

## Illicit 251

### Chapter 251 - Enjoying The View From Above Is Indeed A Good Thing

After Ye Qingyu finished eating the ice cream, she said, "Are you going to keep hugging me?"

"Let me embrace you for another five minutes." Xiao Tian still closed his eyes and of course, his lips never separated from the soft skin of her neck.

"But I've already eaten all the ice cream." even though she had already eaten two ice creams, but Ye Qingyu still wanted to eat more as if there was always a place for ice cream in her stomach.

'Ice cream? Why did you bring ice cream in this conversation? It has nothing to do with ice cream.'

Xiao Tian had no idea as to why his aunt suddenly said something like that, but he didn't want to ask it. For this reason, Xiao Tian kept embracing her from behind and enjoying the warmth of her body.

However, he suddenly understood what she wanted. Then Xiao Tian made her face him and asked, "Qingyu, do you still want to eat ice cream?"

"Un." Ye Qingyu nodded her head.

At this moment, Ye Qingyu thought that Xiao Tian would immediately buy ice cream again. But to her surprise, Xiao Tian kissed her pretty pink lips. And like before, Ye Qingyu did nothing and just enjoyed the sensation of his lips on hers.

After Xiao Tian kissed her for several seconds, he smiled and said, "Your lips have become cold from eating ice cream. Do you still want to eat ice cream again?"

"Will you buy it for me?" Ye Qingyu really liked ice cream, so eating two small ice creams was not enough for her. And because she was with her nephew, or rather, with her lover, Ye Qingyu didn't need to pretend to be an elegant lady or something like that.

"Yes. I will buy again. Just wait here." because his woman wanted to eat ice cream again, of course, Xiao Tian would buy it. Xiao Tian really loved his aunt and would do anything for her, so buying ice cream was a small thing for him.

However, when Xiao Tian rose from the wooden bench and was about to buy ice cream, Ye Qingyu grabbed his hands and said, "I want two ice creams again."

Because the size of the ice cream wasn't big, Ye Qingyu thought that one ice cream wasn't enough for her. That was why she wanted two ice creams again.

Even though Xiao Tian had no idea how she could still eat two more ice creams, but he didn't ask and only smiled. "All right."

After a brief moment, Xiao Tian returned with two ice creams in his hands. Xiao Tian's face broke into a soft smile when he saw the expression on her face.

And like before, Ye Qingyu immediately took all the ice cream in his hands as if it was the last ice cream in the world.

Xiao Tian could not help from smiling when he saw her behavior. Because he wanted to embrace her again, Xiao Tian leaned his back on the arms bench and said, "Qingyu, come here and sit between my legs."

"Do you want to hug me from behind again?" when Xiao Tian said that, Ye Qingyu had guessed that Xiao Tian wanted to embrace her again.

"Yes." Xiao Tian gave her an honest answer.

Ye Qingyu stared at Xiao Tian for about five seconds before finally, she did what she was told. "This ice cream is delicious."

And like before, when Ye Qingyu was eating the ice cream, Xiao Tian embraced her from behind and of course, Xiao Tian kissed her neck gently again.

Seconds turned into minutes and without realizing it, fifteen minutes had passed. In those fifteen minutes, Xiao Tian kept hugging her from behind and closing his eyes. He even almost fell asleep.

After opening his eyes, a soft smile spread across his face when Xiao Tian didn't see the ice cream in her hands anymore, "Have you eaten all the ice cream?"

"Yes." Ye Qingyu had eaten all the ice cream five minutes ago. However, because Xiao Tian didn't say a single word or moved his body in those fifteen minutes, she thought he was sleeping.

"Qingyu, do you want to ride a swan boat now?" because they had been sitting on the wooden bench for several minutes, Xiao Tian thought that it was time to ride a swan boat.

"All right." Ye Qingyu nodded her head.

Then Xiao Tian and Ye Qingyu rode a swan boat. When they were riding a swan boat, they were talking, laughing and holding hands.

Ye Qingyu and Xiao Tian rode a swan boat for about fifteen minutes before finally, they stopped. And like before, they sat on the wooden bench and talked again.

Because Xiao Tian thought that they had been in Jinlan Lake for quite a long time, he took Ye Qingyu to the amusement park.

At the amusement park, they played several games such as ring tosses, pop balloons, basketball tosses and go-karts.

'It's already 06:15 pm. Enjoying the view from above will be a good idea.'

With that on his mind, Xiao Tian looked at Ye Qingyu and said, "Qingyu, Let's take a ride on the giant wheel."

"Good idea!" actually, Ye Qingyu also wanted to enjoy the view from above because she believed that the view would be breathtaking from above.

Xiao Tian's face broke into a smile when he saw the happy expression on her face. Then he held her right hand and headed to the giant wheel.

After queuing for about ten minutes, their turn to board the giant wheel finally arrived. Ye Qingyu and Xiao Tian felt magical when the giant wheel began to spin, lifting them into the sky.

They were able to see all the people and buildings under them. Because it was already evening, the scenery was so beautiful. The twinkling lights below them and the shining stars above them added to the beauty of the night.

"The view is so beautiful." Ye Qingyu, who was sitting on Xiao Tian's right side, was stunned when she saw the beautiful scenery in front of her.

At this moment, they were still holding hands. Ever since they were at the amusement park, they never stopped holding hands.

"Enjoying the view from above is indeed a good thing." being able to see the beautiful scenery with the person he loved dearly made Xiao Tian very happy. He was so happy until he could not describe it in words.

But of course, what made him happiest was that he could see the happy smile on the face of the person he loved the most.

Actually, Xiao Tian wanted to take a picture so he could recall all the good memories in the future. But due to lack of light, Xiao Tian thought that the result would not be good.

Even though he could set the camera on the night mode, but Xiao Tian's smartphone camera resolution wasn't of high quality, so he knew that there was no point in taking a photo in a place that had very little light.

When they were at the top, the giant wheel suddenly stopped spinning.

Oh! What a perfect spot to stop spinning. Xiao Tian thought to himself.

## **Chapter 252 - In The Future, I Will Be The Wealthiest Person In China And Sit On My Throne With Beautiful Women In My Arms**

6-7 minutes

---

Xiao Tian didn't expect that the giant wheel would stop when they were at the top. Of course, he was happy by this because with the giant wheel stopped spinning, they could enjoy the view more than before.

When Xiao Tian was looking at the beautiful scenery in front of him, Ye Qingyu suddenly leaned her head on his shoulders.

After several seconds resting her head on his shoulders, Ye Qingyu squeezed his hands tighter and lifted her head to look at Xiao Tian.

When Xiao Tian noticed that his aunt was staring at him, he immediately asked, "Is there something on my face?"

"Thank yo-" Ye Qingyu stopped her words before changing it. "Sometimes, I wonder how I can fall in love with an ugly person like you? With my beauty, I can date the most handsome man in China or the richest person."

Xiao Tian didn't expect that his aunt would call him ugly again. She even said she could date the most handsome man in the whole China or the wealthiest man.

Xiao Tian knew with her beauty; she could date any man she wanted. He just didn't expect that she would say something like that to her lover. "You will love me deeper and deeper every day. And in the future, I will be the most handsome and wealthiest person in China, so you should not try to date other men because your soul mate is already beside you."

Ye Qingyu stopped leaning her head on his shoulders and pinched his nose, "I wonder how you can say something like that so easily. Hehe."

"Because it's the truth." Xiao Tian answered instantly.

