Chapter 1541 Xiao Tian, I Love You

It had been a few minutes since the trio arrived at the fireworks festival. Mu Ai was still sitting on his lap and smiling happily because she could see fireworks later.

As Xiao Tian was talking with Mu Ai, Xi Ran kept stealing glances at him.

'Should I confess to him now?'

She could no longer hold back her feelings, so she suddenly had the idea of confessing her love to him.

Sure, there was a possibility of him rejecting her love, but from her point of view, it was better than hiding it because there was also a possibility of them becoming a couple.

However, it was not as easy as she thought because she felt like the words were stuck in her throat whenever she wanted to confess her feelings.

It would be her first time confessing her love to someone because all this time, men were the ones who confessed to her.

'Xiao Tian, I love you. Let's become a couple.'

She practiced confessing her love to him in her mind.

'No. I should not say it like that.'

She shook her head.

'Xiao Tian, I'm in love with you. Shall we become lovers now?'

She shook her head again.

'Xiao Tian, you are like the moon to me, illuminating my dark life, so let's become a couple.'

She did not know why she suddenly made poetry.

'Sigh. Expressing love is not as easy as I thought.'

But even so, she did not give up.

'I will just make it simple. The point is to convey my feelings to him.'

She decided not to use poetry.

'Xiao Tian, I like you. Do you want to be my boyfriend?'

After thinking for several seconds, she decided to use that method.

Xiao Tian turned his head to look at Xi Ran. "Lady Xi, what's wrong? Is there something on my face?"

'Why does she keep looking at me?'

He did not know what she had in mind because it was hard to read her mind.

"Xiao Tian, I lo-" she could not finish her words because she felt like the words were stuck in her throat.

"Hmm?" he did not get her words.

'Lady Xi, I can try to guess your thoughts if you don't put on a poker face.'

Of course, he would not say it because it could hurt her feelings.

"Big sister, are you not feeling well?" Mu Ai asked.

Xi Ran's poker face softened. "No. Do you want to sit with big sister?"

Mu Ai shifted her gaze to Xiao Tian before returning her attention to Xi Ran. She had been sitting on his lap for more than twenty minutes, so she thought it was Xi Ran's turn.

For this reason, she immediately sat on Xi Ran's lap. "Un."

Xiao Tian only smiled when Mu Ai sat on Xi Ran's lap.

'I'm glad their relationship is getting closer.'

Of course, he was not jealous of Xi Ran; instead, he was pleased.

'I'm sure lady Xi is charmed by my little Ai's cuteness. As expected of my little angel, you are indeed amazing. Worthy of being my future daughter.'

He praised Mu Ai like usual.

Xi Ran decided to talk about other things because it would be awkward if they remained silent.

Without realizing it, it had been forty-five minutes since they arrived at the festival. At this moment, Mu Ai was sitting on Xiao Tian's lap again.

Even though she liked Xi Ran, but she loved Xiao Tian more. In this world, her mother was number one, and Xiao Tian was number two.

That was why she sat on his lap again, because she liked it.

"Big brother, when are they going to shoot fireworks?" Mu Ai wanted to see fireworks immediately because she had been waiting for forty-five minutes.

"In fifteen minutes." He gave an honest answer.

"It's still long." Mu Ai put on a sad face.

"Then how about playing a game with big brother now?" he inquired.

"What game?" she asked curiously.

"Word connect game." He responded, "Little Ai has to connect words based on the last word."

He then continued, "For example. If big brother says blue cat, then little Ai has to arrange words that start with cat like cat sleeps on the sofa."

"I understand." Mu Ai nodded her head cutely. "Let's play the game now."

As Xiao Tian and Mu Ai were playing the word connect game, Xi Ran skimmed her surroundings.

'Hmm?'

She saw a young couple lovey-dovey not far from her.

Not only that, but several people were also lovey-dovey because it was an excellent time to be lovey-dovey.

'Why do I feel jealous? Why do I want to do that too?'

She turned her head to look at Xiao Tian.

Deep inside her, she also wanted to lovey-dovey with Xiao Tian, but their status was not a couple.

'But even so, I still desire....'

She moved closer to him.

'Why didn't he make a move on me?'

She was currently sitting very close to him.

'Isn't he a playboy? Isn't it easy for a playboy to read a woman's mind?'

She did not know why he did not make a move on her.

'Is it because of my expression?'

She suddenly thought he could not read her mind because of her poker face.

'Should I make the first move?'

She suddenly wavered.

'But I'm a woman. Isn't it a man's job to make the first move?'

She kept staring at his handsome face.

'He is really attractive.'

She involuntarily praised his handsomeness.

'Why is he so attractive? Is it because I'm in love with him?'

She shut her eyes for two seconds.

'I should make the first move, or else nothing will change in our relationship.'

But she did not know what to do.

'Should I kiss him? Or should I hug him?'

She shook her head.

'We are in a public area, and countless people are around us, so I can't do that.'

After thinking for several seconds, she finally knew what to do.

'I will do that.'

With that idea in mind, she suddenly held Xiao Tian's right hand.

Xiao Tian was startled.

He was shocked when she suddenly held his right hand.

'Hmm? Why is she suddenly holding my hand?'

He did not know why she suddenly held his right hand.

'Wait!'

Even though she put on a poker face, but he could slightly understand her actions.

'Did a spark of love blossom in her heart?'

After remembering what they had done or been through together, he was ninety percent sure that a spark of love had blossomed within her.

At this moment, Xiao Tian and Xi Ran looked each other in the eyes. They did not say anything, as if they were communicating through their eyes.

'Then what should I do now?'

She was thinking about her next move.

'Should I lean my head on his shoulder?'

She did not realize that she was behaving like a teenager.

*Thump...Thump...Thump...

Her heart beat fast.

The longer she looked at his handsome face, the faster her heart beat.

'I can't hold back my feelings anymore. I have to tell him what I feel.'

She did not care about what his answer would be.

She opened her little mouth and spoke, "Xiao Tian, I love you."

Chapter 1542 Failed

7-8 minutes

"Xiao Tian, I love you." Xi Ran confessed her feelings to him.

But the goddess of luck was not on her side because the sound of fireworks reverberated in the entire area when she confessed her love to him.

Boom!

Boom!

Boom!

The night sky was like a colorful garden.

"The fireworks have started!" Mu Ai's eyes shone brightly.

"Lady Xi, what did you just say?" he could not hear her words because the sound of fireworks echoed in the entire area.

"Nothing." Xi Ran turned her head to the other side.

'Why did they shoot fireworks when I confessed my love to him?'

It took great effort to confess her love to him, but he did not hear her words.

*Buzzing...

A beam of dazzling light flew into the sky.

*Boom...Boom...Boom...Boom...Boom...

After a burst of firecrackers, the beam of light suddenly burst open.

Golden, silver, red, green, blue, pink.

The fireworks burst into a series of strings in the night sky, and finally, like countless meteors with long tails, they reluctantly slipped through the night sky.

"Big brother, look! It's so beautiful!" Mu Ai pointed her right index finger at the fireworks.

"Yes. It's beautiful." He smiled softly when he saw her happy face.

Even though Xi Ran was a little disappointed, but she still smiled softly.

She could see beautiful fireworks with Xiao Tian and Mu Ai, so it could still give her happiness.

'Well, forget it.'

She held his hand tighter.

'We can see beautiful fireworks while holding hands, so it's enough for me.'

She looked at their hands before finally looking at him and Mu Ai.

However, they stopped holding hands shortly after that because Mu Ai told him to take a video of the fireworks.

