Chapter 291 - Underlings

"I'm home." Xiao Tian said when he stepped into the living room.

Ye Xueyin, who was in her room, immediately dashed to the living room when she knew that Xiao Tian had returned home.

And like what she usually did, when Ye Xueyin was in front of her son, she immediately jumped into his arms and said, "Tian, welcome home."

"I'm home, mother." Xiao Tian smiled before walking toward the couch and putting his mother on it.

Ye Qingyu, who was watching TV, turned her head toward her nephew and asked, "Where did you go earlier?"

Instead of immediately giving her an answer, Xiao Tian kissed her lips and sat on her left side. "I had something important to do."

Xiao Tian didn't want to tell them that he went to Blue Ice Lotus gang headquarters because he knew that they would get angry if he told them about it.

Even though Ye Qinyu was still curious about it, but because Xiao Tian didn't want to tell her, she decided not to ask anymore.

"Tian, why did those people cause trouble at your company? Did you make trouble with them?" Ye Xueyin asked abruptly.

"No." Xiao Tian shook his head. "I don't even know who they are."

"Don't tell me, the mastermind behind everything that happens to your company are people who has a business in the same field as you. They did all of this because your company is developing rapidly and taking many of their customers." Ye Qinyu had no idea why she suddenly had thoughts like this, but she was unable to find a better reason.

"I think so too." from what he had experienced in his past live, Xiao Tian had some suspicions about who was the mastermind behind everything that happened at his company.

First, it was Feng Ao who paid the gang. Second, it was a person who supported Feng Ao. And the last, it was a person who had a business in the same field as him.

Xiao Tian was only able to guess who they were and could only wait for Lan Ruoxi to give him information about them later.

"Tian, you have to be careful from now on." Ye Xueyin was afraid that something like this would happen again in his company. Luckily, Xiao Tian was away when those people caused trouble at his company; otherwise, she believed that her son would get injure too.

"All right." Xiao Tian nodded his head as he smiled.

Earlier, Xiao Tian had decided to make Blue Ice Lotus gang as his underling so that they could protect his company and store in the future.

Of course, Xiao Tian would hire a professional bodyguard or assassin too in the future because, in his view, having Blue Ice Lotus gang as his underling was still not enough.

Then Xiao Tian, his mother, and aunt talked until 11:30 pm before finally, they headed toward Xiao Tian's room and slept.

The following morning, Xiao Tian went straight to his company after having breakfast with his mother and aunt because he wanted to wait for Blue Ice Lotus gang to come to his company.

To his surprise, when Xiao Tian reached his company, the members of Blue Ice Lotus gang were already waiting for his arrival. And like yesterday, they all wore regular clothes as if they were not members of the gang.

'Luckily, Lan Ruoxi and Zhao Sheng have talked to the police.'

Even though Xiao Tian had no idea how they could make the police stop the investigation, Xiao Tian was pleased by it because with that, his company could return to normal again.

However, Xiao Tian was annoyed at the same time because every time he had trouble, he needed the help of Zhao Sheng or Lan Ruoxi.

I can't always depend on them. Xiao Tian thought to himself.

Because Xiao Tian didn't want other people to know about them, he brought them to the company backyard.

Xiao Tian told them that because they were his underling now, they had to guard his company and shop every day in secret and immediately reported to him if there was anything suspicious.

Of course, Xiao Tian would also give them the facility later. Xiao Tian promised them that as long as they were loyal and followed his words, he would give them better equipment and treat them nicely.

Xiao Tian also told them that they could stay in their headquarters, but if he needed them, they had to help him immediately.

The members of Blue Ice Lotus gang were shocked after hearing his words. Earlier, they thought Xiao Tian would only give them orders without caring about them.

Even though they still disliked him, but after hearing his words, the members of Blue Ice Lotus gang had a better view of him.

'I hope none of them will betray me later. I will make them loyal to me sooner or later.'

Xiao Tian knew that they disliked him very much. They became his underling because someone would beat them to death if they didn't do so.

Xiao Tian understood that having an unfaithful underling meant nothing. It would be even more dangerous to people who were important to him, so Xiao Tian wanted to make them his loyal underling.

If Xiao Tian kept forcing them to follow his every word without treating them nicely, he knew that they would stab him from behind sooner or later.

After talking for several minutes, it was decided that the members of Blue Ice Lotus gang would guard his company and store in secret, and Xiao Tian would give them facility later.

Because there was nothing to discuss anymore, Xiao Tian told them to leave before he entered the company and began to work.

Even though there were only a few employees working today, Xiao Tian didn't mind it. At least his company could still produce clothing design.

Because Xiao Tian didn't want his employees to feel afraid when they were working, he told them that several people were guarding the company.

Of course, Xiao Tian didn't tell his employees that the people who guarded them were a gang that caused problems at his company.

At this moment, Xiao Tian felt lucky that when the members of Blue Ice Lotus gang caused trouble at his company, they hid their faces with masks. Otherwise, Xiao Tian would not be able to make them guarding his company openly.

Previously, Xiao Tian told the members of the gang who guarded the company to be divided into two teams. One was to guard them openly, and the other was to defend them in secret.

Xiao Tian divided them into two teams because he wanted his employees to know that there were people who guarded them now so that they didn't need to feel afraid anymore, or at least, it could reduce the feeling of fear in their hearts.

Because Xiao Tian wanted to know whether Lan Ruoxi had gotten information about who freed Feng Ao from prison or not, he went straight to the Red Flower Bar.

After Xiao Tian arrived at Red Flower Bar, he told Lan Ruoxi's people that he wanted to meet her. One of them immediately guided Xiao Tian to a special guest room before heading toward Lan Rouxi's room.

Not long after Xiao Tian sat on the couch, a beautiful mature lady entered the special guest room. "Young master Xiao, what brings you here today?"

Chapter 292 - Because You Are A Devil In Disguise

7-8 minutes

"I want to know whether you have gotten the information about who released Feng Ao from prison or not." Xiao Tian went straight to the point

Like usual, Lan Ruoxi sat on Xiao Tian's lap and looked at him, "Of course, I have gotten the information about it. Did you doubt my ability?"

"No." Xiao Tian shook his head. "Can you not sit on my lap right now?"

Xiao Tian had no idea as to why Lan Ruoxi always sat on his lap whenever he came to meet her. In their first meeting, she didn't behave like that, but after he agreed not to kill Liu Ning, Lan Ruoxi began to act wildly as if she always wanted to lovey-dovey with him or make him hers.

Even though Xiao Tian knew Lan Ruoxi often used sweet words to people who had an important status in Shanghai, but according to information from her people, none of them could touch her body because, in her eyes, none of them were worthy of touching her body.

And here, she always sat on his lap every time they met. This made Xiao Tian curious and put his guard up whenever he was with her.

This was also one of the reasons why Xiao Tian never tried to seduce Lan Ruoxi, too, because he wanted to know what kind of woman she was. Why did she always want to get close to him?

"Do you not want me to sit on your lap?" Lan Ruoxi made a sad expression as if he had hurt her feelings. "I like sitting on your lap, so I will continue doing this."

Xiao Tian looked into her eyes for three seconds before finally asking, "Are you trying to seduce me?"

