

## Illicit 311

### Chapter 311 - I Will Punish You Later

When Yun Xin Er finished singing a song, one by one the audiences praise her.

"Yun Xin Er, you are the best singer in the whole of China."

"Yun Xin Er, your performance is perfect."

"Yun Xin Er, you are beautiful."

"Yun Xin Er, I love you."

"Yun Xin Er, marry me."

"Yun Xin Er, you are my life."

Upon hearing their words, Yun Xin Er winked her left eyes and said, "I love you too."

Almost all male audiences put their hands on their chests when they saw Yun Xin Er winking her eyes.

"Ahh, my heart....."

Xiao Tian could not help but turn his head upon hearing the words of the male audience. The corner of his lips twitched when he saw almost all of the male audiences put their hands on their chests.

'What the fuck are they doing? Aren't all of you overreacting?'

Xiao Tian found it hard to believe what he was seeing.

When Li Wen noticed the expression on Xiao Tian's face, he smiled and said, "Something like this always happened every time Xin Er finished singing a song. I'm sure one of the reasons all of them came to the concert is because of Xin Er too."

"Big sister Yun is sure amazing." Xiao Tian knew that Yun Xin Er was very famous in China, but he didn't expect that her fans would behave like that just because she said four words to them.

Now Xiao Tian wondered what they would do if they knew that he had kissed their goddess and embraced her many times.

"You are right. Xin Er is the most precious singer in Li Entertainment." Li Wen said proudly as if he was the one who recruited Yun Xin Er.

Of course, Xiao Tian knew about it because Yun Xin Er was the most famous singer in Li Entertainment. She was even well-known in the whole of China.

"Director Li, it seems like Miss Yun Xin Er is a lucky star for Li Entertainment." Ming Sha said abruptly.

"We can tell from the reaction of all the audiences behind us."

"Miss Yun is an extraordinary lady, so of course, she is a lucky star for Li Entertainment." Zong Ma added. "Not only is she beautiful, but her voice is also very good. It seems like she was born to become a successful singer. Now I'm starting to be jealous of Director Li's luck."

"Haha." Li Wen laughed happily after hearing their words. "It is indeed very fortunate for us to have Xin Er in our company."

Even though Li Wen was used to hearing it, but still, he was pleased upon hearing their words. It was as if Yun Xin Er was the reason why Li Entertainment became famous.

After Yun Xin Er finished singing, another singer appeared and began to sing a song again. Even though the audiences were lively when the singer was singing a song, but it was not as lively as when Yun Xin Er sang a song.

And like this, the concert continued as Li Wen had planned. Even though the concert was held for more than four hours, but because of how many singers in Li Entertainment were, each of them could only sing two songs.

Not long after that, the concert was over. Of course, the hosts didn't forget to say that all the clothes were from Xiao Tian's company.

One by one the audience began to leave the concert hall. However, Xiao Tian, Li Wen, Lin Xing Xue, and Shi Fei were still sitting on the chair.

"Director Li, I'm leaving now. Once again, happy tenth birthday to Li Entertainment. I hope Li Entertainment can grow bigger in the future." Even though Ming Sha still wanted to chat with Li Wen, he knew that Li Wen had scheduled. That was why he decided to bid goodbye.

"Once again, happy tenth birthday to Li Entertainment." Zong Ma rose to his feet. "I hope Li Entertainment can become the biggest entertainment in the whole of China."

"Thank you." Li Wen said as he smiled.

Then Ming Sha looked at Xiao Tian and said, "See you again, young man."

"Let's have lunch next time." Zong Ma added.

"Sure. Let's have lunch next time." Xiao Tian replied as he smiled.

When there were only a few people in the concert hall, suddenly a gorgeous lady walked toward Xiao Tian with a smile on her face.

When the gorgeous lady was in front of Xiao Tian, she said happily, "Little brother, how is my performance on the stage earlier?"

"Perfect!" Xiao Tian answered instantly. "Big sister Yun, you should change your clothes first before meeting us."

At this moment, Yun Xin Er was still wearing a red dress which she wore when she was singing on the stage. A smooth back and shoulders, as well as her soft willow-like arms, were exposed. And an open fork, extended till her waist on the left side of the skirt, exposing her snow white and slender thighs.

If he was alone with Yun Xin Er, he would have teased her the moment he saw her, but because they were not alone, Xiao Tian didn't do that.

However, Yun Xin Er was different. She then brought her face closer toward Xiao Tian's ears and whispered, "Are you feel aroused?"

Xiao Tian didn't answer her because Li Wen and the others were next to them.

'This bad lady! I will punish you later.'

Because Yun Xin Er had teased him, Xiao Tian decided to tease her if they were alone later.

At this moment, Lin Xin Xue looked at Xiao Tian and Yun Xin Er. Even though she was not angry when she saw Xiao Tian and Yun Xin Er seem to have a very close relationship, but she could not help but feel jealous.

Of course, Lin Xing Xue didn't have bad thoughts about them because she knew that Xiao Tian and Yun Xin Er only had a business relationship.

While Shi Fei, on the other hand, had a normal expression. She was Xiao Tian's mistress and would accept Yun Xin Er as her sister if Yun Xin Er was really Xiao Tian's woman because she had no problem with that.

For Shi Fei, as long as she could become his wife in the future, she would not forbid Xiao Tian to like another woman. Of course, she also hoped that he would not have too many women in the future because it could threaten her relationship with Xiao Tian.

"Alright. Let's have dinner together now." Because it was already 09:00 pm, Li Wen thought they should have dinner together.

"All right." of course, Xiao Tian agreed because he was starving.

Then they went to the Li family restaurant. After driving for several minutes, they finally arrived at their destination.

The restaurant was big and luxurious. It had three floors and on top of the building, there were the big words 'LI RESTAURANT' with golden lights flashing on.

When they were on the entrance, a middle-aged man about thirty-six-years old bowed slightly and said, "Welcome director Li."

Li Wen stopped in front of him and said, "Prepare a special menu."

"Understood." The middle-aged man then looked at two people behind him, giving them a sign to immediately prepare a special menu for them.

Because they wanted to eat in the VVIP room, they headed toward the highest floor.

### **Chapter 312 - In The Washroom**

6-8 minutes

---

Not long after that, they entered the VVIP room. The room was big and luxurious with a few big round tables in it. Then they walked toward the table which was located in the middle of the room and sat on the chair.

Then they talked for several minutes before finally, a few waiters came with food and drinks in their hands.

After the waiters left, Li Wen immediately said, "Today event is successful. Let's eat to our heart content."

Li Wen was pleased because the event finished without problems. And not only that, but the result was better than what he had planned.

At this moment, Shi Fei and Lin Xing Xue were sitting on both of Xiao Tian's sides, while Li Wen and Yun Xin Er sat on the opposite side of them.

Actually, Yun Xin Er wanted to sit next to Xiao Tian, but because Shi Fei and Lin Xing Xue sat on both of his sides first, she had no choice but to sit next to Li Wen.

Then they talked for several minutes before finally, Yun Xin Er went to the bathroom.

Realizing that the opportunity to punish Yun Xin Er had arisen, Xiao Tian decided to go to the restroom too. However, because he didn't want others to be suspicious of him, he headed to the washroom five minutes after Yun Xin Er left.

Coincidentally, the men's washroom was next to the women's restroom, so Xiao Tian would not lose face if he waited for Yun Xin Er in front of the toilet.

Without feeling shy, Xiao Tian stood in front of the restroom with a cool pose. His back was leaning on the wall while his arms crossed over his chest.

