

Illicit 1591

Chapter 1591 Challenge Letter

After having sex with Shi Fei in the backyard, Xiao Tian and Long Jingxian met Xing Juzong at the Bamboo Restaurant.

He did not use his real identity when he met Xing Juzong because he wanted to discuss Qiao Luli and Solaris village.

During their conversation, Xing Juzong told them everything, including what had happened to Qiao Luli.

Xiao Tian was pleasantly surprised when he found out that Qiao Luli had broken through to the mid-level master stage because she was still seventeen.

The trio talked for about two hours before finally going home.

The following day, Xiao Tian, Long Jingxian, and Xing Juzong went to Solaris village at 08:00 am.

However, their journey was not smooth as usual because the Sanlow village people stopped them before they reached Solaris village.

Even though Xiao Tian and Xing Juzong managed to beat them, but Long Jingxian's left shoulder was injured.

Previously, one of Sanlow village people managed to hit her left shoulder once when Xiao Tian and Xing Juzong were fighting.

Long Jingxian was not a martial artist, so she could not defend herself. Even though she only got hit once, but it was enough to hurt her and cause a bruise.

However, she could still move her left shoulder normally. She only felt pain when she pressed the bruise.

After arriving at Solaris village, Long Jingxian immediately checked Qiao Luli's condition. She wanted to know whether Qiao Luli's body was getting worse or not.

As Long Jingxian was checking her body, Qiao Luli uttered, "Big brother Qing, I'm a member of the village guard now. And I'm also a martial artist at the mid-level master stage."

She told him about her achievements during the time they did not meet.

Xiao Tian smiled at her and stroked her hair gently. "You are amazing, Luli."

"Hehe." Qiao Luli smiled happily.

At the same time, three people from Sanlow village appeared at the Solaris village gate.

Tan Zemin immediately grabbed his weapon and shouted. "Get ready to fight."

"Wait!" Ming shouted. "We did not come to fight this time. We only want to give you a challenge letter from our head village."

Tan Zemin and the others exchanged a glance.

'Challenge letter?'

They were shocked because usually people from Sanlow village always came with the intention of killing them.

Ming took the challenge letter out of his pocket and gave it to Tan Zemin. "Here, if you don't believe me."

"We also don't bring weapons with us, so there is no need to be so tense." Luoyang added.

Tan Zemin and the others were startled because they immediately left after giving him the challenge letter.

"Give that letter to your village head." Ming said as he walked away.

Tan Zemin looked at the village guard members before finally speaking, "You guys keep guarding the gate. I want to deliver this letter to the village head."

"Understood, captain." The village guard members responded in unison.

Tan Zemin and the others were currently in the meeting house. The meeting house was huge and located next to the village guard headquarters.

There were six people in the meeting house. These six people were Wu Lei, Yiran, Chunxi, Siyi, Mao, and Tan Zemin.

"What do you think about this?" Wu Lei inquired.

He and the others were shocked after they read the content of the letter because the people from Sanlow village always attacked them out of the blue.

"Suddenly sending us a letter of challenge makes me suspicious because they usually attack us directly, never giving a letter of challenge like this." Siyi suspected that the people of Sanlow Village had ulterior motives.

"I think so too." Mao added. "I could not help but be suspicious of them because something like this had never happened before."

"Maybe they want to trap us or attack the village when we are absent." Like the others, Chunxi did not believe in Sanlow village people either.

"Because all of us are suspicious of them, should we reject their challenge?" Wu Lei threw another question.

"Yes. Let's decline the challenge because it's suspicious." Mao responded.

"Yes, let's reject it." Yiran added.

"Alright, I will write a rejection letter and send it to them later." After leaving the meeting house, Wu Lei immediately wrote a rejection letter.

When Xing Juzong saw Tan Zemin, he inquired, "What's wrong, brother Zemin?"

"Sanlow Village sent us a letter of challenge to a duel." Tan Zemin gave an honest answer. "But we decided to decline because it's suspicious."

"I see." Xing Juzong nodded his head.

"Jingxian, is your left shoulder alright?" Xiao Tian was still worried about her injury.

"This injury is nothing. I will treat it after returning home." Long Jingxian responded, "Don't worry. This wound will heal within a day after using Doushi powder."

"Maybe I should bring my underlings next time." He suddenly intended to bring his underlings when he returned to Solaris village because the trip to Solaris village was dangerous.

Long Jingxian smiled at him. "I think that's a good idea. But you don't need to bring all of them. I think three or four people are already enough."

"Un. I want to talk with brother Juzong and the others now." Xiao Tian uttered.

"Un." Long Jingxian nodded her head.

Sanlow Village, Meeting Room.

Fu Lim and the others immediately headed to the meeting room after receiving a letter from Wu Lei.

They were not surprised when they read the content of the letter because they had guessed it.

"They rejected our challenge." Fu Lim stated.

"Then let's proceed with plan B." Yasheng responded.

"Alright. I will write another letter and send it to them tomorrow." It was already night, so Fu Lim decided to send the letter tomorrow.

"Un." Ming and the others nodded their heads.

Xiao Tian's Mansion, Long Jingxian's Bedroom.

Xiao Tian was currently with Long Jingxian in her room. After treating her wound, they immediately headed to her room.

Even though the bruise was still there, but she no longer felt pain and could use her left shoulder and arm normally.

"Stop making a sad face." Long Jingxian uttered, "I no longer feel pain now, and the bruise will disappear tomorrow morning."

"I always feel proud to have you as my lover because you are an amazing doctor." Xiao Tian praised his beautiful MILF.

Long Jingxian smiled softly after hearing his praise. "Let's watch a movie."

"Un." He nodded his head.

