

Illicit 1501

Chapter 1501 We Are The Police

Yongcheng and his ten senior brothers regained consciousness shortly after Dudu's underlings dropped water on their faces.

The expression of deep shock blossomed on their faces when they saw Dudu and his underlings.

Previously, they were in the abandoned factory, and Xiao Tian was torturing them, so they were stunned when they found themselves at the Snake gang base.

"Do you still remember us?" Dudu grinned happily because he could get his revenge now.

Instead of answering Dudu's question, Yongcheng asked, "Where are Xiao Tian and his underlings?"

"You don't need to know about it." Dudu responded, "You only need to know that we will torture you now."

"Leader, let's stop talking. My hands are itching now."

"That's right, leader."

"I also want to torture them because they are the reason why our gang is ruined."

"Yes."

One by one, Dudu's underlings told him to torture Yongcheng and his ten senior brothers immediately.

Yongcheng and his ten senior brothers looked at Dudu. Terror overtook their faces.

Previously, Xiao Tian had tortured them, but now the Snake gang wanted to torture them too. They even did not care about the injuries on their bodies.

"You...are you not afraid the police will arrest you later?" Yongcheng tried to scare them.

"We are the police." Of course, Dudu ignored Yongcheng's words. "Let's torture them now."

"Good!" his underlings responded in unison.

"Agghhhh." Yongcheng and his ten senior brothers cried out in pain when Dudu and his underlings tortured them.

Su Hotel, Xiao Tian's Room.

Xiao Tian was in his room with his beautiful lover, Leng Nichang. He spent time with her because, with this, no one would know what he had done to Yongcheng.

"Xiao Tian, did you do something to Yongcheng today?" Leng Nichang, who was sitting next to him, inquired.

"I was about to beat him up earlier, but something unexpected happened." Xiao Tian made up a story so that his actions would not affect her relationship with Wuying.

She was his lover, and she had regarded Wuying as her family, so he decided to lie. He said several people dragged Yongcheng somewhere earlier.

He told her about Yongcheng's relationship with the Snake gang.

He also said the person who fought Yongcheng when they were at Angel Lake was someone Yongcheng paid for.

In short, Yongcheng had planned everything to win her heart!

"What?!" she was shocked after hearing his explanation.

"Yes. Yongcheng also brought a few of his senior brothers to the Snake gang base to destroy them because they did not follow his plan." He mixed the truth with lies.

He also told her that Yongcheng brought ten people to beat him up. However, their plan failed because he was saved by the locals.

"Such a thing also happened?" she smoldered with resentment. "How coul-"

She stopped her words halfway when Yongcheng's mother called her. Guanting asked her whether she knew where her son was or not.

She told Guanting that she did not know where Yongcheng was because she was with Xiao Tian.

The duo traveled to Wuying's house because Guanting was worried about her son's safety.

Xiao Tian began to carry out his plan. He said he saw the Snake gang dragging Yongcheng somewhere.

He told them everything, including what Yongcheng had done to him. Like Leng Nichang, they were also shocked when they found out everything.

Wuying and Guanting apologized to Xiao Tian for what Yongcheng had done to him. They said they would ask Yongcheng to apologize to him later.

Yongcheng returned home the next day. His body was filled with injuries because the Snake gang had tortured them yesterday.

Wuying and the others were sad when they saw his condition. They immediately brought him to the Su hospital to treat his injuries.

Su Hospital, Yongcheng's Patient Room.

Yongcheng was currently lying on the patient bed with his family standing around him, including Xiao Tian.

He did not dare to tell the truth when Xiao Tian glanced at him coldly. He knew Xiao Tian's real identity, so he did not dare to tell the truth.

He said what Xiao Tian told them was the truth. He also apologized to Xiao Tian and promised not to cause trouble for him anymore.

Xiao Tian was currently with Yongcheng. Guanting and the others had gone out for lunch, so it was just the two of them in the patient room.

"You made the right decision, Yongcheng." Xiao Tian uttered, "I would have destroyed your life and your family if you revealed the truth earlier."

Yongcheng kept lowering his head.

He did not dare to look at Xiao Tian because the memory of when he was tortured by Xiao Tian kept coming to his mind when he saw Xiao Tian's face.

"None of this would have happened if you had not caused trouble for me, so you can only blame yourself for everything. Remember! Don't repeat the same mistake, or else I will make you wish you were dead." after saying that, Xiao Tian walked out of the patient room.

Time went by quickly, and without realizing it, it had been two days since Xiao Tian tortured Yongcheng in the abandoned factory.

He and the others were on their way home now. They had stayed at Wuying's house for a few days, so it was time to go home.

Xiao Tian's Mansion, His Bedroom.

It was already 10:00 pm when he arrived home because they got stuck in traffic on their way home.

'Hmm? Where is my mother?'

Previously, he headed to his women's room and saw them sleeping soundly, but he could not find his mother in her room.

'Where is she?'

He called her, but she did not pick up the phone.

To his surprise, he saw his mother sleeping on the bed when he stepped into his room.

'Ah, so she is sleeping in my room, huh?'

He took off his clothes before finally taking a quick shower.

'Let me sle-'

The expression of deep shock blossomed on his face when he found out that she only wore a big T-shirt.

Yes, he could see her beautiful vagina clearly when she spread her legs!

'Why is she only wearing a T-shirt?'

The corner of his lips twitched when he saw a dildo next to her.

'Did she masturbate in my room earlier?'

He suddenly suspected that she fell asleep after masturbating in his room.

'What a lewd lady!'

He put the dildo on the table.

However, something unexpected happened when he was about to lie next to her.

She suddenly spread her legs wider!

His gaze fell on her beautiful vagina again!

'Are you trying to seduce me?'

Of course, he knew that she had no idea what she was doing because she was sleeping soundly.

He then sat between her legs and kept looking at her pussy.

'Beautiful!'

He could not take his eyes off her vagina as if there was a magnet between his eyes and her pussy.

He moved his hands and spread her vagina using his thumbs, checking her beautiful pussy.

'It looks delicious!'

He could not help but gulp his saliva.

'It seems like my women are right. I have evolved into a pervert king. I'm even doing something embarrassing like this.'

But even so, he did not care about it because she was also his lover.

'I want to taste it.'

With that idea in mind, he stuck out his tongue, ready to lick her vagina.

Chapter 1502 He Can't Resist My Charm

7-8 minutes

Ye Xueyin was still sleeping, so she did not know that Xiao Tian was looking at her beautiful vagina.

No!

Even though she knew what he was doing, she would not do anything because, with this, she could have sex with him and feel the warmth of his body.

She masturbated in his room because she missed him. She missed his warm hug, and she missed his body too.

He grabbed her flawless legs before spreading them out in an 'M' shape so that he could lick her pussy easily.

'I miss this pussy. I miss the taste of his pussy.'

He licked her vagina gently before finally moving his way up to her clitoris.

Even though she was still sleeping, she could feel what he was doing. "Mmmm."

'What is this?'

She tilted her head to the left and right.

'Am I having a wet dream now?'

She suddenly thought she was having a wet dream because she masturbated before sleeping.

"Ahhh..." she woke up when he licked her pussy skillfully.

'Someone is licking my pussy.'

She could feel a tongue on her vagina.

He stopped licking her pussy and spoke, "You are awake?"

"Tian?" she was shocked when she saw him. "Am I dreaming right now?"

She still thought she was dreaming because he did not inform her that he would return home.

"You are not dreaming. I just got home." He could understand her feelings because she slept after masturbating.

"Really?" her eyes shone brightly. "Mmmm..."

