

## Illicit 371

### Chapter 371 - Lady Lin, I Didn't Expect To Meet You Here

As Xiao Tian and Shi Fei were kissing hungrily, Liu Ning cooked breakfast while sometimes she stole glances at them.

Even though she did a passionately kiss with Xiao Tian earlier, but when she saw them kissing hungrily with Xiao Tian carrying Shi Fei, she suddenly desired to have a French kiss with Xiao Tian again.

She wanted Xiao Tian to carry her and kiss her passionately too. Of course, she would not say it because she was a shy person. For this reason, she kept stealing glances at them.

After Shi Fei was satisfied kissing with Xiao Tian, she broke the kiss and said, "Little brother, let's stop here. We can continue again later. I want to help Ning cook breakfast first. You can watch TV in the living room."

"All right." instead of immediately heading to the living room, Xiao Tian walked toward Liu Ning. "I know you stole glances many times earlier. If you want to have a French kiss with me, we can do that after eating breakfast later."

"Un." Liu Ning didn't expect that Xiao Tian found out that she stole glances many times when Shi Fei and he were kissing passionately.

Then Xiao Tian kissed Liu Ning's left cheek before heading to the living room.

"Ning, I didn't know that you have become a naughty lady now." Shi Fei was surprised after hearing Xiao Tian's words. Earlier, because Liu Ning was behind her, she had no idea that Liu Ning kept stealing glances when she did a passionate kiss with Xiao Tian. "I will let you have a French kiss with him first later. Hehe."

Liu Ning didn't answer and kept cooking breakfast. However, her face suddenly turned red like a tomato.

Not long after that, Shi Fei and Liu Ning finished cooking breakfast. Liu Ning immediately headed to the living room to tell Xiao Tian that breakfast was ready.

After they had breakfast, Xiao Tian, Liu Ning, and Shi Fei watched TV in the living room. Of course, they also did a passionately kiss as they watched TV.

Xiao Tian spent time with them until 08:00 am before finally, he went home. Instead of heading to his room, Xiao Tian went to the backyard.

Xiao Tian wanted to practice martial arts again. He wanted to master the first secret move so that he could learn the next secret move immediately.

As he was training martial arts, his underlings, who guarded Lin Xing Xue in secret, called him, saying that Lin Xing Xue and Feng Yu were going out to amusement park.

This made Xiao Tian stop practicing martial arts and immediately take a shower. After that, he traveled to the amusement park because he wanted to meet Lin Xing Xue and Feng Yu.

Of course, Xiao Tian brought his mask because he knew Lin Xing Xue and Feng Yu would not want to see him or talk to him if he didn't pretend to be Qing Feng.

Because he had helped them, Xiao Tian believed they would not avoid him if he met them.

And like what he had planned, when Xiao Tian saw Lin Xing Xue and Feng Yu sitting on the public seating, he pretended not to see them.

Of course, Xiao Tian would not be the first to speak to them. He just walked past them slowly and made sure they saw him.

Xiao Tian was sure if they saw him, they would greet him first. And what he had guessed was right when Lin Xing Xue immediately said, "Mr. Qing Feng, is that you?"

Because Xiao Tian was wearing a mask, Lin Xing Xue was not sure whether it was Xiao Tian or not. That was why she asked him whether he was Qing Feng or not.

Xiao Tian smirked because his plan was successful. To make it as if he didn't notice them, Xiao Tian stopped his footsteps and turned around. "Lady Lin, I didn't expect to meet you here."

Lin Xing Xue immediately rose from her seat and said, "Did you come alone? Do you have business here?"

'No. I came here because I want to meet you'

Xiao Tian immediately answered in his head.

Of course, Xiao Tian would not say it. For this reason, he decided to lie to her. "I just want to refresh my mind and an amusement park is a great place for that. How about you, Ms. Lin? "

"Me too. My daughter and I came here because we also want to refresh our minds." Lin Xing Xue then looked at her daughter. "Yu'er, greet uncle Qing."

Feng Yu immediately rose from her seat and said, "Hello, uncle Qing."

Xiao Tian then squatted down in front of Feng Yu and said, "Did you enjoy your time with your mother in this amusement park?"

"Yes." Feng Yu answered as she nodded her head.

"Lady Lin, where is your husband?" of course, Xiao Tian knew that Lin Xing Xue was a single parent.

Xiao Tian had to pretend as if he knew nothing because now, he was Qing Feng, not Xiao Tian. Not only that, but he was even the one who destroyed her ex-husband's life.

"I'm already divorced with him. I'm single parents now." Lin Xing Xue said in a sad voice.

Because usually single parents had a bad reputation, Lin Xing Xue was sad when she told him that she was single parents. She was afraid that Xiao Tian would think that she was a bad woman.

"I'm sorry to hear that. I can't imagine how you must feel." Xiao Tian pretended to be sad. "Now I'm sure lady Lin is a strong woman because you can raise your daughter alone."

"Yu'er is a good child. She never made trouble, so I'm happy to have a daughter like her." Lin Xing Xue looked at her daughter lovingly.

When Lin Xing Xue looked at her, Feng Yu smiled softly. She loved it when her mother looked at her lovingly like that. For this reason, she immediately held her mother's right hand.

Lin Xing Xue returned her attention to Xiao Tian and inquired, "What about you, Mr. Qing? Are you married?"

"No." Xiao Tian shook his head. "I'm still not married. I even don't have a lover right now."

Because they were standing, Lin Xing Xue immediately said, "Mr. Qing, let's sit first."

Then they sat on the public seating. Feng Yu was sitting between Xiao Tian and Lin Xing Xue.

Actually, Xiao Tian wanted to sit next to Lin Xing Xue, but he thought it was not the best choice. They only met twice so he had to take it slowly like when he seduced her as Xiao Tian.

Because he had succeeded in seducing once, he was sure that he would be able to seduce her again. He just needed to be patient.

And this time, he had a good start because his image as Qing Feng in Feng Yu's eyes was better than his image as Xiao Tian.

Even though Lin Xing Xue and Feng Yu had no idea that he was Xiao Tian, but still, Xiao Tian was delighted because he could spend time and talk to them again.

Ever since the videos scandal, Lin Xing Xue and Feng Yu never wanted to spend time with Xiao Tian, and Lin Xing Xue only wanted to talk to him if it was related to work.

When he was sinking in happiness, Feng Yu suddenly asked, "Uncle Qing, why are you wearing a mask?"

### **Chapter 372 - Spending Time With Lin Xing Xue And Feng Yu At Amusement Park**

6-8 minutes

---

Feng Yu was curious why Xiao Tian was wearing a mask. When he saved her mother from a robber, he also wore a mask. Now when they met again at the amusement park, he was also wearing a mask.

"Yu'er, you should not ask that." even though she was also curious why Xiao Tian wore a mask, she didn't dare to ask that because she didn't want to be rude.

They were not close, so he was afraid Xiao Tian would be annoyed by her daughter's question because Lin Xing Xue knew that he had a reason for doing that.

Feng Yu's words greatly surprised Xiao Tian. At that moment, Xiao Tian had no idea what he should say to them.

The reason Xiao Tian wore a mask was that he wanted to hide his identity in public. He didn't want the public to know that he owned twenty branches of Hong family company.

But if he didn't give a good excuse, he was afraid that they wanted to see his face even more. Xiao Tian was sure if they knew that Qing Feng was him, they would not want to talk to him anymore.

