

Illicit 271

Chapter 271 - I'm Not Blushing

Yun Xin Er didn't expect that Xiao Tian's cock started getting bigger and standing mightily. Not only that, but his cock also started to throb as if Xiao Tian's cock wanted to tease her and find out how long she could hold back the flame of lust within her body.

When Xiao Tian heard her screams, he pretended to be surprised, "What's wrong? Does it hurt so much?"

"Yes." there was no way Yun Xin Er would say the reason she shouted earlier was that she saw his cock throbbing hard. That was why Yun Xin Er decided to lie again.

'Damn! She is really enjoying herself.'

Earlier, Xiao Tian tried to recall the time when he was having wild sex with Shi Fei so that he could make his cock erect. After his cock slowly erect, Xiao Tian made it throb because he wanted to know what she would do after seeing it.

He just didn't expect that Yun Xin Er would remain silent while enjoying the view of his cock. But when Xiao Tian's noticed her reaction, he suddenly guessed that Yun Xin Er was still a virgin. That was why she kept looking at his cock.

It was impossible for an experienced woman to behave like that just because they saw a throbbing cock. Xiao Tian just didn't expect that Yun Xin Er was a perverted lady too.

Because Yun Xin Er always seduced and teased him, Xiao Tian thought that she would behave differently. He had no idea that she would act like a virgin lady who saw real cock for the first time.

'How can he not notice that his bathrobe is open? Does he show his cock on purpose? Does this mean he has shown his cock to Miss Lin too? But when we were on a date in the past, he said that Miss Lin and he were still not lovers, so it's almost impossible for him to show his cock to Miss Lin. Wait! Our relationship is also not a pair of lovers, but he still shows his cock to me. Is he a pervert?'

Countless thoughts flashed across Yun Xin Er's mind. She wanted to know whether Xiao Tian realized that she could see his cock or not.

Because Xiao Tian thought that it was enough to tease her, he immediately fixed his bathrobe and said, "Ah! I didn't notice that my bathrobe is open."

In order to avoid his gaze, Yun Xin Er immediately turned her head to the other side. At this moment, she hoped Xiao Tian didn't notice that she looked at his cock the whole time earlier. "My knees are fine. You can stop massaging it now."

"All right." Xiao Tian stopped massaging her knees.

Yun Xin Er didn't know why she suddenly felt disappointed when she was unable to see Xiao Tian's cock anymore. But of course, she didn't say it or show it on her face because she believed Xiao Tian would make fun of her if she did it.

Then Xiao Tian laid down on Yun Xin Er's left side before placing her head on his right arm. "Xin Er, what's wrong? Why are you blushing?"

When Xiao Tian noticed Yun Xin Er still blushing, he decided to tease her. Xiao Tian was curious about what excuse she would use this time.

"I'm not blushing. I'm just feeling hot." because the image of Xiao Tian's cock was still in her mind, Yun Xin Er couldn't think straight. That was why she didn't realize that she gave him an odd excuse.

Xiao Tian looked at her and said, "But it's raining heavily right now, and the atmosphere is cold because of it. So, how can you still feel hot?"

Yun Xin Er suddenly realized that she gave a wrong excuse earlier, but because she had said it, she could not take her words back. "Well, it because my bo-"

*Rumble..Tarrrr...

Suddenly a loud sound of thunderclap could be heard in their ears.

Hearing it, Yun Xin Er stopped her words and immediately hid her face on Xiao Tian's chest, "Tian...."

Xiao Tian didn't expect that Yun Xin Er was afraid of a thunder. Because he knew that it was not the right time to tease her anymore, Xiao Tian embraced her and said in a soft voice, "It's fine. It's just thunder."

Yun Xin Er looked at Xiao Tian's face and said, "But I'm afraid of it."

Xiao Tian then grabbed the blanket and tucked them. Then he rubbed her hair and said, "Don't be afraid because I'm here."

"Un." Yun Xin Er suddenly didn't feel afraid anymore. The warmth of his embrace, coupled with his gently stroke, made Yun Xin Er feel secure.

Then they talked in the same position for one and a half hours. And when the rain stopped, Xiao Tian immediately returned home. Before going home, Xiao Tian gave his clothing design to her.

Yun Xin Er was pleased when she knew that no one would have the same clothes as hers because Xiao Tian only produced one piece of clothing and gave it to her.

With this, Yun Xin Er understood that her place in Xiao Tian's heart had improved significantly. For this reason, Yun Xin Er kissed him as thanks.

After Xiao Tian arrived home, he spent time with his mother and aunt before they finally slept in his room. The next day, Xiao Tian gave his clothing design to Lin Xing Xue, Feng Yu, and Liu Ning.

Time went by quickly, and three weeks passed in the blink of an eye. In those three weeks, Xiao Tian's relationship with Feng Yu was getting much closer than before. Even though sometimes she still ignored him, but Feng Yu began to talk a lot to him.

Xiao Tian's relationship with Liu Ning was also getting better. They went on a date several times in those three weeks, and now she didn't feel sad anymore.

"Ahh. What a wonderful life!" Xiao Tian, who was sitting on the work chair in his office, said happily.

Shit! I'm like a crazy person talking alone like that. Xiao Tian thought to himself.

Suddenly his smartphone rang, indicating an incoming call.

'Liu Ning?'

Xiao Tian immediately picked up the phone and said, "Lady Liu, go-"

However, before Xiao Tian had finished his words, Liu Ning immediately said, "Xiao Tian, help me. Feng Ao is at my home right now. He wants to do something to me."

"What?" Xiao Tian shouted in surprise.

Chapter 272 - What The Fuck Are You Doing?

6-7 minutes

Xiao Tian immediately rose from the chair and dashed toward his car, "Where are you right now?"

"I'm at home." Liu Ning answered instantly. "Please come here quickly."

"Don't be afraid. I will be there soon." from her voice, Xiao Tian knew that Liu Ning was very scared.

Actually, Xiao Tian didn't care about her, but because he still needed to pretend to be a good friend, Xiao Tian had to help her.

"Liu Ning, open the door! Your husband wants to meet you. Why did you lock the door?" from Xiao Tian's smartphone, Feng Ao's voice could be heard.

'How did he get out of prison? Who helped him?'

Earlier, Xiao Tian was shocked when Liu Ning said that Feng Ao wanted to hurt her. He thought that Feng Ao would never get out of prison. With this, Xiao Tian intended to ask Zhao Sheng later.

Feng Ao's home.

"Liu Ning, open the door!" Feng Ao shouted as he kept hitting the door. He was annoyed that Liu Ning suddenly locked herself in their bedroom when he wanted to talk to her. "Open now, or I will break the door!"

"Xiao Tian, hurry up. He wants to break the door." Liu Ning was very scared when Feng Ao said that he would break the door. Liu Ning knew that if she opened the door, Feng Ao would do something to her.

"Don't open the door, whatever happens!" Xiao Tian knew that he had to reach her house as soon as possible. For this reason, Xiao Tian drove the car faster.

Slam...

Feng Ao, who was furious because Liu Ning didn't listen to his words, kicked the door very hard, causing the door to open.

Because all the maids had left after Feng Ao's family fell apart, Liu Ning was alone at home, so at that time, no one could help her. That was why she hoped Xiao Tian would come soon.

"Don't come closer!" when she saw Feng Ao walking closer toward her, a feeling of fear could be seen on Liu Ning's face.

Liu Ning immediately looked for something that could be used as a weapon, but she found nothing. This made Liu Ning more scared.

"My beautiful wife, your husband, has come to meet you, so why are you behaving like this? Don't you love me anymore?" actually, after Feng Ao was released from prison, he wanted to get revenge on Da Gui and Xiao Tian immediately. But he changed his mind when he remembered that Liu Ning had an affair with Xiao Tian.

Feng Ao was still jealous that his beautiful wife had slept with another man when he had given her a luxury life every day.

