

Illicit 1531

Chapter 1531 I Will Leave It To The Future Me

"Xiao Tian, can you tell me what you did with my daughter in detail? Don't worry. I won't be angry at you." even though Xi Xingyi knew what he did with her daughter in her room, but she did not know about it in detail.

"You can ask your daughter about it later." He did not want to answer her question because he was afraid that his words would make Xi Ran feel uncomfortable.

Sure, Xi Ran was Xi Xingyi's daughter, but she was still a lady, and a lady had something they did not want to share with anyone else.

'I hope lady Xi won't hate me later.'

He glanced at his MILF lover before finally sighing again.

Xi Xingyi, who was sitting on his lap, uttered, "Why do you keep sighing? Do you hate me now?"

He pinched her nose gently before finally speaking, "There is no way I would hate you. I sighed because I made a huge mistake earlier. It has nothing to do with you."

"Then do you hate my daughter?" she threw another question.

"No; instead, it's the opposite." He responded, "I'm afraid she will hate me after this."

"Don't worry. She won't hate you." She knew her daughter's personality well.

"What makes you so sure about that?" he asked curiously.

Instead of answering his question, she asked, "Have you forgotten who I am?"

"Oh, right. You are her mother, not her sister." He indirectly praised his MILF lover.

"Her sister?" unexpected happiness consumed her after hearing his words. "Xiao Tian, tell me. What do you want?"

He did not understand her words. "Why are you asking something like that?"

"Because you praised me just now." She told him the reason why she wanted to give him a reward. "So, tell me. What do you want?"

"I want you to say yes when I propose to you in the future." Even though they were lovers, he did not know what would happen in the future.

"You don't need to ask something like that because I will accept it immediately." She would not refuse because she also wanted to be his wife. "What do you want?"

"Then kiss my cheeks." He touched his left cheek with his right index finger.

"Mmmuucchh." She kissed him immediately. "Now it's time for you to grant my wish."

The corner of his lips twitched.

'Is this your goal?'

He did not expect her to say something like that.

"You gave my daughter a hickey on the neck before, so I want you to do the same thing to me." After saying that, she tilted her head back, asking him to give her a hickey on the neck.

Xiao Tian's eyes shone brightly.

'A hickey on her neck?'

He suddenly remembered to maintain his image.

"Ehm!" he cleared his throat. "Because I'm a good lover, I will grant your pervert wish."

"Hehe." Xi Xingyi laughed after hearing his words. "Hurry up and do it."

He brought his face closer to her beautiful neck before finally sucking it hard.

"Ahhhh..." Xi Xingyi moaned.

Her wail greatly surprised him.

'Xingyi, what are you doing? Why are you moaning like that?'

He sucked her neck harder.

"Ahhh..." she wailed again.

He was at a loss for words.

Actually, she moaned on purpose because she wanted to tease him.

He refused to tell her what he had done with her daughter in her room earlier, so she decided to punish him.

After giving her a hickey, he inquired, "Why did you moan like that?"

Instead of answering his question, Xi Xingyi slid from his lap and lay on the bed. Not only that, but she also pulled her T-shirt up, showing her beautiful flat belly.

"Here too, Xiao Tian." She told him to give her a hickey on her belly too.

"Tell me about it first! Why did you moan earlier?" he repeated his question.

"I will answer your question after you give me a hickey on my belly." She still refused to answer his question.

Xiao Tian had no choice but to grant her wish.

"Ahh..." like before, Xi Xingyi moaned again when he was giving her a hickey.

He really wanted to punish her because she kept moaning. Sure, he did not hate her moan, but her daughter was at home.

"My beautiful lover, you are really something." He pinched her soft cheeks after giving her a hickey.
"Now tell me about it. Why did you moan earlier? Are you trying to seduce me?"

To his surprise, Xi Xingyi lifted her skirt, showing her sexy panties. "How about here?"

He understood her actions now.

She was seducing him!

He did not know what she had in mind.

After all, her daughter was at home.

"Xiao Tian, I know you like this area so badly, so how about giving me a hickey in this area too?" she corrected her words. "No. Just kiss me in this area gently because this place is sensitive and can get hurt easily."

'I'm sure he loves what he sees.'

She had pulled down her red panties so he could see her pussy clearly.

'Hmm? What?'

The expression of deep shock blossomed on her pretty face when he suddenly walked toward the door.

'Did I tease him too much?'

She thought he wanted to walk out of her room, but she was wrong.

She was utterly wrong because he only wanted to close and lock the door. He did not want the same thing to happen again, so he decided to lock the door.

'As usual, it's easy to seduce him.'

She took off her panties and threw it onto the bed.

"You keep teasing me, so it's time to punish you." After saying that, he placed his head between her legs.

"Ahhhh...." She moaned loudly when he started licking and sucking her vagina.

At the same time, Xi Ran was lying on the bed in her room. She kept thinking about what had happened to her earlier.

'How will I face my mother later?'

Not only did she do adult things with her mother's boyfriend, but they also did it in her mother's bedroom.

Her mother even saw him sucking and licking her breasts.

'I should not have done that.'

She suddenly hoped she could turn back time.

No!

It was not like she hated doing adult things with Xiao Tian.

She wanted to turn back time because she wanted to lock the door. If they had locked the door, something like that would not have happened.

'I really can't control myself when I'm with him.'

She realized that everything was her fault.

'What should I do later?'

She did not know what to say or do when she saw her mother and Xiao Tian later.

'Forget it. I will let the future me think about it.'

She grabbed a bolster pillow and embraced it tightly.

She decided to watch a movie to make her forget everything. And her efforts were not in vain because she could forget everything after watching a movie.

However, it did not last long because she suddenly heard her mother's moan.

'Hmm? What is that sound?'

She still did not realize it, so she turned down the volume of the TV.

'Don't tell me....'

She widened her eyes in surprise when she realized what they were doing.

'Are they having sex right now?'

Chapter 1532 Playing Billiards

7-8 minutes

'Are they having sex right now?'

It was her mother's moan, so she thought her mother was having sex with Xiao Tian because they were in her room together.

'I know the maid has gone to the supermarket to buy vegetables and won't be back in an hour, but I'm still at home.'

Her mother and Xiao Tian knew she was at home, so they should not do it now.

'Is it because of me?'

She suddenly thought it was related to her because she did adult things with him earlier.

She suspected he was horny and decided to have sex with her mother. That was why they did not care whether she was at home or not.

Actually, Xiao Tian did not have sex with Xi Xingyi. He only licked her vagina, nothing more than that.

However, it still made her moan in delight because the vagina was a sensitive part of a woman's body.

"I'm cumming...." Xi Xingyi had a massive orgasm.

Her nectar also hit his face because he licked her vagina earlier.

'I'm satisfied now.'

He stopped licking her pussy because he had achieved his goal.

"Hehe." Xi Xingyi giggled when she saw his wet face. "Come here, my young boyfriend."

He lay next to her, looking at her beautiful face. "What is it?"

"Do you want to go all the way?" she did not mind if he wanted to have sex with her because they were lovers.

"Your daughter is at home." He refused instantly. "Let's do it another day."

"Then let me return the favor now." After saying that, she gave him a blowjob.

'I will make you have an orgasm too.'

She added in her mind.

Time went by quickly, and without realizing it, it was already 06:00 pm.

Xiao Tian was currently in the family room with Xi Xingyi, watching a movie. To their surprise, Xi Ran sat next to them.

"Why did you do it earlier?" Xi Ran threw a question. "I know you two are lovers, but I'm at home."

"Do what?" Xi Xingyi did not get her daughter's words.

