Chapter 241 - Little Brother, I Want A Kiss

"Hahaha." Shi Fei laughed happily when she saw a funny movie.

Shi Fei didn't realize that when she was laughing, she unconsciously tightened her pussy. This made Xiao Tian groan. "Ahh."

When Shi Fei heard his groan, she looked at Xiao Tian and giggled, "What is this, little brother? Is my pussy too tight for you? Does it feel good when my pussy squeezes your huge cock? Hehe."

Xiao Tian then wrapped his arms around her waist and kissed the right side of her neck. "Yes. It feels really good watching TV while being connected with you like this. Not only can I feel the warmth of your body, but I can also feel the warmth of your pussy."

"I'm thrilled to hear that." Shi Fei was delighted when Xiao Tian kept praising her pussy. When she remembered that she could satisfy the person who she loved dearly, her face broke into a smile. "Do you want me to move my waist?"

"I would be happy if you do that." even though they had wild sex earlier, but Xiao Tian would accept it with a smile on his face if she wanted to have sex with him again.

Actually, Xiao Tian also wanted to move his waist since she sat on his lap with his cock in her vagina because her pussy kept squeezing his cock wildly as if her pussy wanted to suck all the sperm on his testicles.

"Ah! I suddenly change my mind. I want to watch TV now and don't want to move my hips." even though she said that, but if Xiao Tian moved her body up and down, she would also move her body gladly because giving him pleasure was one of the keys to raising her status from mistress to wife.

Because Shi Fei kept teasing him, Xiao Tian decided to tease her back by playing with her breasts and clitoris.

"Ahhh..." Shi Fei could not help but let out a loud moan when Xiao Tian suddenly rubbed her clitoris and nipples.

But she did nothing and only moaned. She knew that something like this would happen to her whether she teased him or not. Of course, Shi Fei was thrilled by this because her main purpose was to make him get addicted to her body.

This was also the reason why she sat on his lap with his cock in her pussy. She Fei wanted to make his cock to get used to her tight pussy until he felt empty when his cock wasn't in her pussy.

"Little brother, I want a kiss." even though they just had wild sex and were still connected, but they only kissed a few times since he was in her apartment. He only kissed her when they were taking a bath earlier.

Even though Xiao Tian also wanted to kiss her, but because she was sitting on his lap with her back facing him, Xiao Tian couldn't kiss her lips. That was why he decided to kiss her cheeks.

"I want a kiss on the lips. I want a passionate kiss." although Shi Fei was pleased when Xiao Tian kissed her cheeks, but what she wanted from him was a kiss on her lips. That was why she asked him to kiss her again.

"Fei, it's hard to kiss your lips in this position." It was true that Xiao Tian could kiss her lips in that position, but he knew that their necks would hurt if they kissed passionately.

Because Shi Fei wanted to kiss him passionately, she turned around without taking his cock out of her pussy.

"Ah..." Xiao Tian and Shi Fei moaned in unison.

The reason Xiao Tian groaned was that he felt the muscles of her vagina were wrapping around his cock. It was different from when they were having sex because when they did it, Xiao Tian felt that her pussy was squeezing his cock wildly.

Shi Fei immediately cupped his face, and without saying anything to him, she pressed her soft pink lips against his lips.

But she didn't stop there because three seconds after she kissed him, Shi Fei's tongue tried to enter his mouth.

Of course, Xiao Tian welcomed it by giving her tongue a way to enter his mouth because who didn't want to kiss passionately with a sexy lady like her.

Not only was he able to smell the fragrance of her mouth, but he also could feel her soft tongue intertwining his tongue and the muscles of her pussy squeezing his cock at the same time.

When Shi Fei felt his cock, which was in her pussy, throbbing on its own again, she knew that the flame of lust began to spread in his body.

Realizing this, Shi Fei knew that sooner or later, Xiao Tian would move her body up and down again. And what she had guessed was right when Xiao Tian suddenly placed his hands on her waist.

Even though she knew that he would move her body, Shi Fei kept kissing him as if she couldn't live without kissing him.

This time, Xiao Tian let her dominate the kiss because he wanted to do something else. And after placing his hands on her waist, Xiao Tian began to move her body up and down.

"Hmmm..hmmmm...hmmmm." because Shi Fei was kissing him, her moans were not clear. She didn't want to stop kissing him even though Xiao Tian kept moving her body. However, it only lasted for about fifteen seconds before finally, her sexy pink lips opened and soft moans came out of her little mouth. "Ah...Ah....Ah...Ah..."

Xiao Tian smiled when he saw her fascinating expression. "Fei, because you keep teasing me, I will continue fucking you until you beg for forgiveness."

"Ah...Ah...Yes...Ah...if you want, you can keep fucking me until I pass out too. Ah...Ah.....my body is yours...Ah....you can do whatever you want with my body...Ah...." while moaning, Shi Fei still tried to

answer him. She didn't mind if he wanted to have sex with her until she passed out because she loved having sex with him.

Because with that, not only was she able to feel the pleasure from having sex with him, but she could also make him get addicted to her body, or more precisely, to her pussy.

For her, this was like killing two birds with one stone, so of course, she would accept it happily if he wanted to keep having sex with her.

While still cupping his face, Shi Fei let Xiao Tian control her body because all she wanted to do was only moan and look at his handsome face.

"Ah...Ah...Ah...Ah...Ah..." while looking into his black eyes, Shi Fei let out many seductive moans as if she wanted to make him hornier.

And as if the goddess of lust was supporting her, Xiao Tian got hornier when he saw the lewd expression on her face and heard her sexy moans. For this reason, Xiao Tian moved her body faster and faster.

"Ahh...Ah...Ah...Ah..." whenever Xiao Tian thrust his cock into her vagina, Shi Fei let out a soft moan. They kept having sex for several minutes until finally, Shi Fei had reached her limit. "Ah...Ah...little brother...Ah...Ah... I'm cumming...Ah... I'm cumming.."

When Xiao Tian knew that she was having an orgasm, he stopped moving her body.

Shi Fei's body began twitching after having an orgasm. Then she wrapped her arms around his neck and placed her head on his right shoulder. "As expected of my lover, you are sure amazing, and of course, your cock too."

Chapter 242 - Taking A Picture Of Xiao Tian

7-8 minutes

When Shi Fei felt that she was ready to have sex again, she cupped his face and looked at him in the eyes. "I'm ready. You can move again now."

Because in that position, he couldn't move freely, Xiao Tian placed her on the couch. "I will move again now."

"Yes." Shi Fei nodded her head.

Like before, Xiao Tian started by moving his waist not too fast or slow. He wanted to enjoy the sensation of her pussy's muscles wrapping around his cock.

Slick...Slick... Slick...

Even though Xiao Tian didn't thrust his cock quickly, but because her vagina was very wet, the sound of his cock spreading her pussy could be heard in their ears.

As he was thrusting his cock into her pussy, he looked at her and said, 'Fei, can you hear it?'

"Yes. I can hear it." even though Xiao Tian didn't describe it clearly, Shi Fei understood what he meant. "The sound of your cock spreading my pussy into the shape of your dick is beautiful, right?"