No one was allowed to touch her body because she belonged to him alone. As someone who belonged to him, Liu Ning had to follow his every word, and of course, she also had to satisfy him whenever he wanted to have sex with her.

When Feng Ao saw her pretty face and perfect body, the flame of lust within him began to blaze. His eyes were burning with lust, and the expression on his face was like a pervert who had never seen a woman before.

"My wife, I was lonely in prison. Why have you never visited me in prison? But because I, your husband, am a kind man, I will forgive you, but..." Feng Ao observed Liu Ning's body from head to toe. "You have to satisfy me first. It's been a long time since we last had sex, right?"

When Liu Ning noticed the hairdryer, she immediately grabbed it and tried to hit Feng Ao's head with it, "Go to hell, Feng Ao!"

However, Feng Ao was able to catch it. Without waiting for another second, Feng Ao slapped her in the face, "Slut! How dare you try to hit me with a hairdryer? You are still my wife, so if I want to sleep with you, you have to agree with that!"

Because Feng Ao slapped her very hard, Liu Ning fell to the floor. Liu Ning knew that she would never win against him. For this reason, she tried to run away from him.

However, Feng Ao immediately grabbed her hands and pushed her to the bed, "My beautiful wife, where did you want to go? You have to satisfy me first."

*Ptoeey

Liu Ning spit on Feng Ao's face. "I will never satisfy your lust anymore!"

Feng Ao wiped off the spit on his face with his right hand before finally licking it. "Tasty! Now let me get a taste of your body too. Hehe."

Without waiting for another second, Feng Ao tore Liu Ning's T-shirt. When he saw her beautiful breasts, he stuck out his tongue and looked at her breasts with lustful eyes.

However, before Feng Ao could do anything to her breasts, Liu Ning hit his nose very hard, causing blood to come out of his nose.

Feng Ao was annoyed by her action and slapped her in the face very hard again. "Slut! What the fuck are you doing? How dare you hit your husband when he wants to have sex with you!"

Liu Ning felt so much pain in her face after being slapped by Feng Ao. Tears fell down her soft cheeks, and the slap marks could be clearly seen on her cheeks.

Because Liu Ning felt so much pain in her face, she lost all her strength. At this time, she could only hope Xiao Tian would immediately help her from Feng Ao.

When Feng Ao noticed Liu Ning didn't resist anymore, he patted her right cheek and said happily, "Good, Good! Every man loves an obedient wife. If you didn't resist from the start, something like this would not happen to you. Now let's enjoy ourselves."

At this moment, Feng Ao didn't care about Liu Ning's feelings. All he wanted to do was sleep with her before getting revenge on Xiao Tian and Da Gui.

Both of them had destroyed his wonderful life. Not only that, but Xiao Tian even slept with his beautiful wife. Remembering this made Feng Ao angrier. Feng Ao swore that he would teach them a lesson, a lesson that they would never forget until they died.

'Xiao Tian, help me.'

At this moment, she hoped that Xiao Tian wasn't too late to save her.

Chapter 273 - That Is Me, Xiao Tian

6-8 minutes

After Xiao Tian arrived at Liu Ning's house, he immediately dashed into her home without closing the car door because he knew that every second was important.

When he saw Feng Ao trying to rape Liu Ning, he immediately kicked Feng Ao's waist very hard, causing Feng Ao to fall to the floor.

"Fuck! Who dare to kick me?" Feng Ao shouted angrily.

"That is me, Xiao Tian." Xiao Tian then looked at Liu Ning's condition. When he saw red slap marks on her face and her torn T-shirt, his eyes were filled with a flame of fury as he stared at Feng Ao.

"Xiao Tian." Liu Ning was pleased when Xiao Tian arrived before something happened to her.

"Don't be afraid because I'm here. Nothing will happen to you now." Xiao Tian's expression turned soft when he talked to Liu Ning.

"Un." Liu Ning had no idea why she suddenly felt secure when Xiao Tian was by her side. She felt that everything would be fine as long as Xiao Tian was beside her.

"Good! You have come, Xiao Tian. I don't need to look for you anymore now." Feng Ao rose to his feet and looked at Xiao Tian with killing intent in his eyes. "Previously, I want to look for you after satisfying myself first. I didn't expect that you would appear in front of me right now. Because you have an affair with my wife, I will teach you a lesson now."

Without waiting for another second, Feng Ao raised his right hand and threw his fist toward Xiao Tian's head.

"Xiao Tian, be careful." Liu Ning shouted when she saw what Feng Ao was doing.

'You want to teach me a lesson? Let's see who will laugh at the end.'

When Xiao Tian saw Feng Ao throwing his fist toward him, Xiao Tian remained in the same place.

At this moment, Feng Ao smiled evilly because he thought Xiao Tian was unable to dodge his fist. With so much strength that he put in his fist, Feng Ao was sure that Xiao Tian would be seriously injured if his fist hit Xiao Tian's head.

Like what the actors in the martial arts movies did, when Feng Ao fist almost reached his face, Xiao Tian dodged it by tilting his head to the left.

The smile was frozen on Feng Ao's face. He could not believe that Xiao Tian was able to dodge his fist. Not only that, but Xiao Tian did it with a calm face as if all Xiao Tian did in his whole life was fighting and fighting.

Liu Ning was shocked when she saw Xiao Tian dodging Feng Ao's fist easily. Earlier, she thought Xiao Tian would get hit by Feng Ao, but she was wrong. She was utterly wrong.

Not only had he not been hit by Feng Ao's punch, but Xiao Tian also had a calm expression on his face as if Xiao Tian could guess the direction of his punch.

Xiao Tian didn't just avoid Feng Ao's fist, but he also did a counter-attack at the same time. His attack was so powerful and landed right at the weak point of the human body.

Because Feng Ao thought that Xiao Tian would get hit by him, Feng Ao didn't have time to dodge when Xiao Tian landed his fist on his mid torso. As a result, Feng Ao coughed up blood before falling to his knees.

Xiao Tian's eyes gleamed with terrifying sharpness as he stared at Feng Ao. "This is still not enough to repay what you have done to Liu Ning."

Without waiting for another second, Xiao Tian kicked the right side of Feng Ao's head.

Feng Ao immediately placed both of his hands on the right side of his head to block Xiao Tian's kick. But because Xiao Tian's kick was very powerful, Feng Ao was still thrown to the dressing table. When Feng Ao noticed make-up tools, he grabbed it and threw it toward Xiao Tian.

Some of the make-up tools hit Xiao Tian's body, but because it was only make-up tools, he had no injuries.

Xiao Tian was annoyed by this and was about to hit Feng Ao again. However, this time, Feng Ao was faster than him. And as a result, Feng Ao successfully landed a punch on his chin and cheeks.

"Xiao Tian." Liu Ning shouted when she saw blood on Xiao Tian's mouth.

"Good! Good! It's been a long time since someone could injure me in a fight." Xiao Tian's expression changed to become very frightening as if he were no longer human, but a devil.

Xiao Tian's blood boiled within his body, and suddenly a smile that could frighten anyone appeared on his face.

In his past life, Xiao Tian had fought with his father and his martial art teachers more than six hundred times. Even though he rarely won the fights, but he never lost when he fought with others.

His martial art masters even said that he was a genius in martial art. He could learn everything instantly as if he could copy anything with his eyes.

For this reason, his past life father brought him when he wanted to destroy his company rival. His previous life father turned into a dangerous man after his past life mother passed away.

Even though his past life father often smiled and liked playing with women, but under his previous life father's brilliant smile, there was an evil side of him that was hidden.

One of the reasons, his past life father could become the wealthiest person in Beijing was that his previous life father always destroyed anyone who dared to block his way.

By the age of eighteen, his past life father took him to kill someone, and by the age of nineteen, he killed people for the first time in his life.

His past life father always told him to get rid of anyone who was potentially a threat to him and never gave them a chance to fight back because that could have fatal consequences for him in the future.