After watching the fireworks, they went straight home.

Xi Xingyi's House, Terrace.

Xi Xingyi was currently sitting on the terrace alone. She wanted to see a beautiful moon and feel the gentle breeze, so she decided to relax on the terrace.

'Oh, right. What are they doing now? Are they having a good time now?'

She knew Xi Ran was with Xiao Tian and Mu Ai.

Coincidentally, Xiao Tian and the others arrived at her house when she thought of them.

'It's them!'

She rose to her feet and walked toward them.

Mu Ai, who was holding Xiao Tian's right hand, shouted, "Auntie Xingyi..."

Xi Xingyi immediately carried Mu Ai before finally asking, "Our little Ai is so cute!"

Like Xiao Tian and Xi Ran, Xi Xingyi had been charmed by her cuteness. There was even a time when she teased him, asking him to give her a daughter as cute as Mu Ai.

"Auntie Xingyi, we went to Shanghai Aquarium earlier." Mu Ai began telling Xi Xingyi everything. "We also watched fireworks."

"It seems like you really enjoy it." Xi Xingyi kissed Mu Ai when she saw her cute expression.

"Un. I enjoyed it." Mu Ai nodded her head cutely.

Shortly after that, Xi Ran headed to her room to take a shower, so there were only Xiao Tian, Xi Xingyi and Mu Ai in the front yard.

The trio was currently standing next to his car. Previously, Xi Xingyi invited him to enter her house, but he refused because Mu Ai wanted to go home immediately.

Xiao Tian looked at Mu Ai before finally asking, "Little Ai, can you close your eyes and count to twenty?"

"Alright." Mu Ai closed her eyes and began counting. "1, 2, 3."

Xi Xingyi turned her head to look at Xiao Tian.

'Don't tell me....'

She suddenly suspected that he wanted to do something to her.

And what she had guessed was right because he immediately cornered her against his car after Mu Ai shut her eyes.

"Pervert!" Xi Xingyi said in a low voice.

She immediately wrapped her arms around his waist when he pressed his lips against hers.

Even though the distance between them and Mu Ai was only two meters, she still welcomed the kiss because Mu Ai was closing her eyes.

He only kissed her for two seconds.

At this moment, Xiao Tian and Xi Xingyi looked each other in the eyes. He shifted his gaze to Mu Ai before finally returning his attention to Xi Xingyi again.

"6...7...8." Mu Ai was still counting and closing her eyes.

There was one reason why he suddenly looked at Mu Ai.

He wanted to know if he could kiss Xi Xingyi passionately or not!

When he stared at Mu Ai, Xi Xingyi also glanced at her.

"We can do it." Xi Xingyi nodded her head.

Of course, she could tell what he had in mind because it was written on his handsome face.

No!

He was a pervert, so it was not difficult to read his mind.

That was why she knew what he wanted to do because he loved kissing her. She knew he would think like that the moment he pinned her against his car.

He wasted no time and kissed Xi Xingyi passionately.

'I'm indeed a bad young man!'

He knew he should not have done that, but he was unable to control himself because he could not spend time with her earlier.

Xiao Tian and Xi Xingyi began moving their tongues lewdly.

Even though they were having a deep kiss, they still paid attention to Mu Ai because they did not want her to see what they were doing.

"12...13...14..." Mu Ai was a kid, so she was still innocent.

She was not suspicious when Xiao Tian suddenly asked her to close her eyes and count to twenty because her mind was still pure.

Xi Xingyi did not know why, but she suddenly felt thrilled.

'It's so exciting!'

She moved her tongue lewder and lewder.

Xiao Tian did not play with her breasts like usual and only kissed her passionately because he only desired to kiss her.

"16...17...18." Mu Ai kept counting.

Xiao Tian broke the kiss and whispered. "Let's continue tomorrow."

She whispered too. "I want you to warm my bed tomorrow."

"19...20... big brother, I have counted to twenty." Mu Ai opened her eyes.

"Little Ai, let's go home." Xiao Tian uttered.

"Un." Mu Ai nodded her head.

Xi Xingyi kissed Mu Ai before they went home.

Xiao Tian's Mansion, Family Room.

Xiao Tian was currently with Long Jingxian and Mu Ai in the family room. Mu Ai immediately showed the fireworks video to her mother after arriving home.

She told her mother that she had a great time earlier. She watched fireworks, a dolphin show and many other things.

Shortly after that, Long Jingxian brought her daughter to the bathroom. Her daughter still had not taken a shower, so she wanted to help her daughter take a bath.

Long Jingxian did not return to her room immediately after helping her daughter take a shower; instead, she lay on the bed with her daughter.

It was already 09:30 pm, so she wanted her daughter to sleep. She was away all day, so she must be tired.

After Mu Ai fell asleep, Long Jingxian kissed her forehead before finally smiling.

'Good night, my love. Have a nice dream.'

She closed the door carefully.

'I will go to sleep too.'

She headed to her bedroom.

'Hmm?'

The expression of deep shock blossomed after she opened her door.

Chapter 1543 Did You Mate With My Mother?

7-8 minutes

Long Jingxian was startled after opening the door.

'Xiao Tian?'

She did not expect him to be in her room.

And what surprised her most was that he was lying on her bed while only wearing a towel. "Did you take a shower in my bathroom?"

"My bathroom was broken, so I used yours." He lied to her.

She closed the door and walked toward him. "You are lying to me, huh?"

"What are you saying? I'm not lyi-" he stopped his words halfway when he saw her taking off her clothes. "My love, what are you doing?"

"You want a reward for making my daughter happy, right?" at this moment, she was only wearing a bra and purple panties.

The corner of his lips twitched.

'My love, I only want to sleep with you, nothing more than that.'

He did not have any dirty mind when he came to her room.

After unwrapping his towel, she immediately licked his penis. "Then, I will reward you now."

And soon, her room was filled with her moans.

Xi Xingyi's House, Family Room.

Xi Xingyi was currently watching a movie in the family room with Xi Ran. Xi Ran headed to the family room after taking a shower.

"Ran, what did you do with him earlier?" Xi Xingyi asked curiously.

Xi Ran turned her head to look at her mother.

'Should I tell the truth?'

She suddenly wanted to tell the truth because she was her mother and her mother always wanted her to be Xiao Tian's girlfriend.

"Mother, I'm in love with...Xiao Tian." It took Xi Ran a few seconds to finish her words.

Xi Xingyi was pleasantly surprised. "You are falling for him?! Really?"

Of course, she was thrilled because this was what she wanted. With them loving the same man, it could strengthen their relationship too.

She suddenly wanted to inform this good news to Leng Nichang because their plan was successful.

"Yes." Xi Ran nodded her head.

"Have you confessed your feelings to him?" Xi Xingyi threw another question.

"I confessed my feelings to him earlier, but he did not hear it because the sound of fireworks echoed in the entire area when I did it." Xi Ran kept telling the truth because she was her mother.

Xi Xingyi held her daughter's hands. "Don't worry. There is still tomorrow. I will help you confess your feelings to him later."

'I can't wait for her to be his lover!'

She believed an exciting adventure was waiting for them.

"By the way, when did you fall in love with him?" Xi Xingyi asked curiously.

"When we camped together in the Hang River." Xi Ran responded, "When I was alone in the forest, he came to save me. Since then, he has been special to me."

"I see." Xi Xingyi did not feel weird because he saved Xi Ran's life that day. "I will help you confess your feelings to him later."

"I...will do it myself." Xi Ran responded.