"Yes. It's the most beautiful sound I've ever heard." Xiao Tian answered instantly.

Shi Fei suddenly remembered that if she recorded their sex activities, she could use it to please herself in the future. For this reason, Shi Fei took her smartphone and began recording their sex activities.

When Xiao Tian saw her holding a smartphone, he was curious about what she wanted to do with it. "Why are you playing with your smartphone during sex?"

"I'm recording our sex activities right now, so when I feel horny, and you can't have sex with me in the future, I can use this recording to please myself." Shi Fei gave him an honest answer.

Her words greatly surprised Xiao Tian. He didn't expect that Shi Fei would do something like that. Xiao Tian stopped moving his waist and pinched her nose. "Hehe. So, my mistress is a horny lady, huh?"

"Yes. You are right. I'm indeed a horny lady." Shi Fei spoke and paused for a second before finally, she continued, "You and your huge cock are the ones which make me like this, so be sure to take responsibility and have sex with me more often in the future."

"Of course, I will do that in the future because it's my pleasure to have sex with a sexy lady like you. Because you are recording our sex activities, I should do my best to give you the best material for masturbating." after saying that, Xiao Tian began moving his waist again. But this time, he thrust his cock quickly.

"Ah...Ah...Ah...Ah..." because Xiao Tian's cock kept hitting her womb, it gave her much pleasure. Her mind was instantly on the cloud nine and the smartphone, which was in her right hand, fell to the couch.

As he was thrusting his cock into Shi Fei's tight pussy, Xiao Tian grabbed her smartphone and placed it on top of her flat stomach. Because with this, not only was her smartphone able to record their moans, but it could also record the sound of his huge cock spreading her tight wet pussy.

"Ah...Ah...Ah...amazing...Ah...It feels good....Ah...Ah... your cock is the best, little brother...Ah.." Shi Fei let out multiple moans while trying to tell him what she was feeling.

They kept having sex for several minutes before finally, they decided to stop because they had cum several times.

"Are you still recording this?" Xiao Tian, who was resting on top of her body with his cock still in her vagina, asked curiously.

"Yes." Shi Fei, who was holding her smartphone in her left hand, nodded her head. Suddenly an exciting idea appeared on her mind. "Little brother, lick my nipples and look at the camera."

Xiao Tian didn't expect that she wanted to take a picture of him with his tongue on her nipples. Because he didn't want to disappoint her, Xiao Tian did what he was told.

Click...

The sound of the camera could be heard in their ears.

Shi Fei couldn't help but smile happily when she saw the picture. But she wasn't satisfied with only taking one picture, so she wanted to take a picture of him doing something again. "Little brother, now kiss my lips while looking at me in the eyes."

Xiao Tian then pressed his lips against hers and looked into her beautiful eyes.

After taking a picture, Shi Fei's face broke into a soft smile when she saw the photo. The image was so perfect, and they were like lovers who were madly in love. "Now, pretend to sleep on my chest."

And like before, Xiao Tian did what he was told.

"Perfect!" Shi Fei nodded her head when she was looking at the picture of Xiao Tian pretending to sleep on the top of her chest.

"What do you want me to do next?" Xiao Tian inquired.

Shi Fei touched her chin and began to think about it. When she found a good idea, she looked at him and said happily. "Pull your cock out of my pussy and lick it."

"Fei, that is...." because he cummed in her pussy several times, Xiao Tian didn't want to lick her pussy because he didn't want to taste his sperm.

"Little brother, you don't want to?" when Shi Fei noticed that Xiao Tian seemed like he didn't want to lick her pussy, a hint of sadness suddenly appeared on her face. At this time, she hadn't realized the reason why he didn't want to lick her pussy.

When Xiao Tian saw the expression on her face, he had no choice but to do what she wanted, because he didn't want to make her sad. However, because he didn't want to taste his sperm, Xiao Tian only licked her clitoris while looking at the camera.

Shi Fei was pleased when Xiao Tian granted her wish. Without waiting for another second, she took a picture of him with his tongue licking her clitoris. "Little brother, send me the photos you took with your smartphone before."

Xiao Tian found it hard to believe what he was hearing. He didn't expect that Shi Fei wanted a picture of herself with his sperm in her ass hole and pussy.

It was normal if she wanted to take a picture of him doing something lewd, but seeing a picture of herself in a naughty expression was something that he could never understand. But even so, Xiao Tian still sent the images of herself to her smartphone.

"Woah. I'm really like a slut in the pictures." Shi Fei said when she saw the pictures. In the picture, Xiao Tian's white sperm was coming out of her pussy. Coupled with the lewd expression on her face, Shi Fei did look like a slut.

"Yes. You are a slut. My personal slut." after saying that, Xiao Tian kissed her forehead before smiling.

After Shi Fei saw all the pictures, she put her smartphone on the table and said, "Now put your cock in my pussy again. Let's talk while being connected."

"As you wish my lady." without waiting for another second, Xiao Tian thrust his cock into her vagina again before finally, he relaxed on top of her body.

Shi Fei immediately stroked his hair and said, "Thank you for spending time with me, little brother."

Xiao Tian then looked at her and replied, "Thank you very much for satisfying me, my sexy mistress."

After he said that, they laughed happily. They talked for a few hours before finally, Xiao Tian returned home. Of course, he kissed her passionately before going home.

Chapter 243 - Good Morning, Hubby

7-8 minutes

After Xiao Tian arrived home, he was a little disappointed when he didn't see his mother and aunt in the living room.

'It's already 11:58 pm, so maybe they are sleeping.'

Because he thought that his mother and aunt were sleeping, Xiao Tian headed to his room. He immediately slept because there was nothing to do anymore.

The following morning, Ye Xueyin, who had just woken up, rushed toward her son's room. She giggled happily when she saw her son sleeping deeply.

Because last night she was unable to spend time with him, Ye Xueyin immediately laid prone on top of his body.

Xiao Tian, who was sleeping, slowly opened his eyes when he felt someone lying on his body. His face blossomed into a smile when he knew his mother was lying on top of his body. "Xueyin, do you want to sleep with me?"

"Yes. Mother wants to sleep with you." Ye Xueyin made a circle on his chest with her left index finger.

"Let's go back to sleep." when Xiao Tian noticed that it was still 05:00 am, he wrapped his arms around her waist and closed his eyes again.

Seconds turned into minutes, and several minutes had passed since his mother slept on top of his body. Xiao Tian reopened his eyes when he felt someone hugging his right arm.

Once again, a soft smile spread across his face when he saw his aunt sleeping on his right side while embracing his right arm.

'Well, maybe it's because they always sleep in my room.'

Xiao Tian was pleasantly surprised when his aunt suddenly slept in his room. But knowing his mother's behavior, it was normal for her to wake up and rush toward his room so that she could sleep with him.

However, Xiao Tian didn't expect his aunt to do the same thing as his mother did. Usually, Ye Qingyu would immediately go toward the kitchen after waking up because she was the one who always cooked breakfast for them.

Of course, Xiao Tian was pleased by this. After looking at his aunt's sleeping face, Xiao Tian kissed her forehead before going back to sleep.