He licked her vagina again because he was still not satisfied. He did not have sex with her for several days, so he wanted to enjoy her body to the fullest.

She did not stop him because her lover was the one who licked her vagina. She even spread her legs wider so that he could lick her pussy easier.

'Tian is licking my pussy!'

She was pleased because this was what she wanted.

Previously, she imagined him licking her lonely pussy. She did not expect her imagination to come true after waking up.

"Mmmm..." she covered her mouth so that her moans would not wake up Shi Fei and the others.

'Tian...Tian...Tian...'

Her pussy was wet, and she moved her waist involuntarily.

After he was satisfied licking her beautiful pussy, Xiao Tian took off his shorts. His erect cock instantly came into sight.

Even though Ye Xueyin did not do anything to his penis, but his cock was already erect.

The reason was simple.

It was because he licked and sucked her pussy earlier!

Ye Xueyin's heart throbbed with happiness when she saw his huge penis.

'Tian is about to eat me.'

Maybe because they did not have sex for two weeks, or perhaps because she masturbated before sleeping, but at that time, she felt electricity running through her body when the tip of his cock came in contact with her vaginal opening.

'Tian, hurry up, hurry up.'

She wanted to have sex with him immediately.

"Mmmm..." she cried out in delight when she felt his huge penis spreading her vagina to the size of his cock.

Like Ye Xueyin, Xiao Tian was thrilled too. It had been two weeks since the last time they had sex, so he was delighted when they could have sex again.

"Ah...Ah...Ah..." she could no longer hold back her wails when he started moving his waist.

She spread her arms widely as she cried out in delight, giving him a sign to embrace and kiss her.

Of course, he immediately granted her wish. He did not stop moving his waist as he kissed her passionately.

"Ah...Ah...Ah..." she started moaning again when he broke the kiss.

After having sex in a missionary style for several minutes, she turned her body.

His intention was clear.

He wanted to do it in doggy style!

As usual, she let him do whatever he wanted because she also loved doggy style.

"Ah...Ah...Ah..." her eyes widened for a second when he suddenly played with her ass hole.

'Are we going to have anal sex?'

She suddenly suspected that they would have anal sex because he always played with her butt hole before thrusting his huge penis into her ass hole.

And what she had guessed was right because he thrust his penis into her ass hole shortly after that.

"Ahh..." her head dropped onto the pillow when he thrust his huge penis into her ass hole.

Her hands could no longer support her body, and the flames of lust within her suddenly grew bigger.

It had been quite a while since the last time they had anal sex, so her body suddenly became very sensitive.

'Ah... We have anal sex right after he returns home.'

Of course, she was fine with it because anal sex also gave her immense pleasure.

"I miss your ass hole." Xiao Tian moved his waist as he looked at her sexy ass. "How is it? Do you like it?"

"I...ah...ah...ah...love...ah...ah...ah...it...ah..." she moaned as she answered his question.

"Then I will make you like it even more." After saying that, he moved his waist faster and faster.

Not long after that, they had an orgasm at the same time. He did not pull out his penis because they were having anal sex.

After having sex for about forty minutes, they stopped.

"Tian..." even though her vagina and ass hole were filled with his white sperm, she did not care about it and immediately lay next to him, embracing his right arm. "Tian, are you satisfied?"

He pinched her nose gently and responded, "I'm satisfied."

"Then, let's have sex again tomorrow." She wanted to do it again tomorrow because they did not have sex for two weeks.

"Sure." He agreed instantly.

Shortly after that, they fell asleep.

The following morning, Shi Fei and the others found out that Xiao Tian had returned home.

They were happy and immediately chatted with him in his room.

However, Lin Xing Xue and Long Jingxian could not chat with him for a long time because they had to send their daughters to school.

There was a special event in their schools, so they had to arrive at school faster than usual.

"Little brother, so you had sex with sister Xueyin right after returning home?" Shi Fei giggled after hearing his explanation.

"It was because he could not resist my charm." Ye Xueyin told them how he licked her pussy when she was still sleeping.

The corner of his lips twitched.

He could not deny it because what she said was right. "I'm sure any man would do the same if they were in my shoes."

"Tian'er, why don't you just admit that you are a pervert king now?" Liu Ning giggled happily after saying that.

"You are right, sister Ning." Su Ruanyi added. "Student Xiao is indeed a pervert king."

"Wild beast!" Ye Qingyu stated.

"Hey, you can't gang up on me. It's not fair." Of course, he was not angry at them. "How about we have orgy tonight?"

"I love that idea!" Shi Fei and Ye Xueyin answered in unison.

"Wild beast!" Ye Qingyu said the same words.

"Hehe." Su Ruanyi and Liu Ning only giggled.

Of course, they agreed with his idea because they could not refuse their perverted boyfriend's wish.

"I suddenly wanted to soundproof this room." He stated.

"Pervert!" his women pushed him to the bed.

"Haha." Xiao Tian laughed happily.

Chapter 1503 Feeding Xi Ran

7-8 minutes

Xiao Tian brought Leng Nichang and Xi Xingyi to his house at 09:00 am. He introduced Leng Nichang as his new lover to his women.

Shi Fei and the others were not surprised because they had guessed something like this would happen.

They did not go to work that day because they spent the whole day together. The following day at 09:00 am, he went to Xi Xingyi's house.

To his surprise, he saw Leng Nichang at Xi Xingyi's house. Xi Ran was working, so she was not with them.

"So, what did you guys do when you were at Wuying's house?" Xi Xingyi could not ask them anything yesterday because they went to a tourist attraction together.

The corner of his lips twitched.

'Is she going to tell us to have sex again?'

Something like this had happened before.

At that time, she locked him and Leng Nichang in her room and told them to have sex. For this reason, he felt like *déjà vu* when she threw that question.

Before he could answer Xi Xingyi's question, Leng Nichang uttered, "Madam Xi, your lover is a bad person. He always pressed me down whenever we were alone."

She glanced at him after saying that because she wanted to see his reaction. She could not help but giggle when she saw his expression.

"Nichang, you should call me sister now. Have you forgotten you are also his girlfriend now?" Xi Xingyi did not want Leng Nichang to keep calling her madam Xi because they were Xiao Tian's women now.

"Ops, I forgot!" Leng Nichang covered her mouth.

"By the way, is it true that he always wants to have sex with you whenever you two are alone?" Xi Xingyi was only slightly surprised because she knew Xiao Tian was a pervert and a wild beast.

"Yes." Leng Nichang kept lying. "I even almost could not walk a few times because of him."

Xi Xingyi turned her head to look at Xiao Tian. "Pervert!"

"Yes, he is indeed a pervert, a big pervert." Leng Nichang added.

"Xingyi, don't believe her words. She is lying to you." Xiao Tian tried to defend himself. "We only did it once."

Of course, Xi Xingyi believed Leng Nichang's words because she knew how pervert he was.

"You two are bad girlfriends!" of course, he was not angry at them. "It seems like I have to punish you now."

"Are we going to have threesome now?" Xi Xingyi thought he wanted to have sex with them.

"Xiao Tian, can you handle two women at once?" Leng Nichang kept teasing him.

He was at a loss for words.

'I only want to slap your buttocks, not have sex with you!'

He now believed they were also perverted.

Xi Xingyi rose to her feet before finally grabbing Xiao Tian's and Leng Nichang's hands. "Let's do it in my room."

Her daughter arrived home when she was about to drag them to her room. For this reason, they talked in the family room again.

Xi Ran only talked with them for fifteen minutes before finally heading to her room.

As Xiao Tian was chatting with Leng Nichang and Xi Xingyi, something unexpected happened.

