Chapter 211 - As You Wish My Goddess

They talked for about an hour before finally, Xiao Tian said, "Zhao Sheng, let's part here because big sister Yun and I want to go to Rainbow Garden now."

'Eh!'

Xiao Tian's words confused Yun Xin Er because they had never promised to go to Rainbow Garden before.

At this time, Zhao Sheng thought that Xiao Tian wanted to go to the hotel with Yun Xin Er and do shake-shake-ah-ah thing there.

With this on his mind, Zhao Sheng didn't try to stop Xiao Tian and nodded his head. "Alright."

Because Yun Xin Er was curious as to why Xiao Tian suddenly wanted to go to Rainbow Garden with her, she brought her face closer to his right ear and whispered, "When did we agree to go to Rainbow Garden? And what are we going to do there?"

'Of course, because I want to ask for your help. If I do that here, I will lose my face.'

Xiao Tian instantly replied in his mind.

Because Xiao Tian didn't want to tell the truth, he whispered lies to her. "I miss you so much, so I want to lovey-dovey with you there."

At this moment, Yun Xin Er had no idea that Xiao Tian wanted to ask for her help and thought that he really desired to spend time alone with her.

This made her thrilled and giggled at the same time. Because she wanted to tease him, Yun Xin Er whispered back, "So you want to spend time with this big sister, huh? Is this big sister's charm too alluring for you until it makes you like this?"

"Yes. That's right. I want to hug you," Xiao Tian whispered and paused. Then he touched her beautiful pink lips and continued, "and kiss these pretty lips."

Because Xiao Tian dared to tease her in front of Zhao Sheng and his woman, Yun Xin Er bit Xiao Tian's thumb hard.

"Ahh." Xiao Tian shouted in pain. And after freeing his thumb and seeing the bite marks on it, Xiao Tian said with a scowl, "Big sister Yun, why did you bite my thumb? It hurts, you know."

"Who told you to tease me?" Yun Xin Er stuck out her tongue. "That is a punishment for teasing this big sister."

Zhao Sheng, who saw the expression on Xiao Tian's face, laughed loudly, "Hahahaha. Xiao Tian, it seems like you need a lesson about how to tease a woman from me. Haha."

"Shut Up!" Xiao Tian shouted angrily.

Zhao Sheng, his woman, and Yun Xin Er laughed together.

"Alright. We are leaving, Zhao Sheng." Xiao Tian then held Yun Xin Er's right hand and looked at her, "Let's go."

"Un." even though Xiao Tian suddenly held her hands in front of his friends, Yun Xin Er didn't try to free her hands from his grasp as if it was normal for them to hold hands, "See you again, young master Zhao. Don't change woman every day anymore."

'What?! You told me not to change a woman every day anymore? Don't you know that Xiao Tian is the same as me?'

Zhao Sheng could hardly believe what he was hearing. At this moment, he thought that Yun Xin Er didn't know what kind of person Xiao Tian was.

"Take care." Zhao Sheng waved goodbye. "Remember not to overdo it."

Xiao Tian didn't answer Zhao Sheng as if he didn't hear anything. While Yun Xin Er, on the flip side, had no idea what Zhao Sheng meant by that.

After several minutes of driving, Yun Xin Er and Xiao Tian finally arrived at Rainbow Garden.

But when Xiao Tian noticed that Yun Xin Er was still in her car, he knocked on the car window. "Big sister Yun, why are you still in the car?"

As soon as Xiao Tian knocked on the car window, Yun Xin Er opened the car door and stretched out her arms, "Little brother, carry me."

Xiao Tian found it hard to believe what he was hearing. Earlier, when they were at University Garden, she behaved mischievously, and now when they were alone, she acted like a spoiled girlfriend.

Xiao Tian could only smile, seeing her behavior. However, because he wanted to ask for her help later, Xiao Tian followed her wish. "Get on. I will give you a piggyback ride."

But instead of jumping on his back, Yun Yin Er jumped into his arms. "Let's go."

Luckily Xiao Tian was able to catch her in time. "What a spoiled lady."

"Hehe." Yun Xin Er giggled happily and immediately wrapped her arms around his neck.

With his hands on her buttocks, Xiao Tian brought his face to her left ear and whispered, "Don't tell me, the reason you jump into my arms is that you want me to feel your soft ass."

Hearing his words, Yun Xin Er stopped giggling and decided to bite his nose gently.

"Big sister Yun, don't bite my nose." earlier, Xiao Tian thought that she would only hit his shoulders, not bite his nose. "You should use that mouth of yours to kiss me, not bite me."

"Dream on." Yun Xin Er spoke and paused for a second before she continued, "This big sister here wanted to bite your nose, so she bit your nose. Do you have a problem with that?"

"No." Xiao Tian pretended to be a good boyfriend to her. "I will accept whatever you want to do to me."

"Good!" Yun Xin Er giggled happily. "Let's go."

"As you wish my goddess." then Xiao Tian marched to the place where they usually sat when they visited Rainbow Garden.

After stepping into the building and sitting on the floor, Xiao Tian said. "We have arrived. Do you still want to stay like this?"

"Yes." Yun Xin Er gave him an honest answer. Because she missed him a lot, Yun Xin Er wanted to feel the warmth of his body and didn't want to separate from his body.

"Fine." Because Yun Xin Er wanted to remain in the same position, Xiao Tian wrapped his arms around her waist.

Chapter 212 - I Really Miss You, Xin Er

8-10 minutes

"Little brother, do you really miss me, or do you want to ask for my help?" Yun Xin Er asked curiously.

She had no idea why she suddenly thought the reason Xiao Tian brought her to the Rainbow Garden was that he wanted to ask for her help, not because he missed her like what he said to her earlier.

At this time, Xiao Tian didn't immediately answer her. It was true that the reason he brought her to the Rainbow Garden was that he needed her help, but after hearing her words, Xiao Tian was wavering whether he still had to ask for her help or not.

Xiao Tian suddenly remembered that until now, the reason he always met her was that he needed something from her. But because now Xiao Tian had a special feeling for her, he didn't know what he should say to her at this moment.

'It seems like I need to promote my clothing design with my own efforts.'

With this on his mind, Xiao Tian intended to meet Shi Fei and Lin Xing Xue so that he could talk about this problem with them.

"No. I really miss you, Xin Er." Xiao Tian cupped her face before finally kissing her forehead.

Yun Xin Er's face blossomed into a smile when she knew that he really missed her. "I miss you too, Tian."

After saying that, Yun Xin Er kissed his lips before finally she leaned her head on his shoulders again.

They remained in the same position for about five minutes before finally, Xiao Tian grabbed her face and looked into her beautiful eyes.

Even though Yun Xin Er had guessed that Xiao Tian wanted to kiss her, she did nothing and only looked back at his handsome face.

Then Xiao Tian kissed her forehead for about three seconds. However, he didn't intend to stop there and wanted to kiss her eyes.

When Yun Xin Er realized what Xiao Tian was about to do, she slowly closed eyes so that he could do what he wanted.

A soft smile spread across Xiao Tian's face when he noticed that Yun Xin Er gave him a sign that she was ready to be kissed by him in the eyes.

Without waiting for another second, Xiao Tian kissed her right eyes gently, a kiss full of love.

Yun Xin Er slowly opened her eyes after Xiao Tian kissed her. And when she noticed that Xiao Tian was looking at her pink lips, she giggled and said, "What is this? After kissing my forehead and eyes, now you desire to kiss my lips too? Don't tell me you also want to kiss me passionately?"

"Yes. I've desired to kiss you passionately since the moment we arrived at the Rainbow Garden." of course, Xiao Tian was lying because at first, his main purpose was to ask for her help. He even planned to give her something if she could help him.