At that moment, they were sleeping deeply as if the burden on their shoulders was lifted. Without realizing it, it was already 05:30 am, and Xiao Tian suddenly woke up.

Xiao Tian was a little surprised when he didn't see his mother on top of his body. However, when he heard someone cooking in the kitchen, he knew that his mother was cooking breakfast.

'Eh!'

Xiao Tian found it hard to believe that his aunt was still sleeping on his right side. Usually, she would be the first person to cook breakfast.

Earlier, Xiao Tian thought his aunt also cooked breakfast with his mother, but he was wrong. Not only did she not cook breakfast, but she was still sleeping while hugging his right arm.

With a smile on his face, Xiao Tian looked at his aunt's sleeping face. However, because Xiao Tian kept turning his head toward his aunt, he felt a pain in his neck.

Xiao Tian freed his right arm from his aunt's hug carefully because he wanted to lie on his side so that he could continue looking at his aunt's sleeping face.

But as soon as Xiao Tian freed his arms, Ye Qingyu suddenly woke up. Xiao Tian's face broke into a soft smile and said, "Good morning, love."

"Good morning, hubby." Ye Qingyu replied as she smiled.

Even though Xiao Tian had no idea as to why his aunt suddenly called him hubby, Xiao Tian was delighted.

"Repeat it." because it was the first time his aunt called him hubby, Xiao Tian wanted to hear it again to make sure that he didn't mishear the words she just said.

Upon seeing the expression on her nephew's face, Ye Qingyu giggled before finally, kissing his lips.

"Good morning, hubby."

'Damn! She is so cute when behaving like this.'

Those were the words that appeared in his mind when he saw his aunt's behavior.

Then Xiao Tian laid on his side and looked at this aunt with a smile on his face. Earlier, his aunt suddenly slept in his room, and now she also suddenly called him hubby.

Xiao Tian couldn't describe the happiness in his heart into words. He suddenly felt that he could do anything today.

While facing her, Xiao Tian entangled his limbs to hers and said, "I love you, Qingyu."

"Hehe." Ye Qingyu giggled and covered her mouth. "Are you saying that because I called you hubby just now?"

Even though Ye Qingyu's behavior looked as if she was making fun of him, but inside her heart, she was thrilled. It was only four simple words, but those four simple words meant everything to her, especially when she heard it in the morning after waking up.

It was true that the reason Xiao Tian suddenly said that was because she called him hubby. But of course, Xiao Tian would not say that because if he did it, he was afraid she would think that he only loved her when she called him hubby.

"Of course not. It's because you are my life. Without you, I will become a broken perso-" Xiao Tian stopped his words when he saw his aunt giggling.

Ye Qingyu pinched his nose and said, "It's not even 06:00 am yet, and you are already trying to seduce me?"

"Qingyu, you got me wrong." Xiao Tian shook his head. "I'm not trying to seduce you. I only stated the truth."

"Oh! Really?" Ye Qingyu pretended to be surprised by his words.

Xiao Tian suddenly realized that he needed to spend more time with his aunt to show her that his love for her was real. "Can you take a day off today?"

"Why?" Ye Qingyu was curious why her nephew suddenly wanted her to take a day off. But suddenly she realized something. "Hehe. Do you want to spend time with your beautiful aunt?"

Because Ye Qingyu teased him earlier, Xiao Tian wanted to tease her back, and he thought it was a perfect time to do that.

"Yes. You are right. It's because I want to...." Xiao Tian spoke and paused for three seconds before finally, he continued, "have sex with you all day."

The smile was frozen on Ye Qingyu's face. She found it hard to believe what she had just heard. She was fine if he wanted to have sex with her at that moment or after work. However, to have sex with him all day was something that she needed to think carefully.

It wasn't because she didn't want to, but she was afraid of what would happen to her if she had sex with her nephew the whole day. What would definitely happen to her was that her vagina would feel sore, and she wouldn't be able to walk as well after sex.

But she didn't want to disappoint her nephew because she knew that as his lover, she had the responsibility to satisfy him in bed too. For this reason, a complicated feeling could be seen on her face.

Xiao Tian couldn't help but laugh when he saw the expression on her face. He didn't expect that his aunt would take his words seriously. "Hahahaha. Qingyu, you should look at your face in the mirror? I'm joking, you know. Hahaha."

When Ye Qingyu knew that Xiao Tian was only teasing her, she hit his chest and said, "Bully!"

"Hehehe" Xiao Tian laughed happily.

Chapter 244 - As Expected Of Myself, I'm Indeed A Lady Killer

6-7 minutes

"Because you teased me earlier, I won't let you kiss me or call you hubby again. Oh! I also won't have sex with you." Ye Qingyu wanted to know what he would say after hearing her words. Because he teased her earlier, she decided to say that as punishment for him.

Even though his aunt said that, but Xiao Tian believed that if he wanted to kiss her or have sex with her, she wouldn't refuse him.

Suddenly an interesting idea to improve his good image appeared on his mind. With this idea, Xiao Tian looked at her lovingly and said in a soft loving voice. "As long as I can be by your side, I won't mind if you don't let me kiss you or have sex with you. For me, as long as I can be by your side, it's already enough."

After saying that, Xiao Tian laughed loudly in his head. Not only was he able to tell her about his feeling for her, but he could also increase his good image in her heart. This was like killing two birds with one stone.

His loving face and soft voice made Ye Qingyu stunned for several seconds. She looked at him without saying a single word. From seeing the expression on his face and hearing his loving voice, Ye Qingyu was sure that the words came from the bottom of his heart.

Without realizing it, a soft smile spread across her face. Then she kissed his forehead and said, "Don't worry. I will never leave you. We will be together forever."

'As expected of myself, I'm indeed a lady killer.'

Xiao Tian couldn't help but praise himself after hearing her words.

When Xiao Tian and Ye Qingyu were having a great time, Ye Xueyin suddenly entered his room. "I want to lovey-dovey with Tian too."

At first, Ye Xueyin wanted to tell them that breakfast was ready, but when she saw them having a great time, she suddenly wanted to join too.

Hearing his mother's words, Xiao Tian turned around and said, "Mother, is breakfast ready?"

"Un." Ye Xueyin nodded her head.

Xiao Tian then returned his attention to his aunt and smiled, "Qingyu, let's have breakfast."

"Alright." Ye Xueyin then got out of the bed.

However, when Xiao Tian and Ye Qingyu were about to head to the dining room, Ye Xueyin reached out her arms and said, "Tian, carry me to the dining room."

Xiao Tian and Ye Qingyu stopped their footsteps and turned around. Ye Qingyu giggled when she saw what her big sister was doing.

While Xiao Tian, on the other hand, immediately carried his mother. "Now, let's head to the dining room."

Ye Xueyin wrapped her long slender arms around her son's neck and smiled happily. Even though she knew that her son would grant her wish, but when he really did what she wanted, Ye Xueyin was very happy.

"Big sister, you look like a kid right now." when Ye Qingyu saw her big sister's behavior, she decided to tease her big sister. "If you wear children's clothes now, I'm sure everyone will think of you as a kid. Hehe."