'I believe I can confess my feelings to him again.'

She added in her mind.

The following morning, Xiao Tian watched a movie in the family room after breakfast.

He dragged Long Jingxian to the family room because he did not want to watch a movie alone.

"Wow! This movie is good!" he praised the movie when he saw a kissing scene.

"Do you want to mimic it?" she inquired.

He turned his head to look at her. "My Jingxian, how about we go to my room now? I want to try it."

Before Long Jingxian could answer his question, Mu Ai stepped into the family room.

He smiled softly when he saw his little angel. "Little Ai, come here."

Unlike usual, Mu Ai did not sit on his lap this time; instead, she stood before him.

"Big brother, did you mate with my mother last night?" of course, Mu Ai did not understand her own question because Shi Fei was the one who said it.

Xiao Tian and Long Jingxian were stunned.

'What?!'

They found it hard to believe what they were hearing.

'Who taught her that?!'

She was an innocent kid, so they wanted to know who taught her these words.

"Little Ai, who taught you these words?" Xiao Tian inquired.

"I heard it from auntie Fei!" Mu Ai gave an honest answer. "What's wrong, big brother?"

"It's nothing." He responded, "Where is auntie Fei now?"

"In the backyard." Mu Ai answered.

"I will go to the backyard now." after saying that, he headed to the backyard.

At the same time, Shi Fei was enjoying the beautiful morning while lying on the pool lounge chair. Of course, she did not know what was going on.

Actually, she did not teach Mu Ai anything bad. Previously, she chatted with Su Ruanyi and said Xiao Tian mated with Long Jingxian last night.

They did not know Mu Ai was behind them and heard their conversation. That was why Mu Ai headed to the family room and asked that question.

When Shi Fei caught sight of him, she waved her right hand. "Little brother, come here and sit with me."

To her surprise, he made her bend over his lap with her stomach facing down.

She still had no idea what was going on. "Little brother, what is this? Are you going to punish me? But I still haven't done anything bad today."

Her words sounded like she would do bad things to him later.

"This is for teaching little Ai bad words." After saying that, he spanked her butt.

"Kya!" she let out a cute voice. "What do you mean by that?"

"You are corrupting her innocent soul and teaching her bad things." Like before, he spanked her butt again.

"Aaaa." She felt a little pain because he did not do it gently. "But I never taught her anything bad or corrupted her soul."

"But little Ai asked me something bad earlier." He explained the reason why he punished her.

She finally understood everything.

"Little brother, I never taught her bad things." Even though he kept spanking her butt, she did nothing.

She even did not try to free herself as if she really did something bad earlier.

"She said she heard it from you." He spanked her soft ass again.

"Ahh." She suddenly remembered something. "I chatted with sister Ruanyi earlier. I said you mated with sister Jingxian last night. Maybe she heard our conversation. She also said she heard it from me, not taught by me."

He stopped what he was doing because her words made sense. "Did you really not teach her anything bad?"

"Of course not, because I'm an innocent and pure lady like her." She did not feel shy when she said this.

The corner of his lips twitched.

'Innocent and pure lady? You are a lewd lady!'

He finally knew it was just a misunderstanding.

"Little brother, are you still going to spank my butt?" she threw another question.

"Ehm!" he cleared his throat before finally making her sit on his lap, facing him. "My bad."

"You spanked by butt without investigating everything. My butt hurts now, so I want to punish you." after saying that, she kissed him passionately.

Xi Xingyi's House, Family Room.

Xi Xingyi, Xi Ran, and Leng Nichang were currently in the family room. Leng Nichang went straight to Xi Ran's house after hearing everything from Xi Xingyi.

"Ran, is that true? Are you really in love with Xiao Tian?" Leng Nichang asked curiously.

Chapter 1544 Going To The Beach

7-8 minutes

"Ran, is that true? Are you really in love with Xiao Tian?" Leng Nichang asked curiously.

She was pleasantly surprised when Xi Xingyi told her everything. That was why she went straight to Xi Ran's house after having breakfast.

Xi Ran did not answer Leng Nichang's question immediately; instead, she stared at her mother.

'It seems like my mother has told her everything.'

Actually, she had suspected it, so she was not surprised by Leng Nichang's question.

"Yes. I'm in love with him." Xi Ran decided to give an honest answer because her mother had told Leng Nichang everything, so there was no point in hiding it.

"Then let's make a plan for you to confess your feelings to him." Leng Nichang was delighted because Xi Ran could also become Xiao Tian's lover.

"I'm not ready to do it again." Xi Ran failed to confess her feelings to him yesterday, so she was not ready to do that again.

"What do you mean by saying you are not ready to do it again? Don't worry. He will accept your feelings because he also likes you." Leng Nichang forced Xi Ran to confess her love to Xiao Tian again.

"That's right, Ran." Xi Xingyi added. "Xiao Tian also likes you, so it's better to confess your feelings to him again."

"Really?" Xi Ran asked.

"Of course. If you still don't believe us, then try remembering his caring attitude toward you." Xi Xingyi also wanted her daughter to confess her feelings to him again.

Xi Xingyi then continued, "Have you forgotten how he took care of you when your hands were injured? Not only that, but he also saved you when you were lost in the forest. That evidence is enough to tell you that he likes you too."

Xi Ran tried to remember his caring attitude.

'It's true that he cares about me a lot but does he really like me?'

She recalled what he did to her, especially when they went camping or when her hands were injured.

'Ah, right. He also kissed me passionately when we were in Hang River.'

She also thought he had special feelings for her, but she was not sure.

'Should I try confessing my love to him again?'

She suddenly had the thought of confessing her love to him again after recalling his caring attitude.

"How is it, Ran? We will help you if you agree." Leng Nichang inquired.

"Alright. I will confess to him again." Xi Ran agreed to confess her love to him again because her mother and best friend would help her.

"Good!" Xi Xingyi and Leng Nichang responded happily.

Then the trio made a plan carefully.

The next day at 03:00 pm, Xi Xingyi called Xiao Tian, saying she wanted to spend time with him at Yonhan Beach.

To his surprise, he saw Xi Ran and Leng Nichang after arriving at the beach. But what surprised him most was that Leng Nichang was carrying a guitar.

"Why are you carrying a guitar?" he asked curiously.

"Because you will sing a song for us later." Leng Nichang did not tell the truth about the reason why she brought a guitar because it was related to their plan.

The corner of his lips twitched.

'Why didn't you tell me about this?'

He looked at Xi Xingyi and threw a question through his eyes.

Even though Xi Xingyi knew what he had in mind, she only shrugged. She did not tell him about it because it was a part of their plan.

"Xiao Tian, hold this guitar first. We want to change our clothes now." Leng Nichang put the guitar in Xiao Tian's hands.

"I will be waiting here, ladies." Even though he was pleased, but he tried his best to hide it.

Xi Xingyi and Leng Nichang giggled.

"Let's change into a bikini now." Xi Xingyi, Xi Ran and Leng Nichang headed to the changing room.

Xiao Tian immediately sat on the sand and began playing the guitar. "Even though I have seen them in a bikini a few times, but I can't wait to see it again."

He played the guitar without singing because his mind was filled with the beauty of the beach.

Not long after that, Xi Xingyi and the others returned. And like what he had guessed, they looked amazing in a bikini.

They were beautiful and had lovely bodies, so it was normal if they looked amazing in a bikini.

'He likes what he sees.'

Xi Xingyi and Leng Nichang exchanged a glance with each other before finally giggling.