"Oh! Really?" even though Ye Qingyu believed that her nephew could become a rich person, but to become the wealthiest person was something almost impossible for him. At least that's what she thought.

Ye Qingyu knew that Xiao Tian was genius in business, but she had seen many geniuses in her life, and none of them managed to become the richest man in the whole China.

"My beautiful lover, you can make fun of me now. But you will know that what I said before will happen in the future." even though it was hard to become the wealthiest person in the whole China, but Xiao Tian was sure that he could do that.

'Aunt, I will prove to you that I can do that. In the future, I will be the wealthiest person in China and sit on my throne with beautiful women in my arms.'

With his knowledge from his previous life, his path to becoming the richest man in China has already opened for him.

"It seems like your mouth is not only good at saying sweet words but also smart at sayi-" Ye Qingyu stopped her words when she noticed Xiao Tian looking at her intently. "Why are you looking at me like that?"

Xiao Tian cupped her face and said, "I just didn't expect that I will have a beautiful and kind girlfriend like you."

"What a glib tongue." even though Ye Qingyu said that, but in her heart, she was pleased when Xiao Tian praised her like that.

Then Xiao Tian looked at her lovingly and said in a soft loving voice, "I love you, Qingyu."

After seeing his loving face and hearing his gently loving voice, Ye Qingyu suddenly felt as if she was being hypnotized by him. His loving face and soft voice made her stunned and looked at him in the eyes.

Xiao Tian also looked at her eyes before finally, his sight fell on her cherry lips. The longer Xiao Tian stared at her lips, the bigger his desire to kiss it. For this reason, Xiao Tian slowly brought his face closer toward hers.

Ye Qingyu did nothing and was still looking at his black eyes. However, when she felt his lips on hers, she slowly closed her eyes.

They kissed for several seconds before finally, Xiao Tian broke the kiss and made her sit on his lap. At this moment, Xiao Tian could still feel the softness of her lips on his as if he was still kissing her.

Ye Qingyu immediately wrapped her long slender arms around her nephew's neck and whispered in his right ear, "I love you too, Tian."

After Ye Qingyu said that, the giant wheel began to spin again. This made Xiao Tian a little disappointed because he still wanted to enjoy the view from above with the person he loved so much.

Xiao Tian knew that they could take a ride again, but he decided not to do that because the atmosphere would be different.

"So what do we do next?" Ye Qingyu inquired.

"How about we play all the games here?" because Xiao Tian still wanted to spend time alone with his aunt, he decided to play a game that they had not tried before.

"All the games?" Ye Qingyu said in surprise.

"I'm kidding, you know. Hehe." Xiao Tian pinched her nose and smiled. "Let's play a game that we haven't tried before."

"All right." Ye Qingyu nodded her head.

Then Xiao Tian held her hands and started looking for an exciting game. Xiao Tian and Ye Qingyu played the game for about two hours before finally, they decided to return home.

Because Xiao Tian wanted to make his mother happy, he bought a cake before going home. After several minutes of driving, they finally arrived home.

"Mother, I am home." Xiao Tian said when he was in the living room.

And like what she usually did, after hearing her son's words, Ye Xueyin ran toward him, and when she was in front of him, she jumped into his arms. "Welcome home, Tian."

"I'm home, big sister." Ye Qingyu said.

"Welcome home, Qingyu." when Ye Xueyin realized that Ye Qingyu was carrying a cake, her eyes shone brightly. "Are we going to eat cake again?"

"Yes." Xiao Tian was pleased that his mother behaved normally. Earlier, he thought that his mother would immediately interrogate him. but it seemed that he was overthinking. "Let's eat the cake together."

"All right." Ye Xueyin nodded happily.

## Chapter 253 - This Cake Is So Tasty

6-7 minutes

---

"This cake is so tasty." Ye Xueyin was eating the cake with a smile on her face.

Currently, Xiao Tian was feeding his mother a cake. Because earlier he went on a date with his aunt, Xiao Tian needed to spoil his mother so that she didn't feel treated differently by him.

At this moment, Xiao Tian was sitting between his mother and aunt; his mother was on his right side while his aunt was on the other side.

"Aunt, eat again." of course, Xiao Tian fed his aunt too because he wanted to treat them equally.

Like her big sister, Ye Qingyu, who loved the cake, immediately opened her little mouth when Xiao Tian wanted to feed her.

After they finished eating the cake, Xiao Tian, his aunt, and mother watched TV until 11:00 pm before finally, they decided to head toward his room.

As soon as they laid down on the bed, Ye Xueyin placed her head on her son's chest and looked at Ye Qingyu, "Qingyu, it's your big sister's turn tonight, so you can only hug his arms."

Ye Qingyu embraced her nephew's right arm and replied, "Yes."

Ye Qingyu didn't want to be selfish and let her big sister do whatever she wanted because earlier, she had spent time alone with her nephew.

"Tian, let's kiss passionately before sleeping." because her son left her alone at home earlier, Ye Xueyin wanted a kiss in exchange.

Xiao Tian didn't expect that his mother would say something like that to him. Even though they kissed passionately every day, but in his view, his mother was getting bolder and bolder.

She always said whatever she wanted. Of course, Xiao Tian didn't hate it; instead, he loved it because with that, he was able to tell what his mother wanted.

Before Xiao Tian could answer it, Ye Xueyin kissed his lips. And as if she didn't want to waste time, when their lips met, Ye Xueyin immediately tried to put her tongue in his mouth.

Of course, Xiao Tian opened his mouth to give her tongue a way to enter his mouth, because even though they kissed hungrily every single day, but Xiao Tian loved kissing his mother, or more precisely, he loved kissing a lady.

As his mother was busying herself with kissing him hungrily, Xiao Tian began squeezing her soft ass before finally he raised her short skirt to the waist.

At first, Xiao Tian only played with her ass through her panties, but the longer he squeezed her soft buttocks, the bigger his desire to play with her bare butt. For this reason, Xiao Tian grabbed her panties and pulled it down.

When Ye Xueyin realized what her son was doing, she stopped the kiss and giggled, "Hehe. Tian, do you want to play with your mother's buttocks so badly? You even pull down your mother's panties to her thighs."

Because his mother wanted to tease him, Xiao Tian decided to give her a punishment. While his right hand was still squeezing her left buttock, Xiao Tian rubbed her ass hole with his left middle finger.

Earlier, Ye Xueyin wanted to kiss her son again, but when he played with her butt and ass hole at the same time, she could not do that and began to moan. "Ahhh.."

Ye Qingyu, on the flip side, did nothing and only looked at what they were doing. Even though she was used to seeing things like that, but when she looked at what they were doing, a flame of lust began to spread within her body.

"Ahh..." Ye Xueyin cried out seductively when she felt one of her son's fingers entering her ass hole.

'Damn! In my past life, I'm not this kind of person, but the longer I spend time with my women, the easier my wild side takes over my body.'

Xiao Tian had no idea as to why he often lost control whenever he was with his girlfriends, especially when he was with Shi Fei and his mother.

After seeing the expression on her big sister's face and hearing her big sister's moans, Ye Qingyu embraced her nephew's right arms tighter.

Her action made Xiao Tian turn his head toward his aunt. And when he saw her blushing, Xiao Tian knew that the flame of lust began spreading within her body.

'Do I have to have sex with them again?'

Actually, Xiao Tian didn't intend to have sex with them because they had wild sex in the morning, but when he saw the expression on their faces, the flame of lust grew bigger in his body.

And not only that, after hearing his mother's moan, his mighty little brother began to wake up from his slumber.

