanage from Cao Song.

Of course, they did not know it was a trap set up by Jie and the others because they believed Jie and the others would not hurt them.

They were currently with the orphans and caretakers. They laughed as they chatted happily.

At first, the party was for all ages, but everything changed after all orphans went to bed.

Jie and the others suddenly took out a few beers and put it on the table!

Xiao Tian and Leng Nichang were shocked!

They thought there would be no beer because it was a thanksgiving party, but they were wrong.

Of course, they did not refuse when Jie and the others asked them to drink the beer. They were already adults and had drunk beer many times, so they were fine with it.

"I didn't expect there would be a beer in this party." He was already half drunk because Jie kept giving him a strong beer.

"I also thought there would be no beer in this party." Like Xiao Tian, Leng Nichang was already half drunk too.

At first, the duo could handle it well, but everything changed when Jie and the others kept giving them a beer.

They could not refuse it, so they kept drinking the beer.

Jie and the others smirked when they saw them.

'Everything is going according to our plan.'

Even though they also drank beer, but they did not drink as much as Xiao Tian and Leng Nichang.

Xiao Tian shook his head.

'I can't drink anymore.'

His vision was already blurry.

He tried to stop drinking beer, but Jie kept filling his glass.

Bang!

The sound of his head falling onto the table reverberated in the entire area.

He was already drunk, so he did not feel any pain.

"He is down!" Jie stated.

"Nichang is already drunk too." One of the caretakers said after seeing her.

"Let's carry out our next plan." Jie and the others brought Xiao Tian and Leng Nichang to a spare room.

Actually, it was Dali's bedroom, but no one used it after they kicked him out of the orphanage.

Jie and her mother told the other caretakers to leave the bedroom after putting Xiao Tian and Leng Nichang on the bed because they were not allowed to see their naked bodies.

Yes, Jie and her mother immediately removed Xiao Tian's and Leng Nichang's clothes after they left!

The reason was simple.

They wanted to make it look like Xiao Tian, and Leng Nichang had sex after the party!

Sure, their idea was evil, but they did not care about it because it was a faster way to make them a couple.

Jie and her mother then placed their clothes on the floor, bed, table, and chair. They did this because they wanted to make everything look more natural.

They did a high-five before giggling together.

"Let's leave now." Jie's mother uttered.

"Un." Jie nodded her head.

After walking out of the bedroom, they told the other caretakers what they had to do tomorrow morning.

They did not want to make a single mistake, so they had to prepare everything.

Time went by quickly, and without realizing it, it was already 05:00 am. At this moment, Leng Nichang had woken up.

The expression of deep shock blossomed on her pretty face after waking up.

She was shocked.

She was stunned by what was going on.

First, she was in the bedroom with Xiao Tian. Second, she was naked on the bed. Third, Xiao Tian was also naked. And lastly, their clothes were scattered all over the place.

One thing appeared in her mind after gathering information.

Sex!

She suddenly suspected that she had sex with Xiao Tian last night.

'Did we really do it last night?'

She tried to recall everything, but she did not remember a single thing after she had drunk last night.

She wanted to deny everything, but she could not do that after seeing her surroundings.

Their clothes were scattered all over the place, and she was naked on the bed with him. There was no way that nothing had happened to them after looking around them.

'Did we do it under the influence of alcohol?'

She knew how dangerous alcohol was because everyone could do anything when they were drunk, including having sex.

She just did not expect them to do it under the influence of alcohol.

'The first time we did it was under the influence of aphrodisiacs, and now...sigh.'

Of course, she still did not realize that everything was Jie's and the others' plans.

At this moment, Xiao Tian was still sleeping, so he did not know what was happening. He had no idea what Leng Nichang felt.

'Did we really do it or not?'

She still tried her best to remember everything.

'Well, it has happened, so I can't do anything about it.'

She finally accepted everything.

Of course, she was not angry at him because she was also at fault. She agreed to have sex with him, so it would be unfair for him if she got mad at him.

'Now how should I deal with this?'

She shifted her gaze because she wanted to check his body.

However, her gaze stopped when she caught sight of his huge penis.

'Did his huge rod really go inside me last night?'

Even though it was not her first time seeing his penis, but she was still amazed by it.

'Oh right, that huge thing was also the one that took my virginity.'

She suddenly remembered what had happened in the abandoned bamboo house.

And as if there was a magnet between his penis and her eyes, she could not take her eyes off his cock.

'His rod is beautiful!'

She unconsciously praised his penis.

She was a normal girl, so she also watched porn. She had seen many dicks in porn, but in her eyes, Xiao Tian's penis was the most beautiful one.

*Gulp...

She could not help but gulp her saliva when she saw his cock.

The longer she saw his penis, the bigger the desire to touch it. Sure, she had seen his penis two times, but she had never touched it before.

For this reason, the desire to touch it suddenly arose within her.

'He is sleeping, so he won't know even if I touch his cock.'

She looked at his sleeping face before returning her attention to his huge penis.

'I will only touch it once.'

She moved her right hand before finally touching his penis using her right index finger.

'It's soft.'

At that moment, a little devil suddenly appeared on her left side and told her to do more than that.

She did not know what had happened to her, but she listened to the little devil's words instantly and held his soft shaft.

'It feels good.'

She loved the feeling of holding his penis.

As she was enjoying his penis, Xiao Tian suddenly woke up. "Lady Leng, what are you doing?"

Chapter 1472 I Don't Remember Anything

6-8 minutes

"Lady Leng, what are you doing?" Xiao Tian was shocked after waking up.

He was surprised when he found himself lying on the bed with Leng Nichang. But what surprised him most was that they were naked, and she was holding his penis.

'What is this? How did we end up on the bed naked? And why is she holding my cock?'

He was stunned by what was going on.

She instantly shifted her gaze from his penis to his face. Due to how shocked she was, she forgot to remove her right hand from his shaft.

Yes, she was still holding his penis!

It was still 05:05 am, so she thought he would not wake up, but she was wrong.

"Oh, you have woken up?" even though she was nervous deep inside her, but she tried her best to behave normally.

"How did we end up in this bedroom? And why are we naked? Did we do..." he did not finish his last question and skimmed his surroundings.

'Our clothes are scattered all over the place and we are naked. It looks like we had sex last night.'

He returned his attention to her after skimming his surroundings.

"It seems like we had sex under the influence of alcohol last night." Like before, she tried her best to behave normally.

She was older than him and often teased him, so it would ruin her image if he showed her nervousness.

"I see." Unlike her, he could accept everything quickly. "By the way, lady Leng. Why are you holding my cock?"

She instantly removed her right hand from his penis and tried to find a good excuse. "There was a spider on your thing earlier, so I decided to protect your rod after removing it."

"Pfft!" a peal of suppressed laughter burst out. He found her excuse funny. "Spider? Protecting my rod? Your excuse is so bad! Hehe."

"I'm not lying." She kept lying to him.

"Hehe." He chuckled.

"Ehm!" she cleared her throat. "By the way, do you remember what we did last night?"

"Sorry, but I don't remember anything. I only remember that we drank beer last night." He tried to recall everything, but he only remembered that he drank beers with her and the others.

"I also don't remember anything." she still suspected that they had sex under the influence of alcohol last night. "Our first time was under the influence of aphrodisiacs and last night, we did it under the influence of alcohol. Isn't that a little funny?"

"We are not under the influence of aphrodisiacs or alcohol now, so how about we do it again?" like usual, he did not forget to try to take advantage of the situation.

