Chapter 1551 She Refused

Xi Ran was currently in the family room with her mother. Xiao Tian had gone home, so they were alone now.

"Ran, how about we live together with him?" Xi Xingyi threw a shocking question.

Xiao Tian had asked her to live with him a few times since they became lovers. However, she always refused because she wanted to live with her daughter.

Now that her daughter was also his girlfriend, she thought they could live with him.

Xi Ran looked at her mother in surprise. "What?"

She was startled.

Sure, she was his lover now, but they became a couple two days ago.

It was too fast to do that.

Normally, they needed to be together for a few months first before finally thinking about living together.

And her situation was different from Long Jingxian's and Su Ruanyi's.

Long Jingxian and Su Ruanyi did not want to live at their houses because they did not want to remember their husbands.

In other words, they had something that made them decide to live with him!

Her situation was different from theirs.

Xi Ran and Xi Xingyi did not hate their house. And their house was big and luxurious, so it was not a good idea.

"I think it's too fast to live with him." Xi Ran refused instantly.

"It's not too fast. He is living with his other women now. Don't you want to live with him too? We can also ask Nichang to live with him later." Xi Xingyi desired to live with him, so she tried to change Xi Ran's mind.

"You can live with him if you want. I don't want to live with him for now. It's too fast. Maybe a few months from now." Xi Ran still refused because it was too fast to live with him.

"Ran, you are making everything difficult for me." Xi Xingyi wanted to live with her daughter, so she was in a difficult situation.

Sure, she desired to live with him, but she wanted to keep living with her daughter. Both of them were important to her, so she wanted them to be by her side every day.

Xi Xingyi kept trying to change Xi Ran's mind, but her efforts were in vain.

Xi Ran still refused her wish!

'I will talk to him tomorrow.'

Xi Xingyi put on a sad expression.

The next day, Xiao Tian and Xi Xingyi had lunch at Lizi Restaurant. They did not return to their companies after eating; instead, they went to a love hotel.

They had sex for about forty minutes before they finally stopped.

Xi Xingyi, who was lying on his right side, uttered, "Xiao Tian, I asked my daughter to live with you yesterday."

"What was her answer?" he asked curiously.

"She refused, saying it was too fast to live with you." She gave an honest answer. "She said she would think about it after at least four months."

"I see." He was not sad because he had guessed about it before. "Don't force her to live with me because it can ruin your relationship with her."

"But I really want to live with you. I can't do that if Ran refuses to live with you." She put on a sad face.

"You can stay the night at my house if you want. Isn't it the same?" of course, he also wanted to live with her and Xi Ran, but he would not force them to comply with his wish.

Even though they didn't live under the same roof, they could still spend time together. As long as they could lovey-dovey whenever they wanted, he was fine with it.

"I will ask Nichang and Ran to stay the night at your house in a few days." She wanted her daughter to stay the night at Xiao Tian's house because, with this, there was a possibility of her changing her mind.

"That's a brilliant idea!" he loved her idea. "We can have a small party in the backyard later."

"It seems like you often hold a small party at your house." she uttered.

"Yes." He nodded his head. "Because, with this, we can chat together and strengthen our relationship."

He knew that throwing small parties cost money, but he didn't care about it because he was rich.

He had more than one girlfriend, so he had to try harder to make them harmonious.

As they were chatting about their relationship, his smartphone suddenly rang.

"Who is it?" she asked curiously.

"It's Ran." He immediately picked up the phone and put it on speaker mode. "Hello?"

"Xiao Tian, my work will be done in one hour." Xi Ran spoke and paused for a second before she continued, "Let's go on a date later."

Xiao Tian behaved normally while Xi Xingyi giggled happily.

"Sure. How about we go to Rainbow Garden later?" he had never visited Rainbow Garden with Xi Ran, so he wanted to spend time at Rainbow Garden with her.

"Alright." She agreed instantly.

Xi Xingyi suddenly brought her face closer to his right ear and whispered. "It takes thirty minutes to reach Rainbow Garden from this love hotel, but it's enough for quick sex."

The meaning of her words was clear.

She wanted to go for another round!

Xiao Tian instantly glanced at his MILF.

'This beautiful MILF wants to do it again, huh?'

He thought they would not do it again for today, but he was wrong.

She whispered and spread her pussy widely. "Hurry up and put it in, Xiao Tian. We must use the remaining time wisely."

Did he reject her wish?

Of course not!

His MILF was seducing him, so he allowed himself to be seduced by her.

Xiao Tian wasted no time and immediately sat between her flawless legs.

'My MILF is so lewd.'

He slowly thrust his erect cock into her wet vagina.

"Ahh..." Xi Xingyi covered her mouth and shut her eyes.

'His cock is spreading my pussy.'

She added in her mind.

"What are you doing now?" Xi Ran inquired.

"I'm working." After saying that, he whispered in Xi Xingyi's right ear. "Working on making a baby."

Xi Xingyi's eyes shone brightly.

'Yes. Let's make a baby now.'

She wrapped her legs around his waist as if she was preventing him from taking his cock out of her vagina.

At this moment, Xiao Tian remembered what had happened a few days ago. At that time, what Shi Fei did was similar to what Xi Xingyi was doing.

They even had sex when he was talking to Xi Ran over the phone.

Everything was the same.

That was why he suddenly remembered what he had done with Shi Fei a few days ago.

They talked for about ten minutes before Xi Ran finally hung up the phone. Xiao Tian immediately moved his waist faster because he did not need to hold back anymore.

"Ah...Ah...Ah..." Xi Xingyi did not hold back her wails.

"Bad lady. Why did you seduce me when I was talking with your daughter over the phone?" he inquired.

"Because it's exciting...Ah...Ah...Ah..." her pretty face turned lewd because his cock felt great in her vagina.

"Then I have to punish you harder now!" after saying that, he moved his waist faster.

Chapter 1552 Promise

7-8 minutes

A mature lady was lying on her back, naked.

Her flawless legs were wide open, and her pretty face had turned lewd. Her big breasts moved uncontrollably, and seductive wails came out of her little mouth.

Above her, an attractive young man was moving his waist continuously.

His eyes were locked on the mature lady's fascinating face, and a satisfied smile could be seen on his handsome face.

Sex!

Yes, the duo was currently having sex in a missionary style.

These two people were none other than the famous Xiao Tian and his MILF, Xi Xingyi.

Previously, they only lay on the bed because they had just finished having sex. However, Xi Xingyi seduced him again when he was talking with Xi Ran over the phone.

As a good lover, he allowed himself to be seduced by her.

No!

Xiao Tian was a pervert, so he was easily seduced when she spread her vagina and showed it to him.

After all, he was a healthy young man.

No!

After all, he was a good lover, so it was normal.

"Ah...Ah...Ah..." Xi Xingyi continued to let out seductive cries, causing the flames of lust within Xiao Tian's body to grow bigger.

Xiao Tian stopped moving his waist and turned her body around.

His intention was clear.

He wanted to fuck her from behind.

Yes, doggy style.

He wanted to have sex in doggy style!

They had been doing it in a missionary style for several minutes, so he wanted to change position.

Did she reject it?

Of course not!

Be it missionary or doggy style, it still gave her pleasure, so she let him do whatever he wanted because what she had in mind was only one thing.