When they stood next to him, Leng Nichang inquired, "Xiao Tian, what do you think of Ran's bikini?"

Actually, she already knew the answer because Xi Ran was an attractive lady, and she believed Xiao Tian agreed with that statement.

She asked that question because she wanted him to praise Xi Ran's beauty directly. After all, Xi Ran was the main character today.

Xi Ran stared at Leng Nichang before finally shifting her gaze to Xiao Tian.

"Perfect!" he was telling the truth because Xi Ran looked amazing in his eyes.

Even though Xi Ran did not say anything, but her heart throbbed with happiness. Her crush was praising her, so of course, she was thrilled.

"Xiao Tian, did you know that my daughter bought this bikini especially for you?" Xi Xingyi revealed the truth.

Xi Ran instantly shifted her gaze from Xiao Tian to her mother.

'Mother, why did you reveal it?'

She did not expect her mother to reveal the truth.

Xiao Tian was taken aback by Xi Xingyi's words. "Is that true, lady Xi?"

"Yes." Xi Ran nodded her head.

Was he happy?

Of course!

A gorgeous lady like Xi Ran bought a new bikini especially for him, so there was no way he would be unhappy.

"Xiao Tian, Ran bought a new bikini especially for you, so you should not make her sad today. You have to make her happy." there was one reason why Leng Nichang said something like this.

It was because Xi Ran would confess her love to him again!

When she said he should not make Xi Ran sad, that meant he had to accept Xi Ran's feelings later.

Of course, Xiao Tian did not understand the real meaning of her words. "I will try my best."

"Xiao Tian, what about me? Am I as beautiful as my daughter?" Xi Xingyi inquired.

"Of course!" Xiao Tian answered instantly. "You and Nichang are beautiful ladies to me."

"Oh! I thought you forgot about me." Leng Nichang said jokingly.

"You are my lover, so you are always in my heart." Like usual, he did not forget to use his sweet words. "So, what should we do now?"

"Let's sit here and enjoy the beautiful beach for now." After saying that, Xi Xingyi sat on his right side.

Leng Nichang sat next to Xi Xingyi while Xi Ran sat on Xiao Tian's left side. Xiao Tian felt happy because he was surrounded by beautiful ladies.

They chatted about many things. Time went by quickly, and without realizing it, it was already 04:00 pm.

Leng Nichang and the others wanted to carry out their plan, but they had to create the perfect moment first.

That was why Leng Nichang immediately said, "Xiao Tian, can you play the guitar and sing a song for us?"

Chapter 1545 Xiao Tian, I Love You

6-7 minutes

"Xiao Tian, can you play a guitar and sing a song for us?" Leng Nichang inquired.

"Yes, sing a romantic song for us." Xi Xingyi added.

"Sure." He began singing a romantic song after taking the guitar.

Xi Xingyi, Xi Ran and Leng Nichang were happy, especially Xi Xingyi. She even sang together with him.

As he was singing a romantic song with Xi Xingyi, Leng Nichang took a video of them.

No!

She would not post the video on the internet.

She just wanted to capture their happy moments together!

"That night, we walked under the bright moonlight hand in hand...."

"Our faces were full of smiles, and our hearts were filled with happiness...."

"We felt like the world only belonged to us...."

As Xiao Tian was singing a romantic song, Xi Ran paid attention to him carefully.

Not only that, but her expression softened, and a beautiful smile spread across her face. Of course, she did not realize this because it happened by itself.

When Leng Nichang noticed Xi Ran's expression, she immediately moved her smartphone camera towards her, taking a video of her.

Xi Ran was focused on Xiao Tian, so she did not know what Leng Nichang was doing.

'Look at her! It seems like she is really in love with him.'

She glanced at Xi Xingyi and gave her a sign to look at Xi Ran.

Xi Xingyi could not help but giggle happily when she noticed that her daughter was looking at Xiao Tian intently.

'I hope Xiao Tian will accept her love later.'

She wished everything would go according to their plan.

'I will use my status as his lover to force him to accept my daughter if he refuses my daughter's feelings later.'

She really wanted her daughter to become Xiao Tian's girlfriend, so she would not take no for an answer.

At this moment, Xi Ran noticed what Leng Nichang was doing.

'Is she taking a video of me?'

She only stared at Leng Nichang for several seconds before finally returning her attention to Xiao Tian.

"Let's be together until we die...."

"Let's be together until we...die...."

Xiao Tian finished singing a romantic song.

'Hmm?'

He smiled and gave a V sign when Leng Nichang took a video of him.

"Nichang, how is the video?" Xi Xingyi inquired.

They checked the video together. Even though they only took a video using a smartphone, but the result was good because her phone had good specs.

"It's good!" Xi Xingyi stated.

"Ran, do you want to play a guitar too?" Leng Nichang gave Xi Ran a sign to carry out their plan.

Xiao Tian was a little surprised. "Lady Xi, you can play a guitar?!"

Even though there were female guitarists in China, but only a few women could play a guitar because usually, they preferred piano and violin over a guitar.

"Not only can she play a guitar, but her voice is also beautiful." Xi Xingyi was not lying because Xi Ran could play a guitar and had a beautiful voice.

"I can play a guitar a little." Even though Xi Ran did not play a guitar as often as when she was young, but she could still play it.

She also practiced hard yesterday, so she believed she could play well.

Leng Nichang and Xi Xingyi nodded their heads when Xi Ran was looking at them.

'You can do it!'

They cheered her up.

Xi Ran stared at Xiao Tian before finally playing a guitar and singing. Unlike usual, she felt a little nervous this time.

Of course, she knew the reason why she felt a little nervous.

It was because she would confess her love to him after she finished singing!

Yes, this was their plan!

At first, they chose Rainbow Garden as a place for her to confess her love to him because Rainbow Garden was a beautiful place.

However, they changed their mind after remembering that Xi Ran could play a guitar and had a good voice.

*Jringggg...

The sound of the guitar echoed in their ears.

Xi Ran began singing after playing the intro.

"We met under a cherry blossom tree...."

"My heart beat fast when our eyes met...."

She sang with heart, causing Xiao Tian to sink into the song.

'Amazing!'

He knew she was an amazing actress, so he was stunned when he found out that she could sing well.

Unlike before, Leng Nichang focused on recording Xi Ran and Xiao Tian this time.

Xi Xingyi did not stay still, she clapped her hands, causing the music to become even more impressive.

"Your smile kept appearing in my mind...."

"That day, I realized I had fallen in love with you...."

At this moment, several memories appeared in Xi Ran's mind.

The memory of him saving her from delinquents. The memory of him taking care of her when her hands were injured.

The memory of them staying the night at the abandoned house. And the memory of them kissing in the Hang River.

"I can no longer hold back the feelings in my heart...."

"I want to tell you I'm in love with you...."

"But these words always got stuck in my throat whenever I tried to confess my feelings to you...."

"What should I do...."

The song described her situation really well.

Xi Ran could no longer hold back her feelings for Xiao Tian.

She had tried to confess her love to him many times, but the words always got stuck in her throat.

And when she finally could voice out her feelings to him, Xiao Tian did not hear it because the sound of fireworks was much louder than her voice.

Xi Ran often glanced at Xiao Tian when she was singing a love song.

'Xiao Tian, I have always failed to tell you about my feelings until now, so I will express my feelings through this song.'

She could sing the love song very well because it described her situation perfectly.

Xiao Tian felt as if he was inside the song.

He could very well imagine what the song was trying to convey.

He even felt as if the scene was playing out before his eyes.

