

Illicit 1521

Chapter 1521 Kissing Xi Ran

Two young people could be seen on the edge of the river: an attractive young man and a beautiful young woman.

The young man was lying on the water while the young woman was on top of him, facing him.

Anyone who saw them would widen their eyes because their positions could make anyone jealous.

Her lips were pressing against his!

No!

They did not do adult things in the river.

Previously, they tried to catch big fish together. One thing led to another, and they ended up falling into the water.

That was how they ended up kissing in the edge of the river.

'This is...'

Xiao Tian did not push Xi Ran away immediately because he was also in a state of shock.

Previously, she kissed his cheeks when they tried to catch fish. He just did not expect her to kiss his lips shortly after that.

Of course, he knew it was an accidental kiss because they fell into the water before.

*Two seconds...three seconds...four seconds...

It had been four seconds, but they remained in the same position.

Xiao Tian could not get up because Xi Ran was on top of him. He also could not say anything because her lips were pressing against his.

At this moment, Xi Ran was looking at his beautiful black eyes. She did not move from her position because she was waiting for him to put her down.

In other words, both of them waited for the other to move first!

*Six seconds...seven seconds...eight seconds...

Because they were waiting for each other to move first, they were in the same position for almost ten seconds.

At this moment, Xiao Tian did not know why he suddenly wanted to embrace her so badly.

Maybe because she was on top of him or perhaps because her lips were on his, but at that time, the desire to hug her suddenly arose within him.

That was why his hands suddenly moved and ended up on her slender waist.

Xi Ran widened her eyes for a second.

She was startled when he suddenly wrapped his arms around her waist.

Sure, they were inappropriate positions, but she did not expect him to take advantage of the situation.

'His hands are around my waist.'

When she was about to remove his hands from her waist, some part of her suddenly told her to let him do whatever he wanted.

'What is this?'

She did not know why she felt something like that.

'Is it because he saved me yesterday?'

She suddenly suspected that a special feeling had blossomed when he saved her yesterday.

'What should I do now?'

Actually, she had realized that a special feeling blossomed within her yesterday because he looked different in her eyes like he looked cooler or something like that.

'It seems like his actions yesterday made me fall in love with him.'

Of course, she knew a special feeling could blossom whenever and wherever.

Feelings were something that could not be predicted. Sometimes, even a small act could change a person's feelings completely.

Xi Ran was a mature lady, so she could tell her feelings easily.

Xiao Tian was startled.

'Hmm?'

Previously, he thought she would tell him to stop, but he was wrong because she did not say anything.

She was even still pressing her lips against his as if they were lovers. This was the reason why his playboy personality suddenly took over his body.

Xi Ran was shocked when he turned his body.

'Hmm?'

Xiao Tian was on top of her now.

He broke the kiss.

His playboy personality was wilder than his gentle personality, so his actions were much braver than before.

Like before, she only stared at his handsome face.

'Don't tell me....'

She suddenly suspected that he could not hold back himself anymore.

'But I'm still not ready and we are in the river, so doing it in this place is....'

Her thoughts were getting wilder and wilder.

Actually, Xiao Tian had no intention of having sex with her. Sure, the wild beast within him had taken over his body, but he could still think straight.

At most, he would only kiss her passionately, nothing more than that.

Xi Ran felt like she was hypnotized when she saw his handsome face and beautiful eyes. She felt as if her body belonged to him.

This was the reason why she suddenly wrapped her arms around his waist.

'Xiao Tian...'

She felt what Xiao Tian felt before.

Green light!

She gave him the green light!

Xiao Tian became even braver.

He slowly brought his face closer to hers, intending to kiss her tender lips again.

Unlike before, Xi Ran suddenly felt like electricity was running through her body when he pressed his lips against hers.

However, the feeling of surprise did not stop there because he did something shocking after their lips met.

He tried to put his tongue into her mouth!

In other words, he tried to kiss her passionately!

Xi Ran was stunned.

Sure, they had already had sex once.

No!

Sure, they had kissed on the lips before, but having a passionate kiss was different.

It was a different story!

'He wants to kiss me passionately.'

She still did not open her mouth because she had complicated feelings now.

She wavered whether she should accept the kiss or not!

Sure, they kissed on the lips earlier, but it was an accidental kiss.

They were not lovers.

He was her mother's boyfriend, so having a deep kiss with him was too much.

But even so, her body did the opposite.

Her mind told her to stop him, but her mouth slowly opened. She even did not understand any of this, as if her body had its own thought.

'Is it because I have fallen for him?'

She suddenly suspected it was because there was a special feeling for him in her heart.

'Xiao Tian...'

She half-closed her eyes as she opened her little mouth.

Xiao Tian wasted no time and immediately put his tongue into her mouth. She agreed to have a deep kiss with him, so he would not waste it.

And the duo started moving their tongues lewdly in a public place.

Chapter 1522 Falling Into The Water

6-8 minutes

The sun hid behind the clouds, and the sound of running water resounded throughout the area.

When the birds were chirping in the shady trees, two young people had a passionate kiss on the edge of the river.

The young woman was lying on the water while the young man was on top of her.

Even though anyone could see what they were doing, they still had a passionate kiss. It was not because they were perverts.

It was not that they had forgotten where they were either. But it was because they fell into the water.

Yes, everything happened because they fell into the water!

These two young people were none other than Xiao Tian and his friend, Xi Ran.

The duo was currently moving their tongues lewdly. They had drowned in their own world, so they forgot about everything.

At that time, what they had in mind was only one thing.

Enjoy the kiss!

Yes, they only wanted to enjoy the kiss!

This was the reason why they did not stop the kiss even though they were in the water.

Xi Ran could not describe what she felt in words.

First, he was skilled at deep kissing, and last, it was her first time having a passionate kiss in that position.

She never even thought that she would kiss a man in such a position. However, she did not regret it.

She did not regret it because it was a good experience for her.

In short, she loved it!

Of course, she would not say it because she would feel shy if she admitted it.

'He is so skilled at deep kissing. I feel like I'm melting.'

She embraced him tighter.

"Huft...Huft...Huft..." they breathed heavily after stopping the kiss.

Xiao Tian was still on top of her because she kept hugging him.

Like before, the duo looked each other in the eyes. Anyone who saw them could tell that they enjoyed their time so much.

Xi Ran had no idea what was going on. A desire to do a passionate kiss with him suddenly appeared again.

The desire within her grew bigger when she saw his beautiful black eyes and lips.

'Why? Why can't I control myself? Why does he look so attractive?'

Countless questions appeared in her mind.

'Xiao Tian...'

She could not hold back the desire within her anymore, so she decided to kiss him again.

Xiao Tian was startled.

Previously, he thought they would stop, but he was wrong.

Of course, he loved it.

This was the reason why he welcomed the kiss instantly.

And the same thing happened again!

They had a passionate kiss again!

The duo had a deep kiss for several seconds before finally stopping.

After they were satisfied, they sat up.

Yes, they decided to sit in the water because the water was not deep.

The water was clean, and there was countless gravel under it, so they decided to sit in the water because the feeling of water flowing and hitting their bodies felt good too.

"Lady Xi, your T-shirt..." he did not finish his words on purpose.

'I can see the color of her bra.'

Because her white T-shirt was wet, he was able to see her red bra clearly.

Xi Ran lowered her head to look at her breasts.

