

## Illicit 421

### Chapter 421 - Do You Have A Thing For An Older Woman?

After Su Ruyan left, Lan Ruoxi returned her attention to Xiao Tian and spoke, "Hehe. It seems like we can't sleep together today."

"Well, it can't be helped." Of course, Xiao Tian was not disappointed because he was only joking when he said that he wanted to sleep with her earlier.

Xiao Tian was sure even though Lan Ruoxi didn't have a guest, they would not sleep together. He believed that Lan Ruoxi would use her tactic to cancel it.

Lan Ruoxi brought her face closer towards Xiao Tian's right ear and said, "Are you disappointed that we can't sleep together now?"

After saying that, Lan Ruoxi blew hot breath into Xiao Tian's right ear. Because she had been teasing him since they were in the private room, she decided to continue teasing him.

At this moment, Xiao Tian only stared at Lan Ruoxi. When he saw her giggling, Xiao Tian was annoyed.

'This foxy lady will always look down on me if I don't do something to her. I should punish her now so that she will think twice if she wants to tease me in the future.'

With that in his mind, Xiao Tian grabbed Lan Ruoxi's head by the chin and pulled her head towards his. And without waiting for another second, he kissed her cherry lips.

His actions greatly surprised Lan Ruoxi because she didn't expect that he would kiss her lips. This was the second time Xiao Tian kissed her.

Like the first time, Xiao Tian kissed her. As he was pressing his lips against hers, his eyes were locked on hers. Xiao Tian wanted to know whether she would immediately stop the kiss or not.

Due to how surprised she was, Lan Ruoxi's body stiffened. That was why she didn't do anything to Xiao Tian or try to stop the kiss.

Her actions made Xiao Tian misunderstand. At that moment, Xiao Tian thought that Lan Ruoxi was still teasing him. In his view, Lan Ruoxi wanted to know how far he dared to do anything to her.

For this reason, Xiao Tian opened his mouth and wanted to kiss her passionately.

When Lan Ruoxi noticed a soft thing trying to enter her mouth, she was startled. Of course, she knew the soft thing that was trying to enter her mouth was none other than Xiao Tian's tongue. She just didn't expect that Xiao Tian wanted to kiss her passionately.

That was why Lan Ruxi pushed him and spoke, "What is this? are you aroused now? It seems like you are unable to control your lust anymore. Hehe. Am I teasing you too much?"

"I'm a simple guy so every time a gorgeous lady teases me, I will also tease her back." Xiao Tian then brought her face closer towards her ears and whispered, "So why did you push me just now? Do you know it's hard for a woman to kiss an attractive young man like me?"

"Because you can't do anything more than that." Lan Ruoxi answered instantly. "I know that you are good-looking, but I'm also a pretty lady, you know?"

"Well, it's true." Xiao Tian admitted that Lan Ruoxi was indeed an attractive lady. Not only was she gorgeous, but she also had a sexy body.

If Xiao Tian didn't have a lot of experience sleeping with women, his mind would have gone crazy or he would try to have his way with her.

"Do you have a thing for an older woman? because all women around you are older than you." Lan Ruoxi knew that all his women were older than him, so she thought Xiao Tian had a thing for older women.

"They just happen to be older than me." for him, as long as he loved a woman, he didn't care whether she was older than him or not because, in his view, age was not important. "Now let me ask you back. Do you have a thing for a younger man? Maybe a good-looking young man?"

Instead of answering, Lan Ruoxi asked him, "What do you think?"

"It seems to me you indeed have a thing for a handsome young man." Xiao Tian gave her an honest answer.

"Let me tell you a secret." Lan Ruoxi answered instantly. "We, women, are the same as men. We know that many men desire to have a pretty or sexy lover. It's the same for us, many of us also desire to have a handsome or cool boyfriend, so you can't blame me."

"Is this the reason why you often sit on my lap?" Xiao Tian inquired.

Lan Ruoxi brought her face closer towards Xiao Tian's right ear and spoke, "Secret."

"Why are you always behaving like this to me? I have never seen you act like this with Zhao Sheng?" this was a question that Xiao Tian wanted to know the answer since a long ago.

Xiao Tian knew that he was a good-looking and successful young man, but there were a lot of people who were attractive and richer than him.

With her beautiful face and sexy body, Xiao Tian was sure that finding a boyfriend would be as easy as flipping her hand.

At this moment, his eyes were locked on hers because with that, he could tell whether she was lying or not. Xiao Tian really wanted to know what she would say after hearing his words.

"It's because I like sitting on your lap. That is why I always sit on your lap every time you come to my bar." Lan Ruoxi answered without feeling shy. "And the reason why I never behave like this with young master Zhao is that he is a playboy."

Upon hearing her words, Xiao Tian knew that she was lying to him. "You should already know that Zhao Sheng and I have the same personality. So why are you treating me differently? "

"I know that you are also a playboy. I even know that you have more than three girlfriends. The reason I treat you differently is that..." Lan Ruoxi stopped her words for about three seconds before finally, she continued, "secret."

"Secret?" at this moment, Xiao Tian was unhappy by her answer.

"Hehe." Lan Ruoxi could not help but giggle when she saw the expression on his face. Of course, she knew that Xiao Tian was curious about the reason why she treated him specially.

Lan Ruoxi could not stop giggling when Xiao Tian kept looking at her. It was rare for him to make that kind of expression because usually, he always didn't care about everything if it was related to her.

Even though Xiao Tian still wanted to know about it, but because she didn't want to tell him, Xiao Tian decided not to ask anymore.

Lan Ruoxi then slid from his lap and rose to her feet. "Young master Xiao, even though I would love to keep talking to you, but I have to end our conversation now because my other guests are waiting for me."

"All right." Xiao Tian replied as he nodded his head.

As Lan Ruoxi met her guests, Xiao Tian went to Blue Ice Lotus headquarters. However, when he entered the base, a voice rang out. "Finally, I can find you."

## **Chapter 422 - Winning Is Winning**

5-7 minutes

---

Xiao Tian was surprised when he saw Zhao Sheng sitting on the couch. It had been several days since he met him. He just didn't expect that Zhao Sheng would appear in the headquarters of his gang. "What are you doing here?"

Xiao Tian walked towards Zhao Sheng and sat next to him.

"Damn you, Xiao Tian! You had a lot of fun lately and you forgot about me?! How could you do that to me? Aren't we friends? I'm mad at you because of this." In the last few days, Zhao Sheng always tried to find Xiao Tian after training martial arts.

Lately, his grandfather forced him to train martial arts every single day, so Zhao Sheng only had a little free time. And because Xiao Tian often moved from one place to another, he could not hang out with Xiao Tian.

Of course, Zhao Sheng knew where Xiao Tian was, but every time he wanted to hang out with Xiao Tian, his grandfather forced him to train martial arts again.

He had no idea as to why his grandfather suddenly forced him to train martial arts every day. He even didn't have time to go to his companies because all he did was training and training.

Because he was bored training martial art every day, Zhao Sheng left without telling his grandfather earlier.