Instead of giving him an answer, Lan Ruoxi asked him. "What do you think?"

Because Xiao Tian wanted to know why she always tried to get close to him, he decided to test her. Then Xiao Tian grabbed her by the chin and kissed her lips.

As he was kissing her, Xiao Tian looked into her eyes because he wanted to know about her reaction. It said that people could see other people's feelings through their eyes. That was why when Xiao Tian was kissing Lan Ruoxi, he looked at her in the eyes.

The deep feeling of surprise emerged on her face. Lan Ruoxi's eyes widened in shock. She didn't expect Xiao Tian would suddenly kiss her.

Xiao Tian didn't stop the kiss and kept pressing his lips against hers because he wanted to know what she would do later.

To his surprise, Lan Ruoxi did nothing and let him do whatever he wanted. This made Xiao Tian wonder. Because there was no point in kissing her anymore, Xiao Tian decided to stop the kiss.

Lan Ruoxi immediately giggled and said, "Hehe. What is this? Why did you suddenly kiss my lips? Do you feel aroused because a beautiful, sexy woman is sitting on your lap?"

"Yes. Especially when I see your pretty lips." Xiao Tian still clearly felt the softness of her lips. That was why he suddenly wanted to kiss her again, but he decided not to do so.

Lan Ruoxi then brought her face closer toward Xiao Tian's right ear and whispered, "If you want, we can go to my room now, you know."

Even though Xiao Tian would love to have sex with Lan Ruoxi, but at that time, he was not in the mood to do that because he only wanted to know the person who had helped Feng Ao.

"Let put this conversation aside." Xiao Tian decided to change the topic. "So, who is it?"

"It's Ming Sha." Lan Ruoxi answered instantly. "He is from an upper-class family. He owned several restaurants and hotels."

"Do you know why he helped Feng Ao?" Xiao Tian inquired.

"In the past, Feng Ao helped his son when his company rival kidnapped his son." Lan Ruoxi answered instantly.

"Why didn't he help Feng Ao when we destroyed Feng Ao's company?" Xiao Tian was curious why Ming Sha didn't help Feng Ao when he and the others caused trouble at Feng Ao's company.

"Maybe because he was not in China." Lan Ruoxi answered. From the information, Ming Sha was abroad with his family, when they were causing trouble at Feng Ao's company. "Do you want to cause trouble at his company?"

"What do you mean by that? Why should I make trouble at his company? I just want to know who helped Feng Ao get out of prison and investigate him. If that person doesn't do anything bad to me, I will do the same." Xiao Tian had the principle that if someone never made trouble to him, he would do the same thing, but if someone caused him trouble, he would destroy that person. "Am I really that bad in your eyes?"

'Yes. Because you are a devil in disguise.'

Lan Ruoxi answered instantly in her mind.

"Good!" In her view, it would be better not to make enemies with upper-class families because that could have fatal consequences for Xiao Tian's company or people who were important to him.

I will make the members of the gang keep an eye on him. If he is related to what has happened in my company, I don't care whether he is from an upper-class family or not. I will make him pay a hundred times. Xiao Tian thought to himself.

Lan Ruoxi suddenly remembered something. For this reason, she immediately asked, "Young master Xiao, what did you do to Feng Ao? And where is he now?"

Because Lan Ruoxi didn't ask her people to follow them, she didn't know what Xiao Tian had done to Feng Ao or where they had taken Feng Ao.

"He is in Zhao family prison." Xiao Tian gave an honest answer. "It's better if you don't know what I did to him."

"Zhao family prison?" Lan Ruoxi said in surprise.

Lan Ruoxi had never thought that they would bring Feng Ao to the Zhao family prison. Rumors said, if someone was put in the Zhao family's prison, they would never come out unless the member of the Zhao family freed that person or God had taken that person's life.

And that only valid to family members who had a strong influence on the family. For family members who didn't have an influence on the family, they didn't have such privileges. They were not even allowed to enter prison.

Lan Ruoxi knew that Zhao Sheng had the privilege to enter the prison because he was a genius in martial arts. Zhao Sheng's grandfather even treated him, specially.

"So, what did you do to Feng Ao before putting him in the Zhao family prison?" Because Xiao Tian didn't tell her about it, she decided to ask again.

Xiao Tian didn't expect that Lan Ruoxi still wanted to know what he had done to Feng Ao. But because he thought it would be better for her not to know about it, Xiao Tian didn't say a single word.

Lan Ruoxi was disappointed when Xiao Tian still didn't want to tell her about it, but she could do nothing, so she gave up on it.

Because Xiao Tian wanted to know whether Ming Sha was related to everything that happened at his company or not, he immediately called Chun Hua. "Keep an eye on Ming Sha. And if he does something suspicious, inform me immediately."

"Understood." Chun Hua answered.

Chapter 293 - Why Did You Always Buy Chocolate?

7-8 minutes

After Xiao Tian left Red Flower Bar, he traveled to the University Garden to meet Zhao Sheng. They talked for several minutes before finally, Xiao Tian suddenly wanted to see Feng Ao.

Because Xiao Tian would not be able to enter the Zhao family prison alone, Zhao Sheng accompanied Xiao Tian to see Feng Ao.

After driving for several minutes, they finally arrived at the Zhao family prison.

"Young master." Several guards said in unison when they saw Zhao Sheng entering the prison.

Zhao Sheng only smiled at them without saying a single word. Xiao Tian and Zhao Sheng kept walking until finally, they reached the prison cell where Feng Ao was held.

In the prison cell, there were sink and toilet on the right side of the cell, while the mattress was located on the left side of the prison cell. Currently, Feng Ao was sitting on the floor with his back leaning against the wall.

Feng Ao kept looking forward expressionlessly and had no reaction when he saw Xiao Tian in front of him.

"Yo, Feng Ao. I've come to see you." Xiao Tian said when he was in front of Feng Ao.

Feng Ao ignored Xiao Tian as if he didn't know that Xiao Tian and Zhao Sheng were in front of him. At this moment, Feng Ao was like a person without a soul anymore.

But it was reasonable because his life had been broken apart. From his company, family, and even more so, his beautiful wife now had become another man's lover.

Not only that, they even had sex in front of him. But what he found it hard to believe was that his wife enjoyed herself very much when she was having sex with another man in front of him.

Everything was too much for Feng Ao to bear. He wanted to torture Xiao Tian too, but he knew that he would never be able to do that because he was now in the Zhao family's prison cell.

Feng Ao understood that no one would help him anymore because no one wanted to be an enemy of the Zhao family.

Feng Ao didn't expect that his life would get destroyed in a day. He himself even had no idea what he had done wrong? And why did it have to happen to him?

He never made the trouble to Xiao Tian, Zhao Sheng, and Lan Ruoxi, so why did they ruin his life? That was the question he wanted to know the answer.

However, how many times he thought about it, Feng Ao was still unable to find the answer because, in his view, he had never made the trouble to them at all.

Zhao Sheng tapped Xiao Tian's shoulders and said, "He has been like this since he is in the prison cell. There is no point in torturing him anymore because he has reached his limit."

"I know." When Xiao Tian saw the expression on Feng Ao's face, he understood that Feng Ao had reached his limit, and he would not be able to torture him anymore.

