

Illicit 231

Chapter 231 - So, You Are Trying To Seduce Me, Huh?

After they had breakfast, Xiao Tian didn't immediately return home; instead, he continued spending time with Lin Xing Xue. And because he wanted to lovey-dovey with her, Xiao Tian grabbed Lin Xing Xue by the waist and placed her on his lap.

Even though Xiao Tian was unable to see her face due to her back was facing him, he was still happy. Then Xiao Tian grabbed a red apple, which was on a plate, and took a bite out of it.

'As expected, Apple is one of the most delicious fruit.'

After Xiao Tian took a bite out of the red apple, he gave the red apple, which was in his right hand to Lin Xing Xue, "This red apple is tasty. Try it?"

Without hesitating, Lin Xing Xue took a bite out of the red apple. Even though she knew that Xiao Tian had taken a bite on red apple, she didn't care about it.

They exchanged saliva many times when they were kissing passionately. A few days ago, she had even given him a blowjob, so eating a red apple that had been bitten by him was a small thing for her. "It's indeed delicious."

After that, Xiao Tian took a bite out of the red apple again. Xiao Tian really loved it when he was sharing fruit with his lover like this because, with this, he could feel their hearts connected. "I really hope that we can spend time like this forever, little Xue."

"Me too." Lin Xing Xue also loved spending time with Xiao Tian because with him by her side, she felt that she could face all the problems in the world. "You have to win my daughter's heart as soon as possible so that we can spend time like this whenever we want."

Hearing her words, Xiao Tian could only sigh. "Little Xue, I don't know how to win the hearts of children. And not only that, your daughter is clever too. It will be hard to win her heart."

"Oh! I thought you could do anything. So, there are also things that you can't do. Hehe." this was the first time Lin Xing Xue heard that Xiao Tian claimed defeat before trying because usually, he always said that he could do anything. "Don't worry. I will help you in winning my daughter's heart later."

Of course, Lin Xing Xue would help him because her daughter and Xiao Tian were the most important people in her life, and she didn't want to lose either one of them.

Xiao Tian was pleased by her words because, with Lin Xing Xue's help, he knew that it would be much easier to win Feng Yu's heart. "My girlfriend really understands me."

Xiao Tian then gave a red apple to her again. And like before, Lin Xing Xue took a bite out of it without hesitating.

"Don't worry. I'm sure you can win my daughter's heart later." after saying that, Lin Xing Xue kissed his left cheek.

"I hope so." because in his past life his father never taught him how to win the hearts of children, Xiao Tian was not sure whether he could win Feng Yu's heart or not.

He had read the book about it before, but still, he didn't understand it at all. For him, winning the hearts of women was much easier than winning the hearts of children.

When Lin Xing Xue noticed there was no confidence in his voice, Lin Xing Xue looked at him and spoke, "I'm sure you can do it."

Xiao Tian embraced Lin Xing Xue tighter and placed his head on her shoulders. "Are you really going to leave me if I can't win your daughter's heart?"

Thump...

Lin Xing Xue's heart suddenly beat loudly after hearing his words. The thought of her breaking up with Xiao Tian made her suddenly feel sad.

Lin Xing Xue loved Xiao Tian dearly and wanted to be with him forever, so when she heard what he had just said, Lin Xing Xue could not help but bite her lower lip.

Lin Xing Xue then turned around and cupped his face before looking into his black eyes, "Tian, I love you. I really do. And I also don't want to break up with you. That's why you have to give your best in winning my daughter's heart later. I believe that you can do that."

Xiao Tian had no idea as to why he wasn't confident in winning Feng Yui's heart. He had never felt this lack of confidence before. "Little Xue, but I don't know"

However, before Xiao Tian had finished his words, he was interrupted by Lin Xing Xue. "This is not how my lover behaves. My man never gives up before trying. You have to try first, and if you fail later, try again. I don't want to hear these words again. Do you get it?"

".....I got it." it took Xiao Tian five seconds before he could answer her. "Sorry for showing you my useless behavior."

Lin Xing Xue kissed his forehead and spoke, "Don't worry. I will help you in winning my daughter's heart. You don't want us to break up, right?"

"No. I want us to be together forever until death do us part." Xiao Tian answered instantly. "Thank you, little Xue. I won't give up until I can win your daughter's heart."

"Good." Lin Xing Xue was pleased by his words. Lin Xing Xue then turned around again, returning to her previous position. After that, she grabbed his hands and placed it around her waist. "I never thought that our relationship would be like this. Even though you are much younger than me, but my love for you is real. And I will do anything to protect our relationship. I hope you will do the same."

"You don't need to worry about it because I will also do the same." even though Xiao Tian had another woman, but his love for Lin Xing Xue was real. Lin Xing Xue was the first woman he tried to seduce. That was why he would not give up on her easily.

"Tian...." there was something that Lin Xing Xue wanted to ask since a few months ago. But every time she tried to ask it, she was afraid of his answer because what she wanted to ask about was related to their relationship, and it could also ruin their relationship.

"Hmm. What is it?" because Lin Xing Xue didn't finish her words, Xiao Tian had no idea what she wanted to ask.

"Nothing." because Lin Xing Xue was too afraid of his answer, she decided not to ask it.

After that, Xiao Tian and Lin Xing Xue remained in the same position for about fifteen minutes before finally, Xiao Tian decided to go home. Of course, Xiao Tian kissed Lin Xing Xue passionately before returning home.

"Mother, aunt, I'm home." Xiao Tian smiled brightly when he stepped into the living room.

'Eh! Where are they?'

Xiao Tian was a little disappointed when he didn't see his mother and aunt in the living room. At that moment, Xiao Tian thought that they had gone to work.

But to his surprise, Ye Xueyin suddenly came out of her room and raced toward him. When Xiao Tian saw his mother, he was shocked because his mother ran toward him naked.

And as if it was normal for her to be naked, Ye Xueyin jumped into his arms with a smile on her face, "Welcome home, Tian."

"I'm home, mother." even though Xiao Tian had seen his mother's naked body many times, Xiao Tian could not help but feel aroused when he saw his mother's perfect naked body. "Mother, why are you naked?"

"Mother just finished bathing and was about to wear clothes, but suddenly mother heard your voice. That's why mother is naked right now." Ye Xueyin said innocently as if she didn't know what shame was. "What's wrong?"

"Nothing." Xiao Tian shook his head. However, when he saw two beautiful breasts in front of him, Xiao Tian suddenly desired to lick it.

Because he wanted to push his dirty thought, Xiao Tian marched toward the couch. But when Xiao Tian wanted to put his mother on the sofa, she suddenly wrapped her legs around his waist.

"Tian, mother wants to sit on your lap." because she was unable to spend time with her son since yesterday, Ye Xueyin didn't want to separate from her son. That was why she immediately locked her legs around his waist when she knew that he wanted to put her down on the couch.

"Fine. But you should wear clothes first." Xiao Tian was fine if his mother wanted to sit on his lap, but she needed to wear clothes first because if she naked, Xiao Tian wouldn't be able to hold back later.

"Why?" because her son had seen her naked body many times, Ye Xueyin thought it was fine to be naked in front of her son. And if her son suddenly wanted to have sex with her because he saw her nude body, she would welcome it with a smile on her face.

As I thought, my mother is bizarre. But I really love her cute behavior. Xiao Tian thought to himself.

"Well, it's..." because his mother was naked, Xiao Tian couldn't help but steal glances at her beautiful breasts.

Ye Xueyin giggled happily when she noticed that her son always stole glances at her breasts. "Tian, if you want to squeeze mother's breasts or lick it, you can do that, you know. Hehe."

"Oh! So, you are trying to seduce me, huh?" instead of licking or squeezing her breasts, Xiao Tian touched her pussy and began rubbing it.

"Ahhh." Ye Xueyin's little mouth opened, letting out a seductive moan. A moan that could make any man horny the moment they heard it.

Chapter 232 - Sorry, Little Brother

9-11 minutes

After having quick sex with his mother, Xiao Tian went to his company because he wanted to discuss his plan with Lin Xing Xue and Shi Fei.