"I don't care. Weeek." Ye Xueyin stuck out her pink tongue toward her little sister. Even though her little sister said that, she wasn't angry with her little sister.

"A child who has an adult body." Xiao Tian said abruptly.

Hearing her son's words, Ye Xueyin hit his shoulders and said, "Tian, you are not allowed to bully me, or else I won't let you kiss me or have sex with me later."

The corner of Xiao Tian's lips twitched when he remembered that his mother had said the same thing as his aunt had said.

When Ye Xueyin knew that her son didn't tease her anymore, she smiled and said, "Good, good. Because you are a good boy, I will let you have sex with me after breakfast. Are you happy to hear that?"

'Eh!'

Xiao Tian was at a loss for words. He didn't expect that his mother would say something like that.

'Just say it if you want to have sex with me, mother.'

Those were the words that suddenly appeared on his mind.

When Ye Xueyin found out Xiao Tian didn't say a single word and only looked at her, she immediately said, "What is it, Tian? Don't you want to have sex with your mother?"

It was different from what she had expected. Because Xiao Tian always said that he loved having sex with her, Ye Xueyin thought Xiao Tian would immediately agree after hearing her words.

However, not only did he not immediately agree, he even didn't say a single word as if he didn't want to have sex with her.

Upon hearing his mother's words, Xiao Tian knew that he had to say something to her, or else his mother would be sad. "Of course, I want to. I'm thrilled until it makes me forget to answer you. How can I refuse to have sex with a gorgeous lady like you?"

"Good. Let's have sex after breakfast." Ye Xueyin smiled happily when her son agreed to have sex with her later.

At this moment, Ye Qingyu looked at her big sister in shock. Like Xiao Tian, she could hardly believe what she was hearing. It was true that Xiao Tian was their boyfriend. She just didn't expect that her big sister would say something like that with a straight face.

"Tian, let's head to the dining room. Mother is hungry." Ye Xueyin said.

"Alright." after saying that, Xiao Tian began to walk toward the dining room.

When Ye Xueyin saw her little sister not following them, she immediately said, "Qingyu, what are you doing? Let's eat breakfast now."

Upon hearing her big sister's words, Ye Qingyu came to her senses and nodded her head. "Un."

After they reached the dining room, they immediately had breakfast. And like what Ye Xueyin wanted, Xiao Tian and Ye Xueyin had sex after they had breakfast. They even had sex in the dining room without caring about Ye Qingyu's feelings.

Chapter 245 - Because We Are His Lover

6-7 minutes

After Xiao Tian and his mother had sex, they sat next to each other. While Ye Qingyu, on the flip side, blushed and lowered her head.

Ye Qingyu didn't expect that her big sister and nephew would immediately have sex after breakfast. They even didn't care about her as if she was air.

Earlier, when her big sister and nephew were having sex, she wanted to get out of the dining room but the sound of them moaning repeatedly made her unable to move her legs.

She felt her legs turning weak and suddenly had no strength to move her body. Not only that but for some reason, she could not turn her gaze from them.

She felt even shyer when she noticed that her underwear was wet. Even though Ye Qingyu was still wearing clothes, she still covered her private area with her hands because she didn't want them to know that she was wet just from seeing them having sex.

Xiao Tian, who was seeing the expression on his aunt's face, started to smirk. Earlier, the reason he ignored his aunt and kept fucking his mother was that he wanted his aunt to feel aroused and desire to have sex with him.

And when Xiao Tian saw his aunt kept covering her private place, he knew that she was feeling aroused. He was even sure that her underwear was already wet.

Because Xiao Tian was still naked and his cock was still hard, Ye Qingyu couldn't help but keep stealing glances at his cock. And when she saw his cock throbbing repeatedly, she gulped her saliva.

Xiao Tian was pleased when he noticed that his aunt kept stealing glances at his cock. In order to make his aunt feel more aroused, Xiao Tian decided to make his cock throbbing hard.

Xiao Tian couldn't help but laugh in his head when he saw his aunt opening her little mouth. He thought his aunt was so adorable when she tried her best to hold back.

When Ye Xueyin saw the expression on her little sister's face, she knew that her little sister also wanted to have sex with her son.

For this reason, she rose from her seat and approached her little sister. "Qingyu, if you want to have sex with him, you can do that, you know. You don't need to hold back like this."

"Big sister, it's not like what you think. I just..." Ye Qingyu couldn't finish her words when she saw her nephew's cock throbbing hard.

Gulp.

The sight of her nephew's cock throbbing hard, made Ye Qingyu gulp her saliva.

'I've seen his cock many times, but why can't I take my eyes off his dick?'

Ye Qingyu suddenly felt as if there was a magnet connecting her eyes to her nephew's huge cock.

"It's fine, it's fine. You don't need to feel shy like this because we are his lover." Ye Xueyin dragged her little sister closer toward her son. And when they were on his right side, Ye Xueyin pointed her right index finger toward her son's cock. "Look at his cock! It's throbbing hard. If you want, you can put his cock in your pussy immediately because his cock was already erect."

Ye Xueyin's words made Ye Qingyu unable to hold back anymore. Ye Qingyu thought what her big sister said was right. She was his lover, so if she wanted to have sex with him, she could just ask him or immediately do that.

Xiao Tian did not expect that his mother would help him in persuading his aunt to have sex with him. Actually, he had his own way, but because his mother was helping him, Xiao Tian decided to do nothing as if he didn't know that his aunt and mother were looking and talking about his cock.

"Hurry up and take off your underwear. After that, put that huge cock in your pussy. Having sex with him in the morning feels good, you know." Ye Xueyin kept persuading her little sister to have sex with her son as if Xiao Tian paid her to do that.

Ye Qingyu said nothing and only looked at her big sister before lowering her sight toward her nephew's cock. Ye Qingyu's heart beat faster, and she also began to breathe heavily.

Because she was unable to hold back anymore, coupled with the sight of her nephew's huge cock, which was throbbing repeatedly, made Ye Qingyu decide to take off her panties and have sex with him.

After taking off her underwear, Ye Qingyu didn't want to bother taking off her skirt because they could have sex with her still wearing a skirt.

When Ye Qingyu grabbed his erect cock and placed it on her vagina entrance, Xiao Tian pretended to be surprised, "Eh! Aunt, what are you doing? Do you want to have sex with me?"

After saying that, Xiao Tian secretly gave a thumb up to his mother as a sign that she did an excellent job in persuading her little sister to have sex with him.

With a smile on her face, Ye Xueyin also gave him a thumb up. She stayed in the dining room because she wanted to see her son having sex with her little sister.

"Aunt...aunt...." Ye Qingyu was too shy to say what she wanted. It even took her several seconds to finish her words. "...want to have sex with you."

"Alright. Let's have sex." of course, Xiao Tian agreed to have sex with her, because it was his intention from the beginning.

After Ye Qingyu placed her nephew's cock in her vagina hole, she lowered her body slowly.

"Ahhhhh." Ye Qingyu cried out seductively when she felt her nephew's cock entering her vagina.

