

Illicit 221

Chapter 221 - Why Did All Of This Happen To Me?

With an angry face and photos in his right hand, Feng Ao entered his home. From his face, everyone could tell that he was furious. Due to anger, his face turned red as if it were a volcano that was about to erupt.

While at the same time, two police cars arrived at Feng Ao's home. The cops immediately got out of the vehicle and approached Lan Ruoxi's people.

"Good afternoon, Miss Jingjing." one of Lan Ruoxi's people said when she saw four police in front of her.

"Good afternoon." Jinjing replied. "So, what should we do this time?"

"We will enter the house and arrest Feng Ao after he commits domestic violence," one of Lan Ruoxi's people said

"Alright." Jinjing answered.

As soon as Feng Ao was in the guest room, he shouted angrily. "Liu Ning, you slut! Where are you?"

Because Liu Ning wasn't in the guest room, Feng Ao immediately headed to the living room.

Liu Ning, who was hearing her husband calling her, rose from the couch and walked toward him, "Feng Ao, why are yo-"

However, before Liu Ning had finished her words, Feng Ao slapped her face hard, making her fall to the floor, "How dare you have an affair with another man behind me? I treat you well and give you money every month, and this is how you repay me?"

Liu Ning had no idea why her husband suddenly behaved like that. She never had an affair with another man, and here, the first thing her husband did after returning home was to accuse her of having an affair.

This made Liu Ning furious and unable to control her anger. She immediately stood up and shouted back. "I've never had an affair with another man! It's you who is having an affair with another woman!"

* Slap...

Because Feng Ao was unhappy with her words, he slapped her in the face, making her fall to the floor again.

"You said that you have never had an affair with another man?!" Feng Ao then threw the photos of her with Xiao Tian to her face, "Then, what is this?"

Liu Ning's eyes widened in surprise when she saw the pictures of her and Xiao Tian in Shanghai Aquarium. She had never thought that someone took pictures of them at that time.

'Who did this?'

Because in the pictures, Liu Ning and Xiao Tian were hugging each other, she didn't know how to explain it to her husband.

"I've never cheated on you. He is my friend!" even though Liu Ning had guessed that he wouldn't believe her, but she was still trying to tell her husband that she had never had an affair with another man.

And like what Liu Ning had guessed, Feng Ao was getting angrier after hearing her words. From the expression on his face, everyone could tell that he didn't believe it.

Without caring about her condition, Feng Ao pulled her hair and said, "Friend?! Bullshit! Do you think I'm a three-year-old kid who you can fool? Everyone who has eyes can tell that you are cheating on me! Do friends hug like that? And not only that, you even went to Shanghai Aquarium with him alone. What is this if not cheating?"

"I NEVER CHEATED ON YOU," Liu Ning shouted loudly.

Because Liu Ning still didn't want to admit that she was having an affair, Feng Ao slapped her face harder than before, "Admit it, you slut!"

*Bang...

Due to how hard Feng Ao slapped her in the face, Liu Ning's head hit the floor. At this moment, blood was dripping down from her head and the corner of her lips.

However, Feng Ao didn't feel sorry for her; instead, he grabbed her hair again. "Slut, this is a punishment for cheating on me!"

"Hahahaha." Instead of crying, Liu Ning was laughing loudly. However, her laughter was like the laughter of the devil. Everyone who heard the laughter would immediately be afraid and think that it was not a burst of human laughter, but laughter from the devil. "Feng Ao, so what if I have an affair? You are also having an affair with another woman, right? If you can do that, why can't I? Yes. You're right. I have an affair with him. We even slept together yesterday. And he is better than you on the bed. Hahaha."

Because her mind was in a mess, Liu Ning didn't care about her reputation anymore. She knew that whatever she said, Feng Ao would never believe her.

So, instead of begging him to believe her, Liu Ning decided to annoy him. She had tried her best to protect their families, but Feng Ao, on the flip side, still wanted to destroy it.

And with how he was treating her right now, Liu Ning no longer cared about their families. She even began to regret marrying him.

"You!" Feng Ao raised his right hand and was about to slap her in the face again.

However, before he could slap her in the face, Liu Ning laughed and said, "Haha. What? You want to slap my face again? Do it! Slap me in the face until you are satisfied because, after this, you will not be able to touch my body anymore."

*Slap

As soon as Liu Ning finished saying that, Feng Ao gave her a big slap on the face. However, because Feng Ao was grabbing her hair, she didn't fall to the floor like before.

"It's time now." one of Lan Ruoxi's people said. "Miss Jingjing, we will take our leave now."

"Alright." Jingjing nodded her head before looking at the other police, "Let's make our move now."

Bang!

The door was thrown open roughly.

Then the police immediately headed to the living room. And when they saw Feng Ao beating Liu Ning cruelly, Jinjing said, "Police! Don't move!"

One of the cops rushed toward Feng Ao and immobilized him. This made Feng Ai furious, "What is this? Why are you all doing this to me? What did I do wrong?"

Jingjing walked toward Feng Ao and stopped in front of him, "You have committed a crime."

"What crime?" Feng Ao found it hard to believe what he was hearing. Today, someone was slandering his company, and here, the cops suddenly arrested him and stated that he had committed a crime.

"What crime?" Jinjing patted Feng Ao on the face before pointing her index finger toward Liu Ning, "You ask me what crime did you commit? Look at your wife? Now tell me, what crime did you commit?"

Upon hearing her words, Feng Ao knew that he had committed a crime, so he didn't know what he should say at this time.

Jingjing was surprised when she knew that Feng Ao didn't try to defend himself anymore. "Not only did you commit domestic violence, you even selling contaminated products."

"I don't sell contaminated products!" Feng Ao shouted loudly. "Someone is slandering my company."

"Bring him to the police station." Jinjing then looked at Liu Ning. "Let's go to the hospital first. We need to treat your wound."

Because Liu Ning's head was bleeding, Jingjing had to bring Liu Ning to the hospital first before taking her to the police station as a victim.

After they arrived at the hospital, the nurse immediately bandaged Liu Ning's head to stop the bleeding.

Liu Ning, who was sitting on the hospital cot, began to think about what had happened to her family today. She didn't expect that her family would get destroyed in a day like that.

'Why did all of this happen to me?'

Liu Ning looked at the sky through the window.

Chapter 222 - You Are Lying To Me!

6-7 minutes

Even though Liu Ning was still injured, she still tried to think of what had happened in her family.

'Someone is suddenly slandering Feng Ao's company today. And not only that, he even has pictures of me and Xiao Tian. Who sent the photos to him? Is everything that is happening today related to one another?'

Because everything happened in a day, Liu Ning couldn't help but think that everything was planned by someone who wanted to destroy her family.

'But who did all of this? Are these all the actions of Feng Ao's enemies?'

