### Chapter 281 - I Will Torture Him From Inside

Somewhere inside the house.

A middle-aged man was sitting on the couch in the living room. In the living room, there was only a sofa with a table in front of it.

However, there was a picture of Xiao Tian and Da Gui hanging on the wall with a small knife in the middle of it.

From the expression when he saw the pictures, anyone could tell that he hated the person on the photos to the bone as if killing them was the only reason that makes him stay alive. That middle-aged man was none other than Feng Ao.

Feng Ao took beer in front of him and drank it. "Xiao Tian, do you like my gift? Haha. Soon, I will send you to Yama king, and after that, it will be Da Gui's turn."

At this moment, Xiao Tian and the others were not far from the house.

When two of Lan Ruoxi's people saw them, they immediately walked toward them. One of them immediately said, "My lady. The target is inside this house."

"Good!" Lan Ruoxi answered instantly.

Because Zhao Sheng didn't want Feng Ao to escape, he looked at his people and said, "Block all escape routes."

"Understood, young master." Zhao Sheng's people immediately went to close all escape routes, leaving only one person behind Zhao Sheng. "Mo Lian, open the door."

Without waiting for another second, Mo Lian took something from her pocket to unlock the door. Mo Lian nodded her head when he managed to open the door.

They immediately entered the house and began to look for Feng Ao. When they heard Feng Ao's laughter in the living room, all of them nodded their heads.

"Yo, Feng Ao. We meet again." Xiao Tian walked towards Feng Ao and stopped in front of him. "Why are you hiding in a small place like this?"

At this moment, Feng Ao was pleased because Xiao Tian was standing in front of him alone. "I didn't expect you can find this place. However, you made a mistake of coming here alone."

"Yo, Feng Ao, I also came." Zhao Sheng suddenly stepped into the living room with a smile on his face.

When Feng Ao saw Zhao Sheng, the expression of deep shock appeared on his face. He didn't expect Xiao Tian would come with Zhao Sheng.

'Why did the Zhao family's young master come with him? Do they know each other?'

Feng Ao was curious why Zhao Sheng appeared in front of him.

'Wait! Don't tell me. They are friends?!

Feng Ao wanted to believe that Xiao Tian and Zhao Sheng were friends. However, Xiao Tian and Zhao Sheng were from different class families, so Feng Ao found it hard to believe that they were friends because usually, upper-class family members only befriend with family members who were equals to them.

'No. Maybe they are not friends. Maybe Xiao Tian asked Zhao Sheng for help. But why does Zhao Sheng help him?'

At this moment, Feng Ao still didn't want to admit that Xiao Tian and Zhao Sheng were friends. However, he didn't know why Zhao Sheng decided to help Xiao Tian.

'Shit! With Zhao Sheng here, the green-haired man will not help me because his master's family is not an opponent of the Zhao family, so I'm sure he will remain hidden. Fuck!'

Feng Ao cursed venomously in his heart.

"I didn't expect a young master from the famous family will help someone from middle-class family?" Feng Ao said as he looked at Zhao Sheng.

"Mr. Feng, there is still me here." at this moment, it was Lan Ruoxi's turn to enter the living room.

This greatly surprised Feng Ao. He didn't expect Xiao Tian had two prominent supporters. This was different from what he had planned.

After remembering what had happened to him since he left Red Flower Bar, Feng Ao understood something. He then laughed loudly and said, "Haha. Now I understand everything. From the beginning, all of you work together to destroy my family, right?"

"Oh! Look like you are smarter than I thought." Xiao Tian didn't try to deny it because there was no point to do so.

"No wonder. It's no wonder you can destroy my family in a single day. It seems like I'm still one step behind you. I didn't expect you have two powerful supporters." at this moment, Feng Ao knew that he was doomed. He believed the people of Lan Ruoxi and Zhao Sheng had sealed all escape routes.

"You are related to what had happened to my company, right?" Xiao Tian suspected that Feng Ao was related to what had happened to his company and employees. That was why Xiao Tian said that to Feng Ao.

"I don't know what you mean by that, but die." even though Feng Ao knew that he was doomed today, but he didn't want to give up without trying anything. That was why he decided to attack Xiao Tian.

Before Feng Ao could land his fist on Xiao Tian's body, Xiao Tian thrust the wooden sword in his hands towards Feng Ao's neck.

Uakk!

Feng Ao fell to the floor. He was coughing nonstop while holding his neck. His eyes turned white, and saliva dripped down from the corner of his mouth.

Xiao Tian looked at Feng Ao and said, "Stupid!"

'From the information, young master Xiao has never learned martial arts before, but his movement earlier was.... Wait! Is the information wrong?'

Lan Ruoxi was surprised when she saw Xiao Tian's movement earlier. His move was like the movement of someone who had learned martial art for many years. However, her people said that Xiao Tian had never learned martial arts before.

"Whoa! Nice move, Xiao Tian!" Zhao Sheng said while patting Xiao Tian's shoulders. "So, what are you going to do to him now?"

Xiao Tian thought for several seconds before finally, he started to smirk. "I will torture him from inside."

"What do you mean by that, young master Xiao?" Lan Ruoxi asked curiously. She had no idea the meaning of Xiao Tian's words. That was why she asked him, hoping that Xiao Tian would tell her about it.

"Hahaha." Zhao Sheng laughed after hearing Xiao Tian's words. As a playboy, Zhao Sheng understood what Xiao Tian meant by torturing Feng Ao from inside. "That's a brilliant idea."

Because Zhao Sheng understood Xiao Tian's words, she immediately asked, "Young master Zhao, can you tell me about it? I don't understand about it at all."

Zhao Sheng looked at Lan Ruoxi and said, "Big sister Lan, believe me. You won't want to know what Xiao Tian will do to Feng Ao."

Lan Ruoxi became even more curious after hearing Zhao Sheng's words. "Tell me! I want to know too."

However, Zhao Sheng said nothing and only looked at her. Zhao Sheng then looked at Xiao Tian and asked, "When will you do that?"

"After we leave this place!" Xiao Tian answered instantly.

"I will send one of my people to take you to my hotel. You can do it at my hotel. Haha. "actually, Zhao Sheng wanted to know Feng Ao's expression later. However, because he knew what Xiao Tian would do, he decided not to follow Xiao Tian.

"Good!" Xiao Tian then hit the backside of Feng Ao's neck, causing Feng Ao to faint instantly.

## **Chapter 282 - Thank You, Tian'er**

6-8 minutes

---

Because Zhao Sheng didn't want Xiao Tian to be told to pay to stay at his hotel, he sent Mo Lian to accompany Xiao Tian.

Even though Lan Ruoxi was curious about what Xiao Tian wanted to do to Feng Ao, she immediately returned to the bar after Xiao Tian told her to.

After Xiao Tian stepped into the room, he tied Feng Ao to a chair. Of course, Xiao Tian also sealed Feng Ao's mouth with black tape because he didn't want Feng Ao to keep screaming later.

Then, Xiao Tian placed Feng Ao right in front of the king-size bed before he finally called Shi Fei.

"What is it, little brother? Did you miss me? Hehe." Shi Fei, who was with her underlings, said.

All Shi Fei's underlings opened their mouths in shock after hearing her words. The queen devil they knew with her cruelty was behaving like a teenager who was in love.

Not only that, she even had a happy expression on her face as if talking with that person was something that could make her happy.

However, none of them dared to tease Shi Fei because they were afraid she would torture them. In the past, Fu Jiyi teased her, and as a result, Shi Fei tied her to the tree for twelve hours.

Not only that, when it was time to eat, Shi Fei brought all her underlings to eat in front of Fu Jiyi. Not only did Shi Fei not give Fu Jiyi any food, she even kept throwing food in front of Fu Jiyi when Fu Jiyi was starving. Since then, no one dared to tease Shi Fei anymore.

"Come meet me at Zhao family hotel. I will send you the location." Xiao Tian went straight to the point.

"All right." even though Shi Fei had no idea what Xiao Tian wanted to do, she didn't ask and just agreed to meet him at the Zhao family hotel.

After Xiao Tian called Shi Fei, he immediately called Liu Ning. Luckily, Liu Ning was already awake; otherwise, he would have to wait until she woke up.