Xiao Tian wanted to make his company grow faster because there were many things that he wanted to do. But to do that, he needed to make his company much bigger than his current company.

As soon as Xiao Tian sat on his office chair, he grabbed the telephone on the table and called Shi Fei.

"Little brother, do you need anything?" Shi Fei's voice rang out through the telephone.

"Come to my office with little Xue. I want to discuss something with you two." Xiao Tian went to the point.

"But Xue isn't in the company right now. Earlier, when I called her, she was at the cosmetic shop. Maybe today she doesn't work at your company." earlier, when Shi Fei called Lin Xing Xue because she wanted to ask something related to the company, Lin Xing Xue also told her that Lin Xing Xue was at the cosmetics shop. That was why Shi Fei knew that Lin Xing Xue was not in the company.

Hearing Shi Fei's words, Xiao Tian was disappointed. But he couldn't do anything about it. "Is that so? Then you come to my office right now."

"Alright." Shi Fei rose from her seat and headed toward Xiao Tian's office. And as if Xiao Tian's office was her office, Shi Fei entered his office without knocking on the door. And not only that, when she saw Xiao Tian sitting on the couch, Shi Fei immediately sat on his lap. "What do you want to discuss, little brother?"

Her action much surprised him. Because he was focused on reading a document, Xiao Tian didn't know that Shi Fei had entered his office. "Fei, you have to knock the door next time."

But instead of apologizing, Shi Fei giggled and spoke, "Hehe. Sorry, little brother. I'm so happy because I can spend time alone with you right now. That was why I forgot to knock on the door."

Seeing the expression on her face, Xiao Tian could only sigh.

It seems like I become too soft to my lover. Xiao Tian thought to himself.

"Fei, sit on the sofa. Let's discuss our clothing design for this season." because Xiao Tian has a class in the afternoon, he didn't want to waste time.

Upon hearing his words, a hint of sadness could be seen on her face. However, Shi Fei still did what she was told.

Xiao Tian knew that Shi Fei wanted to lovey-dovey with him, but because Xiao Tian didn't have much time today, he had no choice but to start the meeting immediately. "Fei, don't make a face like that. I know that I rarely spend time with you lately, but you have to understand me."

"Un." Shi Fei nodded her head

Xiao Tian cupped her face and kissed her forehead gently, a kiss full of love. "I will come to your apartment after returning from campus later."

Hearing his words, the sadness on her face disappeared without a trace. "Alright."

Xiao Tian's face broke into the smile when he saw a happy expression on her face.

However, when Xiao Tian was about to start the meeting, someone suddenly knocked on the door.

"Tian, are you there?" Lin Xing Xue, who was on the other side of the door, said.

"Come in." Xiao Tian could not help but smile when he knew that Lin Xing Xue had come to his company because, with this, he could discuss their clothing designs with her too.

Although Xiao Tian believed that his plan in promoting their clothing designs would be successful later, he thought it would be better to discuss with others. And the more people invited to discuss, the better the results.

Without waiting for another second, Lin Xing Xue entered Xiao Tian's office. She was a little surprised when she saw Shi Fei in his office. But when she saw that there were many documents in front of them, Lin Xing Xue knew that they were discussing something important.

Xiao Tian's eyes widened in surprise when he saw Lin Xing Xue carrying a small cardboard box containing work items as if she wanted to quit work.

With an anxious face, Xiao Tian rose from the couch and dashed toward her. "Little Xue, what is this? You...you...you want to quit work?"

At this moment, Xiao Tian's mind was suddenly in a mess. He had no idea as to why Lin Xing Xue suddenly wanted to quit work. He remembered that he always treated her nicely, and sometimes, he even gave her special treatment.

When Lin Xing Xue saw the expression on his face, she was dumbfounded. She didn't know why Xiao Tian suddenly behaved like that.

However, she suddenly understood that Xiao Tian thought she wanted to quit work. Even though Lin Xing Xue didn't want to lie to him, but seeing the expression on his face, she suddenly wanted to prank him.

"Yes. I want to quit work." Lin Xing Xue answered instantly as if she really wanted to quit work and didn't want to stay in his company anymore. "I don't want to work for you anymore."

At this moment, Xiao Tian wasn't the only one who was surprised, but Shi Fei too. Shi Fei suddenly rose from the sofa and said, "Xue, you want to qui-"

However, Shi Fei immediately stopped her words when she saw Lin Xing Xue winking her right eye two times. Shi Fei understood that Lin Xing Xue wanted to prank him. While trying her best not to laugh, Shi Fei sat on the couch again.

'Fuck! Did I do something wrong to her? This morning, everything was fine, but why did she suddenly want to quit work now?'

Xiao Tian tried to find out why Lin Xing Xue suddenly wanted to quit work, but he didn't find the answer.

"Little Xue, did I do something wrong to you?" even though Xiao Tian was sad and angry at the same time, but he tried his best to stay calm. Xiao Tian knew that if he asked angrily, it would make matters worse.

Lin Xing Xue wanted to laugh when she saw the expression on Xiao Tian's face. She didn't know why he instantly assumed that she wanted to quit work just because she was carrying a small cardboard box containing work items.

The longer Lin Xing Xue spent time with Xiao Tian, the more she knew about him. She just didn't expect Xiao Tian to have this kind of attitude too.

However, because Lin Xing Xue wanted to prank him, she kept lying to him. "You always want to lovey-dovey with me and don't prioritize the work when you are with me. Even though I'm happy with that, but if something happens to your company, everyone will blame me too, saying that I make you unable to focus on work."

'I do that because I love you very much.'

Xiao Tian instantly answered in his head.

Xiao Tian clenched his fist and said, "Little Xue, can you not quit work?"

"Pfft." Lin Xing Xue was unable to hold her laughter anymore when she saw the expression on his face. "Hahahaha."

Xiao Tian was dumbfounded by her laughter. He had no idea why Lin Xing Xue suddenly laughed like that. Earlier, she suddenly wanted to quit work, and now she also suddenly laughed.

Shi Fei immediately walked toward Xiao Tian and said, "Little brother, Xue is lying, you know. She doesn't want to quit work."

"Really?" Xiao Tian inquired.

"Yes. I'm lying to you." Lin Xing Xue nodded her head. "I don't know why you suddenly assume that I want to quit work."

"But you are carrying cardboard box containing work items." Xiao Tian suddenly realized that he was too early in assuming anything. Maybe because it was related to the person he loved dearly, that was why Xiao Tian's mind didn't work well.

"Oh! Do you mean this?" Lin Xing Xue looked at the cardboard box before returning her attention to him. "I no longer work in a cosmetic shop and decide to work full time in your company."

Xiao Tian was pleasantly surprised by her words. Something that he had hoped since a few months ago finally happened.

With a smile on his face, Xiao Tian grabbed Lin Xing Xue by the waist and lifted her before spinning her. "I'm thrilled to hear that."

"Kya... Tian, stop it." even though Lin Xing Xue asked him to stop, but she laughed happily when Xiao Tian was spinning her.

Xiao Tian then put Lin Xing Xue down and said, "Now, I can see you every time I come to the company."

"Remember that you have to prioritize work over me when we are at the company." even though Lin Xing Xue was pleased with the way he treated her, she wanted him to focus on his work because she wanted him to be a more successful person.

"As you command, your highness." Xiao Tian suddenly behaved as if he was talking to a royal queen.

"Oh, right. It seems like you two talked about something earlier. What is it?" Lin Xing Xue asked curiously.

"I have an idea to make our clothing design to be more popular." Xiao Tian answered instantly.

His words amazed her. Lin Xing Xue knew that Xiao Tian was a genius in business, but she didn't expect that he could always find a way to grow his company.

He is still young, but he is clever as if he has been in the business field for a long time. And all of his ideas are also very good. Now I wonder who taught him all of this? Lin Xing Xue thought to herself.

Chapter 233 - Tian, Stop It. I Want To Work

8-11 minutes

After Lin Xing Xue put the cardboard box in her office, she returned to Xiao Tian's office.