Ye Xueyin, who was repeatedly moaning, suddenly felt something hard on her stomach. "Tian, your cock is already erect. Do you want to have sex with mother again?"

But instead of answering, Xiao Tian asked her, "Do you want to do it again?"

Even though they already had sex in the morning, but if his mother wanted to have sex with him again, Xiao Tian would accept it gladly.

"Mother wants to have sex with you right now." the flame of lust had already burned within her body, so Ye Xueyin really wanted to have sex with her son because she would not be able to sleep with the burning passion in her body.

"Let's do it." Xiao Tian answered as he nodded his head.

Then Ye Xueyin began crawling into his lower body. Without waiting for another second, she took off his shorts and began to lick his erect cock.

As his mother was giving him a blowjob, Xiao Tian looked at his aunt and said, "Aunt, let's have a French kiss."

Ye Qingyu didn't answer him and only looked at his face for about five seconds before finally, she brought her face closer toward his face.

While his mother was licking and sucking his cock, Xiao Tian began kissing his aunt passionately.

Because her son's cock was standing mighty and her pussy was already wet from her love juices, Ye Xueyin took off her underwear and positioned his cock in her vagina entrance.

"Ahhhh..." Ye Xueyin cried out when her son's cock entered her pussy slowly.

At that night, they had wild sex again before finally, they slept.

### **Chapter 254 - What Do You Want In Return?**

7-9 minutes

---

The following morning, after Xiao Tian had breakfast with his mother and aunt, he went straight to the campus. Today, he planned to work in his company because he only had morning classes.

As soon as Xiao Tian finished his morning classes, he travelled to his company. When he was in front of Shi Fei's office, Xiao Tian heard Lin Xing Xue and Shi Fei talking to people.

'Are they the models for the promotion later?'

Xiao Tian stopped his footsteps in front of Shi Fei's office for several seconds before finally, he headed toward his office again.

Because Xiao Tian didn't want to waste time, he began to work after he entered his office. However, after he worked for about twenty minutes, someone suddenly knocked on the door.

"Come in." because Xiao Tian thought the person who knocked on the door was Shi Fei or Lin Xing Xue, he answered while still reading a document.

After Xiao Tian gave permission, Shi Fei, Lin Xing Xue and four other people entered his office.

"Sir, I have found a suitable model for our live promotion later." Shi Fei said when she was in front of Xiao Tian.

'Sir?'

Because Xiao Tian was reading the document, he didn't know that Shi Fei and Lin Xing Xue entered his office with the models.

When Xiao Tian saw that there were four people behind Shi Fei and Lin Xing Xue, Xiao Tian praised Shi Fei for her excellent work.

"Welcome to Start Clothes." Xiao Tian rose from his seat and walked toward the couch. "Please have a seat."

'Wow! He looks more handsome and younger than in the magazine.'

Those were the words that appeared in the minds of female models when they saw Xiao Tian.

'He is so young and has become a successful person. I hope I can become a successful person like him in the future.'

The male model was amazed at Xiao Tian because of his success at a young age. And what made them even more astonished was Xiao Tian was younger than them.

"Thank you, Sir." the models answered in unison before they sat on the opposite side of Xiao Tian.

After sitting on the couch, the models began introducing themselves.

"Hello Sir, my name is Ho Ming." a handsome young man around twenty-three years old introduced himself to Xiao Tian.

"Hello Sir, my name is Lu Dong." a good-looking young man around twenty-two years old said.

"Hello Sir, my name is Ming Sha." an attractive young lady around twenty-four years old introduced herself to Xiao Tian.

"Hello Sir, my name is Yao Yi." a gorgeous lady around twenty-one years old said.

After the models introduced themselves, Xiao Tian smiled and said, "Hello, my name is Xiao Tian."

"Sir, lady Yao Yi and Mr Lu Dong are the models we used for TV commercials before." Lin Xing Xue, who was sitting on Xiao Tian's right side, said.

"Lady You Yi and Mr Lu Dong, both of you have done a good job before. The ad is a huge success because you two did a good job." when Xiao Tian read the sales report, he was pleased because after their advertisement appeared on TV, the company managed to sell several hundred clothes every day.

"Thank you, Sir." Yao Yi and Mu Dong answered in unison.

Yao Yi and Mu Dong were pleased when Shi Fei informed them that Xiao Tian's company wanted to use them as a model for promotion again.

Because the models had introduced themselves, Xiao Tian began to explain what they had to do later.

"In the live promotion later, all you have to do is just pose while we explain the excess of the clothes you wear. After that, you all change into other clothes and return to the stage so that we can explain the excess of the clothes again. But please remember this, you all must pose based on the theme of the clothes you wear later."

"We will keep that in mind, Sir." the models answered in unison.

"Good!" Xiao Tian nodded his head before looking at Lin Xing Xue, "Lady Lin, have you explained about the clothes we want to promote to them?"

"I have, Sir." earlier Lin Xing Xue and Shi Fei explained everything to the models before coming to the Xiao Tian's office because they wanted the models to know about the clothes they were going to wear during the live promotion later.

"Good!" because Lin Xing Xue said that, Xiao Tian didn't need to explain about the clothes anymore.

Then they began to talk about what they would do later. And after talking for about two hours, the models left.

When Shi Fei was about to return to her office, Xiao Tian suddenly said, "Fei, I want to discuss something with you."

Because Xiao Tian only wanted to talk to Shi Fei, Lin Xing Xue immediately headed to her office.

After Shi Fei sat on his right side, she immediately asked, "Do you need anything, little brother?"

Then Xiao Tian took the book from his workbench and sat on the couch again. "Take a look at these clothing designs. Which one do you like the most?"

In the book, there were seven beautiful clothing designs. Six clothing designs for adults and one for children. Until now, those clothing designs were the most beautiful.

Shi Fei then began looking at the clothing designs carefully. Because all the designs were beautiful, it was hard for her to choose the clothing designs she liked the most.

"This one." it took Shi Fei a minute just to pick the clothing design that she liked the most.

"All right. It will be yours later." Xiao Tian answered immediately.

"Eh!" Shi Fei was surprised after hearing his words. "Little brother, don't tell me.."

Even though Shi Fei didn't finish her words, Xiao Tian understood what she wanted to say to him. "Yes. Those are designs for limited clothing. I want you to tell the tailors to only make one outfit for each of the clothing designs."

Shi Fei could not help but smile happily after hearing his words. She didn't expect that Xiao Tian would give her the chance to choose clothes first. With this, Shi Fei was convinced that her position in his heart had vastly improved.

This made Shi Fei's mood brighter. "Thank you, little brother."

"Yes." Xiao Tian smiled as he nodded his head.

"What do you want in return?" Shi Fei inquired.

"I don't need anyth-" Xiao Tian stopped his words when he thought it was a perfect time to tease her. Then he brought his face closer to her ears. "I want to fill all three of your holes with my sperm."

"Good idea. When will you do that?" because Shi Fei loved having sex with Xiao Tian, she immediately agreed.

Even though Xiao Tian had guessed that she would say something like that, he just didn't expect that she would immediately ask when they would have sex.

Xiao Tian suddenly realized that it was hard to tease Shi Fei because she would do whatever he wanted. "I'm just joking, Fei."

"But, I'm not joking, you know. You can fill all three of my holes whenever and wherever you want." Shi Fei answered.

"Let's talk about this next time. Give those clothing designs to the tailor and ask them to finish it as soon as possible." even though Xiao Tian also wanted to lovey-dovey with Shi Fei, but because he has a lot of work, he decided to do it next time.