When Liu Ning was thinking about what was happening in her family, Jingjing suddenly entered the patient room. "Lady Liu, how is your wound?"

"It's fine," Liu Ning gave Jingjing a short answer.

Jingjing didn't mind her short answer because she knew that Liu Ning was not in good condition. "Don't worry. Your husband will get the punishment he deserves."

At this moment, Liu Ning didn't answer her and only looked at the sky through the window. She still found it hard to believe that everything happened so fast.

Jingjing could only sigh seeing Liu Ning's condition. "Lady Liu, after you feel better, please follow us to the police station because we need you t--"

But before Jingjing had finished her words, suddenly a police officer entered the room. "Miss Jingjing, we have arrested the suspect, and now he is at the police station."

Hearing this, Jingjing immediately said, "Good. Let's get back to the police station."

However, when Jingjing was about to walk out of the patient room, Liu Ning said abruptly, "Wait! Take me with you too. I want to see the suspect."

"Are you sure? Does your condition allow you to leave the hospital?" Jingjing inquired.

Liu Ning immediately got out of the bed and said, "I'm fine. It's just a small wound."

Because Liu Ning wanted to go to the police station with them, Jingjing didn't refuse Liu Ning's wish, "Alright."

Then they traveled to the police station. They immediately headed to the interrogation room after they arrived at the police station.

As soon as Liu Ning stepped into the interrogation room, she was shocked when she saw the suspect's face. "Da Gui?"

Hearing that Someone calling his name, the suspect raised his head and looked at the source of the sound, "Big sister Liu Ning?"

Liu Ning suddenly felt dizzy when she knew that the suspect was Da Gui, the kind young man, who was none other than her late boyfriend. "You...you are the one who did all of this?!"

Even though Jingjing knew that Liu Ning was familiar with the suspect, she still pretended to be surprised, "Oh! Lady Liu, you know him?"

"Yes." Liu Ning nodded her head, "He is the younger brother of my late boyfriend. Before his big brother dies in a car accident, I was his big bro-"

"My big brother did not die in a car accident, but killed by Feng Ao," Da Gui shouted loudly, "It's because that bastard wants to snatch you from my big brother. That's why he killed big brother."

"What?!" Liu Ning's legs suddenly turned shaky after hearing Da Gui's words. "Da Lei is killed by Feng Ao?"

"Yes. That's right! My big brother didn't die in a car accident, but he was killed by that bastard Feng Ao." Da Gui was furious every time he remembered about Feng Ao.

After their parent passed away, his big brother always took good care of him. And even though they were not rich, but they lived happily.

Da Gui was even happier when his big brother was dating Liu Ning because not only was she beautiful, but she was also a kind lady.

In the past, Da Gui couldn't wait for his big brother to marry Liu Ning. He was sure that their family would become the happiest family ever.

However, all of his dreams were shattered into pieces when his big brother suddenly passed away in a car accident.

Da Gui lost everything. He even attempted suicide several times before finally, he decided to find out the cause of his brother's death.

Did his big brother really die in a car accident, or was he killed by someone?

With this on his mind, Da Gui didn't try to commit suicide anymore; instead, he started to investigate the cause of his brother's death. And a few months ago, he finally found out that Feng Ao was the reason for his big brother's death.

Da Gui tried to kill Feng Ao several times but always failed. And because he was from a lower-class family, he was unable to pay a hitman to kill Feng Ao.

"No...no.... You are lying. You are lying to me!" Liu Ning still couldn't accept what she was hearing. All of this was too sudden for her. That was why she tried to deny everything. "Feng Ao is Da Lei's best friend. He will never kill his own best friend."

When Jingjing saw that Liu Ning was about to fall to the floor, she immediately grabbed Liu Ning's shoulders and made Liu Ning sit on the chair.

"It's the truth!" Da Gui was furious when Liu Ning still didn't want to accept that her husband was the reason why his big brother was killed in a car accident. "And not only that, do you know what he did to his ex-wife? Hahaha. It makes me want to kill that bastard every time I remember about him."

At this time, Da Gui's eyes gleamed with terrifying sharpness. From the expression on his face, everyone could tell that he really wanted to kill Feng Ao.

No, maybe, if Feng Ao was in his hands, he would torture Feng Ao until Feng Ao wished that he died. In the past, he thought that Feng Ao was a good man because he often helped them and hung out with them.

He just didn't expect that because of a woman, Feng Ao would kill his best friend.

"Do you have proof of that?" Jingjing inquired.

"I have." Da Gui answered instantly.

Chapter 223 - How About We Cook Dinner Together Later?

7-8 minutes

Not long after that, a grown man arrived at the police station. With documents in his hands, he entered the police station. The grown man immediately left after giving the documents to Jingjing.

Jingjing, who was reading the documents, was shocked. She didn't expect that Da Gui really had proof of everything he just said.

And what surprised her most was that the grown man who had just sent the documents was none other than Zhao Chen's people, the head family of the famous Zhao Family.

Jingjing thought that only Lan Ruoxi supported Da Gui. She did not expect that he was also supported by the Zhao family.

'I thought that all of this is a scenario. But it seems like Da Lei was indeed killed by Feng Ao.'

With this on her mind, Jingjing asked Da Gui, "Tell me everything you know."

Da Gui looked at Jingjing for about three seconds before finally, he said, "At that time, I was still fifteen years old and...."

*Flashback four years ago.

"Gui, where are you? Your big brother has arrived home." with a smile on his face, Da Lei chirped.

Knowing that his big brother has arrived home, Da Gui, who was watching TV, ran toward his big brother, "Big brother, welcome home."

"I'm home. Oh! You are watching TV again, huh? It seems like you can't separate from TV now. Hahaha." Da Lei smiled as he rubbed his younger brother's hair.

"Well, because there is noth-" Da Gui stopped his words when he noticed a beautiful girl in front of him, "Big brother, who is she?"

Realizing that it was time to introduce herself, Liu Ning smiled and said, "Hello Da Gui, I'm Liu Ning."

"And she is your big brother's girlfriend. Your future sister-in-law." Da Gui added happily. From the expression on his face, everyone could tell that he was thrilled and proud at the same time.

Of course, Da Lei was delighted and proud. Who wouldn't be happy and proud when they had a girlfriend who was beautiful and kind like Liu Ning.

"Sister-in-law? What is that?" because Da Gui was still innocent, he had no idea what sister-in-law meant.

"It means she will be your big brother's future wife." Da Lei explained what sister-in-law meant to his little brother.

Hearing Da Lei's words, Liu Ning was delighted and couldn't help but smile happily. She really loved Da Lei and wished that they could be together forever. That was why she was pleased when Da Lei said that they would get married in the future.

