

Illicit 1571

Chapter 1571 Going To Solaris Village Again

Xiao Tian smiled softly when he saw their expressions.

'Cute!'

He knew something like this would happen, so he was not surprised.

"Xiao Tian?" Xi Xingyi and Leng Nichang said in unison.

He nodded his head while showing his soft smile.

To his surprise, Xi Xingyi suddenly pinched his cheeks hard, checking whether it was a silicone head mask or not.

"Ouch! My love, it hurts!" but even so, he did not stop her from pinching his cheeks.

"Qing Feng is you?" Leng Nichang still found it hard to believe everything.

He grabbed their hands and dragged them to the family room. "Let's talk inside."

He behaved as if it was his house.

Xi Xingyi and Leng Nichang did nothing. They only looked at each other before returning their attention to him.

After stepping into the family room, they sat on the couch.

"Alright. I will answer all your questions now." he knew they had many questions because he came to Xi Xingyi's house using Qing Feng's identity.

"Do your other women know about this?" Leng Nichang asked curiously.

"Yes." He responded, "I just did not have time to tell you two about this."

"Since when did you pretend to be Qing Feng?" Xi Xingyi inquired.

"Four years ago." He gave an honest answer.

They asked more questions, and like before, he gave an honest answer because they were his women.

After questioning him for a few minutes, they watched a movie. Xi Xingyi made him wear his mask again because he looked mysterious in a mask.

"I will bring snacks and drinks." After saying that, Xi Xingyi headed to the kitchen.

Xiao Tian immediately held Leng Nichang's right hand and kissed her cheeks.

She was pleasantly surprised and pinched his cheeks. "Pervert boyfriend!"

He kissed her cheeks again after hearing her words.

The duo continued watching a movie.

At the same time, Xi Ran was heading to the family room.

The expression of deep shock blossomed on her face when she saw Leng Nichang lovey-dovey with a masked man.

"Nichang, what are you doing?" Xi Ran did not want Leng Nichang to cheat on Xiao Tian because he would be sad later. "You should stop because you have a lover now."

Xiao Tian instantly rose to his feet when he caught sight of Xi Ran. "Ran..."

"Stop right there!" Xi Ran still did not know that Qing Feng was Xiao Tian.

"Xiao Tian, take off your mask!" Leng Nichang uttered.

"It's me, Xiao Tian." After saying that, he took off his mask.

"Xiao Tian?!" Xi Ran said in surprise.

And Xiao Tian began explaining everything.

After spending time with Xi Ran and the others, Xiao Tian went home. Like before, he practiced martial arts because he wanted to master Dragon Move quickly.

Even though he still had not mastered it, but he almost did it. That night, Xiao Tian had sex with Ye Qingyu and Ye Xueyin.

The following morning, Xiao Tian and Xing Juzong went to Solaris village to take his car. Of course, he was not using his real identity.

They did not come alone this time because Xing Renqing and Xing Hanxian were with them.

Xing Juzong immediately ordered his subordinates to load his car onto a tow truck. They headed to a garden after Xing Juzong's subordinates left.

Yes, there was a garden in the Solaris village!

The villagers decided to build a garden in their village because, with this, they could relax in the garden together.

The garden was located in the middle of the village, fifteen meters from Wu Lei's house.

Xing Renqing and Qiao Luli were currently sitting on the swings, chatting happily. They could get along right away because they were the same age.

Xiao Tian was talking with Xing Juzong, Tan Zemin, and Huang Hu.

During their conversation, Huang Hu kept saying he would practice martial arts harder and challenge Xiao Tian again in the future.

He also said that he would become a candidate to be the Ruler like Xiao Tian because he believed his talent was no less than Xiao Tian.

"It has been a long time since the last time we talked like this." Wu Lei, who was sitting on the wooden chair, spoke abruptly.

Xing Hanxian, who was sitting on his right side, responded, "You are right. I didn't know that you had broken through to the high-level grandmaster stage."

When they fought against a mysterious group together a few years ago, Wu Lei was only a martial artist at the mid-level grandmaster stage, so he was a little surprised.

Of course, he was happy for him because they were old acquaintances.

"I broke through to the high-level grandmaster stage three years ago because a senior helped me." Wu Lei gave an honest answer.

"A senior?" Xing Hanxian was curious about it. "Who is it?"

"I don't know." Wu Lei shook his head.

"Then how did you meet that senior?" Xing Hanxian threw another question.

"He is living behind this village, on one of the islands in Kingstrie lake." Wu Lei was also shocked when he met that senior in the past, to the point he thought that senior was an enemy.

He then continued, "But it's hard to meet him. If he didn't want someone to meet him, no one would be able to find him."

"You are a martial artist at the high-level grandmaster stage. You are also a candidate to be the Ruler like me, but you still can't find him?" Xing Hanxian found it hard to believe what he was hearing.

"He is already in the last stage, so it's normal." Wu Lei knew that he was much weaker than that senior.

"In the last stage? Does that mean there is a high possibility of him becoming the next Ruler?" even though Xing Hanxian was also a candidate to be the Ruler, but he was still not in the last stage.

Yes, there were stages to becoming the Ruler!

"Hanxian, it seems like a Ruler will appear in this generation." Wu Lei uttered, "You also realize this, right?"

"Yes." Xing Hanxian nodded his head. "I also have this feeling after returning from the forest and going to several cities."

He also suspected that a Ruler would appear in the current generation because he had seen many signs.

The most reassuring sign was that there were countless genius martial artists appearing in the current generation.

Many people suddenly got enlightenment, and the achievement records of the previous generation were easily broken by the current generation.

In the past, it was nearly impossible to break through to the Grandmaster stage below the age of thirty.

However, Xing Hanxian had met a few martial artists who broke through to the grandmaster stage under the age of thirty.

Something like this also happened before the previous Ruler was born.

It was as if the heavens were giving them a chance to become the world overlord or the heavens wanted to see fierce competition.

"Then this world will be in chaos again in a few years." Wu Lei sighed after saying this.

Before the previous Ruler was born, all the candidates around the world were fighting against each other, causing havoc in every country.

Wu Lei believed something like this would happen again because this was the last sign before the Ruler was born.

"We can only hope the next Ruler is from our country or the Ruler won't destroy our country." Xing Hanxian uttered.

"I hope so." Wu Lei uttered.

'I hope the next Ruler is a kind person.'

Chapter 1572 What Happened?

7-8 minutes

Xing Hanxian shifted his gaze from Wu Lei to Qiao Luli. "It has been a long time since the last time I saw her. I'm glad she can live a normal life now."

Wu Lei looked at his granddaughter and uttered, "But I have to erase her childhood memories to allow him to live a normal life. Sometimes, I feel guilty for my actions."

"You made the right decision." Xing Hanxian knew it was cruel to erase her childhood memories, but it was for her sake. "She will definitely continue to suffer if you don't erase her childhood memories."

"If only I could kill all of them!" Wu Lei was furious whenever he remembered what had happened to Qiao Luli.

"We have tried our best, so don't blame yourself." Xing Hanxian understood Wu Lei's feelings. "At least, she can live a normal life now."

"Hehe." Xing Renqing and Qiao Luli laughed happily.

However, Qiao Luli suddenly pressed her stomach before finally falling to the ground. "Agghhh..."

Xing Renqing was panicked.

She instantly slid from her swing and helped Qiao Luli sit up. "Luli, what happened to you?"

She did not know what had happened to Qiao Luli because she was fine earlier.

When Wu Lei noticed what was happening to Qiao Luli, he rushed toward her. "Luli!"

Xing Hanxian also ran toward Qiao Luli because he wanted to know what had happened to her.

"What happened?" Xiao Tian dashed toward Qiao Luli.