But because he couldn't ask for it now, Xiao Tian chose to enjoy their time, and of course, he would take advantage of the situation to satisfy his desire.

Then Xiao Tian rubbed her cherry lips with his right thumb and said, "Didn't you say that these beautiful lips are mine?"

Of course, Xiao Tian was talking nonsense because Yun Xin Er had never told him that her lips were his.

"When did I say that?" Yun Xin Er pinched his nose and smiled.

"Last night, in my dream." because Xiao Tian didn't want to lose face for lying to her, he decided to lie.

"Oh! So, last night, you dreamt about me, huh?" even though Yun Xin Er had guessed that Xiao Tian was lying to her, she didn't mind it. "And what did we do in your dream?"

"Do you want to know?" Xiao Tian asked as he smiled.

"Yes." Yun Xin Er nodded her head.

Seeing the expression on her face, Xiao Tian started to smirk, "I kissed you passionately, squeezed your breasts, and we did i...mmmmm."

Because Yun Xin Er didn't want to hear his words anymore, she immediately covered his mouth, making him unable to finish his words, "Don't talk about it anymore!"

Xiao Tian then removed her hands from his mouth and said, "But, didn't you say that you want to hear it?"

"Not anymore." Yun Xin Er turned her head to the left side.

"Hahaha." Xiao Tian laughed happily when he noticed Yun Xin Er was blushing

"Hateful!" Yun Xin Er hit his chest. "You shouldn't tease me like that!"

At this moment, Xiao Tian had forgotten that he wanted to kiss her lips before. "Then, what kind of teasing can I do to you?"

"You are not allowed to tease me. Only I can tease you." Yun Xin Er answered instantly.

"It's not fair, you know?" Xiao Tian pretended to be sad as if he would lose something precious to him.

Seeing the expression on his face, Yun Xin Er covered her mouth and giggled, "I don't care. You are not allowed to tease me today."

"Only for today?" Xiao Tian spoke and paused for a second before he continued, "If so, I'm fine with it because I can tease you again tomorrow."

Yun Xin Er then touched his lips with her thumb and said, "This mouth of yours is always want to tease me, huh?"

Because Yun Xin Er was touching his lips, Xiao Tian immediately sucked her thumb.

His action greatly surprised her, but Yun Xin Er didn't pull out her thumb from his mouth; instead, she was looking at it intently.

'Eh! She did nothing?'

Xiao Tian thought Yun Xin Er would immediately pull out her thumb and hit him, but he was wrong because she was looking at his mouth intently as if she enjoyed what he was doing.

After looking at what he was doing to her thumb for several seconds, Yun Xin Er finally came to her senses and immediately pulled out her thumb from his mouth, "Pervert! What are you doing?"

"Sucking your thumb." Xiao Tian answered with a straight face.

Yun Xin Er found it hard to believe that Xiao Tian would say something like that with a straight face as if it was a normal thing for everyone to do. "You are not shy to say something like that, huh?"

"Because I'm not a shy person." the reason Xiao Tian dared to say something like that was that he was already familiar with Yun Xin Er. Of course, Xiao Tian would behave differently if he was with a woman who was not yet familiar with him.

"Do you still want to kiss me or not?" because Xiao Tian still hasn't kissed her, she decided to ask about it.

"So, you want me to kiss you, huh?" Xiao Tian didn't expect that Yun Xin Er would remind him what he wanted to do to her before. "It seems like you love kissing with me. Hehehe."

At this moment, Yun Xin Er suddenly thought that she shouldn't remind him earlier because it seemed like she wanted him to kiss her so badly.

"What are you talking about? I never said anything like that." because Yun Xin Er didn't want to lose face, she denied shamelessly.

"Hehehe." Xiao Tian giggled when he saw the expression on her face. "Now, let me kiss you."

"No. I won't let you kiss me for today," Yun Xin Er pushed Xiao Tian's face away.

"Is that so? Hiks..hiks.." Xiao Tian pretended to be sad and cry.

"Hehehe." Yun Xin Er couldn't help from smiling when she saw Xiao Tian pretending to cry. Then, she cupped his face and kissed his forehead. "Done. I've kissed your forehead, so you should stop crying now."

"Hehe." Xiao Tian smiled happily before finally, he touched his lips, "What about my lips?"

Yun Xin Er looked at him and didn't say a single word. However, when Xiao Tian brought his face closer to hers, she did nothing.

kiss

Xiao Tian pressed his lips against hers.

After kissing, Xiao Tian and Yun Xin Er talked for a few hours before finally, they went home.

After Xiao Tian arrived home, he spent time with his aunt and mother in the backyard until 11:00 pm before finally, they slept in Xiao Tian's room.

The next day in the morning, after Xiao Tian had breakfast with his mother and aunt, he went to the university.

And as usual, after finishing the morning class, he traveled to the university garden to relax. But to his surprise, Liu Ning suddenly called him, not long after he laid down on the wooden bench.

"Hello?" Xiao Tian said after picking up the phone.

"Hello, Xiao Tian." Liu Ning's voice rang out through Xiao Tian's smartphone.

'Eh!'

Xiao Tian was shocked after hearing her sad voice.

Did something happen to her? But I still haven't carried out my plan yet. Xiao Tian thought to himself.

"Lady Liu, what's going on?" Xiao Tian asked worriedly.

"Nothing." Liu Ning answered. "Where are you? If you are not busy, can we meet now?"

"I'm in the university garden right now." Xiao Tian thought this was a perfect time to get her heart, so he wouldn't let this chance slip away. "I'm not busy because I've finished my classes. Where do you want us to meet?"

"I will come to your university first. After that, we can go somewhere." Because Liu Ning had read a magazine about Xiao Tian, she knew that Xiao Tian was a student at Sky University. That was why she didn't ask where his campus was.

"Alright. I will wait here." Xiao Tian immediately answered.

After that, Liu Ning hung up the phone.

Chapter 213 - Shanghai Aquarium

6-7 minutes

Luckily I've prepared everything in my car, so if the opportunity has arisen, I can immediately carry out my plan. Xiao Tian thought to himself.

Not long after that, Liu Ning arrived at the gates of Sky University. She then took her smartphone and called Xiao Tian.

When Xiao Tian found out that Liu Ning was in front of the campus gate, he dashed toward campus gate to meet her.

At first, Xiao Tian thought that Liu Ning wanted to go somewhere immediately, but he was wrong because she wanted to sit on the University Garden first.

Of course, Xiao Tian didn't mind because as long as he could carry out his plan, everywhere was a good place for him.

And after they sat on the wooden bench, Xiao Tian asked curiously, "Lady Liu, I see that you are having a hard time right now. Do you want to talk about it?"

"...." it was a family problem, so Liu Ning only looked at him without giving him an answer.

Xiao Tian only smiled when Liu Ning didn't want to tell him about her problem because he knew that he could do nothing about it.

"Xiao Tian, thank you for taking the time for me." Liu Ning said with a sad face.

When Xiao Tian saw the expression on her face, he grabbed her head and placed it on his chest. "Don't worry. Everything will be fine."

Liu Ning let herself being embraced by Xiao Tian because, at that moment, she really needed it. She didn't care if other people saw her being hugged by Xiao Tian. All she cared about or needed was a place to calm herself down, and now, that place was in Xiao Tian's arms.

'Sigh. As I thought, she is a good woman.'

Xiao Tian didn't expect that Liu Ning still cared about her family's reputation, and she even didn't want to badmouth her husband.

Earlier, Xiao Tian thought that Liu Ning would immediately get angry and badmouth her husband once they arrived at the University Garden. However, he was wrong because she still said nothing until now.