And like Shi Fei, Liu Ning agreed to meet Xiao Tian. She was also curious about what Xiao Tian wanted to do at the hotel with her. Suddenly a beautiful blush emerged on her face when she thought of something. But she immediately got rid of that thought.

Several minutes later, Shi Fei arrived at the Zhao family hotel and immediately entered the room. Shi Fei was shocked when she saw Feng Ao tied in a chair in an unconscious state.

'Feng Ao? How can he be in this state? Why is he tied to a chair? Isn't he supposed to be in prison?'

Countless thoughts flashed across Shi Fei's mind.

Because she couldn't hold back the curiosity she had, Shi Fei walked towards Xiao Tian and asked, "Little brother, what is this? Who is this man? And why did you tie him to the chair?"

Even though Shi Fei knew who Feng Ao was, she pretended as if she didn't know anything about him because she didn't want Xiao Tian to be suspicious of her.

Because Xiao Tian thought Shi Fei knew nothing about Feng Ao, he explained everything to her. Xiao Tian also explained his relationship with Liu Ning without hiding anything.

"I see." Shi Fei felt sorry for Liu Ning after hearing his words. She didn't expect that Xiao Tian would do something like that to Liu Ning. "So, what do you want to do to him?"

"I want to have sex with Liu Ning in front of him." Xiao Tian gave her an honest answer.

"Do you think she will agree with your idea?" Shi Fei inquired

"You don't need to worry about it. I'm sure she will agree." Xiao Tian answered instantly. "She hates him to the bone right now because he has hurt her."

"But I will be here too, so I doubt she will agree with your idea." even though Liu Ning really hated Feng Ao, but to have sex with Xiao Tian in front of them would be a little too much for Liu Ning.

Maybe Liu Ning would agree to have sex with Xiao Tian if they were alone. However, she would be in the same room as them later so, Shi Fei thought Liu Ning would not agree with Xiao Tian's idea.

"I will take care of it." Xiao Tian was sure that he could make Liu Ning agree to have sex with him later. "You don't mind seeing me having sex with another woman, right?"

Shi Fei then embraced Xiao Tian and looked at him. "What about me? Will I only see you having sex with Liu Ning? What if I feel aroused when I see you having sex with Liu Ning?"

"Don't worry. We can have sex after we torture Feng Ao." Xiao Tian then cupped her face and looked at her in the eyes. "You will help me, right?"

"Good! I will help you." because she knew that she could have sex with Xiao Tian later, Shi Fei immediately agreed.

Not long after that, Liu Ning entered the room. Like Shi Fei, she was shocked when she saw Feng Ao tied to the chair in an unconscious state.

Suddenly memories of what Feng Ao had done to her appeared on her mind. For this reason, Liu Ning raised her right arm to slap Feng Ao in the face.

Slap.

The loud sound of slapping echoed in the room. As if slapping Feng Ao's face once was not enough, Liu Ning hit Feng Ao's face very hard again.

Due to this, Feng Ao finally regained consciousness. But what welcomed him was another slap from Liu Ning.

"How dare you slap your husband!" Feng Ao was very angry when he found out that Liu Ning was the one who slapped his face very hard. He could even feel pain in his face.

At this moment, Shi Fei immediately stood behind Feng Ao to ensure that he would not be able to do anything to Liu Ning.

Because Xiao Tian thought it was time to play the game, he immediately grabbed Liu Ning by the waist and looked at her. "Ning'er, you should not slap him like that. Look at his face! There is already a red slap mark on his face."

Liu Ning was shocked when Xiao Tian suddenly embraced her. Not only that, he even called her Ning'er. Liu Ning began to think about what happened to Xiao Tian. Why did he suddenly behave like that?

After thinking for several seconds, Liu Ning understood why Xiao Tian suddenly behaved like that. She also thought his idea was good, no, very brilliant.

Liu Ning then wrapped her long slender arms around Xiao Tian's neck and said, "Tian'er, sorry. I suddenly feel disgusted after seeing his face. You will forgive me, right?"

Xiao Tian didn't expect Liu Ning would immediately understand what he wanted to do. "It's all right. Anything for my love."

"Thank you, Tian'er." after saying that, Liu Ning kissed Xiao Tian's cheeks.

Their actions made Feng Ao's face turn red. He was furious when he saw his beautiful wife behaving like that with another man in front of him." Hmmm."

### **Chapter 283 - Torturing Feng Ao (1)**

7-8 minutes

---

At this moment, Feng Ao tried to free himself. However, because Shi Fei always kept him in check, he was unable to do anything.

Even though Shi Fei was in front of her, Liu Ning didn't care about it. All she had in mind was how to torture Feng Ao from inside.

For this reason, Liu Ning kept lovey-dovey with Xiao Tian in front of Feng Ao. "I know my Tian'er will forgive me. You are indeed the best man in the world."

"My lover is also the best woman in the world." after saying that, Xiao Tian kissed Liu Ning's lips. Xiao Tian didn't stop there because after their lips met, he tried to put his tongue in her mouth.

Even though Liu Ning and Xiao Tian had never kissed passionately before, she didn't think twice and immediately opened her small mouth, so that he could put his tongue in her mouth.

As Liu Ning and Xiao Tian were kissing passionately, she kept looking at Feng Ao as if she wanted to show him how happy she was to be able to kiss passionately with Xiao Tian.

"Hmmm...hhmmmm." Feng Ao tried to say something to them. However, because his mouth was sealed with black tape, he was unable to say anything.

Liu Ning and Xiao Tian kissed passionately for several seconds before finally, she broke the kiss.

"Ah. Tian'er, you are really a good kisser. It felt good when you kissed me just now." Liu Ning then looked at Feng Ao. "Unlike someone, I know."

"Hmmm..hhmmmm." like before, Feng Ao tried to say something, but of course, he was unable to say it.

Feng Ao's face was red due to his anger. At this moment, he really wanted to beat Xiao Tian and let out all his anger on Xiao Tian. However, because he was tied to the chair, he could do nothing about it and was only able to look at Xiao Tian with a deadly gaze.

"Really?" Xiao Tian asked. "Just for information, I also good at other things, you know."

"Oh! What is it?" Liu Ning pretended to be surprised. She really loved it when she saw the expression on Feng Ao's face.

"Sex." Xiao Tian answered instantly.

Liu Ning hit Xiao Tian's chest and smiled, "Bad Boy! Are you thinking about having sex with me right now?"

"Of course. Upon seeing how beautiful my Ning'er is, I can't hold back the lust within my body anymore. I'm sure any man will have the same reaction if they have a beautiful lady like my Ning'er as their girlfriends." Xiao Tian looked at Feng Ao for a second before returning his attraction to Liu Ning again. "How is it? Do you want to do it now? It will be very fun to have sex in front of other people, you know. I'm sure you will like it later."

"Hmm," Liu Ning touched her chin and pretended to be thinking about it.

Without waiting for another second, Xiao Tian grabbed Liu Ning by the waist and sat on the edge of the bed.

At this moment, Liu Ning was sitting between Xiao Tian's legs with her back facing him. She then pinched Xiao Tian's cheeks and said, "Bad lover! I almost had a heart attack earlier. What will you do if I really have a heart attack earlier?"

Instead of answering, Xiao Tian began to squeeze Liu Ning's breasts through her blue blouse. As he was squeezing her breasts, Xiao Tian looked at Feng Ao.

Because Xiao Tian and Liu Ning were right in front of him, Feng Ao could see clearly what Xiao Tian was doing to his wife.

"Mmmmm." Feng Ao instantly went rage after hearing his beautiful wife's seductive moan.

Feng Ao really hated it when Xiao Tian was playing with her wife's breasts. And even more so, Liu Ning seemed to enjoy herself when Xiao Tian was squeezing her breasts.

Feng Ao looked at Xiao Tian intently. His eyes gleamed with terrifying sharpness as he stared at Xiao Tian. If gaze could kill, Xiao Tian would have been dead.

Xiao Tian started to smirk when he saw the expression on Feng Ao's face. Because he wanted to make Feng Ao angrier, Xiao Tian began unbuttoning Liu Ning's blue blouse.

At this moment, Liu Ning did nothing and let Xiao Tian do whatever he wanted. She only placed her head on Xiao Tian's shoulders while enjoying the expression on Feng Ao's face.