Because his past life father kept saying the same thing every single day, the words became one with his blood. This was also the reason why Xiao Tian wanted to kill Liu Ning in the past.

"Interesting, interesting." Xiao Tian wiped the blood with his right thumb.

When Liu Ning saw the expression on Xiao Tian's face, she suddenly felt afraid of him. Not only that, but she also felt that she didn't know Xiao Tian anymore because he looked like a completely different person.

Liu Ning had no idea what had happened to Xiao Tian. Earlier, he was like his usual self, but when blood came out of his mouth, he suddenly changed into a different person.

Liu Ning disliked Xiao Tian's current expression very much because she felt that Xiao Tian didn't know her anymore. Liu Ning wanted to stop him and bring back his usual self, but when she saw the expression on his face, her instinct told her not to do anything.

Liu Ning wasn't the only one who was surprised, but Feng Ao too. When he saw the smile on Xiao Tian's face, he felt as if he saw a demon in front of him.

"Let's continue our fight." Xiao Tian said evilly.

Chapter 274 - Xiao Tian, Don't Leave Me Alone.

7-9 minutes

Even though Xiao Tian didn't practice martial arts, which he mastered in his previous life every day, but he always trained whenever he had free time, especially in the last three weeks.

Xiao Tian realized that he had to make his new body stronger because it could benefit him a lot in the future. Not only was it useful for self-defense, but it would also help him when having sex with his women.

There was even a time where he practiced martial art in the backyard the whole day until it much surprised Ye Qingyu and Ye Xueyin.

Although his current body wasn't as strong as his previous body, Xiao Tian was satisfied with the progress of his training.

Because it was very easy to train his new body, Xiao Tian even thought that his predecessor had learned martial arts before. But it was only his guess because Xiao Tian had no idea what his predecessor did in his whole life.

Until now, Xiao Tian didn't know why he couldn't see all the memories of his predecessor, especially the memories of his predecessor when he was a child.

In his past life, Xiao Tian or Huang Chen had learned several martial arts, but in his current life, he only practiced two of them; Moon Sword martial arts and Dragon Hands martial arts.

Those two martial arts were the strongest among all of the martial arts, which he mastered in his previous life. What made them special was that those martial arts had a secret move, which could be fatal to opponents if they were hit by those secret moves.

"Do you want me to make the first move?" Xiao Tian asked evilly.

Even though his mind kept telling him to run away, but Feng Ao still wanted to fight Xiao Tian. When he was still a college student, Feng Ao had learned martial art for three years, so he would lose face if he decided to run from the fight.

This made Feng Ao more unwilling to run because he was sure that he could beat Xiao Tian. Feng Ao kept telling himself that he was reckless earlier. Like before, Feng Ao threw his fist toward Xiao Tian's nose again.

Before Feng Ao's fist could reach his nose, Xiao Tian deflected it to the left side with his right hand. At the same, Xiao Tian spun and threw an elbow towards Feng Ao's head.

After being hit by Xiao Tian's attack, Feng Ao felt a little dizzy, but he could still stand up. Feng Ao was annoyed by this and raised his left leg to kick Xiao Tian.

However, Xiao Tian didn't give Feng Ao a chance to counter-attack. Xiao Tian immediately threw his right knee into Feng Ao's mid-torso. When Feng Ao took two steps back after being hit by Xiao Tian, Xiao Tian jumped and attacked Feng Ao's head with his right elbow.

Bang...

Feng Ao fell to his knees. At this moment, blood was dripping down from his mouth and head. Feng Ao didn't expect that he was unable to land a hit on Xiao Tian.

As if Xiao Tian wanted to finish Feng Ao quickly, he threw his kick to the right side of Feng Ao's head.

Bang...

Feng Ao fell to the floor.

Then Xiao Tian stepped on Feng Ao's face and said coldly, "Is this all you can do? I thought you are stronger than this. Boring!"

"Xi...Xiao Tian." because Xiao Tian still had a scary expression on his face, Liu Ning was afraid to approach him.

"Lady Liu, it's over now." when Xiao Tian looked at Liu Ning, the scary expression on his face disappeared without a trace.

This dumbfounded Liu Ning. Earlier, Xiao Tian was like a demon who wanted to devour everything, but now, his expression was gentle as if he was the kindest person in the world.

Not only that, the bright smile on his face, which appeared out of nowhere, seemed like a smile belonging to a man who had never done bad things in his life.

If Liu Ning hadn't seen it with her own eyes, she would never have believed that Xiao Tian had a scary side hidden within him. Liu Ning could hardly believe that Xiao Tian's expression could change from terrifying to gentle in a second.

Xiao Tian walked toward Liu Ning, and when he was in front of her, he said in a soft voice, "You should change your clothes first. Don't worry about him because everything is fine now."

Liu Ning suddenly realized that all this time, her breasts were visible. She immediately covered it with her hands and nodded her head. "All right."

"Now it's time to mak-"Xiao Tian stopped his words when he noticed that Feng Ao was no longer in Liu Ning's room.

'Fuck! I should have broken his legs before.'

Xiao Tian cursed venomously in his heart when he knew that Feng Ao had escaped.

'How could I not know that he ran away? Is my instinct weakening because I don't practice martial arts every day?'

Xiao Tian was annoyed by this because he knew that Feng Ao would be a threat in the future.

"He managed to escape! I need to find him." Xiao Tian thought that Feng Ao was still near them, so he wanted to find Feng Ao and finish him.

"Xiao Tian, don't leave me alone." Liu Ning was afraid that Feng Ao would come back when she was alone. That was why she immediately stopped Xiao Tian when she knew that Xiao Tian wanted to find Feng Ao.

At this moment, Xiao Tian was wavering whether he should chase Feng Ao or not.

'What should I do? I'm afraid that Feng Ao will hurt people who are important to me if I don't finish him now. However, I can't leave Liu Ning alone with a condition like that.'

When he saw the expression on Liu Ning's face, Xiao Tian decided not to chase Feng Ao because he knew that Liu Ning was afraid of being alone.

"All right." when Xiao Tian noticed Liu Ning was still sitting on the bed, he sighed. "What's wrong? Didn't you say that you would change your clothes?"

"That is..." because Xiao Tian was still in front of her, Liu Ning was too shy to change her clothes. "Can you wait outside?"

'Ah! I see.'

Xiao Tian just realized that Liu Ning would not change her clothes if he remained in her room.

"All Right." because Xiao Tian didn't want anything to happen to her again, he stood in front of her room.

Not long after that, Liu Ning came out of her room. She then walked toward Xiao Tian and said, "Xiao Tian, thank you."

"Un." because Xiao Tian thought that her house was no longer a safe place for her, he decided to take her to a safe place. After thinking for several seconds, he finally found the right place for her. "This place is no longer safe. Let's find a place for you to live temporarily."

"Where is it?" Liu Ning also thought that she should leave her home because she was afraid that Feng Ao would come and try to hurt her again.

"I have a place in mind. Let's go." Xiao Tian grabbed her hands and walked towards his car.

"Un." even though Liu Ning had no idea where he would bring her, she didn't say a single word and just followed him.

After several minutes of driving, they finally arrived at their destination.

"Red Flower Bar?" Liu Ning was shocked when Xiao Tian brought her to Red Flower Bar. Earlier, she thought Xiao Tian would bring her to a hotel or something like that, but she was wrong. Liu Ning didn't expect that Xiao Tian would take her to the famous bar in Shanghai.

Xiao Tian knew that Liu Ning was curious why he brought her to Red Flower Bar, so he began to explain it. "I know the owner of Red Flower Bar. You will be safe in Red Flower Bar because there are many bodyguards here."

After they entered the bar and asked Guang Song, where Lan Ruoxi was, Guang Song guided them to her room.

Knock...Knock...Knock...