When Xiao Tian saw Lin Xing Xue sitting in front of him, he immediately spoke, "Let's start the meeting."

"Alright." Lin Xing Xue and Shi Fei nodded their heads.

"Fei, what about the sales results after our ads on TV?" because Xiao Tian still hadn't read the results of the sales report, he didn't know about it.

"Very good." Shi Fei answered instantly. "Our sales increase by 80 percent."

Xiao Tian was pleasantly surprised by that. Even though he knew that his company sales would increase, he had never thought that it would increase 80 percent.

With this, Xiao Tian was sure that if he carried out his plan, he would be able to get a lot of profit in a short time. "Good. Now let me tell you my idea about how to increase our sales even more."

Hearing his words, Lin Xing Xue and Shi Fei paid close attention to him because they wanted to know his idea. Until now, his ideas were excellent and could always provide enormous profits for the company.

Xiao Tian didn't expect that Lin Xing Xue and Shi Fei really wanted to know about his idea until it made them look funny in his eyes. "I want to do a live promotion on TV."

"Live promotion?" Lin Xing Xue and Shi Fei said in unison.

"Yes." Xiao Tian nodded his head before finally he began to explain his idea. "Let me explain it. So, we will promote our clothing designs live on TV. And not only that, we will also give a discount during the broadcast so that it will encourage people to buy our clothing designs. This time, we will give a quite high discount, but of course we will still have to make a profit. It's just our profit will not be as much as a regular price."

And like what Lin Xing Xue and Shi Fei had thought, Xiao Tian's idea was indeed brilliant. Even though they wouldn't be able to get as much profit as the regular price, they would still get a lot of profit if they could sell a lot of clothing designs.

"Good idea." Shi Fei was amazed by Xiao Tian's brilliant idea. She didn't know how Xiao Tian could always come up with such a good idea. Xiao Tian was younger than her, but it seemed like he was smarter than her. But of course, Shi Fei was pleased by this because his company could grow rapidly again.

"Which clothes sell well?" Xiao Tian inquired. In order to carry out his plan, Xiao Tian had to know which clothes were in demand, because with this, he could draw conclusions later.

"For woman, it's a wrap skirt, tulip skirt, sequin mini, halter dress, mini dress, ruffled silk blouse, beaded tank, split neck tunic, and cardigans jacket." Shi Fei spoke and paused for a second before she continued, "For men, dark denim jeans, flannel shirt, denim jackets, hooded jacket, and bomber jacket."

What Shi Fei had just said was as Xiao Tian had expected. He knew that women would buy lots of different clothes.

With this on his mind, Xiao Tian decided to design various types of clothing for women later because he knew that women's clothes sell better than men's clothing. "Alright. For woman's clothes, we will promote jeans skirt, gored skirt, cocktail dress, bias-cut dress, off-the-shoulder top, rib-knit turtleneck. And for a man's clothes, we will promote a parka jacket, jeans, and a T-shirt."

Lin Xing Xue and Shi Fei agreed with Xiao Tian's idea because they knew that there was no point in promoting clothes that sold well. What they needed to do was promote other clothes so that it would sell well too.

"So, when will we do this live promotion?" Lin Xing Xue inquired.

"As quickly as possible." Xiao Tian suddenly remembered something important. "We also need four models; two males and two females."

"How about we use the same model as the one we use for advertising on TV?" even though they were not a famous model, but Shi Fei was satisfied with their job. "That way, we only need to look for two more models."

"Yes. You can contact them later." Xiao Tian thought it was a good idea. "Fei, your job is to look for two more models and little Xue, your work is to look for live promotion station TV."

"Alright." Lin Xing Xue and Shi Fei nodded their heads.

"Oh! Don't forget to mass-produce clothes that we will promote later." even though Xiao Tian didn't know how successful his plans would be; he thought it would be better to prepare everything. That was why he told Lin Xing Xue and Shi Fei to mass-produced clothes that they wanted to promote later.

Xiao Tian dared to do that because even though the clothes didn't sell or didn't according to his estimates later, they could still sell them because clothes were durable goods.

Shi Fei and Lin Xing Xue wrote down what they had to do because they didn't want to forget it later.

"Let's end the meeting here for today." because there was nothing else they needed to discuss, Xiao Tian thought that it would be better to end the meeting.

"I will tell this to the other employees and tailors." after saying that, Shi Fei walked out of Xiao Tian's office.

Because the meeting was over, Lin Xing Xue wanted to return to her office so that she could work immediately. "Me too. I want to pre-"

However, when Lin Xing Xue was about to rise for the couch, Xiao Tian suddenly grabbed her right hand and pulled her toward him.

Due to his action, Lin Xing Xue fell into his arms. "Tian, stop it. I want to work."

Without waiting for another second, Xiao Tian made Lin Xing Xue sat on his lap. "Little Xue, I want to lovey-dovey with you right now."

Even though Lin Xing Xue wanted to spend time with Xiao Tian, she had to work because she wanted to help him become a more successful person. "Tian, we can lovey-dovey after work. Now let me work first."

That won't do because I will spend time with Shi Fei later. Xiao Tian thought to himself.

When Lin Xing Xue saw the expression on his face, she knew that he wouldn't let her go. That was why she had to give him a good reason so that she could work immediately.

"Tian, if you let me go right now, I will.." Lin Xing Xue suddenly felt shy before finishing her words.

"I will?" because Lin Xing Xue didn't finish her words, Xiao Tian was curious about what she wanted to say to him.

With a shyness on her face, Lin Xing Xue brought her face closer to his right ear and whispered, "I will let you whatever you want with me later."

Xiao Tian almost laughed after hearing her words. He didn't expect that Lin Xing Xue would say something like that to him.

Suddenly an exciting idea to tease her appeared on his mind. With this mischief idea, Xiao Tian spoke in her left ear, "What if I want to have sex with you outside? Like under the bridge, in the car or the public toilet?"

Lin Xing Xue didn't expect that Xiao Tian would say something like that. Even though she was fine if Xiao Tian wanted to have sex with her but, doing it outside was still impossible things for her.

"Tian, if you want to have sex with me, let's just do it at my house. I...I...." because she was too shy, Lin Xing Xue was unable to finish her words

"Pfft!" Xiao Tian tried his best not to laugh, but when he saw the expression on her face, Xiao Tian could not help but laugh. "Haha."

Lin Xing Xue immediately hit his chest when she saw him laughing. "Bully!"

"Sorry." Xiao Tian said while trying not to laugh.

Lin Xing Xue then slid from his lap and wanted to head to her office. However, she suddenly stopped her footsteps and turned around.

At this moment, Xiao Tian had no idea why she suddenly stopped her footsteps. To his surprise, Lin Xing Xue suddenly cupped his face and kissed his forehead and cheeks.

Her action made Xiao Tian happy, and unconsciously, a soft smile spread across his face. Because he wanted to tease Lin Xing Xue, Xiao Tian immediately said, "Little Xue, how about we do passionate kiss before you return to your office?"

"I don't want to. week." Lin Xing Xue stuck her pink tongue out before she finally walked out of Xiao Tian's office.

"This woman." Xiao Tian smiled happily after seeing her behavior. Even though Lin Xing Xue was a shy lady, she sometimes did something unexpected, which always made him happy.

Not long after Lin Xing Xue left, Shi Fei suddenly entered Xiao Tian's office. "Little brother, where is Xue?"

"She is in her office." Xiao Tian answered instantly. "What's wrong?"

When Shi Fei knew that they were alone, she immediately walked toward Xiao Tian. And without waiting for another second, Shi Fei sat on his lap.

At this time, Xiao Tian was sitting on his office chair. He thought Shi Fei would immediately leave because she seemed to look for Lin Xing Xue.

He just didn't expect that she would sit on his lap. Because earlier Xiao Tian couldn't lovey-dovey with Lin Xing Xue, he was pleased when Shi Fei suddenly sat on his lap.

Chapter 234 - Little Brother, I Have Been Waiting For You

6-7 minutes

Xiao Tian and Shi Fei remained in the same position for about ten minutes before finally, Shi Fei returned to her office to work.