"Hehe." She giggled after hearing his words.

"Why are you giggling like that?" he pretended as if he did not know the reason why she giggled like that.

"We had sex a few hours ago and you still want to take advantage of the situation? You are really a pervert young man." actually, she had guessed he would say something like that because he was a pervert, a handsome pervert.

"Well, there is a beautiful woman naked next to me, so it's normal if I want to take advantage of the situation. It's called male nature." After saying that, he glanced at her naked body.

'She has a killer body and beautiful breasts.'

He was able to see her naked body clearly because she did not try to cover her body with her arms.

"Are you trying to seduce me now?" she asked as she smiled softly as if she was trying to seduce him.

"I'm not trying to seduce you. I'm stating the truth." He responded, "I'm sure you are already aware of this."

Her lips curled up into a smile when she noticed that he was looking at her breasts. "Xiao Tian, do you want to feel my breasts?"

"We are naked and alone in this bedroom. Are you sure you want to keep teasing me? Are you not afraid of the consequences?" he was a healthy man, and she was a gorgeous lady, so he would not be able to hold back if she kept teasing him.

To his surprise, she grabbed his right hand and placed it on her flat stomach. "How is it?"

"I suggest you to stop this." Even though his women were beautiful, but she was also attractive.

However, she ignored his words as if she was challenging him to do something to her. "How does my stomach feel? Just for information, I'm quite proud of my belly."

He glanced at her.

Was he afraid to accept the challenge?

Of course, not!

He was a pervert.

No!

He was a healthy young man, so he was not always immune to women's seduction, especially if she was beautiful and also naked.

"Yes. Your belly is attractive." After saying that, he moved his right hand from her flat stomach to her left breast. "And your breasts are beautiful too. They are big and soft."

She widened her eyes for a second.

She could not stop him on time because he suddenly moved his right hand from her belly to her breasts.

She looked at his handsome face before shifting her gaze to her left breast. She wavered whether she should remove his right hand from her breasts or not.

'We have had sex twice, so I will let him feel my breasts just for today.'

They had already had sex, and she held his penis earlier, so she decided to let him feel her breasts longer.

However, Xiao Tian had a different thought.

'Green light!'

He thought it was a green light because she did not stop him from feeling her breasts.

Without giving her a warning, he lay on top of her and looked at her pink lips. "And your lips are beautiful too."

She was startled when he suddenly lay on top of her.

'His rod is pressing against my vagina.'

She could feel his penis between her thighs.

Instead of pushing him away, she spread her legs a little wider.

Not only that, but she also placed her hands on his ass and pulled his waist towards hers as if she wanted his penis to meet her pussy.

"Why are you suddenly lying on top of me?" she inquired, "Are you going to kiss me now?"

'His huge penis is slowly erect!'

His cock was pressing against her pussy, so she could feel it when his penis was slowly erect.

'It makes me horny.'

She pulled his waist towards hers even more.

Actually, he was shocked by her actions, but he did not show it on his face.

'I can feel her soft vagina through my cock.'

Like her, he was suddenly horny.

His penis pressed against her pussy, so it was normal if he suddenly got horny because he was a healthy young man.

At this moment, his waist suddenly moved on its own. It was as if his waist had its own thought.

"Mmm..." she tried her best not to moan. "Why don't you answer my question? And why are you suddenly moving your waist?"

Instead of answering her question, he inquired, "Do you want to know how I kissed Xingyi passionately for the first time?"

Chapter 1473 Madam Xi Is Right

7-8 minutes

"Do you want to know how I kissed Xingyi passionately for the first time?" he inquired, "If you want to know about it, I can tell you everything in detail. I even can demonstrate it so that you will know what she felt."

Maybe because she could feel his erect cock through her vagina or perhaps because they had already had sex before, but at the time, she did not refuse as if she was under his magic.

"Sure. Demonstrate it because I want to know what madam Xi felt." She told him to kiss her passionately indirectly.

She did not feel shy or behave shyly when she said this because they had already had sex before, so having a passionate kiss was nothing in her eyes.

Actually, she also wanted to know his skills at deep kissing because her boss kept praising him.

She was a typical lady, so her curiosity would grow bigger if someone praised something over and over again.

'I want to know if madam Xi is telling the truth or not.'

She looked into his black eyes as she slowly opened her little mouth, inviting him to kiss her hungrily.

At first, he thought she only teased him like usual, but he was wrong. Of course, he loved her answer because that was what he wanted to hear.

For this reason, he wasted no time and instantly devoured her little mouth. Even though he had kissed her tender lips, but it was his first time kissing her hungrily.

She welcomed his kiss with her soft tongue.

'Madam Xi is right. He is skilled at deep kissing. It feels good!'

She got hornier when he was kissing her hungrily.

She even did not realize that she moved her waist occasionally, sliding her vagina against his erect penis.

After kissing passionately for several seconds, she broke the kiss. "Madam Xi is right. You are skilled at deep kissing."

He kissed her passionately again because he wanted to make her hornier.

Yes, he knew that she got hornier when they had a deep kiss!

Like her, he also occasionally moved his waist.

At this moment, his penis was already fully erect, and her vagina was wet. His shaft was even wet because of her love juice.

"Huft...Huft...Huft..." they looked each other in the eyes after stopping the kiss as if they were communicating through their eyes.

Xiao Tian suddenly sat up.

He then grabbed her flawless thighs before finally spreading them, revealing her wet vagina.

Leng Nichang did nothing when he suddenly spread her legs. Not only that, she even did not cover her pussy, as if she wanted to show her beautiful vagina to him.

'Are we finally going to have sex under a normal situation now?'

She shifted her gaze from his handsome face to his erect penis.

At this moment, he was holding his cock and placing it at her vaginal opening. He decided to stop doing foreplay because he could not hold back himself anymore.

He also believed she wanted to have sex with him immediately because he could tell from her wet vagina.

He looked at her and spoke, "I'm going to put it in, lady Leng."

She did not say a single word, but she nodded her head, giving him a sign to do it.

He did not thrust his penis into her vagina in one go, but he did it slowly.

All this time, they could not enjoy their sex time completely because they did it under the influence of aphrodisiacs.

For this reason, he thrust his penis slowly because he wanted to feel the sensation of his penis entering and spreading her vagina.

And what he did was right because she also wanted to feel it.

'His penis is slowly going inside me.'

She was able to feel the sensation of his huge penis spreading her vagina to the size of his cock.

Leng Nichang's pretty face slowly turned lewd when his penis went deeper into her vagina. "Mmmm..."

'His penis is so huge. My inside is full. But it feels amazing!'

She spread her legs wider so that he could move his waist easier.

Xiao Tian did not move his waist immediately after thrusting his huge penis into her tight pussy.

Her lips curled up into a smile. "We finally have sex in a normal situation, not under the influence of alcohol or aphrodisiacs."

"Yes. We can finally enjoy our hot time now." he was also thrilled because they could have sex without being under the influence of alcohol or an aphrodisiac.

"How is it, Xiao Tian? Does it feel good?" she knew it was too early to ask this question, but she still wanted to hear his answer.

He was the one who took her virginity, and he was the only one she had sex with, so she wanted to know what he felt when he was inside her.

"It feels good! Your tight pussy is amazing!" of course, he knew why her pussy felt so good.

It was because she had never had sex with anyone before meeting him!

"Alright, you can move your waist now but do it slowly because I don't want to wake everyone." They were at the orphanage, so she told him to move his waist slowly because she would feel shy if everyone knew what they were doing.