The duo sat on the soft bed before watching a movie. They held hands as they watched a movie.

The atmosphere got better when it suddenly rained.

'I really like moments like this.'

Long Jingxian hugged his left arm before finally resting her head on his left shoulder.

Xiao Tian smiled softly before finally kissing her hair. Even though they were no longer holding hands, but she was still happy because she hugged his left arm.

He immediately gave her a peck on the lips when Long Jingxian suddenly looked at him and pouted her pink lips.

"Xiao Tian, I love you." Long Jingxian embraced his left arm tighter after saying that.

"I love you too." Xiao Tian was pleasantly surprised after hearing her words.

Did he love it?

Of course!

He never tired of hearing these words because they were magic words.

As Xiao Tian was watching a movie, Long Jingxian suddenly did something shocking.

Chapter 1592 Before Duel

7-8 minutes

"Ah...Ah...Ah..." Long Jingxian's bedroom was filled with her cries.

She was currently having sex with her young lover in missionary style.

Previously, they only watched a movie in her room. However, she suddenly desired to have sex with him after seeing his caring attitude and hearing his sweet words.

This was the reason why she decided to seduce her young lover. And it was also raining heavily outside, so it made her want to have sex with him even more.

"Ah...Ah...Ah..." she wrapped her flawless legs around his butt and looked at him with lustful eyes.

Xiao Tian moved his waist back and forth faster when he saw her lustful expression because her lewd face made the flames of lust within him grow bigger.

"Ah...Ah...Ah..." the faster he moved his waist, the faster she moaned.

'Ah...Ah...Ah...It feels good.'

She added in her mind.

Because the tip of his penis kept hitting her womb, Long Jingxian reached her limit faster than usual.

"Xiao Tian, kiss me. Kiss me." She asked for a kiss because she wanted to have an orgasm while kissing him.

Xiao Tian granted her wish.

He brought his face closer to hers before finally devouring her tender lips.

Long Jingxian instantly wrapped her arms around his back and moved her soft tongue lewdly, intertwining her tongue with his.

'He has reached his limit too.'

She could tell when he was about to have an orgasm because she had already had sex with him countless times.

Long Jingxian tightened her pussy as hard as she could because she wanted them to have an orgasm at the same time.

*Slick...Slick...Slick...

The sound of his penis sliding in and out of her wet pussy could be heard in their ears.

Shortly after that, the duo had an orgasm.

'I'm cumming....'

Like usual, he let out his white sperm deep inside her vagina.

"Huft...Huft...Huft..." they stopped the kiss after having an orgasm.

Xiao Tian did not take his penis out of her pussy immediately because he still wanted to be connected with her.

"Huft...Huft...Huft..." even though they were breathing heavily, but satisfied smiles could be seen on their faces.

They were happy.

They were satisfied because they could have an orgasm at the same time.

"It was great, my love!" after saying that, Xiao Tian kissed her passionately again.

Like before, Long Jingxian welcomed the kiss.

'Yes. It was great!'

She responded in her mind.

After stopping the kiss, Xiao Tian pulled his penis out of her pussy and lay on her right side.

Long Jingxian immediately placed her head on his left arm. "Let's sleep now."

He kissed her forehead before finally smiling. "Good night, my love."

eaglesnovel "Good night, my young boyfriend." She smiled softly.

Not long after that, the duo fell asleep.

Next Day, Solaris Village.

Wu Lei and the other important figures of Solaris village were currently in the meeting house.

They went straight to the meeting house after receiving a letter from Fu Lim. They wanted to know the content of the letter and discuss it immediately.

"What?!" they said in surprise when Tan Zemin read the content of the letter.

"Zemin, did you read it right?" Yiran found it hard to believe what he was hearing.

"I did read it right, first elder." Of course, Tan Zemin was also shocked because Fu Lim wrote something shocking in the letter. "They said they would not attack us anymore if we could defeat them in a duel."

"Is this another trap?" Siyi instantly thought it was a trap because they had been fighting for more than ten years.

And during these years, Sanlow Village had never even once tried to make peace or stop the war; instead, they kept attacking them.

That was why he still could not believe what he was hearing.

"He said this duel would be the last time they fight us." Tan Zemin read the letter again. "He wants to end our long war because he desires to develop his village."

"What do you think about this? Do you think this is a trap?" Wu Lei inquired, "But if he is not lying to us, this is a great chance to end the war."

"What if this is only a trap?" Chunxi inquired.

They should act carefully because Sanlow village was their enemy.

"We have to think about this carefully because the consequences will be fatal if we make hasty decisions." Yiran didn't want them to make a decision they would regret, so he asked them to think carefully.

Of course, he also wanted to end the war because he didn't want the next generation to suffer like them.

Mao touched his chin.

'This is a great chance to end the war, but....'

After thinking for several seconds, he suddenly had a good idea.

"Village head, I have an idea." Mao uttered.

"What is it?" Wu Lei asked curiously.

"How about we accept their challenge? But we will bring half of the village guard squad with us later." Mao told them that they would hide the village guard squad around the battle area.

They would only act as a backup. They would not make a move unless the people from Sanlow village attacked them first.

In other words, his idea was similar to Fenhua's.

The difference was that Fenhua's idea was to attack Wu Lei and the others, while Mao's idea was to protect them.

"I agreed. We will equip them with bows so that they can attack from afar later." They didn't have firearms, so Siyi suggested that the village guard troops be equipped with bows.

"Do you all agree?" Wu Lei inquired.

"I agreed."

"I agreed."

"I agreed."

After thinking carefully, they agreed with Mao's idea.

At the same time, Xiao Tian and the others were on their way to Solaris village. He brought Mu Huo and Chun Hua with him this time.