'My bra is visible to his eyes.'

Her T-shirt was wet, so it stuck to her body.

She pulled her T-shirt up, but it stuck to her body again after she removed her hands from her T-shirt.

"My T-shirt is wet." She could not do anything about it, so she did not care about it.

Of course, she would behave differently if Xiao Tian were another man. She did not care about it because she had already had sex with him once.

No!

Maybe it was because she had fallen for him, so she did not care about it.

He shifted his gaze from her breasts to her face because it would make the atmosphere awkward.

"Hmm? So, you two are here, huh?" a voice suddenly rang out. "What are you guys doing here?"

Xiao Tian and Xi Ran turned their heads toward the source of the sound.

'Nichang?'

They saw a gorgeous young lady walking toward them.

"We tried to catch fish earlier, but failed and fell into the water." Xiao Tian gave an honest answer.

"Catching fish? Did you try to catch fish using hands?" Leng Nichang threw another question.

"We don't have a fishing net, so we have no other choice." He responded, "Why did you come to this place?"

"I want to relax." Leng Nichang's gaze fell on Xi Ran's wet T-shirt. "Ran, your bra is visible to his eyes."

"Yes. Because it's wet." Xi Ran acted normally

Xiao Tian rose to his feet and took off his T-shirt. He squeezed his T-shirt because, with this, it would dry faster.

At this moment, Xi Ran and Leng Nichang looked at his body. Even though they had known that he had a good body, but seeing his naked upper body still stunned them.

Yes, his body was in perfect proportions!

This was the reason why the duo could not take their eyes off his body.

"Hmm? What's wrong?" Xiao Tian still did not know that they were amazed by his body.

"Nothing." Xi Ran and Leng Nichang responded in unison.

After chatting on the river bank for several minutes, the trio returned to their tent.

Xi Xingyi and Shi Fei giggled when they saw him walking half-naked as if he had just finished having a threesome with Xi Ran and Leng Nichang.

"Did you enjoy it, little brother?" Shi Fei giggled again after throwing a question.

"Enjoy what?" of course, he did not get her words.

"Did you enjoy it?" Shi Fei repeated her question.

"You want to be punished huh?" after saying that, he carried her in a princess style. "Come here my sexy lady. I will punish you now."

"Xiao Tian, punish me too later!" Xi Xingyi shouted.

Xi Ran and Leng Nichang shook their heads.

Xiao Tian put Shi Fei down after entering his tent.

'Luckily, I brought many clothes.'

He immediately took off his trousers.

"Eh? No foreplay?" Shi Fei thought Xiao Tian wanted to have sex with her immediately. "Do you want to skip the foreplay and go straight to the main course immediately?"

The corner of his lips twitched. "I want to change my clothes because it's wet."

"Eh?" Shi Fei stopped what she was doing. "No sex?"

At this moment, her hands were grabbing the hem of her T-shirt. Previously, she was about to take off her T-shirt because she thought he wanted to have sex with her immediately.

That was why she was shocked and stopped what she was doing when he said he only wanted to change clothes.

"Beautiful belly and a sexy purple bra." Xiao Tian commented after seeing her.

"Pervert! Hehe." Shi Fei giggled again.

"Ran, change your clothes or else you will get sick later." Xi Xingyi told her daughter to change her clothes because her daughter was wearing wet clothes.

"Alright." After saying that, Xi Ran headed to her tent.

As she was changing her clothes, she suddenly recalled what she had done with Xiao Tian in the river.

'I still can't believe we did something like that earlier.'

Chapter 1523 Yay!

7-9 minutes

Two young people were having sex not far from the river.

The young woman was standing under a big tree, while the young man was standing in front of her.

Her back was leaning against a tree while her right leg was hanging on the young man's right arm.

Even though they were half-naked, they did not show the slightest care about it because they really enjoyed their sex time.

These two young people were none other than Xiao Tian and his sexy lover, Shi Fei.

Previously, they only chatted in his tent. Because she kept teasing him, he decided to punish her.

He did not punish her in his tent because Xi Xingyi's tent was next to his. He decided to punish her near the river because it was exciting to have outdoor sex.

"Ah...Ah...Ah..." she placed her hands on his shoulders and looked at him with a fascinating face.

"Do you like the punishment, my sexy lover?" he was pleased when he saw her lewd face.

"Ah...Ah...Ah...yes...Ah...Ah...I like this punishment...Ah...I like it." of course, she liked it because she loved having sex with him.

"Then I will punish you harder." After saying that, he grabbed her other leg and raised it.

"Ah..." she moaned louder.

She did not fall to the ground because her back was leaning against a tree, and he was also carrying her.

"Little brother, faster, harder." She wrapped her arms around his neck when his penis hit her womb.

'I love this...I love this... I love this kind of punishment.'

This was what she loved from having sex with him.

Immense pleasure!

Yes, he always gave her immense pleasure whenever they had sex!

That was why she never refused to have sex with him because it felt amazing.

"So tight!" but even so, he moved his waist faster and faster, causing her to wail continuously.

Not long after that, they finally reached their limit.

"Little brother, I'm cumming..." she embraced him tighter.

'I'm cumming again... I'm cumming again.'

She added in her mind.

"I have reached my limit too." he moved as fast as he could.

Shortly after that, they had an orgasm at the same time. "I'm cumming..."

"Huft...Huft...Huft..." she breathed heavily. "It was amazing, little brother."

"Yes, it was amazing." He was still carrying her because he wanted to feel the warmth of her body.

They remained in the same position for about two minutes before he finally put her down.

"You cummed a lot, little brother." She giggled when she saw his sperm in her vagina.

"It's because your body is amazing!" he praised her. "By the way, where is your panties?"

"I don't know." She skimmed her surroundings, but she did not see it. "I threw it near this tree earlier. Ah, well. Forget it. I have many panties anyway."

The corner of his lips twitched. "Pervert!"

"But you like it, right?" she threw a question.

"I love it." He responded, "Let's return to the tent so that you can wear a panties."

"Sure." She immediately held his right hand.

And they walked toward their tents hand in hand.

When they were on their way to his tent, they met Xi Xingyi and Leng Nichang. They were surprised because they thought Xiao Tian and Shi Fei were in his tent.

"Where did you two go earlier?" Xi Xingyi threw a question.

Before Shi Fei could answer Xi Xingyi's question, a strong wind blew from their right side, causing her short skirt to lift.

Shi Fei was not wearing panties because she could not find it earlier. For this reason, Xi Xingyi and Leng Nichang could see her bare pussy when the wind lifted her skirt.

But instead of feeling shy, Shi Fei giggled. She even did not try to cover her pussy and let the strong wind keep lifting her skirt.

"Hehe. Little brother just finished punishing me." Shi Fei giggled as she pointed to the place where she had sex with Xiao Tian earlier.

The corner of his lips twitched.

'Bad lover!'

He knew they were also his women, but she should not act like that.

"Pervert!" Leng Nichang stated.

Unlike Leng Nichang, Xi Xingyi immediately grabbed his right hand. "Xiao Tian, you have to punish me too. I want you to punish me tonight."

Shi Fei shifted her gaze from Xi Xingyi to Leng Nichang. "Sister Nichang, do you want to do it too?"

"I will pass." Leng Nichang refused instantly.

"Then you can enjoy your time alone with little brother, sister Xingyi." Shi Fei would not join them because she had just finished having sex with him.