After looking at Feng Ao for about ten minutes, Xiao Tian and Zhao Sheng left. Xiao Tian and Zhao Sheng went to Bamboo Restaurant and talked for several minutes before they finally returned home.

However, when Xiao Tian was on the way to his home, he suddenly wanted to see Lin Xing Xue. For this reason, he bought many chocolates before traveling to Lin Xing Xue's house.

Knock...knock...knock...

Xiao Tian knocked on the door with a smile on his face.

Not long after that, a beautiful mature woman opened the door. "Tian, come in."

When Xiao Tian didn't see Feng Yu, he immediately grabbed Lin Xing Xue's waist and wanted to kiss her lips. However, when their lips were so close to each other, Feng Yu suddenly appeared.

Lin Xing Xue immediately giggled when Xiao Tian stopped what he was doing. At this moment, Lin Xing Xue knew that Xiao Tian would not kiss her because he always considered her daughter's feelings.

If her daughter didn't like something, Xiao Tian would not do anything that her daughter disliked. That was why Xiao Tian never kissed or hugged her whenever her daughter was with them because her daughter still hasn't accepted their relationship.

But this made Lin Xing Xue happy because, with this, she knew that Xiao Tian really loved her. He even tried his best not to kiss or hug her whenever her daughter was with them.

Even though sometimes Lin Xing Xue was a little disappointed too, but she could not do anything about it.

She just hoped her daughter would accept their relationship quickly so that she didn't have to wait for Feng Yu to sleep or when Feng Yu was not at home only to lovey-dovey with him.

And what Lin Xing Xue had guessed was right because when Xiao Tian saw Feng Yu, he immediately stopped hugging her and didn't try to kiss her anymore. Lin Xing Xue almost laughed when she saw the corner of his lips twitching.

Lin Xing Xue knew Xiao Tian was disappointed. That was why she brought her face closer toward his right ear and whispered, "You can hug and kiss me later when Yu'er sleeps, so don't be sad."

Xiao Tian was a little surprised after hearing her words. He didn't expect Lin Xing Xue would say something like that to him.

Xiao Tian started to smirk when he knew Lin Xing Xue wanted him to kiss or hug her too. That was why Xiao Tian also whispered in her ears, "So, you want me to kiss and hug you, huh? How about the other thing?"

Upon hearing his words, Lin Xing Xue's face turned red and immediately pinched his waist. Of course, Lin Xing Xue understood what Xiao Tian meant by the other thing.

"Hiii." Xiao Tian tried not to cry when Lin Xing Xue suddenly pinched his waist because he had guessed that she would do something like that.

Lin Xing Xue giggled happily when Xiao Tian tried not to cry. Sometimes, she even wished that Feng Yu was always by their side because with that, she could bully him whenever she wanted, and Xiao Tian would never fight back or punish her.

With a smile on his face, Xiao Tian walked toward Feng Yu and gave the chocolates. "Little Yu, this big brother, has bought chocolates earlier. Here, take it."

"Xiao Tian, you should buy other snacks the next time you come to my home. Why did you always buy chocolate? At least, buy me something else." Even though Feng Yu said that, she still took the chocolate.

The corner of Xiao Tian's lips twitched when Feng Yu still took the chocolate after saying something like that. But Xiao Tian realized that he should buy something else next time.

Because Feng Yu really loved chocolate, Xiao Tian thought she would be happy if he brought chocolates every time he came to their house, but he was wrong.

'My mind is not working very well when it comes to children. Huft!'

With that on his mind, Xiao Tian decided to buy something else the next time he came to their home.

Feng Yu then grabbed her mother's right hand and said, "Mother, let's head to the living room."

"All right." When Lin Xin Xue noticed Xiao Tian not following them, she stopped her footsteps. "What are you doing? Let's head to the living room."

"Un." Xiao Tian nodded his head as he smiled.

Chapter 294 - Buy Me Ice Cream And Cake

6-8 minutes

After they stepped into the living room, they immediately sat on the couch. And like usual, Feng Yu sat between her mother and Xiao Tian.

Even though Feng Yu began to accept his relationship with her mother, she still didn't want to see her mother and Xiao Tian to lovey-dovey in front of her.

Feng Yu knew why Xiao Tian never left her house before she slept. However, because she thought Xiao Tian really loved her mother and her mother was always happy when he was around them, Feng Yu began to give them time to be alone together.

There was even a time when she pretended to be asleep so she could let them spend time alone together in the living room.

And what made her pleased was that Xiao Tian never tried to seduce or lovey-dovey with her mother when she was with them. Xiao Tian even always paid attention to her. That was why Feng Yu began to accept his relationship with her mother.

As Feng Yu was consuming the chocolates, she looked at Xiao Tian and said, "Xiao Tian, because I don't want you to bring chocolates again, I will tell you what you should buy next time you visit my home."

"What is it?" Xiao Tian was pleased when Feng Yu intended to tell him what he should buy because with that, he didn't need to think about what he should buy before coming to their home.

"Buy me ice cream and cake." Feng Yu answered instantly.

"All right." for Xiao Tian, ice cream and cake were easy to get, so he didn't have a problem with that.

"How many ice cream and cake?"

"I don't want much. Just buy one black forest cake and five ice creams." Because Feng Yu also loved ice cream, she thought one ice cream was not enough. That was why she asked Xiao Tian to buy her five ice creams the next time he visited their home.

The corner of Xiao Tian's lips twitched after hearing Feng Yu's words.

'What! Five ice creams are not much?'

He found it hard to believe what he was hearing. He was fine if Feng Yu wanted him to buy her five ice creams.

But what made him hardly believe what he just heard was that Feng Yu said that five ice creams were not much. Not only that, she even wanted him to buy her black forest cake too.

'Can you eat it all later?'

Feng Yu was still a child, so her stomach was still small. Putting aside the black forest cake, Xiao Tian even wondered whether she could eat five ice creams or not.

Of course, Xiao Tian didn't say it and only nodded his head because it was rare for Feng Yu to ask him to buy something for her. That was why he immediately agreed. "All right."

Lin Xing Xue, on the flip side, could not help but giggle after hearing her daughter's words and seeing the expression on Xiao Tian's face.

Lin Xing Xue knew Xiao Tian was shocked after hearing her daughter's words. Of course, Lin Xing Xue didn't say anything to them because it was an exciting sight when Xiao Tian tried his best to please her daughter.

Then they watched TV while also chatting about many things. Xiao Tian was pleased by this because he could feel that his relationship with Feng Yu had gotten closer than before.

They even talked several times, and she always responded to all of his questions. This made Xiao Tian could not help but smile happily because he knew that sooner or later, he didn't need to wait until Feng Yu fell asleep if he wanted to lovey-dovey with Lin Xing Xue.

Not long after that, the time that Xiao Tian had been waiting for finally arrived. Feng Yu fell asleep. Xiao Tian was thrilled until he said, 'Yes. Yes. She is sleeping.' in his head repeatedly. Of course, Xiao Tian didn't show it on his face because he had to maintain his good image.

After Lin Xing Xue put her daughter in her room, she immediately returned to the living room. She knew Xiao Tian was pleased after knowing her daughter was sleeping now.