He did not want to make the same mistake, so he brought his underlings with him. At first, he wanted to bring four people, but he changed his mind.

From his point of view, Chun Hua and Mu Huo were already enough to protect Long Jingxian because they were powerful martial artists.

Of course, Mu Huo and Chun Hua were wearing silicon head masks because they had to hide their identities.

After arriving at Solaris village, he introduced Mu Huo and Chun Hua to Wu Lei. He told Wu Lei that he brought them to protect Long Jingxian.

Wu Lei knew what had happened to Long Jingxian last time, so he did not mind it.

"Big brother Qing, big brother Xing..." Qiao Luli shouted as she ran toward her house.

Xiao Tian and Xing Juzong turned their heads toward her. They smiled softly when they saw her.

"Why are you here? Aren't you supposed to be guarding the village?" Xing Juzong inquired.

"Now is the break time, so uncle Zemin let me go home." She gave an honest answer.

"I see." Xing Juzong responded.

Then they began to chat on the terrace.

Sanlow Village, Meeting House.

Fu Lim and the others were currently in the meeting house. They immediately went to the meeting house after receiving a letter from Wu Lei.

"How is it?" Fu Lim inquired.

"He accepted the challenge, village head." Ming said happily.

"Accepted our challenge?" Fu Lim uttered.

"Yes." Ming nodded his head.

Fu Lim and the others smirked.

'They have fallen into our trap!'

Chapter 1593 No!

7-8 minutes

'They have fallen into our trap.'

After reading the letter, Fu Lim and the others were thrilled because they thought they were one step closer to destroying Solaris village.

Of course, they did not know that Solaris village had a similar idea as theirs.

"Let's prepare everything." Fu Lim spoke and paused for a second before he continued, "We will destroy Solaris village the day after tomorrow."

"Haha" Ming and the others laughed happily.

Solaris Village, Village Guard Headquarters.

"Grandpa, I want to participate in the duel!" Qiao Luli immediately looked for her grandpa after finding out that they would have a duel with Sanlow village.

"No." Wu Lei refused without thinking twice.

He immediately walked away from her, trying to avoid her. Even though it was only a duel, but he would not let her participate in it.

Their opponent was Sanlow village, so it was dangerous. Even though Fu Lim said, it was only a duel, but he did not know what would happen to them.

After all, their opponent was Sanlow village, their mortal enemy.

"But I'm also a member of village guard now, so I have the right to participate in the duel." Qiao Luli still insisted on participating in the duel because she was a member of the village guard now.

"No." like before, Wu Lei refused without thinking twice.

'I won't let that happen.'

He walked away from his granddaughter again.

However, Qiao Luli followed him again because she would not take no for an answer. "Why? I'm no longer weak now. Have you forgotten that I'm a martial artist at the mid-level master stage now?"

He only looked at her for two seconds before finally turning his head to the other side. Of course, he still remembered it, but he did not want to put her in a dangerous situation.

At this moment, everyone was looking at Wu Lei and Qiao Luli. They did not say anything and only stared at them because they did not want to get involved.

Even though Qiao Luli was a member of the village guard, but she was also Wu Lei's granddaughter.

"Grandpa, why? Huang Hu is allowed to participate, so why can't I participate too? We are on the same level now!" Qiao Luli still did not give up.

"My answer is still the same, no!" actually, Wu Lei did not want to hurt her feelings, but this was for the sake of her safety, so he decided to act cruelly.

Qiao Luli then turned around and walked toward Huang Hu. "Huang Hu, fight me! I want to spar with you now."

Huang Hu was stunned.

'Eh?'

He did not expect her to challenge him out of the blue like that.

Everyone instantly turned their heads toward Huang Hu.

"Luli, I think this is not a good idea." Huang Hu refused her challenge.

'Luli, why did you drag me into this?'

He was having a hard time at this moment.

Even though he was sure that he was stronger than her, but he did not want to accept her challenge.

First, he did not want to injure her. Second, she was his close friend. Third, she was Wu Lei's granddaughter.

These were the reasons why he did not want to accept her challenge.

'Help me!'

He looked at the other village guard members, asking for help through his expression.

The other village guard members immediately turned their heads to the other side, avoiding his gaze.

'No. It's your problem. I don't want to get involved in this matter. Sorry.'

Of course, they knew what he had in mind because it was written on his face.

Huang Hu felt like crying when none of his brothers and sisters wanted to help him. "Luli, I think you should guard the village. Isn't guarding the village the main job of the village guard squad?"

'Village head, please help me.'

He looked at Wu Lei after saying that.

"No. I want to participate in the duel against Sanlow village." Qiao Luli refused. "I'm sure grandfather disapproved of me participating because he thought I was too weak. That's why I want to spar with you. I will show everyone that I'm not weak."

Huang Hu shifted his gaze from Qiao Luli to Wu Lei.

'Village head, please help me now.'

He shouted in his head.

At this moment, Xiao Tian and Xing Juzong only stared at them. The duo did not say anything because they were outsiders.

Wu Lei looked at Qiao Luli and spoke, "Luli, stop giving trouble to him."

"But I want to participate in the duel!" Qiao Luli stated.

"Have you forgotten the village guard troop's main duty?" Wu Lei inquired.

At this moment, Qiao Luli remembered Xing Renqing's words.

"Grandpa, I will be mad at you if you don't let me participate in the duel against Sanlow village. And I will leave home and won't return forever." Of course, she was not serious because she only followed Xing Renqing's advice.

Wu Lei felt like crying after hearing her words.

At this moment, the members of the village guard looked at Wu Lei.

'It's over. It's over. He lost!'

They knew how deep his love was for his granddaughter, so they believed he would grant her wish after hearing her words.