"Her illness recurred." Wu Lei's expression turned worried.

This was not the first time something like this had happened to her, so he knew it was her illness.

They brought Qiao Luli to Wu Lei's house.

They immediately gave her medicine. Even though the medicine could not cure her illness, but it could reduce the pain.

Several minutes after she drank the medicine, Qiao Luli fell asleep. Wu Lei and the others immediately headed to the terrace and sat on the wooden chairs.

"Is it because of that?" Xing Hanxian asked curiously.

"Yes. It's because of that." Wu Lei gave an honest answer before finally sighing.

His heart ached whenever her illness recurred because she always felt excruciating pain every time her illness recurred.

She even fainted from the pain several times in the past. That was why he ordered the villagers to make a medicine that could cure her illness.

"If only Ru Guo was still alive...." Wu Lei sighed again.

He knew what had happened to Ru Guo because he immediately tried to find her after finding out that she ran away from the Xiao family.

However, the goddess of luck was not on his side because Ru Guo was killed by the Xiao family's dogs before he could find her.

If she were still alive, he believed Qiao Luli's illness would have been cured because Ru Guo was the best doctor in China.

Xiao Tian was shocked.

'Ru Guo?'

Of course, he knew who Ru Guo was because she was related to him.

No!

She was related to his predecessor.

He even met her a few times when he visited Long Jingxian's hometown.

'Maybe Jingxian can cure Luli's illness.'

He suddenly remembered Long Jingxian because she was Ru Guo's disciple.

Even though Ru Guo only taught Long Jingxian for a few days, but she gave all of her books to Long Jingxian.

Sure, he knew Long Jingxian's skills were still not at Ru Guo's level, but there was a possibility she could cure Qiao Luli's illness.

After all, Long Jingxian was a talented doctor and had created many poisons and medicine powders.

"Elder Wu, I know a great doctor. How about we let her check Luli's condition? Maybe she can cure Luli's illness." Xiao Tian did not introduce her as his lover because he was pretending to be Qing Feng now.

"I have brought Luli to many doctors but none of them could cure her illness." Wu Lei thought Xiao Tian wanted to introduce an ordinary doctor.

That was why he refused in a subtle way so that Xiao Tian would not feel offended by his words.

"We don't know the result if we don't try it first." Xiao Tian still wanted Long Jingxian to check Qiao Luli's condition.

He could not bring Long Jingxian to Solaris village immediately because Wu Lei was Qiao Luli's grandfather, and he was also the village head.

"Elder Wu, there is nothing wrong with trying it first." Xing Juzong spoke abruptly.

"They are right." Xing Hanxian added. "We won't know the result if we don't try it first. There is nothing wrong with trying it first, right?"

"Elder Wu, she is a talented doctor." Xiao Tian uttered, "Even though she isn't at Ru Guo's level yet, I believe she will be as skilled as Ru Guo in a few years. Maybe she will be more skilled than Ru Guo in the future."

He did not tell them that Long Jingxian was Ru Guo's disciple because it could put Long Jingxian's life in danger.

Ru Guo had many troubles because of her talent, so he did not want to reveal the truth.

Because Xiao Tian kept praising Long Jingxian, Wu Lei was curious about her. "Who is she?"

"Her name is Long Jingxian." Xiao Tian responded.

Wu Lei touched his chin.

'Long Jingxian?'

He had never heard of her name before.

"Alright. Let's try it." Wu Lei uttered.

"Then let me call her now." after saying that, Xiao Tian went to a quiet place to call Long Jingxian.

He was pretending to be Qing Feng, so he decided to find a quiet place before calling her.

Long Jingxian picked up the phone and uttered, "Hello, Xiao Tian? What's up?"

"Jingxian, can you come to Solaris village now?" he began explaining everything to her.

"Alright." After hearing his explanation, she agreed to check Qiao Luli's condition.

"I will order Chun Hua to protect you later." He did not want something bad to happen to her, so he would order a few of his underlings to protect her.

After hanging up the phone, Xiao Tian called Chun Hua. He ordered Chun Hua to bring four people with her and send Long Jingxian to Solaris village.

He also told her to bring weapons because Solaris village was in a bad relationship with Sanlow village.

A few hours later, Long Jingxian arrived at the Solaris village. Chun Hua and the others stayed in the car because they needed to protect their car.

Xiao Tian did not want their car to get destroyed like Xing Juzong's car.

"Remember, I'm Qing Feng." Xiao Tian reminded her to call him Qing Feng, not Xiao Tian.

"I know." Long Jingxian knew what to do.

Their relationship was only acquaintances when he was pretending to be Qing Feng because Xing Juzong and the others did not know his real identity.

Not long after that, they reached Wu Lei's house.

Xiao Tian immediately introduced Long Jingxian to Wu Lei. "Elder Wu, she is the talented doctor I mentioned earlier."

"Doctor Long, I'm Wu Lei, the village head and Qiao Luli's grandfather." Wu Lei doubted Long Jingxian's skills again when he found out that she was still young.

"Can you let me check her condition now?" Long Jingxian wanted to check Qiao Luli's condition immediately.

"Coincidentally, she has woken up a few minutes ago. Please follow me." Wu Lei guided her to Qiao Luli's room.

Chapter 1573 Qiao Luli's Past

7-9 minutes

Wu Lei and the others headed to Qiao Luli's room.

She was startled when everyone suddenly came to her room. "Grandpa, what's wrong?"

Even though Long Jingxian brought her medical equipment, but she was not wearing her doctor's suit, so Qiao Luli did not know what they wanted to do.

"Luli, grandpa brought doctor Long to check your condition." Wu Lei responded, "Let doctor Long check your body now."

"Doctor Long?" Qiao Luli turned her head toward Long Jingxian. "Are you doctor Long?"

Long Jingxian smiled softly before finally sitting on the edge of the bed. "That's right. Can I check your body now?"

"Un." Qiao Luli nodded her head.

Long Jingxian wasted no time and immediately checked Qiao Luli's condition. She also asked Qiao Luli and Wu Lei several questions to help her understand her illness.

'Hmm?'

Long Jingxian believed it was not an illness.

'This is...'

She suddenly remembered reading about these symptoms in one of Ru Guo's books.

After checking Qiao Luli's body, Long Jingxian looked at Wu Lei and inquired, "Can I ask you something important?"

"Sure." Wu Lei answered instantly.

"But let's go to the terrace first." It was so important and related to Qiao Luli, so Long Jingxian did not want Qiao Luli to hear it.

Long Jingxian and the others immediately headed to the terrace, leaving Qiao Luli and Xing Renqing alone in her room.

After sitting on the wooden chair, Xiao Tian looked at his MILF lover. He was curious about what she wanted to ask to Wu Lei.

"Can you tell me the truth now?" Long Jingxian inquired.

"What truth? Doctor Long, I don't get your words." Actually, Wu Lei had already guessed what she wanted to hear.

"Elder, your granddaughter is not sick, right?" Long Jingxian believed Wu Lei understood her words.

Wu Lei was shocked.

'Does she know about it?'

That was the question that appeared in his mind.

He was stunned because Long Jingxian knew that Qiao Luli was not sick. All the doctors he had met until now even did not know what was happening to his granddaughter.

For this reason, a little hope suddenly emerged in his heart.

'I feel bad for underestimating her skills.'

He felt bad because he looked down on Long Jingxian earlier.

"Lei, just tell her the truth." Xing Hanxian spoke abruptly.

"Grandpa, do you know what's happening to Luli?" Xing Juzong asked curiously.

"Yes." Xing Hanxian gave an honest answer. "But I think it's better for Lei to explain it to you guys."

After thinking for several seconds, Wu Lei decided to tell everything in detail. "It's like this...."