Not long after that, Yun Xin Er came out of the washroom. She was surprised when she saw Xiao Tian standing in front of the restroom.

Because there was no one around them, it made Xiao Tian want to punish Yun Xin Er even more. Without giving Yun Xin Er a chance to say anything, Xiao Tian pulled her toward him before finally, he cornered her against a wall with his arms.

With his eyes locked on hers, Xiao Tian said, "Big sister Yun, how dare you tease me earlier. Do you think I will not punish you for that?"

Instead of blushing or feeling shy, Yun Xin Er said confidently. "If this big sister wants to tease you, this big sister will do that. What do you want to do? Do you dare to punish this big sister?"

Xiao Tian then grabbed her face by the chin and said, "Do you think I don't dare to do that?"

"I'm waiting." Yun Xin Er wanted to know what Xiao Tian would do to her. That was why she was not afraid when Xiao Tian said that he wanted to punish her.

At first, Xiao Tian wanted to kiss her lips immediately, but suddenly an exciting idea emerged on his mind.

Because Xiao Tian was sure there was no one in the men's restroom, he grabbed Yun Xin Er's hands and dragged her to the men's toilet.

His action greatly surprised Yun Xin Er. However, Yun Xin Er didn't try to run away and decided to follow him quietly. Earlier, she dared him to punish her. For this reason, Yun Xin Er let Xiao Tian drag her to the men's washroom because she didn't want to lose face.

Yun Xin Er was sure that Xiao Tian would not do anything he should not have done. She believed that Xiao Tian only wanted to make her feel ashamed. In her view, Xiao Tian would only kiss or hug her.

And what she had guessed was right because as soon as they entered cubicle toilet, Xiao Tian immediately cornered her against the cubicle toilet wall. Yun Xin Er knew that Xiao Tian would kiss her later.

Even though Yun Xin Er was worried someone would know that she was in a men's toilet, she didn't show it on her face; instead, she showed him a confident face as if she didn't care that she was in the men's washroom.

Xiao Tian was a little surprised by this. Even though Yun Xin Er always teased him and behaved seductively, he thought she would be worried after they entered the restroom, but he was wrong.

Not only was she not afraid, she even had an expression as if she was challenging him to punish her like what he just said.

Because Xiao Tian didn't want other people to know that he was inside the cubicle toilet with a famous singer, he brought his face closer toward her right ear and whispered. "If you beg me, I will let you get out of this place."

Like before, Yun Xin Er dared him to punish her, so she also whispered, "I won't beg you. I'm waiting to be punished."

Because Yun Xin Er insisted on being punished by Xiao Tian, he grabbed her by the waist and kissed her beautiful pink lips.

Even though Yun Xin Er preferred kissing in a romantic place, but she didn't mind it when he kissed her in the washroom.

As Xiao Tian was kissing her, Yun Xin Er looked into his black eyes, as if she asked him what kind of punishment he would give to her next.

As if Xiao Tian could read her mind through her eyes, he immediately tried to put his tongue in her mouth.

Because Yun Xin Er knew that Xiao Tian would kiss her passionately, she welcomed it by opening her little mouth so that his tongue could enter it.

Soon, their tongues intertwined and saliva began dripping down from the corner of their mouths. And as if their saliva was the most delicious water in the world, both of them drank each other's saliva as they were kissing passionately.

Like usual, Xiao Tian suddenly desired to squeeze her breasts. For this reason, Xiao Tian moved his hands from her waist to her soft beautiful breasts.

Even though Yun Xin Er had guessed that Xiao Tian would squeeze her breasts, but she was still shocked when he did it.

They had a passionate kiss for several seconds before finally, Xiao Tian broke the kiss. Of course, the reason Xiao Tian stopped the kiss was that he wanted to sit on the toilet and continued kissing her. After Xiao Tian sat on the toilet, he patted his thighs, giving her a sign to sit on his lap.

With a smile on her face, Yun Xin Er walked toward him and sat on his lap without feeling shy. Then she brought her face closer toward his right ear and whispered, "What is this? Do you want to kiss me passionately again?"

Instead of giving her an answer, Xiao Tian kissed her lips again. This time, they immediately kissed passionately as if both of them had lost in lust.

As they were kissing, Xiao Tian was curious whether he could play with her bare breasts or not. For this reason, Xiao Tian moved his hands toward her breasts again. Because Yun Xin Er was wearing off-the-shoulder top dress, it was effortless to play with her bare breasts.

However, when Xiao Tian was about to put his hands underneath her dress, Yun Xin Er grabbed his hands and broke the kiss. "Kissing is the limit for us."

After that, they continued kissing passionately.

### **Chapter 313 - Going To Yun Xin Er's House Again**

7-8 minutes

---

After enjoying the sunset on the yacht, Xiao Tian and Ye Qingyu returned to the hotel to take a shower. Like before, they took a shower together again.

However, they didn't have sex and only washed each other's bodies. After bathing, they went out to have dinner outside.

At first, Xiao Tian wanted to bring her to a famous restaurant, but Ye Qingyu refused and chose to eat at a street vendor.

Of course, Xiao Tian followed her wish because for him, as long as she was happy, he would agree to her every wish.

After having dinner, Xiao Tian and Ye Qingyu walked aimlessly hand in hand. The beautiful night, which was decorated by the bright full moon and the street vendors which adorned the road, made the night look even more beautiful in their eyes.

This made Xiao Tian and Ye Qingyu thrilled. As they were walking, a dazzling smile never left their faces.

Even though they only walked hand in hand, but for Xiao Tian and Ye Qingyu, it was one of the most beautiful moments for them. Without realizing it, they had been walking aimlessly for about thirty minutes, but none of them felt tired.

When Xiao Tian saw a public seating, he pointed his index finger toward it and said, "Qingyu, let's sit over there."

"All right." Ye Qingyu nodded her head.

As if their hands were exposed to glue and could not be separated, they kept holding hands when they were sitting on the public seating.

They talked for about thirty minutes before finally, Ye Qingyu said, "Tian, let's take a walk again."

"All right." Xiao Tian replied

Like before, they walked hand in hand. Of course, as they walked, they were talking, laughing, and joking too.

At this moment, both Xiao Tian and Ye Qingyu were very happy and wished it could last forever. Even though it was already 11:20 pm, but there were still many people walking around the city.

This was the reason why Xiao Tian and Ye Qingyu didn't realize that it was already 11:20 pm because even though it was almost midnight, the crowd in the city of Beijing did not decrease at all.

And because of how happy they were, or how beautiful the night scenery was, Xiao Tian and Ye Qingyu didn't feel sleepy at all.

They kept walking and enjoying the night until 12:30 am before finally, they decided to return to the hotel.

-----

"Huft... Today is a wonderful day." as soon as Ye Qingyu stepped into the hotel room, she sat on the edge of the bed before finally dropping her body onto the bed.

After Xiao Tian changed clothes, he laid on top of his aunt and smiled. "Yes. You are right."

Ye Qingyu didn't push Xiao Tian away; instead, she wrapped her long slender arms around her nephew's back and smiled. "It's a pity we will go back to Shanghai tomorrow."

Xiao Tian agreed with his aunt's words. Actually, he also didn't want to immediately return to Shanghai because he still wanted to enjoy the beauty of Beijing with his aunt.

Xiao Tian knew that there were still many beautiful places in Beijing that they still hadn't visited. "How about we return the day after tomorrow?"

"But.." even though Ye Qingyu still wanted to stay in Beijing, but her big sister was alone at home.