This made Xiao Tian think hard to find a good excuse. But when Xiao Tian saw an ad about-face, he suddenly found a good excuse. "Several years ago, my house caught fire and my face was injured because of it. For this reason, I always wear a mask."

"Really?" Feng Yu inquired. "Can I see your face? Don't worry, I won't make fun of you later."

'Fuck!'

Xiao Tian cursed venomously in his head after hearing Feng Yu's words.

If he took off his mask, they would know that he was Xiao Tian, not Qing Feng. Xiao Tian believed they would hate him even more because they would think that Xiao Tian wanted to fool them.

Even though she could only see his eyes, lips, and chin, Lin Xing Xue knew that Xiao Tian had a complicated feeling after hearing her daughter's words.

For this reason, Lin Xing Xue immediately said, "Yu'er, you can't ask something like that."

"Why?" Feng Yu inquired.

"Because you made Uncle Qing remember about that incident again." Lin Xing Xue then looked at Xiao Tian. "Mr. Qing, you don't need to take off your mask. Just ignore my daughter's words."

Xiao Tian rubbed Feng Yu's hair and said, "Next time, you can see my face, but not today. There are many people here."

With this, Xiao Tian knew that he had to buy a silicone head mask so that he could hide his identity better. Actually, he could use makeup to change his face, but he was not skilled at that and it would take time to change his face with make-up.

That was why the silicone head mask was the best choice for him. He only needed to buy it at an online shop so no one knew he bought it.

"All right." because Feng Yu didn't want Xiao Tian to be sad, she didn't ask Xiao Tian to take off his mask anymore.

Xiao Tian was relieved when Feng Yu didn't ask him to take off his mask anymore. Then they talked for about thirty minutes before finally, Xiao Tian said, "Little Yu, do you want to play a game with this uncle?"

Even though Xiao Tian was pleased because he could talk to Lin Xing Xue, but he also had to win Feng Yu's heart or he would repeat the same mistake.

Feng Yu did not immediately answer and turned her head towards her mother as if she wanted to ask her mother for permission.

Lin Xing Xue rubbed her daughter's hair and smiled softly, "Do you want to play with Mr. Qing?"

"Un." Feng Yu nodded her head.

Xiao Tian was thrilled when Feng Yu wanted to play with him because it was a sign that their relationship was getting closer.

All he needed to do was make her happy and it would be easier to date her mother. "Let's go."

Then Xiao Tian, Feng Yu, and Lin Xing Xue played games at the amusement park. They played several games such as toss ring, milk bottle, balloon and dart, dime pitch, and many other games.

Of course, Xiao Tian won several times. He even won a huge Pikachu doll.

'Damn! I lost a lot of money'

Because Xiao Tian was not skilled at the game, he lost a lot of money to win several games. Of course, he didn't mind it because as long as he could make Feng Yu happy and like him more, he would not mind losing several Yuan.

Xiao Tian had a lot of money, so a few Yuan was nothing to him. What he had in mind was how to make Feng Yu happy.

As long as she was happy, Lin Xing Xue would like him too. When he saw Feng Yu's smile, a memory from his past life appeared in his mind.

"Son, if you want to seduce a woman who is married and has children, you must win the hearts of their children too because, for them, their children are their soul mates." Huang Feng taught his son a lesson to seduce a married woman. "It can be said that their children are the key to their hearts. Even if they fall in love with you, but if their children don't like you, there is a high possibility that they will stop seeing you. Of course, if they do not have children does not mean they will be easier to be seduced. "

Due to how happy they were, they didn't realize that it was already 05:30 pm.

Xiao Tian suddenly found a good way to enjoy the city with Feng Yu and Lin Xing Xue.

"Lady Lin, how about we take a ride on the giant wheel. The sun is setting now so it's a good moment to enjoy the beauty of Shanghai from above." Xiao Tian then looked at Feng Yu. "Is not that right, little Yu?"

"Yes." Feng Yu also had the same thought as Xiao Tian. In her view, it would be exciting to enjoy the beautiful sunset from above with her mother and Xiao Tian.

"All right." because her daughter wanted to see the sunset from the giant wheel too, Lin Xing Xue immediately agreed.

Then Xiao Tian, Feng Yu, and Lin Xing Xue walked to the giant wheel. After queuing for about fifteen minutes, their turn to ride the giant wheel had finally arrived.

Because Xiao Tian wanted to make sure that they would stop when they were at the top, he walked toward the operator and gave him a tip.

At first, the operator only looked at Xiao Tian. Xiao Tian knew why the operator stared at him intently.

Then Xiao Tian explained to him why he wore a mask. He told the operator that he had an incident and injured his face. Now he was on a date with a girl he loved the most and hoped he could win her heart.

This made the operator refuse his money. But the reason he refused his money was that he felt sorry for Xiao Tian. He also told Xiao Tian to do his best and he would support Xiao Tian.

The corner of Xiao Tian's lips twitched after seeing the operator's behavior, but he said nothing about it. Then Xiao Tian, Feng Yu, and Lin Xing Xue rode the giant wheel.

### **Chapter 373 - I Hope Our Paths Cross Again**

7-9 minutes

---

"It's beautiful." Feng Yu mused.

Currently, Xiao Tian, Feng Yu, and Lin Xing Xue were riding a giant wheel. And because the operator said that he would help Xiao Tian to win Lin Xing Xue's heart, the operator stopped the giant wheel when they were at the top so that they could enjoy the beautiful sunset from above.

As they were enjoying the beautiful view in front of them, a dazzling smile appeared on their faces.

At this moment, Xiao Tian really wanted to hold Lin Xing Xue's hands and embrace her, but he knew it was impossible for now.

Several days without hugging or holding her hands made Xiao Tian sad.

'Little Xue, if you know Qing Feng is me, do you still want to spend time with me?'

Xiao Tian could only sigh in sadness when he saw her smiling face.

"What is it?" Lin Xing Xue asked when she noticed Xiao Tian sighing.

"I suddenly remember my ex-girlfriend." Xiao Tian gave her an honest answer

"Ex-girlfriend? You seem to like your ex very much. Why did you two break up?" Lin Xing Xue asked curiously

"I made a grave mistake." The expression on his face turned sad after saying that. "I love her very much and plan to live with her until I die, but because of my mistake, we broke up. Not only that, but now she always ignores me and doesn't want to talk to me anymore."

"Don't give up. Show her that you love her very much. I'm sure she will understand and forgive you later." At this moment, Lin Xing Xue had no idea that Xiao Tian was talking about her.

'That person is you, little Xue. Will you really forgive me if I do that? But you always ignore me until now, so how can I show it to you?'

Xiao Tian wanted to ask that, but now he was Qing Feng, not Xiao Tian. That was why he only looked at Lin Xing Xue.

When Lin Xing Xue noticed Xiao Tian said nothing, she immediately said, "Don't worry, if you two are destined to be together, she will be yours again."

"Thank you." Xiao Tian could not say any other word except 'thank you.'

"Don't give up." Lin Xing Xue said as she smiled.

Xiao Tian suddenly realized that he should not say something like that, because it could destroy the beautiful atmosphere. "Sorry for saying this. Let's enjoy the view again."

"It's fine." Lin Xing Xue replied.

Not long after that, the giant wheel moved again. Because they had played many games before, Xiao Tian invited them to eat at a restaurant.