At first, he wanted to enjoy himself with a woman, but he suddenly wanted to hang out with Xiao Tian. That was why he went to Blue Ice Lotus gang headquarters.

"Well, I don't want to drag you into my problems because I think your family will be angry at you later." Of course, Xiao Tian understood what Zhao Sheng meant by having fun.

"Oh man, I really want to fight the four big gangs since a long time ago, but my grandfather forbade me to do that." because the four big gangs were famous in Shanghai, Zhao Sheng really wanted to fight them.

He was curious about how strong the four big gangs were. In the past, he wanted to bring twenty of his people to go to the four big gangs to test the strength of those gangs, but before he could go to their headquarters, his grandfather stopped him.

Of course, Zhao Sheng tried to attack those four big gangs again, but every time his people and he wanted to attack them, his grandfather always stopped them.

His grandfather even said that if Zhao Sheng still wanted to attack those famous four gangs, he would force Zhao Sheng to train martial arts every day for the whole day.

Not only that, but his grandfather also stated that he would not allow him to do business anymore if Zhao Sheng didn't listen to his words.

For this reason, Zhao Sheng was unhappy when he found out that Xiao Tian had a war with one of those four big gangs.

If he knew that Xiao Tian would have a war with the Hawk gang, he would participate without a second thought because it was a perfect opportunity to test the strength of the Hawk gang. It was a pity that the goddess of luck was not on his side.

"Oh, right! I heard that you defeated Jin Yimu, the leader of Hawk gang." Zhao Sheng hit Xiao Tian's right shoulder. "Haha. Not bad, Xiao Tian. Not bad. As I thought, we are destined to be friends. Not only are we genius in business, but we are also talented in martial arts."

Zhao Sheng's people had informed him of what had happened to the Hawk gang. Like Lan Ruoxi, Zhao Sheng was surprised when he found out that Xiao Tian had defeated Jin Yimu.

Even though Zhao Sheng knew that Xiao Tian had learned martial arts, he just didn't expect that Xiao Tian was a strong martial artist.

This made Zhao Sheng even sure that they were destined to be friends because everything about them was the same.

Both of them were good-looking, a genius in business, young, skilled in martial arts and the most important thing was they were playboy.

"Well, I'm just lucky." At this moment, Xiao Tian was not lying because if he didn't suddenly master the second secret move when he was fighting Jin Yimu, it would be hard to tell who would win the fight.

For this reason, Xiao Tian wanted to master the other secret moves quickly because he knew that there were still many people who were stronger than him.

"It doesn't matter if you won by luck, winning is winning." Zhao Sheng replied. "Oh right, I heard you imprison the Hawk gang members here. Let's head to your gang's secret prison. I want to see them."

"All right." Xiao Tian knew that Zhao Sheng really wanted to see the Hawk gang members. That was why he immediately agreed.

Then Xiao Tian, Zhao Sheng, and two of Xiao Tian's underlings went to the basement. The basement was a rectangle with a prison room on both sides.

As they were in the basement prison, the white lights lit up the basement. Because Xiao Tian knew that Zhao Sheng wanted to see Jin Yimu, he brought Zhao Sheng to the cell where Jin Yimu was being held.

When they reached the cell where Jin Yimu was being held, they saw Jin Yimu sitting on the floor with his back leaned against the wall.

The cell room was about 2,5 x 2,5 meters with only a toilet in it. Because there was no light in the cell room, Xiao Tian and Zhao Sheng were unable to see Jin Yimu's face clearly.

Currently, Jin Yimu was being held in the cell room with ten of his underlings. When Xiao Tian and Zhao Sheng were in front of Jin Yimu, Xiao Tian immediately spoke, "Yo, Jin Yimu. Someone has come to see you."

Upon hearing Xiao Tian's words, Jin Yimu raised his head toward Xiao Tian. At first, he wanted to curse Xiao Tian, but when he saw Zhao Sheng, he forgot to do that and was stunned.

"Zhao Sheng?" Jin Yimu said in disbelief.

### **Chapter 423 - Both Of You Are Friends?**

6-7 minutes

---

"Zhao Sheng?!" Jin Yimu said in disbelief.

Of course, Jin Yimu knew who Zhao Sheng was. He was even sure that the whole of China knew who Zhao Sheng was because the Zhao family was a well-known family.

Not only did Zhao Sheng come from a famous family, but he was also a genius in both business and martial arts.

'What is he doing here? And why is he with Xiao Tian? Are they friends? No! It's impossible! But if they are not friends, how come he is here?'

Countless thoughts emerged in Jin Yimu's head. He found it hard to believe what he was seeing. He tried to find the answers but to no avail.

Even though Xiao Tian was famous and also a genius in business, but Xiao Tian was from a middle-class family.

The difference between both of them was like heaven and earth. In his view, it was impossible for the famous family members like the Zhao family would be friends with a nobody like Xiao Tian.

For this reason, Jin Yimu still hadn't accepted the fact that Xiao Tian and Zhao Sheng were friends despite seeing them together in front of him.

When Xiao Tian saw the expression on Jin Yimu's face, he knew what was on Jin Yimu's head. "Hey, why are you making an expression like that? You should be happy that a member of the famous family has come to see you?"

"Oh, so you are Jin Yimu?" even though Zhao Sheng had never met Jin Yimu, but he had the information about Jin Yimu.

In the past, when he wanted to attack all the big four gangs, his people gave him all the information about the leader of the four big gangs.

"Why are you here? And why are you together with Xiao Tian?" because Jin Yimu wanted to know the answer to all the questions that he had in mind, he decided to ask.

"Why am I here?" Zhao Sheng spoke and paused for a second before he continued, "Of course, I came here because I want to hang out with my friend. Is it wrong for me to visit my friend?"

"Friend? Both of you are friends?" upon hearing Zhao Sheng's words, Jin Yimu began to accept that Zhao Sheng and Xiao Tian were friends.

This made Jin Yimu furious. The Hong family never mentioned that Xiao Tian and Zhao Sheng were friends.

If he knew that Zhao Sheng and Xiao Tian were friends, he would not accept the offer to destroy Xiao Tian's life because even though his gang was famous in Shanghai, but in front of the Zhao family, they were like a child who pretended to be delinquent.

'Wait! So, are those twelve people from the Zhao family?'

Jin Yimu suddenly remembered that Xiao Tian brought twelve people who were skilled in martial arts to his gang headquarters when they had a war.

Because of how skilled they were in martial arts, Jin Yimu believed that they were from the Zhao family.

Jin Yimu looked at Xiao Tian and asked, "Were the twelve people who helped you in the war from the Zhao family?"

"What are you talking about? They are Lan Ruoxi's underlings. If Zhao Sheng helped me, it would be much easier to destroy your gang. Oh, two people among them are my employees who work at Stars Clothes company." Xiao Tian understood why Jin Yimu said something like that.

If other people were in Jin Yimu's shoes and they saw Xiao Tian and Zhao Sheng together, Xiao Tian was sure that they would also think like what Jin Yimu thought.

"Lan Ruoxi's underlings?!" Jin Yimu gritted his teeth. He didn't expect that Xiao Tian had two important people as his supporters.

