

## ILLICIT RELATIONSHIP

### Chapter 17 - First Day Of Competition

Tit.... Tit..... Tit.... Tit.... Tit.... Tit.... Tit.... Tit

The alarm clock ringing echoed in Xiao Tian's room.

'It's already morning.'

Xiao Tian's face broke into a smile when he saw his aunt sleeping on top of him, naked. The smile on his face grew bigger when he saw his mother sleeping deeply on his right side, nude.

Last night, they had wild sex after dinner and watched TV in the living room because Ye Xueyin was still jealous of how Xiao Tian treated Ye Qingyu.

Ye Xueyin kept asking Xiao Tian to kiss her in exchange. Of course, Xiao Tian accepted it with a smile on his face. Ye Xueyin and Xiao Tian kissed a lot last night.

From when they watched TV until finally, it was like the TV watching them because, in the middle of watching TV, they kept kissing until finally they no longer cared about the TV anymore.

They kissed from normal kisses to passionate kisses and from passionate kisses until they had sex.

At first, Xiao Tian only had sex with Ye Xueyin. However, after hearing Ye Xueyin's moans, Ye Qingyu, who was watching TV, suddenly got aroused and joined them.

After Ye Xueyin couldn't handle Xiao Tian's sex drive anymore, Ye Qingyu took over Ye Xueyin's position. Ye Qingyu and Xiao Tian continued to have sex until they finally stopped when they were satisfied.

When Xiao Tian and Ye Qingyu stopped having sex, his cock was still inside her vagina. It was Ye Qingyu's safe day, so Xiao Tian didn't bother to take out his cock and kept his cock inside Ye Qingyu's pussy.

At that moment, Xiao Tian and Ye Qingyu were in the spoon sex position, and neither one of them wanted to separate from each other, so they chatted while he was still inside her.

Xiao Tian and Ye Qingyu were enjoying the closeness as they talked when still connected. They were talking about a lot of things, like how their relationship or about future goals.

Xiao Tian and Ye Qingyu talked for quite a while, and every so often, if Xiao Tian's cock started to go soft, Xiao Tian would move his cock a little deeper, or Ye Qingyu would clench her vagina's muscles just a little bit to regain his cock's hardness.

Once in a while, Xiao Tian would also play with Ye Qingyu's nipples to help get his cock hard again. At that moment, they felt closer, and he also could feel that she started to open her heart to him.

When Xiao Tian and Ye Qingyu wanted to sleep, Xiao Tian grabbed her waist and put her on top of him while still connected.

"It's already 06.00 am," Xiao Tian uttered,

"What is it, Tian?" Ye Qingyu asked while still closing her eyes

"Aunt, wake up." Xiao Tian spoke and paused for a second before he continued, "Today is the first day of the competition. I have to go to the piano competition early so that I can prepare myself."

"Oh! Alright," Ye Qingyu opened her eyes before getting up. "Hmm,"

Ye Qingyu let out a seductive moan when she felt that Xiao Tian's cock was coming out of her vagina. Even though Xiao Tian's cock was already soft, she

was still able to feel it because they were connected. That was why she let out a soft moan.

After that, Ye Qingyu and Ye Xueyin headed to the kitchen to prepare breakfast. Because Xiao Tian didn't want to waste time, he immediately took a shower.

-----

"I have to do my best today!" Xiao Tian said as he looked at himself in the full-body mirror.

He was wearing a dark grey shirt and blue jeans. The clothes were well suited in his body. He looked mature and stunning wearing those clothes, coupled with a middle-length shaggy hairstyle with bangs, Xiao Tian looked breathtakingly handsome.

After putting on his clothes, he headed to the family room to see his mother and aunt.

Ye Xueyin and Ye Qingyu, who saw Xiao Tian, were stunned by his good looks.

"As expected of my son, he is so handsome." Ye Xueyin said proudly

Ye Qingyu didn't want to admit it, but Xiao Tian did look more handsome than usual.

"Tian, breakfast is ready. Eat first before going to the piano competition, so that you will have energy for the competition later," Ye Qingyu said as she smiled.

Not long after that, they finished consuming the food. Because Xiao Tian wanted to go to the piano competition immediately, he dashed towards his room to take his smartphone.

After taking his smartphone, Xiao Tian came out of his bedroom and wanted to go to the piano competition, but he suddenly stopped his footsteps when he was in the living room.

Xiao Tian turned around and walked toward his mother and his aunt. "Oh! I forget something."

"Hmmm," Ye Qingyu was surprised when Xiao Tian suddenly kissed her lips, but she accepted it and immediately kissed him back.

"My son is such a beast!" Ye Xueyin said as she giggled

Upon hearing Ye Xueyin's words, Xiao Tian broke the kiss and said, "Is that so? then I'll gladly become a beast."

After saying that, Xiao Tian immediately kissed his mother's lips too.

"Hmmm..." Ye Xueyin let out a soft moan when Xiao Tian kissed her.

