Chapter 261 - How About I Kiss Both Of You As A Reward?

At that time, Xiao Tian wanted to embrace Lin Xing Xue and Shi Fei immediately, but he knew he couldn't do that because it would create a rumor about them.

It was not that Xiao Tian didn't want the public to know about their relationship, but because Xiao Tian thought that it was not the right time for the public to find out about their relationship.

"Congratulation, Mr. Xiao." the models said in unison.

The models were thrilled when they knew that Xiao Tian's clothing designs sold very well during broadcast because it meant they did an excellent job earlier.

"Thank you. You all did a good job earlier." Xiao Tian was pleased with their work because earlier, the models did an excellent job.

"We are glad that you are satisfied with our work, Sir." the models spoke in unison.

"Congratulation, Sir." Shi Fei and Lin Xing Xue said in unison. Because they were not alone, they had to keep working professionally. That was why Lin Xing Xue and Shi Fei behaved like his subordinates, who were happy for their boss's success.

"Thank you, lady Lin and lady Shi." because Xiao Tian was unable to embrace them, he could only smile.

When Xiao Tian was talking with Shi Fei, Lin Xing Xue, and the models, Rui Qing walked toward them again. When she was in front of Xiao Tian, she smiled and said, "Mr. Xiao, once again, congratulation."

"Thank you. This is because lady Rui also helped me earlier, so thank you, lady Rui." Xiao Tian didn't expect that Rui Qing still wanted to get close to him. She didn't even care that other people were looking at her.

"No. It's because your clothing designs are indeed beautiful." Rui Qing was sure that without her help, Xiao Tian would still succeed because his clothing designs were indeed beautiful.

Hoh! So, you are still trying to get close to little brother, huh? Shi Fei thought to herself.

When Shi Fei noticed the expression on Lin Xing Xue's face, she couldn't help but giggle.

And like before, Lin Xing Xue only looked at Rui Qing and Xiao Tian. Actually, she wanted to drag Xiao Tian out of the studio, but she understood if she did that, other people would know that she had a special relationship with her boss.

When Xiao Tian noticed the expression on Lin Xing Xue's face, he knew that she was jealous. However, Xiao Tian also realized that it would be a mistake if he continued talking to Rui Qing.

It was not that Xiao Tian was afraid of Lin Xing Xue but because he had to make her happy first before finally telling her that he has three other girlfriends besides her. "Lady Rui, we will take our leave first because we still have something to do."

"All right." even though Rui Qing still wanted to talk to Xiao Tian, but she knew that she could not do that. It was their first meeting, so if she annoyed him, he wouldn't want to meet her again in the future.

After that, Xiao Tian, Lin Xing Xue, Shi Fei, and the models went to Bamboo Restaurant to eat. As they were eating, they were talking and laughing together as if they were friends.

After eating, Xiao Tian, Lin Xing Xue, and Shi Fei traveled to the company.

'Good! Today is another big success for me.'

Xiao Tian, who was sitting on the couch in his office, smiled happily.

Not long after that, Shi Fei and Lin Xing Xue entered his office. Maybe because they were happy, they entered his office without knocking.

This made Xiao Tian's lips twitch. "Little Xue, Fei, you two should knock first before entering my office."

Even though they were his girlfriends, but Xiao Tian had to remind them that they had to knock on the door before entering his office.

What if they suddenly entered his office when Xiao Tian was doing something with a lady or when he wanted time to be alone.

"Sorry." Shi Fei and Lin Xing Xue said in unison.

When Xiao Tian saw the expression on their faces, he smiled and said, "It's fine. But remember it next time. Come here and sit next to me."

Without waiting for another second, Lin Xing Xue and Shi Fei sat next to Xiao Tian; Shi Fei was sitting on his right side, while Lin Xing Xue was sitting on the other side.

"So, why did you come to my office?" Xiao Tian inquired.

"We are still feeling happy upon remembering that today is a big success for us." Shi Fei gave him an honest answer.

"Yes." Lin Xing Xue added as she nodded her head.

Then Xiao Tian put his hands around their waist and said, "You two have worked hard today. How about I kiss both of you as a reward?"

Upon hearing his words, Lin Xing Xue looked at him and pinched his nose, "How can you say that as a reward for us? You mean, a reward for you, right?"

As usual, Xiao Tian did nothing and let Lin Xing Xue pinch his nose. "Love, you should not pinch your lover's nose. What if he can't breathe and faint? Will you give him CPR? If so, then I will pretend to faint."

"Pretend to faint? CPR? Just tell me if you want a kiss from me. You don't need to use an excuse like that." Lin Xing Xue had no idea that Xiao Tian had many ways to make her kiss him. He even said that he would pretend to faint so that she would kiss him.

But Lin Xing Xue didn't hate it. She just found it funny that he could think of many ways only to make her kiss him.

"Oh! My girlfriend understands me very well." Xiao Tian spoke and paused for a second before he continued, "So, will you kiss me?"

"I don't want to. Hehe." Lin Xing Xue giggled and stopped pinching his nose.

Because Lin Xing Xue didn't want to kiss him, Xiao Tian moved up his left hand from her waist to head before finally, stroking her hair.

When Lin Xing Xue felt Xiao Tian's hand stroking her hair gently, she placed her head on his shoulders and enjoyed it.

Because Xiao Tian wanted a kiss, he covered Lin Xing Xue's eyes with his left hand and looked at Shi Fei.

As if they could communicate through their eyes, Shi Fei understood that Xiao Tian wanted a kiss from her. Without waiting for another second, Shi Fei tilted her head and kissed his lips.

Because Lin Xing Xue was next to him, they only kissed for about two seconds before finally, Xiao Tian broke the kiss. Then Xiao Tian began stroking Lin Xing Xue's hair again.

After kissing Shi Fei, Xiao Tian suddenly wanted to kiss Lin Xing Xue too. For this reason, he cupped her face and looked into her eyes.

Lin Xing Xue had guessed that Xiao Tian would kiss her later. That was why when Xiao Tian cupped her face, Lin Xing Xue did nothing. She even slowly shut her eyes as if she was giving him a sign that she was ready to welcome the kiss.

Without waiting for another second, Xiao Tian brought his face closer toward hers before finally, their lips met.

Chapter 262 - Stars Hill

6-7 minutes

After that, they talked for about fifteen minutes before finally, they began to work.

When Xiao Tian was working, he suddenly remembered something. For this reason, he called Shi Fei to meet him.

"What is it, little brother?" Shi Fei asked when she was in front of him.

Xiao Tian stopped reading a document and looked at her. "Are the clothes ready?"

"Yes." Shi Fei nodded her head. "Do you want to see it now?"

"Yes." because the clothes were ready, Xiao Tian wanted to see it because he wanted to know the results.

