Chapter 1481 He Has Bright Future Too

"What?! Xiao Tian?" Guanting found it hard to believe what she was hearing. "Isn't he one of the caretakers at your orphanage?"

"No." Hanying responded, "He is a businessman."

"How long did they know each other?" Guanting threw another question.

"I don't know. Maybe a year." Hanying did not know about this because she had never asked about this matter to Leng Nichang or Xiao Tian. "But we know him for two months."

"Grandma Hanying, isn't it better to make Nichang become my son's girlfriend?" Guanting still tried her best to set her son up with Leng Nichang. "Nichang has only known him for a year and you two have only known him for two months, while both of you and Nichang has known my son for more than twenty years."

She then continued, "Isn't my son better than him in this aspect? After all, you don't know his personality well. What if Xiao Tian breaks her heart later?"

Hanying and Jie exchanged a glance with each other.

'She is insisting on set her son up with Nichang.'

Actually, they did not want to help her, but they did not have the heart to say it openly because they had known each other for a long time.

"Guanting, you should not make them in a difficult situation?" Wuying spoke abruptly. "You should talk about this with Nichang because they are not her."

Guanting turned her head to look at Wuying. "Auntie Ying, I'm saying this for Nichang's future too. My son is handsome, young and successful. In my view, he is suitable for her and I'm sure he can make her happy too."

"Sister Guanting, Xiao Tian is also a successful person." Jie spoke abruptly. "Not only that, but he is also famous."

Guanting had never seen Xiao Tian on TV or in the magazine, so she did not believe Jie's words easily. "Successful person? What is his business? Is he as successful as my son?"

She told them that her son had a bright future. He built his business from scratch, and he had four convenience stores now.

He also planned to build two supermarkets in a few months. She believed it was hard to find someone like her son in China.

Actually, Jie and Hanying did not want to tell her that Xiao Tian was more successful than Yongcheng because they did not want to hurt her heart.

However, they changed their minds when she kept insisting on setting her son up with Leng Nichang.

They were the ones who made Xiao Tian and Leng Nichang a couple, so there was no way they would help her because it would hurt Xiao Tian's heart and ruin their image.

"Sister Guanting, Xiao Tian is no less successful than your son." Jie chose her words carefully because she did not want to hurt Guanting's feelings. "And I think he also has bright future like your son."

"Tell me what his business is." Guanting repeated her words.

"He has a few businesses. He is the owner of Star Group and the one who got title of Miracle Young Man." After saying that, Jie took her smartphone and showed his information.

There was information about Xiao Tian on his company website. Of course, they did not write about his private information in detail.

They only wrote a little about his background, all of his companies, and his achievements.

Guanting widened her eyes after reading his information.

'What?! He is only twenty-two years old and has achieved all of this?! He even got title of Miracle Young Man.'

She found it hard to believe what she was reading.

Sure, her son was amazing, but he was nothing compared to Xiao Tian. He even could achieve all of that in just three years.

She suddenly remembered that there were always better people out there. She just did not expect Xiao Tian to be one of them.

Guanting suddenly wanted to dig a hole and hide there. Previously, she kept praising her son and underestimating Xiao Tian, but reality slapped her face hard.

Sure, there was a possibility that her son could raise her family status to an upper-class family, but at that time, she believed Xiao Tian would be richer too.

She was at a loss for words.

She did not know what to say after finding out who Xiao Tian was.

Previously, she wanted to set her son up with Leng Nichang because she thought her son was better than Xiao Tian.

Now that she found out how rich Xiao Tian was, she did not know how to make them agree to match her son with Leng Nichang.

Wuying was also surprised when she read about Xiao Tian's information. Like Guanting, she also previously thought Xiao Tian was a new caretaker at Kindred Hearts Orphanage.

When Wuying saw Guanting's expression, she immediately spoke, "Alright. Let's forget about this. Let's change the topic of conversation now."

She knew what Guanting felt because it was written on her face. Of course, she would also feel like that if she was in her shoes because she kept praising her son earlier.

Jie and Hanying were delighted when they changed the topic of conversation because, with this, they did not need to help Guanting.

Because they did not want to make Guanting sad anymore, they said they would not get involved in their love affair later.

They would accept any man Leng Nichang chose because they only wanted her to be happy.

Guanting was thrilled after hearing their words because the meaning of their words was clear.

Any man could become Leng Nichang's boyfriend or husband!

Sure, Jie and Hanying would not help her, but that didn't mean her son did not have a chance to be Leng Nichang's boyfriend.

At the same time, Xiao Tian had a good time with Leng Nichang in the backyard. She was currently sitting on the tree swing with him pushing her from behind.

"Nichang, I think Yongcheng likes you." He spoke abruptly.

"Are you afraid that I will break up with you and become his girlfriend?" she inquired.

He did not answer her question and only pushed the swing slowly. Of course, he did not want that to happen because she was his lover now.

Sure, they became lovers because Jie and Hanying forced them to, but she was still his girlfriend.

"Hehe." Leng Nichang giggled when he did not answer her question. "Why don't you answer my question?"

"Even though I'm a playboy, but I won't force a woman to be with me or stay with me." He said something different from what he felt.

"I did not expect you to say something like that." She responded, "Don't worry. I won't break up with you and become his lover because I only regard him as my brother, nothing more than that."

"Really?" his eyes shone brightly.

"Yes." She nodded. "We have known each other since we were little, so I can't think of him as more than my brother. Are you happy now?"

He did not answer her question; instead, he caught the swing before finally tilting her head back and pressing his lips against hers.

She was pleasantly surprised when he suddenly kissed her lips from behind.

'He has been kissing me a lot since we became lovers.'

But even so, she did not hate it because it was romantic.

'It seems like he can make me happier.'

Chapter 1482 Flower Boat

7-8 minutes

Wuying's House, Yongcheng's bedroom.

Yongcheng was currently lying on the bed alone.

Like before, he was still wearing a displeased expression because he was disappointed with Leng Nichang and angry at Xiao Tian.

He had known her since they were little, so she should have chosen him if she wanted a boyfriend, not Xiao Tian.

He also believed he was much better than Xiao Tian. "What does she see in him? I'm sure I'm much better than him."

The anger within him grew bigger when the memory of them kissing passionately under a tree appeared in his mind.

He could only hug her all this time because she always refused or avoided him whenever he tried to kiss her.

"Should I confess my love to her?" even though he had expressed his feelings through his actions, but he had never expressed it in words.

He had tried to confess his love to her several times in the past, but he always changed his mind because he was afraid that she would reject him.

He believed everything would be different if he confessed to her, and she rejected him. That was why he had been hiding his feelings for her all this time.

Not long after that, his mother entered his bedroom. She said Jie and Hanying did not want to help him get Leng Nichang.

She told him to depend on himself if he wanted to get Leng Nichang.

Of course, she told him to compete with Xiao Tian in a fair fight because she did not want to ruin her relationship with Jie and Hanying.

Yongcheng was unhappy.

But what irritated him most was that Xiao Tian was more successful than him.

"Even though he is more successful and richer than you, that doesn't mean you won't be able to snatch her from him. Just don't do something that can ruin our relationship with sister Jie and grandma Hanying." After cheering up her son, she walked out of the bedroom.

She did not know that her son did not listen to her words because he wanted Leng Nichang to be his lover no matter what happened.

Xiao Tian, Leng Nichang, and Yongcheng went to the night market at 07:00 pm.