"Sex." Xi Ran responded instantly, "You two did it, right?"

"We did not have sex, Ran." Xi Xingyi gave an honest answer. "What makes you think I had sex with him earlier?"

"I heard your moan." Actually, Xi Ran did this because she wanted to take advantage of the situation.

She wanted her mother to forget what she had seen a few hours ago!

"Ran, we really did not do it." After saying that, Xi Xingyi whispered in Xi Ran's right ear. "He only licked and sucked my pussy. That was why I moaned earlier."

Xi Ran widened her eyes.

Xi Xingyi whispered again. "His skills are amazing! How about you try it too, Ran?"

Xi Ran was at a loss for words.

'She has become a pervert lady!'

She stared at Xiao Tian intently.

Xi Ran then used the opportunity to make Xiao Tian and her mother promise to forget everything.

He accepted her wish instantly, but Xi Xingyi did not agree immediately.

She even teased her daughter too. That was why Xi Ran had no other choice but to use her trump card.

After hearing her words, Xi Xingyi agreed. Long story short, they could behave like usual again.

Xiao Tian's Mansion, Family Room.

Xiao Tian was currently watching a movie with Mu Ai. He immediately spent time with his little angel after leaving Xi Xingyi's house.

And like usual, Mu Ai sat on his lap. The duo really enjoyed their time so much, to the point they did not care about anything else.

That night, he did not have sex with any of his women because he chose to sleep with his little angel.

The following morning, Xiao Tian went to his Eternal Group after taking a shower. He did not eat breakfast because his business partner wanted to meet him immediately.

He went straight to Xi Xingyi's house after meeting his business partner because she said she wanted to spend time with him.

To his surprise, he saw Leng Nichang at her house. Without saying a single word, Xi Xingyi dragged Xiao Tian to her car.

Xi Ran and Leng Nichang also entered her car. Actually, Xi Xingyi called him because she wanted to play billiards with him.

She also brought Leng Nichang and Xi Ran with her because, in her view, the more, the merrier.

No!

Actually, Xi Xingyi and Leng Nichang were planning something!

Of course, Xiao Tian and Xi Ran did not know about it because they only communicated through messages earlier.

Green Billiards, VIP Room.

There was a VIP Room in the Green Billiards. The VIP room was huge, with a pool table in the middle of the room.

Not only that, but there were also a sofa and AC in the room. They also could see the beautiful city from the VIP room because it was located on the fifth floor.

Even though the VIP room was costly, but none of them cared about it because they were rich.

As long as no one disturbed them, they did not mind paying more.

"Let's play now." Xi Xingyi spoke abruptly. "Xiao Tian, you are in the same group as Ran, while I will be in the same group as Nichang."

"Sure." Even though he was not good at playing billiards, but he was not bad either.

Xi Ran did not say anything, but she nodded her head, giving a sign that she agreed to be in the same group as him.

"Alright. Let's play now." Xi Xingyi uttered.

Xi Xingyi and Leng Nichang began to carry out their plan. They lost on purpose when they played the first game.

They did something like that with one purpose!!

It was to trap Xi Ran and Xiao Tian!

Actually, they were skilled at playing billiards, but they did not show it because they already had a plan.

"We won, lady Xi!" Xiao Tian was pleased because they won the first game.

"Yes. We won." Xi Ran nodded her head.

Xi Xingyi and Leng Nichang exchanged a glance with each other before finally nodding their heads at the same time.

'Let's carry out our next plan.'

They communicated through their eyes.

Leng Nichang returned her attention to Xiao Tian and Xi Ran. "How about we give the losers a penalty? I think it will be really fun."

"Hmm?" Xiao Tian and Xi Ran were startled.

Leng Nichang continued her words, "The winner will give one order, and the loser must obey it. How was it?"

"That's an exciting idea!" Xi Xingyi added. "Let's do that because, with this, it will be more thrilling."

"How is it, lady Xi?" Xiao Tian was not afraid of the challenge, but he wanted to ask Xi Ran's opinion first.

"Let's do it." Xi Ran agreed because they won the first game earlier.

Leng Nichang and her mother were not skilled at playing billiards, so she believed they could win again.

Xiao Tian returned his attention to Xi Xingyi and Leng Nichang. "Alright. We accepted the challenge, but the order should not cross the line."

Even though they were in the VIP room, but it was still a dangerous place. That was why he did not want the order to cross the line.

"Alright." Xi Xingyi and Leng Nichang answered in unison.

'They have fallen into our trap.'

The duo was pleased because everything went according to their plan.

Chapter 1533 Game

6-7 minutes

Xiao Tian and Xi Ran did not know that Xi Xingyi and Leng Nichang were planning something.

"I will play first." After saying that, Leng Nichang hit the cue ball with her cue stick.

Tar!

The sound of a white ball hitting the object ball reverberated in the VIP Room.

Not long after that, one of the balls entered the pocket.

"We are the big balls." Leng Nichang stated.

There were fifteen balls with the number on it. Number 1 to number 7 were small balls, while number 9 to number 15 were big balls.

Because ball number 10 entered the pocket, then Xi Xingyi and Leng Nichang got the big balls.

They had to drive number 9 to number 15 into the pocket first before finally aiming for ball number 8.

"Well done, Nichang!" Xi Xingyi said happily.

Leng Nichang and Xi Xingyi would not hide their skills this time because they were carrying out their plan.

"Oh! Not bad!" Xiao Tian behaved as if he was a professional pool player.

Tar!

Leng Nichang shot the ball again.

Like before, the target ball entered the pocket. "Nice!"

Tar!

She shot the ball, and like before, the target ball entered the pocket.

Three times in a row!

Xiao Tian and Xi Ran were shocked.

'What?!'

Leng Nichang's skills were average earlier, so they were shocked when she could drive three balls into the pockets in a row.

However, she failed to drive the ball number 15 into the pocket. "I hit it too hard."

It was Xiao Tian's turn.

He managed to drive the ball number 1 into the pocket, but he was unable to repeat the same success.

The game continued.

Long story short, Leng Nichang and Xi Xingyi won the game. They did not win big because it could make Xiao Tian and Xi Ran suspicious later.

"Hehe." Xi Xingyi giggled happily. "What order should we give them?"

She and Leng Nichang pretended to discuss it. Of course, they knew what they would say because they had planned it before.

Xiao Tian and Xi Ran looked at them, waiting for their order.

"We have decided it!" Leng Nichang looked at Xi Xingyi, asking Xi Xingyi to say it with her.

"Ran, we want you to kiss him." Xi Xingyi and Leng Nichang said in unison.

"Kiss?" Xi Ran and Xiao Tian said in surprise.

"What?! You don't want to?" Xi Xingyi uttered, "It's only a kiss. It's not crossing the line."

"Can you change your order?" Xi Ran hoped they would change their order.

Sure, she had done it with Xiao Tian a few times, but doing it in front of them was too much for her.

Yes, she was still not ready to kiss him in front of them!

"Then show him your panties." Leng Nichang knew Xi Ran would refuse their order.

"Or show him your breasts." Xi Xingyi added.

"I will kiss him." Xi Ran chose to kiss him because it was easier than showing her panties or breasts.

"How about I do twenty push-ups?" Xiao Tian inquired.

"No!" Xi Xingyi and Leng Nichang made an X sign with their hands.

When he was about to say something, Xi Ran pressed her lips against his right cheek.

Yes, she kissed his right cheek!

Xi Xingyi and Leng Nichang only said she had to kiss him. They did not say where she should kiss him.

That was why she decided to kiss his right cheek. "Done!"