Lan Ruoxi was well-known in Shanghai because not only was she pretty, but she was also the owner of the most famous bar in Shanghai.

Many people also believed that an upper-class family was supporting her. This made Jin Yimu realize that he had made big mistakes.

Before he accepted the offer to destroy Xiao Tian's life, he had investigated Xiao Tian's background. When he found out that Xiao Tian had no strong background, he immediately accepted the offer.

Jin Yimu began to regret his actions. With Zhao Sheng and Lan Ruoxi as friends, the fate of his gang was already set on the stone before he had a war with Xiao Tian's gang.

"Hahaha." Jin Yimu laughed at his foolishness. Jin Yimu didn't expect that he was the reason for the destruction of his gang.

"Tch, tch, tch. What a pity." Zhao Sheng said as he shook his head. "In the past, I want to attack your gang to test the strength of your gang, but because you are imprisoned here, it seems like I can't do that anymore."

Xiao Tian could only sigh upon hearing Zhao Sheng's words. He just didn't expect that Zhao Sheng really loved fighting.

"So, what do you want to do to them? Zhao Sheng inquired

"I don't know. I will think about it later." Of course, he would torture Jin Yimu for daring to try to kidnap his family.

At first, he wanted to kill them immediately, but after thinking carefully, he decided only to kill Jin Yimu and imprisoned the others later.

The reason Xiao Tian imprisoned the Hawk gang members was that he believed that the Hawk gang members would be useful to him in the future.

Xiao Tian was sure that his road to becoming the wealthiest person in China would be filled with troubles, so he would use anyone who could help him achieve his dream.

But he would make his gang much stronger first because even though he could use the Hawk gang in the future, there was a chance that the Hawk gang would backstab him.

Xiao Tian intended to imprison the Hawk gang members for a long time. With that, Xiao Tian was sure that the Hawk gang members would desire to be free.

And if Xiao Tian had a challenging problem in the future, he could use the Hawk gang and tell them that he would release them as a reward. With this, Xiao Tian believed that they would do what they were told.

"Let's head to the cell where the Hong family members are being held." Zhao Sheng said.

"All right." Xiao Tian replied as he nodded his head.

## Chapter 424 - I Said Shut Your Mouth!

7-8 minutes

---

Because the distance between Jin Yimu's cell and the Hong family's cell was not far, it only took Xiao Tian and Zhao Sheng a few seconds to reach the cell where the Hong family members were being held.

When Zhao Sheng saw Hong Guan Ji, he was surprised. "What happened to him?"

Even though he knew that Xiao Tian also imprisoned the Hong family members, but his people didn't explain everything in detail. That was why he was shocked when he saw the condition of Hong Guan Ji.

"He tried to kill me with a gun, so I cut off his right hand." Xiao Tian explained it to Zhao Sheng.

At this moment, the Hong family members were looking at Xiao Tian. Their eyes were filled with killing intent. However, because they were in the cell, they could do nothing to Xiao Tian.

Of course, the Hong family knew that Zhao Sheng and Xiao Tian were friends because when Hong Guan Ji gave half of his company ownership to Xiao Tian, Zhao Sheng was standing next to Xiao Tian.

"Oh! So, you cut off his right hand before he could shoot you with a gun?" Zhao Sheng inquired.

"Yes. At that time, the distance between him and me was close, so I could cut off his right hand the moment he pointed his gun towards me." until now, Xiao Tian felt lucky every time he remembered he never let his guard down after entering the Hong family house, or else, he would have been died by now.

"What a fool!" Zhao Sheng said while looking at Hong Gung Ji. "If he didn't cause trouble to you again, he would not end up like this."

"You're right. In the past, I only intended to teach them a lesson by taking half of their company. I just didn't expect that he would cause trouble to me again." the reason Xiao Tian had a problem with the Hong family was because of Hong Jun.

He really intended to forget his problem with the Hong family after Hong Jun was sent to prison, and he took half of their company.

It was true that he had sent his underlings to keep an eye on them, but he intended to take back his underlings if the Hong family didn't do anything suspicious in a month.

He just didn't expect that the Hong family would take revenge on him. They even hired the Hawk gang to deal with him.

For this reason, Xiao Tian would not let go of the Hong family because he knew that they would cause trouble again if he did it.

"Sigh. As I thought, he doesn't deserve to be the successor of the Hong family because, in his hand, the Hong family has become even worse." Zhao Sheng said as he sighed. "If the successor were Hong Wu, it would be different. What a pity."

Upon hearing Zhao Sheng's words, Hong Guan Ji retorted. "Don't say that name again!"

"Why?" of course, Zhao Sheng knew the reason why Hong Guan Ji was furious. "Your brother is much better than you. I'm sure if Hong Wu were the successor of the Hong family, the Hong family would have already become a very influential family in Shanghai."

"Shut up!" Hong Guan Ji retorted.

Not only Hong Guan Ji, but Hong Jun, Hong Duan, and Yi Yi were also furious after hearing Zhao Sheng's words.

"Hong Wu?" Xiao Tian had no idea who Hong Wu was.

When Zhao Sheng saw the expression on Xiao Tian's face, he knew that Xiao Tian was curious about Hong Wu.

For this reason, Zhao Sheng began to explain who Hong Wu was. "Hong Wu is Hong Guan Ji's younger brother. He is kind and talented in the business. Not only that, but the other members of the Hong family also like Hong Wu. In the past, the former head of the family wanted to make Hong Wu as their successor, but before Hong Wu could become the successor of the Hong family, he died."

The reason Zhao Sheng knew about it was that his grandfather told him about it.

"Died?" after hearing Zhao Sheng's words, Xiao Tian began to understand everything.

"Yes." Zhao Sheng said as he nodded his head. "He died in a car accident. Do you know who was the mastermind behind his death?"

"I SAID SHUT YOUR MOUTH!" Hong Guan Ji really hated it every time he heard the words 'Hong Wu.'

Even though they were brothers, but Hong Guan Ji hated Hong Wu to the bone. Since they were little, everyone in the Hong family always treated Hong Wu better than him.

In order to get their attention, he studied hard and learned about business but still, the Hong family members always treated Hong Wu better.

Whatever he did, the Hong family members never paid attention to him. This made the hatred in his heart grow bigger and bigger.

And when he found out that the former family head wanted to make Hong Wu as the successor of the Hong family, he was unable to hold back the hatred in his heart. That was why he decided to kill his younger brother.

"Hong Guan Ji?" Xiao Tian replied instantly.

"That's right. The mastermind behind Hong Wu's death is Hong Guan Ji." Zhao Sheng replied as he stared at Hong Guan Ji. "At first, the Hong family members had no idea about it, but two months after

Hong Wu's death, they finally knew the truth. For this reason, the other members of the Hong family left because they didn't want to serve Hong Guan Ji."

Actually, Xiao Tian was also curious when he first came to the Hong family house because the Hong family members only had four people.

Usually, an upper-class family like the Hong family would have many family members who would act as pillars of the family. But after hearing Zhao Sheng's words, he understood everything. "Will the other members of the Hong family attack me in the future?"