The orphanage was not a good place to have sex, so she wanted to hide it from everyone.

Sure, Hanying had told her to be his lover before, but having sex and being his lover were two different things.

"Alright." Even though he desired to fuck her wildly, but he decided to hold back because they were at the orphanage.

Xiao Tian immediately moved his hands from her flawless thighs to her slender waist.

However, something unexpected happened when he was about to slide his penis in and out of her wet vagina.

Someone knocked on the door!

The duo instantly turned their heads toward the door.

She was panicked.

At that time, she thought everyone would know what she was doing with Xiao Tian in the bedroom.

Even though she did not say anything, he knew what she felt.

For this reason, he placed his right index finger on his lips. "Sssttt!"

Actually, he was disappointed because it was his first-time having sex with Leng Nichang without being under the influence of alcohol or an aphrodisiac.

However, he could not be angry because they were at the orphanage.

The one who knocked on the door was one of the caretakers. She had just returned to the orphanage from her hometown, so she did not know about Jie's plans.

"Nichang? Are you up already?" the caretaker kept knocking on the door.

Like before, Leng Nichang did not say anything and only looked at Xiao Tian.

*Knock...Knock...Knock...

The caretaker kept knocking on the door.

'Is she still sleeping?'

Leng Nichang always woke up early whenever she was at the orphanage, so the caretaker was curious if she was still sleeping or not.

"Nichang, have you woken up yet?" the caretaker asked.

Of course, she had no idea that Leng Nichang was currently having sex with Xiao Tian in the bedroom.

'What should I do now?'

She threw a question at Xiao Tian through her eyes.

Chapter 1474 They Seem To Be So Happy

7-8 minutes

"Nichang, have you woken up yet?" the caretaker inquired.

Leng Nichang gave Xiao Tian a signal to take his head closer to hers because she wanted to ask his opinion on something.

After he bent over, she whispered, "Xiao Tian, what should we do now? Should I pretend to be asleep?"

"I think it's better if you pretend to be asleep because, with this, she won't know what we are doing." He whispered, "But it's up to you."

"Did we lock the door last night?" she threw another question.

"Lady Leng, we were drunk last night, so I don't know if we lock the door or not." He was also drunk, so he did not know about it.

"I think we didn't lock the door last night because we were drunk. Xiao Tian, pull out your rod now. From my point of view, it's bad to pretend to be asleep because we don't know whether the door is locked or not. What if she sees us later?" even though she did not want to stop having sex with him, but they had no other choice.

"Alright." Even though he was sad, Xiao Tian did what she wanted because what she said was right.

It was also their fault for having sex at the orphanage because the orphanage was not a place for sex.

"Nichang, are you up already?" the caretaker repeated her question.

"I'm already awake. Wait a minute." Leng Nichang told Xiao Tian to take his clothes and hide.

He did not put on his clothes and immediately hid next to the bed.

There was a small space between the bed and the window, so he decided to hide there because the cupboard was too small to be used as a hiding place.

After putting on her clothes, Leng Nichang opened the door. Of course, she was still nervous because she was almost caught having sex with Xiao Tian in the bedroom.

Xiao Tian let out a deep sigh after they headed to the kitchen.

'My luck is really bad today!'

He looked at his erect cock before finally sighing again.

It was the first time he had sex with Leng Nichang, but they could not finish it. He even had to pull out his cock immediately after thrusting his penis into her wet vagina.

'It feels uncomfortable.'

He felt like he was being tortured.

He had not even had time to move his waist even once after thrusting his penis into her vagina.

Sure, he could feel the softness and tightness of her pussy, but it was only for a few seconds.

'Goddess of luck, you are so cruel to me.'

He blamed the goddess of luck for everything.

Leng Nichang returned to the bedroom at 05:45 am. She was startled when she saw him naked on the floor.

"What are you doing? And why are you still naked?" she threw two questions at once.

"Lady Leng, I'm feeling uncomfortable." Even though his penis had turned soft, but he still felt uncomfortable.

"I can understand your feeling, but hurry up and put on your clothes." She did not want anyone to see his naked body because they would be suspicious of them later.

"Alright." After saying that, he put on his clothes.

The duo was currently standing next to the bed. She told him not to walk out of the bedroom immediately because she needed to check the situation first.

When she saw his expression, she tapped his shoulders and spoke, "Don't be sad. We will do it again later."

She decided to have sex with him again because she was also not satisfied.

Yes, she felt what he felt!

Sure, she knew the feeling when his penis was inside her pussy, but he still had not moved his waist earlier.

That was why she wanted to know what she would feel if they had sex. In other words, she wanted to know what Xi Xingyi felt when she had sex with him.

Xiao Tian turned his head to look at her.

'Later?'

He was pleasantly surprised after hearing her remarks.

He could do adult things with her because they were in a special situation earlier, so he thought they would not do it again.

She almost laughed when she saw his happy face. "Are you happy?"

"Un." He nodded his head.

"As I thought, you are really a pervert." she labeled him as a pervert because he wanted to have sex with her again.

"A handsome pervert!" he corrected her words.

"It's lucky you are attractive because any woman would be disgusted by you if you were ugly." Of course, she knew good-looking people always had privileges.

There were only two kinds of people who got privileges in this world. First, it was good-looking people, and last, it was rich people.

Of course, handsome people would lose to rich people because a good bank account was better than good-looking.

After all, everyone needed money!

They even needed to pay to pee, so it was expected that money was better than good looks.

The corner of his lips twitched.

'Lady Leng, you are so cruel!'

He did not expect her to say a cruel thing with a straight face like that.

He immediately headed to the front yard after walking out of the bedroom. He sat on the swing and enjoyed the fresh air.

To his surprise, a few orphans were already awake and talking in the front yard. For this reason, he decided to chat with them.

"Hehe." They laughed happily as they chatted.

"Big brother, auntie Jie said you had a big company. Is that true?" one of the orphans asked curiously.

"So, are you a rich man, big brother?" another orphan inquired.

"No. I only have a small company." Unlike usual, he did not praise himself this time because he was talking with the orphans. "I'm not rich yet, but I will become the richest person in China in the future."

Actually, he was already in the category of rich people because he had raised his family status to a high upper-class family.

Not long after that, Hanying headed to the front yard and told them to have breakfast together.

Even though they had breakfast in the same dining room, they ate at different tables.

Yes, there were two tables in the dining room!

The first table was for the orphans, while the second was for the caretakers.

There were many caretakers and orphans, so they could not eat at the same table because their table was not big.

But even so, they did not mind it because their tables were next to each other, so they could still chat together.

Some of the caretakers even ate with the orphans because togetherness was the most important thing for them.

"Haha."

"Hey, it's mine!"

"Share it with me."

"I want to eat that too."

Even though the dining room was filled with chattering sounds, none of them was angry; instead, they were happy because togetherness felt amazing.

Sure, it was an unethical way of eating, but they did not care about it. Xiao Tian and Leng Nichang were also fine with it because it made the atmosphere lively.

He smiled softly when he saw the orphans eating together.

'They seem to be so happy.'

He often smiled when he saw them.

As they were eating, Hanying asked something shocking. "Xiao Tian, Nichang, have you two become lovers now?"

Chapter 1475 Forcing Xiao Tian And Leng Nichang To Be Lovers

7-8 minutes

As they were eating, Hanying asked something shocking. "Xiao Tian, Nichang, have you two become lovers now?"