Actually, she was also delighted because she also wanted to lovey-dovey with Xiao Tian since he entered her house. However, because her daughter was with them, she was unable to do that.

Due to how happy he was, a smile suddenly appeared on his face when he saw Lin Xing Xue walking closer toward him.

For this reason, he wanted to make her sit on his lap. But to his surprise, Lin Xing Xue sat on his lap on her own accord.

Because it was a perfect time to tease her, Xiao Tian immediately said, "What is this? Do you want to lovey-dovey with me so badly?"

Lin Xing Xue pinched his nose and smiled. "I know that you will make me sit on your lap, so I decided to sit on your lap. Are you happy now?"

"Yes." who didn't love it when their girlfriends sat on their lap. Xiao Tian was sure all men would like it, because not only could they chat, but they could also embrace and feel the warmth of their girlfriend's body.

It was one of the beautiful moments for all men. There were even words that stated that many men hoped they could die in their lover's embrace because, for men, their girlfriend's embrace was one of the best places to return.

"Now that I have sit on your lap, what do you want to do next?" Lin Xing Xue believed that Xiao Tian would kiss her because every time they met, Xiao Tian always kissed her.

It was a habit for him to kiss her whenever they were alone. However, it was not only for Xiao Tian but for Lin Xing Xue too.

That was why she said something like that because actually, she hoped Xiao Tian would kiss her, especially on her lips.

Of course, Lin Xing Xue would not say it directly, because she was a lady and she thought it was a man's job to kiss their girlfriends, not vice versa.

"I don't want to do anything right now. I only want to talk while embracing you like this." this time, Xiao Tian was telling the truth. He only wanted to chat with her while feeling the warmth of her body. He even didn't intend to kiss her.

His answer much shocked Lin Xing Xue. Earlier, she thought Xiao Tian would immediately kiss her lips, but she was wrong.

Even though Lin Xing Xue was a little disappointed but she was happy at the same time. She suddenly placed her head on his right shoulder and said, "Tian, I love you."

"I love you too, little Xue." even though Xiao Tian had no idea why Lin Xing Xue suddenly said something like that, but Xiao Tian was thrilled by her words.

Even though it was only four simple words, but for Xiao Tian, it was important words. Very important words until he hoped that she would say it again when they were old later.

Then they talked about many things while remaining in the same position.

Chapter 295 - Sorry For Waking You Two Up

6-7 minutes

After talking with Lin Xing Xue for about one and a half hours, Xiao Tian returned home because it was already 10:30 pm.

Because Xiao Tian thought his mother and aunt were sleeping, he closed and locked the door carefully before heading toward his room.

To his surprise, when he stepped into his room, he saw his mother and aunt sleeping deeply. Not only that, but they were even space between them as if they had prepared it for him before sleeping.

After Xiao Tian changed his clothes, he crawled into the bed carefully because he didn't want to wake his mother and aunt.

But even so, his mother and aunt still woke up when he was about to lay on his back. With a smile on his face, Xiao Tian said, "Sorry for waking you two up."

"Tian, you have returned?" Ye Qingyu, who was on his right side, said.

"Yes." Xiao Tian answered before kissing his aunt's forehead.

When Ye Xueyin saw what her son was doing, she immediately pouted her lips and said, "Tian..."

Even though his mother didn't finish her words, but when Xiao Tian saw she was pouting her lips, he knew that she wanted a kiss on the lips.

After smiling at who cute his mother's behavior was, Xiao Tian kissed her lips for three seconds before stopping the kiss. "Let's sleep again."

"Un." Because her son had kissed her lips, Ye Xueyin immediately embraced his left arm and shut her eyes.

Like what her big sister did, Ye Qingyu also did the same thing before closing her eyes. She was pleased because she could sleep while embracing her nephew's right arm.

Not long after that, they fell asleep.

The following morning, Xiao Tian went straight to the campus because he had a morning class. Like usual, Xiao Tian talked with Zhao Sheng at University Garden for several minutes before finally, he went to his company.

As soon as Xiao Tian was in his office, he immediately called Shi Fei and Lin Xing Xue.

"Do you need anything, little brother?" Shi Fei said when she was in front of Xiao Tian.

"Sit on the couch first. I want to discuss something with you two." After Lin Xing Xue and Shi Fei sat on the couch, Xiao Tian began to explain the reason why he called them to his office. "I know there was a pretty big mess in the company two days ago, but because the employees only suffered minor injuries and almost all of them have returned to work today, I think it's time for us to talk about the company's development again."

"So?" because Xiao Tian didn't say it clearly, Shi Fei and Lin Xing Xue didn't understand what he wanted to say

"I want to open a few branches." because his company grew smoothly, Xiao Tian thought it was time to open branch again.

In order to make his company bigger, Xiao Tian needed to open several branches so that the company's revenue would be much bigger than before.

"I agree with that." Shi Fe and Lin Xing Xue said in unison.

They also thought it was time to open the branch again. With the profits company has earned until now, it was more than enough to open three or four branches. So, if the company could get more profit by opening several branches, there was no reason not to open a branch.

"How many branches do you want to open?" Shi Fe inquired.

Instead of giving her an answer, Xiao Tian asked her, "How much profit has the company made in the last few months? And in your opinion, how many branches can we open with that money?"

Xiao Tian didn't want to open too many branches at once. He needed to know about how much profit the company had earned first because if he didn't think about it carefully and only opened many branches at once, it could backfire for him later.

That was why Xiao Tian wanted to know about the company's finances before deciding how many branches they would open.

Because Shi Fe didn't know how much profit the company had earned in the past few months, she immediately left to get the data before finally returning to Xiao Tian's office again.

When Xiao Tian read the data, he assumed that they could open four branches without affecting the company's financial condition. "Let's open four branches."

"Where do you want to open it?" Lin Xing Xue inquired.

Xiao Tian had thought about it before, so he immediately answered, "Two branches in Beijing, two in Wanhui district. What do you think?"

"It's a brilliant idea because we still don't have branches in the Wanhui district." Shi Fe then looked at Lin Xing Xue. "What do you think?"

"I think so too." Lin Xing Xue answered as she nodded her head.

"Perfect! Let's advertise it on the company's website like before, so that it can reduce production costs." Xiao Tian suddenly remembered something important. "After this, one of you goes and meets the owner of this building because the rental time is almost up. I like this place, so I want to buy this place."

Because the company had earned so much in the past few months, Xiao Tian thought it would be better to buy the building.

"All right." Shi Fe and Lin Xing Xue said in unison.

Because there was nothing to discuss anymore, Lin Xing Xue and Shi Fe returned to their office to work again.

When Xiao Tian was alone in his office, he took his smartphone and called Chun Hua. "What are the results of the investigation?"

"Everything is normal, sir. He hasn't done anything suspicious until now." Chun Hua answered instantly.

"Keep monitoring him." even though Ming Sha still hadn't done anything suspicious, Xiao Tian wanted to make sure that Ming Sha really wasn't involved in what had happened in his company.

"Understood, sir." Chun Hua answered.

After that Xiao Tian hung up the phone and began to work again.