Coincidentally, Shangguan Wan'er stepped into the village guard headquarters. She was with her husband this time.

"Luli, don't be like that. You are giving your grandpa hard time, you know?" Shangguan Wan'er knew what was going on because she could hear Qiao Luli's words earlier.

"Big sister Wan'er." Qiao Luli ran toward Shangguan Wan'er with a smile on her face.

Wu lei let out a sigh of relief when he saw her daughter.

'Thank god.'

He believed his daughter would help him later.

However, everything was not like what he thought.

Shangguan Wan'er gave in when Qiao Luli insisted on participating in the duel against Sanlow village.

They finally agreed to bring Qiao Luli with them, but they would not let her fight later.

In other words, Qiao Luli was only a complement!

Time went by quickly, and without realizing it, the day to duel with Sanlow village had come.

The people from Sanlow and Solaris villages were currently in an open field at the foot of the mountain.

That place was huge, with countless trees surrounding it.

Of course, they hid more than half of their men around the fighting area.

There were thirty people in the fighting area now; fifteen people were from Sanlow village, and the others were from Solaris village.

Fu Lim did not say anything when he saw Xiao Tian and Xing Juzong standing next to Qiao Luli because he brought Yao Huan with him.

"Let's make rules before having a duel." Fu Lim spoke, "The first rule is that we can only challenge someone at the same level and the second rule is players can't refuse a challenge if they are at the same level. Would you like to add more rules?"

Wu Lei and the others exchanged a glance before finally nodding their heads.

'These are good rules.'

They agreed with Fu Lin's rules.

Wu Lei returned his attention to Fu Lim. "We agreed."

Fu Lim's lips curled up into a smirk. "Then let's start the duel now.'

'Today is the day we will destroy Solaris village.'

He added in his mind.

Chapter 1594 Duel

7-9 minutes

They decided which group could challenge first by flipping a coin.

"Good!" Wu Lei was pleased with the result. "Who wants to fight first?"

"Village head, let me be the first fighter." Siyi spoke abruptly. "I will challenge Ming because I believe I can defeat him later."

Wu Lei and the others exchange a glance.

'Ming?'

They nodded their heads after finding out that he wanted to challenge Ming.

They believed in Siyi because he was one of the most powerful martial artists in Solaris village.

Wu Lei tapped Siyi's right shoulder and spoke, "Alright. You will fight first, but be careful. Don't underestimate your opponent because one mistake can change the result of the fight."

"Understood, village head." After saying that, Siyi stepped forward. "I will be the first fighter, and I choose Ming as my opponent."

"Oh, you chose me as your opponent? I hope you won't let me down later." Ming was not afraid of Siyi.

Like Siyi, he also had confidence in himself. He believed he could defeat Siyi later.

Siyi and Ming were currently standing in the center of the fight zone. They looked each other in the eye as if they were observing their opponent.

"Beat him, instructor Ming!" Gaozhi shouted. "Show him how powerful Sanlow village's first instructor is."

"Instructor Siyi, defeat him quickly!" Huang Hu uttered, "Show them how strong you are."

Ming shifted his gaze from Siyi's eyes to his right hand.

'He wants to fight me barehanded?!'

He was a little shocked.

"Siyi, are you sure you want to fight me barehanded?" Ming inquired, "If I win the duel, you won't use it as an excuse, right?"

"I'm a martial artist who values honor very highly, so I won't make an excuse if I lose to you later." Siyi responded, "Instead, I think you are the one who will make an excuse."

"Haha. Win and lose are normal in a fight. I would not feel embarrassed if I lost to someone, but...." Ming stopped his words halfway before rushing toward Siyi and attacking him. "I don't think I will lose to you."

Everyone's eyes were on them when Ming made his move.

*Thrust...Slash...Thrust...

Ming attacked Siyi continuously and from all directions.

He did not give Siyi a chance to counterattack because he wanted to defeat Siyi as quickly as possible.

It would lift the spirits of the Sanlow village people if he could defeat Siyi quickly. That was why he tried his best to defeat Siyi in the shortest time possible.

However, Siyi was a powerful martial artist and had a lot of fighting experience, so defeating him was not easy.

Not only did he fail to defeat Siyi in a short amount of time, but he always failed to land an attack on Siyi's body until now.

Did he hate it?

Of course not!

Instead, Ming grinned happily because he felt like his blood was boiling when he fought against a strong martial artist.

"Haha. This is fun. This is exciting!" Ming attacked Siyi as he laughed happily.

He decided to enjoy the fight because he could not defeat Siyi in the shortest time possible.

Bang!

Bang!

Bang!

They exchanged more than twenty attacks in ten seconds.

Because both of them were martial artists at the low-level grandmasters stage, the speed of their attacks was fast.

Due to how fast their attacks were, Huang Hu and Gaozhi could not follow their attacks with their eyes.

'So fast! They are so fast!'

These were the words that appeared in their minds.

All martial artists at the master stage could not follow their attacks. Only one person could follow their movements and attacks.

That person was none other than Xiao Tian!

Yes, Xiao Tian was the only one who could follow their movements and attacks with his eyes!

'They are strong.'

He admitted they were strong, but he believed he could defeat them if they fought.

Even though Siyi and Ming were strong, but they were not as powerful as Dan, the first elder of Sanlow village.

Xiao Tian defeated Dan when they fought at Kingstrie Lake a few days ago, so he believed he could defeat Siyi and Ming if they fought.

Bang!

After fighting fiercely for several minutes, Siyi was the first to land a hit successfully.

"Nice!" Huang Hu shouted happily. "Don't waste the opportunity, instructor Siyi. Keep attacking him! Beat him up!"

Ming rose to his feet and took one step back. "Haha. This is exciting. I would love to keep fighting you, but I have to end it now."