After unbuttoning Liu Ning's blouse, Xiao Tian showed her beautiful breasts to Feng Ao before finally, Xiao Tian started squeezing her breasts again, "Ning'er, look! Your nipples are already hard."

"Ahhh." Liu Ning cried out seductively. "Tian'er, it's because you squeezed my breasts earlier, so of course, my nipples are already hard because that's normal."

"I really miss your beautiful breasts, love. Especially the softness of your breasts." even though it was the first time Xiao Tian had seen and felt Liu Ning's breasts, he pretended as if he had often played with her breasts in the past.

"Really? Ahhh.." Liu Ning pretended to be happy after hearing Xiao Tian's words. "I'm glad you love my breasts. Ahh.."

"Hmmm...Hmmm." like before, Feng Ao tried to free himself.

However, Shi Fei immediately held the chair and said, "Keep silent and just look at them!"

Feng Ao then turned his head to look at Shi Fei. Now the hatred that he felt was directed at Shi Fei as he stared at her in the eyes.

Shi Fei was unhappy when she saw the expression on his face. The longer she looked at Feng Ao's expression, the more she wanted to beat him to death.

"What are you looking at, ant? Do you want me to pull out your ey-" Shi Fei immediately stopped her words when she realized her queen's attitude suddenly appeared.

'Ops! I need to control myself. I don't want little brother to know my real identity now.'

Shi Fei then grabbed Feng Ao's face and forced him to see what Xiao Tian was doing to her beautiful wife. "Just look at them!"

At this moment, Xiao Tian stopped playing with Liu Ning breasts and decided to kiss her passionately. Of course, he stole glanced at Feng Ao too because he loved seeing the expression on Feng Ao's face.

Like before, Liu Ning let Xiao Tian do whatever he wanted. Not only that, she even kissed him back because actually, the flame of lust had been burning within her body when Xiao Tian played with her breasts earlier.

"Ahhh.." Liu Ning cried out in pleasure when Xiao Tian played with her breasts again. "Ahh. Feng Ao, look at my nipples! They are hard because Tian'er keeps playing with my breasts. Ahhh. Tian'er...Ah...more...play with my breasts more...Ah...."

Feng Ao could only look at Xiao Tian and Liu Ning with hatred in his eyes. At this moment, he began to hate Liu Ning too because she was enjoying herself when another man was playing with her breasts.

"Ahhhh." Liu Ning moaned loudly when Xiao Tian suddenly pinched her nipples

Because Xiao Tian thought it was time to make Feng Ao crazier, he began unbuttoning and unzipping her trousers.

When Liu Ning noticed what Xiao Tian was doing, she looked at Feng Ao and said, "Feng Ao, look at Tian'er hands! He is unbuttoning and unzipping my trousers. It seems like he can't hold back anymore and want to play with my pussy."

"Hmmm." Feng Ao went crazier.

## **Chapter 284 - Torturing Feng Ao (2)**

7-9 minutes

---

"Ahhh.." at this moment, Liu Ning's trousers were already on her feet, but she still behaved normally. Liu Ning didn't even feel shy when Feng Ao saw Xiao Tian rubbing her pussy through her red thong.

Then Xiao Tian embraced Liu Ning and said, "Ning'er, I want to take off your blouse and bra now."

"All right." Liu Ning agreed instantly.

Without waiting for another second, Xiao Tian began taking off Liu Ning's blouse and bra. With her corporation, it was effortless to do that.

Because Xiao Tian wanted to give Feng Ao a better view of what he was about to do, he grabbed Liu Ning's thighs and spread it, allowing Feng Ao to see her thong and the shape of her pussy clearly.

Liu Ning looked at Feng Ao as she made a lustful face. "Feng Ao, Tian'er is spreading my thighs and rubbing my pussy thought my thong right now. Ah..."

Feng Ao's body went rigid. He didn't expect that his wife had the attitude of a slut. In the past, she never behaved like that. In his mind, Liu Ning was a kind lady with a pure soul, not a lady with a dirty soul.

When Xiao Tian noticed Liu Ning's thong was already wet, he looked at Feng Ao and said, "Feng Ao, look at her thong! It's already wet. This means she loves what I'm doing to her pussy."

Liu Ning touched Xiao Tian's right cheek and said, "Tian'er, you bad boy! Of course, my thong is wet because my beloved lover is playing with my pussy through my thong."

Because Xiao Tian thought it was time to play with Liu Ning's bare pussy, he slid the thong to the other side and spread her pussy with his right middle and index fingers. "Wow! Feng Ao, can you see her pink pussy?"

When Xiao Tian slid her thong to the other side, Liu Ning giggled and spoke, "Tian'er, it seems like you can't hold back and want to play with my bare pussy now. Did you miss my pussy?"

Even though it was the first time Xiao Tian had seen and played with her pussy, Liu Ning behaved as if Xiao Tian had often played with her pussy in the past.

"Of course. Every day, I can't help but miss your tight pussy. I even hope that I can play with your pussy every single day." Xiao Tian then began to play with her vulva. "Feng Ao, not only is her pussy beautiful, but it's still pink and soft too. It feels so good when I play with her vulva, you know."

At this moment, Feng Ao just remembered how beautiful Liu Ning's pussy was. He wanted to lick her pussy immediately and put his cock in it, but what a pity because he was unable to do that.

Feng Ao began to regret that he didn't enjoy her pussy every day when he could do that. Now when another man was playing with her wife's beautiful pussy, Feng Ao wished that he could repeat the time because he knew Liu Ning would never let him enjoy her pussy anymore.

"Ah.." Liu Ning cried out when Xiao Tian suddenly put his index finger into her vagina. "Feng Ao, look! Ah... Tian'er is putting his index finger into my pussy. Ah..."

"Ning'er, your pussy is amazing. It's still very tight." this time, Xiao Tian was not lying. Liu Ning's pussy was really tight. He even felt as if her vaginal muscles wanted to crush his index finger.

"Ah... I'm glad you like my pussy, Tian'er. Ah..." while still letting out a seductive moan, Liu Ning tried to answer.

Even though Liu Ning knew that she would end up having sex with Xiao Tian in front of Feng Ao and Shi Fei later, she didn't mind it because actually, she had fallen for Xiao Tian, so if he wanted to have sex with her, she would gladly welcome it.

Not only was she able to torture Feng Ao by having sex with Xiao Tian in front of him, but Liu Ning could also give pleasure to the person she loved dearly. For her, it was like killing two birds with one stone.

Even though she never had sex in front of other people, but Liu Ning didn't care about it anymore because she believed Shi Fei would never tell anyone about it.

Xiao Tian then pulled his middle finger out of her pussy and licked it, "Ning'er, your love juices taste good!"

"Pervert!" Liu Ning was not angry with Xiao Tian's behavior; instead, she was pleased because Xiao Tian loved the taste of her love juices.

Xiao Tian then looked at Feng Ao and said, "Her love juices taste good. Do you want to get a taste too?"

"Hmmm...Hmmm." Feng Ao answered with an angry face. At this moment, Feng Ao felt aroused too. The sight of her wife's beautiful pussy, coupled with her love juices which dripped down her thighs, made Feng Ao wants to have sex with her immediately.

When Xiao Tian noticed Feng Ao's cock was erect, he immediately laughed. "Ning'er, look at his trousers! His cock is erect. Haha. He is feeling aroused right now. What a pity because he can only look at you."

"Hahaha." Liu Ning also laughed when she noticed Feng Ao's erect cock through his trousers. "Even though he is feeling aroused, I will never let him touch my body because my body belongs to you alone, Tian'er. I will never let any man touch my body anymore. Of course, except you."

"It seems like he is enjoying what he sees." because Xiao Tian wanted to torture Feng Ao more, he put his middle and ring fingers into Liu Ning's pussy again. But he didn't stop there because he immediately played with her clitoris too.

"Ahhh.." Liu Ning moaned loudly, and her head fell on Xiao Tian's shoulders. She was surprised when Xiao Tian suddenly put his fingers into her vagina and played with her clitoris at the same time.

And like before, Liu Ning let Xiao Tian do whatever he wanted and only enjoyed it because it had been a long time since someone gave her pleasure.

Even though Feng Ao hated that another man was playing with her wife's body, he could not help but feel even more aroused when he saw the expression on her wife's face and heard her seductive moans.

The room was now filled with Liu Ning's seductive moans. However, because they were in the soundproof room, only they could hear her sexy cry.

