

## Illicit 201

### Chapter 201 - Is That A Bad Idea?

"Sigh.." Ye Qingyu could only sigh, seeing the behavior of her big sister and nephew. Because Ye Qingyu knew that there was no point in telling them to wear clothes at that time, she decided to ignore it.

Then Xiao Tian sat on the left side of his mother and said, "Aunt don't make a face like that. Earlier you saw our naked bodies, right? So what is the difference?"

"It's different because earlier, we were having se-" Ye Qingyu didn't finish her words and sat on the chair, "Forget it. Let's eat while the food is still warm,"

"Un." Xiao Tian and Ye Xueyin nodded their heads.

Then they began to eat, and of course, they also talked about many things.

After having breakfast, Xiao Tian immediately said, "Aunt, can you take a day off for today?"

"Why?" Ye Qingyu had no idea as to why her nephew suddenly wanted her to take a day off for today.

"Today, I want us to spend time together all day." today, he planned to spend all day with his mother, but in his view, it would be better if they could spend time with Ye Qingyu too.

"Yes, Qingyu. Take a day off for today. Let us spend time together all day," Ye Xueyin also had the same thoughts as her son.

Ye Qingyu still hadn't answered and only looked at them. But because her big sister and nephew wanted to spend time with her, Ye Qingyu decided to follow the wishes of the two of them, "Alright. I will call the company later."

Xiao Tian was pleased when he knew that his aunt agreed to spend time with them. Then he rose from his seat and dashed toward his aunt before kissing her right cheek, "Perfect,"

"Good." Ye Xueyin smiled happily because it had been a long time since they spend time all day together. The last time they spent time together was before Ye Qingyu was transferred to Beijing. That was why Ye Xueyin couldn't help but smile happily.

"So, what are we going to do today?" Ye Qingyu inquired,

Because Xiao Tian didn't have a plan, he looked at his mother and asked, "Mother, what are we going to do?"

"I don't know," Ye Xueyin answered as she shook her head.

At this time, Ye Qingyu looked strangely at them, "You said that you want us to spend time together, but here, neither of you has a plan of what you want to do for today,"

Ye Xueyin then touched her chin and began to think about what they would do for today. And as if she found a brilliant idea, she immediately looked at them and chirped, "How about we watch TV all day?"

'Mother, you want us to watch TV all day? It's a terrible idea!'

Xiao Tian shouted in his head.

Black lines formed on Ye Qingyu's face after hearing her big sister's words.

When Ye Xueyin noticed the expression on the faces of Xiao Tian and Ye Qingyu, she asked them, "Is that a bad idea?"

'Of course, it is.'

Xiao Tian immediately answered in his head.

However, because he didn't have the heart to say it, Xiao Tian gave his mother a better idea, "It's a good idea, but from my point of view, it will be better if we spend time together outside, not at home. For example, we can go somewhere, and in the afternoon, we can make barbeque chicken in the backyard,"

"Good idea." Ye Xueyin answered happily.

"I agree with it," Ye Qingyu nodded her head.

"Alright, let's take a bath first." Xiao Tian said

"Un," Ye Xueyin rose from her seat and grabbed her son's right hand, "Tian, let's take a bath together,"

"Alright," Xiao Tian nodded his head.

But when Xiao Tian and Ye Xueyin were about to walk out of the dining room, Ye Qingyu immediately spoke, "Wait,"

Xiao Tian and Ye Xueyin stopped their footsteps and turned around.

"No sex in the bathroom." When Ye Qingyu saw her big sister and nephew walking out of the dining room hand in hand, she suddenly thought that they would do something in the bathroom later.

"Ehhh! But I plan to have sex with Tian in the bathroom," Ye Xueyin gave her little sister an honest answer

"Yes. I also have plans to have sex with mother in the bathroom," Xiao Tian added.

"We just had sex a few minutes ago, and you two want to have sex again?" Ye Qingyu could hardly believe what she was hearing. She didn't expect that they had plans to have sex again in the bathroom.

'Don't both of you love sex too much?'

The reason Ye Qingyu forbid them to have sex in the bathroom was that she believed that it would take a long time for them to finish having sex later. Ye Qingyu really wanted to spend time together with them. That was why she wanted them to go somewhere as soon as possible.

Xiao Tian and Ye Xueyin looked at each other before finally they nodded their heads and answered in unison, "Alright."

Then they headed to the bathroom, and after several minutes, they finished taking a shower. After dressing up, they immediately went to the zoo.

The reason they decided to go to the zoo was that they hadn't been there for a long time. At the zoo, they saw various kinds of animals.

Of course, they didn't forget to take a picture with the animals too. At that time, they were very much enjoying themselves, and without realizing it, it was already 03:00 pm.

Because they wanted to grill barbeque chicken, they immediately went home. Along the way, they talked about what they had done at the zoo earlier. And because they really enjoyed themselves, they planned to go to the zoo again in the near future.

After several minutes of driving, they finally arrived home. With a smile on their faces, they got out of the car and entered the home.

And because they wanted to make barbeque chicken immediately, they brought all the ingredients for barbeque chicken to the backyard.

Without waiting for another second, they began to make barbeque chicken. While Ye Qingyu and Ye Xueyin were grilling barbecue chicken, Xiao Tian prepared the place to eat. And after that, Xiao Tian helped his mother and aunt grilling barbeque chicken.

## **Chapter 202 - Aunt, Let Me Tell You The Secret Of Us, Men**

6-7 minutes

---

After they finished grilling barbeque chicken, it suddenly rained. Because of this, they immediately brought the food into the house.

After they placed the food on the table in the living room, they didn't immediately eat it; instead, they took a shower first.

After bathing, they returned to the living room.

Because Xiao Tian wanted to eat the food while watching TV, he took the TV remote control and turned on the TV. "Let's eat the food,"

"Un." Ye Xueyin and Ye Qingyu nodded their heads.

As Xiao Tian was eating the food, he didn't forget to feed his mother and aunt the barbeque chicken. Of course, sometimes, he fed his mother and aunt from mouth to mouth too, which always ended up with them having a passionate kiss.

After a brief moment, they finished eating the barbeque chicken. However, because it was still raining, Xiao Tian headed to his room to take a blanket, and after that, he returned to the living room.

And as usual, Xiao Tian sat between his mother and aunt, "Mother, aunt. It's cold now. Here, use this."

Ye Qingyu and Ye Xueyin immediately covered their bodies with the blanket.

"I really love spending time with you two like this," Xiao Tian looked at his mother and aunt before finally he held their hands.

"Me too," Ye Xueyin was delighted when she noticed that her son was holding her left hand. Because it was raining, Ye Xueyin thought that it was a perfect time to hold hands and watch TV like what they were doing at that time.

["me three," Ye Qingyu said. Sorry joking. author]

"Yes. I also love it when we spend time together like this," Ye Qingyu said from the bottom of her heart.

After that, they watched TV until 11:00 pm.

Realizing that, Xiao Tian looked at his mother and aunt, "Mother, aunt, let's go to bed."

"Alright," Ye Xueyin then stretched out her hands, "Tian, carry mother to your room,"

Xiao Tian could only smile, seeing his mother's behavior. He had no idea as to why his mother became more spoiled today. But of course, Xiao Tian didn't hate it; instead, he loved it because, in his eyes, his mother's behavior was adorable.

"Alright," Xiao Tian then carried his mother in princess style.

Because they wanted to sleep in Xiao Tian's room again, Ye Qingyu rose from the couch and was about to head to her nephew's room too.