At first, she only wanted to go with Xiao Tian, but Yongcheng suddenly appeared and said he wanted to go with them.

Xiao Tian and Leng Nichang could not say no when Wuying and the others nodded their heads and smiled.

However, Xiao Tian and Leng Nichang didn't run out of ideas to be alone together. They decided to walk into the crowd so that Yongcheng would get lost in the crowd.

At first, Yongcheng could still follow them, but it did not last long before he finally got lost in the crowd.

Xiao Tian and Leng Nichang chuckled happily when they did not see Yongcheng. "Hehe."

The night market was located not far from Dongfu river, so they decided to ride a flower boat because enjoying the night on the flower boat was a good idea.

The flower boat was not big because it was designed for couples. For this reason, there were only three people on the boat, Xiao Tian, Leng Nichang, and the rowing/crew.

The crew stood in front of the side of the boat and rowed the boat slowly.

As for Xiao Tian and Leng Nichang, they sat on the back side of the boat and chatted happily.

"Hehe." They chuckled happily.

The duo was delighted because they could enjoy the beautiful night on a flower boat.

Even though it was not a full moon, but the night sky still looked beautiful because countless stars scattered around the moon.

Xiao Tian, who was sitting next to Leng Nichang, immediately held her left hand.

Unlike usual, she did not giggle or tease him. She only looked at his handsome face before finally smiling softly and leaning her head on his right shoulder.

The atmosphere suddenly became much more romantic, and the night became more beautiful. They looked like a couple who loved each other deeply at that time.

A soft smile spread across his face when he saw their hands.

'I'm glad we decided to get on this flower boat early.'

He squeezed her hands a little harder.

She stopped leaning her head on his shoulders before finally speaking, "Xiao Tian...."

"Hmm?" he turned his head to look at her.

She suddenly forgot what she wanted to say when she saw his handsome face and beautiful black eyes.

For this reason, she stared at him without saying a single word, as if she was under his magic.

'He is so handsome.'

She knew he was a good-looking young man, but at that time, he looked more attractive in her eyes.

She even unconsciously cupped his face with her right hand. Her gaze suddenly fell on his lips when her right thumb came in contact with his lower lip.

*Thump...Thump...Thump...

Her heart suddenly beat faster.

Not only that, but she suddenly remembered what they had done under a tree three hours ago.

At first, he was only mesmerized by her pretty face, but everything changed when she rubbed his lips and slowly opened her little mouth.

The meaning of her actions was clear.

She wanted a kiss!

Sure, she did not say it, but it was written on her face.

And what he had guessed was right because she slowly closed her eyes when he brought his face closer toward hers.

Of course, they still remembered that the crew was standing in front of them, but at that time, they did not care about it.

They believed other couples were doing the same because the boat was designed for couples to lovey-dovey.

And the same thing finally happened again.

Their lips met!

They kissed again!

As everyone was enjoying their time at the night market, the duo was enjoying a beautiful night on the flower boat with their lips pressed against each other.

Wuying's House, Living Room.

Xiao Tian, Leng Nichang, and Yongcheng were sitting on the couch together. They decided to go home at 09:30 pm. Like before, Yongcheng still wore displeased expressions.

He was annoyed because Xiao Tian and Leng Nichang left him alone earlier. Even though they had explained it, but he believed it was only their excuse.

Unlike Yongcheng, Xiao Tian and Leng Nichang were thrilled. They had a good time earlier, especially when they were on a flower boat.

Of course, they knew what Yongcheng felt, but they did not care about it because he tried to ruin their time earlier.

They headed to their room at 10:00 pm. They were tired, so they wanted to go to bed early.

Xiao Tian, who was lying on his bed, looked at the ceiling.

'My happiness will be complete today if she sleeps with me tonight.'

He suddenly wanted to sleep with Leng Nichang.

Of course, he did not have a dirty mind. He only wanted to sleep while embracing her nice body.

However, he knew something like that would not happen.

When he went to Long Jingxian's and Su Ruanyi's hometowns, he stayed at their houses, so they dared to come to his room.

They were at Wuying's house, so the chances of that happening were almost zero.

'Well, it can't be helped.'

He then shut his eyes.

Chapter 1483 What A Good Lover!

6-8 minutes

The following morning, Xiao Tian and Leng Nichang headed to the backyard after having breakfast with the others.

Like yesterday, they sat under a tree because, with this, they could lean their backs against it.

"So, Mrs. Long Jingxian and Mrs Su Ruanyi always came to your room every night when you went to their hometowns?" previously, she asked what they did when he traveled to Su Ruanyi's and Long Jingxian's hometowns.

At first, Xiao Tian wanted to lie, but he changed his mind when she said he could introduce her as his girlfriend to his other women later.

"Yes." He told her that he had never asked them to come to his room.

"Xiao Tian, did you hope I would come to your room last night? Hehe." She suddenly wanted to know about it.

"Mmm, no." he lied to her.

"You don't need to lie to me. I'm your girlfriend now." she knew he was lying. "You are lying to me, right?"

"Ehm!" he cleared his throat. "My lover is so attractive, so you can't blame me for desiring to sleep with you."

"Do you want to do it with me so badly?" she got the wrong idea this time.

She thought he wanted to have sex with her, but Xiao Tian only wanted to sleep while hugging her, not have sex with her.

"Nichang, I only want to sleep while embracing you, nothing more than that." He was telling the truth this time.

Like before, she did not believe his words because he told her what he did when Long Jingxian and Su Ruanyi came to his bedroom.

"Shall we go to a hotel and do it there?" she teased him.

To her surprise, he suddenly grabbed her by the waist and put her between his legs.

'Hmm?'

She widened her eyes for a second.

Her face broke into a smile when he wrapped his arms around her waist. "What is this? Why are you suddenly doing something like this?"

"This is your punishment for teasing me and not coming to my room last night." He made an excuse so that he could hug her from behind.

"Why don't you just say you want to embrace me from behind?" she knew it was only his excuse.

Her face blossomed into a smile when he placed his head on her left shoulder.

'Well, lovey-dovey in the morning is not a bad idea too.'

She let him do whatever he wanted.

At the same time, Yongcheng traveled to his convenience store with a displeased face. He was still annoyed with what had happened last night.

After finishing all his work, he went to a park and thought of a way to get Leng Nichang.

Of course, he also thought of a way to beat Xiao Tian because he hated him now.

'Should I ask my senior martial brother for help?'

After thinking for several minutes, he decided to use a delinquent to help him get Leng Nichang.

He would only ask his senior martial brother for help if he had no other choice.

'I will go meet them now.'

He knew a gang in Suzi city, so he wasted no time and made a deal with them.

The leader of the Snake gang said he would send two of his subordinates to help him carry out his plan.

He would not step in because Yongcheng's plan was a hero saving a beauty.

Yes, two Snake gang members would pretend to harass Leng Nichang, and he would save her later!

That was his plan!

However, he did not know the two people who would be sent to help him carry out his plan because the Snake gang leader could not make up his mind.

Yongcheng's lips curled up into a smirk.

He suddenly could not wait to carry out his plan. He wanted to know what Xiao Tian's reaction would be if he saw Leng Nichang falling into his embrace later.

Wuying's House, Backyard.

Xiao Tian was still lovey-dovey with Leng Nichang in the backyard. Previously, Jie and Hanying chatted with them, but it was only for fifteen minutes.