"All right." Shi Fei kissed his cheeks before walking out of his office.

### **Chapter 255 - I'm Fucked Up Now**

7-9 minutes

---

After Shi Fei left, Xiao Tian began to work again. Time went by quickly, and without realizing it, it was already 06:00 pm.

'It's time to go home.'

Xiao Tian rose from his seat and walked out of his office. Because Lin Xing Xue and Shi Fei had returned home, Xiao Tian went straight to the parking lot before finally going home.

-----  
When Xiao Tian stepped into the living room, he smiled and said, "Mother, aunt, I'm home."

But to his surprise, his mother and aunt were not in the living room.

'Where are they?'

Then Xiao Tian checked into their room, but they weren't in their room.

'Did they go somewhere?'

Because his mother and aunt weren't at home, Xiao Tian immediately headed to the bathroom to take a shower.

After bathing, Xiao Tian went to his room and laid down on the bed.

'Ah! I really don't like being alone at home. It's boring.'

Because he was alone at home, Xiao Tian decided to meet Lin Xing Xue. For this reason, he traveled toward her house.

After Xiao Tian reached her home, he immediately knocked on the door.

Knock...Knock...Knock....

Not long after Xiao Tian knocked on the door, someone opened the door. Xiao Tian's face broke into a smile when he saw his beautiful lover. "Little Xue, I've come to see you."

"Xiao Tian, why did you come to my house?" a voice suddenly rang out.

'Eh!'

When Xiao Tian heard Feng Yu's voice, he lowered his sight.

'Ah, shit! Since when did she live with her mother? Sigh! From today onwards, it will be difficult to spend time alone with little Xue.'

Xiao Tian could not help but curse venomously in his heart when he saw Feng Yu on her mother's right side. Then he looked at Lin Xing Xue in the eyes as if he was asking why she didn't tell him that she lived with her daughter now.

Because if Xiao Tian knew about it, he would buy something before going to her home. Now that he came empty-handed, he had no idea how to win Feng Yu's heart.

At this moment, Lin Xing Xue didn't say a single word and only looked at Xiao Tian. She wanted to know what he would do when he knew that her daughter was in front of him.

"Good evening, little Yu. You are so beaut-" Xiao Tian stopped his words and corrected it. "How is your school today?"

'My words are very stiff. From the book, I must always bring something whenever I visit their home. Not only did I come empty-handed, but I also don't know what to do now. Ahhh. I'm fucked up now!'

This was something that he didn't expect would happen so quickly. Coupled with Feng Yu, who didn't like the relationship between him and her mother, made Xiao Tian even more helpless.

'Ahh! This is driving me crazy!'

But of course, Xiao Tian did not give up and immediately thought of ways to make Feng Yu let him into her house. Otherwise, he wouldn't be able to spend time with Lin Xing Xue.

"Little Yu, do you want to buy chocolate with me right now?" because Feng Yu loved chocolate, Xiao Tian decided to use it as a way to get him to be allowed into her house later. "I heard there is a shop that sells various types of chocolate. How about we go there and buy lots of chocolate?"

"I don't want chocolate right now." Feng Yu answered instantly. "Now tell me, why did you come to our house? Do you think I will let you seduce my mother again?"

"How about I give you money so that you can buy whatever you want?" then Xiao Tian took 100 Yuan from his wallet and gave it to Feng Yu. "Here, take it. You can buy anything you want with this money. If it's not enough, you can ask me again later."

"I don't need your money." like before Feng Yu gave him a short answer.

Lin Xing Xue, who saw what Xiao Tian was doing, almost laughed. She didn't expect that Xiao Tian really didn't know a way to win her daughter's heart.

He really doesn't know how to win the heart of children. Lin Xing Xue thought to herself.

Because all his efforts were in vain, Xiao Tian looked at Lin Xing Xue, hoping that she would help him. Otherwise, Feng Yu would kick him out of their house later.

Even though Xiao Tian only looked at her, Lin Xing Xue knew what he wanted. "Yu'er, you shouldn't behave like this. I've never taught you to be a rude person like this in the past."

"But mother.." before Feng Yu had finished her words, she was interrupted by her mother.

"No, but!" Lin Xing Xue knew that her daughter disliked Xiao Tian, but because she was in love with him, Lin Xing Xue had to help him win her daughter's heart. "You must be kind to others. If you continue to behave like this, everyone will hate you later."

"But.." Feng Yu didn't continue her words when she saw the expression on her mother's face. "All right."

Lin Xing Xue then returned her attention to Xiao Tian and said, "Tian, come in."

Xiao Tian was pleased when he could enter their house because he thought Feng Yu would kick him out of their home earlier.

Because everything has become like this, I need to learn how to win the heart of children seriously. Xiao Tian thought to himself.

After they stepped into the living room, they immediately sat on the couch. And as if she didn't want to let Xiao Tian seduce her mother, Feng Yu decided to sit between Xiao Tian and her mother. "Don't think that I will let you seduce my mother."

The corner of Xiao Tian's lips twitched after hearing her words. He didn't expect that Feng Yu really disliked him, but he could do nothing, so he just talked with them.

Xiao Tian tried to have a friendly talk with Feng Yu, but she always gave him a short answer, and sometimes she ignored him.

However, Xiao Tian didn't give up and kept trying to win her heart. Time went by quickly, and it was already 10:10 pm.

"Xiao Tian, when will you go home?" because she was already sleepy, Feng Yu wanted Xiao Tian to go home immediately. Otherwise, Xiao Tian would seduce her mother if she let her mother alone with him.

"But I still want to spend time with you and your mother." of course, Xiao Tian didn't want to go home because he still couldn't spend time alone with Lin Xing Xue.

"You should go home now because it's already 10:10 pm." Feng Yu still tried her best to make Xiao Tian go home because she was sleepy.

"It's fine because we are adults. Little Yu, if you are sleepy, you should go to sleep." Xiao Tian was pleased when he knew that Feng Yu was sleepy because, with this, he could spend time alone with Lin Xing Xue later.

Because Feng Yu didn't want to let Xiao Tian alone with her mother, she tried her best to stay awake. However, it only lasted for about ten minutes before finally, she fell asleep.

After Lin Xing Xue placed her daughter in her room, she immediately returned to the living room.

"Kya." Lin Xing Xue was a little surprised because when she was about to sit on the couch, Xiao Tian suddenly pulled her toward him, making her fall into his body.

Xiao Tian made her sat on his lap and said, "Now that we are alone, I want to lovey-dovey with my lover."

"Bad boy!" Lin Xing Xue pinched his nose.

### **Chapter 256 - Are You Behaving Like This Because I Didn't Kiss You Today?**

5-7 minutes

---

Of course, Lin Xing Xue let him do whatever he wanted because, actually, she also wanted to spend time alone with him. "Sorry. I forgot to tell you that I live with my daughter now."

"It's fine." Xiao Tian knew that sooner or later, he would face something like that. That was why Xiao Tian didn't mind it. "Since when did you live with your daughter?"

"Yesterday." after her daughter gave information about the location of Feng Ao's home, she immediately traveled toward his house because she knew that her daughter was lonely at his home.

Lin Xing Xue felt lucky that she gave her phone number to her daughter the last time they met; otherwise, she wouldn't be able to live with her daughter this fast.

At this moment, Xiao Tian was happy and sad at the same time. He was pleased because, with this, Lin Xing Xue was able to live with her daughter again, but what made him sad was that it would be challenging to spend time alone with her from today onwards.