Pleasure!

"Ah...Ah...Ah...Xiao Tian, you are amazing. AH...AH...Ah...more...more...faster...faster..." Xi Xingyi's mind was already on cloud nine because he kept giving her pleasure.

Xiao Tian granted her wish.

He thrust his huge penis deeper and deeper.

At first, he wanted to use the energy of heaven and earth in his martial arts points, but he changed his mind because he was afraid that she could not endure it later.

But even so, his movements were fast because his speed was already in the category of the low-level grandmaster stage.

"Ah...Ah...Ah..." her head was on the pillow now because her hands could no longer support her body when he slid his penis in and out of her pussy faster.

'It feels great. It's amazing!'

She could not move her body anymore and only moaned.

Previously, they started having sex again when her body was still sensitive, so she felt immense pleasure.

The duo changed position again.

If previously they had sex in doggy style, they had sex in lotus style this time.

Xi Xingyi's body was already weak, so he placed his hands on her soft buttocks and moved her body up and down.

"Ah...Ah...Ah..." she wrapped her arms around his neck and leaned her head on his right shoulder.

After moving her body up and down for about two minutes, he suddenly stopped.

Xi Xingyi was startled.

She thought he wanted them to change position again, but she was wrong.

She was utterly wrong because he immediately sucked her neck hard when she was looking at him.

'Ah...he wants to give me a hickey again!'

Of course, she let him do whatever he wanted because she was fine with it.

First, it was not his first time giving her a hickey, and last, she could cover it with make-up.

Xiao Tian gave her two hickies before finally looking at her lewd face.

'What a lewd lady!'

He loved it when he saw her fascinating face because that meant she was satisfied with his performance.

"Xiao Tian, you are amazing! You are really amazing at sex." After saying that, she brought her face closer to his face before finally kissing him passionately.

Xiao Tian let her dominate the kiss because he wanted to move her body up and down again.

"Hmm...Hmm...Hmmm..." she could not moan clearly because she was kissing him passionately.

'It's amazing! I want to feel this pleasure every day.'

She really loved having sex with him because he was so amazing at sex.

He never disappointed her and always could satisfy her. She didn't expect to experience the greatest sex when she was in her forties.

"Ah...Ah...Ah..." she could no longer kiss him because the pleasure forced her to stop the kiss.

'Ran, you should have sex with him immediately. I'm sure you won't regret it.'

She suddenly wanted to have a threesome with her daughter and Xiao Tian.

"Ah...Ah...Ah..." like before, she wrapped her arms around his neck and leaned her head on his right shoulder.

*Five minutes...ten minutes...twenty minutes...

Without realizing it, they had been having sex for about twenty minutes.

At this moment, the duo had reached their limit.

"Xingyi, I'm cumming... I'm cumming!" he moved her lovely body up and down faster.

Like Xiao Tian, Xi Xingyi almost had an orgasm too.

'I'm cumming again...I'm cumming again...'

She did not say anything because her body was frail.

"I'm cumming..." the duo had an orgasm at the same time. "Huft...Huft...Huft..."

After letting out his white sperm deep inside her wet pussy, he embraced his MILF tightly.

'It was great!'

He was satisfied.

He was satisfied in both body and soul.

Of course, Xi Xingyi was also satisfied in both body and soul because she could have an orgasm.

The duo remained in the same position for more than thirty seconds.

After Xi Xingyi regained her strength, she cupped his handsome face and uttered, "You are amazing, my young boyfriend."

Xiao Tian smiled softly after she gave him a peck on the lips. "Thank you for the kiss and pleasure."

"You are welcome." She responded, "But I suddenly want to have a threesome with you and my daughter now."

The corner of his lips twitched. "Bad mother!"

"Can you find a woman like me? A lady in her forties but still looks like a woman in her twenties." She did not feel shy when she praised herself because what she said was the truth.

No one would be suspicious of her if she said she was in her twenties because she did look like a lady in her twenties.

Her flawless skin, her perfect body, and her beautiful face; everything about her was perfect.

This was the reason why he often mistook her for Xi Ran.

"I even help you to get my daughter. Aren't I perfect?" she inquired. "I'm sure it's very hard to find a woman like me."

"Yes, you are perfect. A perfect MILF." He stated.

"Xiao Tian, do you like a MILF?" she inquired, "Because most of your women are MILFs."

"I love MILF, but of course, they have to be beautiful MILFs." He loved MILF, but he only loved beautiful MILF.

She pulled his cock out of her pussy and lay on the bed. "I want to rest now."

At this moment, Xiao Tian finally remembered his promise to Xi Ran. "Xingyi, I forgot that I have to meet your daughter now."

"Just take a shower first. I want to rest now," she responded.

"Alright." After saying that, he headed to the bathroom.

After he took a shower, they left the love hotel. He went to Rainbow Garden while she went home.

'Fortunately, I arrived in time.'

He immediately called Xi Ran, asking for her location.

Chapter 1553 You Can Do It With My Mother

6-7 minutes

Rainbow Garden, Resting Building.

Xiao Tian and Xi Ran were currently in the resting building. Previously, they took a walk around the flower garden hand in hand for a few minutes.

They immediately headed to the resting building when they were tired.

She was currently sitting on his left side. She leaned her head on his left shoulder and held his left hand.

As for Xiao Tian, he looked at the beautiful view in front of him with a soft smile on his face.

He was thrilled.

He was delighted because he could spend time with his lover at a beautiful place like Rainbow Garden.

"Xiao Tian, my mother talked to me about living together with you yesterday." Xi Ran spoke abruptly.

"Your mother also told me about it earlier." He already knew about this because Xi Xingyi told him everything after they had wild sex.

"Are you mad at me?" she inquired.

"No. I can understand your feelings." Even though he wanted to live with Xi Xingyi and her, he accepted her decision.

"We just became a couple, so it's too fast for me." She told him the reason why she refused to live together with him.

"You don't need to worry about it." He smiled softly. "I will be waiting until you are ready."

"Thank you." She was relieved because previously, she was afraid that he would be angry at her.

"Oh, right. We still haven't taken a picture yet. Do you want to do it now?" she always took a picture of them whenever they were on a date, so he wanted to know whether she wanted to take a photo of them or not.

"Let's take a picture now." after saying that, she took her smartphone out of her bag.

*Click...

The sound of the camera could be heard in their ears.

Like usual, the result was good.

The duo was satisfied because they looked good in the photo.

At this moment, Xiao Tian suddenly wanted to take an intimate picture. "Ran, let's take another photo."

"Alright." Of course, she did not know what he had in mind because she was not good at reading people's minds.

Previously, they took a picture from their left side, so she wanted to do it from the front this time.

"1...2..." Xi Ran began counting to three. "3..."

However, right before she took a picture of them, he did something to her.

He kissed her right cheek!

Xi Ran was startled.

Did she hate it?

Of course not!

Until now, they only took normal photos.

Sure, the results of the photos were amazing, but she felt something was missing.

It was like a tree without fruit, not complete!

That was why unexpected happiness consumed her when he suddenly kissed her right cheek.

Xi Ran immediately checked the result.

She liked it.

She was satisfied because they looked like a couple who were deeply in love in that photo.