"I don't think so." Zhao Shen answered instantly. "The other members of the Hong family have also built a company. Even though their company is not big yet, but they are happy with it. That is why I don't think they will try to take your company in the future."

"I hope so." Xiao Tian didn't want to have problems with the other members of the Hong family because it would only waste his time and money.

Of course, if the other Hong family members tried to cause trouble for him, he would teach them a lesson too.

However, he hoped something like that would not happen because he had no enmity with the other members of the Hong family.

"So, what will you do to them?" Zhao Sheng asked curiously.

"Hehe." Xiao Tian's lips curled into a smirk before answering. "I'll take all of their family's fortune later."

"Hahaha." Zhao Sheng could not help but laugh after hearing Xiao Tian's words.

Several days ago, Xiao Tian took half of their family business as compensation for causing trouble to him, but now he said that he would take all of their family's wealth. This made Zhao Sheng think that Xiao Tian was a greedy person because Xiao Tian always took his enemy's wealth.

"Let's go back. I don't want to see them anymore. It makes me want to puke." Zhao Sheng said.

"All right." Xiao Tian replied.

## **Chapter 425 - Please Punish Me Until I Can't Move My Body Anymore**

6-7 minutes

---

Xiao Tian and Zhao Sheng then left the basement prison. They talked at the Blue Ice Lotus gang headquarters until 02:30 pm before finally, Zhao Sheng left because he had something to do in his companies.

Because Xiao Tian wanted to spend time with Shi Fei and Liu Ning, he traveled to Stars Clothes company.

-----

Nanli District, Stars Clothes Company

Currently, Lin Xing Xue was working in her office, but she suddenly stopped what she was doing because Xiao Tian suddenly appeared in her mind.

It had been more than ten days since she last saw Xiao Tian. Because she was still in love with Xiao Tian, she kept thinking about him.

"Why hasn't he come to me and apologized? Does he not want me anymore? Don't tell me, he has forgotten me."

It was true that she was still angry with Xiao Tian, but since Xiao Tian never tried to meet her or talk to her, she could not help but think like that.

'Is he in his office right now? Should I check it? But what should I say after meeting him?'

After thinking for several seconds, Lin Xing Xue found an excellent idea to meet Xiao Tian. Without waiting for another second, she grabbed documents and walked toward Xiao Tian's office.

However, when she was in front of his office, she didn't have the courage to knock on the door. Every time she was about to knock on the door, she kept thinking about what she would do after seeing him.

For this reason, Lin Xing Xue only stood in front of the door. At that time, she was like a student who had entered class late and was afraid of being scolded by the teacher.

But because she really wanted to see him, Lin Xing Xue ventured to knock the door.

Knock...knock...knock...

Lin Xing Xue knocked on the door three times. After that, she waited patiently for Xiao Tian to answer.

Knock...knock...knock...

Because Xiao Tian still hadn't answered, Lin Xing Xue decided to knock on the door again.

Like before, no one answered.

'Is he not in his office again?'

Because Xiao Tian still hadn't answered her, Lin Xing Xue thought that Xiao Tian was not in the company.

However, she decided to knock on the door again to make sure that he was not in the company. "Sir, May I enter? I have several documents that require your signature."

Like before, Lin Xing Xue waited for the answer.

Shi Fei, who was walking toward the kitchen, stopped her footsteps when she saw Lin Xing Xue. Because she wanted to tell Lin Xing Xue that Xiao Tian was not in the company, she walked toward Lin Xing Xue. "Xue, little brother is not in the company. I don't know whether he will come to the company or not because lately, he never comes to the company."

The expression of disappointment emerged on Lin Xing Xue's face when she found out that Xiao Tian was not in the company. "Do you know where he is?"

"No. Because he was very busy lately. He even often moves from one place to another." Because Shi Fei knew that Xiao Tian worked as CEO in two companies, she knew that he was swamped with work.

"I see." Lin Xing Xue said in sadness

She really wanted to see Xiao Tian, but because he was not in the company, she didn't know where to find him.

"Why do you want to see him? Is it related to the company?" Shi Fei inquired

"Yes. Several documents require his signature." Lin Xing Xue showed the documents to Shi Fei.

"Oh! You can place it in my office. I will sign it later." Xiao Tian had left the company matter to her, so Shi Fei could sign the documents in his place.

"All right." Lin Xing Xue then headed toward her office.

As Lin Xing Xue stepped into her office, Xiao Tian arrived at his company. Without waiting for another second, he headed toward his office.

When Xiao Tian was about to enter his office, he suddenly saw Shi Fei. For this reason, a soft smile suddenly appeared on his face. "Fei.."

"Little brother.." Shi Fei was surprised when she saw Xiao Tian.

Because Xiao Tian never came to the company lately, she thought Xiao Tian would not come to the company again.

With a smile on her face, Shi Fei walked towards Xiao Tian before finally, she embraced him.

"Let's enter my office first." Xiao Tian didn't want the other employees to see him act lovey-dovey with Shi Fei because it would make them think that all Xiao Tian did in his company was seducing his employee.

"All right." Shi Fei said happily.

After they entered his office, they immediately sat on the couch. However, because Xiao Tian wanted to lovey-dovey with Shi Fei, he patted his lap and spoke, "Come here and sit on my lap."

Of course, Shi Fei instantly did what she was told because she also loved sitting on his lap. After placing her head on his chest, Shi Fei asked curiously, "Do you have any business in the company? I thought you wouldn't come to the company today."

"Yes. I have a business in the company." Xiao Tian answered instantly

"What is it?" Shi Fei asked curiously

"My business is to meet you and spend time with you." after saying that, Xiao Tian kissed her forehead.

Shi Fei raised her head to look at Xiao Tian and spoke, "What is this? Do you want to have sex with me right now? Hehe."

The corner of his lips twitched after hearing her words. Even though he also loved having sex with Shi Fei, but he didn't want to do that every time they were alone.

When Shi Fei saw the expression on his face, she could not help but giggle. "Hehe. Your expression is funny, but I still like it."

"Oh! You dare to tease me, huh?" Xiao Tian pinched her cheeks and smiled. "It seems like I have to punish you tonight."

"Yes. Please punish me until I can't move my body anymore." Of course, Shi Fei knew what he meant by punishing her.

"Don't regret it." Xiao Tian spoke.

"Hehe. I'm looking forward to it." Shi Fei replied.

### **Chapter 426 - Is It My Turn Now?**

6-8 minutes

---

"Oh! It seems like you are not afraid of being unable to move your body, huh?" actually, Xiao Tian also intended to have sex with Shi Fei and Liu Ning tonight because he would go to Beijing with Lan Ruoxi in two or three days.

"Hehe. Having sex with you feels so good. It makes me want to have sex with you every time we are alone." Shi Fei gave an honest answer.

"Your words make me wonder whether you really love me or my dick." Of course, it also made Xiao Tian happy every time Shi Fei said that she loved having sex with him.

Who would not be happy when their lover said that they liked having sex with them because it meant they could satisfy their lover in bed.

Many people also said that sex could make a relationship stronger and make a couple love each other more.