"Not on the cheeks, but lips." Leng Nichang tried to make Xi Ran kiss him on the lips.

"You only said I had to kiss him." Xi Ran defended herself. "You didn't say where I should kiss his lips, so your objection was invalid."

Xi Xingyi and Leng Nichang could not say anything because what Xi Ran said was right.

They only told her to kiss him!

"Let's play again!" Xi Ran's eyes burned with determination to win.

Her mother and Leng Nichang had made her kiss Xiao Tian, so she wanted to take her revenge.

She wanted her mother and Leng Nichang to kiss Xiao Tian too!

However, the Goddess of luck was not on her side because her group lost again.

Her mother and Leng Nichang played better than her and Xiao Tian!

Xiao Tian and Xi Ran were looking at Xi Xingyi and Leng Nichang. They were waiting for their order.

"Please, don't give us weird order again." He uttered, "Just give us a normal order."

"Sureeee." Xi Xingyi and Leng Nichang responded in unison.

Like before, they pretended to discuss it. After discussing it for several seconds, they nodded their heads before finally looking at Xiao Tian and Xi Ran.

"I want you two to have a passionate kiss." Xi Xingyi and Leng Nichang said in unison.

"We refused!" Xiao Tian and Xi Ran responded without thinking twice.

"Eh? Why?" Xi Xingyi pretended as if she did not know the reason why they refused it.

"It's our order, so you can't refuse." Leng Nichang spoke and paused for a second before she continued, "Have you forgotten about our bet earlier? The loser has to listen to the winner."

"But it's crossing the line." Xiao Tian would feel bad for Xi Ran if they did it.

Xi Xingyi caught him and Xi Ran doing adult things in her room yesterday, so kissing passionately in front of them was like making things difficult for her.

Xi Ran looked at her mother and Leng Nichang.

'Why do I feel like they have planned this before? Is it just my feelings?'

She suddenly suspected her mother and Leng Nichang had planned everything.

'What should I do now?'

She sighed again.

"Ehm!" he cleared his throat. "How about I kiss you two passionately now?"

"We won the game, so you have no right to order us." Xi Xingyi and Leng Nichang refused without thinking twice.

Even though he was their boyfriend, but they were opponents at that time. Of course, they would let him kiss them later.

"Ran, you have to agree with our order because you lost the game." Xi Xingyi spoke.

After thinking for several seconds, Xi Ran responded, "Alright, but I have one condition."

Chapter 1534 Kiss

6-8 minutes

Xiao Tian was shocked after hearing Xi Ran's words.

'Lady Xi, are you sure?'

He was fine with their order, but he felt sorry for Xi Ran.

First, they told her to kiss him, and now, they asked her to do something lewder.

It was as if they wanted to play with Xi Ran's feelings!

'I should not have agreed to their rule earlier.'

He suddenly regretted agreeing to their rule.

Xi Xingyi and Leng Nichang were pleasantly surprised. "What is it?"

"You two have to wait outside." Xi Ran told them to wait outside because, with this, they would not be able to see it.

"Then how can we know you are not lying to us?" Leng Nichang disagreed with Xi Ran's condition because she wanted to see them have a deep kiss.

Xi Xingyi had told her what Xi Ran did with Xiao Tian yesterday, so she knew about their relationship.

Xi Ran could not answer Leng Nichang's question because a deep kiss did not leave a mark like a hickey.

"Then how about we close our eyes?" Xi Xingyi gave an idea. "With this, we can't see anything, and we can also tell if you lied to us or not."

Xi Ran touched her chin.

'It's a good idea, but....'

She shifted her gaze from her mother to Xiao Tian.

"What do you think, Xiao Tian?" Xi Ran asked for his opinion.

"Lady Xi, it's not a good idea." He would not let Xi Xingyi and Leng Nichang play with Xi Ran's feelings.

'Just what are they trying to achieve from this order?'

Even though he would get benefit from their order, but he did not want to take advantage of the situation this time.

The reason was simple.

It was because many bad things had happened to Xi Ran!

"Ladies, can you change your order? You are bullying us, you know?" he tried to make Xi Xingyi and Leng Nichang change their order. "Or do you want to be punished by me later?"

Xi Xingyi and Leng Nichang exchanged a glance with each other before finally answering in unison. "You can punish us later, but you have to do what we say now."

Xi Ran grabbed his right hand and spoke, "It's fine, Xiao Tian. We lost the game, so we have to listen to their words."

Maybe because she was an upright person, or perhaps because they were her mother and best friend, but at that time, she began to accept their order.

Xiao Tian did not say anything and only glanced at Xi Ran.

'I will follow your words.'

He would do it if Xi Ran agreed to listen to their order.

"Both of you can stand next to us, but you two have to cover your faces with your jackets. Do you agree?" Xi Ran voiced out her idea.

"We agreed." Xi Xingyi and Leng Nichang replied in unison.

The duo then made Xiao Tian sit on the couch.

"Do it here." Xi Xingyi stated.

Xi Ran looked at her mother before finally sitting on Xiao Tian's lap, facing him. "Now, cover your face with your jacket."

Xi Xingyi and Leng Nichang walked to the chairs to take their jackets.

After that, they stood one meter away from Xiao Tian and Xi Ran before finally covering their faces with their jackets.

"We have covered our faces." Xi Xingyi and Leng Nichang said in unison.

Xi Ran then returned her attention to Xiao Tian.

At this moment, something unexpected happened.

Her heart suddenly beat fast!

'Why is my heart beating fast again?'

She had already had a deep kiss with Xiao Tian a few times, so she thought her heart would not beat fast anymore, but she was wrong.

She was utterly wrong because her heart started to beat faster when she looked at his handsome face up close.

'Is it because Nichang and my mother are beside us?'

Even though their faces were covered by their jackets, but it still gave the same sensation.

'I need to get this over with quickly.'

She cupped his face as she looked into his black eyes.

Unlike Xi Ran, Xiao Tian could behave normally. Actually, he still felt sorry for her because her mother and best friend were bullying her.

'I will punish them later.'

He decided to punish Xi Xingyi and Leng Nichang later.

"Are you guys doing that right now?" Xi Xingyi threw a question.

"Remember. You have to do it for ten seconds." Leng Nichang added.

"I will do it now." after saying that, Xi Xan brought her face closer to his.

At first, Xiao Tian thought they would try to fool Xi Xingyi and Leng Nichang, but he was wrong because Xi Ran pressed her lips against his shortly after that.

Xi Ran always kept her promise, so if she said she would kiss him passionately, she would really do that.

And she had already had a passionate kiss with him a few times, so doing it once again was not a big deal for her.

After all, they had done it before, and she was also in love with him.

Xi Ran placed her hands on his shoulders after putting her pink tongue into his mouth. Sure, her mother and best friend stood close to them, but they were covering their faces.

Of course, Xi Ran did not know that Xi Xingyi and Leng Nichang were peeking through their jackets.

'She is really doing it.'

They were pleased because they had achieved their goal now.

Yes, their goal was to make Xi Ran and Xiao Tian have a passionate kiss in front of them!

At first, Xiao Tian felt sorry for Xi Ran, but he instantly used his skills when she put her tongue into his mouth.

'I'm indeed a bad and a pervert young man.'

He wrapped his arms around Xi Ran's slender waist.

Xi Ran did nothing and kept moving her tongue lewdly because she had guessed something like this would happen.

'It feels good.'

She began to lose herself in pleasure.

She knew having a passionate kiss with Xiao Tian was dangerous because he was skilled at deep kissing, but that was the main reason why she agreed to do it with him.