'If only she talked about her problem, it would be easier for me to win her heart.'

Even though Xiao Tian was disappointed, he didn't show it on his face because it could ruin his perfect plan.

After being embraced by Xiao Tian for about five minutes, Liu Ning stopped the hug and smiled. But even though she was smiling, a sad expression could still be seen in her face. "Thank you. I'm fine now."

She is a strong woman. Xiao Tian thought to himself.

Because Xiao Tian thought that there was no point in staying in the University Garden, he decided to take her to a good place, hoping that it could reduce the sadness in her heart. "Do you want to go to Shanghai Aquarium?"

"Shanghai Aquarium?" even though Liu Ning had no idea why Xiao Tian wanted to take her to Shanghai Aquarium, but she thought that it was an excellent place to calm herself down. "Un."

"How about you leave your car in my shop and we go to Shanghai Aquarium with my car?" Xiao Tian thought that it would be better to use one car rather than two because, with that, he was able to talk to her on the way to the Shanghai Aquarium.

"Alright." Liu Ning nodded her head.

Then they went to Xiao Tian's shop so that they could go to Shanghai Aquarium together.

On the way to Shanghai Aquarium, Liu Ning's mood was getting better after talking with Xiao Tian. She began to smile more, and the sad expression on her face slowly disappeared.

This made Xiao Tian happy because he knew that almost all of her problems were caused by him. After they arrived and parked the car, they immediately headed to the first floor to buy tickets.

Then, they started the tour of the main building by going up to the third floor, ultimately making their way down to the basement.

The third floor has seven exhibition areas, such as the VIP hall, science education room, a waterfall and others. And the second floor has Cold Water, Polar Zones and others.

While the basement was the main part of the aquarium where Deep Ocean Zone was located. The submarine viewing tunnel allowed visitors to have a wonderful tour here.

Because Xiao Tian thought that seeing various types of fish was the best choice, he brought Liu Ning to the basement.

"It's beautiful." Liu Ning stated when she saw various types of fish in front of her.

"Yes." Xiao Tian was pleased when he saw a beautiful smile on her face.

When Liu Ning saw Flame Angelfish, she dashed toward it and said, "Xiao Tian, look. It's a Flame Angelfish."

Xiao Tian giggled when he saw that Liu Ning was behaving like a child.

When Liu Ning noticed that Xiao Tian was still not at her side, he turned her head toward him and said, "Xiao Tian, come here."

Xiao Tian walked toward her and said, "It seems like you are enjoying yourself. Do you want me to take a picture of you?"

"Yes." Liu Ning instantly agreed.

Hearing her words, Xiao Tian immediately took his smartphone out of his pocket. "Smile.."

Without waiting for another second, Liu Ning made a peace hand sign and smiled beautifully.

After Xiao Tian took a picture of her, he walked toward her and showed it. "The result is perfect."

"Un." Liu Ning was satisfied when she saw the result. The beautiful smile on her face, coupled with various types of fish behind her, made the picture look perfect. "Send it to my smartphone."

After received the picture, Liu Ning looked at various types of fish again.

At this time, Xiao Tian followed her from her right side while also enjoying the beautiful scenery around him.

But suddenly a baby shark dashed toward Liu Ning. This made Liu Ning surprised and unconsciously embraced him. "Aaaa.."

Of course, Xiao Tian welcomed it happily.

'Good job baby shark. Good job.'

Xiao Tian thanked the baby shark because of the baby shark; he could hug Liu Ning again.

Chapter 214 - Are You Trying To Seduce A Married Woman?

6-7 minutes

When Liu Ning realized that she was hugging Xiao Tian, she didn't immediately stop the hug; instead, she raised her head and looked at him.

With a smile on his face, Xiao Tian looked at her and patted her back. "Down worry, we are safe here."

After seeing the expression on his face, Liu Ning wrapped her long slender arms around his waist and nodded her head. "Un."

Liu Ning had no idea as to why she kept hugging him. She suddenly remembered that she shouldn't embrace Xiao Tian because she was a married woman.

However, when Liu Ning wanted to stop the hug, she felt as if she was unable to move her arms, making her still embrace him tightly.

Her action surprised Xiao Tian a little. He thought that she would immediately pull away from the hug, but he was wrong because not only did she not stop the hug, but she even embraced him tighter as if she didn't want to separate from him.

Of course, Xiao Tian was thrilled by this because with this, he could assume that she began to open her heart to him.

'Why am I still hugging him? We shouldn't do this because I'm a married woman, and he is not my husband, but...'

Liu Ning wanted to find a reason as to why she kept embracing Xiao Tian. But the longer Liu Ning hugged Xiao Tian, the calmer her mood was, as if she had no problem with her husband.

"Are you still feeling afraid?" Xiao Tian inquired.

"Un." because Liu Ning still wanted to hug him, she decided to lie.

'Good! That is the answer I want.'

Xiao Tian smiled happily after hearing her words because, with that, he could embrace her longer.

However, when Xiao Tian noticed that the people around them began staring at them, Xiao Tian thought that it was time to stop the hug. "Lady Liu, I don't mind if you want us to keep embracing each other, but we have to stop now because other people are starting to look at us."

"Sorry." Liu Ning apologized and stopped the hug.

Xiao Tian stretched out his right arm and smiled, "If you are still feeling afraid, how about you hold my hands?"

Hearing his words, Liu Ning immediately raised her left arm. However, when she was about to hold his right hand, Liu Ning pulled back her arms.

Sigh! It seems like she still remembers that she is a married woman. Xiao Tian thought to himself.

Because Xiao Tian didn't want to force her to hold his hands, he pulled back his arms and smiled, "If you are already fine, let's see the fish again."

"Un," Liu Ning nodded her head.

But, to his surprise, when Xiao Tian was about to walk forward, Liu Ning suddenly pulled his shirt.

Her action made Xiao Tian stop his footsteps. "What's wrong, Lady Liu?"

But Liu Ning didn't answer him and kept pulling his shirt.

'Didn't you not want to hold my hand just now?'

At this moment, Xiao Tian guessed that Liu Ning wanted him to hold her hands. But because she was shy to say it, she only looked at him in the eyes.

With a smile on his face, Xiao Tian held her left hand and said, "Let's go over there."

"Un" Liu Ning's face blossomed into a smile when Xiao Tian was holding her hands.

Because Xiao Tian didn't want Liu Ning to feel afraid anymore, he headed to a place where various small fish were swimming in the water.

"Woa, the fish here are beautiful." Liu Ning smiled cheerfully when she saw a variety of small fish swimming around the coral reef.

"Yes. it's beautiful," Xiao Tian stated. "but.... not as beautiful as you."

Hearing his words, Liu Ning turned her head toward him and giggled, "What is this? Are you trying to seduce a married woman?"

At this moment, Liu Ning forgot that she was holding hands with Xiao Tian.

"What do you think?" Xiao Tian didn't give her an answer; instead, he wanted her to guess it.

"It seems to me that you are trying to seduce me?" when Liu Ning said this, a smile appeared on her face as if she was pleased when Xiao Tian was trying to seduce her.

Xiao Tian then brought his face closer to her ears and whispered, "That's right. I'm indeed trying to seduce you."

"Hahaha." Liu Ning laughed happily when Xiao Tian didn't try to deny it, "So, you admitted it. Are you aware that you are trying to seduce a married woman?"

"Of course, I'm aware of it." Xiao Tian then touched her other hand and looked into her eyes. "I'm sure all men in this world will do the same thing if they are with a gorgeous lady like you. Who does not want to win the hearts of a beautiful women?"

Hearing his words, Liu Ning stopped laughing and looked back at his beautiful black eyes.