Because it was a perfect time to tease Xiao Tian, Shi Fei decided to lie to him. "To be honest, I love your cock more because your cock can make me feel like I'm on cloud nine."

Upon hearing her words, Xiao Tian touched her pussy through her trousers and spoke, "Oh, so you only think with your pussy, huh?"

"Hehe." Shi Fei let Xiao Tian touch her pussy through her trousers as he pleased. "Little brother, you can't say something like that to a woman because only woman can say it to a man."

The corner of his lips twitched upon hearing her words. Of course, Xiao Tian knew that many women often said it to a man.

That was why Xiao Tian said it to Shi Fei because, in his eyes, women and men were equal. "If women are allowed to say something like that, that means men can say it too."

"You really know how to answer everything, huh?" Shi Fei said as she pinched his nose.

Because Xiao Tian also wanted to lovey-dovey with Liu Ning, he immediately spoke, "Fei, bring Ning'er here. I want to spend time with her too."

"All right." Shi Fei slid from his lap and walked out of his office.

Not long after that, Shi Fei and Liu Ning entered his office. Xiao Tian rose from the couch when he saw Liu Ning.

Without giving her a warning, Xiao Tian embraced Liu Ning. After he stopped the hug, Xiao Tian held the hands of Liu Ning and Shi Fei. "Let's sit on the sofa."

"Tian'er, I thought you would not come to the company today." like Shi Fei, Liu Ning was also surprised when she found out that Xiao Tian was in the company.

Because of how busy he was, she could only meet him every night because he was usually busy with his other company.

"Actually, there is something I want to tell you two." Because Liu Ning and Shi Fei were next to him, Xiao Tian thought it was a perfect time to tell them.

"What is it?" Liu Ning asked curiously

Xiao Tian looked at their faces before answering, "Lan Ruoxi wants me to accompany her to attend the banquet in Beijing."

"Lan Ruoxi?" of course, Liu Ning knew who Lan Ruoxi was because Lan Ruoxi had helped her in the past. "And what is your answer?"

"Ning'er, she has helped me many times, so I accepted it." Xiao Tian gave her an honest answer. "But you don't have to worry. I have no special relationship with her. Our relationship is only at the level of a business relationship."

"Hehe. I only want to know your answer. I never ask about your relationship with her." even though Liu Ning said something like that, but she was pleased upon hearing Xiao Tian's words.

"Little brother, it's true that we are jealous when we know that you will accompany Lan Ruoxi to attend the banquet in Beijing, but it's because we love you. However, we will not stop you from doing what you want because we believe in you." Shi Fei then turned her head toward Liu Ning. "Isn't that right, Ning?"

"Yes." Liu Ning answered as she nodded her head. "Hehe. You even said that you don't have a special feeling for her. Are you worried that we will be angry with your decision?"

"Well, it's because I want to tell you about it and don't want to make you sad." Xiao Tian was afraid they would think that Xiao Tian loved Lan Ruoxi or something like that. That was why Xiao Tian said that he had no special feelings for Lan Ruoxi.

"When are you going to Beijing?" Shi Fei inquired

"I don't know. Lan Ruoxi will tell me about it later, but the banquet will be held in four days, so if not tomorrow, I will go to Beijing the day after tomorrow." Xiao Tian really hoped that he would go to Beijing the day after tomorrow so that he could spend more time with his women before traveling to Beijing.

"How long will you be in Beijing?" Liu Ning inquired

"I also don't know about it." Xiao Tian spoke and paused for a second before he continued, "But I will come back as soon as possible because I can't live without you two by my side."

Upon hearing his words, Liu Ning and Shi Fei laughed at the same time. Because Xiao Tian often said flattering things like that, Shi Fei and Liu Ning were not surprised by it.

As if both of them had planned it before, Liu Ning and Shi Fei pinched his cheeks at the same time and spoke in unison, "What a smooth talker!"

Xiao Tian only smiled when his women pinched his cheeks. He really loved it when he could enjoy his time with Liu Ning and Shi Fei like that. "Oh, both of you dare to bully me, huh? As a man, I can't allow this, so I will fight back now."

However, before Xiao Tian could do anything to them, Liu Ning and Shi Fei looked at each other and nodded their heads as if they could communicate through their eyes.

Without waiting for another second, Liu Ning and Shi Fei pulled Xiao Tian's cheeks, causing Xiao Tian to feel a little pain.

"Agghh." Xiao Tian pretended to be in pain. "Fei, Ning'er, it's unfair that you two gang up on me like this."

Liu Ning and Shi Fei laughed when they saw the expression on Xiao Tian's face. It was rare for Xiao Tian not to fight back like that, so they didn't stop pinching his cheeks.

Shi Fei and Liu Ning pinched his cheeks for another three seconds before finally, they stopped what they were doing.

When Xiao Tian realized the opportunity to punish them had arisen, he turned his head towards Liu Ning and spoke, "It's a chance to fight back."

Without waiting for another second, Xiao Tian cupped Liu Ning's face and kissed her cherry lips. And like usual, Liu Ning immediately welcomed the kiss.

Because Shi Fei had seen them kissing many times and she was also one of his women, Xiao Tian and Liu Ning kissed passionately without feeling shy.

After kissing Liu Ning passionately for more than a minute, Xiao Tian stopped the kiss and turned his body toward Shi Fei.

"Is it my turn now?" Shi Fei asked as she smiled.

"Yes." and like what he did to Liu Ning, Xiao Tian immediately kissed Shi Fei passionately too.

**Chapter 427 - Was My Decision To Break Up With Him Wrong?**

7-8 minutes

---

Xiao Tian and Shi Fei kissed passionately for more than a minute before finally, Xiao Tian stopped the kiss and spoke, "Ning'er, Fei, let's go somewhere."

Because Xiao Tian would go to Beijing with Lan Ruoxi in one or two days, he wanted to spend time with Liu Ning and Shi Fei as much as possible.

"Where do you want to go?" Liu Ning inquired

"How about we go to Shanghai River?" Xiao Tian replied

"I'm fine with it." Shi Fei answered before turning her head towards Liu Ning. "What do you think, Ning?"

"Un. I'm also fine with it." Liu Ning replied as she nodded her head.

Xiao Tian rose from the couch and spoke, "let's go now."

Then they walked out of his office. As Xiao Tian, Liu Ning, and Shi Fei were walking toward the parking lot, Lin Xing Xue suddenly saw them.

"Tian.." Lin Xing Xue raised her right arm forward and spoke.

However, because her voice was small and Xiao Tian was far from her, he didn't hear it. The feeling of sadness emerged on her face when he saw Xiao Tian.

Of course, she knew who the women on both of his sides were. Her heart shattered into pieces when she saw Xiao Tian enjoying his time with Liu Ning and Shi Fei.

In the past, Xiao Tian always tried to flirt with her, and every time they were in the company, he always treated her special.

He even often ignored his work for the sake of spending time with her. Now that they had broken up, Lin Xing Xue suddenly hoped Xiao Tian would treat her like how he treated her in the past.

'Tian...'

Lin Xing Xue began to regret her actions. If she didn't break up with him, she was sure that he would still treat her special.