After all of his shaft was in her pussy, Ye Qingyu didn't immediately move her waist; instead, she wrapped her arms around his neck as if she wanted to feel the warmth of his body while being connected with him.

"Do you want me to move your body, aunt?" Xiao Tian thought his aunt would immediately move her body because he knew that she was already horny. He just didn't expect that she only wrapped her arms around his neck after putting his cock into her pussy.

"Wait." Ye Qingyu answered instantly. "Aunt will move her body now."

After saying that, Ye Qingyu began to move her waist.

Chapter 246 - So Where Are We Going Today?

5-7 minutes

While still wrapping her long slender arms around her nephew's neck, Ye Qingyu started by moving her hips up and down slowly.

At this moment, Xiao Tian did nothing and only wrapped his arms around her back because he wanted to enjoy the sensation of his cock being squeezed by his aunt's pussy.

Ye Xueyin, on the other hand, began to feel aroused again when she saw her son and little sister having sex in front of her. For this reason, she moved toward Xiao Tian left side and kissed his lips.

Because his mother was still naked, Xiao Tian immediately squeezed her right breast when she was kissing him passionately.

"Hmmm..." even though her son was playing with her breasts, Ye Xueyin kept kissing him hungrily.

The pleasure he felt when his mother was kissing him passionately and his cock was being squeezed by his aunt's pussy, was something that could not be described in words. With two gorgeous ladies giving him pleasure at the same time, Xiao Tian felt as if he was in heaven.

Because Xiao Tian knew that his mother's pussy was still wet, he stopped playing with her breasts and put his middle and index fingers into her vagina.

This made Ye Xueyin stop the kiss and let out a seductive moan. However, not long after that, Ye Xueyin unconscious began moving her waist as if she wanted him to put his fingers deeper into her pussy.

Xiao Tian felt as if he heard the most beautiful song when the soft moan from his mother and aunt entered his ears.

They had sex for about half an hour before finally, they stopped because Ye Qingyu and Ye Xueyin had to go work.

After taking a bath, Xiao Tian decided to visit Liu Ning because he needed to pretend to be her good friend. And like what he did when he visited her last time, Xiao Tian brought fruit basket before going to the hospital.

"Lady Liu, I came to visit you." Xiao Tian put the fruit basket on the table and sat on the chair.

Liu Ning, who was looking at people through the window, turned her head toward Xiao Tian and said, "Xiao Tian, you came to visit me again?"

Liu Ning's mood suddenly became brighter when Xiao Tian visited her again. For this reason, a soft smile spread across her face.

"Un." Xiao Tian nodded his head. "What are you looking at?"

Liu Ning pointed her right index finger toward a young man and woman who were talking happily and replied, "Them."

'Are they lovers?'

When Xiao Tian saw them, he suddenly thought that they were lovers because the young man was treating the young woman nicely as if she was the only woman in the world.

At this moment, Xiao Tian understood that Liu Ning must be jealous of them. "Lady Liu, do you want to go for a walk around the hospital?"

Even though she didn't show it on her face, Liu Ning was delighted when Xiao Tian suddenly wanted to take her out for a walk.

"Alright." Liu Ning felt bored staying in a patient's room all day. That's why she agreed right away.

Then Xiao Tian and Liu Ning walked out of the patient's room and went toward the hospital healing garden. They decided to take a break when they saw a wooden bench under a tree.

"Lady Liu, I have fulfilled my promise." Xiao Tian, who was sitting on her left side, said.

"Thank you, Xiao Tian." even though she had no idea how Xiao Tian was able to get Da Gui out of prison quickly, she didn't ask about it.

Xiao Tian looked at her and said in a soft voice, "As a reward, I want you to keep your promise too. You can do that, right?"

"Un. I will keep my words." Liu Ning said as she nodded her head.

Then Xiao Tian and Liu Ning talked for several minutes before finally, Xiao Tian took her to her room again and went to the campus.

After Xiao Tian finished all his classes, he went straight home.

'Eh! Aunt?'

Xiao Tian was surprised when he saw his aunt in the living room.

It's still 12:30 pm. Why is she at home? Is the company off work today? Xiao Tian thought to himself.

With a smile on his face, Xiao Tian sat on her right side and asked curiously, "Aunt, Is the company off work today?"

At first, Xiao Tian only wanted to change his clothes before going to his company to work. However, when he found out that his aunt was at home, he decided not to do that because it was a perfect time to spend time alone with her.

"Didn't you say that you want to spend time with me today?" because Xiao Tian said that he wanted to spend time with her this morning, Ye Qingyu only did important work before asking permission to go home.

Luckily her boss gave her permission. That was why she went straight home and waited for him at home. Earlier, she wanted to call Xiao Tian, but because he was already home, Ye Qingyu didn't do that.

Xiao Tian didn't expect that for his sake, his aunt took a day off. This made Xiao Tian very happy.

"Thank you, aunt." Xiao Tian kissed her cheeks and smiled happily.

"So where are we going today?" Ye Qingyu asked curiously.

There were many places that he wanted to visit with his aunt, but he suddenly remembered a place that he wanted to visit with his aunt since a few months ago. "Let's change our clothes first."

"Alright." Because Xiao Tian didn't want to tell her, Ye Qingyu decided not to ask anymore. Then she rose from the couch and headed to her room.

With a smile on his face, Xiao Tian also went to his room.

I will make today's date a good memory for both of us. I want her to believe that my love for her is real. Xiao Tian thought to himself.

Chapter 247 - As Expected Of My Lover, She Is So Pretty

6-8 minutes

However, after Xiao Tian came out of his room, what he had guessed was right. His aunt was still in her room.

But instead of sighing, Xiao Tian smiled happily. He didn't mind even if he had to wait for two hours because he could spend time alone with her later.

Seconds turned into minutes, and without realizing it, thirty minutes had passed since Xiao Tian waited for his aunt in the living room. Xiao Tian was currently watching TV so that he would not get bored waiting for his aunt.

Not long after that, Ye Qingyu came out of her room. Realizing this, Xiao Tian turned his head toward her.

'As expected of my lover, she is so pretty.'

Those were the words that suddenly appeared in his mind when he saw his aunt.

Ye Qingyu was wearing a purple chiffon short sleeve dress. The dress was very fitting on her body until it made anyone could see how perfect her body was.

And not only that, but her beautiful long legs were also visible until her knees. Coupled with a small cute white bag hanging on her left hand, Ye Qingyu looked like a beautiful woman from an upper-class family.

Xiao Tian rose from the couch slowly and walked toward her. When he was in front of her, Xiao Tian looked at her in the eyes and smiled, "Qingyu, you look so beautiful in your dress."

"Thank you." Ye Qingyu was pleased after hearing his words. She suddenly felt that the time she had spent several minutes to make her look beautiful in front of him was worth it when Xiao Tian praised her. "Let's go."

"Alright." Xiao Tian replied as he held her right hand.

Of course, Ye Qingyu let him do whatever he wanted. Even a beautiful smile appeared on her face when he suddenly held her right hand.