*Inhale...exhale...inhale...exhale...

Ming started absorbing the energy of heaven and earth into his body.

Battle instinct!

Yes, he wanted to fight in battle instinct mode!

"Battle instinct? Coincidentally, I also think the same." After saying that, Siyi did the same thing.

Even though they were not candidates to be the Ruler, they could use battle instinct.

*Shui...

They instantly rushed toward each other.

Because they were in battle instinct mode, every second was important.

"Battle instinct is indeed amazing." Huang Hu clenched his fists.

He tried to feel the energy of heaven and earth countless times, but he always failed.

That was why he was a little jealous when he saw Siyi and Ming fighting in battle instinct mode.

It just so happened that the two of them could use seven percent of the energy of heaven and earth, so they were still fighting equally.

However, it did not last long because Siyi could stay in battle instinct mode for nine seconds while Ming was only eight seconds.

Even though the difference was only one second, but Siyi could do many attacks in one second because he was in battle instinct mode.

Bang!

Bang!

Bang!

Siyi landed seven attacks on Ming's body in a second.

"Uakkk..." Ming was thrown three meters from where he was.

He could not stand up after falling to the ground.

"We lost! Stop now!" Fu Lim shouted when he saw Ming's condition.

"Haha." Even though he lost the fight, Ming was not sad at all.

There were two reasons for this.

First, he enjoyed the fight and last, they would kill Siyi and the others later.

"Huft..." Siyi, who only had a little stamina left, walked toward Wu Lei and the others.

"Well done, instructor Siyi!" Huang Hu said happily.

"Well done, Siyi."

"Well done, Siyi."

"Well done, Siyi."

One by one, his fellow villagers congratulated him for winning the fight.

Siyi smiled happily. "Un."

"Well done, Siyi." Wu Lei tapped Siyi's shoulders. "Your victory means a lot for us because it lifts the spirits of our people."

"Thank you, village head." Siyi was happy after hearing it.

Even though Ming lost the fight, Fu Lim and the others behaved normally because whatever the result of their duel, the ending would be the same.

Wu Lei and the others would die in their hands!

Yes, they believed they could kill Wu Lei and the others later.

After Ming returned to his group, Yao Huan gave him a special medicine. "Drink this. You will be able to fight again in ten minutes."

Ming wasted no time and instantly drank it.

Coincidentally, Xiao Tian saw it.

'What is it?'

He was curious about it.

"Alright, let's continue the fight." Fu Lim uttered, "Gaozhi, you will fight next."

"Understood, village head." After saying that, Gaozhi stepped forward.

Huang Hu grabbed his spear tightly because he believed Gaozhi would choose him.

However, his guess was wrong because Gaozhi did not choose him. "I chose Qiao Luli to be my opponent."

Chapter 1595 I Want To Fight Her

8-9 minutes

'Look at them! They only won the first fight, but they are already so happy about it.'

Fu Lim's lips curled up into a smirk.

'I think it's time to carry out our plan.'

With that idea in mind, he turned his head to look at Gaozhi.

"You will fight next." Fu Lim stated. "Let's carry out our plan now."

"Understood, village head." Of course, Gaozhi knew what their plan was.

Huang Hu grabbed his spear tightly when he saw Gaozhi stepping forward.

'It seems like it's my turn now.'

He thought Gaozhi would challenge him because Gaozhi wanted to defeat him so badly until now.

However, his guess was wrong because Gaozhi did not choose him as his opponent. "I choose Qiao Luli as my opponent."

Fu Lim and the others knew that Qiao Luli had broken through to the mid-level master stage, so it did not break the rules because she and Gaozhi were on the same level now.

And Gaozhi chose her as his opponent not without purpose because everything was premeditated.

Yes, they wanted to mentally attack Wu Lei!

They knew how deep his love was for his granddaughter, so they believed he would not be able to think straight if something bad happened to Qiao Luli.

That was why Fu Lim and the others decided to attack Wu Lei through Qiao Luli.

"Gaozhi, choose me if you dare! Don't you always want to determine who is stronger among us?" of course, Huang Hu would not let Gaozhi fight Qiao Luli because he did not want something bad to happen to her.

Xiao Tian and Xing Juzong were shocked.

'Hmm? He chose Luli?'

They shifted their gaze from Gaozhi to Qiao Luli.

"Huang Hu, I will fight you later, but I want to fight her now." even though Gaozhi really wanted to fight Huang Hu, but he could not do that now because he had to follow their plan.

Everything was for the sake of his village, so he had to suppress his desire to fight Huang Hu.

"No! I refuse this!" Wu Lei refused instantly. "She is not a participant, so you can't challenge her. She only came to watch the duel, nothing more than that."

"Wu Lei, she came to this place with you, so she is a participant by default. You can't act as you please in this place. Did you forget the rules?" Fu Lim tried his best to get Gaozhi to fight against Qiao Luli.

"Gaozhi, choose me if you dare! Or are you a coward now? Challenging a girl much younger than you, do you have no shame now?" Huang Hu tried to make Gaozhi angry, hoping it could change his mind.

"Like I said, I will fight you later." Gaozhi still acted normally.

"Grandpa, it's fine. I will fight him." Qiao Luli was not afraid of Gaozhi.

She also did not think that she would lose to Gaozhi, so she wanted to try fighting him.

"No! Gaozhi, change your opponent! She is not a participant." Wu Lei stared at Gaozhi before shifting his gaze to Fu Lim.

'Evil bastards!'

He cursed venomously in his heart.

"I don't want to change my opponent. I want to fight her!" Gaozhi refused instantly. "She and I are on the same level, so I don't break the rules. Or has Solaris village become a coward village now?"