'The result is good.'

She stared at him before finally showing him the picture.

"It's our first intimate photo." She stated.

"And the result is good." He responded, "Maybe we should take intimate photos more often from today onwards."

Xi Ran returned her attention to the picture on her smartphone.

'Take intimate photos more often? What kind of intimate photos does he want to take with me?'

Her face suddenly turned red because scenes of lewd photos suddenly appeared in her mind.

"What's wrong, Ran?" he was surprised when her face suddenly turned red like that.

'What is she thinking about?'

He believed he did not tease her, so he wanted to know the reason why she suddenly felt shy like that.

To his surprise, Xi Ran suddenly said something shocking. "Xiao Tian, it seems like I have become a lewd lady."

"Lewd lady?" he finally understood everything. "Hehe. Did you think about lewd things just now?"

She nodded her head shily. "Scenes of lewd photos suddenly emerged in my mind after hearing your words."

She did not know why she told the truth like that. At first, she wanted to hide it, but the words suddenly came out of her little mouth.

"Pffttt!" he could not help but burst into waves of laughter. "Hahaha."

Her words were funny.

Even though she often put on a poker face, but her words and actions always surprised and entertained him.

Sure, it was challenging to read her mind, but she always told him the truth, so he rarely had a difficult time understanding her.

He stopped laughing. "Ran, when I said I wanted to take intimate photos with you, I did not have any dirty mind."

He then continued, "It's like I want to take a photo when I hug you or when I kiss your hand. Those kinds of intimate photos, not lewd ones."

"I see." She suddenly felt bad for thinking something lewd because he did not think like that.

'It seems like the words of a proverb are true. The apple doesn't fall far from the tree.'

Her mother turned into a lewd lady after becoming his girlfriend, and there were already signs of her becoming a lewd lady too.

She even thought there was a possibility of her becoming a lewd lady like her mother in less than six months.

Xiao Tian suddenly wanted to tease her after seeing her expression. "Ran, how about we take lewd photos later?"

Xi Ran was shocked.

She stared at him before finally looking towards the front, trying to avoid his gaze. "You can do that with my mother. I'm sure she will grant your wish."

"But I only want to do it with you." He pretended as if he really wanted to take a lewd photo with her. "Can you grant my wish?"

"What kind of photo do you want?" she inquired.

Xiao Tian was stunned.

Even though she did not say yes, but her words sounded like she would grant his wishes if it were not too lewd.

"How about a photo of us hugging in our birthday suits?" he continued teasing her.

'I wonder what her answer would be.'

He added in his mind.

Chapter 1554 Hmm?

6-8 minutes

"How about a photo of us hugging in our birthday suits?" he continued teasing her.

He rarely teased her because she always put on a poker face, and they were not a couple at that time.

Now that the opportunity to tease her had appeared, he did not let the chance to tease her slip away.

Xi Ran was stunned.

'He wants to take a picture of us hugging without clothes?'

Sure, she told him that she imagined lewd things earlier, but it was because he said something related to lewd things.

'How should I answer his question?'

Of course, she still remembered that she had done many lewd things with him before.

First, they had already had sex once. Second, they had a passionate kiss at Hang River. And last, she had let him suck and lick her breasts a few days ago.

Her mother even caught them when they were doing lewd things. However, all of them had nothing to do with lewd photos.

She kept thinking of ways to answer his question.

'I will do that.'

With that idea in mind, she sat between his legs with her back facing him.

"My mother and Nichang always said you were a pervert." She spoke and paused for a second before she continued, "Now I know that you are indeed a pervert."

Xiao Tian tried his best not to laugh.

'Even though it's challenging to read her mind because of her poker face, but she always entertains me whenever I'm with her.'

He did not defend himself because he was indeed a pervert.

"Xiao Tian, let's do everything step by step." She still did not realize that he was only teasing her.

"Haha." He could not hold back his laughter anymore. "Ran, I was only teasing you. Why did you take my words seriously? Haha."

"Because you are a pervert." She had seen him doing lewd things with her mother a few times.

She even had seen him having sex with her mother before. At that time, she was not his lover, so her actions were bad in her eyes.

"Well, I'm indeed a pervert." After saying that, he wrapped his arms around her slender waist. "Ran, let's take a picture again."

"Alright." She agreed instantly.

They took a picture with his smartphone this time.

They took several photos this time, and two of them were quite romantic; he kissed her cheek and vice versa.

Previously, he wanted to kiss her lips when she was taking a photo of them, but he changed his mind because he believed it was too fast for her.

'It's really good.'

She was currently checking out the photos.

She loved all the pictures, especially a photo when he kissed her cheek while embracing her from behind.

It was really romantic.

It was perfect.

Ten out of ten!

That was why she immediately sent the photo to her smartphone.

'Should I use this photo as wallpaper?'

Due to how amazing the photo was, she suddenly wanted to use it as wallpaper on her phone.

"Ran, we have a lot of photos together now. Do you want to print it?" he inquired.

Xi Ran turned her head to look at him.

It was true that they had a lot of photos together now, but all of them were only on her smartphone.

That was why she agreed with his idea. "Alright."

The duo went to her house to print all the photos.

Xi Ran's House, Family Room.

Xiao Tian and Xi Ran were currently sitting on the couch. He was watching a movie while she was checking all the photos.

Previously, they printed all the pictures and put them in a photo album. She felt a glimmer of happiness when she was checking the photos.

A soft smile spread across his face when he saw her happy face. "It seems like you really like the result."

Xi Ran turned her head to look at him.

'I should not ignore him.'

With that idea in mind, she put the photo album on the table and hugged his right arm.

Xiao Tian smiled softly.

He kissed her hair before finally watching a movie again.

However, he returned his attention to her because she kept looking at him. "What's wrong?"

She gave him a sign to kiss her.

Xiao Tian granted her wish.

He kissed her hair again.

However, Xi Ran gave him a sign to kiss her again.

He thought she wanted him to kiss her again because he only kissed her hair, so he kissed her forehead this time.

He smiled softly when she suddenly pouted her lips, asking him to kiss her tender lips.

Xiao Tian did not have a dirty mind because Xi Ran was not a lewd lady like her mother. He gave her a peck on the lips before finally smiling and watching a movie again.

However, Xi Ran was not satisfied.

For this reason, she kept looking at him and pouting her lips.

Actually, she only wanted him to press his lips against hers for several seconds, but he misunderstood her actions.

Xiao Tian immediately turned his body to face her. Without waiting for another second, he kissed her passionately.

He devoured her tender lips hungrily.

They were alone, so he did what he wanted without thinking twice.

He kissed her hungrily.

He squeezed her breasts and let the flames of lust within him take control of himself.

"Huft...Huft...Huft..." the duo looked into each other in the eyes.

A desire to kiss her hungrily appeared again when he looked at her beautiful emerald eyes.

'Ran...'

She was his lover now, so he did not need to hold back.

And like before, Xi Ran welcomed the kiss.

Actually, she had guessed that he would kiss her again because it was written on his face.

'We are alone now. Does he want to go all the way?'

She did not fight back when he pushed her down slowly.

Xi Ran was currently on her back with Xiao Tian on top of her. Like before, he was still kissing her passionately, exploring every inch of her mouth with his tongue.