After they entered the car, Xiao Tian immediately drove toward Couple Café because he wanted to visit Couple Café with his aunt since a few months ago.

Ye Qingyu immediately looked at Xiao Tian when he parked the car in front of Couple Café. "Tian, do you want us to enter that Couple Café?"

Earlier, Ye Qingyu thought Xiao Tian would bring her to a romantic place. Even though she was fine if he wanted to enter the Couple Café with her, she just didn't expect that he would choose a place like that.

"Qingyu, let's have lunch first. After that, we will go somewhere." luckily it was still lunchtime, so he could use it as an excuse.

"Alright." because Ye Qingyu still hadn't had lunch yet, she agreed to his idea.

And like when he came with his mother and Lin Xing Xue, the waitress, who was wearing a maid outfit, walked toward them the moment they entered the Couple Café.

With a smile on her face, the waitress said, "Welcome to the Couple Café. Can you prove to me that you two are lovers?"

Ye Qingyu suddenly had the same expression as Lin Xing Xue and Ye Xueyin when they heard what the waitress said. She didn't know that there was such a rule in Couple Café

Of course, Xiao Tian wanted to take advantage of the situation to do a passionate kiss with his aunt. "Qingyu, the rule is kissing passiona-"

But before Xiao Tian had finished his words, he was interrupted by the waitress. "One of you only needs to press your lips on your lover's lips. After that, you two can choose the place to eat."

The waitress didn't know why she suddenly felt that if she didn't talk about the rules, something big would happen.

'Fuck!'

Xiao Tian cursed venomously in his heart. Earlier, he planned to take advantage of the situation to have a French kiss with his aunt. He just didn't expect that the waitress would ruin his plan.

When Ye Qingyu saw the expression on his face, she suddenly knew that Xiao Tian wanted to take advantage of the situation earlier. Luckily the waitress immediately told her about the rules.

Upon knowing about the rules, Ye Qingyu suddenly thought that Xiao Tian wanted to kiss her passionately earlier. For this reason, Ye Qingyu pinched his nose and said, "So, you want to lie to me, huh?"

"Hehe." Xiao Tian didn't deny it and only laughed. Then he brought his face closer toward her right ear and whispered, "Qingyu, your lips are so pretty. It makes me want to kiss you passionately."

Because Xiao Tian failed to kiss her passionately, he decided to tease her. And like what he had guessed, Ye Qingyu immediately pinched his waist after hearing his words.

"Love, you shouldn't pinch my waist. What if your lover gets hurt because of it?" even though Xiao Tian said that, but he didn't try to stop her from pinching his waist.

"But that is what I want to do." Ye Qingyu giggled while pinching his waist harder.

"Hii." Xiao Tian gritted his teeth when he felt pain in his waist. "Qingyu, I apologize for wanting to lie to you. As a punishment, you can hold my hands, embrace me, or kiss me. Ah! If you want, you can do all of it, you know, because I will sacrifice my body for my lover."

Of course, Xiao Tian chose to get a punishment that could benefit him because he didn't want to be hurt by her later.

Ye Qingyu was at lost for words. She could hardly believe what she was hearing. Ye Qingyu didn't expect that Xiao Tian would choose to get a punishment that could benefit him.

"I'm not interested in that." Ye Qingyu said and paused for a second before finally, she continued, "I want to pinch your ears, cheeks, and nose hardly. Oh! I also want to hit your chest and slap you in the face. You will accept the punishment, right? Because you said that you would sacrifice your body for me earlier."

The corner of Xiao Tian's lips twitched after hearing her words. He had no idea what would happen to him if his aunt really did what she had just said.

The waitress couldn't help but giggle when she saw the behavior of a pair of lovers in front of her. Even though Xiao Tian was much younger than Ye Qingyu, they looked like lovers who were madly in love with each other.

"Of course, you can do that too because I will do anything for my lover, you know. Even though I have to sacrifice my body." then Xiao Tian whispered in her right ear again. "But after we get home, I will make you unable to walk tomorrow."

A beautiful blush emerged on Ye Qingyu's face upon hearing his words. Ye Qingyu understood what he meant by making her unable to walk tomorrow.

"Alright. I will forgive you this time." because Ye Qingyu didn't want to lose face, she pretended to be a kind lover, who always forgives all her boyfriend's mistakes. But the beautiful blush could still be seen on her face.

'My lover is so cute. I really want to hug her right now.'

Those were the words that appeared in his mind when he saw his aunt blushing.

After they kissed, the waitress took them to the VIP room.

Chapter 248 - Do You Want To Have A French Kiss With Your Lover?

6-7 minutes

When Ye Qingyu stepped into the VIP room, a beautiful smile appeared on her face. The floral scents made her feel relaxed, and the yellow light hanging on the wall looked so beautiful in her eyes.

When Xiao Tian saw the expression on her face, he immediately asked, "How is it? Do you like it?"

"Yes." Ye Qingyu nodded her head.

The waitress immediately left after writing down their order. Xiao Tian and Ye Qingyu talked for several minutes before finally, the waitress entered the room and put their order on the table.

Previously, Xiao Tian ordered a chicken salad with lemon tea, while Ye Qingyu requested for salt and pepper seafood with lemon tea.

"I didn't expect that you know a place like this." Ye Qingyu, who was sitting on his right side, said.

"This is the café that I told before." Xiao Tian gave her an honest answer.

"So, it's this café, huh?" in the past, Xiao Tian told her that he came to Couple Café with her big sister. She just didn't expect that he would bring her to the same place. Of course, this made Ye Qingyu happy because, with this, she knew that Xiao Tian tried his best to treat them equally.

"Yes." Xiao Tian nodded his head.

"Wait." Ye Qingyu suddenly remembered about the rules before they could enter the VIP room. "Don't tell me. You kissed big sister passionately before entering the Couple Café?"

"Yes." because Xiao Tian was with his aunt, he decided to tell her the truth. "At that time, she was so wild, you know. She even kissed me back and forgot that the waitress was right next to her. What a pity that I failed to kiss you passionately earlier?"

"As I thought, you are indeed a beast." Ye Qingyu had guessed that Xiao Tian would say something like that because he also tried to kiss her passionately earlier.

"It's the rule, so it's fine." Xiao Tian tried to defend himself.

Hearing his words, Ye Qingyu pinched his cheeks and said, "It's not the rule. The rule is only kissing normally for a few seconds, not kissing passionately."

"Because we didn't kiss passionately earlier. How about we do it right now?" when Xiao Tian said this, he didn't mean it because he only wanted to tease her.

"I don't want to." after saying that, Ye Qingyu turned her head to the other side and giggled.

But to his surprise, when Xiao Tian made her face him, Ye Qingyu didn't try to remove his hands from her face.

While looking at her beautiful dark grey eyes, Xiao Tian slowly tilted his head to the right and brought his face closer toward hers.

When Ye Qingyu saw his face getting closer toward hers, she slowly opened her little mouth as if she was ready to do a passionate kiss with him.

This made Xiao Tian laugh loudly in his head. However, because he wanted to tease her, when the distance between their faces very closer, he didn't kiss her immediately; instead, he only looked at her eyes.