Then they ate at a restaurant near the amusement park. After eating, Xiao Tian wanted to send them home, but he suddenly remembered that Lin Xing Xue knew his car.

If he drove them home using his car, Lin Xing Xue would be suspicious of him. This made Xiao Tian sigh in sadness because he knew that he could not send them home.

'Should I buy a new car and an apartment?'

Because Xiao Tian decided to pretend to be Qing Feng, he suddenly thought that he had to buy a new car and apartment so that other people wouldn't be suspicious that he was Qing Feng.

"lady Lin, little Yu, I have to return home now. Today is a wonderful day for me. Next time, let's visit another place together." even though he still wanted to spend time with Lin Xing Xue, but Xiao Tian had to practice martial arts.

He wanted to be strong as quickly as possible. That was why he decided to practice martial arts every day.

"Thank you for spending time with us." Lin Xing Xue replied. "And be careful on the road."

"Be careful on the road, uncle Qing." Feng Yu waved goodbye.

"Un." Xiao Tian said as he smiled. "I hope our paths cross again."

When Xiao Tian was sure that no one saw him, he got into the car and drove to his home. And like what he had planned, as soon as Xiao Tian arrived home, he immediately practiced martial arts.

He practiced martial arts until 10:00 pm before finally, he took a bath and slept.

-----

The following morning, Xiao Tian told Lin Xing Xue, Shi Fei, and the others to pack their belongings because he wanted them to move to the company headquarters.

The tailors were sad when they knew that Xiao Tian and the others would move to the company headquarters.

They would not be able to see their boss every day anymore and they would miss their time like when they spent time together in the yard and ate together.

However, the tailors knew that they could not stop Xiao Tian from moving to company headquarters. That was why they told Xiao Tian to often visit them later.

"Young boss, we will miss you."

"Boss, you will often visit us, right?"

"Boss, will you eat with us again in the future?"

"Boss, I will miss the time when we all ate together in the yard."

"Yes. boss."

"That's right."

"Boss, why is the company headquarters located far from here? It will be difficult for us to see you."

"Yes, boss. We are used to seeing you and spending time with you every day."

One by one the employees expressed their feeling when they knew Xiao Tian would move to the company headquarters.

They were many beautiful memories with Xiao Tian in that place and it would make them sad if they remembered it later.

For them, Xiao Tian was a good boss. That was why they didn't want to be separated from him. Some of them even behaved as if they would not be able to see him anymore.

Xiao Tian felt warm in his heart after hearing their words, but he still had to move to the company headquarters. "Don't worry. we will eat together again in the future."

"Really?" the employees said in unison.

They were pleased when Xiao Tian said that they would eat together again in the future.

"Yes." Xiao Tian replied as he nodded his head. "You all should work hard even without me here."

"We will, boss." the employees said in unison.

"Don't betray me, do you all understand?" Xiao Tian added

"Yes, sir." Once again, the employees said in unison.

After that, Xiao Tian and the others went to the company headquarters.

After everything was done, Xiao Tian immediately left because he wanted to buy an apartment and car. Of course, Xiao Tian bought it alone because he didn't want anyone to know about it.

After Xiao Tian parked his new car in the parking lot, he changed the car and went straight home. And like usual, Xiao Tian practiced martial arts again before finally, he took a shower and slept.

-----

The following morning, Xiao Tian went to Eternal Beauty company because he wanted to know about the result of the new product.

"So, when are new products ready to be launched?" Xiao Tian inquired.

Currently, Xiao Tian was in his office. In front of him, there were Liang Jun and Mu Jia.

"The new products are almost ready, sir. We can launch it in three days." Mu Jia, the head of the cosmetic chemists, said.

"Good!" Xiao Tian was pleased by that. "Make sure there aren't any mistakes later."

They would announce to the public that he was the owner of the company and launch new products at the same time, so if there were any mistakes, it would affect the company's reputation and development later.

"Understood, sir." Mu Jia and Liang Jun answered in unison.

"You two can leave now." Xiao Tian said

Then Mu Jia and Liang Jun left

### **Chapter 374 - My Mind Is Tired**

7-8 minutes

---

'It's so tiring to work as CEO in two companies.'

Xiao Tian relaxed in his office for about an hour before finally, he went to Stars Clothes company to meet Shi Fei.

"Do you need anything, little brother?" Shi Fei inquired.

Currently, Xiao Tian and Shi Fei were in his office. They were sitting on the couch with Shi Fei hugging his left arm.

Xiao Tian didn't mind it because he was used to her behavior. "It's time to recruit more employees. And I also want you to hire three young talented designers."

Xiao Tian thought it was time to hire employees again because his company was growing again. He also wanted Shi Fei to hire talented young designers to make less of his work because now he had to work as a CEO in two companies

It would be very tiring if he was the only one who designed all the clothes. Of course, he would still design clothes in the future because his clothing designs were always popular.

"All right." Shi Fei also had the same thought as Xiao Tian. "Little brother, do you want to mark your office with our cum right now? In the previous company, we have marked your office and bedroom with our sperms many times, but we still haven't done it in your new office."

The reason Shi Fei wanted to have sex with Xiao Tian in his new office was that she wanted him to always remember her whenever he was in his office.

With that, the possibility for him to fall deeper in love with her was higher. Of course, that was also because she liked to make love to him too.

Not only would she be able to feel great pleasure, but he would also always think of her whenever he was in his office. This was like killing two birds with one stone.

Xiao Tian looked at her for three seconds. He had no idea why Shi Fei always wanted to have sex with him.

Of course, he was happy to hear it because having sex could deepen their relationship. However, because he was not in the mood to do it, he immediately refused. "Not now, Fei. Let's do it next time."

Even though the location of his office was far from other offices, Xiao Tian had to be careful too. He did not want other employees labeling him as a pervert because they immediately had sex in his office as soon as they moved to the company's headquarters.

"When will we do it?" Shi Fei inquired

Xiao Tian looked at Shi Fei in the eyes for several seconds before finally, he spoke, "Do you like having sex with me that much?"

"Yes." Shi Fei then brought her face closer to his right ear. "My vagina really misses your amazing cock."

Xiao Tian could only sigh after hearing her words. "All right. Let's do it at your home after work."

"Yay." A happy smile appeared on her face.

"Let's discuss work now." Xiao Tian then took his clothing designs and gave it to Shi Fei. "These are new clothing designs."

"Little brother, how can you have so many ideas about clothing design? These clothing designs are so beautiful." Shi Fei didn't know how Xiao Tian could always design good clothes in such a short time. It was as if he always had an idea about clothing design.

Because Xiao Tian could not tell her that it was because he had a lot of clothing designs from his past life, he decided to lie to her. "I also don't know. I just think about it and suddenly I have many ideas."

"As I thought, my lover is a genius." Shi Fei then turned Xiao Tian's head and gave a peck on his lips. "So, how is your other company doing?"

"It's doing good. In a few days, my other company will launch several skincare products. I will give you and Ning'er skincare products later." Xiao Tian intended to give skincare products to all his women but decided against it because he knew that his mother, aunt, and Lin Xing Xue would reject it.

'Wait, I can give it to little Xue if I pretend to be Qing Feng, but how can I give it to mother and aunt too?'

His mother and aunt didn't know Qing Feng, so if he suddenly gave skincare products to them while pretending to be Qing Feng, they would not accept it; instead, they would be suspicious of him.

They didn't know Qing Feng so they would definitely think that he had an ulterior motive if he suddenly gave it to them.