The flames of lust had appeared in their bodies, so their behavior was getting wilder and wilder.

Xiao Tian stopped the kiss when Xi Ran was out of breath.

"Xiao Tian..." she wrapped her arms around his back.

At this moment, the flames of lust could be seen in her beautiful eyes, and her pretty face had turned lewd.

Any man who saw her would be seduced immediately because her lewd face gave off a seductive aura.

Yes, she was like a succubus queen at that moment!

Xiao Tian was a pervert, so he was seduced by her easily.

No!

Xi Ran was his girlfriend, so he was seduced by her easily.

'It feels great!'

The duo was moving their tongues lewdly.

They had a passionate kiss longer than before, as if they could not live without kissing.

Xiao Tian sat up after stopping the kiss. He did not kiss her again because he wanted to do something more than kissing.

Xi Ran shifted her gaze to his face when he suddenly grabbed the hem of her T-shirt.

'It seems like we will go all the way today.'

Chapter 1555 Is He Teasing Me?

6-8 minutes

'It seems like we will go all the way today.'

Even though he did not say anything, but she knew what he wanted to do.

Xiao Tian was grabbing the hem of her T-shirt, so it was easy to know what he had in mind because she was already an adult.

Suck her breasts!

She believed he wanted to lick and suck her breasts!

Did she stop him?

Of course not!

They were a couple now, so it was normal to do adult things.

He had already licked her breasts before, so letting him do that again was not a big problem for her.

When Xiao Tian slowly lifted the hem of her T-shirt, she did not say anything or stop him.

Her actions showed one meaning.

He could do whatever he wanted!

Even though he had licked and sucked her breasts before, but his heart suddenly beat in excitement as if he was about to open a big gift.

Xi Ran's flat and beautiful belly was slowly visible to his eyes.

He lifted the hem of her T-shirt slowly because her flat belly caught his attention. Sure, all of his women had flat bellies, but he felt like her belly was beautiful and unique.

Xi Ran shifted her gaze to her belly before returning her attention to his face again.

She liked it.

She loved it when he was charmed by her beautiful belly because it showed one meaning.

Her body was amazing in his eyes!

'I'm glad I always maintain the shape of my body.'

Like before, she still paid attention to him because she wanted to see his reaction when he saw her sexy purple bra.

And his reaction made her smile softly.

She was delighted when she saw his expression.

'He is taking off my T-shirt.'

She cooperated when he was trying to take off her T-shirt.

After he placed her T-shirt on the table, she spread her arms widely. "Xiao Tian..."

She wanted him to kiss her passionately before she let him play with her breasts because she wanted to calm her heart first.

Yes, she was a little nervous!

Sure, she behaved normally on the surface, but her heart beat fast, and she felt a little nervous.

She would feel shy if he knew about it. That was why she asked for a kiss because it could help her calm her heart.

When she was no longer nervous, and her heartbeat had returned to normal, she stopped the kiss and gave him a sign to continue what he did before.

Even though she did not say anything, but he understood what she wanted. He wasted no time and immediately grabbed her sexy bra.

Xi Ran was wearing a front clasp bra, so it was effortless for him to unhook her bra.

To his surprise, Xi Ran suddenly covered her breasts with her right arm. Of course, she could not cover her breasts completely because her boobs were quite big.

'Why am I covering my breasts? He has seen my breasts twice, so isn't that meaningless? And I'm his girlfriend now, so I should not cover my boobs.'

Actually, she covered her breasts in reflex.

She did not try to stop him or something like that because her instinct kicked in when he unhooked her bra.

Of course, Xiao Tian understood it.

'She is feeling shy.'

He smiled softly.

'Cute.'

He kissed her forehead and grabbed her right hand.

He could remove her right arm from her breasts easily because she did not try to fight back.

'She is really the splitting image of her mother.'

Xi Ran's body did look like Xi Xingyi's body, so he felt familiar when he saw her body because he had already had sex with Xi Xingyi many times.

He did not take off her bra and only unhooked it. It was a front clasp bra, so he could play with her breasts without removing it.

Xi Ran stared at Xiao Tian intently.

'Even though we have done this before, but I still feel shy.'

She felt shy when Xiao Tian kept looking at her breasts.

'Is he teasing me again?'

She turned her head to the other side, trying to hide her shyness.

Actually, Xiao Tian was not teasing her. He was only surprised because Xi Ran's body looked like Xi Xingyi's.

Of course, Xi Ran's body was better because Xi Ran's age was half of Xi Xingyi's.

However, it was challenging to tell the difference if he did not pay attention to their bodies carefully because their body did look the same.

This was the main reason why he often mistook Xi Ran for her mother. He even did not know who she was when he sucked and licked her breasts in Xi Xingyi's room.

At first, Xi Ran thought Xiao Tian would lick her breasts immediately, but she was wrong because he kissed her passionately again.

He kissed her forehead, nose, and lips before finally having his way down to her breasts.

Actually, his heart was throbbing with excitement.

When they had sex in the abandoned house, it was because of the aphrodisiac. And when he licked her breasts in Xi Xingyi's room, it was because he mistook her for Xi Xingyi.

In other words, this was their first time doing adult things under normal circumstances!

They were not under the influence of an aphrodisiac or in a situation where he mistook her for his mother.

They were aware of who they were!

This was the reason why he was excited.

Like Xiao Tian, Xi Ran was also excited. Due to how excited she was, her heart even beat fast again.

'I hope he play with my right breast first.'

She did not want him to know that her heart was beating fast, so she hoped he would play with her right breast first.

And God granted her wish because Xiao Tian only squeezed her left breast.

'Ahh.'

She felt as if electricity was running through her body when her right nipple came into contact with his mouth.

'He is so skilled at licking and sucking my breasts.'

She tried her best not to moan.

'Ah... what is this? This is different from when we did it in my mother's room.'

She felt the pleasure he gave her was more amazing than when they did it in her mother's room.

'Ah...Ah...'

The longer she saw him licking and sucking her right breast, the bigger the flames of lust within her became.

Her mouth was open, and her breath was getting shorter and shorter. Of course, she tried her best not to moan.

Despite trying her best to hide everything, she could not stop her love juices from coming out of her pussy.

There was a wet spot on her sexy panties now, but Xiao Tian did not know about it because he was focused on her breasts.

'Is this what my mother and Nichege feel when they do adult things with him?'

She suddenly understood the reason why her mother often told her to have sex with Xiao Tian.

He only played with her breasts, but the pleasure she felt was already amazing.

'Ahh...'

She bit her right index finger, trying her best not to moan.

As the duo was enjoying themselves, a voice suddenly rang out. "Can I join too?"

Chapter 1556 Can I Join Too?

6-8 minutes

As the duo was enjoying themselves, a voice suddenly rang out. "Can I join too?"

Xiao Tian and Xi Ran were stunned.

'Hmm?'

They turned their heads toward the source of the sound.

'Xingyi?'

They were enjoying themselves, so they did not realize that Xi Xingyi was standing next to them.

"Xingyi?" Xiao Tian stopped what he was doing and sat up.

He was not panicked and behaved normally because Xi Xingyi was also his woman.

No!