Xi Ran fell down the stairs!

Xiao Tian and the others instantly brought her to Life Hospital when they saw blood on her head.

The doctor said her injuries were quite severe, especially in her arms. He said she would not be able to use her arms for several days.

Xiao Tian was currently watching over Xi Ran alone. Xi Xingyi and Leng Nichang had to leave because they had important jobs.

They asked him to watch over her because they could not neglect their job. Of course, he agreed instantly because Xi Ran was his friend and his lover's daughter.

Shortly after that, Xi Ran regained consciousness. "Xiao Tian?"

"Lady Xi, you have regained consciousness? Thank God." Xiao Tian was pleased. "Wait here. I will bring the doctor first."

The doctor immediately checked her condition. He said her condition had gotten better, but she had to stay in the hospital because he needed to check her condition again.

After the doctor left, Xi Ran inquired, "Where is my mother?"

"Your mother left because she could not neglect her job." He gave an honest answer. "But she will visit you again later."

"I see." She finally knew why she only saw Xiao Tian in the patient room.

He began asking her how she fell down the stairs. She said there was a bee earlier, and she fell down the stairs because of that.

She was sad when she saw her hands. Luckily, she had finished filming, so her condition did not bother the other crew.

The next day at 08:00 am, Xi Ran was discharged from the hospital. Even though she could walk, but she still could not use her hands.

Yes, she still wore splints on her arms!

Xi Ran was currently watching a movie in the family room with Xiao Tian and her mother.

Xi Xingyi left to take her car from the car repair shop shortly after that, so Xiao Tian was alone with Xi Ran.

As they were watching a movie, something unexpected happened.

The sound of stomach rumbling sounded in their ears!

Xiao Tian instantly turned his head to look at her. "Lady Xi, are you hungry?"

Even though she was shy, she tried her best to act normally. "I'm going to eat now. Do you want to eat too?"

"I'm still full. Do you need my help?" he inquired.

"I will ask the maid to help me later." After saying that, she rose to her feet and headed to the dining room.

He returned his attention to the TV. He did not force her to accept his offer because it would look like he had an ulterior motive.

To his surprise, Xi Ran returned to the family room and stood next to him.

"Xiao Tian, help me eat. It seems like the maid went out to buy something." She could not find her housemaid, so she had no other choice but to accept his offer.

He smiled softly before replying. "Sure."

They returned to the family room after preparing her meal because she wanted to eat while watching a movie.

Xi Ran liked the movie, so she did not want to skip it. She was currently sitting on his left side. She sat close to him because he had to feed her.

Yes, Xiao Tian was feeding her because she could not use her hands!

She did not behave shyly when he fed her, as if it was normal for him to feed her.

'I did not expect something like this to happen.'

She glanced at him.

He showed his charming smile when she glanced at him.

"Xiao Tian, give me the chicken thigh." She asked him to feed her the chicken thigh.

He immediately fed her the chicken and the rice. At this moment, he looked like he was feeding his lover because he smiled softly when he saw her eating her meal.

When he was about to feed her again, he saw one grain of rice on the corner of her lips. It was only one grain of rice, so she did not notice it.

She was startled when he did not feed her immediately and looked at her face.

But what surprised her most was that his right hand slowly approached her lips as if he wanted to feel her tender lips.

'What is he going to do?'

Chapter 1504 Going To The Cinema

7-8 minutes

Xi Ran was shocked when Xiao Tian's right hand slowly approached her lips.

'What is he going to do?'

She did not know there was one grain of rice on the corner of her lips, so she thought he wanted to take advantage of the situation.

But despite knowing that, she did not say a single word and only looked him in the eyes. She had no idea as to why she did not stop him, as if her body was already his.

"There is one grain of rice on the corner of your lips." He showed the rice before finally eating it and smiling.

Like before, she did not say anything and only stared at his handsome face.

'I thought he wanted to do something to me.'

She suddenly felt bad for having the wrong idea.

"Here, eat again." He fed her again.

She shifted her gaze from his handsome face to the meal before finally opening her little mouth and consuming the food.

"I'm home! Ran, your mother has retu-" Xi Xingyi smiled softly when she saw him feeding her daughter. "What is this? Hehe."

Xi Ran behaved normally.

She even consumed the meal without feeling shy when Xiao Tian fed her in front of her mother.

Xi Xingyi liked the progress in their relationship.

'It seems that incident was a blessing in disguise.'

She always wanted her daughter to be Xiao Tian's girlfriend, so she loved seeing what was happening.

'I suddenly feel hungry.'

She suddenly felt hungry when she saw him feeding her daughter.

She sat next to her daughter before finally opening her mouth. "Xiao Tian, feed me too."

Xiao Tian and Xi Ran were shocked.

'Hmm?'

They did not expect that.

Because Xiao Tian did not feed her, Xi Xingyi repeated her words, "Xiao Tian, feed me."

He immediately fed her when Xi Ran nodded her head.

"It's delicious!" Xi Xingyi consumed the food happily. "You should eat too. It's delicious."

"It's fine." He refused.

"By the way, why are you feeding my daughter? How close are you two now?" Xi Xingyi asked curiously.

Before he could answer her question, Xi Ran uttered, "Our housemaid went out to buy something."

"I see." Actually, Xi Xingyi hoped it was because their relationship had gotten closer.

'Well, at least there is some progress.'

She added in her mind.

Not long after that, Leng Nichang arrived at Xi Xingyi's house. The expression of deep shock blossomed on her face when she saw him feeding Xi Ran and Xi Xingyi.

"So, the real job of the famous young man is manservant, huh? Hehe." As usual, Leng Nichang teased him.

The corner of his lips twitched. "Do you want me to feed you too?"

But instead of answering his question, Leng Nichang took her smartphone out of her pocket and took a picture of them.

"I'm sure many people will be shocked if they see this picture." Of course, Leng Nichang would not post the picture on the internet.

"What? Are you going to use that photo to blackmail me?" he inquired.

"This image is not good enough to use to blackmail you, so I will use this photo to tease you." Leng Nichang responded, "Of course, I will blackmail you if I have a good photo."

Xi Ran looked at Leng Nichang and Xiao Tian.

'Their relationship has gotten closer since grandma Wuying forced them to be a couple.'

She could tell everything from Leng Nichang's expression.

"Xiao Tian, feed me again." Xi Xingyi uttered.

"As you wish, your highness." After saying that, he fed her.

Xufang City, Qiqi Cinema.

Xiao Tian was currently in Qiqi Cinema with his beautiful MILF, Long Jingxian.

He immediately left Xi Xingyi's house when Long Jingxian said she wanted to go on a date with him.

Previously, they went to Shenro Fountain and Shanghai Aquarium for an hour. They traveled to Qiqi Cinema when she said she wanted to watch a movie.

"Jingxian, let's watch this movie." He pointed his right index finger at a ghost movie.

His intention was clear.

He wanted to take advantage of the situation later!

She turned her head to look at the movie he had chosen.

'Ghost in the Famous Villa? You want to take advantage of the situation, huh?'

She knew his intentions right away.

"No. Let's watching this!" she refused and chose a romantic movie.

"Eternal Love?" he tried to change her mind. "Wouldn't it be better to watch the movie Ghost in the Famous Villa? I'm sure it will be thrilling later."

To his surprise, she immediately dragged him to the cashier and said they wanted to watch the Eternal Love movie!

He could not do anything about it.

However, he suddenly had an excellent idea.

Lover chair!

Yes, he immediately asked the cashier to give them a lover chair.

Long Jingxian did not say anything and only stared at him. Of course, she knew what he would do to her because a lover sofa was a special seat for a couple.