Seeing this, Xiao Tian immediately said, "Aunt, don't move and wait here,"

Even though Ye Qingyu had no idea why her nephew suddenly wanted her to wait in the living room, she followed his words, "Alright,"

After Xiao Tian put his mother on the bed, he immediately returned to the living room. And without saying anything to his aunt, Xiao Tian placed one arm around her back and the other arm around the bend in her knees.

When Ye Qingyu noticed that her nephew wanted to carry her in princess style, she giggled and said, "So, you want to carry me to your room?"

"Yes. That's right." because earlier his mother wanted him to carry her to his room, of course, Xiao Tian wished to carry his aunt too. Xiao Tian realized that until now, he often treated his mother better over his aunt. That was why he tried his best to treat them equally.

"Why did you suddenly want to carry me?" even though Ye Qingyu knew the reason, she still asked him.

"Because I want to," Xiao Tian gave her a simple answer.

"Wait. You won't ask for sex as a reward for carrying me to your room, right?" Ye Qingyu said jokingly.

"Oh! That is a brilliant idea!" of course, Xiao Tian knew that his aunt was joking. But because he wanted to tease her, he played along in her game.

Ye Qingyu pinched her nephew's nose and smiled, "No! I won't have sex with you again for today,"

"For today?" Xiao Tian spoke and paused for a second before he continued, "So, we can have sex again tomorrow?"

Ye Qingyu looked strangely at her nephew and sighed, "Sigh. In the past, you were a shy person but now, you look like a completely a different person. Not only have you changed completely, but it looks like you also became a pervert,"

"Aunt, let me tell you the secret of us, men." Xiao Tian looked at his aunt with a serious face as if he wanted to tell her a world-class secret, "There are two types of men in this world. The first is, the men who dare to admit that they are perverted and the second is, the perverted men who don't dare to admit it and pretend that they are not perverts. Of course, I belong to the first group,"

Ye Qingyu was shocked after hearing her nephew's words. She didn't expect that he would say something like that, "Ho, so what you mean is that all the men in this world are perverts?"

"Correct. It's just that some of us are good at hiding it or don't want to admit it in front of others," Xiao Tian said as he looked at his aunt, "If you don't believe me, just throwing a beautiful naked woman in front of a man. I'm sure that man will immediately have his way with the beautiful lady. But of course, on condition that they are somewhere alone."

"You're not saying this to make yourself not look bad, are you?" Ye Qingyu covered her mouth and giggled.

However, after hearing her nephew's words, Ye Qingyu began to believe that all men in the world were perverts like what he just said. The reason for her to accept her nephew's words was that almost all the men in the company where she worked always looked at her as if they were stripping her naked in their eyes.

"No." Xiao Tian shook his head.

After Xiao Tian entered his room, he immediately put his aunt on the bed and laid down between his mother and aunt.

### **Chapter 203 - Double Date Plan**

6-7 minutes

---

Two seconds after Xiao Tian laid down on his back, Ye Xueyin immediately rested on his chest, "Tian, it's mother's turn to sleep on your chest, right?"

Actually, Xiao Tian wanted to put his aunt on top of his body, but because his mother suddenly laid prone on his chest, Xiao Tian didn't have the heart to say no to his mother, "Yes. it's mother's turn now."

Ye Xueyin smiled happily when she knew that she was able to sleep on her son's chest. Then she turned her head and looked at her little sister, "Qingyu, you can embrace his right arm later,"

'Mother, it's my arms, so why did you behave as if it's my arms belong to you?'

Those were the words Xiao Tian wanted to say to his mother. But of course, he didn't voice it out because sleeping with his right arm being embraced by his aunt was a good idea too.

Ye Qingyu, who was lying down on the right side of her nephew, grabbed his right arm and embraced it tightly, "Alright,"

'Eh!'

Xiao Tian didn't expect that his aunt would immediately hug his arms.

When her son was in a state of surprise, Ye Xueyin grabbed his left arm and placed it around her waist, "Tian, you should embrace mother too,"

"Alright," Xiao Tian then hugged his mother with his left arm and smiled.

Not long after that, they fell asleep.

-----

The next day in the morning, after Xiao Tian had breakfast with his mother and aunt, he went straight to the campus.

And as usual, after he finished his morning class, Xiao Tian headed to the University Garden.

'It seems like I need to use that plan if I want my clothing design for this season to be more popular,'

Xiao Tian, who was lying down on the wooden bench, suddenly remembered the method his past life father had used to make his clothing design more popular.

And when Xiao Tian was making plans for the development of his business, Zhao Sheng suddenly appeared in front of him. "Yo, Xiao Tian. I've got information that Feng Ao's wife is now at Yuwen mall."

"Yuwen mall?" Xiao Tian opened his eyes and looked at Zhao Sheng, "Yuwen mall is huge, so it will be a little difficult to find her,"

"Don't worry, one of my people is following her right now." because Xiao Tian asked him to find Liu Ning, Zhao Sheng send one of his people to look for her. And after he received the location of her whereabouts, he immediately went to meet Xiao Tian to tell him about it.

"Perfect," Xiao Tian stood up and looked at Zhao Sheng, "Let's go,"

"Eh! You want me to come with you?" earlier, Zhao Sheng thought that Xiao Tian would meet her alone. He just didn't expect that Xiao Tian would bring him along with Xiao Tian.

"Of course. Because if you come with me, she will think that I meet her by coincident later," at first, Xiao Tian wanted to meet her alone, but after thinking for a while, he felt that it would be better to bring Zhao Sheng with him because, with that, Liu Ning wouldn't be suspicious of him.

Because Zhao Sheng had nothing to do at the campus, he agreed to follow Xiao Tian. "Alright,"

Then Xiao Tian and Zhao Sheng went to Yuwen mall. And after they arrived at the Yuwen mall, Xiao Tian and Zhao Sheng got out of the car.

After they entered Yuwen mall, Zhao Sheng immediately called the person who was following Liu Ning. "Where is she?"

"The target is on the second floor, young master." a woman voice rang out through Zhao Sheng's smartphone. Then he turned his head toward Xiao Tian, "She is on the second floor."

"Let's meet the person who is following Liu Ning first." Because Zhao Sheng told him that the person who was following Liu Ning was female, Xiao Tian decided to change his plan.

"Alright," even though Zhao Sheng had no idea why Xiao Tian decided to meet his people first, but he followed Xiao Tian's words because he knew that Xiao Tian had a plan for it. "Wait there. We are heading to the second floor,"

The woman immediately answered, "Yes, young master,"

After Xiao Tian and Zhao Sheng stepped into the second floor, a beautiful woman around twenty years old walked toward them and said, "Young master, she is inside the Zilan bag shop right now,"

"Good job," Zhao Sheng said as he nodded his head. "This is my friend. His name is Xiao Tian."

After Zhao Sheng introduced Xiao Tian to the person who was following Liu Ning, she bowed slightly and said, "Hello, young master Xiao. My name is Mo Lian,"

"Hello, lady Mo Lian." Xiao Tian said as he smiled. Because he didn't want to waste time, Xiao Tian immediately told Zhao Sheng and Mo Lian about his plan.

After Xiao Tian finished telling them about his plan, they waited not far from the Zilan bag store. Seconds turned into minutes, and without realizing it, fifteen minutes had passed.

When Xiao Tian saw Liu Ning had left the Zilan bag shop, he looked at Zhao Sheng and Mo Lian, "Alright. Let's make our move now,"

Without waiting for another second, Zhao Sheng held Mo Lian's hands and walked toward Liu Ning. At this time, Zhao Sheng and Mo Ling were pretending that they were lovers.

Because Xiao Tian's role at that time was as the third wheel, he walked behind Zhao Sheng and Mo Ling with an annoyed face.