Xi Xingyi always told them to have sex, so he acted normally because he believed this was what she wanted.

"Hehe. Both of you were so focused on doing lewd things, to the point you two did not realize that I was here." Even though she saw them doing adult things in the family room, Xi Xingyi did not mind it; instead, she was happy.

She was delighted because this was a sign that she could achieve her dream soon. And her dream was to have a threesome with Xiao Tian and her beloved daughter.

Xi Ran instantly sat up.

She immediately covered her breasts with her right arm.

Her mother caught them when they did adult things in her mother's room. She just did not expect her to catch them doing adult things again.

However, she was not as shy as when her mother caught them for the first time because she was Xiao Tian's lover now.

Xi Xingyi shifted her gaze from Xiao Tian to her daughter. "Ran, you don't need to feel shy because we are his women. It's normal to do adult things with him, so just act normally."

Even though Xi Xingyi said something like that, but Xi Ran still felt shy. Sure, they were his women, but Xi Xingyi was her mother.

"Why did you stop?" Xi Xingyi inquired.

"You can take my place if you want." Xi Ran did not run to her room like what she did last time because, in her view, there was no point in doing that.

"But I want the three of us doing adult things together." after saying that, Xi Xingyi looked at Xiao Tian. "Xiao Tian, you can continue now."

Xiao Tian looked at Xi Ran.

When he saw her putting on her T-shirt, he knew that he could not have sex with her today.

Was he angry at Xi Xingyi?

Of course not!

Xi Xingyi was his girlfriend, so he would not get mad at her over a small thing like that.

He also believed he could have sex with Xi Ran later. It was only a matter of time. And after remembering what they had done lately, he believed it would happen soon.

"Come here, my bad MILF. I have to punish you now." Xiao Tian tapped his thighs.

Xi Xingyi wasted no time and immediately sat on his lap, facing him. "I'm indeed a bad MILF, so feel free to punish me."

Xiao Tian did what he was told.

He punished her.

He cupped her pretty face before finally devouring her tender lips.

Even though her daughter was sitting next to her, Xi Xingyi did not feel shy.

Xi Ran was also his girlfriend, and she had seen them doing adult things before, so there was no point in feeling shy.

When Xiao Tian and Xi Xingyi were having a deep kiss, Xi Ran kept stealing glances.

'What a lewd couple!'

Even though she said something like that in her mind, but she suddenly wanted to have a deep kiss with him as well.

She felt immense pleasure before her mother disturbed them, so she wanted to feel that feeling again.

Of course, she did not say it and only stole glances at them.

'I will just watch a movie.'

She could not focus on watching a movie because Xiao Tian and her mother had a passionate kiss next to her.

Xi Xingyi and Xiao Tian knew that Xi Ran kept stealing glances at them, but they kept moving their tongues lewdly.

"Huft...Huft...huft..." Xi Xingyi stopped the kiss when she was out of breath.

At first, she wanted to kiss him again, but she changed her mind. She suddenly turned around, sitting between his legs with her back facing him.

"Oh, I like this movie!" Xi Xingyi stated.

Xiao Tian turned his head to look at Xi Ran. He did not say anything, but he gave her a sign to sit close to him.

Xi Ran did what he wanted.

She sat close to him.

Not only that, but she also held his right hand.

When Xiao Tian showed his soft smile, she was stunned.

Her heart beat fast again.

The desire to lovey-dovey with him appeared again.

The desire grew bigger every second, especially when she remembered what they had done before.

Like Xi Ran, Xiao Tian also felt the same.

For this reason, he brought his face closer to hers.

Sure, Xi Xingyi was sitting between his legs, but it did not stop him from kissing Xi Ran.

In less than four seconds, their lips met.

They kissed again.

Xi Ran slowly closed her eyes, trying to enjoy the kiss.

Xi Xingyi still had not realized what they were doing because she was focused on watching a movie.

At first, Xiao Tian wanted to stop the kiss, but he changed his mind. The memory of them kissing passionately suddenly appeared in his mind, so he decided to do that again.

Xi Ran suddenly opened her eyes.

She was shocked.

Her mother was sitting between his legs, so she did not expect him to try to kiss her passionately.

Did she reject to kiss?

Of course not!

She also desired to have a deep kiss with him, so she slowly opened her mouth and welcomed his tongue with hers.

"Hehe." Xi Xingyi giggled cutely when Xiao Tian's left hand went under her T-shirt, squeezing her left breast directly.

'Having a pervert boyfriend is hard.'

But even so, she was pleased because her forty-five years old body could attract her young boyfriend.

"Hehe. Xiao Tian, you pervert! I'm watching a movie right now, so you sho-"Xi Xingyi stopped her words halfway when she found out what he was doing with Xi Ran. "Hehe. What a pervert couple!"

At first, Xi Ran wanted to stop the kiss because her mother saw what they were doing, but her body did the opposite.

She kept moving her tongue lewdly!

She did not stop the kiss as if she could not live without kissing him.

Like Xi Ran, Xiao Tian also could not stop kissing her. He felt as if something forced him to keep kissing her.

As Xiao Tian was kissing Xi Ran passionately, he kept squeezing Xi Xingyi's left breast.

Yes, he was doing multitasking!

Xi Xingyi stopped looking at them and returned her attention to the movie again.

' Maybe he is a pervert king now.'

Even though her young boyfriend was squeezing her left breast, she could still watch a movie.

"Huft...Huft...Huft..." Xi Ran stopped the kiss when she was out of breath.

Xiao Tian kissed Xi Xingyi's hair after Xi Ran stopped the kiss. If previously he only squeezed her left breast, he squeezed both of her boobs this time.

As he was enjoying his MILF's breasts, Xi Xingyi did something shocking.

Chapter 1557 I Can't Believe It

6-7 minutes

'He is squeezing both of my breasts now.'

Of course, Xi Xingyi let him do whatever he wanted.

At first, Xi Xingyi could still watch a movie, but the flames of lust slowly appeared in her body.

'I'm horny.'

She turned around, facing him.

Xiao Tian was startled.

He removed his hands from her breasts and looked at her.

When he was about to say something to her, she did something shocking.

She took off her T-shirt!

Not only that, but she also removed her red bra, showing her beautiful big breasts.

"Here, the breasts you love so much." Xi Xingyi was horny, so she took off her bra and T-shirt without thinking twice.

Xi Ran opened her mouth in surprise.

Sure, she had seen her mother having sex with Xiao Tian before, but she should feel shy doing something like that.

Xi Xingyi grabbed her right breast and pointed it toward Xiao Tian, "Xiao Tian, here."

Xiao Tian came to his senses.

Did he reject her wish?

Of course not!

He loved her breasts.

No!

Her MILF asked him to suck and lick her breasts, so he should grant her wish because it was his duty to make her happy.

Xi Xingyi's face turned red.

She felt excited when he began sucking and licking her right breast.

'My pervert boyfriend is enjoying my breasts.'

She shifted her gaze from Xiao Tian to her daughter.

"Ran, do you want to try too?" Xi Xingyi did not feel shy when she offered her daughter to suck and lick her breasts.

Xi Ran was stunned.

She found it hard to believe what she was hearing.

Sure, they were Xiao Tian's women, but her mother should not offer her to lick and suck her breasts.