After sitting on their sofa, Xiao Tian immediately held her hand.

'It seems like the heavens are helping me.'

He saw no one on his right and left side.

'This is a good spot.'

Happiness swelled within him.

Long Jingxian turned her head to look at him. "Why are you smiling like that? Are you thinking of a way to take advantage of me?"

"I'm happy because we finally watch a movie in the cinema again." He lied to her.

She brought her face closer to his left ear before finally whispering. "Just focus on making me happy. If you can do that, I will reward you after we return home."

She showed her charming smile after saying that, as if she wanted to seduce him using her smile.

'I'm sure he is happy after hearing it.'

And what she had guessed was right because he smiled happily after hearing her words.

Shortly after that, the movie started.

Xiao Tian did not stop holding her hand. He also was not focused on the movie; instead, he often looked at his beautiful MILF as if he was mesmerized by her pretty face.

Long Jingxian smiled when he often looked at her. But what made her happiest was that he kept holding her hand.

'When is he going to take advantage of me?'

Actually, she was surprised because she thought he would take advantage of her when there was a kissing scene.

"Why do you keep looking at me?" she made him watch the movie after saying that. "Just watch the movie."

He returned his attention to her.

'But you are more interesting than the movie.'

He stopped looking at her when she made him watch the movie again.

She glanced at him again.

'Why hasn't he taken advantage of the situation yet?'

There were a few kiss scenes in the movie, so she was curious as to why he did not take advantage of the situation to kiss her.

This was different from what she had expected.

Actually, Xiao Tian did this on purpose because he knew what she had in mind. That was why he only held her hand and watched the movie.

'What's wrong with him? Is he really Xiao Tian I know?'

These were the questions that she had in mind.

Chapter 1505 Bungdo Hill

7-8 minutes

Two people were having sex inside a luxurious bedroom.

The young man was lying on his back while the gorgeous MILF was continuously bounding her lovely body on his cock.

If anyone saw what she was doing, they would think she wanted to devour his penis using her wet vagina because she moved her waist up and down fast.

Not only that, but lovely cries also came out of her little mouth as if she wanted to seduce the young man using her wails.

These two people were none other than Long Jingxian and her young lover, Xiao Tian.

Previously, they went straight home after watching a movie at the cinema. Because they felt hot, they immediately took a shower together.

One thing led to another, and they ended up having sex in the bathroom. However, they did not stop there because they had sex again after returning to her room.

Actually, she decided to do that because he managed to make her happy.

Yes, this was the reward she was talking about!

Previously, she said she would give him a reward if he could make her happy. That was why she agreed to keep having sex with him.

"Ah...Ah...Ah..." she cried out in delight as she bounced her nice body continuously.

Xiao Tian, who was lying on his back, did nothing and only enjoyed seeing her fascinating face and the feeling of his penis sliding in and out of her wet vagina.

He liked it!

He loved it when he could feel her amazing pussy using his penis and see her fascinating face directly like that because it showed one meaning.

She enjoyed having sex with him!

For this reason, he kept looking at her fascinating face.

No!

Actually, he did not only see her face because he also stared at her beautiful big breasts.

Her beautiful breasts moved in seduction when she bounced her body on his penis, so there was no way his eyes could ignore it.

This was the main reason why he kept shifting his gaze from her fascinating face to her beautiful breasts.

'I really love this reward! I love this kind of reward.'

As he was seeing at her nice body, she suddenly stopped moving.

'Hmm? Is it my turn to move now?'

He was a little shocked when she suddenly bent over and embraced him.

"Xiao Tian, why don't you say anything like usual? Do you like your reward?" of course, she knew what he would say because he was a pervert.

When he was about to answer her questions, she suddenly devoured his mouth.

She kissed him passionately!

She kissed him hungrily as if tomorrow was the end of the world.

Long Jingxian smiled softly after stopping the kiss. She immediately embraced his face and moved her waist after kissing his forehead.

Like before, she moved her waist up and down fast as if she wanted to suck him dry.

Did he love it?

Of course, he loved it!

That was why he began to move his waist in sync with her movements.

"Xiao Tian, I'm cumming!" she moved her waist up and down faster when she reached her limit.

He also had reached his limit, so he also moved his waist faster.

'I'm cumming....'

They had an orgasm at the same time.

His penis came out of her vagina on its own after having an orgasm.

'She is amazing!'

He was satisfied with her service.

Long Jingxian immediately lay next to him.

'It felt good!'

Her body was satisfied, and her heart was throbbing with happiness.

He kissed her right cheek before finally speaking, "Thank you for the reward, my beautiful lover."

Her face broke into a smile. "I will reward you again tomorrow."

"I love that idea!" he stated.

They fell asleep shortly after that.

Like what she had said, they had sex again after waking up. They had sex for about thirty minutes before they finally stopped.

They did not go to work because it was Sunday, so they spent time together the whole day.

The next day at 10:00 am, Xiao Tian went to Xi Xingyi's house to ask her to live with him, but she refused again, saying she wanted to live with her daughter.

At that time, he knew that he had to persuade Xi Ran to live with him first if he wanted his wish to come true.

"Xiao Tian, watch over my daughter." After saying that, Xi Xingyi left to meet her business partners.

"Xiao Tian, I'm bored at home. Let's go to Bungdo Hill." Xi Ran had never left the house since she was injured, so she wanted to go to Bungdo Hill to refresh her mind.

Bungdo Hill was a sightseeing place. It was located in Xufang city, an hour from Xi Xan's house.

"Alright." He agreed instantly.

Then they traveled to Bungdo Hill using his car.

After arriving at Bungdo Hill, they paid for the entry tickets right away. He immediately took a deep breath, feeling the fresh air.

"Is it your first time coming here?" Xi Ran asked curiously.

"Yes." He did not feel shy when he gave an honest answer. "I was poor in the past, so I could not go to all tourist spots."

Xi Ran did not say anything.

Of course, she knew he was poor in the past because she had read about his background.

The duo began to climb the stairs.

Yes, the best spots in Bungdo Hill were at the top!

Even though they were climbing more than one hundred stairs, but they did not feel tired at all.

The fresh air and the beautiful view made their bodies filled with energy. Their bodies were filled with stamina when they saw the beautiful green forest and a few mountains.

After climbing for about thirty minutes, they finally reached the top. Their efforts to climb to the top had paid off.

If the view around the stairs was beautiful, then the view at the top was breathtaking.

Xiao Tian and Xi Ran immediately sat on the wooden bench and looked at the beautiful view in front of them.

'Beautiful!'

That was the word that appeared in their minds.

"Lady Xi, please wait here. I will buy drinks and snacks first." From his point of view, it would be enjoyable if they ate snacks while looking at the beautiful view, so he wanted to buy some snacks and drinks for them.

Even though there was no restaurant, but there were two shops selling drinks and snacks.

"Alright." She nodded her head.

After buying two drinks and a few snacks, he returned to where she was.

'Oh, right. Her hands are still injured.'

Previously, he forgot that her hands were still injured.

He immediately opened the snacks and the drinks. "Lady Xi, do you want to drink or eat the snack?"

"I want to drink." Even though she was not tired, but she was thirsty.

He immediately helped her drink.

She was not as nervous as before because he had fed her food two days ago.

The duo began to talk again.

At the same time, Xi Xingyi arrived home.

'Where are they?'

She could not find her daughter or Xiao Tian in the family room.

'Just where are they?'

She had checked Xi Ran's room, but she still could not find her daughter.

'I will call her.'

With that idea in mind, she called her daughter.