She also believed that her big sister would miss them very much and wanted them to return home immediately.

For this reason, Ye Qingyu did not know what the best choice was between returning home immediately or staying in Beijing for another day.

Xiao Tian knew that his aunt was worried about his mother. For this reason, he immediately said, "I will call mother later and tell her about it."

After thinking for several seconds, Ye Qingyu nodded her head and said, "All right."

Xiao Tian was thrilled when his aunt agreed to stay in Beijing for another day because with this, he would be able to visit other beautiful places in Beijing with his aunt. "Good!"

After saying that, Xiao Tian kissed his aunt's forehead gently. Xiao Tian didn't immediately stop the kiss; instead, he kept pressing his lips against her forehead.

As Xiao Tian was kissing her, Ye Qingyu embraced him tighter. At this moment, Ye Qingyu had no idea why his kiss felt different.

But she suddenly assumed that it was all because they had a wonderful time earlier. That was why the happiness she felt when Xiao Tian kissed her forehead was something that made her feel as if she was the happiest woman in the world.

After Xiao Tian stopped the kiss, he looked at his aunt in the eyes. He didn't say a word or do anything to her.

Xiao Tian only looked into her beautiful dark grey eyes with a loving face. "I love you, Qingyu."

Her face blossomed into a smile after hearing his words. Even though lately Xiao Tian often said it, but she had never tired of hearing it; instead, she loved hearing it very much. "I love you too, Tian."

After confessing their love for each other, Xiao Tian slowly brought his face closer toward hers with the intention of kissing her lips.

Even though the distance between their lips was only a few centimeters, but because Xiao Tian brought his face closer toward hers slowly, it took a few seconds for him to feel the softness of her lips.

At that moment, they only pressed their lips together and didn't intend to use the tongue in their kisses as if they only wanted to show their love through kisses.

Even though they had been pressing their lips together for several seconds, but none of them showed a sign of stopping. It was as if both of them really enjoyed the sensation when their lips pressed against each other.

Like before, after Xiao Tian broke the kiss, he looked at his aunt in the eyes. This time, instead of kissing her again, Xiao Tian stood on his knees and began to unbutton her blouse one by one.

At this moment, Ye Qingyu knew that her nephew desired to have sex with her. However, despite knowing what he was about to do, she did nothing and only looked at his hands, which were unbuttoning her blouse.

Not only that, she even cooperated when he wanted to take off her blouse and bra. Even though they were in a hotel room, she didn't mind it because she knew many lovers also did it in hotel rooms.

After Xiao Tian saw her naked upper body, he didn't immediately squeeze or lick her breasts. He looked at her dark grey eyes before finally, his gaze fell on her beautiful breasts.

As Xiao Tian was squeezing her right breast with his left hand, he began to lick her beautiful pink left nipple.

"Hmmm." Ye Qingyu tried her best not to moan loudly when her nephew was squeezing and licking her breasts.

And soon, the room was filled with Ye Qingyu's beautiful moaned.

-----

"So, where are we going tomorrow?" Ye Qingyu inquired.

Currently, Ye Qingyu was lying down on Xiao Tian's left side with her head leaning on his arms. Both of them were still naked because they had just finished pleasing themselves by having sex.

"I don't know. Let's decide it tomorrow." Xiao Tian replied.

### **Chapter 314 - You Are My Prey, So You Should Behave Like Prey**

6-8 minutes

---

Currently, Xiao Tian and Yun Xin Er were kissing passionately. Yun Xin Er was lying down on the bed with Xiao Tian on top of her body.

While they were looking into each other's eyes, their soft tongues were also intertwining lewdly.

As they were kissing lewdly, Yun Xin Er's slender arms wrapped around Xiao Tian's back tightly. Not only that, but her beautiful long legs were also locking around his ass, causing Xiao Tian unable to move his body.

Of course, Xiao Tian did nothing and only kept kissing her passionately. Because Yun Xin Er pulled his body towards hers, Xiao Tian's cock was pressing against the place between her thighs.

But none of them said anything or intended to stop the kiss. At first, Xiao Tian's cock was still sleeping deeply, but the longer they kissed, the faster the lust within his body appeared.

For this reason, Xiao Tian's little brother slowly woke up from his slumber. Because their kiss was getting lewder and lewdly, coupled with the lustful expression on her face, made his cock erect faster until finally, it was fully erect.

When Yun Xin Er felt that his cock was already hard, she broke the kiss and said, "Hehe. Are you feeling aroused? But I won't let you do anything lewd to me. Hehe."

Even though Yun Xin Er said something like that, but he embraced Xiao Tian tighter. Not only that, her legs, which were locking around his ass, were also wrapped more tightly as if she wanted him to feel her body even more.

"Do you want to make me feel aroused? Are you not afraid that I will do something to you right now?" at this moment, Xiao Tian began to move his lower body up and down.

However, because Yun Xin Er was wrapping her legs around his buttocks tightly, he was unable to move as he pleased because every time he moved his body, Yun Xin Er's body also moved.

"Mmm." Even though Xiao Tian could only move his lower body a little, but because his cock was pressing against her pussy, Yun Xin Er was able to feel it. "Tian, you are not allowed to move your body. Tonight, you are my prey, so you should not behave like this."

"Ah! Are you playing something right now?" Xiao Tian inquired.

Upon hearing his words, Yun Xin Er immediately answered. "Yes. And you are my prey, so you should behave like prey."

Because Xiao Tian was curious about what Yun Xin Er would do to him, he agreed to pretend to be prey. "All right. So, should I take my clothes off right now?"

Of course, Xiao Tian would still tease her. Even though he was pretending to be prey, but he would still take advantage of the situation later.

Because Xiao Tian agreed to be prey, Yun Xin Er thought it was a perfect time to do whatever she wanted. Without saying anything to Xiao Tian, Yun Xin Er stopped the embrace and began to take off his shirt.

At this moment, Xiao Tian did nothing and only looked at her face before finally, lowering his sight to her hands which were unbuttoning his shirt.

One by one Yun Xin Er unbuttoned his shirt, and when half of his shirt was open, she stopped what she was doing and stared at his chest.

As she was staring at his chest, Yun Xin Er was mesmerized by his perfect chest. For this reason, she touched his chest and began to feel it.

'I can't help but want to see his naked body again after seeing his naked body a few days ago. I didn't expect that I would be mesmerized by his body.'

Those were the words that appeared when she was caressing his chest and feeling it. At this moment, Yun Xin Er didn't realize that she was like a perverted lady who had never seen a man's body.

Xiao Tian, on the flip side, wanted to laugh when he saw the expression on her face. He didn't expect that she would enjoy herself like that. She even didn't feel embarrassed when she was caressing his chest.

Of course, Xiao Tian didn't mind it because, with this, he was sure he would be able to do something to her body later. Now, all he needed to do was to satisfy her desires first and let her do whatever she wanted to his body.

After caressing his chest for several seconds, Yun Xin Er began to unbutton his shirt again. Because she had seen his chest earlier, Yun Xin Er wanted to see his stomach too.

Even though Yun Xin Er had seen Xiao Tian's naked body before, but when she was unbuttoning his shirt, she could not help but gulp her saliva.

Gulp...

After Yun Xin Er finished unbuttoning his shirt, she could not take her eyes off his upper body as if there was a magnet between her eyes and Xiao Tian's upper body.

Because she was unable to fully enjoy the sight of his upper body, Yun Xin Er turned their bodies, making Xiao Tian now laying on his back with Yun Xin Er on top of his body.