After all, she was her daughter.

She was already an adult, so her mother should not ask her to do something like that.

"Ran, you can suck my other breast if you want." Like before, Xi Xingyi did not feel shy.

"Mother, I'm your daughter, and I'm already an adult, so you should not say something like that." Xi Ran refused instantly.

"Why? I used to breastfeed you every day." Xi Xingyi responded, "You were even still breastfeeding when you were seven years old."

"I'm not a kid anymore." Xi Ran still refused.

"Xiao Tian, are my breasts delicious?" Xi Xingyi inquired.

Xiao Tian stopped licking Xi Xingyi's left nipple and responded, "Delicious!"

"See? It's delicious! Don't you want to try it again?" Xi Xingyi still offered her daughter to suck her breasts.

Xi Ran did not answer her mother's question.

However, she kept looking at Xiao Tian, who sucked and licked her mother's breasts.

'Both of them are perverts!'

She tried to watch a movie, but she could not focus, especially when her mother kept letting out seductive moans.

"I will go to my room." Xi Ran was still not ready to do adult things with Xiao Tian and her mother, so she decided to go to her room.

Xiao Tian and Xi Xingyi looked at her.

They were not surprised because they had guessed something like this would happen.

Xi Xingyi returned her attention to her young boyfriend. "Let's continue."

"Can you stand up for a second? I want to take off my trousers now." he inquired.

Xi Xingyi's eyes shone brightly.

The meaning of his words was clear.

He wanted to have sex with her!

Xi Xingyi also could not hold back her lust, so she instantly stood up.

Happiness danced through her thoughts after he pulled down his trousers to his feet.

The reason was simple.

It was because his penis was already erect.

In other words, he was ready for the main dish!

Xi Xingyi's vagina was already wet because they had done adult things earlier, so they did not need to do foreplay.

Xi Xingyi positioned his cock at her vaginal opening before finally lowering her body.

"Ahh..." she could not help but moan when his penis slowly entered her wet vagina.

At first, she wanted to move her waist up and down immediately, but she changed her mind and kissed him passionately again.

Xiao Tian knew what she wanted, so he immediately put his hands on her soft ass and moved her body up and down.

As Xiao Tian and Xi Xingyi were having sex in the family room, Xi Ran lay on her bed, staring at the ceiling.

'They are having sex again.'

At this moment, she suddenly remembered her mother's words before going to her room.

'How could she say something like that to me? I know we are his women now, but we are a mother and daughter. She should not say something like that. It's taboo.'

She still could not believe that her mother offered her to lick her breasts.

'Does she want to do it with Xiao Tian and me so badly?'

She was fine if Xiao Tian wanted to have sex with her.

She even would not refuse if he wanted to have a threesome with her. However, she did not want to have a threesome with him and her mother.

It would cross the line!

And she did not want it to happen.

She even could not imagine it. This was the main reason why she decided to run away earlier.

'But she will be sad if I keep refusing her wish.'

She believed her mother would be sad if she kept refusing her mother's wish because her mother looked excited earlier.

'But isn't it weird for two women to kiss each other or do adult things together?'

She suddenly remembered what she had done with Xiao Tian in the family room.

'Mother, you should not disturb us earlier!'

She blamed her mother for disturbing her because she felt immense pleasure earlier.

'If only my mother did not disturb us earlier....'

She could not believe what she had in mind.

'Sigh. I really have become a lewd lady now.'

But even so, she did hope her mother would not disturb them earlier.

'I will just watch a movie.'

With that idea in mind, she turned on the TV, hoping it could calm her mind.

Chapter 1558 Are You Sure?

7-8 minutes

An attractive young man was sitting on the couch, naked.

His legs were wide open, and his black eyes were focused on the TV in front of him.

Between his legs, a gorgeous mature lady was wearing a lewd face.

Her right hand was playing with his balls while her pink tongue was moving on the tip of his cock skillfully.

Blowjob!

Yes, the mature lady was currently giving a blowjob.

Even though they were doing adult things and naked in the family room, none of them showed the slightest care about it.

These lewd people were none other than Xiao Tian and his beautiful MILF, Xi Xingyi.

Previously, they had sex in the family room after Xi Ran headed to her room. They stopped having sex after they were satisfied.

However, his penis was erect again shortly after that. That was why Xi Xingyi decided to give him a blowjob because she was a good lover.

Even though Xi Xingyi was giving him a blowjob, Xiao Tian could still behave normally. "Xingyi, are you sure you don't want to talk to your daughter?"

Xi Xingyi pulled his penis out of her little mouth and responded, "Talk about what? Xiao Tian, It's fine. You don't need to worry about it."

She put his penis into her little mouth and sucked his cock hungrily again. His huge penis was delicious, so she did not want to stop sucking and licking it.

Xiao Tian looked at his MILF before finally smiling and pinching her right cheek. "You are indeed a lewd MILF. Your daughter is in her room and here, you are sucking my cock hungrily."

Like before, Xi Xingyi pulled his penis out of her mouth again. "Xiao Tian, stop disturbing me. Let me eat my sausage in peace. Just watch the movie and focus on it."

The corner of his lips twitched.

'You are licking and sucking my penis, not eating a sausage.'

He let her do whatever she wanted and watched the movie.

Xi Xingyi licked and sucked his penis hungrily again. She was now skilled at giving a blowjob because she often sucked and licked his penis.

'He has reached his limit.'

She moved her head back and forth faster and faster.

'Hurry up and let it out. I want to drink it.'

It had been quite a while since the last time she drank his sperm, so she suddenly wanted to drink it again.

Xiao Tian could not focus on the movie because he had reached his limit. "Xingyi, I'm cumming...."

She widened her eyes when he shot his sperm into her mouth.

'It's coming into my mouth....'

She did not immediately pull his penis out of her mouth; instead, she played with his balls, trying to suck out all the sperm in his testicles.

After he let out all his sperm, she opened her mouth, showing his sperm. "Xiao Tian..."

He smiled and kissed her forehead. "You look beautiful with my sperm in your mouth."

He liked it.

He loved seeing his women with his sperm in their mouths because it showed one meaning.

They loved his sperm!

*Gulp...

The sound of her drinking his sperm could be heard in their ears.

"Delicious!" she smiled happily after drinking his sperm.

She lay on the couch after that, looking at his handsome boyfriend.

'I want to feel that pleasure again.'

With that idea in mind, she decided to seduce her young boyfriend again.

She bent her legs and spread her pussy. "My young boyfriend, do you want to go for another round?"

Xiao Tian was shocked.

'It seems like having a pervert lover is hard.'

He smiled softly before finally thrusting his penis into her vagina.

And the family room was filled with her cries again.

Xiao Tian's Mansion, Living Room.

After having sex with Xi Xingyi, he went straight home. At first, he wanted to spend time with Mu Ai, but she was sleeping, so he changed his mind.

*Knock...Knock...Knock...

He knocked on Feng Yu's door.

"Feng Yu, are you there?" he inquired.

"The door isn't locked." her voice rang out from the opposite side of the door.

He did not close the door and walked toward her.

'She is studying again.'

He saw her studying at her desk.

He sat next to her and inquired, "What are you studying about?"