After knocking the door, Guang Song said, "Big sister Ruoxi, young master Xiao is looking for you."

Not long after that, the door was opened by someone. Soon, a beautiful mature lady with a smile on her face could be seen. "Young master Xiao, come in."

Chapter 275 - You Don't Need To Call Him

8-10 minutes

After they entered the guest room, they immediately sat on the couch.

Lan Ruoxi was surprised when she saw Xiao Tian with Liu Ning. However, when she saw the red marks on Liu Ning's face, she knew that something had happened to Liu Ning.

'He really knows lady Lan Ruoxi? What relationship does he have with her?'

Liu Ning looked at Xiao Tian in shock. She didn't expect that Xiao Tian had a relationship with many famous people.

First, it was Yun Xin Er, after that Zhao Sheng and now Lan Ruoxi. What made Liu Ning curious was that Xiao Tian seemed to have a close relationship with all of them.

"What happened, young master Xiao? Who is this lady?" even though Lan Ruoxi knew who Liu Ning was, she pretended as if she knew nothing. "Why is there a slap marks on this woman's face?"

Xiao Tian didn't expect that Lan Ruoxi was good at pretending. "She is Liu Ning. Earlier, her husband wanted to do hurt her."

Lan Ruoxi was stunned for two seconds after hearing Xiao Tian's words. She didn't expect that Feng Ao was no longer in prison. However, from Xiao Tian's expression, Lan Ruoxi knew that someone released Feng Ao from prison.

Like before, Lan Ruoxi still pretended as if she knew nothing. "Lady, did you fight with your husband? Why did you get hurt like this?"

Because Liu Ning thought that Lan Ruoxi didn't know anything, she began to explain everything to Lan Ruoxi.

As if Lan Ruoxi was an experienced actress, she could make Liu Ning believe that she knew nothing about them with her acting. "I see. Don't worry lady. You can stay here for a while. I will protect you."

Even though Xiao Tian still hadn't said anything to her, but Lan Ruoxi knew the reason Xiao Tian brought Liu Ning to her place was that he wanted her to protect Liu Ning for a while.

Because she also didn't want Feng Ao to hurt Liu Ning again, she agreed to help Liu Ning. As a woman, Lan Ruoxi understood Liu Ning's feelings very well. That was why she didn't reject Xiao Tian's idea.

"Thank you, lady Lan." Liu Ning was really grateful that Lan Ruoxi wanted to help her.

However, Liu Ning knew the reason Lan Ruoxi agreed to help her was that Xiao Tian was the only who brought her to Lan Ruoxi. This made Liu Ning more curious about the relationship between Xiao Tian and Lan Ruoxi.

Because Lan Ruoxi thought that Liu Ning needed to rest, she immediately said, "Lady Liu, you look so tired now. Do you want to rest now? It can help you calm your mind. I have several spare rooms here."

Liu Ning didn't immediately answer and only looked at Xiao Tian. When she saw Xiao Tian nodding his head, Liu Ning agreed to Lan Ruoxi's suggestion. "All right."

Actually, Liu Ning also wanted to rest to refresh her mind from what had happened to her today.

Clap...Clap...

Not long after Lan Ruoxi clapped her hands twice, one mature lady walked towards them, "Bring lady Liu to her room and send two people to guard the room."

"Understood, my lady." the mature woman replied as she bowed slightly toward Lan Ruoxi.

Liu Ning then looked at Xiao Tian and said, "Xiao Tian, I will rest first."

"Un." Xiao Tian nodded his head as he smiled.

After Liu Ning left the room, Lan Ruoxi sat on Xiao Tian's lap and whispered, "Young master Xiao, isn't this hilarious? Previously, you wanted to kill her, but now you helped her. I almost laughed when I saw you with Liu Ning earlier."

"I still need to pretend to be her friend." because Lan Ruoxi had known everything, Xiao Tian didn't need to lie to her.

"Why do you still have to pretend to be her friend? If you don't like her, you can tell her not to meet or call you anymore, right? I wonder why you still haven't done that? You are not in love with her, right?" after they destroyed Feng Ao's family, Lan Ruoxi thought Xiao Tian would stop having a relationship with Liu Ning because there was no point in doing that anymore. This was the reason why she was surprised when she saw Xiao Tian with Liu Ning earlier.

"Lady Lan, let's put this topic aside for now. I need you to help me find Feng Ao as quickly as possible. I don't want him to hurt people who are important to me." because Feng Ao's whereabouts were still unknown, Xiao Tian wanted to immediately find Feng Ao because he was afraid that Feng Ao would hurt people who were important to him.

"I can help you find him, but what will you give in return?" actually, Lan Ruoxi didn't want anything from Xiao Tian. She just wanted to know what Xiao Tian would say after hearing her words.

"What do you want?" Xiao Tian knew that he couldn't ask for help without not giving him anything in return. However, because he thought that she had everything, Xiao Tian asked her what she wanted.

"Hmmm." Lan Ruoxi touched her chin and pretended to think about it. "I will tell you in the future."

"All right. You can tell me if you need anything in the future." because Lan Ruoxi said that she would tell him in the future, Xiao Tian didn't ask anymore because what was important to him was that she agreed to help him.

Clap...Clap...

Like before, after Lan Ruoxi clapped two times, a mature lady entered the room and walked toward them.

The mature lady was shocked when she saw Lan Ruoxi sitting on Xiao Tian's lap because something like this had never happened before.

The mature lady then stole glances at Xiao Tian. She wanted to know what made him special for Lan Ruoxi because Lan Ruoxi never treated anyone like how she treated Xiao Tian.

Of course, she didn't show it on her face because it would be dangerous if Lan Ruoxi got angry after seeing her expression. "My lady, do you need anything?"

Without looking at the mature woman, Lan Ruoxi said, "Send people to find Feng Ao, and let me know if you know of his whereabouts."

"Understood my lady." the mature lady bowed slightly before walking out of the room.

When Lan Ruoxi saw Xiao Tian holding his smartphone, she immediately asked, "Do you want to call young master Zhao?"

"Yes." Xiao Tian nodded his head. "I want to know how Feng Ao got out of prison."

Lan Ruoxi snatched Xiao Tian's smartphone and looked at him. "You don't need to call him. I will help you find out about it."

Xiao Tian didn't immediately answer her and only looked at her in the eyes. Actually, Xiao Tian was curious why she always helped him and behaved as if she wanted to seduce him every time they met.

Lan Ruoxi even didn't care about the opinion of her subordinate when they saw her sitting on his lap. Even though Zhao Sheng asked her to help him, but Xiao Tian thought that Lan Ruoxi treated him too nicely until it made his curious.

Xiao Tian was only from a middle-class family and even though he was very handsome, but he didn't have anything that could make her treat him specially.

Xiao Tian had no connection, and his company was still not big. There was nothing special about him, so Xiao Tian always wondered why Lan Ruoxi treated him so well.

Because Xiao Tian still hasn't said anything, Lan Ruoxi cupped his face and said, "What are you thinking right now?"

"Nothing." Xiao Tian answered her instantly.

"Don't worry. In one or two hours, I will give you information on who helped Feng Ao get out of prison." Lan Ruoxi had many connections, so she believed that she would find out about it quickly.

"I will wait for it." Xiao Tian answered instantly.

Then Xiao Tian and Lan Rouxi talked about many things. As if they were a pair of lovers who were madly in love, Lan Ruoxi still sat on his lap as they talked.

Suddenly Xiao Tian's smartphone rang, indicating an incoming call. When he knew that it was Lin Xing Xue, Xiao Tian's voice turned soft, "Little Xue, did you miss m-"

However, before Xiao Tian had finished his words, Lin Xing Xue immediately said, "Tian, where are you right now? Several people destroyed things in your company, and almost all employees are injured because of them."

"What?" Xiao Tian said in surprise.

Chapter 276 - Blue Ice Lotus Gang

8-10 minutes

Somewhere in the car.