Whatever happened, he had to fight Qiao Luli and beat her up, so he started making fun of them.

"I think you are right, Gaozhi. The Solaris village has become a coward village now!" Fenhua added.

"Haha. Then you guys should change your village's name from Solaris to Coward. Haha." The Sanlow village people laughed mockingly.

Wu Lei gritted his teeth.

He hated it when they said Solaris village was a coward village, but at the same time, he did not want his granddaughter to fight Gaozhi.

Even though Gaozhi and Qiao Luli were on the same level, but he was the strongest person in Sanlow Village's younger generation.

Qiao Luli just broke through to the mid-level master stage, and she didn't have much fighting experience, so it was dangerous.

The risk was too high!

He did not dare to take the risk because the consequences could be fatal.

'Then there is only one choice for me now.'

He clenched his fist and gritted his teeth.

'I'm sorry, everyone. I will properly apologize to you guys later.'

His love for his granddaughter was so deep so he chose to protect her over maintaining the village's pride.

"We lost the second match!" Wu Lei stated. "Let's continue to the next match."

The people from Solaris village did not say anything.

Actually, they had guessed something like this would happen because they knew how deep his love was for his granddaughter.

Of course, they did not blame him because he was a grandfather before a village head. And there were still many matches, so the possibility of them winning the duel was still high.

However, Qiao Luli did not accept it. Sure, she knew her grandfather was doing it for her own good, but she still did not accept it.

She was a martial artist and a member of the village guard, so she did not want to be protected all the time.

She wanted the freedom to determine everything for herself!

She felt like she was a kid if he kept protecting her. That was why she wanted him to start believing in her.

She wanted him to know that she was not weak.

'Hmf! Grandpa is so annoying!'

She wanted to prove to everyone that she was not weak.

"I accept your challenge." After saying that, Qiao Luli walked closer to Gaozhi.

"Luli, stop! What are you doing?" of course, Wu Lei wanted to stop her because it was dangerous to fight Gaozhi.

"Wu Lei, she has accepted the challenge, so don't stop her!" Fu Lim's lips curled up into a grin when he saw Qiao Luli walking closer to Gaozhi.

'Good!'

He added in his mind.

Huang Hu rushed toward Qiao Luli and grabbed her right hand. "Luli, come back!"

"Hu, let go of me!" Qiao Luli was unhappy with Huang Hu's actions.

Of course, Huang Hu ignored her words. "Gaozhi, if you are a man, fight me! You are a sissy if you still want to fight her."

"Luli, come back here!" Wu Lei uttered, "I will kick you out of the village guard squad if you don't listen to me."

"Grandpa, I'm not weak. Let me fight him!" Qiao Luli shouted back.

"Luli, listen to village head." Huang Hu uttered, "If you want to fight someone, I will spar with you after returning to the village."

"No!" after saying that, Qiao Luli freed herself from him. "I'm not weak, and I'm also a member of the village guard!"

"Luli, listen to your grandpa!" Huang Hu raised his voice.

"NO!" Qiao Luli refused. "I will fight him and show everyone that I'm not weak!"

"Huang Hu, go back to your place now." Fu Lim uttered, "Don't disturb the duel!"

Huang Hu ignored Fu Lim and looked at Wu Lei, asking for his opinion.

Like before, the people from Solaris village did not say anything and let Wu Lei decide everything.

Of course, Wu Lei knew that his actions could hinder her from becoming a powerful martial artist because she needed a lot of fighting experience to become a strong martial artist.

However, her opponent was someone from Sanlow village, their mortal enemy. He was afraid that he would regret his decision later.

This was why he did not want her to accept the challenge because the risk was too high.

"Grandpa..." Qiao Luli really hoped Wu Lei would not stop her again.

"Elder Lei, I think you should let her fight him." Xing Juzong spoke abruptly. "Let her gain fighting experience. We will stop the fight immediately if her life is in danger."

Wu Lei looked at Xing Juzong before shifting his gaze to Qiao Luli.

He took a deep breath before finally exhaling. "Alright. You can fight him."

"Village head?!" Huang Hu disagreed with Wu Lei's decision because he knew Gaozhi's personality.

"Hu, come back here." Wu Lei hoped he would not regret his decision later.

"Luli, surrender immediately if you can't beat him." Huang Hu uttered, "Don't worry. We will definitely win this duel."

"Un." Qiao Luli nodded her head.

Gaozhi's lips curled up into a grin. "Then let's start the duel now."

Chapter 1596 Is It Because Of The Serum?

7-8 minutes

Gaozhi was currently fighting against Qiao Luli. Qiao Luli was fighting barehanded while Gaozhi was using a blade.

Even though his opponent was three years younger than him and fighting barehanded, Gaozhi showed no mercy.

He kept attacking her with his blade, intending to injure her heavily.

"Qiao Luli, is your ability just like this?" Gaozhi attacked Qiao Luli while laughing mockingly.

Huang Hu's eyes were filled with flames of fury, and he grasped his spear tightly.

He was furious.

He was enraged because Gaozhi dared to bully Qiao Luli.

He really wanted to teach Gaozhi a lesson, but he could not do anything now. All he could do was look at them.

Unlike Huang Hu, Wu Lei looked at their fight with a worried face. He felt hurt whenever Gaozhi landed an attack on Qiao Luli's body.

'She has been hit five times now. Should we surrender?'

Even though Qiao Luli could still fight, but he could not stand seeing her being hit by Gaozhi.

That was why he suddenly wanted to stop the fight because his heart ached whenever Gaozhi hit his granddaughter.

Xiao Tian shifted his gaze from Qiao Luli to Wu Lei.

He sighed when he saw Wu Lei's worried face. Of course, he knew what Wu Lei felt, but Wu Lei was overprotective of his granddaughter.