And when Liu Ning was right beside them, Xiao Tian immediately said, "Lady Liu Ning?"

"Oh! Xiao Tian?" even though Liu Ning was shocked when she saw Xiao Tian again, she didn't show it on her face, "We meet again. What are you doing here?"

Xiao Tian then pointed his index finger toward Zhao Sheng and said in an annoyed tone, "See that couple? Earlier, I came to Yewen mall with him, but he suddenly called his girlfriend, and here, I've become the third wheel now,"

When Liu Ning saw the annoyance on Xiao Tian's face, she covered her mouth and giggled, "Hehe. So, it's like that."

**Chapter 204 - Lady Liu Ning, Please Don't Make Fun Of Me**

6-7 minutes

---

"So, the young man who is famous recently becomes the third wheel?" Liu Ning found it funny that Xiao Tian became the third wheel right now. Because of how handsome he was, Liu Ning thought that there would always be women around him.

But not only was he not surrounded by women, he even became the third wheel. Knowing this, Liu Ning could barely contain her laughter.

"Lady Liu Ning, please don't make fun of me." Xiao Tian said in a sad voice. Of course, he also made a sad face to make her believe that he really became the third wheel now.

"Sorry. I didn't mean to make fun of you." Liu Ning covered her mouth so that she could hold back her laughter,

Realizing that it was time to say something to Xiao Tian, Zhao Sheng stopped his footsteps and turned around, "Xiao Tian, what are you doing?"

'Eh!'

Liu Ning was shocked when she saw Zhao Sheng. She didn't expect that Xiao Tian's friend was Zhao Sheng, a handsome young man from a famous upper-class family.

From Young Talented People magazine, Liu Ning remembered that a few months ago, Xiao Tian was from a lower-class family, and now, in a short amount of time, he already has a friend from an upper-class family.

Two days ago, Xiao Tian met Yun Xin Er, a singer who was famous in China, and now, he was hanging out with a family member from well-known upper-class families.

I didn't expect that all his friends are famous people. Liu Ning thought to herself.

"Bastard, you want me to keep following you?" Xiao Tian pretended to be angry with Zhao Sheng.

"Of course. We are friends, right? So, you have to follow-" Zhao Sheng stopped his words and walked toward Xiao Tian and Liu Ning, "Oh! Who is this pretty lady? Your friend?"

"Yes," Xiao Tian nodded his head.

"Lady, what is your name?" Zhao Sheng inquired

"Sigh... Your girlfriend is in your embrace right now, and you are still behaving like this?" Xiao Tian pretended to be annoyed when Zhao Sheng wanted to know her name.

"Aish, Xiao Tian. I just want to know her name. Nothing wrong with that, right?" Zhao Sheng spoke and paused for a second before he continued, "We are friends, so you have to introduce your friend to me too,"

Xiao Tian didn't immediately answer him and only looked at Liu Ning because he wanted her to decide whether she wants to be introduced to Zhao Sheng or not.

Because Liu Ning didn't want to be rude with Xiao Tian's friend, she introduced herself, "Hello, young master Zhao. I'm Liu Ning,"

"Oh! You know about me?" of course, Zhao Sheng pretended to be surprised when Liu Ning knew what his name was because he believed that almost all people in China knew who he was.

"Yes," because Zhao Sheng often appeared on TV with his grandfather, Liu Ning knew who Zhao Sheng was. She just didn't expect that she would meet someone from the famous Zhao family.

"Lady Liu Ning, as you already know, my name is Zhao Sheng." Zhao Sheng then looked at Mo Lian, "And she is my girlfriend, Mo Lian."

"Hello, lady Liu Ning," Mo Lian said as she smiled.

"Hello, lady Mo Lian," Liu Ning answered.

When Zhao Sheng noticed that Xiao Tian was winking his right eye, he knew that he needed to proceed to the next plan, "Lady Liu, how about you join us? You see, my friend here always complains because he has become the third wheel, so if you join us, he won't complain to me anymore,"

Liu Ning didn't immediately answer and only looked at Xiao Tian. At this time, she was wavering whether she should join them or not.

Because Liu Ning still hasn't given an answer, Xiao Tian knew that he had to say something to her, "Lady Liu, can you join us? You see, this friend of mine always ignores me since his girlfriend is with him, so if you join us, I will have a friend to talk to,"

After thinking for several seconds, Liu Ning nodded her head, "Alright,"

"Perfect," Xiao Tian was pleased when Liu Ning agreed to join them because, with this, the first step of their plan went smoothly.

"So, where are we going?" Liu Ning inquired.

"Where are we going?" earlier, Xiao Tian had told Zhao Sheng that they should go to the ice-skating rink. From the information that Zhao Sheng had given to him, Liu Ning couldn't ice skating. That was why he told Zhao Sheng to go to ice skating rink because Xiao Tian wanted to take advantage of the situation later.

Zhao Sheng then touched his chin and pretended to think. After several seconds, he looked at Xiao Tian and said, "How about we go ice skating?"

Hearing Zhao Sheng's words, Liu Ning immediately said, "Young master Zhao, I can't ice skating. Can we go to another place?"

'Of course not.'

Xiao Tian immediately answered in his head.

"Lady Liu, I will teach you how to ice skating later, so let us go to the ice-skating rink." in his past life, Xiao Tian often came to the ice-skating rink, so he was an expert at it. But of course, he would make a mistake on purpose later.

"Lady Liu Ning, Xiao Tian is skilled in ice skating, so you don't need to worry about it," Zhao Sheng spoke and paused for a second before he continued, "Oh! If something happens to you later, you can sue him. Hahaha."

"Bastard!" Xiao Tian snarled.

Liu Ning couldn't help smiling after hearing Zhao Sheng's words. From how they behaved, Liu Ning thought that Xiao Tian and Zhao Sheng were close friends. "Alright,"

"Let's not waste time any more time and immediately go to the skating rink," Zhao Sheng said as he smiled.

Xiao Tian, Liu Ning, and Mo Lian nodded their head at the same time. Then they left the Yuwen mall and went to the skating rink.

And after several minutes of driving, they finally arrived at their destination.

## **Chapter 205 - Teaching Liu Ning How To Skate**

6-7 minutes

---

After they changed their clothes and rented skates, they headed to the rink. Of course, they had warmed up before because it was essential to warm up before skating.

"Luckily, today, only a few people in the rink." Xiao Tian then stepped onto the ice and stretched out his arms, "Lady Liu, hold my hands,"

When Xiao Tian asked her to hold his hands, Liu Ning didn't immediately do what she was told. She only looked at Xiao Tian for about seven seconds before finally extending her arms and holding both of his hands.

"Carefully step onto the ice," Xiao Tian gave Liu Ning a piece of advice.

Because she was afraid that she would fall as soon as she stepped onto the ice, Liu Ning felt as if she was unable to move her legs.

Seeing this, Xiao Tian smiled and said, "You don't need to worry, lady Liu. Just carefully step onto the ice, and you will be fine,"

Xiao Tian knew that Liu Ning was afraid to step onto the ice. That was why he told her that she wouldn't fall because he was holding her hands.

"Alright," with fear that could still be seen on her face, Liu Ning raised her right leg and landed it onto the ice. She then did the same thing with her left leg. When Liu Ning was standing onto the ice, her face broke into a smile. "Xiao Tian, I didn't fall into the ice,"

"You are doing great, lady Liu." Xiao Tian praised her, "Now, bend your knees and turn your toes slightly out."

"Alright," Liu Ning did what she was told because she realized that Xiao Tian had a lot of experience in skating.