Even though Yun Xin Er was sitting on his erect cock, she behaved normally. Like before, she began caressing his shoulders, chest before making her way down to his stomach. "Little brother, you really have a good body."

"You too." at this moment, Xiao Tian moved his hands and began caressing her beautiful thighs.

However, he could do that only for three seconds because Yun Xin Er immediately stopped him. "Remember, you are my prey now."

The corner of Xiao Tian's lips twitched after hearing her words. But because he agreed to let her do whatever she wanted, Xiao Tian removed his hands from her thighs.

When Yun Xin Er felt something, she immediately brought her face closer toward his right ear and whispered, "I can feel that your little brother is throbbing right now. Hehe."

When Yun Xin Er wanted to lift her upper body, Xiao Tian grabbed her head and said, "I can also tell that your underwear is wet now."

Actually, Xiao Tian didn't know whether her underwear was wet or not. The reason he said it was that he wanted to tease her too.

Of course, Yun Xin Er immediately denied it. "My underwear is not we-"

However, before she had finished her words, Xiao Tian brought her face closer and immediately kissed her pink lips.

Maybe because the flame of lust had smoldered within her body and she also loved kissing Xiao Tian, Yun Xin Er let him kiss her.

And like before, they kissed passionately for several seconds before finally, Yun Xin Er broke the kiss.

After wiping off her saliva from the corner of her mouth, Yun Xin Er kissed his forehead and said, "Be a good boy, and let me enjoy your body."

"Is my body so good that it makes you want to keep touching my body?" Xiao Tian asked as he chuckled. "It seems like you are enjoying yourself too much."

"Yes. You are right." Yun Xin Er began caressing his chest with her index finger and moving it from his chest to his stomach slowly. "Now, be a good boy and I will reward you later."

**Chapter 315 - Let's Watch TV Together Before Sleeping**

6-8 minutes

---

Yun Xin Er kept caressing his body as she pleased. From the expression on her face, anyone could tell that she was enjoying herself very much.

She even didn't bother hiding her expression. Maybe because they were alone in her room, Yun Xin Er didn't care about it.

After caressing his body for several minutes and teasing him, Yun Xin Er thought that she had to stop because she knew it would be dangerous if she continued what she was doing.

For this reason, she laid prone on top of his body and said, "Little brother, hug me."

Yun Xin Er had no idea as to why she suddenly wanted Xiao Tian to embrace her. She just felt that her body suddenly longing for it.

With a smile on his face, Xiao Tian wrapped his arms around her waist and said, "Do you not want to touch my body anymore?"

"I'm already satisfied." Yun Xin Er answered instantly.

"If so, then it's my turn to enjoy your body." the reason Xiao Tian said it was that he wanted to know what she would say after hearing his words.

Yun Xin Er looked at Xiao Tian for several seconds before finally, she said, "You can kiss and hug me, but you are not allowed to do anything more than that, or else, I will get angry."

"Isn't that unfair to me?" actually, Xiao Tian had guessed that she would say something like that, but because he wanted to squeeze her breasts, he pretended to be sad. "You enjoyed caressing my body earlier, so you have to let me do the same thing to you."

Yun Xin Er thought of a way to make him not do that. And after she found it, she immediately kissed his forehead and said, "There. I have kissed you, so don't think about dirty things anymore."

The corner of his lips twitched after hearing her words. His cock was already hard due to what she did to him earlier, so he wanted to do more than a kiss.

However, because Xiao Tian didn't want to force his way on her, he decided to tease her. "You saw my upper body earlier, so at least let me see your upper body too."

Yun Xin Er knew if she showed her upper body to him, they would do something more than that. That was why she only looked at him without saying a single word.

When Yun Xin Er learned that his cock was still hard, she knew that Xiao Tian was feeling aroused. She believed that he was tormented by the lust within his body.

Yun Xin Er realized the reason his cock was hard was that she had teased him earlier. For this reason, she wanted to help relieve it.

Even though she had seen how to do that on the internet, but because she had never done it before, Yun Xin Er was wavering about what she should do.

Even though she was in love with Xiao Tian, but in her view, doing something like that was still too fast for them. "Tian, you can't do that, but you can embrace me for the whole night later."

Actually, Xiao Tian still wanted to squeeze her breasts, but after seeing the expression on her face, he decided not to do that. "All right."

Yun Xin Er was pleasantly surprised when Xiao Tian agreed not to do anything to her. Earlier, she thought Xiao Tian would still try to do anything to her, but she was wrong.

She was utterly wrong. Not only did he agree not to do anything to her, but he even smiled lovingly as if he would agree to her every word.

This made Yun Xin Er love Xiao Tian even more. As she was resting her head on his chest, a soft smile spread across her face.

They remained in the same position for several minutes before finally, Yun Xin Er stood up and said, "I'm going to change clothes and wash my face first."

Without waiting for his answer, she took clothes from the cupboard and headed toward the bathroom. Not long after that, she came out of the restroom wearing a nightgown.

She was wearing a black sleeveless nightgown. It was a short nightgown because it only covered until her middle thighs.

Xiao Tian was unhappy when he saw what she was wearing. He agreed not to do anything to her, but it seemed that she wanted to seduce him when he saw her wearing a short nightgown.

Are you trying to test my patience? Xiao Tian thought to himself.

When Yun Xin Er was in front of Xiao Tian, she immediately said, "You can wash your face now."

Then Xiao Tian rose to his feet and headed to the restroom. After washing his face, he returned to her room. As Xiao Tian was stepping into her room, he saw Yun Xin Er lying in bed watching TV.

When Yun Xin Er noticed that Xiao Tian had washed his face, she smiled and said, "Let's watch TV together before sleeping."

At this moment, Xiao Tian was only wearing trousers. "Do you have a man's T-shirt and shorts?"

"No." Yun Xin Er answered instantly. "Let me ask the housemaid to buy it."

"It's fine." It was already night so he didn't want to bother the housemaid.

"Are you sure?" Yun Xin Er inquired.

Xiao Tian then laid down next to her and said, "Yes. It's already night, so I don't want to bother your housemaid."

Yun Xin Er placed her head on his right arm and touched his chest again. "All right."

"Why are you touching my chest again? Do you like my chest that much?" Xiao Tian was a little surprised when Yun Xin Er caressed his chest again.

Even though he didn't mind it, but he just didn't expect that she would still do that after caressing his chest for several minutes earlier.

"It's your fault for not wearing shirt." Yun Xin Er also had no idea why she behaved like that. She had seen many perfect male bodies, she also had touched Xiao Tian's body earlier, but when she saw his bare upper body, she suddenly wanted to touch it again.

"Hehe." Xiao Tian laughed when Yun Xin Er blamed him. "Oh! I suddenly want to take off my trousers. It's uncomfortable to sleep in trousers."

Instead of feeling shy, Yun Xin Er immediately said, "Yes. You can take off your trousers if you want. There is only me in this room, and I have seen your naked body once so you don't need to feel shy."

Because Xiao Tian wanted to know what she would do if he really took off his trousers, he really took off his trousers.

This greatly surprised Yun Xin Er. Of course, she didn't show it on her face because earlier, she told him to take off his trousers.

Yun Xin Er just didn't expect that Xiao Tian would really do that. Even though she had seen his naked body in the past, but it was only by accident. At this moment, she thought that Xiao Tian was a pervert.

After taking off his trousers, Xiao Tian threw it to the floor and said, "Ah! This is better."

Yun Xin Er didn't know what to say after hearing his words.