At this moment, Xiao Tian was grateful that Zhao Sheng gave him a special room earlier. He just didn't expect that Zhao Sheng knew what he wanted to do to Feng Ao.

As Xiao Tian was playing with Liu Ning's pussy and clitoris at the same time, he began licking her neck while looking at Feng Ao as if he wanted Feng Ao to feel depressed.

"Ahh... Ah...Ah...Tian'er....Ah...Ah...it feels good...Ah.." Liu Ning let out multiple moans when Xiao Tian suddenly played with her nipples too.

At this moment, her mind was already on cloud nine. The pleasure that she felt when Xiao Tian was playing with her pussy, nipples, clitoris, and neck was too much for her to endure.

After several minutes of feeling a great pleasure, Liu Ning finally reached her limit. While still moaning, Liu Ning said, "I'm cumming... I'm cumming... I'm cumminggg."

Maybe because it had been a long time since she felt so much pleasure, Liu Ning had a massive orgasm at that moment.

"Huft...Huft...Huft.." Liu Ning was breathing heavily after having a huge orgasm.

Xiao Tian stopped playing with her body when he knew that Liu Ning was having an orgasm. "Ning'er, you have a huge orgasm."

"Well, it's because my lover is good at giving me pleasure." then Liu Ning looked at Feng Ao. "Unlike someone, I know."

At this moment, Shi Fei wished Xiao Tian would play with her body too. Actually, she also felt aroused when she saw what Xiao Tian and Liu Ning were doing. However, because she had to make sure that Feng Ao could do nothing, she had no choice but to endure the lust within her body.

Because Xiao Tian also felt aroused, and his little brother had woken up from his slumber, he kissed the right side of Liu Ning's neck before finally, he said, "Ning'er, it's time for you to return the favor."

"Alright." Liu Ning then sat between Xiao Tian's legs before taking off his trousers.

### **Chapter 285 - Torturing Feng Ao (3)**

7-9 minutes

---

After Liu Ning took off Xiao Tian's trousers, she was surprised when she saw the shape of his cock that was visible through his underwear. Of course, Liu Ning didn't show it on her face because she had to pretend that she had seen Xiao Tian's cock many times before.

Even though Xiao Tian was still wearing underwear, but from the shape of his cock that was seen through his underwear, Liu Ning knew that his dick was huge. She just didn't expect that a young man like him had a huge cock.

Gulp...

When Liu Ning was imagining his huge cock, she could not help but gulp her saliva. Her heart was suddenly beating faster, and she suddenly wanted to take off his underwear as quickly as possible.

For this reason, Liu Ning tried to hold back herself and pulled down Xiao Tian underwear slowly as if she had done it many times before.

'It's big!'

Those were the words that appeared on her mind when she saw the size of Xiao Tian's cock. Because Xiao Tian's cock was already erect, Liu Ning didn't need to do anything anymore. "Hehe. We meet again, Mr Huge Cock."

Suddenly a mischief idea appeared on Xiao Tian's mind. With this idea on his mind, Xiao Tian rose to his feet and turned his body to the left so that Feng Ao could see the expression on Liu Ning's face when she was looking at his cock.

At this moment, Liu Ning almost forgot to torture Feng Ao when she saw Xiao Tian's cock. The size of his cock, coupled with the beautiful pink glans, made Liu Ning open her little mouth unconsciously.

When Feng Ao saw Liu Ning sticking out her pink tongue and was ready to lick Xiao Tian's cock, he really wanted to stop her. "Hmmm..Hmmm."

Xiao Tian started to smirk and looked at Liu Ning, "How is it? Do you miss my cock?"

"Yes. I miss this amazing cock very much." Liu Ning answered instantly before looking at Feng Ao.

"Unlike someone who has a small cock. Your cock is much better than him. The difference between your cock and his dick is like heaven and earth."

Even though Feng Ao admitted that Xiao Tian cock was much bigger than his dick, he didn't want to acknowledge it because it would destroy his pride as a man.

'Ah.. little brother's cock is indeed amazing.'

At this moment, Shi Fei really wanted to rush toward Xiao Tian and lick his cock immediately. The sight of his cock was too much for her to endure. Shi Fei even could feel that her love juices slowly drip down.

Because Liu Ning thought it was the perfect time to make fun of Feng Ao, she placed Xiao Tian cock on her face and said, "Feng Ao, look at my lover cock! It's really amazing. It's different from your small cock."

When Feng Ao saw the expression on Liu Ning's face when Xiao Tian's cock was on her face, he really wanted to call her slut. In the past, she never behaved like that when she saw his cock. This made Feng Ao very jealous and angry at the same time.

While still looking at Feng Ao, Liu Ning began to lick the shaft of Xiao Tian's cock. Her pink tongue moved up from his lower shaft to his glans.

At this moment, Xiao Tian looked at Feng Ao with a smirk on his face. He did nothing and only wanted to enjoy the expression on Feng Ao's face.

The longer Liu Ning licked Xiao Tian's cock, the more she desired to put his cock in her mouth. For this reason, after licking the tip of his cock, Liu Ning opened her mouth widely before finally, putting the tip of his cock into her mouth.

As Liu Ning was giving Xiao Tian a blowjob, she looked at him because she wanted to see his expression. However, she was a little disappointed when she found out that Xiao Tian was looking at Feng Ao.

Because Liu Ning wanted to attract Xiao Tian's attention, she put his cock deeper into her mouth. By doing that, she hoped Xiao Tian would look at her so that she could see the expression on his face.

And her plan was successful because when Xiao Tian's cock was deep in her mouth, he looked at her as he groaned.

At this moment, Xiao Tian really wanted to grab Liu Ning by the head and put his cock deeper in her mouth. However, he knew that she would gag if he did that, so Xiao Tian decided to enjoy the blowjob.

After several seconds, Liu Ning pulled Xiao Tian's cock out of her mouth and said, "Tian'er, do you like it?"

Xiao Tian stroked her hair gently and smiled, "Yes. It feels good."

"Hehe." Liu Ning laughed before licking Xiao Tian's cock again.

This time, Liu Ning licked from the tip of Xiao Tian's cock to his testicles. However, she didn't stop there because after licking his testicles for about seven seconds, Liu Ning opened her mouth and put one of his testicles into her mouth.

"Ahh.." Xiao Tian could not help but groan when Liu Ning suddenly sucked his testicles and stroked his cock at the same time.

Even though Liu Ning was not as good as Shi Fei in giving a blowjob, but Xiao Tian was still able to feel pleasure when Liu Ning did that.

When Liu Ning noticed pre-cum dripping down from the tip of Xiao Tian's cock, she stopped sucking his testicles and licked his pre-cum. "Hhmmm. Tian'er, your pre-cum taste very good."

Because Feng Ao was unable to do anything to them, he only looked at his wife, giving another man a blowjob with a happy expression on her face. Feng Ao really hoped that he was in Xiao Tian's place while Liu Ning gave him a blowjob with a happy expression on her face.

At this time, Liu Ning had forgotten to torture Feng Ao after sucking Xiao Tian's cock. All she had on her mind was his cock and his cock.

Because Liu Ning wanted to give Xiao Tian a pleasure again, she immediately put his cock into her mouth while her hands were squeezing his testicles gently.

"Ahh.." Xiao Tian groaned again when Liu Ning skillfully licked the tip of his cock.

Shi Fei, who was seeing them, began squirming her legs. The flame of lust began spreading within her body.

Gulp...

Shi Fei could help but gulp her saliva when she saw what Liu Ning was doing.

'Ahh. I really want to lick and suck little brother's amazing cock too.'

Those were the words that repeatedly appeared on her mind.

When Liu Ning noticed the expression on Xiao Tian's face, she moved her face back and forth faster and faster as if she wanted to taste Xiao Tian's sperm as quickly as possible.

After several minutes of getting a blowjob from Liu Ning, Xiao Tian finally reached his limit. "Ning'er I'm cumming..I'm cumming.."

Liu Ning stopped moving her head when Xiao Tian let out his sperm in her mouth. When she thought that he had released all the sperm, she pulled his cock out of her mouth.

Then Liu Ning turned her body towards Feng Ao and opened her mouth so that she could show him the sperm in her mouth.

When Feng Ao looked at her intently, she drank the sperm and made a happy expression. "Ahh, my Tian'er sperm taste delicious."