It was because it gave her pleasure!

Xi Ran was a normal lady, so she also enjoyed pleasure.

Xi Xingyi and Leng Nichang, who were peeking through their jackets, giggled happily.

'It seems like she really enjoys it.'

They told her to do it for ten seconds, but it had been over ten seconds now.

This showed one meaning.

Xi Ran enjoyed the kiss!

'I suddenly want to have a deep kiss with him too.'

Xi Xingyi suddenly desired to have a passionate kiss with him after she saw them enjoying the kiss.

'I will ask him to kiss me later.'

She would ask him to kiss her after they stopped the kiss.

At this moment, Xi Ran finally came to her senses.

'I lost control of myself.'

She then turned her head to look at her mother and Leng Nichang, checking whether they were peeking or not.

'Thank god they are not peeking.'

She had no idea that her mother and best friend knew what she had done to him.

Chapter 1535 Got You

7-8 minutes

Xi Ran returned her attention to Xiao Tian.

She was still cupping his handsome face, and his hands were on her slender waist. The duo was looking each other in the eyes as if they were communicating through their eyes.

'I really kissed him passionately in front of my mother and Nichang.'

She was still surprised by her braveness.

However, what surprised her most was that a desire to kiss him passionately again suddenly appeared in her heart.

'What am I thinking about? My mother and Nichang are standing next to us.'

She tried to fight back the desire within her, but her efforts were in vain.

She failed to fight back her desire!

The harder she tried to fight back the desire, the bigger the desire became. This was the reason why she subconsciously brought her face closer to his.

Yes, her body wanted to feel that pleasure again!

'My mother and Nichang are covering their eyes, so they won't know about it.'

She started making an excuse to make her feel better.

'Just one more time.'

She half-closed her eyes when their lips met.

Xiao Tian was shocked.

He was stunned by her actions.

Previously, he thought they would stop, but he was wrong.

He was utterly wrong because Xi Ran kissed his lips again shortly after stopping the kiss. She even put her tongue into his mouth again.

Did he reject it?

Of course not!

Sure, Xi Xingyi and Leng Nichang were standing next to them, but they were covering their eyes, so they would not know what they were doing.

Like before, the duo moved their tongues lewdly as they exchanged saliva. They moved their tongues aggressively to the point lewd sound echoed in the VIP room.

As Xiao Tian and Xi Ran were enjoying the kiss, Xi Xingyi and Leng Nichang wore surprised faces.

Xi Ran tried to refuse their order earlier, but her current action was different from her previous behavior.

She even kissed Xiao Tian passionately again shortly after stopping the kiss. It was as if she got addicted to kissing him.

Xi Xingyi and Leng Nichang exchanged a glance before finally giggling again. They were happy because, with this, the possibility of her becoming his lover was high.

As Xi Xingyi was moving her tongue lewdly, she suddenly came to her senses. She immediately stopped the kiss and slid from his lap.

'I should stop now.'

She wiped off the saliva on the corners of her lips.

Xiao Tian did not say anything when she suddenly stopped the kiss because he could understand her feelings.

"Done!" Xi Ran informed her mother and Leng Nichang what she did with Xiao Tian just now.

Xi Xingyi and Leng Nichang removed their jackets from their faces.

"You are not lying, right?" Leng Nichang pretended as if she did not know anything.

"No." Xi Ran shook her head. "You can ask Xiao Tian if you still don't believe me."

As Xiao Ran and Leng Nichang were talking, Xi Xingyi did something shocking.

She suddenly sat on his lap!

Not only that, but she also cupped his face, ready to kiss him.

'I can't hold back myself anymore.'

She tried her best to hold back the desire within her, but her efforts were in vain when she saw his handsome face.

Coupled with the memory of him having a deep kiss with her daughter in front of her made the desire to kiss him passionately grow bigger.

Sure, her daughter and Leng Nichang were next to her, but she did not care about it because they had seen them having sex before.

"Madam Xi, what are you doing?" Leng Nichang asked in surprise.

"Don't stop her." Xi Ran uttered, "Let her do whatever she wants."

'I will also make you kiss him passionately in front of me later.'

They ordered her to kiss him passionately earlier, so she wanted to take her revenge.

Xi Xingyi brought her face to his right ear and whispered, "Xiao Tian, I did something bad to you earlier. Punish me now. Punish me as much as you want."

Even though she said something like that, Xiao Tian knew what she had in mind.

She wanted a kiss!

She wanted him to kiss her passionately in front of her daughter and subordinate!

'What a brave lady!'

However, he did not kiss her immediately; instead, he looked at Xi Ran.

"Just treat me like air." The meaning of Xi Ran's words was clear.

He could do whatever he wanted!

In order to seek revenge, she would let her mother have a deep kiss with him.

'Next is your turn, Nichang.'

She shifted her gaze from her mother to Leng Nichang.

Xi Xingyi instantly kissed her young boyfriend passionately when he did nothing. They were in the VIP room, so they could do whatever they wanted there.

The corner of Leng Nichang's lips twitched when she saw Xi Xingyi kissing him like a hungry female wolf.

'This is not like what we planned.'

She knew she could not stop Xi Xingyi because Xi Xingyi looked like a hungry wolf now.

'Was it because she saw Xiao Tian and Ran having a deep kiss?'

That was the question that appeared in her mind.

As Xiao Tian was moving his tongue lewdly, he stared at Xi Ran and Leng Nichang.

'Why do I feel like an item now?'

Even though he benefited the most, but he felt as if he was a tool to them.

"Huft...Huft...Huft..." Xi Xingyi breathed heavily after stopping the kiss.

'As I thought, having a passionate kiss in front of my daughter is exciting.'

Her heart kept beating fast from the moment she kissed him hungrily.

'I want to feel that excitement again.'

With that idea in mind, she kissed him hungrily again.

Xi Ran crossed her arms over her chest and kept shifting her gaze from Leng Nichang to her mother.

'Everything is going the way I want it to.'

She was waiting for the right moment to make Leng Nichang have a deep kiss with Xiao Tian.

Xi Xingyi glanced at Xi Ran as she intertwined her tongue with Xiao Tian's tongue.

'Ran is looking at us.'

She did not know why she behaved like that.

'It's exciting!'

She returned her attention to Xiao Tian and moved her tongue lewder and lewder.

Without realizing it, they had been kissing passionately for more than twenty seconds. Like before, Xi Xingyi was out of breath again.

For this reason, she stopped the kiss. "Huft...Huft...Huft..."

When she was about to kiss him again, Xi Ran inquired, "Mother, are you satisfied now?"

Xi Xingyi was taken aback by her daughter's question. "Do you want to have a deep kiss with him again?"

"Not me, but Nichang." Xi Ran responded, "She has been waiting for her turn since earlier, you know?"

"What?!" Leng Nichang was shocked.

Xi Ran shifted her gaze from her daughter to Leng Nichang. "Oh, you want to do it too?"

"What?! No." Leng Nichang had no intention of having a deep kiss with Xiao Tian.

To her surprise, Xi Xingyi suddenly dragged her and made her sit on Xiao Tian's lap. "You can do it now."

Leng Nichang tried to refuse again. "Madam Xi, I don't"

Before Leng Nichang had finished her words, Xi Ran uttered, "You don't need to be shy. Just treat us as air."

'Got you!'

She added in her mind.

Chapter 1536 Answer My Question First

7-8 minutes

"What do you mean by saying I don't need to be shy? This is different from what we planned.'

Leng Nichang shifted her gaze from Xi Ran to Xi Xingyi.