Because it was still 09:20 am, Xiao Tian decided to work. Xiao Tian worked for about two hours before finally he stopped and sat on the couch.

'Perfect! Everything went according to what I planned. With this, I can open another shop again. After that, I can buy a building for the main office and buy a house too.'

Xiao Tian couldn't help but smile when he remembered that everything went according to what he had planned.

'With this, I'm getting closer to my predecessor's dream. Xiao Tian, your dream has almost come true so I hope you are happy right now. Sometimes, I wish to know what kind of person you are.'

When Xiao Tian was thinking about his predecessor, he suddenly remembered his promise to Liu Ning.

Because he didn't want to be labeled as a liar, Xiao Tian rose from the couch and headed to the parking lot. And like what he did when he visited Liu Ning last time, Xiao Tian bought a fruit basket before going to the hospital.

Xiao Tian immediately headed to her room after he parked his car. And like what she did last time, Liu Ning was looking at the sky through the window.

"Lady Liu, I came to visit you." Xiao Tian put the fruit basket on the table before finally sitting on the chair.

Liu Ning turned her head toward Xiao Tian and said, "Xiao Tian, you have come?"

"Yes." Xiao Tian nodded his head. "How are you feeling today?"

"I'm fine." Liu Ning said as she smiled.

"I'm glad to hear that." even though Xiao Tian knew that it was a fake smile, he didn't say it. "When will you be discharged from the hospital?"

Actually, Liu Ning was allowed to go home, but because her mind was still in a mess, she decided to stay in the hospital. Coupled with her remembering what Feng Ao had done to her at home, made Liu Ning more unwilling to go home.

When Xiao Tian noticed that Liu Ning didn't answer him, he could only sigh, "Lady Liu, I know this is hard for you, but you can't be like this forever. You're still young, and there are many things that you can do."

Liu Ning looked at Xiao Tian for about six seconds before finally she opened her mouth and said, "Xiao Tian, can you do something for me?"

"What is it?" Xiao Tian inquired

"The person who caused all this is Da Gui." Liu Ning spoke and paused for a second before finally, she continued, "But he is a good young man. He did all of this because he wanted to avenge his brother's death. I'm sure he is in prison right now. Can you help me release him from prison?"

Liu Ning's words greatly surprised Xiao Tian. He didn't expect that she wanted him to free Da Gui, the person who she thought was the cause of everything that happened in her family.

Usually, other people wanted the person who destroyed their family to die in prison or get killed immediately, but Liu Ning didn't have such thoughts. She even wanted Da Gui to be freed from jail.

At this moment, Xiao Tian realized that Liu Ning was indeed a kind lady. She really has a pure heart. Coupled with her beautiful appearance, she was like an angel without wings.

Xiao Tian then looked at her in the eyes and said softly, "Don't worry. I will release him from prison today."

Of course, Xiao Tian dared to say that because Da Gui was already released from prison. Otherwise, Xiao Tian wouldn't dare to say something like that because even though he was famous, Xiao Tian still didn't have power in government.

"Thank you." for the first time since she had been in the hospital, Liu Ning smiled from the bottom of her heart.

Upon seeing that, Xiao Tian's face broke into a smile. Then he cupped her face and said, "But as a reward, I want you to be as cheerful as before because I don't want to see you like this anymore. Can you do that for me?"

"Un." Liu Ning nodded her head.

After that, they talked for about ten minutes. This time, Xiao Tian could tell that Liu Ning began to return to her previous cheerful attitude. She started to talk a lot, and sometimes she even smiled. This was tremendous progress, and Xiao Tian was pleased by this.

Because Xiao Tian had been in her room for about fifteen minutes, he had no choice but to leave, "Lady Liu, I have to leave now."

"Alright. Be careful." even though Liu Ning still wanted to spend time with Xiao Tian, but she knew that visiting hours were over.

Then Xiao Tian went to the campus. But because the class still hasn't started yet, Xiao Tian decided to go to University Garden. And as he usually did, Xiao Tian immediately laid down on the wooden bench.

Xiao Tian stayed in the University Garden for a few minutes before he finally headed to the class. After Xiao Tian finished all his classes, he went straight to Shi Fei's apartment because he promised her that he would spend time with her.

Because it was already 06:00 pm, Xiao Tian was sure that Shi Fei had returned home. That was why Xiao Tian traveled to her apartment.

After Xiao Tian parked his car, he immediately headed to her room.

Knock...knock...

Xiao Tian knocked on the door.

Shi Fei, who was watching TV, immediately rose from the couch and dashed toward the door. She knew that the person who knocked on the door was none other than Xiao Tian. When Shi Fei remembered that Xiao Tian kept his promise, a dazzling smile appeared on her face.

"Little brother, I've been waiting for you." because she knew that it was Xiao Tian, Shi Fei immediately said that after opening the door. Luckily what she had guessed was correct; otherwise, she was sure that she would be embarrassed.

Chapter 235 - I'm Indeed Trying To Seduce You

6-7 minutes

"Fei, I've come to see you." when Xiao Tian saw her outfit, he was a little shocked. But of course, he didn't show it on his face.

'What is this? Are you trying to seduce me?'

Those were the words that appeared on Xiao Tian's mind when he saw Shi Fei wearing mini pants and a short T-shirt.

Her long and beautiful legs, which could make any man gulp their saliva, were clearly visible in his eyes. And not only that, but she also didn't cover her perfectly flat stomach as if she wanted to show her sexy and perfect body to him

'As expected, her body is so sexy and perfect.'

Seeing her sexy body, Xiao Tian immediately stepped into her apartment. And without waiting for another second, Xiao Tian grabbed her by the waist and pulled her toward him, making their bodies touch each other.

Then Xiao Tian brought his face closer toward her right ear and whispered, "Are you trying to seduce me?"

Even though other people could see what he was doing to her because the door was still open, Shi Fei didn't show the slightest concern about that.

But instead of whispering back in his ears, Shi Fei grabbed his face until it made the distance between their faces very close. "You're right. I'm indeed trying to seduce you."

After saying that, Shi Fei gave a peck on his lips before showing her beautiful smile to him.

Shi Fei's action almost made Xiao Tian go crazy. Her seductive words, coupled with her sexy body, almost made Xiao Tian want to push her down and have his way with her.

Because it had been quite a while since the last time he had sex with her, the fire of lust suddenly appeared within his body. But of course, Xiao Tian was still able to hold back.

Shi Fei, who was seeing his beautiful black eyes, knew that a flame of lust was burning within his body. This made Shi Fei happy and want to add fuel in that flame of lust. With her eyes still locked on his black eyes, Shi Fei put his right index finger into her mouth before she finally started licking and sucking it.

'Damn! She really wants to make me horny. It's dangerous to do this kind of thing on the entrance.'

Even though Xiao Tian thought something like that, he only looked at Shi Fei's face and enjoyed what she was doing.

Ten seconds after licking and sucking Xiao Tian's index finger, Shi Fei pulled it out of her little mouth.

Xiao Tian thought she decided to stop teasing him, but he was wrong because what she did after that was something that he had never expected.

While still looking at Xiao Tian in the eyes, Shi Fei slowly opened her mouth before finally, letting out her soft pink tongue. And as if Xiao Tian's index finger was the most delicious candy in the world, Shi Fei began to lick his distal phalanx before working her way down to proximal phalanx.

[distal phalanx=upper part of the finger, middle phalanx= middle part of the finger and proximal phalanx= lower part of a finger]

As soon as Shi Fei licked his proximal phalanx, she moved her tongue up to his distal phalanx before finally putting his index finger into her little mouth again.

Shi Fei licked his index finger for about five seconds before moving her face forward and backward as if Xiao Tian's index finger was his huge cock.

Her action made the flame of lust within Xiao Tian's body grow bigger and bigger. Because Shi Fei no longer cared whether others would see what they were doing or not, Xiao Tian decided to move his left hand from her waist to her beautiful ass.