"I will bring it now." then Shi Fei walked out of his office room. And after a brief moment, Shi Fei returned to Xiao Tian's office again. "Here, little brother."

When Xiao Tian was checking the clothes, he nodded his head in satisfaction. "Good!"

Because his workbench was full of documents, Xiao Tian placed the clothes on the couch so that he wouldn't forget to bring it home later.

When Xiao Tian was sitting on the couch, Shi Fei suddenly kissed his cheeks before walking out of his office. "I will go back to work, little brother."

Xiao Tian's face broke into a soft smile when Shi Fei was walking out of his office. He didn't expect that she would kiss him before returning to her office.

Because Xiao Tian still has a lot of work, he began working again. Time went by quickly, and without realizing it, it was already 06:20 pm.

This made Xiao Tian a little surprised. Usually, when it was time to go home, Lin Xing Xue and Shi Fei would come to his office, but it was already past work time, and they still hadn't come to his office.

For this reason, Xiao Tian rose from his seat and put the clothes in his bag. With a smile on his face, Xiao Tian walked out of his office.

'Have they already returned home?'

The corner of Xiao Tian's lips twitched when he found out the Shi Fei's and Lin Xing Xue's offices were empty.

Because Lin Xing Xue and Shi Fei had returned home, Xiao Tian headed to the parking lot before going home.

However, when Xiao Tian was on his way to his home, he suddenly wanted to meet Shi Fei. For this reason, Xiao Tian traveled to Shi Fei's apartment.

Knock...Knock...Knock...

After Xiao Tian reached her apartment, he immediately knocked on the door.

Click...

The sound of someone opening the door could be heard in his ears.

"Little brother?" Shi Fei was surprised when she saw Xiao Tian in front of her apartment. But of course, she was pleased by his unexpected visit. "Come in."

When Xiao Tian stepped into her apartment, Shi Fei immediately hugged his right arm and smiled happily.

After Xiao Tian was in the living room, he immediately sat on the couch. But to his surprise, Shi Fei suddenly sat on his lap and put her left arm around his neck.

"Do you miss me, little brother?" the smile on Shi Fei's face grew bigger after sitting on Xiao Tian's lap.

"Yes." Xiao Tian nodded his head. "Change your clothes. Let's go out now."

Shi Fei was pleasantly surprised when Xiao Tian suddenly invited her out. "All right."

At this time, Xiao Tian thought that he had to wait a long time until she finished preparing herself, but he was wrong because Shi Fei only needed ten minutes to dress up.

This made Xiao Tian pleased because, with this, he knew that Shi Fei was looking forward to going out with him.

"Where are we going?" Shi Fei asked when she was in front of him.

Xiao Tian rose from the couch and replied, "How about we go to Stars Hill?"

"Stars Hill?" Shi Fei touched her chin before nodding her head. "Good idea. Let's go."

Like when Xiao Tian entered her apartment, Shi Fei immediately hugged his right arm again.

Xiao Tian could not help but smile when he saw the happy expression on her face. Maybe, because he rarely went on a date with her, Shi Fei was thrilled when Xiao Tian wanted to bring her to Stars Hill.

After several minutes of driving, they finally arrived at Stars Hill.

Stars Hill was located in the Wanhui district. It was called Stars Hill because its location was several thousand meters above sea level.

From Stars Hill, the visitors could see the beautiful night of Shanghai. The twinkling lights below them, the shining stars above them, and tall buildings were the main attraction on the Stars Hill.

When Xiao Tian saw an empty wooden bench, he pointed his index finger toward it and said, "Fei, wait on that wooden bench. I want to buy roasted corn first."

"Un." Shi Fei nodded her head before walking toward the wooden bench.

After a brief moment, Xiao Tian walked toward Shi Fei with two roasted corns in his hands.

"Here, take this." Xiao Tian gave one of the roasted corns to her before sitting on the wooden bench.

To his surprise, Shi Fei suddenly sat between his legs and said, "It's beautiful."

Xiao Tian immediately embraced her with his left arm before eating the roasted corn. "Un. It's beautiful. Like my lover, who is in my embrace right now."

Shi Fei's face broke into a smile when Xiao Tian suddenly praised her. "Hehe. Didn't you say that I'm the sexiest lady?"

"Yes. You're right." Xiao Tian admitted that Shi Fei was the sexiest among all his women. "Sexy and beautiful."

Shi Fei then looked at Xiao Tian and asked, "Little brother, what is the flavor of your roasted corn?"

"Sweet and spicy." because Xiao Tian thought that Shi Fei wanted to get a taste of his roasted corn, he placed it in front of her mouth. "Here, taste it."

Previously, Xiao Tian bought roasted corn with a different flavor; sweet and spicy and sweet and cheese.

Without waiting for another second, Shi Fei immediately took a bite out of his roasted corn. "It's delicious."

Then Xiao Tian and Shi Fei continued eating roasted corn while enjoying the beautiful night of Shanghai.

Chapter 263 - What Made You Fall For Me?

6-7 minutes

Even though Shi Fei and Xiao Tian had finished eating roasted corn, they remained in the same position as if they didn't want to separate from each other. Currently, Xiao Tian was placing his arms around Shi Fei's waist while she was putting her head on his shoulders.

"Little brother, did you go straight to my apartment after leaving the company?" Shi Fei was curious when she saw Xiao Tian was still wearing work clothes. That was why she immediately asked about it.

"Yes." Xiao Tian answered instantly. "It's because I miss my sexy mistress very much."

"Hehe." Shi Fei giggled after hearing his words. "Are you unable to live without me anymore?"

Instead of giving her an answer, Xiao Tian asked her. "What do you think?"

"Hmmm." Shi Fei touched her chin for three seconds before finally, answering. "Hehe. I think you can't live without me anymore."

"Oh! What makes you think I can't live without you anymore?" Xiao Tian asked again.

"Because I always bring you happiness." even though Shi Fei didn't know about it, but she assumed that he was always happy when he was with her.

Xiao Tian then pinched her cheeks gently and smiled softly. "That's right. This mistress of mine can always make me happy whenever I'm with her."

Shi Fei could not help but smile happily after hearing his words. She thought that her dream has almost come true. If Shi Fei could maintain her relationship with Xiao Tian like that, she was sure that he would take her as his wife in the future.

When Xiao Tian noticed the smile on her face, he immediately said, "What are you thinking right now?"

"Our honeymoon." Shi Fei answered instantly.

"Honeymoon?" Xiao Tian then whispered in her right ear. "How about we do our honeymoon after arriving at your apartment later?"

"If you want to do it, I'm fine with it." they already had sex many times, so having sex with him had become a normal thing for her. That was why Shi Fei didn't mind it if Xiao Tian wanted to have sex with her after they arrived at her apartment later.