Because Xiao Tian hasn't kissed her even though she was already waiting for several seconds and opening her mouth, she immediately asked, "Are you going to kiss me or not? If you want to kiss me, hurry up and do it."

"Yes. I want to. but..." Xiao Tian threw his head back and rubbed her pretty pink lips. "I only want to kiss you passionately. Are you fine with that?"

Instead of answering him immediately, Ye Qingyu only looked at his face without saying a single word. Because they were alone, she was fine if he wanted to kiss her passionately, but of course, she didn't want to say it.

While still rubbing her lower lips with his right thumb, Xiao Tian inquired, "How is it? Do you want to have a French kiss with your lover?"

From the expression on her face, Xiao Tian knew that she also desired to have a passionate kiss with him, but she decided not to say it. That was why Xiao Tian didn't kiss her and only rubbed her lower lips because he wanted her to tell him what she wanted.

At this moment, Ye Qingyu was wavering whether she should tell him what she wanted or not. Because she was still wavering, Ye Qingyu decided to close her eyes while still opening her mouth, giving him a sign that she wanted a kiss and was ready to do a passionate kiss with him.

And because Xiao Tian still hasn't kissed her even though she had given him a sign that she was ready, she opened her eyes and hit his shoulder, "Bully! Hurry up and kiss me, or else..."

"Or?" Xiao Tian could barely contain his laughter when he saw her cute attitude

Because Xiao Tian kept teasing her, Ye Qingyu was unhappy and pushed him down, making him fall to the couch. Without waiting for another second, she laid on top of him and kissed his lips.

Her action greatly surprised Xiao Tian. He knew that she also wanted to have a French kiss with him, but Xiao Tian just didn't expect that his aunt would push him down before kissing him.

Because they were alone in the VIP room, Ye Qingyu became braver and put her soft pink tongue into Xiao Tian's mouth.

Of course, Xiao Tian welcomed it happily. But this time, Xiao Tian let her dominate the kiss and only wrapped his arms around her waist.

They kissed hungrily for several seconds before finally, Ye Qingyu broke the kiss. However, when she tried to sit, Xiao Tian suddenly embraced her tighter, making her unable to move her body, "Do you want us to stay in this position?"

"Let's stay in this position for five minutes." Xiao Tian answered instantly.

"Alright." Ye Qingyu decided to let him do whatever he wanted.

Then they began to talk about many things, and because they were enjoying themselves, they ended up staying in the same position for about fifteen minutes before finally eating the food.

Of course, when they were consuming the food, Xiao Tian also fed her from mouth to mouth, which always ended up with them having a passionate kiss.

After they finished eating the food, they immediately left and continued their date.

Chapter 249 - Jinlan Lake

7-8 minutes

After they left, Xiao Tian began to think about what place they should visit next. Because what they did earlier was only flirting, kissing and eating, Xiao Tian thought it wasn't enough to make her fall deeper in love with him.

He should bring her to a romantic place, a place that could bring unforgettable memories for both of them.

After thinking for several seconds, Xiao Tian suddenly found a good place for them to visit. "Qingyu, do you want to visit Jinlan Lake?"

"Jinlan Lake?" Ye Qingyu looked at Xiao Tian for about five seconds before finally, nodding her head. "Alright."

Because Ye Qingyu agreed to his idea, Xiao Tian immediately drove toward Jinlan Lake. After driving for several minutes, they finally arrived at their destination.

Jinlan Lake was an artificial lake which was located between Nanli district and Wanhui district. Even though Jinlan Lake wasn't as famous as Shanghai River or Shanghai Aquarium, but many people also often came to Jinlan Lake, especially with their family because Jinlan Lake was a renowned place for riding a swan boat.

The lake was big and had a fountain in the middle of it. There were also trees around the lake with several wooden benches underneath.

And unlike on Shanghai River, on Jinlan Lake, there were many street vendors, so if visitors were hungry or thirsty, they could just buy food or drinks at the street vendors.

Even though Xiao Tian wanted to ride a swan boat with Ye Qingyu, but he wanted to enjoy the scenery around the lake first. That was why he took Ye Qingyu to the wooden bench and sat on it.

"Oh! Many people are riding the swan boat." Ye Qingyu, who was sitting on Xiao Tian's left side, said.

"Do you want to ride a swan boat?" even though Xiao Tian planned to ride it later, but if Ye Qingyu wanted to immediately ride a swan boat, he would follow her wish.

"Let's do that later." like Xiao Tian; Ye Qingyu also wanted to enjoy the scenery around the lake first before riding a swan boat.

"Alright." Xiao Tian replied.

Because Ye Qingyu believed that no one knew them, she held his left hand and placed her head on his shoulders.

Xiao Tian's face broke into a soft smile. He was pleased by her action and immediately squeezed her hands tighter.

They remained in the same position without saying a single word for about two minutes. This matter made Ye Qingyu surprised and looked at him.

When Xiao Tian noticed that his aunt was staring at him, he asked curiously, "What is it, Qingyu?"

"I'm just surprised that you didn't say a word until now. Usually, you immediately try to seduce me with your sweet words." every time they were together, Xiao Tian always tried to seduce her.

There was not a single day when Xiao Tian didn't try to seduce her or take advantage of her. For this reason, Ye Qingyu felt something was strange when Xiao Tian didn't do what he usually did.

"So, you want me to seduce you, huh?" because his aunt said something like that, Xiao Tian decided to seduce her. "Qingyu, you ar-"

But before Xiao Tian had finished his words, Ye Qingyu covered his mouth and said, "Forget it. I don't want to hear your sweet words right now. Hehe."

After removing her hands from his mouth, Xiao Tian said, "Because you don't want to hear it, how about you try to seduce me?"

"Why should I seduce you? It's your job as a ma-" Ye Qingyu stopped her words and cupped his face. Then she looked at him in the eyes and said in a soft loving voice. "Tian, my love. Even though you are very ugly and also a beast, but I still love you, dearly. I know that having an ugly face is hard for you, but please remember this. Even though you are the ugliest man in the world, but my love for you won't diminish in the slightest."

Although her words were sweet but being called ugly a few times made the corner of Xiao Tian lips twitch and was at a loss for words.

"Pfft! Haha." Ye Qingyu couldn't hold back her laughter when she saw the expression on his face.

At this moment, Xiao Tian still didn't say a single word and only looked at her, who was laughing happily. It was the first time someone called him ugly. In his past life, he was a handsome young man, and he also believed that his predecessor's body was in the category of good-looking person.

Ye Qingyu was pleased when she could make his nephew stunned by her words because it had been a long time since she could make him have such an expression. "Why are you still not saying anything? Ah! I Know. You must be so happy that you can't say a word, right? So, how is it? I, your lover, am also talented in saying sweet words, right?"

Of course, Xiao Tian was not angry because he knew that she was joking around. "Yes. As expected of my lover, she can do anything. But your lover is a fine young man, not an ugly person."

"Oh!" Ye Qingyu pretended to be surprised. "But compared to all the men in the world, you are the ugliest, so how can you say that you are a good-looking young man?"