Shi Fei didn't stop what she was doing when she felt his left hand on her buttocks; instead, she moved her head faster and faster as if Xiao Tian had reached his limit and was about to let out his delicious white sperm.

Because Shi Fei was wearing thin short pants, Xiao Tian was able to feel the softness of her butts. Due to this, a desire to squeeze her soft bottoms suddenly appeared within him. At first, Xiao Tian squeezed her buttocks gently, but it only lasted for about five seconds before finally, his hands went a little wild.

Shi Fei was thrilled by his action and smiled happily on her mind because she knew that she had succeeded in making the flame of lust burn bigger within his body.

'I will make you unable to forget me or my body. Hehe. Prepare yourself, little brother.'

Once again, Shi Fei pulled his index finger out of her little mouth. She did that because she wanted to lick his index and middle fingers at the same time.

Shi Fei started by licking the middle part of his palm before finally, making her way up to the upper part of the palm. She didn't stop there and began to lick the part between his index and middle fingers.

On the flip side, Xiao Tian ran his left hand under her pants to feel the softness of her bare ass. While still looking at what Shi Fei was doing, Xiao Tian began to play her butts.

Suddenly an exciting idea appeared in his mind. With this idea, Xiao Tian's left hand looked for her cute ass hole, and after finding it, he began to rub it with his middle finger.

Shi Fei, who was feeling his index finger rubbing her ass hole, stopped what she was doing. Then she opened her little mouth, which had just sucked and licked his index finger hungrily and said, "Let's head to the living room and continue what we are doing there."

Because Shi Fei didn't lick his fingers anymore, Xiao Tian put his index finger, which just being licked by Shi Fei, into his mouth. "As I thought, the taste of your saliva is very delicious."

Hearing his words, Shi Fei smiled a little before finally bringing her face closer to his right ear, "If you want, you can also taste my saliva from my other mouth, you know. But, we have to head to the living room first."

"If so, then let's head to the living room right now." Xiao Tian answered instantly.

Chapter 236 - Fei, Lock The Door

5-7 minutes

Without giving her a warning, Xiao Tian carried Shi Fei in princess style. Because he was unable to close the door with his hands, Xiao Tian decided to do it with his feet.

However, when Xiao Tian was about to walk to the living room, Shi Fei immediately said, "Wait, little brother. We have to lock the door first."

Because Shi Fei didn't want anyone to disturb them later, she told him that they have to lock the door.

While still carrying her in princess style, Xiao Tian turned around and said, "Fei, lock the door."

After locking the door, Shi Fei said happily, "Done. Let's head to the living room and continue what we did before."

With a smile on his face, Xiao Tian walked toward the living room and put her on the couch. Even though Xiao Tian wanted to continue what they were doing earlier immediately, he still did nothing and only sat on her right side.

'His cock is already erect.'

Even though Xiao Tian was still wearing trousers, Shi Fei could tell that his cock was erect because he didn't cover it.

Shi Fei giggled happily before finally, she decided to sit on his lap. And because she wanted to tease him, Shi Fei placed her butts on top of his cock with her back facing him.

And as if she had no idea that her buttocks were touching his erect cock, Shi Fei pretended to grab TV remote so that she could rub his cock with her ass.

When she felt that his cock was moving on its own, Shi Fei knew that Xiao Tian almost lost in lust. And what she had guessed was right when Xiao Tian's right hand began to play with her breasts.

With the intention to make the flame of lust grow bigger in his body, Shi Fei, who was smiling happily, began to move her butts.

'This woman really wants to tease me, huh? Hehe. It looks like I need to show her who I am.'

With that on his mind, Xiao Tian's right hand went under her short T-shirt. He didn't bother to take off her bra and immediately shifted it up before playing with her breasts and nipples.

Soon Shi Fei's head fell on his left shoulder, and a seductive moan came out of her little mouth. The TV remote, which was in her left hand, fell to the floor. But she didn't show the slightest concern about that.

"Ahh.." because she wanted to make him hornier, Shi Fei let out her seductive moan close in his left ear. "Ahh.. little brother, it feels good. Ah..... play with my other breasts too."

But instead of playing with her other breasts, Xiao Tian's left hand went under her short pants and began to rub her vagina through her underwear.

Because it was a little hard to rub her pussy, Xiao Tian kissed her cheeks and whispered in her right ear. "Fei, lift your waist. I want to take off your short pants so that I can play with your pussy."

"Little brother, do you want to play with my pussy so badly?" instead of doing what she was told, Shi Fei whispered in his left ear before finally licking and biting his ears. "Do you miss my vagina that much? The vagina that can satisfy your huge and amazing cock?"

"Yes. I miss your pussy so much." Xiao Tian answered instantly, "Today, I will make your pussy can't forget the shape of my cock. And of course, I will let out all my sperm in your pussy later."

Because it had been quite a while since the last time she had sex with him, Shi Fei was pleased when she knew that Xiao Tian planned to have a lot of sex with her later. "Hehe. I like that idea. Feel free to use my pussy as much as you want because my pussy is yours."

After saying that, Shi Fei lifted her waist, so Xiao Tian would find it easier to take off her short pants.

Without waiting for another second, Xiao Tian took off her pants. But when he wanted to remove her underwear, he suddenly decided not to do so.

Shi Fei was a little surprised by this. Because Xiao Tian told her that he wanted to play with her pussy, she thought he would take off her underwear too.

Of course, she was fine with it because she knew that sooner or later, Xiao Tian would play with her pussy too. And what she had guessed was right when Xiao Tian suddenly slid her underwear to the other side.

At first, Xiao Tian wanted to play with her vagina immediately, but suddenly an exciting idea appeared on his mind.

Then Xiao Tian took his smartphone and said, "Fei, say cheese."

When Shi Fei noticed that Xiao Tian wanted to take a picture of them in that position, she immediately made a peace hands sign.

Click...

The sound of the camera could be heard in their ears.

"Oh, look at your face!" Xiao Tian showed the picture to Shi Fei. "You look like a slut, Fei."

Shi Fei then looked at the picture. In the picture, Xiao Tian's index and middle fingers were spreading her pussy widely, making her pink pussy clearly visible. Coupled with the expression on her face, Shi Fei really looked like a slut that could be found on the street.

But instead of embarrassing, Shi Fei giggled happily, "My pussy is visible in the picture. You can even see my vagina hole. Hehe."

"Oh! I didn't expect that this slut's pussy is still beautiful. Even your pussy still has a pink color." Xiao Tian said as he teased her.

Shi Fei wasn't angry when Xiao Tian said that she was a slut because she knew that he was only joking around. "Hehe. But you love this slut, right?"

"I love this slut very much." Xiao Tian then rubbed her pussy with his index finger. "Especially, this slutty pussy."

"Ahhh." Shi Fei cried out seductively.

Chapter 237 - Playing Doctor And Patient With Shi Fei

6-7 minutes

Then Xiao Tian retook a picture of her. But this time, Xiao Tian only took a photo of her pussy, and of course, Xiao Tian spread her pussy widely like before. "Fei, look! This is what your pussy looks like from a very close range."

Shi Fei didn't expect that Xiao Tian would retake a picture of her pussy. Of course, she was fine with it because she would let Xiao Tian do whatever he wanted.

Shi Fei couldn't help but smile when she saw the expression on his face. She was pleased by this because she knew Xiao Tian liked her body more than before. "I didn't expect that you are such a pervert. You even spread my pussy widely and took a photo of it from a very close range. Hehe."

Hearing her words, Xiao Tian immediately gave her an excuse. "Oh! You got me wrong, Fei. I know that you can't see your pussy clearly. That was why I took a picture of your vagina from close range so that you could see the shape of your pussy."

'What are you talking about, little brother? Of course, I can see my pussy. Otherwise, I will not be able to shave it for you.'

Shi Fei found it funny when Xiao Tian tried to defend himself, but of course, she didn't say it.

"So, what do you think of my pussy?" Shi Fei inquired.

"Perfect! I give you ten out of ten for the shape and color. But I need to examine the tightness of your pussy because it has been quite a while since the last time I examined it." because her pussy was already wet, Xiao Tian immediately put his right middle finger into her vagina.