"Good. Now push the leg back, and diagonally. After that, bring your leg back to the start position." When Liu Ning did what she was told, Xiao Tian began to skate backward slowly.

"Hehe," even though Xiao Tian was still holding her hands, Liu Ning was pleased when she could skate.

When Xiao Tian noticed the happiness on her face, a soft smile spread across his face, "How is it, lady Liu? It's not scary, right?"

"Yes." Liu Ning nodded her head.

At this time, Zhao Sheng and Mo Lian were following them from both of their sides,

"Lady Liu Ning, it's easy, right?" Zhao Shen, who was skating on her right side, looked at Liu Ning, and asked.

"It's easier because Xiao Tian is helping me," because Liu Ning was balancing her body, she answered without looking at Zhao Sheng.

Zhao Sheng and Mo Lian then began to skate in the middle of the rink.

When Xiao Tian noticed that Liu Ning often looked toward her legs, Xiao Tian gave her an advance, "Lady Liu, don't look down. It's dangerous and can make you fall too,"

Upon hearing Xiao Tian's words, Liu Ning raised her head and looked forward. However, due to Xiao Tian's face was right in front of her, Liu Ning suddenly felt shy because with her looking forward, Xiao Tian's handsome face was clearly visible in her eyes.

But of course, Liu Ning didn't show it on her face and behaved normally. She was a married woman and older than Xiao Tian, so feeling shy over something like that would make her feel ashamed. However, when she saw the beautiful smile on Xiao Tian's face, Liu Ning suddenly lost her balance.

When Xiao Tian noticed that Liu Ning was falling into the ice, he immediately pulled her toward him. But Xiao Tian suddenly lost his balance too, making them fall into the ice. "Lady Liu, are you alright?"

"I'm fine." When Liu Ning noticed that she was on top of Xiao Tian's body, she immediately tried to stand up. But because she was still a beginner, she fell into Xiao Tian's body again.

"Huft...Huft...Huft..."

The sound of them breathing from their mouths could be heard in their ears. At this moment, the distance between their faces was so close that it made them could feel their hot breath.

And as if they were unable to move their bodies, they did nothing and looked into each other's eyes. They didn't try to stand up and remained in the same position.

Of course, Xiao Tian didn't try to stand up and only looked at her beautiful face. Actually, he planned to do something like this later. Xiao Tian just didn't expect that it would happen sooner and that even without him making an effort to make it happen.

At this moment, Liu Ning forgot that she was a married woman, and the person under her wasn't her husband. And as if she was hypnotized by Xiao Tian's beautiful black eyes, Liu Ning kept looking into his eyes, and she also didn't try to stand up.

Of course, Xiao Tian didn't immediately ask her to stand up because he also wanted to enjoy the situation they were in.

Because Xiao Tian wanted to charm her, he showed her his trump card. And his trump card was his beautiful smile.

"Lady Liu, let me help yo-" when Xiao Tian noticed that Liu Ning was looking at him intently as if he was the most precious person in the world, he was thrilled because, with this, Xiao Tian knew that his plan was going smoothly.

Because Liu Ning was being lulled in the beauty of his eyes, she didn't hear what Xiao Tian had just said. Liu Ning kept looking at his face, or more precisely, looking into his beautiful black eyes.

Because Xiao Tian thought that it was time to stand up. He touched her right cheek and smiled, "Lady Liu Ning, we need to stand up,"

Upon hearing his words, Liu suddenly realized that she had been looking into his eyes for quite a long time. And not only that, she was even lying prone on top of his body.

Liu Ning just didn't expect that she, a married woman, did something like that to another man who was not her husband. Not only was he not her husband, but Xiao Tian was younger than her too. This made Liu Ning suddenly feel shy and didn't know what to say.

For this reason, she turned her head to the left side so that she could avoid his gaze, "Alright,"

## **Chapter 206 - Should I Call You The Third Wheel Young Man From Now On?**

7-9 minutes

---

After that, Xiao Tian helped her sit on the ice. And because Xiao Tian understood that Liu Ning didn't know how to stand up, he told her what she had to do, and at the same time, he also showed her how to do it.

"Lady Liu, to stand up, you need to spin around onto your knees and put one knee up," Xiao Tian spoke and paused for a second before he continued, "After that, place both hands on the knee and push as hard as you can to stand up."

Liu Ning then tried what she was told. But apparently, it wasn't as easy as she thought because when she was trying to stand up, Liu Ning fell into the ice again.

Because of this, she looked at Xiao Tian and said, "Xiao Tian...."

Even though Liu Ning didn't finish her words, Xiao Tian understood that she wanted him to help her stand up.

With a soft smile on his face, Xiao Tian stretched out his arms and said in a soft voice, "Hold my hands,"

Without waiting for another second, Liu Ning held his hands and tried to stand up again. After standing up, her face broke into a smile. "Thank you,"

"Un," Xiao Tian nodded his head, "Let's skate again,"

"Alright," Liu Ning held Xiao Tian's hands tighter and began to skate again.

"Good. You're doing great, lady Liu," Xiao Tian was pleased when he knew that Liu was getting better at skating, "Move your legs and follow me. Left, right, left, right, left, right. Good. Keep it up like this."

Liu Ning followed every word from Xiao Tian. When she realized that she was getting better at skating, she looked at Xiao Tian and smiled happily "Xiao Tian....."

Xiao Tian smiled and nodded his head, "Un. You are a fast learner, lady Liu,"

"No. It's you who is good at teaching me," in the past, Liu Ning had learned how to skate, but she didn't get better after that. That's why she was pleased when she was getting better at skating. "Thank you."

'Hehe, with this, every time you skate, you will remember me,'

Xiao Tia laughed loudly in his head.

"It's my pleasure, beautiful lady." Xiao Tian said as he smiled.

Liu Ning had no idea why she suddenly felt happy when she heard Xiao Tian calling her beautiful lady. "I find it hard to believe that a young man like you don't have a girlfriend. You are handsome, successful, and gentle, so I thought you have many lovers out there."

Because Xiao Tian didn't want her to know that he already has three lovers, a deep sigh of sadness escaped from his mouth, "Sigh... If I had a girlfriend, I wouldn't become the third wheel like before."

"Hehehe," Liu Ning couldn't help but smile when she heard the words of the third wheel, "Should I call you the third wheel young man from now on?"

"Lady Liu Ning, please don't make fun of me." Xiao Tian pretended to be sad.

"Sorry. Hehe." Liu Ning stopped laughing because she didn't want to make him sad anymore, "So, why don't you look for a new girlfriend?"

"I have tried to find a new girlfriend, but until now, I still haven't found the right woman for me," because Xiao Tian had to keep pretending, he had no choice but to lie to her, "If only I had a girlfriend like you, I would be the happiest person in the world,"

Liu Ning was shocked by his words. She didn't expect that Xiao Tian would say something like that, "I'm sure there are many women who are better than me. You just need to try harder to find your true love,"

Xiao Tian had guessed that Liu Ning would say something like this. That was why Xiao Tian had prepared the answer, "But in my view, a woman like you is rare in this world. Even though we only met a few times but I can tell that you are a kind and gentle lady. And not only that, you even have a beautiful face. In my eyes, this makes you look like an angel who descended from the highest heavens,"

"Hihi," Liu Ning chuckled after hearing Xiao Tian's words, "I didn't expect that a handsome young man who has a glib tongue like you don't have a girlfriend."

Xiao Tian pouted his lips after hearing Liu Ning's words.