When Da Gui knew that his big brother would get married to Liu Ning, he grabbed her hands and said, "Big sister Liu Ning, I hope that you can be patient with my big brother's attitude because he is lazy, can't cook, his room always in a mess, he als-"

Hearing that his younger brother mentions all the bad behavior he had at home, Da Lei immediately covered his younger brother's mouth and said, "Gui, you should not destroy your big brother's good reputation."

After removing his big brother's hands from his mouth, Da Gui said honestly, "What good reputation? You don't have a good reputation."

"Hehehe." Liu Ning could help but laugh after hearing Da Gui's words.

"Gui, mark your big brother's words." Da Lei put his right hand on his chest and made a serious face. "From today onward, this big brother of yours will change his attitude."

"Good!" even though Da Gui doubted that his big brother would change his attitude, but he was still pleased. "So, you should help me cook from today onward."

Hearing the word 'cook,' Da Lei almost instantly refused, "N-...I mean, alright."

When Da Gui saw the expression on his brother's face, he tapped his big brother's arms and said, "Don't worry. You only need to help me prepare the ingredients. If you help me cook, we will die from food poisoning."

"Hey!" Da Lei didn't expect that his younger brother would say something like that.

"Week." Da Gui stuck his tongue out before running and sitting on the couch again.

"Hehehe." Liu Ning laughed happily, seeing the behavior of Da Gui and Da Lei.

Da Lei immediately looked at Liu Ning and said, "My little brother is lying. Even though I'm not good at cooking, but I can still cook a few dishes."

Of course, Da Lei tried his best to look good in front of his girlfriend.

"Oh, really?" Liu Ning found it funny that Da Lei was trying to make himself look good in front of her. "What dish do you cook well?"

"Well, actually...." because he was afraid that Liu Ning would ask him to cook, Da Lei decided to tell the truth, "I can only cook instant noodles and boil water."

"You can only cook instant noodles and boil water?" Liu Ning covered her mouth and giggled, "I think a six years old boy can do that too."

"I can cook eggs, too, you know." Da Lei still tried his best to make himself look good in front of his girlfriend.

"Hehe." Liu Ning smiled happily before finally she walked toward the couch and sat next to Da Gui, "So, you are the one who cooks every day?"

Da Gui didn't expect that Liu Ning would sit with him. Earlier, he decided to watch TV again because he didn't want to disturb them. "Yes. I'm the one who cooks every day."

"Do you want to cook together later?" actually, Liu Ning was surprised when she knew that Da Gui was the one who cooked every day. Liu Ning didn't expect that a fifteen years old child could cook.

"Really?" Da Lei said with starry eyes.

"Yes." Liu Ning nodded her head, "How about we cook dinner together later?"

"Un." Da Gui then looked at his big brother. "Big brother, you don't need to help me today because I want to cook dinner with big sister Liu Ning."

"Hey! I want to help too, you know." because he thought that it would be interesting to cook with his girlfriend and little brother, Da Lei wanted to cook with them too.

"But you will only disturb us later." Da Gui said what was in his mind without caring about his big brother's feeling.

"Gui, how could you do this to your big brother?" Da Lei pretended to be sad, "At least, I can help prepare the ingredients, you know."

Da Gui looked at his big brother for about five seconds before finally, he said, "Fine."

Da Lei then sat next to his younger brother and said, "My little brother is indeed the best."

"Of course, I am." Da Gui said proudly.

Seeing the expression on his little brother's face, Da Lei smiled and said, "Look at that face of yours! Why are you smiling like that? It seems like I shouldn't praise you from now on."

"But I agree that Da Gui is the best young man because he can cook. Not like..." Liu Ning didn't finish her words, but she glanced at Da Lei.

"Hey. You two can't bully me like this, you know." Da Lei made a sad face as if they were bullying him.

Seeing the expression on Da Lei's face, Liu Ning and Da Gui laughed happily.

At this time, a soft smile spread across Da Lei's face. He was delighted to see Da Gui and Liu Ning already getting along with each other.

After that, Liu Ning often came to Da Lei's home, and because of this, their relationship was getting closer than before.

Chapter 224 - Your Big Brother's Girlfriend Is Stunning

5-7 minutes

But someday, Da Lei returned home with Liu Ning and Feng Ao. And because Feng Ao brought food for them, they immediately headed to the dining room to eat it.

"Big brother Feng Ao, it has been a while for you to come to my home." Da Gui, who was sitting on the right side of Feng Ao, said.

"Do you miss me? Hehe." Feng Ao rubbed Da Gui's hair and laughed. "I was very busy, so I couldn't come to your home. However, I will often come to your house from tomorrow onward."

Da Gui then stretched out his right arm toward Feng Ao and chirped, "Where is my juice?"

Because Feng Ao often gave him juice every time he visited their home, Da Gui immediately asked for juice when he could not find it on a plastic bag.

"Hahaha." Feng Ao could not help but laugh when Da Gui asked for juice. "Sorry. Earlier, your big brother suddenly told me to come to your home as soon as possible, so I forgot to bring it with me."

A sad expression suddenly appeared on Da Gui's face after hearing Feng Ao's words.

Seeing that, Feng Ao immediately said, "Don't worry. Next time, I will bring a lot of juice for you."

"Really?" Da Gui was pleased by Feng Ao's words. The sad expression on his face immediately turned into a dazzling smile.

"Yes." Feng Ao nodded his head.

Da Lei could only sigh after hearing Da Gui's words. "Sigh. This brother of mine. How could he ask for juice with a straight face like that?"

"It's fine. It's fine." Feng Ao spoke and paused for a second before he continued, "Oh! So this beautiful lady is your girlfriend?"

"Yes. This is my girlfriend." Da Lei then looked at Liu Ning, "Introduce yourself to him."

Without waiting for another second, Liu Ning immediately introduced herself. "Hello. I'm Liu Ning, Da Lei's girlfriend. I've heard about you several times from Lei."

"Oh! Is that so? Haha." Feng Ao then looked at Da Lei. "You didn't tell a bad thing about me, right?"

"Of course not." Da Lei answered instantly. "I only told her that I'm lucky to have you as my best friend."

"Yes. That's right. Lei always said good things about you." Liu Ning added.

"Oh! It seems like I don't choose the wrong person as my best friend." Feng Ao was pleased when he knew that Da Lei always said a good thing about him in front of his pretty girlfriend.

'Damn! His girlfriend is beautiful. How could he get a pretty girl like her as a girlfriend? She is even as beautiful as my wife. Now, I wonder, how does it feel to sleep with her?'

Feng Ao could not help but want to get a taste of Liu Ning's body when he saw her pretty face and sexy body.

Da Lei, who had no idea what was in Feng Ao's mind, laughed happily after hearing Feng Ao's words.

Then they began to eat the food together. But when they were eating the food, Feng Ao always stole glances at Liu Ning.

When Da Gui noticed that, he looked at Feng Ao and asked, "Big brother Feng Ao, why did you always glance at big sister Liu Ning?"