Xiao Tian had guessed that Shi Fei would say something like that. But because he wanted to strengthen his relationship with her, he immediately refused, "Let's do it another day. Today, I only want to spend time with you like this."

"Are you sure?" Shi Fei then whispered in his left ear. "If I take off my clothes after arriving at my apartment, can you hold back your lust after seeing my sexy body?"

"No." Xiao Tian gave her an honest answer. "That's why don't take off your clothes after we arrive at your apartment later, or my wild side will immediately come out."

"Hehe." Shi Fei giggled happily. "Even though you are experienced in bed and have many women, it seems like you still can't hold back after seeing my naked body."

"Of course. Because my mistress's body is the sexiest among my women." even though Xiao Tian could hold back his lust, he believed that his little brother was unable to do the same. "Let's change the topic."

Because Xiao Tian didn't want all of their conversation to be limited to sex, he told her to change the subject.

"What do you want to talk about?" because Xiao Tian wanted to change the topic, Shi Fei asked him what he wanted to talk about.

"Fei, what made you fall for me?" until now, Xiao Tian had no idea what made Shi Fei fall in love with him because he had never done anything special to her.

Instead of answering, Shi Fei looked at him and asked, "What do you think?"

"Because of my good looks?" Xiao Tian answered shamelessly.

"Hehe." even though Shi Fei admitted that Xiao Tian was a fine young man, she didn't expect that he would immediately praise himself like that. "Wrong."

"Wrong?" Xiao Tian then began to think again. "because I'm cool?"

Like before, Xiao Tian gave her an answer while still praising himself.

"Wrong again." Shi Fei answered immediately.

"Wrong again?" Xiao Tian tried to think of another answer. "Because of my kindness?"

Shi Fei made X hands sign and said, "Wrong again."

Because all of his answers were wrong, Xiao Tian immediately asked, "So, what is it?"

Shi Fei brought her face closer to his left ear and whispered, "Secret."

Xiao Tian didn't expect that Shi Fei would say something like that. Because Shi Fei didn't want to tell him about it, he decided to tickle her as a punishment, "Because you dare to tease me, I have to punish you. Take this.. Take this..."

"Hahaha." Shi Fei immediately laughed when Xiao Tian suddenly tickled her waist. "Little brother, stop it."

"Tell me, or I won't stop tickling your waist." Xiao Tian said while still tickling her.

"Hahaha." even though Shi Fei asked him to stop, but she didn't try to remove his hands from her waist. "I still won't tell you."

Because Shi Fei still didn't want to tell him about it, he stopped tickling her and said, "Because you still don't want to tell me about it, I have to punish you in another way."

At this moment, Shi Fei was curious about what he wanted to do. Her eyes widened in surprise when Xiao Tian suddenly kissed her lips.

After Xiao Tian broke the kiss, Shi Fei smiled and said, "I like this kind of punishment."

"Do you want to get punished again?" because Shi Fei said that she liked to be kissed by him, he asked whether she wanted to be punished again or not.

"Sure." Shi Fei answered instantly.

And like before, Xiao Tian kissed her lips again. But this time, he kissed her lips longer than before.

Then Xiao Tian and Shi Fei talked about many things. They were at Stars Hill until 09:00 pm before finally, they decided to return home.

After they arrived at Shi Fei's apartment, Xiao Tian didn't immediately return home; instead, he walked to her apartment.

"Here, take this." Xiao Tian said.

When Shi Fei saw that it was his clothing design, a dazzling smile appeared on her face. "Thank you, little brother."

Chapter 264 - My Mistress Is So Wild

6-7 minutes

However, when Xiao Tian was about to leave, Shi Fei suddenly grabbed his right hand and pulled him into her apartment.

Her action much surprised Xiao Tian. He did not expect that she would do something like that. He even almost fell because of it.

"What is it, Fei?" although Xiao Tian was surprised and almost fell, he was not angry with her. He even asked with a soft smile on his face.

At this time, Shi Fei didn't answer him and only looked at him in the eyes. However, it only lasted for about five seconds before finally, she cupped his face and kissed his lips.

Not only that, but as soon as their lips met, Shi Fei tried to put her tongue in his mouth. Maybe, because the door was already closed, Shi Fei immediately behaved wildly.

Even though Xiao Tian had no idea why Shi Fei suddenly acted like that, but he immediately opened his mouth to give her tongue a way to enter his mouth.

When Shi Fei noticed the opportunities had arisen, she immediately put her tongue into his mouth and looked for his tongue. They kissed passionately for about a minute before finally, Shi Fei broke the kiss.

"My mistress is so wild." Xiao Tian wiped off the saliva on the corner of her lips and smiled. "Alright. I have to go home now."

When Xiao Tian was about to leave, Shi Fei suddenly hugged him from behind tightly. She didn't say a single word and kept embracing him.

Her action made Xiao Tian turn his head toward her. "Do you want to have a French kiss again?"

"Mnnn." Shi Fei shook her head.

At this moment, Xiao Tian realized that Shi Fei still wanted to spend time with him. However, because it was already 09:00 pm, Xiao Tian had to go home.

For this reason, Xiao Tian turned around and cupped her face, "We can still meet again tomorrow. So, don't be sad."

"Un." Shi Fei nodded her head.

"Good!" Xiao Tian then kissed her forehead. "I'm leaving."

"Be careful." Shi Fei waved goodbye.

After that, Xiao Tian returned home.

"Mother, aunt, I'm home." with a smile on his face, Xiao Tian said happily.

'Eh! Where are they?'

When Xiao Tian didn't see his mother and aunt in the living room, he suddenly felt sad. Suddenly the laughter of his mother and aunt could be heard in his ears.

'Oh! They are in mother's room?!'

Without changing his clothes, Xiao Tian headed to his mother's room. And as if it was his room, Xiao Tian entered her room without knocking on the door. "Mother, aunt, I'm home."

"Welcome home." Ye Xueyin and Ye Qingyu, who were sitting on the bed, said in unison.

When Xiao Tian saw a laptop in front of them, he immediately asked, "What are you two watching?"

"A funny movie. It's called Strange Man and Beautiful Woman." Ye Xueyin answered instantly.

"Oh! A funny movie?" Xiao Tian thought his mother and aunt were watching a love story movie because usually, they often watched it on TV.

"Mother, aunt, I have a gift for both of you." Xiao Tian took out two of his clothing designs from his bag. "I specially designed these clothing designs for mother and aunt."

Ye Xueyin was pleased when she found out that her son gave her a clothing design. With a smile on her face, Ye Xueyin got out of the bed and took it. "Thank you, Tian."

Xiao Tian's face broke into a smile when he saw the happy expression on his mother's face. "Un."

But to his surprise, his mother suddenly took off her clothes in front of him. Even though Xiao Tian had seen his mother's naked body many times, but her action still surprised him.