"Thank you for saving me." Feng Ao was truly grateful when the green-haired man next to him suddenly came and helped him escape. Otherwise, he didn't know what Xiao Tian would do to him.

Feng Ao didn't expect that Xiao Tian was good at fighting. Earlier, he thought that he could win against Xiao Tian, but he was wrong. He was utterly wrong because Xiao Tian was better than him at a martial art.

"Tch! I don't know why master sends me to help someone like you." the green-haired man looked at Feng Ao and said in an unfriendly voice.

"It's because I helped him in the past. Why didn't you help me beat Xiao Tian earlier?" Feng Ao was sure the green-haired man next to him was ex-military personnel, so if he helped him earlier, Feng Ao believed that they could beat Xiao Tian.

The green-haired man looked at Feng Ao and said, "My job is only to protect you, not to help you solve your problem. You should be grateful that my master had helped you. Otherwise, you would remain in prison now."

"Yes. Thank you." Feng Ao said.

I'm sure his company is already in trouble right now. Feng Ao thought to himself.

"I will be there soon." Xiao Tian's face darkened. He was furious. He didn't expect that someone would make trouble at his company today.

When Lan Ruoxi saw the expression on his face, she immediately asked, "What's wrong? Why did you make an expression like this?"

"Someone is causing trouble at my company, and they have injured almost of my employees." Xiao Tian's eyes gleamed with terrifying sharpness as he said that. "Lady Lan, I have to return to the company."

Lan Ruoxi rose from his lap and said, "I will come with you."

Xiao Tian looked at Lan Ruoxi for three seconds before finally nodding his head, "All right."

Then they traveled toward Xiao Tian's company.

After they arrived at his company, Xiao Tian saw almost all of his employees were injured. This made Xiao Tian grit his teeth.

Xiao Tian immediately looked for Lin Xing Xue and Shi Fei because he wanted to know their condition. Because almost all of his employees were injured, Xiao Tian was afraid that something had happened to them too.

With a worried face, Xiao Tian began to look for Lin Xing Xue and Shi Fei. When he found Lin Xing Xue, he dashed toward her and asked, "Little Xue, are you alright?"

Lin Xing Xue was surprised when Xiao Tian suddenly appeared on her right side. "I'm fine because I went to Stars shop earlier."

Because Xiao Tian didn't see Shi Fei, he immediately asked, "Where is Shi Fei?"

"She is on her way to the company." Lin Xing Xue answered instantly. "Earlier, she and I went to Stars shop, but because there was something that she had to do, I returned to the company first."

Xiao Tian sighed in relief when he knew nothing had happened to Shi Fei too. Luckily Lin Xing Xue and Shi Fei went to Stars shop earlier; otherwise, they would get injured too.

"Young master Xiao. We should take them to the hospital first." Lan Ruoxi said abruptly.

When Lin Xing Xue saw Lan Ruoxi, she was curious about who Lan Ruoxi was, and how she could come together with Xiao Tian.

Because Lin Xing Xue was in front of her, Lan Ruoxi immediately noticed when Lin Xing Xue was staring at her. "Hello, I'm Lan Ruoxi."

"Hello, my name is Lin Xing Xue." because Lan Ruoxi introduced herself, Lin Xing Xue did the same.

From the way, Xiao Tian cared about Lin Xing Xue, or the way he called her, Lan Ruoxi knew that Lin Xing Xue was one of Xiao Tian's women. She just didn't expect that his woman was much older than him.

Lan Rouxi then brought her face closer toward Xiao Tian's right ear and whispered, "Do you like older women?"

Because Xiao Tian was not in the mood to flirt, he only looked at Lan Ruoxi and didn't say a single word.

'Who did all this?'

Xiao Tian suddenly thought of someone who was most likely the mastermind of everything that happened in his company.

Xiao Tian was furious and gritted his teeth. He wanted to find that person immediately, but he knew it was not the right time to do that because he had to bring his employees to the hospital first.

Without waiting for another second, Xiao Tian took his smartphone out of his pocket and called an ambulance.

Not long after that, Shi Fei arrived at the company. "What happened?"

Lin Xing Xue started explaining what had happened at the company. And like Xiao Tian, Shi Fei was furious, but she didn't show it on her face.

Xiao Tian, who was standing in front of his employees, asked, "Do any of you know who did all this?"

"I don't know."

"Yes. I don't know too."

"Yes. Because all of them wore black clothes and hid their faces with masks."

Suddenly one of the employees said, "I know something, Sir."

"Tell me." Xiao Tian said.

"One of them was wearing a glove with lotus pattern on it." the employee said.

"Lotus?" Shi Fei was a little shocked after hearing that. "Does the lotus on the glove have a blue color?"

"Yes. That's right. It's a blue lotus." the employee said.

Upon hearing Shi Fei's words, Xiao Tian looked at her and asked, "Fei, do you know who they are?"

"It's Blue Ice Lotus gang." Lan Ruoxi said abruptly. "What I don't understand is how can the Blue Ice Lotus gang did all this?"

"What do you mean by that?" Xiao Tian inquired, "There are gangs, so it's normal. As long as someone pays them, they will do anything, right?"

"No. Even though it's a gang, but from the information, Blue Ice Lotus gang was built to protect women, not to hurt others. This is the first time I have heard that Blue Ice Lotus gang did something like this." Lan Ruoxi found it hard to believe that the people who injured Xiao Tian's employees were Blue Ice Lotus gang. She even suspected that someone wanted to slander Blue Ice Lotus gang.

"Blue Ice Lotus gang is a female gang. It's one of the strongest gangs in Nanli district now. In the past, it was once the most feared gang in Nanli district when the founder was still the leader. All the people

who know about Blue Ice Lotus refers to the founder of the gang as the devil queen, but to the members of the gang, she is like an angel." Shi Fei added. "Their mottos are never to hurt innocent people and protect women. I never thought that they would no longer obey their mottos."

"Do you know the location of Blue Ice Lotus gang?" Xiao Tian asked with a flame of fury in his eyes. He didn't care whether it was a woman or a man. As long as they dared to make trouble to him, he would destroy them. Those were the words that his past life father always told him.

Lin Xing Xue held Xiao Tian's hands and said, "Tian, do you want to go to Blue Ice Lotus headquarters? Don't do that. It's dangerous. Let's the police handle all this."

When Shi Fei, Lin Xing Xue, and Lan Ruoxi saw the expression on Xiao Tian's face, they knew that he wanted to go to Blue Ice Lotus headquarters.

Because Lan Ruoxi didn't want Xiao Tian to act boldly, she immediately said, "Young master Xiao, Blue Ice Lotus gang is a dangerous gang, so you can't act without a plan. After we bring your employees to the hospital, we can talk about this."

"That's right, little brother." Shi Fei also agreed with Lan Ruoxi's suggestion. She didn't want anything to happen to Xiao Tian. That was why she tried to stop Xiao Tian too.

Even though Xiao Tian was furious and wanted to destroy Blue Ice Lotus gang immediately, but he knew what the most important thing to do at that moment was.

And not only that, but he was also alone, so it would be impossible for him to destroy Blue Ice Lotus gang alone. For this reason, he intended to ask for the help of Lan Ruoxi and Zhao Seng later.

This is what I lack right now. I have no underlings. This is why I have to make my company much bigger as soon as possible. Xiao Tian thought to himself.

At this moment, Xiao Tian realized that he was powerless. "All right."

Chapter 277 - Beat Them To Death!

7-9 minutes

Not long after that, several ambulance cars arrived at Xiao Tian's company. However, it wasn't only an ambulance car that came to his company, but four police cars also came.

Jing Jing, along with several other police, got out of the car and walked toward Xiao Tian and the others. "Good afternoon, Sir. We've received information that several people have caused problems at your company and also injure your employees. We came here to collect information about it. Please cooperate with us so that we can help you resolve the problem."