Chapter 296 - Yes. I Miss You. I Really Do

6-8 minutes

Because Xiao Tian wanted to know whether Lan Ruoxi had gotten the information about the masterminds behind everything that happened at his company or not, he decided to call her.

"Hello, young master Xiao. You want to ask about the masterminds of the chaos that occurred in your company, right?" Xiao Tian had never called her if it was not related to information, so Lan Ruoxi knew the reason why Xiao Tian suddenly called her.

Sometimes, Lan Ruoxi even wondered whether she was not attractive enough in Xiao Tian's eyes. Many men wanted to get close to her, but they didn't have the chance to do that.

And here when Lan Ruoxi wanted to get close to Xiao Tian, he always ignored her. Even though Xiao Tian always treated her nicely, but Lan Ruoxi knew that he always kept his distance to her as if he only wanted to have a business relationship with her.

Lan Ruoxi believed if it was another man, they would immediately try their best to bed her, but Xiao Tian was different.

She knew Xiao Tian was good-looking and has many women. She just found it hard to believe that Xiao Tian always ignored a gorgeous lady like her.

"Yes." Xiao Tian answered honestly. "How is the result? Did your people discover anything?"

"No. We still don't know who they are." Lan Ruoxi's had tried their best to find out who the masterminds were, but it was always in vain. Every time they found a clue, the clue suddenly disappeared or the person who had the clue suddenly died.

"It's fine." according to information from Blue Ice Lotus gang, they were from upper-class families, so it was normal if Lan Ruoxi's people had difficulty finding out about them.

However, Xiao Tian believed that he would know about them sooner or later because, in his view, they would cause trouble to him again.

That was why Xiao Tian told his underlings to guard his company and shop so that when they made a move again, Xiao Tian would know.

As long as Xiao Tian knew about them, it would be easier to deal with them, because if he had information about them, there would be many ways to make them pay for everything they had done in his company.

Should I ask Zhao Sheng for help? But Lan Ruoxi will get angry if I do that because I have agreed to let her handle it. Xiao Tian thought to himself.

After that, Xiao Tian hung up the phone and began to work again. However, not long after that, Yun Xin Er suddenly called him. "Hello, big sister Yun."

"Where are you right now? Are you busy?" because today Yun Xin Er had free time, she wanted to meet Xiao Tian.

Even though Yun Xin Er knew nothing had happened to Xiao Tian, but she wanted to make sure he was fine by looking at his condition with her own eyes. That was why she called him when she had free time.

"I'm in my office now." Xiao Tian answered instantly. "Do you want to meet me?"

"Let's meet at Jinlan Lake." Because they always met at Rainbow Garden, Yun Xin Er suddenly wanted to meet him at another place.

"Jinlan Lake?" after hearing her words, Xiao Tian suddenly remembered his aunt because a few days ago, she went to Jinlan Lake with her. "All right. What time do you want us to meet?"

"How about now?" Yun Xin Er inquired.

"All right." because Xiao Tian had finished working on his important work, he agreed to meet Yun Xin Er immediately.

Then Xiao Tian rose from his seat and headed to the parking lot. After driving for several minutes, Xiao Tian finally arrived at Jinlan Lake.

To his surprise, Yun Xin Er had been waiting for his arrival. Earlier, Xiao Tian thought he would be the first one to arrive at Jinlan Lake, because every time they promised to meet, Xiao Tian was always the first to arrive at the place of agreement.

When Yun Xin Er saw Xiao Tian, she immediately walked toward him. However, instead of saying something to him, Yun Xin Er walked around him while looking at him carefully as if she was looking for something on his body.

The corner of Xiao Tian's lips twitched when he saw what she was doing. He knew the reason she walked around him was that she wanted to know whether he was really fine or not.

With this, Xiao Tian understood that Yun Xin Er was really worried when she found out that several people had caused trouble at his company.

But what made him sigh was that she didn't believe his words when he said that nothing had happened to him.

Of course, Xiao Tian didn't mind it and let her do whatever she wanted. "Nothing happened to me, so you don't need to do this."

After making sure that nothing had happened to Xiao Tian, Yun Xin Er hugged his right arm and pointed her index finger toward the wooden bench. "Let's sit over there."

"All right." Xiao Tian nodded his head. After they sat on the wooden bench, Xiao Tian asked, "Why did you want to meet in this place?"

"Because we always met at Rainbow Garden, so I want to meet you at another place." Yun Xin Er gave him an honest answer.

Even though Rainbow Garden was a special place for both of them, but Xiao Tian also thought that it would better to meet at another place once a while. "So, why did you suddenly want to meet me? Did you miss me?"

"Little brother, I know you miss me so badly. That is why I give you a chance to meet me." even though Yun Xin Er missed Xiao Tian, but she would not say it.

Not only did she deny it, she even distorted the facts by saying that Xiao Tian wanted to meet her so badly.

Xiao Tian didn't expect Yun Xin Er would say something like that. However, Xiao Tian didn't try to deny it and decided to take advantage of the situation.

"Yes. I miss you. I really do." Xiao Tian then brought his face closer to her right ear. "Especially the taste of your pretty lips."

Instead of blushing or feeling shy, Yun Xin Er giggled and said, "Hehe. I will not let you kiss my lips today."

"Oh! Really?" even though Yun Xin Er said something like that, Xiao Tian was sure if he wanted to kiss her lips, she would not refuse because she had said something like that many times before but, in the end, she always let him kiss her.

"Yes." Yun Xin Er nodded her head.

Then Xiao Tian and Yun Xin Er talked about many things while holding hands. They stayed at Jinlan Lake until 05:00 pm before finally, they returned home.

Even though Yun Xin Er said that she would not let Xiao Tian kiss her lips but, in the end, Xiao Tian was able to kiss her lips.

Not only that, they even had a passionate kiss . Of course, they kissed passionately in her car because Xiao Tian didn't want other people to see that he had a French kiss with a famous singer.

Chapter 297 - Buying House For Shi Fei And Liu Ning

7-8 minutes

After Xiao Tian arrived home, he took a shower. Like usual, Xiao Tian spent the night chatting and laughing with his mother and aunt until finally, they slept in his room.

The following day, Xiao Tian had a meeting with Shi Fei and Lin Xing Xue in his office. They discussed when they would survey the locations and what preparations they had to do.

The result of the meeting was that Xiao Tian would survey the location in Beijing while Lin Xing Xue and Shi Fei would do the same thing in the Wanhui district. They agreed that they would survey the locations the day after tomorrow.

When Shi Fei wanted to return to her office, Xiao Tian suddenly said, "Fei, wait! There is something I want to talk with you."

Shi Fei turned around and walked toward Xiao Tian before finally, sitting on the couch next to him. "What is it?"

Because Xiao Tian only wanted to discuss something with Shi Fei, Lin Xing Xue immediately returned to her office.

"Let's buy a house for you and Liu Ning today." Xiao Tian thought it would be better to buy them a house before going to Beijing because, with that, Liu Ning and Shi Fei could live comfortably.

"Do you really want to buy a house today? But you will open several branches later, so I think it will be better to buy a house later." Even though Shi Fei was pleased that Xiao Tian wanted to buy her a house, but in her view, it would be better to buy it later.