Xiao Tian was at a loss for word when he saw his mother's behavior. He suddenly thought that his mother no longer had any shame in front of him.

At this moment, Ye Qingyu was also surprised when she saw what her big sister was doing. But because she knew that her big sister wouldn't hear her words, Ye Qingyu could only sigh.

After Ye Xueyin put on the clothes, she turned toward Xiao Tian and asked, "Tian, how is it? Does mother look beautiful?"

"Beautiful." when Xiao Tian saw his mother, he could not take his eyes off her.

His mother was so pretty when she wore his clothing design. She even looked younger as if she was in her twenties.

"Thank you." Ye Xueyin was pleased when she saw the expression on her son's face because, from his expression, she knew that she was still pretty in his eyes.

Xiao Tian then looked at his aunt and said, "Aunt, why don't you try it too?"

Even though Xiao Tian knew that his aunt would look gorgeous too, he still wanted to see it with his own eyes.

"I will try it later." Ye Qingyu answered instantly. "I want to watch this movie first."

The corner of Xiao Tian's lips twitched after hearing his aunt's words. He didn't expect that she would reject it immediately.

Because Xiao Tian was curious why his aunt was so serious watching the movie, he walked toward her before sitting on her left side.

Oh! This movie looks interesting. Xiao Tian thought to himself.

Xiao Tian watched the movie for about fifteen minutes before finally, he headed to his room. After bathing and changing his clothes, Xiao Tian laid down on the bed.

And like what Xiao Tian had guessed, when it was time to sleep, his mother and aunt entered his room. Xiao Tian was a little shocked when he saw them wearing sexy lingerie. "Are you two trying to seduce me?"

Ye Qingyu and Ye Xueyin didn't answer and immediately laid down on both of his sides. While Ye Qingyu was hugging his right arms, Ye Xueyin suddenly kissed him passionately.

And as usual, they immediately had wild sex before sleeping.

Chapter 265 - Little Brother, I'm Worn Out

5-7 minutes

The following morning, after Xiao Tian had breakfast with his mother and aunt, he went straight to University.

And as usual, after Xiao Tian finished his morning class, he headed to the University Garden. When he was lying down on the wooden bench, Xiao Tian suddenly thought that it would be better to give his clothing design to Yun Xin Er as soon as possible.

Luckily, Xiao Tian brought the clothes and placed them in his car. Without waiting for another second, Xiao Tian called Yun Xin Er.

"What is it, little brother?" Yun Xin Er's sweet voice rang out through Xiao Tian's smartphone.

"Big sister Yun, are you free right now?" Xiao Tian inquired.

"No, I've got invited by several TV shows and have a lot of other work." Yun Xin Er answered instantly. "What is it?"

"Nothing." because Yun Xin Er was busy, Xiao Tian didn't want to disturb her. He thought that he could give the clothes to her when she was not busy.

"If so, I will hang up now." even though Yun Xin Er still wanted to talk to him, but because she was busy, she had to end the call.

Xiao Tian's lips twitched when Yun Xin Er hung up the phone before he could answer her. After Xiao Tian finished all his classes, he spent time with his mother and aunt in the backyard before they finally slept in his room.

The following morning, when Xiao Tian just arrived at the campus, his smartphone suddenly rang, indicating an incoming call.

Xiao Tian's face broke into a soft smile when he knew that Yun Xin Er was calling him. "Good morning, big sister Yun."

"Do you still want to meet me?" Yun Xin Er went straight to the point.

"Are you not busy today?" Xiao Tian inquired.

"I have work until 02:00 pm so we can meet after that." actually, Yun Xin Er was curious why he suddenly wanted to meet her yesterday. That was why she immediately called him when she knew she had free time after 02:00 pm.

"Perfect!" Xiao Tian was pleased when he found out that he could meet her today. "Let's meet at the usual place."

"All right." even though Xiao Tian didn't say it directly, Yun Xin Er knew where he wanted them to meet. "I will hang up now."

"All right," Xiao Tian answered.

Time went by quickly, and without realizing it, it was already 01:30 pm. Because Xiao Tian had promised to meet Yun Xin Er, he immediately traveled toward the Rainbow Garden.

As usual, after Xiao Tian arrived at his destination, he headed to the building, where he usually sat together with Yun Xin Er.

Not long after that, Yun Xin Er arrived. Upon seeing her, Xiao Tian stood up and walked toward her. "Xin Er, you have arrived?"

"Have you been waiting long?" Yun Xin Er went straight to Rainbow Garden after she finished working. And like what she had guessed, Xiao Tian was already waiting for her.

"No. I just arrived too." even though Xiao Tian had been waiting for about thirty minutes, but he didn't want say it.

As soon as Xiao Tian sat on the floor, Yun Xin Er immediately placed her head on his lap and said, "Little brother, I'm worn out. I haven't slept since yesterday too."

'What?'

Xiao Tian was shocked after hearing her words.

"Big sister Yun, if you're exhausted, you should sleep at home. You don't need to meet me because we can still meet another day." If Xiao Tian knew that she was exhausted, he would ask her to meet him another day because he didn't want anything bad to happen to her.

"But, didn't you say that you want to meet me?" even though Yun Xin Er was exhausted, but because Xiao Tian wanted to meet her, she decided to meet him without caring about her condition.

Xiao Tian rubbed her hair gently and looked at her lovingly, "Xin Er, I'm happy that you still think about my feelings, but I don't want anything bad to happen to you. If we can't meet today, we can still meet another day. And this place is also uncomfortable to sleep."

Yun Xin Er couldn't help but smile happily when she learned that Xiao Tian was anxious about her health condition. "Let's go to my house so that I can sleep well."

"If you want to sleep, why did you want me to come to your house? It wil-" Xiao Tian stopped his words and started to smirk. "Big sister Yun, do you want to sleep with me?"

"Yes. I want to sleep with you." Yun Xin Er suddenly realized that her words could have different meanings, so she immediately explained it. "Ehm. I mean, I want to sleep with you by my side, so don't get me wrong."

"Actually, I'm fine if you want to sle-" before Xiao Tian had finished his words, Yun Xin Er immediately covered his mouth with her hands.

Yun Xin Er then sat on his lap while facing him, "So, you want to tease me again, huh?"

"Hmmm." Xiao Tian nodded his head.

Because Yun Xin Er was too tired to tease him, she removed her hands from Xiao Tian's mouth and placed her head on his shoulders before finally, wrapping her long slender arms around his neck. "Little brother, I'm very tired. Let's go to my home."

At this moment, Xiao Tian also stopped teasing her because he knew that it was not the right time to do that. "All right."

Because Xiao Tian didn't have class any more, he agreed to go to her house. This was also a good opportunity to know where she lived so that when he couldn't contact her, he could go to her home.