Luckily Lin Xing Xue worked for him full time now; otherwise, he didn't know how to spend time with her anymore because even though he wanted to lovey-dovey with Lin Xing Xue every day, Xiao Tian didn't want to make Feng Yu sad.

When Lin Xing Xue saw the expression on Xiao Tian's face, she knew that he was sad. "Don't worry. If you want to lovey-dovey with me in the future, we can do that after Yu'er sleeps or when she is not at home."

"I'm fine. As long as I can see you, that is enough for me." even though Xiao Tian said something like that, but in his heart, he wanted to be able to spend time alone with her whenever he wanted.

When Lin Xing Xue wanted to say something to him, suddenly an exciting idea to tease him appeared on her mind. "Really? If so, then I will bring my daughter whenever we meet. With that, you will not be able to hug me, hold my hands, or kiss me. Are you really okay with that?"

"To be honest, I can't do that. Earlier, I felt like I was dying when I couldn't hug you or hold your hands. So, if I can't kiss you too in the future, I think my heart won't be able to bear it." Xiao Tian was used to kissing, hugging, and holding her hands, so he was sad when he couldn't do anything earlier. But he knew he could do nothing about it because if he made Feng Yu sad, Lin Xing Xue would be sad too. "So, who will take care of little Yu when you work?"

"No one. I plan to hire a nanny to work from 08:00 am – 06:00 pm, so when I work, someone will take care of her." even though Feng Yu was mature for her age, but she was still a child. That was why Lin Xing Xue wanted to hire a nanny because she was afraid something would happen to her daughter if her daughter was alone at home.

"That's a good idea." Xiao Tian agreed with Lin Xing Xue's idea because it was dangerous to leave a child alone at home.

After that, Lin Xing Xue wrapped her arms around his neck and placed her head on his shoulders while Xiao Tian locked his arms around her waist. They remained in the same position without saying a word for about two minutes as if they could commute through their bodies.

However, Lin Xing Xue suddenly moved around and sat facing him. Then she cupped his face and looked into his black eyes.

Lin Xing Xue didn't know why she suddenly wanted to kiss him so much. The longer she saw his handsome face and beautiful black eyes, the more she desired to kiss him.

For this reason, Lin Xing Xue planted a soft kiss on his forehead for several seconds. But she didn't stop there, because after kissing his forehead, Lin Xing Xue kissed his right eyes before finally, making her way down to his lips.

Even though Xiao Tian had no idea why Lin Xing Xue suddenly became a little wild like that, but Xiao Tian did nothing and let her do whatever she wanted.

And after Lin Xing Xue stopped the kiss, Xiao Tian decided to tease her. "What is this, little Xue? Are you behaving like this because I didn't kiss you today?"

Lin Xing Xue ignored it because she herself didn't know why she suddenly wanted to kiss him so much. And because she wanted to make Xiao Tian stop teasing her, Lin Xing Xue kissed his lips again.

From her point of view, kissing him was the best way to stop him from teasing her because with that, she was able to seal his mouth with hers.

And like before, Xiao Tian did nothing and let her dominate the kiss. Usually, he was the one who always kissed her, so being kissed by her was something he was waiting for too.

To his surprise, Lin Xing Xue immediately kissed the right side of his neck after she kissed his lips. It was as if she wanted to kiss every part of his body.

This made Xiao Tian's wild side slowly appear and take over his body. Actually, Xiao Tian didn't want to do anything to her because her daughter was at home, but because she behaved wildly, Xiao Tian decided to squeeze her soft breasts.

Lin Xing Xue stopped kissing him and looked at him. "Tian, we can't have sex today because I'm afraid that I will wake Yu'er later."

"I know. I just want to squeeze your breasts. I won't go further than that." even though Xiao Tian was disappointed, but he understood her feeling. And not only that, but he also believed that if Feng Yu caught him having sex with her mother, she would be even more disliking him.

"But don't worry. I will help you in another way." after saying that, Lin Xing Xue knelt between his legs. And without waiting for another second, she began unzipping his trousers.

### **Chapter 257 - Tian, Let's Have A French Kiss**

6-8 minutes

---

After Lin Xing Xue gave him a blowjob for several minutes, Xiao Tian finally reached his limit. "I'm cumming.."

Lin Xing Xue pulled Xiao Tian's cock out of her mouth when she felt that he had let out all of his sperm in her mouth.

As if Lin Xing Xue wanted to make the flame of lust within Xiao Tian's body grow bigger, she looked into his black eyes before finally drinking his sperm.

Gulp....

Instead of going soft, Xiao Tians' cock was getting harder after seeing her expression when she was drinking his sperm.

Lin Xing Xue, who noticed Xiao Tian's cock throbbing hard, looked at him again. Even though she had guessed that making him cum once was not enough, Lin Xing Xue just didn't expect that his cock to be harder than before.

For this reason, she had no choice but to satisfy his needs again. But this time, instead of giving him a blowjob, Lin Xing Xue gave him a Titjob. And even though she was not very good at doing a Titjob, she could make Xiao Tian had another orgasm within minutes.

This time, when Lin Xing Xue wanted to give him a blowjob again, Xiao Tian told her to stop. For this reason, Lin Xing Xue put his cock back in his trousers.

After that, Lin Xing Xue placed her head on his lap and looked at Xiao Tian. "Tian, are you satisfied now?"

"No." Xiao Tian gave her an honest answer. "What about you, little Xue? Are you aroused?"

Of course, Xiao Tian was not satisfied because he only got a Titjob and blowjob from her. Coupled with him seeing her lustful expression when she was giving him a blowjob or Titjob, made Xiao Tian desire to have sex with her even more.

However, Xiao Tian knew that he couldn't do that, so he tried his best to hold back. If he still felt aroused, Xiao Tian would have sex with his mother or aunt at home later.

At this time, Lin Xing Xue didn't answer him. It was true that she felt aroused, especially when she was giving him a blowjob and Titjob.

Even now, Lin Xing Xue could feel that her pussy was still wet. Actually, she also wanted to have sex with Xiao Tian, but the feeling of fear of waking up her daughter was too big, so that made Lin Xing Xue decide to hold back.

Ever since Lin Xing Xue had sex with Xiao Tian, she often wanted to do it again because the feeling of pleasure that she felt when having sex with him was too great that made her couldn't describe it in words. That was why she gave him a blowjob earlier because she wanted to taste his cock again.

Even though Xiao Tian knew that she was aroused, but because he wanted to tease her, Xiao Tian asked the same question, "Are you feeling aroused right now?"

And like before, Lin Xing Xue didn't answer him. She only looked at him for about six seconds before finally, she wrapped her long slender arms around his waist and placed her head on his stomach to hide her shyness.

Xiao Tian couldn't help but laugh when he saw her cute behavior. Actually, Xiao Tian had guessed that she would do something like that because she was a shy person, even though sometimes she was also a wild lady.

Then Xiao Tian stroked her hair gently and said, "Why are you ignoring my question, little Xue? Don't tell me you are still feeling aroused?"

"Bully!" Lin Xing Xue hit his chest with her right hand before looking at him again. "Tian, stop bullying your lover."

"But my girlfriend is so cute when she was being bullied by me, so how could I not bully her?" Xiao Tian really loved it when he saw her cute behavior.

At a time like this, Lin Xing Xue really had the same behavior as his aunt. Both of them were always shy to tell the truth, especially when it was a topic related to sex, even though they never refused when Xiao Tian wanted to lovey-dovey or have sex with them.