Because Da Gui knew what he was doing, he immediately looked for an excuse, "Your big brother's girlfriend is stunning. I suddenly feel envy of him."

At this time, Da Lei had no bad thoughts towards Feng Ao. "Haha. You think so too? You know, sometimes I even think that all of this is a dream. I just didn't expect that I would have a beautiful and kind girlfriend like her."

Liu Ning smiled happily when Da Lei praised her in front of his best friend and little brother.

Because none of them knew what was on Feng Ao's mind, they thought that Feng Ao was really envy of Da Lei.

After that day, they often met and hung out together. And of course, Feng Ao tried to get along with Liu Ning too.

However, Liu Ning thought that Feng Ao wanted to befriend her because she was his best friend's girlfriend.

Three months had passed since Feng Ao knew Liu Ning, and the more Feng Ao knew about Liu Ning, the more he liked her. But of course, he didn't show it on his face.

For the sake of spending time alone with Liu Ning, Feng Ao always invited her to go somewhere together with the reason to buy something for Da Lei. But Liu Ning always refused him, saying that it was not a good idea to go somewhere together, just the two of them.

Feng Ao was always annoyed by this, but of course, he didn't show it on his face because he wanted to make her think of him as a good man.

However, the more he spent time with Liu Ning, the more he understood that it was impossible to make Liu Ning his woman because he realized that she was really in love with Da Lei.

For this reason, Feng Ao began to think of a way to snatch her from Da Lei.

'What should I do to make her mine? She loves Da Lei so much, and because of that, she always refuses to spend time alone with me. Should I use dirty methods?'

Because Liu Ning didn't want to spend time alone with him, for the first time in his life Feng Ao suddenly wanted to make Da Lei disappear from the world.

I know that my wife is also as beautiful as Liu Ning, but why do I want to make Liu Ning my woman so badly? And that sexy body of hers is really so alluring. Feng Ao thought to himself.

At this time, Feng Ao was wavering whether he should kill Da Lei or not.

However, after remembering Liu Ning's pretty face and sexy body, Feng Ao decided to kill his best friend. For this reason, he immediately called a hitman.

Lei, don't blame me for this. You should blame that girlfriend of yours for not wanting to be my woman. Feng Ao thought to himself.

Chapter 225 - A Plan To Kill Da Lei

7-8 minutes

However, before Feng Ao called a hitman, he suddenly wavered again. For this reason, he spent all day thinking about what he had to do to make Liu Ning his woman without killing Da Lei.

Finally, Feng Ao chose to use dirty methods again. But like before, everything was in vain. He had tried many dirty methods, but still, the results were different from what he wanted, as if the goddess of luck was always by Liu Ning's side.

This made Feng Ao annoyed and furious, making him reach the limit of his patience. Couple with Liu Ning and Da Lei always lovey-dovey every time they spend time together, made Feng Ao finally think that he had to get rid of Da Lei.

As soon as he arrived home, Feng Ao immediately called a hitman. The hitman agreed and said that he would kill Da Lei as quickly as possible.

And because Feng Ao didn't want everyone to think that Da Lei was killed by him, he asked a hitman to make it look like Da Lei died in a car accident.

With that, he was sure that Liu Ning would be saddened by the death of her lover. And when she was in a condition of breaking down, Feng Ao would take advantages of the situation.

Not only was he able to get closer to Liu Ning, but his good reputation would not be ruined either. This was a perfect plan to make Liu Ning his woman.

The assassin immediately carried out his mission, and with years of experience killing people, he managed to make Da Lei die as if he died in a car accident.

And like what Feng Ao had guessed, Liu Ning was saddened by the death of her lover. Without wasting time, Feng Ao took advantage of the situation by pretending to cheer her up.

Feng Ao met her every day on the grounds that he was worried about her condition. Due to this, their relationship had gotten closer than before.

But still, Liu Ning had no feelings for Feng Ao and regarded him only as a friend. This made Feng Ao furious.

So, Feng Ao finally decided to use thugs to help him make Liu Ning his woman. However, he didn't choose to become a white knight in shining armor; instead, he let himself get beaten by the thugs when he was helping Liu Ning.

Because with that, Liu Ning would be grateful to him and take care of his wound. And his plan was a huge success because after he helped Liu Ning from thugs, Feng Ao could feel that she was treating him differently than before.

This made Feng Ao thrilled and laughed happily in his head. But of course, he didn't show it on his face because he was afraid that if he did that, Liu Ning would know that he was the cause of everything.

Days changed into weeks and weeks turned into months, but Liu Ning still loved Da Lei. However, her love was not as big as before because she knew that she had to move on.

And because Feng Ao always by her side when she was feeling down, the seed of love began to appear within her heart. But of course, she tried her best to hide it because Feng Ao was Da Lei's best friend.

She was afraid that if they became lovers, Da Gui would hate her or other people would have bad thoughts about her. However, the more she suppressed her feelings, the more those feelings blossomed in her heart.

At this moment, Liu Ning still didn't know that Feng Ao already had a wife and daughter because Feng Ao never told her and he also asked Da Lei to never tell Liu Ning about it. Because they often spent time together, Liu Ning began to show her feeling for Feng Ao.

Not long after that, they became lovers. However, a week after they became lovers, Liu Ning found out that Feng Ao already had wife and daughter.

For this reason, Liu Ning began to ignore Feng Ao and told him to never meet her again because she didn't want to become a mistress or destroy the feelings of another woman.

Because Feng Ao really loved Liu Ning and could not separate from her, he refused to break up with her and told her that his wife was having an affair with another man.

Of course, it was a lie, but he had to do that because with that, not only was he able to divorce his wife and keep his good image, but he could get Liu Ning back.

At first, Liu Ning didn't believe it and thought that Feng Ao was talking nonsense to get her attention or want to be her boyfriend again.

Due to this, Feng Ao immediately carried out his mission. Feng Ao sent a young man to take Lin Xing Xue to go shopping as an apology because he rarely spent time with her in the past few months.

Lin Xing Xue, who did not have bad thoughts towards her husband, agreed to go shopping with the young man. They went shopping several times, and even though Feng Ao rarely spent time together with her, Lin Xing Xue was pleased because she thought that Feng Ao still loved her.

However, what Lin Xing Xue didn't know was that someone took a picture of her and the young man when they were away shopping together.

And because Feng Ao could not wait any longer, he invited Lin Xing Xue dinner at Luo hotel so that he could carry out his main plan.

After receiving a call from Feng Ao, Lin Xing Xue went to the Luo hotel. However, when she arrived at Luo hotel, Feng Ao suddenly called her and asked her to wait there because he suddenly had important work.

And like before, Lin Xing Xue had no bad thoughts toward her husband and immediately agreed to wait for him in the hotel.