"Ah..." Shi Fei's sexy pink lips opened and a seductive moan, which could make any man horny, escaped from her mouth.

When Xiao Tian felt her vagina muscles squeezing her middle finger wildly, he nodded his head in satisfaction. "Un, un. The tightness of your vagina is still the same as the last time I examined. I give you ten out of ten again."

After Xiao Tian pulled his index finger out of her pussy, Shi Fei giggled and said, "So, what are you going to do next? Are you going to examine the quality of my breasts? Like the size, the shape, or the color of my nipples. Hehe."

"Oh, that's a good idea!" Xiao Tian then made her face him. "Now let me examine your beasts."

"What is it, little brother?" Shi Fei chuckled when she saw the expression on his face. Because she knew that Xiao Tian wanted to take off her short T-shirt, she raised her arms high. "Here. You can take off my T-shirt now."

Seeing that, Xiao Tian kissed her lips and said, "As expected of my mistress, she understands me well."

'Hehehe. Look at his face. he is adorable when he is behaving like this.'

Even though Shi Fei loved his mature and gentle attitude, sometimes she wanted to see his cute and childish behavior. That was why she was thrilled when Xiao Tian behaved like that.

Without waiting for another second, Xiao Tian took off her bra and short T-shirt. And as if he was a doctor who wanted to examine the condition of her breast health, Xiao Tian looked at her breasts carefully.

"The shape and the size of your breasts are perfect." Xiao Tian then began to squeeze her breasts gently. "The softness is also perfect."

"What about my nipples, doctor?" because Xiao Tian pretended to be a doctor, Shi Fei decided to pretend to be a patient, who was being examined by Xiao Tian.

"Perfect too. But I need to examine further to make sure that your breasts are healthy." after saying that, Xiao Tian kissed her breasts all over before finally, he stuck his tongue out and began to lick her nipples.

At first, Xiao Tian's tongue only touched her nipples, but soon his tongue began to move around her small and cute nipples. Xiao Tian licked her nipples for several seconds before finally, he put it into his mouth.

"Hmmm.." Shi Fei tilted her head back and half-closed her eyes when Xiao Tian's tongue was sucking and licking her right nipple.

The feeling of Xiao Tian's tongue playing with her nipples was so good until it made her love juices begin to drip down again.

When Xiao Tian thought that it was enough for him to suck her right nipple, he began to suck her other nipple. And because he wanted to give Shi Fei more pleasure, Xiao Tian squeezed her right breast too.

"Ahhh.." once again, Shi Fei cried out seductively.

After sucking and licking her nipples for several seconds, Xiao Tian stopped and said, "Lady, the sensitivity and the hardness of your nipples are fine. Your breasts are healthy, and even your nipples also taste good."

"Thank you for examining my breasts, doctor." Shi Fei kissed his forehead before finally, smiling happily. "Now I can feel at ease because I know that my breasts are healthy."

I didn't expect that it would turn into a doctor and patient game. Xiao Tian thought to himself.

Because they were playing doctor and patient, suddenly an idea appeared on his mind. "Wait, lady. I've examined your pussy and breasts, but I still haven't examined your mouth. Can you open your mouth now?"

"Here, doctor. Please examine my mouth carefully." because Xiao Tian still wanted to play doctor and patient, Shi Fei decided to play along. That was why she opened her mouth so that he could do whatever he wanted.

"Good!" Xiao Tian then grabbed her tongue with his right hand and pulled it out. And like what he did earlier, Xiao Tian pretended to examine the condition of her oral health. "Your tongue is pink and healthy. Good. Good. Your teeth are white too. Everything looks fine, lady. But I have to do the final check so that I can confirm that your mouth is healthy."

"What should I do, doctor?" Shi Fei inquired.

"I need you to use that sexy mouth of yours to help me with something." Xiao Tian answered instantly.

Even though Xiao Tian didn't explain it directly, Shi Fei understood what he meant. Without waiting for another second, Shi Fei knelt between his legs and said, "I understand, doctor."

Chapter 238 - Yes, Doctor. I Like It Very Much

8-11 minutes

Without being told by Xiao Tian, Shi Fei began to unzip his trousers. Actually, Shi Fei wanted to suck his cock since he entered her apartment earlier. That was why Shi Fei smiled happily when she was unzipping his trousers.

When Xiao Tian's huge cock was visible in her eyes, Shi Fei unconsciously opened her mouth. The cock that she loved very much, the cock that could make her mind fly to cloud nine, was standing mightily in front of her face.

Shi Fei smiled with heart-shaped eyes when he saw his cock was moving on its own. She suddenly felt a twitch deep in her pussy as it began to heat up her body. An itch that she suspected she knows how to satisfy after looking at the sight of his dick. However, Shi Fei knew that she couldn't do that now because she had to satisfy him first.

Gulp...

Shi Fei couldn't help from gulping her saliva when she remembered the huge cock in front of her face would penetrate her pussy later.

When Xiao Tian saw the expression on her face, he couldn't help but smile proudly. "Oh! What are you thinking, lady? You look at my cock as if my cock is the most delicious food in the world. Do you like my cock that much?"

"Yes, doctor. I like it very much." Shi Fei answered instantly. "Your cock is amazing. It makes my pussy wetter just by looking at your huge cock."

Xiao Tian then tapped her cheeks gently and said, "This huge cock will give you pleasure later. A pleasure that you will never forget until you die. Are you happy to hear that?"

After hearing his words, Shi Fei suddenly wanted to put his cock in her vagina immediately. She was already horny since he played with her vagina and breasts earlier. Coupled with the sight of his amazing cock and his words made Shi Fei hornier and hornier.

"Un. I'm happy." Shi Fei nodded her head and smiled happily.

"Good. If you do a good job, I will reward you later." because Xiao Tian wanted Shi Fei to give him a blowjob, he didn't want to waste time. "Now, let's do the final check."

"Alright." after saying that, Shi Fei opened her mouth and stuck out her pink tongue.

With her right hand holding his cock shaft, Shi Fei started by licking the external urethral orifice using the tip of her tongue.

"Not a bad start, lady." Xiao Tian almost groaned when Shi Fei licked the most sensitive part of his cock.

Because Shi Fei wanted to give him more pleasure, she began moving her right hand up and down while sometimes she put his cock glans into her little mouth.

'Damn! She is good at this.'

The feeling of her hands stroking his shaft, and her wet tongue licking his glans was so good.

When Shi Fei saw the expression on his face, she smiled on her head because she knew that she had succeeded in giving him pleasure.

'Good! I just need to give him more pleasure. If he is satisfied later, he will desire to have sex with me every day, and that way, I can spend time with him every day.'

With that on her mind, Shi Fei stopped stroking his shaft and began putting his huge cock deeper into her mouth.

Because his cock was big and long, Shi Fei almost gagged several times, but still, she didn't give up and tried to put his cock as deep as she could. Tears fell down her cheeks after she tried to put his cock deeper into her mouth several times.

Even though Xiao Tian wanted to put his entire cock in her mouth, but when he saw the expression on her face, he decided not to do that.

Xiao Tian wiped the tears off with his thumb and looked at her lovingly, "Fei, if you can't do that, don't force yourself. I don't want to hurt you."

When Shi Fei saw his loving face, she stopped giving him a blowjob and looked at him intently. She really loved it when Xiao Tian showed his caring attitude to her.

Shi Fei pulled his cock out of her little mouth and smiled. "Little brother, your cock is huge and long. That's why I can't put your entire cock in my mouth, but I won't give up. Hehe."

Because Xiao Tian always gave her pleasure, which she couldn't describe into words, she also wanted to provide him with the same pleasure.

For this reason, she secretly bought a porn DVD about how to please a man. And in the lesson, she knew that many men loved deep-throating because it gave them incredible pleasure. She even bought an eggplant as an object for practice.

That was why she tried her best to put his entire cock into her mouth. But what a pity, her mouth was too small for his huge cock.

Xiao Tian kissed her forehead and touched her lips. "Fei, it's fine if you can't put my whole cock in this mouth of yours because you still have another mouth that can take my entire cock."