Jie and Hanying were happy when Xiao Tian addressed Leng Nichang as Nichang because, previously, he called her lady Leng.

Leng Nichang, who was sitting between his legs, inquired, "So, are you going to drag me to hotel later?"

The corner of his lips twitched. "Nichang, I would really drag you to a hotel if you kept teasing me."

"Hehe." She giggled happily after hearing her remarks.

At the same time, Yongcheng was heading to the backyard. He stopped his footsteps when he saw her sitting between Xiao Tian's legs.

He clenched his left fist, and the flames of fury suddenly appeared in his eyes.

He was furious.

He was jealous.

She was his childhood friend, so she only belonged to him.

'Damn it! That should be my place! That damn Xiao Tian took my place!'

He took a deep breath before finally exhaling it, trying to shake off his anger.

"Xiao Tian, Nichang, how about we go somewhere now?" Yongcheng smiled softly as if there was no hatred in his heart.

Xiao Tian did not stop hugging Leng Nichang because Yongcheng was alone.

'Hmm? Me too?'

He found it hard to believe what he was hearing.

He knew Yongcheng was angry at him because he got Yongcheng lost in the crowd last night.

Leng Nichang also did not tell Xiao Tian to stop hugging her and behaved normally as if it was normal for him to hug her.

"Where will we go?" she asked curiously.

"How about we go to Angel Lake?" Yongcheng responded as he smiled.

'Damn it! Why are they behaving normally?'

Previously, he thought Xiao Tian would stop hugging Leng Nichang, or she would ask Xiao Tian to stop embracing her, but he was wrong.

He was utterly wrong because they remained in the same position.

Sure, they had told him they were lovers, but they should control themselves when they were in front of other people.

Leng Nichang turned her head to look at Xiao Tian. "What do you think, Xiao Tian?"

Xiao Tian did not answer her question immediately and looked at Yongcheng.

'Is he planning something?'

He suddenly suspected that Yongcheng had planned something.

"Let's just relax at home today." Xiao Tian refused without caring about Yongcheng's feelings.

"Yongcheng, let's just go another day. I'm also tired." She also refused because she knew what he wanted.

He wanted to seduce her!

Yes, she believed he would use this opportunity to win her heart.

She was Xiao Tian's girlfriend now, so she had to protect his feelings. She believed Xiao Tian would be disappointed if she went to Angel Lake with Yongcheng.

Xiao Tian was pleasantly surprised.

'What a good lover!'

He felt a surge of happiness.

"You are really a good lover, my Nichang." After saying that, he kissed the right side of her neck.

Leng Nichang's body tightened for a second. She did not expect him to kiss her neck when Yongcheng was standing in front of them.

Yongcheng placed his hands behind him.

'Damn it!'

He clenched his fist.

'I really want to beat him now!'

Of course, he could see it because he was standing in front of them.

'I have to make them agree no matter what!'

Chapter 1484 Where Is My Pervert Boyfriend?

7-8 minutes

Yongcheng then returned to the living room.

His intention was clear.

He wanted to ask his mother and Wuying for help!

No matter what happened, he had to carry out his plan because he had paid the Snake gang.

Xiao Tian and Leng Nichang could not say no when Wuying and Guanting told them to go to Angel Lake with Yongcheng.

They were guests in Wuying's house, so they could not offend them. Actually, they were unhappy because Yongcheng always disturbed their time.

At the same time, two Snake gang members were standing not far from Angel Lake. They were the ones sent by the Snake gang leader to pretend to harass Leng Nichang later.

Their names were Ju and Wu. They were martial artists at the low-level master stage.

"Brother, do we have to get beaten by that Yongcheng later?" Ju inquired, "I don't want to get beaten up without fighting back."

"Our leader said Yongcheng would not beat up us heavily later." Wu responded, "We will run away after getting hit by him a few times."

"Sigh!" Ju sighed because he could not say no to their leader's order.

At the same time, a red-haired man about twenty-four years old bumped into Ju. Ju was furious because the red-haired man did not apologize to him and kept walking.

For this reason, he rushed toward the red-haired man and grabbed his right shoulder from behind.

"Where are you going, asshole? Do you think I'm a tree. Apologize to me now!"

Wu sighed and shook his head when he saw what Ju was doing.

'Here we go again.'

He was not surprised by Ju's behavior because he often did something like that.

The red-haired man turned his head to look at Ju. "Huh?"

Instead of feeling afraid, the red-haired man grinned. Not only that, but his eyes also gleamed with terrifying sharpness as he looked at Ju.

"I said apologize to me, assho-" before Ju had finished his words, but he was sent flying by the red-haired man's punch.

Wu rushed toward the red-haired man and attacked him. Of course, Ju also attacked the red-haired man.

However, they could not beat him; instead, they got beaten up by him. He even could beat them in a short amount of time.

"I will take your money because you dare to cause trouble for me." After saying that, the red-haired man took their wallets.

Ju and Wu were unconscious, so they did not know that the red-haired man had taken their wallets.

"Oh! They have a lot of money!" the red-haired man smiled happily when he saw money in their wallets.

"I, Duofeng, thank Gods and Goddesses for the gift."

'It seems like I won't be lonely tonight.'

He decided to pay a woman to accompany him and warm his bed tonight because he now had a lot of money.

Xiao Tian and the others finally arrived at Angel Lake. Yongcheng's heart throbbed with happiness because he believed everything would go according to his plan.

Yongcheng dragged Xiao Tian somewhere, saying they should buy drinks and snacks for them.

At first, Xiao Tian wanted to refuse, but he changed his mind when Leng Nichang said it was a good idea.

As they were buying snacks and drinks, Doufeng caught sight of Leng Nichang. Due to how beautiful and sexy she was, his heart suddenly beat fast.

Love at first sight!

Yes, he fell in love with her at first sight.

Even though he had seen many beautiful women, but she was the most beautiful one in his eyes.

However, Yongcheng stopped him when he wanted to speak to her. Of course, Yongcheng knew something like this would happen because it was a part of his plan.

There was a reason why he returned immediately.

It was because he wanted to carry out his plan!

And his plan was a hero saving beauty!

Xiao Tian was still buying snacks and drinks, so he did not know what was going on.

"Stop! What are you going to do to her?" Yongcheng was startled when his opponent was only one person.

'Didn't he say he would send two people?'

Previously, the Snake gang leader said he would send two people.

That was why he was a little annoyed because they did not keep their promise. Of course, he still did not know that Doufeng was not a member of the Snake gang.

'Even though he only sent one person, but I can still carry out my plan.'

He walked closer to Leng Nichang.

"Don't be afraid. I will protect you." Yongcheng wanted to show off that he was a powerful martial artist.

Leng Nichang was not afraid.

'Just where is my boyfriend? Isn't this a situation where he has to protect me?'

She skimmed her surroundings.

'It seems like he is still buying snacks and drinks.'

She suddenly wondered why Yongcheng had returned, but Xiao Tian was still buying snacks and drinks.

And what made her suspicious was that he returned right when Doufeng was about to harass her, as if Yongcheng knew what would happen to her.

"Leave!" Doufeng was unhappy when Yongcheng stopped him. "I want lovey-dovey with her. Don't get in my way or else you will regret it."

Of course, Yongcheng was not afraid. There were two reasons why he still behaved mightily and arrogantly.

First, he was a martial artist at the mid-level master stage, and last, he still thought Doufeng was one of the Snake gang members.