"I really want to tell you about my feelings...."

"I want to tell you I LOVE YOU...."

Xi Ran stopped playing the guitar after that.

She looked at Xiao Tian before finally expressing her love for him. "Xiao Tian, I love you."

Chapter 1546 Xiao Tian, Will You Be My Boyfriend?

7-8 minutes

"Xiao Tian, I love you." Xi Ran finally could express her love for him.

At this moment, she was relieved and worried at the same time. She felt relieved because she could finally express her love for him.

But she was worried because she was afraid that he would reject her love.

Sure, they had many beautiful memories together, but that did not guarantee that he would accept her love.

*Thump...Thump...Thump...

She kept looking at him as her heart beat faster and faster.

'God, please grant my wish.'

She prayed to God, wishing Xiao Tian would accept her love.

Xiao Tian was stunned.

He was shocked when Xi Ran suddenly confessed her feelings to him out of the blue like that.

Previously, they only sang together and enjoyed their time on the beach. This was the reason why he was stunned by the turn of events.

Of course, it was not the first time a woman had confessed her love to him because he was handsome and rich in his past life.

Because Xiao Tian only looked at Xi Ran without saying a single word, Leng Nichang threw a question, "Xiao Tian, what is your answer?"

"You accept her, right?" Xi Xingyi really hoped the three of them could become his women.

Xi Ran held his hands and looked into his black eyes. "Xiao Tian, will you be my boyfriend?"

Xiao Tian finally came to his sense. "Yes."

A soft smile spread across Xi Ran's face, and her eyes were filled with tears of joy.

'Thank you, god!'

She could not describe what she felt in words.

She was happy.

She was thrilled because she could finally become his girlfriend.

"Thank you for accepting my love." After saying that, Xi Ran embraced him tightly.

"Hehe. Congratulation, Xiao Tian. You got another beauty." Leng Nichang congratulated him.

"Good!" Xi Xingyi smiled happily because everything went according to their plan.

After stopping the hug, Xi Ran smiled at him.

Yes, it was a smile of happiness!

"How about sealing your love with a kiss on the lips?" like usual, Leng Nichang decided to tease them.

"That's a good idea!" Xi Xingyi added.

Xiao Tian was startled.

But what surprised him most was that Xi Ran did what she was told!

Yes, she kissed his lips!

She immediately cupped his face and pressed her lips against his after hearing her mother's words.

She did not try to refuse like what she did at the Green Billiards.

Did he like it?

Of course, he loved it!

He did not need to feel bad for her because she was his lover now.

They were officially a couple now!

They could do whatever they wanted because Xi Xingyi and Leng Nichang were also his women.

"I'm glad that everything goes according to our plan!" Xi Xingyi stated.

"Plan?" Xiao Tian tilted his head to the left.

"It's like this...." Xi Xingyi began explaining everything.

Xi Ran did not say anything when her mother revealed everything. It was no longer important because he was her boyfriend now.

"Is that true?" Xiao Tian asked curiously.

"Yes." Xi Ran nodded her head. "I confessed my feelings to you yesterday, but you did not hear it."

Xiao Tian finally knew everything.

'I did not expect that!'

He blamed the fireworks for everything.

"You don't need to worry about it because it has happened." Xi Ran said when she saw his expression.

"We are a couple now, so don't worry about it."

"That's right." Xi Xingyi added.

"Ran, the result of the video is amazing." Leng Nichang was checking the video of Xi Ran confessing her love to Xiao Tian.

"Let me see it." Xi Xingyi immediately took Leng Nichang's smartphone. "You are right. The result is amazing!"

Xi Ran did not say anything and only stared at them. Xiao Tian had accepted her love, so she would not ask them to delete the video.

After all, that video could become a good memory for them in the future.

Xi Xingyi was envious of her daughter, so she wanted to do the same. "Nichang, take a video of Xiao Tian and me too."

"Video?" Leng Nichang was startled when Xi Xingyi gave her smartphone back to her.

After asking her daughter to switch places with her, Xi Xingyi looked at Xiao Tian. "Xiao Tian, confess your love to me now. Let's record it so that we can see it in the future."

Leng Nichang and the others finally understood what Xi Xingyi wanted.

The corner of his lips twitched.

'But I have done it in the past.'

He had confessed his love to her in the past, so he did not want to do it again.

To his surprise, Xi Xingyi whispered something in his right ear. "If you do what I say, I will satisfy you in bed after this."

Was he happy after hearing her words?

Of course!

Did he reject her wish?

Of course not!

Xiao Tian was a pervert.

Ehm!

Xiao Tian was a good lover, so as a good boyfriend, he had a duty to make his girlfriend happy.

"Nichang, are you ready?" Xi Xingyi inquired.

"I'm ready." Leng Nichang responded.

Xi Ran could only sigh when she saw her mother's behavior.

'Well, she is already old, so I will let her do whatever she wants.'

She paid attention to them without saying a single word.

Xi Xingyi returned her attention to Xiao Tian. "Xiao Tian, do it now."

"Scene 23D, Take 2." Leng Nichang spoke and paused for a second before she continued, "Action!"

Xi Ran immediately looked at Leng Nichang.

'Why did you say something like that? We are not shooting a film.'

She was startled by Leng Nichang's words.

Actually, Xiao Tian was also surprised, but he did not show it on his face. "Xingyi, I love you. Will you be my girlfriend?"

"Yes." Xi Xingyi nodded happily.

Xiao Tian smiled happily as if he was really confessing his love to her for the first time.

'What a cute MILF!'

He looked at her lovingly.

To his surprise, Xi Xingyi suddenly cupped his face and pressed her lips against his.

Xiao Tian widened his eyes.

'Hmm?'

He was shocked because he did not expect her to do that.

"Hehe." Leng Nichang giggled while recording their faces. "Way to go, madam Xi."

Xi Xingyi was currently kissing her young boyfriend passionately. Previously, she wanted to stop the kiss, but she changed her mind.

Of course, Xiao Tian welcomed the kiss immediately.

Sure, Leng Nichang was taking a video of them, but he did not care about it because they would not spread it on the internet.

Xiao Tian and Xi Xingyi tilted their faces to the left and right as they exchanged saliva. They moved their tongues lewdly as if they were alone on the beach.

*Two seconds...four seconds...six seconds...

It had been six seconds, but they showed no sign of stopping.

Like before, Leng Nichang was recording them from a very close distance.

'What a lewd couple!'

No one was around them, so she kept recording them.

When Xi Xingyi was out of breath, she stopped the kiss. "Huft...Huft...Huft..."

At first, Xi Ran and Leng Nichang thought Xi Xingyi would stop, but they were wrong because she suddenly asked a shocking thing.

"Xiao Tian, give me a hickey now?" after asking that, Xi Xingyi tilted her head back.

Chapter 1547 Bad Lady!

7-8 minutes

"Xiao Tian, give me a hickey now?" after asking that, Xi Xingyi tilted her head back.

The corner of his lips twitched.

'A hickey?'

He was at a loss for words.

Previously, she suddenly kissed him passionately, and now, she asked him to give her a hickey.

She even wanted a hickey on her neck, a place where everyone could see it.

Because Xiao Tian still did not give her a hickey, she uttered, "No one is around us, so you don't need to worry about it. After all, Nichang and Ran are your women now. I'm sure they won't say anything about it."

Xiao Tian turned his head to look at Leng Nichang and Xi Ran. Like what Xi Xingyi had guessed, they told him to grant her wish.

After skimming his surroundings, he granted her wish.