When Shi Fei noticed a pre-cum on the tip of his cock, she could not help but smile. With her eyes focused on his black eyes, Shi Fei stuck out her pink tongue and licked the pre-cum. "Hehe. Do you want to use my other mouth now?"

"Not so fast, lady." even though he couldn't deep-throating her, Xiao Tian still wanted to enjoy the blowjob, and of course, he wanted to let out all his sperm in her little mouth later. "You have to make me cum first. After that, I will put my cock in your wet pussy."

Knowing that he would immediately fuck her after she made him cum, Shi Fei didn't waste time and began to give him fellatio again.

Because Xiao Tian told her not to try deep-throating again, she gave him normal oral sex. But this time, her hands were playing with his testicles to make him cum faster.

Still, it took her several minutes before finally, his cock was hardening as a sign that he had reached his limit, and soon he would let out his white sperm. Shi Fei was pleased by this and immediately moved her head faster and faster.

"Fei, I'm cumminggg.." Xiao Tian grabbed her head and closed his eyes when he let out all of his sperm into Shi Fei's mouth.

When Shi Fei thought that he had released all the sperm into her mouth, she pulled his cock out of her little mouth and opened it.

"Good. You really look beautiful with my sperm in your mouth." Xiao Tian smiled in satisfaction when he saw his sperm in her little mouth. Suddenly an exciting idea appeared on Xiao Tian's mind. "Fei, wait. Don't drink my sperm."

Shi Fei had no idea why he suddenly told her not to drink his sperm immediately. But when he saw Xiao Tian holding his smartphone again, she knew that he wanted to take a picture of her with his sperm on her mouth. Of course, Shi Fei didn't mind it because she would let him do whatever he wanted.

"Fei, look at the camera and make a V hands sign." Xiao Tian said

Shi Fei did what she was told without feeling shy. Earlier, he took a picture of her pussy, so taking a picture of her with his sperm on her mouth was a small thing for her.

After Xiao Tian took a photo of her, he immediately said, "You can drink it now."

Without waiting for another second, Shi Fei drank his sperm. And as if his sperm was the most delicious food in the world, Shi Fei smiled happily after drinking it. "Little brother, your sperm is tasty."

"Of course. Because I'm a healthy young man, you know." Xiao Tian nodded his head in satisfaction when he was looking at the photo of Shi Fei with his sperm on her mouth.

Seeing the expression on his face, Shi Fei giggled and said, "Little brother, am I sexy in the photo?"

"Sexy. You are so hot, Fei." Xiao Tian answered instantly. Shi Fei did look very sexy in the picture. He was sure if any man saw the picture, they would feel horny immediately.

"Why did you always take pictures today?" Shi Fei asked curiously. "Are you going to take a picture of me again later."

"I just want to. Of course, I will take a picture again later." Xiao Tian then brought his face closer toward her right ear and whispered, "A picture of you with my sperm in your pussy."

"I love that idea." Shi Fei suddenly felt hornier after hearing his words. The idea of taking a picture of her with his sperm on her pussy made Shi Fei want to have sex with him immediately.

"Good." because Shi Fei had made him orgasm, Xiao Tian had to keep his promise. Then he took off his trousers. "Now, stick out your ass because I want to put my cock in your wet pussy."

Shi Fei was thrilled after hearing his words because what she had hoped since earlier finally happened. Shi Fei immediately turned around and placed her upper body on the table.

And because she wanted to make Xiao Tian hornier, she spread her pink pussy with her hands. "Little brother, my pussy is ready to take your amazing cock inside it."

This woman really knows how to spice things up, huh? Xiao Tian thought to himself.

Without waiting for another second, Xiao Tian rose from the couch and placed his cock in her vagina entrance.

"Ahhhhh." Shi Fei cried out seductively when she felt his cock slowly entering her vagina.

Chapter 239 - I Already Know About It

6-8 minutes

When Xiao Tian was thrusting his cock into her vagina, he felt as if her pussy was rejecting his cock. "So tight."

Because her pussy was already wet, Xiao Tian thought that it would be easy to thrust his cock into her pussy, but he was wrong. He was utterly wrong because even though her pussy was already wet, the tightness of her pussy didn't decrease one bit.

Maybe because it had been quite a while since the last time he had sex with her, or perhaps because he had too many girlfriends which made him forget the tightness of their vagina.

"Ahh.." Shi Fei suddenly felt as if electricity was flowing into every cell in her body when Xiao Tian's cock hit her womb.

The tightness of her pussy made Xiao Tian want to move his waist immediately. For this reason, Xiao Tian placed his hands on her hips and was ready to move his waist.

Shi Fei immediately understood that Xiao Tian was about to move his waist. But because she still wanted to feel his cock in her pussy, Shi Fei looked at him and said, "Wait, little brother. Don't move yet. It has

been quite a while since I feel your cock in my vagina again, so let me feel it first. I want to remember the shape of your cock in my pussy now."

Even though Xiao Tian wanted to move his waist, but because Shi Fei wanted to feel his cock in her pussy, Xiao Tian decided to do what she wanted.

Because Shi Fei told him not to move his hips, Xiao Tian decided to play with her breasts. But Xiao Tian was unable to do that because Shi Fei's breasts were pressing against the table. "Fei, raise your body. I want to play with your breasts."

As soon as Shi Fei did what she was told, a soft moan escaped from her little mouth. The pleasure, which she felt when his hands were squeezing her breasts, and his cock was touching her womb, was too much for her body to bear. Shi Fei's legs and hands instantly turned shaky, and she had a small orgasm.

Xiao Tian, who knew about it, smiled and said, "Hehe. What is this, Fei? You had a small orgasm before I moved my waist?!"

"Little brother, it's because my pussy really misses your huge cock. And not only that, even your cock is hitting my womb right now. Coupled with you playing with my nipples, of course, I will have an orgasm immediately." Shi Fei gave him an honest answer. "This means my pussy loves your cock very much. That's why you have to have sex with me more often so that my vagina won't be lonely anymore."

Her vulgar words made Xiao Tian hornier and almost moved his waist. What made Xiao Tian love spending time with Shi Fei was that she was always true to herself.

And Xiao Tian really loved her vulgar words when they were having sex. Her sexy naked body, which could make any man horny, coupled with her dirty words, could always make Xiao Tian want to have sex with her.

Xiao Tian was sure if he only had a little experience sleeping with women, he would have become like a wild animal after hearing her words.

While still squeezing her breasts, Xiao Tian kissed her back gently. "Fei, can I move now?"

"Wait. My pussy is still trying to remember the shape of your cock right now." Shi Fei tightened her pussy even more so that her vagina could remember the exact shape of his huge cock.

'Damn! She is teasing me. How can her pussy so tight today? It feels as if she wants to crush my cock with her pussy now.'

Those were the words that appeared on his mind when Shi Fei suddenly tightened her pussy.

"You can move now, little brother." because Shi Fei had already remembered the shape of his cock, she told him that it was fine to move.

Xiao Tian then stopped playing with her breasts and placed his hands on her hips. Xiao Tian started by moving his waist slowly because her pussy was still too tight.

"Ah...ah..." Shi Fei began to let out seductive moan when Xiao Tian moved his hips. Even though Xiao Tian was thrusting his cock slowly, but the pleasure when his huge cock was penetrating her pussy wall and made it into the shape of his cock, was something that she couldn't describe in words.

Xiao Tian, on the flip side, kept thrusting his cock into her pussy. Even though Shi Fei's vagina was still tight, but with the help of her love juices, Xiao Tian could move his cock much easier.

Xiao Tian had no idea as to why her pussy was so tight today, but of course, he loved it because when he thrust his cock deeper into her pussy, he felt as if Shi Fei's vagina muscles had turned into several hands and squeezed his cock wildly.

The sound of Xiao Tian's hips hitting her ass and the sound of his cock penetrating her pussy echoed in the living room. The sound of them having sex made Xiao Tian and Shi Fei even hornier.

