

ILLICIT RELATIONSHIP

Chapter 18 - So, Will You Kiss Me Or Not?

Xiao Tian played a famous song in front of the judges very well. There was no mistake in his play as if it was the creator himself playing it.

Before they knew it, the judges shut their eyes as they enjoyed the melody he was playing. When Xiao Tian was looking at the judges, a soft smile spread across his face.

'Good!'

After he finished playing the piano, the judges opened their eyes, and a smile appeared on their faces.

"Wow! Well done, young man." the middle-aged man who wore navy black long sleeves shirt uttered.

"Yes. You played it really well. I really enjoyed it." the middle-aged man who wore navy blue long sleeves shirt spoke.

"Well done, young man. Now you just have to wait for the results to be announced." the middle-aged woman said and paused for a second before she continued, "Because this is not a big competition, we'll choose the top ten today. The top ten will have one more competition to determine the top three champions in this building, but the final will be held on the second floor."

"The results will be out tonight, so don't forget to check it on the website." the middle-aged man who wore navy blue long sleeves shirt uttered.

"Thank you." Xiao Tian bowed slightly to the judges before leaving the competition room.

Because there was nothing to do anymore, he went straight home.

'Sigh. This is boring.'

Because he was alone at home, Xiao Tian decided to go to his mother's shop.

Xiao Tian's face blossomed into a smile when he saw many customers enjoying themselves.

When Ye Xueyin saw her son entering the shop, she immediately asked, "Tian, how is it?"

"The results for the top ten will be announced tonight." Xiao Tian responded, "If I'm selected into the top ten, I'll have one more competition to determine the top three winners."

"So, what do you think? Do you think you will be in the top ten??" Ye Xueyin inquired.

"Of course." From the reactions of the judges, Xiao Tian believed that he would be selected to enter the top ten later.

Upon hearing Xiao Tian's words, Ye Xueyin giggled and uttered, "You look confident."

"You will know about it tonight," Xiao Tian responded,

"So, do you have to go to that place again to see the results?" Ye Xueyin asked curiously.

"No." Xiao Tian shook his head, "I can see the results on the website."

After that, Xiao Tian helped his mother serve the customers as usual. Time went by quickly, and without realizing it, it was already 05.00 p.m.

After closing the shop, Xiao Tian and Ye Xueyin went straight home. Today, Ye Qingyu would return home late, so only Xiao Tian and Ye Xueyin would be at home later.

After dinner, Xiao Tian headed to the backyard while carrying mats, portable lamps, and a pillow. After arranging everything neatly, Xiao Tian lied down, and looked at the sky.

"Sigh! There is no moon, and the stars are not as many as usual," Xiao Tian mused.

Not long after that, Xiao Tian heard footsteps approaching him, and from the sound, that person was running towards him. However, Xiao Tian didn't bother to see who that person was.

Yes. That person was none other than Ye Xueyin. At this moment, she was running while holding her smartphone.

"Uakkk!" Xiao Tian widened his eyes when his mother suddenly jumped on top of him

"Tian, mother had checked on the site and saw the results. Your name is there. You're in the top ten." his mother said as she smiled cheerfully.

"Ah! Is that so?" Xiao Tian said with a flat voice

Ye Xueyin was dumbfounded after hearing his flat voice. "Are you not happy?"

Xiao Tian was confident that at least, he could be the top three, so he wasn't surprised when Ye Xueyin said he was in the top ten.

"I'm happy, so will you give me a kiss on the lips now?" Xiao Tian touched Ye Xueyin's cheeks and smiled beautifully.

"You...Hmm! Bad boy! How could you ask that to your mother?" even though she said something like that, she was pleased by his words.

"Before you're my mother, you're my lover." Xiao Tian made an excuse.

"Before you're my lover, you're my son." Like Xiao Tian, Ye Xueyin also made an excuse. However, it was a fake excuse.

"So, my girlfriend dares to talk back to me, huh?" Xiao Tian said as he pinched her nose

"You.... bad boy!" Ye Xueyin said while rubbing her nose.

"So, will you kiss me or not?" Xiao Tian repeated his question.

She turned her head to the other side and said, "No! I won't kiss you!"

Of course, she was lying when she said this.

Because Xiao Tian knew that she was lying to him, he touched her cheeks and made her face him.

After looking at her pretty face for several seconds, Xiao Tian brought his face closer towards hers before he finally kissed her beautiful pink lips.

To his surprise, Ye Xueyin instantly welcomed the kiss. There was not the slightest of rejection.

She even started kissing him passionately like a lover who was in love.

"Kyaaa.." Ye Xueyin was shocked when she found out that Xiao Tian had lifted her skirt to her waist.

However, Ye Xueyin immediately ignored it and continued kissing him. As Ye Xueyin was kissing Xiao Tian, she suddenly felt something hard pressing against her stomach.

Ye Xueyin instantly broke the kiss and inquired, "Are we going to do it here?"

"Of course," Xiao Tian said as he played with her pussy through her thong.

"Ah...." Ye Xueyin's thong was immediately wet, and love juice began dripping down her thighs.

As Xiao Tian was playing with Ye Xueyin's pussy through her thong, Ye Xueyin kissed him again. She cupped his face and kissed him passionately.

Because he wanted to enjoy the kiss, Xiao Tian stopped playing with Ye Xueyin's pussy and wrapped his arms around her waist.

To his surprise, Ye Xueyin suddenly started moving her hips, rubbing her pussy against his cock through their clothes.

Ye Xueyin broke the kiss and said, "Tian, mother can't hold back anymore."