Yes, she wanted to give Xi Xingyi some time alone with Xiao Tian!

"Good!" Xi Xingyi smiled happily.

Xiao Tian pinched Xi Xingyi's nose gently. "Pervert!"

"You are the one who is pervert! Hehe." Xi Xingyi and the others said in unison.

Black lines formed on Xiao Tian's forehead.

'They are ganging up on me.'

Of course, he was not angry because he was indeed a pervert young man.

Then they returned to their tents.

And like what Xi Xingyi had planned, she went to his tent after Xi Ran and the others fell asleep.

That night, Xiao Tian and Xi Xingyi had a great time in his tent before finally sleeping.

The following morning, they spent time in the river after having breakfast together. They had a great time in the river.

They even laughed happily. Of course, they did not forget to take a picture because they wanted to make good memories in the Hang River.

Even though they faced a problem two days ago, but they did not regret coming to Hang River.

They had many good memories in the Hang River, to the point they almost forgot about what had happened to Xi Ran.

The next day at 09:00 am, they went home. Xiao Tian immediately headed to Mu Ai's room because he wanted to see his little angel.

"Little Ai..." he opened her door happily.

'Hmm? Where is she?'

He did not see Mu Ai in her room.

'Is she in the backyard?'

He rushed to the backyard.

And his guess was right because he saw Mu Ai with Long Jingxian in the backyard.

"Little Ai..." Xiao Tian rushed to her.

Mu Ai, who was playing with a doll next to the pool, ran toward him. "Big brother..."

Long Jingxian smiled softly when they saw what they were doing.

'They really like each other.'

Of course, she loved it because he was her future husband.

After kissing Mu Ai and carrying her, he walked toward Long Jingxian before finally sitting on the pool lounge chair.

"Big Brother, you are always going somewhere for a long time. I'm lonely." Mu Ai uttered, "I also want to spend time with big brother."

"Then, let's go somewhere together tomorrow." He also felt the same.

"Really?" Mu Ai's eyes shone brightly.

"Yes." He responded, "Let's spend time together for the whole day tomorrow."

"Mmmuuuccchhh." Mu Ai kissed his cheek because she was happy. "Big brother is the best."

"Of course, because big brother loves little Ai so much." Of course, he loved it because she was his little angel and Long Jingxian's daughter. "We will buy a lot of toys tomorrow."

"Yay!" Mu Ai raised her arms happily.

"Xiao Tian, don't spoil her too much." Long Jingxian uttered, "It's not a good thing."

"Big brother, let's just go with the two of us." Mu Ai pretended to be angry at her mother. "My mother is bad."

"Sure." He agreed instantly.

Long Jingxian beamed as she shook her head.

Chapter 1524 Meeting Xi Ran

7-8 minutes

The next day at 01:00 pm, Xiao Tian took Mu Ai to Shenro Fountain. They were alone this time because she said she only wanted to spend time with him.

The duo was currently sitting on the public seating, eating ice cream. Both of them wore happy faces because they enjoyed their time.

"Little Ai, do you want to taste big brother's ice cream?" Xiao Tian put his ice cream in front of her.

"Un." After nodding her head cutely, she tasted his ice cream. "It's good. Big brother, taste my ice cream too."

He took a small bite of her ice cream before finally nodding his head. "It's good."

The duo was eating their ice cream again. As they were enjoying their ice cream, two people walked closer to them.

"Yo, Xiao Tian. It has been quite a while since the last time we met." Zhao Sheng, who was walking to Xiao Tian, uttered, "How have you been?"

Xiao Tian turned his head toward the source of the sound.

'Oh, it's Zhao Sheng and his grandfather.'

He saw Zhao Sheng and Zhao Chen walking toward him.

When Zhao Chen was in front of them, he looked at Mu Ai. "Oh! Is she your daughter?"

'She is so adorable.'

He added in his mind.

Before Xiao Tian could answer Zhao Chen's question, Mu Ai said something surprising. "Santa Claus?"

Zhao Chen had white hair and a beard, so he looked like Santa Claus in Mu Ai's eyes. That was why she said something like that.

Xiao Tian almost laughed after hearing Mu Ai's words. He did not expect her to say something like that.

"Haha." Unlike Xiao Tian, Zhao Sheng could not hold back himself and laughed loudly.

The Zhao family was already a high upper-class family, so no one dared to say such a thing except Mu Ai.

No!

Even if the Zhao family were not a high upper-class family, no one would dare to say something like that because Zhao Chen was a martial expert.

Bang!

Zhao Chen hit his grandson's head for laughing.

"Ouch!" Zhao Sheng cried out in pain.

Zhao Chen returned his attention to Mu Ai before finally speaking, "I'm not Santa Claus, I'm Zhao Chen."

Even though Mu Ai's words sounded like she was making fun of him, he was not angry at her.

The reason was simple.

It was because Mu Ai was an adorable kid!

Yes, like Xiao Tian, Zhao Chen had been charmed by her cuteness.

"I see. Mu Ai is Mu Ai." Mu Ai nodded her head cutely when she discovered that Zhao Chen was not Santa Claus.

Xiao Tian and the others almost could not control themselves when they saw Mu Ai nodding her head cutely.

Xiao Tian even hoped she would remain a kid forever because her cute face and adorable actions were like healing magic to him.

This was the reason why he really liked her and never refused her wishes.

"By the way, why did you come to this place?" Xiao Tian threw a question.

"We want to meet my grandfather's friend." Zhao Sheng responded, "Do you want to come with us?"

"I promised to spend the whole day with little Ai, so I will pass." Xiao Tian refused instantly.

"I see." Zhao Sheng responded.

They chatted for about ten minutes before finally, Zhao Sheng and Zhao Chen left.

Xiao Tian and Mu Ai were currently strolling around the Shenro Fountain. Like before, they wore happy faces because they were thrilled.

"Big brother, I'm hungry." Even though she had eaten two ice cream, she was still hungry.

"Then let's eat now." he was also hungry because they had not had lunch yet.

"Let's find a restaurant now." Mu Ai suddenly ran, looking for a restaurant.

"Little Ai, be careful." He ran after her with a worried face.

*Bump...

She looked at him when she was running, causing her to bump into a mature lady.

"Little Ai, are you alright?" he rushed toward her worriedly.

The mature lady managed to catch Mu Ai so she was not injured. "Are you alright?"

"I'm sorry. She di-" he was startled when he saw the mature lady. "Lady Xi?"

Yes, that mature lady was Xi Ran, Xi Xingyi's daughter!

"Xiao Tian?" like him, she was also surprised.

'I didn't expect to meet him in this place.'

She suddenly wanted to know who Mu Ai was.

Mu Ai looked at Xiao Tian before finally shifting her gaze to Xi Ran. "Big brother, do you know this big sister?"

"Yes. She is big brother's friend." He gave an honest answer.

Mu Ai suddenly grabbed Xi Ran's right hand and said something shocking, "Big sister, we are going to have lunch. Let's eat together with us."

Xiao Tian was startled.

Of course, he did not mind if she wanted to join them, but he believed Xi Ran would refuse because he knew her personality well.

However, his guess was wrong because Xi Ran accepted it immediately.

"Alright." Xi Ran was also hungry, so she agreed to eat with them immediately.

No!