"Nichang, you don't need to be shy." Xi Ran repeated her words. "After all, you two are lovers now."

"Un, un." Xi Xingyi nodded her head cutely.

Leng Nichang looked at Xiao Tian. "Xiao Tian, let's stop now. Ran is next to us."

Even though they were lovers, but she was still not ready to have a passionate kiss in front of her best friend.

However, he ignored her words and wrapped his arms around her slender waist.

'This is your punishment.'

Unlike usual, he did not grant her wish because she had treated him like a tool earlier.

As a good boyfriend, he had to punish his girlfriend. "You are a bad lover, so I have to punish you."

Of course, Leng Nichang understood the meaning of his words. "You can punish me later, but not in front of Ran. I'm still not rea-

Before she had finished her words, he pressed his lips against hers.

Leng Nichang was startled.

'He is kissing me despite knowing Ran is next to us.'

She glanced at Ran, wanting to see her reaction.

'Ran is not teasing me.'

She shifted her gaze from Xi Ran to Xi Xingyi.

"Don't mind us, and enjoy the kiss." Xi Xingyi nodded her head.

Leng Nichang still did not open her little mouth.

'Enjoy the kiss? But Ran is next to me.'

Xi Ran and Xiao Tian were still not lovers, so she did not know what to do.

'Should I just enjoy the kiss?'

She shifted her gaze from Xi Xingyi to Xiao Tian.

And as usual, she was mesmerized by his beautiful and clear black eyes, as if she was under his magic.

'I saw them kissing passionately earlier, so I think I don't need to hold back myself.'

She made an excuse to make herself feel better.

She did not know that she had fallen into Xi Ran's trap.

'Everything is going according to what I want. This is your punishment for ordering me to have a passionate kiss with Xiao Tian.'

Xi Ran was pleased when she saw Leng Nichang having a passionate kiss with Xiao Tian.

When Xi Ran's heart was filled with happiness, her mother said something shocking. "Ran, look at Nichang! She is putting on a lewd expression. Your expression was like that too earlier."

Xi Ran was shocked and turned her head to look at her mother.

'Like my previous expression?'

She understood the meaning of Xi Xingyi's words.

'Does that mean they saw everything earlier?'

She suddenly felt like she was fooled by her mother and Leng Nichang.

"Ops!" Xi Xingyi covered her mouth when she realized what she had just said. "I slipped my tongue."

Xi Ran sighed.

'So, I fell into their trap, huh?'

Actually, she had already suspected it because her mother and Leng Nichang did not want to wait outside earlier.

'Well, it had happened, so I could not do anything about it.'

She did not mind it because she also saw them having a passionate kiss with Xiao Tian.

"It seems like Nichang has lost herself in lust." Xi Xingyi stated as she stared at Leng Nichang.

What she said was right.

Leng Nichang had lost herself in lust!

At first, Leng Nichang planned to stop the kiss immediately, but everything changed after Xiao Tian used his skills.

Due to how enjoyable it was to have a deep kiss with him, her body refused to stop.

Yes, her body desired to kiss him continuously!

This was the reason why they still had a deep kiss and showed no sign of stopping.

Like Xi Ran, Xiao Tian was also thrilled.

The reason was simple.

It was because he could punish Leng Nichang and Xi Xingyi!

They put him in a difficult situation earlier, so he was delighted when he could punish them.

"Huft...Huft...Huft..." Leng Nichang stopped the kiss when she was out of breath.

'As usual, it felt amazing.'

She turned her head to look at Xi Ran and Xi Xingyi.

'Thank god, they are not teasing me.'

She was pleasantly surprised when she saw Xi Ran.

She returned her attention to Xiao Tian again. "Xiao Tian, let's continue lat-"

Before she had finished her words, he kissed her passionately again. He was still not satisfied, so he wanted to punish her again.

There was still a flame of lust in Leng Nichang's body, so she welcomed the kiss immediately.

'Well, Ran has seen everything, so I will let him do whatever he wants.'

She tilted her head to the left and right as she moved her tongue lewdly.

Xi Ran crossed her arms over her chest.

'I didn't expect her to be this lewd. Will I become a lewd lady too if I become his lover?'

She was shocked by her thought.

'Become his lover?'

Her thoughts were getting wilder and wilder.

Leng Nichang whispered in his right ear after stopping the kiss. "Xiao Tian, let's stop here or else I won't be able to hold back myself later."

She then continued, "You can punish me again later, but not in front of Ran. You have to make her your lover first if you want to do that."

Xiao Tian granted her wish. "Then let's go to your apartment after this."

"Alright." Leng Nichang agreed instantly.

Leng Nichang slid from his lap and inquired, "How about we eat now? I'm hungry."

"Alright." Xi Ran and Xi Xingyi agreed instantly.

"Good idea." Xiao Tian responded.

Then they went to a nearby restaurant.

Leng Nichang's Apartment, Her Bedroom.

Xiao Tian and Leng Nichang were lying on the bed naked. Like what they had planned, they immediately had sex after arriving at her apartment.

They had sex for about forty minutes before they finally stopped. Of course, they enjoyed their sex time because they could have an orgasm earlier.

"Xiao Tian, how close are you to Ran?" she asked curiously.

"Our relationship has gotten much closer since I saved her a few days ago." He gave an honest answer.

"Then when are you going to make her your girlfriend?" she threw another question.

Instead of answering her question, he asked, "Nichang, how about we go for another round now?"

"Answer my question first." she did not refuse his wish, but she wanted him to answer her question first.

However, he ignored her words and immediately sat between her legs. Actually, he did this because he did not know how to answer her question.

In other words, he tried to avoid her question!

Xi Ran often wore a poker face and always hid her feelings, so it was challenging to know her feelings.

Leng Nichang did nothing when he was spreading her flawless legs.

'He is avoiding my question, huh?'

She was suspicious of him even more.

'Wait? Have they done it?'

She kept thinking about their relationship.

'Maybe they have done it.'

She was even more sure of her guess after remembering what Xiao Tian and Xi Ran did at Green Billiards.

"Xiao Ti---Ah..." she could not finish her words because he thrust his penis into her wet vagina again.

And her bedroom was filled with her moans again.

Chapter 1537 Shi Fei Is So Sexy

6-8 minutes

Xiao Tian went straight home after having sex with Leng Nichang. That night, he did not sleep with his women; instead, he slept with Mu Ai and Feng Yu.

The following morning, he went to Eternal Group after breakfast. He wasted no time and immediately worked after reaching his office.

'It's already 02:00 pm.'

He stretched out his arms.

'I'm not in the mood to eat, so I will just go to a café and relax there.'

With that idea in mind, he went to a café.

To his surprise, he met Xi Ran when he was on his way to Li café. He wasted no time and immediately approached her.

"Lady Xi..." Xiao Tian smiled softly at her.

Xi Ran stopped her footsteps and turned her head toward the source of the sound.

'Xiao Tian?'

She did not expect to meet him in front of a café.

"Xiao Tian? What are you doing here?" she asked curiously.

"I want to go to the Li café." He gave an honest answer. "Lady Xi, are you going to the Li café too?"

"...Yes." Actually, she wanted to go to a restaurant to eat, but she changed her mind.

'It's an opportunity to spend time with him, so I can't let it slip away.'

She added in her mind.

Of course, Xiao Tian did not know what she had in mind because it was challenging to read her mind.

"Then how about we go together?" he invited her to go with him.

"Alright." She agreed instantly.

The duo immediately entered the Li café. They headed to the empty sofa after ordering drinks and snacks.