Now that she had broken up with him, she believed that she was no longer special in his heart.

'Was my decision to break up with him wrong? But he was cheating on me.'

At this moment, Lin Xing Xue didn't understand her feelings. It was true that she was furious because Xiao Tian was cheating on her, but on the other side, she was still in love with him.

Xiao Tian had done many things for her. He destroyed Feng Ao's life for the sake of her, and because of him, she could live with her daughter again.

Lin Xing Xue bit her lower lip.

'Tian...'

Lin Xing Xue then entered her office with a sad expression on her face.

Then Xiao Tian, Liu Ning, and Shi Fei went to the Shanghai River first. They were at Shanghai River for about two hours before finally, they traveled to the Yonhan beach because they wanted to see the sunset.

At that time, they enjoyed their time very much. They were joking, laughing, and flirting with each other. Due to how happy they were, the smile never disappeared from their faces.

Of course, they also took pictures together so that they could remember it in the future. When the sun was setting, Xiao Tian held their hands and enjoyed the beautiful scenery in front of him.

After seeing the sunset, Xiao Tian drove Liu Ning and Shi Fei home because he promised to spend time with his aunt and mother.

Even though Liu Ning and Shi Fei still wanted to spend time with Xiao Tian, but none of them said it because they believed that Xiao Tian would come to their home again later.

Of course, they had a goodbye kiss before Xiao Tia left. Both Liu Ning and Shi Fei kissed Xiao Tian passionately in the car.

Liu Ning and Shi Fei immediately got out of the car when they were satisfied kissing Xiao Tian passionately.

Shi Fei even said that she would be waiting for Xiao Tian to punish her until she was unable to move her body anymore before she entered the house.

Even though Xiao Tian often had sex with Shi Fei, but after hearing her words and seeing her sexy body, he gulped his saliva.

Because Xiao Tian wanted to pick up his aunt, he drove his car towards the Golden Bag company and waited in front of the company.

'I hope she will be happy when she knows I've come to pick her up.'

Because Xiao Tian wanted to inform his aunt that he was waiting in front of the company, he sent her a message.

Ye Qingyu, who was working, instantly grabbed her smartphone when she noticed a message from her nephew.

'Tian is waiting in front of the company?'

Her face broke into a smile when she found out that Xiao Tian was waiting for her in front of the company.

Because her work was done, Ye Qingyu immediately grabbed her bag and walked out of the company. Her footsteps were getting faster when she noticed Xiao Tian standing next to his car. "Tian.."

Xiao Tian instantly raised his head toward his aunt after hearing her voice. At this moment, suddenly, the wind was blowing, causing her hair dancing along with it.

When Xiao Tian saw her, he could not help but praise her beauty.

My aunt is indeed a gorgeous woman. Xiao Tian thought to himself.

At this moment, Ye Qingyu didn't realize that there was a small leaf in her hair. "Have you been waiting long?"

"No." Xiao Tian replied as he shook his head. "Get in."

After they got into the car, Xiao Tian suddenly noticed a small leaf in her hair. Xiao Tian didn't say a word and wanted to take it away immediately.

However, when Ye Qingyu saw his face getting closer toward hers, she thought he desired to kiss her lips.

It had been more than two weeks since he kissed her lips, so even though they were in front of the company, Ye Qingyu didn't try to avoid it; instead, she opened her little mouth when his face was closer to hers.

When Xiao Tian noticed his aunt opening her mouth, he knew what was in her mind. This made Xiao Tian stop what he was doing and look at her in the eyes.

At first, Xiao Tian only wanted to take away the small leaf in her hair, but when he saw her pretty pink lips, Xiao Tian suddenly desired to kiss her.

That was why Xiao Tian didn't take away the leaf from her hair; instead, he cupped her face and kissed her cherry lips.

At this moment, Ye Qingyu was pleased because she finally could feel his lips again. The lips that belonged to the person she loved so much.

Because Ye Qingyu wanted to feel the kiss, she slowly shut her eyes and put her hands on his back. Even though there was a possibility that her co-workers saw her having a passionate kiss with a young man in the car, she didn't care about it.

They kept kissing hungrily without caring where they were. Seconds turned into minutes, and without realizing it, they had been kissing passionately for about two minutes.

Even though Ye Qingyu began having trouble breathing, but she didn't intend to stop the kiss. It was their first passionate kiss after more than two weeks, so Ye Qingyu wanted to feel it more.

When Xiao Tian noticed that his aunt was having a hard time breathing, he stopped the kiss and spoke, "Let's go home."

"Un." Ye Qingyu nodded her head.

**Chapter 428 - Because You Are So Attractive**

7-8 minutes

---

"Why did you suddenly want to kiss me?" Ye Qingyu wanted to know why her nephew suddenly desired to kiss her earlier.

Of course, she was thrilled by it because it was a sign that their relationship was getting better again.

What made her curious was why he suddenly desired to kiss her. He even kissed her in front of the company as if he wanted to let others know that she was his woman.

At this moment, Ye Qingyu really hoped their relationship would return to the way it was used before as quickly as possible because even though Xiao Tian still treated her special, but it was not as special as it was used before.

"Because you are so attractive, aunt." at first, Xiao Tian wanted to tell her that he didn't intend to kiss her earlier, but he only wanted to take away the leaf in her hair.

However, because he had kissed her lips, Xiao Tian thought it would be better not to say it. Xiao Tian was sure that his aunt would be sad if she knew the truth.

Ye Qingyu lowered her head and spoke, "Thank you."

Ye Qingyu's face blossomed into a smile when her nephew praised her beauty. Even though she often heard it from others, but because it was Xiao Tian who praised her, she suddenly felt lucky to have a pretty face.

'Luckily, I've taken away the small leaf in her hair and threw it on the back seat.'

Earlier, when they were kissing passionately, Xiao Tian took away the leaf in her hair and threw it in the back seat. That was why his aunt had no idea that there was a small leaf in her hair earlier.

Not long after that, they arrived home. When they stepped into the living room, Xiao Tian saw his mother watching TV.

"Tian.." Ye Xueyin was pleased when she saw her son.

For the whole day, she kept wanting to see him, causing her to be unable to focus on her work.

Xiao Tian walked towards his mother and sat on the couch. "I'm home, mother."

'Is she trying to seduce me?'

Xiao Tian was surprised when he saw his mother's clothes. She was wearing a loose white T-shirt and short skirt. Due to this, he thought his mother was trying to make him feel aroused.

And after seeing her loose white T-shirt, Xiao Tian knew that his mother was not wearing a bra. This made Xiao Tian suddenly remember the time when they had sex in the past.

Because Ye Xueyin really wanted to lovey-dovey with her son, she immediately hugged his right arm and looked at him. "Tian, what do you want to do right now?"

Instead of giving her an answer immediately, Xiao Tian only looked at her in the eyes.

'You want to do it?'

Because his mother hugged his right arm tightly, Xiao Tian could feel the softness of her breasts. Of course, Xiao Tian knew what was in her mind because from how she behaved or based on what she was wearing, he knew that his mother wanted to have sex with him.