However, because Feng Ao still hadn't come to Lou hotel even though it was already 09:00 pm, Lin Xing Xue decided to have a light meal.

With this intention, Lin Xing Xue headed to the first floor. And when she was eating the food, she suddenly met the young man who always accompanied her to go shopping.

At first, Lin Xing Xue wanted to ask him to leave her alone, but because she didn't want to be rude to her husband's subordinates, she let him sit with her.

Then they began to talk about many things. And because the young man wanted to put sleeping pills on her drink, he was always looking for opportunities to do that, but couldn't find the right time to do it.

Because he didn't want to wait for another second, he asked his friend to help him. After that, the waiter came towards them and told Lin Xing Xue that someone was looking for her.

Hearing the waiter's words, Lin Xing Xue immediately rose from her seat and met that person.

Without waiting for another second, the young man immediately put sleeping pills on Lin Xing Xue's drink.

Not long after that, Lin Xing Xue returned to her seat and continued consuming the food. Lin Xing Xue immediately felt sleepy after drinking red wine.

Seeing the opportunities had arisen, the young man brought Lin Xing Xue to her room. And after he put Lin Xing Xue on the bed, he immediately called Feng Ao.

Chapter 226 - The Truth

6-7 minutes

Feng Ao, who knew that his plan was going smoothly, immediately traveled to the Lou Hotel. And after he arrived at the hotel, he immediately headed toward her room.

When Feng Ao saw that Lin Xing Xue was sleeping on the bed, he immediately took off her clothes and asked the young man to get naked before pretending to sleep on Lin Xing Xue's side.

When everything was ready, Feng Ao got out of the room and entered again. He pretended to be angry when he saw that Lin Xing Xue was sleeping with another man.

At this moment, Lin Xing Xue tried her best to explain everything, but Feng Ao didn't want to hear it.

And to make Lin Xing Xue look like she was really having an affair with the young man, Feng Ao threw the pictures of Lin Xing Xue and the young man.

Lin Xing Xue was shocked by that and immediately denied it.

Of course, Feng Ao didn't want to listen to her words and accused Lin Xing Xue of having an affair with another man.

Lin Xing Xue wanted the young man to help her explain everything, but the young man immediately left, making her not know what to say to her husband.

With that, Feng Ao said that he wanted to divorce her because he did not want to have a wife who likes having an affair with another man.

After that, they finally divorced. However, because Feng Ao wanted to blame everything on Lin Xing Xue, he told everyone that his ex-wife had an affair with another man.

Soon, business partners and subordinates of Feng Ao found out about it. They then began to call Lin Xing Xue, a slut who only used her pretty face to get whatever she wanted.

And not only that, but many men also started asking Lin Xing Xue what price they had to pay if they wanted to sleep with her.

Because Lin Xing Xue could not take it anymore, she decided to return to her hometown.

However, Feng Ao immediately told everyone in her hometown that Lin Xing Xue was a slut who liked to sleep with a man.

Soon, everyone in her hometown began to call her slut and of course, all the men in her hometown also always asked what price they had to pay if they wanted to sleep with her.

With this, not only did she lose her reputation, but her family's good name was also ruined by the rumors.

Because Lin Xing Xue didn't want everyone to insult her parents, she asked her parents to move to Shanghai.

However, when they were traveling to Shanghai, they suddenly had a car accident. Lin Xing Xue's parents died in a car accident.

Lin Xing Xue was saddened by this and almost became a crazy person. Luckily she still remembered that she has a daughter. And because her daughter was her only family who was still alive in this world, she began to work hard so that she could take her daughter back.

Of course, Liu Ning didn't know about all this and still thought that Feng Ao's wife was a bad woman who liked to cheat on her husband.

Using dirty methods, Feng Ao finally got Liu Ning back as his girlfriend. And because he really loved her, Feng Ao immediately asked her to be his wife.

And because Liu Ning was also in love with him, she accepted it without thinking twice.

*end of the flashback.

Liu Ning was shocked after hearing Da Gui's story. She didn't expect that all this time, her husband was a bad guy. Not only did he kill his best friend, he even destroyed Lin Xing Xue's life.

At this moment, she really wanted to meet Lin Xing Xue so that she could apologize for what had happened to Lin Xing Xue and her family.

"So, all this time..." Liu Ning could not finish her words because everything was too sudden for her.

All this time, she always thought that her husband was a good man, but she was wrong. Her husband wasn't a good man but an evil man who would do anything to get whatever he wanted.

"So, what did you do after your big brother died?" Jingjing asked curiously.

"I dropped out of school and began to investigate the cause of my big brother's death. Because my brother still has money in his bank account, I can live without working. So, I spent all day investigating the cause of my big brother's death. However, now all the money is used, and nothing is left in the bank account." then Da Gui looked at Liu Ning. "Do you still think that your husband is a good person, big sister Liu Ning?"

At this time, Liu Ning didn't answer him. Her mind was still in a mess because everything was too suddenly to her.

When Jingjing saw Liu Ning's condition, she told the policewoman to bring Liu Ning back to the hospital.

After the investigation was over, Zhao Sheng, Xiao Tian, Lan Ruoxi and Zhao Chen went to the police station to meet Jingjing.

They immediately headed to the investigation room after they arrived at the police station. Because they knew who Zhao Chen was, none of the police stopped them when they were heading toward the investigation room.

"Yo, Da Gui." Zhao Sheng waved at Da Gui the moment he stepped into the investigation room.

"Young master Zhao." Even though they were at the same age, but because Zhao Sheng was from the famous upper-class family, Da Gui decided to call Zhao Sheng young master.

When Xiao Tian was in front of Da Gui, he immediately smiled and said, "Thank you for helping me."

"It should be my line." Da Gui answered instantly

Zhao Sheng then tapped Da Gui's shoulders and said, "Don't worry, Feng Ao will never be able to get out of prison again."

Even though Da Gui really wanted to kill Feng Ao, but after knowing that Feng Ao would never be able to get out of prison anymore, he was satisfied.

Suddenly tears fell down his cheeks. But those were not tears of sadness but tears of happiness. "Big brother Lei, I can finally avenge your death."

Chapter 227 - You Can Cry If You Want To

5-7 minutes

Because Zhao Chen still had important things to do, he looked at Jingjing and went to the point, "I will take him out now."

Jingjing knew that they would take Da Gui out of the police station, but she just didn't expect that Zhao Chen himself would come to free Da Gui. "Alright."

Then they immediately left the police station and went to the Bamboo Restaurant. However, because Zhao Chen had promised with someone, he parted with them at the police station.

After they arrived at the Bamboo Restaurant, they immediately headed to the VIP area. At this moment, Zhao Sheng sat on the right side of Xiao Tian while Lan Ruoxi and Da Gui sat on the opposite side of them.

"Brother Da Gui. This is a token of thanks from me." Xiao Tian gave Da Gui an envelope. "Inside this envelope, there is a credit card under your name. The PIN number is your birthday."