'I really want to taste little brother's sperm too.'

Shi Fei was jealousy when she looked at the happy expression on Liu Ning's face.

At this moment, Feng Ao felt as if his soul had left his body. He had never thought that something like this would happen to him.

His beautiful wife, who he loved, happily gave another man a blowjob. Not only that, she even had a satisfied smile when she drank another man sperm.

Liu Ning then brought her face closer to Feng Ao's right ear and whispered, "The taste of a young man's sperm is really different. It's so delicious until I can't put it in words."

After saying that, Liu Ning returned to her previous place and enjoyed the expression on Feng Ao's face. She smiled in satisfaction when she saw the expression on his face as if it was the most satisfying thing in the world.

"Ning'er, it's time for the main dish." Xiao Tian said abruptly.

"All right." Liu Ning said happily as if she had been waiting for him to say that.

#### **Chapter 286 - Torturing Feng Ao (4)**

6-7 minutes

---

Then Xiao Tian carried Liu Ning to the bed.

Because Liu Ning was still not satisfied and wanted to torture Feng Ao more, she tried to think a way to do that.

Suddenly a brilliant idea appeared on her mind. With this idea, Liu Ning got into all four while facing Feng Ao so that he could see her lewd expression when Xiao Tian thrust his huge cock in her pussy.

"Tian'er, I want to do it from behind."

"All right." actually, Xiao Tian also wanted to have sex in doggy style because, in that position, they could torture Feng Ao and see his expression.

"Feng Ao, look at my expression! Tian'er is going to put his amazing cock in my pussy." even though she knew Feng Ao was just staring at them without trying to say anything or angry like before, Liu Ning still wanted to torture him.

Without waiting for another second, Xiao Tian put his cock in Liu Ning's vagina entrance before finally thrusting it slowly.

"Ahhhh.." Liu Ning's head almost fell to the bed when she felt Xiao Tian's cock slowly entering and spreading her pussy to the size of his cock. "So bigggg. Ah.."

"So tight." maybe, because it had been a long time since she had a cock in her pussy again, Xiao Tian felt as if her pussy was rejecting his cock.

"Ahh." Liu Ning cried out when Xiao Tian's cock hit her womb. "Feng Ao, his cock is hitting my womb. A place that you have never reached before."

At this moment, Feng Ao looked at Liu Ning expressionless. There was no feeling of anger, regret, disappointment, envy or sad on his face.

When Liu Ning saw the expression on Feng Ao's face, she was disappointed because she couldn't torture him anymore. "Tch! He is already like a person without a soul. Boring!"

"Well, it's because he can't endure it anymore. This torture is too much for him to bear." Xiao Tian was also disappointed when he knew that Feng Ao was like a person who had lost all the reason to live.

"Forget about him." in her view, there was no point in torturing Feng Ao anymore because he had reached his limits. "Tian'er, let's just enjoy this."

"All right." Xiao Tian then began moving his waist.

Xiao Tian started by moving slowly because he knew that Liu Ning's pussy needed to get used to the size of his cock.

"Ahh...Ah...Ah.." even though Xiao Tian thrust his cock in a slow movement, but because his cock was huge, Liu Ning was still feeling a great pleasure, causing her to let out many seductive moans.

When Xiao Tian felt that Liu Ning's vagina was already used to the size of his cock, he began to move faster and faster.

Pakk...pakkk...pack

The sound of Xiao Tian's waist, hitting Liu Ning's buttocks echoed throughout the room. However, it was not the only sound that was echoing throughout the room because Liu Ning's seductive moans were also echoing in the room.

When Shi Fei saw the expression on Liu Ning's face, she hoped that she was in Liu Ning's place because from Liu Ning's expression, she could tell that Liu Ning's mind was already on cloud nine.

At this moment, Shi Fei wished it would end quickly because she also wanted to have sex with Xiao Tian. Not only did they torture Feng Ao by having sex in front of him, but they also torture her.

"Ahh...Ah...Ah...Tian'er...ah...you're amazing...Ah....your cock is amazing...Ha." Liu Ning had guessed that having sex with Xiao Tian would give her pleasure when she saw his huge cock.

However, the pleasure she felt was much greater than she thought. Not only was Xiao Tian's cock huge, but he also knew how to use it very well.

For this reason, Liu Ning felt lucky for deciding to have sex with Xiao Tian. Otherwise, she would never know the feeling of pleasure that she could not describe in words.

"Your pussy is also amazing, Ning'er. It's very tight and wet." because Xiao Tian wanted to give Liu Ning more pleasure, he bent over so that he could play with her breasts and kiss her back.

And what Xiao Tian did was indeed giving Liu Ning more please until it made her moan faster and faster. Because the pleasure Xiao Tian gave was too much for her to endure, coupled with his cock that kept hitting her womb, made Liu Ning lost all her strength. As a result, her hands were unable to support her body anymore, causing her head to fall into bed.

But the seductive moan which came out of her little mouth never stopped decorating the room; instead, she cried out louder and louder.

At this moment, Xiao Tian was also groaning because the faster he moved his waist, the more he felt that her pussy was getting tighter and tighter.

Xiao Tian thought that with her love juices that dripped down none-stop would make it easier to thrust his cock into her pussy, but he was wrong.

He was utterly wrong. Because even though her pussy was getting wetter and wetter, but her vagina muscles were squeezing his cock tighter and tighter, causing Xiao Tian need to put extra efforts to thrush his cock into her pussy.

Of course, Xiao Tian loved it very much. Who didn't love tight vagina? He just didn't expect that her pussy was so tight.

"Ah...Ah...Ah...Ah...Ah.." as Liu Ning was letting out many seductive moans, her eyes turned white, and saliva began dripping down from the corner of her mouth.

Due to pleasure, Liu Ning was unable to move her body anymore and what she had on mind was only pleasure and pleasure.

Because Xiao Tian gave her so much pleasure, coupled with his cock that hit her womb repeatedly, made Liu Ning immediately reach her limit. "Cumming...Cumming...I'm cumming..."

Like before, Liu Ning had a massive orgasm. Her body shivered for several seconds after having an orgasm.

Xiao Tian stopped what he was doing when Liu Ning was having an orgasm.

### **Chapter 287 - Torturing Feng Ao (5)**

7-9 minutes

---

Because Xiao Tian still hasn't had an orgasm, he didn't intend to stop, especially when Liu Ning's pussy was squeezing his cock wildly.

However, Xiao Tian didn't immediately move his waist because he wanted to give Liu Ning time to catch her breath first.

"Huft...Huft...Huft." Liu Ning's body was still shivering, and the happy expression emerged on her face.

It had been a long time since she had sex, so when she could have an orgasm, a satisfaction smile emerged on her face.

It was different when she played with her body because when she was having sex with Xiao Tian, her mind was on cloud nine.

Liu Ning could not describe it in words. It was the pleasure that she had never felt before. This made Liu Ning feel lucky that she chose to have sex with Xiao Tian after pleasuring herself for a long time.

Not only that, Liu Ning even thought that she could be addicted to Xiao Tian's cock if she often had sex with him because not only was his cock huge, but he knew how to use it very well too.

"Tian'er, wait a second. Let me catch my breath first." Liu Ning knew that Xiao Tian still wanted to have sex with her because he hadn't had an orgasm yet.

Actually, she also didn't want to stop having sex with Xiao Tian after feeling the pleasure earlier. But in order to do that, Liu Ning had to catch her breath first.

"All right." because Xiao Tian had to wait for Liu Ning to catch her breath, he decided to kiss her back.

Of course, Xiao Tian didn't pull his cock out of her pussy because he still wanted to feel the sensation of his cock being squeezed by her pussy.

"Hmm." because Liu Ning's body was still sensitive, she could not help but moan when she felt Xiao Tian's lips on her back.

"Hhhh.." Xiao Tian was a little shocked when Liu Ning's pussy suddenly squeezed his cock tightly.

Xiao Tian knew that her body was still sensitive, but he didn't expect that her pussy was squeezing his cock wildly just because he kissed her back.

At this moment, Shi Fei was unable to hold back anymore. The flame of lust had spread within her body. Her underwear was wet, and she kept squirming her legs.

For this reason, Shi Fei took the flower pot, which was on the table behind her, and hit the backside of Feng Ao's head, causing him to faint immediately.