He believed Qiao Luli would not be able to become a powerful martial artist if Wu Lei kept behaving like that.

Qiao Luli was a martial artist, so she needed fighting experience to make her stronger. No one could become strong if they didn't have fighting experience.

Fu Lim's lips curled up into a grin when he saw Gaozhi beating up Qiao Luli.

He was pleased.

He was delighted because everything went according to their plan.

'Good!'

The happiness in his heart grew bigger when he saw Wu Lei's worried expression.

'Good job, Gaozhi!'

He wanted Gaozhi to keep beating up Qiao Luli.

"Qiao Luli, even though we are on the same level, but the difference between us is like heaven and earth." Gaozhi stated. "I didn't know you were so weak like this. You disappointed me, Qiao Luli."

Qiao Luli wiped off the blood on the corners of her mouth.

'I need to calm down.'

Even though she was at a disadvantage, she did not give up because their fight was still not over, and she also believed she could turn the tables later.

"I will attack again!" after saying that, Gaozhi attacked Qiao Luli again.

Like before, Qiao Luli blocked and avoided his attacks, but she always failed to land an attack on his body.

Even though they were on the same level, but Gaozhi had more fighting experience than her, so it was normal if he had the upper hand in the fight.

Bang!

Gaozhi kicked Qiao Luli's belly, causing her to be dragged three meters back.

Bang!

Bang!

Bang!

Qiao Luli kept getting attacked by Gaozhi.

Wu Lei could not take it anymore and wanted to stop the fight immediately. "Stop, we lost! Stop the fight now!"

The people from Solaris village said nothing because they also could not bear to see Qiao Luli get beaten up by Gaozhi.

Qiao Luli was still seventeen years old, so they did not want something bad to happen to her.

"Grandpa, I can still fight." Qiao Luli refused to surrender and wanted to keep fighting.

"No! Stop fighting now!" Wu Lei told Qiao Luli to stop fighting Gaozhi.

Fu Lim was thrilled after hearing Qiao Luli's words. "Wu Lei, she still wants to fight, so don't stop her. Let her fight."

"Luli, stop now!" Wu Lei raised his voice.

However, Qiao Luli ignored his words and kept fighting Gaozhi. She knew how important the duel was, so she had to win the fight.

Everything was for the sake of her village, so she had to win the fight no matter what.

Wu Lei was breathless with anger because Qiao Luli ignored his words. He told her to stop fighting for her sake, but here, she was not listening to his words.

"Luli, stop fighting now!" Huang Hu shouted. "Didn't you hear your grandpa's words?"

Like before, Qiao Luli behaved as if she did not hear anything. She was a member of the village guard, so she must not bring shame to her village.

However, she still could not defeat Gaozhi. She even kept getting beaten up by him.

She hated it.

She disliked it because no matter how hard she tried, she could not defeat Gaozhi.

'No! I can't lose this fight. Everything is for my village. I have to win this fight.'

She kept repeating these words as if she was chanting a magic spell.

Bang!

Gaozhi kicked Qiao Luli's stomach, causing her to be thrown three meters back.

"Uakkk..." blood splashed out of her mouth before she fell to the ground.

'No. I can't lose this fight. I have to win.'

She rose to her feet and rushed toward Gaozhi.

But the same thing happened again.

She was sent flying by Gaozhi's kick!

'No. I have to win this fight. I have to win this fight.'

Qiao Luli said the same words in her head over and over again until something hard to believe finally happened to her.

Her eyes suddenly turned yellow, and her movements resembled that of a wild beast.

Yes, she suddenly behaved like a tiger!

Her yellow eyes, her fighting style; everything resembled a tiger.

Everyone was stunned, especially people from Sanlow village.

'What's going on?'

The villagers of Sanlow Village did not know that Qiao Luli had been the subject of experiments in the past because Yao Huan did not say anything about this.

Gaozhi was shocked when Qiao Luli suddenly became much stronger.

'What's going on? How could she suddenly become stronger? And what kind of fighting style is that?'

He felt as if he was fighting against a tiger, not a human.

Previously, he could read her attacks easily, but he could no longer do that now. Her movements and attacks were unpredictable, and she acted like a wild beast now.

Wu Lei and the other villagers could not believe what they were seeing.

They knew that Qiao Luli had been the subject of experiments in the past, but something like this had never happened before.

They only knew that she would feel immense pain every time the side effects of the serum kicked in.

They had no idea that the serum could make her act like a wild beast.

Xiao Tian and Xing Juzong widened their eyes in surprise.

'What's going on?'

They were stunned because Qiao Luli suddenly acted like a wild beast.

"Elder Lei, what's wrong with Luli? Why is she li-" Xiao Tian stopped his words halfway when he saw Wu Lei's expression.

He could tell from Wu Lei's expression that Wu Lei was also shocked like him.

"Is it because of the serum?" Xiao Tian suddenly suspected it was because of the serum that had been infused into her body.

Unlike Wu Lei, Yao Huan smirked when he saw Qiao Luli.

'Senior's experiment was a success!'

Yes, he was the one who asked the people from Sanlow village to catch Qiao Luli because he knew who she was.

'Ah...I really want to catch her and examine her body.'

Chapter 1597 I Challenge You To Duel With Me

7-8 minutes

Qiao Luli was still fighting against Gaozhi. If previously he had the upper hand in the fight, now the tables had turned.

Now Gaozhi always failed to land an attack on her body. Not only that, but he was getting beaten up by her too.

His body was filled with injuries, and blood could be seen on the corners of her lips.

It even could no longer be called a fight because Gaozhi was getting beaten up without being able to put up a fight.

One-sided fight!