While Shi Fei and his mother had a lot in common when it was a topic related to sex, both of them always said what they wanted without the slightest shame.

Lin Xing Xue pinched his waist and said, "If you don't stop teasing me, I will kiss you passionately now."

"Please, don't do that." Xiao Tian had cummed in her mouth more than once, so he believed that her mouth tasted like his cum right now.

Kissing passionately with her would mean the same as tasting his own sperm. That was why Xiao Tian told her not to kiss him.

"Hehe." Lin Xing Xue giggled happily when he saw the expression on his face. "Tian, let's have a French kiss. I suddenly want to kiss you passionately."

So, because you know that I will not kiss you passionately, you want to tease me, huh? Xiao Tian thought to himself.

"Fine." Xiao Tian spoke and paused for a second before he continued, "But you have to brush your teeth and use mouthwash first. After that, we can have a French kiss as much as you want."

"I don't want to. I want it now." of course, Lin Xing Xue didn't want to do that because if she did what she was told, the taste of his sperm in her little mouth would disappear, and it would make her unable to tease him anymore.

"If so, then the answer is a big no." Xiao Tian said as he made X hands sign.

Because Lin Xing Xue still wanted to tease him, she immediately said, "Tian, your lover wants to have a passionate kiss with you. Why did you refuse her wish? Do you not love her anymore?"

Xiao Tian didn't expect that Lin Xing Xue still wanted to tease her. Then suddenly an exciting idea appeared on his mind. "Fine, you can kiss me passionately, but after that, I want to have sex with you here. And I won't stop until I satisfied. How is it? Do you still want to have a French kiss with me?"

"Forget it." because Xiao Tian wanted her to have sex with him in return, Lin Xing Xue decided to stop teasing him because she knew if they had sex, she would not be able to hold back her moans.

Lin Xing Xue didn't want to wake her daughter with her moans, especially the moans that came out of her mouth when she was having sex with him. Lin Xing Xue was sure that her daughter would dislike him even more if her daughter knew that she had sex with Xiao Tian because her daughter still hasn't accepted her relationship with Xiao Tian.

Not only did Feng Yu dislike Xiao Tian more, but Feng Yu would be angry with her too. For this reason, Lin Xing Xue stopped teasing Xiao Tian.

When Xiao Tian knew that Lin Xing Xue refused his idea, he started to smirk. "Eh! Why? Didn't you say that you want to have a French kiss with me?"

"Not anymore." Lin Xing Xue answered before hiding her face in his stomach again.

"Hehe." Xiao Tian laughed happily.

After that, they talked for several minutes before finally, Xiao Tian returned home.

## **Chapter 258 - You Are Indeed The Best, Tian**

6-7 minutes

---

Because it was already midnight, when Xiao Tian arrived home, he quietly locked the door before finally, heading toward his room because he guessed that his mother and aunt were sleeping.

To his surprise, when Xiao Tian stepped into his room, he saw his mother and aunt sleeping on his bed. Xiao Tian's face broke into a smile when he saw his mother and aunt.

Then Xiao Tian changed his clothes before finally, crawling into bed. And as if his mother and aunt had prepared a place for him to sleep, he saw a space between his mother and aunt. Without waiting for another second, Xiao Tian laid down between his mother and aunt.

When Ye Xueyin felt that someone was lying down next to her, she opened her eyes and said, "Tian, you have returned home?"

"Yes." Xiao Tian didn't expect that his mother suddenly woke up when he laid down on the bed.

And as if Ye Xueyin wanted to feel the warmth of her son's body, she immediately laid on top of his body and closed her eyes again. "Good night, Tian."

Xiao Tian wrapped his arms around his mother's waist and said, "Good night, mother."

To his surprised, his aunt, who was sleeping on his right side, suddenly grabbed his right arm and hugged it tightly, "Good night, Tian."

Her action greatly surprised him. Xiao Tian didn't expect that his aunt woke up too when he laid down on the bed. Then Xiao Tian kissed his aunt's forehead and said, "Good night, aunt."

Then they slept.

-----

The following morning, Xiao Tian went straight to his company after having breakfast with his mother and aunt.

Because there was a lot of work, Xiao Tian immediately worked after he was in his office. Not long after that, Lin Xing Xue and Shi Fei entered his office.

They told him that tomorrow was the day of the live promotion. This made Xiao Tian pleased because the faster they promoted their clothing designs, the sooner they would get a lot of profit.

Xiao Tian also planned to open a few more stores after promoting their clothing designs because he thought it would be the right time to do that.

And as usual, when the work time was over, Xiao Tian drove Lin Xing Xue and Shi Fei home. But this time, Xiao Tian spent two hours in Shi Fei's apartment before finally, going home.

-----

"Mother, aunt, I'm home." Xiao Tian said when he stepped into the living room.

'Eh! Did they go somewhere again?'

Like yesterday, Xiao Tian didn't see his mother and aunt in the living room. However, he suddenly heard someone laughing in the backyard.

From the voice, Xiao Tian knew that it was his mother's voice. For this reason, Xiao Tian had a quick bath before finally, he rushed toward the backyard, "Ladies, your lover has come."

Ye Xueyin and Ye Qingyu, who was lying down on the mat and staring at the sky, turned their heads toward Xiao Tian.

"Welcome home, Tian." Ye Xueyin and Ye Qingyu said in unison.

Without waiting for another second, Xiao Tian laid down between his mother and aunt. "I thought you two went somewhere."

"No. We just want to see the stars. That's why we are in the backyard right now." Ye Xueyin answered before looking at her little sister, "Isn't that tight, Qingyu?"

"Un. We want to enjoy the beautiful night." Ye Xingyu added as she nodded her head. "How is your work?"

"Busy as usual." Xiao Tian answered instantly. "Tomorrow, I will do a live promotion on TV."

"Live promotion?" Ye Xueyin and Ye Qingyu stared at him with a confused look.

Upon seeing the expression on their faces, Xiao Tian began to explain what he would do in live promotion tomorrow. Ye Qingyu and Ye Xueyin were amazed by his idea.

They didn't expect that Xiao Tian had a brilliant idea like that. They suddenly felt proud that the genius young man beside them was none other than their lover and family.

"You are indeed the best, Tian." after saying that, Ye Xueyin kissed his cheeks.

"Thank you, mother." Xiao Tian smiled before looking at his aunt.

When Xiao Tian stared at her intently, Ye Qingyu immediately asked, "What is it?"

"Don't you want to praise and kiss me too?" because his mother had kissed and praised him, Xiao Tian suddenly hoped that his aunt would do the same.

"Don't be full of yourself, young man. I know that you did an excellent job of developing your company, but it's still not enough if you want me to stop working. You need to make your company much bigger and have many branches in several cities." Ye Qingyu knew that her nephew was indeed a genius in business, but she didn't want him to be full of himself because it would be bad for him in the future.

"I know." Xiao Tian also thought that his company was still small, and he needed to make it much bigger if he wanted to improve his family status from middle-class family to an upper-class family.

"Good if you realize it." Ye Qingyu was satisfied when her nephew realized that he was still not a great person. She was sure if he continued what he was doing right now, his dream would come true sooner or later.

"Aunt, because you don't want to kiss me, I will kiss you instead." after saying that, Xiao Tian kissed her cheeks. And he didn't stop there, because after kissing her cheeks, Xiao Tian kissed her cherry lips.

Because he had kissed her many times, Ye Qinyu did nothing when Xiao Tian kissed her lips and cheeks.