Shi Fei didn't want Xiao Tian to waste his money like that because she could still live with Liu Ning in her apartment.

Because Xiao Tian had enough money to buy them a house, he thought it would be better to do it quickly. "No. Let's buy it today."

Shi Fei didn't say a single word and looked at Xiao Tian intently. Actually, Shi Fei and Liu Ning could still wait, but because Xiao Tian insisted on buying them a house today, she had no choice but to agree. "All right."

Then Xiao Tian and Shi Fei went to her apartment because they wanted to bring Liu Ning with them. After several minutes of driving, they finally arrived at their destination.

Liu Ning, who was watching TV, immediately rose from the couch when someone was knocking on the door.

"Big sister Shi Fei, Xiao Tian, why are you two here?" it was work time, so Liu Ning was curious why Xiao Tian and Shi Fei were not in the company.

"Let's buy a house today." Xiao Tian went straight to the point.

Like Shi Fei, Liu Ning was shocked after hearing his words. She didn't expect that Xiao Tian would buy them a house so quickly.

When Xiao Tian noticed that Liu Ning didn't say a single word, he immediately said, "Let's go now."

"Ah!" Liu Ning suddenly came to her senses. "All right. Let me change my clothes first."

As Liu Ning was changing her clothes, Shi Fei and Xiao Tian waited in the living room.

Not long after that, Liu Ning came out of the room and said, "I'm ready."

Without waiting for another second, they went to a real estate agency. When they entered the building, the real estate agent welcomed them with a smile on his face.

Because Liu Ning and Shi Fei didn't want Xiao Tian to spend a lot of money to buy them a house, they chose an ordinary house.

At first, Xiao Tian refused and wanted to buy them a better house, but because they insisted on wanting an ordinary house, Xiao Tian had no choice but to agree.

Coincidentally the house was located not far from Shi Fei's apartment. This made them want to buy it even more because it would be faster and easier to move their belongings later.

Then they went to take a look at the interior and exterior of the house. The house was protected by a white iron fence as high as one and a half meters.

Even though the front yard was not big, but Shi Fei and Liu Ning loved it very much. They even planned to plant various types of flowers in the front yard later.

After they entered the house, they immediately saw a red couch in the guest room with a sunset painting hanging on the wall.

In the living room, there was also a couch with TV in front of it. The house had three bedrooms and each bedroom had a private bathroom.

After Liu Ning and Shi Fei checked the kitchen and dining room, they nodded their heads in satisfaction. They thought the house was perfect for them, so they didn't want to look for another house.

When Xiao Tian saw the expression on their faces, he knew that they loved the house very much. For this reason, he decided to buy it.

After everything was done, Xiao Tian helped Liu Ning and Shi Fei move their belongings. Because Liu Ning and Shi Fei had many belongings, it took them several hours to finish arranging everything.

Currently, they were sitting on the couch in the living room. Their bodies filled with sweat and tiredness could be seen on their faces.

Because of sweat, they felt uncomfortable. For this reason, they decided to take a shower. At first, they took a bath in different restrooms.

However, Xiao Tian suddenly had a dirty mind. That was why he entered Liu Ning's bathroom. Because the door was unlocked, Xiao Tian could enter easily.

His action greatly surprised Liu Ning. She didn't expect Xiao Tian would enter her bathroom. But she was not angry with Xiao Tian and even let him do whatever he wanted.

At first, they just soaked together in the bathtub. However, when Xiao Tian saw her beautiful breasts floating in the water, Xiao Tian could not help but squeeze it.

This made Liu Ning cry out seductively. Because Xiao Tian had had sex with her before, Liu Ning didn't stop him and only moaned.

Soon the flame of lust burned within their bodies. For this reason, they immediately had sex in the bathroom.

Because Xiao Tian's huge cock kept hitting her womb, Liu Ning cried out louder and louder. She even no longer cared whether Shi Fei could hear her moan or not, because what she had on mind was only pleasure and pleasure.

Liu Ning didn't expect that the first thing they did after buying a house was having sex in the bathroom. Of course, Liu Ning had no problem with that, because she would grant Xiao Tian's wishes, including having sex with him whenever he wanted.

Because Liu Ning kept moaning and her moans were getting louder and louder, Shi Fei, who was soaking in the tub, immediately rushed toward Liu Ning's bathroom.

Shi Fei even didn't dry her body and immediately dashed to Liu Ning's bathroom because what she had in mind was having sex with Xiao Tian.

When Xiao Tian saw Shi Fei entering the bathroom, he only smiled because he knew that she would come after hearing Liu Ning's moans.

Soon, the three of them had sex in the bathroom for several minutes before finally, they decided to stop.

Chapter 298 - I Have No Clothes To Wear

6-7 minutes

Because Xiao Tian still wanted to soak in the bathtub, Liu Ning and Shi Fei got out first and watched TV in the living room.

Not long after that, Xiao Tian came out of the bathroom and walked toward the living room, naked.

His action made Liu Ning and Shi Fei surprise. But what surprised them most was that he sat on the couch and behaved normally as if being naked was a normal thing to do.

"Xiao Tian, why are you naked?" Liu Ning inquired.

"I have no clothes to wear." Because his clothes were in the washing machine, Xiao Tian didn't have anything to wear.

For this reason, he was naked. Because they had seen his naked body many times, Xiao Tian didn't mind it and behaved normally.

This made Shi Fei and Liu Ning unable to concentrate on watching TV anymore. Even though they had just had sex earlier, but when they saw his amazing cock, they suddenly felt aroused again.

Of course, they tried their best to hold back. But even so, when Liu Ning and Shi Fei were watching TV, they could not help but keep stealing glances at his cock once every several seconds.

Xiao Tian, who knew what they were doing, pretended as if he didn't notice it and only laughed in his mind. He wanted to know who among them would be the first to sink into lust.

For this reason, he spread his legs wider and leaned his back against the couch so that they could get a better view of his cock and pubic hair.

Seconds turned into minutes and fifteen minutes had passed since Xiao Tian sat on the couch. But he still behaved normally and enjoyed the TV show.

Shi Fei, who was unable to control her lust anymore, immediately knelt between Xiao Tian's legs before finally, grabbing his cock. Not only that, she even stuck out her pink tongue and began licking the tip of his cock.

As Shi Fei was licking his cock, Xiao Tian kept watching TV without looking at her. He knew that sooner or later, they would lose in lust.

Liu Ning, on the flip side, looked at what Shi Fei was doing intently. At this moment, she no longer cared about watching TV, because the flame of lust had smoldered within her body.

However, Liu Ning was still able to hold back. That was why she still did nothing and only looked at what Shi Fei was doing.

Because Shi Fei wanted to make Xiao Tian's cock erect faster, she put his cock into her mouth and began giving him a blowjob.

And like before, Xiao Tian was still watching TV. Even though he wanted to grab Shi Fei's head and push his cock deeper into her mouth, Xiao Tian didn't do that.

Seconds turned into minutes and several minutes had passed since Shi Fei gave Xiao Tian a blowjob.

However, there was still no sign that he had reached his limit. For this reason, Shi Fei moved her head faster and faster, hoping that Xiao Tian would let out his sperm in her mouth quickly.