They were eating breakfast together, so she decided to carry out their next plan, and their next plan was to make Xiao Tian and Leng Nichang become lovers.

Last night, their plan was to make Xiao Tian look like he had sex with Leng Nichang, but that was only their supporting plan.

Their real plan was to make Xiao Tian and Leng Nichang a couple.

Xiao Tian and Leng Nichang stopped eating and looked at Hanying.

The duo was shocked.

They did not expect her to say something like that.

Actually, she was not as surprised as him because Hanying had suggested that she become his lover a few days ago.

As the orphans were busy eating and chatting, all caretakers paid attention to Xiao Tian and Leng Nichang.

They felt awkward when Jie and the others looked at them intently.

Sure, they had sex in the bedroom a few minutes ago, but they still hadn't thought about their relationship that far.

"You two have the same chemistry, so I think the two of you will make a perfect couple," Jie added.

"What do you think, everyone?"

"You two really suit each other."

"Yes. You two are a match made in heaven."

"I think so too."

"I support you two to become a couple."

"Me too."

One by one, the caretakers expressed their support.

Even though it was a part of their plan, but they also thought that Xiao Tian was suitable to be Leng Nichang's boyfriend.

When Leng Nichang slapped his right thigh with hers, he knew she wanted him to answer their question.

"We will think about it later."

Actually, he wanted to joke around, saying she had become his girlfriend. However, Jie and the others were important to Leng Nichang, so he changed his mind.

"But last night, you two...did it, right? You two aren't friends with benefits, are you?" Hanying did not want them to be friends with benefits because that kind of relationship was pointless.

It was meaningless to have such a relationship as they did not love each other and only needed physical comfort, like sex.

"Nichang, we could hear some noise from your room last night. Hehe." Jie giggled after saying that.

"I could hear it too."

"Me too."

"I almost could not sleep last night."

The other caretakers pretended to be shy when they lied because they wanted everything to look real.

Xiao Tian and Leng Nichang exchanged a glance with each other.

'They heard it?!'

They were even more certain that they had sex under the influence of alcohol last night.

Leng Nichang suddenly wanted to dig a hole and hide in it. She was shy because they knew what she did with Xiao Tian in their room last night.

"The kids didn't hear it, right?" Leng Nichang hoped the orphans did not hear it.

"Don't worry. They did not hear it." One of the caretakers responded.

Leng Nichang let out a sigh of relief.

"I'm sorry for doing it in the orphanage. We were drunk last night." Leng Nichang apologized because they should not have done that at the orphanage.

"It's fine." Hanying responded, "But don't do that when the kids are around. At least find a quiet and safe place to do that."

Xiao Tian and Leng Nichang were startled by her words.

The meaning of her words was clear.

They could have sex at the orphanage as long as the kids were not around, and he could find a quiet and safe place to do that!

'I don't think you should say something like that.'

They believed Hanying should not say something like that because orphanage was a place for orphans.

'Well, we have no right to say it because we did adult things in the bedroom earlier.'

They suddenly remembered what they had done in the bedroom a few minutes ago.

"Shouldn't you two be officially a couple now that you two had sex last night?" Like before, Hanying was still trying her best to make Xiao Tian and Leng Nichang a couple.

Jie looked at Xiao Tian and spoke, "Xiao Tian, a man must dare to take responsibility for his actions. Since you did it with her last night, you have to take responsibility and be his boyfriend now. You're not an irresponsible person, are you?"

"You too, Nichang. He is your first partner, right?" Hanying believed Xiao Tian was Leng Nichang's first partner in doing adult things because she had never had a boyfriend before.

They cornered Xiao Tian and Leng Nichang to the point the duo could not say anything.

He could not behave normally because they were her family and older than him. It was not good if they took the wrong idea from his words or behavior later.

Hanying put Xiao Tian's hands in Leng Nichang's. "You two are lovers now. You agree, right?"

He almost caught blood.

'Grandma Hanying, aren't you taking this too far? Your action is too much! Why are you forcing us to be a couple?'

It was not like he did not want to be Leng Nichang's boyfriend, but Hanying's behavior was too much.

Leng Nichang also felt what he felt. "Alright. He is my boyfriend from now on."

She could not refuse their wish because they were her only family. She had regarded Hanying as her mother because she took care of her when she was little.

Xiao Tian was shocked.

'What?! She agreed easily?'

Previously, he thought she would make an excuse.

That was why he was shocked when she easily agreed with Hanying's wish because she should have thought about this carefully.

Hanying and the others looked at Xiao Tian, waiting for his answer.

'Why do I feel like I'm a criminal here?'

He did not know whether he should be happy or not.

"What's your answer, Xiao Tian?" Hanying inquired.

"Do you agree to be her boyfriend, or do you want to be labeled as a coward?" Jie used a cruel question because she would not take no for an answer.

He glanced at Leng Nichang.

'Lady Leng, are you sure about this?'

He threw a question through his eyes.

Even though he did not say anything, Leng Nichang knew what he had in mind. For this reason, she nodded her head, signaling him to agree to their wishes.

After thinking for several seconds, he decided to agree. "Lady Leng is my girlfriend from now on."

"Good, good!" Hanying smiled happily because their plan was successful.

The other caretakers also smiled happily.

"Xiao Tian, you have to take care of Nichang from now on." Jie began telling him what he should do as Leng Nichang's boyfriend.

He could only say 'alright, understand', or nod his head when Jie told him what he should do as Leng Nichang's boyfriend.

Leng Nichang giggled happily when she saw his expression.

'I'm sure he is screaming for help in his heart.'

She decided not to help him because his expression was funny in her eyes.

"Should we celebrate this later?" Jie inquired.

"Agreed!" the other caretakers said in unison.

"Let's have a small party again tonight," Jie spoke.

Leng Nichang, who sat next to him, brought her face closer to his right ear. "Are you happy that you are my boyfriend now?"

Chapter 1476 I'm His Lover Now

6-8 minutes

Instead of answering her question, he asked in a low voice, "Are you sure about this?"

"Aren't you happy that you got another beautiful woman?" she did not feel shy when she said she was a pretty lady because she believed everyone would agree with her words.

He also said she was an attractive lady several times, so she behaved normally as if she was like him, someone who loved praising herself.

"Why are you whispering like that?" Hanying inquired, "Come visit us again tonight because we will celebrate it later."

"Alright." Xiao Tian and Leng Nichang had no other choice but to agree.

He went home at 07:30 am. To his surprise, he saw a new car in the front yard of his mansion.

Black mustang GT 500!

He was shocked.

He thought one of his women had bought a new car, but he was wrong. He was utterly wrong because that car was a gift from Cao Zhilan.

Yes, it was his reward for helping her snatch his brother's position!

He immediately called her and thanked her for the gift. Now, he had nine cars in the garage, and all of them were expensive cars.

"So, you slept at the orphanage last night?" previously, Su Ruanyi asked why he did not return home last night.

Normally, he would inform them if he did not return home, but he did not do that last night, so they were worried.

"Yes. I was drunk last night." He explained everything.

Of course, he did not tell them what he had done with Leng Nichang because they were still not officially a couple.

He turned his head to the left. "Jingxian, where is my little angel?"

"She is in the backyard with sister Fei and the others." Long Jingxian knew that he was referring to her daughter because he often addressed her daughter as his little angel.

"In the backyard? Then I will go to the backyard now." after saying that, he headed to the backyard.