Xiao Tian then put his tongue into Ye Xueyin's little mouth. Ye Xueyin widened her eyes when Xiao Tian did that, but she didn't reject it. Not long after that, they began to kiss passionately.

After two minutes, Xiao Tian broke the kiss. "Alright, I've got the thing I forgot,"

After saying that, Xiao Tian left.

"Bad boy!" Ye Xueyin said as she looked at her son's back.

"How could your son become a beast, big sis? He wasn't like that in the past," Ye Qingyu inquired.

"In the past, we used to tease him every day." Ye Xueyin said and paused for a second before she continued, "Do you remember what you did two years ago? After taking a shower, you pretended to drop your towel in front of him and showed him your naked body. I thought, he could endure it anymore. That's why he does whatever he wants now."

"Is that so?" Ye Qingyu said as she touched her chin, "So you mean, we are the ones who made him like that?"

"Maybe." Ye Xueyin replied, "But everything has already happened. It's too late to go back to being like a normal family again because we have done something forbidden."

"Yes. It was because we lost ourselves in lust yesterday. Big sis, I have already told you that teasing him is a bad idea." Even though Ye Qingyu said that, she didn't regret her actions.

"Well, he was so cute in the past, so I couldn't help but tease him. You even started teasing him too" Ye Xueyin suddenly remembered Xiao Tian's cute behavior.

"Well, seeing how cute he was and how often big sis teased him, I could not help but tease him too." Ye Qingyu actually didn't want to tease Xiao Tian in the past, but because her big sister always teased him and her nephew put on a cute expression whenever her big sister was teasing him, she suddenly wanted to do that too.

"Ah! Now he has already leveled up from cute to a beast," Ye Xueyin said

"Un. You're right" Ye Qingyu nodded her head.

-----

At the piano competition.

Xiao Tian currently was sitting in the waiting room. There were at least a few hundred people participating in the piano competition.

After waiting for about five hours, Xiao Tian's participant number was finally called. Without waiting for another second, Xiao Tian entered the audition room.

The audition room was around 8x8 square meters, with a grand piano in the middle of the room. There were three judges, two middle-aged men, and a middle-aged woman.

The judges sat on red chairs with a long table in front of them. Each of them had mineral water and a box of cake on the long table.

One of the middle-aged men judges wore a navy blue long sleeves shirt and black pants while the other wore navy black long sleeves shirt and black pants. The middle-aged woman wore a red dress.

"Wow! What a handsome young man!" the middle-aged woman judge was surprised and instantly covered her mouth after seeing how handsome Xiao Tian was.

"Thank you." Xiao Tian said as he smiled

"Please remember your age." the middle-aged man, who wore a navy blue long sleeves shirt, said as he laughed.

"Is it wrong to call him handsome when he is indeed attractive?" the middle-aged woman judge responded.

"Hahaha. No, of course not. Ah! if you like him, why don't you become his sugar mommy?" the middle-aged man, who wore navy black long sleeves shirt middle-aged man, said jokingly

"That's right." the middle-aged man who wore navy blue long sleeves shirt added.

"Boy, do you want to become her white boy?" the middle-aged man, who wore navy black long sleeves shirt middle-aged man, asked jokingly as he pointed his index finger toward the middle-aged woman.

At this moment, Xiao Tian only smiled.

"Alright, let's stop joking around. What's your name, young man?" the middle-aged woman judge inquired.

"Hello, judges. My name is Xiao Tian, number 666." Xiao Tian said

After Xiao Tian introduced himself, the entire area dropped into silence.

"Xiao Tian?" The middle-aged woman said in surprise.

"Xiao family? What is Xiao family member doing here?" the middle-aged man, who wore navy blue long sleeves shirt, inquired.

"Young man, are you from Xiao family?" the middle-aged man, who wore navy black long sleeves shirt, asked curiously.

After hearing the Xiao surname, the first thing that popped into the heads of the judges was the famous Xiao family. One of the biggest families in Shanghai with their companies net worth multi-billion Yuan.

When Xiao Tian introduced himself, he knew that their reactions would be like that. That was why his predecessor wanted to change his surname from a long time ago. However, for some reason, the department of population and civil registration always made it difficult for him to change his family name.

"I'm not from the Xiao family." Xiao Tian replied as he shook his head. "If I were from the Xiao family, I wouldn't be here right now."

"That's right. If he were from the Xiao family, there is no way the Xiao family would allow him to participate in this competition, because in their eyes, this level of competition is not worth their attention. It will only bring shame to Xiao Family if they let their family members participate in this level of competition," blue clothes middle-aged man said.

"The prize for the champion is only 200,000 Yuan. For Xiao Family, 200,000 Yuan is nothing. Maybe they even don't know about this competition because

it's not worth their attention." the middle-aged man who wore navy black long sleeves shirt added.

"Alright, let's begin. There are a lot of people waiting outside." the middle-aged woman uttered,

Upon hearing the middle-aged woman's words, Xiao Tian walked toward the grand piano and sat on the chair.

After that, he played the piano.