Shi Fei's hard work finally paid off when she felt Xiao Tian's cock hardening. She knew that Xiao Tian had reached the limit and would soon let out his sperm.

This made Shi Fei pleased and try her best to make him cum as soon as possible. And what she had been waiting for finally happened when Xiao Tian's cock let out all the sperm in her little mouth.

After she thought that he had released all the sperm, Shi Fei immediately drank it. A satisfied smile emerged on her face when the thick sperm entered her throat.

At this moment, Liu Ning began squirming her legs. The expression on Shi Fei's face when Shi Fei drank Xiao Tian's sperm made her want to taste his sperm too.

But what a pity because Shi Fei had drunk it. For this reason, Liu Ning looked at Xiao Tian's cock with her mouth open.

Shi Fei knew that Liu Ning desired to taste Xiao Tian's cock too. That was why she looked at Liu Ning and pointed her index finger toward his cock.

Even though Shi Fei didn't say a single word, Liu Ning understood what she meant. Without waiting for another second, Liu Ning sat next to Shi Fei. At first, she wanted to lick or suck Xiao Tian's cock like what Shi Fei had done before.

However, when she felt twitch deep in her pussy as itch began to heat up her body. An itch that she suspected she knows how to satisfy after looking at the sight of his dick. Liu Ning began to take off her panties.

Because Liu Ning was wearing a skirt, she didn't bother taking off her skirt and immediately stood above Xiao Tian's cock.

Xiao Tian, who was watching TV, looked at Liu Ning when she was grabbing his cock and placing it on her vagina entrance.

Xiao Tian said nothing and only looked into her eyes. Actually, he thought Liu Ning would give him a blowjob like what Shi Fei did earlier.

Xiao Tian just didn't expect that Liu Ning wanted to have sex with him immediately. Of course, Xiao Tian would gladly welcome it. Even though they had just finished having sex a few minutes ago, but he was always ready having sex with a beautiful lady like Liu Ning.

While still looking at Xiao Tian in the eyes, Liu Ning began lowering her body, causing his cock to slowly enter her pink pussy.

"Ahhhhh." When Xiao Tian's huge cock was spreading his pussy to the size of his cock, she tilted her head back and cried out seductively.

At this time, Xiao Tian had no intention of moving his body because he only wanted to enjoy the sensation of his cock being squeezed by Liu Ning's tight pussy.

After ten seconds, Liu Ning began moving her hips while wrapping her long slender arms around Xiao Tian's neck. Soon the room was filled with her moans. And of course, Shi Fei also ended up having sex with Xiao Tian.

Chapter 299 - Let's Go Home Together

6-8 minutes

Currently, Xiao Tian, Liu Ning, and Shi Fei were sitting on the couch naked in the living room. Earlier, after they had sex in the bathroom, they did it again in the living room, as if they were never satisfied and wanted to keep having sex until they could not move their bodies anymore.

"Huft...Huft...Huft..." Liu Ning, who was sitting on Xiao Tian's right side, breathed heavily. "I have never thought that the first thing we did after buying a house was having sex in the bathroom and living room."

"Me too." Shi Fei also never thought that they would have sex as soon as they bought the house. "But I didn't regret it, because it felt so good having sex with little brother."

Liu Ning then looked at Xiao Tian and said, "I wonder, how can you have so much stamina?"

"Well, because I train every day." Xiao Tian answered instantly. "I even can still keep going if you want."

"No, thanks. It's enough for today." Liu Ning believed if she had sex with Xiao Tian again, she would not be able to move her body anymore later.

Even her pussy was still sore because they had sex for more than an hour. Although Liu Ning still wanted to feel the pleasure, but she was sure that her pussy could not bear it anymore. That was why she decided not to have sex with Xiao Tian again for today.

Xiao Tian then looked at Shi Fei and asked, "What about you?"

"Same here. If you want to have sex with me again, you have to wait until tomorrow, because my pussy is still sore. It hurts right now." Shi Fei also thought that her pussy would not be able to bear it anymore if she had sex with Xiao Tian again. That was why she refused.

Because Shi Fei and Liu Ning didn't want to have sex with him anymore, Xiao Tian decided to watch TV. At this moment, none of them bothered to put on their clothes and just watched TV while still naked.

Time went by quickly and without realizing it, it was already 09:00 pm. For this reason, Xiao Tian decided to go home.

After Xiao Tian arrived home, he immediately headed to his room and changed his clothes. Because he was tired after having sex with Shi Fei and Liu Ning for more than an hour, Xiao Tian laid down on the bed and shut his eyes.

However, not long after that, his aunt and mother suddenly entered his room. Without saying a single word, they laid down on both of his sides.

Xiao Tian suddenly remembered something important, so he immediately said, "Mother, aunt, the day after tomorrow, I will go to Beijing to survey location because I want to open a branch there."

Even though Ye Xueyin and Ye Qingyu knew that sooner or later Xiao Tian would go to another city to open a branch, they were still shocked by his words.

"How long?" Ye Xueyin inquired

"Two to three days." Xiao Tian thought two to three days was enough to survey the location.

If something happened and suddenly he needed more than three days later, Xiao Tian only needed to call his mother and aunt, so there was no problem with that.

Because Xiao Tian wanted to go to Beijing for business purposes, Ye Xueyin was unable to forbid him. "But you have to return home immediately after you finish your business."

Xiao Tian knew that his mother was unable to live without him, so he also intended to finish it as soon as possible.

And even more so, he would go alone later, so there was no point in staying for a long time. "All right. I will return as quickly as possible."

"Good!" Ye Xueyin said as she smiled happily.

"Do you want me to accompany you?" Ye Qingyu asked abruptly. "I used to live in Beijing for a few years, so I can help you survey the location."

"That's right, Tian. Let Qingyu accompany you." with her little sister's help, Ye Xueyin knew that his business would finish faster.

The sooner his business finish, the faster she could meet her son again. That was why she immediately agreed with her little sister's suggestion.

Xiao Tian suddenly remembered that a few months ago, his aunt lived in Beijing for several years. This made Xiao Tian sure that if his aunt accompanied him, he would get a strategic place for the company branch.

There was no reason to reject it because, with his aunt accompanying him, his job would be much easier. Not only that, having a beautiful lady accompanying him was a good thing too.

That way, not only would his job be easier, but he would also be able to spend time alone with his gorgeous aunt. This was a very favorable situation for Xiao Tian.

For this reason, Xiao Tian nodded his head and answered. "Perfect!"

'This way, I can lovey-dovey with aunt in Beijing every day later.'

Because he would travel with his aunt, Xiao Tian suddenly thought that his business outside the city would be interesting. He suddenly looked forward to it.

Then Xiao Tian kissed the foreheads of his mother and aunt before he finally said, "Alright, it's already late. Let's sleep."

"Un." Ye Xueyin immediately embraced her son's arms.

"All right." like her big sister, Ye Qingyu also hugged her nephew's arms before closing her eyes as if embracing his arms was something that she had to do before going to sleep.

The following morning, after Xiao Tian had breakfast with his mother and aunt, he went straight to his company to work because he would be away for a few days later.

Xiao Tian did not want his work to pile up after returning from Beijing later. That was why he worked very hard and didn't try to seduce Lin Xing Xue or Shi Fei.