There was a mysterious group in the past. That group caused trouble to five families, including Solaris village.

Wu Lei and the people from the five families were furious and wanted to destroy them, but it wasn't easy to find their base.

It took them several months to find their base because their base was hidden under a cliff.

After finding out the location of their base, they immediately attacked that mysterious group.

Unfortunately, they failed to kill them all because some of them managed to run away. After destroying their base, Wu Lei and the others found a hidden door leading to a lab.

Wu Lei and the others were enraged when they stepped into the hidden lab.

The reason was simple.

They saw thirty children in the tubes!

Yes, that mysterious group was conducting experiments on children.

After investigating everything, Wu Lei and the others found out that the mysterious group wanted to create a group of powerful martial artists.

That mysterious group kidnapped children and trained them. They also infused a serum into their bodies to make the children strong quickly.

However, their experiment seemed to have failed because the serum was still not perfect.

Among these thirty children, only four children managed to stay alive. Qiao Luli was one of them.

Wu Lei immediately brought these children to the hospital to get treatment, but only Qiao Luli managed to stay alive in the end.

The other children died two months after being admitted to the hospital.

This was the reason why Qiao Luli managed to break through to the master stage even though she was only seventeen years old.

"What?!" Xiao Tian and the others said in surprise.

They did not expect Qiao Luli's past to be so sad and terrible.

"So, she is not sick but it's a side effect of the serum that was infused into her body?" Xing Juzong uttered.

"That's right." Wu Lei gave an honest answer. "Doctor Long, you managed to discover this so quickly. Can...you cure my granddaughter?"

"Yes. I can cure her." Long Jingxian believed she could cure Qiao Luli because Ru Guo wrote down a way to cure it.

Wu Lei stood up and grabbed Long Jingxian's hands. "Really? You can cure her? You are not lying, right?"

He did not know how to describe the happiness he felt in words after hearing Long Jingxian's words.

Even though Qiao Luli was not related by blood to him, but he regarded her as his granddaughter.

That was why he was thrilled when she said she could cure Qiao Luli because he felt pain every time the side effects of the serum recurred.

"Yes. I can cure her." Long Jingxian smiled softly.

Wu Lei immediately removed his hands when he realized what he had done. "I'm sorry. I was so happy, so I could not control myself earlier."

"It's fine." Long Jingxian could understand his actions because she knew he really loved his granddaughter. "I will make the medicine, so please prepare the ingredients."

"I will try my best to prepare it as quickly as possible." Wu Lei would do anything to save his granddaughter.

"I will help you." Xing Hanxian also didn't want to see Qiao Luli suffer from the side effects of the serum.

"Thank you, Hanxian." Wu Lei responded.

Long Jingxian immediately wrote down the ingredients and gave them to Wu Lei. "These are the ingredients."

Xing Hanxian and others also looked at the ingredients list.

"We have all these ingredients, except for the black lotus flower and the Zhiku plant." Wu Lei uttered.

"Village head, I know where to get the black lotus flower." Huang Hu spoke abruptly.

Wu Lei turned his head to look at Huang Hu. "Where is it?"

"There is a cave nine hundred meters from the mountain next to our village." Huang Hu responded, "That cave has a pool inside it. I saw a few black lotus flowers on the pool last week."

"That's good news." After saying that, Wu Lei looked at Tan Zemin. "Zemin, bring a few people with you and take all the black lotus flowers. I will try to find Zhiku plant."

"Understood, village head." Tan Zemin responded.

Xing Hanxian looked at Xing Juzong and spoke, "Juzong, you go with him. I will try to find Zhiku plant with Lei."

"Understood, grandpa." Xing Juzong agreed instantly because he also felt sorry for Qiao Luli.

"Brother Tan, I will go with you too." Xiao Tian uttered.

Tan Zemin was shocked.

"Even though I've only known Luli for a few days, but I already regard her as my friend, so please let me go with you." Xiao Tian explained the reason why he wanted to go with Tan Zemin.

"Alright." Tan Zemin responded after seeing Wu Lei nod his head.

Chapter 1574 Shangguan Wan'er

6-7 minutes

Tan Zemin and the others immediately prepared themselves to take the black lotus flower from the cave.

Even though they only wanted to take the black lotus flower, but they still brought their weapons.

The reason was simple.

It was because there was a possibility of them meeting the people from Sanlow village!

"Is everything ready?" Tan Zemin asked as he looked at the five people in front of him.

These five people were Xiao Tian, Xing Juzong, Huang Hu and the two red-haired men from the village guard squad.

Xing Juzong and the others nodded their heads.

"Alright. Let's go to the cave now." Tan Zemin uttered.

They immediately left.

Fu Lim's House, Backyard.

Fu Lim and the others were currently sitting on long wooden chairs. They were waiting for someone who would help them destroy the Solaris village.

"After disappearing for more than a week, he finally will appear again, huh?" Ming said in annoyance.

"Village head, do you know the reason he came to our village this time?" Gaozhi inquired.

"I don't know." Fu Lim shook his head. "The content of the letter is that he wants to tell us something."

"Is it related to Solaris village?" Yasheng asked curiously.

"Who knows? Let's just wait for him." Fu Lim spoke and paused for a second before he continued, "We will know about it later."

Shortly after that, three people appeared before them.

Fu Lim widened their eyes when he caught sight of them.

No!

These three people were not the reason why Fu Lim was shocked.

He was stunned because there were two huge dogs behind them!

These two dogs were two and a half meters tall. Its eyes were red, and its fangs were huge and sharp.

These two dogs were so big to the point they could swallow a kid easily.

'This is...'

Of course, he knew there were huge animals in the world because he had seen experimental beasts before.

But what he knew was that no one could control the experimental beasts.

That was why he was shocked because these two dogs were under their control as if they were normal dogs, not experimental dogs.

'Where did he get these two huge dogs?'

That was the question that appeared in his mind.

The mature man, who was about thirty-seven years old, uttered, "I'm sorry for making you wait. There was a bit of trouble on the way to this village earlier."

The grown man had black eyes and red eyes. There was an X-shaped scar on his left cheek.

That mature man was Yao Huan, the one who promised to assist Fu Lim in destroying the Solaris village.

"Why did you bring experimental beasts to my village?" Fu Lim asked curiously.

"Didn't I say I would help you destroy the Solaris village?" Yao Huan responded, "We will use these experimental beasts to help us destroy their village."

"Where did you get these experimental dogs?" Fu Lim threw another question.

"I'm sorry, I can't answer that question, elder Fu Lim." Yao Huan did not want to reveal everything. "The important thing is these two dogs can help us carry out our plan."

"Are you sure it will be safe? What if they run wild and attack us later?" Fu Lim wanted to know if Yao Huan could control these two dogs completely or not.

"You don't need to worry about it. These two dogs are completely under our control." Yao Huan answered calmly.

Fu Lim shifted his gaze to the giant dog before returning his attention to Yao Huan. "You said you wanted to say something to us in the letter. What is it?"

"It's like this...." Yao Huan said he wanted to postpone their plan to attack Solaris village because he needed to find the black lotus flower and Zhiku plant as soon as possible.

These two plants were important to him, so he wanted to get them as quickly as possible.

Yao Huan hoped that the villagers of Sanlow would be willing to help him get these two plants.

Fu Lim looked at Yasheng and the others before finally answering, "Alright. We will help you find it."

"Great!" Yao Huan smiled happily.

Shanghai, Hazo city.

A gorgeous lady in her early thirties was practicing martial arts in the backyard of her house alone.

Her long blue hair danced softly every time she did martial arts moves, and her blue eyes were focused on the sword in her right hand.