Actually, she did not know why she suddenly agreed to have lunch with them because, previously, she intended to eat alone.

"Then let's eat together." Mu Ai said happily.

The trio started looking for a nearby restaurant. When they were about to go to a lobster restaurant, they saw an interesting floating restaurant advertisement.

It was mentioned that customers would eat on the boat, and the boat would sail when it had enough customers.

Yes, they would eat in the sailing boat!

With this, not only could they eat delicious food, but they could see a beautiful view from the boat too.

The boat would sail for about fifty minutes, and it would sail in the Dong River. Dong River was a huge river and was located not far from residential houses.

The trio was currently sitting on chairs. Mu Ai was on his right side, while Xi Ran was on the opposite side of him.

Even though it was an open-air boat, the safety was good because customers were protected by an iron fence surrounding the boat.

Not only that but there were ten people guarding them. They were ready to save the customers if they fell into the river.

"Big brother, I like this floating restaurant." Mu Ai said happily.

Her hair danced softly because the boat had no windows. The boat was designed without windows because the wind could make the atmosphere perfect.

Shortly after that, the boat sailed. The boat sailed at low speed because, with this, the customers could enjoy their food and the scenery around them.

The waitresses began giving their orders. All the waitresses were beautiful and had nice bodies.

"Whoa!" Mu Ai was pleased when she saw her food.

Previously, Xiao Tian ordered many foods and six drinks. They would be in the boat for fifty minutes, so he ordered extra food and drinks for them.

"Let's eat." Xiao Tian said.

The trio began to eat. They were happy because the food was delicious.

'Even though the price is expensive, but it worth it. I like this floating restaurant.'

He was satisfied with the food because it was worth the price.

Then the trio began to enjoy themselves in the floating boat.

Chapter 1525 Spending Time With Mu Ai And Xi Ran

7-8 minutes

Xiao Tian, Mu Ai and Xi Ran were enjoying themselves in the floating restaurant. The trio was delighted because they could enjoy delicious food and see beautiful scenery.

The boat was sailing at low speed, so the wind did not ruin the food.

"Big brother, aaa." Mu Ai opened her little mouth, asking Xiao Tian to feed her.

Xiao Tian wasted no time and immediately fed her.

"It's delicious!" Mu Ai said happily.

He smiled softly when he saw Mu Ai's cute face.

'She is indeed my little angel.'

Due to how cute she was, he forgot to control himself.

"Hehe." Mu Ai smiled happily when he suddenly hugged her and rubbed his cheeks against hers.

Xi Ran was shocked.

'Hmm?'

She did not expect him to act like that in front of her.

He was a young man who always tried his best to maintain his image, so she was shocked when he did something like that.

"You two seem to have a close relationship." Xi Ran said as she continued eating.

"That's right. We have a close relationship." He gave an honest answer. "After all, she is my little angel, my healing little angel."

"Hehe. I like big brother." Mu Ai stated.

"Big brother also likes little Ai." He suddenly remembered to maintain his image. "Ehm! I mean, look at her. Isn't she adorable?"

Xi Ran shifted her gaze from Xiao Tian to Mu Ai. "Yes. She is adorable."

She admitted that Mu Ai was very adorable. Be it her expressions or behavior, everything about Mu Ai was so cute.

She even had never seen a kid as adorable as Mu Ai before.

'He looks so happy when he is with her. If only I can make him happy lik-'

She could not believe what she had just thought.

'It seems like I'm really in love with him.'

She lately always wanted to be with him.

Not only that, but the memories of them staying the night at the abandoned house always appeared in her mind when she was alone.

It was as if her body was longing for him.

No!

It was as if her body had found its soulmate.

She even had the thought of inviting him to drink coffee with her many times.

Yes, she almost could not control her feelings now!

Since he saved her, he had a special place in her heart.

Actually, this was the main reason she instantly agreed when Mu Ai asked her to have lunch with them.

'I should control myself.'

She was a lady, so she had to control herself.

"Right? Sometimes, I even hope that she would stay like this forever." He was not lying when he said this.

Even though he believed she would still be cute when she grew up, but he was sure that she would not be as cute as when she was little.

"It seems like you really like her." Xi Ran smiled softly.

'If only you will lik-'

She sighed when she realized what she had in mind.

"What's wrong, lady Xi?" Xiao Tian threw a question.

"Nothing." Xi Ran responded.

The trio ate again.

Like before, they really enjoyed their time. They did not regret eating in the floating restaurant because it could make them happy.

They even took a picture together because they did not want to forget their happy memories in the floating restaurant.

"Big sister, are you going to leave now?" Mu Ai inquired, "How about spending time with us today?"

The trio was currently in the Shenro Fountain. They returned to the Shenro Fountain after eating in the floating restaurant.

"Alright." Xi Ran agreed instantly.

"Lady Xi, you can refuse her wish if you are busy. It's fine." He did not want to disturb her time because he was already happy to be able to have lunch with her.

"I have free time today." Actually, she had something to do, but she decided to lie because she still wanted to spend time with him and Mu Ai.

"Yay!" Mu Ai was pleased because she could spend time with Xiao Tian and Xi Ran.

Xi Ran and Xiao Tian smiled softly when they saw Mu Ai's happy face.

Mu Ai immediately held their hands and spoke, "Where should we go next?"

Instead of answering her question, Xiao Tian inquired, "Where do you want to go, little Ai? Big brother and big sister will let you decide everything for today."

Mu Ai touched her lips with her right index finger, and she started to think of a place she wanted to visit.

However, she did not know a good place to visit. "I'm fine as long as I'm with big brother and big sister."

Xiao Tian and Xi Ran exchanged a glance with each other.

"Then let's stroll around this area first." Xiao Tian still wanted to take a walk around the Shenro Fountain.

"Un." Mu Ai nodded her head cutely.

The trio began strolling around the Shenro Fountain.

Unlike usual, Xi Ran did not put on a poker face this time, as if her feelings for Xiao Tian had softened her expression.

Even though she was not talkative, but she often smiled.

In other words, her expression had softened since she fell in love with him!

"Hehe." Mu Ai walked between Xiao Tian and Xi Ran.

She held their hands and put on happy face because she had a great time with them.

'Hmm?'

She saw a few people cycling in front of her.

Mu Ai looked at Xiao Tian before finally pointing her right index finger at people who were cycling not far from her. "Big brother, let's go cycling together."

"Cycling together?" he was a little shocked. "Lady Xi, how about we go cycling together?"

"Alright." Xi Ran agreed instantly because she thought it was not a bad idea.

The trio started looking for a bike rental place. They decided to rent a tandem bike. It was a side-by-side tandem bike.

Even though it was designed for two people, but they could use it because Mu Ai was still a kid, so she did not take much space.

The trio smiled happily as they cycled together. It was already 04:35 pm, so the atmosphere was perfect for cycling together.

Coupled with the many people cycling together made the atmosphere even more beautiful in their eyes.

"Big brother, there is a street singer!" Mu Ai said as she pointed her right index finger forward.

"Do you want to hear it?" he inquired.

"Un." Mu Ai nodded her head.

They stopped not far from the street singer.

'Mm?'

He was startled when he found out that the singer was singing his song.

"It's your song." Xi Ran knew it was his song.

Mu Ai looked at Xiao Tian before finally asking, "Big brother, is he singing your song?"

"Yes." Xiao Tian responded, "What do you think about the song, little Ai?"