He gave her a hickey!

He sucked her beautiful neck!

He even spanked her ass, giving her a punishment for being a lewd lady.

Because he spanked her ass, Xi Xingyi wanted to embarrass him.

"Ahhhh..." she wailed as she half-closed her eyes.

Xi Ran and Leng Nichang widened their eyes.

'Hmm?'

They did not expect her to moan like that.

Sure, Xiao Tian was sucking her neck, but it should not cause her to moan like that. After all, he was only giving her a hickey.

After giving his MILF lover a hickey, he uttered, "It seems like I have to punish you later."

"You can punish me later." After saying that, Xi Xingyi looked at Leng Nichang. "Nichang, record the hickey closely."

Leng Nichang did what she was told.

She recorded Xi Xingyi's body before finally going to her pretty face and the hickey on her neck.

"Don't you feel ashamed?" Leng Nichang inquired, "After all, everyone can see your hickey."

Xi Xingyi was wearing a bikini, and Xiao Tian gave her a hickey on her neck, so everyone could see it.

"Why should I feel ashamed? This hickey is a sign that I'm his woman." Xi Xingyi said something embarrassing without feeling shy.

"Will I become a lewd lady like my mother later?" Xi Ran did not realize that she said her inner thoughts out loud.

Xiao Tian and the others turned their heads toward her.

Xi Ran did not make an excuse when she realized what she had just said. She only stared at them without saying a single thing.

Before Leng Nichang could say something, Xi Xingyi uttered, "Ran, do you want to switch places with me now?"

"No, thank you." Xi Ran refused without thinking twice.

"You don't need to feel shy because you are his girlfriend now." Xi Xingyi spoke and paused for a second before she continued, "Nichang and I are also his women, so feel free to use him however you like. After all, he is our boyfri-kyaa."

She let out a cute voice when Xiao Tian suddenly spanked her butt. "Why are you teaching your daughter bad things?"

"Xiao Tian, you don't need to pretend to be a good young man." Xi Xingyi responded, "I know you are happy when I teach my daughter lewd things because you are a pervert, a pervert young man."

"I agreed!" Leng Nichang added. "You are a pervert young man, so you don't need to pretend to be a nice guy."

Xiao Tian was at a loss for words.

He could not defend himself because what they said was right.

He was indeed a pervert young man!

To their surprise, Xi Ran laughed when she saw them. "Hahaha."

Xiao Tian and the others were stunned.

'She is laughing?'

It was very rare to see her laughing like that because she often wore a poker face.

"Haha." Xiao Tian and the others laughed too.

Like before, they talked again.

Xi Xingyi's House, Her Bedroom.

Xi Xingyi and Xiao Tian were currently lying on the soft bed, naked. They immediately had wild sex after arriving at her house because they were alone.

Her maid went out to buy something while Xi Ran and Leng Nichang went to a café together.

This was the reason why she behaved wildly and moaned as loudly as she pleased.

"Now that you have become my daughter's lover, you should take her on a date tomorrow. After that, create a good moment and bed her." Xi Xingyi told him to bed her daughter immediately.

"Sometimes, I wonder if you are really her mother or not because you keep asking me to do something lewd to your daughter." He was telling the truth when he said this.

"What's wrong with that? You two are lovers now, so it's normal to have sex." Xi Xingyi defended herself. "Don't you want to do it with my daughter?"

"Well, I want to." He was not lying because he was talking to his MILF lover.

"Then bed her quickly because, with this, we can have a threesome later." Xi Xingyi had never had a threesome before.

Actually, she could do that because Xiao Tian had more than one girlfriend, but she wanted her first partner to be her daughter and Xiao Tian.

That was why she told him to bed her daughter quickly because she was eager to do that.

"Have a threesome with you and your daughter?" Xiao Tian said in surprise.

"Yes." She nodded. "Isn't it a man's dream to have sex with a pair of mother and daughter at the same time?"

Oyakodon!

It was a term for a man who had sex with a pair of mother and daughter at the same time!

Was what she said true?

Of course!

Oyakodon was one of men's secret dreams!

If they said they never dreamed of doing oyakodon in their life, then they were lying because every man dreamed of doing oyakodon.

Who did not want to have sex with a pair of mother and daughter at the same time?

If having a threesome was ten out of ten, then doing oyakodon was eleven out of ten.

In other words, it was amazing!

It was awesome because only a few people could experience oyakodon.

Xiao Tian was a man, so he wanted to do oyakodon too. He had already had sex with a pair of sisters, but he still had not done it with a pair of mother and daughter.

That was why his manly soul roared when he remembered that he could do oyakodon in his second life.

"You don't need to hide it." Xi Xingyi stated.

"Is this the reason why you always refused to have a threesome or orgy?" he threw a question.

"Yes." She nodded her head. "I want my first partner to be you and my daughter. After that, I want to do it with you and Nichang."

"Bad lady!" he smiled as he pinched her nose gently.

"So, will you ask my daughter out on a date tomorrow?" she repeated her question.

"Sure." He did not mind it because he also wanted to strengthen his relationship with Xi Ran.

"Good!" Xi Xingyi replied happily.

Xiao Tian sat up and uttered, "Spread your legs widely, bad lady. I have to punish you because you always tell me to bed your daughter."

Xi Xingyi did what she was told.

Not only that, but she also spread her vagina. "Come here, my young boyfriend. You can punish me again!"

Xiao Tian wasted no time and immediately thrust his penis into her pussy again. And soon, the room was filled with her moans again.

Chapter 1548 Date With Xi Ran

6-8 minutes

After having sex with Xi Xingyi, Xiao Tian went home. He informed his other women that Xi Ran was his woman now.

He explained everything in detail.

Were they surprised?

No!

They had guessed that Xi Ran, Leng Nichang and Xi Xingyi would become his women, so they were not surprised by his words.

Of course, they were happy because they got new sisters now. Xi Ran, Leng Nichang and Xi Xingyi were good women, so they would welcome them with open arms.

After chatting with them for two hours, Xiao Tian headed to Mu Ai's room and slept with her and Feng Yu.

Star Group, Xiao Tian's Office.

Xiao Tian was currently sitting on his office chair. He immediately worked after arriving at his office.

It had been five hours since he started working, so he wanted to rest.

'Oh, right. I promised Xingyi to take his daughter out for a date today.'

With that idea in mind, he took his smartphone out of his pocket.

To his surprise, Xi Ran called him when he was about to call her.

'Lady Xi?'

He forgot to change the way he addressed her.

"Hello?" he picked up the phone.

"Xiao Tian, do you have free time now?" Xi Ran had just finished shooting a film, so she wanted to spend time with him.

"What a coincidence! I was about to ask you to go on a date with me just now." he told her the truth.

Xi Ran was pleasantly surprised.

'He was about to ask me to go on a date with him?'

She did not expect them to have the same thoughts.

"Then how about we eat first before going on a date?" she inquired.

"Good idea!" he hadn't had lunch yet, so he agreed instantly. "Where are you now? I will come to pick you up?"

"I'm at Shenro Fountain now. Let's have a date in this place." She went to Shenro Fountain after shooting a film because she had good memory with him and Mu Ai in that place.

"I will be there soon." After saying that, Xiao Tian traveled to Shenro Fountain.

He called her again after arriving at Shenro Fountain because he did not know where she was.

After finding her, they immediately headed to a restaurant to eat. It was an open-air restaurant, so they could see the beauty of Shenro Fountain.

As usual, Xi Ran sat on the opposite side of him. "Have you come to this restaurant before?"