Yes, these words were the right words to describe what was happening right now.

Goazhi was beaten up by Qiao Luli without being able to put up a fight.

No!

He even could not protect himself, causing him to get beaten up by his opponent continuously.

'How? How could she suddenly become so strong like this?'

He still found it hard to believe what was going on.

He was the strongest martial artist in the Sanlow village's younger generation.

When he fought against Huang Hu, the strongest martial artist in the Solaris village's younger generation, something like this had never happened.

But when he fought against Qiao Luli, he was humiliated by her. And what hurt his pride most was that she was three years younger than him.

He could not accept it.

He did not want to accept it.

Something like this should not have happened because his opponent was not Huang Hu, but Qiao Luli.

This was the reason why he could not believe what was going on.

Even though Qiao Luli had the upper hand in the fight, the people from Solaris village wore worried faces, especially Wu Lei.

They would not be worried if Qiao Luli was in her normal state, but her current state was not normal.

They were afraid that something bad might happen to her later. That was why they were not happy even though Qiao Luli almost won the fight.

"Gaozhi, what the hell are you doing?" Fu Lim was enraged because Gaozhi was getting beaten up by Qiao Luli.

He thought Gaozhi was playing around with her. That was why he was furious because it could ruin their plan.

"Stop playing around and beat her!" Fu Lim still believed Gaozhi could defeat Qiao Luli.

"Village head, something is wrong with her!" Gaozhi responded as he avoided Qiao Luli's attacks.

"What do you mean by that?" Fu Lim shouted back. "Stop playing around or I will punish you later."

"Grrr..." Qiao Luli looked at Gaozhi as if he was her prey.

She was completely behaving like a wild beast and could no longer think straight.

No!

She even did not know what was going on.

At that time, what she had in mind was she had to beat Gaozhi. This was the reason why the serum suddenly kicked in because her mind was filled with how to beat Gaozhi.

Bang!

Bang!

Bang!

Gaozhi was sent flying by Qiao Luli's kick.

Not only that, but she immediately attacked him again.

Yes, she showed no mercy!

Gaozhi's face was filled with blood, and he could not see clearly because he felt dizzy from losing too much blood.

'I can't endure this anymore.'

He only lay on the ground, letting Qiao Luli attack him continuously.

Qiao Luli kept clawing on his face, causing her fingers to be filled with his blood. She was under the influence of the serum, so she did not know how to stop.

She kept attacking Gaozhi as if she wanted to kill him and tear his body apart.

"Gaozhi, stand up now!" Fu Lim shouted. "Fight back!"

Actually, he still found it hard to believe what was going on because Gaozhi was the strongest person in the younger generation.

Previously, he thought Gaozhi only played around with Qiao Luli, but now he knew his guess was wrong.

'How? Something like this should not have happened because she just broke through to the mid-level master.'

Countless questions appeared in his mind.

"Luli, stop! You have won the fight." Wu Lei did not want his granddaughter to kill Gaozhi because Fu Lim could use this as an excuse to break his promise later.

They already had the upper hand in the duel, and he wanted to end the long war, so he did not want Qiao Luli to kill Gaozhi.

"I can't stand it anymore!" a red-haired man, around thirty-four years old, rushed toward Qiao Luli and kicked her waist, causing her to be thrown three meters to the left.

He was Xiong, a martial artist at the high-level master stage. He could not stand to see Qiao Luli beat up Gaozhi, so he decided to attack her.

"You!" the people from Solaris village were furious when Xiong suddenly attacked Qiao Luli.

"You have crossed the line!" Xiong rushed toward Qiao Luli again, intending to beat her to death.

Xiao Tian instantly used the Dragon Move technique to help Qiao Luli. Even though she was powerful, but she was still a martial artist at the mid-level master stage.

"So fast!" Fu Lim and the others were shocked when they saw Xiao Tian's footwork technique.

Before Xiong could punch Qiao Luli's face, Xiao Tian caught Xiong's right fist. "Stop!"

Xiong was unhappy with Xiao Tian's actions and gritted his teeth. "She has crossed the line, so I have to punish her!"

"What do you mean by that? There are only two rules and I'm sure you still remember it. Instead, you are the one who have crossed the line. Why did you attack her when the fight is not over yet?" Xiao Tian's eyes gleamed with terrifying light as he stared at Xiong.

Gaozhi did not surrender, and Fu Lim did not try to stop the fight, so the fight was still not over. That was why Xiong should not attack Qiao Luli because it had crossed the line.

"Luli!" Wu Lei rushed toward his granddaughter.

However, she did not recognize him. That was why she attacked him when he approached her because she thought he was enemy.

Wu Lei had no choice but to knock her out because he was afraid that it would make her condition worse.

Xiong instantly took one long step back after freeing himself from Xiao Tian's grasp. "You!"

Xiao Tian ignored Xiong and turned his head to look at Qiao Luli.

'I will ask Jingxian to check her body after this.'

He hoped that nothing bad would happen to her.

Xiong gritted his teeth when Xiao Tian did not pay attention to him because the meaning of his behavior was clear.

Xiao Tian did not put him in his eyes!

Both of them were on the same level, so it hurt his pride when Xiao Tian underestimated him.

'I want to beat him to death!'

Even though Xiao Tian managed to stop him from beating Qiao Luli, he still believed he would not lose against Xiao Tian.

'Yes. I can challenge him to duel!'

He suddenly wanted to challenge Xiao Tian because he dared to interfere earlier.

Xiong walked toward Fu Lim and told Fu Lim that he wanted to fight Xiao Tian. Fu Lim agreed instantly because he also hated Xiao Tian.

Xiong stepped forward and pointed his right index finger at Xiao Tian. "You! I challenge you to duel with me now!"