"It's good because it's big brother's song." Mu Ai said something like that because it was his song.

"Thank you." Xiao Tian smiled happily.

They continued cycling again not long after that. Time went by quickly, and without realizing it, it was already 05:05 pm.

The trio was standing in front of the bike rental because they had just returned the bike.

"Lady Xi, do you bring your car?" Xiao Tian inquired.

"No," she answered.

"Then, how about I send you home?" he threw another question.

"Alright." She agreed instantly.

Chapter 1526 Today Is A Beautiful Day

7-8 minutes

Xiao Tian, Mu Ai and Xi Ran were currently on their way to her house. Xi Ran was sitting in the passenger seat with Mu Ai on her lap.

"Big sister, are you happy spending time with me and big brother?" Mu Ai inquired.

"Yes." Xi Ran indeed enjoyed her time with them.

She did not regret spending time with them because they could make her day beautiful.

"Then let's go somewhere together again in the future." Mu Ai also enjoyed spending time with Xi Ran and Xiao Tian.

"Sure." Xi Ran responded, "You only need to tell your big brother if you want to spend time with me again."

"Un." Mu Ai nodded her head cutely.

After sending her home, Xiao Tian and Mu Ai went straight home.

Xi Xingyi's House, Xi Ran's Bedroom.

Xi Ran was currently lying on her bed. She immediately watched a movie in her room after taking a shower.

Even though her eyes were on the TV, but her mind was not on the movie because the memory of her spending time with Mu Ai and Xiao Tian appeared again.

'Today is a beautiful day.'

A soft smile spread across her pretty face when she remembered what she had gone through with Mu Ai and Xiao Tian.

Actually, they did not do anything special. They only had lunch in the floating restaurant and cycled together.

However, it was enough to make her happy and make her day feel special. She even thought that she would have a beautiful dream tonight.

'I suddenly want to spend time with them again.'

She took her smartphone from the small table beside the bed.

'But...'

She did not know how to ask them to spend time with her again.

"Sigh!" she let out a sigh.

'I'm really pathetic.'

She said in her mind.

'Should I use little Ai as an excuse?'

Previously, Mu Ai said she wanted to spend time with her and Xiao Tian again.

'It seems like I'm really in love with Xiao Tian.'

She put her smartphone on the bed next to her.

Like before, she suddenly remembered what she had gone through with Xiao Tian and Mu Ai again.

Not only that, but the memories of her staying the night in the abandoned house with him also appeared again.

'I will ask him through the message.'

She did not have the courage to call Xiao Tian, so she decided to send him a message.

However, she kept deleting the text after writing a few words. She did this because she felt like her words were weird and unnatural.

'Ah! I should not write like this.'

She deleted the text again.

This process repeated several times before she finally gave up.

'I gave up.'

She threw her smartphone on the bed before finally leaning her back against the headboard.

'Why am I acting like a teenager? This is not my first time falling for a man.'

She did not know why she acted like that.

'I will just watch a movie.'

She decided not to send a message.

Xiao Tan's Mansion, Long Jingxian's Bedroom.

"Ah...Ah...Ah..." Long Jingxian's wails reverberated in her room.

She was currently having sex with her young boyfriend in doggy style. Previously, she only talked with him and her daughter in her room.

However, everything changed after her daughter headed to her room to sleep.

She seduced him!

This was the reason why they had sex in her room.

Actually, she only wanted to reward him for making her daughter happy. Previously, her daughter told her how happy she was.

For this reason, she decided to reward him by serving him in bed. She chose sex as the reward because he loved sex.

No!

It was because sex could make them happy, so it was like killing two birds with one stone.

"Ah...Ah...Ah..." her beautiful breasts moved uncontrollably as she cried out in delight.

"My Jingxian, how about we have anal sex now?" he suddenly wanted to have anal sex with her after seeing her cute ass hole.

No!

They had never had anal sex before, so he suddenly wanted to do that.

Long Jingxian was startled.

'Anal sex?'

She knew that he had already had anal sex with Ye Xueyin, Shi Fei, Liu Ning and Ling Xing Xue.

She looked at him before finally speaking, "But I have never had anal sex before."

Happiness danced within him when he found out that her ass hole was still a virgin. As someone who liked anal sex, he wanted to do it even more.

Of course, he would not force her to have anal sex with him. "If you agree, I will do it gently later."

"Then please be gentle with me." It took her several seconds before answering him.

She decided to grant his wish because she loved him.

Actually, she was also a little curious about anal sex because Shi Fei and Ye Xueyin kept telling her that anal sex was amazing.

"Hmmm." She half-closed her eyes when he put her nectar on her ass hole.

'We are going to have anal sex now.'

She could feel it when the tip of his cock was on her butt hole.

"Xiao Tian, please be gentle." She repeated the same words because it would be her first anal sex.

"Alright." He thrust his cock slowly.

"Ahh..." Long Jingxian felt a little pain, but she could still endure it.

'His penis is coming inside my asshole.'

She gritted her teeth as she endured the pain.

After thrusting his penis all the way into her ass hole, he did not move his waist; instead, he let her butt hole get familiar with his penis first.

He started moving his waist when Long Jingxian said she was ready.

"Ah...Ah...Ah..." like before, Long Jingxian cried out in delight again.

The pain she felt had turned into pleasure.

'What is this pleasure? Is this the reason why sister Fei told me to try anal sex?'

She felt unfamiliar pleasure.

Even though it also gave her pleasure, but the pleasure was different from when they had normal sex.

"Ah...Ah...Ah...Hiii..." she was shocked when he played with her clitoris too.

'Not my clitoris too.'

Clitoris was one of the most sensitive parts of a woman's body, so the pleasure she felt increased drastically when he played with her clitoris too.

Xiao Tian smiled happily when he knew that she was enjoying anal sex.

'I'm glad she likes it.'

He tried his best to satisfy her.

"Ah...Ah...Ah..." her little mouth opened, letting out multiple seductive cries.

'I'm cumming...I'm cumming...I'm cumming...'

Maybe it was because Xiao Tian was skilled at sex, or perhaps because it was her first anal sex, but at that time, she reached her limit faster than usual.

"I'm cumming..." she tilted her head back before dropping it onto the pillow.

'I had a massive orgasm again!'

Of course, she loved it.

"Mmm? Ah...Ah...Ah..." she was shocked when Xiao Tian moved his waist again.

But even so, she did not try to stop him. Sure, her body was weak, but she wanted to satisfy him too.

And her efforts were not in vain because he reached his limit shortly after that. "Jingxian, I'm cumming...."

They were having anal sex, so he let out his sperm deep inside her asshole.

"It felt great!" he stated after having an orgasm.

Chapter 1527 What Do You Think?

6-8 minutes

Inside a big and luxurious bedroom, two young people were lying on the bed, naked.

The young woman was lying prone with her ass high in mid-air. Her body was frail and white sperm came out of her ass hole.

On her right side, a young man was lying on his back. His heart was filled with happiness, and a satisfied smile could be seen on his handsome face.

Sex!

Yes, the duo had just finished having sex!

Previously, they had sex after her daughter headed to her room to sleep. Not only did they have wild sex, but they also had anal sex.

Of course, they were satisfied because they had an orgasm. These two young people were none other than Xiao Tian and his lover, Long Jingxian.