Chapter 1506 Ran Sits On Tian's Lap

6-8 minutes

As Xi Ran was talking with Xiao Tian, her smartphone suddenly rang.

'Someone is calling me.'

Her hands were injured, so she could not pick up the phone immediately.

"Xiao Tian, my phone is ringing. Can you help me take my phone out of my pocket?" she rose to her feet and stood in front of him.

"Alright." He tried to take her phone out of her pocket.

She was placing her smartphone in her front pocket, so it was challenging to grab it. They were only friends, so he was afraid that he would touch her private place.

Sure, they had already had sex once, but it was under the influence of an aphrodisiac.

Because of how long he took the phone, her smartphone stopped ringing when he managed to take her phone out of her pocket.

She did not blame him because she knew why he did not immediately take her phone out of her pocket. "The pin is 2469. Please see who called me just now."

After unlocking her phone, he checked it. "It's your mother."

"Can you video call her?" she knew her mother was looking for her because they did not inform her mother before going to Bungdo Hill.

Yes, she did not want her mother to worry!

"Ran, where are you?" Xi Xingyi asked after picking up the phone.

"I'm at Bungdo Hill with Xiao Tian." Xi Ran gave an honest answer. "Xiao Tian, show your face on the phone."

He was holding her phone, so Xi Xingyi could not see him. "Xingyi, we are at Bungdo Hill now."

"Thank God. I was worried earlier." Xi Xingyi was not jealous; instead, she was happy because this meant his relationship with her daughter had gotten closer.

Xi Ran told him to sit closer to her so that her mother could see them.

"Xiao Tian, show me the scenery there. I want to see it." Xi Xingyi knew the scenery at Bungdo Hill was beautiful because she had visited Bungdo Hill a few times.

He immediately showed the beautiful view around Bungdo Hill through the smartphone.

"It's as beautiful as I remember." Xi Xingyi stated. "I suddenly want to go there too. However, I'm tired now."

"We can come to this place together if you want." Xi Ran uttered, "We can also invite Nichang later."

"Good idea!" Xi Xingyi loved the idea.

After talking for about fifteen minutes, Xi Xingyi hung up the phone.

Like before, Xiao Tian and Xi Ran chatted again. He consumed their snack as he talked to her.

She suddenly wanted to eat the snack too. However, she did not say anything and only glanced at him.

"Lady Xi, this snack is good. Here, try it." He could understand her, so he decided to feed her.

She looked at his handsome face before finally shifting her gaze to the snack in his right hand.

She looked at him again before opening her little mouth and consuming the snack. "Yes. This snack is good."

At that time, he looked like a good boyfriend because he kept taking good care of her. He kept feeding her snacks and giving her a drink.

He also wiped off the snacks on the corner of her lips. Some people even looked at him because they thought he was a young man who took good care of his injured girlfriend.

Yes, the people around him thought she was his lover because they looked like a couple!

As they chatted happily, something unexpected happened.

It suddenly rained!

Luckily, he wore a jacket, so he could use his jacket to protect her from raindrops when they were running to the open-air shelter.

There was only one shelter at the top of Bungdo Hill. Even though the open-air shelter was big, but there were already many people there.

For this reason, only one person could take shelter in that place. Of course, he told her to take the empty seat because he had to take care of her.

Xiao Tian was currently standing in front of Xi Ran, protecting her from the cold wind or wind-blown raindrops.

He also put his jacket on her body so that she would not get wet. Her hands were injured, so her hands should not get wet.

Xi Ran, who was sitting in front of him, kept looking at him. His back was getting wet because of wind-blown raindrops.

Xiao Tian only smiled softly. He did not mind getting wet from protecting her because he was a man and she was his lover's daughter.

Seconds turned into minutes, and without realizing it, it had been fifteen minutes since they were in the open-air shelter.

The rain was getting heavier, and his back was getting wetter because of the raindrops. At this moment, Xi Ran was worried about his condition.

She did not want him to get sick because of her, so she told him to sit. "Xiao Tian, your back is getting wet. Sit with me."

"It's fine." He only smiled because there was no space for him to sit.

To his surprise, she suddenly rose to her feet. "Just sit here. I will sit on your lap later."

Sure, they could become the center of attention, but she did not care because she did not want him to get sick.

Like before, he still refused. "It's fine. It's only rain."

"Then I will stand with you." She would not take no for an answer.

He immediately agreed when he saw her back getting wet from the rain. "Alright."

She instantly sat on his lap. And like what she had guessed, a few people glanced at them after she sat on his lap.

Of course, they were aware of what was happening, but they behaved normally as if these people were air.

"The rain is getting heavier." She placed her hands closer to his chest so that her hands would not get wet from raindrops.

He tidied up his jacket on her body before finally answering, "Yes. It seems like the rain won't stop any time soon."

They stopped talking and looked at their surroundings.

"Xiao Tian, do yo-" she stopped her words halfway.

"Are yo-" he also stopped his words halfway.

There was a reason why they suddenly stopped their words halfway.

It was because their faces were close to each other!

Previously, they turned their heads at the same time, so their faces were close to each other because she was sitting on his lap.

Not only did they stop their words halfway, but they suddenly forgot what they were about to say.

They just stared at each other without saying a word, as if they were statues.

*Two seconds...four seconds...six seconds...

It had been six seconds, but they still looked at each other without saying a single word.

"Ehm!" an old man who sat next to them cleared his throat, giving them a sign to stop lovey-dovey. "We are in a public place. Please restrain yourself."

Xiao Tian and Xi Ran turned their heads to look at the old man.

'But we are not lovey-dovey.'

These were the words that appeared in their minds.

At that time, she forgot that she was still sitting on his lap. "I forgot what I wanted to say earlier. What do you want to say?"

"I also forgot." He gave an honest answer.

Chapter 1507 Are You Disappointed?

7-8 minutes

Xi Ran was still sitting on Xiao Tian's lap.

She kept looking at the raindrops and the grey clouds. She hoped the rain would stop soon, but God did not grant her wish because the rain showed no sign of stopping.

'It has been forty minutes, but the rain shows no sign of stopping.'

Even though she was wearing Xiao Tian's jacket, she still felt cold.

'How long do we have to be trapped in this place?'

She wanted to go home immediately because it was cold in the open-air shelter.

"Xiao Tian, are you feeling cold?" actually, she knew he was feeling cold because he gave his jacket to her.

She even still felt cold even though she was wearing his jacket. However, she wanted to hear it from him directly.

But instead of answering her question, he inquired, "Are you feeling cold?"

She did not answer his question, but she nodded her head, giving him a sign that she was feeling cold.

He immediately wrapped his left arm around her slender waist before finally pulling her closer to him.

Xi Ran was shocked.

However, she did not do anything because she knew Xiao Tian just wanted to help her warm up.

She even placed her head on his left shoulder as if she was his girlfriend.

'He can understand women well. No wonder mother and Nichang are falling in love with him.'

Mystically, she did not feel cold anymore; instead, she felt comfortable.

Many people stared at Xiao Tian and Xi Ran again. However, she did not know about it because she was closing her eyes.

As for Xiao Tian, he never cared about it because they were only jealous people. He believed they were jealous because a gorgeous lady was sitting on his lap.

Without realizing it, it had been thirty minutes since Xi Ran sat on his lap.

Xiao Tian was stronger than average humans because there was the energy of heaven and earth in his martial arts points, so her legs were still fine.

And even though Xi Ran was a mature lady, she was not heavy.

She was currently sleeping on his lap. She suddenly felt sleepy after leaning her head on his shoulder.

After waiting for about two hours, the rain finally stopped. Even though it was still 04:30 pm, he decided to go home because it took them an hour to reach her house.