Actually, this was something that Xiao Tian had also hoped for. In the past, his aunt always teased his predecessor, but since he took over his predecessor's body, she never did it anymore. For this reason, Xiao Tian let her tease him as she pleased.

As if Xiao Tian was a person born with an ugly face, Ye Qingyu kissed his forehead and tried to cheer him up. "Don't make a face like that. You should be happy right now because you have a pretty lady like me as a girlfriend. So, you have to treat me better from now on. Do you understand, my ugly boyfriend?"

"Yes. I got it." Xiao Tian spoke and paused for a second. Then he touched his lips and continued, "But can you kiss your ugly lover on the lips too?"

"I don't want to" after saying that, Ye Qingyu turned her head to the other side. However, the smile was still on her pretty face.

Then Xiao Tian made her face him and brought his face closer toward hers because he wanted to kiss her lips as a punishment for teasing him earlier.

Like what she did at Couple Café, when Ye Qingyu saw his face getting closer toward hers, she shut her eyes and was ready to welcome the kiss.

In less than two seconds, Xiao Tian's lips met her pretty soft lips. Xiao Tian didn't immediately stop the kiss and started looking at her shutting eyes.

At this moment, Xiao Tian felt lucky to have a family and lover like Ye Qingyu. Not only was she beautiful, but she always cared about him.

Because Xiao Tian was still kissing her, Ye Qingyu slowly opened her eyes. And like what Xiao Tian did, she didn't stop the kiss and looked into his black eyes. But when Xiao Tian suddenly held her hands and squeezed it, Ye Qingyu slowly closed her eyes again.

Chapter 250 - I Will Forgive You If You Buy Me Ice Cream

6-7 minutes

As if the world belonged to them, Xiao Tian and Ye Qingyu kept kissing without caring whether people around them looked at them or not. It was as if neither one of them wanted to separate their lips from each other.

After kissing her lips for several seconds, Xiao Tian broke the kiss and licked his lips. "As expected of my lover, not only is she gorgeous, but her lips also taste sweet."

When Ye Qingyu saw him licking his lips, she giggled and said, "Hehe. Is this the reason why you always kiss my lips every day?"

"Yes." Xiao Tian nodded before bringing his head toward her right ear and whispered, "It tastes as sweet as your other lips."

Ye Qingyu immediately blushed and hit his chest, "You beast! You are not allowed to say it here."

"Here?" Xiao Tian almost laughed when he heard what she had just said, "So, are you saying I can say vulgar words after we get home?"

Ye Qingyu suddenly realized that she was saying the wrong words. However, because she had said it, she could not take her words back.

"My ugly boyfriend, if you say something like that again, hehe," Ye Qingyu stopped her words and smiled evilly, "I will pinch your waist hardly."

But instead of feeling afraid, Xiao Tian whispered in her right ear again. "But it's the truth. Your other lips also taste deli-"

However, before Xiao Tian had finished his words, Ye Qingyu immediately pinched his waist hardly.

"Hii." Xiao Tian gritted his teeth when he felt pain in his waist.

"My ugly lover, does it hurt?" but instead of stopping, Ye Qingyu pinched his waist harder.

"Hii. Yes. It hurts." even though Xiao Tian could remove her hands from his waist, he didn't do that and only nodded his head.

"Do you want to say something like that again?" Ye Qingyu inquired.

"No." Xiao Tian answered as he shook his head.

"Good!" Ye Qingyu then stopped pinching his waist. When she saw the ice-cream seller, she returned her attention to Xiao Tian. "I will forgive you if you buy me ice cream."

'Ice cream?'

Xiao Tian then looked around.

When he saw the ice-cream seller, he rose from the wooden bench and said, "Wait here."

"Un." Ye Qingyu nodded her head.

After a brief moment, Xiao Tian returned with two ice creams in his hands. However, when he wanted to give one of the ice creams to Ye Qingyu, she took all the ice cream.

"As a punishment, you don't get ice cream." after saying that, Ye Qingyu began to lick the ice cream.

Xiao Tian then sat on the wooden bench and said, "My love, how can you say that? I bought two ice creams, so you should give me one."

"I don't want to. Hehe." suddenly an exciting idea to tease him appeared on her mind. With this idea, she looked at Xiao Tian and began licking the ice cream. "Mm. This ice cream is so delicious."

When Xiao Tian was staring at her licking ice cream with her pink tongue, suddenly a dirty memory appeared in his mind.

He suddenly remembered the tongue, which was licking the ice cream, was the same tongue that licked his cock almost every day.

'Fuck!'

Xiao Tian cursed venomously in his heart. In order to get rid of his dirty thoughts, Xiao Tian stopped looking at her face and shut his eyes.

Ye Qingyu, who had no idea what was on his mind, said, "Tian, look at this ice cream. It's so delicious."

Of course, Xiao Tian didn't do what he was told because he still wanted to get rid of his dirty thoughts.

When Ye Qingyu saw him still closing his eyes, she brought her face closer to his left ear and said, "Ahhh. It's so delicious."

'This lady!'

Xiao Tian slowly opened his eyes. Because Ye Qingyu kept teasing him, Xiao Tian decided to do something to her. With this idea, Xiao Tian slowly brought his face closer toward hers.

His action greatly surprised Ye Qingyu and made her stop moving her body as if she had turned into a statue. At this moment, Ye Qingyu thought that Xiao Tian wanted to kiss her lips again, but she was wrong.

Instead of kissing her lips, Xiao Tian took a bite out of her ice cream. Ye Qingyu immediately came to her senses when Xiao Tian was eating her ice cream. "Tian, you are not allowed to eat the ice cream. It's mine."

"As I thought, the taste of ice cream is sweet." Xiao Tian licked his lips and looked at Ye Qingyu. "But not as sweet as my lover's lips."

"I can't hear you." because Ye Qingyu didn't want Xiao Tian to take a bite of her ice cream again, she turned around and began to lick the ice cream.

Xiao Tian then embraced her from behind and placed his head on her right shoulder. "My pretty girlfriend, can you let me take a bite again?"

"I don't want to." Ye Qingyu did nothing when Xiao Tian hugged her from behind and continued licking the ice cream with a smile on her face.

'Women are still women. no matter what age they are, ice cream, chocolate, and cake are the food they like.'

Because Ye Qingyu didn't want to share the ice cream, Xiao Tian decided to enjoy the warmth of her body. Because Xiao Tian wanted to kiss her neck, he moved her hair to the other side and kissed her neck gently.

His action made Ye Qingyu stop licking the ice cream. But it only lasted for two seconds before finally, she continued eating the ice cream again.

As Xiao Tian's lips were on Ye Qingyu's neck, he slowly closed his eyes and enjoyed the fragrance of her body.

To his surprise, Ye Qingyu suddenly put the ice cream, which was in her right hand, in front of his face and said, "Tian, you can lick it now. But you can't take a bite."

"No. You can keep the ice cream for yourself. I don't want it anymore." Xiao Tian wanted to enjoy the warmth of her body. That was why he immediately refused.

"If you say so. I will eat the ice cream alone." after saying that, Ye Qingyu began to lick the ice cream again.