Long Jingxian was currently trying to catch her breath. Previously, Xiao Tian did not give her time to rest after having an orgasm, so her body was frail.

Of course, she did not hate it; instead, she loved it because not only could she feel immense pleasure, but she could satisfy her young lover too.

'Sister Fei is right. Anal sex is also amazing!'

Even though anal sex was not as amazing as normal sex, but it did feel great.

She even would not refuse if he asked for anal sex again because both anal and normal sex gave her pleasure.

'Hmm?'

Long Jingxian could not help but smile when Xiao Tian gave her some tissue.

"Why did you give me some tissue, Xiao Tian?" she pretended as if she did not understand his actions.

"This is to clean my sperm from your ass hole." He gave an honest answer.

"Can you clean it for me?" she decided to tease him.

He was startled. "You want me to clean your ass hole?"

"You don't want to?" she was still lifting her ass high in mid-air, so it should not be hard to clean her ass hole.

"Alright." Xiao Tian did not feel disgusting.

He loved anal sex, so there was no way he would feel disgusting. Her ass hole was cute in his eyes, so he smiled softly as he cleaned her butt hole with some tissues.

Long Jingxian was shocked.

'Hmm?'

She was startled when he agreed instantly.

'Well, he loves anal sex, so I think this is normal.'

She could tell that he was cleaning his sperm on her butt hole.

However, she had no idea that he was aroused again when he stared at her ass hole. His penis was erect again, and the desire to have sex with her appeared within him.

The corner of his lips twitched when he saw his erect penis.

'I'm indeed a pervert! Of course, a handsome pervert!'

As usual, he did not forget to praise himself.

"What a good boyfriend." Long Jingxian teased him again.

'Hmm?'

Her eyes widened for a second when she felt something on her ass hole.

'Is it his penis?'

She turned her head to look at him.

"Xiao Tian, what is th-" When she was about to ask it, she felt something entering her ass hole. "Ahhh..."

'Now I'm sure it's his cock.'

Of course, she did not stop him and let him do whatever he wanted.

"Ah...Ah...Ah...AH..." she began wailing again when he moved his waist.

Xiao Tian thrust his penis into her ass hole because he believed she would not refuse his wish.

"My Jingxian, you keep seducing me, so I have to punish you." He threw the tissue to the bed and grabbed her slender waist.

"Ah...Ah...Ah...when did I seduce you?" she was only teasing him, not seducing him.

"You asked me to clean your ass hole because you wanted to seduce me, right?" he made an excuse.

"I'm not seducing you. Ah...Ah...Ah..." she responded as she wailed. "Why don't you just say you want to have sex with me again? Ah...Ah...Ah..."

Of course, she knew it was only his excuse because she knew his personality well.

They had been together for almost a year now, so she knew his personality like the back of her palm.

"You don't need to make an excuse because I'm your lover. Ah...Ah...Ah..." like before, she spoke as she moaned.

"It's not an excuse. It's because you are seducing me. That's why I'm punishing you right now." he did not want to admit it. "Do you like this punishment?"

Long Jingxian did not answer his question and only moaned as if she wanted to answer his question through her wail. "Ah...Ah...Ah...Ah..."

They had anal sex in many positions. Like before, Long Jingxian had an orgasm again. Even though he was fucking her ass hole, but his penis could satisfy her lovely body.

And shortly after that, Xiao Tian reached his limit too. "Jingxian, I'm cumming..."

He let out his white sperm deep inside her ass hole as if he wanted to fill her butt hole with his sperm.

"It felt great!" after saying that, he kissed Long Jingxian's cheeks.

Long Jingxian was still raising her ass high in mid-air. She did this because she did not want his sperm to fall onto the bedsheet.

'He is really happy.'

Her face broke into a smile when she saw his happy expression.

"Xiao Tian, can you give me some tissues?" she could not reach the tissue box, so she asked him to bring the tissue to her.

Xiao Tian turned his head to look at her. "Do you want me to help you clean your ass hole again?"

Instead of answering his question, she asked, "Hmm? Do you want to have anal sex with me again?"

Previously, he suddenly fucked her ass hole when he was cleaning her butt hole. That was why she said something like that.

"90 percent I won't do that." He did not dare to say 100 percent because previously, he was seduced by her cute asshole.

"90 percent?" Long Jingxian giggled after hearing his words. "So, there is a 10 percent possibility of you thrusting your penis into my ass hole again, huh?"

"Ehm!" he cleared his throat. "You can't blame me for this because your body is too seductive for me."

"Pervert!" she smiled after saying that.

"Actually, I'm starting to think the same thing." He responded.

"What do you mean by starting to think the same thing? Don't you realize how pervert you are? I'm sure everyone has said this countless times." She had heard Shi Fei and the others say he was a pervert many times.

"Ehm! I'm a healthy young man, not a pervert!" he tried to defend himself.

She smiled again. "Alright, a healthy young man. Give me some tissues now."

"Are you sure you don't want me to help you?" he repeated his question.

"No. I will clean it myself." After receiving the tissue, she began cleaning her ass hole.

She immediately lay on his right side after cleaning herself. Like before, she wore a happy face.

"Xiao Tian, thank you for making my daughter happy today." She spoke and paused for a second before she continued, "She is really happy today."

"You don't need to thank me because she is my little angel." He would do anything to make Mu Ai happy.

"I suddenly wonder who you love more between me or my daughter." She joked around because she did not care about it.

"What do you think?" he threw a question.

Chapter 1528 Did I Manage To Surprise You?

5-7 minutes

"I don't mind if you love my daughter more because she is half of my soul." Her daughter meant the world to her, so she did not feel jealous. "You make me happy if you make my daughter happy."

He grabbed her by the waist before finally putting her on top of him. "I love both of you the same."

Even though he really liked Mu Ai, but he also loved Long Jingxian. Both of them had special places in his heart.

He then continued, "You are my source of happiness, while your daughter is my source of serenity."

Long Jingxian's face blossomed into a smile.

She loved it!

She liked his answer!

When he said she was his source of happiness and her daughter was his source of serenity, that meant they were irreplaceable in his heart.

'I just hope he will marry me soon.'

She only had one dream now, and it was to get married to him.

'It feels comfortable in his arms.'

Due to how comfortable it was, she suddenly desired to sleep in his arms.

A soft smile spread across his face. "Good night, my love."

That night, the duo had a beautiful dream, especially Long Jingxian, because she was sleeping in her lover's arms.

The following morning, Xiao Tian went to his company to work after having breakfast with his women.

'I love my life!'

Xiao Tian, who was sitting on the office chair, smiled happily.

He really enjoyed his life because he could almost do anything now. He could spend time with his women or go somewhere but still earn a lot of money.

This was the main benefit of being a successful businessman!

He could sleep all day and still earn a lot of money.

Of course, it was not easy to be a successful businessman, especially to be as successful as Xiao Tian.

'I suddenly want to meet Nichang.'

He suddenly wanted to go on a date with Leng Nichang, but she refused, saying she was busy with her job.

To his surprise, Xi Xingyi called him right after Leng Nichang hung up the phone. Xi Xingyi said she wanted to spend time with him, so she asked him to come to her house.

Xiao Tian had finished his work, so he wasted no time and went straight to her house.

Xi Xingyi's Mansion, Family room.

Xi Xingyi was currently in the family room with her daughter. However, she suddenly dragged her daughter to her room because she wanted to show her something interesting.