Because Xiao Tian knew that Da Gui had no more money for daily needs, Xiao Tian decided to give Da Gui money for helping him.

At this time, Da Gui was wavering whether he should accept it or not. Sure, he really needed money because he had spent all of his late brother's money, but because they helped him get revenge, Da Gui felt that he shouldn't accept it.

Upon seeing the expression on his face, Xiao Tian knew that Da Gui was wavering. That was why he put the envelope on Da Gui's hands and smiled, "Just take it."

"Thank you brother Xiao Tian." because Xiao Tian wanted him to accept it, Da Gui thought that it would be rude if he refused.

"So, what will you do from now on?" because the reason he stayed alive was to get revenge on Feng Ao, Zhao Shen was curious about what Da Gui would do after he avenged the death of his brother. "You won't attempt suicide again, right?"

"No" Da Gui shook his head. "I'm sure my late brother wouldn't want to see me attempt suicide again. I will find a job and live normally like before."

"Yes. You're right." Xiao Tian said as he nodded his head.

After that, they talked for about an hour before finally, they went home.

However, when Xiao Tian was traveling toward his home, he suddenly thought that he should visit Liu Ning.

And because Xiao Tian didn't want to come with empty hands, he bought fruit basket before going to the hospital. And after asking the staff where Liu Ning was being treated, he immediately headed toward her room.

Xiao Tian couldn't help but sigh when he saw the expression on her face. "Lady Liu, I came to visit you."

Liu Ning, who was seeing the sky through the window, turned her head toward Xiao Tian.

Xiao Tian then put the fruit basket on the table and sat on the chair.

When Liu Ning saw Xiao Tian, she opened her mouth as if she wanted to say something to him but decided against it.

"How are you feeling?" because Xiao Tian wanted to show her that he was worried about her condition, he made a concerned expression.

"I'm fine." Liu Ning gave him a short answer.

Xiao Tian didn't mind it because he knew that she was not in good condition. Then Xiao Tian touched her hands and said, "Lady Liu, if you need anything, you can tell me about it. I will do my best to help you."

"Thank you." once again, Liu Ning gave him a short answer as if she was in no mood to talk to anyone.

Even though Liu Ning always gave him a short answer, Xiao Tian still tried to cheer her up. Seconds turned into minutes and without realizing it, fifteen minutes had passed.

Because Xiao Tian had been in her room for fifteen minutes, he thought that it was time to leave. "Lady Liu, I have to leave now. I will visit you again tomorrow."

However, when Xiao Tian was about to walk out of the room, Liu Ning suddenly pulled his T-shirt. "Xiao Tian..."

Xiao Tian turned around and asked, "What is it, lady Liu? Do you need anything?"

Liu Ning didn't answer him and only looked at him. Even though she was in no the mood to talk to anyone, but she was pleased when she knew that Xiao Tian was visiting her.

Even though Liu Ning didn't finish her words, Xiao Tian understood that she wanted him to stay with her longer.

Upon seeing the expression on her face, Xiao Tian embraced her and said, "I know this is hard for you, but I'm sure you can get through it."

Liu Ning hugged Xiao Tian tighter, and suddenly tears fell down her cheeks. "Xiao Tian...."

From her voice, Xiao Tian knew that Liu Ning was crying. That was why he tapped her back and said, "You can cry if you want to."

But instead of crying, Liu Ning stopped the hug and looked at him. Her beautiful eyes were covered with tears which could fall to her soft cheeks at any time.

"It's fine, lady Liu. It's fine. I know you can get through all of this because you are a strong lady." Xiao Tian wiped the tears off with his thumb. "Please remember this, lady Liu. You are not alone because I will always be there for you, so if you need anything, you can immediately tell me about it."

"Un." Liu Ning nodded her head.

I'm sure if Zhao Sheng and Lan Rouxi heard what I had just said, they would laugh loudly. Xiao Tian thought to himself.

"I have to leave now because visiting hours are over." the reason Xiao Tian wanted to immediately leave was that he didn't want to see the sadness on her face anymore.

The longer he saw her condition, the more he felt guilty for everything he had done to her. That was why Xiao Tian said that visiting hours were over.

To his surprise, Liu Ning suddenly embraced him again. However, because he wanted to cheer her up, Xiao Tian let her do whatever she wanted.

Chapter 228 - Tian, My Heart Is Already Yours

6-7 minutes

They were embracing each other for about forty seconds before finally, Liu Ning halted the hug.

Xiao Tian then kissed Liu Ning's forehead and said, "I will come again tomorrow."

When Xiao Tian was kissing her, Liu Ning did nothing as if it was normal for him to kiss her. "Alright."

After Xiao Tian left the hospital, he didn't immediately go home; instead, he traveled to Liu Xing Xue's home.

As soon as he arrived at her home, Xiao Tian got out of the car and knocked on the door.

Knock...knock...knock...

"Little Xue, your lover Xiao Tian has come to visit you." Xiao Tian said happily after knocking on the door.

Soon, a beautiful mature lady opened the door, "Xiao Tian, come in."

Xiao Tian's face blossomed into a smile when he saw the beautiful lady in front of him. And because he wanted to lovey-dovey with Lin Xing Xue, Xiao Tian immediately carried her in princess style.

"Kya." his action greatly surprised her. Lin Xing Xue didn't expect that Xiao Tian would suddenly carry her like that. "You almost made me have a heart attack, you know. You are really a bad boy."

"Bad boy, huh? Because my lover said that I'm a bad boy, I will behave like a bad boy." after closing the door, Xiao Tian marched toward the living room. And because Xiao Tian wanted to lovey-dovey with Lin Xing Xue, he put her on his lap after he sat on the couch.

Lin Xing Xue pinched his nose and smiled, "So, you want to lovey-dovey with me, huh?"

"Of course." Xiao Tian gave her an honest answer. "You are my lover, so of course I want to lovey-dovey with you."

"Why do you suddenly want lovey-dovey with me?" because Lin Xing Xue was used to sitting on his lap, she didn't try to leave from his lap; instead, she placed her head on his shoulders.

"Because I want to. Hehe." Xiao Tian laughed happily after giving her an answer.

"Xiao Tian, thank you." Lin Xing Xue said. From her voice, everyone could tell that the words were coming from the bottom of her heart.

Xiao Tian had no idea why Lin Xing Xue suddenly said something like that. "Why are you suddenly saying that?"

Lin Xing Xue didn't immediately answer him and made a circle on his chest. But after about five seconds, she finally replied, "I know that you are the cause of what happened to Feng Ao."

Earlier, when Lin Xing Xue knew that someone was slandering Feng Ao's company, she didn't know that Xiao Tian was the mastermind behind it.