### **Chapter 316 - I Just Want To Spend Time With You**

7-9 minutes

---

"You really have no shame, huh?" even though Yun Xin Er said that, she could not help but look at Xiao Tian's underwear.

At this moment, Yun Xin Er's heart was beating faster but of course, she behaved normally, as if seeing Xiao Tian only in his underwear was not a big deal for her.

"And you also have no shame for looking at my underwear." Xiao Tian replied instantly.

Because Yun Xin Er didn't want to be blamed, she immediately gave an excuse. "It's your fault for being a pervert. Do you always behave like this when you are with another woman?"

"No." of course, Xiao Tian would lie to her because it was impossible to tell her that he had done the same thing when he was with Lin Xing Xue, Shi Fei, his mother, and aunt.

Not only would Yun Xin Er see him as a cheap man, but it would be more difficult to lovey-dovey with her in the future if she knew about it. For this reason, Xiao Tian thought that lying was the best choice.

"Good! You must not act like this when you are with another woman because they will call you a pervert or maybe they will send you to jail. You don't want to live in prison right?" Even though she didn't show it on her face, but Yun Xin Er was pleased after hearing his words because she didn't want another woman to see his naked body.

"Oh! So, I can take off my clothes in front of you but not in front of others." Xiao Tian didn't know what her expression would be if she knew that Xiao Tian had done the same thing in front of another woman.

"That's right." Yun Xin Er answered instantly. "This is for your good image."

Of course, Yun Xin Er wouldn't say that the reason was that she didn't want other women to see his naked body.

The corner of Xiao Tian's lips twitched after hearing her words. "Big sister Yun, how about you take off your nightgown too?"

Even though Xiao Tian knew she would not take off her nightgown, but he wanted to know what she would say after hearing his words.

"You should be grateful that you can see me in a nightgown. I'm even wearing a short nightgown. So, you should not ask for anything more than this?" Yun Xin Er was sure that anyone would be willing to die just to be in Xiao Tian's place, because not only was she beautiful, but she was also one of the most famous singers in the whole of China.

When Xiao Tian wanted to say something to her, suddenly an exciting idea emerged in his head. With this idea, he lifted her nightgown to the waist. "Oh! I didn't expect you are wearing a sexy blue thong."

Even though Xiao Tian did that, Yun Xin Er was not angry with him. She just hit his hands and said, "Pervert, stop it!"

"Why are you wearing a sexy thong?" Xiao Tian spoke and paused for a second before finally, he continued. "Don't tell me you expect something to happen to us right now. That is why you decided to wear a sexy thong."

"No! I just happened to grab it earlier." Actually, Yun Xin Er chose a sexy thong earlier because it would be embarrassing if he saw her in plain underwear.

Even though she hoped nothing would happen to her, but she didn't know what would happen to them later. By wearing a sexy thong, she would not feel embarrassed if Xiao Tian saw it.

Not only could she prepare if something happened to them later, but it could make her body look sexier. That was why Yun Xin Er decided to wear a sexy thong.

"Big sister Yun, not only did you invite me to your house at night, but you are also wearing a short nightgown and a sexy thong. Be honest to me, you want to seduce me and do it with me right." Xiao Tian had no idea why Yun Xin Er wore a short nightgown and a sexy thong when she always told him not to do anything to her. It was as if she wavered whether she wanted to have sex with him or not.

"No! I just want to spend time with you. Nothing more than that." it was true that Yun Xin Er invited him at night, but she really only wanted to spend more time with him.

"Really?" Xiao Tian made a face like he didn't believe her words. "You surely know that if a man and a woman are alone in the same room at night, they always end up having sex. You know about this, right?"

Of course, Yun Xin Er knew about it. However, because she really wanted to spend time with him, she didn't care whether it was already night or they were alone in her room, she decided to invite him to her house.

"Are you going to force your way on me?" Yun Xin Er inquired.

Even though Xiao Tian would love to have sex with Yun Xin Er, but he knew that she was not ready for it. For this reason, he shook his head and said, "No. I will wait until you are ready to do it with me."

"Hehehe." Yun Xin Er laughed happily after hearing his words. At this moment, she really didn't regret inviting him to her house.

Then they watched TV again. Coincidentally, when they were watching TV, it was a kiss scene. For this reason, they looked into each other's eyes for three seconds before finally, they kissed again.

Even though they copied the scene on TV, but they did more than that because the actor and actress on TV only did a normal kiss, while Xiao Tian and Yun Xin Er kissed passionately.

After kissing hungrily for several seconds, Yun Xin Er broke the kiss and giggled happily. "Hehe. We copied the scene on TV."

"Yes." suddenly an exciting idea to tease her emerged on his mind. "Let's watch porn and copy the scene too."

Upon hearing his words, Yun Xin Er immediately pinched his nose and said, "Didn't you promise not to do anything to me? Do you want to break your promise?"

"My Xin Er is too beautiful and sexy. Even though I don't want to do anything to you, but it's hard to hold back myself." Although it was a lame excuse, Xiao Tian still said it because, at that time, Xiao Tian was telling the truth.

"Hehe." Yun Xin Er was thrilled when Xiao Tian praised her.

When Xiao Tian noticed there was a kiss scene on TV again, he looked at Yun Xin Er and said, "There is a kiss scene again. let's copy it."

"I don't want to." even though Yun Xin Er didn't mind having a French kiss with Xiao Tian again, but this time, she pretended she didn't want to do that.

Because Yun Xin Er often pretended to refuse, Xiao Tian brought her face closer to his face. And like what he had guessed, Yun Xin Er welcomed the kiss instantly.

Not only that, when he was kissing her pink lips, her right hand was also caressing his upper body again, from his chest to stomach.

However, this time, Yun Xin Er's hands didn't stop on his stomach but she moved her hands lower than that. Even though Xiao Tian noticed her actions, he didn't do anything and kept kissing her.

To his surprise, her hands slowly went lower again, until finally, her pinky finger touched the tip of his cock through his underwear.

Actually, Yun Xin Er wanted to touch his cock since he took off his trousers, but she was afraid to do that. Now that he was kissing her, Yun Xin Er wanted to pretend to move her hands and unconsciously touch his cock through his trousers.

However, when her pinky finger touched the tip of his cock through his trousers, Yun Xin Er didn't dare to do more than that.

But seeing the shape of his cock through his trousers and remembering how huge his cock was, made Yun Xin Er want to do more than that.

Even though she kept telling him not to do anything to her, but she was unable to hold back when she saw his perfect body and the shape of his cock.

'This is your fault!'

Yun Xin Er blamed Xiao Tian for what she was about to do.

### **Chapter 317 - Little Brother, I'm Sleepy**

7-8 minutes

---

The expression of deep surprise emerged on Xiao Tian's face. His eyes widened for a second. He didn't expect that Yun Xin Er would put her right hand on his cock.

Even though there was still underwear separating her hands and his cock, but still, it was only underwear, so she should not do that.

Because she kept telling him not to do anything to her, Xiao Tian tried his best to hold back the flame of lust within his body.

And here, Yun Xin Er kept doing something that could make him turn into a beast. Even though Yun Xin Er only put her hands on his cock and didn't move it, but because they had done many lewd things earlier, his cock was instantly hard again in a second.

At this moment, Xiao Tian really didn't get her train of thought. She kept telling him not to do anything to her but she also kept making him want to do something to her.

Xiao Tian had no idea what she had on mind. She should have realized that she was a beautiful and sexy lady. Coupled with her wearing a short nightgown and sexy thong, she should know that she would make the lust within his body grow bigger by doing that.