The duo began talking about many things. She also asked about Mu Ai. She said she wanted to spend time with Mu Ai again.

As they were chatting happily, he suddenly wanted to pee. "Lady Xi, I have to go to the toilet now."

"Alright." She nodded her head.

Several minutes after he went to the washroom, a young man about twenty-three years old entered Li café.

He stopped his footsteps after he caught sight of Xi Ran.

'What a beauty!'

He wasted no time and immediately walked toward her.

'I will try to court her.'

He was Yu, an unimportant side character.

After he was in front of Xi Ran, he immediately asked, "Lady, are you alone?"

At the same time, Xiao Tian was already behind Xi Ran. He did not yell at Yu and only stared at them.

He was already twenty-three years old, and from an upper-class family, so he should control his emotions.

'Hmm? Who is he?'

He stopped his footsteps, looking at Yu and Xi Ran.

Of course, Xi Ran did not know he was behind her because her back was facing him.

Xi Ran suddenly said something shocking. "I'm not alone. My boyfriend is in the toilet right now. I'm sure he will be back soon."

Xiao Tian was stunned.

He was shocked because he did not expect her to say something shocking like that.

'Boyfriend?'

Of course, he knew she was referring to him because she came to the Li café with him.

"You are not lying to me, right?" Yu did not believe her words immediately.

"I'm not lying to you. His name is Xiao Tian. You can wait here if you don't believe me." Even though she said something like this, but she wanted Yu to leave immediately because she did not want him to disturb her time with Xiao Tian.

"Xiao Tian?" Yu was shocked. "The famous Xiao Tian?"

"Yes. That famous Xiao Tian." She still did not realize that Xiao Tian could hear their conversation.

"Do you mean him?" Yu asked as he pointed his right index finger at Xiao Tian.

Xi Ran turned her head in the direction Yu was pointing at.

'Xiao Tian?'

She was startled when she discovered that Xiao Tian was behind her.

'Did he hear our conversation?'

She suddenly wanted to know if Xiao Tian could hear her conversation with Yu or not because she said he was her boyfriend earlier.

"Well, I will leave now." Yu did not want to disturb them because he was nothing compared to Xiao Tian.

Xiao Tian was young, handsome, and successful, so he knew Xi Ran would choose Xiao Tian over him.

After Xiao Tian sat on the opposite side of her, he inquired, "Is he your friend, lady Xi?"

"No. He tried to court me." She gave an honest answer.

"I see." he had suspected this before.

"Did you hear our conversation?" she inquired.

"I heard a little." Actually, he did not want to lie to her.

"What did you hear?" she threw another question.

"If I heard right, you said you were with your friend, and your friend was in the toilet." He felt bad for lying to her.

She paid attention to him carefully as if she was trying to read his mind.

'Is he telling the truth?'

Even though she tried to read his mind, but she was a human being, so she could not do that.

"Forget it." She did not want to talk about it anymore.

Shortly after that, a waitress came with their orders. Xiao Tian and Xi Ran talked again after the waitress left.

The duo talked for about an hour before they finally left.

Star Group, Xiao Tian's Office.

Xiao Tian was currently in his office with his sexy lover, Shi Fei. Previously, she headed to his office to give him a report on finances and other stuff.

"This is last month's report. Even though the sales were good, but we need-" Shi Fei stopped her words halfway when Xiao Tian did not pay attention to her. "Boss, are you listening to me?"

"Fei, is it just me, or do you look sexier now?" her sexy body caught his attention because she looked sexier in his eyes.

"Little brother, even though I'm happy that you are praising me, but you have to listen to me." She wanted to give him an important report, so she asked him to listen to her.

Xiao Tian tapped his thighs and spoke, "Fei, come here and let me embrace you. I want to listen to your report while hugging you."

At first, she wanted to refuse because she wanted to give him an important report, but everything changed when she saw his soft smile.

Yes, she was charmed by his smile!

After sitting between his legs, she uttered, "Little brother, you have to listen to me this time. I don't want to repeat it again."

He wrapped his arms around her waist before finally leaning his head on her right shoulder. "Sure. I will listen carefully this time."

"Keep your word, or else I will punish you later." She threatened him.

"Understood, my boss." He listened to her words carefully this time.

She began giving him a report again. After twenty minutes, she finished giving him a report.

"So, in short, everything is good, right?" he uttered.

"Yes. But we need to find a way to increase sales, or else it will be difficult for you to become the richest man in China before the age of forty," she replied.

He kissed her hair and spoke, "My sexy lover is indeed the best! You really care about my dream."

'This is one of the reasons why I love her the most.'

Chapter 1538 She Is A Sexy Lady

6-8 minutes

"Fei, how long have we been together? Is it four years?" he was still hugging her from behind because it felt amazing to embrace her sexy body from behind.

"You were nineteen when we met for the first time, and now you are already twenty-three. But I was your mistress for a few months, so it has been three and a half years since we became a couple." Shi Fei suddenly remembered the time when she was only his mistress.

That time, she used her sexy body to seduce him, and her efforts were not in vain because she finally managed to be his lover.

Not only that, she even could become the woman he loved the most.

In other words, it took an effort to get everything, including love!

"Four years passed in the blink of an eye, huh?" he felt like he took over Xiao Tian's body yesterday.

Shi Fei turned around and sat on his lap, facing him. "You are right. But we will be together till death do us part."

She kissed him passionately after that.

They had finished their work, so it was time to relax.

He stopped the kiss shortly after that. She was sitting on his lap, so she was in an even higher position, causing him to tilt his head back.

She smiled softly and kissed his forehead. "I love you, little brother."

"I love you too." he embraced her tightly after saying that.

'You are really the best, Fei. I love you the most.'

He added in his mind.

After hugging her for a few seconds, he stopped and looked at her. "How about we go on a date now?"

"Good idea!" she agreed instantly.

Then the duo went to a romantic place.

Shi Fei's Room, Bathroom.

Shi Fei was currently soaking in the tub with Xiao Tian. As usual, she was sitting between his legs with her back facing him.

They decided to take a shower together after arriving home.

Shi Fei then informed him that his house renovations would be finished tomorrow. Xiao Tian decided to renovate his mansion one month ago.

He decided to add five bedroom, two offices, and a gym room. He did this because he wanted Leng Nichang and Xi Xingyi to live with him.

"Then you can start using the gym room from the day after tomorrow and maintain this sexy body forever." After saying that, he touched her thighs and flat belly.

"It seems like you really love my body." Even though he had praised her body many times, she still loved it.

"Have I ever told you that you are the sexiest woman I have ever seen in my life?" he inquired.

"No." she shook her head. "You only said I had a sexy body. Am I really the sexiest woman you have ever seen in your life?"

"To be honest, I accepted you to be my mistress in the past because you were so sexy." He revealed the truth.

"Then does that mean what I have achieved now is thanks to my sexy body?" she asked curiously.

"Well, I fell in love with your body in the past, but now, I'm in love with you completely, not just your sexy body. You are the most amazing woman I have ever met in my life." He kept revealing the truth.

"Little brother, why do you keep praising me today?" she was curious as to why he kept praising her as if he wanted something from her.

"Because you deserve to be praised." He was not lying when he said this because she deserved it.

Not only was she tall and sexy, but she was also smart.

'I will reward him.'

Shi Fei rose to her feet and bent over.

She grabbed the tub with her right hand before finally spreading her pussy with her other hand. "Come here, little brother. This is your reward for praising me."

Xiao Tian was stunned.

'She is seducing me with her beautiful vagina, huh?'

Actually, he had no intention of having sex with her, but he changed his mind.

He was a pervert!