Seeing the expression on his face, Liu Ning pinched his cheeks and smiled, "Haha. Sorry. Don't make a face like that or your good look will-"

However, before Liu Ning had finished her words, she fell into the ice again. But before Liu Ning fell to the ice, she still had time to pull Xiao Tian's clothes, making them fall into the ice together again.

"Hahaha. We fell into the ice again," even though she fell into the ice, Liu Ning didn't complain or angry; instead, she was laughing happily.

"Lady Liu Ning..." Xiao Tian, who was on the top of Liu Ning's body, looked at her intently as if they were lovers who hadn't seen each other for a long time.

Seeing the expression on his face, Liu Ning stopped laughing. This time, she didn't try to avoid his gaze; instead, she looked back into his black eyes.

After seven seconds looking into each other's eyes, Liu Ning opened her mouth as if she wanted to say something to him, but suddenly she closed it again.

They kept looking into each other's eyes for several seconds before finally, Xiao Tian brought his face closer toward hers.

Despite knowing what he was about to do, Liu Ning did nothing because, at the moment, her mind was elsewhere.

Liu Ning forgot that she was a married woman, and of course, she also didn't remember that the person who was about to kiss her was none other than the person she met a few days ago. Liu Ning kept looking into his black eyes as if she was waiting for him to kiss her.

At this moment, Xiao Tian didn't immediately kiss her; instead, he was bringing his face toward hers very slowly. It took about four seconds before finally, Xiao Tian's lips met hers.

Two seconds after Xiao Tian pressed his lips against hers, Liu Ning came to her senses and immediately pushed Xiao Tian away, "We shouldn't do this. I'm a married woman, and you are also younger than me."

Liu Ning found it hard to believe what they had done just now. Even though she was having problems with her husband, but she didn't expect that she would kiss another man.

At this moment, Liu Ning was unable to blame Xiao Tian because she realized that she was also the wrong one here.

If earlier, she immediately pushed him before he kissed her, something like this wouldn't happen to her.

But what made her find it hard to believe was she didn't do anything when he was about to kiss her earlier.

"Xiao Tian, help me stand up so that I can skate again," because they were both wrong Liu Ning decided to pretend as if nothing had happened to them.

Her action much surprised him. Earlier, Xiao Tian was about to say something to her, but because she chose to pretend as if nothing had happened to them, Xiao Tian decided to follow her wish.

After Xiao Tian stood up, he stretched out his arms and smiled, "Lady Liu, hold my hands,"

Liu Ning suddenly felt shy after hearing his words, but of course, she didn't show it on her face and immediately held his hands, "Good. Let's skate again,"

"Un," Xiao Tian nodded his head.

For now, this is good enough. I can't rush everything because she is a married woman. Xiao Tian thought to himself.

And like before, Liu Ning and Xiao Tian began to skate again.

### **Chapter 207 - As I Thought, You Are Indeed A Sweet Talker**

8-10 minutes

---

Because they were enjoying themselves, they didn't realize that it was already 03:30 pm. Due to this, Xiao Tian thought that it was time to stop skating, "Lady Liu, let's stop here for today."

"Alright," because Liu Ning was getting better and better at skating, she didn't want to stop. But she realized that they had been skating for quite a long time. That was why she thought that it was enough for today.

Because Xiao Tian knew that she was able to skate to the rink wall by herself, he wanted to let go of her hands, "I will go and tell Zhao Sheng and Mo Lian first,"

However, before Xiao Tian could let go of her hands, Liu Ning held his hands tightly as if she didn't want to separate from Xiao Tian.

"Xiao Tian, don't let go of my hands," when Liu Ning realized what she had just said, she lowered her head, "What I mean is....mm.....you know,....I want you to help me reach the rink wall first,"

When Xiao Tian saw the expression on her face, he couldn't stop giggling. And because he wanted to tease her, Xiao Tian brought his face closer to her right ear and whispered, "I won't let go of your hands, ever."

Even though Liu Ning knew that Xiao Tian was only teasing her, but she was still shy after hearing his words. She didn't expect that a man, who was younger than her, dared to tease her.

And because she was the older one, Liu Ning behaved as if she wasn't shy at all, "Hehe. Now you dare to tease me, huh?"

"I, Xiao Tian, am a man who dares to do anything," Xiao Tian said proudly, "Alright. Hold my hands and never let it go,"

Liu Ning smiled when she noticed that Xiao Tian still wanted to tease her, "You should say it to your future girlfriend, not to me. Hehe,"

'But you will be my girlfriend in the future,'

Xiao Tian answered in his head.

Of course, Xiao Tian didn't say it to her because he knew that it was too soon to say it to her, "We don't know what will happen to us in the future. Maybe our relationship will change too in the future. Hehe,"

"Change?" because Xiao Tian still wanted to tease her, Liu Ning decided to follow his game, "Yes. Our relationship will change too, but that only changes from friend to best friend, right?"

'It's from friend to lovers,'

Once again, Xiao Tian shouted in his mind.

After they reached the rink wall, Xiao Tian looked at her and made a sad expression, "You won't let go of my hands, right?"

When Liu Ning saw the expression on Xiao Tian's face, she covered her mouth and giggled, "If I don't let go of your hands, I won't be able to step out of the rink,"

Liu Ning found it funny that Xiao Tian behaved as if they were lovers who were about to break up.

"Hehe," Xiao Tian smiled, "Alright, I will tell Zhao Sheng and Mo Lian first,"

"Un," Liu Ning nodded her head.

After that, they changed back to their clothes and immediately left. And because they previously agreed to go on a picnic on the Shanghai River, they bought food, fruits, and beverages before finally traveling to the Shanghai River.

By the time they arrived at Shanghai River, it was already 04:10 pm, so they immediately looked for a good place to picnic.

And after walking for about fifteen minutes, they finally found the best place for them. The place was clean, with only a few people around it.

Without waiting for another second, they immediately arranged everything neatly. At this time, Zhao Sheng was sitting on the left side of Mo Lian, and on the opposite side of them were Xiao Tian and Liu Ning.

Because Xiao Tian knew that Liu Ning still hadn't had lunch, he gave her a sandwich, "Lady Liu, here, eat a sandwich,"

Liu Ning took the sandwich with her right hand and smiled, "Thank you,"

"Xiao Tian, you look like a boyfriend who is spoiling your lover." because Zhao Sheng wanted to help Xiao Tian to get closer to Liu Ning, he decided to tease them.

"Is that so?" Xiao Tian knew that Zhao Sheng wanted to help him. That was why Xiao Tian didn't try to deny it.

Not bad, Zhao Sheng. Xiao Tian thought to himself.

"Yes. You are like a person who just dated her," Zhao Sheng said and paused. After that, he looked at Liu Ning and continued, "Lady Liu, it seems like my friend here has a crush on you. In our campus, many girls want to get close to him but he treats them like air. And here, he is treating you nicely,"

After hearing Zhao Sheng's words, Liu Ning suddenly remembered the moment when Xiao Tian kissed her lips.

Until now, she had no idea as to why Xiao Tian suddenly kissed her because, with his handsome face and popularity, Liu Ning was sure that he was able to kiss a lady prettier than her.

'Does he really have a crush on me?'

After hearing Zhao Sheng's words, Liu Ning couldn't help but think whether Xiao Tian has a crush on her or not.

"Young master Zhao, Xiao Tian is a gentleman. That's why he is treating me nicely," Liu Ning then looked at Xiao Tian, "Isn't that right?"

Because it was a perfect time to tease her, Xiao Tian, who was sitting on Liu Ning's right side, whispered, "But, what if everything Zhao Sheng just said is true?"

At this time, Liu Ning didn't know how to answer him. She only stared at Xiao Tian without saying a single word.