Her long, flawless legs moved in sync with the movement of her sword, and sweat could be seen on her fair skin.

She was practicing martial arts, but she looked like she was doing a sword dance. That gorgeous lady was Shangguan Wan'er, a candidate to be the Ruler like Xiao Tian.

"Wan'er, there are two people from Solaris village in the living room." A mature man in his early forties walked toward Shangguan Wan'er.

The mature man had green hair and red eyes. He was Shangguan Wan'er's husband, Bu Xuan.

Shangguan Wan'er stopped practicing martial arts and looked at her husband. "People from Solaris village?"

"Yes." Bu Xuan nodded his head. "They said they had something to say to you."

"I will change my clothes first." She was wearing a training suit, so she wanted to change her clothes first.

"Alright." After saying that, Bu Xuan returned to the living room.

After changing clothes, Shangguan Wan'er headed to the living room. She asked them the reason why they came to her house.

She was thrilled when she found out that Long Jingxian could cure Qiao Luli. She said she would bring the ingredients to Solaris village immediately.

Xiao Tian and the others were currently resting at the waterfall. They decided to rest because they fought wild beasts earlier.

"Let's continue." Tan Zemin spoke and paused for a second before he continued, "We almost reached our destination. The cave is a hundred meters from here."

"Alright." Xing Juzong and the others rose to their feet.

They immediately walked again.

Shortly after that, they reached their destination.

They were thrilled and smiled happily because they almost got what they wanted.

However, the happiness within them instantly disappeared because people from Sanlow village suddenly appeared before them.

Chapter 1575 Fighting Outside The Cave

7-8 minutes

Tan Zemin and the others immediately grabbed their weapons. Xiao Tian was the only one who did not hold a weapon because he was pretending to be Qing Feng.

Even though he would fight with his bare hands, but he still acted calmly because he had mastered Nadeshiko and Zishi.

"Huang Hu?" Gaozhi's lips curled up into a smirk.

He was pleased when he saw Huang Hu because, with this, he could fight Huang Hu.

Tan Zemin kept glancing at the people from Sanlow village.

'They have twelve people while we only have six people. This will be a little troublesome.'

Even though he knew there was a possibility of them meeting the people from Sanlow village, but he did not expect to meet so many people.

When Ming caught sight of Xiao Tian, he inquired, "Was it you who injured our first elder?"

"First elder?" Xiao Tian did not know who their first elder was.

"The name of our first elder is Dan." Ming began to tell Xiao Tian about Dan's appearance.

"I see. So, you are talking about that old man, huh?" Xiao Tian finally knew the old man he fought at the lake was their first elder. "Your guess is right. I was the one who injured your elder."

Ming smirked before finally speaking, "Then I will beat you now."

"Are you sure you can do that?" Xiao Tian behaved calmly. "Even your elder can't beat me."

"You may not believe this, but I'm no weaker than elder Dan." Ming could become the first instructor because he was a powerful martial artist.

Xiao Tian took a step forward. "Interesting! Let me see whether you are lying or not."

"Huang Hu, let's fight now!" Gaozhi pointed his blade at Huang Hu. "Let's decide who is the best among us."

Huang Hu grabbed his black spear tighter and responded, "Come. I will show you the result of my training."

Tan Zemin glanced at his fellow villagers.

'I'm not afraid of them, but the black lotus flower is our first priority. What should I do now?'

He started thinking about the best decision he could make.

The people from Sanlow village would know their purpose in coming to the cave if they immediately tried to take the black lotus flower.

He believed they would destroy the black lotus flower if they knew the reason why he came to the cave.

He could not let anything happen to the black lotus flower because it was indispensable for curing Qiao Luli's diseases.

Whatever happened, they had to bring home the black lotus flower. This was the reason why he was thinking hard.

'What should I do?'

He did not know the people from Sanlow village also came for the black Lotus flower because Yao Huan wanted it.

He thought they met in the forest purely by chance.

"Kill them!" one of the people from Sanlow village roared.

They rushed toward Xiao Tian and the others, intending to kill them.

Shangguan Wan'er and her husband were currently on their way to the Solaris village. They went straight to Solaris village after procuring the ingredients for making medicine.

"It has been quite a while since the last time we came to Solaris village." Bu Xuan spoke abruptly. "Was it two years or three years?"

"Two years." Shangguan Wan'er put on a sad face.

Of course, he could understand her feelings. "Don't be sad. Please remember our missions. Our deceased brothers and sisters are waiting for us to take revenge."

"I know." She clenched her fists.

After driving for more than an hour, they finally reached their destination. The villagers knew who they were, so the villagers brought them to Wu Lei's house immediately.

When Shangguan Wan'er saw Wu Lei, she rushed toward him. "Father!"

She had not seen him for two years, so she missed him a lot. That was why she immediately hugged her father after seeing him.

Wu Lei smiled softly and hugged her back. "It has been a while, Wan'er."

Yes, Shangguan Wan'er was his daughter!

However, they were not related by blood because his wife passed away before they had children.

He did not remarry after his wife passed away and decided to focus on protecting the villagers because his late wife also did not want anything bad to happen to them.

In other words, she was his adopted daughter!

He decided to adopt her because she had no relatives and was young when her parents passed away.

After stopping the hug, Shangguan Wan'er looked at Long Jingxian. "Are you doctor Long?"

"Yes." Long Jingxian responded as she smiled.

"Are you rea-" Shangguan Wan'er stopped her words halfway when Qiao Luli called her.

"Big sister Wan'er..." Qiao Luli was delighted when she saw Shangguan Wan'er.

"Luli..." Shangguan Wan'er hugged Qiao Luli.

Wu Lei smiled softly when he saw his daughter and granddaughter hugging happily.

After stopping the hug, Shangguan Wan'er sat on the wooden chair and looked at Xing Hanxian. "Elder Xing, it has been a long time since the last time we met. You look younger and more energetic now."

"It has been ten years, right?" Xing Hanxian responded, "You are prettier now. Bu Xuan is lucky to have a wife like you."

"You are right, elder Xing." Bu Xuan responded, "Having her as my wife is the best gift the heavens have given me."

As they were chatting happily, Xiao Tian and the others were fighting against people from Sanlow village.

The fight was fierce as they were outnumbered by their enemies.

Bang!

Xiao Tian kicked Ming's mid-torso, causing him to be thrown two meters from where he was.

Ming did a backflip before falling to the ground. "No wonder you can defeat our first elder. You are indeed strong. However, it's not enough to defeat me."

"Are you sure about it?" Xiao Tian inquired.

"I'm going to be serious now!" after saying that, Ming rushed toward Xiao Tian.

Five meters from Xiao Tian, Huang Hu had a fierce fight with Gaozhi. Their fight was no less fierce than Xiao Tian's fight against Ming.

They exchanged countless attacks and tried their best to win the fight.

*Ting...Tang...Ting...

The sound of weapons clashing echoed in their ears.

They did not stop attacking as if they wanted to win the fight as quickly as possible. But the two suddenly stopped and looked into each other's eyes.

'I thought I could defeat him easily after training hard, but it seems like he also trains hard like me.'

Huang Hu was a little annoyed because he still could not defeat Gaozhi.

Like Huang Hu, Gaozhi was also a little annoyed.

'Damn it!'

He attacked Huang Hu again.

At this moment, Tan Zemin could not focus on defeating his enemies because he also needed to think of a way to get the black lotus flower.

"We will help you kill them!" five people from Sanlow village roared.

However, Ming instantly stopped them. "No! Go to the cave and take the black lotus flower. We will hold them here."

Tan Zemin and the others were shocked.

'What?! Their goal is the same as ours?'

They did not expect it.