'Does he really have a crush on me? But why? He knows that I'm a married woman, and not only that, he is a popular and successful handsome young man, so I am sure there are many attractive women out there who are happy to be his lover.'

Countless thoughts flashed across Liu Ning's mind when she wanted to know what made him like her.

"Do you really li-"when Liu Ning wanted to ask him whether he liked her or not, suddenly the words stuck in her throat.

Liu Ning was afraid that his answer would change everything. But at the same time, she also wanted to know about his feeling toward her. This made Liu Ning not know what to say to him.

'Interesting.'

Actually, Xiao Tian had guessed what she wanted to ask him, but because she stopped her words in the middle, Xiao Tian decided to ask her. "Lady Liu, did you want to ask me something earlier?"

"Xiao Tian, why are you treating me s-" like earlier, before Liu Ning could finish her words, she suddenly felt the words stuck in her throat again.

Because Liu Ning never finished her words, Xiao Tian decided to change the topic. "Let's see the fish over there."

"Un," Liu Ning nodded her head.

Chapter 215 - Liu Ning, I'm Lucifer, Give Your Soul To Me!

6-7 minutes

Because Liu Ning and Xiao Tian were enjoying themselves, they didn't notice that it was already 03:00 pm.

"lady Liu, I remember that we still haven't eaten anything from this morning. How about we eat something now?" actually, Xiao Tian could still bear it until diner time, but he didn't want to starve her.

"Alright." Because Liu Ning was enjoying herself, she didn't remember that her stomach was empty. That was why she immediately agreed when Xiao Tian invited her to eat something.

Then Liu Ning and Xiao Tian went to the Bamboo Restaurant.

After they finished eating, Liu Ning looked at her wristwatch. And when she saw that it was already 04:30 pm, she thought that it was time to go home, "Xiao Tian, I think I need to go home now. Can you drive me back to your shop so that I can go home?"

'Shit! I forget about something important.'

Xiao Tian cursed venomously in his heart when Liu Ning wanted to go home because there were still important things that had not been done to make his plan work smoothly.

"Alright," Xiao Tian answered as he smiled, "but lady Liu, can I go to the restroom first?"

"Alright." Liu Ning nodded her head.

Without waiting for another second, Xiao Tian dashed toward the bathroom. When Xiao Tian was in a cubicle toilet, he immediately called Zhao Sheng.

"What's up?" Zhao Sheng said after picking up the phone.

"Did you take a picture of us earlier?" Xiao Tian went to the point.

Before Xiao Tian and Liu Ning went to the Shanghai Aquarium, he told Zhao Sheng to follow them and take a picture of them together.

"Don't worry. The pictures are perfect. I'm sure Feng Ao would be furious if he saw the pictures of both of you in the Shanghai Aquarium." Even though Zhao Sheng was jealous when he saw Xiao Tian and Liu Ning behaving as if they were a couple, but he still did his job well.

"Good." Xiao Tian was satisfied after hearing Zhao Sheng's words, "Where are you right now?"

"Of course, I'm at the Bamboo Restaurant. You told me to keep following you until you two go home, right?" Zhao Sheng had no idea why Xiao Tian suddenly asked where he was because he thought that Xiao Tian knew that he was following them. "I'm sitting not far from Liu Ning right now."

"Can you go to my shop and make Liu Ning's car can't start?" earlier, because Xiao Tian's mind was full of how to make Liu Ning's mood better, he forgot to tell Zhao Sheng to make Liu Ning's car couldn't start after she left her car in his shop.

"Why?" Zhao Sheng asked. But he suddenly remembered about their plans, "I understand. Keep her here for about thirty minutes. After that, you can go to your shop."

"Good." Xiao Tian nodded his head.

Zhao Sheng then hung up the phone and immediately went to Xiao Tian's shop.

And because Xiao Tian wanted to buy time, he remained in the cubicle toilet for about ten minutes. The reason Xiao Tian didn't stay in the cubicle toilet for thirty minutes was that he was afraid that Liu Ning would be suspicious of him when she knew that her car couldn't start later.

"Sorry to have kept you waiting, lady Liu," Xia Tian said when he was in front of Liu Ning.

"It's fine." It was only ten minutes, so Liu Ning didn't mind it. "Let's go."

"Alright." Xiao Tian nodded his head.

After Xiao Tian paid for the food, they immediately left.

"Lady Liu, I suddenly remember that my mother asks me to buy fruits for her before going home. Do you mind if we shop for fruits at the supermarket first?" because Xiao Tian wanted to buy time, he decided to lie to her.

"Un. I'm fine with it." Liu Ning didn't forbid him because she didn't want his mother to be angry at him for forgetting to buy fruits for her.

"Thank you." Xiao Tian was pleased when he knew that Liu Ning allowed him to buy fruits first before sending her back to his shop.

After they arrived at the supermarket, Xiao Tian and Liu Ning immediately got out of the car and entered the supermarket.

"So, what fruits do you want to buy?" Liu Ning inquired

Xiao Tian touched his chin and pretended to be thinking about what fruit he should buy. "I don't know because mother only told me to buy fruits for her. Lady Liu, as a woman, what kind of fruit should I buy for my mother?"

Even though Xiao Tian knew what fruits he should buy, but he pretended as if he didn't know anything about fruits.

"From my point of view, you should buy apples, citrus, bananas, cherries, papaya, and avocado," Liu Ning thought the fruits that she had just said was good for a woman. That was why she advised him to buy it.

'Shit! That much?!'

Xiao Tian was shocked after hearing her words. He didn't expect that Liu Ning would advise him to buy a lot of fruits.

If he didn't have money, Xiao Tian was sure that he needed to sell himself to buy the fruits that she had just said.

However, because Xiao Tian didn't want her to know that he was buying time, he decided to follow her words, "Alright. Let's buy it."

When Xiao Tian saw bananas, he took two bananas and placed it on his head, pretending that the bananas were his horns, "Liu Ning, I'm Lucifer, give your soul to me!"

"Hahaha." Liu Ning laughed loudly when she saw Xiao Tian was pretending to be Lucifer.

"Human! How dare you laugh at me?" Xiao Tian, who was pretending to be Lucifer, showed an angry face as if he didn't like Liu Ning to laugh at him.

"Oh! So, you are Lucifer?" Liu Ning then tickled his waist, "Take this... take this..."

"Haha." Xiao Tian couldn't pretend to be Lucifer anymore when Liu Ning was tickling him. "Lady Liu, stop it...Hahahaha."

"I don't want to." Liu Ning stated as she kept tickling him.

"I'm sorry, Lady Liu. Please forgive me." Xiao Tian said as he apologized to her.

"Good! Because this lady has big breasts, this lady forgives your mistake." Liu Ning said.

[It had to be a big heart, not big breasts, but because my mind was thinking ... ehm ... my fingers moved on their own and consequently, a big heart became big breasts. LOL]

Xiao Tian then put the bananas in its original place. "Let's choose fruits again."

"Un." Liu Ning nodded her head.

Chapter 216 - I'm Indeed Bullying You Right Now

6-8 minutes

When Xiao Tian was choosing the fruits, he noticed that his smartphone was vibrating, indicating that there was an incoming message.

Because Xiao Tian thought that it was from Zhao Sheng, he looked at his smartphone secretly. And what he had guessed was right when he saw the name of the sender of the message.

[You can go to your shop now.]

After reading the message, Xiao Tian put his smartphone back to his pocket. "Lady Liu, I think this is enough."

"No! Look, there are still no apples and citruses. We should buy it first because women like apples and citruses." Liu Ning said while pointing her index finger at the shopping cart.

The corner of Xiao Tian's lips twitched after hearing her words. He didn't expect that Liu Ning wanted him to buy all the fruit she recommended to him. "Alright. Let's buy it first."