"Perfect!" even though Yun Xin Er knew that Xiao Tian would grant her wish, she couldn't help but feel happy. Suddenly, a beautiful smile that could outshine the moon appeared on her face.

Chapter 266 - Why Are You Pouting Your Lips Like That?

6-7 minutes

When Yun Xin Er remained in the same position, Xiao Tian immediately asked, "Do you want me to carry you to your car?"

"Un. I'm too exhausted to walk by myself." because Yun Xin Er knew that Xiao Tian cared so much about her, she was sure that Xiao Tian would grant her wish.

That was why she wanted him to carry her, because, with this, not only did she not have to walk to her car, but she could still embrace him.

Actually, Yun Xin Er wanted to walk by herself, but when she felt the warmth and fragrance of Xiao Tian's body, she suddenly changed her mind. Even though Yun Xin Er was still very tired, but when she was embracing him, she felt as if the fatigue in her body slowly disappeared.

After placing his hands on her buttocks, Xiao Tian stood up before walking toward her car. This time, Xiao Tian didn't tease her when he felt the softness of her ass. He even didn't say a single word when he was heading toward her car.

Not long after that, they reached her car. And when Xiao Tian put her in the driver's seat, he suddenly thought that she shouldn't drive the car when he saw the tiredness on her face. "Big sister Yun, how about you leave your car here and ask your manager to pick it up later. It would be dangerous if you drive the car because you are not in good condition to drive."

"All right." Yun Xin Er agreed to Xiao Tian's idea. Earlier, she also drove slowly when she traveled to Rainbow Garden. Luckily nothing happened to her earlier.

When Xiao Tian noticed that Yun Xin Er remained in the driver's seat, he knew that she wanted to be carried to his car. Xiao Tian could only smile at her actions, but he said nothing because he understood her condition.

After opening the car door, Xiao Tian carried Yun Xin Er and put her in the passenger seat. Xiao Tian didn't get in his car immediately; instead, he closed the door of Yun Xin Er's car.

When Xiao Tian was sure that her car doors were locked, he got into his car and returned the car remote keys to her.

Because Xiao Tian thought that Yun Xin Er would fall asleep on the way to her house, he asked where she lived so that he didn't need to ask again later.

After Yun Xin Er told him where she lived, she called her manager and asked her to pick up her car at Rainbow Garden.

When Xiao Tian noticed that Yun Xin Er was still not wearing a seatbelt, Xiao Tian moved closer toward her.

At this moment, Yun Xin Er thought that Xiao Tian wanted to kiss her. For this reason, she closed her eyes and pouted her pink lips.

When Xiao Tian noticed what she was doing, he almost laughed. He didn't know how she could think that he wanted to kiss her.

"Done!" Xiao Tian then sat in the driver's seat again. "What are you doing? Why are you pouting your lips like that?"

Yun Xin Er immediately opened her eyes and looked at him. Although she only guessed that he wanted to kiss her, Yun Xin Er was a little unhappy when he did nothing.

Yun Xin Er found it hard to believe that Xiao Tian didn't kiss her even though she had given him a sign that she was ready to accept the kiss. She was sure that if she did the same thing to another man, they would kiss her immediately.

Not only did he not kiss her, but he even chuckled. But because she didn't want to lose face, Yun Xin Er gave him an excuse. "I am doing lip exercises so that my lips are not stiff when I sing on the stage tomorrow."

Xiao Tian could not help but smile after hearing her words. He just didn't expect that Yun Xin Er would find an interesting excuse.

Because Yun Xin Er didn't want to give Xiao Tian a chance to tease her, she decided to change the topic. "Little brother, let's go."

"All right." Xiao Tian said.

Then Xiao Tian drove toward her house. Along the way, what Xiao Tian had guessed finally happened.

When Xiao Tian noticed that Yun Xin Er was sleeping, he rubbed her hair gently and smiled softly before he finally focused on driving again. After driving for several minutes, they finally arrived at Yun Xin Er's house.

But when Xiao Tian's car was about to enter the front yard, two female security guards stopped the vehicle. Xiao Tian had guessed that something like this would happen when he wanted to enter Yun Xin Er's front yard because he knew that she was a rich person.

In his past life, in order to protect them when they were at home, his father also did the same thing. Even all the security guards were ex-military personnel. Of course, his past life father paid them handsomely. That was why his father could hire former military personnel as security guards and bodyguards.

Because Xiao Tian didn't do anything wrong, he pulled down the car window without thinking twice. "Hello, I'm Xiao Tian. I came here because I want to send big sister Yun home."

'Isn't he a young man who is famous recently?'

Those were the words that appeared on the mind of the security guards when he saw Xiao Tian.

When one of the security guards saw Yun Xin Er sleeping on the passenger seat, she immediately said, "Sir, let m--"

However, before she had finished her words, Yun Xin Er suddenly woke up. "Little brother, we have arrived?"

"Good afternoon, lady." the security guards said in unison.

Yun Xin Er then understood what had happened. But because the security guards were doing their job, Yun Xin Er didn't blame them. "Remember his face. If in the future he wants to visit me, let him in immediately."

"Understood, lady." the security guards said in unison.

After that, Xiao Tian's car entered the front yard of Yun Xin Er's house.

Chapter 267 - Little Brother, Are You Proposing To Me Right Now?

6-8 minutes

Yun Xin Er's house was big and luxurious. Her home also has a big front yard with several flowers around it. In the middle of the front yard, there was an artificial fountain with beautiful red flowers surrounding it.

As soon as Xiao Tian and Yun Xin Er entered the house, the maid immediately welcomed them. The expression of deep shock bloomed on the maid's face when he saw Xiao Tian and Yun Xin Er.

Earlier, the maid thought that it was only Yun Xin Er. She didn't expect that Yun Xin Er would bring a man to the house. It was even a man who was younger than her.

'If my memory isn't playing tricks on me, he is Xiao Tian, a young man who is famous recently. What is his relationship with Miss Yun? Is he her boyfriend?'

Countless thoughts flashed across the maid's mind, but she didn't dare to ask because she knew her place.

"If my manager comes here later, give my car keys to her. Oh, right! Tell her that I want to rest and don't want to be disturbed." Yun Xin Er gave the car keys to the maid before embracing Xiao Tian's right arm. "Little brother, let's head to my room."

"All right." Xiao Tian answered as he smiled.

The maid's eyes widened in surprise after hearing Yun Xin Er's words. Not only did Yun Xin Er suddenly bring a young man to her house, but she even wanted to bring him to her room. Like before, the maid didn't say a single word and only looked at them walking towards Yun Xin Er's room.

When Xiao Tian and Yun Xin Er stepped into her room, Xiao Tian could smell her fragrance in the room. Her bedroom was big. There was a king-size bed with a small white table on both sides. In front of the bed, there was a TV about 30 inches with an air conditioner above it.