This actually made Xiao Tian unhappy because it seemed like she always took advantage of the situation while he was not allowed to do the same thing.

Because Yun Xin Er didn't remove her hands from his cock, Xiao Tian decided to squeeze her breasts so that she would stop touching his cock through his underwear.

However, it was not like what Xiao Tian had guessed, because Yun Xin Er did nothing when he was squeezing her breasts.

Because she was not wearing a bra, Xiao Tian could feel the softness of her breasts. At this moment, they were still pressing their lips together.

Even though Yun Xin Er knew Xiao Tian would squeeze her breasts, but she was still surprised when he did that.

Yun Xin Er knew the reason Xiao Tian squeezed her breasts was that she put her hands on his cock. Of course, she also understood that as long as she didn't remove her hands from his cock, he would keep squeezing her breasts, or maybe he would do something more than that.

However, when she was about to remove her hands, she felt as if she was not able to move her hands. For this reason, Yun Xin Er kept touching his cock through his underwear.

Because Xiao Tian kept squeezing her breasts, Yun Xin Er suddenly desired to do the same thing. With a little courage in her heart, she clenched her fingers slowly, causing her able to feel how hard his cock was.

Xiao Tian thought, by squeezing her breasts would make her stop what she was doing, but he was wrong. He was utterly wrong. Not only did she not stop, but she even became bolder than before.

At this moment, they were still kissing with their eyes still locking into each other. None of them said anything or showed a sign of stopping.

After their lips pressed against each other for several seconds, Yun Xin Er finally broke the kiss.

Xiao Tian thought Yun Xin Er would tell him to stop what he was doing, but he was wrong because she didn't do that and only looked into his eyes for several seconds before finally, she leaned her head on his arms again.

Because Xiao Tian had promised not to do anything to her, he stopped squeezing her breasts and wanted to tell her to stop what she was doing. However, when he was about to say it, he was interrupted by Yun Xin Er.

"Little brother, I'm sleepy." Even though she said something like that, Yun Xin Er still didn't remove her hands from his cock as if she wanted to feel his cock when she slept.

"You can sleep if you are sleepy." Because Yun Xin Er kept touching his cock through his underwear, Xiao Tian decided not to let go of his hands from her beautiful, soft breasts.

"All right." without letting go of her hands from his cock, Yun Xin Er shut her eyes.

Her actions greatly surprised Xiao Tian. Because she said that she wanted to sleep, Xiao Tian thought she would remove her hands from his cock, but he was wrong.

For this reason, Xiao Tian decided to punish her by touching her bare breasts so that she would stop what she was doing.

Xiao Tian knew that Yun Xin Er was still awake because it was impossible to immediately sleep after saying she was sleepy.

To his surprise, she did nothing when he was touching her bare breasts. But his surprise didn't stop there because not long after that, her hands ran underneath his underwear and grabbed his cock directly.

At first, Xiao Tian wanted to tell her to stop, but he decided not to do that because, at that moment, he was also squeezing her bare breasts.

Actually, Yun Xin Er didn't intend to touch his cock directly, but because Xiao Tian was touching her bare breasts, she thought it was unfair if she didn't feel his cock directly too.

For this reason, Yun Xin Er grabbed his cock with her soft hands. She just hoped Xiao Tian would not tease her after doing that.

'It's warm. Not only that, but his cock is huge and hard.💎💎'

At this moment, Yun Xin Er wanted to stroke his cock so badly, but she tried her best not to do that. Because they were doing something more than what they had done until today, she was afraid that they would do something more than that if she decided to stroke his cock.

Even though Yun Xin Er was in love with Xiao Tian, but she was not ready to have sex with him. For this reason, she tried her best to hold back and tried to sleep immediately.

However, because it was the first time she touched a real cock, she could not bring herself to sleep. the warmness of his cock and the feeling when she was grabbing his cock, made Yun Xin Er's mind went chaotic.

She immediately opened her eyes in surprise when Xiao Tian's cock suddenly throbbed hard.

'No! Little brother, we can do more than this. This is the limit for us.'

Yun Xin Er pried that Xiao Tian would not do anything to her. because Xiao Tian's cock was throbbing hard, she knew that Xiao Tian was horny. In order to make him not to do anything to her, Yun Xin Er shut her eyes again and pretended to be sleeping.

At this moment, Xiao Tian looked at Yun Xin Er intently.

'Fuck! She is still grabbing my cock.'

Earlier, Xiao Tian made his cock throb on purpose so that she would stop grabbing his cock. However, not only did she not stop touching his cock, but she even held it tighter as if she wanted to sleep while touching his cock.

Because Xiao Tian didn't want to lose in lust, he decided to watch TV. But still, the flame of lust withing his body would not disappear.

The softness of her breasts, coupled with her grabbing his cock, made the lust kept appearing with his body. For this reason, Xiao Tian turned off the TV and shut his eyes, hoping that he could make the lust disappear.

### **Chapter 318 - Tian, You Are Awake?**

6-8 minutes

---

However, all his effort was in vain. Xiao Tian was unable to get rid of the lust within his body, because the softness of her breasts and the warmth of her hands, made the flame of lust kept appearing in his body.

When Xiao Tian saw her beautiful face and a sexy nightgown, his hands moved from her breasts to her thongs.

But when he was about to move his hand underneath her thong, Yun Xin Er opened her eyes and looked at him. "Tian, you can't do that."

Her words made Xiao Tian unhappy. Since the beginning until now, she was so selfish. She could do anything to him, but he was not allowed to do the same thing. For this reason, Xiao Tian ignored her and moved his hands underneath her thong.

However, before Xiao Tian could touch her pussy directly, Yun Xin Er grabbed his hands and pulled it out of her thong. "Tian, you are not allowed to do this."

Because he was not allowed to touch her pussy, Xiao Tian grabbed her right hand, which was holding his cock, and pulled it out of his underwear. "If so, then you are not allowed to hold my cock too."

Yun Xin Er had no idea why she was suddenly disappointed when she could not hold his cock anymore. But she knew if she grabbed his cock, Xiao Tian would try to touch her pussy again.

With a feeling of disappointment in her heart, Yun Xin Er put her hands on his chest and said, "All right."

Xiao Tian kissed her forehead and said, "It's already late. Let's sleep."

"Un." Even though Yun Xin Er still wanted to hold his cock, but because Xiao Tian forbade her to do that, she decided to close her eyes and try to sleep again.

Not long after that, they fell asleep.

-----

The following morning, Yun Xin Er was the first to wake up. Currently, her head was still on Xiao Tian's right arm with her right hands on his chest.

'It's still 04:20 am.'

After looking at the clock, Yun Xin Er stared at Xiao Tian's sleeping face. Suddenly, a soft smile spread across her face.

She could not believe that the first man to sleep in her room with her was a handsome young man. Yun Xin Er didn't expect that she would fall in love with a young man who she met a few months ago at the piano competition.

In the past, she thought their relationship would only be limited to business relationships, but she was wrong because every time they met, she always wanted to see him again and again.

Yun Xin Er had no idea that teasing him or being teased by him would be something she was looking forward to whenever she would meet him.

Not only that but every time she saw his gentle smile or his caring attitude toward her, always managed to make her smile every time she remembered it.

Even though sometimes he annoyed her, but she could not bring herself to hate him. Sometimes, it made her very afraid that one day she would fall in love with him too deeply and could not live without him.

'Tian, I love you.'

Yun Xin Er confessed her love for Xiao Tian as she grabbed his hands and held it tightly. Because she wanted to enjoy the warmth of his body, Yun Xin Er shut her eyes again.