When Tan Zemin saw five people running toward the cave, he roared, "Don't let them take the black lotus flower! Stop them!"

Chapter 1576 Fighting In The Cave

7-9 minutes

"Stop them!" Tan Zemin roared. "Don't let them take the black lotus flower!"

All people from Solaris village immediately left their opponents and tried their best to stop the people from Sanlow village from entering the cave.

When Huang Hu was about to enter the cave, Gaozhi stopped him. "Where are you going? Let's decide who is stronger among us now!"

"Move! I don't have time for you now!" Huang Hu no longer wanted to fight Gaozhi because the black lotus flower was his priority.

Whatever happened, he had to bring the black lotus flower home because it could cure Qiao Luli's disease.

Xing Juzong rushed toward the cave.

'I won't let them get the black lotus flower.'

He tried his best to stop them, but it was difficult because his enemies outnumbered him.

*Ting...Tang...Ting...

If they had previously fought outside the cave, they were now fighting in the cave.

Xiao Tian skimmed his surroundings.

'I have to defeat weak martial artists first.'

They had more numbers, so he wanted to reduce their numbers first.

"Nadeshiko!"

"Zishi!"

He wanted to reduce their numbers as quickly as possible, so he used his secret techniques.

Sure, they were not dead and only fell unconscious, but he did not care about it because his main goal was to reduce their numbers.

Ming was unhappy when Xiao Tian only attacked the weak martial artists. "Your opponent is me!"

He immediately threw a high kick when he was close to Xiao Tian, intending to kick Xiao Tian's head.

However, he failed to land his kick on Xiao Tian's head because Xiao Tian's reflexes were good.

Tan Zemin had the same thought as Xiao Tian.

'Mr. Qing is right. We have to reduce their numbers first, or else we will be at a disadvantage later.'

He rushed toward the martial artists who were at the master stage.

Tan Zemin was already at the grandmaster stage, so it was not difficult for him to defeat them.

In a short amount of time, they were equal in number.

There were currently eight people fighting in the cave; four people from Sanlow village and four people from Solaris village.

When Ming noticed that many of his fellow villagers passed out on the ground, he decided to change the tactic.

He told Gaozhi and the others to bring his brothers out of the cave. At first, Gaozhi complained because he still wanted to fight Huang Hu.

However, Ming said he would report his actions to the village head if he did not listen to his order.

That was why he rushed out of the cave with an annoyed face.

Xiao Tian and the others were stunned when people from Sanlow village suddenly rushed out of the cave.

'What's going on?'

That was the question that appeared in their minds.

When Tan Zemin saw Huang Hu running toward the entrance, he uttered, "Don't chase them!"

Huang Hu stopped.

'Ah, right. Our priority is the black lotus flower.'

He returned to Tan Zemin's side.

"Let's take the black lotus flower now." Tan Zemin uttered.

"Alright." Huang Hu and the others responded in unison.

They immediately headed to the pool. Tan Zemin carried his two unconscious brothers on his shoulders.

After walking for about five minutes, they finally reached their destination. There were two pools inside the cave; a big pool and a small pool.

The large pond was filled with lotus flowers and had dark water, while the small pool had clean blue water without any plants on it.

Even though they were inside the cave, they could still see their surroundings clearly because sunlight entered the cave through the hole in the roof of the cave.

Tan Zemin put his brothers on the ground and said, "There are a lot of black lotus flowers. Let's take it."

They began picking up the black lotus flower.

"Instructor Ming, why did you order us to retreat?" Gaozhi was unhappy with Ming's decision. "Didn't the village head order us to take the black lotus flower no matter what?"

"I have a good idea." Ming did not tell them the reason why he told them to retreat earlier, so he could understand Gaozhi's actions.

He and the others were currently standing outside the cave. Even though he told them to retreat, but they did not return to their village.

"What is it?" Gaozhi asked curiously.

"It's like this." Ming told them that he wanted to trap Xiao Tian and the others in the cave.

Even though Tan Zemin and the others would get the black lotus flowers, but they would die from starving if they could not leave the cave because they did not bring food with them.

With this, not only would they get the black lotus flowers, but they could also kill Tan Zemin and the others.

It was like killing two birds with one stone.

"How do we trap them in the cave?" Gaozhi threw another question.

"We will block the exit by destroying the entrance." Ming responded, "They are busy picking up the black lotus flowers, so they won't notice it."

Gaozhi and the others thought his idea was brilliant.

"What are we waiting for? Let's destroy the entrance now!" Gaozhi said excitedly.

As Xiao Tian and the others were busy picking up the black lotus flowers, Ming and his brothers destroyed the entrance, blocking the exit.

After that, Ming ordered Gaozhi to return to the village and bring more people because they needed to watch the cave non-stop.

Gaozhi wasted no time and immediately went back to his village.

At the same time, Tan Zemin and the others were sitting in front of the pool. They decided to take rest for ten minutes before returning to their village.

At first, they wanted to go home immediately, but they changed their minds because they needed to recover their stamina first.

Previously, they had a fierce fight against the people from Sanlow village, so they had used a lot of stamina.

It would be really troublesome if they encountered people from Sanlow village without having the stamina to fight.

That was why they decided to rest for ten minutes.

"Good! We got many black lotus flowers." Tan Zemin smiled happily when he saw the black lotus flowers in his bag.

Of course, he did not pick up all the black lotus flowers in the pond because he wanted the plant to keep reproducing.

With this, they could pick it up again if they needed it.

"Mr. Qing, thank you for introducing doctor Long to us." Tan Zemin thanked Xiao Tian for introducing Long Jingxian to them.

"You don't need to thank me because I already regard Luli as my friend." Xiao Tian responded.

"And I'm sorry for suspecting you as a spy a few days ago." Tan Zemin uttered.

"It's fine" Xiao Tian could understand their actions, so he could forgive them.

They began to chat.

They also discussed a tactic if they met people from Sanlow village again.

Without realizing it, it had been ten minutes since they rested.

Tan Zemin rose to his feet and spoke, "Alright. Let's return to the village now."

Xiao Tian and the others immediately stood up. Like before, Tan Zemin carried his two unconscious brothers on his shoulders.

He gave the bag to Huang Hu because he was afraid that the black lotus flowers would be crushed if he carried it.

They walked toward the entrance with smiles on their faces. However, the smiles on their faces instantly disappeared when they reached the entrance.

'The exit! The entrance is destroyed!'

Chapter 1577 Trapped In The Cave

7-8 minutes

'The entrance! They block the exit by destroying the entrance?!'

Tan Zemin and the others could only blame themselves when they saw the entrance was blocked by stones because they could not tell their enemies not to use dirty methods.

"No wonder they suddenly retreated earlier, so they wanted to trap us in this cave." Xiao Tian finally understood the reason why Ming suddenly told his fellow villagers to retreat.

"We have fallen into their trap!" Xing Juzong stated.

They were too focused on the black lotus flowers earlier, so they did not realize Ming's plan and made a big mistake.

'Let's try destroying these stones.'

They exchanged a glance with each other before finally nodding their heads.

However, they instantly stopped doing that because several stones fell from the roof of the cave whenever they tried to destroy it.

"We could get buried alive if we tried to destroy these stones again." Xing Juzong, who was sitting on the ground, uttered.

'There is also no signal in this area, so I can't send a message to my grandpa or Renqing.'

He added in his mind.

At this moment, the people from Sanlow village laughed happily. Of course, they knew what Xiao Tian and the others had done because they tried to stop them earlier.

"Just give up! You won't be able to leave this cave!" Ming laughed after saying that.

"Coward!" Huang Hu roared.

"Haha." Ming and the others did not care about it because Xiao Tian and the others were their enemies.