There was a window with a checkered model decorated with a purple curtain on the right side of the bed. There was a large white wardrobe and dressing table on the left side of the bed, with a door to a private bathroom next to it.

Without changing her clothes, Yun Xin Er immediately laid down on the bed. "Little brother, come here."

Xiao Tian did what he was told and laid down on the right side of Yun Xin Er. Xiao Tian's face broke into a soft smile when Yun Xin Er suddenly embraced his left arm. "You should change your clothes first."

"It's troublesome. I'm too tired to change my clothes now." Yun Xin Er answered while closing her eyes.

Xiao Tian could only sigh after hearing her words. Because Xiao Tian could not force her to change her clothes, he let her do whatever she wanted.

Not long after that, Yun Xin Er fell asleep. Once again, a soft smile appeared on Xiao Tian's face when he saw her sleeping face.

Seconds turned into minutes, and thirty minutes had passed since Yun Xin Er fell asleep. At this moment, Xiao Tian was still awake because he was not sleepy at all. Suddenly, a loud thunderclap could be heard in his ears.

It seems like it will rain heavily. Xiao Tian thought to himself.

And what he had guessed was right, because not long after that, it was pouring down. Because Xiao Tian thought that Yun Xin Er would feel cold, he grabbed the blanket and tucked her.

When Xiao Tian saw her sleeping face, he rubbed her soft cheeks with his index finger. As he was looking at her pretty face, unconsciously, a soft smile spread across his face.

Seconds turned into minutes, and without realizing it, Xiao Tian had been staring at her face for twenty minutes before finally, he fell asleep too.

Xiao Tian only slept for about one and a half hours before finally, he woke up. Like before, when Xiao Tian saw Yun Xin Er was still sleeping, he kept looking at her face.

However, not long after that, Yun Xin Er finally woke up. A beautiful smile suddenly appeared on her face when he noticed Xiao Tian looking at her. "Did you look at me the whole time?"

"Yes." Xiao Tian decided to lie to her. "Seeing a famous woman asleep is a rare opportunity, so I don't want to let it slide."

Instead of feeling shy, Yun Xin Er pinched his nose and giggled, "Are you satisfied now? Not anyone can see my sleeping face, you know. Hehe."

"No." Xiao Tian shook his head. "I will never be satisfied seeing your beautiful face, even if I keep seeing your face until my last breath."

Even though it was a cheesy line, but Yun Xin Er was still happy after hearing it. "Until last breath? But forty years from now, my face won't be beautiful anymore because I will be an old lady."

Xiao Tian looked at her lovingly and said in a soft voice. "Even though there will be many wrinkles in your face forty years from now, but you will still be a pretty lady in my eyes."

"Oh! Do you plan to stay with me forty years later?" even though Yun Xin Er had no idea what would happen to their relationship in the future, but she was still pleased after hearing his words.

"Not until forty years, but until death do us part." Yun Xin Er had become one of the most important people in his life, so Xiao Tian wished they would never separate until they died.

Yun Xin Er didn't expect Xiao Tian would say something like that easily. But actually, she also wished they would stay together until death do them part.

Yun Xin Er suddenly realized the meaning of words that he had just said, "Little brother, are you proposing to me right now?"

Instead of giving her an answer, Xiao Tian asked her. "What do you think?"

"It seems to me that you want to marry me in the future." Yun Xin Er answered instantly.

"If I propose to you in the future, will you accept it?" even though Xiao Tian had no idea what would happen in the future, but Xiao Tian planned to marry all his women. He just hoped that they would be able to live in harmony later.

"I will reject you. Hehe." Yun Xin Er giggled before turning around to avoid his gaze. But suddenly, beautiful blush and smile emerged on her face.

Xiao Tian then embraced her from behind and said, "Oh! It seems like I have to try harder from now on. I will make you fall in love with her deeper and deeper until one day, you will not be able to live without me anymore."

Then Yun Xin Er placed her hands in his and said, "Then you have to make me happy every day if you want me to accept you as my future husband."

Xiao Tian embraced her tighter and whispered in her ears. "That's what I intend to do from now on."

"Then, good luck." Yun Xin Er couldn't help but feel happy after hearing his words

Then Xiao Tian and Yun Xin Er talked about many things while remaining in the same position.

Chapter 268 - You Indeed Have Tarnished Me

6-7 minutes

Not long after that, Xiao Tian made her face him and looked at her in the eyes. They looked into each other's eyes for about seven seconds before finally, Xiao Tian kissed her forehead gently.

When Xiao Tian's lips pressed against her forehead, Yun Xin Er could feel love in his kiss. Even though Yun Xin Er didn't say anything to him, she was pleased in her heart.

As if Xiao Tian was addicted to kissing her, he looked at her pretty pink lips after he broke the kiss.

At this moment, Yun Xin Er knew that Xiao Tian desired to kiss her lips. But because he had kissed her lips many times, she immediately shut her eyes to give him a sign that she was ready to welcome the kiss.

Without waiting for another second, Xiao Tian pressed his lips against hers. Soon Xiao Tian could feel the softness of her lips on his. This suddenly made Xiao Tian desire to kiss her passionately, but he tried his best to hold back.

It was not that he did not want to kiss her passionately, but he only wanted to enjoy the softness of her lips. At this moment, Xiao Tian suddenly didn't want to separate his lips from hers. For this reason, he kept pressing his lips on hers.

Yun Xin Er slowly opened her eyes when Xiao Tian was still kissing her. She just didn't expect that he would kiss her very long. And when Yun Xin Er saw the expression on his face, she guessed that he didn't intend to stop.

Of course, Yun Xin Er let him do whatever he wanted. And when Xiao Tian stopped the kiss, Yun Xin Er giggled and said, "Why did you kiss me so long this time?"

"Your lips are so soft, and it makes me want to feel it longer." Xiao Tian gave her an honest answer.

"Little brother, do you remember how many times you kissed my lips, cheeks, or forehead?" Yun Xin Er inquired.

"I don't know because we had kissed so many times." they had kissed many times since a few months ago, especially in the last few weeks since their relationship had gotten closer than before, so he lost count of the number of times he kissed her since they first met.

"Me too. We had kissed a lot even though we are still not lovers." Yun Xin Er spoke and paused for a second before she continued, "You won't think of me as an easy lady, right?"

"No." Xiao Tian answered instantly. "I even happy that I can kiss a beautiful lady like you. If anyone knew that we had kissed a lot until we even lost count, maybe they would kill me because they would think that I have tarnished their goddess."

"You indeed have tarnished me." Yun Xin Er said as she nodded her head.

Suddenly an exciting idea to tease her appeared on his mind. With this idea, Xiao Tian immediately said, "But I have only tarnished your lips, cheeks, and forehead. I still haven't done anything to your other body, like, your breasts. Hehe."