She wanted to show her a starry lamp!

"How is it, Ran? Isn't it beautiful?" Xi Xingyi inquired.

"Yes." Xi Ran did not expect her mother to show her a starry lamp.

"Do you want a starry lamp too?" Xi Xingyi asked curiously.

"I think I will pass." Xi Xan refused because she was not interested in a starry lamp.

When Xi Xingyi was about to say something, her smartphone suddenly rang. At first, she was still in her room, but it did not last long because she was thirsty.

After her secretary hung up the phone, she did not return to her room; instead, she headed to the backyard because there was something she wanted to check.

At the same time, Xiao Tian arrived at her house.

'Where is she? Didn't the maid say she was in the family room?'

He did not see his MILF lover in the family room.

'Is she in her room?'

He headed to her room.

'Ah, there she is.'

Xi Xingyi did not close the door when she went to the dining room.

'I will give her a surprise.'

He still did not know that the one standing in front of him was not his lover but his lover's daughter.

Yes, she was Xi Ran!

Of course, he thought she was Xi Xingyi because she was in her mother's bedroom.

Xi Ran was in her mother's room, and she looked like her mother, so Xiao Tian mistook her for her mother again.

Xi Ran's back was facing him, so she did not know that Xiao Tian was behind her.

'Where is my mother? Why isn't she back yet?'

She thought her mother would return after drinking water, but she was wrong.

'I want to watch a movie.'

When she was about to head to the family room, Xiao Tian did something shocking to her.

He embraced her from behind!

Xi Ran widened her eyes for a second!

She was shocked when someone suddenly hugged her from behind.

'Who is it?'

She lowered her head to look at the arms wrapped around her waist.

'Aren't these a man's hands?'

Xiao Tian's voice entered her ears when she was about to turn her head.

"My love, did I manage to surprise you?" Xiao Tian inquired. "I went straight to your house after you called me. Are you happy?"

Xi Ran finally knew the one who embraced her.

Xiao Tian!

The one who hugged her from behind was none other than her mother's lover, Xiao Tian!

*Thump...thump...

Xi Ran was in love with him, so her heart suddenly beat fast after knowing it.

'Should I tell him that I'm Xi Ran?'

Maybe because she was in love with him, but at that time, some part of her suddenly told her not to do that because, with this, he would keep hugging her.

'I'm starting to lose control of my feelings now.'

As she was deep in thought, he did something shocking again.

He turned her and kissed her lips!

He still mistook her for her mother, so he decided to kiss her.

"Delicious!" he behaved like a pervert after kissing her. "Why don't you say something, Xingyi? Or do you want to do it again?"

Xi Ran was at a loss for words.

She did not know what to say because he kept doing something shocking.

However, Xiao Tian mistook her silence as a sign that she wanted them to kiss again. "What a pervert lady!"

Xi Ran was surprised when he made her lie down on the bed. But what surprised her most was that he was on top of her.

"Then I will eat you now." after saying that, he brought his face closer to hers.

Chapter 1529 Mistaking Xi Ran For Her Moter Again

6-8 minutes

"Then I will eat you now." after saying that, he brought his face closer to hers.

If previously he only pressed his lips against hers, Xiao Tian tried to kiss her passionately this time.

'Hmm?'

He was startled because she did not welcome the kiss immediately like usual.

'Is she teasing me?'

He mistook her actions again.

'Then I will make you accept my kiss.'

He tried to put his tongue into her mouth.

At the same time, Xi Ran was still closing her mouth.

'What should I do now?'

She wavered whether she should welcome the kiss or not.

The memory of them having a deep kiss in the Hang River suddenly appeared in her mind.

'Oh, right. We had already had a deep kiss before.'

She used that memory as an excuse to welcome his kiss.

Actually, it was not because of that memory but her feelings. She was in love with him, so her body always responded to his actions.

That was why she slowly opened her little mouth, welcoming his tongue with hers.

Xiao Tian laughed in her mind.

'As I thought, she would accept my kiss.'

Xi Xingyi had never refused his kiss, so he knew she was only teasing him.

As they were moving their tongues lewdly, Xi Ran wrapped her arms around his back.

She liked it!

She really enjoyed the kiss!

She even felt as if she was in the flower garden.

Xiao Tian stopped the kiss and smiled, "Do you like it, my love?"

Xi Ran did not answer his question; instead, she brought his face closer to hers before finally kissing him again.

Xiao Tian was pleasantly surprised.

The duo started having a deep kiss again. They moved their tongues lewdly as they exchanged saliva.

Xi Ran did not know what was going on, but she felt extremely happy. She had never felt that happy kissing someone before.

As she was starting to lose herself in lust, Xiao Tian stopped the kiss. She thought it was time to stop doing adult things, but she was wrong.

She was utterly wrong because he stopped the kiss to close the door. "My love, I have closed the door. No one will see us now."

Xi Ran's heart beat again.

Now that he had closed the door, she believed he wanted to do something more than just kiss.

'What should I do? My mother is at home. What if she sees us later?'

It was not like she did not want to do adult things with him, but she was afraid that her mother would see them later.

He mistook her for her mother, and she did not say anything about it, so she did not know what she would do or say if her mother suddenly entered the room.

"Xiao Tian, actuall-" before she had finished her words, he kissed her passionately again.

For this reason, she forgot about what she wanted to say because she felt immense pleasure when his tongue was exploring every inch of her little mouth.

'It feels good!'

She wrapped her arms around his back again, hugging him tightly.

After stopping the kiss, Xiao Tian uttered, "Xingyi, your daughter is not at home, right?"

Xi Ran was still wrapping her arms around her back.

'I'm in front of you. You kissed me, not my mother.'

Now she knew that the misunderstanding was getting bigger and bigger.

As she was deep in thought, he asked a shocking question, "My love, how about we have quick sex?"

Xi Ran widened her eyes for a second.

'Sex? You want to have sex with me?'

She found it hard to believe what she was hearing.

Sure, they had already had sex once before, but it was under the influence of an aphrodisiac, not their will.

'What should I do? Should I accept it and ask him to keep it a secret later?'

Maybe because he mistook her for her mother or perhaps because she had fallen for him, but at that time, she had the thought of granting his wish.

'But he is mistaking me for my mother. What if my mother suddenly enters this room?'

She still did not realize what she was thinking.

Yes, her mind showed one meaning.

She did not mind having sex with him!

She was only worried that her mother would come when they were having sex, or he would know that she was Xi Ran, not her mother.

As she was thinking about whether she should stop him or not, he kissed her again. He did not kiss her lips this time; instead, he kissed her forehead.

Of course, he did not stop there because he kissed her right eye after that. He kissed her forehead and eyes before finally going down to her neck.

Xi Ran was still in a state of shock. But even so, she did not stop him.

She even tilted her head back when he was kissing her neck as if she wanted to make it easier for him to kiss her neck.

'It's already too late now.'

Actually, it was not too late to stop him because he only kissed her neck.

However, she used that as an excuse again. She used that as an excuse to let him do whatever he wanted to her body.

"Mmm..." Xi Ran closed her eyes when he was devouring her beautiful neck.

'It's already too late now.'

She kept repeating the same words to make her feel better.

"Ahhh..." she opened her eyes when he did something shocking.

'He is giving me a hickey.'

She did not expect him to give her a hickey.