"That should be my words!" Yongcheng responded, "Leave before you regret it!"

"It seems like I have to beat you first." After saying that, Doufeng rushed toward Yongcheng.

His intention was clear.

He wanted to beat Yongchen quickly!

He dared to get in his way to lovey-dovey with Leng Nichang, so he wanted to teach him a lesson.

"Nichang, step back." Yongcheng blocked Doufeng's attack.

Both of them were martial artists at the mid-level master stage, so no one had the upper hand yet.

Leng Nichang put some distance and stood by the tree.

'Just where is my pervert boyfriend?'

She suddenly regretted forcing Xiao Tian to buy drinks and snacks.

Bang!

Yongcheng was sent flying three meters before finally falling to the ground.

'Damn it! Why did he hit me for real? Shouldn't he be beaten up by me?'

He was furious when things did not go according to his plan.

He rose to his feet and attacked Doufeng again. He asked Doufeng why he did not follow his plan.

However, Doufeng did not answer his question and kept attacking him. This was the reason why Yongcheng was enraged.

Bang!

Bang!

Bang!

They had a fierce fight, but neither of them had the upper hand.

Yes, it could be said they were equal!

*Uakk...

Blood splashed out of Yongcheng's mouth before he finally fell to the ground close to Leng Nichang.

"Yongcheng, are you alright? Stop fighting now." even though she had no feelings for him, she did not want him to get hurt because he was her childhood friend.

Yongcheng was thrilled when she was worried about him. "Don't worry. I will win this fight. I will not forgive anyone who has bad intentions towards you."

"But you are injured now." she still told him to stop because she did not know how to explain it to his mother later.

Doufeng was enraged when he saw them. "Bastard, die!"

Chapter 1485 Xiao Tian, Help Me!

7-9 minutes

Xiao Tian was still buying snacks and drinks.

'Damn it! Just where is that bastard Yongcheng?'

He widened his eyes for a second when he suspected something.

'I have to return now!'

He rushed to the place where Leng Nichang was waiting for them.

Actually, he did not want to leave his girlfriend alone because he was afraid Yongcheng would do something to her.

But he could not do anything when she forced him to buy snacks and drinks.

The expression of deep shock blossomed on his face when he saw Doufeng fighting against Yongcheng.

'Where is my bad lover?'

He let out a sigh of relief when he saw her standing next to a tree.

'Thank god, nothing happened to her.'

He rushed toward her.

"My love, are you alright?" he inquired.

She was thrilled when she saw Xiao Tian. "You are a bad lover! Your girlfriend almost got harassed by that person, you know?"

Even though he was not at fault, but she still blamed him for not arriving on time.

The corner of his lips twitched.

'You were the one who forced me to buy snacks and drinks!'

He sighed again.

"What's going on?" he asked curiously.

"It's like this...." Leng Nichang explained everything in detail.

At this moment, both Yongheng and Doufeng were injured. Their faces were full of bruises, and blood could be seen on the corners of their mouths.

Yongcheng was unhappy when he saw Xiao Tian.

'Damn it! Everything is out of my control now! All of this is because of that asshole!'

He blamed Doufeng for everything.

He would complain to the Snake gang because they did not follow his plan. He had paid them, so they should have done as they were told.

"Xiao Tian, this person wants to harass Nichang. Help me beat him!" Yongcheng asked Xiao Tian for help because Doufeng was a powerful martial artist.

"Sorry, but I have to stand by my lover. What if his friend comes and wants to do something to her later?" of course, Xiao Tian refused to help Youngcheng because he disliked him.

"He wants to harass your lover!" Yongcheng suppressed his anger. "Shouldn't you beat him since you are Nichang's lover?"

"My answer is still the same." Xiao Tian was not stirred up by Yongcheng's words. "I have to stand by my lover side."

"Nichang, look at your lover! It seems like he does not care about you." Because Xiao Tian did not want to help him beat Doufeng, Yongcheng spoke ill of him. "You should break up with him because he doesn't deserve you."

He took advantage of the situation to ruin Xiao Tian's reputation because, with this, there was a high possibility that they would quarrel later.

It would be much easier to win her heart if she quarreled with Xiao Tian. That was why he decided to ruin Xiao Tian's reputation.

Xiao Tian turned his head to look at Leng Nichang's expression.

'Hmm?'

He was startled when he saw her expression.

"Do you want me to help him?" he inquired.

"Yes." She nodded her head. "We are staying at his house, so we can't let him get hurt any more than that."

"Sigh! It can't be helped then." Even though he did not want to help Yongcheng, but what she said was right. "Wait here. I will finish him in ten seconds!"

"You will finish him in ten seconds?" Yongcheng wanted to laugh after hearing Xiao Tian's words.

Even though he hated to admit it, but Doufeng was in the category of a powerful martial artist.

Many people called him a genius martial artist, but here, he could not defeat Doufeng.

It showed one meaning.

Doufeng was also a genius martial artist!

From his point of view, it was impossible to defeat a genius martial artist in ten seconds.

That was why he wanted to laugh when Xiao Tian stated he would beat Doufeng in ten seconds.

'I will make fun of him later.'

His lips curled up into a grin.

In a short amount of time, Xiao Tian was already next to Doufeng. He did not waste his time and instantly hit Doufeng's chin.

He wanted to finish the fight as quickly as possible, so he used all of his strength. His strength was already at the grandmaster level.

Coupled with fifteen percent of the energy of heaven and earth in his martial arts points, his strength was something someone at the master stage could not endure.

Doufeng was only a martial artist at the mid-level master stage, so naturally, the result of his attack was clear.

He fainted instantly!

Yes, Doufeng was unconscious right after getting hit by Xiao Tian in the chin!

*Silence...

The entire area turned into a dead silence.

Leng Nichang was shocked.

Sure, she knew Xiao Tian was a powerful martial artist, but she had never seen him fight before.

That was why she was stunned when he could defeat Doufeng with just one strike. After all, Yongcheng could not do that earlier.

Like her, Yongcheng was also shocked.

He found it hard to believe what he was seeing. Previously, he wanted to make fun of Xiao Tian because he said he would defeat Doufeng in ten seconds.

'Is he a martial artist at the high-level master stage?'

He was unhappy.

First, Xiao Tian was younger than him. Second, he was more successful than him. And now, he found out that Xiao Tian was stronger than him too.

He clenched his fist and looked at Xiao Tian angrily.

'Damn it!'

Now he knew it would be hard to snatch Leng Nichang from Xiao Tian because he was better than him in all aspects, including martial arts.

Xiao Tian walked toward Leng Nichang with a smile on his face. "Done! Will I get a reward later?"

"Sure. I will reward you later." She was not surprised by his words.

Yongcheng walked towards them with an annoyed face. They treated Yongcheng's injuries in the clinic before going home.

Guanting and the others were worried when they saw Yongcheng's condition. Leng Nichang immediately explained everything in detail.

They then told Yongcheng to rest in his room.

'Damn it! I will bring my senior martial brother and destroy the Snake gang tomorrow.'

Everything was the Snake gang's fault, so he wanted to teach them a lesson tomorrow.

And like what he had planned, he went to Snake gang base at 08:00 am. He did not come alone because he came with his ten martial brothers.

Even though the Snake gang had twenty members, he believed it was enough to destroy them because his martial brothers were powerful.

"Bastard, return my money now!" Yongcheng, who was standing in front of the Snake gang leader, said angrily.