'Tch! if I'm not pretending to be a weak person right now, I won't need to use a flower pot to make this bastard faint.'

Without waiting for another second, Shi Fei dashed toward the bed.

When Xiao Tian noticed that Feng Ao had passed out, he didn't say anything to Shi Fei because he thought they had tortured Feng Ao enough.

Xiao Tian knew that he had to satisfy Shi Fei too. That was why he stopped playing with Liu Ning's breasts and was ready to give Shi Fei pleasure.

Because Xiao Tian's cock was still in Liu Ning's vagina, Shi Fei cupped his face and kissed him passionately.

As Shi Fei was kissing him hungrily, Xiao Tian began squeezing Shi Fei's breasts with his right hand and rubbing her pussy using his other hand.

However, because Shi Fei was still wearing jacket, Xiao Tian could not feel the softness of her breasts and was disappointed by it.

As if Shi Fei understood what was on Xiao Tian's mind, she broke the kiss and took off her clothes. Without waiting for another second, Shi Fei began to kiss him passionately again.

Xiao Tian was pleased when Shi Fei knew what he wanted. Like before, Xiao Tian let Shi Fei dominate the kiss because he wanted to play with her breasts and pussy.

At this moment, Liu Ning looked at what Xiao Tian and Shi Fei were doing. Actually, she had guessed that something like this would happen to them, so she didn't mind it.

Because she thought that she was ready to go for another round, Liu Ning began moving her hips forward and backward. "Tian'er, you can move again now."

Upon hearing Liu Ning's words, Xiao Tian stopped playing with Shi Fei's breasts and vagina. Without stopping the kiss, Xiao Tian placed his hands in Liu Ning's hips and began to move his waist.

Like before, the moment Xiao Tian moved his waist, Liu Ning began letting out multiple moans, "Ah...Ah...Ah.. Ah."

Because Shi Fei was not satisfied with only a kiss, she broke the kiss and placed her right breast in front of Xiao Tian's face, giving him a sign to lick or suck her breasts.

Xiao Tian then opened his mouth and began to suck Shi Fei's nipples. As her right nipple was in his mouth, Xiao Tian used his tongue to lick around it so that he could give her pleasure.

Soon, the room was filled with the moans of two beautiful ladies. Upon hearing multiple cries from the mouths of two lovely ladies, the flame of lust within Xiao Tian's body grew bigger at light speed.

This made Xiao Tian move his waist faster and faster. While at the same time, Xiao Tian also began sucking Shi Fei's nipples hardly before finally, he bit her nipples and gently pulled on it.

"Ahh.." Shi Fei cried out when Xiao Tian suddenly bit her right nipple. Her eyes were half-closed, and her head was tilting back.

Like this, Xiao Tian tried to give both Shi Fei and Liu Ning pleasure at the same time. Because he often had sex with more than one woman, he was able to satisfy them easily.

Because Xiao Tian's cock kept hitting her womb, Liu Ning once again reached her limit. While still letting out many seductive moans, Liu Ning said, "Ahh...Ah... I'm cumming..Ah...Ah... I'm cumming."

Like before, Liu Ning's body shivered after having an orgasm. Her mind went blank, and saliva kept dripping down from the corner of her mouth. Of course, Liu Ning didn't care about it because her mind was already full of pleasure.

Because he had made Liu Ning have an orgasm twice, Xiao Tian pulled his cock out of her pussy because he thought it was time to give Shi Fei the pleasure she had been waiting for since the beginning.

As if Shi Fei could read his mind, she immediately positioned herself. With her ass facing him, Shi Fei spread her pussy with her fingers and said, "Little brother, put your amazing cock in my lewd pussy."

Without waiting for another second, Xiao Tian placed his cock on Shi Fei's vagina entrance before he finally thrust it slowly.

"Ahhh." Shi Fei cried out in pleasure when she felt Xiao Tian's cock entering her pussy. "Yes...This is what I want. Little brother, you can do whatever you want with my pussy."

Because Shi Fei said something like that, Xiao Tian didn't hold back and immediately moved his hips faster and faster.

"Ahh...Ah...Ah...Ah..." like what Liu Ning did, Shi Fei immediately let out multiple moans when Xiao Tian cock began spreading her vagina to the size of his cock.

Because earlier Xiao Tian already had sex with Liu Ning, he immediately reached his limit after thrusting his cock into Shi Fei's tight pussy for several minutes, "Fei, I'm cumming.. I'm cumming.. I'm cumming.."

Because Shi Fei was on pill, she immediately said, "Little brother, cum inside me. Mark my pussy with your white sperm."

"Ahhh." Xiao Tian let out all his sperm inside Shi Fei's pussy.

## **Chapter 288 - Are You Worried About Me?**

8-10 minutes

---

"Ahhh....I can feel little brother's sperm in my vagina." as if Shi Fei wanted to drain all the sperm on Xiao Tian's testicles, her pussy squeezed his cock tighter and tighter when he was having an orgasm.

This made Xiao Tian groan and fall onto her back. "Fei, don't squeeze my cock right now."

"I don't squeeze your cock. My pussy moves on its own." this time, Shi Fei was telling the truth. When Xiao Tian's cock was letting out the sperm in her pussy, her vagina moved on its own.

Maybe because Shi Fei was so horny after seeing Xiao Tian and Liu Ning had sex earlier. That was why her pussy didn't stop squeezing his cock.

Not long after that, Xiao Tian had released all the sperm in Shi Fei's pussy. But he didn't intend to pull his cock out of her pussy because he still wanted to continue having sex with Shi Fei.

Xiao Tian knew that Shi Fei was not satisfied because she still hasn't had an orgasm. When Xiao Tian thought that he could go for another round, he placed his hand in her hips and was ready to move his waist again.

However, when Xiao Tian was about to move his hips, Liu Ning, who had regained her strength, laid on her back next to Shi Fei.

Because Liu Ning wanted Xiao Tian to give her pleasure again, she spread her vagina with her index and middle fingers and looked at Xiao Tian. "Tian'er, play with my pussy too."

Xiao Tian knew that he couldn't ignore Liu Ning. For this reason, Xiao Tian put his middle and index finger into her vagina before moving his waist again.

"Ahhh," Liu Ning and Shi Fei cried out in unison.

As Xiao Tian was thrusting his cock into Shi Fei's vagina, he moved his fingers into Liu Ning's pussy too. In order to give Liu Ning and Shi Fei pleasure, Xiao Tian moved his waist and fingers in at the same time.

Because Xiao Tian had threesome multiple times, it was easy for him to give Liu Ning and Shi Fei pleasure at the same time.

Like before, the room was filled with the moans of two beautiful ladies. However, in Xiao Tian's ears, their moans were like a beautiful song that he often wanted to hear in the future.

Like this, they were pleasuring themselves in sex for several minutes before finally, Shi Fei and Liu Ning reached their limit.

"Cumming...Cumming...I'm cumming.." Shi Fei and Liu Ning had an orgasm at the same time.

Because none of them wanted to stop feeling a great pleasure, they continued having sex when Shi Fei and Liu Ning were ready for another round.

This time, Xiao Tian put his cock into Liu Ning's vagina because earlier, he just put his cock in Shi Fei's pussy. After pleasuring themselves for several minutes, they had an orgasm at the same time.

"Ahhh." Shi Fei, Liu Ning, and Xiao Tian cried out in unison.

After finished having an orgasm, they laid down on the bed.

Not long after that, Xiao Tian's smartphone rang, indicating an incoming call. Xiao Tian thought it was Zhao Sheng, but he was wrong because the one who called him was none other than Yun Xin Er.

Because they were not having sex, Xiao Tian decided to pick up the phone. "Hello, big sister Yun."

"Little brother, are you all right?" earlier, when Yun Xin Er heard that several people caused trouble at Xiao Tian's company, she wanted to meet him immediately.

However, Yun Xin Er was unable to do that because she still had many works. That was why when she had free time, Yun Xin Er immediately called Xiao Tian.

Yun Xin Er was anxious that something had happened to Xiao Tian because, from the news, several people were injured, so she thought Xiao Tian was one of them.

Xiao Tian didn't expect that Yun Xin Er would call him. But he was thrilled when he knew that she was worried about him. "I'm fine because I was not at the company when the incident happened."