"Ah...Ah...Ah....Ah...." every time Xiao Tian's huge cock hit her womb, a seductive moan came out of her little mouth. "Little brother...Ah...Ah....your cock is amazing....Ah...Ah....I love your cock very much...Ah..."

"I already know about it." even though he believed that he could satisfy any woman in bed, but hearing it from their mouth made Xiao Tian happier.

"Hii... Aaaaahhhh." Shi Fei gritted her teeth and tilted her head back when the tip of his cock entered her womb. Tears fell down her cheeks and pleasure and pain spread throughout her body whenever Xiao Tian cook entered her womb. "Ah...Ah... little brother...you are amazing...Ah...mark my womb with your cock and let out your white sperm in there too.. Make your mistress' slut pussy as your personal cumdump... Make me your personal slut...Ah..."

"I will turn you into my personal slut, Fei. A slut who want my cock in your three holes every single day." after saying that Xiao Tian moved his waist faster and faster.

'Damn! It has been a long time since I talk with my partner like this during sex. This suddenly makes me more aroused.'

Because Ye Xueyin, Ye Qingyu, and Lin Xing Xue never spoke like that during sex, Xiao Tian suddenly felt the beast inside him began taking over his body after hearing her words.

Xiao Tian moved his waist faster and thrust his cock into her pussy deeper. He no longer held her hands and placed his hands on her hips because it could help him move his waist faster.

"Ah...Ah...Ah...Ah...Ah..." Shi Fei's head was on the table, and her little mouth opened slightly.

Her saliva began dripping down from the corner of her mouth, but she didn't show the slightest care about that. At that moment, all she did was only moan and moan.

Because her mind was already on the cloud nine, Shi Fei didn't care whether her neighbors heard her moans or not. "Little brother...Ah...Ah...Ah... I'm cumming.... I'm cumming...."

Xiao Tian stopped moving his waist when Shi Fei was having an orgasm.

Chapter 240 - I'm Going To Sit On My Throne

7-8 minutes

Shi Fei's body began to twitch. While still breathing heavily, Shi Fei looked at him and said, "Little brother, I'm sorry. I cummed alone."

"It's fine. We will continue to have sex, right?" even though Xiao Tian wanted to continue having sex with her right away, but he didn't do that because he knew that she needed to recover first.

"Yes. We will continue having sex after my breathing returns to normal." of course, Shi Fei would have sex with him again because he didn't have sex with her lately. She even planned to not let his cock out of her pussy.

"Good!" when Xiao Tian was waiting for her to catch her breath, he suddenly saw her cute ass hole throbbing. This made Xiao Tian suddenly want to play with it.

"Hii" Shi Fei was shocked when she felt Xiao Tian's fingers rubbing her ass hole. But of course, she did nothing and let him do whatever he wanted.

At first, Xiao Tian only rubbed her ass hole, but the longer he saw her cute ass hole, the more he desired to put his fingers in it.

Because he knew that Shi Fei would let him do whatever he wanted, Xiao Tian inserted his index finger into her ass hole and stirred it.

"Ah..." even though Shi Fei had prepared herself, she still couldn't help but moan when Xiao Tian's index finger entered her ass hole.

"Oh! The tightness of your ass hole is the same as the last time I examined." as Xiao Tian was playing with her ass hole, he suddenly remembered the time when he had anal sex with her in the restaurant.

When Shi Fei noticed Xiao Tian's cock, which was still in her pussy, throbbed a few times, she knew that he wanted to continue having sex immediately.

And because she didn't want to disappoint him, Shi Fei, who was still trying to catch her breath, looked at him and said, "Little brother, if you can't wait anymore, you can move your waist now, you know."

Xiao Tian stopped playing with her ass hole after hearing her words. "Alright."

At first, Xiao Tian wanted to move his waist immediately, but the sight of her cute ass hole, made Xiao Tian change his mind.

Shi Fei was surprised when Xiao Tian still hadn't moved his waist. She thought he would thrust his cock immediately after she said that she was ready.

"Little brother, why are you stil-" before Shi Fei had finished her words, she suddenly felt Xiao Tian's huge cock entering her ass hole. "Ahhhh.."

Like her pussy, Shi Fei's ass hole was also tight. This made Xiao Tian groan when he was thrusting his cock into her ass hole. "Ahhhh... Your ass hole is also tight, Fei."

Of course, Shi Fei didn't tell him to stop or ask him to take his cock out of ass hole, because her body already belonged to him. Whether it was her ass hole, pussy or mouth, she would let him fuck any of her holes whenever he wanted.

And like before, Shi Fei cried out seductively when Xiao Tian was thrusting his huge cock into her ass hole.

Because Xiao Tian wanted to give her more pleasure, he touched her clitoris and began playing with it. He kept fucking her ass hole for about ten minutes before finally, he wanted to change position. Without telling her, Xiao Tian grabbed her by the waist and sat on the couch with her back facing him.

Shi Fei knew that it was her time to move now. With her hands on her thighs, Shi Fei began to move her body up and down. "Ah...Ah....Ah..."

Shi Fei's moans were like a beautiful song in Xiao Tian's ears, so he wanted her to keep moaning. For this reason, Xiao Tian's left hand was rubbing her cute nipples while his other hand was playing with her vagina.

His action made Shi Fei moan louder and faster. Her movements began to slow down before finally, she was unable to move her waist anymore and fell on his left shoulder. "Little brother, I don't have the strength to move my body anymore. My body is so weak right now."

Because Xiao Tian didn't want to stop fucking her, he had no choice but to stop playing with her pussy and breasts. With his hands on her hips, Xiao Tian began moving her body up and down.

They kept fucking for two hours before finally deciding to stop. In these two hours, he made Shi Fei cum several times while Xiao Tian cummed three times. And like what he had planned, Xiao Tian took a picture of her with his cum on her pussy and ass hole. Because their bodies were sweating, they decided to take a bath together. After bathing, they returned to the living room.

"Ahh. You were amazing, little brother." Shi Fei, who was sitting on his left side, said.

Xiao Tian kissed her forehead and said, "You were amazing too, Fei. Your ass hole and pussy are so tight."

Shi Fei couldn't help from smiling after hearing his words. She was delighted when she knew that she could satisfy him earlier.

Then Shi Fei placed her head on his lap and grabbed Xiao Tian's cock before kissing the tip of his cock. "You were amazing, Mr huge cock. I love you very much."

'Damn! I got netorare by my cock.'

Those were the words that appeared in his mind after hearing her words.

"What about me, Fei?" even though it was a silly question, Xiao Tian still asked it.

Shi Fei giggled when she saw the expression on his face. Shi Fei thought that it was a perfect time to tease him. "Of course, I love you too. but I love your cock more than you."

The corner of Xiao Tian's lips twitched after hearing her words. "Hoh. So, my mistress dares to tease me, huh?"

Because they were still naked, Xiao Tian immediately put his index finger into her vagina.

"Ahhh.." Shi Fei cried out seductively.

When Xiao Tian's index finger was in her tight pussy, his cock slowly erects again.

Shi Fei, who was seeing this, smiled happily. Without waiting for another second, she immediately stood up.

"Where are you going, Fei?" Xiao Tian asked curiously.

"I'm going to sit on my throne." after saying that, Shi Fei grabbed his erect cock and placed it in her vagina entrance. And because her pussy was still wet, she immediately lowered her body. Then Shi Fei put Xiao Tian's hands around her waist and said, "Now, I'm sitting on my throne."

Her action surprised him. But what surprised him most was that she put his cock in her vagina before she sat on his lap. "So, I'm your throne, huh?"

"That's right." Shi Fei nodded her head. "With this, we can watch TV while being connected. Isn't this the best position to watch TV together?"

"Yes. You're right." of course, Xiao Tian accepted it gladly. Watching TV with his cock in her pussy was something that loved too.

Suddenly Xiao Tian remembered something important.

'Wait. Until now, I have never seen my aunt and mother wearing the crotchless lingerie. Fuck! I totally forgot about it.'

With that on his mind, Xiao Tian decided that he would make his mother and aunt wear the crotchless lingerie later.