However, when she remembered the expression on Xiao Tian's face when Feng Ao was humiliating her, she had no idea why she suddenly thought that Xiao Tian was the mastermind of everything that happened to Feng Ao and his company.

When she remembered what Feng Ao had done to her in the past, Lin Xing Xue was happy for what had happened to Feng Ao.

Since they divorced, Lin Xing Xue wanted to destroy Feng Ao's life like how he had ruined her life. However, Lin Xing Xue was from a lower-class family, and she was also a woman, so she knew that she would never be able to get revenge on Feng Ao.

She just didn't expect that the young man, who always wanted her to be his girlfriend, took her revenge on Feng Ao. She was utterly happy by the fact that Feng Ao's life had been destroyed.

And what made her happier was that she would be able to get her daughter back. Because with Feng Ao being in prison, no one would stop her from taking her daughter back.

Xiao Tian finally understood why she suddenly thank him. He just didn't expect Lin Xing Xue knew that he was the cause of everything that had happened to Feng Ao. "How about you reward me for my hard work?"

"What do you want?" because Xiao Tian had done something big for her, Lin Xing Xue decided to give him whatever he wanted.

Hearing her words, Xiao Tian started to smirk, "How about we have sex right now?"

"Alright." after saying that, Lin Xing Xue wanted to take off her clothes.

"No, no, no, no, no. I'm joking." Xiao Tian didn't expect that Lin Xing Xue would take his words seriously. Earlier because he wanted to tease her, Xiao Tian decided to say that.

Xiao Tian didn't want her to think that he only wanted her body, not her heart. That was why he immediately stopped her when she tried to take off her clothes.

"Oh!" because Xiao Tian said that he was joking around, Lin Xing Xue stopped what she was doing. "So, what do you want?"

"Your heart." Xiao Tian answered instantly.

Lin Xing Xue then sat facing Xiao Tian and said, "Tian, my heart is already yours, so you don't need to ask for that anymore."

"Little Xue, if I say that I have another-"when Xiao Tian wanted to say that he has another woman, he suddenly felt the words stuck in his throat.

Xiao Tian was afraid that if he said that he had three other girlfriends, Lin Xing Xue would leave him and didn't want to meet him anymore. For this reason, Xiao Tian was unable to finish his words.

"What is it?" because Xiao Tian didn't finish his words, Lin Xing Xue didn't know what he wanted.

"Hmm. It's nothing." Xiao Tian was too afraid to tell her the truth.

Lin Xing Xue then cupped his face before kissing his forehead. "Just for information, I love you, dearly, and I want us to be together forever until death do us part."

Her words made Xiao Tian even more unable to tell her the truth. He really loved her and didn't want to lose her.

And even though he knew that someday his actions could backfire on him, Xiao Tian still didn't tell her the truth.

'I'm such a loser.'

Because in his past life he only played with women and never loved them, Xiao Tian had no idea what he should do at this situation.

Chapter 229 - Yes. I'm Indeed A Bad Lady

6-7 minutes

Soon, news of Feng Ao committing a crime spread widely, making his company go bankrupt instantly. Many people began to hate Feng Ao, some of them even wished he should be killed immediately.

Lin Xing Xue, who was seeing all of this on TV, smiled happily. She was happy, no, she was utterly happy by this because what she had hoped for a long time finally happened. Now all Lin Xing Xue wanted was to take her daughter back.

When Xiao Tian saw the expression on her face, he pinched her cheeks and smiled. "I didn't know that my lover is a bad lady."

Of course, Xiao Tian was joking around because he knew that Feng Ao deserved it. He only wanted to tease her. That was why Xiao Tian said that Lin Xing Xue was a bad lady.

"Yes. I'm indeed a bad lady. A lady who is happy when she finds out that her ex-husband's life has been ruined." Lin Xing Xue didn't try to hide what she was feeling because she knew that Xiao Tian would not mind her behavior.

"Oh! So, you admit it, huh?" Xiao Tian thought Lin Xing Xue would not admit it. But of course, Xiao Tian was fine with it. "Because my lover is a bad lady, I need to discipline her so that she returns to being a good lady like before."

"Oh! What do you want to do to this bad lady?" Lin Xing Xue behaved as if she was really a bad lady. "I'm curious about it now? Hehe."

When Xiao Tian saw the expression on her face as if she was challenging him to do something to her, Xiao Tian immediately spoke, "I will discipline you in bed."

"Oh! You want to discipline me in bed?" Lin Xing Xue didn't feel shy; instead, she covered her mouth and giggled. "I'm waiting for it."

'Damn! What is wrong with her tonight? Is all this because I helped her get revenge on Feng Ao?'

Inside his head, Xiao Tian was dumbfounded. He had no idea as to why Lin Xing Xue suddenly behaved like that. Right now, Lin Xing Xue was not a shy person like he used to know; instead, she was like a succubus.

Then Xiao Tian called his mother, telling her that he couldn't return home tonight. After that, Xiao Tian carried Lin Xing Xue in princess style and smiled, "If so, then I will discipline you right now."

"I'm waiting." Lin Xing Xue thought that this time, Xiao Tian really wanted to have sex with her. But because they had done it before, Lin Xing Xue was fine with it.

As soon as they were in Lin Xing Xue's bedroom, Xiao Tian immediately put her on the bed. And without waiting for another second, Xiao Tian laid down on her right side.

His action greatly surprised her. Lin Xing Xue thought Xiao Tian would immediately take off her clothes the moment they reached her room.

At this moment, a soft smile spread across her face. Now Lin Xing Xue was sure that Xiao Tian loved her dearly, not only want her body.

However, because Lin Xing Xue wanted to tease Xiao Tian, she immediately spoke, "Eh! Didn't you say that you want to discipline me in bed? Is this what you mean by disciplining me in bed? Hehe."

Lin Xing Xue's words greatly surprised Xiao Tian. He didn't expect that Lin Xing Xue would still say something like that.

'Little Xue, stop it or else, I will really discipline you in bed, you know.'

Actually, Xiao Tian also wanted to have sex with her, but he tried his best to hold back because he wanted her to know that he desired her heart more than her body.

Due to this, Xiao Tian had no choice but to give her an excuse. "Ehm. I suddenly remember that it's only small matter so after thinking for a while, I decide to forgive you."

Xiao Tian then placed her head on his chest and held her hands. He really loved it when her head was on his chest because when he was cuddling with Lin Xing Xue, Xiao Tian felt calm and happy.

And of course, Lin Xing Xue also loved cuddling with Xiao Tian. She even smiled happily when Xiao Tian placed her head on his chest while he also held her hands tightly as if he didn't want to separate from her.

Lin Xing Xue looked at his handsome face and said, "Oh! I didn't expect that you would forgive me."

At this time, Lin Xing Xue still pretended that she was a bad lady who had done many bad things to him.