"If you buy all the fruit that I said before, I'm sure your mother will be happy later." Liu Ning then grabbed Xiao Tian's hands. "Let's go over there. There are many apples and citruses over there."

At this time, Liu Ning didn't realize that she was behaving like a girlfriend who wanted to please her future mother-in-law at their first meeting.

'She is very enthusiastic in choosing fruit.'

Xiao Tian couldn't help but smile when he saw her behavior.

As if Liu Ning had a sixth sense, she turned her head toward Xiao Tian. And when she saw the smile on Xiao Tian's face, she asked curiously, "Why are you smiling?"

Xiao Tian then brought his face closer to her right ear and whispered, " Don't you realize that you are behaving like a girlfriend who wants to win the heart of their future mother-in-law at their first meeting?"

Hearing his words, Liu Ning suddenly realized what she was doing. Because she loved eating fruit, she didn't know that she was so excited about choosing the fruits.

When Xiao Tian saw Liu Ning's face turned red, he giggled and said, "So cute!"

When she heard a younger man calling her cute, she didn't know how to respond to it. That was why she walked toward the apples and citrus fruits faster, leaving Xiao Tian by himself.

'She is blushing.'

It was the first time Xiao Tian had seen Liu Ning's face turn red like that. For this reason, he was pleased because, with this, Xiao Tian knew that their relationship began to change from friendship between two people to a relationship between man and woman.

And because he wanted to tease her, Xiao Tian dashed and stopped on her right side. "Lady Liu, why are you walking so fast? Don't tell me you are blushing."

However, before Xiao Tian had finished his words, Liu Ning immediately covered his mouth. "You are not allowed to say anything right now."

"Mmmm...mmmm...mmmm...." because Liu Ning's hands were covering his mouth, Xiao Tian was unable to pronounce his words clearly.

"I don't understand what are you talking about?" Liu Ning said as she giggled.

Even though Xiao Tian was able to remove her hands from his mouth, he didn't do so because he liked the atmosphere they were in. "Mmmm...mmmm...mmmmmm."

Liu Ning laughed in satisfaction when Xiao Tian couldn't say a single word. "This is the punishment for intending to tease me earlier. Do you want me to take my hands off your mouth?"

Xiao Tian nodded his head, giving her a sign that he wanted her to take her hands off his mouth.

Liu Ning was satisfied when she saw Xiao Tian nodding his head. "I forgive you for now, but if you dare to tease me again, I will pinch your mouth."

Because Liu Ning had removed her hands off his mouth, Xiao Tian brought his face closer to her ears and whispered, "But earlier, you looked so beautiful when you were blushing."

And like before, Xiao Tian couldn't finish his words because Liu Ning immediately stopped him again. However, this time she didn't cover his mouth with her hands; instead, she pinched his lower lip a little hard. "This mouth of yours truly wants to be punished, huh?"

"Lady Liu, please stop it. It hurts." And like before, Xiao Tian did nothing when Liu Ning was pinching his lower lip. "I've learned my mistake. I won't tease you again right now."

"Right now?" Liu Ning found it hard to believe what she was hearing. She thought that by pinching his lower lips, he wouldn't tease her anymore, but she was wrong. "So, does that mean you will tease me again later?"

"Yes. I will tease you again after we buy fruit." Xiao Tian gave her an honest answer.

'I, Huang Chen, will not easily submit to a woman. If I want to seduce or tease a woman, I will do that without thinking about the consequences. I've promised to myself that I will do whatever I want, so nothing will prevent me from doing whatever I want.'

Even though Xiao Tian felt his lower lips hurt a little, but he endured the pain.

"So, you admit it, huh?" Liu Ning then decided to pull his lower lip, "So, how about this? Are you still planning to tease me again later?"

"Lady Liu, stop it. If you do this to me, I will not be able to kiss a woman anymore in the future." Xiao Tian said.

"Haha." Liu Ning didn't expect that Xiao Tian would say something like that. "I don't care."

"Well, I'm also fine with it." Xiao Tian spoke and paused for a second before he continued, "As long as you will take responsibility and kiss me in the future."

"This mouth of yours is really dangerous for us, women. You even said something like that to a married woman with a straight face." Liu Ning then stopped pinching his lower lip and turned around. "Let's continue choosing the fruit for your mother."

And like before, Xiao Tian rushed toward her, and when he was next to Liu Ning, he whispered in her left ear, "For your future mother in law."

Upon hearing his words, Liu Ning stopped her footsteps and immediately hopped on his feet.

"Ahh." Xiao Tian shouted in pain when Liu Ning suddenly hopped on his feet. "Lady Liu, you are bullying me."

"Hehehe. I'm indeed bullying you right now" Liu Ning covered her mouth and giggled.

Because Liu Ning thought that they would never finish choosing fruit if they kept joking around, she took the shopping cart from Xiao Tian's hands and headed to the place where the apples and citrus were.

Even though Xiao Tian still felt pain in his feet, but he still walked toward her with a smile on his face.

Chapter 217 - Thank You For Today

6-7 minutes

After buying fruit, Xiao Tian and Liu Ning went to his shop.

Liu Ning immediately got out of the car and headed to her car after they arrived at Xiao Tian's shop. But when she was about to go home, suddenly her car wouldn't start.

Of course, Xiao Tian knew that her car wouldn't start because it was his idea to make her car wouldn't start. But because he didn't want her to be suspicious of him, Xiao Tian pretended not to know. "Lady Liu, what's wrong?"

"I don't know." Liu Ning kept trying to start her car but still, the car engine wouldn't start. "Earlier, my car is fine, but why doesn't the engine start?"

Even though Xiao Tian had no idea what Zhao Sheng had done to her car, but he was grateful to Zhao Sheng because of him, everything would go smoothly. "Let me check the engine."

"Un." Liu Ning nodded her head.

Xiao Tian pretended to repair the engine, and after several seconds touching the machine, Xiao Tian said, "Lady Liu, try turning on the engine again."

Liu Ning did what she was told, but still, the car wouldn't start. "It's still won't start."

Xiao Tian then walked toward her and said, "Lady Liu, I'm not good at repairing cars, so I don't know why the car won't start."

After hearing his words, a complicated expression appeared on her face. "What should I do?"

"How about I drive you home and tomorrow, I will call a mechanic to repair your car. It's almost evening now, so I think you should leave your car in my shop for today." Xiao Tian tried to give her an excuse so that he could drive her home.

After thinking for several seconds, Liu Ning finally agreed. "Alright."

'Good. That is the answer I want.'

Xiao Tian was pleased when Liu Ning agreed to his idea.

Then they went to her house. Because her home was located in Wanhui district, it took them fifteen minutes to arrive at her house.

Liu Ning's house was big, with a blue iron fence as high as two meters standing firmly in front of her home. And not only that, but her house also has a big front yard with several small trees growing on the ground.

'I need to find an excuse to make her invite me into her house, even if it's only for a short time.'

Because he wanted to put mini spy cameras in her house, Xiao Tian began to think of reasons he had to use so that he could enter Liu Ning's home.

'Luckily, my husband is not at home.'

After Liu Ning got out of the car, she was wavering whether she should invite Xiao Tian into her house or not.

When Xiao Tian saw the expression on her face, he knew that he had to say something, or his plan would be ruined. "Lady Liu, may I use the bathroom?"

"Un," Liu Ning nodded her head.

Then Liu Ning guided him to the bathroom.

Because Liu Ning was thirsty, she headed to the dining room to drink.

Realizing this, Xiao Tian immediately went to the living room and guest room to put the mini spy cameras in a hidden place.