Seeing the expression on her face, Xiao Tian laughed loudly, "Hahaha. Lady Liu, you should look the expression on your face. Hahaha."

Realizing that Xiao Tian was indeed teasing her, Liu Ning hit his shoulders and pretended to be angry, "Xiao Tian, you should not do this to an older person!"

"Eh! Are there rules that say I can't tease older people?," even though Liu Ning was hitting him, Xiao Tian didn't do anything and just kept laughing.

"There is," Liu Ning tried to defend herself, "I created it just now,"

"What?" Xiao Tian didn't expect that she would say something like that, "You just created it?! If you can create universal rules, then I will create new rules too, right now. So, from now on, there is a rul-"

But before Xiao Tian had finished his words, he was interrupted by Liu Ning.

"No, you can't create new rules!" Liu Ning knew that Xiao Tian wanted to make rules that would definitely benefit him. That was why she immediately interrupted him, "The only person who is allowed to create new rules is only me,"

"How could that be?" Xiao Tian did not want to yield to Liu Ning, "We are the same, so if you are allowed to create new rules, then that also applies to me,"

"No! It's because I'm a special person," of course, Liu Ning also didn't want to yield to Xiao Tian.

Zhao Sheng, who was seeing this, laughed and said, "You two are like lovers who are fighting,"

"Shut up!" Xiao Tian and Liu Ning said in unison,

"Eh!" the corner of Zhao Sheng's lips twitched when Xiao Tian and Liu Ning told him to shut up at the same time.

"Hahaha," Xiao Tian laughed happily.

"Hehehe," Liu Ning also laughed cheerfully.

Because Xiao Tian and Liu Ning didn't want him to disturb them, Zhao Sheng held Mo Lian's left hand and said, "Little Lian, feed me a sausage roll,"

"Alright young mas-" Mo Lian stopped her words and corrected it, "What a spoiled boyfriend,"

Zhao Sheng then ate the sausage roll happily, "Of course, because my girlfriend is so beautiful,"

When Xiao Tian and Liu Ning saw what Zhao Sheng and Mo Ling were doing, they looked at each other for about five seconds.

And because Xiao Tian also wanted to lovey-dovey with Liu Ning, he took a scotch egg and said, "Lady Liu, eat this,"

Liu Ning was shocked when she knew that Xiao Tian wanted to feed her. However, she didn't do what she was told and only looked at him.

Because Liu Ning only looked at him, Xiao Tian put the scotch egg in front of her mouth, "Lady Liu, open your mouth,"

Liu Ning was still looking at him before finally she opened her mouth and ate it, "What is this? Don't tell me you want to lovey-dovey too,"

"Yes," Xiao Tian gave her an honest answer before showing her an envy expression, "I'm very envious of them, so I want to lovey-dovey too,"

"Hehe," Liu Ning could not believe that the famous handsome young man would say something like that. And because she wanted to cheer him up, Liu Ning took a sausage roll and fed him, "Here, eat it,"

Without waiting for another second, Xiao Tian opened his mouth and ate it, "This sausage roll become more delicious when a beautiful woman is the one who feeds me,"

"Hehe. As I thought, you are indeed a sweet talker," Liu Ning covered her mouth and giggled.

Then they began to talk about many things, and because of this, the relationship between Liu Ning and Xiao Tian had gotten closer than before.

And because they were enjoying themselves, they didn't notice that it was time for the sunset. Then, they stopped talking and enjoyed the beautiful scenery in front of them.

### **Chapter 208 - Lady Liu, Can I Get Your Number?**

8-10 minutes

---

Because it was already evening, Liu Ning thought that she had to go home soon, "Young master Zhao, lady Mo, and Xiao Tian, I have to go home now."

"Alright," Zhao Sheng nodded his head, "Be careful on the road,"

"Un. Goodbye, lady Liu. Take care," Mo Lian said as she smiled.

"I also want to go home. Let's go to the parking lot together," Xiao Tian then looked at Zhao Sheng and Mo Lian, "See you tomorrow on campus Zhao Sheng and goodbye lady Mo Lian,"

Zhao Sheng knew there was something that Xiao Tian wanted to do or ask Liu Ning. That was why he didn't try to stop Xiao Tian, "Alright. Let's meet at University Garden tomorrow,"

"Take care," Mo Lian waved goodbye to Xiao Tian.

Then Xiao Tian and Liu Ning headed to the parking lot together.

"Lady Liu, thank you for joining us. If you hadn't joined us earlier, I would have died of being jealous of them," Xiao Tian was pleased because today, all his plans went smoothly.

When he remembered that their relationship had gotten closer than before, Xiao Tian could not help but smile.

And not only that, they even kissed on skating rink earlier, making him believe that he could make her fall in love with him sooner than what he had planned.

"You don't need to thank me because I enjoyed spending time with you all too," even though she hung out with younger people, but Liu Ning really enjoyed it. She even forgot that she has a problem with her husband earlier.

Because their relationship had gotten closer, Xiao Tian thought that it was time to ask for her number, "Lady Liu, can I get your number?"

Liu Ning stopped her footsteps and looked at Xiao Tian. Even though Xiao Tian was a kind and gentle young man, but she was still wavering whether she should give him her number or not.

Seeing the expression on her face, Xiao Tian thought that she was still not ready to give her number to him. And because he didn't want to force her, Xiao Tian smiled and said, "If you think that it's still too early to give your number to me, it's fine. I will ask again in the future,"

'Does he really have a crush on me? Should I give my number to him? He is a kind young man and he even treat me nicely. And not only that, I also enjoy spending time with him, but....'

Countless thoughts flashed across Liu Ning's mind, but she was still wavering whether she should give her number to him or not.

When Xiao Tian noticed the expression on Liu Ning's face, Xiao Tian stood in front of her and said, "Lady Liu, you don't need to make an expression like that. I don't want to make you like this, so just think that I never said that,"

Even though Xiao Tian was disappointed, but he didn't show it on his face because he knew that sooner or later, he would get her number.

Because Liu Ning was still unable to decide whether she should give her number or not, she wanted to know as to why he suddenly wanted her number, "Why do you want my number?"

"I enjoyed spending time with you," Xiao Tian spoke and paused for a second before he continued, "So, I want to hang out with you again in the future."

"But you know that I have a husband, right?" even though she also enjoyed spending time with him, but Liu Ning was a married woman. "And you still want to spend time with me in the future?"

"Lady Liu, we are friends, so what is wrong with spending time with friends?" Xiao Tian tried to make her think that it was fine to spend time with him because their relationship was only at the level of friendship.

Upon hearing his words, Liu Ning thought that what he had just said was true.

'Yes. We are only friends, so there is nothing wrong with spending time with friends. And I'm sure that husband of mine always spending time with another woman too.'

With this on her mind, Liu Ning took her smartphone out of the bag and said, "Alright. I will give you my number,"

Xiao Tian was pleasantly surprised by her words because he thought that she wouldn't give her number earlier. With a smile on his face, Xiao Tian took his smartphone out of his pocket.

After they exchanged numbers, Xiao Tian smiled and said, "Thank you."

After receiving his number, Liu Ning covered her mouth and giggled, "Should I name your contact info as the third wheel young man? Hehe,"

The corner of Xiao Tian's lips twitched after hearing her words. He didn't expect that she would still say something like that, "I would be happy if you name it as a handsome young man. Hehe."

"Handsome young man?" even though Liu Ning agreed that Xiao Tian was indeed a fine young man, but she would never name it as a handsome young man because it would be embarrassing if someone knows about it later, "No way. Hehe,"

"Why not?" Xiao Tian was pleased that the atmosphere was lively again, not like when he asked for her number before, "How about you name it as a kind young man?"