Ye Xueyin, who saw what her son was doing, looked at him with envious eyes. "Tian, mother wants a kiss on the lips too."

Xiao Tian knew that his mother would say something like that. That was why Xiao Tian immediately kissed her lips.

"Hehe. Mother is happy right now." Ye Xueyin smiled happily after her son kissed her lips.

"I'm also happy." Xiao Tian then looked at his aunt. "Are you happy too, aunt?"

"Un." Ye Qingyu nodded her head.

## **Chapter 259 - I Can Do It**

8-10 minutes

---

Xiao Tian, his mother, and aunt spent time in the backyard until 11:00 pm before finally they entered the house and slept in Xiao Tian's room.

-----

The following day, Xiao Tian went straight to his company after having breakfast with his mother and aunt because it was a big day for him.

'I can do it.'

Xiao Tian, who was sitting on the chair in his office, clenched his fists.

Not long after that, Lin Xing Xue knocked on the door.

"Come in." Xiao Tian said.

After Xiao Tian gave permission, Lin Xing Xue and Shi Fei entered his office.

"Little brother, let's go." Shi Fei said.

Xiao Tian rose from the chair and nodded his head, "All right."

Because Shi Fei and Lin Xing Xue didn't have a car, they traveled to the TV station with Xiao Tian. And after several minutes of driving, they finally arrived at their destination.

Without waiting for another second, they entered the studio. And after they were in the studio, Xiao Tian saw the models talking to each other.

When the models noticed Xiao Tian, Lin Xing Xue, and Shi Fei, they rose from the couch and approached them.

"Good morning, Sir, lady Lin, and Lady Shi." the models spoke in unison.

"Are you all ready?" Xiao Tian inquired.

"We are ready, Sir." once again, the models said in unison.

Xiao Tian was pleased when he saw the expressions on their faces because, from their expressions, he knew that they would do their best in the live promotion later. "Good! If this live promotion is a big success, we will eat at Bamboo Restaurant later."

"Thank you, Sir." even though Xiao Tian only invited them to eat at Bamboo Restaurant, the models were happy. Not only did Xiao Tian's company pay them quite high, but Xiao Tian also never behaved arrogantly and always treated them nicely as if they were his friends.

Suddenly a gorgeous lady around twenty-three years old marched toward them. And when she was in front of them, she smiled and introduced herself. "Good morning, ladies and gentlemen. My name is Rui Qing. I'm the host for the broadcast later."

The models were startled when Rui Qing suddenly introduced herself. Earlier, when they arrived at the studio, Rui Qing didn't greet them, but when Xiao Tian, Lin Xing Xue, and Shi Fei arrived at the studio, she immediately introduced herself.

'This is really unfair.'

The models could not help but feel envy when Rui Qing treated them differently, but they could do nothing about it.

"Good morning, lady Rui. My name is Lin Xing Xue." because Rui Qing suddenly introduced herself, it would be rude if she didn't do the same.

After Lin Xing Xue finished introducing herself, Shi Fei did the same. "Good morning, lady Rui. My name is Shi Fei."

Of course, Xiao Tian also introduced himself because she was the host for the broadcast later; otherwise, he would prefer to prepare everything.

"Good morning, lady Rui. I'm Xiao Tian." as usual, after introducing himself, Xiao Tian smiled charmingly.

'Wow! He is more attractive than on TV and magazine. What a fine young man. Not only is he still young, but he is a successful person too. It will be exciting if I can have a relationship with him later.'

Rui Qing could not help but praise Xiao Tian in her head when she saw him, especially after seeing his dazzling smile.

"Mr. Xiao, you are more handsome than in the magazine or TV. I feel lucky to be able to meet a good-looking and successful young man like you." even though there were several people around her, Rui Qing said that with a seductive smile on her face as if she wanted to steal Xiao Tian's heart with her smile.

'As I thought, the reason why she introduces herself is because of Mr. Xiao.'

Those were the words that emerged on the mind of the models. The models had guessed that the reason Rui Qing approached them was that Xiao Tian was with them.

Ho! So, you want to seduce little brother too, huh? Shi Fei thought to herself.

While Lin Xing Xue, on the other side, only stared at Rui Qing. Even though Rui Qing only said ordinary words, Lin Xing Xue had no idea as to why she suddenly felt uneasy when she saw the smile on Rui Qing's face.

'Interesting.'

Even though Xiao Tian had tried his best to change his attitude, but when he saw an alluring smile on Rui Qing's face, his wild side from his past life suddenly tried to take over his body again.

In his past life, he often had a one-night stand with famous models, actresses, or other women in various professions. He also had several women, but none of them could make him fall in love with them, except for one lady, and that lady was none other than Mei Xing, the famous cold beauty.

'Ah! What a pity that I can't meet Mei Xing again in this life.'

Xiao Tian, or more precisely, Huang Chen, could not help but remember Mei Xing when his wild side from his past life tried to take over his body.

"Thank you, lady Rui. It really makes me very happy hearing attractive women like you praise me. I suddenly feel that today will be my lucky day after meeting you." like before, Xiao Tian smiled beautifully after he finished his words.

Even though he noticed a seductive smile on her face, Xiao Tian pretended as if he saw nothing. It was not because he didn't want to seduce her too, but because he tried his best to change his attitude.

As expected, he has a glib tongue too. Rui Qing thought to herself.

At this moment, Xiao Tian didn't realize that Lin Xing Xue was staring at him after he finished his words. She gazed at him for several seconds before finally, staring at Rui Qing again.

"Mr. Xiao, I saw all the clothes in your online shop. All of them are beautiful. I even bought a few clothes from your online shop." after Xiao Tian appeared in the magazine, Rui Qing was curious about Xiao Tian's company.

When she found out that Xiao Tian was selling various types of clothing, she immediately checked his online shop. And when she saw all the clothing designs in his online shop, Rui Qing finally knew why Xiao Tian's company was snowballing in such a short time.

'Of course, because my lover is a genius young man. Not only is he attractive, but he is clever too. If you know how skilled he is in bed and how big his cock is, you will not be able to forget him, and I'm sure you will get addicted to his cock too.'

Shi Fei suddenly felt proud when Rui Qing praised Xiao Tian.

"Thank you for buying clothes in my company." Xiao Tian was often praised by many people, so when Rui Qingyu praised him, Xiao Tian felt nothing. However, because he didn't want to be rude, Xiao Tian smiled and pretended to be happy.

'Why do I feel that lady Rui is trying to get close to Tian?'

Lin Xing Xue had no idea as to why her women's instincts informed her that Rui Qing was trying to get close to Xiao Tian.

She knew that Xiao Tian was a good-looking and successful person, but how could a gorgeous lady like Rui Qing wanted to get close to him when they had just met.

Lin Xing Xue found it hard to believe because even though Xiao Tian was a successful person, but he was still in the category of a middle-class family. With how beautiful Rui Qing was, Lin Xing Xue believed that Rui Qing could get a boyfriend from upper-class families.

'Why?'

Lin Xing Xue glanced at Xiao Tian again. At this moment, Lin Xing Xue suddenly realized that Xiao Tian's charm was so big. Xiao Tian could even make any woman be attracted to him instantly.

Shi Fei, who was on Lin Xing Xue's right side, knew that Lin Xing Xue was thinking about something, but she remained silent because she wanted to know what Lin Xing Xue would do when Lin Xing Xue knew that a pretty lady was trying to get close to Xiao Tian.

'Xue, you already know that little brother is popular, but you still underestimate his charm.'