Long Jingxian smiled softly when she saw him rushing to the backyard. "It seems like he likes my daughter more than he likes me."

"Well, isn't that a good thing? Because he said he would marry us in the future." Su Ruanyi also thought that Mu Ai had a special place in his heart.

Long Jingxian rose to her feet and spoke, "Let's go to the backyard."

"Un." Su Ruanyi nodded her head.

"Little Ai!" the smile on his face grew bigger when he saw Mu Ai.

Mu Ai was currently playing ball throwing with Liu Ning and Shi Fei next to the pool.

Ye Qingyu, Lin Xing Xue, and Feng Yu were lying on pool lounge chairs. As for Ye Xueyin, she was swimming happily in front of them.

Mu Ai instantly turned her head toward the source of the sound.

'Big brother?'

She was delighted when she saw him.

She wasted no time and ran toward him. "Big brother!"

He squatted down before finally kissing her cheeks and carrying her. "What are you doing?"

"I'm playing with auntie Fei and auntie Ning." She responded, "Why didn't you return home last night?"

"Big brother fell asleep in the office last night." He lied to her.

Shortly after he put her down, his mother got out of the pool and rushed toward him. "Tian!"

As usual, she jumped into his arms when she was close to him. She did not care even though her body was wet.

No!

It was not like she did not care about it, but she forgot that her body was still wet!

But even so, Xiao Tian still caught her. Sure, his clothes got wet instantly, but he was fine with it.

"Big sister, you should not jump into his arms right after getting out of the pool." Ye Qingyu spoke abruptly. "Look! His clothes are wet now."

Ye Xueyin looked at her younger sister before returning her attention to Xiao Tian. "Tian, are you angry at mother?"

He smiled softly when he saw her cute expression. "No. I'm not angry."

"Mmmuucchhh!" she kissed his lips before finally smiling happily. "I love you, Tian!"

Ye Qingyu sighed.

'She is a mature lady, but her behavior is like a kid. I should be her elder sister, not her younger sister.'

She suddenly thought she should be Ye Xueyin's elder sister.

They spent the whole day in the backyard. It was Sunday, so they did not go to work.

When the sky grew dark, Xiao Tian went to Kindred Hearts Orphanage. He did not come alone because Leng Nichang was with him.

Unlike yesterday, there was no beer this time. Of course, Xiao Tian and Leng Nichang did not mind it.

No!

Actually, they were happy when Jie said there would be no beer because they were afraid that they would end up having sex at the orphanage again.

Xiao Tian and Leng Nichang went home at 10:00 pm. That night, he had an orgy with his women in his bedroom.

They had sex for about an hour before they finally slept.

The following morning, he went to Star Group after breakfast. He had lunch with Yun Xin Er and Crystal.

He went to Xi Xingyi's house at 03:00 pm because she said she wanted to spend time with him.

"So, they forced you to be Nichang's boyfriend?" Xi Xingyi was startled when he told her what had happened to him when he was at the orphanage.

Of course, he did not tell her what he had done with Leng Nichang in the bedroom because he was afraid that Leng Nichang would be angry at him if he did that.

"Yes." He responded.

"And Nichang agreed with it?" she threw another question.

"Yes. I think it's because they are her family, so she can't refuse their wish." he believed Leng Nichang would refuse their wish if they were not her family.

"I will call her and tell her to come to my house now." after saying that, she called Leng Nichang.

She did not tell Leng Nichang that she wanted to know what she had done at the orphanage with Xiao Tian.

For this reason, Leng Nichang went to her house with curiosity in her heart. She was startled when she saw Xiao Tian because she thought Xi Xingyi was alone in her house.

After sitting on the couch, Leng Nichang inquired, "Madam Xi, may I know why you suddenly asked me to come to your house?"

"Nichang, Xiao Tian told me that Jie and the others forced you to be his lover." Xi Xingyi spoke and paused for a second before she continued, "Is that true?"

Leng Nichang did not answer immediately and turned her head to look at Xiao Tian.

'I see.'

She finally knew the reason why Xi Xingyi suddenly told her to come to her house.

'Did you tell him what we did in the bedroom?'

She threw a question through her eyes.

Even though she did not say anything, but he knew what she had in mind.

'No. I did not tell her about it.'

He shook his head.

"Why don't you answer my question? Is it true that you are his girlfriend now?" Xi Xingyi inquired.

"He is telling the truth." Leng Nichang replied, "I'm his lover now."

Xi Xingyi threw a shocking question after hearing her answer. "Then, have you two had sex before?"

Chapter 1477 Locking Xiao Tian And Leng Nichang In The Bedroom

6-8 minutes

"Then, have you two had sex before?" Xi Xingyi threw a shocking question after hearing Leng Nichang's answer.

Actually, this was one of the reasons why she told Leng Nichang to come to her house because she was curious about this.

Of course, she did not mind if they had already had sex before.

No!

She would love it if they had already had sex because she wanted Leng Nichang to be her sister.

She wanted Leng Nichang and her daughter to be Xiao Tian's girlfriends because she believed their relationship would become stronger if they loved the same person.

Leng Nichang and Xiao Tian were shocked.

The duo exchanged a glance with each other before finally returning their attention to Xi Xingyi.

"You don't need to hide it. I won't get angry at you two; instead, I will be happy because, with this, Nichang will be my sister." Xi Xingyi encouraged them to tell the truth.

Xiao Tian decided to let Leng Nichang answer Xi Xingyi's question. No, he was not a coward or trying to avoid the question.

It was because he did not want to say something that could make Leng Nichang sad!

He was afraid he would misspeak like what he did when they were on vacation last month.

Of course, he would answer her question if Leng Nichang remained silent or could not answer her question.

At this moment, Leng Nichang wavered whether she should tell the truth or not. She shifted her gaze from Xi Xingyi to Xiao Tian, asking for his opinion.

When Xiao Tian did not say anything and only stared at her, she knew he would let her answer Xi Xingyi's question.

After thinking for several seconds, she decided to lie. "No. We still haven't had sex yet."

At first, she wanted to tell her boss that they had already had sex under the influence of aphrodisiacs and alcohol, but she changed her mind because she didn't want Xi Xingyi to feel betrayed.

And she also didn't know whether what she had done with Xiao Tian could be called sex or not because he only thrust his penis into her vagina for less than ten seconds.

'I think it can be called sex because his has thrust his rod into my pussy.'

She turned her head to look at him, wanting to see his expression.

She let out a sigh of relief when he only smiled at her because she was afraid that he would be angry at her.

"I see. So, when are you going to do it?" Xi Xingyi wanted them to have sex immediately because, with this, Leng Nichang would become her sister officially.

"Why do you want us to have sex immediately?" he responded, "We just became a couple. Isn't that too fast for us to do it?"

"But we did it before we even became lovers, so I think it's not too fast." Xi Xingyi had sex with Xiao Tian before they became lovers, so from her point of view, it was not too fast.

Sure, Xiao Tian and Leng Nichang became a couple because Jie and the others forced them to, but she agreed to be his lover.

"Hehe." Leng Nichang giggled after hearing Xi Xingyi's answer.

'Oh right. I forgot that they had sex when their status was not a couple yet.'

She knew about this because Xi Xingyi told her when they were on vacation.

The corner of his lips twitched. "Xingyi, you are not her, so you can't force us to have sex immediately. You should understand her position too."

"Are you saying I'm an easy woman?" Xi Xingyi crossed her arms over her chest.