"Asshole! You have beaten up my underlings and you want me to return your money? Do you think my gang is a joke to you?" Dudu, the Snake gang leader, was enraged.

Actually, there was a misunderstanding here.

Dudu thought Yongcheng was the one who beat up his underlings, while Yongcheng thought Doufeng was a member of the Snake gang.

"You didn't keep your word and you still wanted to take my money?" Yongcheng was getting angrier.

"Haha. You were the one who did not keep your promise, bastard!" Dudu found it funny because Yongcheng was the one who did not keep his word.

"Tch! It seems like we have to destroy the Snake gang today." Yongcheng could not hold back his anger anymore. "Brothers, beat them!"

Chapter 1486 Why Are You In My Room?

7-8 minutes

Yongcheng and his ten senior martial brothers managed to defeat the Snake gang.

Of course, they were also injured because the Snake gang members managed to hit them many times.

Yongcheng did not waste his time and took Dudu's wallet. At first, he wanted to leave immediately, but he changed his mind.

He decided to take all the Snake gang members' wallets!

They did not keep their promise, so he wanted to teach them a lesson.

The Snake gang members, who were still conscious, could only grit their teeth when Yongcheng took their wallets.

"Blame yourself for not keeping your word!" after saying that, Yongcheng and his ten martial brothers left.

He gave the money he got from the Snake gang members to his senior brothers because they helped him destroy the Snake gang.

His senior brothers were thrilled because each of them got 70,000 Yuan. It was a lot of money, so they said they would help him deal with Xiao Tian later.

Yongcheng smiled happily because this was what he wanted.

Actually, this was the main reason why he gave them money.

It was because he wanted them to help him beat Xiao Tian!

Sure, it was a lot of money, but he did not care about it because he had a lot of money too.

Xiao Tian was currently in his room, alone. He headed to his room after talking with Jie and the others.

'I'm going to rest now.'

With that idea in mind, he lay on the bed.

To his surprise, Leng Nichang suddenly opened his door and entered his room.

'Nichang?'

He was shocked by her courage.

Usually, she would knock on the door first, so he was stunned when she entered his room without knocking on the door.

"Why are you in my room? What if lady Jie and the others knows about this?" even though he was not angry at her, he did not like what she was doing because they were at Wuying's house.

After locking the door, she sat on the edge of the bed. "Don't worry. They went to a tourist attraction. They said they would be back in four hours, so we are alone now."

She would not dare to enter his room if Wuying and the others were home.

Sure, they were lovers, but there was something they were not allowed to do since they were at Wuying's house.

Actually, Wuying invited her to go with them earlier, but she refused, saying she was tired and wanted to rest at home.

Of course, it was only an excuse because she wanted to be alone with Xiao Tian.

She did not know why but she always wanted to be alone with him since they arrived at Wuying's house.

"And why did you lock the door? We are alone now. Are you not afraid of the consequences?" he threw another question.

Normally, something would happen when a man and a woman were alone in the room, especially if they were a couple.

Of course, it was not a bad thing because it was something that could give them immense pleasure.

Sex!

Yes, they would end up having sex if a man and a woman were alone at home!

"I'm older than you, so why should I be afraid of you?" of course, she knew what could happen to her, but she still behaved normally.

The corner of his lips twitched.

'You dare to enter my room because you are older than me? What kind of mindset is that?'

He did not get her train of thought.

"Or...are you going to do something to me?" she teased him again.

He decided to punish her because he dared to tease him when they were alone in his bedroom.

"What a bad lover!" he grabbed her right hand before finally pulling her, causing her to fall onto the bed.

He wasted no time and immediately pinned her because he wanted to limit her movement.

He looked into her eyes and inquired, "Are you still not afraid now?"

"No!" like before, she still behaved normally. "Answer me. Why are you pinning me on the bed? Are you going to do something to me now?"

He did not answer her question immediately and only stared at her pretty face.

'Is it because we are lovers now?'

He suddenly suspected that she still behaved normally because they were a couple now.

"You are a brave lady." After saying that, he lay on the bed next to her.

He did not do anything because he only wanted to tease her. To his surprise, Leng Nichang did the same thing.

She pinned him!

She grabbed his hands and uttered, "The tables have turned. You are my prey now."

"My lady, what are you going to do?" even though he could break free from her grasp, but he did not do that.

He also pretended to be nervous and afraid because he wanted to know what she would do to him.

"Of course, I will eat you because you are my prey now." After saying that, she kissed his forehead.

The corner of his lips twitched. "My lady, that's not called eating me."

"Then what is it?" she pretended not to know anything about it.

Instead of answering her question, he inquired, "Do you really want to know about it?"

"Yes." She answered instantly.

"Then I will demonstrate it." After saying that, he turned his body, causing her to be pinned by him.

"This is what it means when a man says he will eat you."

He wasted no time and instantly kissed her passionately. He decided to eat her because they were alone at home.

Of course, he would eat her slowly because that was what made it exciting.

And, like usual, she welcomed the kiss. She instantly wrapped her arms around his back when he no longer held her hands.

*Two seconds...five seconds...ten seconds...

It had been ten seconds since they started kissing passionately, but none of them showed a sign of stopping.

"Huft...Huft...Huft..." she broke the kiss when she was out of breath.

At first, she thought he would kiss her passionately again, but she was wrong. She was utterly wrong because he suddenly kissed her neck.

The flames of lust suddenly appeared within her. Of course, she did not stop him and let him do whatever he wanted.

Xiao Tian did not kiss her neck aggressively; instead, he did it gently. He did it gently because he wanted to feel the softness of her neck and enjoy her beautiful neck.

'Her body smells good!'

He could smell her fragrance as he gently kissed her neck.

"Mmm..." her legs involuntarily squirmed when he kissed her neck.

He devoured her little mouth again after kissing her neck for several seconds. Like before, he moved his tongue skillfully.

However, he stopped the kiss faster this time. "This is what is mea-"

He stopped his words halfway because Leng Nichang suddenly did something shocking to him.

She tried to take off his T-shirt!

He did not try to stop her and only looked into her eyes.

The meaning of her action was clear.

She desired to do more than just a kiss!

In other words, sex!

Yes, she wanted sex!

Xiao Tian cooperated with her when she tried to take off his T-shirt. Sure, they were at Wuying's house, but they were alone.

'It seems like we will be going all the way this time.'

Chapter 1487 Because I Often Work Out Too

6-8 minutes

After taking off his clothes, she looked at his body.

'He has a good body.'

She was charmed by his perfect body.

'Is it because he is a martial artist?'

She unconsciously touched his body.

Even though it was not her first time seeing his naked body, but she was still charmed by it, as if she had never seen a man with a perfect body before.

Xiao Tian shifted his gaze from his body to her pretty face. "Do you like what you see?"

"Is this the result of exercising in bed with your women?" she teased him again.

Of course, he could understand the meaning of her words. "Yes. And I will show you how I work out in bed."

She did nothing when he tried to take off her T-shirt. She even cooperated as if she wanted to show off her lovely body.

Xiao Tian was currently sitting on her thighs. After checking her upper body, he brought his face closer to her right ear.

"You have a beautiful belly and big breasts." Even though they were alone at home, he still said it in a low voice.

"Because I often work out too." She was a famous auctioneer, so she had to keep her body in shape because it could help her in her work.

"Thank you for keeping your body in shape." He thanked her as if she had done something special for him.

"Why are you thanking me?" she did not get his words.