"Hey, don't you want the black lotus flowers too? How about letting us go? We will share the black lotus flowers with you later?" of course, Xiao Tian would not give them the black lotus flower.

Tan Zemin and the others instantly turned their heads toward Xiao Tian. When they were about to say something to him, he gave them a signal to stop.

Xing Juzong, who understood Xiao Tian's intention, explained in a low voice.

"I'm not interested in your offer. I mean, we can still get the black lotus flower after you die, so I'm not interested in your offer." Ming was not stupid, so he instantly refused Xiao Tian's offer.

"Have you forgotten that it will take us several days to die from starving? I'm sure people from Solaris village would notice it if we did not return today." They were at a disadvantage, so Xiao Tian could not act aggressively.

"They can come to this cave if they want. We will welcome them happily. Haha." Previously, Ming had ordered his brothers to set up simple traps around the cave.

Xiao Tian could guess everything after hearing Ming's words. "Looks like they've set up some traps around the cave."

"What should we do now?" Huang Hu was furious at the people from Sanlow village for using a cowardly method.

At this moment, Xiao Tian remembered that there was a hole above the pool.

'I will check if we can get out of this cave through that hole or not.'

With that idea in mind, Xiao Tian walked toward the pool.

When Xing Juzong saw Xiao Tian, he inquired, "Where are you going, brother Qing?"

"There is a hole above the pool, so I want to check if we can get out of this cave through it or not." Xiao Tian gave an honest answer.

"Ah! I forgot about it." Xing Juzong responded, "I will go with you."

The duo sighed after reaching the pool because the cave roof was so high.

But even so, they did not give up and looked for something that could be used as a tool to get out of the cave.

However, the goddess of luck was not on their side because they did not find anything that could help them get out of the cave.

"It seems like we will sleep in this cave tonight." Xing Juzong spoke abruptly.

Xiao Tian sighed before finally speaking, "Let's go back."

When Tan Zemin saw Xiao Tian and Xing Juzong, he inquired, "How is it?"

Xing Juzong did not answer Tan Zemin's question, but he shook his head, giving him a sign that they could not use the hole to get out of the cave.

"Then we can only hope the villagers will notice this and help us." Tan Zemin was not surprised because he had guessed it before.

Time went by quickly, and without realizing it, it had been two hours since they were trapped in the cave.

The sky had darkened, and the air had grown cold. Xiao Tian and the others were currently sitting by the pool.

They left the entrance because it was too dark in that place.

"Luckily, we can find twigs in this cave, so we can make a bonfire." Tan Zemin immediately made a bonfire after reaching the pool.

Actually, they could still see their surroundings because moonlight entered the cave through a hole in the roof of the cave.

It was a full moon, so the moonlight was enough to illuminate the darkness of the cave. They made a bonfire because it could help them warm their bodies.

"By the way, Mr Qing. Can you tell me the reason why you keep wearing a mask?" Tan Zemin asked curiously.

Xiao Tian turned his head to look at Tan Zemin. "Sorry, I can't tell you about this."

"Is it because something happened to your face?" Huang Hu threw a question at Xiao Tian.

Xing Juzong paid attention to Xiao Tian because he also did not know the reason why Xiao Tian wore a mask.

Xiao Tian shifted his gaze from Tan Zemin to Huang Hu. He did not answer Huang Hu's question and threw a twig at the bonfire.

"You don't need to hide it." Huang Hu spoke and paused for a second before finally, he continued, "We, martial artists, don't care about appearances. We only care about power because good looks are useless in front of power."

"You say that because no woman wants to be your girlfriend, right?" Tan Zemin teased Huang Hu.

"Who says that!" Huang Hu tried to hide his shyness. "I want to be a powerful martial artist, so I don't care about it."

Tan Zemin touched his chin and spoke, "Don't care about women, huh? But didn't you confess to Yushang and was rejected last year?"

"Shu...shut up!" Huang Hu could not hide his shyness when Tan Zemin brought up that topic.

"Haha." Xing Juzong and the others laughed.

Wu Lei's House, Terrace.

Long Jingxian was currently sitting on a wooden chair with Xing Renqing and Qiao Luli.

Xing Hanxian and Wu Lei left to find the Zhiku plant, and they still had not returned home, so they did not know what had happened to Xiao Tian and the others.

"Where are my brother and the others?" Xing Renqing asked curiously. "It's already night, but why are they still not back?"

"They should be back by now since the cave isn't far from here." Qiao Luli suddenly felt uneasy because Xiao Tian and the others still had not returned yet.

Long Jingxian looked in the direction of the cave.

'Xiao Tian, nothing bad happened to you, right?'

Actually, she felt uneasy since earlier because Tan Zemin had previously said they would return before the sky grew dark.

'Xiao Tian....'

Chapter 1578 Trying To Save Xiao Tian And The Others

7-8 minutes

Long Jingxian was still worried about her lover's safety. However, she could not show it on her face because Xiao Tian was currently pretending to be Qing Feng.

She was Xiao Tian's lover, not Qing Feng's girlfriend, so she had to hide her sadness, or else his real identity would be revealed later.

"Oh, you are here, doctor Long?" after saying that, Shangguan Wan'er sat next to Long Jingxian. "Why are you making such a face?"

"I just want to know why Qing Feng and the others still haven't returned yet." Long Jingxian widened her eyes for a second because she should not say something like that.

'I should not have said this.'

She added in her mind.

"Are you worried about Qing Feng?" Shangguan Wan'er did not know that Long Jingxian was Xiao Tian's lover, so she thought Long Jingxian had special feelings for Qing Feng.

"Yes. I'm worri-" Long Jingxian corrected her words. "I mean, I'm worried about their safety because they still haven't returned yet until now."

"Auntie Wan'er, doctor Long is bro Xiao's girlfriend." Xing Renqing spoke abruptly.

"Oh, is that so? Sorry for misunderstanding." Shangguan Wan'er apologized. "By the way, how did you know Qing Feng?"

"Qing Feng is Xiao Tian's good friend." Long Jingxian lied to Shangguan Wan'er. "We met when I was on a date with Xiao Tian."

"I see." Actually, Shangguan Wan'er did not know anything about Xiao Tian.

Not long after that, Xing Hanxian and Wu Lei returned home.

"Welcome home!" Qiao Luli said happily when she saw her grandpa and Xing Hanxian.

"How is it, father?" Shangguan Wan'er asked curiously. "Did you find it?"

Wu Lei sighed before finally shaking his head. "How are Zemin and the others? Did they get the black lotus flower?"

"They still haven't returned yet." Long Jingxian uttered.

"What?!" Xing Hanxian and Wu Lei said in surprise.

'Did something happen to them?'

They exchanged a glance with each other.

At this moment, Long Jingxian wanted to ask them to go to the cave to check on him, but she did not know how to say it.

It could raise suspicions if she was too worried about Qing Fen's safety, but at the same time, she wanted to know what had happened to him.

She felt uneasy!

She wanted to go to the cave to check it out, but it was already night, so she did not dare to do it.

Wu Lei and Xing Hanxian were her last hope. That was why she hoped they would go to the cave to check on them.

And as if God had granted her wish, Qiao Luli said something she wanted to say. "Grandpa, can you go to the cave and check it out?"

"Alright." Wu Lei answered instantly.

Long Jingxian suddenly felt happy.

She still did not know about Xiao Tian's condition, but she already felt delighted because Wu Lei would go to the cave to check on him.

Wu Lei and Xing Hanxian prepared themselves before finally going to the cave. They brought four people with them.

They decided to go in a small group because it was easier to move.

When they were close to the cave, Xing Hanxian stopped his footsteps. "Stop!"

"What's wrong?" Wu Lei inquired.