He suddenly felt like whatever he said would be wrong in her eyes. That was why he looked at Leng Nichang, hoping she would help him.

"Hehe." Leng Nichang giggled again when she saw his expression.

'He is cute when he is in helpless situation like this.'

She did not help him because she enjoyed seeing his expression.

"Nichang, when will you do it with him?" Xi Xingyi repeated her question.

"I don't know." Leng Nichang would do it when the situation was right.

"I can't accept this." After saying that, Xi Xingyi rose to her feet. "You two need to do it quickly."

Xiao Tian and Leng Nichang looked at Xi Xingyi without saying a single word. To their surprise, she suddenly dragged them into her bedroom and locked them there.

"You can use my room to do it. Just act like I'm not at home." Xi Xingyi smiled happily before finally returning to the family room.

Xiao Tian and Leng Nichang sighed when Xi Xingyi locked them in her room. They did not expect her to do something crazy like that.

"What should we do now?" she inquired.

"I can destroy this door, but Xingyi will be angry at us later." He had his special sword in his pocket, so he could destroy the door if he wanted to.

"Let's just lay on the bed and wait for her to open the door." She believed he could destroy the door because she knew he was a powerful martial artist.

However, she did not want him to do that because it could make her boss angry later.

The duo watched a movie after lying on the bed. Even though they were locked in the bedroom, but they were not sad.

"Hehe." They chuckled.

"It was a good movie!" she stated.

"Yes." He nodded his head. "Let's watch a comedy film this time."

"Alright." She agreed instantly.

Time went by quickly, and without realizing it, it had been two hours since Xi Xingyi locked them in her room.

Xi Xingyi was currently heading to her room because she wanted to know if they had sex or not.

She was disappointed after opening the door because they only watched a movie. "Why don't you have sex in my room?"

Xiao Tian and Leng Nichang turned their heads toward her. They chuckled when they saw the disappointment on her face.

"Xingyi, come here and watch a movie with us." Xiao Tian uttered, "This movie is good."

"Come here, madam Xi." Leng Nichang added. "Let's watch a movie together."

Xi Xingyi did not close the door and immediately lay on his right side. She gave up on telling them to have sex, so she decided to watch a movie with them.

"What kind of movie is this?" Xi Xingyi asked curiously.

"It's a comedy movie." He answered. "This movie is amazing!"

"Is this your movie?" Xi Xingyi threw another question.

"Unfortunately, it's not my movie, but it's still an amazing movie." He was not angry or jealous because that movie deserved his praise.

"I thought you would only praise your movie." Xi Xingyi joked around.

"What are you saying, my love? I'm an upright person. I praise something that deserve to be praised." He would praise something that deserved to be praised.

At the same time, Xi Ran arrived home.

'Where is my mother?'

She was currently in the family room.

'Is she in her room?'

She immediately headed to her mother's bedroom.

'What are they doing in the bedroom?'

She was shocked when he saw Xiao Tian, Leng Nichang, and her mother lying on the bed.

Chapter 1478 Going To Suzi City

7-8 minutes

"What are you guys doing?" Xi Ran asked curiously.

Even though she was standing in front of her mother's bedroom, she could see what they were doing because her mother did not close the door earlier.

Xi Xingyi and the others shifted their gaze from the TV to Xi Ran.

"Ran, come here and watch a movie with us." Xi Xingyi told her daughter to watch a movie with them.

Xi Ran stepped into her mother's room before finally lying next to her. "Why are you watching a movie here?"

Before Xi Xingyi could answer Xi Ran's question, Leng Nichang said, "It was because your mother locked Xiao Tian and me in her room earlier."

"Is that true, mother?" Xi Ran wanted to know if Leng Nichang was telling the truth or not.

"Yes." Xi Xingyi gave an honest answer.

"Why did you do that?" Xi Ran threw another question.

Like before, Leng Nichang answered Xi Ran's question. "Because she wanted Xiao Tian and me to have sex in her room."

Xi Xingyi locked them in her room earlier, so she decided to take revenge. She dared to do that because she knew Xi Xingyi would not be angry at her later.

"But they are a couple now, so it's normal if I want them to have sex." Xi Xingyi defended herself.

"What?!" Xi Ran was shocked. "Nichang, are you his lover now?"

Even though she knew there was a possibility that Leng Nichang would fall in love with Xiao Tian, but she did not expect it to be so quickly.

"Yes. I'm his girlfriend now." Leng Nichang gave an honest answer, "Mother Hanying and the others forced me to be his lover yesterday."

"And you agreed instantly?" Xi Ran uttered.

"Well, they are my family, so I can't say no to their wish. And even though he is a pervert and playboy, but he treats me well." Leng Nichang suddenly remembered the time when she was being treated at Life Hospital.

At that time, he visited her every day, spent time with her, and took her to the garden. He even didn't feel shy when they went to Shanghai River, and he pushed her wheelchair.

That was one of the reasons why she agreed to be his girlfriend because he always treated her well.

"Well, it's your business, so everything is up to you." Xi Ran glanced at Xiao Tian after saying that.

"Ran, how about you become his girlfriend too?" Leng Nichang joked around. "With this, we can bully him together. Hehe."

"That's right, Ran." Xi Xingyi added. "We can bully him together later."

The corner of his lips twitched.

'So, you two agreed to be my girlfriends because you wanted to bully me?!'

He suddenly wanted to punish them.

Xi Ran did not answer and only hugged her mother's right arm. "Let's watch a movie now."

They watched a movie until 07:10 pm. Xiao Tian did not have dinner with them because Mu Ai called him, saying she wanted to spend time with him.

That night, he did not have sex with any of his women because he slept in Mu Ai's bedroom.

The following morning, Xiao Tian went to Eternal Group to work. To his surprise, Cao Zhilan invited him to drink green tea together.

He spent time with her for several minutes before finally heading to Star Group. That day, he did not spend time with his women because he worked until late at night.

Yes, he went home tired!

He even skipped dinner.

He immediately washed his face and slept after arriving home.

The next day at 09:00 am, Leng Nichang went to Kindred Hearts Orphanage because Hanying said she had something important to say to her.

Hanying said she wanted to visit Wuying the day after tomorrow. She asked Leng Nichang to go with her because Wuying wished to see her too.

Of course, Leng Nichang agreed instantly because Wuying was one of the caretakers when she was little.

"What?! Why do you want Xiao Tian to go with us?" Leng Nichang was shocked when Hanying asked her to invite Xiao Tian to go with them.

Previously, she thought she would only go with Hanying and Jie, but she was wrong.

Sure, he helped them solve a big problem a few days ago, but he did not have any relationship with Wuying.

This was the reason why she wanted to know why Hanying wanted to take Xiao Tian with them.

"You two are lovers now. I'm sure Wuying will be happy if you bring your lover later. That's why I want to take him with us." Hanying believed Wuying would be happy if she knew Leng Nichang had a lover like Xiao Tian, someone who was attractive and successful.

Leng Nichang could not say no when Hanying kept asking her to invite Xiao Tian. For this reason, she met him after leaving Kindred Hearts Orphanage.

Like her, he was also shocked. He said he needed to discuss this with his women first because he rarely spent time with them lately.

Xi Xingyi and Leng Nichang went to Xiao Tian's house at night. Shi Fei and the others agreed but on one condition.

He had to spend time with them for a whole day tomorrow!

Actually, they did not want to let him go with Leng Nichang because he rarely spent time with them lately.