"Because I can enjoy your body now." after saying that, he began to kiss her passionately again.

However, the kiss did not last long because he decided to enjoy her beautiful neck again.

Lips, neck, shoulders; he kept giving gentle kisses before finally going his way down to her big breasts.

"Hmmm..." she did nothing and only looked at him when he was licking and sucking her nipples.

Like before, her long legs squirmed when he was playing with her breasts. She suddenly remembered what they had done in the orphanage.

At that time, they also did adult things. He even thrust his penis into her vagina. But unfortunately, they could not enjoy it because a caretaker suddenly disturbed them.

Now that they were alone at Wuying's house, she hoped they could go all the way because she wanted to know what it felt like to have sex with her younger boyfriend.

Her boss kept telling her that he was amazing in bed, so she wanted to know if it was true or not.

Leng Nichang's eyes widened for a second when Xiao Tian's right hand slid under her trousers, touching her vagina directly.

'When did he unbutton my trousers?'

She was shocked when she found out that Xiao Tian had unbuttoned her trousers.

She did not do anything; instead, she spread her legs wider so that it would be easier for him to play with her vagina.

After playing with her breasts and vagina for several seconds, he took off her trousers. He also removed his jeans.

"Ahh..." she instantly grabbed his head when he began licking her vagina.

Even though they were alone at home, but she still tried her best to hold back her moans because she was afraid that someone suddenly entered the house.

'Ah...Ah...Ah...'

All this time, Xiao Tian had never licked her vagina before, so she instantly drowned in the sea of pleasure.

When they did it under the influence of aphrodisiac or when they did it in the orphanage, he immediately thrust his penis into her pussy, so she did not know the pleasure of being licked by him.

Her love juices came out of her pussy faster because he knew where she wanted to be licked, as if he had licked her vagina countless times.

'His skills in licking my pussy are superb. Madam Xi is right on this.'

Not only did she lift her waist unconsciously, but she also pulled his head towards her vagina as if she wanted him to thrust his tongue deeper into her pussy.

At this moment, Xiao Tian's penis was already erect. Even though Leng Nichang did not do anything to his cock, but licking her pussy was enough to make him aroused.

"Ah...Ah...Ah..." she moaned as low as possible.

Happiness glowed inside him because, from her wails, he knew she liked what he was doing.

Xiao Tian stopped licking her pussy shortly after that because he could not hold back the flames of lust within him.

Yes, he wanted to thrust his penis into her beautiful vagina immediately!

He sat up and positioned his penis at her vaginal opening. However, he did not thrust his penis into her pussy immediately; instead, he looked at her pretty face.

Leng Nichang shifted her gaze from his penis to his handsome face. She nodded her head, giving him a sign that she was ready.

'We are finally going to do it again.'

She returned her attention to his penis because she wanted to see her pussy eat his cock.

"Hmmm..." Leng Nichang covered her mouth when she could feel his penis slowly entering her vagina.

He suddenly felt like his penis was being squeezed by lots of little tentacles.

'So tight!'

Of course, he knew the reason why her pussy was still so tight.

It was because he was her first man!

She had never had sex with anyone before meeting him, so it was normal if her vagina was so tight.

After his penis was buried in her vagina, Leng Nichang uttered, "We are finally having sex again. How is it? Are you happy?"

At first, he wanted to move his waist, but he changed his mind. "I hope no one will disturb us this time."

He wanted to enjoy his sex time with her because he could not do that until now.

First, he could not enjoy their sex time because they did it under the influence of aphrodisiacs and alcohol.

And when they do it without being under the influence of aphrodisiacs and alcohol, a caretaker suddenly disturbed them.

That was why he hoped no one would disturb them this time.

"Hehe." Leng Nichang giggled. "I think we can enjoy it this time because we are alone now."

"I hope so." He responded, "Can I move now, my lady?"

"No!" she answered instantly.

The corner of his lips twitched.

'She is still teasing me, huh?'

He suddenly wanted to slap her buttocks for daring to tease him.

"Hehe." She giggled again. "Sometimes, you are so cute, Xiao Tian."

He pinched her cheeks and responded, "If you keep teasing me, I will make you unable to walk later."

The meaning of his words was clear.

He would keep fucking her until she could not move her body!

"Can you really do that? Hehe." She did not believe he could do that.

A challenge!

She challenged him to fuck her until she could not walk!

Did he accept it?

Of course, he accepted it.

"Then don't blame me later." He decided to punish her.

"You can move your waist now. Proof it. Proof that you can make me unable to walk later." She still did not believe he could make her unable to walk.

"Then I will do that now." after saying that, he started moving his waist.

Chapter 1488 How Is It, My Lady?

6-8 minutes

Two young people were having fun in a mid-sized bedroom.

The young man was sitting on the bed with a gorgeous young lady on his lap. His strong hands were on her soft ass, and his black eyes were locked on her pretty face.

Every time the young man moved her body up and down, a lovely wail came out of the young woman's mouth.

If anyone saw what they were doing in his bedroom, one word would come to their minds.

Sex!

Yes, the young man was currently having sex with a young woman in his room.

Even though they were at someone else's house, they still did adult things. It was not because they were shameless or unethical.

It was because they were alone at home!

They could not enjoy their sex time all this time, so they immediately did it when the opportunity to have sex arose.

These two young people were none other than Xiao Tian and his lover, Leng Nichang.

The duo was currently having sex in a lotus position. It had been thirty minutes since they started having sex in his room.

During these thirty minutes, they did it in many positions, from missionary style to doggy style.

Leng Nichang also had already had an orgasm once. Xiao Tian was skilled in bed, and he was her first lover, so it was normal if he could make her orgasm in twenty minutes.

Did she love it?

Of course, she loved it!

The feeling of having an orgasm from having sex was one hundred times better than having an orgasm from masturbating.

That was why she did not complain when he only gave her a few seconds to rest.

"Ah...Ah...Ah..." her little mouth opened, letting out countless seductive cries.

'Madam Xi is right again. He is skilled in bed.'

She did not regret having sex with Xiao Tian because he could give her immense pleasure.

"Ah...Ah...Ah..." she placed her hands on his shoulders and looked at him with her lustful eyes.

Xiao Tian stopped moving her body up and down when he saw her fascinating face.

Leng Nichang was shocked.

She wanted to know why he suddenly stopped moving her body up and down.

However, she did not say anything and only stared at him as if she could communicate through her eyes.

At first, Xiao Tian wanted to suck her breasts, but he changed his mind when he saw her tender lips.

Without giving her a warning, he pressed his lips against hers before finally putting his tongue into her mouth.

Of course, Leng Nichang welcomed the kiss instantly.

'It feels good!'

Her love juices fell onto his thighs as they had a deep kiss.

She liked it.

She loved it when they had a passionate kiss while still being connected like that.

'Xiao Tian...Xiao Tian...'

She unconsciously began moving her waist.

Like usual, they looked each other in the eyes after stopping the kiss. "Huft...Huft..."

And as if she could read his mind, Leng Nichang tilted her head back, showing her beautiful neck to him.

Xiao Tian wasted no time and immediately kissed her neck. At first, he only wanted to kiss her neck, but a wild idea suddenly appeared in his mind.

Hickey!

He suddenly wanted to give her a hickey!

Maybe because he wanted everyone to know that she was his lover, or perhaps because he never gave her a hickey, but at that time, he did not give her a warning and immediately sucked her neck hard, giving her a hickey.