Because Xiao Tian teased her, Yun Xin Er decided to do the same. Then she began to unbutton her blouse until half of her breasts were visible in Xiao Tian's eyes. "If you want, you can tarnish my breasts too right now."

Xiao Tian didn't expect that she would do something like that, but of course, he knew that she only wanted to tease him.

However, Xiao Tian wanted to know what she would do if he really did what he was told. For this reason, Xiao Tian brought his face closer to her breasts, "All right."

Before Xiao Tian could do anything to her breasts, Yun Xin Er pushed his head away and laughed, "Hehe. Hey. I'm joking around. You are not allowed to do anything to my breasts, you know."

Actually, Xiao Tian had guessed that she would stop him. That was why Xiao Tian didn't feel sad about it because he knew that he would be able to enjoy her breasts with his mouth sooner or later. "But didn't you say that I can play with your beautiful breasts?"

"Not anymore. Hehe." Yun Xin Er said as she giggled. "Remember that kissing is the limit for us, so other than kissing is a big no."

"If so, then I will kiss you again." without waiting for her answer, Xiao Tian kissed her lips again.

And like before, Yun Xin Er did nothing when Xiao Tian was kissing her. However, this time, she didn't close her eyes; instead, she looked at him in the eyes.

After stopping the kiss, Xiao Tian rubbed her lower lip and said, "Even though it's a pity that I can't play with your breasts, I can at least taste your pretty and soft lips. Hehe."

"As long as it's only a kiss, you can do that anytime." Yun Xin Er loved kissing him, so she would let him kiss her anytime as long as he didn't do more than that.

"Anytime, huh?" even though they had kissed many times, Xiao Tian didn't expect that Yun Xin Er would say something like that to him. It was as if she wanted him to kiss her every day.

When Yun Xin Er realized what she had just said, she immediately corrected her words. "I mean, you are allowed to kiss me as long as you can make me happy."

"For the sake of kissing your lips, I will make you happy every day." Xiao Tian answered immediately.

"Hehe. You sound like a pervert after saying that." Yun Xin Er found it funny hearing what he had just said. But even so, Yun Xin Er was still happy because, with this, she knew that he loved kissing her too.

As if being labeled as a pervert was something to be proud of, Xiao Tian said with a straight face, "I'm indeed a pervert. A handsome pervert."

"Hehe." Yun Xin Er didn't expect that Xiao Tian would say something like that. "If so, then should I call you 'pervert' from now on?"

"As long as I can play with your breasts, I will allow you to call me 'pervert'." Xiao Tian answered instantly.

"Dream on." Yun Xin Er said as she giggled.

Then Xiao Tian and Yun Xin Er laughed at the same time.

Chapter 269 - I Win, Little Brother

6-7 minutes

Xiao Tian was pleased when he could embrace Yun Xin Er while talking many things. Not only was he able to hug her, but he could also smell the fragrance of her body.

This made Xiao Tian wanted to keep talking while embracing her. However, Yun Xin Er suddenly removed his hands from her waist and got out of the bed. "Xin Er, where are you going?"

Yun Xin Er turned her head toward Xiao Tian and said, "I want to take a bath."

Upon hearing her words, Xiao Tian started to smirk. With a mischief idea on his mind, he also got out of the bed and grabbed her hands, "How about we take a shower together?"

Of course, Xiao Tian was joking around because he only wanted to know what she would do after hearing his words.

"All right." Yun Xin Er smiled as she nodded her head.

'Eh!'

Her words greatly surprised Xiao Tian. He found it hard to believe that she agreed to his idea without thinking twice.

'What? She even forbade me to play with her breasts, so how could she let me take a bath with her?'

At this moment, Xiao Tian suddenly guessed that Yun Xin Er wanted to tease him again. However, he decided to play along with her game because he wanted to know what she would do to him later.

"Good." Xiao Tian pretended to be happy as if he had no idea that she was planning something for him.

Yun Xin Er then embraced his right arm and said, "Let's take a shower together."

"Un," Xiao Tian nodded his head.

Because there was a private bathroom in Yun Xin Er's room, they didn't need to walk out of her room. When they were about to enter the bathroom, Yun Xin Er pushed Xiao Tian away and dashed into the bathroom.

However, because Xiao Tian knew that she was planning something when Yun Xin Er wanted to close the door, he immediately prevented it with his feet. "Xin Er, what are you doing? Didn't you say that we will take a bath together?"

At this moment, Yun Xin Er began to panic. Because she failed to close the door, she thought that Xiao Tian would try to enter the bathroom too.

Even though she was fine with him kissing or embracing her, but bathing together was a big no for her. For this reason, Yun Xin Er tried to think of a way to remove his feet from the door.

After thinking for five seconds, Yun Xin Er suddenly found a brilliant idea. With that idea on her mind, Yun Xin Er embraced Xiao Tian before finally, kissing his lips.

Her action much surprised him. Xiao Tian didn't expect that Yun Xin Er would suddenly kiss and hug him like that.

When Yun Xin Er noticed that Xiao Tian had lowered his guard, she immediately broke the kiss and pushed him away. "I win, little brother. Hehe."

After saying that, Yun Xin Er closed the door and locked it.

'It's my win, Xin Er.'

Xiao Tian smiled before finally, he sat on the bed and watched TV.

After several minutes, Yun Xin Er came out of the bathroom in a bathrobe. "What are you watching?"

"You." coincidentally, Xiao Tian was watching Yun Xin Er when the TV show invited her.

Yun Xin Er then sat on his right side and said, "The real person is next to you, so why are you watching me on TV?"

"Because earlier, you were in the bathroom." Xiao Tian answered instantly.

Yun Xin Er pinched his lower's lip gently and said, "You really know how to answer everything, huh?"

Sometimes, Yun Xin Er wanted to know how Xiao Tian could answer everything instantly. It was as if he knew what other people wanted to say to him.

Xiao Tian removed her hands from his lips and said, "My mouth is amazing, you know. Not only can my mouth answer everything, but my mouth can also do other extraordinary things, you know."

"Oh! Really? Like what?" Yun Xin Er inquired.

Instead of giving her an answer, Xiao Tian asked her, "Do you want to know?"

"Yes." Yun Xin Er nodded her head.

"Like this." without giving her a chance to do anything, he immediately kissed her lips. But he didn't stop there, because when their lips met, Xiao Tian immediately put his tongue into her mouth.

And like usual, Yun Xin Er didn't try to stop him. She even opened her mouth and let him do whatever he wanted.

Xiao Tian kissed her passionately for about a minute before finally, he stopped the kiss. "How is it? My mouth is amazing, right?"

Yun Xin Er wiped off her saliva with her thumb and said, "Not bad."