Well, it seems like I can only give it to little Xue. Xiao Tian thought to himself.

"Really?" Shi Fei's eyes shone in happiness. After hearing his words, she suddenly wanted to try his company skincare products. "I will be waiting for it."

"Yes. As soon as the products are ready to launch, I will give it to you and Ning'er later" Xiao Tian nodded his head. "But remember not to tell others about my identity."

"I know." Shi Fei knew Xiao Tian wanted to hide his identity. As his mistress, of course, she would hide his identity. "Hehe. I'm looking forward to it now."

"You can leave now. I still have a lot of work to do." because now he had to work as a CEO in two companies, Xiao Tian had more work than before. That was why he didn't want to waste time.

Instead of immediately leaving, Shi Fei cupped Xiao Tian's face and kissed him. First, she kissed his forehead, then his cheeks before finally, she kissed his lips.

After that, Shi Fei rose from the couch and said, "I will return to my office now. Don't forget, if you feel lonely, you can call me, or you can come to my office. I will warm your heart and of course, your body too."

Shi Fei didn't forget to tease Xiao Tian before returning to her office. After giggling, she walked out of his office.

Then Xiao Tian returned to his office chair and began to work.

'My mind is tired.'

Xiao Tian had been working for several hours. He even skipped lunch because of that. When he felt his mind was too tired to continue working, he rose from his chair and lay on the couch.

At first, Xiao Tian only wanted to relax for fifteen minutes, but due to how tired he was, he fell asleep. Xiao Tian didn't realize that a few minutes after he fell asleep, a gorgeous woman entered his office with a smile on her face.

"It seems like he is worn out." Earlier, Liu Ning knocked on the door several times, but because Xiao Tian didn't answer, she opened the door.

When she saw Xiao Tian sleeping on the couch, she immediately entered his office. With a smile on her face, Liu Ning sat on the couch and placed Xiao Tian's head on her lap.

Even though Xiao Tian was sleeping, but the smile never left her face when she saw his sleeping face. From his face, Liu Ning thought Xiao Tian had a lot of problems.

However, because Xiao Tian had never discussed his problem with her and decided to solve it alone, she could not help but worry about his condition.

Liu Ning stroked his hair gently. The smile on her face grew softer and her expression changed to a loving expression as she looked at his sleeping face.

## Chapter 375 - Fei, Do You Want To Go Home Now?

6-7 minutes

---

Thirty minutes had passed since Xiao Tian slept on Liu Ling's lap. Not long after that, Xiao Tian woke up.

Xiao Tian was surprised when he found out his head was on Liu Ning's lap. He suddenly felt lucky that Liu Ning was the one who saw him sleeping on the couch.

If his other employees saw him sleeping on the couch, he could lose face. Xiao Tian also didn't expect that he would fall asleep when he was relaxing on the sofa. This made Xiao Tian realize that he should relax in the bedroom the next time he was tired.

Even though Xiao Tian was awake, Liu Ning didn't stop stroking his hair. She even smiled beautifully as she looked at him. "Did you sleep well?"

"Un. How long have I slept on your lap?" Xiao Tian did not immediately sit on the sofa; instead, he continued to rest on her lap.

"I don't know exactly, but I think about thirty minutes or so." because Xiao Tian was still resting his head on her lap, Liu Ning didn't stop stroking his hair.

Even though Xiao Tian still had work, but he suddenly only wanted to spend time with Liu Ning. "What time is it now?"

"It's 05:10 pm." Liu Ning answered instantly.

Because work time was still not over, Xiao Tian kept resting on Liu Ning's lap. They talked for several minutes before finally, Shi Fei entered his office.

"Little brother, it's time to go ho-" Shi Fei stopped her words when she saw Xiao Tian resting on Liu Ning's lap. "Oh! So, this is what you two are doing? I'm so jealous."

"Fei, do you want to go home now?" Xiao Tian inquired.

"Of course." Shi Fei answered instantly. "You promised that we would do it after work. I'm looking forward to it now."

After hearing Shi Fei's words, Liu Ning was suddenly curious. "What are you saying, big sister Fei? What promise do you two have after work?"

Shi Fei then walked towards Liu Ning and brought her face toward Liu Ning's right ear, "We have promised to have wild sex after work."

Liu Ning's face turned red after hearing Shi Fei's words. At this moment, Liu Ning thought Shi Fei was teasing her. "Stop lying to me! I want to know about it too."

"I'm not lying." Shi Fei also thought that Liu Ning would think that she was teasing Liu Ning because she often did it. "If you don't believe me, you can ask little brother now."

Liu Ning then looked at Xiao Tian and asked, "Is that true?"

"Yes." Xiao Tian didn't lie to her because there was no point in doing it. "Do you want to join us?"

Liu Ning's face instantly became redder after hearing his words. She found it hard to believe that Xiao Tian and Shi Fei could say something like that without feeling shy at all.

Because Liu Ning still hadn't said anything, Shi Fei immediately asked, "How is it, Ning? Do you want to join us?"

Liu Ning looked at Shi Fei for about five seconds before finally, staring at Xiao Tian. With a shyness on her face, Liu Ning nodded her head. "Un."

"Perfect! Let's have threesome until we can't move our bodies anymore later." With Liu Ning joining them, it would be more exciting. That was why Shi Fei was thrilled.

The corner of Xiao Tian's lips twitched after hearing Shi Fei's words. He knew Shi Fei loved having sex with him, but wanting to have sex until they would not be able to move their bodies anymore was a bit too much.

Of course, Xiao Tian would not refuse it, because who would not want to have sex with beautiful and sexy ladies like them. And what was more, they were his girlfriends, important people in his heart.

Because Xiao Tian knew that Lin Xing Xue would not want to go home with him, he decided to go to Liu Ning's house.

After they arrived at Liu Ning's house, Xiao Tian, Shi Fei, and Liu Ning sat on the couch. Like what they had planned before, Shi Fei immediately sat between his legs and began to unzip his trousers.

As Shi Fei was giving him a blowjob, she suddenly stopped what she was doing when his cock was fully erect. Without waiting for another second, Shi Fei took off her clothes and put his cock in her pussy.

Xiao Tian and Shi Fei had sex for several minutes before finally, Liu Ning joined. And like that, they had sex for more than two hours before finally, they decided to take a bath.

Of course, they didn't stop there because, after bathing, they continued having sex in Shi Fei's room. And like what Shi Fei had said, they really had sex until none of them could move their bodies anymore.

Currently, all on them were lying on the bed with a satisfied smile on their faces. The bedsheets were wet and the room smelled of their cum.

They then talked for several minutes before finally, they fell asleep because they were worn out.

-----

The following morning, Xiao Tian didn't return home; instead, we went straight to Start Clothes company with Shi Fei and Liu Ning.

Xiao Tian worked for about an hour before he finally went to Eternal Beauty company because he wanted to know about the preparation of their new skincare products, which would be launched later. For this reason, Xiao Tian called Liang Jun and Mu Jia to his office.

"Everything is ready in my department, sir." Mu Jia, who was standing in front of Xiao Tian, said.

"We have prepared everything too, sir. The reporters, the place, and other things are ready." Liang Jun stated.

"Good!" Xiao Tian was satisfied with their work. "Make sure there will be no mistakes because this is very important. "

"Understood, sir." Liang Jun and Mu Jia said in unison.

"You two can leave now." because there was nothing to talk about anymore, Xiao Tian wanted to work again.