"Ah..." Leng Nichang was startled when he suddenly wanted to give her a hickey on her neck.

'He is giving a hickey on my neck!'

She did not expect him to do something like that.

He even did it in a place where everyone could see it. Of course, she was not angry at him because she could cover it later.

He was shocked because her pussy suddenly squeezed his penis hard when he was giving her a hickey.

"Hehe." She giggled after he gave her a hickey. "Xiao Tian, why did you suddenly give me a hickey? You even did it in a place where everyone can see it. Do you want to tell everyone through this hickey that I'm yours?"

"You dare to tease me, huh?" after saying that, he moved her body up and down again, sliding his huge penis in and out of her pussy.

"Ah...Ah...Ah..." a seductive cry escaped from her mouth.

'Hehe. He did not dare to answer my question.'

Actually, she wanted to tease him again, but she could not do that now.

After having sex in a lotus position for several minutes, they changed position again.

Like before, they had sex in a missionary position because she said she wanted to be on the bottom.

They had been having sex for more than thirty minutes, so they finally reached their limit.

"I'm cumming!" the duo had an orgasm at the same time.

He did not cum inside her because it was not her safe day. For this reason, he let out his white sperm on her flat belly.

Xiao Tian instantly lay next to her. "It was amazing!"

"Yes. It felt good." Leng Nichang played with his white sperm that was on her stomach. "You cummed a lot, Xiao Tian."

She was satisfied.

She was satisfied because she finally could enjoy her sex time with him.

She finally knew what it felt like to have sex with him. If she had to put it in words, one word was enough to describe it.

Amazing!

He was amazing in bed!

She finally knew her boss did not lie to her.

"Hehe." She covered her mouth and giggled when Xiao Tian suddenly cleaned his sperm that was on her stomach. "You don't need to clean it, you know?"

After cleaning her belly and placing the tissue on the table, he uttered, "My lady, how about we do it again now?"

"You are indeed a pervert! Let's stop here for today. I'm already sore down there." She believed she would not be able to walk if they continued having sex.

"Didn't you challenge me to have sex with you until you could not walk anymore?" his lips curled up into a grin.

"I was wrong." She admitted her mistake. "You really have unlimited stamina."

"I'm glad you admit your mistake, my lady." He smiled happily after saying that.

Leng Nichang pinched his nose when she saw his grin. "Bad lover!"

The duo put on their clothes before talking again. They were at Wuying's house, so they could not stay naked.

"Hehe." They chuckled happily as they chatted.

At the same time, Yongcheng was on his way home. His face was full of smiles because he managed to beat the Snake gang members.

'Now I only need to think of a way to snatch Nichang from Xiao Tian.'

He drove his car faster because he wanted to see her pretty face immediately.

'Hmm? Where is everybody?'

He was currently in the family room.

When he was about to head to his room, he saw something that made him angry.

He saw Leng Nichang coming out of Xiao Tian's bedroom!

'Nichang?'

Due to how shocked he was, he suddenly stood like a statue.

Like him, Leng Nichang was also stunned when she caught sight of Yongcheng.

'Yongcheng?!'

Chapter 1489 You Are Lucky Today!

6-8 minutes

Leng Nichang was shocked when she saw Yongcheng after getting out of Xiao Tian's bedroom.

'When does he get home? Does he know what I did with Xiao Tian in his room? Will he tell everyone later?'

Countless questions appeared in her mind.

She could not ask him whether he knew what she did with Xiao Tian in his room or not because there was still a possibility that he did not know anything.

She did not say a single word and only stared at him. There was a reason why she did something like that.

It was because she wanted to know what he would do or say!

She could draw conclusions from his actions or words, so she waited patiently.

'If he asks what I was doing in Xiao Tian's room, then he knows nothing.'

Of course, she hoped Yongcheng did not know anything because everything would be complicated if he and the others knew what she had done with Xiao Tian in his room.

"Where is my mother and the others?" Yongcheng asked curiously.

She did not answer his question immediately because she was thinking if she should lie to him or not.

'Should I lie?'

She began to think about the pros and cons.

If she told the truth, there was a possibility that he would know what she had done with Xiao Tian a few minutes ago.

If she gave an honest answer, he would know she was alone with Xiao Tian earlier.

And because he saw her getting out of Xiao Tian's room, he would be suspicious because there was only one thing if a man and woman were alone at home.

Sex!

Yes, ninety-nine percent of them would have sex if they were alone at home, especially if they were a couple like Xiao Tian and Leng Nichang.

However, there was also a possibility that he would know everything if she lied to him because he would know the truth after his mother returned home.

He would be suspicious as to why she lied to him. Because he knew she was alone with Xiao Tian, he would think that she was hiding something.

In other words, whether she told him the truth or not, there was still a possibility that he would know everything!

This was the reason why she did not answer his question immediately because she had no idea what to do.

'Should I ask Xiao Tian for help?'

She suddenly wanted to ask Xiao Tian for help because she could not solve the problem alone.

Even though he was a pervert, but he was smart and good at making an excuse.

"Why don't you answer my question?" he wanted to know why she did not answer his question immediately because he only asked a simple question.

To his surprise, his smartphone suddenly rang. He immediately picked up the phone when he knew the one who called him was his mother.

At this moment, he finally knew that his mother and the others were at a tourist attraction.

Yongcheng asked Leng Nichang a few questions after hanging up the phone. He also asked why she was in Xiao Tian's room earlier.

However, she did not answer all of his questions and decided to head to her room. She believed he would know everything if she answered all of his questions.

Yongcheng was unhappy when she ignored all of his questions. This made him even more suspicious that she had done something with Xiao Tian earlier.

'That is...'

His eyes widened for a second when he saw a hickey on her neck.

He grabbed her right hand and inquired, "Wait! What is that on your neck? Is that a hickey?"

Leng Nichang instantly covered her hickey.

'I forgot to cover my hickey.'

Previously, she was in a difficult situation, so she forgot to cover her hickey.

"It's not a hickey. It's an injury." She lied to him.

Of course, he did not believe her words. "Stop covering it! Let me see it."

He tried to remove her right hand from her neck.

'It's a hickey!'

He could remove her right hand from her neck easily because she was not a martial artist like him.

"What did you do with him earlier?" he was furious when he saw a hickey on her neck. "Did you have sex with him earlier?"

"It has nothing to do with you." She tried to free herself, but her efforts were in vain because she was too weak to do that.

Yongcheng was furious.

She was his childhood friend and his crush, so he could not control his emotion when he found out that she did adult things with another man.

"Yongcheng. Let go of me!" she felt pain when he squeezed her right hand hard. "We are not a couple, so you have no right to know everything I do."

"Answer me! What did you do with Xiao Tian earlier?" his eyes were filled with flames of fury.

He had known her since they were little, but he never gave her a hickey. She even always refused or avoided him whenever he tried to kiss her.

He could not accept it.

No!

He did not want to accept it!

She was his childhood friend, so she only belonged to him.

She should not do adult things with other men because she was his.

Even though she felt pain in her right hand, she still refused to answer his question. Sure, he had seen a hickey on her neck, but he still did not know anything.

As long as she kept ignoring his question, he could only guess what she had done with Xiao Tian in his room.

"Why don't you ans-" Yongcheng did not finish his question because Xiao Tian suddenly appeared and grabbed his right hand hard.