Those were the words that emerged on her mind when Shi Fei noticed the expression on Lin Xing Xue's face.

Suddenly one of the staff marched towards them and said, "We will start broadcasting in five minutes. Please be ready."

"All right." Xiao Tian answered before looking at Rui Qing. "Lady Rui, we want to prepare ourselves first."

"All Right." Rui Qing answered before giving them some privacy.

In the studio.

After everything was ready, Rui Qing did an opening scene. "Good morning, everyone. I'm Rui Qing. Today, our guess is Mr. Xiao Tian, a young man who is famous recently. Let us welcome Mr. Xiao Tian."

## **Chapter 260 - It Seems Like Mr. Xiao Is A Multi-Talented Young Man**

8-10 minutes

---

And like the last time when he was on Rising Stars TV show, Xiao Tian entered the studio with a dazzling smile on his face.

When Xiao Tian was in front of her, Rui Qing stretched out her right arm to handshake with him, "Good morning, Mr. Xiao."

Xiao Tian also stretched out his right arm to handshake with her, and the smile on his face grew bigger and brighter, "Good morning, lady."

Then they sat on the black chairs with one long white table in front of them, and each of them had mineral water on the table.

In order to make the atmosphere lively, Rui Qing decided to have a small talk first. "Mr. Xiao, we are very pleased to welcome a talented young man like you on our TV show."

"Thank you, lady. I'm also happy to have the opportunity to be on this amazing TV show." of course, Xiao Tian needed to praise the TV shows because these were unspoken rules if you wanted to promote something on TV shows.

"We know that Mr. Xiao's company produces many beautiful clothing designs. Your company is even snowballing. So, what kind of clothes are you going to show us now?" even though Rui Qing knew the clothing designs that Xiao Tian wanted to promote, she had to ask it because the viewers needed to know about it.

"This time, we are going to promote a few clothing designs for men and women." Xiao Tian spoke and paused for a second before he continued, "For man's clothing, we will promote, parka jacket, jeans, and T-shirt. And for woman's clothing, we are promoting jeans skirt, gored skirt, cocktail dress, bias-cut dress, off-the-shoulder top, and rib-knit turtleneck. And we will give a special big discount this time too."

"Big discount?" like before, even though Rui Qing knew about it, she pretended to be surprised, "We like big discounts. Hehehe. Especially a big discount for good clothes."

Xiao Tian was pleased when he saw the expression on Rui Qing's face. He didn't expect that she was good at pretending to be surprised. "Do not worry, lady Rui. The clothing designs that we want to promote are good with high-quality materials. You won't regret it if you buy our clothing designs later."

Rui Qing then looked at Xiao Tian and asked, "Mr. Xiao, there is something that the viewer and I want to know. Why are you the CEO of the company himself, the one who is promoting your clothing designs?"

"Good question, lady. The reason why I'm the one who promotes our clothing designs is that I'm the one who designs the clothes, so in my view, I know the most about our clothing designs." actually, Xiao Tian also wanted to make Shi Fei or Lin Xing Xue as the person who promoted his clothing designs. But he suddenly changed his mind because, in his view, he was the best person to do that.

"It seems like Mr. Xiao is a multi-talented young man." because Rui Qing thought that it was time to promote Xiao Tian's clothing designs, she decided to end the small talk. "All right, Mr. Xiao. I'm sure the viewers at home want to see the clothing designs immediately so, how about you show us your clothing designs now?"

"Sure." Xiao Tian was pleased when Rui Qing ended the small talk because he wanted to promote his clothing designs immediately.

After Xiao Tian said that, the female models walked toward the small stage and did a pose base on the clothes they were wearing. One of the models was wearing a cocktail dress, and the other one was wearing a bias-cut dress.

Without waiting for another second, Xiao Tian and Rui Qing walked toward the models.

"Wow! This cocktail dress is so beautiful." even though Rui Qing had seen the picture of the clothing, but she could not help but praise it when she saw it in person.

"Thank you, lady. I specially designed this dress for a young lady to a mature lady, so any woman from any family class can wear it. Not only can you wear it at a high-class party, but this dress can improve your status because this dress has high qualities materials, so you won't lose face if you wear this dress

at cocktail parties." then Xiao Tian began explaining the excess of clothing designs which were worn by the models.

After Xiao Tian finished explaining, the male models walked toward the small stage. The models were wearing a parka jacket, jeans, and a T-shirt. And like before, Xiao Tian began explaining the excess of clothing designs in detail. After several minutes, Xiao Tian finished explaining all of his clothing designs.

[I spent two hours searching for ways to describe it on the internet but could not find one that clearly explained it, so I skipped over. Maybe I used the wrong keywords. Please do forgive me for this.]

Then Xiao Tian and Rui Qing sat on the chairs again.

"Mr. Xiao, because you have finished explaining your clothing designs, it is time for you to tell us about the discount that you talked about earlier." Rui Qing spoke and paused for a second before she continued, "How much discount will you give for your clothing designs? Will you give the same discount for all your clothing designs?"

"We will give a different discount for each clothes." of course, Xiao Tian would give different discounts because each clothing design has a different profit. "For a woman's clothing like jeans skirt and gore skirt, we will give a 50% discount. For off-the-shoulder top and rib-knit turtleneck, we will give a 40% discount. For a cocktail dress and bias-cut dress, we will give a 30% discount. As for male clothing designs, we will give a 50% discount."

Of course, Xiao Tian had raised the prices before giving a discount, because, with that, he could provide a high discount.

Many people only paid attention to high discounts, so when they knew some clothes have high discounts, they would immediately be interested. What they didn't realize was that the prices had been raised before the discount was given

"Wow! You give a high discount on these beautiful clothing designs." Rui Qing then looked toward the camera and began promoting Xiao Tian's clothing designs." What are you waiting for? This is a rare chance to get beautiful clothing designs at low prices."

At this time, Rui Qing had no idea that the prices had been raised before, because Xiao Tian didn't tell them about it.

"Yes. We will only give high discounts during broadcasting, so you will not get a discount as high as this time if you buy our clothing designs after this broadcasting ends. I am sure that you all will not regret it if you buy our clothing designs now." Xiao Tian added.

"Did you hear it, the viewer? This high discount is only during the broadcasting, so you all need to buy it now if you want good clothing that has high discounts." after saying that, Rui Qing looked at the monitor in front of her. The monitor was a tool to show them the number of people who had bought Xiao Tian's clothing designs during the broadcast. "Oh! Mr. Xiao, several people have already bought your clothing designs."

When Xiao Tian saw that thirty of his clothing designs had been sold, he could not help but smile. Then Xiao Tian and Rui Qing talked about the clothing designs again, and of course, they also promoted it.

As they were talking, the people who bought his clothing designs, increased rapidly. By the time the TV show was about to end, a few thousand clothing designs had been sold. This made the smile on Xiao Tian's face grow bigger.

Even though Xiao Tian had guessed that something like this would happen, but seeing it with his own eyes felt different.

At this time, Shi Fei and Lin Xing Xue were delighted too. They didn't expect that in several minutes, a few thousand clothing designs had been sold.

Not long after that, the TV show was over. Rui Qing, who was sitting next to Xiao Tian, looked at him and smiled, "Congratulations, Mr. Xiao. Your clothing designs have sold well during the show."

"Thank you, lady Rui." Xiao Tian answered as he smiled.

Then Xiao Tian and Rui Qing walked out of the room. Outside the hall, Shi Fei, and Lin Xing Xue had been waiting for him with a smile on their faces.