Then Lian Jun and Mu Jia left.

### **Chapter 376 - Little Brother, This Skincare Product Is Amazing**

6-7 minutes

---

After working for about three hours, Xiao Tian went back to Stars Clothes company headquarters. Of course, he didn't forget to bring skincare products for his women.

Because Xiao Tian had to pretend to be Qing Feng if he wanted to give the skincare products to Lin Xing Xue, he only brought skincare products for Liu Ning and Shi Fei.

And like usual, when work time was over, Xiao Tian drove Liu Ning and Shi Fei home. When they were sitting on the couch in the living room, Xiao Tian gave the skincare products to them. "These are the skincare products that will be launched in two days."

"Thank you, little brother." Shi Fei gave a peck on his cheeks before finally, checking the skincare products. While Liu Ning, on the other hand, was confused.

Because Xiao Tian didn't want to hide anything from Liu Ning, he told everything to Liu Ning too. Of course, Xiao Tian told her to hide his identity too.

Liu Ning was pleased after hearing his words because now Xiao Tian had never hidden anything to her. she promised not to tell anyone about his identity.

They talked for several minutes before finally, they took a bath together. In the bathroom, they had quick sex before they ended it.

After bathing, they immediately headed to Shi Fei's room. Of course, Shi Fei brought the skincare products to her room because she wanted to try it.

"Little brother, this skincare product is amazing." After wearing facial skincare, Shi Fei was pleasantly surprised by the results. She felt that her facial skin became softer and brighter. Not only that, but her facial skin wasn't dry either. "Ning, try it."

Upon hearing Shi Fei's words, Liu Ning suddenly wanted to try it too. For this reason, she got out of the bed and tried the facial skincare.

And like Shi Fei, she was pleasantly surprised after applying the skincare on her face. She could already feel and see the results on her face.

This made Xiao Tian happy. From the expression on their faces, Xiao Tian was sure the skincare products were good. He suddenly wanted to know what the public opinion was after they launched new skincare products.

Shi Fei then jumped into the bed and kissed Xiao Tian's cheeks. "Thank you, little brother. I like these skincare products very much."

"Un." Xiao Tian was also delighted when he saw her smile. "Just tell me if your skincare products run out, I will immediately give you again."

"Really?" Shi Fei inquired.

"Yes." Xiao Tian owned a beauty company, so giving a few skincare products to his women was a small thing for him.

"You are indeed the best." Shi Fei said happily.

Then Liu Ning also laid down next to Xiao Tian. They talked for more than two hours before finally, they fell asleep.

-----

The following morning, Xiao Tian went straight to Eternal Beauty company to meet Liang Jun. Then they went to see the place where they would launch new products.

That day, Xiao Tian was busy preparing for the launch of new skincare products. And like yesterday, Xiao Tian didn't return home; instead, he went to Liu Ning's home.

Because Xiao Tian didn't want to feel lonely at night, he decided to stay over at her house. It had been three days since he last returned home, but Xiao Tian didn't care about it because he knew his mother and aunt would not care about it.

That was why, rather than spending time alone at home, Xiao Tian preferred to stay over at Liu Ning's house. Not only would he be able to spend time with Shi Fei and Liu Ning, but they could have sex whenever they wanted too.

That was why Xiao Tian kept staying over at their house. Of course, Shi Fei and Liu Ning were fine by it. They were even thrilled by it because they could spend more time with Xiao Tian.

-----

The following morning, Xiao Tian immediately took a bath after waking up because today was the day where his other company would launch new skincare products. When he arrived at Eternal Beauty company, Xiao Tian wanted to head to his office.

As soon as Xiao Tian stepped into the company building, Liang Jun, who saw him, walked toward him. when he was in front of Xiao Tian, he immediately spoke, "Good morning, Sir."

"How are the preparations?" Xiao Tian inquired

"Everything is ready, sir." because Xiao Tian always said that he didn't want a single mistake, Liang Jun always checked everything more than once and he also did it carefully.

It was his first month working as a director at Xiao Tian's company. That was why he didn't want to disappoint Xiao Tian.

"Let's go." Because the reason Xiao Tian went to his company was to meet Liang Jun and ask about the preparations, he immediately wanted to go to Stone Villa with Liang Jun.

Stone Villa was a place where they would promote their new skincare products and new company name. Stone Villa was located in the Wahui district, so it took them several minutes to reach there.

When they arrived at Stone Villa, Xiao Tian was surprised when he saw a police car and an ambulance. he didn't expect that Liang Jun would do something like that.

Even though Liang Jun's preparations were too excessive, Xiao Tian didn't say anything about it because it was not a bad idea too.

When Xiao Tian stepped into the Stone Villa, he saw many reporters and audiences. Some of the audiences came to Stone Villa because they knew that Eternal Beauty company would let them try the new skincare products for free.

Of course, they wanted to try it because if something happened to them, Eternal Beauty company would take responsibility. It was a great opportunity for them. That was why they didn't want to let such a big opportunity slip away.

After everything was ready, Xiao Tian said, "Let's start promoting our new skincare products and announcing our new company name."

### **Chapter 377 - Eternal Beauty Company**

7-9 minutes

---

When Xiao Tian and Liang Jun stepped into the conference hall, everyone immediately looked at them. The conference hall was quite big and luxurious with about three hundred chairs arranged neatly.

Then Xiao Tian and Liang Jun sat on the chair. In front of them, there was a long table with mineral water on it.

The reporters and audiences, who were sitting on the opposite side of Xiao Tian, looked at Xiao Tian in confusion.

Liang Jun had informed them that the owner of the company was no longer Hong Guan Ji, but Qing Feng. Because Xiao Tian came with Liang Jun, they understood that Xiao Tian was the owner of the company.

However, they didn't expect that Xiao Tian would be wearing a mask in the conference meeting. This made them want to know why Xiao Tian decided to wear a mask.

Of course, Xiao Tian also understood that they wanted to know why he wore a mask. Because Xiao Tian didn't want to waste time, he immediately looked at Liang Jun.

Even though Xiao Tian didn't say a word, Liang Jun knew that Xiao Tian wanted him to immediately start the conference meeting. "Everyone, thank you for coming. My name is Liang Jun. The person on my right side is Mr. Qing Feng, the owner of the company. In this conference meeting, we want to announce two things, and Mr. Qing will be the one who announces it."

Upon hearing Liang Jun's words, Xiao Tian immediately spoke, "Hello, everyone. I'm Qing Feng. Thank you for coming. I understand that all of you want to know why I'm wearing a mask, but I'm sorry, I can't tell you the reason because it's a personal reason. I hope, all of you understand it."

Everyone in the conference hall was disappointed when Xiao Tian said that he would not tell them the reason why he wore a mask, but none of them asked about it because they knew Xiao Tian would not answer it.

Of course, Xiao Tian knew what they felt, but he didn't care about it. "There are two reasons why we are holding a conference meeting. First, I want to announce that I will change the company name to Eternal Beauty company. As for the second, I'm sure everyone already knows about it. Today, we will launch new skincare products and we will also let fifty people try our skincare products for free."

After hearing Xiao Tian's words, one of the reporters asked, "Mr. Qing, why did you choose to name your company Eternal Beauty?"

"The reason why I decided to name my company Eternal Beauty is that I want everyone who uses our products to have eternal beauty. Not only to maintain your beauty, but also to increase your beauty." Actually, the reason Xiao Tian named his company Eternal Beauty was that his past life father's beauty company was Eternal Beauty.