However, they changed their minds when they thought about Leng Nichang's feelings. They believed she would become their sister, so they decided to let him go with her.

The following morning, he took his women to many good places, like Life Waterfall, Du Beach and Zhi Park.

They returned home at 06:00 pm.

Even though they knew he was exhausted, they still asked to have sex with him because they would not be able to spend time with him for several days.

The next day at 07:00 am, he went to Leng Nichang's house to pick her up. They wasted no time and went straight to Kindred Hearts Orphanage.

Jie and Hanying were waiting in the living room. They traveled to Wuying's hometown after Xiao Tian and Leng Nichang arrived at the orphanage.

Wuying's hometown was located in Suzi City, one of the small cities in the Wanhui district. Suzi city was far from their orphanage.

It would take them six hours to reach Suzi city. They stopped a few times because he was tired.

On the road, Hanying told him who Wuying was. She said Wuying was one of the caretakers in the past.

She returned to her hometown when she was forty years old. Now she lived with Yongcheng and Guanting.

Yongcheng was her nephew, while Guanting was Yongcheng's mother.

"I see." Xiao Tian responded. "Are you sure there will be enough room for us later? I mean, there will be many people in one house later."

"Wuying said she had renovated her house." Hanying responded, "Even though the bedroom is not big, they have five room now."

Wuying would sleep alone in her room. Yongcheng and Guanting would sleep in the same bedroom.

She would sleep with Jie. As for Xiao Tian and Leng Nichang, they would get their own room because they were not husband and wife.

After driving for several hours, they finally arrived at Wuying's house.

Chapter 1479 I'm Rich

8-10 minutes

Wuying and Guanting welcomed them with a smile when they arrived at their house.

Yongcheng was not at home, so he did not know they were at his house. They talked for several minutes before finally, Leng Nichang dragged Xiao Tian to the backyard.

There was a tree swing in the backyard. However, it was too small for two people, so only Leng Nichang sat on the swing.

"The view in this backyard is not bad." He could see many kinds of trees from the backyard.

"Yes." She nodded her head.

The duo began to chat and joke together. Like usual, she teased him. She even teased him about how lucky he was to have her as his lover.

"Lady Leng, you are my lover now, so I can punish you, right?" he wanted to punish her because she kept teasing him.

"Punish me? Do you want to have sex with me again?" she thought he wanted to have sex with her because Xi Xingyi said he wanted to have sex if he said something like that.

"No. I mean, I want to slap your buttocks." He swung his right hand, demonstrating what he wanted to do.

"How about you slap my buttocks with your waist?" Like before, she teased him again.

The meaning of her words was clear.

Sex!

However, he knew she was only joking around. "That's actually a great idea!"

"Hehe." She knew he would say something like that.

"Nichang!" a voice suddenly rang out.

Xiao Tian turned his head toward the source of the sound.

'Who is he? Is he Yongcheng?'

He saw a young man about twenty-six years old walking toward them.

Even though he was in the category of handsome men, but Xiao Tian was much more handsome than him.

"Yongcheng?" she was pleasantly surprised when she saw him.

Of course, she knew who he was because they were childhood friends. When Wuying was still a caretaker at Kindred Hearts Orphanage, he often came to the orphanage.

Yongcheng walked toward her with a smile on his face. He was pleased when his mother said she was in the backyard.

'She is much prettier than the last time I saw her.'

It had been seven months since the last time he saw her.

Like usual, he wanted to hug her.

However, something unusual happened when he was about to embrace her.

She pushed him away!

Yes, she refused to be hugged by him!

He was stunned.

'What?!'

Something like this had never happened before.

She was Xiao Tian's girlfriend now, so she needed to protect his feelings. She was sure Xiao Tian would be disappointed if she let Yongcheng hug her.

Xiao Tian was startled.

Of course, he liked what she did.

Even though they became a couple because Jie and the others forced them to, but she agreed to it.

Yongcheng turned his head to look at Xiao Tian.

'Who is he? Is he her friend or boyfriend?'

He believed Xiao Tian was the reason why she refused to be hugged by him.

When Yongcheng looked at Xiao Tian, Leng Nichang introduced Xiao Tian to him. "He is Xiao Tian, my boyfriend."

Even though Yongcheng was unhappy, but he did not show it on his face because it could ruin his relationship with Leng Nichang.

He stretched out his right hand, intending to a handshake with Xiao Tian. "I'm Yongcheng, her childhood friend."

Xiao Tian smiled as he grabbed his right hand. "I'm Xiao Tian, her boyfriend."

At this moment, something unexpected happened.

Yongcheng squeezed his right hand hard!

Yes, he wanted to teach Xiao Tian a lesson for stealing Leng Nichang from him!

Sure, he could not do that openly, but he could do that indirectly, like squeezing Xiao Tian's right hand when they were shaking hands.

Actually, Xiao Tian tried to be nice to Yongcheng because he was Leng Nichang's childhood friend.

But he changed his mind because Yongcheng dared to squeeze his right hand.

'I see.'

He began to fight back, squeezing Yongcheng's right hand hard.

Xiao Tian was a martial artist at the high-level master stage, while Yongcheng was only at the mid-level master stage, so the difference between their strength was huge.

'Hii!'

Yongcheng felt pain when Xiao Tian began to fight back.

'How? How can he be stronger than me?'

Xiao Tian was younger than him, so he thought he was stronger than him.

'Is he a martial artist like me?'

He suddenly suspected Xiao Tian was a martial artist like him.

'It hurts!'

He felt even more pain when Xiao Tian squeezed his right hand harder.

Of course, he tried his best to endure the pain because he was in front of Leng Nichang. He would lose face if she knew about it.

Actually, Xiao Tian did not use all his power because Yongcheng was Leng Nichang's childhood friend.

He hoped it was enough to teach him a lesson.

"Why are you still doing handshake?" Leng Nichang inquired.

"Xi...Xiao Tian, can you let go of my hands?" Yongcheng was pleased when she asked them to stop doing handshakes because he almost could not endure the pain.

Xiao Tian squeezed Yongcheng's right hand harder for a second before he stopped teaching him a lesson.

Yongcheng immediately hid his right hand behind his back, shaking his right hand continuously.

"Nichang, it has been quite a while since the last time you came to my house. How about I take you around this city?" Yongcheng inquired.

"I'm sorry, but I'm still tired, so I don't want to go anywhere." she refused instantly.

Yongcheng believed Xiao Tian was the reason why she refused to go for a walk with him because she also refused to be hugged by him earlier.

The trio began to chat. During their conversation, Yongcheng always praised himself. He did this because he wanted Leng Nichang to know that he was better than Xiao Tian.

"By the way, Xiao Tian. How old are you now?" Yongcheng inquired.

"I'm twenty-two." Xiao Tian gave an honest answer. "Well, I will be twenty-three in two months."

"Are you still in college?" Yongcheng threw another question.

"No. I dropped out of college." Actually, Xiao Tian wanted to lie, but Leng Nichang was next to him, so he changed his mind.

Yongcheng was pleased because he was better than Xiao Tian again. "What a pity! Just for information, I graduated from Beijing University."

He glanced at Leng Nichang, wanting to see her expression. However, he was disappointed because she seemed not to care about it.

"Ehm! I also have four convenience stores." Yongcheng kept boosting. "I'm sure I can raise my family to be an upper-class family in the future."

"Oh, that's amazing!" Xiao Tian praised Yongcheng while using a flat tone.

"What about you? Are you still looking for a job now?" Yongcheng wanted to keep humiliating Xiao Tian.