"Two times." He came to Zi Restaurant with Shi Fei and Liu Ning.

When Xi Ran skimmed her surroundings, she realized something.

All couples were sitting next to each other!

She suddenly wanted to sit next to him because they were a couple now.

'Yes. We are lovers now.'

She also wanted to strengthen their relationship, so she did not want to act passively.

"Lady Xi, what abo-" he stopped his words halfway when Xi Ran suddenly sat on his right side.

'Hmm?'

At first, he did not know why she suddenly sat next to him, but he understood everything after skimming his surroundings.

Did he hate it?

Of course not!

Instead, he loved it because their date would be fun and memorable if she acted actively like that.

After sitting on his right side, she uttered, "Xiao Tian, we are lovers now, so you have to change the way you call me."

"Ah, right. I forgot." He was used to calling her lady Xi, so he forgot about it.

"Just call me Ran." she told him to call her Ran because her mother and friends also called her like that.

"Ran, do you want to meet little Ai later?" actually, he felt a little awkward when he called her Ran because he was still not used to it.

"If we still have time, I will go to your house later." She was his lover now, so she had to build a good relationship with his other women.

He was pleased after hearing it.

Not long after that, a waitress came with their food and drinks. The duo talked again after the waitress left.

As she was eating her food, she saw a young woman feeding her boyfriend.

'Should I do that too?'

She wavered whether she should mimic it or not because it was their first date after becoming a couple.

'But wouldn't it be too soon to do that on our first date?'

She kept looking at Xiao Tian and the young couple in front of her.

'I don't think it's too fast to do that. He also fed me when my hands were injured, so I should not waver now.'

She convinced herself to feed him.

Xiao Tian did not know what she had in mind, so he kept consuming his food.

'This is our first date after becoming a couple, so I will try my best to make her happy.'

As he was thinking about what they should do after eating, Xi Ran tried to feed him.

'Hmm?'

He was shocked.

He did not expect her to do something like that.

Of course, he was thrilled because she also tried to create a good memory on their first date.

Xiao Tian smiled softly before finally eating it.

Like Xiao Tian, Xi Ran also showed her soft smile. She loved it because Xiao Tian immediately ate the food.

Previously, she was a little worried. She was worried that he would reject it or tease her.

Because she fed him, Xiao Tian did the same. "Ran, try this."

Xi Ran looked at his black eyes before finally opening her little mouth and eating it. "It's delicious!"

The duo chatted again.

At this moment, Xiao Tian finally knew that she was imitating what the young couple in front of them was doing.

Of course, he did not say anything about it and pretended as if he knew nothing because it could make the atmosphere awkward.

She chose to act actively and tried to create a good memory, so there was no way he would ruin the good atmosphere.

Xi Ran took her smartphone out of her bag and uttered, "Xiao Tian, let's take a picture together."

She wanted to remember their first date forever, so she had the intention of taking a lot of photos later.

"Sure." He agreed instantly.

They wanted to take an amazing photo because they were a couple now. She brought her face closer to his and showed her soft smile.

Of course, Xiao Tian also smiled softly. Not only that, but he also held her right hand because it would look good and romantic.

*Click...

The sound of the camera entered their ears.

"How is it, Ran?" he asked curiously.

The duo checked the result.

"It's good!" she stated.

"Yes. It's good!" he added.

"Let's take one more photo." She uttered.

"Sure." He agreed.

Like before, the result was good. They were attractive people, so of course, the result was amazing.

They only took two pictures because they wanted to eat and chat again. After eating, they immediately paid for the food.

"Where do you want to go now?" he inquired.

"Let's take a walk around this area first." She responded.

"Alright. Let's go." After saying that, he held her right hand.

Xi Ran looked at their hands before finally smiling softly.

Chapter 1549 She Was Pleased

6-8 minutes

Two young people were strolling around the Shenro Fountain hand in hand.

The young woman's heart was filled with happiness, and the world looked like a beautiful garden in her eyes.

She was pleased.

She was thrilled because she could spend time with her lover on a good day.

Like the young woman, the young man was also delighted. He even felt as if the world only belonged to them.

These two young people were none other than Xiao Tian and his lover, Xi Ran.

The duo immediately took a walk around the Shenro Fountain after eating together at Zi Restaurant.

Even though they had visited Shenro Fountain before, but it still gave them happiness because they were spending time with someone they loved.

As they were strolling hand in hand, Xiao Tian saw an ice cream van.

"Ran, let's buy ice cream." He believed it was a good idea to eat ice cream together.

"Alright." She agreed instantly.

The duo headed to the ice cream van and waited in line. Like before, they were still holding hands as if they were glue in their hands.

Even though some people stared at them, they did not care about it.

The reason was simple.

They were a couple!

They were lovers now, so it was normal to hold hands.

That was why the duo ignored them.

After waiting for about fifteen minutes, it was finally their turn to buy ice cream.

The grandpa in the van smiled softly when he saw Xiao Tian and Xi Ran holding hands. Of course, he did not mind it because many couples bought ice cream in his van.

"Hoho. What a lovely couple." The grandpa uttered, "What flavor do you want?"

"I want vanilla flavor." After saying that, Xiao Tian turned his head to look at Xi Ran. "What about you, Ran?"

"Strawberry." She responded.

"Hoho. Wait a minute." The grandpa uttered.

Xiao Tian and Xi Ran looked at the ice cream in front of them.

"Here, two ice cream for a lovely couple." The grandpa smiled as he gave the ice cream to Xiao Tian and Xi Ran.

"Thank you." After paying for the ice cream, they left.

Xiao Tian and Xi Ran started licking their ice cream. Of course, they were still holding hands because they did not want to be separated for even a second.

As they were walking and enjoying their ice cream, Xi Ran saw a young woman walking with her boyfriend while hugging his right arm.

The desire to imitate what the young lady was doing suddenly arose in her. She looked at Xiao Tian before returning her attention to the young couple again.

Xiao Tian, who was licking his ice cream, was startled when Xi Ran suddenly stopped holding his right hand.

He was a little sad because he thought she wanted to stop holding hands with him.

However, the sadness in his heart suddenly turned into happiness because Xi Ran embraced his right arm.

'Is she copying someone again?'

He smiled softly when he saw a young woman walking while hugging her lover's left arm.

"Xiao Tian, let's sit on that public seating." Xi Ran saw a public seating not far from them.

"Alright." He nodded his head.

The duo immediately sat on the public seating.

At this moment, Xi Ran remembered that they still had not taken a picture. They were eating ice cream together, so she thought it was a perfect time to take a picture.

For this reason, she stopped holding his hand and uttered, "Let's take a picture again."

He did not say anything, but he nodded his head, giving her a sign that he agreed with her idea.

Then the duo took a photo again!

They smiled and showed their ice cream to the camera.

Like before, the result was good.

It was perfect!

Their smiles, position, ice cream; everything was perfect as if a professional photographer had taken a picture of them.

They were even pleasantly surprised when they checked out the result.

After putting her smartphone in her bag, Xi Ran held his hand again. She did not say anything, but a soft smile could be seen on her pretty face.

They spent time at Shenro Fountain for about two hours before finally traveling to Bungdo Hill.

The duo immediately sat on the wooden bench after reaching the top of the hill.

"It brings back a memory, right?" he suddenly remembered the time when he visited Bungdo Hill with her a few days ago.

At that time, her hands were injured, and a romantic moment happened when they took shelter from the rain.

"Yes." She suddenly recalled the time when he fed her snacks and drinks. "But at that time, we were only friends, not a couple."