And after he was sure that they wouldn't find it, Xiao Tian immediately said, "Lady Liu, I'm leaving."

Hearing his words, Liu Ning immediately headed to the guest room. And when she saw Xiao Tian in the guest room, she smiled and said, "Thank you for today."

"Un." Xiao Tian nodded his head. "You can take your car tomorrow morning."

"Alright." Liu Ning answered.

After that, Xiao Tian went home.

After taking a shower and wearing clothes, Xiao Tian took his smartphone and laid down on the bed. He suddenly wanted to tell Zhao Sheng that everything was going smoothly, and they had to carry out the next plan immediately.

With this on his mind, Xiao Tian called Zhao Sheng.

"Yo, Xiao Tian. How is our plan?" Zhao Sheng said after picking up the phone.

"Everything went according to our plan." Xiao Tian answered. "Let's meet at University Garden tomorrow. We will carry out our main plan tomorrow."

"Good. I've been waiting for this for a long time." Zhao Sheng answered happily.

"Alright. I will hang up now." Xiao Tian then hung up the phone.

Because Xiao Tian rarely spent time with his mother and aunt, he immediately headed to the living room so that he could spend time with them.

That night, they spent time in the living room until 11:30 pm before finally, they slept in Xiao Tian's room. Of course, they had sex before going to sleep.

The next day in the morning, after Xiao Tian had breakfast with his mother and aunt, he immediately went to the University Garden.

He was shocked when he saw Zhao Sheng sitting with Lan Ruoxi on the wooden bench.

"Lady Lan, what are you doing here?" Xiao Tian asked curiously.

"I heard from young master Zhao that you two want to carry out your main plan today. That's why I came to your campus with young master Zhao." Lan Ruoxi answered as she smiled, "I want to take part in this plan as well."

Hearing her words, Xiao Tian looked at Zhao Sheng. Xiao Tian didn't expect that Zhao Sheng would bring her with him. But when Xiao Tian saw Zhao Sheng shaking his head, Xiao Tian understood that Lan Rouxi came to his campus by herself.

Why does she always want to be part of our plan? Xiao Tian thought to himself.

Seeing the expression on Xiao Tian's face, Lan Ruoxi stood up and said, "What is wrong, young master Xiao? Don't tell me you don't want to let me take part in your plan?"

Because Xiao Tian thought that she would be useful to him in the future, he decided to follow her wish. "No. I'm only surprised that lady Lan wants to take part in our plan again."

"I'm glad to hear that." Lan Ruoxi answered as she smiled.

"Xiao Tian, are you sure you want to discuss our plan here?" Zhao Sheng asked abruptly.

"No." Xiao Tian knew that University Garden wasn't a good place to discuss their plan.

"How about we go to my bar?" Lan Ruoxi said.

Xiao Tian and Zhao Sheng thought that it wasn't a bad idea to discuss their plan in her bar. That was why they immediately agreed.

"Alright." Xiao Tian and Zhao Sheng said in unison

Then they traveled to the Red Flower Bar.

Chapter 218 - You Two Are Indeed A Devil In Disguise

9-11 minutes

After they arrived at the Red Flower bar, they immediately headed to the private room. The room was big, with many luxury items adorning the room.

After they sat on the couch, Lan Ruoxi, who was curious about their main plans, asked, "So, can you tell me about this main plan now?"

Xiao Tian looked at her for several seconds before he finally said, "Domestic violence and the downfall of Feng Ao's Nature Juice company."

Lan Ruoxi was a little shocked by his words. "Domestic violence? You want to make Feng Ao commit domestic violence?"

"Yes. I need it because I want to add fuel to the fire." Xiao Tian gave an honest answer. "Because with that, his company will go bankrupt instantly."

"But isn't that too much for her? You don't feel sorry for her?" Lan Ruoxi didn't expect that Xiao Tian would use Liu Ning to that extent. She thought they only wanted to teach Feng Ao a lesson.

"Pity her? Heh! I never care about her in the first place so why should I pity her? Sure, she is a pretty lady, but so what about it?" Xiao Tian shrugged his shoulders. "Let me tell you something, lady Lan. I, Xiao Tian, will do anything to get whatever I want. In my eyes, men and women make no difference. As long as they are useful to me, I will use them to achieve my goals."

"Damn right, my friend." Zhao Sheng laughed as he patted Xiao Tian's shoulders. "I think so too. We are indeed people who are destined to be friends. We have so much similarity."

At this moment, Lan Ruoxi realized that the young masters in front of her were dangerous, and what made it more dangerous was that they were handsome young men who often smiled and behaved kindly to other people.

If she hadn't heard it from their mouths, she would never have thought that under their brilliant smiles, there was an evil side of them that was hidden.

Actually, she pitied Liu Ning for being used in their plan, but Lan Ruoxi knew that she couldn't change their plans. "So, what do you want to do with Feng Ao?"

"I'm going to mess up his company." Xiao Tian answered instantly.

"How?" Lan Ruoxi asked curiously. Feng Ao's company was quite big, so it would be hard to turn his company upside down.

"Easy." Xiao Tian spoke and paused for a second before he continued, "Let me ask you a question, lady Lan. What do you think the most threatening thing for a drink or food company?"

Lan Ruoxi thought for about five seconds before she finally answered, "Competitor?"

Black lines formed on the faces of Xiao Tian and Zhao Sheng after hearing her words.

Seeing the expression on their faces, Lan Ruoxi asked curiously, "Am I wrong?"

"It's not wrong, but competitor is not the most threatening thing for a drink or food company." Xiao Tian answered before looking at Zhao Sheng. "What is your answer, Zhao Sheng?"

"Safety hazard." Zhao Sheng answered instantly

"Correct." Xiao Tian gave a thumb up to Zhao Sheng. "Most company downfall is not due to a competitor but a big long last scandal."

Lan Ruoxi suddenly understood their main plans. "Like food poison?"

It seems like these young masters are successful in their business for a reason. Lan Ruoxi thought to herself.

"Yes." Xiao Tian and Zhao Sheng nodded their heads.

Xiao Tian then continued explaining his plan, "Food and drinks are noticeable by average person, so if news about contaminated products is to be discovered, it will cause the stock to plummet. Worse case, it can affect related companies."

Lan Ruoxi touched her chin and asked, "So you two want to make up rumor to ruin Feng Ao's company?"

"Yes." Xiao Tian answered. "With how Shanghai right now, with just half a day, we can make all the people in Shanghai know that Feng Ao's Nature Juice is contaminated."

"And what do you mean by adding fuel to the fire earlier?" Lan Ruoxi inquired.

Xiao Tian didn't give her an answer; instead, he laughed evilly.

Because Xiao Tian didn't answer her, Lan Ruoxi looked at Zhao Sheng. When she saw Zhao Sheng laughing too, she was dumbfounded.

However, she suddenly remembered something, "Wait, don't tell me...."

"Yes. What you think is right. And to make my plan flawless, I've already put mini spy cameras in their home." even though Lan Ruoxi didn't finish her words, Xiao Tian understood what she wanted to say.

"When Feng Ao is furious because his company is in a mess, we will send pictures of his wife and me to him. I'm sure when Feng Ao saw the pictures, he would get angrier and return home to teach Liu Ning a lesson for cheating on him."

"With the problem he faced, at least, Feng Ao would slap her face or maybe more than that. Hahaha." Xiao Tian laughed evilly, "After that, we can upload a video of him committing domestic violence on the internet. With this, his company will go bankrupt, and maybe he could even go to prison because of that. Isn't my plan perfect?"

Lan Ruoxi didn't expect that Xiao Tian would have a plan like that. She thought that his plan was perfect, but remembering that Liu Ning would get beaten by her husband due to Xiao Tian's plan made Lan Ruoxi feel sorry for her.