Xiao Tian was too lazy to find a new name. That was why he decided to name his company Eternal Beauty. With this, Xiao Tian could remember his past life father every time he heard the name of his company.

"Mr. Qing, we got information that you have bought twenty branches of Hong family company. Can you tell us why did you buy their company?" one of the reporters inquired.

Xiao Tian had guessed that someone would ask it. That was why he had prepared the answer. "One of the important members of the Hong family was sick and they also had debts with other people. That was why they sold twenty of their company branches to me."

Even though Xiao Tian knew that he was telling nonsense, he didn't care about it. He was sure that they would not dare to investigate it because the Hong family would not allow it.

Because Xiao Tian didn't want other people to ask another question, he looked at Liang Jun, giving Liang Jun a sign to start launching the new products immediately.

When Liang Jun noticed it, he immediately said, "Alright everyone, let me start promoting our new skincare products."

All the reporters were disappointed after hearing Liang Jun's words. They still had a lot of questions, but because Liang Jun wanted to promote the new skincare products immediately, they understood that they could not do it anymore.

Not long after that, three gorgeous ladies stepped into the conference hall. Each of them entered the room while pushing a wheeled wooden table. On top of the wooden table, there were many kinds of skincare products. After that, the ladies stood next to the wooden table.

Xiao Tian and Liang Jun immediately rose from their chairs and walked forward. Then Liang Jun began promoting the skincare products. "In front of you all, there are several skincare products from our company. For facial cleansers, there are Makeup Remover, Facial Toner, and Foaming Cleansers. As for facial moisturizers, there are BB & CC creams, Daily Moisturizers, Serums, and SPF Protection Moisturizers."

As Liang Jun was promoting the products, the ladies showed the skincare product to everyone. "For facial & eye treatments, there are Eye Treatments, Facial Oils, Masks, Pore Treatments, Acne Treatments, Skin Tone Treatments. And the last, for body care, there are Body Lotions and Body Washes."

Liang Jun then took a moisturizing cream and explained the benefits of the cream, "This cream contains vitamin A. This Vitamin A formulation delivers the noticeable results without the irritation, redness, dryness, or greasy residue. The scent is derived from Aloe Vera, cherry blossoms and Green Tea."

Liang Jun then took another skincare product and began to explain the benefits again. "This lightweight lotion provides hydration without a greasy film and helps restore the skin's own protective barrier with three essential ceramides. It's oil- and fragrance-free, as well as hypoallergenic, non-comedogenic, and non-irritating. It helps prevent and protect dry skin for a full 24 hours"

Upon hearing Liang Jun's words, everyone suddenly wanted to try it. They were really curious about the skincare products and wanted to know whether Eternal Beauty skincare products were better than Hong company skincare products or not.

When Liang Jun saw the expression on their faces, he was pleased because he knew that all of them were curious about the skincare products. "Alright, now is the time that everyone has been waiting for. We will let fifty people try our skincare products. However, one person can only try one product."

At this moment, almost all of them hoped they would get selected as a person who could try the skincare products for free.

Even though they could only try one product, but it was more than enough because they could ask other people to try a different product so that they could know the effect of the product.

Because there were about three hundred people in the conference hall, Liang Jun had no idea how to choose them.

He was afraid if he chose who would try the skincare products, they would think that he was unfair. For this reason, Liang Jun gave them a simple question and whoever could answer it right and fast, they would be selected as people who would try the skincare products for free.

After several minutes, fifty people were chosen to try the products. From the expression on their faces, anyone could tell that they were excited.

### **Chapter 378 - He Is The New Owner Of The Company**

7-8 minutes

---

Because Xiao Tian and Liang Jun didn't want other people to think that the people who got chosen were his people, Liang Jun asked them to take an oath.

"For the sun, which illuminates the earth during the day and the moon, which illuminates the earth at night, we swear that we do not know anyone from Eternal Beauty company. If we lie, we will get bad karma for the rest of our lives" after saying that, those fifty people began to try the new skincare products.

"Wow! This skincare is amazing."

"Yes. You are right."

"My facial skin becomes brighter and softer."

"This product is also not sticky to the skin."

"This skincare is better than what I use."

"Wow! I feel lucky to be able to try it."

One by one the people, who tried the skincare product for free, praised the products, saying that it was one of the best skincare products.

This made people, who were not chosen to try the skincare products for free, want to try it too. After hearing the taster's words, they were sure the skincare products were good.

Xiao Tian and Liang Jun could not help but happy. From their words, Xiao Tian and Liang Jun knew that the promotion was a success.

"Everyone, you all heard it, right?" Liang Jun spoke and paused for a second before he continued, "If you want to buy our skincare products now, we will give you all a discount of 30%. If you buy our products in a full set, we will give a discount of 50%. If you all are not totally satisfied with our products, we will give you a full refund with no questions asked."

Upon hearing Liang Jun's words, everyone suddenly wanted to buy skincare products. Not only would they get a high discount, but Liang Jun also promised if they were not satisfied with their skincare products, Liang Jun would give a full refund with no questions asked.

Because Liang Jun knew that they needed several people to help them, he had prepared fifteen gorgeous ladies to help them.

Soon, those fifteen ladies entered the conference hall and helped people who wanted to buy the skincare products.

One by one, people who bought the skincare products, tried it on their skin. And like the tester earlier, they were satisfied with the result. That was why none of them complained and ask for a refund.

After that, the conference meeting continued for another hour before it ended. Because Xiao Tian wanted all of them to keep buying his skincare products, he gave the people, who bought his skincare products, a membership card which would give them a 10% discount on purchasing all skincare products for a month.

This made the people, who bought the skincare products, happy and intend to visit Eternal Beauty Clinic for treatment so that they look more charming in front of others.

As one by one the audiences walked out of the conference hall, they talked about the skincare products and praised it.

Because the promotion was successful, Xiao Tian invited his employees to eat at Bamboo Restaurant. After that, they returned to the company and began to work again.

Xiao Tian worked for about an hour before he finally remembered something important. For this reason, he called Liang Jun to come to his office.

"Do you need anything, sir?" Liang Jun asked when he was in front of Xiao Tian.

"Let's go to my other company. I want to see it." Xiao Tian went straight to the point.

"All right." Liang Jun replied instantly.

Then they went to Donghai Clothing company. However, when they were on the way to Donghai Clothing company, Xiao Tian thought it would be better to bring Shi Fei too.

For this reason, Xiao Tian went to Stars Clothes company. When they arrived at the company, Xiao Tian didn't come out of the car; instead, he only called Shi Fei to meet him in front of the company.

With a smile on her face, Shi Fei dashed to meet him. because Xiao Tian was using his new car, she had no idea where Xiao Tian was. Shi Fei turned her head to the left and right, but still, she didn't find his car.

\*Beep....

The sound of the horn could be heard in her ears. Upon hearing it, Shi Fei rushed toward the source of the sound.

Shi Fei didn't immediately get into the car; instead, she walked toward the driver's door and said, "Little brother, why did you call me?"

"Get in." because Xiao Tian didn't want Lin Xing Xue to see him at his company, he wanted to leave immediately.

Without waiting for another second, Shi Fei got into the car.

'Little brother?'

The expression of deep shock emerged on Liang Jun's face. He knew Shi Fei was an employee at Xiao Tian's company. What he didn't understand was how could she call her boss little brother.