The corner of Xiao Tian's lips twitched after hearing her words.

'Not bad? You even kissed me back earlier.'

Xiao Tian answered her in his mind.

"You can take a bath if you want. There is a clean bathrobe in the bathroom." Yun Xin Er spoke.

"All Right." Xiao Tian then rose from the bed and headed to the bathroom.

Unlike Yun Xin Er, Xiao Tian only needed ten minutes to finish bathing. After wearing a bathrobe, Xiao Tian walked out of the bathroom.

"Oh! You have finished showering?" at this moment, Yun Xin Er was wearing a skirt and a white T-Shirt.

"Yes." Xiao Tian walked forward before finally, he stopped in front of the TV.

What a handsome young man! He even still looks handsome before dressing up. Yun Xin Er thought to herself.

When Xiao Tian felt that Yun Xin Er was looking at him intently, he turned his head toward her and asked, "What is it?"

Upon hearing his words, Yun Xin Er immediately came to her senses and replied, "Nothing."

Xiao Tian then started to smirk and spoke, "Do you want to see my upper body again?"

"Oh, good idea! Please show me your bare upper body." Yun Xin Er looked at him and answered instantly

"All right." because Xiao Tian wanted to tease her, he immediately untied the bathrobe belt and showed his upper body to her.

"Not bad." Yun Xin Er then walked closer toward him. However, when she was in front of him, she suddenly fell. "Kya.."

When Yun Xin Er was about to get up, her eyes suddenly widened in surprise. She didn't expect that she would see a giant snake sleeping in the growing forest when she was about to stand up.

Chapter 270 - Tian, My Knees Hurt So Much

5-7 minutes

Xiao Tian immediately squatted down and spoke, "Are you alright?"

"Yes. I'm fine." when Yun Xin Er gave Xiao Tian an answer, she didn't look at him in the eyes; instead, she stared at his cock.

'This is the first time I've seen a real cock. From the information on the internet, I'm sure his cock belongs to the large category.'

At this moment, Yun Xin Er didn't realize that she was staring at Xiao Tian's cock intently. She even forgot that Xiao Tian was in front of her.

In the past, she had seen the shape of Xiao Tian's cock, but at that time, Xiao Tian was still wearing shorts. However, this time, nothing blocked Yun Xin Er's view of seeing his cock. Yun Xin Er was able to clearly see his pubic hair, testicles, and the shape of his cock.

Thump...Thump...Thump...

Yun Xin Er's heart was suddenly beating faster, and her breath was also getting shorter. But still, Yun Xin Er kept staring at Xiao Tian's cock without caring what would he think of her as if she had forgotten that Xiao Tian was in front of her.

Gulp...

Yun Xin Er couldn't help but gulp her saliva when she observed Xiao Tian's huge cock. Maybe, because it was the first time she had seen a real cock, Yun Xin Er's body suddenly turned hot.

Because Xiao Tian wasn't a shy person and he was also satisfied with the size of his cock, he did nothing and let Yun Xin Er keep gazing at his cock.

Xiao Tian wanted to know what she would do after staring at his huge cock. Will she do the same thing as what his aunt and mother did in the past or not?

Like when Ye Qingyu and Ye Xueyin saw Xiao Tian's cock a few months ago, the longer Yun Xin Er stared at his cock, the more she desired to touch it.

For this reason, Yun Xin Er stretched out her right arm. But when she was about touch Xiao Tian's cock, she suddenly came to her senses.

After realizing what she was about to do, Yun Xin Er didn't know what she should do or say to him. Suddenly a complicated feeling could be seen on her face.

Yun Xin Er wanted to give him an excuse, but she had no idea what was the best excuse to use at that time. For this reason, Yun Xin Er raised her head to look at his face.

At this moment, Yun Xin Er guessed Xiao Tian would tease her immediately because she had done something unusual.

However, because Yun Xin Er was unable to see his gaze for a long time, she immediately shut her eyes and was ready to hear his teasing words.

Xiao Tian almost laughed when he saw what she was doing. He didn't expect that Yun Xin Er had an adorable behavior too.

As if Xiao Tian didn't know what she was doing earlier, he cupped her face and said worriedly, "Why are you closing your eyes? Are you hurt? Let me see it so that I can give you first aid."

Yun Xin Er found it hard to believe what she was hearing. Earlier, she thought Xiao Tian would tease her immediately, but she was wrong.

Not only did he not tease her, but from his voice, Xiao Tian was concerned about her condition. Yun Xin Er was pleased by this because she could change the topic with this. "Tian, my knees hurt so much."

Yun Xin Er pretended to feel pain in her knees because it was the best excuse that could be used. She just hoped Xiao Tian didn't notice that she was lying to him.

Even though Xiao Tian knew that she was lying, he pretended as if he knew nothing. Without fixing his bathrobe, Xiao Tian carried Yun Xin Er and placed her on the bed.

I will make you feel more aroused by showing my cock. Xiao Tian thought to himself.

As if Xiao Tian was too worried until he forgot that his cock was visible to her eyes, he immediately massaged Yun Xin Er's right knee, "Does it hurt here?"

"Un." because Yun Xin Er had lied to him, she had no choice but to keep lying to him.

As Xiao Tian was massaging her knees, Yun Xin Er could not help but glance at his cock again when she noticed that Xiao Tian's cock was still visible.

'Woa! Look at her! She keeps looking at my cock. She even didn't bother covering her eyes.'

When Xiao Tian was massaging her knees, sometimes, he stole glances at her because he wanted to know whether she still stared at his cock or not.

Xiao Tian didn't expect that Yun Xin Er would keep pretending to feel pain in her knees and took advantage of the situation to look at his cock.

'She is really enjoying herself.'

Xiao Tian could not believe that Yun Xin Er didn't try to tell him that his bathrobe was open.

"Ahh... Tian, it hurts." Yun Xin Er pretended to feel so much pain in her knees to make Xiao Tian unsuspecting her.

Because Xiao Tian wanted to know how long she would keep glancing at his cock, he decided to keep massaging her knees. "Is it better now?"

"Yes. It feels better now." Yun Xin Er nodded her head while still looking at Xiao Tian's cock.

Yun Xin Er suddenly felt that her panties began to wet. This made her realize that she had to stop staring at Xiao Tian's cock.

However, when Yun Xin Er wanted to do that, she suddenly could not take her eyes off Xiao Tian's cock as if her eyes had its own mind.

Yun Xin Er realized that the only way to get rid of the aroused feelings in her body was to tell Xiao Tian to fix his bathrobe. For this reason, Yun Xin Er opened her small mouth. However, when she wanted to say it, Yun Xin Er suddenly felt the words stuck in her throat.

When Yun Xin Er was glancing at Xiao Tian's cock, suddenly something unexpected happened. "Ahhh"