It was not like Xiao Tian didn't want to do it with his mother, but if he had sex with her, there was a possibility that he couldn't go to Shi Fei's house later because it would take a long time to finish having sex with her.

Not only that, but Xiao Tian was also sure that his aunt would join them if he had sex with his mother. With this, it took even longer to finish having sex.

However, because Xiao Tian didn't want to make his mother sad, he pretended as if he didn't know what was in her mind. "What do you want to do, mother? Do you want to head to the backyard?"

Ye Xueyin was unhappy upon hearing his words. The reason she wanted to have sex with him was that she wanted to make their relationship return to the way it was used before.

Ye Xueyin realized that Xiao Tian didn't treat her special like in the past, and in order to make her special again, it would take a long time if she only used a normal way.

For this reason, she wanted to use sex as a way to make her special in a short time because she knew that Xiao Tian loved having sex with her.

"Tian, let's have sex." Ye Xueyin was a lady who always said what was in her mind, so she gave him an honest answer.

They had a lot of sex in the past, so she thought there was no need to hide what she wanted.

"Mother, it's not tha-" Xiao Tian stopped his words halfway when he saw his aunt.

'Are you trying to seduce me too? Did the two of you plan all of this?'

Xiao Tian shouted in his head. Like his mother, his aunt was also wearing a loose T-shirt and short skirt.

This made Xiao Tian gulp his saliva hard. With her pretty face and the clothes she was wearing, Xiao Tian almost lost in lust.

However, Xiao Tian tried his best to hold back the lust within him because he intended to have sex with Liu Ning and Shi Fei later.

If all his women lived under the same roof, he would gladly have sex with his mother and aunt, but because they lived in a different home, Xiao Tian had to think carefully about whether he should have sex with his mother and aunt or not.

Xiao Tian really wanted to have sex with Liu Ning and Shi Fei and spend time with them for the whole night later. That was why he only intended to watch TV with his mother and aunt earlier.

However, Xiao Tian's mind was in a mess again when his aunt suddenly sat next to him and hugged his left arm.

With him being able to feel the tenderness of their breasts, the lust within him began growing again.

"Mother, it's not like I don't want to do it with you right now, but I have to go to Liu Ning's house later."

"Are you going to sleep at her house again tonight?" Ye Xueyin's expression turned sad upon hearing his words.

Even though she could see him again, Xiao Tian never slept at their home anymore. Last time, he even left when she was asleep, so when Xiao Tian said that he wanted to go to Liu Ning's house, the feeling of sadness suddenly emerged in her heart.

"Yes." because his mother and aunt knew that Liu Ning and Shi Fei were his women, Xiao Tian thought there was no point in lying to them.

Of course, he knew that his mother was sad after hearing his words because he could see the expression on her face changed drastically after he said that he wanted to go to Liu Ning's house later.

"Can't you sleep with us tonight?" Ye Xueyin said in a sad voice. "Mother really wants to sleep with you tonight."

Xiao Tian could only sigh when he saw her expression. If it were in the past, Xiao Tian would immediately agree to sleep with her, but not now, because, in his heart, Shi Fei and Liu Ning were more important. "Mother, I can't sleep with you tonight."

"But mother really wants to sleep with you tonight. Can't you sleep at her house tomorrow?" Ye Xueyin inquired.

After thinking for several seconds, Xiao Tian replied, "Mother, aunt, how about I buy a mansion, and we live together there?"

## **Chapter 429 - Because Our Relationship Is Taboo**

7-8 minutes

---

"Living together?" Ye Qingyu and Ye Xueyin said in surprise.

Actually, since they found out that Xiao Tian had other women beside them, they had suspected that he would say something like that someday, but they didn't expect that it was this fast.

"Yes. Let's live together." with living together, Xiao Tian would be able to spend time with all his women at the same time. He didn't have to move from one place to another again if he desired to spend time with his women.

Of course, Xiao Tian knew that his decision was too fast, but because Xiao Tian planned to live together with all his women sooner or later, he thought it would be better to live together with them as quickly as possible.

Xiao Tian was sure that Liu Ning and Shi Fei had no problem with it because they would agree with his idea as long as they could be together with him.

At this moment, Ye Xueyin and Ye Qingyu didn't immediately answer. It was not like they didn't want to live together with his other women, but because they had to think about it carefully.

There were many reasons why they didn't immediately agree with his idea. First, even though they would be able to spend time with him every day later, but they would not be able to lovey-dovey with him if his other women were at home because it was taboo for family members to be a couple.

Second, not only would they not be able to have sex with him whenever they wanted, but they would also see him having sex with his other women later.

Even though they began to accept that he had other women beside them, they were still not ready to see him having sex with his other women.

What if they suddenly felt aroused and were unable to have sex with him. They were sure it would torture them from inside.

"Tian, if we live together, we won't be able to..to.." because Ye Qingyu was a shy lady, she could not finish her words.

Even though his aunt didn't finish her words, Xiao Tian understood what she wanted to say. His mind suddenly went crazy.

If they lived together, the only time he would be able to have sex with his aunt and mother would be the time when they were alone at home.

Otherwise, they would not be able to have sex if they didn't go to the hotel. Not only having sex, but he even would not be able to lovey-dovey with them.

This suddenly made Xiao Tian think that it would be unfair for his mother and aunt. Not only would they see him lovey-dovey with his other women, but they would not be able to do that too and had to behave like family members.

At this moment, Xiao Tian still hadn't said anything because he had no idea how to explain to his other women about his relationship with his mother and aunt.

'Aagghhh. It's driving me crazy!'

Xiao Tian didn't expect that it would be hard to live together with all his women. It was impossible to tell them that he was not Xiao Tian, but Huang Chen.

He was sure his women would think that he was crazy if he told them that he was Hung Chen. However, he really desired to live together with all his women.

When Ye Xueyin saw the expression on his face, she immediately said, "But if you really want us to live together, we will follow your words."

Ye Xueyin knew that living together with his other women would not benefit them, but because she didn't want to make him sad, she immediately agreed with his idea.

"Yes. We will follow your words." Ye Qingyu added

Even though they agreed to live together with his other women, none looked at Xiao Tian when they said it.

They kept lowering their heads and pinched their fingers. Even though they would not be able to love-dovey with him whenever they wanted, but as least, they would be able to see him every day.

Because they were not as important as his other women, they knew that it would be hard to see him in the future if they disagreed with his idea.

"Are you sure?" even though his mother and aunt said that they were fine living together with his other women, but he wanted to make sure that they would not regret it later.

"Yes. You are our man, so we will follow your words." Ye Qingyu and Ye Xueyin said in unison.

But like before, when they said it, they didn't look at Xiao Tian and kept lowering their heads.

At this moment, Xiao Tian looked at his mother and aunt intently.

'If they weren't my family, something like this wouldn't have happened, and it would be easier for us to live together.'

At this moment, Xiao Tian was thinking of a way to tell his other women about his relationship with his mother and aunt because he knew it would be unfair for his mother and aunt if he kept hiding their relationship to his other women.