Not only was Xiao Tian not angry, but Xiao Tian behaved normally. This made Liang Jun understand that she had a special relationship with Xiao Tian.

Even though Liang Jun had no idea what kind of relationship they had, he knew that he should treat Shi Fei nicely. Otherwise, he was afraid that Xiao Tian would get angry with him later.

"He is..." because it was the first time Shi Fei saw Liang Jun, she had no idea who he was.

Before Xiao Tian could introduce Liang Jun, he immediately said, "Hello, Miss. My name is Liang Jun."

"Ah! So, you are Liang Jun?" because Xiao Tian had told her everything, she knew who Liang Jun was. She just never saw him. That was why she didn't know that he was Liang Jun earlier. "I'm Shi Fei."

"Did you know me, Miss?" Liang Jun was surprised after hearing her words because it was as if she knew him.

"No." Shi Fei shook her head. "But little brother had told me that you were the one who gave Zong Chaihe's company to little brother."

"A...Ah! Is that so? So, sir Xiao told you about it." with this, Liang Jun knew that Xiao Tian and Shi Fei had a special relationship.

It was impossible to tell her if Xiao Tian and Shi Fei had no special relationship because it was a big secret for them.

Then they went to Donghai Clothing company. Because it was located at Nanli district, it took them several minutes to reach Donghai Clothing company.

And like Xiao Tian had guessed, there were only a few employees who still worked at the company.

When all the employees saw Liang Jun, one of them immediately walked toward him. "Good morning, general manager Liang."

"Good morning." Liang Jun replied as he smiled.

'Is not he...'

All employees were shocked when they saw Xiao Tian. Of course, they knew who Xiao Tian was. Due to how famous he was, some of them even wanted to meet him in the past.

They just didn't expect that Xiao Tian would appear in front of them. This made them curious why Xiao Tian suddenly came to Donghai Clothing company.

"I'm sure all of you already know who he is." Liang Jun was sure all of them knew who Xiao Tian was because Xiao Tian was famous. "He is the new owner of the company."

"What?" the employees said in surprise

## **Chapter 379 - Going To Xiao Tian's Apartment**

8-9 minutes

---

They knew that someone had bought Donghai company. They just didn't expect Xiao Tian was the one who bought the company.

Some of them thought the person who bought the company was an old man from a rich family, but they were wrong.

Of course, they were thrilled by this. Not only was Xiao Tian handsome and young, but he was known as a genius in business.

Because Xiao Tian could become a successful person in a short amount of time, they believed Xiao Tian could make the company grow bigger too.

They suddenly felt lucky that they decided not to resign when the company went bankrupt because the future of the company would be better in Xiao Tian's hand.

Because Xiao Tian wanted to find out how many employees that remained in the company, he decided to call all the employees.

After all the employees stood in front of Xiao Tian, he looked at Liang Jun, giving him a sign to tell him who they were.

When Xiao Tian learned that they were employees with low status, he could only sigh. Of course, Xiao Tian could not blame the employees who resigned. He just didn't expect all high-status employees to resign.

'Well, it can't be helped. they need money for their daily living expenses and looking for a new job is the best solution.'

Then Xiao Tian introduced Shi Fei and told them that she was their director.

Even though the employees were shocked when they knew Shi Fei was their director, but they didn't show it on their faces.

At first, they thought Shi Fei was their manager. Some of them even thought that she was Xiao Tian's woman. They just didn't expect that she was their director.

After that, Shi Fei, Liang Jun, and Xiao Tian talked in a private room.

After Xiao Tian sat on the couch, he looked at Liang Jun and spoke, "Liang Jun, you go and hire the employees who resigned from the company. Remember, only hire trusted ones."

"Understood, sir." After saying that, Liang Jun immediately left

Xiao Tian tilted his head back and sighed, "Sigh.."

Shi Fei, who was sitting on his right side, immediately said, "What is wrong, little brother? Why are you sighing?"

"Now that I think about it, where did Hong Jun get the video of Yun Xin Er and me? That video was recorded before I met him. Is the person who gave the video to Hong Jun the same person who sent the Blue Ice Lotus gang to wreak havoc in my company?" until now, the mastermind who sent Blue Ice Lotus gang to cause trouble at his company was still a mystery.

This made Xiao Tian think that the mastermind of everything that happened to him was the same person.

'But who is it?'

Xiao Tian never made enemies to anyone, except Feng Ao. But his underlings, who were spying Ming Sha, had informed him that Ming Sha never did anything suspicious.

"Maybe." Shi Fei also had tried to find out who was the mastermind of everything that happened to Xiao Tian but it was all in vain.

That was why Shi Fei made Fu Jiyi and Bi Yu work under him so that they could protect him and his companies.

Xiao Tian could only sigh. He knew that his enemy was clever because they could erase their tracks so neatly.

"How is the clothing production?" several days ago, Xiao Tian gave Shi Fei his clothing designs so that they could immediately launch it to the public.

"Almost done. In two days, we can promote it." Shi Fei answered instantly. "Little brother, aren't you tired of working in two companies and pretending to be two different people?"

Xiao Tian didn't answer her and only looked at her. Of course, Xiao Tian was tired of running two companies at the same time.

Not only that, he even had to pretend to be a different person. But, for the sake of making his predecessor's dream come true, Xiao Tian did not want to complain. "Fei, let's go to my apartment."

"Apartment?" because Xiao Tian bought apartment alone, Shi Fei had no idea about it. "Did you buy an apartment?"

"Yes." Xiao Tian nodded his head. "It's located in Nanli district, near Yonhan beach."

"Near Yonhan beach?" Shi Fei's eyes shone brightly after hearing his words. "Let's go to your apartment now. I want to see it."

Then Xiao Tian and Shi Fei traveled to his apartment. After they stepped into the living room, Shi Fei looked at him and spoke, "Wow! Your apartment is big and luxurious."

In the living room, there was a TV and a red couch. Because the living room and the kitchen were in the same place, there was a kitchen behind the sofa with no dividers between the two places.

The concept of the kitchen was Eat-in Kitchen. There was also an artificial tree on each corner of the room.

[Anyone interested to know about it can visit this link:

What kind of concept is that kitchen? Spent an hour looking for concept names on the internet but to no avail. It was driving me crazy. Remove \* between s and t.]

And because the concept of the apartment was a greenhouse and it was also on the tenth floor, they could see the beauty of Shanghai and the beach from almost on every side of the room.

Of course, there were window curtains that could block the view from outside into the apartment. And currently, Shi Fei was opening the window curtains on the right side of the living room because she wanted to see the beach through the window.

Xiao Tian then walked toward her and embraced her from behind, "Do you like this apartment?"

"Yes. I like it very much." Shi Fei was sure the scenery at night, in the afternoon or at dawn would be breathtaking too. "Your apartment is very nice and also located in a great location."

"If you like this apartment, you can come here whenever you want." Xiao Tian placed his head on her right shoulder and embraced her tighter. "The PIN number is 666777."

"I will bring Liu Ning next time I come here." Shi Fei put her hands in his. She loved it very much when Xiao Tian hugged her from behind like that.

"Yes. you can bring her too later." Xiao Tian replied instantly.

What a pity that it was still afternoon. Otherwise, the atmosphere would be more romantic because if it was in the morning, at dawn or night, the view would be more beautiful.

Shi Fei then turned around and said, "I want to see the bedroom."