She had never seen a hickey on her mother's neck before, so she was shocked by his actions.

She just did not expect him to give her a hickey when she was only pretending to be her mother.

'He is giving me a hickey in a place everyone can see it.'

But even so, she did not stop him or say something about it.

Yes, she kept letting him do whatever he wanted to her body!

Xiao Tian became even braver.

'My lover is indeed a pervert like me.'

At first, he wanted to give her more hickies, but he changed his mind.

Her big breasts!

Yes, he wanted to lick her big breasts now!

For this reason, he grabbed the hem of her T-shirt and looked into her pretty eyes, asking for her cooperation.

Xi Ran kept saying in her heart that it was already too late to stop him. That was why she cooperated with him when he wanted to take off her T-shirt.

"Oh! You are wearing a sexy bra, huh?" he could see her sexy red bra after taking off her T-shirt. "It seems like you really have the intention of seducing me."

Xi Ran looked at her bra before finally shifting her gaze to his handsome face.

'I have no intention of seducing you.'

Her heart beat faster again.

'He is going to take off my bra.'

She kept looking at his hands, which were holding her bra.

It was a front clasp bra, so it was effortless for him to unhook her bra. "It's beautiful!"

Xi Ran did not know why but she was thrilled when he praised her breasts.

"Now let me taste your breasts." After saying that, he put her right nipple into his mouth.

"Mmm..." Xi Ran half-closed her eyes.

As the duo was enjoying themselves, Xi Xingyi walked toward her room.

Chapter 1530 Did She Hate It?

6-8 minutes

The sun hid behind the white clouds, and a flock of black birds flew in the blue sky.

When many people were busy working, two young people were doing adult things in a luxurious bedroom.

The young woman was lying on the bed while gently biting her right index finger. Her T-shirt was on the floor, and her sexy red bra was unhooked.

She constantly half-closed her eyes and tried her best not to make the slightest sound as if she was doing forbidden things with the young man in the bedroom.

In front of her, an attractive young man was licking and sucking her left breast skillfully.

No!

They were not lovers.

They were also not a married couple.

They were only friends!

They had no special status binding them.

He was even her mother's lover.

They did adult things because the young man mistook her for her mother. This was the reason why they were doing adult things in her mother's bedroom.

These two people were none other than Xiao Tian and his friend, Xi Ran.

At this moment, Xiao Tian still mistook Xi Ran for her mother. This was the reason why he wanted to have quick sex with her.

"Mmm..." Xi Ran tried her best not to moan.

'We can't do this in my mother's room.'

She added in her mind.

As the duo was enjoying themselves, Xi Xingyi walked toward her bedroom. Of course, the duo did not know about it because they were enjoying themselves.

Xi Xingyi was a little surprised when she saw her bedroom door was closed.

'Did I close the door earlier?'

She believed that she did not close the door earlier.

However, she did not care about it and immediately opened the door. "Ran, should we order a pizz-"

She stopped her words halfway when she saw what Xiao Tian and Xi Ran were doing in her room.

'This is...'

The expression of deep shock blossomed on her face.

She left her daughter alone in her room earlier. She just did not expect to see her daughter doing adult things with a young man in her room.

That young man was even her lover.

Did she hate it?

No!

Was she angry?

No!

Was she happy?

Of course!

Xi Xingyi always wanted her daughter to be Xiao Tian's girlfriend because, with this, they would love the same man.

"Hmm? Since when did you two have this kind of relationship?" she did not know what Xiao Tian had done with her daughter, so she asked this question.

Xiao Tian and Xi Ran turned their heads toward Xi Xingyi.

The duo was shocked, especially Xiao Tian.

'Xi Xingyi?'

Even though Xi Ran and Xi Xingyi were like splitting image, but their voices were a little different.

'This is...'

He returned his attention to Xi Ran.

'Did I mistake her for her mother again?'

He finally knew the truth.

'But why didn't she tell me about it? Why didn't she stop me from kissing her and licking her breasts? Why did she let me do whatever I wanted?'

Countless questions appeared in his mind.

He kept mistaking Xi Ran for her mother because she let him do whatever he wanted. She even let him suck and lick her breasts.

Xi Ran instantly covered her breasts with her right arm.

What she feared the most had finally happened.

'Mother?'

Due to how shocked she was, she did not know what to say.

Everything was complicated now.

If she told her mother that Xiao Tian mistook her for her mother, then she would not know what to say if her mother asked why she let him play with her breasts earlier.

She also would not know what to say if her mother asked her why she did not tell Xiao Tian that she was not her mother.

Everything had happened.

Whatever she said would sound like an excuse now.

That was why she did not know what to say and only stared at Xiao Tian and her mother.

'Am I an easy girl now?'

She let a young man, who was not her boyfriend or husband, lick her breasts, so she suddenly thought that they would think of her as an easy woman.

Xiao Tian rose to his feet and looked at Xi Xingyi. "Xingyi, is that really you?"

"Yes. It's me." Xi Xingyi responded, "Xiao Tian, since when did you have this kind of relationship with my daughter? You even did adult things with my daughter."

"But I thought she was you." He told Xi Xingyi that he mistook Xi Ran for her.

"Hmm? You mistook my daughter for me again?" Xi Xingyi believed his words immediately because it was not his first time mistaking her daughter for her.

Xi Xingyi closed the door and walked closer to her daughter. "Ran, why didn't you tell him that you were not me?"

Xi Ran did not answer her mother's question and only stared at her mother and him. She did not know what to say, so she chose to stay silent.

Xi Xingyi suddenly saw a hickey on Xi Ran's neck. "Is that a hickey?"

Xi Ran instantly covered her hickey.

'She saw it!'

She felt even more embarrassed when her mother caught sight of her hickey.

Xi Xingyi shifted her gaze from her daughter to Xiao Tian. "Xiao Tian, did you give her a hickey earlier?"

Xiao Tian felt awkward. "I thought she was you."

"I see." Xi Xingyi nodded her head. "Do you guys want to continue? I will leave this room if you two want to continue."

Xi Ran took her T-shirt before finally rushing to her room. "I will go to my room."

Xiao Tian and Xi Xingyi did not stop her and only stared at her. They knew her feeling because it was written on her face.

He sat on the edge of the bed before finally sighing.

'I kissed her passionately and even sucked her breasts.'

He sighed again, hoping Xi Ran would not be angry at him.

To his surprise, Xi Xingyi suddenly sat on his lap. "What's wrong, Xiao Tian?"

"One of you should cut your hair short so that I can tell who is who." He suddenly felt sorry for Xi Ran because he took advantage of the situation earlier.

'But why didn't she stop me?'

He added in his mind.

"We look prettier with long hair, so we never cut it short." She did not want to cut her hair because she looked prettier with long hair.

She also believed her daughter did not want to cut her hair. Hair was very important for both boys and girls because they would look more attractive with the right style.

"Xiao Tian, tell me. How close are you to my daughter now?" she wanted to know how close their relationship was because her daughter let him suck her breasts earlier.

Instead of answering her question, he asked, "Why do you want to know about it?"

"She is my daughter." She responded, "Just tell me."

"You should ask this question to your daughter, not me." He did not want to give the wrong answer, so he told Xi Xingyi to ask her daughter.

"Xiao Tian, can you tell me what you did with my daughter in detail?" Xi Xingyi asked.