He also did not want to get trapped in the rain again, so he immediately carried her on his back right after the rain stopped.

As he was walking down the stairs, Xi Ran woke up.

'Hmm?'

She was startled when she knew he was carrying her on his back.

'The rain has stopped?'

Previously, she thought they would get trapped at the top of Bungdo Hill until night, but she was wrong.

"Xiao Tian, I have woken up. Put me down." She did not want to burden him, so she wanted to walk.

"Alright." After saying that, he put her down.

The duo began walking to the parking lot. After sending her home, Xiao Tian went straight home.

After taking a shower, he headed to Liu Ning's bedroom because he wanted to spend time with her.

The duo was currently watching a movie together. It was raining, so it was an excellent time to watch a movie together,

Liu Ning, who was lying on his right side, uttered, "Tian'er, how about we have a small party in the backyard tomorrow? Tomorrow and the day after tomorrow are national holidays, so I want us to spend time together."

He rarely spent time with them lately because he always went out of city. That was why she wanted to have a small party tomorrow.

"Sure." He agreed instantly. "Let's have a party for the whole day tomorrow."

"Thank you, Tian'er." After saying that, she kissed his cheeks.

The duo began watching a movie again. To his surprise, she kissed his lips when there was a kissing scene.

He smiled happily before finally pinching her soft cheeks gently. "Hehe. Why are you kissing me?"

"Nothing." She only smiled softly because she had no idea as to why she suddenly wanted to kiss him.

Xiao Tian instantly lay on top of her and spoke, "You have to tell me about it."

"Tian'er, are you going to kiss me?" she was not surprised by his sudden actions because she had suspected he would do that.

"I only want you to answer my que-" he stopped his words halfway when he saw her closing her eyes, ready to be kissed by him.

'Then I will eat you.'

After saying that, he kissed her lips.

Not only did he press his lips against hers, but he also put his tongue into her little mouth!

Yes, he kissed her passionately!

Of course, she welcomed the kiss.

After kissing her, Xiao Tian lay next to her.

To his surprise, Liu Ning suddenly took off her clothes. "Ning'er, why are you taking off your clothes?"

Instead of answering his question, she inquired, "Don't you want to do it with me now?"

Xiao Tian was a pervert.

No!

He was a good lover, so of course, he would not refuse his lover's wish.

Liu Ning smiled softly when she saw him removing his clothes happily.

'He is indeed a pervert, a big pervert.'

After placing her clothes on the table next to the bed, she lay on her back, waiting for him to eat her.

He wasted no time and immediately did a foreplay. He kissed her lips, neck, breasts, and belly before finally going down to her pussy.

After her pussy was wet, he placed his erect penis at her vaginal opening.

Liu Ning nodded her head, giving him a sign that she was ready to welcome his penis with her pussy.

"Mmmm..." she shut her eyes when she felt his penis slowly entering her pussy.

And soon, her room was filled with her moans.

Xiao Tian, who was sitting next to her, kissed her right cheek before finally speaking, "Thank you for the reward, my love."

Liu Ning, who was cleaning her vagina using some tissues, smiled softly. "Let's sleep now."

They slept shortly after that. However, they had sex again after waking up. During breakfast, Xiao Tian told Shi Fei and the others what he had discussed with Liu Ning.

Shi Fei and the others agreed instantly because they loved having a party in the backyard.

Xufang city, Li Supermarket.

Xiao Tian was currently in the supermarket with Su Ruanyi and Ye Qingyu. They went to the supermarket because they wanted to hold a small party in the backyard.

Su Ruanyi and Ye Qingyu were pushing shopping carts because they wanted to buy many drinks, meats, etc.

They decided to buy many foods and drinks because their supplies had run out.

'Oh right, wine.'

With that idea in mind, he dragged Su Ruanyi to the wine area.

"Student Xiao, where are you dragging me?" Su Ruanyi asked curiously, "You are not thinking about dirty things, right?"

The corner of his lips twitched. "Professor Su, I only want to buy wine."

"I see." She finally knew the reason why they left the drinks area.

"Are you disappointed?" he teased her.

"Yes." She gave an honest answer.

'What?'

He was shocked by her response.

Chapter 1508 Don't You Like It?

7-8 minutes

'What?'

Xiao Tian was shocked after hearing Su Ruanyi's words.

"Then let's do naughty things after returning home." He kept teasing her.

To his surprise, she suddenly gave him a peck on the lips. "I don't want to do adult things with you today. Let's buy good wine."

She walked away after doing that.

'That is what you get for teasing me.'

She smiled happily after seeing his expression.

He ran after her. "Professor Su, you are really a bad lady!"

"Why?" she pretended as if she did not know why he said something like that. "Because I kissed you?"

"Yes." He responded.

"But you liked it, right?" even though she knew the answer, she still said it.

"I loved it." He answered.

"Hehe." She giggled.

After putting some wines in a shopping cart, Su Ruanyi wanted to tease him again.

'How should I tease him?'

After thinking for several seconds, she found a good way to tease him.

"Student Xiao, can you push the cart for me because it's starting to get heavy." she carried out her plan.

"Sure." He had no idea what she had in mind.

"Thank you, daddy." After saying that, she walked away.

The expression of deep shock blossomed on his face.

'Daddy?'

He was shocked because she had never done it before.

Even though it was not a lewd word, but it could become a lewd word, especially if a mature lady were the one who said that.

Su Ruanyi turned around and walked closer to him.

She loved it.

She loved it when she saw his expression.

'Cute!'

She was delighted because her plan was successful.

"What's wrong, student Xiao?" she pretended as if she did not realize what she had just done.

"Professor Su, you can't just walk away after saying that." He responded, "It's not fair to me."

"Don't you like it?" she almost laughed.

"I love it, but you can only use that word in one place." He told her the reason why he was surprised.

"Do you mean in the bedroom?" she kept teasing him.

"Come with me, bad lady." After saying that, he grabbed her right hand.

"Where are we going?" she inquired.

"The bedroom!" he responded instantly.

"Hehe." She giggled happily.

Of course, they did not do anything because they were in a public place and many people were in the supermarket.

On the way home, Su Ruanyi giggled a few times. She chuckled because she remembered his expression when she teased her.

"Why are you giggling, sister Ruanyi? Is there something funny?" Ye Qingyu asked curiously.

Xiao Tian looked at them through the rear-view mirror because they were sitting in the backseat.

Su Ruanyi glanced at Xiao Tian for a second before whispering everything to Ye Qingyu. "It's like this...."

Ye Qingyu was shocked.

She did not know something like that happened when they were at the Supermarket.

She looked at her nephew and inquired, "Keep your eyes on the road, daddy."

She suddenly wanted to imitate Su Ruanyi's way of teasing him, so she said something like that.

"Hehe." Su Ruanyi giggled.

Black lines formed on his forehead.

'You also called me daddy?'

He did not expect his aunt to say something like that.

"Ladies, how about we have a nice and long talk in my room tonight?" he inquired, "You can call me daddy as many times as you want there. How is it?"

Su Ruanyi and Ye Qingyi exchanged a glance with each other before finally answering in unison, "We refuse."

Xiao Tian decided to punish them tonight because they kept teasing him.

Xiao Tian's Mansion, Backyard.

Xiao Tian and his women were grilling meat in the backyard. They decided to have a party in the backyard, so they cooked together.

"Big sister Yu, stop reading the book, and let's help big brother and the others." Mu Ai spoke abruptly.

"We are still kids, so it's dangerous for us." Feng Yu, who was sitting on the pool lounge chair and reading a book, responded.