Yun Xin Er sighed in relief when she knew that nothing happened to Xiao Tian. "Where are you right now?"

Because Xiao Tian didn't want Yun Xin Er to know what he was doing, he decided to lie. "I'm at my friend's house- Ahh."

Xiao Tian groaned when he felt someone suddenly sucking his cock. He could not help but surprise when he knew that Shi Fei was giving him a blowjob.

But what surprised him most was that Liu Ning was looking at Shi Fei intently as if she also wanted to suck his cock.

Of course, Xiao Tian didn't stop her because getting a blowjob when he was on the phone was not a bad idea. That was why he let her do whatever she wanted.

"What's wrong?" Yun Xin Er was surprised when Xiao Tian suddenly groaned. However, Yun Xin Er had no idea that the sound she had just heard was his groan.

"My head bang against the wall" of course, Xiao Tian was lying to her because he didn't want her to know about it.

Yun Xin Er, who didn't know that Xiao Tian was lying to her, giggled and said, "Hehe. Why did you bang your head against the wall?"

"I didn't do that on purpose, you know." Xiao Tian spoke and paused for a second, before he continued, "I just didn't know there was a wall in front of me."

"Hehe." Yun Xin Er's sweet giggle rang out through Xiao Tian's smartphone. "Is it because we are on the phone?"

When Xiao Tian wanted to answer, he suddenly felt two tongues were licking his cock. For this reason, Xiao Tian looked at Shi Fei and Liu Ning.

Xiao Tian didn't expect that Liu Ning would lick his cock too. And even more so, she even made a lewd face when she was licking his cock.

Because two ladies were licking his cock with their tongues, Xiao Tian almost forgot to answer Yun Xin Er. "Yes. It's because your voice is like a beautiful song in my ears. That was why I lost concentration when I was returning to the living room earlier."

At this moment, Liu Ning was licking his shaft while Shi Fei was sucking his testicles. Their action almost made Xiao Tian groan again. Luckily he was still able to hold back his groan.

"Glib tongue." even though Yun Xin Er said that, but she was pleased by his words. Suddenly a beautiful smile appeared on her face.

"Are you still working now?" Xiao Tian inquired.

"Yes." Yun Xin Er answered instantly, "It's already evening, and here, I still have many works. I even don't know when I can return home today."

Upon hearing her words, Xiao Tian was suddenly worried. "I know you are busy, but don't forget to eat and rest."

"Are you worried about me?" Yun Xin Er inquired.

"Hhhh." Xiao Tian immediately pushed the phone away from his face when Liu Ning suddenly gave him a blowjob.

Xiao Tian could not help but groan when two ladies kept licking and sucking his cock. At this moment, Xiao Tian hoped that Yun Xin Er didn't hear his groan because he didn't want to lie again. "Yes. I'm worried about your condition. That is why you have to take care of yourself."

"Hehe." Yun Xin Er giggled happily.

Luckily she didn't hear it. Xiao Tian thought to himself.

As Liu Ning was giving Xiao Tian a blowjob, Shi Fei, who was sucking his right testicle, decided to play with the other testicles.

The longer they gave Xiao Tian pleasure, the more they desired to have sex with him again. For this reason, they began playing with their vagina and imagining that Xiao Tian was the one who played with their vagina.

Liu Ning and Shi Fei knew that Xiao Tian would not give them pleasure because he was on the phone. However, because they could suck and lick his cock, none of them complained about it.

Liu Ning and Shi Fei kept licking and sucking his cock before finally, Liu Ning realized that Xiao Tian was about to cum.

Because Liu Ning already drank Xiao Tian's sperm earlier, she looked at Shi Fei, giving her a sign to receive his sperm.

As if they could communicate through their eyes, Shi Fei immediately stopped sucking his testicles and put his cock into her small mouth.

"Ohh. I'm cumming..." luckily, Yun Xin Er had hung up the phone before Xiao Tian had an orgasm. After letting out his sperm in Shi Fei's mouth, Xiao Tian looked at them. "Bad ladies! Because you dared to tease me when I was on the phone, I will punish both of you."

And like that, they had sex again.

## **Chapter 289 - I Will Make You Happy Too**

7-9 minutes

---

Inside one of the luxury hotel's rooms, three people were lying down on the bed; one handsome young man and two attractive ladies.

There was a satisfied smile on their faces as if they just finished doing something enjoyable. However, something unusual could be on their bodies.

They were naked. Not only were they naked, but their bodies were full of sweat too. They were none other than Liu Ning, Shi Fei, and Xiao Tian.

Currently, Xiao Tian was lying on his back with Liu Ning and Shi Fei on both of his sides. After having sex with two ladies for more than an hour, Xiao Tian was tired and satisfied at the same time.

Liu Ning, who was on Xiao Tian's left side, turned her head to look at Xiao Tian and asked, "So, who is this lady? Is she your woman?"

Before Xiao Tian could answer her, Shi Fei immediately said, "Yes. I'm his woman, or, more precisely, his mistress."

Instead of feeling sad, a proud and happy expression appeared on Shi Fei's face when she stated that she was Xiao Tian's mistress.

"Mistress?" Liu Ning didn't expect that Shi Fei would say something like that with a happy expression on her face as if being his mistress was something to be proud of. "Xiao Tian, how many girlfriends do you have now?"

"Three. I mean, four, but one still hasn't accepted me fully." Xiao Tian suddenly realized something, so he immediately corrected his words. "Five, because I have another lover now."

Xiao Tian dared to say this because Feng Ao was still unconscious, so Feng Ao would never hear their conversation. Even if Feng Ao knew, Xiao Tian would not mind it too because he intended to get rid of Feng Ao later so that Feng Ao would not be a threat to him in the future.

"Five?" Liu Ning suddenly understood why Xiao Tian said that he has five women. "Do you mean I'm your woman too now?"

"Yes." Xiao Tian nodded his head. "Didn't you say that you will not allow any man to touch your body except me?"

Even though Xiao Tian didn't love Liu Ning, but he still said that because he wanted to sleep with her again in the future. Not only that, but her pussy was also still very tight, and having sex with her felt so good. That was why he didn't want to let her go.

'Sigh!'

Liu Ning sighed after hearing his words.

Actually, Liu Ning had guessed that Xiao Tian had many women. He was handsome, young, and successful person, so she thought it would be impossible if he didn't have a lover. That was why Liu Ning didn't believe him when he said that he was single in the past.

However, because Liu Ning had fallen in love with him, she didn't want to separate from him. He was always there for her and did everything to make her happy, especially in the last month, when she was feeling down and losing hope for life.

At this moment, Liu Ning could only sigh. "Sigh. So, I'm the fifth?"

"Ning'er, don't worry. I will treat you equally. I will make you happy too." when Xiao Tian said that, he looked at Liu Ning lovingly, and his voice was also very gentle as if he really loved her.

At this moment, Liu Ning didn't say a word and only looked at Xiao Tian intently. She was wavering whether she should become his woman too or not.

'Should we stay as a friend with benefits, or should I accept it and become his woman too?'

Sure, Liu Ning was in love with him and didn't want to separate from him too, but because he already had four other women, she was afraid that Xiao Tian would forget her later.

Well, I will become his woman for now and see what will happen in the future. Liu Ning thought to herself.

Because Liu Ning still hadn't said anything, Xiao Tian cupped her face and spoke. "Do you not want to be my woman too?"

When Liu Ning noticed the expression on Xiao Tian's face, her face broke into a soft smile because from his expression, she could tell he was worried that she would reject him.

This made Liu Ning think that Xiao Tian really loved her. "I will be your woman. Even though you have another girlfriend, but you have to spend a lot of time with me and make me happy because I've accepted to be your fifth woman."

Xiao Tian placed Liu Ning's head on his chest and stroked her hair. "Don't worry about it. I will make you happy and treat you equally."

'So easy.'

Xiao Tian added in his head.

Instead of feeling sad, Shi Fei was pleased. With this, she has a sister now. "Liu Ning, because I'm older than you, you can call me big sister from now on. Don't worry, if anyone dares to bully you in the future, I will break their legs."

"Hehehe." Xiao Tian and Liu Ning laughed after hearing Shi Fei's words.

At this moment, they had no idea that Shi Fei was serious about her words and thought that she only wanted to show seniority in relationships.