"All right." without giving her a warning, Xiao Tian carried her in princess style and walked toward the bedroom.

Even though his actions greatly surprised her, but Shi Fei was not angry with him; instead, she smiled happily.

The bedroom was quite big with lots of luxurious furniture adorning the room. On the right side of the king-size bed, there was a window with purple curtains and in front of the bed, there was a TV.

The huge white cupboard was located on the left side of the bed with a small table and chair next to it.

After Xiao Tian put her down, Shi Fei dashed toward the window to see the view from the bedroom.

And like when she was in the living room, she could see the beach through the window. This made Shi Fei want to stay over at Xiao Tian's apartment.

Shi Fei then closed the curtains again and jumped into the bed. "Little brother, come here."

Xiao Tian did what he was told and laid down next to Shi Fei.

"Why did you buy an apartment?" Shi Fei was curious why Xiao Tian suddenly bought an apartment. Not only that, but he even also bought a new car.

"To hide my identity." Xiao Tian gave her an honest answer. "I have to pretend to be Qing Feng too, so this apartment will be my home when I pretend to be Qing Feng."

"I see. Little brother, Let's sleep here tonight." Shi Fei had a lot of plans when she knew his apartment was near the Yonhan beach.

She wanted to walk around the beach with him, she wanted to see the beautiful night city from his apartment and many other things. That was why she wanted to stay over at his apartment with him.

"All right." Xiao Tian answered.

### **Chapter 380 - Thank You**

7-8 minutes

---

When Xiao Tian saw the expression on her face, he decided to grant her wish. If only by staying over at his apartment with her could make her pleased, Xiao Tian would do that without thinking twice.

Shi Fei was his woman and she always tried to make him happy. Not only that, she even never said no to his words. That was why Xiao Tian immediately agreed to sleep at his apartment with her later.

"Thank you." after saying that, Shi Fei kissed Xiao Tian's lips.

When their lips met, Shi Fei tried to put her tongue in his mouth because she wanted to have a French kiss with him.

Of course, Xiao Tian welcomed the kiss and immediately opened his mouth. Even though he had no idea why Shi Fei suddenly wanted to have a passionate kiss with him, he didn't ask about it.

As they were kissing, Xiao Tian made her lie prone on top of his body. They kissed passionately for several seconds before finally, she broke the kiss.

They didn't immediately kiss again; instead, they looked into each other's eyes intently as if they wanted to say something to each other through their eyes.

And as if they agreed on something, they immediately took off their clothes and began to do shake-shake-ah-ah thing for about an hour.

"Huft...Huft...Huft.. as usual, it was great." Currently, Shi Fei was laying down on Xiao Tian's right side with her head on his right arms, naked.

Their clothes were on the floor and their bodies were still sweating from their previous activities. And like usual, Xiao Tian let out his sperm in all of her holes and of course, Shi Fei loved it very much.

"Do you want to go for a walk on the beach?" Xiao Tian inquired

"All right." actually, Shi Fei also planned to go to the beach with Xiao Tian. That was why she agreed without thinking twice.

Then they took a quick bath. Of course, they took a bath together. Since it took only fifteen minutes to reach the beach on foot, they decided not to take the car.

As they were walking hand in hand, the smile on Shi Fei's face never disappeared. This made Xiao Tian look at her and stroke her hair, "Do you love spending time with me that much?"

"Yes." Shi Fei answered instantly. "I hope we can live under one roof as quickly as possible."

From her point of view, it would be exciting to live with him under one roof. Of course, with Xiao Tian's other women too.

If they lived together, they could spend time together, looking at the sky together or doing a little party in the backyard together.

Shi Fei thought it would be exciting to do that with Xiao Tian and his other girlfriends. For this reason, she hoped that his other women could forgive him and accept him as quickly as possible.

Xiao Tian suddenly stopped his footsteps upon hearing her words. "Fei, we will live together after I solve all my problems. I promise."

At this moment, Xiao Tian thought that it would be great if his mother, aunt, and Lin Xing Xue had the same thought as Shi Fei.

"I will be waiting for that day to come." Shi Fei said as she smiled.

Xiao Tian looked at her smile for about five seconds before finally, he embraced her. "Thank you, Fei."

After Xiao Tian stopped the hug, they walked toward the beach again. As they were enjoying themselves, they never stopped holding hands.

At first, they were just walking on the sand, but Shi Fei suddenly ran towards the water and said, "Little brother, come here."

Because Xiao Tian was wearing shoes, he took off his shoes before walking toward Shi Fei with a soft smile on his face. And like before, they walked hand in hand.

As they were walking in water, they talked about many things. At this moment, Xiao Tian and Shi Fei were thrilled.

They kept walking until finally, they stopped when the sun was setting. Because they wanted to enjoy the beautiful sunset, they sat on the sand and stared at the orange-colored sun and cloud.

Of course, they were still holding hands. It was as if they were afraid of being separated if they didn't hold hands.

After enjoying the beauty of the sunset, they didn't immediately return to his apartment; instead, they went for a walk again.

Everyone around them could not help but look at Xiao Tian and Shi Fei when they saw the smile on their faces.

Some of them were happy for Xiao Tian, but some people were jealous of Xiao Tian, because he had a sexy girlfriend like Shi Fei.

Due to how sexy she was, anyone, who saw Shi Fei, thought she was a supermodel, because they had never seen a woman with a sexy body like her body. They thought Xiao Tian was lucky to have a sexy girlfriend like Shi Fei.

At 07:00 pm, Shi Fei and Xiao Tian ate at a street vendor. At first, Xiao Tian wanted to take her to a famous restaurant, but because Shi Fei chose to eat at a street vendor, he didn't do that.

And like before, after eating, Shi Fei and Xiao Tian went for a walk again. They enjoyed the beautiful night until 10:30 pm before finally, deciding to return to the apartment.

Because both of them hadn't bathed, Xiao Tian and Shi Fei took a shower together. They also soaked in the tub for about fifteen minutes before finally, they finished taking a bath.

Because Shi Fei still wanted to enjoy the beautiful night, she grabbed a chair, which was next to the cupboard, and placed it behind the window.

Even though she was still wearing a bathrobe, she didn't care about it. The apartment was on the tenth floor and in front of her was only the view of sea and city, so no one could see her from outside.

"It's beautiful." Shi Fei, who was sitting on the chair, smiled dazzlingly. Because she wanted to see the beautiful night with Xiao Tian, she turned her head towards him. "Little brother, come here."

At first, Xiao Tian wanted to lay down on the bed and watch TV, but because Shi Fei wanted to see the beauty of the night city with him, he walked towards her before finally, standing behind her.

Because there was only one chair in the bedroom, Shi Fei rose from her seat and made Xiao Tian sit on the chair.

Xiao Tian was dumbfounded by her actions. When he wanted to say something, she suddenly sat on his lap.

Of course, Xiao Tian immediately wrapped his arms around her waist because he knew Shi Fei also wanted it.

They enjoyed the beauty of the city for about thirty minutes before finally, they laid down on the bed and watched TV.

However, they only watched TV for fifteen minutes because, in the middle of watching TV, they suddenly felt aroused. For this reason, they immediately had sex.

And like usual, Xiao Tian cummed in all of her holes. Her mouth, ass, and pussy had been marked by his white sperm.

After they had wild sex, they slept and of course, they slept naked because they didn't bother to wear clothes anymore.