Mu Ai immediately grabbed a piece of meat and gave it to Xiao Tian. "Big brothers, here is the meat."

"My little angel is so kind!" after taking the meat, he kissed her cheeks. "Thank you."

However, he told her not to help them because she was still a kid. He was afraid that something bad would happen if she helped them.

"Little brother, can you get soy sauce from the kitchen, please?" Shi Fei inquired.

"Sure." After saying that, he headed to the kitchen.

To his surprise, he saw Ling Xing Xue in the kitchen. She was looking at the plastic box, so she did not know he was behind her.

'Little Xue?'

He walked closer to her before finally embracing her from behind.

Ling Xing Xue widened her eyes in surprise.

'Mmm?'

She did nothing when she found out it was Xiao Tian.

"Why are you here?" she inquired.

"Fei asked me to get a soy sauce for her." He gave an honest answer.

She took the soy sauce in front of her. "Here, take it."

However, he did not take it and kept hugging her.

"Why are you still hugging me? She is waiting for this soy sauce, you know?" She placed the soy sauce on the counter again because he did not take it.

Her eyes widened again when she felt his lips on the back side of her neck.

'Hmm?'

She did not expect him to kiss her neck.

She thought he would stop after kissing her neck once, but she was wrong. She was utterly wrong because he kept giving her gentle kisses.

'Is he horny?'

She believed she did not seduce him because she was holding a plastic box.

"Tian, are you horny?" she threw a question when he squeezed her breasts.

He did not answer her question and kept playing with her breasts and kissing her neck. At first, he only wanted to embrace her, but he changed his mind after kissing her neck.

Of course, he still remembered that his other women were grilling meat in the backyard.

He turned her around to face him. "Little Xue, how about we have a quick sex now?"

Before she could answer his question, he took off her T-shirt as if he was telling her through his actions that he would not take no for an answer.

She only stared at him.

She even cooperated with him when he removed her T-shirt.

'He is really a pervert.'

She thought he would also take off her bra, but she was wrong because he only removed her panties.

'Does he want to skip the foreplay? But I'm not wet yet.'

He could take off her panties easily because she was wearing a skirt.

"Ahh..." she could not help but moan when he suddenly put his head inside her skirt and licked her vagina.

She grabbed the hem of her skirt and lifted it. She also spread her legs wider so that he could lick her pussy easier.

"Ahh...Ah..." she tried her best to moan as low as possible.

Xiao Tian became hornier after hearing her wails.

'I love hearing these beautiful moans.'

He used his tongue skillfully.

Shi Fei was currently waiting for him.

'Where is he? It has been twenty minutes since I asked him to bring me a soy sauce, but he still had not returned to the backyard yet.'

She headed to the kitchen because she wanted to know why he still had not returned to the backyard yet.

Chapter 1509 Big Brother Is Big Brother

7-8 minutes

Two people were having sex in the kitchen; a young man and a young woman. The young lady was half-naked and sat on the counter.

Even though she was still wearing her purple bra, but anyone could see her nipples clearly because the young man had unhooked her bra.

Her short blue skirt was also lifted to her slender waist, and her purple panties were hanging on her left leg.

If any man saw her, they would drool right away because she looked so sexy, to the point they would get aroused instantly.

As for the young man, he was holding her legs and looking at her fascinating face. Lewd noises and lovely cries came out whenever he moved his waist back and forth.

Even though they were not alone at home, but they still decided to have sex.

They even had sex in the kitchen, a place where anyone could see them. These two people were none other than Xiao Tian and his MILF lover, Ling Xing Xue.

Previously, they had no intention of having sex, but one thing led to another, and they ended up having sex in the kitchen.

It had been twenty minutes since they started having sex. During these twenty minutes, they had sex in many positions.

Even though there was a high possibility of them being caught by his other women, but they still enjoyed their sex time.

The reason was simple.

It was because their bodies matched each other perfectly!

Yes, they felt as if their bodies were created for each other.

That was why they always enjoyed their sex time.

"Ah...Ah...Ah..." actually, she felt bad for Shi Fei and the others.

They were grilling meat in the backyard, but here, she was having sex with her young lover in the kitchen.

However, the pleasure she felt was greater than her guilty feelings, so she decided to enjoy their sex.

"Tian, I'm cumming... I'm cumming..." they had been having sex for more than twenty minutes, so she finally reached her limit.

Xiao Tian also almost reached his limit, so he moved his waist faster because he wanted them to have an orgasm at the same time.

However, Ling Xing Xue could no longer hold back herself because his penis kept hitting her womb.

At the same time, Shi Fei stepped into the kitchen, "Little brother, what took you so lon-"

She could not finish her words because she was surprised by what she was seeing.

"I'm cumminggg...." Ling Xing Xue had a massive orgasm.

Her nectar hit his body before finally falling to the floor.

'Huft...Huft...Huft... It felt good!'

She ignored Shi Fei and kept looking at his handsome face.

Shi Fei walked closer to them before finally speaking, "So this is the reason why are still in the kitchen, huh?"

Xiao Tian and Ling Xing Xue turned their heads toward her. They behaved normally because she was also his girlfriend.

"Sorry, I forgot about the soy ousesau-" he stopped his words halfway when Shi Fei suddenly did something shocking.

She gave him a blowjob!

She put his huge penis into her mouth right after pulling his cock out of Ling Xing Xue's wet pussy.

Shi Fei knew Xiao Tian still had not had an orgasm. That was why she decided to give him a blowjob because she knew Ling Xing Xue's body was weak now.

Ling Xing Xue just had a massive orgasm, so she needed time to rest. This was the main reason why she took over Ling Xing Xue's role.

Of course, he let her do what she wanted.

No!

Actually, he loved what she was doing because he almost had an orgasm earlier.

Shi Fei glanced at him for a second before finally moving her face back and forth fast, trying to make him have an orgasm quickly.

Xiao Tian and Ling Xing Xue smiled. They knew her personality well, so they did not say anything.

"Was it good, little Xue?" even though he already knew the answer, he still asked that question.

"Yes. It felt amazing!" she smiled as she nodded her head.

He brought his face closer to hers.

His intention was clear.

He wanted to kiss her again!

Even though they had just finished having sex, but he suddenly desired to feel her tender lips again after seeing her soft smile.

Of course, Ling Xing Xue welcomed the kiss. She even put her pink tongue into his mouth, kissing him passionately.

Xiao Tian liked it.

He loved it when he could feel two kinds of pleasure at the same time.

Ling Xing Xue was intertwining her tongue with his while Shi Fei was giving him a blowjob, so the pleasure he felt was incredible.

He felt as if his body was filled with two kinds of pleasure!

*Slurp...Slurp...Slurp...

The sound of her sucking his penis hungrily reverberated in the kitchen.

Shi Fei moved her head faster when she noticed that he was about to have an orgasm.

'Little brother is about to have an orgasm!'

She suddenly wanted him to have an orgasm quickly because she wanted to drink his white sperm.

Xiao Tian broke the kiss when he reached his limit. "Fei, I'm cumming...."

He almost reached his limit before Shi Fei gave him a blowjob, so it did not take long for him to have an orgasm.

"Hmmm?" Shi Fei widened her eyes for a second when he shot his sperm into her mouth.

*Gulp...Gulp...Gulp...

She smiled happily after drinking his sperm.

She took his penis out of her mouth and spoke, "Thank you for the meal, little brother."

"Let's return to the backyard now." He put on his shorts after saying that.

"Un." Ling Xing Xue and Shi Fei nodded their heads.

Long Jingxian and the others did not ask anything when they returned to the backyard. Time went by quickly, and without realizing it, it was already 03:00 pm.