When Xiao Tian saw several cops in his company, he was unhappy because, with this, the problem would become bigger, and media would know what was happening at his company.

Even though it was a good thing because the police would help him with the problem, it could have a harmful impact on his company, especially for the people who have ordered clothing design at his company. However, Xiao Tian was unable to do anything about it and could only cooperate with them.

With the help of Lin Xing Xue and his employees, Xiao Tian was able to answer all the questions from the police. After the police conducted an investigation, Xiao Tian and the others went to the hospital.

When Zhao Sheng heard the news about Xiao Tian's company, he immediately traveled to the hospital. Actually, Zhao Sheng wanted to inform Xiao Tian that someone had released Feng Ao from prison. He just didn't expect that someone had caused trouble at Xiao Tian's company.

When Xiao Tian and Zhao Sheng wanted to go to Blue Ice Lotus gang headquarters, suddenly Ye Qingyu and Ye Xueyin arrived at the hospital.

Ye Qingyu and Ye Xueyin were shocked after hearing several people were making trouble at Xiao Tian's company and injuring his employees.

They thought Xiao Tian was also injured. For this reason, they went straight to the hospital after hearing the news.

Xiao Tian was unhappy when his mother and aunt come to the hospital because, with that, he was unable to go to Blue Ice Lotus gang headquarters.

However, Xiao Tian could do nothing because the one who informed his mother and aunt was none other than Lin Xing Xue.

Lin Xing Xue knew that if his mother and aunt came to the hospital, Xiao Tian would not go to Blue Ice Lotus gang headquarters.

That was why when they were on the way to the hospital, Lin Xing Xue secretly informed his mother and aunt because she was afraid that something would happen to Xiao Tian if he went to Blue Ice Lotus gang headquarters.

"Where is Shi Fei?" Xiao Tian inquired.

"She went somewhere because she still has something to do." Lin Xing Xue answered instantly.

"I see." even though Xiao Tian had no idea why Shi Fei suddenly went somewhere, he didn't ask anymore because there was something more important to do.

Somewhere in the apartment.

There was a sexy mature lady with katana in her right hand. However, katana in the right hand of the sexy lady had something different on it.

There was a small black iron chain that tied the sheath with the handle part of katana as if the wielder was not allowed to unsheathed that katana.

The expression on her face was so frightening that it could frighten many people when they saw it. The sexy mature lady was wearing black jacket and trousers. That lady was none other than Shi Fei.

"How dare they do that to the company where I work for." Shi Fei took her smartphone and called someone. "Bring twenty people to my apartment right now."

"Understood, leader." a female voice rang out through Shi Fei's smartphone.

Somewhere at the coffee shop.

'A message?'

After the woman read the message, she immediately rose from her seat and left.

Somewhere at the restaurant

The woman who was consuming the food immediately rose from her seat and left the restaurant.

Somewhere at the zoo

'A message?'

After the woman read the message, she immediately left the zoo.

Somewhere at beach

The woman, who was enjoying the beautiful sea, immediately rose to her feet and left.

Somewhere at Rainbow Garden

There were a young man and woman. The young woman had an adorable face while the young man had quite a handsome face.

"Bi Yu, I have loved you since we met two years ago, but I didn't dare to say it. Now I can't hold back my feeling anymore, so I have to say it now. Bu Yu, I love you. Will you be my lover?" the young man looked at Bi Yu while hoping she would accept his love.

'A message?'

Bi Yu immediately rose from her seat after reading the message. Without saying a single word, she left.

'I got...rejected?'

The young man had a sad expression on his face when Bi Yu suddenly left him alone.

After several minutes, five cars arrived at Shi Fei apartment.

Without waiting for another second, Shi Fei got into one of the cars and said, "Let's go to Blue Ice Lotus gang."

"Alright." the woman, who was sitting in the driver's seat, nodded her head.

Not long after that, they reached their destination.

Blue Ice Lotus Headquarters was located in the southeastern part of the Nanli District. Even though it was a gang, but the headquarters was like a house of rich people.

There was a two-meter high iron fence with a wall that surrounded the building. Not only that, but the building also had a large front yard.

Bang!

Shi Fei kicked the iron fence until it opened.

As soon as Shi Fei and others stepped into the front yard, twenty members of Blue Ice Lotus gang, who were guarding the building, stood in front of them.

"Who are you?" one of the Blue Ice Lotus members gang said.

"You don't deserve to know who I am." Shi Fei said coldly.

The members of Blue Ice Lotus gang were annoyed by Shi Fei's words. Without waiting for another second, one of the members said, "Beat them to death!"

"Teach them a lesson!" Shi Fei walked forward without caring about anything as if she was walking in the front yard alone.

After Shi Fei said that, seven of her underlings began to attack the members of Blue Ice Lotus gang. However, a blue-haired woman suddenly tried to attack Shi Fei.

Instead of blocking or avoiding the attack, Shi Fei kept walking forward without caring about it at all. Before a blue-haired woman could land a hit on Shi Fei's body, one of Shi Fei's underlings blocked it and immediately did counter-attack.

After hitting the blue-haired woman, Shi Fei's underling immediately walked on her right side again. Blue haired woman fell to the ground after being hit by Shi Fei's underling.

"How dare ant like you try to attack our leader!" one of Shi Fei's other underlings looked at blue-haired woman coldly before finally, she kicked the head of a blue-haired woman.

Bang!

The blue-haired woman immediately fainted.

When Shi Fei and thirteen of her underlings were in front of the door, she immediately kicked the door.

Bang!

Shi Fei's kick made the door open

"Who dares to make trouble in Blue Ice Lotus gang?" one of the members shouted loudly.

"That's me." Shi Fei said coldly.

Chapter 278 - I Will Let You Handle This

8-10 minutes

Shi Fei and her underlings entered the building. The room was huge, with many red sofas arranged facing to each other. However, there was one sofa that has a different color.

That sofa had a blue color and was located at the middle-end of the room. On the blue couch, a woman was sitting on it with a woman standing on both of her sides.

In the building, there were about thirty members of Blue Ice Lotus gang. However, all of them wore normal clothes as if they were not members of the gang.

Shi Fei looked at the lady who was sitting on the blue couch and said coldly, "What generation of leader are you from?"

"Oh! Are you interested in me? Sorry, but I like men." the woman who was sitting on the blue sofa said as she smiled.

Shi Fei was annoyed by that and said coldly, "Beat all of them!"

Without waiting for another second, Shi Fei's underlings began to attack Blue Ice Lotus members.

As Shi Fei's underlings were fighting against the members of Blue Ice Lotus gang, Shi Fei and the gang leader did nothing and only looked into each other's eyes.

"Kneel before me, and apologize! If you do that, I will only break one of your hands." Shi Fei looked at the leader of the gang with a flame of fury in her eyes.

"Oh! What if I don't do that?" like before, the leader of the gang said as she smiled.

Shi Fei walked towards the leader with an evil smile on her face, "You will regret it! Hehe"

When Shi Fei was four meters away from the leader of the gang, two people standing beside the leader attacked Shi Fei.

"How dare ants like you two try to attack me!" before they could attack Shi Fei, she swung her katana.

Shi Fei's attack landed on their neck and mid-torso. If Shi Fei unsheathed her katana, those two people would already be dead.

When those two women fell on their knees, Shi Fei swung the katana over their heads, causing them to faint immediately with blood running down their heads.

The smile disappeared from the face of the gang leader. Two women who just attacked Shi Fei were the best women after her. She didn't expect that Shi Fei could defeat them in a very short time.

This made the leader of the gang very angry. "Bitch! How dare you! I, Chun Hua, will break your arms and legs."

"Tch! Another ant who doesn't know her place." Shi Fei said when Chun Hua wanted to attack her too. "Let's finish this quickly because I don't want to waste my time with a weakling like you."