"You are right." After saying that, he held her hand again.

Xi Ran immediately leaned her head on his right shoulder. "Xiao Tian..."

"Hmm?" he glanced at her.

"I love you." She did not know why she said something like that.

Maybe it was because they were not a couple when they visited Bungdo Hill, so she suddenly voiced out her feelings.

He smiled softly before finally kissing her forehead. "I love you too."

She squeezed his right hand tighter, feeling happy.

'I'm glad I confessed my love to him yesterday.'

She did not regret confessing her love to him because she felt happy when they were together.

"Let's eat snacks now." She stopped holding his hand because she wanted to open the snacks and drinks.

The duo consumed the snacks and chatted as they enjoyed the beautiful scenery in front of them.

However, Xi Ran did something shocking when he was about to take a piece of chip.

She stopped him!

He did not say anything and only stared at her, trying to read her mind.

To his surprise, she wanted to feed him again.

However, she did not stop there because she did something shocking again after feeding him.

"Xiao Tian, here." She placed a piece of chip in her mouth.

Her intention was clear.

She wanted to feed him from mouth to mouth!

Xiao Tian was stunned.

They were in a public place, but she still wanted to feed him from mouth to mouth.

Did he reject it?

Of course not!

Sure, they were in a public place, but no one paid attention to them.

As long as they did not have a passionate kiss, it was fine to feed someone from mouth to mouth.

Of course, certain conditions and circumstances applied to this. And they could not keep doing it, or else they would become the center of attention.

Xiao Tian brought his face closer to hers before finally biting the chip, splitting it in half.

"Why didn't you kiss me?" she thought he would kiss her after biting the chip, but she was wrong.

"Ran, there are many people around us, so I can't do that." He told her the reason why he did not kiss him.

"But that couple over there did it." She pointed her right index finger at the couple who kissed three minutes ago.

Xiao Tian immediately grabbed her right hand. "Ran, don't point at people. It's rude. And do you want to have a passionate kiss with me now?"

Chapter 1550 I'm Tired

6-8 minutes

Xi Ran could not answer Xiao Tian's question.

'What's wrong with me? Why do I want him to kiss me? We are in a public place, so I should control myself.'

Actually, she did it because she saw the young couple in front of her do the same thing.

'Sigh. We became lovers yesterday, but I have become a lewd lady now.'

She saw herself as a lewd lady after recalling what she did to him.

'It seems like I'm too aggressive. I have to be less aggressive from now on.'

She suddenly thought she would become a lewd lady like her mother.

Of course, she did not blame Xiao Tian because he did nothing wrong to her.

The duo began talking again.

Xi Ran didn't try to copy what the couples around her were doing this time because she did not want to be too aggressive.

As they were chatting happily, the same thing happened again!

It suddenly rained!

Xi Ran and Xiao Tian immediately ran toward the open-air shelter.

Unlike the last time they visited Bongdu Hill, there were many empty spaces in the shelter this time, but Xi Ran still did the same thing.

She sat on his lap!

The last time they visited Bongdu Hill, they also took shelter in the shelter.

However, there was only space for one person at that time. That was why she had to sit on his lap.

This time, she sat on his lap because she wanted to recall that feeling. That day, she felt calm and comfortable when she was sitting on his lap.

That was why she wanted to feel that feeling again. Sure, a few people stared at them, but she did not care about it because she only sat on his lap, nothing more than that.

Three women even copied what she was doing because there were not many people in that shelter.

Xiao Tian wrapped his right arm around her waist and spoke, "Don't you feel like déjà vu?"

Everything that happened to them was exactly the same as what happened when they visited Bungdo Hill the last time.

First, they sat on the same wooden bench. Second, he fed her. Third, it suddenly rained, and last, she sat on his lap.

Everything was the same, except they were not a couple at that time.

"Yes. And I fell asleep on your shoulder that day." She could remember everything clearly as if it happened yesterday.

However, Xi Ran did not fall asleep this time. She kept chatting with him because she did not want him to feel lonely.

The rain stopped at 04:45 pm. They decided to go home because they did not want to get trapped in the rain again.

The duo was currently in his car, ready to go home.

However, something unexpected happened when he was about to start the car engine.

Xi Ran suddenly put a chip in her mouth and turned her head toward him!

The meaning of her actions was clear!

She wanted him to kiss her!

Previously, he refused to kiss her because there were many people around them.

Now that they were in his car, she put a chip in her mouth again, asking him to kiss her.

Actually, she had no idea as to why she desired him to kiss her.

Maybe because they were lovers now, or perhaps because she saw a young couple kissing earlier, but at that time, she really wanted him to kiss her.

Of course, she realized what she was doing, but she did not care about it because what she had in mind was only one thing.

Kiss!

Even though Xi Ran did not say anything, but Xiao Tian could understand what she had in mind.

'She is like her mother.'

He brought his face closer to hers.

Unlike before where he only bit the chip and consumed it, he did something different this time.

He consumed the chip without separating his lips from hers.

Not only that, but he immediately put his tongue into her little mouth after consuming the chip because Xi Ran wanted a kiss.

She wanted a kiss, so he decided to grant her wish.

Actually, Xi Ran only wanted a normal kiss, but she did not refuse and instantly opened her mouth when he tried to kiss her passionately.

They were a couple, so it was normal to have a deep kiss.

The duo started to move their tongues lewdly. They also behaved wildly because no one could see them.

As she was moving her tongue lewdly, she suddenly remembered the time when she had a passionate kiss with him at Hang River.

This made the flames of lust within her grow bigger.

She did not want to stop.

She wanted to keep kissing him.

However, they could not do that because they were not in a comfortable position, so she stopped the kiss shortly after that.

"Let's go home now." actually, she still wanted to kiss him, but she decided not to do that.

"Alright." He responded.

On their way to her house, he asked her whether she wanted to meet Mu Ai or not. She said she still wanted to spend time alone with him, so she would meet Mu Ai tomorrow.

After arriving at her house, he did not go home immediately; instead, he watched a movie with her in the family room.

Xi Xingyi was still working, so they were alone in the family room.

Xi Ran, who was sitting on his left side, kept glancing at him.

'I didn't expect us to become a couple.'

She had never thought of becoming his girlfriend.

Sure, he had helped her many times in the past, but she had never thought of becoming his lover.

'The world is full of unexpected things.'

She suddenly remembered the first time she met him.

At that time, he thought she wanted to commit suicide. Not only that, she even knew what he did with Long Jingxian at the waterfall.

At that time, she saw him as a pervert young man. She just didn't expect that she would become that pervert's girlfriend a few months after that.

'Well, this is what makes this world interesting.'

She held his hand and leaned her head on his shoulder.

Xiao Tian smiled softly when she did that. He kissed her hair before finally watching a movie again.

Xi Ran's heart was throbbing with happiness.

Holding hands and watching a movie together made her heart fill with happiness.

She liked it.

She loved it.

She even wished she could stop time so that they could enjoy their time forever.

As they were enjoying themselves in the family room, Xi Xingyi's voice rang out. "I'm home."

Xi Xingyi giggled happily when she saw her daughter watching a movie together with Xiao Tian.

"Let me join too." after saying that, Xi Xingyi rushed toward them.

Her daughter was holding his left hand, so she embraced his other hand.

At that moment, Xiao Tian felt like a king because there was a gorgeous lady on both sides of him.

'It would be perfect if I sat on the throne now.'

He liked it.

He loved it when there was an attractive lady on both sides of him.