Not long after that, Xiao Tian woke up. His face broke into a smile when he saw Yun Xin Er's sleeping face.

He then realized that Yun Xin Er was holding his hands tightly. Last night, Xiao Tian remembered that she put her hands on his chest, but now she was holding his hands tightly.

With this, Xiao Tian guessed that Yun Xin Er woke up earlier. This made him curious about whether she was really sleeping or only pretending to sleep.

For this reason, Xiao Tian rubbed her hair gently and said in a soft loving voice, "Big sister Yun, are you awake?"

Yun Xin Er rubbed her eyes and said, "Tian, you are awake?"

Earlier, Yun Xin Er was really sleeping. Due to the warmth of his body and the comfortable feeling when she was holding his hands, made Yun Xin Er fall asleep not long after she held his hands.

When Xiao Tian found out that Yun Xin Er was really sleeping earlier, he suddenly felt guilty for waking her up. "Sorry for waking you up. I thought you are already awake. You can sleep again if you are still sleepy."

Because it was still 04:45 am, Yun Xin Er decided to sleep again. Without saying a single word, Yun Xin Er laid prone on top of his body.

The expression of deep shock appeared within her heart when she felt something hard between on her stomach. But Yun Xin Er still shut her eyes and placed her hands on his chest. "Tian, don't do anything to me and make it go soft. I still want to sleep."

The corner of Xiao Tian's lips twitched after hearing her words. Even though Yun Xin Er didn't say it directly, Xiao Tian knew what she meant by making it go soft.

'Big sister Yun, I can't control it. It's called morning wood and almost every man will wake up with morning wood, so you can't blame me for it. And why are you suddenly sleeping on top of my body?'

Even though Xiao Tian wanted to say it, but he didn't do that and only wrapped his arms around her waist.

"All right." Xiao Tian replied.

At this moment, Yun Xin Er instantly fell asleep again while Xiao Tian was still awake.

Because Yun Xin Er was wearing a thin nightgown and he was only wearing underwear, dirty thoughts kept appearing in his mind.

This made Xiao Tian unable to make his cock go soft, and as a result, his cock was still hard. However, because he valued Yun Xin Er's feelings, Xiao Tian only embraced her body and shut his eyes.

Time passed by quickly and without realizing it, it was already 05:30 am. This whole time, Xiao Tian was unable to sleep. Currently, Xiao Tian was still embracing Yun Xin Er while watching TV without volume.

While Xiao Tian was having problems sleeping again, Yun Xin Er, on the flip side, was sleeping deeply. The warmth of the body of the person she loved made Yun Xin Er feel as if she was sleeping on the cloud with many angels playing beautiful music next to her.

Due to how busy she was, Yun Xin Er rarely could sleep deeply. That was why a satisfied expression could be seen on her face when she was sleeping on top of Xiao Tian's body.

While watching TV without volume, Xiao Tian rubbed her hair gently, hoping it could make her sleep more comfortably.

Xiao Tian was thrilled when he saw the expression on Yun Xin Er's face because he knew that she loved it. Xiao Tian himself also loved it when Yun Xin Er slept on top of his body.

And like this, Xiao Tian and Yun Xin Er stayed in the same position for several minutes before finally, Yun Xin Er woke up.

### **Chapter 319 - Tian, Stop It!**

6-8 minutes

---

After rubbing her eyes, Yun Xin Er's face broke into a smile, "Are you awake the whole time?"

'Of course. Because my hard cock is pressing against your stomach.'

Xiao Tian answered instantly in his head. Of course, Xiao Tian would not say it, because it could destroy his good image.

For this reason, Xiao Tian only nodded his head and smiled. "Yes. Because I want to see my beautiful big sister Yun."

Because Xiao Tian was unable to tell her the truth, he decided to lie to her. Xiao Tian knew his excuse was lame, but he didn't care and just said it without thinking.

When Yun Xin Er still felt something hard on her stomach, she brought her face closer toward his left ear and whispered, "Do you really want to see my beautiful face or you can't sleep because your cock is pressing against my stomach?"

Oh! her seductive attitude is back, huh? Xiao Tian thought to himself.

Because Yun Xin Er had teased him, Xiao Tian grabbed her buttocks and moved his lower body, causing his cock to move between her thighs.

"Hmmm." Yun Xin Er shut her eyes and let out a seductive moan. "Tian, you can't do this."

"Who told you to tease me in the morning? This is a punishment for teasing me in the morning." With this, Xiao Tian believed Yun Xin Er would not tease him anymore. That was why a victory smile appeared on his face.

Yun Xin Er was a little unhappy when she saw his smile. She didn't expect that Xiao Tian would use a dirty way to tease her. Then Yun Xin Er began to think of ways to tease him again. After she found it, she kissed his lips.

Her actions greatly surprised Xiao Tian. Earlier he thought, she would hit him or tease him but he was wrong. Not only did she not tease him, but she even kissed him.

This made Xiao Tian a little shock. But of course, Xiao Tian was pleased by this. Who was not happy when a gorgeous lady like Yun Xin Er kissed him.

Not only that, but she kissed him in the morning. Xiao Tian was sure that any man would love it, and that was including Xiao Tian.

This made Xiao Tian's mood instantly get better. However, it only lasted for two seconds because Yun Xin Er suddenly bit his lower lip hard.

"Hhhiii!" Xiao Tian tried his best not to cry out when Yun Xin Er was biting his lower lip because he didn't want the housemaid to hear it.

When Yun Xin Er saw the expression on his face, she could not help from giggling. "Hehe. Do you still want to tease me now?"

"Do you think I'm afraid just because you bit my lips?" Because Yun Xin Er dared him to tease her again, of course, Xiao Tian would do that.

And like before, Xiao Tian grabbed her ass and moved her body forward and backward. This time, he also moved his lower body to make it more pleasurable for both of them.

At this moment, Yun Xin Er shut her eyes and tried her best not to moan. She just hoped that Xiao Tian would stop what he was doing immediately.

But because Xiao Tian didn't stop even though he had been doing it for several seconds, Yun Xin Er looked at him with lustful eyes. "Tian...Stop it."

Yun Xin Er had no idea when she looked at him with lustful eyes, it made Xiao Tian not want to stop what he was doing even more.

She had tortured him since yesterday by teasing him or grabbing his cock. That was why Xiao Tian wanted to teach her a lesson.

Of course, Xiao Tian would not do anything more than that, because he knew that she was not ready to have sex with him.

He just wanted to make her stop teasing him for today. "Do you still want to tease me?"

Yun Xin Er didn't immediately answer him and only looked at him. She wanted to say 'yes' but she was afraid that he would not stop what he was doing. However, if she said 'no', she would lose her reputation as an older person.

Yun Xin Er was wavering about what she should do. When she felt Xiao Tian's cock throbbing hard and her underwear became wet from her love juices, she had no choice but to admit defeat. "No. I will not tease you anymore."

Upon hearing her words, Xiao Tian immediately stopped what he was doing. Even though his cock was throbbing hard and he desired to do it again, but he decided not to do that.

"Good! If you behaved like this from the start, I didn't need to punish you like just now." Xiao Tian wanted to laugh loudly when he saw the expression on her face.

Xiao Tian knew that Yun Xin Er was still unhappy by that. However, he didn't care whether he won because he used a dirty method or not. For him, the most important thing was the result. Win was still win, whether you used a dirty method or not.

The happiness that Xiao Tian felt immediately turned into a concern when Yun Xin Er brought her face closer toward his face.