Chun Hua's face darkened. She was furious being called ant by Shi Fei. She was the leader of the famous gang, and she was a strong fighter too. This was the first time someone dared calling her ant.

"Die!" Chun Hua raised her right leg high and aimed it toward Shi Fei's head.

Shi Fei took one long step backward to avoid it. Shi Fei not only avoided the attack, but she also counter-attacked.

"Uakk!" Chun Hua felt pain running through within her body when Shi Fei's katana landed in her mid-torso.

In order to avoid being hit by Shi Fei again, Chun Hua took one step backward before preparing to attack Shi Fei again.

However, she was much slower than Shi Fei. As a result, Shi Fei was already in front of her and attacked her head. Luckily she was able to block the attack with her hands.

"Is this all you can do?" Shi Fei thought Chun Hua was much stronger than this. She just didn't expect that Chun Hua was very weak. "Now I know why Blue Ice Lotus isn't the strongest gang anymore. It's because the leader of the gang is so weak!"

Chun Hua gritted her teeth after hearing Shi Fei's words. She was furious that Shi Fei kept calling her weak or ant. For this reason, she began to attack Shi Fei again.

However, the result was still the same. Shi Fei could avoid or block all her attacks easily. But what made her angrier was that she was unable to land a hit on Shi Fei's body since they began to fight.

Chun Hua finally realized that she was very weak because if Shi Fei unsheathed her sword, she would have died right now. Chun Hua fell to her knees.

Shi Fei then stood in front of Chun Hua and looked at her. "Kneel before me and apologize for what you have done!"

"What do you mean by that?" Chun Hua didn't understand the meaning of Shi Fei's words.

"Why did you attack Stars Clothes company and injure many people too?" Shi Fei said coldly. "Who paid you for that?"

"Stars Clothes company?" Chun Hua finally understood why Shi Fei and her underlings suddenly attacked Blue Ice Lotus gang. "Haha. So, you are the person sent by Stars Clothes company?"

Shi Fei was annoyed by Chun Hua's behavior, so she kicked Chun Hua's mid-torso. "Answer me now!"

At this time, Shi Fei's underlings had beaten all the members of Blue Ice Lotus gang. They all stood behind Shi Fei and only looked at Chun Hua.

"Leader, can you let me handle this?" Bi Yu said abruptly.

Upon hearing Bi Yu's words, Shi Fei turned her head and said, "I will let you handle this."

"Thank you, leader." Bi Yu then walked closer toward Chun Hua. Bi Yu's adorable face turned into frightening. "Yo, whatever your name is. Tell me why did you cause trouble at Stars Clothes company? Who asked you to do that? Tell me now or else... Hehe."

Chun Hua didn't say a single word and only looked at Bi Yu.

Bi Yu was delighted when Chun Hua didn't say a single word because, with that, she could torture Chun Hua as she pleased.

Bi Yu then took a knife and grabbed Hun Hua's hair, "Wow! You have a pretty face. I wonder if this is because of makeup or your real face?"

When Bi Yu was saying that, her knife was already on Chun Hua's cheeks.

*Ptooeey

Instead of feeling afraid, Chun Hua spit on Bi Yu's adorable face.

"Wow! She dared to spit on Bi Yu's face."

"She will regret it now."

"I give you thumb up for daring to spit on Bi Yu's face."

"She didn't know what she had done."

"I want to know how long she will last."

"Maybe, two minutes."

"One minute."

Shi Fei's underlings began talking and betting when they knew what Chun Hua had done to Bi Yu.

"Oh! Did you just spit on my face? It seems like I need to guide you to the right path." after saying that, Bi Yu pressed the knife which was on Chun Hua's right cheek, causing the blood to appear and dripping down her cheeks.

"Ahhhh..." Chun Hua didn't expect that Bi Yu would do something like that. Even though she was a leader of the gang, but she was still a woman. And what was important to women was their faces, so when Bi Yu injured her face, she shouted loudly.

"Shut up!" Bi Yu hit Chun Hua's face. "If you don't tell me immediately, I will also slice your other cheek. Oh! Maybe your lips too. Hehe."

Upon hearing Bi Yu's words, Chun Hua shivered. Because Bi Yu dared to injure her right cheek, she believed if she didn't say a single word again, Bi Yu would do what she had just said. "We don't know because they were wearing masks when they came to meet us."

"Useless!" Bi Yu raised her knife and was about to thrust it on Chun Hua's right hand, but Shi Fei suddenly stopped her.

"Stop!" Shi Fei shouted.

"Tch! You are lucky this time." after saying that, Bi Yu hit Chun Hua's head, causing her to fall to the ground.

"Bring all the members of Blue Ice Lotus gang here." Shi Fei spoke and paused for a second before she continued, "For the members who fainted, wake them up."

"Understood, leader." Shi Fei's underlings said in unison before they left and brought all the members of Blue Ice Lotus gang in front of Shi Fei.

When all the members of Blue Ice Lotus gang were in front of her, Shi Fei shouted, "Do you know who I am?"

All the members of Blue Ice Lotus gang didn't say a single word and only looked at each other because none of them knew who Shi Fei was.

Because they said nothing, Shi Fei shouted again. "Answer me!"

Because the members of Blue Ice Lotus gang were afraid that they would get beaten again if none of them said nothing, one of them said, "We don't know."

Shi Fei had expected that none of them knew her because it had been very long since she retired from the gang. "Remember this! I AM SHI FEI, THE FOUNDER OF THIS GANG!"

Chapter 279 - All Of Them Are Useless!

6-7 minutes

All the members of Blue Ice Lotus gang were dumbfounded. They found it hard to believe what they were hearing.

None of them knew about the founder because she had retired from the gang nine years ago. They only knew that the founder of the gang was a very strong woman because when the founder was the leader of the gang, Blue Ice Lotus gang was the strongest gang in Nanli district.

But since the founder left the gang, Blue Ice Lotus gang slowly became weaker and weaker. Now almost all upper-class families could order them around.

"I built this gang to protect women, not to hurt innocent people!" Shi Fei shouted angrily. "Why did all of you disobey our mottos?"

All the members of Blue Ice Lotus gang knew about the mottos, but since the founder left the gang, the next generation of the gang slowly began to ignore it.

Shi Fei then looked at Chun Hua and said, "What generation of leader are you from?"

"Fourth-generation." Chun Hua answered while shivering. The pressure when she looked at Shi Fei was too overwhelming until it made her afraid to look at Shi Fei in the eyes.

"Why did you ignore the rules that I made?" Shi Fei asked coldly.

"Founder, since you left the gang, our gang become weaker and weaker. Now, almost all upper-class families can order us around." Chun Hua gave Shi Fei an honest answer. "At first, I didn't want to accept their order. However, because the upper-class families who support the gang no longer care about us, we have no choice but to agree to take the order. Otherwise, they will kill us. They came to us with

several people, and each of them was equipped with weapons and military costumes. With that, we know that they are from upper-class families because it is impossible for middle-class families to have bodyguards like that."

So, they don't want to get their hands dirty, huh? Shi Fei thought to herself.

At this moment, Shi Fei didn't know should she blame them or not. She knew that they were powerless now, but to hurt innocent people was out of their mottos. "Why did they want to cause trouble for Stars Clothes company?"

"We don't know." Chun Hua shook her head. "When we asked about it, they didn't give us an answer, saying that it was not our business."

"Leader, what should we do now?" Bi Yu, who was standing on Shi Fei's left side, asked.

"Sigh. This is because all our gang members in this generation are useless." Fu Jiyi, who was standing on Shi Fei's right side, said abruptly.

"That's right. All of them are useless! How can they take orders from unknown people?" Bi Yu agreed to Fu Ji's words.

In the past, Blue Ice Lotus gang was the strongest gang. Even several upper-class families had to think twice if they wanted to cause trouble for them. However, now their gang had turned into a useless group with weakling members.

I will try to find out later. Shi Fei thought to herself.