"I, Xiao Tian, am a good man. You will not be able to find a man like me in this world, you know." Xiao Tian said proudly as if what he had just said was true.

"Hehehe." Lin Xing Xue could not help but smile after hearing his words. She found it funny that a young man, who had just destroyed someone's life, said that he was a good man. "Yes, yes, yes. You are a good man. A young man who have no equal."

Even though her words seemed to be praising him, Xiao Tian suddenly felt that she was making fun of him. For this reason, Xiao Tian decided to punish her.

"Oh! It seems like my lover is getting bolder with me." Xiao Tian stopped holding her hands and began tickling her. "Take this, take this.."

"Haha. Tian, stop it. Hahaha." even though Lin Xing Xue asked him to stop tickling her, but she did nothing and only laughed.

"Do you still dare to make fun of me?" Xiao Tian said while still tickling her.

"No. I don't dare. I won't tease you or make fun of you anymore. I will follow your words as an apology." Lin Xing Xue said while still laughing.

"Good!" Xiao Tian then stopped tickling her. "Because you said that you will obey me, I order you to kiss me now."

Lin Xing Xue looked at him for about three seconds before finally, she gave him a peck on the cheeks. After that, she smiled and said, "But only for today. Hehehe."

"Oh! So, you are planning to tease me again from tomorrow onward, huh? What a bad lover." Xiao Tian pinched her nose and smiled.

"Yes. Hehe." Lin Xing Xue gave him an honest answer

Chapter 230 - As Expected, My Wife Is A Good Wife

6-7 minutes

Lin Xing Xue and Xiao Tian were talking, joking, laughing and flirting until 12:00 am before finally, they fell asleep.

The following morning, Lin Xing Xue was the first person to wake up. Her face broke into a soft smile when she saw his sleeping face.

Because it was already 05:20 am, Lin Xing wanted to cook breakfast. However, when she was about to head to the kitchen, Lin Xing Xue noticed that Xiao Tian was suddenly smiling.

'Oh! It seems like he is having a good dream.'

Upon seeing the smile on his face, Lin Xing Xue kissed his forehead and headed to the kitchen.

It was a pity Xiao Tian didn't know that a beautiful smile appeared on Lin Xing Xue's face before she kissed him. If he knew about it, he would immediately tease her, and of course, he would ask her to kiss his lips too.

Seconds turned into minutes, and without realizing it, it was already 05:45 am. Xiao Tian slowly opened his eyes, but when he couldn't find Lin Xing Xue, he immediately headed to the kitchen because he thought that she was cooking breakfast.

And what he had guessed was right when he saw what Lin Xing Xue was doing in the kitchen. With a smile on his face, Xiao Tian marched toward her before finally, hugging her from behind.

"Good morning, little Xue." after saying that, Xiao Tian gave her a peck on the cheeks.

"Good morning, Tian." even though Xiao Tian was embracing her from behind, Lin Xing Xue didn't stop cooking breakfast.

When Xiao Tian smelled the delicious aroma coming out of the food she was cooking, he suddenly wanted to eat breakfast immediately. "It looks tasty. As expected, my lover is the best. Not only is she beautiful, she can cook too. It makes me suddenly feel proud to have you as my girlfriend."

Liu Xing Xue could not help but smile when Xiao Tian was praising her. Because she lived alone, no one praised her cooking. That was why she was thrilled after hearing Xiao Tian's words. "Just wait in the living room. I will call you later if the food is ready."

"Alright." Xiao Tian then turned her head to the right side and kissed her lips before finally, he headed to the living room.

"This young man..." Lin Xing Xue's face broke into a smile after Xiao Tian kissed her lips.

After Xiao Tian sat on the couch, he turned on the TV. However, he suddenly remembered something important.

I will hold a meeting at the company today. Xiao Tian thought to himself.

And when Xiao Tian was watching TV, Lin Xing Xue suddenly entered the living room and told him the breakfast was ready.

And like what he did yesterday, when Lin Xing Xue was about to head to the dining room, Xiao Tian immediately carried her in a princess style.

His action made Lin Xing Xue smile and pinch his nose, "Look like you love to carry me, huh?"

Of course, Lin Xing Xue was pleased by this because she loved being carried by Xiao Tian too.

"Of course. Because I don't want to part with you, not even for a second." Xiao Tian answer instantly. "I'm sure if other men have lovers like you, they will do the same thing as me."

"Hehehe." Lin Xing Xue giggled after hearing his words.

Seeing that, Xiao Tian was pleased. But to his surprise, Lin Xing Xue suddenly touched his right cheek and kissed his left cheek.

Xiao Tian, who was heading toward the dining room, suddenly stopped his footsteps and turned his head toward Lin Xing Xue. "Little Xue, what about my lips?"

"I don't want to." Lin Xing Xue had guessed that Xiao Tian would ask her to kiss his lips too. But because she only wanted to tease him, she decided to refuse.

Of course, Xiao Tian wanted to kiss her lips. However, because Lin Xing Xue turned her head to the right side when he was trying to kiss her, Xiao Tian could only kiss her cheeks. Actually, he wanted to turn her head so that he could kiss her pretty pink lips, but because he was carrying her, he couldn't do that.

When Lin Xing Xue noticed that Xiao Tian didn't intend to kiss her lips again, she looked at him and asked, "Are you disappointed because you can't kiss my lips?"

"No." even though Xiao Tian could only kiss her cheeks, but he was already happy by it.

"Really?" Lin Xing Xue inquired.

"Yes." Xiao Tian nodded his head.

But to his surprise, Lin Xing Xue suddenly cupped his face and kissed his lips. Xiao Tian was pleasantly surprised by her action.

When Lin Xing Xue saw the expression on his face as if he wanted to ask her to kiss his lips again, she immediately said, "I won't kiss your lips again, so don't make a face like that."

"Little Xue, how could you say that? I want a kiss on the lips again." Xiao Tian pouted his lips and tried to kiss her again.

"Hahaha. Look at your face. It's so funny." Lin Xing Xue laughed when she saw Xiao Tian pouting his lips.

"Is that so?" Xiao Tian stopped trying to kiss her when he saw Lin Xing Xue laughing.

"Yes." Lin Xing Xue nodded her head.

After they entered the dining room, Xiao Tian immediately put her on the chair and sat on her right side.

As if she were Xiao Tian's wife, Lin Xing Xue prepared his meal and said, "Is this enough?"

Xiao Tian was delighted by her action and could not help but smile. "As expected, my wife is a good wife."

"Oh! So, I'm now your wife because I prepare your breakfast? Hehe." Lin Xing Xue only laughed when she heard Xiao Tian say that she was his wife.

"No. Because in the future, you will be my wife." Xiao Tian said.

"Then, I will wait for that day." Lin Xing Xue was happy when she found out that Xiao Tian intended to marry her in the future. With this, she promised to herself that she would be a good lover for him.