"There is a trap in front of us." Xing Hanxian told Wu Lei the reason why he stopped them.

"Trap?" Wu Lei said in surprise.

He had come to that area many times, but he had never found any trap before.

'Don't tell me....'

He suddenly suspected that the people from Sanlow village were the ones who had set up the trap.

They found three more traps not far from the first trap.

"I think the people from Sanlow village are the ones who set up these traps." Siyi, the first instructor of Solaris village, spoke abruptly.

"I think so too." Mao, the second instructor of the Solaris village, responded.

"Then something must have happened to Juzong and the others. Let's go." Xing Han Xian wanted to get to the cave as soon as possible because he was worried about his grandson's safety.

Not long after that, they arrived at the cave.

Xing Hanxian and the others were even more sure of their guess when they saw many people in front of the cave entrance.

They still did not know that the entrance was blocked by stones because the cave was located five meters above them.

"Let's get closer to the cave." Xing Hanxian said in a low voice.

They walked carefully because they did not want people from Sanlow village to notice them.

When they saw bushes near the cave, they immediately hid in them.

"The entrance? The entrance is blocked by stones!" Siyi was shocked when he saw the entrance was blocked by stones.

"It seems like Juzong and the others are trapped in the cave." Xing Hanxian thought this way because several people guarded the cave as if they were imprisoning people in the cave.

"No wonder they still haven't returned to the village, so they are trapped in the cave." Wu Lei finally knew the reason why Xiao Tian and the others still had not returned to the village yet.

"Should we attack them, village head?" Siyi inquired.

"I think we can save Zemin and the others without fighting them." Mao uttered.

Wu Lei and the others turned their heads toward Mao.

"Explain it to us?" Wu Lei wanted to know about it.

"Village head, there is a big hole in the roof of the cave. We can use it to save them." Mao had come to that cave, so he knew there was a hole in the roof of the cave.

"Really?" Wu Lei and the others were pleasantly surprised.

"Yes." Mao nodded his head. "I can lead the way."

"Then we need a rope to save them." Xing Hanxian uttered.

"I will return to the village to take a rope." Even though the distance between the cave and the Solaris village was quite far, Siyi was willing to return to the village.

"Alright. We will wait here." After saying that, Wu Lei looked at the two people next to him. "You two go with him."

"Understood." The two people responded in unison.

Ming, who was sitting in front of a bonfire, laughed. "Haha. I'm sure Tan Zemin and the others are suffering right now. Haha."

"They must be hungry too. Haha." One of the people from Sanlow village uttered.

"Instructor, I got many fish. Let's eat together." the red-haired man walked toward Ming with fish in his hands.

"What a perfect time! I'm also hungry." Ming laughed happily. "Let's make grilled fish now."

At the same time, Xiao Tian and the others were sitting by the pool.

"I'm hungry." Huang Hu rubbed his belly.

"We have nothing to eat here, so hang in there." Tan Zemin was also starving.

"It's cold too. Why don't the villagers come and save us now?" Huang Hu complained. "They didn't forget about us, right?"

"I'm sure they will save us, so stop complaining!" Tan Zemin believed the villagers would save them later.

Huang Hu sighed before finally sitting closer to the bonfire.

At the same time, a rope came to them from the roof of the cave.

Yes, Xing Hanxian and the others were above the cave right now, ready to save Tan Zemin and the others.

Chapter 1579 I Really Want To Kiss You

7-8 minutes

As Xiao Tian and the others were chatting, a rope came to them from the cave's roof.

They were startled.

However, their feeling of surprise turned into happiness after they lifted their faces.

'Village head?'

They were delighted because the village head and the others came to save them.

Huang Hu immediately rose to his feet. "Village hea-"

Tan Zemin covered Huang Hu's mouth instantly. "Shut up! Don't let people from Sanlow village notice them. Do you want to sleep in the cave?"

Huang Hu nodded his head instantly.

Previously, he could not control his happiness because he was so happy when he saw Wu Lei and the others.

He was starving and feeling cold, so he was delighted when he knew he could get out of the cave.

Wu Lei told them to grab the ropes using sign language.

Tan Zemin and the others nodded their heads. Huang Hu was the first to leave the cave because his body almost could not endure the cold.

Wu Lei and the others immediately pulled up the ropes after Huan Hu grabbed it. After several minutes, Xiao Tian and the others managed to get out of the cave.

"Follow us." Wu Lei said in a low voice.

Xiao Tian and the others nodded their heads.

"Haha. I'm sure Tan Zemin and the others are shivering from the cold right now." Ming did not know that Tan Zemin and the others were no longer in the cave.

"Haha." The people from Sanlow village laughed happily. "Instructor Ming's idea is the best."

"Haha." Ming laughed happily.

Huang Hu's eyes were filled with fury when he saw people from Sanlow village. However, Tan Zemin told him to ignore them.

They walked carefully because they did not want the people from Sanlow village to notice them.

After they walked past Ming and the others, Huang Hu said in a low voice. "Just stay here until tomorrow. We will return home now."

His heart was filled with happiness when he imagined their reactions upon learning that they had left the cave.

'I'm sure they will be furious later.'

He believed they would be furious after finding out the truth because they were guarding an empty cave.

Huang Hu gave them a middle finger before finally turning around and going home.

Wu Lei's House, Terrace.

Long Jingxian and the others were still on the terrace. They were waiting for Wu Lei because they wanted to know the news about Xiao Tian and the others.

'Xiao Tian...'

Even though Long Jingxian put on a normal expression, but her heart was filled with sadness.

There was no news about her young lover, so she could not put her mind at ease. She even was not in the mood to talk because her mind was filled with Xiao Tian.

As she was thinking about her young lover, Xiao Tian and the others arrived at Wu Lei's house.

Qiao Luli, who saw them, immediately said, "It's them. They have returned!"

She instantly rushed toward Xiao Tian and the others. She was happy when she saw them.

Long Jingxian instantly rose to her feet.

She wanted to run to Xiao Tian and embrace him, but she could not do that because he was pretending to be Qing Feng now.

'Thank god!'

She felt relieved when she knew Xiao Tian was fine.

Xiao Tian instantly turned his head to look at Long Jingxian. Of course, he knew what she felt because he could see it in her eyes.

'I'm fine.'

He gave her a sign that he was fine.

Long Jingxian smiled softly before finally nodding her head.

Even though she could not ask him many questions or embrace him, but she felt at ease after seeing him.

After Xiao Tian and the others sat on the wooden chairs, Qiao Luli inquired, "Big brother Qing, what happened to you and the others?"

"It's like this...." Xiao Tian began to explain everything.

'Who are they?'

At this moment, he noticed Shangguan Wan'er and Bu Xuan.

Even though he had not met all the villagers yet, he believed they were not from Solaris village because they looked like people who lived in a big city.

When Wu Lei noticed that Xiao Tian was looking at his daughter, he immediately introduced her. "Qing Feng, she is my daughter, Shangguan Wan'er. The man next to her is her husband, Bu Xuan."

Xiao Tian smiled softly before finally speaking, "Hello, I'm Qing Feng."

"Hello." Shangguan Wan'er and Bu Xuan said as they smiled.

They began to chat.

Not long after that, Tan Zemin and Huang Hu returned home.

Wu Lei stopped them when Xiao Tian and the others wanted to go home because it was already late at night.

He told them to stay the night at his house. Xiao Tian and the others agreed because it was already 09:09 pm.

At this moment, Long Jingxian was sitting in the living room, alone.

'Where is he?'

Previously, she looked for Xiao Tian, but she could not find him.

'Is he in the front yard?'

She rose to her feet and walked out of the house.

'It's him!'

She saw him sitting on the wooden bench under a tree.