Lan Ruoxi suddenly remembered something important in his plan, "Wait. If you send the pictures of you and his wife to him, won't that make your good reputation ruined?"

At this time, Zhao Sheng immediately gave her an answer, "I've edited Xiao Tian's face in these photos so they wouldn't know that it was Xiao Tian."

"Aren't you two being so cruel to Feng Ao?" Lan Ruoxi didn't know why the young masters in front of her were so cruel to Feng Ao. Their original plan was only to help Lin Xing Xue get her daughter back, so why did they need to do everything to that extent.

"Lady Lan, you don't know what he did to my little Xue?" actually, Xiao Tian didn't want to ruin Feng Ao's company, but after knowing what Feng Ao did to Lin Xing Xue, he decided to teach Feng Ao a big lesson.

"What did he do to your lover?" Lan Ruoxi asked curiously

Xiao Tian looked at her for three seconds before he finally answered, "You don't need to know about it."

Because Xiao Tian didn't want to give her an answer, Lan Ruoxi looked at Zhao Sheng and asked, "Young master Zhao, can you tell me about it?"

And like what Xiao Tian did, Zhao Sheng also refused to tell her about it. "Sorry. I can't tell you about it."

Then they discuss their plans for another hour before they finally made their move. And because they needed more people, Zhao Sheng and Lan Ruoxi brought their people with them.

"Is everything ready?" Xiao Tian sent a message to group chat.

"News editor is ready." Zhao Sheng sent a message to group chat.

"News stations are ready." Lan Ruoxi sent a message to group chat.

"Victim is ready." Mo Lian sent a message to group chat.

"Good! Let's make our move now." Xiao Tian sent a message to group chat.

Then the victims bought Nature Juice and drank it. Several minutes later, the victims fainted, and at that same time, Zhao Sheng's people took the victims to the hospital.

And when reporters found out that there were victims of poisonous drink, they immediately went to the hospital. Then news about contaminated Nature Juice flooded the news station.

"Breaking news, several minutes ago, there are some people who are poisoned after drinking Nature Juice, and now they are being treated in the hospital." a beautiful female TV anchor said.

"According to the recent reports, there has been a widespread incident of drink poison due to Nature Juice. Currently, there are thirteen civilians hospitalized." another female TV anchor said.

People who saw the news were outraged. They didn't expect that Nature Juice was contaminated. Many people who wanted to buy Nature Juice, suddenly decided not to buy it.

"I'm sure, Feng Ao is furious right now. Hahaha." Xiao Tian, who was sitting on the couch, laughed happily.

Little Xue, you will be able to get your daughter back soon. Xiao Tian thought to himself.

"Haha." Zhao Sheng also laughed happily, "He certainly would not have thought that we are the cause of everything."

Lan Ruoxi giggled as she looked at Xiao Tian and Zhao Sheng. "You two are indeed a devil in disguise."

"What are you talking about, lady Lan? How could a handsome young man like us be a devil in disguise?" Xiao Tian answered before turning his head toward Zhao Sheng, "Isn't that right, Zhao Sheng?"

"Yes. You are damn right, my friend." Zhao Sheng nodded his head as he laughed, "We are a good person."

Hearing their words, Lan Ruoxi rolled her eyes.

'If you two are a good person, then the other person is a saint.'

She found it hard to believe that Xiao Tian and Zhao Sheng dared to call themselves good people after ruining Feng Ao's company due to a small matter.

"So, when will you send the photos to Feng Ao?" Lan Ruoxi inquired.

"Not now. Wait for about two hours after that we will send the pictures to him as a gift." Xiao Tian thought that it would be better to send the picture of him and Feng Ao's wife later because he wanted to depress Feng Ao first before giving Feng Ao another problem.

"What a cunning devil." Lan Ruoxi stated.

Chapter 219 - I'm Not Interested In Your Plan

6-8 minutes

"Young master Xiao, aren't you afraid that lady Liu will hate you later?" even though their plan was excellent, but Lan Ruoxi thought that Liu Ning would know that Xiao Tian was involved in everything. She was only curious about what Xiao Tian would do to erase his tracks later.

Xiao Tian suddenly remembered something important. "Wait, Zhao Sheng. I suddenly thought that it would be better if you sent the original picture of Liu Ning and me."

"Why?" Zhao Sheng was shocked by Xiao Tian's words. He had no idea why Xiao Tian suddenly wanted him to send the original photos to Feng Ao. It was a dangerous move that could ruin Xiao Tian's good reputation. He thought that it would be better to carry out their original plan.

Thinking that Zhao Sheng didn't understand the hole in their plan, Xiao Tian began to explain it, "It's like this. After you send the pictures to Feng Ao later, Feng Ao will immediately go home with the photos. I'm sure that Feng Ao will show it to his wife. And if Liu Ning saw that my face had been changed, she would be suspicious of me."

"What?! Hey, friend. If you do that, your good reputation will be ruined, you know." Zhao Sheng couldn't believe that Xiao Tian really wanted to change their plan. "If you think that Liu Ning will become a threat to us in the future, I can make her disappear from this world tonight. Hehe. Don't worry. I will make it as if Feng Ao is the one who killed her."

Xiao Tian thought for about five seconds before finally nodding his head, "That's not a bad idea. Then, I will let you take ca-"

But before Xiao Tian had finished his words, Lan Ruoxi stood up and shouted, "No! You two can't kill her!"

Lan Ruoxi was greatly surprised by their words. She didn't expect that Xiao Tian and Zhao Sheng wanted to kill Liu Ning just because they didn't want Liu Ning to become a threat to them in the future.

Xiao Tian and Zhao Sheng immediately looked at Lan Ruoxi. They had no idea why she suddenly behaved like that. They were sure that Lan Ruoxi had no relationship with Liu Ning, so why did she want to protect Liu Ning? Those were the words that appeared when they saw her reaction.

"Why?" Xiao Tian wanted to know what was the reason she wanted to protect Liu Ning.

"Yes. Why?" Zhao Sheng also had the same thought as Xiao Tian. "You don't have any relationship with her, right? So why are you trying to protect her?"

"I know that I don't have any relationship with her but...." Lan Ruoxi had felt sorry when she knew that Liu Ning was being used in their plan, so when she heard that Xiao Tian and Zhao Sheng wanted to kill Liu Ning, she couldn't accept it. "Can young masters change the plan?"

"Give me a reason." Of course, Xiao Tian didn't want to change his plan just because Lan Ruoxi asked him to.

Xiao Tian didn't want Liu Ning to become a threat to him in the future. That was why he thought that it would be better to kill Liu Ning because with how things were going now, they could make it as if Feng Ao was the one who killed her.

And with Zhao Sheng's help, he was sure that they could make the cops blame Feng Ao for everything. For Xiao Tian, it was like killing two birds with one stone.

Lan Ruoxi sat back on the couch and inquired, "Young master Xiao, what do you think about Liu Ning? Is she a good person or not?"

"She is a good person." Xiao Tian gave her an honest answer, "But so what about it? If she learns about what is happening in her family today, I'm sure she will blame me for everything. I'm fine if she wants to take revenge on me, but what if she also wants to hurt someone who is precious to me?"

"It's only 'if,' right?" Lan Ruoxi still tried her best to change their mind because she didn't want Liu Ning to die because of them. "I have another plan?"

Xiao Tian closed his eyes and answered, "I'm not interested in your plan."

At this time, Xiao Tian began to regret letting Lan Ruoxi take part in their plan. He thought that it would be better if she didn't take part in their plan.

It's my fault for letting her take part in our plan. Xiao Tian thought to himself.