No!

He was a healthy young man, so he would not refuse if a sexy lady seduced him using her naked body.

"Ahh..." she cried out in delight when he started licking her pussy.

And soon, the bathroom was filled with her moan.

Xi Xingyi's House, Backyard.

Xi Ran was currently in the backyard alone. She had just returned from work, so she wanted to relax in the backyard.

As she browsed through the photos on her smartphone, she saw her picture with Xiao Tian and Mu Ai when they ate together at the floating restaurant.

'This photo was taken when we ate together at the floating restaurant.'

She checked the other pictures.

They took a few photos at that time. There were photos of when they ate together at a floating restaurant or when they cycled together.

'Little Ai is so cute.'

When her gaze fell on Xiao Tian's picture, unexpected happiness consumed her.

'He is indeed an attractive young man.'

She involuntarily smiled when she saw his photo.

'That day was a good day.'

She suddenly wanted to spend time with Xiao Tian and Mu Ai again.

'Should I call him now?'

As usual, she wavered when she was about to call him.

'No. I should not waver.'

When she was about to press the call button, she stopped.

'But what should I say later?'

She did not know how to start a conversation, so she started looking for the words to say.

'Xiao Tian, how about we go somewhere together tomorrow?'

She shook her head.

'No. I think it's not a good idea to go straight to the point like that.'

She started looking for the words to say again.

'Xiao Tian, tomorrow is Sunday, so how about we go somewhere to ease our minds?'

She shook her head again.

'I have to bring little Ai into the conversation to make it sound natural.'

She wanted to use Mu Ai as an excuse to go on a date with him.

'Xiao Tian, how is little Ai? Oh right, tomorrow is Sunday, so how about we go somewhere together? I want to spend time with little Ai again.'

She sighed because, from her point of view, it did not sound right.

'But I should not give up.'

She took a deep breath before finally pressing the call button.

'Xiao Tian, how is little Ai doing? She said she wanted to spend time with us again when you sent me home. Tomorrow is Sunday, so how about we go somewhere tomorrow?'

She nodded her head.

'Yes, I will use this excuse.'

She pressed the call button, calling Xiao Tian.

Of course, Xiao Tian did not know that she called him because he was having sex with Shi Fei in the bathroom.

'Why isn't he picking up the phone? Is he busy?'

She stared at her smartphone.

'Should I call him again?'

After thinking for several seconds, she decided to call him again.

However, the same thing happened again.

Xiao Tian did not pick up the phone!

He was busy enjoying his sexy lover's vagina, so he did not know about it.

'It seems like he is busy.'

At first, she wanted to call him again, but she changed her mind.

'Forget it.'

She put her smartphone on the table in front of her.

'Goddess of Luck is not on my side today.'

Chapter 1539 What Are Yo Doing?

6-8 minutes

Shi Fei's Room, Bathroom.

Xiao Tian and Shi Fei were currently standing next to the tub, drying their bodies. They stopped having sex after having an orgasm together.

He cupped her face before finally giving her a peck on the lips. "Thank you for the reward, my sexy lover."

"Hehe." She giggled happily. "I will keep giving you a reward if you can make me happy every day."

"I will keep that in mind." After saying that, he grabbed her by the waist before finally lifting her body, carrying her.

She smiled happily when he carried her to her room. "Let's watch a movie together."

"Sure." He still did not know that Xi Ran called him earlier.

The duo immediately lay on the bed. Like before, they were still naked, as if they had no clothes.

"Hehe." They laughed happily when there was a funny scene.

Yes, they decided to watch a comedy movie because it could relieve stress and improve their mood.

As they were watching a movie together, he got a message from his subordinate.

'A message?'

When he was about to read the message, he was startled.

'Missed calls from lady Xi?'

He was shocked when he had two missed calls from Xi Ran.

Shi Fei, who was lying on his right side, asked curiously, "What's wrong, little brother?"

He immediately told her that he had a message from his subordinate and two missed calls from Xi Ran.

After replying to the message, Xiao Tian called Xi Ran because he wanted to know the reason why she called him earlier.

He put his phone on speaker mode so that he could place it on the bed.

Xi Ran, who was lying on the bed and watching a movie, turned her head toward her smartphone.

'Someone is calling me?'

She took her smartphone from the table next to the bed.

'Xiao Tian?'

She did not know why she was happy when she found out it was Xiao Tian.

She picked up the phone and uttered, "Hello, Xiao Tian?"

"Lady Xi, I was taking a shower earlier, so I didn't know you called me." He uttered, "Do you have something to say to me?"

Shi Fei did not disturb them and kept watching a movie.

"I just want to know how little Ai is doing." She lied to him.

'I think this is a good excuse.'

She added in her mind.

"Ah, the movie is over." Shi Fei uttered.

To her surprise, Xiao Tian suddenly grabbed her by the waist before finally putting her on top of him.

"She is doing well. Do you want to talk to her?" he wrapped his arms around his sexy lover's waist.

"It's late at night now, so forget it because I don't want to disturb her time." Xi Ran was fine even if she could not chat with Mu Ai because she could talk with Xiao Tian.

As he was talking with Xi Ran, Shi Fei suddenly wanted to tease him.

'How should I tease him?'

After thinking for several seconds, she found an excellent idea.

'I will do that.'

With that idea in mind, she began stroking his cock, trying to get his penis erect.

Her actions greatly surprised him.

'Bad lover, what are you doing?'

He looked at her, giving her a sign to stop.

But instead of stopping, she did something more daring.

She put his cock into her pussy!

"Hehe." She covered her mouth and giggled cutely.

'This is exciting!'

She said in her mind.

Xi Ran did not know what was going on because she could not hear Shi Fei's voice.

"Do you want to meet little Ai tomorrow? Tomorrow is Sunday, so she has free time." He put his hands on Shi Fei's soft ass.

"Yes. I would like to meet her tomorrow." Xi Ran hid the happiness in her heart.

'It seems like goddess of luck is on my side.'

She was delighted because everything went smoothly.

"Where shoul-" he stopped his words halfway because Shi Fei suddenly moved her waist up and down slowly, sliding his cock in and out of her lewd pussy. "Where should we meet tomorrow? Should I go to your house?"

'Bad lover, are you trying to ruin my image?'

But even so, he did not stop her and let her do whatever she wanted because he believed he would not groan.

"It's up to you, but I would love it if you go to my house first." Xi Ran answered. "We can use my car tomorrow."

Shi Fei giggled as she moved her ass up and down continuously.

'Should I increase the tempo now?'

She wanted to move her waist up and down faster because Xiao Tian still behaved normally.

"Then I will take little Ai to your house tomorrow morning." After saying that, he kissed his sexy lover passionately.

He did not stop her; instead, he moved his waist in sync with her movements.

"What time will you come to my house tomorrow?" she inquired.

Xiao Tian stopped the kiss and responded, "If nothing happens, we will be at your house at 08:00 am."

At first, he wanted to kiss his sexy lover passionately again, but he changed his mind.

Shi Fei was startled when he turned their bodies around. Now she was lying on her back with him on top of her.

'Is it time for you to eat me?'

Previously, she devoured him, so she did not mind it.

"I will wait for you and little Ai." Xi Ran was pleased after hearing his answer. "By the way, what are you doing right now?"

"I'm eating a snack." He kept moving his waist slowly, enjoying his sexy lover's wet vagina.

Unlike usual, Shi Fei tried her best not to moan this time.

'Sister Ran, he is lying. He is not eating a snack. He is eating me.'

Of course, she would not say it.