Without waiting for another second, she walked toward him. She could not spend time alone with him earlier, so she would not let the opportunity slip away.

"What are you doing?" she asked after sitting next to him.

"Hmm?" Xiao Tian was a little shocked. "Why are you still not sleeping?"

"I...want to spend time with you." She gave an honest answer.

He stroked her hair gently before finally speaking, "I'm Qing Feng now."

The meaning of his words was clear.

They could not lovey-dovey!

Long Jingxian was a little sad.

Of course, she understood it, but she was still sad because she really wanted lovey-dovey with him.

Xiao Tian felt guilty when he saw her expression.

Even though she did not say a single word, he knew what she had in mind because it was written on her pretty face.

He began to think of a way to make her happy.

'I will do that.'

With that idea in mind, he took off his jacket.

Long Jingxian was shocked.

'Why is he taking off his jacket?'

Her face broke into a smile when Xiao Tian suddenly held her right hand.

She finally understood his actions!

He took off his jacket because he wanted to use it to cover their hands so that no one would know that they were holding hands.

She looked at him lovingly before finally speaking, "I love you."

She did not realize what she had just said.

It was the feeling in her heart.

Yes, she was delighted with his actions!

Xiao Tian widened his eyes before finally turning his head to the left and right, skimming their surroundings.

No!

He was not angry!

He just wanted to know if someone had heard her words or not.

Long Jingxian realized what she had just said after seeing his behavior.

"I'm sorry." She lowered her head and apologized.

Xiao Tian grabbed her by the chin before finally lifting her head and smiling, "It's fine. I'm sorry for making you sad."

At this moment, Long Jingxian could not control herself again after seeing his soft smile. "I really want to kiss you."

Chapter 1580 Going Home

7-8 minutes

"I want to kiss you." Long Jingxian could not control herself again when she saw his soft smile.

She widened her eyes and covered her mouth.

Xiao Tian felt bad again.

'Should I grant her wish?'

He wavered whether he should grant her wish or not.

If he were not pretending to be Qing Feng, he would have kissed her because she was one of his women.

Wu Lei and the others knew that she was Xiao Tian's lover, so it would ruin her reputation if someone saw them kissing.

'There is no one right now, but what if someone suddenly appears when we are kissing.'

He did not want to ruin her reputation or reveal his real identity.

Even though Xiao Tian was wearing a mask, Long Jingxian knew he was having a hard time.

"You don't need to feel guilty because I can kiss you tomorrow." She could kiss him after going home.

Xiao Tian did not dare to take a risky action. "Let's just hold hands tonight. We will go on a date tomorrow."

"Un." Long Jingxian smiled happily when he said they would go on a date tomorrow.

That night, they chatted while holding hands. They returned to Wu Lei's house at 11:00 pm.

Even though she did not get a goodnight kiss from him, but she could sleep soundly because she could spend time with him earlier.

The following morning, they sat on the terrace after having breakfast together.

Long Jingxian could not make the medicine immediately because they still did not have the Zhiku plant.

Before Xiao Tian and the others returned home, Wu Lei said he would get the Zhiku plant as quickly as possible.

Long Jingxian gave them her number so that they could call her after they got Zhiku plant.

Forest, Outside Cave.

The people from Sanlow village were still guarding the cave because they did not know that Xiao Tian and the others were no longer in the cave.

Ming, who was leaning against a bolder, looked at one of his students. "You go and catch some fish. It's time for breakfast now."

"Understood, instructor." The red-haired man brought three people with him to catch some fish because they needed a lot of fish.

"Haha. Tan Zemin, it seems like the villagers don't want to save you." Ming laughed again.

"Haha." The others also laughed.

And then, they continued guarding an empty cave, thinking Xiao Tian and the others were still in the cave.

Xiao Tian's Mansion, His Bedroom.

Two people were lying on the bed, naked. The young man had a handsome face, while the young woman had a pretty face.

Their bodies were full of sweat because they had just finished doing something fun.

Sex!

Yes, they had just finished having sex.

These two people were none other than Xiao Tian and his beautiful MILF, Long Jingxian.

The duo immediately headed to his room after arriving home. At first, they only took a bath together, but one thing led to another, and they ended up having sex in the bathroom.

They did not stop there because they had sex again after entering his room. After they were satisfied, they decided to lie on the bed.

"Where do you want to go?" Xiao Tian would take her on a date because he had promised her last night.

"I will let you decide it." As long as she was with him, she didn't care where they were going.

"Then let's go to Life Waterfall first. After that, we will go to Rainbow Garden and Shanghai River." he wanted to spend time with her for a whole day, so he planned where they would go.

"It's a good pla-" Long Jingxian stopped her words halfway when someone suddenly opened the door.

"Tian!" Ye Xueyin instantly looked for him after arriving home.

She saw his car, so she knew that he had returned home.

Long Jingxian behaved normally because Ye Xueyin was one of his women.

Xiao Tian smiled softly when he saw his mother. "Come here."

To his surprise, Ye Xueyin suddenly closed the door and took off her clothes.

"Tian, mother wants sex too!" Ye Xueyin ran toward Xiao Tian after dropping her clothes.

The corner of his lips twitched.

Did he refuse her?

No!

He was her boyfriend, so it was his duty to satisfy her.

Even though he had already had sex with Long Jingxian, he could still do it because he had unlimited stamina.

His stamina wasn't like that of an ordinary man because there was fifteen percent of the energy of heaven and earth in his martial arts points.

He was already like a superhuman.

Sometimes, Xiao Tian felt glad that he was a candidate to be the Ruler because he could have a lot of stamina.

"Ahh..." Long Jingxian's room was filled with cries again.

"Hehe." Ye Xueyin giggled happily after having sex with Xiao Tian.

She was currently lying on top of him because she didn't want to be separated from him for even a second.

Long Jingxian knew Ye Xueyin's personality, so she only lay beside him and embraced his right arm.

"Tian, let's go on a date later." Ye Xueyin wanted to go on a date with Xiao Tian because she still wanted to spend time with him.

Xiao Tian and Long Jingxian immediately told her that they planned to go on a date later.

Ye Xueyin was delighted after hearing it because she could go on a date with him and Long Jingxian.

After chatting for about an hour, they went on a date. As usual, they were happy and took several photos.

After arriving home, Xiao Tian changed his clothes and headed to the backyard.

His intention was clear.

He wanted to practice martial arts!

He still had not mastered Dragon Move, so he wanted to practice it.

As he was practicing martial arts, Ye Qingyu headed to the backyard with lemon juice in her right hand.

She wanted to see him practice martial arts, so she decided to go to the backyard.

'He is so diligent sometimes.'

It was already 07:00 pm, so she was shocked when she found out that he was practicing martial arts in the backyard.

She sat on the pool lounge chair before finally drinking her lemon juice. She could see her surroundings clearly because there were a lot of lights in the backyard.

Xiao Tian still did not notice her because he was too focused on practicing martial arts.

'Good! It can be said I have mastered this technique seventy percent.'

Even though he still had not mastered the Dragon Move technique completely, he was still happy because there was huge progress in his practice.

'Hmm?'

He was pleasantly surprised when he saw his beautiful aunt.

'Since when is she here?'

He decided to stop practicing martial arts and walk to her.

"Since when are you here, aunt?" he asked curiously.

"About ten minutes ago." She gave an honest answer. "Are you finish practicing martial arts?"

"Yes. It's not good for my body if I keep practicing martial arts." He made a bad excuse.

He stopped practicing martial arts because he wanted to spend time with his beautiful aunt.

"Then go and take a shower first." She uttered, "I will wait here."

"Sure." After kissing her hair, he rushed toward the bathroom.

Ye Qingyu smiled softly.

'Cute!'