Xiao Tian knew that Yun Xin Er wanted to kiss his lips again. Then he suddenly remembered what she had done when she kissed his lips earlier.

With a worried face, Xiao Tian immediately said, "Wait! Are going to bite my lips aga-"

Before Xiao Tian had finished his words, Yun Xin Er's lips had pressed against his lips. This made Xiao Tian even more worried.

Xiao Tian prepared to endure the pain because he thought she would immediately bite his lower lips again.

However, he was wrong. He was utterly wrong. Not only did she not bite his lower lips, but she even tried to put her tongue in his mouth.

This made Xiao Tian stunned for a second. When Xiao Tian knew what she wanted to do, of course, Xiao Tian welcomed it by opening his mouth.

Soon, Yun Xin Er's soft and wet tongue explored every inch of his mouth before finally, intertwining with his tongue.

Maybe, because they had kissed passionately many times before, Yun Xin Er could move her tongue skillfully.

The way she moved her tongue, made Xiao Tian's mind on the cloud nine. Of course, Xiao Tian didn't stay silent and immediately fought back.

From the expression on their faces, anyone could tell that they were enjoying it very much. Their faces were like the faces of a pervert.

Not only that, but the saliva also dripped down from the corner of their mouths nonstop as if it was like small water springs that come to the surface.

Even though they had been kissing passionately for several seconds, none of them showed a sign of stopping. They kept moving their tongues skillfully.

Not only that, they even tilted their heads to the left and right to make the kiss hotter and hotter. This time, they kissed passionately for more than a minute. They only stopped what they were doing when Yun Xin Er could not breathe anymore.

### **Chapter 320 - I Just Want To Hug You**

6-8 minutes

---

"Huft...Huft...Huft..." the sound of Yun Xin Er breathing heavily could be heard in their ears. "Little brother, how can you be so good at everything? Who taught you to kiss like this? You are really a good kisser."

Earlier, when they were having a passionate kiss, Yun Xin Er's mind was on cloud nine. She really loved kissing with Xiao Tian, because kissing with him felt so good.

The way he moved his tongue and the fragrance of his mouth, made Yun Xin Er addicted to kissing him. Of course, she would not say it to him.

This was one of the reasons why she never refused whenever Xiao Tian kissed her. It was also the reason why she didn't break the kiss even though they kissed passionately for a long time earlier.

Xiao Tian wiped off the saliva on the corner of her mouth and said, "You too. It seems like you are getting better at kissing."

"It's because you always kissed me passionately every time we met." This time, Yun Xin Er was telling the truth.

Since Xiao Tian always kissed her passionately every time they met, Yun Xin Er was getting better and better at kissing.

Of course, it was a normal thing because Xiao Tian was a good kisser, so by having a Frach kiss every time they met, Yun Xin Er would get better at kissing naturally.

"Oh! So, it's because of me." Xiao Tian pretended to be shocked. "Should I teach you how to do something else, like sucking my co-"

Because Yun Xin Er knew what Xiao Tian wanted to say, she immediately pinched his lips and smiled, "Hoh. So, you want to teach me other dirty things, huh? Look like these lips need to be punished."

Because Yun Xin Er was pinching his lips, Xiao Tian was unable to answer her.

'Dirty? What do you mean by dirty? Kissing is not a dirty thing. It's a symbol of love. And you even love it every time we kiss.'

Xiao Tian found it hard to believe what he was hearing. Yun Xin Er never refused whenever he wanted to kiss her. She even loved it and always kissed him back, so he was dumbfounded when she said that it was a dirty thing.

Oh! Well, the other things I want to teach her are indeed a little dirty for a lady like her. Xiao Tian thought to himself.

Yun Xin Er then stopped pinching his lips and placed her head on his chest and made a circle on it. "Let's stay like this for a few minutes."

Even though Yun Xin Er could still feel Xiao Tian's hard cock between her thighs, she said nothing, because she knew that he would do something to her again if she said it. For this reason, she only relaxed herself on top of his body.

"All right." even though his cock was still pressing against her pussy, but this time, Xiao Tian didn't intend to do anything to her because he was already satisfied teasing her.

They remained in the same position for several minutes before finally, Yun Xin Er said, "Little brother, I want to take a bath first."

"All right." Xiao Tian nodded his head.

Yun Xin Er immediately took clothes from the wardrobe and headed to the bathroom. After several minutes, Yun Xin Er came out of the bathroom wearing a skirt and a T-shirt. "You can take a shower now."

"All right." Xiao Tian then headed to the bathroom.

Unlike Yun Xin Er, Xiao Tian only needed less than ten minutes to finish bathing. This time, Xiao Tian was wearing the clothes because the clothes were already dry.

When he saw Yun Xin Er standing behind the window, Xiao Tian walked closer toward her before finally embracing her from behind.

Because Yun Xin Er was looking at the flowers through the window, she was surprised when Xiao Tian suddenly hugged her from behind.

But she didn't scold him or tell him to stop; instead, a beautiful smile appeared on her face. "What is it?"

"Nothing. I just want to hug you." Xiao Tian had no idea why he suddenly wanted to embrace her the moment he saw her standing behind the window.

Yun Xin Er then turned around to face him. "What is this? Do you already not want to part with me?"

At this moment, Xiao Tian didn't answer right away and only looked at her in the eyes. Then Xiao Tian embraced her tightly and said, "Yes."

His words surprised Yun Xin Er a little. Earlier, she thought Xiao Tian would tease her, but she was wrong. Not only did he not tease her, but he even admitted that he didn't want to part with her.

Of course, this made Yun Xin Er thrilled because, with this, she knew that Xiao Tian had the same feeling as her. "Don't worry. if you want to meet me later, you only need to call me. If I have free time, I will definitely come to your company or we can go somewhere again."

"All right." Xiao Tian said

'What's wrong with me? Why am I suddenly acting like this?'

Xiao Tian had no idea why he suddenly felt uneasy as if something big would happen to him. However, from what he felt, it was definitely not a good thing.

"I don't mind if you want to keep embracing me, but are you sure that you don't want to go home now?" even though it was still 06:10 am, Yun Xin Er thought that his family would be worried if he didn't return home immediately.

She knew that hadn't been back since yesterday. That was why she asked him about it. Of course, Yun Xin Er hoped she could stay with him for a few more minutes before he returned home.

Upon hearing her words, Xiao Tian suddenly remembered about his mother and aunt. He was sure his mother really missed him because he hadn't been back since yesterday morning.

However, because he still wanted to spend time with Yun Xin Er, Xiao Tian decided to stay for a few more minutes.

"I still want to spend time with you so I will return home later." After saying that, Xiao Tian lifted her body and placed his hands on her buttocks so that she would not fall.

"Kya." Yun Xin Er was a little surprised by his actions. She then pinched his cheeks and smiled. "You almost made me have a heart attack."

Xiao Tian only smiled. Without saying anything, he carried her and sat on the edge of the bed. At that time, they were still embracing each other as if they were addicted to each other's bodies.

Because Xiao Tian didn't say a single word in five minutes, Yun Xin Er immediately asked, "Why are you silent? This is not like you."

"Nothing. I just want to embrace you without saying a single word." Xiao Tian didn't want to tell her that the reason he didn't say a single word was that he was feeling uneasy.

Earlier he didn't have that feeling, but after coming out of the bathroom, he suddenly felt it. This made Xiao Tian keep thinking about it.

"Oh! So, it's like that." at this moment, Yun Xin Er had no idea what Xiao Tian had on mind.  
Then Xiao Tian embraced her tighter.