Because he was too focused on his work, he even forgot to eat lunch. He only remembered it when the worms in his stomach were doing a concert.

'It's already 05:00 pm.'

Because it was almost time for dinner, Xiao Tian decided not to eat and continued to work. Soon work time was over. Shi Fei and Lin Xing Xue headed to his office and knocked on the door.

"Come in." Xiao Tian answered while still working.

"Little brother, it time to go ho-" Shi Fei stopped her words when she noticed Xiao Tian was working seriously.

Shi Fei immediately looked at Lin Xing Xue. At this moment, they were wavering whether they should go home with Xiao Tian or not.

Sure, they wanted to go home with him, but after seeing him busy with his work, Lin Xing Xue and Shi Fei had no idea what to do.

Because Shi Fei and Lin Xing Xue didn't want to disturb Xiao Tian, they decided to go home alone this time.

"Little brother, we go home first." Shi Fei said.

"Wait!" Xiao Tian rose from his seat and walked toward them. "Let's go home together."

After looking at each other for two seconds, Lin Xing Xue and Shi Fei nodded their heads.

Chapter 300 - Ning'er, I've Come To Meet You

7-8 minutes

After sending Lin Xing Xue home and of course, having a passionate kiss with her for several seconds, Xiao Tian drove Shi Fei home.

Xiao Tian didn't immediately go home, because he wanted to spend time with Liu Ning. "Ning'er, I've come to meet you."

"Xiao Tian?" Liu Ning was pleasantly surprised when she saw Xiao Tian in her house. "Did you come here after leaving the company?"

Because Xiao Tian still wore a formal dress, Liu Ning thought Xiao Tian didn't go home after leaving the company. Of course, this made her delighted because, with this, she knew that he really wanted to meet her.

Xiao Tian kissed her forehead and smiled. "Yes. because I really miss my Ning'er."

Liu Ning's face broke into a smile after hearing his words. "Let's sit in the living room."

"All right." Xiao Tian nodded his head.

As Xiao Tian and Liu Ning were talking in the living room, Shi Fei headed to her room before finally, taking a shower.

"Ning'er, I will go to Beijing tomorrow for two to three days. I want to survey locations because I want to open a branch there." the reason Xiao Tian didn't go home immediately was that he wanted to tell Liu Ning that he would go to Beijing tomorrow.

Xiao Tian didn't want Liu Ning to think that he had forgotten about her after only a few days. That was why he decided to tell her before going home.

"Really?" Liu Ning was thrilled when she knew that Xiao Tian wanted to open a branch. That meant his company was developing very well. "I'm happy your company will open a branch in another city. You don't need to worry about me because I will always support you."

"Thank you." actually, Xiao Tian had guessed that Liu Ning would say something like that because she was not a clingy person. "Do you want anything?"

"No." Liu Ning shook her head. "You just need to take care of yourself and return in one piece is enough for me."

Even though Xiao Tian was not in love with her, but after hearing her words, he felt warm in the heart. He then embraced her and said, "I will. Because I don't want to make my Ning'er worry."

After Xiao Tian stopped the hug, she immediately asked, "So, who are you going with?"

"With my aunt." Xiao Tian thought he didn't need to lie to her because he believed that she would not be suspicious of his aunt. "She used to live in Beijing a few months ago, so she will be very helpful later."

Like what Xiao Tian had guessed, Liu Ning didn't feel suspicious of his aunt. "Good! With your aunt accompanying you, everything will go smoothly."

Not long after that, Shi Fei finished taking a shower. After wearing clothes, she headed to the living room because she also wanted to spend time with Xiao Tian.

Like this, Xiao Tian, Shi Fei, and Liu Ning talked for several minutes before finally, Xiao Tian returned home.

Of course, Xiao Tian had a passionate kiss with them before going home, because he would not be able to kiss them in the next two or three days.

After Xiao Tian arrived home, he immediately took a shower. Because Xiao Tian had to prepare everything, he didn't spend time with his mother and aunt.

"Everything is ready." Xiao Tian, who was laying down on the bed, mused.

Because Xiao Tian had booked a hotel room earlier, he had nothing to do anymore. For this reason, Xiao Tian intended to sleep because he had to get up early tomorrow.

Like usual, when Xiao Tian was about to sleep, someone knocked on his door. "Come in."

Xiao Tian was a little surprised when he only saw his mother. However, he immediately understood that his aunt wanted to give his mother a chance to be alone with him before he went to Beijing.

With a smile on his face, Xiao Tian tapped the bed next to him and said, "Come here, mother."

After Ye Xueyin laid down on Xiao Tian's right side, she looked at him and said, "Tian, I will miss you very much."

Xiao Tian grabbed his mother by the waist and put her on his chest. "Me too. But you have to bear it because this is for the sake of my business."

"Un." Ye Xueyin nodded her head.

Actually, Ye Xueyin wanted to go to Beijing with him because she didn't want to separate from her son, but she was afraid that she would disturb his work later. For this reason, she decided to wait for him at home.

Xiao Tian could only sigh when he saw the expression on her face. "Don't be sad, mother. I will return home immediately after I finish my work."

"Really?" Ye Xueyin inquired.

"Yes." Xiao Tian nodded his head as he smiled.

"Don't let mother wait too long because mother doesn't want to be alone for a long time." Ye Xueyin said in a sad voice.

"I understand." Xiao Tian replied.

That night, they didn't have sex and only wanted to feel the warmth of each other's bodies. They also didn't talk much, but they kept embracing each other before finally, they fell asleep.

The following morning, Ye Xueyin was the first to wake up. However, she didn't immediately get out of the bed; instead, she kept resting on top of his body as if she didn't want to separate from him even for a second.

Seconds turned into minutes, but Ye Xueyin still rested on top of his body. Because she would not be able to see his face for two to three days, she wanted to see his face and saved it on her mind, so when she missed him later, she could remember him.

Not long after that, Xiao Tian slowly opened his eyes. His face broke into a soft smile when he noticed that his mother had woken up and was looking at him intently. "Good morning, mother."

"Good morning." Ye Xueyin answered as she smiled.

When Xiao Tian wanted to kiss her forehead, he didn't expect that his mother was faster than him. Usually, he was the one who always kissed her in the morning. But to his surprise, before he could kiss her forehead, his mother kissed his lips.

After Ye Xueyin pressed her lips against his lips, she didn't immediately stop the kiss; instead, she kept pressing her lips and looked at him in the eyes.

Of course, Xiao Tian let his mother do whatever she wanted because even though he loved kissing his woman, he also liked being kissed by his lover.

After several seconds, his mother finally broke the kiss. Xiao Tian thought she would rest her head on his chest again, but he was wrong because after kissing his lips, his mother immediately kissed his forehead.

And like before, Ye Xueyin pressed her lips against his forehead for several seconds before finally, she stopped the kiss.

Because Xiao Tian had to take a shower so that he didn't late to go to the airport, he immediately said, "Mother, I want to take a shower now."

"Tian, let's take a bath together." because Ye Xueyin still didn't want to separate from her son, she wanted to take a shower together with him.

"All right." Xiao Tian replied as he smiled.
