

ILLICIT RELATIONSHIP

Chapter 2 - Teasing Lin Xing Xue

After walking for about fifteen minutes, they finally arrived at Lin Xing Xue's house. Her house was ordinary, and there was a small garden in the front yard with a few flowers and fruit trees.

"Come in," Lin Xing Xue spoke as she smiled.

Xiao Tian immediately entered her house and sat on the red couch in the guest room. The guest room was around 4x4 meters, with the painting of the ocean hanging on the wall.

Not long after that, Lin Xing Xue returned with first-aid in her hands and sat next to him.

Because she wanted to clean his wound first, Lin Xing Xue grabbed Xiao Tian's face with her left hand and turned his head to face her.

At this moment, Xiao Tian, who saw Lin Xing Xue's face, realized that she was a gorgeous lady. Due to night time and lack of light, Xiao Tian was unable to see Lin Xing Xue's face clearly earlier.

But after Xiao Tian was inside her house and could see her face clearly, he realized that Lin Xing Xue was a beautiful mature lady.

Lin Xing Xue was an attractive mature lady with shoulder-length hair. Her black eyes were clear like autumn water. She also has a sharp nose and charming lips with light pink lipstick on it.

At that moment, Xiao Tian wondered why her ex-husband decided to divorce a pretty lady like her.

Feeling his gaze, Lin Xing Xue inquired, "What? Is there something on my face?"

"No. I'm wondering why your ex-husband decided to divorce such a beautiful woman like you. Isn't that stupid?" Xiao Tian answered honestly.

Upon hearing his words, Lin Xing Xue unconsciously cleaned his wound harder.

"Ahh!" Xiao Tian cried out in pain.

"What a glib tongue!" Lin Xing Xue's face blossomed into a smile when Xiao Tian praised her beauty. "I'm sure you have many girlfriends right now, right?"

The corner of Xiao Tian's lips twitched after hearing her words. "I don't have a girlfriend right now,"

From his predecessor's memory, Xiao Tian didn't have a girlfriend because his predecessor was focused on his studies. Many girls desired to be his predecessor's girlfriend, but his predecessor rejected all of them.

What a pity! Xiao Tian thought to himself.

"I don't believe it. A handsome young man like you must have at last three girlfriends, right?" Of course, Lin Xing Xue did not easily believe his words because Xiao Tian was an attractive young man.

"But I don't have a lover right now," Xiao Tian gave an honest answer.

Sigh... it was because my predecessor desired to be a successful man before deciding to have a girlfriend. What a pity, my predecessor died before he could achieve his dream. Well, don't worry because I'll make sure that I'll become a successful man, so you, my predecessor, can rest in peace. Xiao Tian thought to himself.

"Don't move!" Lin Xing Xue brought his face closer towards hers because she wanted to bandage his head.

When Xiao Tian was looking at her beautiful face from a very close range, his mind went chaotic, and his heart began to beat faster every second.

Realizing his intense gaze, Lin Xing Xue inquired, "What is it?"

"How about you become my woman?" Xiao Tian was half-joking and half-serious. If her answer were definite, he would push it to the end but, if her response was negative, well, it meant he needed to try harder next time.

Lin Xing Xue, who was treating his wound, didn't expect that Xiao Tian would say something like that. She suddenly stopped moving her hands for a second before moving it again, "What? you want me to become your lover?"

"Un, un" Xiao Tian knew that his predecessor had a good relationship with her because they were neighbors.

Her face broke into a smile before looking at him lovingly, "Alright, I'll become your lover,"

"Really?!" Xiao Tian asked in disbelief. He found it hard to believe what he was hearing.

He didn't expect that it was so easy, making it difficult for him to believe it.

"Of course not!" Lin Xing Xue answered instantly. "I was joking, you know. I'm even older than your aunt, and you still want me to be your lover?"

The corner of his lips twitched after hearing her words. However, Xiao Tian didn't give up because there was a little positive in her reply. He only needed to push it all the way. "Why not? Love is blind, you know."

"Did you say something?" Lin Xing Xue pretended as if she heard nothing.

"Alright, I have bandaged your wound."

When Xiao Tian realized that he didn't feel dizzy anymore, and Lin Xing Xue had treated his wound, Xiao Tian nodded his head. "Un.. un.. My lover is good at treating my wound."

Upon hearing his words, Lin Xing Xue crossed her arms over her chest and inquired, "Who is your lover?"

Xiao Tian pointed his right index finger at her and replied, "Of course it's you. You're my lover."

"When did we become lovers?" Lin Xing Xue denied shamelessly.

"Earlier you told me that you accepted me as your boyfriend," Xiao Tian said with a scowl.

"But I was joking. Hmph!" Lin Xing Xue grimaced and turned her head to avoid his gaze but, a tiny smile slowly emerged on her face.

"Alright, alright. Because we're lovers, how should I call you from now on?" Xiao Tian inquired as he touched his chin. "How about Xing Xue? Xue Xue? Xue? or little Xue?"

"Heyy..." Lin Xing Xue shouted, pretending to be angry. It had been a long time since she was delighted and could smile from the bottom of her heart after her daughter left her.

Xiao Tian rose to his feet and spoke, "Alright, little Xue. I have to go home. I'm afraid my mother will be worried if I don't go home soon because I told her that I only wanted to go to the nearest supermarket to buy something."

"Stop calling me little Xue! And..... Let's go to your house together!" Lin Xing Xue felt like a bad woman if she let him go home alone after he was injured for helping her. At least, she could explain to his mother what had happened to him and apologize.

"What is it, little Xue? Are you already unable to part with me?" Xiao Tian said jokingly, "Don't worry. I'll see you again tomorrow."

"Stop calling me little Xue! And I.. I just want... I want to see your mother." Lin Xing Xue responded shyly.

"What? Do you want to ask for blessings for our relationship?" of course, Xiao Tian knew why she wanted to meet his mother, but because it was a perfect time to tease her, Xiao Tian decided to say something like that.

"You...You bad boy!" Lin Xing Xue answered while pouting, "I don't want to talk to you anymore!"

Upon seeing her pouting face, Xiao Tian suddenly desired to embrace her and kiss her. However, he knew that it was impossible because their relationship was still not at that stage yet so, he had no choice but to hold back his desires.

"Alright, alright. Let's go meet OUR mother." of course, Xiao Tian kept teasing her because he loved seeing her reaction when he teased her.

"It's your mother, not OUR mother!" even though Xiao Tian kept teasing her, Lin Xing Xue wasn't angry; instead, she was pleased by it.

"What's the difference?" Xiao Tian inquired, "She will become your mother too, in the future."

Lin Xing Xue instantly rose from the couch and responded, "You bad boy! I don't want to talk to you anymore!"

After saying that, she headed to the living room to put the first-aid before returning to the guest room, "Let's go to your house."

The corner of his lips twitched after hearing her words.

'Didn't you say that you didn't want to talk to me anymore?

Ohh, woman....'