"Why are you two laughing?" Shi Fei knew that they didn't believe her words. However, she could not do anything about it because she didn't want Xiao Tian to know about her real identity.

"Nothing." Xiao Tian and Liu Ning said in unison.

"Ning'er, how about you live with Shi Fei?" the reason Xiao Tian wanted Liu Ning to live with Shi Fei was that it would make him easier to meet both of them.

"Yes, Liu Ning. Live with me." Shi Fei agreed with Xiao Tian's idea because with that, she would have a friend to talk to when she was in the apartment.

The expression of shock bloomed on her face after hearing his words. Liu Ning didn't expect Xiao Tian would say something like that.

But, after thinking about it seriously, Xiao Tian's idea was good too. Like Shi Fei, Liu Ning also thought that having a friend to talk to at home was a good thing. Not only did they love the same person, but their friendship could become closer by living together.

This was like killing two birds with one stone. For this reason, Liu Ning found no reason to reject it. "So, where are we going to live? For information, I don't want to live at my home anymore. I also plan to sell it later."

Liu Ning didn't want to live in her house anymore because her house was already full of bad memories. That was why Liu Ning decided to sell her home later.

"How about you live in my apartment?" Shi Fei inquired.

"Fei, your apartment is not big enough for two people to live." Shi Fei's apartment was designed for one person, so Xiao Tian thought it was not a good idea. "How about you sell your apartment too? I will buy a house for you two later so that both of you can live together comfortably later."

"Good idea, little brother!" Shi Fei immediately agreed to Xiao Tian's idea.

At this moment, Liu Ning still hasn't answered. Even though she was his woman now, but she didn't want to be labeled as a gold digger.

As if Xiao Tian knew what was on Liu Ning's mind, he immediately said, "Don't worry. I will not think badly of you. It's just as a man, I want to make all my women happy. And if you two live under the same roof, it will be easier for me to meet both of you."

After thinking for several seconds, Liu Ning nodded her head. "All right."

"Good!" Xiao Tian said as he smiled.

## **Chapter 290 - A Kiss Before Going Home**

7-8 minutes

---

Xiao Tian, Liu Ning and Shi Fei talked for several minutes while still being naked. Because there was nothing to do anymore, Xiao Tian called Zhao Sheng to discuss how to get rid of Feng Ao.

Not long after that, Zhao Sheng and two of his people came to the hotel. Because Xiao Tian didn't want Liu Ning and Shi Fei to know he was planning to kill Feng Ao, he talked with Zhao Sheng in a different room.

At first, they wanted to kill Feng Ao immediately, but after discussing for several minutes, they changed their mind. In their view, it would be better to let him alive so that he would live in misery.

Xiao Tian then returned to the room and said, "Fei, Ning'er, I will go with Zhao Sheng to somewhere right now. You two wait here. I will return after I finish my business."

"All right." even though they were curious about what Xiao Tian wanted to do to Feng Ao, but none of them asked it.

Then Xiao Tian, Zhao Sheng and his people brought Feng Ao to Zhao family prison. The prison was located in Wanhui district. Because the prison was located in the middle of the dense forest, it was hard to find it.

Not only was the prison big with a five-meter wall surrounding it, but many people were guarding the prison with many kinds of the gun in their hands.

Of course, they were also martial arts masters guarding the prison because Zhao family wanted to make sure if someone was put in jail, that person would never be able to leave unless the Zhao family members released them or they died.

After Xiao Tian and Zhao Sheng put Feng Ao in prison, they returned to the hotel.

Because Liu Ning didn't need to stay at Red Flower Bar anymore, she told Xiao Tian to inform Lan Ruoxi that she would live with Shi Fei. She also asked Xiao Tian to tell Lan Ruoxi that she was grateful that Lan Ruoxi had helped her.

At first, Xiao Tian refused because he was still afraid that something would happen to her again. However, because Liu Ning insisted on staying with Shi Fei, Xiao Tian had no choice but to accept it.

After that, Xiao Tian drove them home. However, Xiao Tian didn't immediately leave; instead, he sent them to the door.

When Xiao Tian was about to leave, Shi Fei suddenly grabbed his right hand. Because Xiao Tian knew what she wanted, he immediately entered her apartment.

Without waiting for another second, Xiao Tian grabbed Shi Fei by the waist. They looked into each other's eyes for about six seconds before finally, Xiao Tian kissed Shi Fei's lips.

Because Xiao Tian knew that Shi Fei wanted to have a French kiss, he immediately tried to put his tongue in her mouth.

Of course, Shi Fei welcomed it by opening her mouth because that was what she wanted. As soon as Xiao Tian's tongue was in her mouth, Shi Fei used her tongue to welcome it.

As Xiao Tian and Shi Fei were kissing passionately, Liu Ning, who was standing next to them, looked at them intently.

Earlier, Liu Ning was curious why Xiao Tian suddenly entered Shi Fei's apartment. She was a little shocked when Xiao Tian and Shi Fei suddenly kissed passionately.

However, Liu Ning didn't stop them and only looked at them. She even stood still as if she was waiting for her turn to have a French kiss with Xiao Tian.

After kissing passionately with Shi Fei for several seconds, Xiao Tian broke the kiss. When he noticed the expression on Liu Ning's face, Xiao Tian grabbed her by the waist.

Liu Ning was a little shocked by his action. At this time, Liu Ning had guessed that Xiao Tian wanted to kiss her passionately too.

Despite knowing what he was about to do, Liu Ning did nothing as if she also desired to have a French kiss with him.

They just had sex earlier, and also had passionate kiss several times, so in her view, doing another passionate kiss with him was not a big deal.

For this reason, Liu Ning shut her eyes as if she wanted to give Xiao Tian a sign that she was ready to welcome the kiss.

Of course, Xiao Tian immediately pressed his lips against hers. To his surprise, Liu Ning suddenly opened her mouth after their lips met for three seconds.

At first, Xiao Tian didn't intend to have a French kiss with Liu Ning and only wanted to give her a goodbye kiss.

However, because Liu Ning desired to do a passionate kiss with him, Xiao Tian immediately put his tongue into her mouth.

As they were kissing passionately, Liu Ning placed her hands in Xiao Tian's shoulders and opened her eyes. Not only that, she even tilted her head to the left and right as if she wanted to make the kiss more passionate for them.

Soon, saliva began to drip down from the corner of their mouths. But of course, they paid no attention to it and kept kissing passionately as if it would be their last kiss.

They kissed passionately for several seconds before finally, Liu Ning broke the kiss and looked into his black eyes.

"Huft...Huft...Huft..." even though Liu Ning stopped the kiss, but she kept their faces close to each other until each of them could feel their hot breath.

At this moment, Xiao Tian thought Liu Ning wanted to stop the kiss, but he was wrong because four seconds after Liu Ning broke the kiss, she cupped his face and kissed him again.

The feeling of shock appeared on his eyes. Xiao Tian knew the reason Liu Ning behaved wildly earlier was that she wanted to torture Feng Ao.

If anyone knew the way she behaved and spoke, they would think that Liu Ning was a passive person when it was related to something like kissing or sex. That was why Xiao Tian didn't expect that Liu Ning would kiss him again.

Shi Fei, who was standing next to them and seeing what they were doing, suddenly wanted to kiss Xiao Tian passionately again.

However, because Xiao Tian and Liu Ning were kissing hungrily, she had no choice but to keep looking at them.

Shi Fei knew that Liu Ning was now Xiao Tian's woman too. That was why she didn't interrupt them. But because they kept kissing without a sign of stopping, Shi Fei grabbed Xiao Tian's right hand and put his index and middle fingers into her mouth.

Her action much surprised Xiao Tian. He knew that Shi Fei wanted to have a passionately kiss with him again. But he didn't expect that she would do something like that.

Of course, Xiao Tian didn't stop her because the feeling when her wet tongue licking the part between his middle and index finger was amazing.

Soon, the flame of lust began to appear within Xiao Tian's body. For this reason, Xiao Tian's left hand went underneath Liu Ning's blue blouse and squeezed her bare breasts.

Liu Ning widened her eyes when Xiao Tian suddenly squeezed her bare breasts, but she did nothing and continued kissing him passionately.

They kept pleasuring each other for several minutes before finally, they stopped what they were doing.

Because it was already evening, Xiao Tian decided to return home.