"A kind young man? It seems like you're a person who likes to praise himself," Liu Ning found it funny that Xiao Tian still wanted her to name his contract address as a kind young man or a handsome young man.

"Hahaha." Xiao Tian laughed

"Hehe," Liu Ning also laughed.

Then without realizing it, they finally reached the parking lot.

When Liu Ning got into her car, Xiao Tian didn't get in his car; instead, he stood next to her car, "Goodbye, lady Liu. Take care."

"Goodbye, Xiao Tian." Liu Ning then closed the window car and drove away.

After that, Xiao Tian got into his car and drove to his home. But Xiao Tian suddenly wanted to meet Lin Xing Xue. For this reason, Xiao Tian decided to go to her home.

And because Xiao Tian didn't want to come with empty hands, he bought a bouquet of red flowers and vanilla cake.

After Xiao Tian arrived at Lin Xing Xue's home, he immediately got out of the car and knocked on the door.

Not long after that, a beautiful mature woman opened the door, "Tian?"

"Good evening, little Xue," Xiao Tian then gave the bouquet of red flowers and vanilla cake to her. "Here I bought a bouquet of red flowers and a cake. Let's eat the cake together,"

"Un." Lin Xing Xue accepted the bouquet of red flowers, and vanilla cake, "Come in,"

With a smile on his face, Xiao Tian entered her house and sat on the couch in the living room.

After Lin Xing Xue put the bouquet of red flowers in a vase, she brought a plate, spoon, and cake knife.

And after she sat next to Xiao Tian, Lin Xing Xue cut the vanilla cake into eight pieces. "You can eat the cake now,"

Because Xiao Tian wanted Lin Xing Xue to feed him, he opened his mouth and tapped her shoulders, "Little Xue, feed me,"

Lin Xing Xue could only sigh when she saw his behavior. But because she knew that Xiao Tian wouldn't eat the cake until she fed him, she had no choice but to feed him, "Here, eat it,"

Of course, Xiao Tian ate it happily because the person who fed him was none other than the person he loved. After that, Xiao Tian placed his head on her lap, "Little Xue, let me rest a little."

"Don't you want to eat anymore?" Lin Xing Xue smiled softly when Xiao Tian suddenly put his head on her lap.

"No" because Xiao Tian had eaten a few hours ago, he was still full, "I only want to rest on your lap,"

"Fine," Lin Xing Xue then began to stroke his hair with her right hand.

"I really like it when you are stroking my hair like this," Xiao Tian said as he smiled. "Little Xue, I want a kiss."

Lin Xing Xue looked at Xiao Tian for about five seconds before finally bending over and kiss his forehead, "You are so spoiled today."

After Lin Xing Xue kissed his forehead, Xiao Tian's face broke into a soft smile, "Hehe. I love you, little Xue."

"Un. I love you too," Lin Xing Xue then stroked his hair again.

They remained in the same position for about fifteen minutes before finally Xiao Tian sat upright and said, "Little Xue, can I hug you?"

"Eh!" Lin Xing Xue had no idea as to why Xiao Tian suddenly behaved like that. First, he asked her to kiss him and now he asked for a hug. "What is this? Usually whenever you wanted to hug me, you immediately embraced me without saying a single word. What's wrong?"

Xiao Tian didn't answer her and immediately made her face him. Without giving Lin Xing Xue a chance to say anything, Xiao Tian embraced her tightly, "Little Xue, I miss you. I miss you so much."

Even though Lin Xing Xue wanted to know what had happened to him, but she didn't ask about it and only hugged him back, "I miss you too,"

After embracing Lin Xing Xue for about a minute, Xiao Tian cupped her face before finally kissing her forehead. The reason Xiao Tian behaved like this was that he saw Zhao Sheng and Mo Lian lovey-dovey in front of him earlier. That was why Xiao Tian suddenly acted like this to her.

## **Chapter 209 - Does My Mistress Want To Lovey-Dovey With Me?**

6-7 minutes

---

Xiao Tian spent time with Lin Xing Xue for about one and a half hours before finally, he went home.

When Xiao Tian was in the living room, he said happily, "Mother, aunt, I'm home."

And like what Xiao Tian had guessed, the moment his mother knew that he was already home, she ran toward him before finally jumping into his arms.

"Tian, welcome home." Ye Xueyin said happily,

When Xiao Tian didn't see his aunt in the living room, he asked, "Where is aunt?"

"She went to buy groceries." earlier, she wanted to go to the supermarket with her little sister, but Ye Qingyu told her to wait at home so that when Xiao Tian came home, he was not alone.

Then Xiao Tian walked toward the couch and put his mother on it, "Mother, I want to take a shower first,"

"Un" Ye Xueyin nodded her head.

Because he was home alone with his mother, Xiao Tian immediately returned to the living room after taking a bath.

When he saw his mother watching TV seriously, he sat on her right side and asked, "What are you watching, mother?"

Because Ye Xueyin wanted to lovey-dovey with her son, she sat between his legs and placed his hands around her waist, "Love at first sight,"

When Xiao Tian knew that it was a movie for women, he wanted to leave, but after thinking for a while, he decided to watch it because he wanted to be by his mother's side.

Then Xiao Tian and his mother watched TV in the same position until finally, Ye Qingyu arrived home. And because the movie was over, Ye Xueyin wanted to spend time with her son and little sister in the backyard.

For this reason, they headed to the backyard and spent time there until 11:00 pm before finally they got inside and slept in Xiao Tian's bedroom.

-----

The next day in the morning, Xiao Tian went straight to his company because today, his classes started at 01:00 pm. After Xiao Tian arrived at his company, he immediately headed to his office.

But when Xiao Tian was about to enter his office, Shi Fei suddenly ran toward him. "Little brother..."

When Xiao Tian saw a smile on her face, he said, "You seem to be happy now."

"Yes." Shi Fei nodded her head happily, "Today our clothing designs will appear on TV,"

"Oh! really?" Xiao Tian was pleasantly surprised by the good news. He then cupped her face and kissed her forehead, "Good job, Fei."

Shi Fei then grabbed his hands and opened the door, "Let's enter your office first,"

Xiao Tian couldn't help but smile when she dragged him into his office, "What is this? Does my mistress want to lovey-dovey with me?"

"That's right." Shi Fei gave him an honest answer, "You haven't spent time with me lately. I'm so lonely, you know."

"Fine," Xiao Tian knew that lately, he rarely spent time with her. That was why he decided to follow her wish.

After Xiao Tian sat on the couch, Shi Fei immediately sat on his lap and put her left arm around his neck, "Little brother, I miss you so much,"

When Xiao Tian heard that, he suddenly felt sad. Lately, because he wanted to make Liu Ning his girlfriend, he rarely spent time with his women, especially with Shi Fei.

However, because Xiao Tian couldn't tell her about it, he decided to lie to her, "Sorry Fei, lately I'm very busy with campus activities,"

"It's fine," Shi Fei then placed her head on his shoulders, "Today, you will spend time with me before going to campus, right?"

"Yes." actually, Xiao Tian wanted to spend time with Lin Xing Xue too, but knowing that Shi Fei desired to spend time with him, Xiao Tian decided to follow her wish.

"Thank you," Shi Fei answered happily before finally she kissed his left cheek.

Then Xiao Tian and Shi Fei talked about many things. They were joking, flirting, and laughing together. At this moment, Shi Fei was thrilled until it made her hope that she could spend more time with him in the future.

"Little brother, our clothing designs ads should have appeared on TV now," Shi Fei remembered that it was time for their clothing designs to appear on TV.