"I'm not studying. I'm doing homework and it's a Japanese homework." She responded without looking at him.

His eyes shone brightly.

'It's a good opportunity to win her heart.'

He was good at the Japanese language, so he wanted to use it to win her heart.

"Do you need my help?" he asked, "I'm good at Japanese language."

"I don't need your help." She continued doing her homework.

He was not disappointed and kept sitting next to her, hoping she would need his help later.

And as if God was touched by his determination to win her heart, Feng Yu could not translate a few sentences.

For this reason, she asked for his help. "Xiao Tian, can you help me translate these four sentences?"

Happiness danced through his thoughts.

'It's my time now!'

He looked at these four sentences.

He pointed his right index finger at the first sentence. "Kitahara Yuya fell from his bike because he did not pay attention to the road."

He began helping her with her homework. Not only that, but he also helped her answer all the questions on the next page.

At the same time, Lin Xing Xue stood in front of Feng Yu's room. Xiao Tian did not close the door earlier, so she could see what was going on.

'This is a good sign.'

Her face blossomed into a smile when she saw Xiao Tian and her daughter.

'I will bring snacks for them.'

With that idea in mind, she headed to the kitchen.

After preparing the snacks, she returned to Feng Yu's room. "Yu'er, Xiao Tian, I bring snacks for you two."

Xiao Tian and Feng Yu turned their heads toward her.

At first, he wanted to hug and kiss Lin Xing Xue, but he changed his mind. "Thank you."

After finishing her homework, Feng Yu did not stop; instead, she continued studying. Xiao Tian was good at the Japanese language, so she wanted him to help her with her study.

Lin Xing Xue, who was sitting on the edge of the bed, looked at the duo. A happy smile never left her pretty face because she liked what she was seeing.

It was very rare for Xiao Tian and her daughter to be close like that, so her heart was filled with happiness because of that.

After Feng Yu finished studying, the trio watched a movie together. They sat on the bed with their backs leaning against the headboard.

Even though they were watching Tom and Jerry, but they were delighted. "Hehe."

Without realizing it, it was already 10:15 pm. Feng Yu was sleepy, so she wanted to sleep.

The trio immediately lay on the bed with Feng Yu in the middle of them.

"Good night, mother." Feng Yu said.

Lin Xing Xue kissed her daughter's forehead and smiled, "Good night, Yu'er."

"Good night, Feng Yu." Xiao Tian looked at Feng Yu, hoping she would say good night to him.

To his surprise, Feng Yu said something shocking to him.

Chapter 1559 Qiao Luli

6-8 minutes

"Xiao Tian, when are you going to marry my mother?" Feng Yu threw a shocking question.

Xiao Tian and Lin Xing Xue were stunned.

'Marry?'

They looked at each other before finally shifting their gaze to Feng Yu.

"You two have been together for more than a year now." Feng Yu told him the reason why she asked that question. "I know you are still young, but my mother is already old."

"I'm not old! I'm still young." Lin Xing Xue disliked it when her daughter said she was old.

Sure, she was already in her early thirties, but she was still young. She also believed she could still get pregnant.

She and the others lived a healthy life every day, so her body was still good.

"Feng Yu, getting married is not an easy thing. We need to think about many things before getting married." Xiao Tian told Feng Yu the reason why he still had not married all his women.

Feng Yu looked at him and her mother. "Forget it. I want to sleep now."

She knew she could not force him to marry her mother immediately, so she decided to sleep.

Xiao Tian and Lin Xing Xue let out a sigh of relief.

Because Feng Yu was sleepy, it did not take long for her to fall asleep.

'She has fallen asleep.'

Lin Xing Xue smiled and kissed Feng Yu's forehead.

'Hmm?'

She was a little shocked when Xiao Tian suddenly got out of bed.

'Does he want to go to his room?'

She thought they would sleep in Feng Yu's room, but she knew she was wrong.

"Xiao Tian, do you want to go to your ro-" she stopped her words halfway when he suddenly carried her in a princess style.

"My princess, let's go to your room now." Xiao Tian did not wait for her answer and immediately walked out of Feng Yu's room.

"I thought we would sleep in my daughter's room." Of course, she was not disappointed.

"We will sleep in her room next time." He responded, "I want lovey-dovey with you now."

"Are you sure you are not using the wrong words? You mean you desire to have sex with me, right?" she thought he wanted to have sex with her, or else there was no way he would carry her to her room.

He wanted to cry after hearing her words. Sure, he admitted that he was a pervert, but he did not always have dirty thoughts.

"Hehe." She giggled cutely when she saw his expression. "Cute!"

After entering her room, he closed the door by kicking it. He was carrying his lover, so he could not use his hands.

No!

He was too lazy to use his hands, so he used his foot.

After putting her on the bed, he immediately lay on his back. "Today is a good day!"

He had a good time with Feng Yu earlier, so he was delighted.

'Feng Yu, I will win your heart someday!'

The expression of deep shock blossomed on his face when he saw Lin Xing Xue taking off her clothes.

"What are you doing, my love?" he inquired.

"Taking off my clothes." She responded, "Don't you want to have sex with me?"

Black lines formed on his forehead.

'She really thinks I want to have sex with her!'

He was at a loss for words.

"Hmm? You really don't want to do it with me? Should I put on my clothes now?" she inquired.

A burning flame suddenly appeared in his eyes. "No! let's do it now."

"Hehe." She giggled when she saw him taking off his clothes in a hurry.

And soon, her room was filled with her moans.

The following morning, Xiao Tian traveled to his Eternal Group after having breakfast.

To his surprise, Xing Juzong came to his company. He invited Xiao Tian to check the progress of their projects.

They continued their collaboration because they always got a lot of profit every time they worked together.

The duo was currently in the rural area of the Jiazu district. They surveyed the area because they wanted to build a hospital for middle-class and lower-class people.

On their way home, something unexpected happened.

The car tire was punctured!

Luckily, they saw a tire repair not far from them.

The duo immediately pushed their car to the tire repair and asked them to fix it.

However, something unexpected happened again.

Xiao Tian saw a young woman being tied to a chair when he was on his way to the bathroom!

The young woman was about seventeen years old. She had silver hair and green eyes. He believed she was a local from her clothes.

And the fight finally broke out.

When Xiao Tian was fighting against one of them, Xing Juzong also faced the same situation.

However, Xiao Tian and Xing Juzong could defeat their enemies easily because they were powerful martial artists.

The young girl thanked them for saving her and introduced herself. She said her name was Qiao Luli from Solaris Village.

The ones who kidnaped her were people from Sanlow Village. Their villages had been fighting for about thirty years.

Xiao Tian and Xing Juzong were able to repair car tires because there were tools to help them.

They decided to send Qiao Luli back to her village. Her village was located in the southern part of the Jiazu district.

Because her village was in a rural area, the road was bad. Luckily, Xing Juzong's car was high, or else they would not be able to use their car because the potholes were deep.

Not only that, but the road was also small. It did not even fit two cars side by side. After driving for about thirty minutes, they finally reached Solaris Village.

Solaris Village was enclosed by a wooden fence. There were two mountains on the right side of the village and a high waterfall on the other side.

The view in the village was beautiful, and the air was fresh. Xiao Tian and Xing Juzong smiled when they saw Solaris Village.