'What should I do? Will they look at me in disgust if I tell them about my relationship with my aunt and mother? Will they accept my relationship with my mother and aunt later? Will they be able to get along later?'

Countless thoughts emerged in his head. At this moment, Xiao Tian really had no idea how to comfort his mother and aunt.

However, because they were also his women, he had to think about their feelings too. "Mother, aunt, I will try to tell them about our relationship later."

"What?" Ye Qingyu and Ye Xueyin looked at Xiao Tian at the same time and said in unison.

Even though they also hoped his other women know that they were also his women, but they were afraid of their reaction when his other women found out about their relationship with Xiao Tian.

"Tian, mother is afraid. Mother is sure that they will look at us in disgust later." Because society didn't accept the relationship between family members, Ye Xueyin was sure that his other women would look at them in disgust later.

"Yes. Because our relationship is taboo." Ye Qingyu also had the same thought as her big sister.

"I know that our relationship is taboo, but if I don't tell them about our relationship, it will be unfair for both of you." at this moment, Xiao Tian really hoped that his past life father was next to him because he was sure that his past life father could help him solve the problem.

"Mother will let you handle everything." because Xiao Tian wanted to tell his other women about their relationship, Ye Xueyin decided to let him handle everything.

If his other women looked at them in disgust later, Ye Xueyin would accept it because she knew that their relationship was forbidden.

"Mother, aunt, I will try my best to make them understand our relationship." Even though Xiao Tian said something like that, but he still had no idea what to say to Shi Fei and Liu Ning later.

"Un." Ye Xueyin and Ye Qingyu nodded their heads.

"Oh, right, there is another thing I want to tell you two?" Xiao Tian spoke.

"What is it?" Ye Qingyu and Ye Xueyin asked in unison.

### **Chapter 430 - Do You Like What You See?**

6-7 minutes

---

"I'm going to Beijing with Lan Ruoxi tomorrow or the day after tomorrow." Xiao Tian gave an honest answer.

"Lan Ruoxi?" because Ye Qingyu had no idea who Lan Ruoxi was, she decided to ask, "Who is she? Is she your woman too?"

"No." Xiao Tian shook his head. "I have no feeling for her. We are only friends."

"What are you going to do in Beijing?" Ye Xueyin inquired

"Lan Ruoxi was invited to the banquet and wants me to accompany her later. Because she has helped me many times, I can't refuse her request." Xiao Tian answered instantly. "And I don't know how long I will be in Beijing."

"Have you told your other women about this?" Ye Qingyu asked curiously.

"Yes. They are fine with it." actually, before Xiao Tian told Shi Fei and Liu Ning that he would go to Beijing with Lan Ruoxi, he had guessed that they wouldn't mind because they were the women who understood him the most.

Because his other women were fine with it, Ye Qingyu immediately said, "I'm fine with it."

"Yes. Me too. I'm fine if you want to accompany Lan Ruoxi to attend the banquet in Beijing." Ye Xueyin was afraid that Xiao Tian would be disappointed in her if she disagreed with him.

She was no longer the most important woman in his heart, so if she had a fight with him again, her place in his heart would become even less important. That was why Ye Xueyin immediately agreed to it.

Of course, Ye Xueyin and Ye Qingyu were jealous of Lan Ruoxi. Who would not be jealous when their man would spend time with another woman for more than a day in another city.

At this moment, Ye Xueyin and Ye Qingyu wanted to know what was in his other women's minds.

'Why did they agree to let him accompany Lan Ruoxi later? Are they not jealous of Lan Ruoxi? Are they not afraid that Xiao Tian and Lan Ruoxi would do adult things in Beijing? Why did they trust Xiao Tian so much?'

Countless thoughts emerged in their minds, but none of them asked him about it because they were afraid that Xiao Tian would be angry with them.

"Mother, aunt, when I go to Beijing later, you two can use this time to think carefully about my idea for living together. I don't want both of you to regret it later." Xiao Tian spoke and paused for a second before finally, he continued, "If you two still want to live together later, I will immediately buy a mansion later."

"Un" Ye Qingyu and Ye Xueyin nodded their heads.

At this moment, Xiao Tian was suddenly thrilled. Not only was he richer, but there was a possibility that he would be able to live with all his women after returning from Beijing later.

"Thank you for understanding me, aunt." Xiao Tian kissed his aunt's cheeks before turning his head towards his mother and kissed her cheeks too. "Thank you, mother. I will try my best to make all of you happy later."

"Un." Ye Xueyin's mood suddenly turned brighter after Xiao Tian kissed her cheeks. "But Tian, mother still wants to have sex with you."

The corner of his lips twitched after hearing her words. He didn't expect that his mother would still want to have sex with him.

"All right." because his mother really wanted to have sex with him, Xiao Tian decided to grant her wish.

And not long after that, multiple moans echoed in the living room. After Xiao Tian had sex with his mother and aunt, Xiao Tian traveled to Shi Fei's house.

-----

Knock...knock...knock...

Xiao Tian knocked on the door three times.

Not long after that, a sexy lady who wore a short T-shirt and jeans opened the door.

This made Xiao Tian a little surprised.

'Damn! Is today a special day? Why are all my women wearing a short T-shirt and jeans?'

Of course, Xiao Tian was delighted by it. He was just surprised that all his women would wear short clothes today.

"Little brother, did you come to punish me until I can't move my body?" Shi Fei held his hands and said happily.

At this moment, Xiao Tian didn't immediately answer her; instead, he skimmed his surroundings. When he found out that no one was around her house, Xiao Tian cornered her against the door and kissed her lips.

Even though his actions much surprised her, but Shi Fei instantly welcomed the kiss. At first, she thought Xiao Tian would bring her to her room and have his ways with her there, but she was wrong because Xiao Tian immediately kissed her as if he was a hungry wolf.

Like a couple who lost in lust, both Xiao Tian and Shi Fei kept kissing passionately without caring that they were still on the terrace.

Their tongues danced lewdly, and their eyes were filled with a flame of lust.

As they were kissing, Xiao Tian moved his hands and landed it on her big soft breasts. At first, Xiao Tian wanted to squeeze her breasts immediately, but when he realized that she was not wearing a bra, Xiao Tian broke the kiss and spoke. "What is this? It seems like you had prepared yourself before I came to your house. You are even not wearing a bra."

"Hehe." Instead of feeling shy, Shi Fei giggled happily. "I'm not wearing a bra on purpose because I want you to punish me until I can't move my body anymore."

"Oh! I didn't know my lover is such a slut! Because you are not wearing a bra on purpose, let me check your beautiful soft breasts." Because Xiao Tian wanted to suck her breasts, he immediately closed the door because he didn't want other people to see her beautiful breasts.

Because Xiao Tian had seen, sucked, or squeezed her breasts many times, Shi Fei did nothing when Xiao Tian lifted her short T-shirt. "How is it? Do you like what you see?"

"Yes. As expected of my sexy lover, your breasts are so beautiful. Now let me taste these beautiful breasts." Without waiting for her answer, Xiao Tian opened his mouth and began sucking her breasts.

"Ahhhh." Shi Fei's sexy lips opened, letting out a seductive moan.