Xiao Tian brought his face closer to Shi Fei's right ear before finally whispering. "You are my snack, sexy lady."

She nodded her head.

'Yes. I'm your snack, little brother. You can eat me as much as you want.'

She could become his snack if he wanted to, so she had no problem with that.

"What are you doing, lady Xi?" he inquired.

"I'm watching a movie in my room." Xi Ran gave an honest answer. "And I'm calling you too."

"What a coincidence! I'm watching a movie too." he did not move his waist fast because Shi Fei would moan if he did that.

"What are you watching?" Xi Ran threw another question.

He turned his head to see the title of the film. "It's a comedy movie called Coming to the City."

"I'm watching it too." Xi Ran did not expect them to watch the same movie.

"Ah...AH...Ah..." Shi Fei tried her best to moan as low as she could.

"Really?" he was shocked too.

"Yes." Xi Ran responded.

Xiao Tian and Xi Ran talked for about fifteen minutes before she finally hung up the phone.

Of course, he did not stop fucking Shi Fei when he was on the phone. She was the one who started it, so she had to accept the consequences.

"Ah...Ah...Ah..." Shi Fei moaned loudly after Xi Ran hung up the phone.

Shortly after that, they reached their limit.

"I'm cumming...." They had an orgasm at the same time.

Chapter 1540 Going To Fireworks Festival

6-8 minutes

Xiao Tian immediately lay next to Shi Fei after letting out his white sperm deep inside her lewd pussy.

"It felt great!" she stated. "We have a lot of sex today, little brother."

"And it's because of you." She was the reason why they had a lot of sex, so he blamed her.

"But you also felt great, right?" even though she already knew the answer, but she still said it.

"Well, it indeed fel-" he stopped his words halfway when he remembered what she had done a few minutes ago. "Why did you do that?"

"Do what?" she pretended not to understand what he was saying.

"You are pretending not to understand my words, huh?" of course, he knew that she was only pretending. "Raise your butt high. I want to punish you."

To his surprise, she did what she was told.

She immediately lay prone before finally raising her ass high in mid-air. "What are you going to do?"

"I'm going to do this." After saying that, he slapped his buttocks.

*Slap...

The sound of him slapping her ass reverberated in her room.

"Hehe." Instead of crying out, she giggled.

"You are giggling?!" he slapped her buttocks harder.

"Kya!" she let out a cute voice when he slapped her buttocks harder.

"Do you regret your actions now?" he slapped her buttocks again after asking that question.

"No. Hehe." She giggled again. "I don't regret it."

"No? Then take this." He slapped her ass again.

"Hehe. Little brother, it would be great if you slapped my buttocks with your waist." She joked around again.

He stopped slapping her buttocks and lay on the bed again. "Forget it. I will forgive your bad actions now."

Like usual, she immediately lay on top of him, facing down. "Little brother, my ass hurts."

He kissed her forehead and rubbed her ass gently. "Pain, pain, go away!"

"Hehe." Mystically, she no longer felt pain.

"Let's sleep now," he uttered.

"Un." She nodded her head.

Shortly after that, they fell asleep.

The following morning, Xiao Tian told Mu Ai that Xi Ran wanted to spend time with her. She was pleased after hearing it and asked him to take her to Xi Ran.

Xi Xingyi's House, Xi Ran's Bedroom.

Xi Ran was currently standing in front of a mirror, choosing clothes to wear.

She immediately took a shower after Xiao Tian informed her that he and Mu Ai were on their way to her house.

'These clothes are not good.'

She took another outfit.

'These clothes are not good too.'

She took another outfit.

'These clothes don't look good on me.'

She chose another outfit.

This process repeated several times before finally, she let out a sigh.

'What am I doing? This is not a date, so why am I working hard to choose what to wear?'

Actually, all the clothes looked good on her, but for some reason, she was not satisfied.

'Huft!'

She lay on the edge of the bed.

'When was the last time I felt like this?'

It had been a long time since the last time she felt like that.

'I should not be lying in bed. I should choose the clothes immediately because they are on their way to my house.'

Like before, she was not satisfied with the clothes in her cupboard.

'I will just wear normal clothes because this is not a date. He will laugh at me if I wear fancy clothes.'

With that idea in mind, she decided to wear jeans, T-shirt, and a jacket.

But even so, she still looked gorgeous because she was a pretty lady with a nice body, so any outfit looked good on her.

'I think this is good.'

She then walked out of her room and waited on the terrace.

Coincidentally, Xiao Tian and Mu Ai arrived at her house shortly after that. She immediately rose to her feet and walked toward them.

"Big sister..." Mu Ai ran toward Xi Ran.

Xi Ran smiled softly when she saw Mu Ai.

'She is indeed an adorable kid.'

She squatted down when Mu Ai was in front of her.

"Big sister, you look beautiful." Mu Ai praised Xi Ran.

"Little Ai also looks cute." Xi Ran did not expect Mu Ai to praise her.

'He is indeed an attractive young man.'

She shifted her gaze from Mu Ai to Xiao Tian.

"Where is your mother, lady Xi?" Xiao Tian inquired.

"She left early because she had to meet her business partner." Xi Ran gave an honest answer.

"I see." He was a little sad because he wanted to meet Xi Xingyi. "Then, shall we go now?"

"Un." Xi Ran nodded her head.

The trio immediately traveled to Shanghai Aquarium. Like usual, Xi Ran sat in the passenger seat with Mu Ai on her lap.

They watched fish, penguins, and other animals. They were happy, especially Mu Ai. Her eyes shone brightly when she saw penguins and other animals.

"Little Ai, do you want to watch a dolphin show?" he inquired.

"Dolphin? Un. I want to watch it." Mu Ai nodded her head cutely.

"Let's go." He held Mu Ai's right hand.

The trio headed to the dolphin show. They were already many people when they reached their destination.

Mu Ai's eyes shone brightly when she saw the dolphins show.

"Hwaaa..." Mu Ai looked so happy when she saw dolphins jumping through a ring.

Xiao Tian and Xi Ran smiled when they saw her happy face.

'She really enjoys it.'

They were delighted when they saw her happy face.

Mu Ai grabbed Xiao Tian's right hand and spoke, "Big brother, look! The dolphins are playing with balls."

"Yes." Xiao Tian immediately took his smartphone out of his pocket and began taking a picture.

He took several photos of dolphins playing with balls or jumping through a ring. Of course, he did not forget to take a picture of them.

He also took videos because he was not satisfied with just taking photos. And like what they had planned, they took a picture with a dolphin after the show was over.

They were thrilled, especially Mu Ai, because she could take a photo with a dolphin. That was why a happy smile never left her face.

Time went by quickly, and without realizing it, it was already 05:00 pm. Xiao Tian, Mu Ai, and Xi Ran were currently at the fireworks festival.

There would be a fireworks festival. That was why they went to the festival because Mu Ai said she wanted to see fireworks.

"Fireworks will be held in an hour, so let's find a good spot." Xiao Tian spoke abruptly.

"Un." Mu Ai and Xi Ran nodded their heads.

After finding a good spot, he left to buy drinks and snacks for them.

'Today will be another good day.'

He smiled happily as he walked.

Like before, Mu Ai sat on Xiao Tian's lap. "Big brother, let's take a video of fireworks later so that we can show it to my mother and the others later."

"Sure." He agreed instantly.

'Hmmm?'

He was startled when he noticed that Xi Ran kept looking at him.

"What's wrong, lady Xi?" he inquired, "Are you not feeling well?"

Xi Ran shook her head and spoke, "Nothing."

'My heart beat fast again. Should I confess my love to him now?'