"Really?" Xiao Tian asked, "Let's watch it on the computer,"

"Un," Shi Fei nodded her head.

Because Shi Fei was still sitting on his lap, Xiao Tian knew that she didn't want to separate from him. For this reason, Xiao Tian carried her in princess style and sat on his office chair.

His action made Shi Fei happy and couldn't stop smiling.

"It starts, little brother." Shi Fei, who was sitting between his legs, pointed her index finger toward the computer screen.

"Yes," Xiao Tian nodded his head.

Then Xiao Tian and Shi Fei saw a handsome young man and woman wearing their clothing designs on the computer. The clothes they wore were very suitable for their appearance.

This made Xiao Tian happy because he thought that Shi Fei chose the right models for their clothing designs. "Good job, Fei."

'Now, I only need to use my past life father's method to make my clothing designs to be more popular,'

With this on his mind, Xiao Tian intended to meet Yun Xin Er again.

Then, they spent time for about half an hour before finally, Xiao Tian traveled to the University.

After Xiao Tian arrived at the campus, he was immediately surrounded by a lot of people.

"Xiao Tian, I saw your clothing designs ads on TV just now."

"Yeah, me too."

"Your clothing design is so beautiful,"

"I think so too. I will buy it later."

"Yes. Me too, I will buy it too later,"

With a smile on his face, Xiao Tian replied, "Thank you."

At this time, Xiao Tian wanted to leave because he has a class.

'Can you please let me go now?'

Xiao Tian wanted to cry but had no tears.

At this time, Zhao Sheng, who was seeing the expression on Xiao Tian's face, couldn't help but laugh.  
"Hahaha,"

## **Chapter 210 - You Two Want To Bully Me, Huh?**

6-7 minutes

---

After Xiao Tian finished all his classes, he went to University Garden.

Not long after Xiao Tian laid down on the wooden bench, Zhao Sheng appeared in front of him. "Yo, Xiao Tian. I saw your clothing designs ads on TV earlier. Your clothing designs are not bad."

Xiao Tian opened his eyes and sat upright, "Zhao Sheng, you have arrived?"

"So, how is your current relationship with Liu Ning going?" Zhao Sheng was curious about how far their relationship was.

"Of course, it's good. Everything went smoothly," Xiao Tian said proudly, "Soon we will move to our main plan, and after that, hehe.."

"Oh! Is that so?" Zhao Sheng was pleased by that. "As expected, you are the same as me,"

The corner of Xiao Tian's eyebrow twitched after hearing Zhao Sheng's words. However, he didn't deny it because he also thought that they did have the same personality.

Then Xiao Tian and Zhao Sheng talked about many things. And not long after that, Xiao Tian's smartphone rang, indicating an incoming call.

'Yun Xin Er?'

Xiao Tian was pleased when he knew that Yun Xin Er was calling him. Then Xiao Tian picked up the phone and said, "Big sister Yun, did you miss me?"

When Zhao Sheng heard that, he started to smile.

As expected, this friend of mine has many girlfriends. Zhao Sheng thought to himself.

Because Zhao Sheng didn't want to disturb Xiao Tian, he remained silent.

"Where are you right now?" Yun Xin Er's sweet voice rang out through Xiao Tian's smartphone.

"I'm in the university garden. What's wrong?" Xiao Tian asked curiously.

"I'm in front of your campus gate right now," because Yun Xin Er had nothing to do for today, she decided to meet him.

"What?" Xiao Tian said in surprise. "Wait there. I will be there in five minutes."

"Alright. I will be waiting here." after saying that, she hung up the phone.

"What wrong, Xiao Tian?" Zhao Sheng asked curiously.

"Someone I know is in front of our campus gate right now. Wait here. I will be right back." Xiao Tian didn't explain who his friend was and immediately dashed to the campus gate.

After Xiao Tian reached the gate, he began to look for Yun Xin Er.

When Yun Xin Er saw Xiao Tian, she immediately waved and shouted, "Little brother, I'm here."

Hearing her voice, Xiao Tian turned around. And when he saw Yun Xin Er, he walked toward her, "Let's go to the university garden,"

"Alright," Yun Xin Er nodded her head.

When they reached the university garden, Yun Xin Er was surprised when she saw Zhao Sheng, "Young master Zhao?"

Yun Xin Er didn't expect that Xiao Tian had a friend from a famous upper-class family. And no that, his friend was even a martial arts genius from an upper-class family.

Because Yun Xin Er was wearing a hat and also covering her lower face with a face mask, Zhao Sheng had no idea who she was, "Eh! Who are you?"

After looking around and making sure that it was fine to take off her face mask, Yun Xin Er immediately said, "It's me, Yun Xin Er."

"Oh! Lady Yun," Zhao Sheng was surprised when he found out that the person standing in front of him was none other than the famous singer Yun Xin Er. Then Zhao Sheng moved to the right side of Xiao Tian and whispered, "Not bad Xiao Tian. Not bad."

Xiao Tian didn't say anything after hearing Zhao Sheng's words as if he heard nothing. "Big sister Yun, why did you suddenly come to my campus?"

"Why?" Yun Xin Er then sat on the left side of Xiao Tian. "You don't want me to come to your campus?"

"What are you talking about? Of course not. I'm thrilled that you came to my campus, you know." Of course, Xiao Tian was delighted. Who was not pleased when a gorgeous lady came to visit them.

Yun Xin Er looked at Zhao Sheng and said, "Young master Zhao, I didn't know that you are friends with Xiao Tian."

Even though she had no idea how Xiao Tian could be friends with Zhao Sheng, Yun Xin Er was happy for Xiao Tian.

"Well, it's because Xiao Tian begged me to be his friends," like when Xiao Tian and Zhao Sheng were at the Red Flower Bar, Zhao Sheng gave a nonsense answer again.

The corner of Xiao Tian's lips twitched after hearing Zhao Sheng's words. He didn't know that Zhao Sheng loved talking nonsense like that.

"Hehehe." Yun Xin Er giggled after hearing what Zhao Sheng had just said. Even though Yun Xin Er guessed that Zhao Sheng was talking nonsense, but she pretended as if Zhao Sheng was telling the truth. "As I thought, little brother Xiao Tian is indeed a person who always begs to be someone's friend. In the past, he also begged me to be his friends."

"Oh! You two want to bully me, huh?" Xiao Tian didn't expect that the first thing they did after they met was bullying him.

"Yes. I want to bully you. You have a problem with that?" Yun Xin Er looked at him as if she was challenging him to fight.

Seeing the expression on her face, Xiao Tian immediately ticked her waist, "It seems like I need to punish you for daring to behave mightily in front of me. Take this...take this."

"Hahaha." Yun Xin Er laughed loudly as she tried to stop Xiao Tian from tickling her, "Little brother, stop it. Young master Zhao is watching us."

"Damn you, Xiao Tian." Zhao Sheng retorted, "Don't do this in front of me."

After hearing Zhao Sheng's words, Xiao Tian started to smirk. "Why? Hehe."

Xiao Tian was pleased because he could get revenge on Zhao Sheng. Yesterday, Zhao Sheng was lovey-dovey with Mo Lian in front of him, but now, it was his turn to make Zhao Sheng feel jealous of him.

Because Zhao Sheng was unhappy by this, he immediately left.

'He is angry. Hahaha.'

Xiao Tian laughed loudly in his head.

But to his surprise, Zhao Sheng suddenly returned to the university garden and appeared in front of him with a beautiful lady in his embrace, "You see, I can also do what you do easily. Hehe."

'Damn. He is so good at picking up a lady.'

Xiao Tian cursed in his heart.