Because Xiao Tian refused to change his mind, Lan Ruoxi looked at Zhao Sheng and said, "Young master Zhao, let's not kill her."

"Big sister Ruoxi, if you don't want Liu Ning to die, you should ask Xiao Tian, not me." Zhao Sheng answered her instantly.

Because Lan Ruoxi knew that all decisions were in Xiao Tian's hands, she rose from the couch and sat on Xiao Tian's lap.

After that, she brought her pretty face closer toward Xiao Tian's ears and whispered, "Young master Xiao, if you change your mind, we can spend the night together later. How is it? Are you interested in listening to my plan?"

Hearing her words, Xiao Tian opened his eyes and looked at her, "Lady Lan, I know that you are a pretty lady, but I'm sure you also know that I don't lack a beautiful woman."

Upon hearing Xiao Tian's words, Zhao Sheng could tell what Lan Ruoxi had just whispered to Xiao Tian. "Big sister Ruoxi? You will sleep with Xiao Tian if we follow your plan? Then what about me? Why are you treating Xiao Tian differently? You never treat me like that, you know. It's not fair to me."

Lan Ruoxi covered her mouth and giggled, "Hehe. It's because I'm falling in love with young master Xiao, so of course, I will treat him specially."

"It's unfair, big sister Ruoxi." because Zhao Sheng was unhappy with her words, he pointed his index finger toward Xiao Tian and shouted, "Xiao Tian, you bastard. We are not friends anymore from now on."

"Stop talking nonsense and tell me the truth? Why are you doing this? What is your relationship with Liu Ning? You even want to give your body to me for the sake of protecting Liu Ning." Xiao Tian found it hard to believe that a beautiful lady like Lan Ruoxi was willing to sleep with a man just because she wanted to save the life of a stranger.

It was normal if Lan Rouxi wanted to save someone who was precious to her, but willing to sleep with a man just for the sake of strangers was a stupid decision in Xiao Tian's opinion. That was why Xiao Tian was suspicious of her.

"Isn't that pity to kill a beautiful lady like her?" even though Lan Ruoxi was not a saint, but she didn't want to kill innocent people. That was why she tried her best to change their mind.

Xiao Tian didn't answer her and only looked at her in the eyes.

Seeing the expression on his face, Lan Ruoxi knew that she had to give him a good reason. With this on her mind, Lan Ruoxi brought her face closer toward Xiao Tian's ears and whispered,

Chapter 220 - Who Is Slandering My Company?

6-7 minutes

"You don't need to sleep with me." Lan Ruoxi's words greatly surprised him. That was why Xiao Tian decided to listen to her plan. "Let me hear that plan of yours."

Without waiting for another second, Lan Ruoxi began to explain her plan, "My plan is simple. I will send my people to follow Feng Ao. Later, my people will call the polices. My people and the corps will enter his home when he commits domestic violence. With this, the corps can take Feng Ao to police station. Isn't the result the same?"

Xiao Tian thought that her plan was good. That was why Xiao Tian began to waver whether he should use her plan or not, "So, all of my hard work in putting mini spy cameras will be useless in this plan, right?"

"No." Lan Ruoxi answered instantly. "But, instead of posting it on the internet, we will give it to the police to get Feng Ao jailed."

When Zhao Sheng saw that Lan Ruoxi was still sitting on Xiao Tian's lap, he said with a scowl, "Can you two not talk in that position? I feel like the third wheel right now."

Hearing his words, Lan Ruoxi giggled and said, "Sorry about this young master Zhao, but I still want to sit on young master Xiao Tian's lap because I feel comfortable sitting on his lap."

"Xiao Tian, stop behaving like lovers who are in love. And make her sit on the couch. How could you do this to your friend?" because Lan Ruoxi didn't want to move from Xiao Tian's lap, Zhao Sheng could only hope that Xiao Tian would make her sit on the couch.

Xiao Tian could only sigh after hearing Zhao Sheng's words. But because Xiao Tian wasn't in the mood to flirt with a woman, he looked at Lan Ruoxi and said, "Lady Lan, can you sit on the couch?"

"Young master Xiao, are you unhappy that beautiful lady is sitting on your lap?" Lan Ruoxi said while touching his cheeks.

Then Xiao Tian grabbed her by the chin and said, "lady Lan, I'm not in the mood to flirt right now, so can you sit on the couch?"

Seeing the expression on his face, Lan Ruoxi knew that she should not continue what she was doing. That was why she immediately rose from his lap and sat on the couch. But of course, she sat close to Xiao Tian, making their shoulders touch to each other.

Then they began to discuss their plan again.

Nature Juice company

Inside a luxury office, Feng Ao was sitting on the office chair with an angry face. "Fuck! Who did this? Who is slandering my company?"

Not long after that, the sound of someone knocking on the door could be heard in Feng Ao's ears.

"Come in." Feng Ao said

As soon as he gave permission to enter, a grown man around twenty-seven years old entered his office, "Sir, there is a packet for you."

"Packet?" Feng Ao immediately took the packet, but he didn't immediately open it. "Ming Wei, what is the situation in front of the company?"

"There are still many people who demonstrate in front of the company. We have asked the police for help, and they will arrive in a few minutes," Ming Wei answered instantly.

"Have you found out who did all of this?" Feng Ao inquired.

"Not yet, sir." they had tried to find out who was the cause of all this, but they still could not find the mastermind behind it. But even so, they still haven't given up and believed that they could find the person who caused all this chaos.

Feng Ao gritted his teeth hard. He didn't expect that something like this would happen to him today, "You can leave now."

"Yes, Sir." Ming Wei then walked out of the Feng Ao's office.

After Feng Ao was alone in the office, he opened the packet.

"Liu Ning, you slut!" Feng Ao hit his fists on the table. He was furious when he saw the photos.

He didn't expect that her wife was cheating on him. And not only that, she even had an affair with a famous young businessman. He knew that he rarely spent time with his wife lately, but he didn't expect that she was having an affair because of it.

Feng Ao thought that because he gave her money every month, something like this wouldn't happen to him because he had done his job as a husband. But he was wrong. He was utterly wrong. Without waiting for another second, he took the photos and walked out of the office.

After Feng Ao got out of the room, a young man, who was pretending to be an office boy, said, "Target is leaving his office."

"Understood," the female lady, who was sitting on the passenger seat, replied. She then looked toward her friend and said, "Get ready. The target has left the office."

"Alright." A female lady, who was sitting on the driver seat, nodded her head.

When they saw Feng Ao enter his car, they immediately prepared to follow him.

"Feng Ao is going home right now," Lan Ruoxi, who was reading the message, said.

"Good!" Xiao Tian said as he nodded his head.

"Aish...What a pity. Soon, a beautiful lady will get beaten by her husband." Zhao Sheng said as he shook his head.

'Isn't it better than getting killed by both of you?'

Lan Ruoxi found it hard to believe that Zhao Sheng made a sad expression when he knew that Liu Ning would get beaten by her husband soon.

Then Zhao Sheng patted Xiao Tian's shoulders and said, "Xiao Tian, you must not hurt her in the future."

"What do you mean by that, Zhao Sheng?" Xiao Tian spoke and paused for a second before he continued, "I'm a good person, so I will not hurt her. What kind of person do you think I am?"

Zhao Sheng placed his right hand on his chest and said proudly. "Well, you are indeed a good person. but you are not as good a person as me."

At this moment, Lan Ruoxi was at lost for words. She could hardly believe what she was hearing. Earlier, Xiao Tian and Zhao Sheng wanted to kill Liu Ning because they didn't want her to become a threat to them in the future, and here, they called themselves a good person.

'What kind of joke is this?'

Lan Ruoxi shouted in her head.