"What are you doing to my girlfriend?" Xiao Tian's eyes gleamed with terrifying sharpness as he stared at Yongcheng.

Yongcheng gritted his teeth.

He felt immense pain because Xiao Tian squeezed his right hand hard.

"What did you do with her earlier?" Yongcheng threw a question to Xiao Tian because Leng Nichang did not want to answer his question.

However, he did not get an answer again; instead, he felt more pain because Xiao Tian squeezed his right hand even harder.

Leng Nichang finally could break free from Yongcheng. "Xiao Tian, stop it!"

Xiao Tian looked at his lover before returning his attention to Yongcheng. Actually, he wanted to torture Yongcheng more because he dared to hurt his lover.

However, he changed his mind when he remembered that they were at Yongcheng's house.

"You are lucky today!" Xiao Tian said coldly.

There was a red grip mark on Yongcheng's right arm.

'Damn it!'

He gritted his teeth as he looked at Xiao Tian.

Did he accept being humiliated by Xiao Tian?

Of course not!

They were in front of Leng Nichang, so he could not accept it when Xiao Tian humiliated him.

For this reason, he decided to attack Xiao Tian. "Die!"

Bang!

The result was not what he wanted as he was sent flying by Xiao Tian's kick before he could hit him.

'How? How can he be so strong like this?'

He felt immense pain after Xiao Tian's kicked him.

Xiao Tian glanced at him coldly. "This is your punishment for hurting my lover!"

Chapter 1490 We Made A Mistake

7-8 minutes

"Xiao Tian, stop it!" Leng Nichang grabbed his right hand.

Even though she was angry at Yongcheng because he had hurt her right hand, but she did not want the situation to get worse.

Sure, Yongcheng's behavior was bad, but he was still her childhood friend and Wuying's family.

She had regarded Wuying as her family because she was one of the caretakers at Kindred Hearts Orphanage when she was little.

Xiao Tian turned his head to look at her. "Nichang, is your right hand alright?"

"It's fine." She lied to him.

He returned his attention to Yongcheng.

Actually, he wanted to beat Yongcheng again because Yongcheng dared to hurt his girlfriend, but he changed his mind.

First, they were at Wuying's house. Second, it could ruin their relationship with Wuying's family.

Third, Wuying could blame Jie, Hanying and Leng Nichang if he injured Yongcheng. And last, his lover told him to stop.

Yongcheng was still on the floor.

His eyes were filled with flames of fury because Xiao Tian humiliated him again.

'I will kick you out of my house!'

He would snitch to his mother and Wuying later.

He no longer wanted Xiao Tian to stay at his house because Xiao Tian always got in the way of his plans to get Leng Nichang.

He decided not to fight Xiao Tian because he was not sure if he could beat him or not.

It would be humiliating if he tried to fight against Xiao Tian but ended up losing to him because they were in front of his crush.

"I will make you regret your actions!" Yongcheng threatened Xiao Tian before finally heading to his room.

And like what he had planned, he snitched to Wuying and the others after they returned home.

He told them that Xiao Tian and Leng Nichang had done adult things in Xiao Tian's bedroom earlier.

For this reason, they called Xiao Tian and Leng Nichang to the living room.

"Nichang, is what Yongcheng said true?" Wuying wanted to hear everything from Leng Nichang.

"I only had a passionate kiss with him." Leng Nichang could not tell them that she had sex with Xiao Tian.

But she also could not lie because Yongcheng had seen a hickey on her neck earlier. That was why she decided to answer like that.

"Did you two do more than that?" Hanying inquired.

"Grandmother Hanying, we only had a passionate kiss. Even though we were alone earlier, but we did not do more than a deep kiss." Xiao Tian was fine with Leng Nichang's lies.

No!

She made the right decision because they could not reveal the truth, but they could not lie either.

"Lies! I'm sure they did more than a deep kiss." Yongcheng wanted to make the situation worse because he wanted to kick Xiao Tian out of his house. "I even saw a hickey on her neck earlier."

Xiao Tian really wanted to beat Yongcheng, but he kept his anger in check because it was not a good idea to beat him.

"Mother Hanying, I'm not lying." Leng Nichang responded, "We are not at our home, so we know what we can't do."

The debate was getting longer and worse. Like before, Yongcheng tried his best to kick Xiao Tian out of his house.

After trying his best, he finally managed to make his mother and Wuying support him.

"You want to kick him out of your house?" Leng Nichang suppressed her anger. "Then I will stay at the hotel with him!"

"No! You have to stay with us!" of course, Yongcheng would not let her stay in the hotel with Xiao Tian.

Jie and Hanying could not do much in this situation because Xiao Tian and Leng Nichang were at fault.

"No! I will stay in the hotel with him if you kick him out of your house." Leng Nichang would feel bad if she let Xiao Tian stay at the hotel alone because she was at fault too.

Wuying and Guanting were helpless in this situation. They suddenly thought they had made the situation worse.

Like before, the situation was getting worse. Of course, Wuying would not let Leng Nichang stay at the hotel because she was the one who invited them to her house.

She also wanted to spend time with Leng Nichang because it had been quite a while since they had last spent time together.

"Nichang, it's fine. You should stay here." Xiao Tian could understand Wuying's feelings. "It's not that we can't see each other if I stay at a hotel because there is a hotel not far from here."

There was a hotel about 900 meters from Wuying's house, so he decided to give in. Of course, he would teach Yongcheng a lesson later.

"But..." Leng Nichang suddenly felt sad.

Everything would have been different if she had not entered his room and seduced him.

Yongcheng's lips curled up into a grin.

'Good!'

He was thrilled because, with this, it would be more difficult for Xiao Tian to spend time with Leng Nichang.

Wuying could only sigh when she saw Xiao Tian going to a hotel. She did not know whether she had made the right decision or not.

Su Hotel, VIP Room.

Xiao Tian was currently sitting on the bed. He was alone in his room because he stopped Leng Nichang when she said she wanted to go with him.

'What should I do now?'

Even though he wanted to kill Yongcheng for ruining his image, but he could not do that because Yongcheng was Wuying's family.

'I will think about it later.'

He decided to rest.

At the same time, Yongcheng headed to his room with an angry face. Even though he managed to kick Xiao Tian out of his house, but everything was still the same.

No!

It was even worse than before because Leng Nichang started to avoid him.

She always made an excuse whenever he wanted to take her somewhere or whenever he wanted to spend time with her.

Of course, he blamed Xiao Tian for ruining his relationship with her because their relationship would have remained harmonious were it not for Xiao Tian.

'Why is everything always out of my control now?'

That night, he slept in annoyance.

The following morning, Yongcheng ate breakfast with Leng Nichang and the others. Even though he was still disappointed with her, but he did not show it on his face.

After having breakfast, he immediately uttered, "Nichang, how about we go to a tourist attraction now? I know a good place. I'm sure you will like it later."

"I will go to the Su hotel to meet Xiao Tian after this." Leng Nichang refused without caring about his feelings.

She was still angry at him because he was the reason why Xiao Tian had to stay at the hotel.

Wuying and the others did not say anything and only stared at them. They knew Leng Nichang was furious at them because it was written on her face.

"Why?" Yongcheng raised his voice. "Why are you still thinking about him? Do you like him more than me? I'm your childhood friend. Have you forgotten about it?!"

"You are only my childhood friend while he is my boyfriend!" Leng Nichang stated.

Wuying and the others sighed helplessly.

'We made a mistake.'