Xiao Tian and the others were currently sitting on the mat, eating food.

Su Ruanyi, who was sitting on his right side, inquired, "Do you like it, daddy?"

The corner of his lips twitched.

'Daddy again?! She loves teasing me, huh?'

He did not expect her to say it again.

Long Jingxian and the others were stunned.

'Daddy?'

Of course, they knew the word 'daddy' could become a lewd word.

Ye Qingyu, who was sitting on his left side, tapped his shoulder. "Can you give me the chicken wing?"

"Here." he put a chicken wing on her plate.

"Thank you, daddy." Ye Qingyu played along with Su Ruanyi's joke.

Mu Ai, who was sitting on Long Jingxian's right side, inquired, "Mother, why did auntie Qingyu and auntie Ruanyi call big brother daddy? It's weird because big brother is younger than them."

Long Jingxian could not answer immediately because she did not know what to say.

"Little Ai, come here." He tried to help Long Jingxian.

Mu Ai walked to him with a smile on her face.

After she sat on his lap, he immediately inquired, "Do you want to know why auntie Qingyu and auntie Ruanyi call big brother like that?"

"Un." Mu Ai nodded her head cutely.

"It's because big brother is the only male in the house. How about little Ai call big brother daddy too?" he did not forget to take advantage of the situation.

"I don't want to because big brother is big brother." Mu Ai refused without caring about his feeling.

Xiao Tian felt like crying after hearing her words.

'Little Ai, you are so cruel!'

He shouted in his mind.

"Hehe." Long Jingxian and the others giggled.

Chapter 1510 Are You Rich?

7-8 minutes

After having a party in the backyard, they entered the house. Like before, they chatted again.

They headed their room at 10:00 pm. Xiao Tian did not have sex with any of his women that night because they were tired.

The following morning, Xiao Tian went to Xi Xingyi's house after working for an hour at his company.

To his surprise, Xi Xingyi dragged him to Dongshi village. Dongshi village was located in the Nanli district, three hours from her house.

The people who lived in Dongshi village were poor, so she wanted to help them by giving them groceries.

Xi Xingyi and the others were welcomed by the villagers warmly. The village chief thanked her for helping them.

After giving them groceries, they did not go home immediately because the villagers still wanted to chat with Xi Xingyi and the others.

They were poor, so they were very grateful to Xi Xingyi because it was rare for rich people to help them.

After talking for more than an hour, they asked Xi Xingyi and the others to exercise with them.

The villagers always exercised together every day. They always did Aerobics together every day.

This was the reason why all the old people were still agile and full of stamina because they exercised and laughed happily during Aerobics.

Xiao Tian felt awkward when Xi Xingyi dragged him to exercise with them. Xi Ran did not exercise with them because her hands were still injured.

After doing Aerobics together, Xiao Tian and Xi Ran were cycling together. Of course, she sat on a companion bike seat because her hands were injured.

They were not alone because four children were accompanying them. The kids offered themselves to accompany them because Xiao Tian and Xi Ran were not locals.

"Haha." The kids laughed as they cycled together with him.

"Big brother, I know a good place. Do you want to go there?" Ling, one of the kids, inquired.

"Sure." Xiao Tian agreed instantly.

Ling and the other kids brought them to a good place. They stopped on the small hill near the beach.

The place was amazing because they could see the beach and hear the sound of waves. It was already 03:40 pm, so the weather was not hot.

Ling and the others were currently sitting on the long wooden bench under a big tree. Their hair and clothes danced softly because the wind was quite strong.

"How is it, big brother, big sister? Do you like this place?" Ling inquired.

"This place is good." Xiao Tian and Xi Ran answered in unison.

"We often come to this place because the view is beautiful." Ling uttered, "But it will be better if we eat snacks."

The corner of Xiao Tian's lips twitched.

Of course, he knew the meaning of his words.

He took 100 Yuan out of his pocket and gave it to Ling. "Here, buy snacks and drinks."

The kids' eyes shone brightly when he gave them 100 Yuan easily. "Let's buy snacks and drinks."

There were a few shops near the beach, so they did not use their bicycles.

"They look so happy." Xiao Tian smiled softly when he saw the kids running happily. "Lady Xi, how are your arms?"

"It's much better now." she responded, "Doctor said I could remove the splints in two days."

"That is good news." He was happy for her.

"Big brother, big sister, we have returned." The kids walked toward them with drinks and snacks in their hands.

The corner of Xiao Tian's lips twitched.

'Why did they buy so many snacks and drinks?'

He suddenly suspected they had spent all the money to buy drinks and snacks.

Like Xiao Tian, Xi Ran was also surprised when she saw the snacks and drinks in their hands, but she said nothing.

The kids placed the drinks and the snacks on the wooden table. "We bought a lot of snacks and drinks, big brother."

Of course, Xiao Tian was not angry at them. "Then let's eat the snack."

The kids opened the snacks and the drinks immediately. They even did not stop eating the snacks as they talked.

"Big brother, are you rich?" Zing, one of the kids, inquired.

Unlike usual, Xiao Tian did not praise himself this time. "Well, I'm quite rich. Why are you asking this question?"

"Big brother, tell me how to become rich like you." Ling threw a question.

"If you want to become a rich person then you have to study diligently." Xiao Tian responded, "I believe you can achieve your dream if you study every day."

"Then I will study every day from today onwards."

"Me too."

"I will become a rich person in the future."

The kids decided to study diligently after hearing his words.

Time went by quickly, and without realizing it, it was already 04:10 pm.

As they were chatting happily, Xi Xingyi called Xi Ran, saying they should go home immediately because her business partner wanted to meet her.

However, something unexpected happened when they were on the way home.

Ling fell off his bike because he hit a pothole in the road!

Even though he only had minor injuries, but Xiao Tian and the others still brought him to the clinic.

This was the reason why Xi Xingyi told Xi Ran to go home with Xiao Tian because her business partner did not have much free time.

Her business partner said she wanted to go to Korea, so Xi Xingyi had no choice but to go home with her subordinates.

She was not worried because Xi Ran was with Xiao Tian. Xi Ran and Xiao Tian went home after treating Ling's injuries.

However, his BMW broke down when they were on the way home. Luckily, they were close to a hotel.

It was already 06:30 pm, and they were in a small city, so all car repairs were already closed.

After informing his mother and Xi Ran's mother, Xiao Tian and Xi Ran walked to the hotel.

"Hmm? There is only one room left?" Xiao Tian felt like déjà vu after hearing the receptionist's words.

"Yes, sir." The receptionist responded, "There is an event in three days, so a lot of people have come to this city."

Xiao Tian turned his head to look at Xi Ran. "What should we do? Should we find another hotel."

Before Xi Ran could answer his question, the receptionist uttered, "The closest hotel is about ten kilometers from here and I'm sure it's full too."

Black lines formed on his forehead.

'I'm not asking you!'

He did not expect the receptionist to answer his question.

After thinking for several seconds, Xi Ran uttered, "Let's take the room."

"Are you sure?" he inquired.

"Yes." She nodded her head.

The receptionist smiled happily when they took the room.

After entering the hotel room, they sat on the couch. Xi Ran behaved normally when she was alone with Xiao Tian in the hotel room, as if they were a married couple.

"Xiao Tian, I will go to reception area first. I have something to ask." After saying that, she rose to her feet.

"Alright." He did not ask anything.

After she walked out of the hotel room, Xiao Tian watched a movie. Not long after that, she returned.

The expression of deep concern blossomed on his face when he saw her. "Lady Xi, what happened to you?"