"I'm not as amazing as you." Xiao Tian responded, "I only have four companies with more than a hundred branches."

"Lies!" of course, Yongcheng did not believe it.

"What do you mean by that? I'm not lying. I'm serious." Xiao Tian responded, "I even created Star Group a few months ago."

"Hehe." Leng Nichang giggled. "Xiao Tian, you should be on TV more often from now on. Everyone only knows your name, but not your face."

"But it's wasting my time." Xiao Tian only wanted two things in his life.

First, he wanted to spend time with his women, and last, he wanted to make his predecessor's dream come true.

This was the reason why he always refused the invitation because they invited him for something useless.

Yongcheng turned his head toward Leng Nichang. "Nichang, is he telling the truth?"

"Yes." Leng Nichang gave an honest answer. "He is the owner of Star Group. He even got the title of Miracle Young Man a few months ago."

Yongcheng shifted his gaze from Leng Nichang to Xiao Tian.

'Miracle Young Man?'

He knew about it because his subordinates always discussed it in the past.

'I hate to admit it, but he is indeed good-looking.'

He believed his subordinates said the person who got the title of Miracle Young Man was an attractive young man.

After checking his information on the internet, Yongcheng rose to his feet. "I forgot I had something to do, so I'm going back to my room now."

He was embarrassed, so he did not want to stay with them.

Previously, he always said he was better than Xiao Tian, but after finding out who he was, he knew he was nothing compared to him.

"Hehe." Leng Nichang giggled after Yongcheng left. "You are a bad young man, Xiao Tian."

Chapter 1480 How About Little Nichang?

7-8 minutes

"You are a bad young man, Xiao Tian." Leng Nichang knew why Yongcheng suddenly left.

Of course, she did not blame him because he was not at fault.

Yes, everything was Yongcheng's fault!

She believed everything would be different if Yongcheng didn't continue to brag about himself.

"Why are you saying something like that? I'm not a bad person because I'm a kind and upright young man." Of course, he also knew the reason why Yongcheng suddenly left, but he did not care about it.

"Hehe." She giggled again after hearing his words.

"Lady Leng, why are you gi-" he could not finish his question because she suddenly pressed her right index finger against his lips.

"Xiao Tian, even though we became a couple because mother Hanying forced us to, but I'm still your girlfriend. Are you going to keep calling me lady Leng?" they were lovers now, so she thought it was time for him to change the way he addressed her.

He removed her right index finger from his lips. "You are right. I should stop calling you lady Leng. But what should I call you now? Hmm? How about Ni? Little Nichang? Or Nichang?"

He wanted to ask her opinion about it because he did not want to make her feel uncomfortable later.

"Little Nichang is not a good choice because I'm older than you." She responded, "You can choose between Ni and Nichang."

"Then I will call you Nichang from now on." He thought calling her Nichang was better. "Are you going to keep calling me Xiao Tian?"

"How about I call you little Tian?" she teased him. "Hehe."

"It seems like I have to punish you now." she was sitting on the ground with her back leaning against a tree, so he immediately pinned her against the tree.

She was not afraid and only looked into his black eyes. "You have to take responsibility if someone sees us later."

The meaning of her words was clear.

He could punish her!

However, he had to take responsibility if someone saw them later.

Xiao Tian turned his head to the left and right, skimming his surroundings.

'There is no one in the backyard now.'

But he suddenly changed his mind because they were at someone else's house.

When Xiao Tian brought his face away from hers, she uttered, "I didn't know my lover was a coward."

A challenge!

She challenged him to kiss her indirectly!

Xiao Tian's masculinity instantly appeared because he was a pervert, not a coward.

No!

He meant he was a healthy young man, not a coward, so he accepted the challenge.

He wasted no time and instantly pressed his lips against hers. To his surprise, she suddenly opened her little mouth as if she was giving him a sign to kiss her passionately.

He was startled.

Actually, he had no intention of kissing her passionately because they were at someone else's house.

But because she asked him to kiss her passionately, of course, he accepted it gladly.

A cat would never refuse if its owner gave it a tuna!

In this situation, he was the cat while she was the tuna.

No!

Xiao Tian was a wild beast, not a cat and a wild beast always ate its prey.

That was why he instantly devoured her and moved his tongue lewdly. Sure, they were at someone else's house, but he no longer cared about it.

What he had in mind was only one thing.

Kiss her passionately!

Leng Nichang had challenged him to kiss her, so as a man and her boyfriend, he had to accept the challenge.

The duo really enjoyed the kiss. Not only did they move their tongues lewdly, but they also tilted their heads to the left and right.

"Huft...Huft...Huft..." she broke the kiss when she was out of breath.

At this moment, the distance between their faces was so close to the point they could feel each other's breath.

"I thought you did not dare to kiss me earlier." She smiled softly after saying that, telling him that she was satisfied with his kiss through her eyes.

He could not see her charming smile because the distance between their faces was too close.

In other words, he could only see her beautiful eyes.

"Because I'm a pervert, not a coward." After saying that, he kissed her passionately again.

At first, he wanted to stop kissing her, but he changed his mind after seeing her beautiful eyes and feeling the fragrance of her breath.

Of course, she welcomed the kiss again. They were alone in the backyard, and he was skilled at deep kissing, so there was no reason to reject the kiss.

She stopped the kiss again when she was out of breath. "Hehe. You finally admit that you are a pervert."

Actually, he slipped his tongue before. "I mean I'm a little pervert. A little, only a little.!"

"Is that so? Then I will ask madam Xi and your other girlfriends later. I will ask them if you are telling the truth or not. Hehe." Of course, she did not believe his words because her boss said he was a big pervert.

Yongcheng, who was standing next to the wall, gritted his teeth and slammed the wall.

Previously, he wanted to give her something, so he returned to the backyard.

He just did not expect what he saw after returning to the backyard was something that made his heart hurt.

Xiao Tian and Leng Nichang kissed under a tree!

They even had a passionate kiss.

But what annoyed him most was that Leng Nichang seemed to enjoy the kiss.

He disliked it!

He hated it!

She was his childhood friend, so she only belonged to him, not Xiao Tian.

'Damn it!'

His eyes gleamed with a terrifying light as he stared at Xiao Tian.

'I have to do something! I can't let this continue because she only belongs to me!'

He kicked the bottle on the ground hard before finally heading to his room to think of a way to separate Xiao Tian from Leng Nichang.

At the same time, Hanying and the others were chatting in the living room.

"Sister Jie, grandma Hanying, how about we match Nichang with my son? They are already adult, so I think this is a good idea." Guanting knew her son liked Leng Nichang, so she tried to set him up with her.

She also liked Leng Nichang because Leng Nichang was pretty, successful, and had a good personality.

This was the reason why she agreed instantly when her son wanted her to talk about this to Jie, Hanying and Wuying.

Hanying and Jie were startled.

'What?!'

They did not expect her to say something like that.

"But Nichang already has a lover." Hanying gave an honest answer.

"Who is her lover? Isn't she single?" Guanting was shocked when she found out that Leng Nichang had a lover because she knew Leng Nichang only focused on her career and their orphanage all this time.

"You have met her lover." Jie did not tell Guanting immediately that Leng Nichang's lover was Xiao Tian.

"Yes." Hanying added. "You even chatted with him a few minutes ago."

Guanting still did not get their word. "Can you just tell me the name?"

"His name is Xiao Tian." Hanying responded, "He is the young man who came with us."