When their car was at the entrance, eight people stopped them. These eight people held weapons in their hands and put on wary faces.

"Stop!" the red-haired man pointed his golden spear at Xing Juzong's car.

That mature man was Tan Zemin, the village guard captain.

Qiao Luli rushed toward Tan Zemin after Xing Juzong stopped his car. "Uncle Zemin!"

"Luli?!" Tan Zemin and the others were startled when they saw Qiao Luli.

"Luli, why are you with them? Who are they?" a young man about twenty years old inquired.

The young man had black hair and red eyes. His name was Huang Hu, the most talented martial artist in the younger generation.

Xiao Tian and Xing Juzong walked out of the car.

Huang Hu and the others instantly changed their positions to fighting poses.

The reason was simple.

Xiao Tian was wearing a mask!

They thought Xiao Tian was enemy, so they were ready to fight.

"What are you guys doing? They are not enemies. They were the ones who saved me from the people of Sanlow Village." Qiao Luli did not want them to fight Xiao Tian and Xing Juzong.

"You! Who are you? Why are you wearing a mask?" Huang Hu threw a question at Xiao Tian.

Chapter 1560 Solaris Village

7-8 minutes

"You! Who are you? Why are you wearing a mask?" Huang Hu threw a question at Xiao Tian.

Despite hearing Qiao Luli's words, he still saw Xiao Tian as his enemy because Xiao Tian was wearing a mask.

He suspected Xiao Tian was a spy sent by Sanlow village because their villages had been fighting for thirty years.

"I'm Qing Feng." Xiao Tian used his fake identity.

Of course, Huang Hu and the others did not know who Qing Feng was because their village was far from the city, and none of them had a television.

"Take off your mask now!" Huang Hu forced Xiao Tian to take off his mask because he wanted to see Xiao Tian's face.

"I can't do that." Xiao Tian refused without thinking twice.

"Hu, why are you acting rudely like this? They were the ones who saved me." Qiao Luli did not like Huang Hu's behavior.

"Luli, we don't know if they are good people or not." Huang Hu wanted to avoid inviting unknown people to his village because it was dangerous.

"He is right, Luli. Maybe they are people sent by Sanlow village." One of the village guards uttered.

"Everyone, we are not from Sanlow village. I'm Xing Juzong from the Xing family. And he is my brother, Qing Feng." Xing Juzong hoped they knew about his family so that the misunderstanding could be resolved as soon as possible.

However, his hopes were shattered into pieces because none of them knew about the Xing family.

Tan Zemin paid attention to Xiao Tian and Xing Juzong carefully, trying to read their minds.

'Are they lying to us or not?'

He could not make a reckless decision because it could put everyone in danger.

"If you don't want to take off your mask, then I will do it by force." After saying that, Huang Hu rushed toward Xiao Tian, pointing his spear at his heart.

"Hu, stop!" Qiao Luli shouted.

Xiao Tian did not move from his position.

He stood calmly as if he knew nothing bad would happen to him.

'Mid-level master stage?'

He used the energy of heaven and earth to check Huang Hu's strength.

At the same time, an old man about fifty-eight years old saw them from afar. Actually, he saw everything from the beginning, but he did not stop Huang Hu.

The village guards paid attention to Huang Hu carefully. Huang Hu was the most talented young man in the younger generation, so they believed he could defeat Xiao Tian.

However, the reality was different from what they expected.

Xiao Tian could avoid Huang Hu's attack easily!

He moved to the left before finally grabbing Huang Hu's spear and kicking his mid-torso.

Bang!

Huang Hu lost his grip when Xiao Tian kicked him.

"My spear!" Huang Hu gritted his teeth when he saw Xiao Tian holding his black spear.

The village guards were startled.

'What?!'

They did not expect Xiao Tian to snatch Huang Hu's spear easily.

"This spear is not bad!" Xiao Tian played with Huang Hu's spear.

Even though he was not good with the spear, but he knew one or two spear tricks.

"Here, take back your spear." Xiao Tian threw the spear at Huang Hu.

Huang Hu was stunned.

'He gives back my spear?!'

Did he thank Xiao Tian for returning his spear?

No!

Instead, he attacked Xiao Tian again.

He still suspected that Xiao Tian was a spy, so he was not touched by Xiao Tian's actions.

"Leave my village, spy!" Huang Hu rushed toward Xiao Tian again.

However, when Huang Hu was close to Xiao Tian, a voice suddenly rang out. "Hu, stop!"

Huang Hu stopped and turned his head toward the source of the sound. Of course, he knew who told him to stop attacking Xiao Tian.

"Village head."

"Village head."

"Village head."

One by one, the village guards greeted the old man who was walking toward them.

Xiao Tian looked at the old man.

'Village head?'

He saw an old man with white hair and green eyes.

Even though he was already old, but his body was still full of vitality, like Xing Hanxian and Zhao Chen.

That old man was none other than Wu Lei, the village head.

Wu Lei stood in front of Xing Juzong and uttered, "You said you were from the Xing family, right? Who is Xing Hanxian to you?"

Xing Juzong was startled. "He is my grandpa. Elder, do you know my grandpa?"

"We fought enemies together several times in the past." Wu Lei responded. "Xing Hanxian is an upright man, so I will believe your words."

Xing Juzong let out a sigh of relief because the misunderstanding was finally resolved.

Wu Lei shifted his gaze from Xing Juzong to Xiao Tian. "Why are you wearing a mask?"

"Elder, I have a reason for wearing a mask. I hope you understand it." Xiao Tian also felt relieved because he did not want to continue a pointless fight.

"Elder, he is my brother. I assure you with my life that he is not from Sanlow village." Xing Juzong knew Wu Lei still did not believe Xiao Tian completely.

Wu Lei turned around and spoke, "Follow me. Let's talk in my house."

"Village head!" Huang Hu was against the idea of letting Xiao Tian and Xing Juzong enter their village.

Tan Zemin grabbed Huang Hu's right shoulder and shook his head. "Stop it. Village head has invited them, so we have to respect his decision."

Huang Hu looked at Xiao Tian and Xing Juzong. "Tch!"

They immediately headed to Wu Lei's house. On their way to his house, Xiao Tian and Xing Juzong saw many people practicing martial arts.

Even kids also practiced martial arts.

'Hmm? The kids are also practicing martial arts?'

They were stunned.

'Is this a martial arts village?'

That was the question that appeared in their minds.

There were two instructors teaching them martial arts. The blue-haired instructor was teaching the kids, while the black-haired instructor was teaching the adults.

When Wu Lei saw Xiao Tian and Xing Juzong, he immediately said, "You two already know what is going on in our village. We can meet our enemy anytime and anywhere, so we have to learn martial arts to protect ourselves."

Even though Solaris village only had three hundred people, but all of them were martial artists, including the women.

Except for the kids, the weakest among them was at the Master stage. All of the instructors and some of the adults were even at the Grandmaster stage.

At this moment, Xiao Tian was a little down. Even though the weakest among his underlings was at the Master stage, but only Mu Huo was at the Grandmaster stage.

Of course, he believed his underlings would not lose to them because they had many tools that could help them in the fight, like poison needles, smoke bombs, etc.