At this moment, Shi Fei was thinking about what kind of punishment she should give to her members' gang. After thinking for a while, she found the right punishment for them. "Tomorrow, I want all of you to meet Xiao Tian and apologize to him. Whatever he wants to do to you all, all of you are not allowed to fight back. Otherwise, I will come again and punish you all myself. Believe me. you don't want it."

When the members of the gang heard what Shi Fei had said, they shivered. From the rumor, when the devil queen tortured people, they would rather die than continue to be tortured by her.

"And from tomorrow onwards, all of you have to follow his every word. If he wants you all to slap your faces, then all of you should slap your faces. Do you all understand?" Shi Fei thought it was the best punishment for them. With this, not only was Xiao Tian able to let out all of his anger, but he would get underlings too. This would greatly help him in the future.

"Yes, founder." all the members of Blue Ice Lotus gang said in unison.

"Oh, right. I'm working under him too, so every time you all see me next to him, you all have to call me by name." Shi Fei then rose from the couch, "Let's go."

When Shi Fei left, one of the gang members said, "Leader, are they from first-generation?"

"Yes. I'm sure about it. Only the first-generation has the strength like them." at this moment, Chun Hua didn't know whether she should happy or not.

Chun Hua was pleased because they could ask their founder for help if they faced something they couldn't handle in the future. But she was sad because, from today onwards, they had to follow every word of Xiao Tian.

"What should we do now?" one of the members asked.

"We will meet Xiao Tian and apologize to him tomorrow. I don't want the founder to torture us." Chun Hua had no idea what would happen to them if Shi Fei really tortured them. But what she believed was that it would be something that they hoped never happen to them in their lives.

In the Hospital Garden.

"Xiao Tian, I've brought ten people with me." Zhao Sheng said while pointing his index finger toward the people behind them. "Each one of them can fight with more than ten people, so this is more than enough to destroy Blue Ice Lotus gang. When will we go?"

At this moment, Lan Ruoxi could only sigh. She knew Xiao Tian wouldn't hear anything, she said. Actually, she believed Shi Fei had solved the problem. But she didn't say anything about it because she knew Shi Fei didn't want Xiao Tian to know Shi Fei's real identity.

How can young master Zhao not know who Shi Fei is? Lan Ruoxi thought to herself.

"Right now." Xiao Tian said.

"All right. Let's move now." Zhao Sheng replied.

Chapter 280 - Who Are They?

6-7 minutes

"Oh, right! Here, take this. This wooden sword is special. It's made from a special tree, so it's hard to break this wooden sword. Have you learned sword martial art before?" Zhao Sheng gave the wooden sword to Xiao Tian.

Before Zhao Sheng returned home to bring his people, Xiao Tian asked him to bring a wooden sword. At first, he was surprised, but he suddenly thought that Xiao Tian had learned sword martial art.

Xiao Tian took the wooden sword and swung it several times. The weight, length, and size were perfect for him. Xiao Tian was satisfied with the wooden sword, "Yes. Let's go now."

"All right." Zhao Sheng replied with a smile on his face. Actually, he was eager to fight Blue Ice Lotus gang because he wanted to know how strong the gang was.

When Xiao Tian was walking, he suddenly stopped his footsteps and turned around. "Lady Lan, you don't need to follow us. You can go home now."

"What is this? Are you worried about me? Just for information, I'm an expert in martial arts, you know." Then Lan Ruoxi looked at Zhao Sheng. "Isn't that right, young master Zhao?"

The corner of Zhao Sheng's lips twitched upon hearing her words. Zhao Sheng knew why Lan Ruoxi looked at him while saying that. That was because she beat him in the past. However, Zhao Sheng was sure if they fought again, he would win fight against her.

"That's not it. I don't want you to get involved in this problem." earlier, Xiao Tian forgot that Lan Ruoxi was master in martial arts. That was why he told her to return home.

"Well, I'm curious about Blue Ice Lotus gang. So, I will go with you." of course, Lan Ruoxi was lying to Xiao Tian because she knew all about Blue Ice Lotus gang.

It was because she wanted to know what Xiao Tian would do after they arrived at Blue Ice Lotus gang headquarters. Lan Ruoxi believed that they didn't need to fight them because she guessed Shi Fei had dealt with them now.

"All right." because Lan Ruoxi is a master of martial arts, Xiao Tian let her do whatever she wanted.

Then they went to the headquarters of Blue Ice Lotus gang. However, when they stepped into the building, what Lan Ruoxi had guessed was right because all of the members of Blue Ice Lotus gang had been injured.

This dumbfounded Xiao Tian. Earlier, he had prepared to fight them. He just didn't expect that all the members of the gang had been injured.

"Mr. Xiao Tian. We are sorry for what we had done to your company and employees. We are forced to do that." Chun Hua said while bowing toward Xiao Tian.

At this moment, all of the members of the gang sank to their knees. They didn't expect Xiao Tian would come to their headquarters immediately.

With an angry face, Xiao Tian grabbed Chun Hua by the neck and looked at her. "Do you think the words of apology are enough?"

"We...we are forced...to do that..if we didn't ...do...that.. they will...kill...us. As a sign...of apologize for.. what we.....have done...we...will...follow...your every word from....today onwards." because Xiao Tian was grabbing her neck, Hun Chua had difficulty finishing her words.

Upon hearing her words, Xiao Tian wavered whether he should destroy their gang or not. Even though they had injured his employees and caused trouble in his company, but to have them as his underling was not a bad idea.

Xiao Tian had no underling, so her words instantly made him think twice about destroying the gang.

Xiao Tian was thinking about the best choices between destroying them or having them as his underling. "Why do you all suddenly want to be my underling? And what happened to your gang? Who beat up your gang?"

Xiao Tian understood that someone had beaten them up before he arrived. However, he had no idea who did that to them.

"We also...don't know...they..were wearing masks.... They told us....to be your underling....or else....they would.....come and....beat us again." because Shi Fei told them not to reveal her identity to Xiao Tian, Chun Hua had no choice but to lie to Xiao Tian.

'Who are they?'

Xiao Tian didn't remember that he had someone who would help him besides Zhao Sheng and Lan Ruoxi. So, he was curious who had helped him.

Zhao Sheng then walked closer toward Xiao Tian and said, "What are you going to do to them?"

"I will think about it later." Xiao Tian was thinking about what he should do to them. That was why he still hasn't decided whether he would destroy Blue Ice Lotus gang or not.

"I think making them your underling is better than destroying them." even though Blue Ice Lotus gang had caused trouble at Xiao Tian's company, Zhao Sheng thought it would better to make them Xiao Tian's underling because it would be more beneficial for Xiao Tian in the future.

"That's right, young master Xiao. I agree with young master Zhao's idea." Lan Ruoxi added.

Xiao Tian then returned his attention to Chun Hua and asked, "Who asked you to cause trouble at my company?"

"We don't...know. They were...wearing masks....when they....came to us." at this moment, Chun Hua's face had turned blue because Xiao Tian was still grabbing her neck.

Xiao Tian then threw Chun Hua to the floor. "Useless!"

Xiao Tian was annoyed because the mastermind behind everything that had happened to his company was still a mystery.

Suddenly Lan Ruoxi's smartphone rang, indicating an incoming call. She immediately picked up the phone and said, "What's wrong?"

"My lady, we have found Feng Ao's whereabouts." a female's voice rang out through Lan Ruoxi's smartphone.

"Send the location to me now." after her subordinate sent the location of Feng Ao's whereabouts, Lan Ruoxi walked toward Xiao Tian. "Young master Xiao, my people have found Feng Ao's whereabouts."

"Good!" Xiao Tian was pleased after hearing her words. "Let's go now."

"What about them?" Zhao Sheng inquired.

Xiao Tian looked at the members of Blue Ice lotus and said, "Come to my company tomorrow morning."

After that, they left.
